

THE FLORIDA SENATE
2022 SUMMARY OF LEGISLATION PASSED
Committee on Transportation

CS/SB 754 — Mobile Home Registration Periods

by Transportation Committee and Senators Gainer, Hooper, and Rodrigues

The bill provides that the registration renewal period of a mobile home owned by a natural person begins the first day of the birth month of the owner and ends the last day of the month immediately preceding the owner's birth month in the succeeding year. If the mobile home is registered in the name of more than one person, the birth month of the person whose name first appears on the registration will be used to determine the registration period.

The bill requires the Department of Highway Safety and Motor Vehicles to prorate mobile home registration renewal fees to give customers the option to renew their registrations on their dates of birth in 2024 or 2025.

For a mobile home not owned by a natural person, the registration period would continue to be January 1 and end December 31.

If approved by the Governor, these provisions take effect September 1, 2023.
