The county canvassing board determines your eligibility to vote through information provided on the Provisional Ballot Voter’s Certificate and Affirmation, written evidence provided by you, including information in your
cure affidavit along with any supporting identification, and any other evidence presented by the supervisor of elections or a challenger. You may still be required to present additional written evidence to support your eligibility to vote.

The system established must restrict information regarding an individual ballot to the person who cast the ballot.

(b) Unless processed as a signature update pursuant to subsection (2), the supervisor shall mail a voter registration application to the elector to be completed indicating the elector’s current signature if the signature on the voter’s certificate or cure affidavit did not match the elector’s signature in the registration books or precinct register.

The supervisor may also designate any city hall, permanent public library facility, fairground, civic center, courthouse, county commission building, stadium, convention center, government-owned senior center, or government-owned community center as early voting sites; however, if so designated, the sites must be geographically located so as to provide all voters in the county an equal opportunity to cast a ballot, insofar as is practicable, and must provide sufficient nonpermitted parking to accommodate the anticipated amount of voters. In addition, a supervisor may designate one early voting site per election in an area of the county that does not have any of the eligible early voting locations. Such additional early voting site must be geographically located so as to provide all voters in that area with an equal opportunity to cast a ballot, insofar as is practicable, and must provide sufficient nonpermitted parking to accommodate the anticipated amount of voters. Each county shall, at a minimum, operate the same total number of early voting sites for a general election which the county operated for the 2012 general election. elector by e-mail at least 7 days before an election if an e-mail address has been provided and the elector has opted to receive a sample ballot by electronic delivery. If an e-mail address has not been provided, or if the elector has not opted for electronic delivery, a sample ballot may be mailed to each registered elector or to each household in which there is a registered elector at least 7 days before an election.

Likewise, a duplicate ballot shall be made of a vote-by-mail ballot containing an overvoted race or a marked vote-by-mail ballot in which every race is undervoted which shall include all valid votes as determined by the canvassing board based on rules adopted by the division pursuant to s. 102.166(4). Upon request, a physically present candidate, a political party official, a political committee official, or an authorized designee thereof, must be allowed to observe the duplication of ballots. All duplicate ballots shall be clearly labeled “duplicate,” bear a serial number which shall be recorded on the defective ballot, and be counted in lieu of the defective ballot. and that the signature of the elector on the written
authorization matches the signature of the elector on file, the
supervisor shall give the ballot to that designee for delivery

5. Except as provided in s. 101.655, the supervisor may not
deliver a vote-by-mail ballot to an elector or an elector’s
immediate family member on the day of the election unless there
is an emergency, to the extent that the elector will be unable
to go to his or her assigned polling place. If a vote-by-mail
ballot is delivered, the elector or his or her designee shall
execute an affidavit affirming to the facts which allow for

1. VERY IMPORTANT. In order to ensure that your vote-by-mail ballot will be counted, it should be completed and returned as soon as possible so that it can reach the supervisor of elections of the county in which your precinct is located no later than 7 p.m. on the day of the election. However, if you are an overseas voter casting a ballot in a presidential preference primary or general election, your vote-by-mail ballot must be postmarked or dated no later than the date of the election and received by the supervisor of elections of the county in which you are registered to vote no later than 10 days after the date of the election. Note that the later you return your ballot, the less time you will have to cure any signature deficiencies, which is authorized until 5 p.m. on the 2nd day after the election.

2. Mark your ballot in secret as instructed on the ballot. You must mark your own ballot unless you are unable to do so because of blindness, disability, or inability to read or write.
3. Mark only the number of candidates or issue choices for a race as indicated on the ballot. If you are allowed to “Vote for One” candidate and you vote for more than one candidate, your vote in that race will not be counted.

4. Place your marked ballot in the enclosed secrecy envelope.

5. Insert the secrecy envelope into the enclosed mailing envelope which is addressed to the supervisor.

6. Seal the mailing envelope and completely fill out the Voter’s Certificate on the back of the mailing envelope.

7. VERY IMPORTANT. In order for your vote-by-mail ballot to be counted, you must sign your name on the line above (Voter’s Signature). A vote-by-mail ballot will be considered illegal and not be counted if the signature on the voter’s certificate does not match the signature on record. The signature on file at the time the supervisor of elections in the county in which your precinct is located receives your vote-by-mail ballot start of the canvass of the vote-by-mail ballots is the signature that will be used to verify your signature on the voter’s certificate. If you need to update your signature for this election, send your signature update on a voter registration application to your supervisor of elections so that it is received before your vote-by-mail ballot is received no later than the start of the canvassing of vote-by-mail ballots, which occurs no earlier than the 15th day before election day.

8. VERY IMPORTANT. If you are an overseas voter, you must include the date you signed the Voter’s Certificate on the line above (Date) or your ballot may not be counted.

9. Mail, deliver, or have delivered the completed mailing
envelope. Be sure there is sufficient postage if mailed. THE 
COMPLETED MAILING ENVELOPE CAN BE DELIVERED TO THE OFFICE OF THE 
SUPERVISOR OF ELECTIONS OF THE COUNTY IN WHICH YOUR PRECINCT IS 
LOCATED OR DROPPED OFF AT AN AUTHORIZED SECURE DROP BOX, 
AVAILABLE AT EACH EARLY VOTING LOCATION.

10. FELONY NOTICE. It is a felony under Florida law to 
accept any gift, payment, or gratuity in exchange for your vote 
for a candidate. It is also a felony under Florida law to vote 
in an election using a false identity or false address, or under 
any other circumstances making your ballot false or fraudulent.

Section 18. Subsection (2) of section 101.657, Florida 
Statutes, is amended to read:

101.657 Early voting.—
(2) During any early voting period, each supervisor of 
elections shall make available the total number of voters 
casting a ballot at each early voting location and the total 
number of vote-by-mail ballots received under s. 101.69(2) 
during the previous day. Each supervisor shall prepare an 
electronic data file listing the individual voters who cast a 
ballot during the early voting period. This information shall be 
provided in electronic format as provided by rule adopted by the 
division. The information shall be updated and made available no 
later than noon of each day and shall be contemporaneously 
provided to the division.

Section 19. Paragraphs (a) and (c) of subsection (2) and 
subsection (4) of section 101.68, Florida Statutes, are amended 
to read:

101.68 Canvassing of vote-by-mail ballot.—
(2)(a) The county canvassing board may begin the canvassing
of vote-by-mail ballots at 7 a.m. on the 22nd 15th day before
the election, but not later than noon on the day following the
election. In addition, for any county using electronic
tabulating equipment, the processing of vote-by-mail ballots
through such tabulating equipment may begin at 7 a.m. on the
22nd 15th day before the election. However, notwithstanding any
such authorization to begin canvassing or otherwise processing
vote-by-mail ballots early, no result shall be released until
after the closing of the polls in that county on election day.
Any supervisor of elections, deputy supervisor of elections,
canvassing board member, election board member, or election
employee who releases the results of a canvassing or processing
of vote-by-mail ballots prior to the closing of the polls in
that county on election day commits a felony of the third
degree, punishable as provided in s. 775.082, s. 775.083, or s.
775.084.

(c)(1). The canvassing board must, if the supervisor has not
already done so, compare the signature of the elector on the
voter’s certificate or on the vote-by-mail ballot cure affidavit
as provided in subsection (4) with the signature of the elector
in the registration books or the precinct register to see that
the elector is duly registered in the county and to determine
the legality of that vote-by-mail ballot. A vote-by-mail ballot
may only be counted if:
a. The signature on the voter’s certificate or the cure
affidavit matches the elector’s signature in the registration
books or precinct register; however, in the case of a cure
affidavit, the supporting identification listed in subsection
(4) must also confirm the identity of the elector; or
b. The cure affidavit contains a signature that does not match the elector’s signature in the registration books or precinct register, but the elector has submitted a current and valid Tier 1 identification pursuant to subsection (4) which confirms the identity of the elector.

For purposes of this subparagraph, any canvassing board finding that an elector’s signatures do not match must be by majority vote and beyond a reasonable doubt.

2. The ballot of an elector who casts a vote-by-mail ballot shall be counted even if the elector dies on or before election day, as long as, before the death of the voter, the ballot was postmarked by the United States Postal Service, date-stamped with a verifiable tracking number by a common carrier, or already in the possession of the supervisor of elections.

3. A vote-by-mail ballot is not considered illegal if the signature of the elector does not cross the seal of the mailing envelope.

4. If any elector or candidate present believes that a vote-by-mail ballot is illegal due to a defect apparent on the voter’s certificate or the cure affidavit, he or she may, at any time before the ballot is removed from the envelope, file with the canvassing board a protest against the canvass of that ballot, specifying the precinct, the ballot, and the reason he or she believes the ballot to be illegal. A challenge based upon a defect in the voter’s certificate or cure affidavit may not be accepted after the ballot has been removed from the mailing envelope.

5. If the canvassing board determines that a ballot is
illegal, a member of the board must, without opening the
envelope, mark across the face of the envelope: “rejected as
illegal.” The cure affidavit, if applicable, the envelope, and
the ballot therein shall be preserved in the manner that
official ballots are preserved.

(4)(a) As soon as practicable, the supervisor shall, on
behalf of the county canvassing board, attempt to immediately
notify an elector who has returned a vote-by-mail ballot that
does not include the elector’s signature or contains a signature
that does not match the elector’s signature in the registration
books or precinct register by:

1. Notifying the elector of the signature deficiency by e-
mail and directing the elector to the cure affidavit and
instructions on the supervisor’s website;

2. Notifying the elector of the signature deficiency by
text message and directing the elector to the cure affidavit and
instructions on the supervisor’s website; or

3. Notifying the elector of the signature deficiency by
telephone and directing the elector to the cure affidavit and
instructions on the supervisor’s website.

In addition to the notification required under subparagraph 1.,
subparagraph 2., or subparagraph 3., the supervisor must notify
the elector of the signature deficiency by first-class mail and
direct the elector to the cure affidavit and instructions on the
supervisor’s website. Beginning the day before the election, the
supervisor is not required to provide notice of the signature
deficiency by first-class mail, but shall continue to provide
notice as required under subparagraph 1., subparagraph 2., or
subparagraph 3.

(b) The supervisor shall allow such an elector to complete
and submit an affidavit in order to cure the vote-by-mail ballot
until 5 p.m. on the 2nd day after before the election.

(c) The elector must complete a cure affidavit in
substantially the following form:

VOTE-BY-MAIL BALLOT CURE AFFIDAVIT

I, ...., am a qualified voter in this election and
registered voter of .... County, Florida. I do solemnly swear or
affirm that I requested and returned the vote-by-mail ballot and
that I have not and will not vote more than one ballot in this
election. I understand that if I commit or attempt any fraud in
connection with voting, vote a fraudulent ballot, or vote more
than once in an election, I may be convicted of a felony of the
third degree and fined up to $5,000 and imprisoned for up to 5
years. I understand that my failure to sign this affidavit means
that my vote-by-mail ballot will be invalidated.

...(Voter’s Signature)...
...(Address)...

(d) Instructions must accompany the cure affidavit in
substantially the following form:

READ THESE INSTRUCTIONS CAREFULLY BEFORE COMPLETING THE
AFFIDAVIT. FAILURE TO FOLLOW THESE INSTRUCTIONS MAY CAUSE YOUR
BALLOT NOT TO COUNT.

1. In order to ensure that your vote-by-mail ballot will be
counted, your affidavit should be completed and returned as soon
as possible so that it can reach the supervisor of elections of
the county in which your precinct is located no later than 5
p.m. on the 2nd day after before the election.
2. You must sign your name on the line above (Voter’s Signature).

3. You must make a copy of one of the following forms of identification:
   a. Tier 1 identification.—Current and valid identification that includes your name and photograph: Florida driver license; Florida identification card issued by the Department of Highway Safety and Motor Vehicles; United States passport; debit or credit card; military identification; student identification; retirement center identification; neighborhood association identification; public assistance identification; veteran health identification card issued by the United States Department of Veterans Affairs; a Florida license to carry a concealed weapon or firearm; or an employee identification card issued by any branch, department, agency, or entity of the Federal Government, the state, a county, or a municipality; or
   b. Tier 2 identification.—ONLY IF YOU DO NOT HAVE A TIER 1 FORM OF IDENTIFICATION, identification that shows your name and current residence address: current utility bill, bank statement, government check, paycheck, or government document (excluding voter information identification card).

4. Place the envelope bearing the affidavit into a mailing envelope addressed to the supervisor. Insert a copy of your identification in the mailing envelope. Mail (if time permits), deliver, or have delivered the completed affidavit along with the copy of your identification to your county supervisor of elections. Be sure there is sufficient postage if mailed and that the supervisor’s address is correct. Remember, your information MUST reach your county supervisor of elections no
later than 5 p.m. on the 2nd day after the election, or your ballot will not count.

5. Alternatively, you may fax or e-mail your completed affidavit and a copy of your identification to the supervisor of elections. If e-mailing, please provide these documents as attachments.

(e) The department and each supervisor shall include the affidavit and instructions on their respective websites. The supervisor must include his or her office’s mailing address, e-mail address, and fax number on the page containing the affidavit instructions, and the department’s instruction page must include the office mailing addresses, e-mail addresses, and fax numbers of all supervisors of elections or provide a conspicuous link to such addresses.

(f) The supervisor shall attach each affidavit received to the appropriate vote-by-mail ballot mailing envelope.

(g) If a vote-by-mail ballot is validated following the submission of a cure affidavit, the supervisor shall make a copy of the affidavit, affix it to a voter registration application, and immediately process it as a valid request for a signature update pursuant to s. 98.077.

(h) After all election results on the ballot have been certified, the supervisor shall, on behalf of the county canvassing board, notify each elector whose ballot has been rejected as illegal and provide the specific reason the ballot was rejected. In addition, unless processed as a signature update pursuant to paragraph (g), the supervisor shall mail a voter registration application to the elector to be completed indicating the elector’s current signature if the signature on
the voter’s certificate or cure affidavit did not match the
elector’s signature in the registration books or precinct
register. This section does not prohibit the supervisor from
providing additional methods for updating an elector’s
signature.

Section 20. Section 101.69, Florida Statutes, is amended to
read:

101.69 Voting in person; return of vote-by-mail ballot.—

(1) The provisions of this code shall not be construed to
prohibit any elector from voting in person at the elector’s
precinct on the day of an election or at an early voting site,
notwithstanding that the elector has requested a vote-by-mail
ballot for that election. An elector who has returned a voted
vote-by-mail ballot to the supervisor, however, is deemed to
have cast his or her ballot and is not entitled to vote another
ballot or to have a provisional ballot counted by the county
canvassing board. An elector who has received a vote-by-mail
ballot and has not returned the voted ballot to the supervisor,
but desires to vote in person, shall return the ballot, whether
voted or not, to the election board in the elector’s precinct or
to an early voting site. The returned ballot shall be marked
“canceled” by the board and placed with other canceled ballots.
However, if the elector does not return the ballot and the
election official:

(a)(1) Confirms that the supervisor has received the
elector’s vote-by-mail ballot, the elector shall not be allowed
to vote in person. If the elector maintains that he or she has
not returned the vote-by-mail ballot or remains eligible to
vote, the elector shall be provided a provisional ballot as
provided in s. 101.048.

(b)(2) Confirms that the supervisor has not received the elector’s vote-by-mail ballot, the elector shall be allowed to vote in person as provided in this code. The elector’s vote-by-mail ballot, if subsequently received, shall not be counted and shall remain in the mailing envelope, and the envelope shall be marked “Rejected as Illegal.”

(c)(3) Cannot determine whether the supervisor has received the elector’s vote-by-mail ballot, the elector may vote a provisional ballot as provided in s. 101.048.

(2) The supervisor shall allow an elector who has received a vote-by-mail ballot to physically return a voted vote-by-mail ballot to the supervisor by placing the envelope containing his or her marked ballot in a secure drop box. Secure drop boxes shall only be placed at the main office of the supervisor, at each branch office of the supervisor, and at each early voting site.

Section 21. Subsection (2) of section 101.6923, Florida Statutes, is amended to read:

101.6923 Special vote-by-mail ballot instructions for certain first-time voters.—

(2) A voter covered by this section shall be provided with printed instructions with his or her vote-by-mail ballot in substantially the following form:

READ THESE INSTRUCTIONS CAREFULLY BEFORE MARKING YOUR BALLOT. FAILURE TO FOLLOW THESE INSTRUCTIONS MAY CAUSE YOUR BALLOT NOT TO COUNT.

1. In order to ensure that your vote-by-mail ballot will be counted, it should be completed and returned as soon as possible
so that it can reach the supervisor of elections of the county
in which your precinct is located no later than 7 p.m. on the
date of the election. However, if you are an overseas voter
casting a ballot in a presidential preference primary or general
election, your vote-by-mail ballot must be postmarked or dated
no later than the date of the election and received by the
supervisor of elections of the county in which you are
registered to vote no later than 10 days after the date of the
election.

2. Mark your ballot in secret as instructed on the ballot.
You must mark your own ballot unless you are unable to do so
because of blindness, disability, or inability to read or write.

3. Mark only the number of candidates or issue choices for
a race as indicated on the ballot. If you are allowed to “Vote
for One” candidate and you vote for more than one, your vote in
that race will not be counted.

4. Place your marked ballot in the enclosed secrecy
envelope and seal the envelope.

5. Insert the secrecy envelope into the enclosed envelope
bearing the Voter’s Certificate. Seal the envelope and
completely fill out the Voter’s Certificate on the back of the
envelope.

   a. You must sign your name on the line above (Voter’s
   Signature).

   b. If you are an overseas voter, you must include the date
you signed the Voter’s Certificate on the line above (Date) or
your ballot may not be counted.

   c. A vote-by-mail ballot will be considered illegal and
will not be counted if the signature on the Voter’s Certificate
does not match the signature on record. The signature on file at
the start of the canvass of the vote-by-mail ballots is the
signature that will be used to verify your signature on the
Voter’s Certificate. If you need to update your signature for
this election, send your signature update on a voter
registration application to your supervisor of elections so that
it is received before your vote-by-mail ballot is received no
later than the start of canvassing of vote-by-mail ballots,
which occurs no earlier than the 15th day before election day.

6. Unless you meet one of the exemptions in Item 7., you
must make a copy of one of the following forms of
identification:

   a. Identification which must include your name and
      photograph: United States passport; debit or credit card;
      military identification; student identification; retirement
      center identification; neighborhood association identification;
      public assistance identification; veteran health identification
      card issued by the United States Department of Veterans Affairs;
      a Florida license to carry a concealed weapon or firearm; or an
      employee identification card issued by any branch, department,
      agency, or entity of the Federal Government, the state, a
      county, or a municipality; or

   b. Identification which shows your name and current
      residence address: current utility bill, bank statement,
      government check, paycheck, or government document (excluding
      voter information identification card).

7. The identification requirements of Item 6. do not apply
if you meet one of the following requirements:

   a. You are 65 years of age or older.
b. You have a temporary or permanent physical disability.

c. You are a member of a uniformed service on active duty who, by reason of such active duty, will be absent from the county on election day.

d. You are a member of the Merchant Marine who, by reason of service in the Merchant Marine, will be absent from the county on election day.

e. You are the spouse or dependent of a member referred to in paragraph c. or paragraph d. who, by reason of the active duty or service of the member, will be absent from the county on election day.

f. You are currently residing outside the United States.

8. Place the envelope bearing the Voter’s Certificate into the mailing envelope addressed to the supervisor. Insert a copy of your identification in the mailing envelope. DO NOT PUT YOUR IDENTIFICATION INSIDE THE SECRECY ENVELOPE WITH THE BALLOT OR INSIDE THE ENVELOPE WHICH BEARS THE VOTER’S CERTIFICATE OR YOUR BALLOT WILL NOT COUNT.

9. Mail, deliver, or have delivered the completed mailing envelope. Be sure there is sufficient postage if mailed.

10. FELONY NOTICE. It is a felony under Florida law to accept any gift, payment, or gratuity in exchange for your vote for a candidate. It is also a felony under Florida law to vote in an election using a false identity or false address, or under any other circumstances making your ballot false or fraudulent.

Section 22. Paragraph (a) of subsection (4) and subsection (5) of section 102.031, Florida Statutes, are amended to read:

102.031 Maintenance of good order at polls; authorities; persons allowed in polling rooms and early voting areas;
unlawful solicitation of voters.—

(4)(a) No person, political committee, or other group or organization may solicit voters inside the polling place or within 150 feet of the entrance to any polling place, a polling room where the polling place is also a polling room, an early voting site, or an office of the supervisor of elections where vote-by-mail ballots are requested and printed on demand for the convenience of electors who appear in person to request them. Before the opening of the polling place or early voting site, the clerk or supervisor shall designate the no-solicitation zone and mark the boundaries.

(5) No photography is permitted in the polling room or early voting area, except an elector may photograph his or her own ballot.

Section 23. Present subsections (9) and (10) of section 102.141, Florida Statutes, are renumbered as subsections (10) and (11), respectively, subsection (2) of that section is amended, and a new subsection (9) is added to that section, to read:

102.141 County canvassing board; duties.—

(2)(a) The county canvassing board shall meet in a building accessible to the public in the county where the election occurred at a time and place to be designated by the supervisor of elections to publicly canvass the absent electors’ ballots as provided for in s. 101.68 and provisional ballots as provided by ss. 101.048, 101.049, and 101.6925. Provisional ballots cast pursuant to s. 101.049 shall be canvassed in a manner that votes for candidates and issues on those ballots can be segregated from other votes. Public notice of the time and place at which
the county canvassing board shall meet to canvass the absent
electors' ballots and provisional ballots shall be given at
least 48 hours prior thereto by publication on the supervisor of
elections' website and once in one or more newspapers of general
circulation in the county or, if there is no newspaper of
general circulation in the county, by posting such notice in at
least four conspicuous places in the county. As soon as the
absent electors' ballots and the provisional ballots are
canvassed, the board shall proceed to publicly canvass the vote
given each candidate, nominee, constitutional amendment, or
other measure submitted to the electorate of the county, as
shown by the returns then on file in the office of the
supervisor of elections.

(b) Public notice of the time and place at which the county
canvassing board shall meet to canvass the absent electors'
balloons and provisional ballots must be given at least 48 hours
prior thereto by publication on the supervisor’s website and
published in one or more newspapers of general circulation in
the county or, if there is no newspaper of general circulation
in the county, by posting such notice in at least four
conspicuous places in the county. The time given in the notice
as to the convening of the meeting of the county canvassing
board must be specific and may not be a time period during which
the board may meet.

c) If the county canvassing board suspends or recesses a
meeting publicly noticed pursuant to paragraph (b) for a period
lasting more than 60 minutes, the board must post on the
supervisor’s website the anticipated time at which the board
expects to reconvene. If the county canvassing board does not
reconvene at the specified time, the board must provide at least 2 hours’ notice, which must be posted on the supervisor’s website, before reconvening.

(d) During any meeting of the county canvassing board, a physical notice must be placed in a conspicuous area near the public entrance to the building in which the meeting is taking place. The physical notice must include the names of the individuals officially serving as the county canvassing board, the names of any alternate members, the time of the meeting, and a brief statement as to the anticipated activities of the county canvassing board.

(9) Each member, substitute member, and alternate member of the county canvassing board and all clerical help must wear identification badges during any period in which the county canvassing board is canvassing votes or engaging in other official duties. The identification badges should be worn in a conspicuous and unobstructed area, and include the name of the individual and his or her official position.

Section 24. Subsection (2) and paragraph (b) of subsection (4) of section 102.166, Florida Statutes, are amended to read:

102.166 Manual recounts of overvotes and undervotes.—

(2) (a) Any hardware or software used to identify and sort overvotes and undervotes for a given race or ballot measure must be certified by the Department of State as part of the voting system pursuant to s. 101.015. Any such hardware or software must be capable of simultaneously identifying and sorting overvotes and undervotes in multiple races while simultaneously counting votes.

(b) Overvotes and undervotes must be identified and
sorted while recounting ballots pursuant to s. 102.141, if the
hardware or software for this purpose has been certified or the
department’s rules so provide.

(b) The Department of State shall adopt specific rules for
the federal write-in absentee ballot and for each certified
voting system prescribing what constitutes a “clear indication
on the ballot that the voter has made a definite choice.” The
rules shall be consistent, to the extent practicable, and may
not:

1. Authorize the use of any electronic or electromechanical
reading device to review a hybrid voting system ballot that is
produced using a voter interface device and that contains both
machine-readable fields and machine-printed text of the contest
titles and voter selections, unless the printed text is
illegible;

2. Exclusively provide that the voter must properly mark or
designate his or her choice on the ballot; or

3. Contain a catch-all provision that fails to identify
specific standards, such as “any other mark or indication
clearly indicating that the voter has made a definite choice.”

Section 25. Subsection (8) of section 102.168, Florida
Statutes, is amended to read:
102.168 Contest of election.—
(8) In any contest that requires a review of the canvassing
board’s decision on the legality of a provisional or vote-by-
mail ballot pursuant to s. 101.048 or s. 101.68 based upon a
comparison of the signature of the elector in the registration
records with the signature on the provisional or vote-by-mail
voter’s certificate or the provisional or vote-by-mail cure affidavit and the signature of the elector in the registration records, the circuit court may not review or consider any evidence other than the signature of the elector in the registration records, the signature on the respective voter’s certificate or cure affidavit, and any supporting identification that the elector submitted with the cure affidavit and the signature of the elector in the registration records. The court’s review of such issue shall be to determine only if the canvassing board abused its discretion in making its decision.

Section 26. Subsection (5) is added to section 104.051, Florida Statutes, to read:

104.051 Violations; neglect of duty; corrupt practices.—
(5) Any supervisor who willfully violates any provision of the Florida Election Code is, upon a finding of such violation by a court of competent jurisdiction, prohibited from receiving the special qualification salary pursuant to s. 145.09(3) for a period of 24 months, dating from the time of the violation.

Section 27. Except as otherwise expressly provided in this act, this act shall take effect July 1, 2019.
