Section 13. Subsection (1) of section 1006.20, Florida Statutes, is amended, and paragraph (n) is added to subsection (2) of that section, to read:

1006.20 Athletics in public K-12 schools.—

(1) GOVERNING NONPROFIT ORGANIZATION.—The Florida High School Athletic Association (FHSAA) is designated as the governing nonprofit organization of athletics in Florida public schools. If the FHSAA fails to meet the provisions of this section, the commissioner shall designate a nonprofit...
organization to govern athletics with the approval of the State Board of Education. The FHSAA is not a state agency as defined in s. 120.52. The FHSAA shall be subject to the provisions of s. 1006.19. A private school that wishes to engage in high school athletic competition with a public high school may become a member of the FHSAA. Any high school in the state, including charter schools, virtual schools, and home education cooperatives, may become a member of the FHSAA and participate in the activities of the FHSAA. However, membership in the FHSAA is not mandatory for any school. The FHSAA must allow a private school or public school, including a charter school, virtual school, and home education cooperative, the option of maintaining full membership in the association or joining by sport and may not discourage such school or cooperative a private school from simultaneously maintaining membership in another athletic association. The FHSAA may allow a public school the option to apply for consideration to join another athletic association. The FHSAA may not deny or discourage interscholastic competition between its member schools and non-FHSAA member Florida schools, including members of another athletic governing organization, and may not take any retributory or discriminatory action against any of its member schools that join another athletic association or that participate in interscholastic competition with non-FHSAA member Florida schools. The FHSAA may not unreasonably withhold its
approval of an application to become an affiliate member of the National Federation of State High School Associations submitted by any other organization that governs interscholastic athletic competition in this state. The bylaws of the FHSAA are the rules by which high school athletic programs in its member schools, and the students who participate in them, are governed, unless otherwise specifically provided by statute. For the purposes of this section, "high school" includes grades 6 through 12.
