COMMITTEE SUBSTITUTE - Technical Changes

I. Summary:

CS/SB 324 is the implementing bill for SJR 326 which proposes an amendment to the Florida Constitution to extend from two to three years the “portability” period during which a person may transfer up to \$500,000 of accumulated Save our Homes benefit from an existing or prior homestead property to a new homestead property.

The bill first applies to the 2021 tax roll.

The bill takes effect on the effective date of SJR 326 (2019) or a similar joint resolution.

If SJR 326 (2019) is approved by the electors, the Revenue Estimating Conference has determined that local property taxes will be reduced by \$2.1 million beginning in Fiscal Year 2021-2022, with a recurring reduction of \$6.5 million.

II. Present Situation:

General Overview of Property Taxation

The ad valorem tax or “property tax” is an annual tax levied by counties, municipalities, school districts, and some special districts. The tax is based on the taxable value of property as of

January 1 of each year.¹ The property appraiser annually determines the “just value”² of property within the taxing authority and then applies relevant exclusions, assessment limitations, and exemptions to determine the property’s “taxable value.”³ Tax bills are mailed in November of each year based on the previous January 1 valuation and payment is due by March 31.

The Florida Constitution prohibits the state from levying ad valorem taxes⁴ and limits the Legislature’s authority to provide for property valuations at less than just value, unless expressly authorized.⁵

The just valuation standard generally requires the property appraiser to consider the highest and best use of property;⁶ however, the Florida Constitution authorizes certain types of property to be valued based on their current use (classified use assessments), which often result in lower assessments. Properties that receive classified use treatment in Florida include: agricultural land, land producing high water recharge to Florida’s aquifers, and land used exclusively for noncommercial recreational purposes;⁷ land used for conservation purposes;⁸ historic properties when authorized by the county or municipality;⁹ and certain working waterfront property.¹⁰

Save Our Homes Assessment Limitation and Portability

In 1992, Florida voters approved the Save Our Homes amendment to the Florida Constitution.¹¹ The Save Our Homes amendment limits the amount that the assessed value of a homestead property may increase annually to the lesser of 3 percent or the percentage increase in the Consumer Price Index.¹² The accumulated difference between the assessed value and the just value is the Save Our Homes benefit. The assessed value may increase even if the value of the home decreases; however, the assessed value of a homestead property will never be more than the just value.

In 2008, Florida voters further amended the Florida Constitution to provide for the portability of the accrued benefit under the Save Our Homes assessment limitation.¹³ This amendment allows

¹ Both real property and tangible personal property are subject to tax. Section 192.001(12), F.S., defines “real property” as land, buildings, fixtures, and all other improvements to land. Section 192.001(11)(d), F.S., defines “tangible personal property” as all goods, chattels, and other articles of value capable of manual possession and whose chief value is intrinsic to the article itself.

² Property must be valued at “just value” for purposes of property taxation, unless the Florida Constitution provides otherwise. FLA. CONST. art VII, s. 4. Just value has been interpreted by the courts to mean the fair market value that a willing buyer would pay a willing seller for the property in an arm’s-length transaction. See *Walter v. Shuler*, 176 So. 2d 81 (Fla. 1965); *Deltona Corp. v. Bailey*, 336 So. 2d 1163 (Fla. 1976); *Southern Bell Tel. & Tel. Co. v. Dade County*, 275 So. 2d 4 (Fla. 1973).

homestead property owners who relocate to a new homestead to transfer, or “port,” up to \$500,000 of the accrued Save Our Homes benefit to the new homestead. To transfer the Save Our Homes benefit, the homestead owner must establish a new homestead within 2 years of January 1 of the year he or she abandoned the old homestead (not 2 years after the sale).¹⁴

III. Effect of Proposed Changes:

Section 1 amends s. 193.155, F.S., to extend from 2 to 3 years the “portability” period during which a person has the ability to transfer up to \$500,000 of accumulated Save Our Homes benefit from a prior homestead property to a new homestead property.

Section 2 provides that the act applies beginning with the 2021 tax roll.

Section 3 provides that the act shall take effect on the effective date of the amendment to the Florida Constitution proposed by SJR 326 or a similar joint resolution having substantially the same specific intent and purpose, if such amendment to the Florida Constitution is approved at the general election¹⁵ held in November 2020.

¹⁵ Section 97.012(16), F.S., defines “general election” as an election held on the first Tuesday after the first Monday in November in the even-numbered years, for the purpose of filling national, state, county, and district offices and for voting on constitutional amendments not otherwise provided for by law.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

If the related joint resolution (SJR 326 (2019)) is not approved by the electors, the impact is zero. However, if approved, the Revenue Estimating Conference has determined that the bill will reduce local property taxes by \$2.1 million, beginning in Fiscal Year 2021-2022, with a recurring reduction of \$6.5 million. The fiscal impact includes a \$0.8 million reduction in school taxes, beginning in Fiscal Year 2021–2022, with a \$2.4 million recurring school tax reduction.

B. Private Sector Impact:

If the proposed amendment is approved by a 60 percent vote of the electors,¹⁶ homeowners will have an additional year to transfer their existing homestead Save Our Homes benefit to a new homestead property.

C. Government Sector Impact:

If the proposed amendment is approved by a 60 percent vote of the electors, local governments may receive less ad valorem tax revenue.

If the proposed amendment is approved by a 60 percent vote of the electors, the Department of Revenue would need to amend Forms DR-490PORT, DR-501, and DR-501RVSH; and Rules 12D-8.0065(2)(a) and 12D-16.002, F.A.C. However, the department will implement those changes with existing fiscal resources.
