(7) ACUTE CARE SERVICES UTILIZATION DATABASE.—The department shall develop, implement, and maintain standards under which a managing entity shall collect utilization data from all public receiving facilities situated within its geographic service area and all detoxification and addictions receiving facilities under contract with the managing entity. As used in this subsection, the term “public receiving facility”
means an entity that meets the licensure requirements of, and is designated by, the department to operate as a public receiving facility under s. 394.875 and that is operating as a licensed crisis stabilization unit.

(a) The department shall develop standards and protocols to be used for data collection, storage, transmittal, and analysis. The standards and protocols shall allow for compatibility of data and data transmittal between public receiving facilities, detoxification facilities, addiction receiving facilities, managing entities, and the department for the implement and requirements of this subsection.

(b) A managing entity shall require providers specified in paragraph (1)(a) to submit data, in real time or at least daily, to the managing entity for:

1. All admissions and discharges of clients receiving public receiving facility services who qualify as indigent, as defined in s. 394.4787;

2. The current active census of total licensed beds, the number of beds purchased by the department, the number of clients qualifying as indigent who occupy those beds, and the total number of unoccupied licensed beds regardless of funding for each public receiving facility;

3. All admissions and discharges of clients receiving substance abuse services in an additions receiving facility or detoxification facility pursuant to parts IV and V of chapter 397.

(c) A managing entity shall require providers specified in paragraph (1)(a) to submit data, on a monthly basis, to the managing entity which aggregates the daily data submitted under
paragraph (b). The managing entity shall reconcile the data in the monthly submission to the data received by the managing entity under paragraph (b) to check for consistency. If the monthly aggregate data submitted by a provider under this paragraph are inconsistent with the daily data submitted under paragraph (b), the managing entity shall consult with the provider to make corrections necessary to ensure accurate data.

(d) A managing entity shall require providers specified in paragraph (1)(a) within its provider network to submit data, on an annual basis, to the managing entity which aggregates the data submitted and reconciled under paragraph (c). The managing entity shall reconcile the data in the annual submission to the data received and reconciled by the managing entity under paragraph (c) to check for consistency. If the annual aggregate data submitted by a provider under this paragraph are inconsistent with the data received and reconciled under paragraph (c), the managing entity shall consult with the provider to make corrections necessary to ensure accurate data.

(e) After ensuring the accuracy of data pursuant to paragraphs (c) and (d), the managing entity shall submit the data to the department on a monthly and an annual basis. The department shall create a statewide database for the data described under paragraph (b) and submitted under this paragraph for the purpose of analyzing the payments for and the use of crisis stabilization services funded by the Baker Act and detoxification and addictions receiving services provided pursuant to parts IV and V of chapter 397 on a statewide basis and on an individual provider basis.
And the title is amended as follows:
