If the elector has provided such information, the supervisor may continue to attempt to contact the elector by telephone or electronic means for up to 24 hours before mailing the physical notice. The supervisor need not provide any notice required by this paragraph if the canvassing board has already determined that the elector is not entitled to vote pursuant to paragraph (2)(a), or if the supervisor has already confirmed the elector’s receipt of notice.

I, ..., am a qualified voter in this election and a registered voter of ... County, Florida. I do solemnly swear or affirm that I voted a provisional ballot and that I have not and will not vote more than one ballot in this election. I understand that if I commit or attempt any fraud in connection with voting, vote a fraudulent ballot, or vote more than once in an election, I may be convicted of a felony of the third degree, fined up to $5,000, and imprisoned for up to 5 years. I understand that my failure to sign this affidavit may invalidate my ballot.

...(Voter’s Signature)...

...(Address)...

(d) Instructions must accompany the cure affidavit in substantially the following form:

READ THESE INSTRUCTIONS CAREFULLY BEFORE COMPLETING THE AFFIDAVIT. FAILURE TO FOLLOW THESE INSTRUCTIONS MAY CAUSE YOUR BALLOT NOT TO COUNT.

1. In order to cure the missing signature or the signature discrepancy on your Provisional Ballot Voter’s Certificate and Affirmation, your affidavit should be completed and returned as soon as possible so that it can reach the supervisor of elections of the county in which your precinct is located no
later than 5 p.m. on the 11th day after the election.

2. You must sign your name on the line above (Voter’s Signature).

3. You must make a copy of one of the following forms of identification:
   a. Tier 1 identification.—Current and valid identification that includes your name and photograph: Florida driver license; Florida identification card issued by the Department of Highway Safety and Motor Vehicles; United States passport; debit or credit card; military identification; student identification; retirement center identification; neighborhood association identification; public assistance identification; veteran health identification card issued by the United States Department of Veterans Affairs; Florida license to carry a concealed weapon or firearm; or employee identification card issued by any branch, department, agency, or entity of the Federal Government, the state, a county, or a municipality; or
   b. Tier 2 identification.—ONLY IF YOU DO NOT HAVE A TIER 1 FORM OF IDENTIFICATION, identification that shows your name and current residence address: current utility bill; bank statement; government check; paycheck; or government document (excluding voter identification card).

4. Place the envelope bearing the affidavit into a mailing envelope addressed to the supervisor. Insert a copy of your identification in the mailing envelope. Mail (if time permits), deliver, or have delivered the completed affidavit along with the copy of your identification to your county supervisor of elections. Be sure there is sufficient postage if mailed and that the supervisor’s address is correct. Remember, your

information MUST reach your county supervisor of elections no
later than 5 p.m. on the 11th day following the election or your
ballot will not count.

5. Alternatively, you may fax or e-mail your completed
affidavit and a copy of your identification to the supervisor of
elections. If e-mailing, please provide these documents as
attachments. E-mail should be used only as a last resort, as it
is not a secure communication method and could result in third
parties having access to your personal information.

6. Submitting a provisional ballot affidavit does not
establish your eligibility to vote in this election or guarantee
that your ballot will be counted. The county canvassing board
determines your eligibility to vote through information provided
on the Provisional Ballot Voter’s Certificate and Affirmation,
written evidence provided by you, including information in your
cure affidavit along with any supporting identification, and any
other evidence presented by the supervisor of elections or a
challenger. You may still be required to present additional
written evidence to support your eligibility to vote.

(e) The department and each supervisor of elections shall
include the affidavit and instructions on their respective
websites. The supervisor of elections shall include his or her
office mailing address, e-mail address, and fax number on the
page containing the affidavit instructions, and the department’s
instruction page must include the office mailing addresses, e-
mail addresses, and fax numbers of all supervisors of elections
or provide a conspicuous link to such addresses.

(f) The supervisor of elections shall attach each affidavit
received to the appropriate provisional ballot envelope
containing the Provisional Ballot Voter’s Certificate and Affirmation.

(7)(a) Each supervisor of elections shall establish a free access system that allows each person who casts a provisional ballot to determine whether his or her provisional ballot was counted in the final canvass of votes and, if not, the reasons why. Information regarding provisional ballots shall be available no later than 30 days following the election. The system established must restrict information regarding an individual ballot to the person who cast the ballot.

(b) In addition, unless processed as a signature update pursuant to subsection (2), the supervisor shall mail a voter registration application to the elector to be completed indicating the elector’s current signature if the signature on the voter’s certificate or cure affidavit did not match the elector’s signature in the registration books or precinct register.

Section 5. Subsection (9) of section 101.151, Florida Statutes, is amended to read:

101.151 Specifications for ballots.—

(9)(a) The Department of State shall adopt rules prescribing a uniform primary and general election ballot for each certified voting system. The rules must incorporate the requirements set forth in this section and must prescribe additional matters and forms that include, without limitation:

a. Centered across the top; or
b. In the leftmost column, with no individual races in that column unless it is the only column on the ballot;

2. Individual race layout; and
3. Overall ballot layout.

(b) The department rules must graphically depict a sample uniform primary and general election ballot form for each certified voting system.

Section 6. Subsection (2) and paragraph (b) of subsection (4) of section 101.62, Florida Statutes, are amended to read:

101.62 Request for vote-by-mail ballots.—

(2) A request for a vote-by-mail ballot to be mailed to a voter must be received no later than 5 p.m. on the 10th sixth day before the election by the supervisor of elections. The supervisor of elections shall mail vote-by-mail ballots to voters requesting ballots by such deadline no later than 8 4 days before the election.

(4)

(b) The supervisor of elections shall mail a vote-by-mail ballot to each absent qualified voter, other than those listed in paragraph (a), who has requested such a ballot, no later than the 28th day between the 35th and 28th days before the presidential preference primary election, primary election, and general election. Except as otherwise provided in subsection (2) and after the period described in this paragraph, the supervisor shall mail vote-by-mail ballots within 2 business days after receiving a request for such a ballot.

Section 7. Subsection (1) of section 101.64, Florida Statutes, is amended to read:
101.64 Delivery of vote-by-mail ballots; envelopes; form.—
(1) The supervisor shall enclose with each vote-by-mail ballot two envelopes: a secrecy envelope, into which the absent elector shall enclose his or her marked ballot; and a mailing envelope, into which the absent elector shall then place the secrecy envelope, which shall be addressed to the supervisor and also bear on the back side a certificate in substantially the following form:

Note: Please Read Instructions Carefully Before Marking Ballot and Completing Voter’s Certificate.

VOTER’S CERTIFICATE

I, ...., do solemnly swear or affirm that I am a qualified and registered voter of .... County, Florida, and that I have not and will not vote more than one ballot in this election. Section 8. Section 101.65, Florida Statutes, is amended to read:

101.65 Instructions to absent electors.—The supervisor shall enclose with each vote-by-mail ballot separate printed instructions in substantially the following form:

READ THESE INSTRUCTIONS CAREFULLY BEFORE MARKING BALLOT.

1. VERY IMPORTANT. In order to ensure that your vote-by-mail ballot will be counted, it should be completed and returned as soon as possible so that it can reach the supervisor of elections of the county in which your precinct is located no later than 7 p.m. on the day of the election. However, if you are an overseas voter casting a ballot in a presidential preference primary or general election, your vote-by-mail ballot must be postmarked or dated no later than the date of the election and received by the supervisor of elections of the county in which you are registered to vote no later than 10 days after the date of the election. **Note that the later you return your ballot, the less time you will have to cure any signature deficiencies, which is authorized until 5 p.m. on the 11th day after the election.**

2. Mark your ballot in secret as instructed on the ballot. You must mark your own ballot unless you are unable to do so because of blindness, disability, or inability to read or write.

3. Mark only the number of candidates or issue choices for a race as indicated on the ballot. If you are allowed to “Vote for One” candidate and you vote for more than one candidate,
your vote in that race will not be counted.

4. Place your marked ballot in the enclosed secrecy envelope.

5. Insert the secrecy envelope into the enclosed mailing envelope which is addressed to the supervisor.

6. Seal the mailing envelope and completely fill out the Voter’s Certificate on the back of the mailing envelope.

7. VERY IMPORTANT. In order for your vote-by-mail ballot to be counted, you must sign your name on the line above (Voter’s Signature). A vote-by-mail ballot will be considered illegal and not be counted if the signature on the voter’s certificate does not match the signature on record. The signature on file at the start of the canvass of the vote-by-mail ballots is the signature that will be used to verify your signature on the voter’s certificate. If you need to update your signature for this election, send your signature update on a voter registration application to your supervisor of elections so that it is received no later than the start of the canvassing of vote-by-mail ballots, which occurs no earlier than the 22nd day before election day.

8. VERY IMPORTANT. If you are an overseas voter, you must include the date you signed the Voter’s Certificate on the line above (Date) or your ballot may not be counted.

9. Mail, deliver, or have delivered the completed mailing envelope. Be sure there is sufficient postage if mailed.

10. FELONY NOTICE. It is a felony under Florida law to accept any gift, payment, or gratuity in exchange for your vote for a candidate. It is also a felony under Florida law to vote in an election using a false identity or false address, or under
any other circumstances making your ballot false or fraudulent.

Section 9. Subsection (1), paragraph (a) of subsection (2), and subsection (4) of section 101.68, Florida Statutes, are amended to read:

101.68 Canvassing of vote-by-mail ballot.—

(1) The supervisor of the county where the absent elector resides shall receive the voted ballot, at which time the supervisor immediately shall compare the signature of the elector on the voter’s certificate with the signature of the elector in the registration books or the precinct register to determine whether the elector is duly registered in the county and may record on the elector’s registration certificate that the elector has voted. An elector who dies after casting a vote-by-mail ballot but on or before election day shall remain listed in the registration books until the results have been certified for the election in which the ballot was cast. The supervisor shall safely keep the ballot unopened in his or her office until the county canvassing board canvasses the vote. Except as provided in subsection (4), after a vote-by-mail ballot is received by the supervisor, the ballot is deemed to have been cast, and changes or additions may not be made to the voter’s certificate.

(2)(a) The county canvassing board may begin the canvassing of vote-by-mail ballots at 7 a.m. on the 22nd 15th day before the election, but not later than noon on the day following the election. In addition, for any county using electronic tabulating equipment, the processing of vote-by-mail ballots through such tabulating equipment may begin at 7 a.m. on the 22nd 15th day before the election. However, notwithstanding any

such authorization to begin canvassing or otherwise processing vote-by-mail ballots early, no result shall be released until after the closing of the polls in that county on election day. Any supervisor of elections, deputy supervisor of elections, canvassing board member, election board member, or election employee who releases the results of a canvassing or processing of vote-by-mail ballots prior to the closing of the polls in that county on election day commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(4)(a) Except as provided in paragraph (b), the supervisor must, on behalf of the county canvassing board, immediately notify an elector who has returned a vote-by-mail ballot that does not include the elector’s signature or contains a signature that does not match the elector’s signature in the registration books or precinct register.

(b) For timely domestic vote-by-mail ballots received beginning on the 4th day before an election, and for timely overseas vote-by-mail ballots received beginning on the 10th day before an election, the supervisor must attempt to:

1. Provide the notice to the elector by e-mail;
2. Notify the elector of the signature deficiency by text message and direct the elector to the cure affidavit and instructions on the supervisor’s website; and
3. Notify the elector of the signature deficiency by telephone and direct the elector to the cure affidavit and instructions on the supervisor’s website.

If the voter’s certificate or the elector’s records do not
contain any telephone or electronic contact information, the supervisor must immediately send the notice to an in-county elector by first-class mail or to any other elector by expedited delivery. If the elector has provided such information, the supervisor may continue to attempt to contact the elector by telephone or electronic means for up to 48 hours before sending physical notice, time permitting. The supervisor need not provide any notice required by this subsection which is not expected to reach the elector until after 5 p.m. on the 11th day after the election, or when the supervisor has already confirmed the elector’s receipt of notice.

(c) The supervisor shall allow such an elector to complete and submit an affidavit in order to cure the vote-by-mail ballot until 5 p.m. on the 11th day after the election.

(d) The elector must complete a cure affidavit in substantially the following form:

VOTE-BY-MAIL BALLOT CURE AFFIDAVIT

I do solemnly swear or affirm that I requested and returned the vote-by-mail ballot and that I have not and will not vote more than one ballot in this election.
