163 Department of Law Enforcement certifies that the technology used
164 to create the imprint is available to more than one manufacturer
165 unencumbered by any patent restrictions. The Executive Director
166 of the Department of Law Enforcement may also approve a method
167 of equal or greater reliability and effectiveness in identifying
168 the specific serial number of a firearm from spent cartridge
169 casings discharged by that firearm than that in this subsection,
170 to be thereafter required as otherwise set forth by this
171 subsection if the executive director certifies that this new
172 method is also unencumbered by any patent restrictions. Approval
173 by the executive director shall include notice of that fact
174 through rules promulgated by the department.
