Amendment (with title amendment)
Remove lines 23-43 and insert:

(g)1. The history of the Holocaust (1933-1945), the systematic, planned annihilation of European Jews and other groups by Nazi Germany, a watershed event in the history of humanity, to be taught in a manner that leads to an investigation of human behavior, an understanding of the ramifications of prejudice, racism, and stereotyping, and an examination of what it means to be a responsible and respectful person, for the purposes of encouraging tolerance of diversity in a pluralistic society and for nurturing and protecting
democratic values and institutions, including the policy, definition, and historical and current examples of anti-Semitism, as described in s. 1000.05(7), and the prevention of anti-Semitism. Each school district must annually certify and provide evidence to the department, in a manner prescribed by the department, that the requirements of this paragraph are met. The department shall prepare and offer standards and curriculum for the instruction required by this paragraph and may seek input from the Commissioner of Education's Task Force on Holocaust Education or from any state or nationally recognized Holocaust educational organizations. The department may contract with the Florida Holocaust Museum or other state or nationally recognized Holocaust educational organizations to develop training for instructional personnel and grade-appropriate classroom resources to support the developed curriculum.

2. The second week in November shall be designated as "Holocaust Education Week" in this state in recognition that November is the anniversary of Kristallnacht, widely recognized as a precipitating event that led to the Holocaust.
