Delete lines 439 - 456 and insert:

(9)(a) The Department of State shall adopt rules prescribing a uniform primary and general election ballot for each certified voting system. The rules shall incorporate the requirements set forth in this section and shall prescribe additional matters and forms that include, without limitation:

1. The ballot title followed by clear and unambiguous ballot instructions and directions limited to a single location
on the ballot, either:

a. Centered across the top of the ballot; or

b. In the leftmost column, with no individual races in that column unless it is the only column on the ballot;

2. Individual race layout; and

3. Overall ballot layout; and

4. Oval vote targets as the only permissible type of vote target, except as provided in s. 101.56075.

(b) The department rules must graphically depict a sample uniform primary and general election ballot form for each certified voting system.

Section 10. Paragraph (a) of subsection (1) of section 101.657, Florida Statutes, is amended to read:

101.657 Early voting.—

(1)(a) As a convenience to the voter, the supervisor of elections shall allow an elector to vote early in the main or branch office of the supervisor. The supervisor shall mark, code, indicate on, or otherwise track the voter’s precinct for each early voted ballot. In order for a branch office to be used for early voting, it shall be a permanent facility of the supervisor and shall have been designated and used as such for at least 1 year prior to the election. The supervisor may also designate any city hall, permanent public library facility, fairground, civic center, courthouse, county commission building, stadium, convention center, government-owned senior center, or government-owned community center as early voting sites; however, if so designated, the sites must be geographically located so as to provide all voters in the county an equal opportunity to cast a ballot, insofar as is
practicable, and must provide sufficient nonpermitted parking to accommodate the anticipated amount of voters. In addition, a supervisor may designate one early voting site per election in an area of the county that does not have any of the eligible early voting locations. Such additional early voting site must be geographically located so as to provide all voters in that area with an equal opportunity to cast a ballot, insofar as is practicable, and must provide sufficient nonpermitted parking to accommodate the anticipated amount of voters. Each county shall, at a minimum, operate the same total number of early voting sites for a general election which the county operated for the 2012 general election. The results or tabulation of votes cast during early voting may not be made before the close of the polls on election day. Results shall be reported by precinct.

Section 11. Paragraph (c) of subsection (4) of section 102.031, Florida Statutes, is amended, and paragraph (e) is added to that subsection, to read:

102.031 Maintenance of good order at polls; authorities; persons allowed in polling rooms and early voting areas; unlawful solicitation of voters.—

(4)

(c) Each supervisor of elections shall inform the clerk of the area within which soliciting is unlawful, based on the particular characteristics of that polling place. The supervisor or the clerk may take any reasonable action necessary to ensure order at the polling places, including, but not limited to, having disruptive and unruly persons removed by law enforcement officers from the polling room or place or from the 150-foot 100-foot zone surrounding the polling place.
(e) The owner, operator, or lessee of the property on which a polling place or an early voting site is located, or an agent or employee thereof, may not prohibit the solicitation of voters outside of the no-solicitation zone during polling hours.

And the title is amended as follows:
