(11) VIRTUAL EDUCATION CONTRIBUTION.—The Legislature may annually provide in the Florida Education Finance Program a virtual education contribution. The amount of the virtual education contribution shall be the difference between the amount per FTE established in the General Appropriations Act for virtual education and the amount per FTE for each district and the Florida Virtual School, which may be calculated by taking the sum of the base FEFP allocation, the discretionary local effort, the state-funded discretionary contribution, the discretionary millage compression supplement, the research-based
reading instruction allocation, best and brightest teacher and principal allocation, and the instructional materials allocation, and then dividing by the total unweighted FTE. This difference shall be multiplied by the virtual education unweighted FTE for programs and options identified in s. 1002.455 and the Florida Virtual School and its franchises to equal the virtual education contribution and shall be included as a separate allocation in the funding formula.

(13) FEDERALLY CONNECTED STUDENT SUPPLEMENT.—The federally connected student supplement is created to provide supplemental funding for school districts to support the education of students connected with federally owned military installations, National Aeronautics and Space Administration (NASA) real property, and Indian lands. To be eligible for this supplement, the district must be eligible for federal Impact Aid Program funds under s. 8003 of Title VIII of the Elementary and Secondary Education Act of 1965. The supplement shall be allocated annually to each eligible school district in the General Appropriations Act. The supplement shall be the sum of the student allocation and an exempt property allocation.

(d) The amount allocated for each eligible school district shall be recalculated during the year using actual student membership, as amended, from the most recent February survey and the tax-exempt valuation from the most recent assessment roll. Upon recalculation, if the total allocation is greater than the amount provided in the General Appropriations Act, it must be prorated to the level of the appropriation based on each district’s share of the total recalculated amount.

(15) SAFE SCHOOLS ALLOCATION.—A safe schools allocation is

Any additional funds appropriated to this allocation in the 2018-2019 fiscal year to the school resource officer program established pursuant to s. 1006.12 shall be used exclusively for employing or contracting for school resource officers, which shall be in addition to the number of officers employed or contracted for in the 2017-2018 fiscal year.

(17) FUNDING COMPRESSION ALLOCATION.—The Legislature may provide an annual funding compression allocation in the General Appropriations Act. The allocation is created to provide additional funding to school districts and developmental research schools whose total funds per FTE in the prior year were less than the statewide average. Using the most recent prior year FEFP calculation for each eligible school district, the total funds per FTE shall be subtracted from the state average funds per FTE, not including any adjustments made pursuant to paragraph (18)(b). The resulting funds per FTE difference, or a portion thereof, as designated in the General Appropriations Act.
Appropriations Act, shall then be multiplied by the school

the calculated funds are greater than the amount included in the
General Appropriations Act, they must be prorated to the
district’s share. This subsection expires July 1, 2020.

Section 41. In order to implement Specific Appropriations 581 through 703 and 716 through 750 of the 2019-2020 General Appropriations Act, subsection (4) of section 216.262, Florida Statutes, is amended to read:

216.262 Authorized positions.—

(4) Notwithstanding the provisions of this chapter relating to increasing the number of authorized positions, and for the 2019-2020 fiscal year only, if the actual inmate population of the Department of Corrections exceeds the inmate population projections of the February 22, 2019, Criminal Justice Estimating Conference by 1 percent for 2 consecutive months or 2 percent for any month, the Executive Office of the Governor, with the approval of the Legislative Budget Commission, shall immediately notify the Criminal Justice Estimating Conference, which shall convene as soon as possible to revise the estimates. The Department of Corrections may then submit a budget amendment requesting the establishment of positions in excess of the number authorized by the Legislature and additional appropriations from unallocated general revenue sufficient to provide for essential staff, fixed capital improvements, and other resources to provide classification, security, food services, health services, and other variable expenses within the institutions to accommodate the estimated increase in the inmate population. All actions taken pursuant to this subsection are subject to review and approval by the Legislative Budget Commission. This subsection expires July 1, 2020.
3208 through 3274 of the 2019-2020 General Appropriations Act, subsection (2) of section 215.18, Florida Statutes, is amended to read:

215.18 Transfers between funds; limitation.—

(2) The Chief Justice of the Supreme Court may receive one or more trust fund loans to ensure that the state court system has funds sufficient to meet its appropriations in the 2019-2020 General Appropriations Act. If the Chief Justice accesses the loan, he or she must notify the Governor and the chairs of the legislative appropriations committees in writing. The loan must come from other funds in the State Treasury which are for the time being or otherwise in excess of the amounts necessary to meet the just requirements of such last-mentioned funds. The Governor shall order the transfer of funds within 5 days after the written notification from the Chief Justice. If the Governor does not order the transfer, the Chief Financial Officer shall transfer the requested funds. The loan of funds from which any money is temporarily transferred must be repaid by the end of the 2019-2020 fiscal year. This subsection expires July 1, 2020.

Section 43. (1) In order to implement Specific Appropriations 1153 through 1163 of the 2019-2020 General Appropriations Act, the Department of Juvenile Justice is required to review county juvenile detention payments to ensure that counties fulfill their financial responsibilities required in s. 985.6865, Florida Statutes. If the Department of Juvenile Justice determines that a county has not met its obligations, the department shall direct the Department of Revenue to deduct the amount owed to the Department of Juvenile Justice from the
funds provided to the county under s. 218.23, Florida Statutes. The Department of Revenue shall transfer the funds withheld to the Shared County/State Juvenile Detention Trust Fund.

(2) As an assurance to holders of bonds issued by counties before July 1, 2019, for which distributions made pursuant to s. 218.23, Florida Statutes, are pledged, or bonds issued to refund such bonds which mature no later than the bonds they refunded and which result in a reduction of debt service payable in each fiscal year, the amount available for distribution to a county shall remain as provided by law and continue to be subject to any lien or claim on behalf of the bondholders. The Department of Revenue must ensure, based on information provided by an affected county, that any reduction in amounts distributed pursuant to subsection (1) does not reduce the amount of distribution to a county below the amount necessary for the timely payment of principal and interest when due on the bonds and the amount necessary to comply with any covenant under the bond resolution or other documents relating to the issuance of the bonds. If a reduction to a county’s monthly distribution must be decreased in order to comply with this section, the Department of Revenue must notify the Department of Juvenile Justice of the amount of the decrease, and the Department of Juvenile Justice must send a bill for payment of such amount to the affected county.

(3) This section expires July 1, 2020.

Section 44. In order to implement Specific Appropriations 1153 through 1163 of the 2019-2020 General Appropriations Act, the Department of Juvenile Justice may not provide, make, pay, or deduct, and a nonfiscally constrained county may not apply,
deduct, or receive any reimbursement or any credit for any
previous overpayment of juvenile detention care costs related to
or for any previous state fiscal year, against the juvenile
detention care costs due from the nonfiscally constrained county
in the 2019-2020 fiscal year pursuant to s. 985.686, Florida
Statutes, or any other law. This section expires July 1, 2020.

Section 45. In order to implement Specific Appropriations
761 through 784A, 952 through 1097, and
1118 through 1152 of the
2019-2020 General Appropriations Act, subsection (1), paragraph
(a) of subsection (2), paragraph (a) of subsection (3), and
subsections (5), (6), and (7) of section 27.40, Florida
Statutes, are amended to read:

27.40 Court-appointed counsel; circuit registries; minimum
requirements; appointment by court.—

(1) Counsel shall be appointed to represent any individual
in a criminal or civil proceeding entitled to court-appointed
counsel under the Federal or State Constitution or as authorized
by general law. The court shall appoint a public defender to
represent indigent persons as authorized in s. 27.51. The office
of criminal conflict and civil regional counsel shall be
appointed to represent persons in those cases in which provision
is made for court-appointed counsel but only when the public
defender has certified to the court in writing that the public
defender is unable to provide representation due to a conflict
of interest and has specifically identified and described the
conflict of interest of his or her office or is not authorized
to provide representation.

appointed counsel but only when the office of criminal conflict
and civil regional counsel has certified to the court in writing
that the public defender is unable to provide representation due
to a conflict of interest and has specifically identified and
described the conflict of interest of the office of criminal
conflict and civil regional counsel.

(3) In using a registry:

(a) The chief judge of the circuit shall compile a list of
attorneys in private practice, by county and by category of
cases, and provide the list to the clerk of court in each
county. The chief judge of the circuit may restrict the number
of attorneys on the general registry list. To be included on a
registry, an attorney must certify that he or she:

1. Meets any minimum requirements established by the chief
judge and by general law for court appointment;

2. Is available to represent indigent defendants in cases
requiring court appointment of private counsel; and

3. Is willing to abide by the terms of the contract for
services, s. 27.5304, and this section.

To be included on a registry, an attorney must enter into a
contract for services with the Justice Administrative
Commission. Failure to comply with the terms of the contract for
services may result in termination of the contract and removal
from the registry. Each attorney on the registry is responsible
for notifying the clerk of the court and the Justice
Administrative Commission of any change in his or her status.
Failure to comply with this requirement is cause for termination
of the contract for services and removal from the registry until
the requirement is fulfilled.

(5) The Justice Administrative Commission shall approve uniform contract forms for use in procuring the services of private court-appointed counsel and uniform procedures and forms for use by a court-appointed attorney in support of billing for attorney’s fees, costs, and related expenses to demonstrate the attorney’s completion of specified duties. Such uniform contracts and forms for use in billing must be consistent with s. 27.5304, s. 216.311, and the General Appropriations Act and must contain the following statement: “The State of Florida’s performance and obligation to pay under this contract is contingent upon an annual appropriation by the Legislature.”

(6) After court appointment, the attorney must immediately file a notice of appearance with the court indicating acceptance of the appointment to represent the defendant and of the terms of the uniform contract as specified in subsection (5).

(7)(a) A private attorney appointed by the court from the registry to represent a client is entitled to payment as provided in s. 27.5304 so long as the requirements of subsection (1) and paragraph (2)(a) are met. An attorney appointed by the court who is not on the registry list may be compensated under s. 27.5304 only if the court finds in the order of appointment that there were no registry attorneys available for representation for that case and only if the requirements of subsection (1) and paragraph (2)(a) are met.

(b)1. The flat fee established in s. 27.5304 and the General Appropriations Act shall be presumed by the court to be sufficient compensation. The attorney shall maintain appropriate documentation, including contemporaneous and detailed hourly
accounting of time spent representing the client. If the
attorney fails to maintain such contemporaneous and detailed
hourly records, the attorney waives the right to seek
compensation in excess of the flat fee established in s. 27.5304
and the General Appropriations Act. These records and documents
are subject to review by the Justice Administrative Commission
and audit by the Auditor General, subject to the attorney-client
privilege and work-product privilege. The attorney shall
maintain the records and documents in a manner that enables the
attorney to redact any information subject to a privilege in
order to facilitate the commission’s review of the records and
documents and not to impede such review. The attorney may redact
information from the records and documents only to the extent
necessary to comply with the privilege. The Justice
Administrative Commission shall review such records and shall
contemporaneously document such review before authorizing
payment to an attorney. Objections by or on behalf of the
Justice Administrative Commission to records or documents or to
claims for payment by the attorney shall be presumed correct by
the court unless the court determines in writing competent and
substantial evidence exists to justify overcoming the
presumption.

2. If an attorney fails, refuses, or declines to permit the
commission or the Auditor General to review documentation for a
case as provided in this paragraph, the attorney waives the
right to seek, and the commission may not pay, compensation in
excess of the flat fee established in s. 27.5304 and the General
Appropriations Act for that case.

3. A finding by the commission that an attorney has waived
the right to seek compensation in excess of the flat fee established in s. 27.5304 and the General Appropriations Act, as provided in this paragraph, shall be presumed to be correct valid, unless the, as determined by a court determines, in writing, that competent and substantial evidence exists to justify overcoming the presumption, the commission’s finding is not supported by competent and substantial evidence.

Section 46. The amendments to s. 27.40(1), (2)(a), (3)(a), (5), (6), and (7), by this act shall expire July 1, 2020, and the text of those subsections and paragraphs, as applicable, shall revert to that in existence on June 30, 2019, except that any amendments to such text enacted other than by this act shall be preserved and continue to operate to the extent that such amendments are not dependent upon the portions of text which expire pursuant to this section.

Section 47. In order to implement Specific Appropriations 761 through 784A, 952 through 1097, and 1118 through 1152 of the 2019-2020 General Appropriations Act, subsections (1), (3), (7), and (11), paragraphs (a) through (e) of subsection (12), and subsection (13) of section 27.5304, Florida Statutes, are amended to read:

27.5304 Private court-appointed counsel; compensation; notice.—

(1) Private court-appointed counsel appointed in the manner prescribed in s. 27.40(1) and (2)(a) shall be compensated by the Justice Administrative Commission only as provided in this section and the General Appropriations Act. The flat fees prescribed in this section are limitations on compensation. The specific flat fee amounts for compensation shall be established
annually in the General Appropriations Act. The attorney also shall be reimbursed for reasonable and necessary expenses in accordance with s. 29.007. If the attorney is representing a defendant charged with more than one offense in the same case, the attorney shall be compensated at the rate provided for the most serious offense for which he or she represented the defendant. This section does not allow stacking of the fee limits established by this section.

(3) The court retains primary authority and responsibility for determining the reasonableness of all billings for attorney fees, costs, and related expenses, subject to statutory limitations and the requirements of s. 27.40(7). Private court-appointed counsel is entitled to compensation upon final disposition of a case.

(7) Counsel entitled to receive compensation from the state for representation pursuant to court appointment made in accordance with the requirements of s. 27.40(1) and (2)(a) in a proceeding under chapter 384, chapter 390, chapter 392, chapter 393, chapter 394, chapter 397, chapter 415, chapter 743, chapter 744, or chapter 984 shall receive compensation not to exceed the limits prescribed in the General Appropriations Act. Any such compensation must be determined as provided in s. 27.40(7).

(11) It is the intent of the Legislature that the flat fees prescribed under this section and the General Appropriations Act comprise the full and complete compensation for private court-appointed counsel. It is further the intent of the Legislature that the fees in this section are prescribed for the purpose of providing counsel with notice of the limit on the amount of
compensation for representation in particular proceedings and the sole procedure and requirements for obtaining payment for the same.

(a) If court-appointed counsel moves to withdraw prior to the full performance of his or her duties through the completion of the case, the court shall presume that the attorney is not entitled to the payment of the full flat fee established under this section and the General Appropriations Act.

(b) If court-appointed counsel is allowed to withdraw from representation prior to the full performance of his or her duties through the completion of the case and the court appoints a subsequent attorney, the total compensation for the initial and any and all subsequent attorneys may not exceed the flat fee established under this section and the General Appropriations Act, except as provided in subsection (12).

This subsection constitutes notice to any subsequently appointed attorney that he or she will not be compensated the full flat fee.

(12) The Legislature recognizes that on rare occasions an attorney may receive a case that requires extraordinary and unusual effort.

(a) If counsel seeks compensation that exceeds the limits prescribed by law, he or she must file a motion with the chief judge for an order approving payment of attorney fees in excess of these limits.

1. Before filing the motion, the counsel shall deliver a copy of the intended billing, together with supporting affidavits and all other necessary documentation, to the Justice
The Justice Administrative Commission shall review the billings, affidavit, and documentation for completeness and compliance with contractual and statutory requirements and shall contemporaneously document such review before authorizing payment to an attorney. If the Justice Administrative Commission objects to any portion of the proposed billing, the objection and supporting reasons must be communicated in writing to the private court-appointed counsel. The counsel may thereafter file his or her motion, which must specify whether the commission objects to any portion of the billing or the sufficiency of documentation, and shall attach the commission’s letter stating its objection.

(b) Following receipt of the motion to exceed the fee limits, the chief judge or a single designee shall hold an evidentiary hearing. The chief judge may select only one judge per circuit to hear and determine motions pursuant to this subsection, except multicounty circuits and the eleventh circuit may have up to two designees.

1. At the hearing, the attorney seeking compensation must prove by competent and substantial evidence that the case required extraordinary and unusual efforts. The chief judge or single designee shall consider criteria such as the number of witnesses, the complexity of the factual and legal issues, and the length of trial. The fact that a trial was conducted in a case does not, by itself, constitute competent substantial evidence of an extraordinary and unusual effort. In a criminal case, relief under this section may not be granted if the number of work hours does not exceed 75 or the number of the state’s
witnesses deposed does not exceed 20.

2. Objections by or on behalf of the Justice Administrative Commission to records or documents or to claims for payment by the attorney shall be presumed correct by the court unless the court determines, in writing, that competent and substantial evidence exists to justify overcoming the presumption. The chief judge or single designee shall enter a written order detailing his or her findings and identifying the extraordinary nature of the time and efforts of the attorney in the case which warrant exceeding the flat fee established by this section and the General Appropriations Act.

(c) A copy of the motion and attachments shall be served on the Justice Administrative Commission at least 20 days before the date of a hearing. The Justice Administrative Commission has standing to appear before the court, and may appear in person or telephonically, including at the hearing under paragraph (b), to contest any motion for an order approving payment of attorney fees, costs, or related expenses and may participate in a hearing on the motion by use of telephonic or other communication equipment. The Justice Administrative Commission may contract with other public or private entities or individuals to appear before the court for the purpose of contesting any motion for an order approving payment of attorney fees, costs, or related expenses. The fact that the Justice Administrative Commission has not objected to any portion of the billing or to the sufficiency of the documentation is not binding on the court.

(d) If the chief judge or a single designee finds that counsel has proved by competent and substantial evidence that
the case required extraordinary and unusual efforts, the chief
judge or single designee shall order the compensation to be paid
to the attorney at a percentage above the flat fee rate,
depending on the extent of the unusual and extraordinary effort
required. The percentage must be only the rate necessary to
ensure that the fees paid are not confiscatory under common law.
The percentage may not exceed 200 percent of the established
flat fee, absent a specific finding that 200 percent of the flat
fee in the case would be confiscatory. If the chief judge or
single designee determines that 200 percent of the flat fee
would be confiscatory, he or she shall order the amount of
compensation using an hourly rate not to exceed $75 per hour for
a noncapital case and $100 per hour for a capital case. However,
the compensation calculated by using the hourly rate shall be
only that amount necessary to ensure that the total fees paid
are not confiscatory, subject to the requirements of s.
27.40(7).
(e) Any order granting relief under this subsection must be
attached to the final request for a payment submitted to the
Justice Administrative Commission and must satisfy the
requirements of subparagraph (b).

(5) and for the 2019-2020 fiscal year only, the

trial level: $15,000.

2751  (3) In addition, the department shall transfer from the
2752 Land Acquisition Trust Fund to land acquisition trust funds
2753 within the Department of Agriculture and Consumer Services, the

2755 Commission amounts equal to the difference between the amounts
appropriated in chapter 2018-9, Laws of Florida, to the
department’s Land Acquisition Trust Fund and the other land
acquisition trust funds, and the amounts actually transferred
between those trust funds during the 2018-2019 fiscal year.

(4) The department may advance funds from the beginning
unobligated fund balance in the Land Acquisition Trust Fund to
the Land Acquisition Trust Fund within the Fish and Wildlife
