The local board, its committees, subcommittees, and subdivisions, and other units of the workforce system, including units that may consist in whole or in part of local governmental units, may use any method of telecommunications to conduct meetings, including establishing a quorum through telecommunications, provided that the public is given proper notice of the telecommunications meeting and reasonable access to observe and, when appropriate, participate. Local workforce development boards are subject to chapters 119 and 286 and s. 24, Art. I of the State Constitution. If the local workforce development board enters into a contract with an organization or individual represented on the local board of directors, the contract must be approved by a two-thirds vote of the local board, the local board, its committees, subcommittees, and subdivisions, and other units of the workforce system, including units that may consist in whole or in part of local governmental units, may use any method of telecommunications to conduct meetings, including establishing a quorum through telecommunications, provided that the public is given proper notice of the telecommunications meeting and reasonable access to observe and, when appropriate, participate. Local workforce development boards are subject to chapters 119 and 286 and s. 24, Art. I of the State Constitution. Each member of a local workforce development board who is not otherwise required to file a full and public disclosure of financial interests under pursuant to s. 8, Art. II of the State Constitution or s. 112.3144 shall file a statement of financial interests under pursuant to s. 112.3145. The executive director or designated person responsible for the operational and administrative functions of the local workforce development board who is not otherwise required to file a full and public disclosure of financial interests under pursuant to s. 8, Art. II of the State Constitution or s. 112.3144 shall file a statement of financial interests under pursuant to s. 112.3145.

(b) The Governor may remove a member of the local board, the executive director of the local board, or the designated person responsible for the operational and administrative functions of the local board for cause. As used in this paragraph, the term "cause" includes, but is not limited to, engaging in fraud or other criminal acts, incapacity, unfitness, neglect of duty, official incompetence and irresponsibility, misfeasance, malfeasance, nonfeasance, or lack of performance.

(c) The chief elected official for the local workforce development board may remove a member of the local board, the executive director of the local board, or the designated person responsible for the operational and administrative functions of the local board for cause.

(3) The department of Economic Opportunity, under the direction of CareerSource Florida, Inc., shall assign staff to meet with each local workforce development board annually to review the local board’s performance and to certify that the local board is in compliance with applicable state and federal law.

(4) In addition to the duties and functions specified by the state board CareerSource Florida, Inc., and by the interlocal agreement approved by the local county or city governing bodies, the local workforce development board shall have the following responsibilities:

(a) Develop, submit, ratify, or amend the local plan pursuant to Pub. L. No. 113-128, Title I, s. 108 and this act.

(b) Conclude agreements necessary to designate the fiscal agent and administrative entity. A public or private entity, including an entity established under pursuant to s. 163.01, which makes a majority of the appointments to a local workforce development board may serve as the local board’s administrative entity if approved by the department CareerSource Florida, Inc., based upon a showing that a fair and competitive process was used to select the administrative entity.

(c) Complete assurances required for the charter process of CareerSource Florida, Inc., and provide ongoing oversight related to administrative costs, duplicated services, career counseling, economic development, equal access, compliance and accountability, and performance outcomes.

(d) Oversee the one-stop delivery system in its local area.

(5) The department and CareerSource Florida, Inc., in consultation with the state board, shall implement a training program for the local workforce development boards to familiarize local board members with the state’s workforce development goals and strategies.

(6) The local workforce development board shall designate all local service providers and may not transfer this authority to a third party. Consistent with the intent of the Workforce Innovation and Opportunity Act, local workforce development boards should provide the greatest possible choice of training providers to those who qualify for training services. A local workforce development board may not restrict the choice of training providers based upon cost, location, or historical training arrangements. However, a local board may restrict the amount of training resources available to any one client. Such restrictions may vary based upon the cost of training in the client’s chosen occupational area. The local workforce development board may be designated as a one-stop operator and direct provider of intake, assessment, eligibility determinations, or other direct provider services except training services. Such designation may occur only with the agreement of the chief elected official and the Governor as specified in 29 U.S.C. s. 2832(b)(2). The state board CareerSource Florida, Inc., shall establish procedures by which a local workforce development board may request permission to operate under this section and the criteria under which such permission may be granted. The criteria shall include, but need not be limited to, a reduction in the cost of providing the permitted services. Such permission shall be granted for a period not to exceed 3 years for any single request submitted by the local workforce development board.

(7) Local workforce development boards shall adopt a committee structure consistent with applicable federal law and state policies established by the state board CareerSource Florida, Inc.

(9) For purposes of procurement, local workforce development boards and their administrative entities are not state agencies and are exempt from chapters 120 and 287. The local workforce development
boards shall apply the procurement and expenditure procedures re-
quired by federal law and policies of the department of Economic Op-
portunity and the state board CareerSource Florida, Inc., for the ex-
penditure of federal, state, and non-pass-through funds. The making or
approval of smaller, multiple payments for a single purchase with the
intention to avoid or evade the monetary thresholds and procedures es-
established by federal law and policies of the department of Economic Op-
portunity and the state board CareerSource Florida, Inc., is grounds for
removal for cause. Local workforce development boards, their ad-
mnistrative entities, committees, and subcommittees, and other
workforce units may authorize expenditures to award suitable framed
certificates, pins, or other tokens of recognition for performance by units
of the workforce system. Local workforce development boards; their
administrative entities, committees, and subcommittees; and other
workforce units may authorize expenditures for promotional items,
such as t-shirts, hats, or pens printed with messages promoting Flor-
ida’s workforce system to employers, job seekers, and program partici-
pants. However, such expenditures are subject to federal regulations
applicable to the expenditure of federal funds. All contracts executed by
local workforce development boards must include specific performance
expectations and deliverables.

(10) State and federal funds provided to the local workforce devel-
opment boards may not be used directly or indirectly to pay for meals,
food, or beverages for board members, staff, or employees of local
workforce development boards, the state board CareerSource Florida,
Inc., or the department of Economic Opportunity except as expressly
authorized by state law. Preapproved, reasonable, and necessary per
diem allowances and travel expenses may be reimbursed. Such reim-
bursement must be supported by appropriate documentation. Local
workforce development boards, their administrative entities, commit-
tees, and subcommittees; and other units of the workforce system
may authorize expenditures for promotional items, such as t-shirts,
hats, or pens printed with messages promoting Florida’s workforce
system to employers, job seekers, and program participants. How-
ever, such expenditures are subject to federal regulations appli-
cable to the expenditure of federal funds. All contracts executed by
local workforce development boards must include specific performance
expectations and deliverables.

(11) To increase transparency and accountability, a local workforce
development board must comply with the requirements of this section
before contracting with a member of the local board or a relative, as
defined in s. 112.3143(1)(c), of a local board member or of an employee of
the local board. Such contracts may not be executed before or without
the prior approval of the department CareerSource Florida, Inc. Such
contracts, as well as documentation demonstrating adherence to this
section as specified by the department CareerSource Florida, Inc., must
be submitted to the department of Economic Opportunity for review and
approval recommendation according to criteria to be determined by
CareerSource Florida, Inc. Such a contract must be approved by a two-
thirds vote of the local board, a quorum having been established; all
conflicts of interest must be disclosed before the vote; and any member
who may benefit from the contract, or whose relative may benefit from
the contract, must abstain from the vote. A contract under $25,000
between the local board and a member of the local board or between a rela-
tive, as defined in s. 112.3143(1)(c), of a local board member or of an employee of the local board is not required to have the prior approval of the department CareerSource Florida, Inc., but must be approved by a two-thirds vote of the local board, a quorum
having been established, and must be reported to the department of
Economic Opportunity and the state board CareerSource Florida, Inc.,
within 30 days after approval. If a contract cannot be approved by the
department CareerSource Florida, Inc., a review of the decision to dis-
approve the contract may be requested by the local workforce develop-
ment board or other parties to the disapproved contract.

(12) Each local workforce development board shall develop a budget
for the purpose of carrying out the duties of the local board under this
section, subject to the approval of the chief elected official. Each local
workforce development board shall submit its annual budget for review
to the department CareerSource Florida, Inc., no later than 2 weeks
after the chair approves the budget.

(12) By March 1, 2018, CareerSource Florida, Inc., shall establish
regional planning areas in accordance with Pub. L. No. 113-128, Title I,
s. 106(a)(2). Local workforce development boards and chief elected of-
ficials within identified regional planning areas shall prepare a regional
workforce development plan as required under Pub. L. No. 113-128, Title I,s. 106(a)(2).

risk and disadvantaged children who enter the program, the types of
work activities they participate in, and the number of children who
return to school, go on to postsecondary school, or enter the workforce
full time at the end of the program. The state board CareerSource
Florida, Inc., shall report to the Legislature by November 1 of each year
on the performance of the program.

Section 16. Subsections (1) and (2) of section 445.008, Florida Statutes, are amended to read:
445.008 Workforce Training Institute.—

(1) The state board, through CareerSource Florida, Inc., may create the Workforce Training Institute, which shall be a comprehensive pro-
gram of workforce training courses designed to meet the unique needs
of, and shall include Internet-based training modules suitable for and
made available to, professionals integral to the workforce system, in-
cluding advisors and counselors in educational institutions.

(2) The state board, through CareerSource Florida, Inc., may enter
into a contract for the provision of administrative support services for
the institute and shall adopt policies for the administration and op-
eration of the institute and establish admission fees in an amount
which, in the aggregate, does not exceed the cost of the program. Car-
rierSource Florida, Inc., may accept donations or grants of any type for
any function or purpose of the institute. All donations and grants re-
ceived by CareerSource Florida, Inc., shall be reported to the state board
and the department.

Section 17. Subsections (2), (3), and (4), paragraph (b) of subsection
(6), subsection (7), paragraphs (a), (c), and (d) of subsection (8), and
subsection (9) of section 445.009, Florida Statutes, are amended to read:
445.009 One-stop delivery system.—

(2)(a) Subject to a process designed by the state board CareerSource
Florida, Inc., and in compliance with Pub. L. No. 113-128, local work-
force development boards shall designate one-stop delivery system op-
erators.

(b) A local workforce development board may designate as its one-
stop delivery system operator any public or private entity that is eligible
to provide services under any state or federal workforce program that is
a mandatory or discretionary partner in the local workforce develop-
ment area’s one-stop delivery system if approved by the department
CareerSource Florida, Inc., upon a showing by the local workforce de-
velopment board that a fair and competitive process was used in the
selection. As a condition of authorizing a local workforce development
board to designate such an entity as its one-stop delivery system op-
erator, the department CareerSource Florida, Inc., must require the
local workforce development board to demonstrate that safeguards are
in place to ensure that the one-stop delivery system operator will not exercise an unfair competitive advantage or unfairly refer or direct customers of the one-stop delivery system to services provided by that one-stop delivery system operator. A local workforce development board may retain its current one-stop career center operator without further procurement action if the local board has an established one-stop career center that has complied with federal and state law.

(c) The local workforce development board must enter into a memorandum of understanding with each mandatory or optional partner participating in the one-stop delivery system, which details the partner’s required contribution to infrastructure costs, as required by Pub. L. No. 113-128, s. 121(h). If the local workforce development board and the one-stop partner are unable to come to an agreement regarding infrastructure costs by July 1, 2017, the costs shall be allocated pursuant to a policy established by the Governor.

(3) Local workforce development boards shall enter into a memorandum of understanding with the Department of Economic Opportunity for the delivery of employment services authorized by the federal Wagner-Peyser Act. This memorandum of understanding must be performance-based.

(a) Unless otherwise required by federal law, at least 90 percent of the Wagner-Peyser funding must go into direct customer service costs.

(b) Employment services must be provided through the one-stop delivery system, under the guidance of one-stop delivery system operators. One-stop delivery system operators shall have overall authority for directing the staff of the workforce system. Personnel matters shall remain under the ultimate authority of the department. However, the one-stop delivery system operator shall submit to the department information concerning the job performance of employees of the department who deliver employment services. The department shall consider any such information submitted by the one-stop delivery system operator in conducting performance appraisals of the employees.

(c) The department shall retain fiscal responsibility and accountability for the administration of funds allocated to the state under the Wagner-Peyser Act. An employee of the department who is providing services authorized under the Wagner-Peyser Act shall be paid using Wagner-Peyser Act funds.

(4) One-stop delivery system partners shall enter into a memorandum of understanding pursuant to Pub. L. No. 113-128, Title I, s. 121, with the local workforce development board. Failure of a local partner to participate cannot unilaterally block the majority of partners from moving forward with their one-stop delivery system, and the state board, in conjunction with the department, may notify the Governor of this failure. A notice pursuant to s. 445.004(5)(e), may make notification of a local partner that fails to participate.

(b) To expand electronic capabilities, the state board and the department CareerSource Florida, Inc., working with local workforce development boards, shall develop a centralized help center to assist local workforce development boards in fulfilling core services, minimizing the need for fixed-site one-stop delivery system centers.

(7) Intensive services and training provided pursuant to Pub. L. No. 113-128 shall be provided to individuals through Intensive Service Accounts and Individual Training Accounts. The state board CareerSource Florida, Inc., shall develop an implementation plan, including identification of initially eligible training providers, transition guidelines, and criteria for use of these accounts. Individual Training Accounts must be compatible with Individual Development Accounts for education allowed in federal and state welfare reform statutes.

(8)(a) Individual Training Accounts must be expended on programs that prepare people to enter high-wage occupations identified by the Workforce Estimating Conference created by s. 216.136, and on other programs recommended and approved by the state board following a review by the department to determine the program’s compliance with federal law as approved by CareerSource Florida, Inc.

(c) The department CareerSource Florida, Inc., shall periodically review Individual Training Account pricing schedules developed by local workforce development boards and present findings and recommendations for process improvement to the President of the Senate and the Speaker of the House of Representatives.

(d) To the maximum extent possible, training providers shall use funding sources other than the funding provided under Pub. L. No. 113-128. The state board CareerSource Florida, Inc., shall develop a system to encourage the leveraging of appropriated resources for the workforce system and shall report on such efforts as part of the required annual report.

(9)(a) The state board CareerSource Florida, Inc., working with the department, shall coordinate among the agencies a plan for a One-Stop Electronic Network made up of one-stop delivery system centers and other partner agencies that are operated by authorized public or private for-profit or not-for-profit agents. The plan shall identify resources within existing revenues to establish and support this electronic network for service delivery that includes Government Services Direct. If necessary, the plan shall identify additional funding needed to achieve the provisions of this subsection.

(b) The network shall assure that a uniform method is used to determine eligibility for and management of services provided by agencies that conduct workforce development activities. The Department of Management Services shall develop strategies to allow access to the databases and information management systems of the following systems in order to link information in those databases with the one-stop delivery system:

1. The Reemployment Assistance Program under chapter 443.

2. The public employment service described in s. 443.181.

3. The public assistance information system used by the Department of Children and Families and the components related to temporary cash assistance, food assistance, and Medicaid eligibility.

5. Enrollment in the public postsecondary education system.

6. Other information systems determined appropriate by the state board, in consultation with the department CareerSource Florida, Inc.

445.011 Workforce information systems.—

(1) The department, in consultation with the state board CareerSource Florida, Inc., shall implement, subject to legislative appropriation, automated information systems that are necessary for the efficient and effective operation and management of the workforce development system. These information systems shall include, but need not be limited to, the following:

(a) An integrated management system for the one-stop service delivery system, which includes, at a minimum, common registration and intake, screening for needs and benefits, case planning and tracking, training benefits management, service and training provider management, performance reporting, executive information and reporting, and customer-satisfaction tracking and reporting.

1. The system should report current budgeting, expenditure, and performance information for assessing performance related to outcomes, service delivery, and financial administration for workforce programs pursuant to s. 445.004(5) and (9).

2. The information system should include auditable systems and controls to ensure financial integrity and valid and reliable performance information.

3. The system should support service integration and case management by providing for case tracking for participants in welfare transition programs.

(b) An automated job-matching information system that is accessible to employers, job seekers, and other users via the Internet, and that includes, at a minimum:
1. Skill match information, including skill gap analysis; resume creation; job order creation; skill tests; job search by area, employer type, and employer name; and training provider linkage;

2. Job market information based on surveys, including local, state, regional, national, and international occupational and job availability information; and

3. Service provider information, including education and training providers, child care facilities and related information, health and social service agencies, and other providers of services that would be useful to job seekers.

(2) The department, in procuring workforce information systems, CareerSource Florida, Inc., shall employ competitive processes, including requests for proposals, competitive negotiation, and other competitive processes to ensure that the procurement results in the most cost-effective investment of state funds.

(3) The department CareerSource Florida, Inc., may procure independent verification and validation services associated with developing and implementing any workforce information system.

(4) The department CareerSource Florida, Inc., shall coordinate development and implementation of workforce information systems with the state chief information officer to ensure compatibility with the state's information system strategy and enterprise architecture.

Section 19. Subsections (1) and (3) of section 445.014, Florida Statutes, are amended to read:

(1) Subject to legislative appropriation, the state board CareerSource Florida, Inc., shall establish a program to encourage local workforce development boards to establish one-stop delivery systems that maximize the provision of workforce and human-resource support services to small businesses. Under the program, a local workforce development board may apply, on a competitive basis, for funds to support the provision of such services to small businesses through the local workforce development area's one-stop delivery system.

(3) The state board CareerSource Florida, Inc., shall establish guidelines governing the administration of this program and shall establish criteria to be used in evaluating applications for funding. Such criteria must include, but need not be limited to, a showing that the local workforce development board has in place a detailed plan for establishing a one-stop delivery system designed to meet the workforce needs of small businesses and for leveraging other funding sources in support of such activities.

Section 20. Paragraphs (b), (c), and (d) of subsection (2) and subsection (4) of section 445.021, Florida Statutes, are amended to read:

(2) The relocation assistance program shall involve five steps by the local workforce development board, in cooperation with the Department of Children and Families:

1. Is unlikely to achieve economic self-sufficiency at the current community of residence;

2. Has secured a job that provides an increased salary or improved benefits and that requires relocation to another community;

3. Has a family support network that will contribute to job retention in another community;

4. Is determined, pursuant to criteria or procedures established by the state board of directors of CareerSource Florida, Inc., to be a victim of domestic violence who would experience reduced probability of further incidents through relocation; or

5. Must relocate in order to receive education or training that is directly related to the applicant’s employment or career advancement.

(c) Establishment of a relocation plan that includes such requirements as are necessary to prevent abuse of the benefit and provisions to protect the safety of victims of domestic violence and avoid provisions that place them in anticipated danger. The payment to defray relocation expenses shall be determined based on criteria approved by the state board of directors of CareerSource Florida, Inc. Participants in the relocation program shall be eligible for diversion or transitional benefits.

(d) A determination, pursuant to criteria adopted by the state board of directors of CareerSource Florida, Inc., that a community receiving a relocated family has the capacity to provide needed services and employment opportunities.

(4) The state board of directors of CareerSource Florida, Inc., may establish criteria for developing and implementing relocation plans and for drafting agreements to restrict a family from applying for temporary or permanent assistance for a specified period after receiving a relocation assistance payment.

Section 21. Section 445.022, Florida Statutes, is amended to read:

445.022 Retention Incentive Training Accounts.—To promote job retention and to enable upward job advancement into higher skilled, higher paying employment, the state board of directors of CareerSource Florida, Inc., and the local workforce development boards may assemble a list of programs and courses offered by postsecondary educational institutions which may be available to participants who have become employed to promote job retention and advancement.

(1) The state board of directors of CareerSource Florida, Inc., may establish Retention Incentive Training Accounts (RITAs) to use Temporary Assistance to Needy Families (TANF) block grant funds specifically appropriated for this purpose. (4) Local workforce development boards shall report annually to the Legislature on the measurable retention and advancement success of each program provider and the effectiveness of RITAs, making recommendations for any needed changes or modifications.

445.024 Work requirements.—

(5) USE OF CONTRACTS.—Local workforce development boards shall provide work activities, training, and other services, as appropriate, through contracts. In contracting for work activities, training, or services, the following applies:

(e) The administrative costs associated with a contract for services provided under this section may not exceed the applicable administrative cost ceiling established in federal law. An agency or entity that is awarded a contract under this section may not charge more than 7 percent of the value of the contract for administration unless an exception is approved by the local workforce development board. A list of any exceptions approved must be submitted to the state board of directors of CareerSource Florida, Inc., for review, and the state board may rescind approval of the exception.

sum payment in lieu of ongoing cash assistance payments, provided the individual:

(6) Signs an agreement not to apply for or accept cash assistance for 6 months after receipt of the one-time payment. In the event of an emergency, such agreement shall provide for an exception to this restriction, provided that the one-time payment shall be deducted from any cash assistance for which the family subsequently is approved. This deduction may be prorated over an 8-month period. The state board of directors of CareerSource Florida, Inc., shall adopt criteria defining the conditions under which a family may receive cash assistance due to such emergency.

Such individual may choose to accept a one-time, lump-sum payment of $1,000 in lieu of receiving ongoing cash assistance. (2) The state board of directors of CareerSource Florida, Inc., and the department shall participate in the evaluation of this program in conjunction with evaluation of the state’s workforce development programs or similar activities aimed at evaluating program outcomes, cost-effectiveness, or return on investment, and the impact of time limits, sanctions, and other welfare reform measures set out in this chapter. Evaluation shall also contain information on the number of participants in work experience assignments who obtain unsubsidized employment, including, but not limited to, the length of time the unsubsidized job is retained, wages, and the public benefits, if any, received by such families while in unsubsidized employment. The evaluation must solicit the input of consumers, community-based organizations, service providers, employers, and the general public, and must publicize, especially in low-income communities, the process for submitting comments.

(3) The state board of directors of CareerSource Florida, Inc., and the department may share information with and develop protocols for information exchange with the Florida Education and Training Placement Information Program.

(4) The state board of directors of CareerSource Florida, Inc., and the department may initiate or participate in additional evaluation or assessment activities that will further the systematic study of issues related to program goals and outcomes.

(5) In providing for evaluation activities, the state board of directors of CareerSource Florida, Inc., and the department shall safeguard the use or disclosure of information obtained from program participants consistent with federal or state requirements. Evaluation methodologies may be used which are appropriate for evaluation of program activities, including random assignment of recipients or participants into program groups or control groups. To the extent necessary or appropriate, evaluation data shall provide information with respect to the state, district, or county, or other substate area.

337.25 Acquisition, lease, and disposal of real and personal property.—

(4) The department may convey, in the name of the state, any land, building, or other property, real or personal, which was acquired under subsection (1) and which the department has determined is not needed for the construction, operation, and maintenance of a transportation facility. When such a determination has been made, property may be disposed of through negotiations, sealed competitive bids, auctions, or any other means the department deems to be in its best interest, with due advertisement for property valued by the department at greater than $10,000. A sale may not occur at a price less than the department’s current estimate of value, except as provided in paragraphs (a)-(d). The department may afford a right of first refusal to the local government or other political subdivision in the jurisdiction in which the parcel is sit-
tion to the contrary, before any conveyance under this subsection may be made, except a conveyance under paragraph (a) or paragraph (c), the department shall first afford a right of first refusal to the previous property owner for the department's current estimate of value of the property. The right of first refusal must be made in writing and sent to the previous owner via certified mail or hand delivery, effective upon receipt. The right of first refusal must provide the previous owner with a minimum of 30 days to exercise the right in writing and must be sent to the originator of the offer by certified mail or hand delivery, effective upon dispatch. If the previous owner exercises his or her right of first refusal, the previous owner has a minimum of 90 days to close on the property.

(a) If the property has been donated to the state for transportation purposes and a transportation facility has not been constructed for at least 5 years, plans have not been prepared for the construction of such facility, and the property is not located in a transportation corridor, the governmental entity may authorize reconveyance of the donated property for no consideration to the original donor or the donor's heirs, successors, assigns, or representatives.

(b) If the property is to be used for a public purpose, the property may be conveyed without consideration to a governmental entity.

(c) If the property was originally acquired specifically to provide replacement housing for persons displaced by transportation projects, the department may negotiate for the sale of such property as replacement housing. As compensation, the state shall receive at least its investment in such property or the department's current estimate of value, whichever is lower. It is expressly intended that this benefit be extended only to persons actually displaced by the project. Dispositions to any other person must be for at least the department's current estimate of value.

(d) If the department determines that the property requires significant costs to be incurred or that continued ownership of the property exposes the department to significant liability risks, the department may use the projected maintenance costs over the next 10 years to offset the property's value in establishing a value for disposal of the property, even if that value is zero.

(e) If, at the discretion of the department, a sale to a person other than an abutting property owner would be inequitable, the property may be sold to the abutting owner for the department's current estimate of value.

3. Is manufactured through a process that does not involve the combination of the cells or tissue with another article, except water, crystalloids, or a sterilizing, preserving, or storing agent; and

4. For an adult human nonembryonic HCT/P, either:

a. Does not have a systemic effect and is not dependent upon the metabolic activity of living cells for their primary function; or

b. Has a systemic effect or is dependent upon the metabolic activity of living cells for its primary function and is for autologous use or for allogeneic use in a first-degree or second-degree blood relative.

(c) Establishments that are regulated by s. 351 of the PHS Act must obtain approval from the United States Food and Drug Administration in the form of an approved investigational new drug application or a biological license application and must obtain a prescription drug manufacturing permit pursuant to s. 499.01(2)(a).

(d) Establishments that manufacture adult human nonembryonic HCT/Ps that do not meet the criteria described in paragraph (a) are exempt from the registration and listing requirements of s. 361 of the PHS Act, but must obtain a permit from, and submit a list of all HCT/Ps manufactured to, the Department of Business and Professional Regulation if the establishment:

1. Uses the adult human nonembryonic HCT/Ps for nonmedicinal scientific purposes; or

2. Removes human adult nonembryonic HCT/Ps from a patient, through a surgical procedure performed by a physician on that patient, and implants the same HCT/Ps into the same patient during that same surgical procedure, with the HCT/Ps being only minimal manipulated through washing, rinsing, cleaning, sizing, shaping, or concentrating that does not alter the original structural or relevant biological characteristics of the cells or tissues.

(e) A nonembryonic stem cell bank that manufactures adult human nonembryonic HCT/Ps may not perform enzymatic digestion on or mechanical disruption of or similarly process any adult human nonembryonic stem cell or HCT/P to alter the HCT/P's original structural characteristics or relevant biological characteristics or to isolate differentiated cells from undifferentiated cells that have lost their original structural characteristics or relevant biological characteristics or to differentiate undifferentiated cells into a specialized cell type, unless the nonembryonic stem cell bank has first registered the HCT/P with the United States Food and Drug Administration and registered with the Department of Business and Professional Regulation as a drug, device, or biological product manufacturer and complies with all applicable regulations under the FD&C Act, s. 351 of the PHS Act, 21 C.F.R. parts I-1299, and part I of chapter 499.

(f) A nonembryonic stem cell bank that advertises, collects, stores, manufactures, dispenses, compounds, uses, or purports to use adult human nonembryonic stem cells or adult human autologous nonembryonic HCT/Ps is deemed a clinic as defined in s. 400.9905 and must comply with all of the following requirements:

1. Adhere to the applicable current good tissue practices for the collecting, removing, manufacturing, processing, using, concentrating, and implanting of adult human nonembryonic stem cells or products containing adult human nonembryonic stem cells pursuant to the FD&C Act, the PHS Act, 21 C.F.R. parts I-1299, and part I of chapter 499.

2. a. The clinic is a facility licensed under chapter 395; or

b. The clinic is affiliated with an accredited medical school that provides training to medical students, residents, or fellows.

4. Have a physician medical director who is responsible for the establishment's compliance with all requirements related to licensure, operation of a nonembryonic stem cell bank, and current good manufacturing practices under this section, part X of chapter 400, and the FD&C Act, the PHS Act, 21 C.F.R. parts I-1299, and part I of chapter 499.

5. Notify the agency, in writing, on a form approved by the agency, within 10 days after termination of a physician medical director and notify the agency within 10 days after such termination of the identity of the physician medical director who has assumed responsibility for that nonembryonic stem cell bank. Failure to have a physician medical director practicing at the location of the licensed nonembryonic stem cell bank is the basis for a summary suspension of the nonembryonic stem cell bank's license pursuant to s. 120.60(6) or s. 400.607.

6. Require a physician medical director with a full, active, and unencumbered license to actively practice at the nonembryonic stem cell bank location for which he or she has assumed responsibility.

(b) Adult human nonembryonic stem cells, compounded drugs containing adult human nonembryonic stem cells, or products containing adult human nonembryonic stem cells may not be sold or dispensed by any person or establishment other than the adult human nonembryonic stem cell bank or a pharmacist at the nonembryonic stem cell bank that dispenses or receives the adult human nonembryonic stem cells or the compounded drug or product containing adult human nonembryonic stem cells, except that:

1. A physician who requests the dispensing of adult human nonembryonic stem cells, a compounded drug, or a compounded product from the manufacturing nonembryonic stem cell bank may administer such items to his or her patient if the physician is authorized within the scope of his or her license to prescribe and administer adult human nonembryonic stem cells; or
2. A pharmacist, a pharmacy, or an establishment that receives or carries adult human nonembryonic stem cells, a compounded drug, or a compounded product that was manufactured by a nonembryonic stem cell bank may sell or dispense such items to a physician who is authorized within the scope of his or her license to prescribe and administer adult human nonembryonic stem cells to patients.

(4) HEALTH CARE PRACTITIONER RESPONSIBILITIES.—
(a) A physician, an advanced practice registered nurse licensed under chapter 464, or a physician assistant licensed under chapter 458 or chapter 459 may not practice in a nonembryonic stem cell bank that is not licensed by the agency as required by the rules adopted pursuant to s. 400.9925. (c) Adverse incident reporting.
(d) Informed consent.
(e) Recordkeeping, record retention, and availability of records for inspection.
