SUMMARY ANALYSIS

Currently, s. 790.06(12)(a)13., F.S., prohibits those with a valid concealed weapons or concealed firearms license from carrying a concealed weapon or firearm into any college or university facility unless the licensee is a registered student, employee, or faculty member of such college or university and the weapon is a stun gun or nonlethal electric weapon or device designed solely for defensive purposes and the weapon does not fire a dart or projectile.

In the wake of several campus shootings, many states are considering legislation about whether or not to permit concealed carry license holders to carry concealed weapons and firearms on college campuses. As of March, 2014, there were 20 states that banned carrying a concealed weapon or firearm on a college campus. In 23 states, the decision to ban or allow concealed carry on campuses is made by each college or university individually. Only 7 states allow concealed carry on college campuses - Colorado, Idaho, Kansas, Mississippi, Oregon, Utah, and Wisconsin.

The bill repeals s. 790.06(12)(a)13., F.S. As a result, those with a valid concealed weapons or concealed firearms license will be allowed to carry a concealed weapon or concealed firearm into any college or university facility.

The bill does not appear to have a fiscal impact on state or local governments.

The bill is effective July 1, 2015.

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Current Situation

Concealed Carry Licensure

Section 790.06, F.S., authorizes the Department of Agriculture and Consumer Services (DACS) to issue licenses to carry concealed weapons or concealed firearms to qualified applicants. The statute defines concealed weapons or concealed firearms as a handgun, electronic weapon or device, tear gas gun, knife, or billie, but not a machine gun.¹

As of February 28, 2015, there were 1,364,584 people with concealed carry licenses in Florida.² The age profile of concealed carry license holders is as follows:

- 249,259 license holders between the ages of 21-35;
- 357,166 license holders between the ages of 36-50;
- 433,167 license holders between the ages of 51-65; and
- 334,749 license holders age 66 and up.³

In order to obtain a concealed carry license, a person must complete, under oath, and submit to DACS,⁴ an application that includes:

- The name, address, place and date of birth, race, and occupation of the applicant;
- A statement that the applicant is in compliance with the criteria contained in ss. 790.06(2) and (3), F.S. (described below);
- A statement that the applicant has been furnished with a copy of ch. 790, F.S., and is knowledgeable of its provisions;
- A conspicuous warning that the application is executed under oath and that a false answer to any question, or the submission of any false document by the applicant, subjects the applicant to criminal penalties; and
- A statement that the applicant desires a concealed weapon or firearm license as a means of lawful self-defense.⁵

The applicant must also submit the following to DACS:

- A nonrefundable license fee not to exceed \$70 (if the applicant has not previously been issued a statewide license) or \$60 (for renewal of a statewide license);
- A full set of fingerprints administered by a law enforcement agency, DACS, or an approved tax collector;
- Documented proof of completion of a firearms safety and training course; and
- A full frontal view color photograph of the applicant taken within the preceding 30 days.⁶

Section 790.06(2), F.S., requires DACS to issue a concealed carry license if the applicant:

- Is a resident of the United States and a citizen of the United States or a permanent resident alien of the United States, as determined by the United States Bureau of Citizenship and Immigration Services, or is a consular security official of a foreign government that maintains diplomatic relations and treaties of commerce, friendship, and navigation with the United States

⁴ Section 790.0625, F.S., authorizes DACS, at its discretion, to appoint tax collectors, as defined in s. 1(d) of Art. VIII of the State Constitution, to accept applications on behalf of the division for concealed weapon or firearm licenses. Such appointments are for specified locations that will best serve the public interest and convenience in applying for these licenses.

and is certified as such by the foreign government and by the appropriate embassy in this country;

- Is 21 years of age or older;
- Does not suffer from a physical infirmity which prevents the safe handling of a weapon or firearm;
- Is not ineligible to possess a firearm pursuant to s. 790.23, F.S., by virtue of having been convicted of a felony;

- Does not chronically and habitually use alcoholic beverages or other substances to the extent that his or her normal faculties are impaired. It is presumed that an applicant chronically and habitually uses alcoholic beverages or other substances to the extent that his or her normal faculties are impaired if the applicant has been committed under ch. 397, F.S., or under the provisions of former ch. 396, F.S., or has been convicted under s. 790.151, F.S., or has been deemed a habitual offender under s. 856.011(3), F.S., or has had two or more convictions under s. 316.193, F.S., or similar laws of any other state, within the 3-year period immediately preceding the date on which the application is submitted;

- Has not had adjudication of guilt withheld or imposition of sentence suspended on any felony or misdemeanor crime of domestic violence unless 3 years have elapsed since probation or any other conditions set by the court have been fulfilled, or the record has been sealed or expunged;
- Has not been issued an injunction that is currently in force and effect and that restrains the applicant from committing acts of domestic violence or acts of repeat violence; and
- Is not prohibited from purchasing or possessing a firearm by any other provision of Florida or federal law.

DACS must deny an application if the applicant has been found guilty of, had adjudication of guilt withheld for, or had imposition of sentence suspended for one or more crimes of violence constituting a misdemeanor, unless 3 years have elapsed since probation or any other conditions set by the court have been fulfilled or the record has been sealed or expunged.⁷

DACS must revoke a concealed weapons or firearms license if the licensee has been found guilty of, had adjudication of guilt withheld for, or had imposition of sentence suspended for one or more crimes of violence within the preceding 3 years.⁸

DACS must, upon notification by a law enforcement agency, a court, or the Florida Department of Law Enforcement and subsequent written verification, suspend a concealed carry license or the processing of an application for such license if the licensee or applicant is:

- Arrested or formally charged with a crime that would disqualify such person from having a license until final disposition of the case; or
- Is issued an injunction that restrains the licensee or applicant from committing acts of domestic violence or acts of repeat violence.⁹

In addition, DACS is required to suspend or revoke a concealed license if the licensee:

- Is found to be ineligible under the criteria set forth in s. 790.06(2), F.S.;
- Develops or sustains a physical infirmity which prevents the safe handling of a weapon or firearm;
- Is convicted of a felony which would make the licensee ineligible to possess a firearm pursuant to s. 790.23, F.S.;
- Is found guilty of a crime under the provisions of ch. 893, F.S., or similar laws of any other state, relating to controlled substances;
- Is committed as a substance abuser under ch. 397, F.S., or is deemed a habitual offender under s. 856.011(3), F.S., or similar laws of any other state;
- Is convicted of a second violation of s. 316.193, F.S., or a similar law of another state, within 3 years of a previous conviction of such section, or similar law of another state, even though the first violation may have occurred prior to the date on which the application was submitted;
- Is adjudicated an incapacitated person under s. 744.331, F.S., or similar laws of another state; or
- Is committed to a mental institution under ch. 394, F.S., or similar laws of another state.¹⁰

Concealed carry licenses are valid for 7 years from the date of issuance. Licensees must carry their license and valid identification any time they are in actual possession of a concealed weapon or firearm and display both documents upon demand by a law enforcement officer. Failure to have proper documentation and display it upon demand is a noncriminal violation punishable by a penalty of \$25, payable to the clerk of the court.¹¹

Concealed Carry on College and University Campuses

In the wake of several campus shootings, many states are considering legislation about whether or not to permit concealed carry license holders to carry concealed weapons and firearms on college campuses. For some, these events point to a need to ease existing firearm regulations and allow concealed weapons and firearms on campuses. Others argue the solution is tightening restrictions to keep guns off campuses.¹³

As of March, 2014, there were 20 states that banned carrying a concealed weapon or firearm on a college campus.¹⁴ In 23 states, the decision to ban or allow concealed carry on campuses is made by each college or university individually.¹⁵ Only 7 states allow concealed carry on college campuses - Colorado, Idaho, Kansas, Mississippi, Oregon, Utah, and Wisconsin.¹⁶
