The Committee on Appropriations (Flores) recommended the following:

**Senate Amendment to Amendment (107176) (with title amendment)**

Between lines 1008 and 1009 insert:

Section 17. Subsection (4) of section 1013.40, Florida Statutes, is amended to read:

1013.40 Planning and construction of Florida College System institution facilities; property acquisition.—

(4) The campus of a Florida College System institution
within a municipality designated as an area of critical state concern, as defined in s. 380.05, and having a comprehensive plan and land development regulations containing a building permit allocation system that limits annual growth, may construct dormitories for up to 300 beds for Florida College System institution students. Such dormitories are exempt from the building permit allocation system and may be constructed up to 45 feet in height if the dormitories are otherwise consistent with the comprehensive plan, the Florida College System institution has a hurricane evacuation plan that requires all dormitory occupants to be evacuated 48 hours in advance of tropical force winds, and transportation is provided for dormitory occupants during an evacuation. State funds and tuition and fee revenues may not be used for construction, debt service payments, maintenance, or operation of such dormitories. Additional dormitory beds constructed after July 1, 2016, may not be financed through the issuance of bonds by the Florida College System institution; however, bonds may be issued by nonpublic entities as part of a public-private partnership between the college and a nonpublic entity.

And the title is amended as follows:
