Dear God in heaven above, we are so grateful to be gathered here and have the ability to live in these United States of America, the greatest country in the world. We are particularly grateful for the opportunity we have to live in the great State of Florida, with all of its industry and natural beauties, so many wonderful, positive things. We are grateful to be Floridians.

We humbly ask thee to bless all of us this day; everyone in this great State of Florida to be blessed through the actions taken by this Florida Senate. We ask thee to please bless the Senators, especially. Bless them with strength, stamina, and the ability to understand the issues and to take them on, as they must, because it's their responsibility.

Dear God, we ask thee to especially bless the Senate President, President Gardiner, his family, and his loved ones. They sacrifice much in the service of the state, and we ask thee to uphold and sustain them. We pray to thee, O God. Amen.

The proceeds of a fee imposed by this section include all funds collected and received by the Department of Revenue relating to the fee, including interest and penalties on a delinquent fee. The amount deducted for administrative costs may not exceed 3 percent of the total revenues collected under this section and may equal only those administrative costs reasonably attributable to the fee.

(3) The mitigation fee and the water treatment plant upgrade fee imposed by this section must be reported to the Department of Revenue. Payment of the mitigation and the water treatment plant upgrade fees must be accompanied by a form prescribed by the Department of Revenue.

(a) The proceeds of the mitigation fee, less administrative costs, must be transferred by the Department of Revenue to the South Florida Water Management District and deposited into the Lake Belt Mitigation Trust Fund.

~~(b) Beginning July 1, 2012, the proceeds of the water treatment plant upgrade fee, less administrative costs, must be transferred by the Department of Revenue to the South Florida Water Management District and deposited into the Lake Belt Mitigation Trust Fund until:~~

~~1. A total of \$20 million from the proceeds of the water treatment plant upgrade fee, less administrative costs, is deposited into the Lake Belt Mitigation Trust Fund; or~~

~~2. the quarterly pathogen sampling conducted as a condition of the permits issued by the department for rock mining activities in the Miami-Dade County Lake Belt Area demonstrates that the water in any quarry lake in the vicinity of the Northwest Wellfield would be classified as being in Bin 2 or higher as defined in the Environmental Protection Agency's Long Term 2 Enhanced Surface Water Treatment Rule.~~

~~(b)(c) Upon the earliest occurrence of the criterion under subparagraph (b)1. or subparagraph (b)2.,~~ The proceeds of the water treatment plant upgrade fee, less administrative costs *and less 2 cents per ton transferred pursuant to paragraph (c),* must be transferred by the Department of Revenue to a trust fund established by Miami-Dade County, for the sole purpose authorized by paragraph (6)(a).

(c) Until December 1, 2016, or until funding for the study is complete, whichever comes earlier, 2 cents per ton, not to exceed \$300,000, shall be transferred by the Department of Revenue to the State Fire Marshal to be used to fund the study required under s. 552.30 to review the established statewide ground vibration limits for construction materials mining activities and to review any legitimate claims paid for damages caused by such mining activities. Any amount not used to fund the study shall be

transferred to the trust fund established by Miami-Dade County, for the sole purpose authorized by paragraph (6)(a).

(6)(a) The proceeds of the mitigation fee must be used to conduct mitigation activities that are appropriate to offset the loss of the value and functions of wetlands as a result of mining activities *and to conduct water quality monitoring to ensure the protection of water resources within the Lake Belt Area and be approved by the Miami-Dade County Lake Belt Mitigation Committee.* Such mitigation may include the purchase, enhancement, restoration, and management of wetlands and uplands in the Everglades watershed, the purchase of mitigation credit from a permitted mitigation bank, and any structural modifications to the existing drainage system to enhance the hydrology of the Miami-Dade County Lake Belt Area or the Everglades watershed. Funds may also be used to reimburse other funding sources, including the Save Our Rivers Land Acquisition Program, the Internal Improvement Trust Fund, the South Florida Water Management District, and Miami-Dade County, for the purchase of lands that were acquired in areas appropriate for mitigation due to rock mining and to reimburse governmental agencies that exchanged land under s. 373.4149 for mitigation due to rock mining. The proceeds of the water treatment plant upgrade fee deposited into the Lake Belt Mitigation Trust Fund shall be used solely to pay for seepage mitigation projects, including groundwater or surface water management structures designed to improve wetland habitat and approved by the Lake Belt Mitigation Committee. The proceeds of the water treatment plant upgrade fee which are transmitted to a trust fund established by Miami-Dade County shall be used to upgrade a water treatment plant that treats water coming from the Northwest Wellfield in Miami-Dade County. As used in this section, the terms “upgrade a water treatment plant” or “treatment plant upgrade” mean those works necessary to treat or filter a surface water source or supply or both.

~~(8) If a general permit by the United States Army Corps of Engineers, or an appropriate long-term permit for mining, consistent with the Miami-Dade County Lake Belt Plan, this section, and ss. 373.4149, 373.4115, and 378.4115 is not issued on or before September 30, 2000, the fee imposed by this section is suspended until revived by the Legislature.~~

(9)(a) *The Legislature finds that more than 1,000 water samples from quarry lakes and groundwater sources near the Northwest Wellfield have been analyzed without a single detection of pathogens. The Legislature further finds that the best available science indicates that there is no connection between the Lake Belt quarry lakes and any potential need to upgrade the water treatment plant that receives water from the Northwest Wellfield for pathogen removal and none is expected in the future.*

(b) *To assist the Legislature in determining if a portion of the limestone mining fee should be dedicated to a treatment plant upgrade through July 1, 2018, pursuant to subsection (2), Miami-Dade County shall:*

1. By January 15, 2016, submit to the President of the Senate and the Speaker of the House of Representatives a detailed accounting of the Lake Belt fees collected through June 30, 2015, and all expenditures of those fees; and

2. By January 15, 2017, submit to the President of the Senate and the Speaker of the House of Representatives a detailed report on all pathogen data collection and analyses related to the Northwest Wellfield and the planning and engineering studies undertaken to upgrade any water treatment plant to provide treatment for pathogens in water from the Northwest Wellfield.

The study must include a review of measured vibration amplitudes and frequencies, structure responses, theoretical analyses of material strength and strains, and assessments of home damages.*

(a) *The study shall be funded using the specified portion of revenues received from the water treatment plant upgrade fee pursuant to s. 373.41492.*

5. The not-for-profit corporation shall require all directors, officers, and employees of the not-for-profit corporation, and any person that acts on behalf of the not-for-profit corporation in its role as an agent, to submit, at their own expense or at the expense of the corporation, but never at the cost of any principal, to a credit history background check prior to acting as an agent. The clerk of court may audit such criminal history background files.

7. The not-for-profit corporation must keep on file in the community in which the corporation is acting an updated listing of each person who is authorized to act on behalf of the corporation as an agent, along with a copy of the background check requirements. Any principal may request a copy of the list of authorized persons.

8. Any person that acts on behalf of a not-for-profit corporation pursuant to this paragraph in its role as an agent under a power of attorney has a fiduciary responsibility to the principal and must comply with all provisions of this chapter.

9. In addition to any other penalty provided by law, any person acting on behalf of a not-for-profit corporation in its role as an agent pursuant to this paragraph is subject to the provisions of s. 825.103.

(2) A power of attorney must be signed by the principal and by two subscribing witnesses and be acknowledged by the principal before a notary public or as otherwise provided in s. 695.03.

(3) If the principal is physically unable to sign the power of attorney, the notary public before whom the principal's oath or acknowledgment is made may sign the principal's name on the power of attorney pursuant to s. 117.05(14).
