SUMMARY OF CONFERENCE COMMITTEE ACTION

Page 4

May 05, 2017

The Conference Committee Amendment for SB 2510, relating to public records, makes confidential and exempt from public inspection and copying most documents submitted to the Department of Management Services or its vendor providing dependent eligibility verification services. If a document is collected by the department for another purpose and is not exempt in that situation, that same document submitted for dependent eligibility verification purposes will not be exempt from public inspection and copying.

The bill includes a constitutionally required public necessity statement. The exemption will stand repealed on October 2, 2022, pursuant to the Open Government Sunset Review Act, unless it is reenacted.

This bill requires a two-thirds vote from each chamber for passage.

The bill has no fiscal impact.

The bill takes effect on the same date that SB 2508 takes effect (July 1, 2017).
