In order to implement specific appropriations from the land acquisition trust funds within the Department of Agriculture and Consumer Services, the Department of Environmental Protection, the Department of State, and the Fish and Wildlife Conservation Commission, which are contained in the 2019-2020 General Appropriations Act, subsection (3) of section 215.18, Florida Statutes, is amended to read:

215.18 Transfers between funds; limitation.—
(3) Notwithstanding subsection (1) and only with respect to a land acquisition trust fund in the Department of Agriculture and Consumer Services, the Department of Environmental Protection, the Department of State, or the Fish and Wildlife Conservation Commission, whenever there is a deficiency in a land acquisition trust fund which would render that trust fund temporarily insufficient to meet its just requirements, including the timely payment of appropriations from that trust fund, and other trust funds in the State Treasury have moneys that are for the time being or otherwise in excess of the amounts necessary to meet the just requirements, including appropriated obligations, of those other trust funds, the Governor may order a temporary transfer of moneys from one or more of the other trust funds to a land acquisition trust fund in the Department of Agriculture and Consumer Services, the
Department of Environmental Protection, the Department of State, or the Fish and Wildlife Conservation Commission. Any action proposed pursuant to this subsection is subject to the notice, review, and objection procedures of s. 216.177, and the Governor shall provide notice of such action at least 7 days before the effective date of the transfer of trust funds, except that during July 2019, notice of such action shall be provided at least 3 days before the effective date of a transfer unless such 3-day notice is waived by the chair and vice-chair of the Legislative Budget Commission. Any transfer of trust funds to a land acquisition trust fund in the Department of Agriculture and Consumer Services, the Department of Environmental Protection, the Department of State, or the Fish and Wildlife Conservation Commission must be repaid to the trust funds from which the moneys were loaned by the end of the 2019-2020 fiscal year. The Legislature has determined that the repayment of the other trust fund moneys temporarily loaned to a land acquisition trust fund in the Department of Agriculture and Consumer Services, the Department of Environmental Protection, the Department of State, or the Fish and Wildlife Conservation Commission pursuant to this subsection is an allowable use of the moneys in a land acquisition trust fund because the moneys from other trust funds temporarily loaned to a land acquisition trust fund shall be expended solely and exclusively in
accompany with s. 28, Art. X of the State Constitution. This
subsection expires July 1, 2020.

appropriations from the land acquisition trust funds within the
Department of Agriculture and Consumer Services, the Department
of Environmental Protection, the Department of State, and the
Fish and Wildlife Conservation Commission, which are contained
in the 2019-2020 General Appropriations Act, the Department of
Environmental Protection shall transfer revenues from the Land
Acquisition Trust Fund within the department to the land
acquisition trust funds within the Department of Agriculture and
Consumer Services, the Department of State, and the Fish and
Wildlife Conservation Commission, as provided in this section.
As used in this section, the term "department" means the
Department of Environmental Protection.

(2) After subtracting any required debt service payments,
the proportionate share of revenues to be transferred to each
land acquisition trust fund shall be calculated by dividing the
appropriations from each of the land acquisition trust funds for
the fiscal year by the total appropriations from the Land
Acquisition Trust Fund within the department and the land
acquisition trust funds within the Department of Agriculture and
Consumer Services, the Department of State, and the Fish and
Wildlife Conservation Commission for the fiscal year. The
department shall transfer the proportionate share of the
revenues in the Land Acquisition Trust Fund within the department on a monthly basis to the appropriate land acquisition trust funds within the Department of Agriculture and Consumer Services, the Department of State, and the Fish and Wildlife Conservation Commission and shall retain its proportionate share of the revenues in the Land Acquisition Trust Fund within the department. Total distributions to a land acquisition trust fund within the Department of Agriculture and Consumer Services, the Department of State, and the Fish and Wildlife Conservation Commission may not exceed the total appropriations from such trust fund for the fiscal year.

(3) In addition, the department shall transfer from the Land Acquisition Trust Fund to land acquisition trust funds within the Department of Agriculture and Consumer Services, the Department of State, and the Fish and Wildlife Conservation Commission amounts equal to the difference between the amounts appropriated in chapter 2018-9, Laws of Florida, to the department's Land Acquisition Trust Fund and the other land acquisition trust funds, and the amounts actually transferred between those trust funds during the 2018-2019 fiscal year.

(4) The department may advance funds from the beginning unobligated fund balance in the Land Acquisition Trust Fund to the Land Acquisition Trust Fund within the Fish and Wildlife Conservation Commission needed for cash flow purposes based on a detailed expenditure plan. The department shall prorate amounts
transferred quarterly to the Fish and Wildlife Conservation Commission to recoup the amount of funds advanced by June 30, 2020.

(5) This section expires July 1, 2020.

After deducting the $32 million distributed
under this subparagraph, from the funds remaining, a minimum of

each fiscal year through the 2025-2026 fiscal year for the
planning, design, engineering, and construction of the

purpose of performing the calculation provided in this
subparagraph, the amount of debt service paid pursuant to
paragraph (a) for bonds issued after July 1, 2016, for the
purposes set forth under paragraph (b) shall be added to the
amount remaining after the payments required under paragraph
(a). The amount of the distribution calculated shall then be
reduced by an amount equal to the debt service paid pursuant to
paragraph (a) on bonds issued after July 1, 2016, for the
purposes set forth under this subparagraph.
2. A minimum of the lesser of 7.6 percent or $50 million shall be appropriated annually for spring restoration, protection, and management projects. For the purpose of performing the calculation provided in this subparagraph, the amount of debt service paid pursuant to paragraph (a) for bonds issued after July 1, 2016, for the purposes set forth under paragraph (b) shall be added to the amount remaining after the payments required under paragraph (a). The amount of the distribution calculated shall then be reduced by an amount equal to the debt service paid pursuant to paragraph (a) on bonds issued after July 1, 2016, for the purposes set forth under this subparagraph.

3. The sum of $5 million shall be appropriated annually each fiscal year through the 2025-2026 fiscal year to the St. Johns River Water Management District for projects dedicated to the restoration of Lake Apopka. This distribution shall be reduced by an amount equal to the debt service paid pursuant to paragraph (a) on bonds issued after July 1, 2016, for the purposes set forth in this subparagraph.

4. The sum of $64 million is appropriated and shall be transferred to the Everglades Trust Fund for the 2018-2019 fiscal year, and each fiscal year thereafter, for the EAA reservoir project pursuant to s. 373.4598. Any funds remaining in any fiscal year shall be made available only for Phase II of the C-51 reservoir project or projects identified in
subparagraph 1. and must be used in accordance with laws relating to such projects. Any funds made available for such purposes in a fiscal year are in addition to the amount appropriated under subparagraph 1. This distribution shall be reduced by an amount equal to the debt service paid pursuant to paragraph (a) on bonds issued after July 1, 2017, for the purposes set forth in this subparagraph.

Section 42. In order to implement Specific Appropriation 1640 of the 2019-2020 General Appropriations Act, paragraph (a) of subsection (6) of section 373.470, Florida Statutes, is reenacted to read:

373.470 Everglades restoration.—

(6) DISTRIBUTIONS FROM SAVE OUR EVERGLADES TRUST FUND.—

(a) Except as provided in paragraphs (d) and (e) and for funds appropriated for debt service, the department shall distribute funds in the Save Our Everglades Trust Fund to the district in accordance with a legislative appropriation and s. 373.026(8)(b). Distribution of funds to the district from the Save Our Everglades Trust Fund or the Land Acquisition Trust Fund shall be equally matched by the cumulative contributions from the district by fiscal year 2019-2020 by providing funding
or credits toward project components. The dollar value of in-kind project design and construction work by the district in
furtherance of the comprehensive plan and existing interest in public lands needed for a project component are credits towards the district's contributions.

The fund shall be administered by the Florida Housing Finance Corporation on behalf of the department, as specified in this chapter. Money deposited to the fund and appropriated by the Legislature must, notwithstanding the provisions of chapter 216 or s. 420.504(3), be transferred quarterly in advance, to the extent available, or, if not so available, as soon as received into the State Housing Trust Fund, and subject to the provisions of s. 420.5092(6)(a) and (b)
by the Chief Financial Officer to the corporation upon certification by the executive director of the Department of Economic Opportunity that the corporation is in compliance with the requirements of s. 420.0006. Notwithstanding ss. 420.9072 and 420.9073, Florida Statutes, the Florida Housing Finance Corporation shall administer the program and allocate resources to local governments according to a need-based formula that reflects housing damage estimates and population impacts resulting from Hurricane Michael. Eligible local governments must submit a strategy outlining proposed recovery actions, income levels and number of residential units to be served, and funding requests. Program funds shall be used to serve households with incomes up to 120 percent of area median income, except that at least 30 percent of program funds should be reserved for households with incomes up to 50 percent of area median income and an additional 30 percent of program funds reserved for households with incomes up to 80 percent of area median income. The program is intended to allow the state to leverage additional federal rental financing similar to the State Apartment Incentive Loan Program as described in s. 420.5087, Florida Statutes.

(4) The Florida Housing Finance Corporation may adopt emergency rules pursuant to s. 120.54, Florida Statutes, to implement this section. Therefore, in adopting such emergency rules, the corporation need not make the findings required by s. 120.54(4)(a), Florida Statutes. appropriate trust funds, and are not contrary to legislative policy and intent. This subparagraph expires July 1, 2020.

Section 53. In order to implement the appropriation of funds in the special categories, contracted services, and expenses categories of the 2019-2020 General Appropriations Act, a state agency may not initiate a competitive solicitation for a product or service if the completion of such competitive solicitation would:

(1) Require a change in law; or
(2) Require a change to the agency's budget other than a transfer authorized in s. 216.292(2) or (3), Florida Statutes, unless the initiation of such competitive solicitation is specifically authorized in law, in the General Appropriations Act, or by the Legislative Budget Commission.
