PRAYER

The following prayer was offered by Dr. Morgan J. Browning, Pastor, First Baptist Church, Ortega Campus, Jacksonville:

Dear Heavenly Father, the creator of all things, you are an amazing, loving, all-knowing, ever-present, and all-powerful God. I want to thank you today for the privilege to talk to you by this beautiful means called prayer. I am grateful that you care about us enough to listen to our concerns. We stand before you today with empty hands in need of your grace and provision.

I cry out to you today for this very distinct group of men and women, our state Senators. They are so gifted and talented, and yet, they too have needs. I am glad that you are a generous God who wants to see all of them do well and prosper.

Therefore, I pray that your hand of favor, your blessings, would be upon these leaders. I ask that you afford them much wisdom and knowledge in making decisions. Please give them the power and strength to lead without compromise or fear. May your love fill each heart so that they will be able to work together in unity.

I ask these petitions so our beautiful sunshine state will become an even better place to live and enjoy life as a result of the time these Senators spend together. I know all this can be accomplished because we believe in our state motto, "In God We Trust." Amen.

Senator Passidomo moved the following amendment which was adopted:

Amendment 1 (762384) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Section 101.68, Florida Statutes, is amended to read:

101.68 Canvassing of vote-by-mail ballot.—

(1) The supervisor of the county where the absent elector resides shall receive the voted ballot, at which time the supervisor shall compare the signature of the elector on the voter's certificate with the signature of the elector in the registration books or the precinct register to determine whether the elector is duly registered in the county and may record on the elector's registration certificate that the elector has voted. ~~However, effective July 1, 2005,~~ An elector who dies after casting a vote-by-mail ballot but on or before election day shall remain listed in the registration books until the results have been certified for the election in which the ballot was cast. The supervisor shall safely keep the ballot unopened in his or her office until the county canvassing board canvasses the vote. Except as provided in subsection (4), after a vote-by-mail ballot is received by the supervisor, the ballot is deemed to have been cast, and changes or additions may not be made to the voter's certificate.

(2)(a) The county canvassing board may begin the canvassing of vote-by-mail ballots at 7 a.m. on the 15th day before the election, but not later than noon on the day following the election. In addition, for any county using electronic tabulating equipment, the processing of vote-by-mail ballots through such tabulating equipment may begin at 7 a.m. on the 15th day before the election. However, notwithstanding any such authorization to begin canvassing or otherwise processing vote-by-mail ballots early, no result shall be released until after the closing of the polls in that county on election day. Any supervisor of elections, deputy supervisor of elections, canvassing board member, election board member, or election employee who releases the results of a canvassing or processing of vote-by-mail ballots prior to the closing of the polls in that county on election day commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(b) To ensure that all vote-by-mail ballots to be counted by the canvassing board are accounted for, the canvassing board shall compare the number of ballots in its possession with the number of requests for ballots received to be counted according to the supervisor's file or list.

(c)1. The canvassing board ~~must~~ shall, if the supervisor has not already done so, compare the signature of the elector on the voter's certificate or on the vote-by-mail ballot *cure* affidavit as provided in subsection (4) with the signature of the elector in the registration books or the precinct register to see that the elector is duly registered in the county and to determine the legality of that vote-by-mail ballot. A *vote-by-mail ballot may only be counted if:*

a. The signature on the voter's certificate or the cure affidavit matches the elector's signature in the registration books or precinct register; however, in the case of a cure affidavit, the supporting identification listed in subsection (4) must also confirm the identity of the elector; or

b. The cure affidavit contains a signature that does not match the elector's signature in the registration books or precinct register, but the elector has submitted a current and valid Tier 1 identification pursuant to subsection (4) which confirms the identity of the elector.

2. The ballot of an elector who casts a vote-by-mail ballot shall be counted even if the elector dies on or before election day, as long as, ~~before~~ prior to the death of the voter, the ballot was postmarked by the United States Postal Service, date-stamped with a verifiable tracking number by a common carrier, or already in the possession of the su-

pervisor of elections. A vote by mail ballot is considered illegal if the voter's certificate or vote by mail ballot affidavit does not include the signature of the elector, as shown by the registration records or the precinct register. However,

3. A vote-by-mail ballot is not considered illegal if the signature of the elector does not cross the seal of the mailing envelope. If the canvassing board determines that any ballot is illegal, a member of the board shall, without opening the envelope, mark across the face of the envelope: "rejected as illegal." The vote by mail ballot affidavit, if applicable, the envelope, and the ballot contained therein shall be preserved in the manner that official ballots voted are preserved.

4.2. If any elector or candidate present believes that a vote-by-mail ballot is illegal due to a defect apparent on the voter's certificate or the cure vote by mail ballot affidavit, he or she may, at any time before the ballot is removed from the envelope, file with the canvassing board a protest against the canvass of that ballot, specifying the precinct, the ballot, and the reason he or she believes the ballot to be illegal. A challenge based upon a defect in the voter's certificate or cure vote by mail ballot affidavit may not be accepted after the ballot has been removed from the mailing envelope.

5. If the canvassing board determines that a ballot is illegal, a member of the board must, without opening the envelope, mark across the face of the envelope: "rejected as illegal." The cure affidavit, if applicable, the envelope, and the ballot therein shall be preserved in the manner that official ballots are preserved.

(d) The canvassing board shall record the ballot upon the proper record, unless the ballot has been previously recorded by the supervisor. The mailing envelopes shall be opened and the secrecy envelopes shall be mixed so as to make it impossible to determine which secrecy envelope came out of which signed mailing envelope; however, in any county in which an electronic or electromechanical voting system is used, the ballots may be sorted by ballot styles and the mailing envelopes may be opened and the secrecy envelopes mixed separately for each ballot style. The votes on vote-by-mail ballots shall be included in the total vote of the county.

(3) The supervisor or the chair of the county canvassing board shall, after the board convenes, have custody of the vote-by-mail ballots until a final proclamation is made as to the total vote received by each candidate.

(4)(a) The supervisor of elections shall, on behalf of the county canvassing board, notify each elector whose ballot was rejected as illegal and provide the specific reason the ballot was rejected. The supervisor shall mail a voter registration application to the elector to be completed indicating the elector's current signature if the elector's ballot was rejected due to a difference between the elector's signature on the voter's certificate or vote by mail ballot affidavit and the elector's signature in the registration books or precinct register. This section does not prohibit the supervisor from providing additional methods for updating an elector's signature.

(b) ~~Until 5 p.m. on the day before an election,~~ The supervisor shall, on behalf of the county canvassing board, immediately notify ~~allow~~ an elector who has returned a vote-by-mail ballot that does not include the elector's signature or contains a signature that does not match the elector's signature in the registration books or precinct register. The supervisor shall allow such an elector to complete and submit an affidavit in order to cure the ~~unsigned~~ vote-by-mail ballot until 5 p.m. on the day before the election.

(b)(e) The elector shall provide identification to the supervisor and must complete a cure vote by mail ballot affidavit in substantially the following form:

VOTE-BY-MAIL BALLOT CURE AFFIDAVIT

In addition, the supervisor shall mail a voter registration application to the elector to be completed indicating the elector's current signature if the signature on the voter's certificate or cure affidavit did not match the elector's signature in the registration

books or precinct register. This section does not prohibit the supervisor from providing additional methods for updating an elector's signature.

Section 2. This act shall take effect upon becoming a law.

WHEREAS, on November 29, 2016, the United States House of Representatives unanimously passed House Concurrent Resolution 165, expressing and reaffirming long-standing United States policy in support of a direct, bilaterally negotiated settlement of the Israeli-Palestinian conflict and in opposition to United Nations Security Council resolutions that impose a solution to the conflict, and

WHEREAS, on December 23, 2016, the United States Permanent Representative to the United Nations disregarded House Concurrent Resolution 165 and departed from long-standing United States policy by abstaining and permitting United Nations Security Council Resolution 2334 to be adopted under Chapter VI of the United Nations Charter, and

WHEREAS, the United States' abstention on United Nations Security Council Resolution 2334 contradicts the Oslo Accords and its associated process that is predicated on resolving the Israeli-Palestinian conflict between the parties through direct, bilateral negotiations, and

WHEREAS, United Nations Security Council Resolution 2334 claims that "the establishment by Israel of settlements in the Palestinian territory occupied since 1967, including East Jerusalem, has no legal validity and constitutes a flagrant violation under international law and a major obstacle to the achievement of the two-State solution and a just, lasting and comprehensive peace," and

WHEREAS, by referring to the "4 June 1967 lines" as the basis for negotiations, United Nations Security Council Resolution 2334 effectively states that the Jewish Quarter of the Old City of Jerusalem and the Western Wall, Judaism's holiest site, are "occupied territory," thereby equating these sites with outposts in the West Bank which the Israeli government has deemed illegal, and

WHEREAS, passage of United Nations Security Council Resolution 2334 effectively legitimizes efforts by the Palestinian Authority to impose its own solution through international organizations and unjustified boycotts or divestment campaigns against Israel by calling "upon all States, bearing in mind paragraph 1 of this resolution, to distinguish, in their relevant dealings, between the territory of the State of Israel and the territories occupied since 1967," and will require the United States and Israel to take effective action to counteract the resolution's potential harmful impacts, and

WHEREAS, United Nations Security Council Resolution 2334 did not directly call upon Palestinian leadership to fulfill their obligations toward negotiations or mention that part of the eventual Palestinian state is currently controlled by Hamas, a designated terrorist organization, and

WHEREAS, United Nations Security Council Resolution 2334 sought to impose or unduly influence solutions to final-status issues and is biased against Israel, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Florida Senate finds that:

(1) The passage of United Nations Security Council Resolution 2334 undermined the long-standing position of the United States to oppose and veto United Nations Security Council resolutions that seek to impose solutions to final-status issues or are one-sided and anti-Israel, reversing decades of bipartisan agreement.

(2) The passage of United Nations Security Council Resolution 2334 undermines the prospect of Israelis and Palestinians resuming productive, direct, bilateral negotiations.

(3) The passage of United Nations Security Council Resolution 2334 contributes to the politically motivated acts of boycotting, divesting from, and sanctioning Israel and represents a concerted effort to extract concessions from Israel outside of direct, bilateral negotiations between the Israelis and Palestinians, which must be actively rejected.

(4) Any future measures taken by any organization, including the United Nations Security Council, to impose an agreement or para-

meters for an agreement will set back the peace process, harm the security of Israel, contradict the enduring bipartisan consensus on strengthening the United States-Israel relationship, and weaken support for such organizations.

(5) A durable and sustainable peace agreement between Israel and the Palestinians is only possible with direct, bilateral negotiations between the parties resulting in a Jewish, democratic state living next to a demilitarized Palestinian state in peace and security.

(6) The United States government should work to facilitate serious, direct, unconditional negotiations between the parties toward a sustainable peace agreement.

(7) The United States government should oppose and veto future one-sided, anti-Israel United Nations Security Council resolutions that seek to impose solutions to final-status issues.

BE IT FURTHER RESOLVED that the Florida Senate opposes and requests the repeal of United Nations Security Council Resolution 2334 or the fundamental alteration of the resolution so that it:

- (1) Is no longer one-sided and anti-Israel.
- (2) Authorizes all final-status issues toward a two-state solution to be resolved through direct, bilateral negotiations between the parties involved.

BE IT FURTHER RESOLVED that the Secretary of State is directed to dispatch copies of this memorial to the President of the United States, the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, and the Israeli Embassy in Washington, D.C., for transmission to the proper authorities of the State of Israel as a tangible token of the sentiments expressed herein.
