

THE FLORIDA SENATE  
2020 SUMMARY OF LEGISLATION PASSED  
**Committee on Health Policy**

**CS/SB 1742 — Home Medical Equipment Providers**

by Appropriations Committee and Senators Mayfield and Bean

The bill amends s. 400.93, F.S., to exempt physicians licensed under chs. 458, 459, or 460, F.S., from the requirement to be licensed as a home medical equipment provider in order to sell or rent electrostimulation medical equipment and supplies to their own patients in the course of their practice. Medical doctors, osteopathic physicians, and chiropractic physicians are included in the exemption.

If approved by the Governor, these provisions take effect July 1, 2020.
