2. **Senate Sponsor**
3. **Date of Request**

4. Project/Program Description

City Walk is a planned new development within downtown Starke and a direct result of the realignment of the 301 By-Pass project. The FDOT project has directly affected businesses in the downtown area by rerouting traffic around the downtown corridor. As a result, the City intends to develop a City Walk project with design and construction including: underground utilities; security; lighting; amphitheater; pedestrian accessibility to historic downtown; food truck and eating area; irrigation; public restrooms; signage and parking. This project will entice regional tourism, develop jobs and create a greater tax base in the CRA District.
