The Florida Senate

Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 2068

To provide cultural experiences in an undeserved community in a safe facility, up to current code, City owned facility for citizenry, residents, visitors, businesses & surrounding areas to attend/host local & state wide programs/concerts/performances and events, etc. Safety improvements include ADA compliance & accessibility of backstage/dressing room area, main auditorium & building access, fire safety equipment to meet regulations, electrical and lighting upgrades, new curtain system, etc. Financially disadvantaged municipality located in a Rural Area of Economic Opportunity.

b. What activities and services will be provided to meet the intended purpose of these funds?

The activities and services provided with funding include seeking contractual services for architectural/engineering, administrative and construction services through the city's procurement policy to provide a safe, up to current code facility for citizenry, residents, visitors, businesses, the public and surrounding areas to use/host and attend events.

c. What direct services will be provided to citizens by the appropriation project?

The direct services provided will be the use of a safe facility that meets current building and fire safety codes, including ADA compliance and addressing permit regulations, in order to provide opportunities to enjoy or participate in events, such as theatre productions, live performances of music, drama, comedy, cultural events, educational programs, summer camps, agri businesses, plays, arts production, etc. Employment maintained within the project.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population in this rural area of opportunity is residents, visitors, elderly persons, students, economically disadvantaged persons, the general public, and the surrounding areas. Population expected to be served exceeds 25,000 people.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

A safe facility that meets current building, and fire safety codes, including ADA compliance requirements; appropriate electrical and lighting improvements to host local theatre productions, cultural events, and activities; and attractions for business community that will enrich cultural experience, and promote with education. Improve quality of education by providing youth, students, elderly, general public, residents, and visitors with a venue for educational and informational events by agri businesses and the community; allows for citizenry, children and youth to experience and participate in arts productions, cultural events, activities, etc.; creates employment opportunity; potential to draw from surrounding communities; region-wide population availability; increase in revenues/tourism. Documentation of performance data, surveys, tracking of rentals, revenues, etc.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Nonpayment of invoices until milestones are achieved; implementation of a corrective action plan.
