14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

A multi-dimension of family literacy and community engagement programs for confidence building opportunities of safety and trust.

b. What activities and services will be provided to meet the intended purpose of these funds?

The Florida Senate Local Funding Initiative Request Fiscal Year 2023-2024

LFIR # 1520

The activities and services that will be provided to meet the intended purpose of these funds will be developing a community of mentoring, and cultural diversity to motivate reading & speaking experiences. And various monthly and quarterly exposure to materials, events, and activities to expand the cognitive, social, emotional, and critical thinking abilities.

c. What direct services will be provided to citizens by the appropriation project?

Adults, teens, and children will be participants in the various materials, activities, and experiences that are essential to the input of greater information and the output of expressive expanded learning. All events will be free of charge and include food, counseling, financial trainings, clothing, and mental support as needed.

d. Who is the target population served by this project? How many individuals are expected to be served?

Elderly persons, Persons with poor mental health, Persons with poor physical health, Jobless persons, Economically disadvantaged persons, At-risk youth, Homeless, Developmentally disabled, Physically disabled, Preschool students, Grade school students, High school students, University/College students, Currently or formerly incarcerated persons, Drug offenders (in criminal Justice), Victims of crime

The expected individuals to be served is 401-800.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Improve physical and mental health, Enrich Cultural Experiences, Improve Agricultural Production and quality of Education.

Create Job Opportunities, Enhance specific individuals economic self sufficiency and reduce substance abuse.

We will provide 10 months of family support, free of charge to at-risk children and low income families who have chosen non-traditional or home school environments in North West Duval County. During these difficult times parents or children will not have to settle or be measured by a lowered standard of educational quality or conditions. In addition, there will be various times of counseling, training, mentoring, health and wellness, financial and social enrichment opportunities and materials.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Performance and deliverables will be ongoing and under the direct supervision of the Director and Project Leaders. This process will include monitoring and adjusting as needed of specific, measurable terms and time lines. Also, opportunities to possibly expand into greater reach in Duval County.
