Senator Joyner moved the following:

Senate Amendment (with title amendment)

Between lines 1732 and 1733

insert:

c. Notwithstanding sub-subparagraphs a. and b., any funds required to be used to acquire conservation or recreation lands to enhance recreational opportunities for individuals with unique abilities which have not been awarded for those purposes by May 1, 2017, may be awarded to redevelop or renew outdoor recreational facilities on public lands, including recreational trails, parks, and urban open spaces, together with improvements

207378

12 required to enhance recreational enjoyment and public access to
13 public lands, if such redevelopment and renewal is primarily
14 geared toward enhancing recreational opportunities for
15 individuals with unique abilities. The department may waive the
16 local matching requirement in paragraph (c) for such
17 redevelopment and renewal projects.
