The following prayer was offered by Senator Richter:

Eternal God, our Father, we gather together as your children seeking your grace and thanking you for all the blessings you shower on us each and every day of our lives. Thank you for blessing us with success. Thank you for blessing us with the gift of responsibility, the gift of friendship, and the gift of confidence. Lord, guide our use of your gifts. Keep us ever mindful of our actions. As we seek your will, remind us that our gifts are from you.

Lord, walk with our members and our staff. Lord, you are a generous God, and we thank you for your generosity. We know that your blessings are consistent and abundant. We also know that your blessings come without burden, but with responsibility. Lord, instill in each of us a sense of responsibility. Guide our actions and our hearts. Thank you for all the blessings we openly accept without burden.

Lord, grant us the wisdom to know the difference between strength and power; the difference between growth and greed; and the difference between leadership and dominance.

Lord, thank you for your miracles: the miracle of birth; the miracle of life; the miracle of day and night; wind and rain. Lord, as we gather

today, instill in each of us your peace, along with a desire to serve you. Strengthen our resolve to do what is right.

Lord, shine your light on our path so that we will always know that you are walking with us. Keep our eyes open to you. Expand our hearts and our minds so that we can be a shining light to others sharing the brightness of your love and compassion, your wisdom, and your kindness. Lord, grant us wisdom and compassion.

In your name we pray. Amen.

—a companion measure, was substituted for **CS for CS for CS for SB 220** and read the second time by title.

Senator Simpson moved the following amendment which was adopted:

Amendment 1 (551142) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Subsection (1) and paragraph (a) of subsection (2) of section 316.545, Florida Statutes, are amended to read:

316.545 Weight and load unlawful; special fuel and motor fuel tax enforcement; inspection; penalty; review.—

(1) Any officer of the Florida Highway Patrol having reason to believe that the weight of a vehicle and load is unlawful is authorized to require the driver to stop and submit to a weighing of the same by means of either portable or fixed scales and may require that such vehicle be driven to the nearest weigh station or public scales, provided such a facility is within 5 highway miles. Upon a request by the vehicle driver, the officer shall weigh the vehicle at fixed scales rather than by portable scales if such a facility is available within 5 highway miles. Anyone who refuses to submit to such weighing obstructs an officer pursuant to s. 843.02 and is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. Anyone who knowingly and willfully resists, obstructs, or opposes a weight and safety officer while refusing to submit to such weighing by resisting the officer with violence to the officer’s person pursuant to s. 843.01 is guilty of a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(2)(a) Whenever an officer of the Florida Highway Patrol or weight inspector of the Department of Transportation, upon weighing a vehicle or combination of vehicles with load, determines that the axle weight or gross weight is unlawful, the officer may require the driver to stop the vehicle in a suitable place and remain standing until a determination can be made as to the amount of weight thereon and, if overloaded, the amount of penalty to be assessed as provided herein. However, any gross weight over and beyond 6,000 pounds beyond the maximum herein set shall be unloaded and all material so unloaded shall be cared for by the owner or operator of the vehicle at the risk of such owner or operator. Except as otherwise provided in this chapter, to facilitate compliance with and enforcement of the weight limits established in s. 316.535, weight tables published pursuant to s. 316.535(7) shall include a 10-percent scale tolerance and shall thereby reflect the maximum scaled weights allowed any vehicle or combination of vehicles. As used in this section, scale tolerance means the allowable deviation from legal weights established in s. 316.535. Notwithstanding any other provision of the weight law, if a vehicle or combination of vehicles does not exceed the gross, external bridge, or internal bridge weight limits imposed in s. 316.535 and the driver of such vehicle or combination of vehicles can comply with the requirements of this chapter by shifting or equalizing the load on all wheels or axles and does so when requested by the proper authority, the driver shall not be held to be operating in violation of said weight limits. *When a driver is issued a citation for exceeding the weight limits established in s. 316.535 as determined by means of portable scales, the driver may request to proceed to the nearest fixed scale at an official weigh station or at a certified public scale for verification of weight. The officer who issued the citation must escort the driver at all times and must attend the reweighing. If the vehicle or combination of vehicles is found to be in compliance with the weight requirements of this chapter at the fixed scale, the citation is void.*

Section 2. Effective October 1, 2015, subsection (7) of section 316.545, Florida Statutes, is amended to read:

316.545 Weight and load unlawful; special fuel and motor fuel tax enforcement; inspection; penalty; review.—

(7) There is created within the Department of Transportation the Commercial Motor Vehicle Review Board, consisting of three permanent members who shall be the Secretary of the Department of Transportation, the executive director of the Department of Highway Safety and Motor Vehicles, and the Commissioner of Agriculture, or their authorized representatives, and four additional members appointed pursuant to paragraph (b), which may review any penalty imposed upon any vehicle or person under the provisions of this chapter relating to weights imposed on the highways by the axles and wheels of motor vehicles, to special fuel and motor fuel tax compliance, or to violations of safety regulations.

(a) The Secretary of the Department of Transportation or his or her authorized representative shall be the chair of the review board.

(b) *The Governor shall appoint one member from the road construction industry, one member from the trucking industry, and one member with a general business or legal background. The Commissioner of Agriculture shall appoint one member from the agriculture industry. Each member appointed under this paragraph must be a registered voter and resident of the state and must possess business experience in the private sector. Members appointed pursuant to this paragraph shall each serve a 2-year term. A vacancy occurring during the term of a member appointed under this paragraph shall be filled only for the remainder of the unexpired term. Members of the board appointed under this paragraph may be removed from office by the Governor for misconduct, malfeasance, misfeasance, or nonfeasance in office. Each permanent member of the review board may designate one additional person to be a member of the review board.*

(c) *Each member, before entering upon his or her official duties, shall take and subscribe to an oath before an official authorized by law to administer oaths that he or she will honestly, faithfully, and impartially perform the duties devolving upon him or her in office as a member of the review board and that he or she will not neglect any duties imposed upon him or her by s. 316.3025, s. 316.550, or this section. The review board may execute its responsibilities by meeting as a single group or as subgroups consisting of one authorized representative of each permanent member.*

(d) The chair of the review board is responsible for the administrative functions of the review board.

(e) *Four members of the board constitute a quorum, and the vote of four members shall be necessary for any action taken by the board. A vacancy on the board does not impair the right of a quorum of the board to exercise all of the rights and perform all of the duties of the board.*

(f)(e) *The review board may hold sessions and conduct proceedings at any place within the state. As an alternative to physical appearance, and in addition to any other method of appearance authorized by rule, the Department of Transportation shall provide space and video conference capability at each district office to enable a person requesting a hearing to appear remotely before the board, regardless of the physical location of the board proceeding.*

Section 3. *The appointment of additional members to the Commercial Motor Vehicle Review Board in accordance with the changes made by this act to s. 316.545, Florida Statutes, shall be made by September 1, 2015, for terms beginning October 1, 2015.*

Section 4. Except as otherwise expressly provided in this act, this act shall take effect July 1, 2015.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the Commercial Motor Vehicle Review Board; amending s. 316.545, F.S.; deleting a provision authorizing any officer of the Florida Highway Patrol to require that a vehicle be driven to the nearest weigh station or public scales under certain circumstances; deleting a provision requiring the officer to weigh the vehicle at fixed scales rather than by portable scales upon a request by the vehicle driver under certain circumstances; authorizing a driver to request to proceed to the nearest fixed scale at an official weigh station or a certified public scale when he or she is issued a citation for exceeding weight limits; requiring the officer issuing the citation to escort the driver and attend the reweighing; voiding the citation if the vehicle or combination of vehicles is found to be in compliance with certain weight requirements; revising the membership of the board; providing for appointment of additional members by the Governor and the Commissioner of Agriculture; providing for terms of the additional members providing qualifications for such members; providing for removal of members by the Governor under certain circumstances; providing for action by a quorum of the board; requiring the Department of Transportation to provide space and video conference capability at each district office to enable a person requesting a hearing to appear remotely before the board; requiring that the additional appointments be made by a specified date; providing effective dates.

The term includes services not performed by the mover but performed by a third party at the request of the shipper or mover, if the charges for these services are to be paid to the mover by the shipper at or before the time of delivery.

(2) “Additional services” means any additional transportation of household goods which is performed by a mover, is not specifically included in a binding estimate or contract, and results in a charge to the shipper.

(3)(2) “Advertise” means to advise, announce, give notice of, publish, or call attention by use of oral, written, or graphic statement made in a newspaper or other publication or on radio or television, any electronic medium, or contained in any notice, handbill, sign, including signage on vehicle, flyer, catalog or letter, or printed on or contained in any tag or label attached to or accompanying any good.

(4) “Binding estimate” means a written or electronic document that specifies the total cost of a move, including, but not limited to, the loading, transportation or shipment, and unloading of household goods and accessorial services the shipper must pay for the complete move of his or her household goods.

(5)(3) “Compensation” means money, fee, emolument, quid pro quo, barter, remuneration, pay, reward, indemnification, or satisfaction.

(6)(4) “Contract for service” or “bill of lading” means a written document approved by the shipper in writing before the performance of any service which authorizes services from the named mover and lists the services and all costs associated with the household move and accessorial services to be performed.

(7)(5) “Department” means the Department of Agriculture and Consumer Services.

~~(6) “Estimate” means a written document that sets forth the total costs and describes the basis of those costs, relating to a shipper’s household move, including, but not limited to, the loading, transportation or shipment, and unloading of household goods and accessorial services.~~

(8)(7) “Household goods” or “goods” means personal effects or other personal property commonly found in a home, personal residence, or

other dwelling, including, but not limited to, household furniture. The term does not include freight or personal property moving to or from a factory, store, or other place of business.

(9)(8) “Household move” or “move” means the loading of household goods into a vehicle, moving container, or other mode of transportation or shipment; the transportation or shipment of those household goods; and the unloading of those household goods, when the transportation or shipment originates and terminates at one of the following ultimate locations, regardless of whether the mover temporarily stores the goods while en route between the originating and terminating locations:

(a) From one dwelling to another dwelling;

(b) From a dwelling to a storehouse or warehouse that is owned or rented by the shipper or the shipper’s agent; or

(c) From a storehouse or warehouse that is owned or rented by the shipper or the shipper’s agent to a dwelling.

(10) “Impracticable operations” means operations of the mover which are necessary to complete the move due to substantial and unforeseen conditions arising after execution of a contract for household services. Such conditions must make it impractical for a mover to perform pickup or delivery services for a household move as originally provided in the contract.

(11)(9) “Mover” means a person who, for compensation, contracts for or engages in the loading, transportation or shipment, or unloading of household goods as part of a household move. The term does not include a postal, courier, envelope, or package service that, or a personal laborer who, does not advertise ~~itself~~ as a mover or moving service.

(12)(10) “Moving broker” or “broker” means a person who, for compensation, arranges for another person to load, transport or ship, or unload household goods as part of a household move or who, for compensation, refers a shipper to a mover by telephone, postal or electronic mail, Internet website, or other means.

(13)(11) “Moving container” means a receptacle holding at least 200 cubic feet of volume which is used to transport or ship household goods as part of a household move.

(14) “Personal laborer” means an individual hired directly by the shipper to assist in the loading and unloading of the shipper’s own household goods. The term does not include any individual who has contracted with or is compensated by a third-party or whose services are brokered as part of a household move.

(15)(12) “Shipper” means a person who uses the services of a mover to transport or ship household goods as part of a household move.

(16)(13) “Storage” means the temporary warehousing of a shipper’s goods while under the care, custody, and control of the mover.

Section 2. Subsection (3) of section 507.02, Florida Statutes, is amended to read:

507.02 Construction; intent; application.—

(3) This chapter is intended to provide consistency and transparency in moving practices and to create the presumption that movers of household goods will make necessary disclosures and educate uninformed shippers in order to secure the satisfaction and confidence of shippers and members of the public when using a mover.

Section 3. Subsection (8) of section 507.03, Florida Statutes, is amended to read:

507.03 Registration.—

(8) The department may deny, refuse to renew, or revoke the registration of any mover or moving broker based upon a determination that the mover or moving broker, or any of the mover’s or moving broker’s directors, officers, owners, or general partners:

(a) Has failed to meet the requirements for registration as provided in this chapter;

(b) Has been convicted of a crime involving fraud, *theft*, *larceny*, *embezzlement*, or *fraudulent conversion or misappropriation of property* or a crime arising from conduct during a movement of household goods ~~dishonest dealing, or any other act of moral turpitude;~~

(d) Has pending against him or her any criminal, administrative, or enforcement proceedings in any jurisdiction, based upon conduct involving fraud, *theft*, *larceny*, *embezzlement*, or *fraudulent conversion or misappropriation of property* or a crime arising from conduct during a movement of household goods ~~dishonest dealing, or any other act of moral turpitude;~~ or

(e) Has had a judgment entered against him or her in any action brought by the department or the Department of Legal Affairs under this chapter or ss. 501.201-501.213, the Florida Deceptive and Unfair Trade Practices Act.

Section 4. Subsections (1), (3), (4), and (5) of section 507.04, Florida Statutes, are amended to read:

507.04 Required insurance coverages; liability limitations; valuation coverage.—

(1) *CARGO LIABILITY INSURANCE.*—

(a)1. Except as provided in paragraph (b), each mover operating in this state must maintain current and valid *cargo* liability insurance coverage of at least \$10,000 per shipment for the loss or damage of household goods resulting from the negligence of the mover or its employees or agents.

2. The mover must provide the department with evidence of liability insurance coverage before the mover is registered with the department under s. 507.03. All insurance coverage maintained by a mover must remain in effect throughout the mover's registration period. ~~A mover's failure to maintain insurance coverage in accordance with this paragraph constitutes an immediate threat to the public health, safety, and welfare. If a mover fails to maintain insurance coverage, the department may immediately suspend the mover's registration or eligibility for registration, and the mover must immediately cease operating as a mover in this state. In addition, and notwithstanding the availability of any administrative relief pursuant to chapter 120, the department may seek from the appropriate circuit court an immediate injunction prohibiting the mover from operating in this state until the mover complies with this paragraph, a civil penalty not to exceed \$5,000, and court costs.~~

(b) A mover that operates two or fewer vehicles, in lieu of maintaining the *cargo* liability insurance coverage required under paragraph (a), may, and each moving broker must, maintain one of the following alternative coverages:

1. A performance bond in the amount of \$25,000, for which the surety of the bond must be a surety company authorized to conduct business in this state; or

2. A certificate of deposit in a Florida banking institution in the amount of \$25,000.

The original bond or certificate of deposit must be filed with the department and must designate the department as the sole beneficiary. The department must use the bond or certificate of deposit exclusively for the payment of claims to consumers who are injured by the fraud, misrepresentation, breach of contract, misfeasance, malfeasance, or financial failure of the mover or moving broker or by a violation of this chapter by the mover or broker. Liability for these injuries may be determined in an administrative proceeding of the department or through a civil action in a court of competent jurisdiction. However, claims against the bond or certificate of deposit must only be paid, in amounts not to exceed the determined liability for these injuries, by order of the department in an administrative proceeding. The bond or certificate of deposit is subject to successive claims, but the aggregate amount of these claims may not exceed the amount of the bond or certificate of deposit.

(3) *INSURANCE COVERAGES.*—The insurance coverages required under paragraph (1)(a) and subsection (2) must be issued by an insurance company or carrier licensed to transact business in this state under the Florida Insurance Code as designated in s. 624.01. The department shall require a mover to present a certificate of insurance of the required coverages before issuance or renewal of a registration certificate under s. 507.03. The department shall be named as a certificateholder in the certificate and must be notified at least 10 days before cancellation of insurance coverage. *A mover's failure to maintain insurance coverage constitutes an immediate threat to the public health, safety, and welfare. If a mover fails to maintain insurance coverage, the department may immediately suspend the mover's registration or eligibility for registration, and the mover must immediately cease operating as a mover in this state. In addition, and notwithstanding the availability of any administrative relief pursuant to chapter 120, the department may seek from the appropriate circuit court an immediate injunction prohibiting the mover from operating in this state until the mover complies with this paragraph. The mover may also be assessed a civil penalty not to exceed \$5,000 and court costs.*

(4) *INDEMNIFICATION LIABILITY LIMITATIONS; VALUATION RATES.*—~~A mover may not limit its liability for the loss or damage of household goods to a valuation rate that is less than 60 cents per pound per article. A provision of a contract for moving services is void if the provision limits a mover's liability to a valuation rate that is less than the minimum rate under this subsection. If a mover limits its liability for a shipper's goods, the mover must disclose the limitation, including the valuation rate, to the shipper in writing at the time that the estimate and contract for services are executed and before any moving or accessorial services are provided. The disclosure must also inform the shipper of the opportunity to purchase valuation coverage if the mover offers that coverage under subsection (5).~~

(5) *VALUATION COVERAGE.*—~~A mover shall indemnify may offer valuation coverage to compensate a shipper for the full replacement value loss or damage of the shipper's household goods that are lost or damaged by the mover during a household move. The shipper may waive or amend the indemnification, and the waiver must be made by a signed or electronic acknowledgment in the contract. If a mover offers valuation coverage, the coverage must indemnify the shipper for at least the minimum valuation rate required under subsection (4). The mover must disclose the terms of the indemnification coverage to the shipper in writing in at the time that the binding estimate and again when the contract for services is executed and before any moving or accessorial services are provided. The disclosure must inform the shipper of the cost of the valuation coverage, the valuation rate of the coverage, and the opportunity to reject the coverage. If valuation coverage compensates a shipper for at least the minimum valuation rate required under subsection (4), the coverage satisfies the mover's liability for the minimum valuation rate.~~

Section 5. Section 507.05, Florida Statutes, is amended to read:

507.05 *Physical surveys, binding estimates, and contracts for service.*—~~Before providing any moving or accessorial services, a contract and estimate must be provided to a prospective shipper in writing, must be signed and dated by the shipper and the mover, and must include:~~

(1) *PHYSICAL SURVEY.*—*A mover must conduct a physical survey of the household goods to be moved and provide the prospective shipper with a binding estimate of the cost of the move.*

(2) *WAIVER OF SURVEY.*—*A shipper may elect to waive the physical survey, and such waiver must be in writing and signed or electronically acknowledged by the shipper before provision or waiver of the binding estimate by the shipper. The mover shall retain a copy of the waiver as an addendum to the contract for service.*

(3) *BINDING ESTIMATE.*—*Before executing a contract for service for a household move, and at least 48 hours before the scheduled time and date of a shipment of household goods, a mover must provide a binding estimate. The binding estimate shall be based on a physical survey conducted under subsection (1), unless waived pursuant to subsection (2).*

(a) *The shipper may waive the binding estimate if the waiver is made by signed or electronic acknowledgment before the commencement of the 48-hour period before the household goods are loaded. The mover shall retain a copy of the waiver as an addendum to the contract for services. To*

be enforceable, a waiver executed under this paragraph must, at a minimum, include a statement in uppercase type that is at least 5 points larger than, and clearly distinguishable from, the rest of the text of the waiver or release containing the statement. The exact statement to be included in a waiver of a binding estimate to be used by all movers shall be determined by the department in rulemaking and must include a delineation of the specific rights that a shipper may lose by waiving the binding estimate.

(b) The shipper may also waive the 48-hour period if the moving services requested commence within 48 hours of the shipper's initial contact with the mover contracted to perform the moving services.

(c) At a minimum, the binding estimate must include all of the following:

1. The table of measures or hourly quotation used by the mover or the mover's agent in preparing the binding estimate.

2. The date the binding estimate was prepared and the proposed date of the move, if any.

3. An itemized breakdown and description of services, and the total cost to the shipper of loading, transporting or shipping, unloading, and accessorial services.

4. A statement that the estimate is binding on the mover and the shipper and that the charges shown apply only to those services specifically identified in the estimate.

5. Identification of acceptable forms of payment.

(d) The binding estimate must be signed or electronically acknowledged by the mover and the shipper, and a copy must be provided to the shipper by the mover at the time that the binding estimate is signed or electronically acknowledged.

(e) A binding estimate may only be amended by the mover before the scheduled loading of household goods for shipment when the shipper has requested additional services of the mover not previously disclosed in the original binding estimate, or upon mutual agreement of the mover and the shipper. Once a mover begins to load the household goods for a move, failure to execute a new binding estimate signifies the mover has reaffirmed the original binding estimate.

(f) A mover may not collect more than the amount of the binding estimate unless:

1. The shipper waives receipt of a binding estimate under this subsection.

2. The shipper tenders additional household goods, requests additional services, or requires services that are not specifically included in the binding estimate, in which case the mover may execute an addendum to the binding estimate describing the additional household goods or need for additional services and the associated charges in writing. The mover must allow the shipper at least 1 hour to determine whether to execute the addendum. The mover may require full payment at the destination for the costs associated with the additional requested services as provided in the addendum to the binding estimate. If the shipper refuses to execute the addendum, the mover may refuse to ship the additional goods or perform the additional services requested.

3. The mover advises the shipper, in advance of performance, that impracticable operations are essential to properly perform the move. The mover must allow the shipper at least 1 hour to determine whether to authorize the additional services.

a. If the shipper agrees to pay for the impracticable operations, the mover must execute a written addendum to the contract for services, which must be signed or electronically acknowledged by the shipper. The addendum may be delivered to the shipper by personal delivery, facsimile, e-mail, overnight courier, or certified mail, with return receipt requested. The mover must bill the shipper for the agreed upon additional services within 15 days after the delivery of those additional services pursuant to s. 507.065.

b. If the shipper does not agree to pay for the additional services, the mover may perform and, pursuant to s. 507.06, bill the shipper for those

additional services necessary to complete the delivery. It is the mover's burden to show that the impracticable operations were necessary to properly perform the move.

(g) A mover shall retain a copy of the binding estimate and any addendums thereto for each move performed for at least 1 year after its preparation date as an attachment to the contract for service.

(4) **CONTRACT FOR SERVICE.**—Before providing any moving or accessorial services, a mover must provide a contract for service to the shipper, which the shipper must sign or electronically acknowledge and date.

(a) At a minimum, the contract for service must include:

1.(4) The name, telephone number, and physical address where the mover's employees are available during normal business hours.

2.(2) The date the contract was ~~or estimate is~~ prepared and the ~~any~~ proposed date of the move, if any.

3.(3) The name and address of the shipper, the addresses where the articles are to be picked up and delivered, and a telephone number where the shipper may be reached.

4.(4) The name, telephone number, and physical address of any location where the household goods will be held pending further transportation, including situations in which ~~where~~ the mover retains possession of household goods pending resolution of a fee dispute with the shipper.

5.(5) A binding estimate provided in accordance with subsection (3) ~~An itemized breakdown and description and total of all costs and services for loading, transportation or shipment, unloading, and accessorial services to be provided during a household move or storage of household goods.~~

6. The total charges owed by the shipper based on the binding estimate and the terms and conditions for their payment, including any required minimum payment.

7. If the household goods are transported under an agreement to collect payment upon delivery, the maximum payment that the mover may demand at the time of delivery.

8.(6) Acceptable forms of payment, which must be clearly and conspicuously disclosed to the shipper on the binding estimate and the contract for services. A mover must ~~shall~~ accept at least a ~~minimum~~ of two of the three following forms of payment:

a.(a) Cash, cashier's check, money order, or traveler's check;

b.(b) Valid personal check, showing upon its face the name and address of the shipper or authorized representative; or

c.(c) Valid credit card, which shall include, but not be limited to, Visa or MasterCard.

~~A mover must clearly and conspicuously disclose to the shipper in the estimate and contract for services the forms of payments the mover will accept, including the forms of payment described in paragraphs (a)–(c).~~

(b) Each addendum to the contract for service is an integral part of the contract.

(c) A copy of the contract for service must accompany the household goods whenever they are in the mover's or the mover's agent's possession. Before a vehicle that is being used for the move leaves the point of origin, the driver responsible for the move must have the contract for service in his or her possession.

(d) A mover shall retain a contract for service for each move it performs for at least 1 year after the date the contract for service was signed or electronically acknowledged.

Section 6. Section 507.054, Florida Statutes, is created to read:

507.054 *Publication.*—

(1) The department shall prepare a publication that includes a summary of the rights and responsibilities of, and remedies available to movers and shippers under this chapter. The publication must include a statement that a mover's failure to relinquish household goods as required by this chapter constitutes a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084, that any other violation of this chapter constitutes a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083, and that any violation of this chapter constitutes a violation of the Florida Deceptive and Unfair Trade Practices Act. The publication must also include a notice to the shipper about the potential risks of shipping sentimental or family heirloom items. This requirement may be waived by the shipper. (3) A mover that lawfully fails to relinquish a shipper's household goods may place the goods in storage until payment in accordance with s. 507.065 is tendered; however, the mover must notify the shipper of the location where the goods are stored and the amount due within 5 days after receipt of a written request for that information from the shipper, which request must include the address where the shipper may receive the notice. A mover may not require a prospective shipper to waive any rights or requirements under this section.

(4) If a mover becomes aware that it will be unable to perform either the pickup or the delivery of household goods on the date agreed upon or during the timeframe specified in the contract for service due to circumstances not anticipated by the contract, the mover shall notify the shipper of the delay and advise the shipper of the amended date or timeframe
