1 Committee/Subcommittee hearing bill: Regulatory Affairs
2 Committee

3 Representative Van Zant offered the following:

4

5 **Amendment**

6 Remove lines 133-158 and insert:

7 subparagraphs 1.-4. may satisfy subparagraphs 5. and 6. by
8 submitting a signed affidavit in the format prescribed by the
9 board that states:

10 1. The applicant is currently a licensed engineer in the
11 state and has been engaged in the practice of structural
12 engineering with a record of at least 4 years of active
13 structural engineering experience.

14 2. The applicant is willing to meet with the board or a
15 representative of the board, upon its request, for the purpose
16 of evaluating the applicant's qualifications for licensure.

17 (c) An applicant who is qualified for licensure as an

Amendment No. 1

18 engineer under s. 471.013 may simultaneously apply for licensure
19 as a structural engineer if all requirements of s. 471.013 and
20 this subsection are met.

21 ~~(4)(3) The board shall certify as qualified for a license~~
22 ~~by endorsement an applicant who:~~

23 (a) The board shall certify as qualified for a license in
24 engineering by endorsement an applicant who qualifies ~~Qualifies~~
25 to take the fundamentals examination and the principles and
26 practice examination as set forth in s. 471.013, has passed a
27 United States national, regional, state, or territorial
28 licensing examination that is substantially equivalent to the
29 fundamentals examination and principles and practice examination
30 required by s. 471.013, and has satisfied the experience
31 requirements set forth in s. 471.013; or

32 (b) The board shall certify as qualified for a license in
33 engineering or structural engineering by endorsement an
34 applicant who holds ~~Holds~~ a valid license to practice
35 engineering or, for structural engineering applicants, a valid
36 license to practice structural engineering issued by another
37 state or territory of the United
