

## Committee on Budget

### **HB 5007 — State Employees**

by Appropriations Committee and Rep. Grimsley (SB 2004 by Budget Committee)

This bill resolves the collective bargaining issues at impasse between the State of Florida and the bargaining representatives for state employees for the 2012-2013 fiscal year which have not been resolved in the General Appropriations Act or other legislation.

The amendment does not change substantive law.

If approved by the Governor, these provisions take effect July 1, 2012.
