A bill to be entitled
An act relating to education; amending s. 1013.385, F.S.; deleting a requirement that a district school board conduct a cost-benefit analysis before voting on a resolution to implement one or more exceptions to the educational facilities construction requirements; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (1) of section 1013.385, Florida Statutes, is amended to read:

1013.385 School district construction flexibility.—
(1) A district school board may, with a supermajority vote at a public meeting that begins no earlier than 5 p.m., adopt a resolution to implement one or more of the exceptions to the educational facilities construction requirements provided in this section. Before voting on the resolution, a district school board must conduct a cost-benefit analysis prepared according to a professionally accepted methodology that describes how each exception selected by the district school board achieves cost savings, improves the efficient use of school district resources, and impacts the life-cycle costs and life span for each educational facility to be constructed, as applicable, and demonstrates that implementation of the exception will not compromise student safety or the quality of student instruction. The district school board must conduct at least one public workshop to discuss and receive public comment on the proposed resolution. The public workshop and cost-benefit analysis, which
must begin no earlier than 5 p.m. and may occur at the same meeting at which the resolution will be voted upon.

Section 2. This act shall take effect July 1, 2019.
