30	but not limited to, educators, counselors, mentors, and coaches,						
31	shall undergo mental health education and training. The						
32	education and training shall include:						
33	(a) The recognition of signs and symptoms of mental health						
34	issues in youth, appropriate methods for providing assistance						
35	and support, and guidelines for referring youth to qualified						
36	mental health professionals when necessary.						
37	(b) Specialized training in effectively and respectfully						
38	interacting with youth by emphasizing active listening to the						
39	voices and perspectives of youth, respecting their rights and						
40	dignity, and fostering a supportive and inclusive environment.						
41	(2) Persons who work with youth are encouraged to						
42	prioritize their own mental health and well-being and employers						
43	of persons who work with youth should provide resources and						
44	support for their mental health needs.						
45	(3) The department shall establish and maintain dedicated						
46	spaces within educational institutions, community centers, and						
47	other youth-centric venues for the dissemination of information						
48	and resources related to mental health. The spaces shall be						
49	easily accessible to youth and shall be promoted to ensure that						
50	youth are aware of the available mental health resources.						
51	(4) The department, in collaboration with relevant						
52	agencies, shall be responsible for the implementation and						
53	enforcement of this act. A violation of this section may result						
54	in penalties, training requirements, or other appropriate						
55	measures as determined by department rule.						
56	(5) Funding for the implementation of this section shall be						
57	allocated from state funds and supplemented by federal grants						
58	and private-sector partnerships, as necessary.
