516.43 Requirements for program loans.—
(1) REQUIREMENTS.—A program licensee shall comply with each of the following requirements in making program loans:

(a) A program loan must be unsecured.
(b) A program loan must have a term of:
   1. At least 120 days, but not more than 60 months, for a loan with a principal balance upon origination of at least $300, but not more than $3,000.
   2. At least 12 months, but not more than 60 months, for a loan with a principal balance upon origination of more than $3,000.
(c) A borrower may not receive a program loan for a principal balance exceeding $5,000 unless:

1. The borrower has paid in full the outstanding principal, interest, and fees on a program loan;
2. The borrower's credit score increased from the time of application for the borrower's first consummated program loan; and
3. The borrower was never delinquent for more than 7 days on the program loan.

(d) A program loan must not impose a prepayment penalty. A program loan must be repayable by the borrower in substantially equal, periodic installments, except that the final payment may be less than the amount of the prior installments. Installments must be due every 2 weeks, semimonthly, or monthly.

(e) A program loan must include a borrower's right to rescind the program loan by notifying the program licensee of the borrower's intent to rescind the program loan and returning the principal advanced by the end of the business day after the day the program loan is consummated.

(f) Notwithstanding s. 516.031, the maximum annual interest rate charged on a program loan to the borrower, which must be fixed for the duration of the program loan, is 36 percent on that portion of the unpaid principal balance up to and including $3,000, 30 percent on that portion of the unpaid principal balance exceeding $3,000 and up to and including
$4,000, and 24 percent on that portion of the unpaid principal balance exceeding $4,000 and up to and including $7,500. The original principal amount of the program loan is equal to the amount financed as defined by the federal Truth in Lending Act and Regulation Z of the Board of Governors of the Federal Reserve System. In determining compliance with the maximum annual interest rates in this paragraph, the computations used must be simple interest through the application of a daily periodic rate to the actual unpaid principal balance each day and may not be added-on interest or any other computations.

(g) If two or more interest rates are applied to the principal amount of a program loan, the program licensee may charge, contract for, and receive interest at that single annual percentage rate that, if applied according to the actuarial method to each of the scheduled periodic balances of principal, would produce at maturity the same total amount of interest as would result from the application of the two or more rates otherwise permitted, based upon the assumption that all payments are made as agreed.

(h) The program licensee shall reduce the interest rates specified in paragraph (f) on each subsequent program loan to the same borrower by a minimum of 1 percent, up to a maximum of 6 percent, if all of the following conditions are met:

1. The subsequent program loan is originated within 180 days after the prior program loan is fully repaid.
2. The borrower was never more than 15 days delinquent on the prior program loan.

3. The prior program loan was outstanding for at least one-half of its original term before its repayment.

   (i) The program licensee may not permit any person to become obligated to the program licensee, directly or contingently, or both, under more than one program loan from the program licensee at the same time.

   (j) The program licensee may not refinance a program loan unless all of the following conditions are met at the time the borrower submits an application to refinance:

   1. The principal amount payable may not include more than 60 days' unpaid interest accrued on the previous program loan pursuant to s. 516.031(5).

   2. For a program loan with an original term up to and including 25 months, the borrower has repaid at least 60 percent of the outstanding principal remaining on his or her existing program loan.

   3. For a program loan with an original term of more than 25 months, but not more than 60 months, the borrower has made current payments for at least 9 months on his or her existing program loan.

   4. The borrower is current on payments for his or her existing program loan.

   5. The program licensee must underwrite the new program
loan in accordance with subsection (7).

(k) In lieu of the provisions of s. 687.08, the program licensee or, if applicable, its approved access partner shall make available to the borrower by electronic or physical means a plain and complete receipt of payment at the time that a payment is made by the borrower. For audit purposes, the program licensee must maintain an electronic record for each receipt made available to a borrower, which must include a copy of the receipt and the date and time that the receipt was generated. Each receipt made available to the borrower must show all of the following:

1. The name of the borrower.
2. The name of the access partner, if applicable.
3. The total payment amount received.
4. The date of payment.
5. The program loan balance before and after application of the payment.
6. The amount of the payment that was applied to the principal, interest, and fees.
7. The type of payment made by the borrower.
8. The following statement, prominently displayed in a type size equal to or larger than the type size used to display the other items on the receipt: "If you have any questions about your loan now or in the future, you should direct those questions to ...(name of program licensee)... by ...(at least
two different ways in which a borrower may contact the program licensee). ...."

(2) WRITTEN DISCLOSURES AND STATEMENTS.—
  (a) Notwithstanding s. 516.15(1), the loan contract and all written disclosures and statements may be provided by a program licensee to a borrower in English or in the language in which the loan is negotiated.
  (b) The program licensee shall provide to a borrower all the statements required of licensees under s. 516.15.

(3) ORIGINATION FEES.—Notwithstanding s. 516.031, a program licensee may:
  (a) Contract for and receive an origination fee from a borrower on a program loan. The program licensee may either deduct the origination fee from the principal amount of the loan disbursed to the borrower or capitalize the origination fee into the principal balance of the loan. The origination fee is fully earned and nonrefundable immediately upon the making of the program loan and may not exceed the lesser of 6 percent of the principal amount of the program loan made to the borrower, exclusive of the origination fee, or $90.
  (b) Not charge a borrower an origination fee more than twice in any 12-month period.

(4) INSUFFICIENT FUNDS FEES AND DELINQUENCY CHARGES.—A program licensee may:
  (a) Notwithstanding s. 516.031, require payment from a
borrower of no more than $20 for fees incurred by the program
licensee from a dishonored payment due to insufficient funds of
the borrower.

(b) Notwithstanding s. 516.031(3)(a)9., contract for and
receive a delinquency charge for each payment in default for at
least 7 days if the charge is agreed upon, in writing, between
the program licensee and the borrower before it is imposed.

Delinquency charges may be imposed as follows:

1. For payments due monthly, the delinquency charge for a
payment in default may not exceed $15.

2. For payments due semimonthly, the delinquency charge
for a payment in default may not exceed $7.50.

3. For payments due every 2 weeks, the delinquency charge
for a payment in default may not exceed $7.50 if two payments
are due within the same calendar month, and may not exceed $5 if
three payments are due within the same calendar month.

The program licensee, or any wholly owned subsidiary of the
program licensee, may not sell or assign an unpaid debt to a
third party for collection purposes unless the debt has been
delinquent for at least 30 days.

(5) CREDIT EDUCATION.—Before disbursement of program loan
proceeds to the borrower, the program licensee must:

(a) Direct the borrower to the consumer credit counseling
services offered by an independent third party; or
(b) Provide a credit education program or seminar to the borrower. The borrower is not required to participate in such education program or seminar. A credit education program or seminar offered pursuant to this paragraph must be provided at no cost to the borrower.

(6) CREDIT REPORTING.—

(a) The program licensee shall report each borrower's payment performance to at least one consumer reporting agency.

(b) The office may not approve an applicant for the program license before the applicant has been accepted as a data furnisher by a consumer reporting agency.

(c) The program licensee shall provide each borrower with the name or names of the consumer reporting agency or agencies to which it will report the borrower's payment history.

(7) PROGRAM LOAN UNDERWRITING.—

(a) The program licensee must underwrite each program loan to determine a borrower's ability and willingness to repay the program loan pursuant to the program loan terms. The program licensee may not make a program loan if it determines that the borrower's total monthly debt service payments at the time of origination, including the program loan for which the borrower is being considered and all outstanding forms of credit that can be independently verified by the program licensee, exceed 50 percent of the borrower's gross monthly income for a loan of not more than $3,000, or exceed 36 percent of the borrower's gross
monthly income for a loan of more than $3,000.

(b) 1. The program licensee must seek information and documentation pertaining to all of a borrower’s outstanding debt obligations during the loan application and underwriting process, including loans that are self-reported by the borrower but not available through independent verification. The program licensee must verify such information using a credit report from at least one consumer reporting agency or through other available electronic debt verification services that provide reliable evidence of a borrower’s outstanding debt obligations.

2. The program licensee is not required to consider loans made to a borrower by friends or family in determining the borrower’s debt-to-income ratio.

(c) The program licensee must verify the borrower’s income to determine the debt-to-income ratio using information from:

1. Electronic means or services that provide reliable evidence of the borrower’s actual income; or

2. The Internal Revenue Service Form W-2, tax returns, payroll receipts, bank statements, or other third-party documents that provide reasonably reliable evidence of the borrower’s actual income.

(8) WAIVERS.—

(a) A program licensee may not require, as a condition of providing the program loan, that the borrower:

1. Waive any right, penalty, remedy, forum, or procedure
provided for in any law applicable to the program loan,
including the right to file and pursue a civil action or file a
complaint with or otherwise communicate with the office, a
court, or any other governmental entity.

2. Agree to the application of laws other than those of
this state.

3. Agree to resolve disputes in a jurisdiction outside of
this state.

(b) A waiver that is required as a condition of doing
business with the program licensee is presumed involuntary,
unconscionable, against public policy, and unenforceable.

(c) A program licensee may not refuse to do business with
or discriminate against a borrower or an applicant on the basis
of the borrower's or applicant's refusal to waive any right,
penalty, remedy, forum, or procedure, including the right to
file and pursue a civil action or complaint with, or otherwise
communicate with, the office, a court, or any other governmental
entity. The exercise of a person's right to refuse to waive any
right, penalty, remedy, forum, or procedure, including a
rejection of a contract requiring a waiver, does not affect any
otherwise legal terms of a contract or an agreement.

(d) This subsection does not apply to any agreement to
waive any right, penalty, remedy, forum, or procedure, including
any agreement to arbitrate a claim or dispute after a claim or
dispute has arisen. This subsection does not affect the
enforceability or validity of any other provision of the contract.
