The following prayer was offered by Pastor Dave Woodrum, First Christian Church, Arcadia:

Almighty God and Father, we are gathered here in your presence this very day asking for an ever-increasing measure of wisdom and blessings during this continuing session of the Florida State Senate.

We are here seeking, at this very moment, your counsel and your divine direction for each member of this Senate body. We pray that your hand would be upon every discussion, your wisdom upon every decision, and your discernment upon every vote so that you would be honored and the greater good of all citizens of the State of Florida could be achieved.

We ask, Lord, for you to reveal to our Senators the path to find common ground with one another seeking the common good of our state that together we may form a more perfect union through community.

We pray today for our country and for all the people who give of themselves to serve this nation—from public workers, to public servants, to the men and women in uniform. We ask, Lord, for your divine help and protection for them and for their families.

In your holy name we pray. Amen.

Section 3. *In order to implement Specific Appropriations 8 and 92 of the 2020-2021 General Appropriations Act, and notwithstanding ss. 1002.20, 1003.02, 1006.28-1006.42, 1011.62(6)(b)3., and 1011.67, Florida Statutes, relating to the expenditure of funds provided for instructional materials, for the 2020-2021 fiscal year, funds provided for instructional materials shall be released and expended as required in the proviso language for Specific Appropriation 92 of the 2020-2021 General Appropriations Act. 1011.62 Funds for operation of schools.—If the annual allocation from the Florida Education Finance Program to each district for operation of schools is not determined in the annual appropriations act or the substantive bill implementing the annual appropriations act, it shall be determined as follows:

(11) VIRTUAL EDUCATION CONTRIBUTION.—The Legislature may annually provide in the Florida Education Finance Program a virtual education contribution. The amount of the virtual education contribution shall be the difference between the amount per FTE established in the General Appropriations Act for virtual education and the amount per FTE for each district and the Florida Virtual School, which may be calculated by taking the sum of the base FEFP allocation, the discretionary local effort, the state-funded discretionary contribution, the discretionary millage compression supplement, the research-based reading instruction allocation, the best and brightest teacher and principal allocation, *the teacher salary increase allocation*, and the instructional materials allocation, and then dividing by the total unweighted FTE. This difference shall be multiplied by the virtual education unweighted FTE for programs and options identified in s. 1002.455 and the Florida Virtual School and its franchises to equal the virtual education contribution and shall be included as a separate allocation in the funding formula.

(17) FUNDING COMPRESSION ALLOCATION.—The Legislature may provide an annual funding compression allocation in the General Appropriations Act. The allocation is created to provide additional funding to school districts and developmental research schools whose total funds per FTE in the prior year were less than the statewide average. Using the most recent prior year FEFP calculation for each eligible school district, the total funds per FTE shall be subtracted from the state average funds per FTE, not including any adjustments made pursuant to paragraph (19)(b). The resulting funds per FTE difference, or a portion thereof, as designated in the General Appropriations Act, shall then be multiplied by the school district's total unweighted FTE to provide the allocation. If the calculated funds are greater than the amount included in the General Appropriations Act, they must be prorated to the appropriation amount based on each participating school district's share. This subsection expires July 1, 2021 ~~2020~~.

(18) THE FLORIDA BEST AND BRIGHTEST TEACHER AND PRINCIPAL ALLOCATION.—

(a) The Florida Best and Brightest Teacher and Principal Allocation is created to recruit, retain, and recognize classroom teachers and instructional personnel who meet the criteria established in s. 1012.731 and reward principals who meet the criteria established in s. 1012.732. Subject to annual appropriation, each school district shall receive an allocation based on the district's proportionate share of FEFP base funding. The Legislature may specify a minimum allocation for all districts in the General Appropriations Act.

(b) From the allocation, each district shall provide the following:

1. A one-time recruitment award, as provided in s. 1012.731(3)(a);
2. A retention award, as provided in s. 1012.731(3)(b); and
3. A recognition award, as provided in s. 1012.731(3)(c) from the remaining balance of the appropriation after the payment of all other awards authorized under ss. 1012.731 and 1012.732.

(c) From the allocation, each district shall provide eligible principals an award as provided in s. 1012.732(3).

If a district's calculated awards exceed the allocation, the district may prorate the awards.

(d) *The allocation authorized in this subsection is suspended for the 2020-2021 fiscal year and does not apply during such fiscal year. This paragraph expires July 1, 2021.*

(22) **TEACHER SALARY INCREASE ALLOCATION.—**

(a) *The Teacher Salary Increase Allocation is created to increase teacher salaries and improve this state's relative teacher salary position when compared with teacher salaries in other states.*

(b) *Subject to annual appropriation, funds may be provided for each school district to increase the minimum base salary for full-time classroom teachers as defined in s. 1012.01(2)(a) or all instructional personnel as defined by s. 1012.01(2)(a)-(d), plus certified prekindergarten teachers, but not including substitute teachers, by no less than the amount designated in the General Appropriations Act. In addition, funds may also be provided in an amount designated in the General Appropriations Act for salary increases for all full-time instructional personnel as determined by the school board and the local bargaining unit.*

(c) *Funds for this purpose shall be allocated on each district's share of the base FEFP allocation. Funds for the minimum base salary increase may be provided in multiple years in order to achieve a particular salary goal. The minimum base salary is the base annual salary before payroll deductions and excluding additional compensation.*

(d) *This subsection expires July 1, 2021.*

Section 5. *The amendment to s. 1011.62(11), Florida Statutes, by this act, expires July 1, 2021, and the text of that subsection shall revert to that in existence on June 30, 2020, except that any amendments to such text enacted other than by this act shall be preserved and continue to operate to the extent that such amendments are not dependent upon the portions of text which expire pursuant to this section.*

Section 45. In order to implement Specific Appropriations 3187 through 3253 of the 2020-2021 General Appropriations Act, subsection (2) of section 215.18, Florida Statutes, is amended to read:

The Governor shall order the transfer of funds within 5 days after the written notification from the Chief Justice. Section 46. (1) *In order to implement Specific Appropriations 1120 through 1131 of the 2020-2021 General Appropriations Act, the Department of Juvenile Justice is required to review county juvenile detention payments to ensure that counties fulfill their financial responsibilities required in s. 985.6865, Florida Statutes. If the Department of Juvenile Justice determines that a county has not met its obligations, the department shall direct the Department of Revenue to deduct the amount owed to the Department of Juvenile Justice from the funds provided to the county under s. 218.23, Florida Statutes. The Department of Revenue shall transfer the funds withheld to the Shared County/State Juvenile Detention Trust Fund.*

(2) *As an assurance to holders of bonds issued by counties before July 1, 2020, for which distributions made pursuant to s. 218.23, Florida Statutes, are pledged, or bonds issued to refund such bonds which mature no later than the bonds they refunded and which result in a reduction of debt service payable in each fiscal year, the amount available for distribution to a county shall remain as provided by law and continue to be subject to any lien or claim on behalf of the bondholders. The Department of Revenue must ensure, based on information provided by an affected county, that any reduction in amounts distributed pursuant to subsection (1) does not reduce the amount of distribution to a county below the amount necessary for the timely payment of principal and interest when due on the bonds and the amount necessary to comply with any covenant under the bond resolution or other documents relating to the issuance of the bonds. If a reduction to a county's monthly distribution must be decreased in order to comply with this section, the Department of Revenue must notify the Department of Juvenile Justice of the amount of the decrease, and the Department of Juvenile Justice must send a bill for payment of such amount to the affected county.*

(3) *This section expires July 1, 2021.*

Section 47. In order to implement Specific Appropriations 731 through 752, 916 through 1062, and 1083 through 1119 of the 2020-2021 General Appropriations Act, and notwithstanding the expiration date in section 57 of chapter 2019-116, Laws of Florida, present subsection (11) of section 27.40, Florida Statutes, is renumbered as subsection (12), a new subsection (11) is added to that section, and subsection (1), paragraph (a) of subsection (2), paragraph (a) of subsection (3), and subsections (5), (6), and (7) of that section are reenacted, to read:

27.40 Court-appointed counsel; circuit registries; minimum requirements; appointment by court.—

(1) Counsel shall be appointed to represent any individual in a criminal or civil proceeding entitled to court-appointed counsel under the Federal or State Constitution or as authorized by general law. The court shall appoint a public defender to represent indigent persons as authorized in s. 27.51. The office of criminal conflict and civil regional counsel shall be appointed to represent persons in those cases in which provision is made for court-appointed counsel, but only after the public defender has certified to the court in writing that the public defender is unable to provide representation due to a conflict of interest or is not authorized to provide representation. The public defender shall report, in the aggregate, the specific basis of all conflicts of interest certified to

the court. On a quarterly basis, the public defender shall submit this information to the Justice Administrative Commission.

(2)(a) Private counsel shall be appointed to represent persons in those cases in which provision is made for court-appointed counsel but only after the office of criminal conflict and civil regional counsel has been appointed and has certified to the court in writing that the criminal conflict and civil regional counsel is unable to provide representation due to a conflict of interest. The criminal conflict and civil regional counsel shall report, in the aggregate, the specific basis of all conflicts of interest certified to the court. On a quarterly basis, the criminal conflict and civil regional counsel shall submit this information to the Justice Administrative Commission.

(3) In using a registry:

(a) The chief judge of the circuit shall compile a list of attorneys in private practice, by county and by category of cases, and provide the list to the clerk of court in each county. The chief judge of the circuit may restrict the number of attorneys on the general registry list. To be included on a registry, an attorney must certify that he or she:

1. Meets any minimum requirements established by the chief judge and by general law for court appointment;
2. Is available to represent indigent defendants in cases requiring court appointment of private counsel; and
3. Is willing to abide by the terms of the contract for services, s. 27.5304, and this section.

To be included on a registry, an attorney must enter into a contract for services with the Justice Administrative Commission. Failure to comply with the terms of the contract for services may result in termination of the contract and removal from the registry. Each attorney on the registry is responsible for notifying the clerk of the court and the Justice Administrative Commission of any change in his or her status. Failure to comply with this requirement is cause for termination of the contract for services and removal from the registry until the requirement is fulfilled.

(5) The Justice Administrative Commission shall approve uniform contract forms for use in procuring the services of private court-appointed counsel and uniform procedures and forms for use by a court-appointed attorney in support of billing for attorney's fees, costs, and related expenses to demonstrate the attorney's completion of specified duties. Such uniform contracts and forms for use in billing must be consistent with s. 27.5304, s. 216.311, and the General Appropriations Act and must contain the following statement: "The State of Florida's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Legislature."

(6) After court appointment, the attorney must immediately file a notice of appearance with the court indicating acceptance of the appointment to represent the defendant and of the terms of the uniform contract as specified in subsection (5).

(7)(a) A private attorney appointed by the court from the registry to represent a client is entitled to payment as provided in s. 27.5304 so long as the requirements of subsection (1) and paragraph (2)(a) are met. An attorney appointed by the court who is not on the registry list may be compensated under s. 27.5304 only if the court finds in the order of appointment that there were no registry attorneys available for representation for that case and only if the requirements of subsection (1) and paragraph (2)(a) are met.

(b)1. The flat fee established in s. 27.5304 and the General Appropriations Act shall be presumed by the court to be sufficient compensation. The attorney shall maintain appropriate documentation, including contemporaneous and detailed hourly accounting of time spent representing the client. If the attorney fails to maintain such contemporaneous and detailed hourly records, the attorney waives the right to seek compensation in excess of the flat fee established in s. 27.5304 and the General Appropriations Act. These records and documents are subject to review by the Justice Administrative Commission and audit by the Auditor General, subject to the attorney-client privilege and work-product privilege. The attorney shall maintain the records and documents in a manner that enables the attorney to redact

any information subject to a privilege in order to facilitate the commission's review of the records and documents and not to impede such review. The attorney may redact information from the records and documents only to the extent necessary to comply with the privilege. The Justice Administrative Commission shall review such records and shall contemporaneously document such review before authorizing payment to an attorney. Objections by or on behalf of the Justice Administrative Commission to records or documents or to claims for payment by the attorney shall be presumed correct by the court unless the court determines, in writing, that competent and substantial evidence exists to justify overcoming the presumption.

2. If an attorney fails, refuses, or declines to permit the commission or the Auditor General to review documentation for a case as provided in this paragraph, the attorney waives the right to seek, and the commission may not pay, compensation in excess of the flat fee established in s. 27.5304 and the General Appropriations Act for that case.

3. A finding by the commission that an attorney has waived the right to seek compensation in excess of the flat fee established in s. 27.5304 and the General Appropriations Act, as provided in this paragraph, shall be presumed to be correct, unless the court determines, in writing, that competent and substantial evidence exists to justify overcoming the presumption.

(11)(a) *The Cross-Jurisdictional Death Penalty Pilot Program is established within the Office of Criminal Conflict and Civil Regional Counsel of the Second Appellate District.*

(b) *If the public defender for the Fifth Judicial Circuit or the Ninth Judicial Circuit is unable to provide representation to an indigent defendant charged with a crime under s. 782.04(1) or s. 790.161(4) to which the provisions of s. 921.141 apply due to a conflict of interest and the Criminal Conflict and Civil Regional Counsel of the Fifth Appellate District is also unable to provide representation for an indigent defendant due to a conflict of interest, the Criminal Conflict and Civil Regional Counsel of the Second Appellate District shall be appointed. If the Criminal Conflict and Civil Regional Counsel of the Second Appellate District is unable to provide representation to an indigent defendant due to a conflict of interest, private counsel shall be appointed as provided pursuant to this chapter.*

(c) *The Office of Criminal Conflict and Civil Regional Counsel of the Second Appellate District shall provide a report on the implementation of the Cross-Jurisdictional Death Penalty Pilot Program to the Governor and the chairs of the appropriations committees of the Senate and House of Representatives no later than 30 days after the end of each calendar quarter. The reports must include the number of cases retained, the number of cases conflicted, the estimated cost savings of the program, and any recommendations to improve the program. The Justice Administrative Commission shall provide data to assist with the program.*

(d) *This subsection expires June 30, 2021. Notwithstanding the expiration of this subsection, appointments made pursuant to this section before June 30, 2021, shall continue until completion of the case.*

Section 48. In order to implement Specific Appropriations 731 through 752, 916 through 1062, and 1083 through 1119 of the 2020-2021 General Appropriations Act, and notwithstanding the expiration date in section 59 of chapter 2019-116, Laws of Florida, subsections (1), (3), (7), and (11), and paragraphs (a) through (e) of subsection (12) of section 27.5304, Florida Statutes, are reenacted, and subsection (13) of that section is amended, to read:

27.5304 Private court-appointed counsel; compensation; notice.—

(1) Private court-appointed counsel appointed in the manner prescribed in s. 27.40(1) and (2)(a) shall be compensated by the Justice Administrative Commission only as provided in this section and the General Appropriations Act. The flat fees prescribed in this section are limitations on compensation. The specific flat fee amounts for compensation shall be established annually in the General Appropriations Act. The attorney also shall be reimbursed for reasonable and necessary expenses in accordance with s. 29.007. If the attorney is representing a defendant charged with more than one offense in the same case, the attorney shall be compensated at the rate provided for the most serious offense for which he or she represented the defendant. This section does not allow stacking of the fee limits established by this section.

(3) The court retains primary authority and responsibility for determining the reasonableness of all billings for attorney fees, costs, and related expenses, subject to statutory limitations and the requirements of s. 27.40(7). Private court-appointed counsel is entitled to compensation upon final disposition of a case.

(7) Counsel eligible to receive compensation from the state for representation pursuant to court appointment made in accordance with the requirements of s. 27.40(1) and (2)(a) in a proceeding under chapter 384, chapter 390, chapter 392, chapter 393, chapter 394, chapter 397, chapter 415, chapter 743, chapter 744, or chapter 984 shall receive compensation not to exceed the limits prescribed in the General Appropriations Act. Any such compensation must be determined as provided in s. 27.40(7).

(11) It is the intent of the Legislature that the flat fees prescribed under this section and the General Appropriations Act comprise the full and complete compensation for private court-appointed counsel. It is further the intent of the Legislature that the fees in this section are prescribed for the purpose of providing counsel with notice of the limit on the amount of compensation for representation in particular proceedings and the sole procedure and requirements for obtaining payment for the same.

(a) If court-appointed counsel moves to withdraw prior to the full performance of his or her duties through the completion of the case, the court shall presume that the attorney is not entitled to the payment of the full flat fee established under this section and the General Appropriations Act.

(b) If court-appointed counsel is allowed to withdraw from representation prior to the full performance of his or her duties through the completion of the case and the court appoints a subsequent attorney, the total compensation for the initial and any and all subsequent attorneys may not exceed the flat fee established under this section and the General Appropriations Act, except as provided in subsection (12).

This subsection constitutes notice to any subsequently appointed attorney that he or she will not be compensated the full flat fee.

(12) The Legislature recognizes that on rare occasions an attorney may receive a case that requires extraordinary and unusual effort.

(a) If counsel seeks compensation that exceeds the limits prescribed by law, he or she must file a motion with the chief judge for an order approving payment of attorney fees in excess of these limits.

1. Before filing the motion, the counsel shall deliver a copy of the intended billing, together with supporting affidavits and all other necessary documentation, to the Justice Administrative Commission.

2. The Justice Administrative Commission shall review the billings, affidavit, and documentation for completeness and compliance with contractual and statutory requirements and shall contemporaneously document such review before authorizing payment to an attorney. If the Justice Administrative Commission objects to any portion of the proposed billing, the objection and supporting reasons must be communicated in writing to the private court-appointed counsel. The counsel may thereafter file his or her motion, which must specify whether the commission objects to any portion of the billing or the sufficiency of documentation, and shall attach the commission's letter stating its objection.

(b) Following receipt of the motion to exceed the fee limits, the chief judge or a single designee shall hold an evidentiary hearing. The chief judge may select only one judge per circuit to hear and determine motions pursuant to this subsection, except multicounty circuits and the eleventh circuit may have up to two designees.

1. At the hearing, the attorney seeking compensation must prove by competent and substantial evidence that the case required extraordinary and unusual efforts. The chief judge or single designee shall consider criteria such as the number of witnesses, the complexity of the factual and legal issues, and the length of trial. The fact that a trial was conducted in a case does not, by itself, constitute competent substantial evidence of an extraordinary and unusual effort. In a criminal case, relief under this section may not be granted if the number of work hours

does not exceed 75 or the number of the state's witnesses deposed does not exceed 20.

2. Objections by or on behalf of the Justice Administrative Commission to records or documents or to claims for payment by the attorney shall be presumed correct by the court unless the court determines, in writing, that competent and substantial evidence exists to justify overcoming the presumption. The chief judge or single designee shall enter a written order detailing his or her findings and identifying the extraordinary nature of the time and efforts of the attorney in the case which warrant exceeding the flat fee established by this section and the General Appropriations Act.

(c) A copy of the motion and attachments shall be served on the Justice Administrative Commission at least 20 business days before the date of a hearing. The Justice Administrative Commission has standing to appear before the court, and may appear in person or telephonically, including at the hearing under paragraph (b), to contest any motion for an order approving payment of attorney fees, costs, or related expenses and may participate in a hearing on the motion by use of telephonic or other communication equipment. The Justice Administrative Commission may contract with other public or private entities or individuals to appear before the court for the purpose of contesting any motion for an order approving payment of attorney fees, costs, or related expenses. The fact that the Justice Administrative Commission has not objected to any portion of the billing or to the sufficiency of the documentation is not binding on the court.

(d) If the chief judge or a single designee finds that counsel has proved by competent and substantial evidence that the case required extraordinary and unusual efforts, the chief judge or single designee shall order the compensation to be paid to the attorney at a percentage above the flat fee rate, depending on the extent of the unusual and extraordinary effort required. The percentage must be only the rate necessary to ensure that the fees paid are not confiscatory under common law. The percentage may not exceed 200 percent of the established flat fee, absent a specific finding that 200 percent of the flat fee in the case would be confiscatory. If the chief judge or single designee determines that 200 percent of the flat fee would be confiscatory, he or she shall order the amount of compensation using an hourly rate not to exceed \$75 per hour for a noncapital case and \$100 per hour for a capital case. However, the compensation calculated by using the hourly rate shall be only that amount necessary to ensure that the total fees paid are not confiscatory, subject to the requirements of s. 27.40(7).

(e) Any order granting relief under this subsection must be attached to the final request for a payment submitted to the Justice Administrative Commission and must satisfy the requirements of subparagraph (b)2.

(13) Notwithstanding the limitation set forth in subsection (5) and for the 2020-2021 ~~2019-2020~~ fiscal year only, the compensation for representation in a criminal proceeding may not exceed the following:

(a) For misdemeanors and juveniles represented at the trial level: \$1,000.

(b) For noncapital, nonlife felonies represented at the trial level: \$15,000.

(c) For life felonies represented at the trial level: \$15,000.

(d) For capital cases represented at the trial level: \$25,000. For purposes of this paragraph, a "capital case" is any offense for which the potential sentence is death and the state has not waived seeking the death penalty.

(e) For representation on appeal: \$9,000.

(f) This subsection expires July 1, 2021 ~~2020~~.

The department shall incorporate this initiative into its 2020 master leasing report required under s. 255.249(7), Florida Statutes, and may use tenant broker services to explore the possibilities of colocating office or storage space, to review the space needs of each agency, and to review the length and terms of potential renewals or renegotiations.
