**I. Summary:**

SB 884 requires the Department of Education (DOE) to incorporate 2 hours of youth suicide awareness and prevention training for all K-12 instructional personnel to receive as part of their continuing education or inservice training.

Specifically, the bill:

- Requires DOE to develop a list of approved training materials;
- Requires the training to be included in existing continuing education requirements and not add to the total hours currently required by the department;
- Authorizes the State Board of Education to adopt implementation rules; and
- Specifies that the training program does not create any new duty of care or basis of liability.

The bill takes effect July 1, 2016.

**II. Present Situation:**

In 2013, there were a total of 2,928 deaths by suicide in Florida according to the Centers for Disease Control and Prevention.<sup>1</sup> In 2013, suicide was the 3<sup>rd</sup> leading cause of death for young Floridians ages 15-24.<sup>2</sup>

education foundations, consortia, and professional organizations in the state to work collaboratively to establish a coordinated system of professional development.<sup>3</sup>

Each school district is required to develop a professional development system which must include inservice activities for instructional personnel focused on:<sup>4</sup>

- Analysis of student achievement data;
- Ongoing formal and informal assessments of student achievement;
- Identification and use of enhanced and differentiated instructional strategies that identify rigor, relevance, and reading in the content areas;
- Enhancement of subject content expertise;
- Integrated use of classroom technology that enhances teaching and learning; and
- Classroom management, parent involvement, and school safety.

### **Required Inservice Training**

District school boards renew state-issued professional certificates for individuals who hold a state-issued professional certificate and are employed by the district.<sup>5</sup>

All professional certificates, except a nonrenewable professional certificate, are renewable for successive periods not to exceed 5 years after the date of submission of documentation of completion of renewal requirements.<sup>6</sup>

For the renewal of a professional certificate, an applicant must earn a minimum of 6 college credits or 120 inservice points or a combination thereof.<sup>7</sup> For each area of specialization on the certificate, the applicant must earn at least 3 of the required credit hours or equivalent inservice points in the specialization area.<sup>8</sup>

Inservice in the following areas may be applied toward any specialization area:<sup>9</sup>

- Education in “clinical education” training,<sup>10</sup>
- Training in the area of scientifically researched, knowledge-based reading literacy and computational skills acquisition;
- Exceptional student education;
- Normal child development;
- Disorders of development;
- Training in the area of drug abuse;
- Training in the areas of child abuse and neglect;
- Strategies in teaching students having limited proficiency in English;
- Strategies in dropout prevention; or

- Training in priority areas identified in the Florida's K-20 education system goals and performance standards or in the school improvement and education accountability system.<sup>11</sup>

Additionally, the following areas may be applied toward fulfilling the inservice requirements:<sup>12</sup>

- Approved summer institutes;
- Participation in professional growth components approved by the State Board of Education and the district's approved master plan for inservice educational training;
- Serving as a trainer in an approved teacher training activity; or
- Serving on an instructional materials committee, state board, or commission that deals with educational issues, or an advisory council.

### **Statewide Office for Suicide Prevention**

The Statewide Office of Suicide Prevention is housed within the Department of Children and Families.<sup>13</sup> The office, is required to:<sup>14</sup>

- Develop a network of community-based programs to improve suicide prevention initiatives;
- Prepare and implement the statewide plan with the advice of the Suicide Prevention Coordinating Council;
- Increase public awareness concerning topics relating to suicide prevention; and
- Coordinate education and training curricula in suicide prevention efforts for law enforcement personnel, first responders to emergency calls, health care providers, school employees, and other person who may have contact with persons at risk of suicide.

The Statewide Office for Suicide Prevention is required to operate within available resources but is allowed to seek and accept grants or funds from federal, state, or local sources to support the operation and defray the authorized expenses of the office and the Suicide Prevention coordinating Council.<sup>15</sup>

### **III. Effect of Proposed Changes:**

SB 884 requires the Department of Education (DOE) to incorporate 2 hours of youth suicide awareness and prevention training for all K-12 instructional personnel to receive as part of their continuing education or inservice training.

Specifically, the bill:

- Requires DOE to develop a list of approved training materials;
- Requires the training to be included in existing continuing education requirements and not add to the total hours currently required by the department;
- Authorizes the State Board of Education to adopt implementation rules; and
- Specifies that the training program does not create any new duty of care or basis of liability.

The bill expands the current education and training curricula provided by the Statewide Office for Suicide Prevention by requiring the DOE, the Statewide Office for Suicide Prevention, and suicide prevention experts to collaborate on the creation of a list of youth suicide awareness and prevention training materials.

The bill reduces the costs incurred to school districts to implement the training by:

- Including materials on youth suicide awareness and prevention, that are currently used by school districts, on the DOE approved training materials list; and
- Allowing instructional personnel to complete a training program through the self-review of approved training materials.

The bill authorizes the State Board of Education to adopt implementation rules.

The bill takes effect July 1, 2016.
