**DEPARTMENT OF CHILDREN AND FAMILIES CONFORMING BILL, FY 2013-2014**

HB 5203	Differences	SB 1518
<p>The House conforming bill does not address managing entity contractual carry forward funding.</p>	<p>Relating to Managing Entities of Substance Abuse and Mental Health providers.</p>	<p><b>Section 1.</b> (s. 394.9082, F.S.) New subsection specifying managing entities may carry forward documented, unexpended state funds from one fiscal year to the next. The cumulative amount is not to exceed 8% of the total contract. Amounts in excess to be returned to DCF, and any unexpended carry forward remaining at the end of the contract shall be returned. Carry forward may be retained through contract renewals and new procurements as long as it's the same managing entity.</p> <p>The carry forward funds may not be used in a way that creates a recurring future obligation for any program/service not currently under contract. Expenditures from carry forward funds must be reported separately.</p> <p>The payment method for a fixed-price contract with a managing entity must provide for a 2-month advance payment at the beginning of each fiscal year and equal monthly payments thereafter.</p>
<p><b>Section 1.</b> (s. 409.16713, F.S.) <u>Identical</u> - modifies the percentage allocation of existing, recurring child welfare core service funds to Community Based Care (CBC) lead agencies. Currently, 25% of annual CBC disbursement is allocated among the 20 CBCs based upon the equity allocation model; the remaining 75% is allocated upon their previous year allocation.</p> <p><u>Identical</u> - this bill changes the percentages from 25% to 10% for the equity allocation model allocation and from 75% to 90% for the previous year allocation. This slows the transition towards CBC allocation being based exclusively upon the equity allocation model.</p> <p><u>Similar</u> – Provides that unless otherwise specified in the GAA, new core service funds <b>shall</b> be based upon the equity allocation model and only to those CBCs experiencing a funding level that is currently less than that provided through the equity allocation model.</p>	<p>Similar language relating to CBC Equity Allocation Model</p>	<p><b>Section 2.</b> (s. 409.16713, F.S.) <u>Identical</u> - modifies the percentage allocation of existing, recurring child welfare core service funds to Community Based Care (CBC) lead agencies.
