

THE FLORIDA SENATE
2011 SUMMARY OF LEGISLATION PASSED
Committee on Children, Families, and Elder Affairs

CS/HB 4045 — Assisted Living Facilities

by Health and Human Services Committee and Rep. Hudson and others (CS/HB 692 by Rules Committee and Senator Richter)

This bill makes several changes to provisions of law relating to assisted living facilities (ALFs).

The bill amends s. 429.19, F.S., to remove the requirement that the Agency for Health Care Administration (AHCA or agency) develop and disseminate an annual list of ALFs sanctioned or fined for violations of state standards. The bill also eliminates language providing that AHCA may provide the information electronically or on its website. While the bill eliminates the requirement that AHCA publish this annual list, the agency would still have the discretion to do so if it wished.

The bill amends s. 429.23, F.S., to remove the requirement that all assisted living facilities report monthly to the Agency for Health Care Administration any liability claim filed against it.

This bill also amends s. 429.35, F.S., to remove the requirement that the AHCA distribute, within 60 days after the date of the biennial inspection visit or within 30 days after the date of any interim visit, all biennial and interim visit reports of ALFs to the local ombudsman council, at least one public library or to the county seat in which the inspected ALF is located if there is no library, and to the district Adult Services and Mental Health Program Offices.

Section 429.41, F.S., is amended to remove the requirement that the Department of Elderly Affairs (DOEA) submit a copy of proposed rules to the Speaker of the House of Representatives, the President of the Senate, and appropriate committees of substance for review and comment prior to enactment. The bill also removes the requirement that rules promulgated by DOEA encourage the development of homelike facilities which promote the dignity, individuality, personal strengths, and decision-making ability of residents.

Section 429.54, F.S., relating to the collection of information and local subsidies for ALFs, provides that DOEA may conduct field visits and audits of ALFs in order to collection information regarding the actual cost of providing room, board, and personal care to residents. Additionally, the law provides that local governments or organizations may contribute to the cost of care of residents in local ALFs by subsidizing the rate of state-authorized payment to such facilities. This bill repeals s. 429.54, F.S.

If approved by the Governor, these provisions take effect July 1, 2011.
