The American Legion Mountaineer Boys State

"West Virginia's premier Leadership Academy"

April 6, 2025

To whom it may concern,

The purpose of this letter is to provide information related to Mr. Adam Kissel and his involvement with and support of The American Legion Mountaineer Boys State program.

The American Legion is the largest Veterans organization in the United States of America. The American Legion is founded upon the beliefs in God and Country. The Four Pillars of The American Legion are Veterans Affairs & Rehabilitation, National Security, Americanism, and Children & Youth.

The American Legion Boys State programs exist to better Children and Youth. Every American Legion State Department, except for Hawaii, conducts a Boys State program. The District of Columbia also conducts a Boys State program. The American Legion Department of West Virginia's program is known as The American Legion Mountaineer Boys State and its primary purpose is to "Teach good government through participation." WVBOYSSTATE.org is The American Legion Mountaineer Boys State official website and contains much information related to the program which is an honors and leadership program for outstanding rising high school male seniors. The American Legion Auxiliary conducts a companion program for rising high school female seniors and that program is known as Girls State.

The American Legion Mountaineer Boys State Staff consists of volunteers, comprised of veterans and non-veterans, who receive no financial compensation for their service. The American Legion Mountaineer Boys State is a 501(c)(3) not for profit organization.

In 2022, American Legion Mountaineer Boys State Director Emeritus Jim Davis attended an educational conference where he had a chance meeting with Mr. Adam Kissel who was also in attendance at the conference. During their meeting, Director Emeritus Davis developed the belief that Mr. Kissel could be an asset to The American Legion Mountaineer Boys State program based upon his background which includes an interest in good government and having previously attended The American Legion Department of Florida's Boys State program.

An invitation to serve on The American Legion Mountaineer Boys State Staff was extended to and accepted by Mr. Kissel. Mr. Adam Kissel served successfully in the position of Political and Legislative Advisor at the 2023 and 2024 sessions of The American Legion Mountaineer Boys State and has been invited to serve on the 2025 American Legion Mountaineer Boys State Staff.

Mr. Kissel is supportive of the entirety of The American Legion Mountaineer Boys State program to include being supportive of the components related to good government, good citizenship, Americanism, and the Four Pillars of the American Legion including Veterans Affairs and Rehabilitation.

Any questions regarding this letter can be addressed to me.

Sincerely,

Randall K. Kocsis, Administrator, (mountainfishking@aol.com; 304-672-9991)

Florida Senate Ethics and Elections Committee

404 South Monroe Street

Tallahassee, FL 32399-1100

March 19, 2025

Dear Committee Members,

I am a Pensacola, Florida resident of 45 years and alumnus of the University of West Florida. I am writing to express my extreme disagreement with Gov. DeSantis appointees to the UWF Board of Trustees.

UWF is a strong and active part of our community. 56% of enrolled students come from this community and many stay to work in this area. They choose UWF because of strong academics and accreditation, knowing their degree will be respected and accepted wherever they choose to work. It is a thriving public university that is not in need of "reform". UWF currently contributes approximately 1.5 billion dollars annually to the NW Florida region. I fear that these appointments will ultimately result in reduced enrollment, reduced alumni support, watered down accreditation and reduced economic input to the area. We have watched these reforms at New College and the continued descent in rankings. The changes have not improved New College but continually devalued it.

The individuals that have been appointed by Gov. DeSantis have no ties to our community nor do they reflect our community values. Dr. Yenor and Adam Kissel appear to believe that women should not prioritize education and that education takes us away from raising families. As someone who worked through graduate school, raised four children (who all completed college in Florida) and had a fulfilling career working for the State of Florida for 25 years, I strongly disagree. My family could not have survived without my added income, which was only possible because of my education. My children and their spouses all have thriving families and careers; they are able to share the economics and child rearing of their families. These gentlemen's archaic views of women in education and religion will only serve to drive away potential students and donors.

Please allow us input into these important decisions that impact our community and help us to keep UWF the thriving university that it is.

Sincerely,

A handwritten signature in cursive script that reads "Barbara J. Evans". The ink is dark and the signature is fluid, with a large initial 'B' and a distinct 'J'.

Barbara Evans

Geraldine and Rick Cripe

Florida Senate Ethics and Elections Committee,

I am writing to ask you to oppose the appointment of Scott Yenor and Adam Kissel to the University of West Florida's Board of Trustees. We have lived in Pensacola for 49 years and I, Geraldine, obtained my MS in Biology from UWF. In that time, UWF has grown a broad, high quality program to train the tomorrow's leaders. The businesses in our area and beyond are eager to hire its graduates.

Neither Scott Yenor nor Adam Kissel have regional ties to Northwest Florida and have no vested interest in seeing UWF succeed and advance. Leadership of this university should have a personal stake in UWF's future. Scott Yenor has expressed misogynistic rhetoric discouraging women from entering fields of engineering, medicine and law. Adam Kissel has championed cutting public university funding and privatization of higher education. A privately funded institution must focus on profits for its shareholders. Public institutions focus on the quality of the education provided to its students, the customers. Both of these men are seeking to discourage student opportunity and academic excellence. It appears that they have an interest in reducing the competitiveness of UWF for enrollment and diminishing the quality and breadth of UWF education opportunities. These are NOT the values of our community.

UWF is an integral part of our community, contributing over \$1.1 billion per year to the economy of the region. Our community needs strong advocates to protect UWF, since it plays such a vital role. There are a number of well qualified local community leaders available to serve on the Board and some that have previously served on the Board of Trustees for UWF. I would ask that you oppose these appointments and push for leadership that seeks the best interests of UWF and the people it serves.

Thank you for your time.

Sincerely,

Kathleen Goldsborough

Subject: Opposition to the Appointment of

Scott Yenor, Adam Kissel & Rachel Moya to UWF's Board of Trustees

Dear Senators of the Florida Senate Ethics and Election Committee,

I'm writing to respectfully but strongly urge you to oppose the appointment of Scott Yenor, Adam Kissel and Rachel Moya to the University of West Florida's Board of Trustees. These appointments raise serious concerns—not only for the future of UWF, but for the broader well-being of the students, veterans, faculty, and families who rely on the university as a cornerstone of opportunity and growth.

As a Pensacola resident and mother of two UWF alums, I have seen firsthand how UWF shapes lives, uplifts communities, and anchors our region's economic future. This issue is personal to me because my first daughter graduated from UWF and now works in the community as a local executive and my second daughter serves the local community as a public school teacher.

Neither Yenor, Kissel or Moya has any meaningful ties to Northwest Florida or demonstrated investment in UWF's future. Leadership at this level should reflect local values, local needs, and a deep understanding of our community—not ideological agendas or political rewards.

Scott Yenor's past statements about "resisting" women in professions like law, medicine, and engineering are deeply offensive and completely incompatible with UWF's mission to empower students of all backgrounds. His appointment would send a chilling message to current and prospective students—particularly young women—that their ambitions are unwelcome.

Adam Kissel's track record is equally troubling. His calls to defund public universities, dismantle programs like the GI Bill, and prioritize privatization pose a direct threat to UWF's financial health and its ability to serve veterans—who make up nearly 20% of the student body. We cannot afford to gamble with the future of an institution that contributes over \$1.1 billion each year to our region's economy.

Rachel Moya, like Yenor and Kissel, lacks the regional roots, relevant experience, and demonstrated commitment to UWF's mission that this role demands. Appointing individuals with no local stake in our university's success weakens the institution and shortchanges our community.

It's about the future of higher education in Northwest Florida. It's about choosing leaders who will elevate our institutions, not dismantle them. And it's about ensuring that political ideology **never** comes before the well-being of our students, our faculty, or our veterans.

I respectfully ask that you publicly oppose these appointments and advocate for trustees who reflect our values, understand our community, and are committed to strengthening UWF—not undermining it.

Please share your position on this matter with me at your earliest convenience.

Thank you for your service and your attention to this important issue.

Sincerely,

A handwritten signature in black ink, appearing to read "Kathy Goldsborough". The signature is fluid and cursive, with the first name "Kathy" written in a larger, more prominent script than the last name "Goldsborough".
