1	Crime Lab Fee	FDLE	2118	6	Expands the criminal violations that require the offender to pay a \$100 fine to include all criminal offenses (current law is only drug offenses), and requires courts to collect the fine (currently it is optional for the court). Funds go to reimburse county-operated facilities and for equipment and other needs of members of the statewide criminal analysis laboratory system. <i>Revise to ensure fees can still go to FDLE</i>				House
2	Privatize Broward and Miami Dade Prisons and Probation	DOC				5403	5-22	a. Requires DOC to competitively procure comprehensive correctional services through the outsourcing of the correctional institutions and felony community supervision services within Broward and Miami-Dade Counties. Such services must provide a cost savings to the state of at least seven percent less than current costs, and the provider must comply with all applicable federal and state laws, rules and standards. If approved by the Legislative Budget Commission, the department may award the contract. b. Transfers all statutory powers and duties of the Bureau of Private Prison Monitoring in the Department of Management Services to the Department of Corrections. c. The bill will make the DOC responsible for overseeing the operational contracts of the seven existing private institutions in Florida, and authorizes the department to enter into, and monitor any new private prison contracts authorized by the Legislature.	House b. and c. with revisions
3	Juvenile Detention	DJJ	2112	1-2	a. Adds a provision that allows any county that covers the financial cost of detention care for pre-adjudicated juveniles to operate their own detention center outside of the review and approval of the Department of Juvenile Justice. b. Identifies a number of provisions with which counties must be in compliance in order to operate their detention facility outside of the jurisdiction of the Department of Juvenile Justice.				Senate w/ tech revisions
