

THE FLORIDA SENATE
2012 SUMMARY OF LEGISLATION PASSED
Committee on Community Affairs

CS/HB 387 — Electronic Filing of Construction Plans

by Economic Affairs Committee; and Rep. Ahern and others (CS/CS/SB 600 by Regulated Industries Committee; Community Affairs Committee; and Senator Bennett)

This bill authorizes building code administrators or building officials to accept electronically transmitted construction plans and related documents for permit approval purposes.

If approved by the Governor, these provisions take effect July 1, 2012.

Vote: Senate 39-0; House 115-0
