1   A bill to be entitled
2   An act relating to graduate medical education program
3   performance data; amending s. 409.909, F.S.; requiring
4   the Agency for Health Care Administration, by a
5   specified date, to develop and implement a methodology
6   for collecting performance data from graduate medical
7   education programs seeking or receiving public funding
8   under the Statewide Medicaid Residency Program;
9   specifying minimum requirements for the performance
10   data; requiring the agency to establish certain
11   minimum performance measurements for graduate medical
12   programs receiving funding under the program;
13   providing that, beginning on a specified date, such
14   performance measurements are a condition for receiving
15   funding under the program; providing an effective
16   date.
17
18   Be It Enacted by the Legislature of the State of Florida:
19
20   Section 1. Present subsections (7) and (8) of section
21   409.909, Florida Statutes, are redesignated as subsections (8)
22   and (9), respectively, and a new subsection (7) is added to that
23   section, to read:
24   409.909 Statewide Medicaid Residency Program.—
25   (7) By October 1, 2024, the agency shall develop and
26   implement a methodology for collecting performance data from
27   graduate medical education programs seeking or receiving funding
28   under this section. At a minimum, the performance data collected
29   must include measurable efforts by a graduate medical education

30 program to increase the availability of residents to serve rural
31 and underserved communities in this state. Based on the data
32 collected pursuant to this subsection, the agency shall
33 establish minimum performance measurements that, beginning July
34 1, 2025, must be met by graduate medical education programs as a
35 condition to receive funding under this section.
36   Section 2. This act shall take effect July 1, 2024.
