**SUMMARY OF CONFERENCE COMMITTEE ACTION**

May 05, 2017

The Conference Committee Amendment for HB 5401, relating to Pesticide Registration, eliminates the supplemental biennial registration fee for each registered brand of pesticide that contains an active ingredient for which the United States Environmental Protection Agency has established a food tolerance limit. The fee was created to defray the expense of the chemical residue laboratory within the Department of Agriculture and Consumer Services. The Fiscal Year 2016-2017 General Appropriations Act provided \$1,801,131 in recurring funds from the General Revenue Fund to support the chemical residue laboratory.
