Senate Amendment (with title amendment)

Section 1. Paragraph (c) of subsection (2) of section 565.03, Florida Statutes, is amended to read:

565.03 License fees; manufacturers, distributors, brokers, sales agents, and importers of alcoholic beverages; vendor licenses and fees; craft distilleries.—

(2)
(c) A craft distillery licensed under this section may sell
to consumers, at its souvenir gift shop, branded products
distilled on its premises in this state in factory-sealed
containers that are filled at the distillery for off-premises
consumption. Such sales are authorized only on private property
contiguous to the licensed distillery premises in this state and
included on the sketch or diagram defining the licensed premises
submitted with the distillery’s license application. All sketch
or diagram revisions by the distillery shall require the
division’s approval verifying that the souvenir gift shop
location operated by the licensed distillery is owned or leased
by the distillery and on property contiguous to the distillery’s
production building in this state.

1. A craft distillery may not sell any factory-sealed
individual containers of spirits except in face-to-face sales
transactions with consumers who are making a purchase of no more
than six individual containers of each branded product.+
   a. Two individual containers of each branded product;
   b. Three individual containers of a single branded product
      and up to one individual container of a second branded product;
   c. Four individual containers of a single branded product.

2. Each container sold in face-to-face transactions with
consumers must comply with the container limits in s. 565.10,
per calendar year for the consumer’s personal use and not for
resale and who are present at the distillery’s licensed premises
in this state.

3. A craft distillery must report to the division within 5
days after it reaches the production limitations provided in
paragraph (1)(b). Any retail sales to consumers at the craft
distillery’s licensed premises are prohibited beginning the day
after it reaches the production limitation.

4. A craft distillery may not ship or arrange to ship any
of its distilled spirits to consumers and may sell and deliver
only to consumers within the state in a face-to-face transaction
at the distillery property. However, a craft distiller licensed
under this section may ship, arrange to ship, or deliver such
spirits to manufacturers of distilled spirits, wholesale
distributors of distilled spirits, state or federal bonded
warehouses, and exporters.

5. Except as provided in subparagraph 6., it is unlawful to
transfer a distillery license for a distillery that produces
75,000 or fewer gallons per calendar year of distilled spirits
on its premises or any ownership interest in such license to an
individual or entity that has a direct or indirect ownership
interest in any distillery licensed in this state; another
state, territory, or country; or by the United States government
to manufacture, blend, or rectify distilled spirits for beverage
purposes.

6. A craft distillery shall not have its ownership
affiliated with another distillery, unless such distillery
produces 75,000 or fewer gallons per calendar year of distilled
spirits on each of its premises in this state or in another
state, territory, or country.

Section 2. This act shall take effect upon becoming a law.
