Senator Simmons moved the following:

Senate Amendment (with title amendment)

Between lines 45 and 46

insert:

Section 1. Subsection (2) of section 373.811, Florida Statutes, is amended to read:

373.811 Prohibited activities within a priority focus area.—The following activities are prohibited within a priority focus area in effect for an Outstanding Florida Spring:

(2) New onsite sewage treatment and disposal systems on lots of less than 1 acre, if the addition of the specific

12 systems conflicts with an onsite treatment and disposal system
13 remediation plan incorporated into a basin management action
14 plan in accordance with s. 373.807(3). Upon good cause shown,
15 the Department of Health may grant one extension of the deadline
16 within the priority focus area of a basin management action plan
17 of up to 6 months, and in so doing, may in consultation with the
18 department, impose such conditions or requirements as are
19 appropriate so as to assure the expeditious attainment of the
20 remediation plan.

23 And the title is amended as follows:

24 Delete line 2

25 and insert:

26 An act relating to real property; amending s. 373.811,
27 F.S.; authorizing the Department of Health, upon good
28 cause shown, to grant one extension of the deadline
29 within the priority focus area of a basin management
30 action plan of up to a specified period; authorizing
31 the department, in consultation with the Department of
32 Environmental Protection, to impose such conditions or
33 requirements as are appropriate so as to assure the
34 expeditious attainment of the remediation plan;
35 amending ss.
