1250 Section 22. Except as otherwise expressly provided in this
1251 act and except for this section, which shall take effect upon
1252 this act becoming a law, this act shall take effect July 1,
1253 2020.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: CS/CS/SB 1404

INTRODUCER: Appropriations Committee (Recommended by Appropriations Subcommittee on Agriculture, Environment, and General Government); Banking and Insurance Committee; and Senators Perry and Brandes

SUBJECT: Financial Services

DATE: March 5, 2020

REVISED: _____

| ANALYST | STAFF DIRECTOR | REFERENCE | ACTION |

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 1404 amends sections of Florida Statutes governing the following Department of Financial Services (DFS) Divisions: Investigative and Forensic Services; Public Assistance Fraud; Funeral, Cemetery, and Consumer Services; and State Fire Marshal. The bill:

- Prohibits employees who fall under the State Risk Management Trust Fund from engaging in retaliatory conduct against a sexual harassment victim;
- Provides that willful and knowing dissemination of certain identifying information of a sexual harassment victim is a misdemeanor of the first degree;
- Adds firefighter cancer into the self-insurance coverages provided by Risk Management; requires the Department of Management Services to verify and approve payments prior to distribution from the State Risk Management Trust Fund;
- Designates the Division of Public Assistance Fraud a criminal justice agency;
- Amends the composition requirements of the Board of Funeral, Cemetery, and Consumer Services; clarifies member requirements; amends the definition of “quorum” to enable ease of business; removes term staggering requirements; and clarifies rulemaking responsibilities;
- Clarifies and provides grounds for disqualification of death care licensure applicants based on criminal history;
- Amends provisions for criminal background checks for Funeral, Cemetery and Consumer Services applicants;

- Prohibits specific unlicensed funeral activity and increases the penalty to a third-degree felony;
- Increases criminal penalties associated with unlicensed funeral activity;
- Updates the definition of “two-component explosive” to reflect changes in the marketplace;
- Amends continuing education requirements for individuals licensed to solicit, sell, or adjust insurance in the state;
- Reduces from three years to 24 months the timeframe in which an insured can provide initial notice of a windstorm or hurricane claim while retaining the 36 month time frame for supplemental or reopened claims;
- Allows contractors to begin repairs on a previously permitted fire alarm prior to receiving a permit to do so, yet maintains that such repair will not be compliant until permitted and approved;
- Extends the expiration date for exemptions that allow doorstep refuse and recycling collection containers in apartments with enclosed corridors under certain circumstances;
- Amends the Fire and Emergency Incident Information Reporting Program by replacing “fire protection agencies” with “fire service providers” and defines the term “fire service provider;”
- Eliminates a fire protection sprinkler system contractor designation and increases the number of sprinklers that can be relocated, added or deleted;
- Revises the composition of the Fire and Emergency Incident Information System Technical Advisory Panel and the Firefighters Employment, Standards and Training Council;
- Requires those seeking a license to install or maintain a fire protection system, to successfully complete a prescribed training course, to include both written and practical training, and requires such training to be offered at the State Fire College;
- Creates parity between residential and high rise apartment buildings and extends assessment and compliance deadlines by three years with regards to minimum radio signal strength for fire department communications and two-way radio systems;
- Requires existing apartment buildings to complete a minimum radio strength assessment for fire department communications and two-way radio system enhancements under the Florida Fire Prevention Code instead of applying for a permit for the required communication installation by December 31, 2022;
- Prohibits influencing a firesafety inspector to violate applicable law through threats, coercion, trickery, or compensation, and prohibits a firesafety inspector from knowingly and willingly accepting such an attempt;
- Allows fire service providers to hire volunteer firefighters, and allow them to continue to function in a volunteer firefighter capacity for the first year of employment while they obtain career firefighter certifications;
- Expands the applicability of criminal penalties for impersonation of investigators and personnel of the DFS; and
- Extends the Florida Blockchain Task Force report date from March 21, 2020 to January 31, 2021.

The bill does not impact state revenues or expenditures; however, as to the criminal penalties created by the bill, the Criminal Justice Impact Conference (CJIC) has not yet adopted a prison bed impact for this legislation and the fiscal impact relating to those penalties is indeterminate.

The bill, except as otherwise expressly provided, has an effective date of July 1, 2020.

II. Present Situation:

The Department of Financial Services (DFS) is statutorily responsible for:

- Carrying out the state's accounting and auditing functions; including preparing the state's Comprehensive Annual Financial Report, monitoring state contracts, and making payment for state expenditures;
- Implementing state fire prevention and control measures, including the investigation of arson and other suspicious fires; training and certification of firefighter candidates; and regulation of explosive storage and use;
- Operating the state's risk management program and securing insurance and reinsurance for covered state liabilities;
- Managing the state Treasury and directing safekeeping and the investment of all state funds;
- Managing the deferred compensation program for state employees;
- Investigating fraud, including insurance fraud, public assistance fraud, and false claims against the state;
- Regulating cemeteries and funeral homes;
- Licensing and oversight of insurance agents and agencies;
- Ensuring that Florida employers provide workers' compensation coverage for their employees in a cost effective manner;
- Assisting consumers in the resolution of issues pertaining to insurance and funeral services; and
- Collecting and returning unclaimed property belonging to Florida residents.¹

The DFS is composed of the following divisions:

- Accounting and Auditing;
- Administration;
- Consumer Services;
- Funeral, Cemetery and Consumer Services;
- Insurance Agent and Agency Services;
- Investigative and Forensic Services;
- Public Assistance Fraud;
- Rehabilitation and Liquidation;
- Risk Management;
- State Fire Marshal;
- Treasury;
- Unclaimed Property; and
- Workers' Compensation.²

² Florida Department of Financial Services, *Divisions and Offices* <https://www.myfloridacfo.com/> (last visited January 30, 2019)

Division of Public Assistance Fraud

The Division of Public Assistance Fraud (PAF) is responsible for enforcing state laws regarding program eligibility and proper use of public assistance benefits. PAF is responsible for investigating allegations of fraud related to the Cash Assistance/Temporary Assistance for Needy Families (TANF) program, the Supplemental Nutritional Assistance Program (SNAP); Medicaid recipients; disaster assistance/emergency benefits; the School Readiness and Voluntary Pre-Kindergarten programs; and Social Security Disability benefits.³

PAF has operated as a criminal justice agency since its inception in 1972. However, when the Division of Investigative and Forensic Services (DIFS) was created in 2016, under ch. 20, F.S., PAF was not designated as a criminal justice agency⁴, thereby limiting access to information within criminal records systems. Under Florida law, a criminal justice agency is defined, in part, as any governmental agency or subunit thereof that performs the administration of criminal justice pursuant to a statute or rule of court and that allocates a substantial part of its annual budget to the administration of criminal justice.^{5,6} PAF currently operates, in part, as a criminal justice agency. However, current statute does not appropriately reflect this designation.

State Risk Management

The State Risk Management Trust Fund (Fund) is administered by the DFS and is a self-insurance fund.⁷ The Fund provides various types of insurance to all departments of the State of Florida, including their employees, agents, and volunteers.⁸ The Fund provides the following insurance coverage:

- Property Claims, to include:⁹
 - Loss from fire, lightning, sinkholes, and hazards customarily insured by extended coverage;
 - Loss from removal of personal property from such properties when endangered by covered perils;
 - Flood insurance to the extent necessary to meet self-insurance requirements under the National Flood Insurance Program;

³ Division of Public Assistance, <https://myfloridacfo.com/Division/PAF/> (last visited January 16, 2020).

⁴ Department of Financial Services, *Legislative Bill Analysis of SB 1404* (January 14, 2020) (on file with Senate Banking and Insurance Committee).

⁵ Section 943.045(11)(e), F.S. *See also*: s. 943.045(2), F.S.; the term “administration of criminal justice” means “performing functions of detection, apprehension, detention, pretrial release, posttrial release, prosecution, adjudication, correctional supervision, or rehabilitation of accused persons or criminal offenders by governmental agencies. The administration of criminal justice includes criminal identification activities and the collection, processing, storage, and dissemination of criminal justice information by governmental agencies.”

⁶ Section 943.045(11)(a)-(e), F.S., defines a criminal justice agency as a court, the Department of Law Enforcement, the Department of Juvenile Justice, the protective investigations component of the Department of Children and Families, which investigates the crime of crimes of abuse and neglect, and any other governmental agency or subunit thereof that performs the administration of criminal justice pursuant to a statute or rule court and that allocates a substantial part of its annual budget to the administration of criminal justice.

⁷ Section 284.30, F.S.

⁸ Section 284.31, F.S.

⁹ Section 284.01, F.S.

- All buildings, whether financed in whole or in part by revenue bonds or certificates, and the contents thereof of any other buildings leased or rented by the state, to include manufactured homes and contents;
- Rental value insurance is provided to indemnify the state or its agencies for loss of income when such rental income insurance is required to be carried by bonding or revenue certificates or resolutions; and
- Rental value insurance is also provided to indemnify the state or its agencies for loss of income from those buildings operated and maintained by the Department of Management Services from the Supervision Trust Fund;
- Casualty Claims, to include: ¹⁰
 - Workers' Compensation;
 - General Liability:
 - Premises and Operations
 - Personal Injury; and
 - Professional Malpractice Liability;¹¹
 - Fleet Automotive Liability;
 - Federal Civil Rights Actions under 42 U.S.C. s. 1983 or similar federal statutes; and
 - Court-awarded fees in other proceedings against the state, except for such awards in eminent domain or for inverse condemnation or awards by the Public Employees Relations Commission.

Separate accounts must be kept for workers' compensation, general liability, fleet automotive liability, federal civil rights actions under 42 U.S.C. 1983 or similar federal statutes, and court-awarded attorney's fees barring exceptions.¹²

Each entity covered by the Fund must develop and implement a loss prevention program,¹³ provide for regular and periodic facility and equipment inspections,¹⁴ investigate job-related employee accidents,¹⁵ and establish a program to promote increased safety awareness among employees.¹⁶ The Division of Risk Management, within the DFS, provides loss prevention services and technical assistance to state agencies and universities for managing risk.¹⁷

Premiums, as calculated on all coverages, are billed and charged to each state agency according to coverages obtained from the Fund.^{18, 19} All premiums paid into the Fund and all moneys received from the Fund from investment or any other source is held by the DFS for the purpose

¹⁹ Section 284.36, F.S.

of paying: losses, expenses incurred in adjustment of losses, premiums for reinsurance, risk and claims management and operating expenses.^{20, 21}

Firefighters

A “firefighter” is defined as a person who is employed full-time by the state or local governments and whose primary responsibilities are the prevention and extinguishing of fires; the protection of life and property; and the enforcement of municipal, county and state fire prevention codes and laws pertaining to the prevention and control of fires.²² Based on this definition, the employers include the Department of Agriculture and Consumer Service (Florida Forest Service), the Department of Financial Services (State Fire Marshal’s Office), the Department of Children and Families, the Department of Military Affairs, state universities, cities, counties, port authorities, and fire control districts.

Benefits in lieu of Workers Compensation Benefits

Upon a diagnosis of cancer as defined in s. 112.1816, F.S., a firefighter is entitled to certain benefits, as an alternative to pursuing workers’ compensation benefits under ch. 440, F.S., if the firefighter has been employed by his or her employer for at least five continuous years, has not used tobacco products for at least the preceding five years, and has not been employed in any other position in the preceding five years which is proven to create a higher risk for cancer. The benefits are:

- Cancer treatment covered within an employer-sponsored health plan or through a group health insurance trust fund. The employer must timely reimburse the firefighter for out-of-pocket deductible, copayment, or coinsurance costs incurred by the firefighter.
- A one-time cash payout of \$25,000, upon the firefighter’s initial diagnosis of cancer.²³

If the firefighter elects to continue coverage in the employer-sponsored health plan or group health insurance trust fund after he or she terminates employment, the benefits must be made available by a former employer of a firefighter for 10 years following the date that the firefighter terminates employment, so long as the firefighter has otherwise met the employment criteria when he or she terminated employment and was not subsequently employed as a firefighter following that date.²⁴ A firefighter’s cancer diagnosis must be considered an injury or illness incurred in the line of duty by the employer for purposes of determining leave time and employee retention policies.²⁵

Funeral, Cemetery, and Consumer Services

Composition and Business of Board of Funeral, Cemetery, and Consumer Services

Section 20.121(4), F.S., creates the Board of Funeral, Cemetery, and Consumer Services (Board) within the Division of Funeral, Cemetery, and Consumer Services of the Department of

²⁰ Section 284.02(2), F.S.

²¹ Section 284.37, F.S.

²² See ss. 112.81, 112.191 and 633.102(9), F.S.; ch. 2019-21, L.O.F.

²³ Ch. 2019-21, Laws of Florida

²⁴ *Id.*

²⁵ *Id.*

Financial Services. The board acts as the licensing authority for the purposes of certain matters related to examinations and other substantive requirements for licensure within the death care industry under ch. 497, F.S., including facility requirements.²⁶

Currently, the board must have 10 members; one member must be the State Health Officer, or their designee, and the remaining nine members must be nominated by the Chief Financial Officer (CFO), appointed by the Governor, and confirmed by the Senate.²⁷ The composition of the board must be as follows:

- The State Health Officer.
- Two funeral directors who are:
 - Licensed under part III of ch. 497, F.S., as funeral directors, and
 - Associated with a funeral establishment;
- One funeral director who is:
 - Licensed under part III of ch. 497, F.S.,
 - Associated with a funeral establishment licensed under part III of ch. 497, F.S., that has a valid preneed license issued pursuant to ch. 497, F.S., and
 - Operates an incinerator facility that is approved under ch. 403, F.S., and licensed under part IV of ch. 497, F.S.;
- Two persons whose primary occupation is associated with a licensed cemetery;
- Three consumers who:
 - Are residents of Florida;
 - Have never been licensed funeral directors or embalmers;
 - Are not connected with a cemetery or licensed cemetery company;
 - Are not connected to the death care industry or the practice of embalming, funeral directing, or direct disposition;
 - At least one of which is at least 60 years of age; and
 - At least one of which is a licensed certified public accountant; and
- One principal of a monument establishment licensed under ch. 497, F.S., as a monument builder.

Members must not be principals or employees of the same company or partnership, or group of companies or partnerships under common control.²⁸ The DFS reports that the CFO often does not receive a sufficient amount of applications to fill member positions.²⁹ For example, the position that must be filled by a certified public accountant has remained vacant since September 2017.³⁰

²⁶ See s. 497.103(1)(a)-(cc), F.S. Licenses available to natural persons include: embalmer apprentice and intern; funeral directors and intern; funeral director and embalmer, direct disposer, monument establishment sales agent, and preneed sales agent. Section 497.141(12)(a), F.S. Licenses available to natural persons, corporations, limited liability companies, and partnerships include: funeral establishment, centralized embalming facility, refrigeration facility, direct disposal establishment, monument establishment, cinerator facility, removal service, preneed sales business under s. 497.453, F.S., and cemetery. Section 497.141(12)(b)-(c), F.S.

²⁷ Section 497.101(1), F.S.

²⁸ Section 497.101(2), F.S.

²⁹ See *Supra* note 4.

³⁰ *Id.*

Board members are appointed for four-year terms, except for the State Health Officer, who serves as long as they hold office.³¹ The CFO is authorized to stagger the terms of members after the terms of the initial members expire.³² The terms have already been staggered at the initiation of the board.³³

A quorum is necessary to conduct the business of the board. A quorum consists of six members of the board.³⁴ The DFS indicates that it can be difficult to obtain this number due to board vacancies, absenteeism, and necessary recusal.³⁵

The DFS is required to adopt rules regarding application forms and procedures for appointment to the board.³⁶

Disqualification of Licensure Applicants

Section 497.142(10), F.S., requires all licensure and licensure renewal applicants to disclose criminal history. The following crimes must be disclosed:

- Any felony or misdemeanor, no matter when committed, that was directly or indirectly related to or involving any aspect of the practice or business of funeral directing, embalming, direct disposition, cremation, funeral or cemetery preneed sales, funeral establishment operations, cemetery operations, or cemetery monument or marker sales or installation;
- Any other felony committed within 20 years preceding the application; and
- Any other misdemeanor committed within five years preceding the application.

Licensing Background Checks

Applicants for licensure under ch. 497, F.S., relating to Funeral, Cemetery, and Consumer Services, must provide certified true copies of any crime committed in any jurisdiction, within the 10 years preceding their application, in order to deem the application complete.³⁷ Currently, regardless of adjudication, disclosure of the following crimes is required:

- Any felony or misdemeanor, no matter when committed, that was directly or indirectly related to the practice or business of funeral directing, embalming, direct disposition, cremation, funeral or cemetery preneed sales, funeral establishment operations, cemetery operations, or cemetery monument or marker sales or installation;³⁸
- Any other felony that was committed within the 20 years immediately preceding the application under this chapter;³⁹ and
- Any other misdemeanor that was committed within the five years preceding the application under this chapter.⁴⁰

³⁹ Section 97.142(10)(c)2., F.S.

⁴⁰ Section 497.142(10)(c)3., F.S.

Unlicensed Practice

Chapter 497, F.S., requires individuals to maintain a license for specified death care industry practices. The DFS is authorized to issue administrative complaints against entities believed to be in violation of licensure requirements.⁴¹ Section 497.159, F.S., provides for criminal penalties; unlicensed activity is a second degree misdemeanor, punishable as provided in s. 775.082, F.S., or s. 775.083, F.S.⁴²

Continuing Education Requirements

Individuals licensed to engage in the sale of insurance or adjustment of insurance claims in this state are required to fulfill continuing education requirements, pursuant to s. 626.2815, F.S. Currently, licensees, except title insurance agents, are required to complete a five-hour update course every two years, specific to the license they hold.⁴³ Unless otherwise provided, licensees must also complete 19 hours of elective continuing education courses every two years.⁴⁴ If a licensee has been licensed for six years or more, this requirement drops to 15 hours.⁴⁵ An individual subject to chapter 648, F.S., relating to bail bond agents, is required to complete a five-hour update course and a minimum of nine hours of elective continuing education courses every two years.⁴⁶

If continuing education requirements are not met, the DFS has the authority to immediately terminate or refuse to renew the appointment of an agent or adjuster, following notification from the DFS, unless an extension or waiver has been granted.⁴⁷

Property Insurance Contracts

Homeowners Insurance

Homeowners' insurance combines real and personal property coverage with personal liability coverage.⁴⁸ Mortgage lenders usually require homeowners' insurance as part of the mortgage terms.

The standard homeowners' insurance policy is divided into several component parts:

- Coverage A Dwelling;
- Coverage B Other Structures;
- Coverage C Personal Property;
- Coverage D Loss of Use/Additional Living Expenses;
- Coverage E Personal Liability;
- Coverage F Medical Payments to Others;

⁴¹ Section 497.157(2), F.S.

⁴³ Section 626.2815(3), F.S.

⁴⁴ Section 626.2815(3)(a), F.S.

⁴⁵ Section 626.2815(3)(b), F.S.

⁴⁶ Section 626.2815(3)(e), F.S.

⁴⁷ Section 626.2815(9), F.S.

⁴⁸ National Association of Insurance Commissioners, Glossary of Insurance Terms, https://content.naic.org/consumer_glossary.htm (last visited March 4, 2010).

- Additional Coverages; and
- Exclusions.

While homeowners' insurance can specifically refer to the insurance of a house, it also encompasses the insurance of other types of structures associated with personal residences including tenants (renters) and condominium unit owners.⁴⁹

Hurricane Irma and Michael Claims Data

On September 10, 2017, Hurricane Irma made landfall as a Category 4 hurricane with 115 miles per hour winds. The center of Irma moved into Central Florida and into northern Florida as it weakened.⁵⁰ As of November 14, 2018, the Office of Insurance Regulation (OIR) reported, 1,002,821 claims were filed with estimated losses of \$11,082,199,367.⁵¹

| Hurricane Irma Data⁵² | | | | | |
|---|----------------------------------|-----------------------------------|--------------------------------------|------------------------------|---------------------------------|
| Lines of Business | Number of Claims Reported | Claims Closed with Payment | Claims Closed without Payment | Number of Open Claims | Percent of Claims Closed |
| Residential Property | 838,109 | 522,493 | 256,605 | 59,011 | 93.0% |
| Homeowners | 668,228 | 408,475 | 211,827 | 47,926 | 92.8% |
| Dwelling | 105,101 | 66,327 | 30,140 | 8,634 | 91.8% |
| Mobile Homeowners | 55,443 | 44,084 | 10,630 | 729 | 98.7% |
| Commercial Residential | 9,337 | 3,607 | 4,008 | 1,722 | 81.6% |
| Commercial Property | 60,024 | 20,173 | 25,449 | 14,402 | 76.0% |
| Private Flood | 1,835 | 1,074 | 651 | 110 | 94.0% |
| Business Interruption | 3,982 | 1,842 | 1,773 | 367 | 90.8% |
| Other Lines of Business | 98,871 | 72,764 | 23,699 | 2,408 | 97.6% |
| TOTALS | 1,002,821 | 618,346 | 308,177 | 76,298 | 92.4% |

Hurricane Michael made landfall as a Category 5 hurricane on October 10, 2018. The OIR has conducted forty-four data calls per s. 624.307, F.S. As of October 19, 2019, the total estimated insured losses was \$7,439,396,739⁵³ with 149,773 claims⁵⁴ reported. This includes 99,554 residential property claims, 11,152 commercial property claims, 242 private flood claims, 872 business interruption claims, and 37,953 other lines of business claims.⁵⁵

| Hurricane Michael Data⁵⁶ | | | | | |
|--|----------------------------------|-----------------------------------|--------------------------------------|------------------------------|---------------------------------|
| Lines of Business | Number of Claims Reported | Claims Closed with Payment | Claims Closed without Payment | Number of Open Claims | Percent of Claims Closed |
| Residential Property | 99,554 | 74,363 | 13,790 | 11,401 | 88.5% |
| Homeowners | 73,222 | 53,567 | 10,528 | 9,127 | 87.5% |
| Dwelling | 15,993 | 11,950 | 2,444 | 1,599 | 90.0% |
| Mobile Homeowners | 9,423 | 8,307 | 657 | 459 | 95.1% |
| Commercial Residential | 916 | 539 | 161 | 216 | 76.4% |
| Commercial Property | 11,512 | 5,042 | 2,594 | 3,516 | 68.5% |
| Private Flood | 242 | 169 | 53 | 20 | 91.7% |
| Business Interruption | 872 | 351 | 250 | 271 | 68.9% |
| Other Lines of Business | 37,953 | 32,975 | 4,293 | 685 | 98.2% |
| TOTALS | 149,773 | 112,900 | 20,980 | 15,893 | 89.4% |

Insurers reported, of the more than \$7 billion in paid losses, homeowners’ coverage represents 47.4 percent or \$3.4 billion of paid claims, followed by commercial property at 25.9 percent or \$1.7 billion. Paid losses are indemnity payments that exclude adjustment expense. Payments are the net of actual salvage and subrogation recoveries. For applicable lines, they include losses associated with loss of use, additional living expense, fair rental value and other factors.⁵⁷

While Hurricane Irma affected a much larger area of the state, insurers report that Hurricane Michael is a costlier storm when comparing the number of claims with the amount of paid losses. Hurricane Irma produced over one million claims, costing more than \$10.8 billion with an average claims cost of \$10,800. Conversely, Hurricane Michael, with 149,448 claims, produced more than \$7 billion in paid losses with an average claims cost of \$62,661.⁵⁸

Insurers reported 1,426 claims in the 90 days prior to the October 19, 2019, Hurricane Michael analysis; indicating policyholders have continued to file new claims throughout the last reporting period.⁵⁹

Notice of Windstorm or Hurricane Claim

During the 2011 legislative session, SB 408 was passed and subsequently became law (Chapter 2011-39, Laws of Fla.) SB 408 enacted a five-year statute of limitations for bringing an action for the breach of a property insurance contract that runs from the date of the loss. The bill created shorter timeframes for providing notice of a hurricane or sinkhole loss. A claim, supplemental claim, or reopened windstorm or hurricane claim must be given to the insurer within three years after the hurricane first makes landfall or the windstorm causes covered damage. The bill also required that sinkhole loss claims be given to the insurer within two years after the policyholder knew or should have known about the sinkhole loss.

⁵⁶ See *supra* note 58.

⁵⁷ *Id.*

⁵⁸ *Id.* at page 16. Hurricane Irma losses are as of November 14, 2018, approximately 14 months after the storm as compared to Hurricane Michael losses at approximately 13 months after the storm.

⁵⁹ See *supra* note 60.

State Fire Marshal

Explosives

Chapter 552, F.S., sets forth the requirements to lawfully engage in the business of a manufacturer-distributor, or to acquire, sell, possess, store, or engage in the use of explosives in this state. The chapter's current definition of a two-component explosive requires the use of a "No. 6 blasting cap" for detonation.⁶⁰ No. 6 blasting caps went out of production several years ago and current blasting caps no longer use the same rating system.⁶¹

Uniform Fire Alarm Permit Application

Contractors are required to file a Uniform Fire Alarm Permit Application with a local law enforcement agency, and must receive the permit before installing, replacing, or repairing an existing fire alarm that was previously permitted by the local enforcement agency, if the local enforcement agency requires a permit for the repair.⁶²

Florida Fire Prevention Code

The State Fire Marshal, by rule, adopts the Florida Fire Prevention Code (Fire Code), which contains all fire safety laws and rules that pertain to the design, construction, erection, alteration, modification, repair, and demolition of public and private buildings, structures, and facilities, and the enforcement of such fire safety laws and rules.⁶³ The State Fire Marshal adopts a new edition of the Fire Code every three years.⁶⁴ The 6th edition of the Fire Code took effect on January 1, 2018.

State law requires all municipalities, counties, and special districts with fire safety responsibilities to enforce the Fire Code as the minimum fire prevention code to operate uniformly among local governments and in conjunction with the Florida Building Code⁶⁵ requirements in s. 633.208, F.S., as long as they do not conflict with ch. 633, F.S., relating to fire prevention and control, or any other state law.⁶⁶

Doorstep Refuse and Recycling Collection

Residents of apartment buildings may place combustible waste and refuse in exit access corridors in apartment buildings if the following conditions are met:

- Doorstep refuse and recycling collection containers do not exceed 13 gallons for apartment buildings with enclosed corridors and interior or exterior stairs;
- Doorstep refuse and recycling collection containers do not exceed 27 gallons for apartment buildings with open air corridors and exterior stairs or balconies with exterior exit stairs;
- Waste, which is in a doorstep refuse and recycling collection container, is not placed in an exit access corridor for a single period greater than five hours;

⁶⁰ Section 552.081(13), F.S.

⁶¹ See *supra* note 4.

⁶² Section 553.7921(1)(b), F.S.

⁶³ Chapter 69A-60, F.A.C.

⁶⁴ Section 633.202, F.S.

⁶⁵ Sections 633.108 and 633.208, F.S.

⁶⁶ Sections 633.208 and 633.214(4), F.S.

- Doorstep refuse and recycling collection containers are not in an exit access corridor for a single period greater than 12 hours for apartment buildings with enclosed corridors and interior or exterior stairs;
- Doorstep refuse and recycling collection containers do not reduce the exit access corridor's width below the width required by the Fire Code;
- Doorstep refuse and recycling collection containers are able to stand upright on their own and may not leak fluids when standing upright; and
- The apartment's management staff have written policies and procedures to ensure compliance with the above conditions. Management staff must enforce the policies and must provide a copy of the policies to the authority having jurisdiction upon request.⁶⁷

Currently, this provision expires on July 1, 2021.

Fire and Emergency Incident Information Reporting Program

The Florida Fire Incident Reporting System (FFIRS) is located within the Division of State Fire Marshal. The FFIRS was created by rule and is a means for fire protection agencies to report and maintain computerized records of fires and other fire department incidents in a uniform manner.⁶⁸ Annual reports are furnished to the Governor, Legislature and fire protection agencies, and upon request, the public.⁶⁹

Established in 2005, the Fire and Emergency Incident Reporting Program (Program) included the creation of the Fire and Emergency Incident Information Technical Advisory Panel (Panel) and codified FFIRS language. The FFIRS is the Florida coordinating officer for the National Fire Incident Reporting Section (NFIRS)⁷⁰. The NFIRS provides system resources and an overview of the standard national reporting system used by the United States fire departments to report fires and other incidents to which they respond and to maintain records of such incidents in a uniform manner.⁷¹ The NFIRS provides software and training at no cost to fire departments.⁷²

The Panel was created to advise, review and make recommendations to the State Fire Marshal. Currently, the membership is comprised of 15 members:

- The thirteen members of Firefighters Employment, Standards, and Training Council;⁷³
- One member from the Florida Forest Service, Department of Agriculture and Consumer Services; and
- One member from the Department of Health, appointed by the State Surgeon General.⁷⁴

⁷⁴ Section 633.136(2), F.S.

Fire Sprinkler Systems

A licensed fire protection engineer or architect, with fire protection design experience, may design any type of fire protection system.⁷⁵ A person certified as a Contractor I,⁷⁶ Contractor II,⁷⁷ or Contractor IV,⁷⁸ under ch. 633, F.S., relating to fire prevention and control, may design fire protection systems of 49 or fewer sprinklers. These designated contractors may also design the alteration of an existing fire sprinkler system, as long as no more than 49 sprinklers are relocated, added, or deleted.⁷⁹

Firesafety Inspectors

Section 633.216, F.S., requires each county, municipality, and special district that has firesafety enforcement responsibilities to employ or contract with a firesafety inspector. Subject to certain exceptions⁸⁰, the firesafety inspector is responsible for conducting all firesafety inspections required by law.⁸¹ These firesafety inspections include the inspection of buildings and facilities, on a recurring or regular basis, on behalf of the state or any county, municipality, or special district with fire safety responsibilities.⁸² The Florida Fire Prevention Code⁸³ governs design, construction, erection, alteration, modification, repair, and demolition of public and private buildings, structures, and facilities and the enforcement of such firesafety laws and rules. These local enforcing authorities may adopt more stringent firesafety standards, subject to certain requirements in s. 633.208, F.S., but may not enact firesafety ordinances that conflict with ch. 633, F.S., or any other state law.⁸⁴

The Chief Financial Officer is designated as the “State Fire Marshal.”⁸⁵ In any county, municipality, or special district that does not employ or appoint a firesafety inspector, the State

⁷⁵ Section 633.102(3), F.S. A fire protection system is defined as “a system individually designed to protect the interior or exterior of a specific building or buildings, structure, or other special hazard from fire.” Section 633.102(11), F.S.

⁷⁶ “A contractor whose business includes the execution of contracts requiring the ability to lay out, fabricate, install, inspect, alter, repair, and service all types of fire protection systems, excluding preengineered systems.” Section 633.102(3)(a), F.S.

⁷⁷ “A contractor whose business is limited to the execution of contracts requiring the ability to lay out, fabricate, install, inspect, alter, repair, and service water sprinkler systems, water spray systems, foam-water sprinkler systems, foam-water spray systems, standpipes, combination standpipes and sprinkler risers, all piping that is an integral part of the system beginning at the point of service as defined in this section, sprinkler tank heaters, air lines, thermal systems used in connection with sprinklers, and tanks and pumps connected thereto, excluding preengineered systems.” Section 633.102(3)(b), F.S.

Section 633.102(3)(b), F.S.

⁷⁸ “A contractor whose business is limited to the execution of contracts requiring the ability to lay out, fabricate, install, inspect, alter, repair, and service automatic fire sprinkler systems for detached one-family dwellings, detached two-family dwellings, and mobile homes, excluding preengineered systems and excluding single-family homes in cluster units, such as apartments, condominiums, and assisted living facilities or any building that is connected to other dwellings.” Section 633.102(3)(d), F.S.

Section 633.102(3)(d), F.S.

⁷⁹ Section 633.102(3), F.S.

⁸⁰ For example, this requirement does not apply to farm outbuildings or licensed plumbing contractor installed standpipe systems and certain connected items. Section 633.226, F.S.

⁸¹ Section 633.216(1), F.S.

⁸² Section 633.102(12), F.S.

⁸³ Chapter 69A-60, F.A.C. The Florida Fire Prevention Code is adopted by the State Fire Marshal, and contains and incorporates by reference all firesafety laws and rules. Section 633.202(1), F.S.

⁸⁴ See Rule 69A-60.002, F.A.C.; s. 633.214(4), F.S.

⁸⁵ Section 633.104(1), F.S.

Fire Marshal assumes the duties of the local county, municipality, or independent special fire control district with respect to firesafety inspections of educational property.⁸⁶

A person who violates any provision of ch. 633, F.S., Fire Prevention and Control, any order or rules of the State Fire Marshal, or any order to cease and desist or to correct conditions commits a misdemeanor of the second degree.⁸⁷

It is illegal to impersonate the State Fire Marshal or a firesafety inspector. A person who impersonates either official commits a felony of the third degree, and if the impersonation occurs during the commission of a separate felony, a person commits a felony of the first degree.⁸⁸ Section 468.629, F.S., makes it illegal for a person to influence a building code enforcement official by coercion or compensation.⁸⁹ Any person who commits such acts commits a misdemeanor of the first degree, and, if the person was previously convicted of such act, a felony of the third degree.⁹⁰

Volunteer Firefighter Employment

The National Fire Prevention Association estimates that there were approximately 1,056,200 local firefighters in the United States as of 2017.⁹¹ Of the total number of firefighters, 35 percent were career firefighters, and 65 percent were volunteer firefighters.⁹² Florida has 528 fire departments.⁹³ At least 315 Florida fire departments utilize volunteers to sustain operations.⁹⁴ Approximately 12 million Florida residents depend on volunteer firefighters to protect their communities.⁹⁵ The Firefighter Assistance Grant Program, created in 2016 to improve the emergency response capability of fire departments reliant on volunteer firefighters, provides grant money to such fire departments to provide volunteer firefighter training and procure equipment. In 2018, 29 fire departments were awarded such grants.⁹⁶

Florida fire service providers are currently prohibited from employing an individual to extinguish fires or to supervise those who do unless the individual holds a current and valid Firefighter Certificate of Compliance.⁹⁷ Thus, fire service providers are currently prohibited from employing volunteer firefighters, who hold a Volunteer Firefighter Certificate of Completion.⁹⁸ Volunteer

⁹⁸ Section 633.408, F.S.

firefighters can enter immediately dangerous to life and health (IDLH) environments. However, if employed by the same department prior to achieving a Firefighter Certificate of Compliance they would not be allowed to enter the IDLH environments they were authorized to enter the day before beginning career employment.⁹⁹

False Personation

Pursuant to s. 843.08, F.S., any person who falsely assumes or pretends to be an officer of a specified type commits a felony of the third degree, a felony of the second degree when committed with another felony, and a felony in the first degree if the felony is the cause of death or personal injury of another individual.¹⁰⁰ A person who impersonates an officer of the DFS is subject to these criminal penalties.¹⁰¹ However, there is no criminal penalty for impersonating an investigator or personnel of the DFS. The DFS employs personnel who are not officers but have access to active criminal cases and conduct criminal investigations.¹⁰²

Firefighters Employment, Standards and Training Council (Council)

The Council is comprised of fifteen members and are appointed as follows:

- Two fire chiefs appointed by the Florida Fire Chiefs Association;
- Two firefighters, who are not officers, appointed by the Florida Professional Firefighters Association;
- Two firefighter officers, who are not fire chiefs, appointed by the State Fire Marshal;
- One individual appointed by the Florida League of Cities;
- One individual appointed by the Florida Association of Counties;
- One individual appointed by the Florida Association of Special Districts;
- One individual appointed by the Florida Fire Marshals' and Inspectors' Association;
- One employee of the Florida Forest Service of the Department of Agriculture and Consumer Services appointed by the director of the Florida Forest Service;
- One individual appointed by the State Fire Marshal;
- One director or instructor of a state-certified firefighting training facility appointed by the State Fire Marshal; and
- The remaining member, who shall be appointed by the State Fire Marshal, may not be a member or representative of the firefighting profession or of any local government.¹⁰³

There are certain eligibility requirements set forth for membership. Members shall serve only as long as they continue to meet the criteria under which they were appointed or unless a member has failed to appear at three consecutive and properly noticed meetings unless excused by the chair.¹⁰⁴ Members are appointed for four year terms and are not eligible to serve more than two

⁹⁹ See *supra* note 4.

¹⁰⁰ Section 843.08, F.S., contains a list specifying which types of officers it is unlawful to impersonate. This list includes, but is not limited to, firefighters, sheriffs, officers of agencies, and school guardians.

consecutive terms¹⁰⁵ and serve without compensation¹⁰⁶ but are entitled to reimbursement for per diem and travel expenses as provided in s. 112.061, F.S.¹⁰⁷

The Council has special powers in connection with the employment and training of firefighters¹⁰⁸ to recommend for adoption by the Division of State Fire Marshal:

- Uniform minimum standards for the employment and training of firefighters and training of volunteer firefighters;¹⁰⁹
- Minimum curriculum requirements for schools operated by or for any fire service provider for the specific purpose of training firefighter trainees, firefighters, and volunteer firefighters;¹¹⁰
- Matters relating to the funding, general operation, and administration of the Bureau of Fire Standards and Training (Florida State Fire College), including, but not limited to, all standards, training, curriculum, and the issuance of any certificate of competency required by this chapter;¹¹¹

In addition, the Council may make or support studies on any aspect of firefighting employment, education, and training or recruitment¹¹² or may make recommendations concerning any matter within its purview pursuant to this section.¹¹³

Florida Blockchain Task Force

In 2019, the Florida Blockchain Task Force was established within DFS,¹¹⁴ to explore and develop a master plan for fostering the expansion of the blockchain industry in the state. Consisting of 13 appointed members, the task force's master plan must do the following:

- Identify the economic growth and development opportunities presented by blockchain technology;
- Assess the existing blockchain industry in the state;
- Identify innovative and successful blockchain applications currently used by industry and other governments to determine viability for state applications;
- Review workforce needs and academic programs required to build blockchain technology expertise across all relevant industries; and
- Make recommendations to the Governor and the Legislature that will promote innovation and economic growth by reducing barriers to and expediting the expansion of the state's blockchain industry.¹¹⁵

¹¹⁴ Chapter 2019-140, Laws of Fla.

¹¹⁵ Chapter 2019-140, Laws of Fla.

The task force is required to submit a report to the Governor, the President of the Senate, and the Speaker of the House of Representatives, as well as present its findings to the appropriate legislative committees in each house of the Florida Legislature. The report must include the following:

- A general description of the costs and benefits of state and local government agencies using blockchain technology;
- Recommendations concerning the feasibility of implementing blockchain technology in the state and the best approach to finance the cost of implementation;
- Recommendations for specific implementations to be developed by relevant state agencies;
- Any draft legislation the task force deems appropriate to implement such blockchain technologies;
- Identification of one pilot project that may be implemented in the state; and
- Any other information deemed relevant by the task force.

The report is to be submitted within 180 days after the initial meeting. The task force's initial meeting was September 23, 2019, making the current due date for the report March 21, 2020.

Public Records Law

Overview

The Florida Constitution provides that the public has the right to inspect or copy records made or received in connection with official governmental business.¹¹⁶ This applies to the official business of any public body, officer, or employee of the state, including all three branches of state government, local governmental entities, and any person acting on behalf of the government.¹¹⁷

Chapter 119, F.S., known as the Public Records Act, constitutes the main body of public records laws.¹¹⁸ The Public Records Act states:

It is the policy of this state that all state, county, and municipal records are open for personal inspection and copying by any person. Providing access to public records is a duty of each agency.¹¹⁹

The Public Records Act typically contains general exemptions that apply across agencies. Agency- or program-specific exemptions often are placed in the substantive statutes relating to that particular agency or program.

Legislative and Judicial Records

The Public Records Act does not apply to legislative or judicial records.¹²⁰ Legislative records are public pursuant to s. 11.0431, F.S. Public records exemptions for the Legislature are codified primarily in s. 11.0431(2)-(3), F.S., and adopted in the rules of each house of the Legislature.

¹¹⁶ FLA. CONST., art. I, s. 24(a).

¹¹⁷ *Id.*

¹¹⁸ Public records laws are found throughout the Florida Statutes.

¹¹⁹ Section 119.01(1), F.S.

¹²⁰ *Locke v. Hawkes*, 595 So. 2d 32 (Fla. 1992). Also see *Times Pub. Co. v. Ake*, 660 So. 2d 255 (Fla. 1995)

Definition

A public record includes virtually any document or recording, regardless of its physical form or how it may be transmitted.¹²¹ The Florida Supreme Court has interpreted public records as being “any material prepared in connection with official agency business which is intended to perpetuate, communicate, or formalize knowledge of some type.”¹²²

Access

The Florida Statutes specify conditions under which public access to governmental records must be provided. The Public Records Act guarantees every person’s right to inspect and copy any state or local government public record at any reasonable time, under reasonable conditions, and under supervision by the custodian of the public record.¹²³ A violation of the Public Records Act may result in civil or criminal liability.¹²⁴

Exemptions

The Legislature has the sole authority to create an exemption to public records requirements.¹²⁵ An exemption must be created by general law and must specifically state the public necessity justifying the exemption.¹²⁶ An exemption serves an identifiable purpose if it meets one of the following statutory purposes, the Legislature finds that the purpose of the exemption outweighs open government policy, and the purpose cannot be accomplished without the exemption:

- It allows the state or its political subdivisions to effectively and efficiently administer a program, and administration would be significantly impaired without the exemption;¹²⁷
- Releasing sensitive personal information would be defamatory or would jeopardize an individual’s safety. If this public purpose is cited as the basis of an exemption, however, only personal identifying information is exempt;¹²⁸ or
- It protects trade or business secrets.¹²⁹

Further, the exemption must be no broader than necessary to accomplish the stated purpose of the law. Additionally, a bill enacting an exemption may not contain other substantive

¹²¹ Section 119.011(12), F.S., defines “public record” to mean “all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business by any agency.” Section 119.011(2), F.S., defines “agency” as “any state, county, district, authority, or municipal officer, department, division, board, bureau, commission, or other separate unit of government created or established by law including, for the purposes of this chapter, the Commission on Ethics, the Public Service Commission, and the Office of Public Counsel, and any other public or private agency, person, partnership, corporation, or business entity acting on behalf of any public agency.

¹²² *Shevin v. Byron, Harless, Schaffer, Reid and Assoc. Inc.*, 379 So. 2d 633, 640 (Fla. 1980).

¹²³ Section 119.07(1)(a), F.S.

¹²⁴ Section 119.10, F.S. Public records laws are found throughout the Florida Statutes, as are the penalties for violating those laws.

¹²⁵ FLA. CONST., art. I, s. 24(c).

¹²⁶ *Id.*

¹²⁷ Section 119.15(6)(b)1., F.S.

¹²⁸ Section 119.15(6)(b)2., F.S.

¹²⁹ Section 119.15(6)(b)3., F.S.

provisions¹³⁰ and must pass by a two-thirds vote of the members present and voting in each house of the Legislature.¹³¹

“Confidential and Exempt” or “Exempt” Designations

When creating or expanding a public records exemption, the Legislature may provide that a record is “confidential and exempt” or “exempt.”¹³² Records designated as “confidential and exempt” may be released by the records custodian only under the circumstances defined by the Legislature or pursuant to a court order. Records designated as “exempt” may be released at the discretion of the records custodian under certain circumstances.¹³³

Open Government Sunset Review Act

The Open Government Sunset Review Act (the Act) prescribes a legislative review process for newly created or substantially amended public records or open meetings exemptions,¹³⁴ with specified exceptions.¹³⁵ It requires the automatic repeal of the exemption on October 2nd of the fifth year after creation or substantial amendment, unless the Legislature reenacts the exemption.¹³⁶ The Act provides that a public records or open meetings exemption may be created or maintained only if it serves an identifiable public purpose and is no broader than is necessary to meet such public purpose.¹³⁷

General Public Records Exemptions for State Agency Personnel

There are three general public records exemptions that apply to all state agency personnel: disclosure of an employee’s (1) social security number, (2) medical information, and (3) personal identifying information of dependent children who are insured by an agency group insurance plan.¹³⁸

¹³⁰ The bill may, however, contain multiple exemptions that relate to one subject.

¹³¹ FLA. CONST., art. I, s. 24(c) and FLA. CONST., art. X, s. 12(e).

¹³² If the Legislature designates a record as confidential, the record may not be released to anyone other than the persons or entities specifically designated in the statutory exemption. *WFTV, Inc. v. The Sch. Bd. of Seminole*, 874 So. 2d 48, 53 (Fla. 5th DCA 2004)

¹³³ *Williams v. City of Minneola*, 575 So. 2d 683 (Fla. 5th DCA 1991).

¹³⁴ Section 119.15, F.S. An exemption is substantially amended if the amendment expands the scope of the exemption to include more records or information or to include meetings as well as records (s. 119.15(4)(b), F.S.). The requirements of the Act do not apply to an exemption that is required by federal law or that applies solely to the Legislature or the State Court System (s. 119.15(2), F.S.).

¹³⁵ Section 119.15(2)(a) and (b), F.S., provide that exemptions that are required by federal law or are applicable solely to the Legislature or the State Court System are not subject to the Open Government Sunset Review Act.

¹³⁶ Section 119.15(3), F.S.

¹³⁷ Section 119.15(6)(b), F.S. Section 119.15(6)(a), F.S., asks the Legislature to carefully question the purpose and necessity of reenacting the exemption, and specifically requires that the Legislature consider the following questions:

- What specific records or meetings are affected by the exemption?
- Whom does the exemption uniquely affect, as opposed to the general public?
- What is the identifiable public purpose or goal of the exemption?
- Can the information contained in the records or discussed in the meeting be readily obtained by alternative means? If so, how?
- Is the record or meeting protected by another exemption?
- Are there multiple exemptions for the same type of record or meeting that it would be appropriate to merge?

¹³⁸ Section 119.071(4)(a) and (b), F.S.

(1) Social Security Numbers

Social security numbers of all current and former agency personnel are confidential and exempt when held by the employing agency.¹³⁹ An employing agency may only release social security numbers for the following reasons:

- It is required by law.
- A receiving government agency needs the social security number to perform its duties.
- The employee consents to disclose his or her social security number.¹⁴⁰

In addition, there is a general exemption for social security numbers that applies to the public that makes social security numbers confidential and exempt.¹⁴¹ This exemption applies to any agency that holds anyone's social security number, including those belonging to the personnel of that agency. This exemption, however, permits the agency to disclose social security numbers of agency personnel in order to administer health or retirement benefits.¹⁴²

(2) Medical Information

An agency employee's medical information is also exempt from public disclosure if the medical information could identify the employee. This exemption applies to prospective, current, and former employees.¹⁴³

(3) Personal Identifying Information

The personal identifying information of a dependent child of an agency employee who is insured by an agency group insurance plan is exempt from public disclosure. This exemption applies to the children of current and former employees and is also retroactively applied.¹⁴⁴

Public Records Exemptions for Enumerated Personnel

Provisions in s. 119.071(4)(d), F.S., exempt from public disclosure the personal identification and location information of enumerated agency personnel, their spouses, and their children. The employing agency as well as the employee may assert the right to the exemption by submitting a written request to each agency that holds the employee's information.¹⁴⁵ Additionally, all of these exemptions have retroactive application.¹⁴⁶ In order to have such exemption applied to a court record or an official record held by a clerk of court, the party must make a request specifying the document name, type, identification number, and page number.¹⁴⁷ Any enumerated personnel who has his or her public records held exempt may file a written and notarized request to any record custodian to have the records released to an identified party.¹⁴⁸

¹⁴⁸ Section 119.071(4)(d)4., F.S.

Confidential and Exempt –Alleged Sexual Harassment Victim

Section 119.071(2)(n), F.S., provides that personal identifying information of the alleged victim in an allegation of sexual harassment is confidential and exempt.¹⁴⁹ Such information may be disclosed to another governmental entity in the furtherance of its official duties.¹⁵⁰

Section 119.10(2)(a), F.S., provides that any person who willfully and knowingly violates any provisions of chapter 119 commits a first degree misdemeanor punishable by imprisonment up to one year or a fine up to \$1,000.

III. Effect of Proposed Changes:**Division of Public Assistance Fraud (Sections 1 and 23)**

Section 1 amends s. 20.121(2)(f), F.S., to designate the Department of Financial Services (DFS), Division of Public Assistance Fraud (PAF) as a criminal justice agency for the purposes of ss. 943.045-943.08, F.S. The designation allows the PAF to continue having access to criminal justice information contained in Florida Crime Information Center (FCIC) and National Crime Center Information Center (NCIC) systems of criminal records when conducting criminal investigations and other law enforcement support functions.¹⁵¹

Section 23 amends s. 943.045, F.S., to include the PAF in the definition of “criminal justice agency.”

State Risk Management***Benefits in lieu of Workers Compensation Benefits - Florida Firefighters***

Section 2 amends s. 284.30, F.S., to add benefits payable to firefighters diagnosed with cancer pursuant to s. 112.1816(2) F.S., to the self-insurance coverage provided through the State Risk Management Trust Fund (Fund).

Section 3 amends s. 284.31, F.S., to require separate accounting in the Fund for benefits payable to firefighters diagnosed with cancer.

Section 4 amends s. 284.385, F.S., to require the Department of Management Services to validate and approve firefighter cancer benefits before disbursement from the Fund.

Workplace Sexual Harassment

Section 5 creates s. 284.45, F.S., to define a sexual harassment victim as an individual employed with or being considered for employment with an entity participating in the Fund, who becomes a victim of workplace sexual harassment within the entity. The bill prohibits individuals working for an entity covered by the Fund from engaging in retaliatory conduct, of any kind, toward a sexual harassment victim. The section also prohibits the willful and knowing distribution of

¹⁴⁹ Section 119(2)(n), F.S., and s. 24(a), Art. 1 of the State Constitution

¹⁵⁰ Subject to the Open Government Sunset Review Act and stands repeal on October 2, 2022 unless reviewed and saved from repeal through reenactment by the Legislature.

¹⁵¹ See *supra* note 4.

personal identifying information of a sexual harassment victim, and specifically provides that personal identifying information includes the victim's name and his or her:

- Home address;
- Home phone number;
- Cellular phone number;
- E-mail address;
- Social media account username or uniform resource locator (URL); or
- Any other information that could reasonably be used to identify the alleged sexual harassment victim.

Personal identifying information of a victim may not be distributed to any party other than a government entity, in furtherance of its official duties, or pursuant to a court order. Any violation results in a first degree misdemeanor, punishable as provided in s. 775.082, F.S.

Funeral, Cemetery, and Consumer Services

Composition and Business of Board of Funeral, Cemetery, and Consumer Services (Board)

Section 6 amends s. 497.101, F.S., to reduce the minimum number of nominations the Chief Financial Officer (CFO) must make for nine board member positions from three nominations to one, though the CFO may nominate up to three persons to fill a vacancy. The bill also reduces from three to two the number of positions on the Board that must be filled by consumers who are residents of Florida; have never been licensed funeral directors or embalmers; are not connected with a cemetery or licensed cemetery company nor connected to the death care industry or the practice of embalming, funeral directing, or direct disposition. The Board must also now have a consumer member who is: a resident; a licensed certified public accountant who has never been licensed as a funeral director or embalmer; not a principal or employee of any ch. 497, F.S., licensee; and not otherwise in control (as defined in s. 497.005, F.S.) over any ch. 497, F.S., licensee. This change requires the appointment of a licensed certified public account (CPA) who has some knowledge of and association with, but not a controlling interest in, licensees in the death care industry.

The definition of a “quorum” for the purposes of conducting Board business is amended to constitute a simple majority of eligible members instead of six members.

The section eliminates unnecessary statutory provisions regarding the staggered terms of board members, which have already been established. The statutory change will also eliminate the DFS’ rulemaking responsibilities concerning the application process, which the DFS asserts is unnecessary, as the Governor makes the appointments.¹⁵²

Disqualification of Licensure Applicants

Section 7 of the bill creates s. 497.1411, F.S., to provide and clarify grounds for disqualification of licensure applicants based on criminal history. Subsection (1) provides definitions of “applicant,” “felony of the first degree,” “capital felony,” and “financial services business.”

¹⁵² *Id.*

Subsection (2) provides an enumerated list of crimes that, if an applicant is found guilty of or pleads nolo contendere to, regardless of adjudication, permanently bars the applicant from licensure under ch. 497, F.S. These crimes are a first degree felony, a capital felony, a felony money laundering offense, or a felony embezzlement.

Subsection (3) provides the following disqualifying periods for other specified crimes:

- A 10-year disqualifying period for all felonies involving moral turpitude not subject to a permanent bar on licensure; and
- A five-year disqualifying period for all other felonies and for all misdemeanors directly related to the financial services business, defined as any financial activity regulated by the DFS, the Office of Insurance Regulation, or the Office of Financial Regulation.

These specifications are intended to provide clarity beyond the current statutory scheme, which provides no guidelines to determine whether a specific crime is considered “directly or indirectly related to or involving any aspect of the practice or business” of death care industry functions. The DFS suggests that the lack of clarity and guidance in current statute has led to inconsistencies in recommendations and Board rulings on applications.¹⁵³

Subsection (4) requires the DFS to adopt rules to administer the section. The rules must provide for additional disqualifying periods due to the commitment of multiple crimes and may include other factors reasonably related to the applicant’s criminal history. The rules must also provide mitigating and aggravating factors, except that mitigation may not result in a disqualification period of less than five years.

Subsection (5) specifies that a disqualifying period begins upon an applicant’s final release from supervision or upon completion of the applicant’s criminal sentence. The subsection further prohibits the DFS from issuing a license unless all related fines, court costs and fees, and court-ordered restitutions have been paid. Subsection (6) places the burden of proof for rehabilitation on the applicant.

Subsection (7) allows the DFS to award a license, despite a conviction, upon a grant of a pardon or restoration of civil rights. Subsection (8) authorizes the Board to grant an exemption from a criminal record related disqualification, and provides standards for mitigating factors. Chapter 120, F.S., provides administrative remedies available to applicants for whom the Board has granted or denied an exemption. Subsection (9) clarifies the disqualification periods provided in this section do not apply to the renewal of a license or to a new licensure application if the applicant has an active license as of July 1, 2020 and the applicable criminal history was considered by the Board on the prior active license approval.

Licensing Background Checks

Section 8 amends s. 497.142, F.S., to require certified true copies of any crime committed in any jurisdiction in order to deem an application complete, regardless of how many years have passed. The bill requires disclosure of all felonies, regardless of when committed and regardless of

¹⁵³ *Id.*

adjudication. It also requires disclosure of any misdemeanor directly or indirectly related to the financial services business,¹⁵⁴ no matter when committed.

Unlicensed Practice

Section 9 of the bill amends s. 497.157, F.S., to increase penalties for unlicensed activity from a misdemeanor to a felony of the third degree. Section 9 also expands unlicensed activity to include acting, advertising, or otherwise holding oneself out to be a funeral director, embalmer, direct disposer, or preneed sales agent, unless currently licensed or appointed as such.

Section 10 of the bill amends s. 497.159, F.S., by removing the second-degree misdemeanor penalty for unlicensed activity under ch. 497, F.S.

Explosives

Section 11 updates the definition of “two-component explosives” in s. 552.081, F.S., by removing the requirement of a “No. 6 cap,” which is no longer manufactured.

Fire Alarm Permits

Section 12 amends s. 553.7921, F.S., to authorize contractors to begin repairs on existing permitted fire alarms upon filing a Uniform Fire Alarm Permit Application but prior to receiving the permit for the repair. Fire alarms repaired under such circumstances are not considered compliant until the permit is issued and the local law enforcement agency approves the repair.

Continuing Education Requirements

Section 13 amends s. 626.2815, F.S., by lowering the update course requirement to four hours for individuals licensed to solicit, sell, or adjust insurance in the state, barring title insurance agents. The update course is raised to six hours for an individual who holds a license as a customer representative, and who is not a licensed life or health agent. Licensees must complete 20 hours of elective continuing education every two years, and if a licensee has been licensed for six years or more, he or she must complete 16 hours of continuing education every two years. Lastly, individuals who fall under chapter 648, F.S., relating to bail bond agents, are required to complete a four hour update course and a minimum of ten hours of continuing education every two years.

The effective date of this section is January 1, 2021.

Property Insurance Contracts

Notice of Windstorm or Hurricane Claim

Section 14 amends s. 627.70132, F.S., by revising the timeframe in which an insurer has to file an initial claim under an insurance policy that provides property insurance, as defined in s. 624.604, F.S., for loss or damage caused by the peril of windstorm or hurricane from thirty-six

¹⁵⁴ The bill defines financial services business as “any financial activity regulated by the Department of Financial Services, the Office of Insurance Regulation, or the Office of Financial Regulation.”

months to twenty-four months. An insurer has 36 months after the hurricane first made landfall or the windstorm caused the damage in which to file a supplemental claim or a re-opened claim.

This will require the initial filing of Hurricane Irma claims by approximately September 10, 2019, and require the initial filing of Hurricane Michael claims by approximately October 19, 2021.

Florida Fire Marshal - Florida Fire Prevention and Control

Fire Sprinkler Systems

Section 15 amends s. 633.102, F.S., to allow a person certified as a Contractor I or a Contractor II to design new fire protection systems of 49 or fewer sprinklers, and to design the alteration of an existing system if it adds 49 or fewer sprinklers. A person certified as a Contractor IV can no longer design or alter fire protection systems. Additionally, the bill allows a Contractor I or II to alter an existing fire sprinkler system, as long as it entails the relocation or deletion of 249 or fewer sprinklers, and such alteration requires no change in occupancy as defined in the Florida Building Code, no change in water demand as defined in National Fire Protection Association Publication (NFPA) No. 13, and the occupancy hazard classification, as defined in NFPA No. 13, is either reduced or remains the same following the alteration.

Fire and Emergency Incident Information Reporting Program

Section 16 amends s. 633.136, F.S., by replacing “fire protection agencies” with “fire service providers” and defines the term “fire service provider.” This section also revises the composition of the Fire and Emergency Incident Information System Technical Advisory Panel (Panel) to:

- Retain 15 members on the Panel;
- Remove one member from the Florida Forest Service, Department of Agriculture and Consumer Services; and
- Remove one member from the Department of Health.

Fire services provider is defined as a municipality or county, the state, the division, or any political subdivision of the state, including authorities and special districts, that employs firefighters or uses volunteer firefighters to provide fire extinguishment or fire prevention services for the protection of life and property. The term includes any organization under contract or other agreement with such entity to provide such services.¹⁵⁵

Florida Fire Prevention Code

Section 17 amends s. 633.202(18), F.S., to extend the deadlines for certain buildings to comply with requirements for minimum radio strength for fire department communications by three years.

The bill also amends s. 633.202(20), F.S., to extend, by three years, the current expiration of exemptions that allow doorstep refuse and recycling collection containers in apartments with enclosed corridors under certain circumstances. The bill eliminates a requirement that such

¹⁵⁵ Fire service provider is defined in s. 633.102, F.S.

buildings apply for a permit for the required communications installation by December 31, 2022, and instead requires the completion of a minimum radio strength assessment by that date.

Influencing a Firesafety Inspector

Section 18 creates s. 633.217, F.S., to prohibit influencing or attempting to influence a firesafety inspector by threatening, coercing, tricking, or offering compensation for the purpose of inducing the firesafety inspector to violate any provision of the Florida Fire Prevention Code, any rule adopted by the State Fire Marshal, or any provision of ch. 633, F.S. Subsection (2) prohibits a firesafety inspector from knowingly and willingly accepting an attempt by a person to influence them into violating any provision of the Florida Fire Prevention Code, any rule adopted by the State Fire Marshal, or any provision of ch. 633, F.S. Section 633.124(1), F.S., provides that any person who violates any provision of ch. 633, F.S., commits a misdemeanor of the second degree. Violations of s. 633.217, F.S., relating to influencing a firesafety inspector carry the criminal penalty of a misdemeanor of the second degree, punishable as provided in s. 775.082, F.S., or s. 775.083, F.S.

State Fire College Training

Section 19 amends s. 633.304, F.S., to require any organization or individual engaging in the business of servicing, repairing, recharging, testing, marking, inspecting, installing, or hydrotesting any fire extinguisher or preengineered system seeking licensure in this state to complete a prescribed training course that:

- Includes both written and practical training;
- Is offered at the State Fire College; and
- Is approved by the State Fire Marshal, as applicable to the class of license being sought.

Firefighters Employment, Standards and Training Council

Section 20 amends s. 633.402, F.S., to revise the composition of the Firefighters Employment, Standards, and Training Council to include one individual from the Department of Health, appointed by the Surgeon General. This increases the size of the board from 14 to 15 members.

Volunteer Firefighter Employment

Section 21 amends s. 633.416, F.S., to authorize fire service providers to employ volunteer firefighters and allow them to act in volunteer firefighter capacity for up to one year under the direct supervision of an individual holding a valid firefighter certificate of compliance while they obtain career firefighter certifications. This will increase the availability of firefighters capable of entering immediately dangerous to life and health (IDLH) environments and protecting their communities. The DFS anticipates that this change will improve rural and small agency recruitment and retention efforts by facilitating the hiring of local candidates who are more inclined to remain in the area instead of hiring candidates from other parts of the state who are inclined to return to their home communities once gaining some experience.¹⁵⁶

¹⁵⁶ See *supra* note 4.

False Personation

Section 21 of the bill amends s. 843.08, F.S., to expand the applicability of criminal penalties associated with false personation of a fire or arson investigator of the DFS to any personnel or representative of the Division of Investigative and Forensic Services.

Florida Blockchain Task Force (task force)

Section 24 amends ch. 2019-140, L.O.F., to extend the due date for the task force's report from March 21, 2020, to January 21, 2021. All other aspects of the task force remain unchanged. This section is effective upon becoming law.

Effective Date

Section 25 provides, except as otherwise expressly provided and except for this section, which shall take effect upon the act becoming law, the bill has an effective date of July 1, 2020.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

To the extent that an email address or social media account username or uniform resource locator may not actually identify a person, this provision may constitute an expansion of the public records exemption, which requires a standalone bill and a two-thirds vote to pass.

Vote Requirement

Article I, s. 24(c), of the State Constitution requires a two-thirds vote of each house for final passage of a bill creating an exemption to the public records requirements.¹⁵⁷ This bill may create an exemption for certain information relating to alleged sexual harassment victims, if it does, the bill requires a two-thirds vote of each house to be enacted.

Public Necessity Statement

Article I, s. 24(c), of the State Constitution requires a bill that creates an exemption to the public records requirements to state with specificity the public necessity justifying the exemption. The bill, in its current form, does not address public necessity for an exemption.

¹⁵⁷ Article X, s. 12(e), of the State Constitution, Rules of Construction, states that a "Vote or other action of a legislative house . . . means the vote or action of a majority or other specified percentage of those members voting on the matter." Accordingly, this two-thirds vote requirement means a favorable two-thirds vote of the members present and voting for final passage.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

Article 1, s. 24(a) of the State Constitution provides that the public has the right to inspect or copy records made or received in connection with official governmental business. This applies to the official business of any public body, officer, or employee of the state, including all three branches of state government, local governmental entities, and any person acting on behalf of the government. Public records laws are codified in ch. 119, F.S., the Public Records Act. Section 119.071(2)(n), F.S., makes confidential and exempt from the public disclosure personal identifying information of an alleged victim of sexual harassment. For the purposes of this public records exemption, “personal identifying information” is undefined.

Section 2 of the bill prohibits an individual working for certain agencies from disseminating “personal identifying information” of a sexual harassment victim to any party other than a governmental entity or pursuant to a court order, under threat of criminal punishment. Section 2 of the bill defines “personal identifying information” for the purposes of s. 284.45, F.S., to include the victim’s name, home address, home and cellular phone numbers, E-mail address, social media account username or URL, or any other information that could reasonably be used to identify the victim.

In some instances, an e-mail address or social media account information may not, in reality, be personally identifying information under the public records exemption codified in s. 119.071(2)(n), F.S. If that is the case, then the language contained in section 2 of the bill may be viewed as an expansion of the public records exemption. If that is the legislative intent, the Legislature should consider the expanded exemption in a separate bill that otherwise meets the constitutional requirements of an exemption to Art. I, s. 24(a) of the State Constitution – namely a public necessity statement and a two-thirds vote of each chamber of the legislature to be enacting.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

The bill does not impact state revenues or expenditures. However, in section 9 of the CS, s. 497.157, F.S., is amended to increase the criminal penalty to a third degree felony for impersonating a funeral director, embalmer, direct disposer, or a preneed sales agent. In addition, in section 22 of the CS, s. 843.08, F.S., relating to false impersonation is amended by expanding the subjects of false impersonation from fire or arson investigators within the Department of Financial Services to all personnel or representatives of the Division of Investigative and Forensic Services. These changes could increase the number of people subject to a felony penalty, but would seem to be insignificant. The Criminal Justice Impact Conference (CJIC) has not adopted a prison bed impact for this legislation.

The bill has an indeterminate negative fiscal impact to the State Risk Management Trust Fund relating to self-insuring firefighter cancer benefits.

VI. Technical Deficiencies:

Section 119.071(2)(n), F.S., provides that personal identifying information of the alleged victim in an allegation of sexual harassment is confidential and exempt. The bill creates s. 284.45, F.S., which defines “personal identifying information” for sexual harassment victims to include the victim’s name, home address, home and cellular phone numbers, E-mail address, social media account username or URL, or any other information that could reasonably be used to identify the victim.

In some instances, an e-mail address or social media account information may not, in reality, be personally identifying information under the public records exemption codified in s. 119.071(2)(n), F.S. If that is the case, then the language contained in the newly created s. 284.45, F.S., may be viewed as an expansion of the public records exemption. If that is the legislative intent, the Legislature should consider the expanded exemption in a separate bill that otherwise meets the constitutional requirements of an exemption to Art. I, sec. 24(a) of the State Constitution – namely a public necessity statement and a 2/3 vote of each chamber of the legislature to be enacting.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 20.121, 284.30, 284.31, 284.385, 497.101, 497.142, 497.157, 497.159, 552.081, 553.7921, 626.2815, 627.70132, 633.102, 633.136, 633.202, 633.304, 633.402, 633.416, 843.08, and 943.045.

The bill substantially amends chapter 2019-140 of the Laws of Florida.

This bill creates sections 284.45, 497.1411, and 633.217 of the Florida Statutes.

IX. Additional Information:**A. Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)**CS/CS by Appropriations on March 3, 2020:**

The committee substitute:

- Adds firefighter cancer benefits provided under s. 112.1816(2), F.S., into the self-insurance coverages provided by the Risk Management Trust Fund and requires the Department of Management Service to validate and approve requests for payment;
- Prohibits retaliatory conduct against a sexual harassment victim;
- Prohibits willful and knowledgeable distribution of a victim's personal identifying information and provides criminal penalties for violations;
- Revises the crimes which must be disclosed in order to apply for a license, and deleted conflicting penalties, under ch. 497, F.S., related to Funeral, Cemetery, and Consumer Services;
- Adds the ability for a Contractor I or II licensee to alter an existing fire sprinkler system involving 249 or fewer sprinkler heads if there is no change in occupancy of the affected areas, no change in the water demand, and the occupancy hazard classification is reduced or remains the same;
- Extends the current expiration date of July 1, 2021 to July 1, 2024, for provisions that allow residents in apartment buildings to place garbage cans containing combustible waste and refuse in exit access corridors during certain hours;
- Creates parity between residential and high rise apartments for compliance with minimum radio strength for fire department communications and two-way radio system enhancements under the Florida Fire Prevention Code and extended the requirement for assessment and compliance by three years;
- Requires existing apartment buildings to complete a minimum radio strength assessment for fire department communications and two-way radio system enhancements under the Florida Fire Prevention Code instead of applying for a permit for the required communication installation by December 31, 2022;
- Specifies that training courses offered by the State Fire College must include a written and a practical element and be approved by the State Fire Marshal;
- Revises the Fire and Emergency Incident Information Reporting Program to include a reference to fire service providers; defined the term "fire service providers" and revised the membership of the Fire and Emergency Incident Information System Technical Advisory Panel to delete two state agency members;
- Reduces from three years to 24 months the timeframe in which an insured can provide notice of a windstorm or hurricane claim while retaining the 36 month time frame for supplemental or reopened claims;
- Increases by one the membership of the Firefighters Employment, Standards, and Training Council;
- Revises the continued education hours required for individuals licensed to solicit, sell, or adjust insurance in the state;
- Extends the Florida Blockchain Task Force report due date to January 31, 2021.

CS by Banking and Insurance on January 21, 2020:

Creates s. 633.217, F.S., prohibiting the act of threatening, coercing, tricking, or attempting to threaten, coerce, or trick, or bribe a firesafety inspector for the purpose of influencing or inducing the firesafety officer to violate any provision of the Florida Fire Prevention Code, any rule adopted by the State Fire Marshal, or any other provision of ch. 633, F.S., which governs Fire Prevention and Control.

B. Amendments:

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill's introducer or the Florida Senate.

By the Committee on Banking and Insurance; and Senator Perry

30 regulation by the Division of State Fire Marshal;
 31 amending s. 553.7921, F.S.; authorizing a contractor
 32 repairing certain existing fire alarm systems to begin
 33 work after filing an application for a required permit
 34 but before receiving the permit; providing
 35 construction; creating s. 633.217, F.S.; prohibiting
 36 certain acts to influence a firesafety inspector into
 37 violating certain laws; prohibiting a firesafety
 38 inspector from knowingly and willfully accepting an
 39 attempt to influence him or her into violating certain
 40 laws; amending s. 633.416, F.S.; providing that
 41 certain persons serving as volunteer firefighters may
 42 serve as a regular or permanent firefighter for a
 43 limited period, subject to certain restrictions;
 44 amending s. 843.08, F.S.; prohibiting false
 45 personation of personnel or representatives of the
 46 Division of Investigative and Forensic Services;
 47 providing criminal penalties; amending s. 943.045,
 48 F.S.; revising the definition of the term "criminal
 49 justice agency" to include the investigations
 50 component of the department which investigates certain
 51 crimes; providing an effective date.

52
 53 Be It Enacted by the Legislature of the State of Florida:

54
 55 Section 1. Paragraph (f) of subsection (2) of section
 56 20.121, Florida Statutes, is amended to read:
 57 20.121 Department of Financial Services.—There is created a
 58 Department of Financial Services.

Page 2 of 15

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-02425-20

20201404c1

59 (2) DIVISIONS.—The Department of Financial Services shall
60 consist of the following divisions and office:

61 (f) The Division of Public Assistance Fraud, which shall
62 function as a criminal justice agency for purposes of ss.
63 943.045-943.08. The division shall conduct investigations
64 pursuant to s. 414.411 within or outside of this state as it
65 deems necessary. If, during an investigation, the division has
66 reason to believe that any criminal law of this state has or may
67 have been violated, it shall refer any records tending to show
68 such violation to state or federal law enforcement or
69 prosecutorial agencies and shall provide investigative
70 assistance to those agencies as required.

71 Section 2. Subsections (1), (2), (3), (6), and (8) of
72 section 497.101, Florida Statutes, are amended to read:

73 497.101 Board of Funeral, Cemetery, and Consumer Services;
74 membership; appointment; terms.—

75 (1) The Board of Funeral, Cemetery, and Consumer Services
76 is created within the Department of Financial Services and shall
77 consist of 10 members, 9 of whom shall be appointed by the
78 Governor from nominations made by the Chief Financial Officer
79 and confirmed by the Senate. The Chief Financial Officer shall
80 nominate one to three persons for each of the nine vacancies on
81 the board, and the Governor shall fill each vacancy on the board
82 by appointing one of the ~~three~~ persons nominated by the Chief
83 Financial Officer to fill that vacancy. If the Governor objects
84 to each of the ~~three~~ nominations for a vacancy, she or he shall
85 inform the Chief Financial Officer in writing. Upon notification
86 of an objection by the Governor, the Chief Financial Officer
87 shall submit one to three additional nominations for that

Page 3 of 15

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-02425-20

20201404c1

88 vacancy until the vacancy is filled. One member must be the
89 State Health Officer or her or his designee.

90 (2) Two members of the board shall be funeral directors
91 licensed under part III of this chapter who are associated with
92 a funeral establishment. One member of the board shall be a
93 funeral director licensed under part III of this chapter who is
94 associated with a funeral establishment licensed under part III
95 of this chapter that has a valid preneed license issued pursuant
96 to this chapter and who owns or operates a cinerator facility
97 approved under chapter 403 and licensed under part VI of this
98 chapter. Two members of the board shall be persons whose primary
99 occupation is associated with a cemetery company licensed
100 pursuant to this chapter. ~~Two~~ Three members of the board shall
101 be consumers who are residents of the state, have never been
102 licensed as funeral directors or embalmers, are not connected
103 with a cemetery or cemetery company licensed pursuant to this
104 chapter, and are not connected with the death care industry or
105 the practice of embalming, funeral directing, or direct
106 disposition. One of the two consumer members shall be at least
107 60 years of age, ~~and one shall be licensed as a certified public~~
108 ~~accountant under chapter 473. One member of the board shall be a~~
109 consumer who is a resident of this state; is licensed as a
110 certified public accountant under chapter 473; has never been
111 licensed as a funeral director or embalmer; is not a principal
112 or employee of any licensee licensed under this chapter; and
113 does not otherwise have control, as defined in s. 497.005, over
114 any licensee licensed under this chapter. One member of the
115 board shall be a principal of a monument establishment licensed
116 under this chapter as a monument builder. One member shall be

Page 4 of 15

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-02425-20 20201404c1

117 the State Health Officer or her or his designee. There shall not
 118 be two or more board members who are principals or employees of
 119 the same company or partnership or group of companies or
 120 partnerships under common control.

121 (3) Board members shall be appointed for terms of 4 years,
 122 and the State Health Officer shall serve as long as that person
 123 holds that office. The designee of the State Health Officer
 124 shall serve at the pleasure of the Governor. ~~When the terms of~~
 125 ~~the initial board members expire, the Chief Financial Officer~~
 126 ~~shall stagger the terms of the successor members as follows: one~~
 127 ~~funeral director, one cemetery representative, the monument~~
 128 ~~builder, and one consumer member shall be appointed for terms of~~
 129 ~~2 years, and the remaining members shall be appointed for terms~~
 130 ~~of 4 years. All subsequent terms shall be for 4 years.~~

131 (6) The headquarters and records of the board shall be in
 132 the Division of Funeral, Cemetery, and Consumer Services of the
 133 Department of Financial Services in the City of Tallahassee. The
 134 board may be contacted through the Division of Funeral,
 135 Cemetery, and Consumer Services of the Department of Financial
 136 Services in the City of Tallahassee. The Chief Financial Officer
 137 shall annually appoint from among the board members a chair and
 138 vice chair of the board. The board shall meet at least every 6
 139 months, and more often as necessary. Special meetings of the
 140 board shall be convened upon the direction of the Chief
 141 Financial Officer. A quorum is necessary for the conduct of
 142 business by the board. Unless otherwise provided by law, a
 143 majority of the board members eligible to vote shall constitute
 144 a quorum for the purpose of conducting its business ~~six board~~
 145 ~~members shall constitute a quorum for the conduct of the board's~~

597-02425-20 20201404c1

146 ~~business.~~

147 ~~(8) The department shall adopt rules establishing forms by~~
 148 ~~which persons may apply for membership on the board and~~
 149 ~~procedures for applying for such membership. Such forms shall~~
 150 ~~require disclosure of the existence and nature of all current~~
 151 ~~and past employments by or contracts with, and direct or~~
 152 ~~indirect affiliations or interests in, any entity or business~~
 153 ~~that at any time was licensed by the board or by the former~~
 154 ~~Board of Funeral and Cemetery Services or the former Board of~~
 155 ~~Funeral Directors and Embalmers or that is or was otherwise~~
 156 ~~involved in the death care industry, as specified by department~~
 157 ~~rule.~~

158 Section 3. Section 497.1411, Florida Statutes, is created
 159 to read:

160 497.1411 Disqualification of applicants and licensees;
 161 penalties against licensees; rulemaking.-

162 (1) For purposes of this section, the term:

163 (a) "Applicant" means an individual applying for licensure
 164 or relicensure under this chapter, and an officer, a director, a
 165 majority owner, a partner, a manager, or other person who
 166 manages or controls an entity applying for licensure or
 167 relicensure under this chapter.

168 (b) "Felony of the first degree" and "capital felony"
 169 include all felonies designated as such in this state at the
 170 time of the commission of the offense, as well as any offense in
 171 another jurisdiction that is substantially similar to an offense
 172 so designated in this state.

173 (c) "Financial services business" means any financial
 174 activity regulated by the department, the Office of Insurance

597-02425-20

20201404c1

175 Regulation, or the Office of Financial Regulation.
 176 (2) An applicant who has been found guilty of or has
 177 pleaded guilty or nolo contendere to any of the following
 178 crimes, regardless of adjudication, is permanently barred from
 179 licensure under this chapter:
 180 (a) A felony of the first degree.
 181 (b) A capital felony.
 182 (c) A felony money laundering offense.
 183 (d) A felony embezzlement.
 184 (3) An applicant who has been found guilty of or has
 185 pleaded guilty or nolo contendere to a crime not included in
 186 subsection (2), regardless of adjudication, is subject to:
 187 (a) A 10-year disqualifying period for all felonies
 188 involving moral turpitude that are not specifically included in
 189 the permanent bar contained in subsection (2).
 190 (b) A 5-year disqualifying period for all felonies to which
 191 neither the permanent bar in subsection (2) nor the 10-year
 192 disqualifying period in paragraph (a) applies.
 193 (c) A 5-year disqualifying period for all misdemeanors
 194 directly related to the financial services business.
 195 (4) The department shall adopt rules to administer this
 196 section. The rules must provide for additional disqualifying
 197 periods due to the commitment of multiple crimes and may include
 198 other factors reasonably related to the applicant's criminal
 199 history. The rules shall provide for mitigating and aggravating
 200 factors. However, mitigation may not result in a period of
 201 disqualification of less than 5 years and may not mitigate the
 202 disqualifying periods in paragraphs (3)(b) and (c).
 203 (5) For purposes of this section, a disqualifying period

Page 7 of 15

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-02425-20

20201404c1

204 begins upon the applicant's final release from supervision or
 205 upon completion of the applicant's criminal sentence. The
 206 department may not issue a license to an applicant unless all
 207 related fines, court costs and fees, and court-ordered
 208 restitution have been paid.
 209 (6) After the disqualifying period has expired, the burden
 210 is on the applicant to demonstrate that he or she has been
 211 rehabilitated, does not pose a risk to the public, is fit and
 212 trustworthy to engage in business regulated by this chapter, and
 213 is otherwise qualified for licensure.
 214 (7) Notwithstanding subsections (2) and (3), upon a grant
 215 of a pardon or the restoration of civil rights pursuant to
 216 chapter 940 and s. 8, Art. IV of the State Constitution with
 217 respect to a finding of guilt or a plea under subsection (2) or
 218 subsection (3), or such pardon or the restoration of civil
 219 rights under the laws of another jurisdiction with respect to a
 220 conviction in that jurisdiction, such finding or plea no longer
 221 bars or disqualifies the applicant from licensure under this
 222 chapter; however, such a pardon or restoration of civil rights
 223 does not require the department to award such license.
 224 (8)(a) The Board of Funeral, Cemetery, and Consumer
 225 Services may grant an exemption from disqualification to any
 226 person disqualified from licensure under this section because of
 227 a criminal record if:
 228 1. The applicant has paid in full any fee, fine, fund,
 229 lien, civil judgment, restitution, or cost of prosecution
 230 imposed by the court as part of the judgment and sentence for
 231 any disqualifying offense; and
 232 2. At least 5 years have elapsed since the applicant

Page 8 of 15

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-02425-20 20201404c1

233 completed or has been lawfully released from confinement,
 234 supervision, or nonmonetary condition imposed by the court for a
 235 disqualifying offense.

236 (b) For the board to grant an exemption under this
 237 subsection, the applicant must clearly and convincingly
 238 demonstrate that he or she would not pose a risk to persons or
 239 property if licensed under this chapter, evidence of which must
 240 include, but need not be limited to, facts and circumstances
 241 surrounding the disqualifying offense, the time that has elapsed
 242 since the offense, the nature of the offense and harm caused to
 243 the victim, the applicant's history before and after the
 244 offense, and any other evidence or circumstances indicating that
 245 the applicant will not present a danger if licensed or
 246 certified.

247 (c) The board has discretion whether to grant or deny an
 248 exemption under this subsection. The board's decision is subject
 249 to chapter 120, except that a formal proceeding under s.
 250 120.57(1) is available only if there are disputed issues of
 251 material fact that the department relied upon in reaching its
 252 decision.

253 Section 4. Present subsections (2) through (5) of section
 254 497.157, Florida Statutes, are redesignated as subsections (4)
 255 through (7), respectively, new subsections (2) and (3) and
 256 subsection (8) are added to that section, and present subsection
 257 (3) of that section is amended, to read:

258 497.157 Unlicensed practice; remedies concerning violations
 259 by unlicensed persons.—

260 (2) A person may not be, act as, or advertise or hold
 261 himself or herself out to be a funeral director, embalmer, or

597-02425-20 20201404c1

262 direct disposer unless he or she is currently licensed by the
 263 department.

264 (3) A person may not be, act as, or advertise or hold
 265 himself or herself out to be a preneed sales agent unless he or
 266 she is currently licensed by the department and appointed by a
 267 preneed main licensee for which they are executing preneed
 268 contracts.

269 (5)(3) Where the department determines that an emergency
 270 exists regarding any violation of this chapter by any unlicensed
 271 person or entity, the department may issue and serve an
 272 immediate final order upon such unlicensed person or entity, in
 273 accordance with s. 120.569(2)(n). Such an immediate final order
 274 may impose such prohibitions and requirements as are reasonably
 275 necessary to protect the public health, safety, and welfare, and
 276 shall be effective when served.

277 (a) For the purpose of enforcing such an immediate final
 278 order, the department may file an emergency or other proceeding
 279 in the circuit courts of the state seeking enforcement of the
 280 immediate final order by injunctive or other order of the court.
 281 The court shall issue its injunction or other order enforcing
 282 the immediate final order pending administrative resolution of
 283 the matter under subsection (4) (2), unless the court determines
 284 that such action would work a manifest injustice under the
 285 circumstances. Venue for judicial actions under this paragraph
 286 shall be, at the election of the department, in the courts of
 287 Leon County, or in a county where the respondent resides or has
 288 a place of business.

289 (b) After serving an immediate final order to cease and
 290 desist upon any person or entity, the department shall within 10

597-02425-20 20201404c1

291 days issue and serve upon the same person or entity an
 292 administrative complaint as set forth in subsection (4) ~~(2)~~,
 293 except that, absent order of a court to the contrary, the
 294 immediate final order shall be effective throughout the pendency
 295 of proceedings under subsection (4) ~~(2)~~.

296 (8) Any person who is not licensed under this chapter and
 297 who engages in activity requiring licensure under this chapter
 298 commits a felony of the third degree, punishable as provided in
 299 s. 775.082, s. 775.083, or s. 775.084.

300 Section 5. Subsection (13) of section 552.081, Florida
 301 Statutes, is amended to read:

302 552.081 Definitions.—As used in this chapter:

303 (13) “Two-component explosives” means any two inert
 304 components which, when mixed, become capable of detonation by
 305 any detonator a No. 6 blasting cap, and shall be classified as a
 306 Class “A” explosive when so mixed.

307 Section 6. Present subsection (2) of section 553.7921,
 308 Florida Statutes, is redesignated as subsection (3), a new
 309 subsection (2) is added to that section, and subsection (1) of
 310 that section is amended, to read:

311 553.7921 Fire alarm permit application to local enforcement
 312 agency.—

313 (1) A contractor must file a Uniform Fire Alarm Permit
 314 Application as provided in subsection (3) ~~(2)~~ with the local
 315 enforcement agency and must receive the fire alarm permit
 316 before+

317 ~~(a)~~ installing or replacing a fire alarm, if the local
 318 enforcement agency requires a plan review for the installation
 319 or replacement;—~~or~~

597-02425-20 20201404c1

320 ~~(b) Repairing an existing alarm system that was previously~~
 321 ~~permitted by the local enforcement agency if the local~~
 322 ~~enforcement agency requires a fire alarm permit for the repair.~~

323 (2) If the local enforcement agency requires a fire alarm
 324 permit to repair an existing alarm system that was previously
 325 permitted by the local enforcement agency, a contractor may
 326 begin work after filing a Uniform Fire Alarm Permit Application
 327 as provided in subsection (3). A fire alarm repaired pursuant to
 328 this subsection may not be considered compliant until the
 329 required permit is issued and the local enforcement agency
 330 approves the repair.

331 Section 7. Section 633.217, Florida Statutes, is created to
 332 read:

333 633.217 Influencing a firesafety inspector; prohibited
 334 acts.—

335 (1) A person may not influence a firesafety inspector by:

336 (a) Threatening, coercing, tricking, or attempting to
 337 threaten, coerce, or trick, the firesafety inspector into
 338 violating any provision of the Florida Fire Prevention Code, any
 339 rule adopted by the State Fire Marshal, or any provision of this
 340 chapter.

341 (b) Offering any compensation to the firesafety inspector
 342 to induce a violation of the Florida Fire Prevention Code, any
 343 rule adopted by the State Fire Marshal, or any provision of this
 344 chapter.

345 (2) A firesafety inspector may not knowingly and willfully
 346 accept an attempt by a person to influence the firesafety
 347 inspector into violating any provision of the Florida Fire
 348 Prevention Code, any rule adopted by the State Fire Marshal, or

597-02425-20

20201404c1

349 any provision of this chapter.

350 Section 8. Subsection (1) of section 633.416, Florida
351 Statutes, is amended to read:

352 633.416 Firefighter employment and volunteer firefighter
353 service; saving clause.—

354 (1) A fire service provider may not employ an individual
355 to:

356 (a) Extinguish fires for the protection of life or property
357 or to supervise individuals who perform such services unless the
358 individual holds a current and valid Firefighter Certificate of
359 Compliance. However, a person who is currently serving as a
360 volunteer firefighter and holds a volunteer firefighter
361 certificate of completion with a fire service provider, who is
362 then employed as a regular or permanent firefighter by such fire
363 service provider, may function, for a period of 1 year under the
364 direct supervision of an individual holding a valid firefighter
365 certificate of compliance, in the same capacity in which he or
366 she acted as a volunteer firefighter, provided that he or she
367 has completed all training required by the volunteer
368 organization. Under no circumstance can this period extend
369 beyond 1 year either collectively or consecutively from the
370 start of employment to obtain a Firefighter Certificate of
371 Compliance; or

372 (b) Serve as the administrative and command head of a fire
373 service provider for a period in excess of 1 year unless the
374 individual holds a current and valid Firefighter Certificate of
375 Compliance or Special Certificate of Compliance.

376 Section 9. Section 843.08, Florida Statutes, is amended to
377 read:

Page 13 of 15

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-02425-20

20201404c1

378 843.08 False personation.—A person who falsely assumes or
379 pretends to be a firefighter, a sheriff, an officer of the
380 Florida Highway Patrol, an officer of the Fish and Wildlife
381 Conservation Commission, an officer of the Department of
382 Environmental Protection, ~~a fire or arson investigator of the~~
383 ~~Department of Financial Services,~~ an officer of the Department
384 of Financial Services, any personnel or representative of the
385 Division of Investigative and Forensic Services, an officer of
386 the Department of Corrections, a correctional probation officer,
387 a deputy sheriff, a state attorney or an assistant state
388 attorney, a statewide prosecutor or an assistant statewide
389 prosecutor, a state attorney investigator, a coroner, a police
390 officer, a lottery special agent or lottery investigator, a
391 beverage enforcement agent, a school guardian as described in s.
392 30.15(1)(k), a security officer licensed under chapter 493, any
393 member of the Florida Commission on Offender Review or any
394 administrative aide or supervisor employed by the commission,
395 any personnel or representative of the Department of Law
396 Enforcement, or a federal law enforcement officer as defined in
397 s. 901.1505, and takes upon himself or herself to act as such,
398 or to require any other person to aid or assist him or her in a
399 matter pertaining to the duty of any such officer, commits a
400 felony of the third degree, punishable as provided in s.
401 775.082, s. 775.083, or s. 775.084. However, a person who
402 falsely personates any such officer during the course of the
403 commission of a felony commits a felony of the second degree,
404 punishable as provided in s. 775.082, s. 775.083, or s. 775.084.
405 If the commission of the felony results in the death or personal
406 injury of another human being, the person commits a felony of

Page 14 of 15

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-02425-20

20201404c1

407 the first degree, punishable as provided in s. 775.082, s.
408 775.083, or s. 775.084.

409 Section 10. Paragraph (f) is added to subsection (11) of
410 section 943.045, Florida Statutes, to read:

411 943.045 Definitions; ss. 943.045-943.08.—The following
412 words and phrases as used in ss. 943.045-943.08 shall have the
413 following meanings:

414 (11) "Criminal justice agency" means:

415 (f) The investigations component of the Department of
416 Financial Services which investigates the crimes of fraud and
417 official misconduct in all public assistance given to residents
418 of the state or provided to others by the state.

419 Section 11. This act shall take effect July 1, 2020.

The Florida Senate

Committee Agenda Request

To: Senator Rob Bradley, Chair
Committee on Appropriations

Subject: Committee Agenda Request

Date: February 24, 2020

I respectfully request that **Senate Bill #1404**, relating to Department of Financial Services, be placed on the:

- committee agenda at your earliest possible convenience.
- next committee agenda.

A handwritten signature in black ink that reads "W. Keith Perry". The signature is written in a cursive style and is positioned above a horizontal line.

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CSCS/SB 1440 requires the Department of Children and Families (DCF) and the Agency for Health Care Administration (AHCA) to identify children, adolescents, and young adults age 25 and under, who are the highest users of crisis stabilization services and collaboratively take action to meet the behavioral health needs of such children. The bill directs these agencies to jointly submit a quarterly report to the Legislature during Fiscal Years 2020-2021 and 2021-2022 on the actions taken by both agencies to better serve these individuals.

The bill requires the behavioral health managing entities (MEs) to develop a plan that promotes the development and implementation of a coordinated system of care for children, adolescents, and young adults to integrate behavioral health services provided through state-funded child serving systems, to facilitate access to mental health and substance abuse treatment and services. The bill requires the DCF to contract with the MEs for crisis response services provided through mobile response teams (MRTs) to provide immediate, onsite behavioral health services 24 hours per day, seven days per week with onsite response time of 60 minutes from the time the request for services is made.

In order to procure contracts with MRTs, the MEs must collaborate with local sheriff's offices and public schools in the selection process. The bill also requires that the provider establish response protocols with local law enforcement agencies, community-based care (CBC) lead agencies, the child welfare system, and the Department of Juvenile Justice (DJJ), and requires

access to psychiatrists or psychiatric nurse practitioners, and requires MRTs to refer children, adolescents, or young adults and their families to an array of crisis response services that address their individual needs.

The bill requires the ME to promote the use of available crisis intervention services by requiring contracted providers to provide to parents and caregivers who receive safety-net behavioral health services with MRT contact information.

The bill amends foster parent preservice training requirements to include local MRT contact information and requires community-based care (CBC) lead agencies to provide MRT contact information to all individuals that provide care for dependent children.

The bill requires the DCF and the AHCA to assess the quality of care provided in crisis stabilization units to children and adolescents who are high utilizers of such services and submit a joint report to the Governor and Legislature. The bill also requires the AHCA to regularly test managed care plan provider network databases to ensure that behavioral health providers are accepting enrollees and confirm that enrollees have access to behavioral health systems.

The bill has an indeterminate, but likely insignificant, fiscal impact on state expenditures. See Section V.

The bill takes effect July 1, 2020.

II. Present Situation:

The Department of Children and Families (DCF) administers a statewide system of safety-net services for substance abuse and mental health (SAMH) prevention, treatment and recovery for children and adults who are otherwise unable to obtain these services. SAMH programs include a range of prevention, acute interventions (e.g. crisis stabilization), residential treatment, transitional housing, outpatient treatment, and recovery support services. Services are provided based upon state and federally established priority populations.

Behavioral Health Managing Entities

In 2001, the Legislature authorized the DCF to implement behavioral health managing entities (MEs) as the management structure for the delivery of local mental health and substance abuse services.¹ The implementation of the ME system initially began on a pilot basis and, in 2008, the Legislature authorized the DCF to implement MEs statewide.² Full implementation of the statewide managing entity system occurred by April, 2013; all geographic regions are now served by a managing entity.³

The DCF contracts with seven MEs - Big Bend Community Based Care, Lutheran Services Florida, Central Florida Cares Health System, Central Florida Behavioral Health Network, Inc.,

¹ Chapter 2001-191, Laws of Fla.

² Chapter 2008-243, Laws of Fla.

³ *The Department of Children and Families Performance and Accountability System for Behavioral Health Managing Entities*, Office of Program Policy Analysis and Government Accountability, July 18, 2014.

Southeast Florida Behavioral Health, Broward Behavioral Health Network, Inc., and South Florida Behavioral Health Network, Inc., that in turn contract with local service providers⁴ for the delivery of mental health and substance abuse services:⁵

Baker Act

In 1971, the Legislature passed the Florida Mental Health Act (also known as “The Baker Act”) to address the mental health needs of individuals in the state. The Baker Act allows for voluntary and, under certain circumstances, involuntary, examinations of individuals suspected of having a mental illness and presenting a threat of harm to themselves or others. The Baker Act also establishes procedures for courts, law enforcement, and certain health care practitioners to initiate such examinations and then act in response to the findings.

Individuals in acute mental or behavioral health crisis may require emergency treatment to stabilize their condition. Emergency mental health examination and stabilization services may be provided on a voluntary or involuntary basis.⁶ An involuntary examination is required if there is reason to believe that the person has a mental illness and because of his or her mental illness:⁷

- The person has refused voluntary examination after conscientious explanation and disclosure of the purpose of the examination or is unable to determine for himself or herself whether examination is necessary; and
- Without care or treatment, the person is likely to suffer from neglect or refuse to care for himself or herself; such neglect or refusal poses a real and present threat of substantial harm to his or her well-being; and it is not apparent that such harm may be avoided through the help of willing family members or friends or the provision of other services; or
- There is a substantial likelihood that without care or treatment the person will cause serious bodily harm to himself or herself or others in the near future, as evidenced by recent behavior.

Involuntary Admissions

Involuntary patients must be taken to either a public or a private facility that has been designated by the Department of Children and Families (DCF) as a Baker Act receiving facility. The purpose of receiving facilities is to receive and hold or refer, as appropriate, involuntary patients under emergency conditions for mental health or substance abuse evaluation and to provide treatment or transportation to the appropriate service provider.⁸

Within the 72-hour examination period, or if the 72 hours ends on a weekend or holiday, no later than the next business day, one of the following must occur:

- The patient must be released, unless he or she is charged with a crime, in which case law enforcement will assume custody;

⁴ Managing entities create and manage provider networks by contracting with service providers for the delivery of substance abuse and mental health services.

⁵ The Department of Children and Families, *Managing Entities*, <https://www.myflfamilies.com/service-programs/samh/managing-entities/> (last visited Jan. 30, 2020).

⁶ Sections 394.4625 and 394.463, F.S.

⁷ Section 394.463(1), F.S.

⁸ Section 394.455(39), F.S. This term does not include a county jail.

- The patient must be released for voluntary outpatient treatment;
- The patient, unless charged with a crime, must give express and informed consent to a placement as a voluntary and admitted as a voluntary patient; or
- A petition for involuntary placement must be filed in circuit court for involuntary outpatient or inpatient treatment.⁹

Receiving facilities must give prompt notice¹⁰ of the whereabouts of a patient who is being involuntarily held for examination to the patient's guardian,¹¹ guardian advocate,¹² health care surrogate or proxy, attorney, and representative.¹³ If the patient is a minor, the receiving facility must give prompt notice to the minor's parent, guardian, caregiver, or guardian advocate. Notice for an adult may be provided within 24 hours of arrival; however, notice for a minor must be provided immediately after the minor's arrival at the facility. The facility may delay the notification for a minor for up to 24 hours if it has submitted a report to the central abuse hotline. The receiving facility must attempt to notify the minor's parent, guardian, caregiver, or guardian advocate until it receives confirmation that the notice has been received. Attempts must be repeated at least once every hour during the first 12 hours after the minor's arrival and then once every 24 hours thereafter until confirmation is received, the minor is released, or a petition for involuntary services is filed with the court.¹⁴

Task Force Report on Involuntary Examination of Minors

In 2017, the Legislature created a task force within the DCF to address the issue of involuntary examination of minors ages 17 years old or younger. The task force was composed of stakeholders from the education, mental health, law enforcement, and legal fields. The task force reported its findings and recommendations to the Governor, the President of the Senate, and the Speaker of the House of Representatives on November 15, 2017¹⁵.

Analysis by the Task Force

Based on an analysis of available data regarding involuntary examinations of minors, the task force found that:¹⁶

- Involuntary examinations for children occur in varying degrees across counties.
- There is an increasing trend statewide and in certain counties to initiate involuntary examinations of minors.

⁹ Section 394.463(2)(g), F.S.

¹⁰ Notice may be provided in person or by telephone; however, in the case of a minor, notice may also be provided by other electronic means. *See* s. 394.455(2), F.S.

¹¹ "Guardian" means the natural guardian of a minor, or a person appointed by a court to act on behalf of a ward's person if the ward is a minor or has been adjudicated incapacitated. *See* s. 394.455(17), F.S.

¹² "Guardian advocate" means a person appointed by a court to make decisions regarding mental health treatment on behalf of a patient who has been found incompetent to consent to treatment. *See* s. 394.455(18), F.S.

¹³ Section 394.4599(2)(b), F.S.

¹⁴ Section 394.4599(c), F.S.

¹⁵ The Department of Children and Families, Office of Substance Abuse and Mental Health, Task Force Report on Involuntary Examination of Minors, (Nov. 15, 2017), available at: <http://www.dcf.state.fl.us/service-programs/samh/publications/> (last visited January 30, 2020).

¹⁶ *Id.*

- The seasonal pattern shows that involuntary examinations are more common when school is in session.
- Some children have multiple involuntary examinations, although most children who have an involuntary examination have only one.
- Decreases in juvenile arrests correlate with increases of involuntary examinations of children, although it is important to note that the analyses did not show a causal link and there has been a long pattern of decreases in juvenile crime over more than a decade.
- While recent increases in involuntary examinations in certain counties are deserving of focus, a more important focus needs to be on counties that have high rates of involuntary examination. Counties with high rates are, for the most part, not the same counties with the recent increases.
- The most common involuntary examination for children is initiated by law enforcement based on evidence of harm to self.
- The majority of involuntary examinations initiated for children by mental health professionals are initiated by physicians, followed by licensed mental health counselors, and clinical social workers, with many fewer initiated by psychologists, psychiatric nurses, marriage and family therapists, and physicians' assistants.

Recommendations by the Task Force

The task force made six recommendations for encouraging alternatives to and eliminating inappropriate initiations of involuntary examinations of minors under the Baker Act:¹⁷ The recommendations are:

- Fund an adequate network of prevention and early intervention services so that mental health challenges are addressed prior to becoming a crisis.
- Expand access to outpatient crisis intervention services and treatment.
- Create within the DCF the “Invest in the Mental Health of our Children” grant program to provide matching funds to counties that can be used to plan, implement, or expand initiatives that increase public safety, avert increased mental health spending, and improve the accessibility and effectiveness of prevention and intervention services for children who have a diagnosed mental illness or co-occurring mental health and substance use disorder.
- Encourage school districts, through legislative intent language, to adopt a standardized suicide assessment tool that school-based mental health professionals would implement prior to initiation of a Baker Act examination.¹⁸
- Revise s. 394.463, F.S., to include school psychologists licensed under ch. 490, F.S., on the list of mental health professionals who are qualified to initiate a Baker Act.
- Require Youth Mental Health First Aid or Crisis Intervention Team (CIT)¹⁹ training for school resource officers and other law enforcement officers who initiate Baker Act examinations from schools.

¹⁷ *Id.*

¹⁸ The Task Force found that data supports the conclusion that implementation of risk assessment protocols significantly reduced the number of children and youth who received Baker Act initiations in school districts across the state.

¹⁹ U.S. Department of Health and Human Services, *Crisis Intervention Team (CIT) Methods for Using Data to Inform Practice: A Step-by-Step Guide*, 2018, available at: <https://store.samhsa.gov/system/files/sma18-5065.pdf>, states that: “CIT training is an effective law enforcement response program designed for first responders who handle crisis situations involving individuals with mental illness or co-occurring disorders. It emphasizes a partnership between law enforcement, the mental health and substance abuse treatment system, mental health advocacy groups, and consumers of mental health

Additionally, the task force recommended amending s. 394.463, F.S., to increase the timeframe from the next working day to five working days in which a receiving facility has to submit forms to the DCF required by s. 394.463, F.S. The task force determined that this change would allow the department to capture data on whether the minor was admitted, released, or a petition filed with the court.²⁰

The DCF subsequently released an updated version of the report in 2019.²¹ The report revealed that some crisis stabilization units are not meeting the needs of children and adolescents with significant behavioral health needs, contributing to multiple exams.

The 2019 report found there were 205,781 involuntary examinations in Fiscal Year 2017-2018, 36,078 of which were of minors.²² From Fiscal Years 2013-2014 to 2017-2018, statewide involuntary examinations increased nearly 19 percent for children.²³ Children have a larger increase in examinations compared to young adults ages 18 to 24 (over 14 percent) and adults (over 12 percent).²⁴ Additionally, nearly 23 percent of minors had multiple involuntary examinations in Fiscal Year 2017-2018, ranging from 2 to 19 examinations.²⁵ The DCF identified 21 minors who had more than 10 involuntary examinations in Fiscal Year 2017-2018, with a combined total of 285 initiations.²⁶ The DCF's review of medical records found:²⁷

- Most initiations were a result of minors harming themselves and were predominately initiated by law enforcement (88 percent);
- Many minors were involved in the child welfare system and most experienced significant family dysfunction;
- Most had Medicaid health insurance;
- Most experienced multiple traumas such as abuse, bullying, exposure to violence, parental incarceration, and parental substance abuse and mental health issues;
- Most had behavioral disorders of childhood, such as ADHD or Oppositional Defiant Disorder, followed by mood disorders, followed by anxiety disorders;
- Most involuntary examinations were initiated at home or at a behavioral health provider; and
- Discharge planning and care coordination by the receiving facilities was not adequate enough to meet the child's needs.

The 2019 report recommended:

- Increasing care coordination for minors with multiple involuntary examinations;

services and their families. Additionally, this training offers evidence-informed techniques designed to calm the individual in crisis down, reduces reliance on the Baker Act as a means of handling the crisis, and informs individuals of local resources that are available to people in need of mental health services and supports.”

²⁷ *Id.*

- Utilizing the wraparound care coordination approach for children with complex behavioral health needs and multi-system involvement to ensure one point of accountability and individualized care planning;
- Utilizing existing local review teams;
- Revising administrative rules to gather more information about actions taken after the initiation of exams, require electronic submission of forms, and improve care coordination and discharge planning;
- Funding an additional staff position in the DCF to provide technical assistance; and
- Ensuring that parents receive information about mobile crisis response teams and other community resources and supports upon child's discharge.

Mobile Response Teams

Mobile response teams (MRTs) provide readily available crisis care in a community-based setting and increase opportunities to stabilize individuals in the least restrictive setting to avoid the need for jail or hospital/emergency department utilization.²⁸ Early intervention services are critical to reducing involuntary examinations in minors and there are areas across the state where options short of involuntary examination via the Baker Act are limited or nonexistent. MRTs are available to individuals 25 years of age and under, regardless of their ability to pay, and must be ready to respond to any mental health emergency.²⁹ Telehealth can be used to provide direct services to individuals via video-conferencing systems, mobile phones, and remote monitoring. Telehealth can also be used to provide assessments and follow-up consultation as well as initial triage to determine if an in-person visit is needed to respond to the crisis call.³⁰

In Fiscal Year 2018-2019, the Legislature funded additional mobile response teams to serve areas of the state that were not being served by such teams at a total cost of \$18.3 million.³¹ There are currently 40 MRTs serving all 67 Florida counties, targeting services to individuals ages 25 and under. Recent MRT monthly reports showed an 80 percent statewide average of diverting individuals from involuntary examination.³²

The DCF established a framework to guide procurement of MRTs. This framework suggests that the procurement:

- Be conducted with the collaboration of local Sheriff's Offices and public schools in the procurement planning, development, evaluation, and selection process;
- Be designed to ensure reasonable access to services among all counties in the Managing Entity's service region, taking into consideration the geographic location of existing mobile crisis teams;
- Require services be available 24 hours per day, seven days per week with on-site response time to the location of referred crises within 60 minutes of the request for services;

²⁸ The Department of Children and Families, *Mobile Response Teams Framework*, (Aug. 29, 2018), p. 4, available at: <https://www.myflfamilies.com/service-programs/samh/publications/docs/Mobile%20Response%20Framework.pdf> (last visited Jan. 30, 2020).

²⁹ *Id.*

³⁰ *Id.*

³¹ Chapter 2018-003, Laws of Fla.

³² *Id.*

- Require the Network Service Provider to establish formalized written agreements to establish response protocols with local law enforcement agencies and local school districts or superintendents;
- Require access to a board-certified or board-eligible Psychiatrist or Psychiatric Nurse Practitioner; and
- Provide for an array of crisis response services that are responsive to the individual and family needs, including screening, standardized assessments, early identification, or linkage to community services as necessary to address the immediate crisis event.

III. Effect of Proposed Changes:

Section 1 amends s. 394.493, F.S., requiring the DCF and the AHCA to identify children and adolescents that are high utilizers of crisis stabilization services beginning in Fiscal Years 2020-2021 through 2021-2022. The bill requires both agencies to use this information to meet the behavioral health needs of these children within existing resources. The bill also requires the DCF and the AHCA to jointly submit quarterly reports to the Legislature listing the actions taken to address those needs.

Section 2 amends s. 394.495 F.S., requiring the DCF to contract with the MEs for crisis response services provided through MRTs throughout the state to provide immediate, onsite behavioral health services to children and young adults through age 25. The bill provides that mobile response services must be available to children and young adults:

- With an emotional disturbance;
- Experiencing an acute mental health or emotional crisis;
- Experiencing escalating emotional or behavioral [health] symptoms that effect their ability to function within their community; or
- Children served by the child welfare system experiencing placement instability.

The bill requires mobile response services to respond to new requests for services within 60 minutes in the location where the crisis is occurring. Services must be responsive to the needs of the child, young adult, and their family. Services must be evidence-based, enabling the individuals served to independently and effectively deescalate, reducing the possibility for future crises. MRT services must include screening, standardized assessment, and referral to community services and engage children, young adults, and their families as active participants in the process when possible. The bill also requires that MRT providers develop a care plan, provide care coordination by facilitating referrals to community-based services, establish a process for obtaining informed consent, promote information sharing and the use of innovative technology, coordinate with the ME and other service providers and interested parties including schools, the Multiagency Network for Students with Emotional/Behavioral Disabilities (SEDNET), the child welfare system, and the DJJ.

When procuring MRT providers under the bill, MEs must:

- Collaborate with local law enforcement agencies and public schools in the planning, development, evaluation and selection processes;
- Require that services must be available 24 hours a day, seven days a week, with onsite response time to the location of the crisis within 60 minutes;

- Require the MRT provider to establish protocols with law enforcement agencies, community-based care lead agencies (CBCs), the child welfare system, and the DJJ;
- Require access to a board certified or board eligible psychiatrist or psychiatric nurse practitioner; and
- Require MRTs to develop referral processes for individuals served to an array of crisis response services that address individual and family needs, including screening, standardized assessments, early identification, and community services to address the immediate crisis.

Section 3 creates s. 394.4955, F.S., requiring each ME to develop a plan that promotes the development and effective implementation of a coordinated system of care to integrate services provided and funded through the state child serving systems to facilitate access to needed mental health services. The development of the plan must include a planning process led by the ME and must include the DCF, individuals served and their families, behavioral health providers, law enforcement agencies, school districts or superintendents, the SEDNET, representatives from the child welfare system, the DJJ, early learning coalitions, the AHCA, the Agency for Persons with Disabilities, Medicaid managed medical assistance plans, and other community partners. The bill requires that during the planning process, the ME and the collaborating organizations consider the geographical distribution of the population, needs, and resources, and create separate plans for each county or multi-county area to maximize local collaboration and communication.

To the extent permitted by available resources, the local coordinated system of care must include the services listed in s. 394.495, F.S. The bill also requires each local plan to be integrated with the local designated receiving system plan developed under s. 394.4573, F.S., and must document each coordinated system of care through written memoranda of understanding or other binding arrangements. The ME and collaborating organizations must also create integrated service delivery approaches within current resources that facilitate parents and caregivers obtaining services and supports by making referrals to specialized treatment providers, if necessary, with follow-up to ensure services are received as part of the plan. MEs must complete plans by July 1, 2021, for submission to the DCF. The ME and collaborating organizations are required to implement the coordinated system of care as specified in the plan by July 1, 2022, and must review and update, as necessary, the plans every three years thereafter. When implementing the coordinated system of care, MEs must also identify gaps in the services arrays that are listed in s. 394.495, F.S., for each plan and include any relevant information in their needs assessment required by s. 394.9082, F.S.

Section 4 amends s. 394.9082, F.S., requiring the DCF to consider adolescents who require assistance in transitioning to services provided by the adult system of care when defining the priority populations that will benefit receiving care coordination. The bill requires MEs to include a list and descriptions of gaps in the array of services for children and adolescents identified pursuant to s. 394.4955, F.S., and recommendations for addressing these gaps. The bill also requires MEs to promote the use of available crisis intervention services by requiring contracted service providers to provide MRT contact information to parents and caregivers of children, adolescents, and young adults between ages 18 and 25, who receive safety-net behavioral health services.

Section 5 amends s. 409.175, F.S., requiring preservice training for foster parents to include information about the local MRT, including contact information, as a means for addressing any behavioral health crisis or to prevent placement disruption.

Section 6 amends s. 409.967, F.S., requiring the AHCA to conduct or contract for systematic and continuous testing of provider network databases maintained by managed care plans in order to confirm that behavioral health providers are accepting enrollees, and confirm that enrollees have access to behavioral health services.

Section 7 amends s. 409.988, F.S., requiring that the CBCs ensure that all individuals providing care for dependent children receive contact information for the local MRTs.

Section 8 amends s. 985.601, F.S., requiring the DJJ to participate in the planning process for promoting a coordinated system of care for children and adolescents established in section 3 of the bill.

Section 9 amends s. 1003.02, F.S., requiring district school boards to participate in the planning process for promoting a coordinated system of care for children and adolescents established in section 3 of the bill.

Section 10 amends s. 1004.44, F.S., requiring the Louis De La Parte Florida Mental Health Institute (FMHI)³³ within the University of South Florida, to develop a model response protocol for schools to utilize MRTs by August 1, 2020 and sets minimum requirements for the response protocol. The FMHI must consult with school districts that effectively work with MRTs, school districts that use MRTs less often, law enforcement agencies, the DCF, MEs, and MRT providers.

Section 11 amends s. 1006.04, F.S., requiring the SEDNET to participate in the planning process for promoting a coordinated system of care for children and adolescents as established in section 3 of the bill.

Section 12 requires the DCF and the AHCA to assess the quality of care provided in crisis stabilization units to children and adolescents who are high utilizers of services. The bill requires the DCF and the AHCA to review current laws regarding licensure and designation under s. 394.461, F.S., and compare standards to other states and national standards to make recommendations for improvements. This assessment shall address efforts by facilities to gather and assess information regarding the child or adolescent, to create comprehensive discharge plans to effectively address the needs of the child to help avoid or reduce the need for future crisis stabilization services.

The bill requires the DCF and the AHCA to jointly submit a report of the findings and recommendations to the Governor, the Senate President, and the Speaker of the House of Representatives by November 15, 2020.

³³ The Louis De La Parte Florida Mental Health Institute is housed within the College of Behavioral and Community Sciences at the University of South Florida. Available at: <https://www.usf.edu/cbcs/fmhi/>.

Section 13 provides an effective date of July 1, 2020.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

Private sector providers of behavioral health services for children, adolescents, and adults ages 25 and under, will need to revise policies and procedures, generate new forms, and provide training to service provider staff and administrators on the new requirements in the bill. Additional staff may be required for some providers to meet the increased need for services and revised patient response time requirements. The fiscal impact of these changes is indeterminate.

The additional responsibilities under the bill will create a significant fiscal impact for MRTs. Requiring services to be provided within 60 minutes of a request will be difficult to provide given the current strained capacity of MRTs and that MRTs often provide services remotely (via telehealth or other means of electronic communication). Additionally, there will be a significant fiscal impact to MRTs if the teams are responsible for on-going care. Currently, MRTs are responsible for the hand off and transition to ongoing behavioral health and wraparound services. The agency or agencies are responsible for providing ongoing services to ensure the active participation of parents and children and continued treatment.

C. Government Sector Impact:**Department of Children and Families**

The DCF estimates that it will require one additional full-time employee (FTE) to carry out the duties of coordinating care for children and adolescents that are high utilizers of crisis stabilization services. The department estimates the recurring cost for the position to be \$85,281 from the General Revenue Fund.³⁴ However, the department should be able to absorb the additional workload within existing department resources.

To the extent more children and their families are referred to behavioral health services, a managing entity may incur an administrative workload increase.

The Agency for Health Care Administration

The AHCA estimates that it will require two additional FTEs to implement the behavioral health network adequacy requirements and data analysis outline in the bill. The agency estimates that the two staff positions will result in recurring costs of \$173,174 with \$86,587 being funded from the General Revenue Fund. However, the department should be able to absorb the additional workload within existing department resources.

School Districts

The bill requires public schools to collaborate with MEs in the planning, development evaluation and selection of MRT service providers. The fiscal impact to the school districts is expected to be insignificant.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 394.493, 394.495, 394.9082, 409.175, 409.967, 409.988, 985.601, 1003.02, 1004.44, and 1006.04.

This bill creates section 394.4955 of the Florida Statutes.

³⁴ The Department of Children and Families Agency Analysis, HB 945, Dec. 19, 2019. On file with the Senate Children, Families, and Elder Affairs Committee.

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS/CS by Appropriations on March 3, 2020:

The committee substitute:

- Removes the requirement for school districts to:
 - Develop agreements with managing entities for the referral of students to community-based behavioral health providers in order to receive mental health assistance allocation funding.
 - Use the services of MRTs to the extent services are available.

CS by Children, Families, and Elder Affairs on February 4, 2020:

- Requires the AHCA to continually test the managed care plan provider network databases to ensure that behavioral health providers are accepting enrollees and confirm that enrollees have access to behavioral health systems.

- B. **Amendments:**

None.

20201440c1

1 A bill to be entitled
2 An act relating to children's mental health; amending
3 s. 394.493, F.S.; requiring the Department of Children
4 and Families and the Agency for Health Care
5 Administration to identify certain children and
6 adolescents who use crisis stabilization services
7 during specified fiscal years; requiring the
8 department and agency to collaboratively meet the
9 behavioral health needs of such children and
10 adolescents and submit a quarterly report to the
11 Legislature; amending s. 394.495, F.S.; including
12 crisis response services provided through mobile
13 response teams in the array of services available to
14 children and adolescents; requiring the department to
15 contract with managing entities for mobile response
16 teams to provide certain services to certain children,
17 adolescents, and young adults; providing requirements
18 for such mobile response teams; providing requirements
19 for managing entities when procuring mobile response
20 teams; creating s. 394.4955, F.S.; requiring managing
21 entities to develop a plan promoting the development
22 of a coordinated system of care for certain services;
23 providing requirements for the planning process;
24 requiring each managing entity to submit such plan by
25 a specified date; requiring the entities involved in
26 the planning process to implement such plan by a
27 specified date; requiring that such plan be reviewed
28 and updated periodically; amending s. 394.9082, F.S.;

29 revising the duties of the department relating to

586-03119-20

20201440c1

30 priority populations that will benefit from care
31 coordination; requiring that a managing entity's
32 behavioral health care needs assessment include
33 certain information regarding gaps in certain
34 services; requiring a managing entity to promote the
35 use of available crisis intervention services;
36 amending s. 409.175, F.S.; revising requirements
37 relating to preservice training for foster parents;
38 amending s. 409.967, F.S.; requiring the agency to
39 conduct, or contract for, the testing of provider
40 network databases maintained by Medicaid managed care
41 plans for specified purposes; amending s. 409.988,
42 F.S.; revising the duties of a lead agency relating to
43 individuals providing care for dependent children;
44 amending s. 985.601, F.S.; requiring the Department of
45 Juvenile Justice to participate in the planning
46 process for promoting a coordinated system of care for
47 children and adolescents; amending s. 1003.02, F.S.;

48 requiring each district school board to participate in
49 the planning process for promoting a coordinated
50 system of care; amending s. 1004.44, F.S.; requiring
51 the Louis de la Parte Florida Mental Health Institute
52 to develop, in consultation with other entities, a
53 model response protocol for schools; amending s.
54 1006.04, F.S.; requiring the educational multiagency
55 network to participate in the planning process for
56 promoting a coordinated system of care; amending s.
57 1011.62, F.S.; revising the elements of a plan
58 required for school district funding under the mental

586-03119-20

20201440c1

59 health assistance allocation; requiring the Department
60 of Children and Families and the Agency for Health
61 Care Administration to assess the quality of care
62 provided in crisis stabilization units to certain
63 children and adolescents; requiring the department and
64 agency to review current standards of care for certain
65 settings and make recommendations; requiring the
66 department and agency to jointly submit a report to
67 the Governor and the Legislature by a specified date;
68 providing an effective date.

70 Be It Enacted by the Legislature of the State of Florida:

71
72 Section 1. Subsection (4) is added to section 394.493,
73 Florida Statutes, to read:

74 394.493 Target populations for child and adolescent mental
75 health services funded through the department.—

76 (4) Beginning with fiscal year 2020-2021 through fiscal
77 year 2021-2022, the department and the Agency for Health Care
78 Administration shall identify children and adolescents who are
79 the highest utilizers of crisis stabilization services. The
80 department and agency shall collaboratively take appropriate
81 action within available resources to meet the behavioral health
82 needs of such children and adolescents more effectively, and
83 shall jointly submit to the Legislature a quarterly report
84 listing the actions taken by both agencies to better serve such
85 children and adolescents.

86 Section 2. Paragraph (q) is added to subsection (4) of
87 section 394.495, Florida Statutes, and subsection (7) is added

Page 3 of 21

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

586-03119-20

20201440c1

88 to that section, to read:

89 394.495 Child and adolescent mental health system of care;
90 programs and services.—

91 (4) The array of services may include, but is not limited
92 to:

93 (q) Crisis response services provided through mobile
94 response teams.

95 (7) (a) The department shall contract with managing entities
96 for mobile response teams throughout the state to provide
97 immediate, onsite behavioral health crisis services to children,
98 adolescents, and young adults ages 18 to 25, inclusive, who:

99 1. Have an emotional disturbance;

100 2. Are experiencing an acute mental or emotional crisis;

101 3. Are experiencing escalating emotional or behavioral
102 reactions and symptoms that impact their ability to function
103 typically within the family, living situation, or community
104 environment; or

105 4. Are served by the child welfare system and are
106 experiencing or are at high risk of placement instability.

107 (b) A mobile response team shall, at a minimum:

108 1. Respond to new requests for services within 60 minutes
109 after such requests are made.

110 2. Respond to a crisis in the location where the crisis is
111 occurring.

112 3. Provide behavioral health crisis-oriented services that
113 are responsive to the needs of the child, adolescent, or young
114 adult and his or her family.

115 4. Provide evidence-based practices to children,
116 adolescents, young adults, and families to enable them to

Page 4 of 21

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

586-03119-20

20201440c1

117 independently and effectively deescalate and respond to
 118 behavioral challenges that they are facing and to reduce the
 119 potential for future crises.

120 5. Provide screening, standardized assessments, early
 121 identification, and referrals to community services.

122 6. Engage the child, adolescent, or young adult and his or
 123 her family as active participants in every phase of the
 124 treatment process whenever possible.

125 7. Develop a care plan for the child, adolescent, or young
 126 adult.

127 8. Provide care coordination by facilitating the transition
 128 to ongoing services.

129 9. Ensure there is a process in place for informed consent
 130 and confidentiality compliance measures.

131 10. Promote information sharing and the use of innovative
 132 technology.

133 11. Coordinate with the managing entity within the service
 134 location and other key entities providing services and supports
 135 to the child, adolescent, or young adult and his or her family,
 136 including, but not limited to, the child, adolescent, or young
 137 adult's school, the local educational multiagency network for
 138 severely emotionally disturbed students under s. 1006.04, the
 139 child welfare system, and the juvenile justice system.

140 (c) When procuring mobile response teams, the managing
 141 entity must, at a minimum:

142 1. Collaborate with local sheriff's offices and public
 143 schools in the planning, development, evaluation, and selection
 144 processes.

145 2. Require that services be made available 24 hours per

586-03119-20

20201440c1

146 day, 7 days per week, with onsite response time to the location
 147 of the referred crisis within 60 minutes after the request for
 148 services is made.

149 3. Require the provider to establish response protocols
 150 with local law enforcement agencies, local community-based care
 151 lead agencies as defined in s. 409.986(3), the child welfare
 152 system, and the Department of Juvenile Justice. The response
 153 protocol with a school district shall be consistent with the
 154 model response protocol developed under s. 1004.44.

155 4. Require access to a board-certified or board-eligible
 156 psychiatrist or psychiatric nurse practitioner.

157 5. Require mobile response teams to refer children,
 158 adolescents, or young adults and their families to an array of
 159 crisis response services that address individual and family
 160 needs, including screening, standardized assessments, early
 161 identification, and community services as necessary to address
 162 the immediate crisis event.

163 Section 3. Section 394.4955, Florida Statutes, is created
 164 to read:

165 394.4955 Coordinated system of care; child and adolescent
 166 mental health treatment and support.-

167 (1) Pursuant to s. 394.9082(5)(d), each managing entity
 168 shall develop a plan that promotes the development and effective
 169 implementation of a coordinated system of care which integrates
 170 services provided through providers funded by the state's child-
 171 serving systems and facilitates access by children and
 172 adolescents, as resources permit, to needed mental health
 173 treatment and services at any point of entry regardless of the
 174 time of year, intensity, or complexity of the need, and other

586-03119-20

20201440c1

175 systems with which such children and adolescents are involved,
 176 as well as treatment and services available through other
 177 systems for which they would qualify.

178 (2) (a) The managing entity shall lead a planning process
 179 that includes, but is not limited to, children and adolescents
 180 with behavioral health needs and their families; behavioral
 181 health service providers; law enforcement agencies; school
 182 districts or superintendents; the multiagency network for
 183 students with emotional or behavioral disabilities; the
 184 department; and representatives of the child welfare and
 185 juvenile justice systems, early learning coalitions, the Agency
 186 for Health Care Administration, Medicaid managed medical
 187 assistance plans, the Agency for Persons with Disabilities, the
 188 Department of Juvenile Justice, and other community partners. An
 189 organization receiving state funding must participate in the
 190 planning process if requested by the managing entity.

191 (b) The managing entity and collaborating organizations
 192 shall take into consideration the geographical distribution of
 193 the population, needs, and resources, and create separate plans
 194 on an individual county or multi-county basis, as needed, to
 195 maximize collaboration and communication at the local level.

196 (c) To the extent permitted by available resources, the
 197 coordinated system of care shall include the array of services
 198 listed in s. 394.495.

199 (d) Each plan shall integrate with the local plan developed
 200 under s. 394.4573.

201 (3) By July 1, 2021, the managing entity shall complete the
 202 plans developed under this section and submit them to the
 203 department. By July 1, 2022, the entities involved in the

586-03119-20

20201440c1

204 planning process shall implement the coordinated system of care
 205 specified in each plan. The managing entity and collaborating
 206 organizations shall review and update the plans, as necessary,
 207 at least every 3 years thereafter.

208 (4) The managing entity and collaborating organizations
 209 shall create integrated service delivery approaches within
 210 current resources that facilitate parents and caregivers
 211 obtaining services and support by making referrals to
 212 specialized treatment providers, if necessary, with follow up to
 213 ensure services are received.

214 (5) The managing entity and collaborating organizations
 215 shall document each coordinated system of care for children and
 216 adolescents through written memoranda of understanding or other
 217 binding arrangements.

218 (6) The managing entity shall identify gaps in the arrays
 219 of services for children and adolescents listed in s. 394.495
 220 available under each plan and include relevant information in
 221 its annual needs assessment required by s. 394.9082.

222 Section 4. Paragraph (c) of subsection (3) and paragraphs
 223 (b) and (d) of subsection (5) of section 394.9082, Florida
 224 Statutes, are amended, and paragraph (t) is added to subsection
 225 (5) of that section, to read:

226 394.9082 Behavioral health managing entities.—

227 (3) DEPARTMENT DUTIES.—The department shall:

228 (c) Define the priority populations that will benefit from
 229 receiving care coordination. In defining such populations, the
 230 department shall take into account the availability of resources
 231 and consider:

232 1. The number and duration of involuntary admissions within

586-03119-20

20201440c1

233 a specified time.

234 2. The degree of involvement with the criminal justice
235 system and the risk to public safety posed by the individual.

236 3. Whether the individual has recently resided in or is
237 currently awaiting admission to or discharge from a treatment
238 facility as defined in s. 394.455.

239 4. The degree of utilization of behavioral health services.

240 5. Whether the individual is a parent or caregiver who is
241 involved with the child welfare system.

242 6. Whether the individual is an adolescent, as defined in
243 s. 394.492, who requires assistance in transitioning to services
244 provided in the adult system of care.

245 (5) MANAGING ENTITY DUTIES.—A managing entity shall:

246 (b) Conduct a community behavioral health care needs
247 assessment every 3 years in the geographic area served by the
248 managing entity which identifies needs by subregion. The process
249 for conducting the needs assessment shall include an opportunity
250 for public participation. The assessment shall include, at a
251 minimum, the information the department needs for its annual
252 report to the Governor and Legislature pursuant to s. 394.4573.
253 The assessment shall also include a list and descriptions of any
254 gaps in the arrays of services for children or adolescents
255 identified pursuant to s. 394.4955 and recommendations for
256 addressing such gaps. The managing entity shall provide the
257 needs assessment to the department.

258 (d) Promote the development and effective implementation of
259 a coordinated system of care pursuant to ss. 394.4573 and
260 394.495 ~~s. 394.4573~~.

261 (t) Promote the use of available crisis intervention

586-03119-20

20201440c1

262 services by requiring contracted providers to provide contact
263 information for mobile response teams established under s.
264 394.495 to parents and caregivers of children, adolescents, and
265 young adults between ages 18 and 25, inclusive, who receive
266 safety-net behavioral health services.

267 Section 5. Paragraph (b) of subsection (14) of section
268 409.175, Florida Statutes, is amended to read:

269 409.175 Licensure of family foster homes, residential
270 child-caring agencies, and child-placing agencies; public
271 records exemption.—

272 (14)

273 (b) As a condition of licensure, foster parents shall
274 successfully complete preservice training. The preservice
275 training shall be uniform statewide and shall include, but not
276 be limited to, such areas as:

277 1. Orientation regarding agency purpose, objectives,
278 resources, policies, and services;

279 2. Role of the foster parent as a treatment team member;

280 3. Transition of a child into and out of foster care,
281 including issues of separation, loss, and attachment;

282 4. Management of difficult child behavior that can be
283 intensified by placement, by prior abuse or neglect, and by
284 prior placement disruptions;

285 5. Prevention of placement disruptions;

286 6. Care of children at various developmental levels,
287 including appropriate discipline; ~~and~~

288 7. Effects of foster parenting on the family of the foster
289 parent; and

290 8. Information about and contact information for the local

586-03119-20

20201440c1

291 mobile response team as a means for addressing a behavioral
 292 health crisis or preventing placement disruption.

293 Section 6. Paragraph (c) of subsection (2) of section
 294 409.967, Florida Statutes, is amended to read:

295 409.967 Managed care plan accountability.—

296 (2) The agency shall establish such contract requirements
 297 as are necessary for the operation of the statewide managed care
 298 program. In addition to any other provisions the agency may deem
 299 necessary, the contract must require:

300 (c) Access.—

301 1. The agency shall establish specific standards for the
 302 number, type, and regional distribution of providers in managed
 303 care plan networks to ensure access to care for both adults and
 304 children. Each plan must maintain a regionwide network of
 305 providers in sufficient numbers to meet the access standards for
 306 specific medical services for all recipients enrolled in the
 307 plan. The exclusive use of mail-order pharmacies may not be
 308 sufficient to meet network access standards. Consistent with the
 309 standards established by the agency, provider networks may
 310 include providers located outside the region. A plan may
 311 contract with a new hospital facility before the date the
 312 hospital becomes operational if the hospital has commenced
 313 construction, will be licensed and operational by January 1,
 314 2013, and a final order has issued in any civil or
 315 administrative challenge. Each plan shall establish and maintain
 316 an accurate and complete electronic database of contracted
 317 providers, including information about licensure or
 318 registration, locations and hours of operation, specialty
 319 credentials and other certifications, specific performance

Page 11 of 21

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

586-03119-20

20201440c1

320 indicators, and such other information as the agency deems
 321 necessary. The database must be available online to both the
 322 agency and the public and have the capability to compare the
 323 availability of providers to network adequacy standards and to
 324 accept and display feedback from each provider's patients. Each
 325 plan shall submit quarterly reports to the agency identifying
 326 the number of enrollees assigned to each primary care provider.
 327 The agency shall conduct, or contract for, systematic and
 328 continuous testing of the provider network databases maintained
 329 by each plan to confirm accuracy, confirm that behavioral health
 330 providers are accepting enrollees, and confirm that enrollees
 331 have access to behavioral health services.

332 2. Each managed care plan must publish any prescribed drug
 333 formulary or preferred drug list on the plan's website in a
 334 manner that is accessible to and searchable by enrollees and
 335 providers. The plan must update the list within 24 hours after
 336 making a change. Each plan must ensure that the prior
 337 authorization process for prescribed drugs is readily accessible
 338 to health care providers, including posting appropriate contact
 339 information on its website and providing timely responses to
 340 providers. For Medicaid recipients diagnosed with hemophilia who
 341 have been prescribed anti-hemophilic-factor replacement
 342 products, the agency shall provide for those products and
 343 hemophilia overlay services through the agency's hemophilia
 344 disease management program.

345 3. Managed care plans, and their fiscal agents or
 346 intermediaries, must accept prior authorization requests for any
 347 service electronically.

348 4. Managed care plans serving children in the care and

Page 12 of 21

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

586-03119-20 20201440c1
 349 custody of the Department of Children and Families must maintain
 350 complete medical, dental, and behavioral health encounter
 351 information and participate in making such information available
 352 to the department or the applicable contracted community-based
 353 care lead agency for use in providing comprehensive and
 354 coordinated case management. The agency and the department shall
 355 establish an interagency agreement to provide guidance for the
 356 format, confidentiality, recipient, scope, and method of
 357 information to be made available and the deadlines for
 358 submission of the data. The scope of information available to
 359 the department shall be the data that managed care plans are
 360 required to submit to the agency. The agency shall determine the
 361 plan's compliance with standards for access to medical, dental,
 362 and behavioral health services; the use of medications; and
 363 followup on all medically necessary services recommended as a
 364 result of early and periodic screening, diagnosis, and
 365 treatment.

366 Section 7. Paragraph (f) of subsection (1) of section
 367 409.988, Florida Statutes, is amended to read:

368 409.988 Lead agency duties; general provisions.—

369 (1) DUTIES.—A lead agency:

370 (f) Shall ensure that all individuals providing care for
 371 dependent children receive:

372 1. Appropriate training and meet the minimum employment
 373 standards established by the department.

374 2. Contact information for the local mobile response team
 375 established under s. 394.495.

376 Section 8. Subsection (4) of section 985.601, Florida
 377 Statutes, is amended to read:

586-03119-20 20201440c1
 378 985.601 Administering the juvenile justice continuum.—
 379 (4) The department shall maintain continuing cooperation
 380 with the Department of Education, the Department of Children and
 381 Families, the Department of Economic Opportunity, and the
 382 Department of Corrections for the purpose of participating in
 383 agreements with respect to dropout prevention and the reduction
 384 of suspensions, expulsions, and truancy; increased access to and
 385 participation in high school equivalency diploma, vocational,
 386 and alternative education programs; and employment training and
 387 placement assistance. The cooperative agreements between the
 388 departments shall include an interdepartmental plan to cooperate
 389 in accomplishing the reduction of inappropriate transfers of
 390 children into the adult criminal justice and correctional
 391 systems. As part of its continuing cooperation, the department
 392 shall participate in the planning process for promoting a
 393 coordinated system of care for children and adolescents pursuant
 394 to s. 394.4955.

395 Section 9. Subsection (5) is added to section 1003.02,
 396 Florida Statutes, to read:

397 1003.02 District school board operation and control of
 398 public K-12 education within the school district.—As provided in
 399 part II of chapter 1001, district school boards are
 400 constitutionally and statutorily charged with the operation and
 401 control of public K-12 education within their school district.
 402 The district school boards must establish, organize, and operate
 403 their public K-12 schools and educational programs, employees,
 404 and facilities. Their responsibilities include staff
 405 development, public K-12 school student education including
 406 education for exceptional students and students in juvenile

586-03119-20 20201440c1

407 justice programs, special programs, adult education programs,
408 and career education programs. Additionally, district school
409 boards must:

410 (5) Participate in the planning process for promoting a
411 coordinated system of care for children and adolescents pursuant
412 to s. 394.4955.

413 Section 10. Present subsection (4) of section 1004.44,
414 Florida Statutes, is redesignated as subsection (5), and a new
415 subsection (4) is added to that section, to read:

416 1004.44 Louis de la Parte Florida Mental Health Institute.—
417 There is established the Louis de la Parte Florida Mental Health
418 Institute within the University of South Florida.

419 (4) By August 1, 2020, the institute shall develop a model
420 response protocol for schools to use mobile response teams
421 established under s. 394.495. In developing the protocol, the
422 institute shall, at a minimum, consult with school districts
423 that effectively use such teams, school districts that use such
424 teams less often, local law enforcement agencies, the Department
425 of Children and Families, managing entities as defined in s.
426 394.9082(2), and mobile response team providers.

427 Section 11. Paragraph (c) of subsection (1) of section
428 1006.04, Florida Statutes, is amended to read:

429 1006.04 Educational multiagency services for students with
430 severe emotional disturbance.—

431 (1)

432 (c) The multiagency network shall:

433 1. Support and represent the needs of students in each
434 school district in joint planning with fiscal agents of
435 children's mental health funds, including the expansion of

586-03119-20 20201440c1

436 school-based mental health services, transition services, and
437 integrated education and treatment programs.

438 2. Improve coordination of services for children with or at
439 risk of emotional or behavioral disabilities and their families
440 by assisting multi-agency collaborative initiatives to identify
441 critical issues and barriers of mutual concern and develop local
442 response systems that increase home and school connections and
443 family engagement.

444 3. Increase parent and youth involvement and development
445 with local systems of care.

446 4. Facilitate student and family access to effective
447 services and programs for students with and at risk of emotional
448 or behavioral disabilities that include necessary educational,
449 residential, and mental health treatment services, enabling
450 these students to learn appropriate behaviors, reduce
451 dependency, and fully participate in all aspects of school and
452 community living.

453 5. Participate in the planning process for promoting a
454 coordinated system of care for children and adolescents pursuant
455 to s. 394.4955.

456 Section 12. Paragraph (b) of subsection (16) of section
457 1011.62, Florida Statutes, is amended to read:

458 1011.62 Funds for operation of schools.—If the annual
459 allocation from the Florida Education Finance Program to each
460 district for operation of schools is not determined in the
461 annual appropriations act or the substantive bill implementing
462 the annual appropriations act, it shall be determined as
463 follows:

464 (16) MENTAL HEALTH ASSISTANCE ALLOCATION.—The mental health

586-03119-20

20201440c1

465 assistance allocation is created to provide funding to assist
 466 school districts in establishing or expanding school-based
 467 mental health care; train educators and other school staff in
 468 detecting and responding to mental health issues; and connect
 469 children, youth, and families who may experience behavioral
 470 health issues with appropriate services. These funds shall be
 471 allocated annually in the General Appropriations Act or other
 472 law to each eligible school district. Each school district shall
 473 receive a minimum of \$100,000, with the remaining balance
 474 allocated based on each school district's proportionate share of
 475 the state's total unweighted full-time equivalent student
 476 enrollment. Charter schools that submit a plan separate from the
 477 school district are entitled to a proportionate share of
 478 district funding. The allocated funds may not supplant funds
 479 that are provided for this purpose from other operating funds
 480 and may not be used to increase salaries or provide bonuses.
 481 School districts are encouraged to maximize third-party health
 482 insurance benefits and Medicaid claiming for services, where
 483 appropriate.

484 (b) The plans required under paragraph (a) must be focused
 485 on a multitiered system of supports to deliver evidence-based
 486 mental health care assessment, diagnosis, intervention,
 487 treatment, and recovery services to students with one or more
 488 mental health or co-occurring substance abuse diagnoses and to
 489 students at high risk of such diagnoses. The provision of these
 490 services must be coordinated with a student's primary mental
 491 health care provider and with other mental health providers
 492 involved in the student's care. At a minimum, the plans must
 493 include the following elements:

Page 17 of 21

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

586-03119-20

20201440c1

494 1. Direct employment of school-based mental health services
 495 providers to expand and enhance school-based student services
 496 and to reduce the ratio of students to staff in order to better
 497 align with nationally recommended ratio models. These providers
 498 include, but are not limited to, certified school counselors,
 499 school psychologists, school social workers, and other licensed
 500 mental health professionals. The plan also must identify
 501 strategies to increase the amount of time that school-based
 502 student services personnel spend providing direct services to
 503 students, which may include the review and revision of district
 504 staffing resource allocations based on school or student mental
 505 health assistance needs.

506 2. An interagency agreement or memorandum of understanding
 507 with the managing entity, as defined in s. 394.9082(2), that
 508 facilitates referrals of students to community-based services
 509 and coordinates care for students served by school-based and
 510 community-based providers. Such agreement or memorandum of
 511 understanding must address the sharing of records and
 512 information as authorized under s. 1006.07(7)(d) to coordinate
 513 care and increase access to appropriate services.

514 ~~3.2-~~ Contracts or interagency agreements with one or more
 515 local community behavioral health providers or providers of
 516 Community Action Team services to provide a behavioral health
 517 staff presence and services at district schools. Services may
 518 include, but are not limited to, mental health screenings and
 519 assessments, individual counseling, family counseling, group
 520 counseling, psychiatric or psychological services, trauma-
 521 informed care, mobile crisis services, and behavior
 522 modification. These behavioral health services may be provided

Page 18 of 21

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

586-03119-20

20201440c1

523 on or off the school campus and may be supplemented by
524 telehealth.

525 ~~4.3-~~ Policies and procedures, including contracts with
526 service providers, which will ensure that:

527 a. Parents of students are provided information about
528 behavioral health services available through the students'
529 school or local community-based behavioral health services
530 providers, including, but not limited to, the mobile response
531 team as established in s. 394.495 serving their area. A school
532 may meet this requirement by providing information about and
533 Internet addresses for web-based directories or guides of local
534 behavioral health services as long as such directories or guides
535 are easily navigated and understood by individuals unfamiliar
536 with behavioral health delivery systems or services and include
537 specific contact information for local behavioral health
538 providers.

539 b. School districts use the services of the mobile response
540 teams to the extent that such services are available. Each
541 school district shall establish policies and procedures to carry
542 out the model response protocol developed under s. 1004.44.

543 c. Students who are referred to a school-based or
544 community-based mental health service provider for mental health
545 screening for the identification of mental health concerns and
546 ensure that the assessment of students at risk for mental health
547 disorders occurs within 15 days of referral. School-based mental
548 health services must be initiated within 15 days after
549 identification and assessment, and support by community-based
550 mental health service providers for students who are referred
551 for community-based mental health services must be initiated

Page 19 of 21

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

586-03119-20

20201440c1

552 within 30 days after the school or district makes a referral.

553 d. Referrals to behavioral health services available
554 through other delivery systems or payors for which a student or
555 individuals living in the household of a student receiving
556 services under this subsection may qualify, if such services
557 appear to be needed or enhancements in those individuals'
558 behavioral health would contribute to the improved well-being of
559 the student.

560 ~~5.4-~~ Strategies or programs to reduce the likelihood of at-
561 risk students developing social, emotional, or behavioral health
562 problems, depression, anxiety disorders, suicidal tendencies, or
563 substance use disorders.

564 ~~6.5-~~ Strategies to improve the early identification of
565 social, emotional, or behavioral problems or substance use
566 disorders, to improve the provision of early intervention
567 services, and to assist students in dealing with trauma and
568 violence.

569 Section 13. The Department of Children and Families and the
570 Agency for Health Care Administration shall assess the quality
571 of care provided in crisis stabilization units to children and
572 adolescents who are high utilizers of crisis stabilization
573 services. The department and agency shall review current
574 standards of care for such settings applicable to licensure
575 under chapters 394 and 408, Florida Statutes, and designation
576 under s. 394.461, Florida Statutes; compare the standards to
577 other states' standards and relevant national standards; and
578 make recommendations for improvements to such standards. The
579 assessment and recommendations shall address, at a minimum,
580 efforts by each facility to gather and assess information

Page 20 of 21

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

586-03119-20

20201440c1

581 regarding each child or adolescent, to coordinate with other
582 providers treating the child or adolescent, and to create
583 discharge plans that comprehensively and effectively address the
584 needs of the child or adolescent to avoid or reduce his or her
585 future use of crisis stabilization services. The department and
586 agency shall jointly submit a report of their findings and
587 recommendations to the Governor, the President of the Senate,
588 and the Speaker of the House of Representatives by November 15,
589 2020.

590 Section 14. This act shall take effect July 1, 2020.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: CS/SB 1500

INTRODUCER: Infrastructure and Security Committee and Senator Broxson

SUBJECT: Specialty License Plate Fees

DATE: March 2, 2020

REVISED: _____

| | ANALYST | STAFF DIRECTOR | REFERENCE | ACTION |
|----|----------------|-----------------|------------|-----------------------------|
| 1. | <u>Proctor</u> | <u>Miller</u> | <u>IS</u> | Fav/CS |
| 2. | <u>Wells</u> | <u>Hrdlicka</u> | <u>ATD</u> | Recommend: Favorable |
| 3. | <u>Wells</u> | <u>Kynoch</u> | <u>AP</u> | Favorable |

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/SB 1500 establishes a uniform annual use fee of \$25 per plate for all specialty license plates created after July 1, 2020. This uniform fee is not applied to specialty license plates for motorcycles.

The bill also establishes an annual use fee of \$25 for the Blue Angels license plate.

The bill has an effective date of July 1, 2020.

II. Present Situation:

Specialty License Plates

Presently, there are over 120 specialty license plates available for purchase in Florida.¹ Specialty license plates are available to an owner or lessee of a motor vehicle who is willing to pay an annual use fee, ranging from \$15 to \$25, paid in addition to required license taxes and service fees.² The annual use fees are distributed to an organization or organizations in support of a particular cause or charity signified on the plate's design and designated in statute.³

¹ A list of Florida's specialty license plates is available on the Department of Highway Safety and Motor Vehicles' website at <http://www.flhsmv.gov/dmv/specialtytags/> (last visited January 25, 2020).

² Section 320.08056, F.S.

³ Section 320.08058, F.S.

The annual use fees collected by an organization and any interest earned from the fees may be expended only for use in this state unless the annual use fee is derived from the sale of specified United States Armed Forces and veterans-related specialty plates.⁴ Additionally, organizations must adhere to certain accountability requirements, including an annual audit or attestation document affirming that funds received have been spent in accordance with applicable statutes.⁵

During the 2019 Legislative Session, a Blue Angels license plate was established. However, the development of the license plate was contingent upon the enactment of legislation creating an annual use fee under s. 320.08056, F.S., for the Blue Angels license plate.⁶

Department of Highway Safety and Motor Vehicles Costs Defrayed

The Department of Highway Safety and Motor Vehicles is authorized to retain a sufficient portion of annual use fees collected from the sale of specialty plates to defray its costs for inventory, distribution, and other direct costs associated with the specialty license plate program. The remainder of the proceeds collected are distributed as provided by law.⁷

III. Effect of Proposed Changes:

The bill amends s. 320.08056, F.S., to establish a uniform annual use fee of \$25 per plate for any specialty license plate created after July 1, 2020. The bill does not impact the \$20 uniform fee for motorcycle specialty license plates that is established in s. 320.08068, F.S.

The bill also establishes an annual use fee of \$25 for the Blue Angels license plate.

The bill has an effective date of July 1, 2020.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

Article VII, s.19 of the Florida Constitution requires “a supermajority vote” of two-thirds of the membership of each house to pass legislation which will impose or authorize a new

⁴ Section 320.08056(10)(a), F.S.

⁵ Section 320.08062, F.S.

⁶ Chapter 2019-144, s. 3, Laws of Fla.

⁷ Section 320.08056(7), F.S.

state tax or fee.⁸ A “fee” is defined as “any charge or payment required by law, including any fee for service, fee or cost for licenses, and charge for service.”⁹ A state tax or fee imposed or authorized must be contained in a separate bill that contains no other subject.¹⁰

The \$25 annual use fee charged for a specialty license plate may be a new state fee subject to the constitutional requirements since it establishes a \$25 annual use fee for all specialty license plates created in statute after July 1, 2020, as well as for the Blue Angels license plate.

E. Other Constitutional Issues:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

Those who wish to purchase a Blue Angels license plate will have to pay a \$25 annual use fee.

The Naval Aviation Museum Foundation may receive an indeterminate amount of revenue from the annual use fees from the sale of any Blue Angels license plate.

C. Government Sector Impact:

There may be an indeterminate, insignificant negative fiscal impact to the Department of Highway Safety and Motor Vehicles to establish the \$25 annual use fee for the Blue Angels license plate due to programming requirements.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends section 320.08056 of the Florida Statutes.

⁸ FLA. CONST. art. VII, s. 19(a).

⁹ FLA. CONST. art. VII, s. 19(d)(1).

¹⁰ FLA. CONST. art. VII, s. 19(e).

IX. Additional Information:

- A. **Committee Substitute – Statement of Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Infrastructure and Security on January 21, 2020:

- Provides a \$25 annual use fee for the Blue Angels license plate; and
- Provides that the license plate annual use fee for a specialty license plate created or established after July 1, 2020, will be \$25.

- B. **Amendments:**

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill's introducer or the Florida Senate.

By the Committee on Infrastructure and Security; and Senator Broxson

596-02440-20

20201500c1

1 A bill to be entitled
2 An act relating to specialty license plate fees;
3 amending s. 320.08056, F.S.; providing a license plate
4 annual use fee for the Blue Angels license plate;
5 providing a license plate annual use fee to be
6 collected for specialty license plates created or
7 established after a specified date; providing an
8 effective date.

10 Be It Enacted by the Legislature of the State of Florida:

11
12 Section 1. Subsection (4) of section 320.08056, Florida
13 Statutes, is amended, and paragraph (d) of subsection (3) of
14 that section is republished, to read:

15 320.08056 Specialty license plates.—

16 (3) Each request must be made annually to the department or
17 an authorized agent serving on behalf of the department,
18 accompanied by the following tax and fees:

19 (d) A license plate annual use fee as required in
20 subsection (4).

21
22 A request may be made any time during a registration period. If
23 a request is made for a specialty license plate to replace a
24 current valid license plate, the specialty license plate must be
25 issued with appropriate decals attached at no tax for the plate,
26 but all fees and service charges must be paid. If a request is
27 made for a specialty license plate at the beginning of the
28 registration period, the tax, together with all applicable fees
29 and service charges, must be paid.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: SB 1542

INTRODUCER: Senators Stargel and Gibson

SUBJECT: Alzheimer's Disease

DATE: March 2, 2020

REVISED: _____

| | ANALYST | STAFF DIRECTOR | REFERENCE | ACTION |
|----|---------------|----------------|------------|-----------------------------|
| 1. | <u>Hendon</u> | <u>Hendon</u> | <u>CF</u> | Favorable |
| 2. | <u>Howard</u> | <u>Kidd</u> | <u>AHS</u> | Recommend: Favorable |
| 3. | <u>Howard</u> | <u>Kynoch</u> | <u>AP</u> | Favorable |

I. Summary:

SB 1542 makes changes to the state's Alzheimer's Disease Initiative in the Department of Elder Affairs (department). The bill creates the position of Dementia Director within the department to assist the Alzheimer's Disease Advisory Committee and assist with the development of the Alzheimer's disease state plan. The bill also makes minor changes to the incentive funding formula for the state's memory disorder clinics and the formula for respite care provided to families caring for persons with Alzheimer's disease or other forms of dementia.

The department can use existing resources to establish a Dementia Director position and to perform the required tasks as outlined in the bill.

The bill has an effective date of July 1, 2020.

II. Present Situation:

Alzheimer's disease is the most common type of dementia. It is a progressive disease that begins with mild memory loss and can lead to loss of the ability to carry on a conversation and respond to one's environment. Alzheimer's disease affects parts of the brain that control thought, memory, and language. It can seriously affect a person's ability to carry out daily activities. Although scientists are studying the disease, what causes Alzheimer's disease is known.¹

There are an estimated 580,000 individuals living with Alzheimer's disease in the state of Florida.² By 2025, it is projected that 720,000 Floridians will have Alzheimer's disease.³ Most

¹ Centers for Disease Control and Prevention, Alzheimer's Disease and Healthy Aging website. See <https://www.cdc.gov/aging/aginginfo/alzheimers.htm#AlzheimersDisease>, last visited January 16, 2020.

² Alzheimer's Association. See <https://www.alz.org/media/Documents/florida-alzheimers-facts-figures-2018.pdf>, last visited January 16, 2020.

³ *Id.*

individuals with Alzheimer's can live in the community with support, often provided by spouses or other family members. In the late stages of the disease, many patients require care 24 hours a day and are often served in long-term care facilities.

The Legislature created the Alzheimer's Disease Initiative in 1985 to provide a continuum of services to meet the needs of individuals with Alzheimer's disease and similar memory disorders, and their families.⁴ The department coordinates and develops policy to carry out the statutory requirements for the Alzheimer's Disease Initiative. In conjunction with the Alzheimer's Disease Advisory Committee, the department implements the initiative through three components:

- Supportive services to offer counseling, consumable medical supplies, and respite for caregiver relief;
- Memory disorder clinics to provide diagnosis, research, treatment, education, and referrals; and
- A brain bank to support research on Alzheimer's and other forms of dementia.

Chapter 2012-172, L.O.F., created a Purple Ribbon Task Force within the department to address Alzheimer's disease. The task force reviewed trends in the disease, assessed the disease's impact on the state, examined needs and services, and developed a state response to Alzheimer's disease. The findings and recommendations of the task force became the foundation for the Alzheimer's disease state plan. The task force ended with the submission of its report and plan on August 1, 2013.

Chapter 2019-147, L.O.F., added members to the Alzheimer's Disease Advisory Committee and required the Alzheimer's disease state plan be updated every three years. The law also required annual reports to the Governor and Legislature. The annual report provides information on state-funded Alzheimer's disease research, clinical care, institutional, home-based and community-based programs, and recommendations on Alzheimer's disease policy and any proposed updates to the Alzheimer's disease state plan.

During Fiscal Year 2018-2019, 5,637 individuals received respite and support services, including case management; specialized medical equipment, services, and supplies; and caregiver counseling, support groups, and training.⁵ The memory disorder clinics provide comprehensive diagnostic and referral services for persons with Alzheimer's disease and related disorders. The clinics served 10,516 persons during Fiscal Year 2018-2019.⁶

III. Effect of Proposed Changes:

Section 1 amends s. 430.501, F.S., establishing the Alzheimer's Disease Advisory Committee to require that all state agencies provide assistance to the committee in conducting its work.

Section 2 creates s. 430.5015, F.S., to require the Department of Elder Affairs to establish the position of Dementia Director. The director is to be appointed by the Secretary of the department and is given the following duties:

⁴ Department of Elder Affairs, 2019 Summary of Program and Services. See <http://elderaffairs.state.fl.us/doea/sops.php>. Last visited January 16, 2020.

⁵ *Id.*

⁶ *Id.*

- Coordinate Alzheimer's disease policies and programs and related forms of dementia;
- Support the Alzheimer's Disease Advisory Committee and updates to the Alzheimer's disease state plan required under s. 430.501(3)(b)8, F.S.;
- Assist memory disorder clinics in meeting performance standards;
- Facilitate outreach programs and services that increase public awareness of Alzheimer's disease and related forms of dementia;
- Coordinate services and activities among agencies and groups involved in dementia research and programs; and
- Collect and analyze data on the impact of Alzheimer's disease in the state.

Section 3 amends s. 430.502, F.S., establishing memory disorder clinics in the state to conduct research on Alzheimer's disease and other forms of dementia. The bill updates the name of the memory disorder clinic in Orange County from "Florida Hospital" to "AdventHealth." The bill requires the department to include the increase in the amount of family care planning services in setting performance goals for incentive funding for memory clinics. The bill also revises the formula the department uses to distribute funding for respite care. The county population factor in the formula is changed from the number of persons 75 years of age or older to 70 years or older.

Section 4 provides an effective date of July 1, 2020.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None identified.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

The Department of Elder Affairs will need to ensure the duties of the Dementia Director are assigned to an appropriate position as required by the bill.

Revising the allocation formula for the provision of respite care to consider the number and proportion of the county population of individuals from the number of persons 75 years of age or older to 70 years or older will have a minimal impact on respite care funding for each Planning and Service Area.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 430.501 and 430.502.

This bill creates section 430.5015 of the Florida Statutes.

IX. Additional Information:**A. Committee Substitute – Statement of Changes:**

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

None.

B. Amendments:

None.

By Senator Stargel

22-01222B-20

1 A bill to be entitled
 2 An act relating to Alzheimer's disease; amending s.
 3 430.501, F.S.; requiring state agencies to provide
 4 assistance to the Alzheimer's Disease Advisory
 5 Committee, upon request; creating s. 430.5015, F.S.;
 6 creating the position of Dementia Director within the
 7 Department of Elderly Affairs; requiring the Secretary
 8 of Elderly Affairs to appoint the director;
 9 authorizing the director to call upon certain agencies
 10 for assistance; requiring the agencies to assist the
 11 director under certain circumstances; providing duties
 12 and responsibilities of the director; amending s.
 13 430.502, F.S.; making a technical change; revising
 14 incentive funding criteria for memory disorder
 15 clinics; revising the information the department must
 16 consider when developing the allocation formula for
 17 respite care; providing an effective date.

18
 19 Be It Enacted by the Legislature of the State of Florida:

20
 21 Section 1. Paragraph (b) of subsection (3) of section
 22 430.501, Florida Statutes, is amended to read:
 23 430.501 Alzheimer's Disease Advisory Committee; research
 24 grants.—

25 (3)(b)1. The Governor shall appoint members from a broad
 26 cross-section of public, private, and volunteer sectors. All
 27 nominations shall be forwarded to the Governor by the Secretary
 28 of Elderly Affairs in accordance with this subsection.

29 2. Members shall be appointed to 4-year staggered terms in

22-01222B-20

20201542__

30 accordance with s. 20.052, except for the sitting members of the
 31 Senate and House of Representatives, who shall be appointed to a
 32 term corresponding to their term of office.

33 3. The Secretary of Elderly Affairs shall serve as an ex
 34 officio member of the committee.

35 4. The committee shall elect one of its members to serve as
 36 chair for a term of 1 year.

37 5. The committee may establish subcommittees as necessary
 38 to carry out the functions of the committee.

39 6. The committee shall meet quarterly, or as frequently as
 40 needed.

41 7. The committee shall submit an annual report to the
 42 Governor, the President of the Senate, the Speaker of the House
 43 of Representatives, and the Secretary of Elderly Affairs on or
 44 before September 1 of each year. The annual report shall include
 45 information and recommendations on Alzheimer's disease policy;
 46 all state-funded efforts in Alzheimer's disease research,
 47 clinical care, institutional, home-based and community-based
 48 programs and the outcomes of such efforts; and any proposed
 49 updates to the Alzheimer's disease state plan submitted under
 50 subparagraph 8.

51 8. Beginning in 2020, and every third year thereafter, on
 52 or before November 1, the Department of Elderly Affairs shall
 53 review the Alzheimer's disease state plan and submit an updated
 54 state plan to the Governor, the President of the Senate, and the
 55 Speaker of the House of Representatives. The Department of
 56 Elderly Affairs shall utilize the annual reports submitted by
 57 the committee and collaborate with state Alzheimer's disease
 58 organizations and professionals when considering such updates to

22-01222B-20

20201542__

59 the Alzheimer's disease state plan. The state plan shall:
 60 a. Assess the current and future impact of Alzheimer's
 61 disease and related forms of dementia on the state.
 62 b. Examine the existing industries, services, and resources
 63 addressing the needs of persons having Alzheimer's disease or a
 64 related form of dementia and their family caregivers.
 65 c. Examine the needs of persons of all cultural backgrounds
 66 having Alzheimer's disease or a related form of dementia and how
 67 their lives are affected by the disease from younger-onset,
 68 through mid-stage, to late-stage.
 69 d. Develop a strategy to mobilize a state response to this
 70 public health crisis.
 71 e. Provide information regarding:
 72 (I) State trends with respect to persons having Alzheimer's
 73 disease or a related form of dementia and their needs,
 74 including, but not limited to:
 75 (A) The role of the state in providing community-based
 76 care, long-term care, and family caregiver support, including
 77 respite, education, and assistance to persons who are in the
 78 early stages of Alzheimer's disease, who have younger-onset
 79 Alzheimer's disease, or who have a related form of dementia.
 80 (B) The development of state policy with respect to persons
 81 having Alzheimer's disease or a related form of dementia.
 82 (C) Surveillance of persons having Alzheimer's disease or a
 83 related form of dementia for the purpose of accurately
 84 estimating the number of such persons in the state at present
 85 and projected population levels.
 86 (II) Existing services, resources, and capacity, including,
 87 but not limited to:

Page 3 of 9

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

22-01222B-20

20201542__

88 (A) The type, cost, and availability of dementia-specific
 89 services throughout the state.
 90 (B) Policy requirements and effectiveness for dementia-
 91 specific training for professionals providing care.
 92 (C) Quality care measures employed by providers of care,
 93 including providers of respite, adult day care, assisted living
 94 facility, skilled nursing facility, and hospice services.
 95 (D) The capability of public safety workers and law
 96 enforcement officers to respond to persons having Alzheimer's
 97 disease or a related form of dementia, including, but not
 98 limited to, responding to their disappearance, search and
 99 rescue, abuse, elopement, exploitation, or suicide.
 100 (E) The availability of home and community-based services
 101 and respite care for persons having Alzheimer's disease or a
 102 related form of dementia and education and support services to
 103 assist their families and caregivers.
 104 (F) An inventory of long-term care facilities and
 105 community-based services serving persons having Alzheimer's
 106 disease or a related form of dementia.
 107 (G) The adequacy and appropriateness of geriatric-
 108 psychiatric units for persons having behavior disorders
 109 associated with Alzheimer's disease or a related form of
 110 dementia.
 111 (H) Residential assisted living options for persons having
 112 Alzheimer's disease or a related form of dementia.
 113 (I) The level of preparedness of service providers before,
 114 during, and after a catastrophic emergency involving a person
 115 having Alzheimer's disease or a related form of dementia and
 116 their caregivers and families.

Page 4 of 9

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

22-01222B-20

20201542__

117 (III) Needed state policies or responses, including, but
 118 not limited to, directions for the provision of clear and
 119 coordinated care, services, and support to persons having
 120 Alzheimer's disease or a related form of dementia and their
 121 caregivers and families and strategies to address any identified
 122 gaps in the provision of services.

123 9. All state agencies shall provide assistance to the
 124 committee, upon request.

125 10. The Department of Elderly Affairs shall provide staff
 126 support to assist the committee in the performance of its
 127 duties.

128 ~~11.10.~~ Members of the committee and subcommittees shall
 129 receive no salary, but are entitled to reimbursement for travel
 130 and per diem expenses, as provided in s. 112.061, while
 131 performing their duties under this section.

132 Section 2. Section 430.5015, Florida Statutes, is created
 133 to read:

134 430.5015 Dementia Director.—

135 (1) The position of Dementia Director is created within the
 136 Department of Elderly Affairs. The Secretary of Elderly Affairs
 137 shall appoint the director and the director shall serve at the
 138 pleasure of the secretary.

139 (2) The director may call upon appropriate agencies of
 140 state government for assistance as is needed pursuant to s.
 141 430.04(13).

142 (3) The director shall:

143 (a) Facilitate coordination and support of policies and
 144 programs in the Legislature and the executive branch, including
 145 agencies of the executive branch, which relate to Alzheimer's

22-01222B-20

20201542__

146 disease and related forms of dementia.

147 (b) Facilitate coordination and support for the Alzheimer's
 148 Disease Advisory Committee and the implementation of and updates
 149 to the Alzheimer's disease state plan pursuant to s.
 150 430.501(3)(b)8.

151 (c) Provide support to memory disorder clinics to help the
 152 clinics meet or exceed the minimum performance standards under
 153 s. 430.502(3).

154 (d) Facilitate and support coordination of outreach
 155 programs and services between agencies, memory disorder clinics,
 156 area agencies on aging, and other interested groups for the
 157 purpose of fostering public awareness and education regarding
 158 Alzheimer's disease and related forms of dementia.

159 (e) Facilitate coordination of services and activities
 160 between groups interested in dementia research, programs, and
 161 services, including, but not limited to, area agencies on aging,
 162 service providers, advocacy groups, legal services, emergency
 163 personnel, law enforcement, and state colleges and universities.

164 (f) Collect and monitor data related to the impact of
 165 Alzheimer's disease in the state.

166 Section 3. Subsection (1), paragraph (a) of subsection (4),
 167 and subsection (8) of section 430.502, Florida Statutes, are
 168 amended to read:

169 430.502 Alzheimer's disease; memory disorder clinics and
 170 day care and respite care programs.—

171 (1) There is established:

172 (a) A memory disorder clinic at each of the three medical
 173 schools in this state;

174 (b) A memory disorder clinic at a major private nonprofit

22-01222B-20

20201542__

175 research-oriented teaching hospital, and may fund a memory
 176 disorder clinic at any of the other affiliated teaching
 177 hospitals;

178 (c) A memory disorder clinic at the Mayo Clinic in
 179 Jacksonville;

180 (d) A memory disorder clinic at the West Florida Regional
 181 Medical Center;

182 (e) A memory disorder clinic operated by Health First in
 183 Brevard County;

184 (f) A memory disorder clinic at the Orlando Regional
 185 Healthcare System, Inc.;

186 (g) A memory disorder center located in a public hospital
 187 that is operated by an independent special hospital taxing
 188 district that governs multiple hospitals and is located in a
 189 county with a population greater than 800,000 persons;

190 (h) A memory disorder clinic at St. Mary's Medical Center
 191 in Palm Beach County;

192 (i) A memory disorder clinic at Tallahassee Memorial
 193 Healthcare;

194 (j) A memory disorder clinic at Lee Memorial Hospital
 195 created by chapter 63-1552, Laws of Florida, as amended;

196 (k) A memory disorder clinic at Sarasota Memorial Hospital
 197 in Sarasota County;

198 (l) A memory disorder clinic at Morton Plant Hospital,
 199 Clearwater, in Pinellas County;

200 (m) A memory disorder clinic at Florida Atlantic
 201 University, Boca Raton, in Palm Beach County;

202 (n) A memory disorder clinic at AdventHealth Florida
 203 ~~Hospital~~ in Orange County; and

Page 7 of 9

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

22-01222B-20

20201542__

204 (o) A memory disorder clinic at Miami Jewish Health System
 205 in Miami-Dade County,
 206
 207 for the purpose of conducting research and training in a
 208 diagnostic and therapeutic setting for persons suffering from
 209 Alzheimer's disease and related memory disorders. However,
 210 memory disorder clinics shall not receive decreased funding due
 211 solely to subsequent additions of memory disorder clinics in
 212 this subsection.

213 (4) The department shall develop performance goals that
 214 exceed the minimum performance standards developed under
 215 subsection (3), which goals must be achieved in order for a
 216 memory disorder clinic to be eligible for incentive funding
 217 above the base level, subject to legislative appropriation.
 218 Incentive funding shall be based on criteria including, but not
 219 limited to:

220 (a) Significant increase in the volume of clinical services
 221 and family care planning services.

222 (8) Pursuant to s. 287.057, the department shall contract
 223 for the provision of respite care. All funds appropriated for
 224 the provision of respite care shall be distributed annually by
 225 the department to each funded county according to an allocation
 226 formula. In developing the formula, the department shall
 227 consider the number and proportion of the county population of
 228 individuals who are 70 ~~75~~ years of age and older. Each respite
 229 care program shall be used as a resource for research and
 230 statistical data by the memory disorder clinics established in
 231 this part. In consultation with the memory disorder clinics, the
 232 department shall specify the information to be provided by the

BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: CS/SB 1544

INTRODUCER: Health Policy Committee and Senator Albritton

SUBJECT: Long-term Care

DATE: March 2, 2020

REVISED: _____

| ANALYST | STAFF DIRECTOR | REFERENCE | ACTION |
|--------------------|----------------|------------|-----------------------------|
| 1. <u>Looke</u> | <u>Brown</u> | <u>HP</u> | Fav/CS |
| 2. <u>McKnight</u> | <u>Kidd</u> | <u>AHS</u> | Recommend: Favorable |
| 3. <u>McKnight</u> | <u>Kynoch</u> | <u>AP</u> | Favorable |

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/SB 1544 amends section 409.979, Florida Statutes, to provide additional clarity for individuals on the Medicaid Long-Term Care Managed Care waitlist, regarding the likelihood that he or she will be eligible for services through the program, and amends section 430.205, Florida Statutes, to allow a community-care-for-the-elderly service provider to dispute a referral from protective investigations of an elderly adult determined to be in need of services or to be the victim of abuse.

The bill has an insignificant fiscal impact to the Department of Elder Affairs that can be absorbed with existing resources.¹ See Section V.

The bill takes effect on July 1, 2020.

II. Present Situation:

Statewide Medicaid Managed Care

The Statewide Medicaid Managed Care (SMMC) program is an integrated managed care program for Medicaid enrollees to provide all mandatory and optional Medicaid benefits. In the SMMC program, each Medicaid recipient has one managed care organization to coordinate all

¹ Department of Elder Affairs, *SB 1544 Bill Analysis* (Jan. 23, 2020) (on file with the Senate Appropriations Subcommittee on Health and Human Services).

health care services, rather than various entities.² The SMMC program is administered by the Agency for Health Care Administration (AHCA) and is financed with federal and state funds.³ Eligibility for the SMMC program is determined by the Department of Children and Families (DCF).⁴

Within the SMMC program, the Managed Medical Assistance (MMA) program provides primary and acute medical assistance and related services to enrollees. The Long-Term Care Managed Care (LTC) Program provides services to frail elderly or disabled Medicaid recipients in nursing facilities and in community settings, including an individual's home, an assisted living facility, or an adult family care home.

Implementation of the LTC Program required approval by the federal Centers for Medicare & Medicaid Services (CMS) by virtue of 1915(b) and (c) waivers submitted by the AHCA. The waivers were approved on February 1, 2013, and authorized the LTC Program to operate effective July 1, 2013, through June 30, 2016.⁵ Initial enrollment into the LTC Program began August 1, 2013. The current LTC Program waiver is authorized through December 27, 2021.⁶

Long-Term Care Program

The LTC Program provides long term care services, including nursing facility and home and community based services, to eligible Medicaid recipients.

Federal law requires state Medicaid programs to provide nursing facility services to individuals, age 21 or older, who are in need of nursing facility care.⁷ States are prohibited from limiting access to nursing facility services, but the provision of home and community-based services is optional.⁸ Home and community based services in Florida are delivered through a federal 1915(c), home and community-based services waiver.⁹ The waiver establishes that home and community based LTC services are available to qualified recipients, subject to an enrollment cap. As such, the LTC program is managed based on a priority enrollment system and a waitlist for individuals who are not high-priority clients. Delivery of home and community based services to eligible recipients is dependent on the availability of annual funding.

² This comprehensive coordinated system of care was first successfully implemented in the 5-county Medicaid reform pilot program from 2006-2014.

⁸ *Id.*

⁹ Section 409.906(13), F.S.

As of December 31, 2019, there were 116,507 individuals enrolled in the LTC Program, including 65,822 individuals enrolled in the home and community-based services portion of the LTC Program, and 50,685 individuals receiving nursing facility services.¹⁰

Long-Term Care Managed Care plans are required to, at a minimum, cover the following:

- Nursing facility care;
- Services provided in assisted living facilities;
- Hospice;
- Adult day care;
- Medical equipment and supplies, including incontinence supplies;
- Personal care;
- Home accessibility adaptation;
- Behavior management;
- Home-delivered meals;
- Case Management;
- Occupation therapy;
- Speech therapy;
- Respiratory therapy;
- Physical therapy;
 - Intermittent and skilled nursing;
 - Medication administration;
 - Medication Management;
 - Nutritional assessment and risk reduction;
 - Caregiver training;
 - Respite care;
 - Transportation; and
 - Personal emergency response systems.¹¹

LTC Program Eligibility

To be eligible for the LTC Program, an individual must:

- Be age 65 or older and eligible for Medicaid, or age 18 or older and eligible for Medicaid by reason of a disability;
- Have annual income at or below 222 percent of the federal poverty level (FPL);¹² and,
- Be in need of nursing home care, as determined by the Comprehensive Assessment Review and Evaluation for Long-Term Care Services (CARES) Program.¹³

In addition, an individual seeking Medicaid eligibility must demonstrate that he or she meets limits on personal assets. Both federal and state law set parameters for Medicaid LTC eligibility

¹⁰ Agency for Health Care Administration, *SMMC LTC Enrollment by County/Plan Report* (as of December 31, 2019), available at http://ahca.myflorida.com/Medicaid/Finance/data_analytics/enrollment_report/index.shtml (last visited Jan. 31, 2020).

¹¹ Section 409.98, F.S.

¹² This equates to \$28,327 for an individual and \$38,273 for a family of two. For 2020 FPL standards, see U.S. Department of Health and Human Services, *HHS Poverty Guidelines for 2020* (January 8, 2020), available at <https://aspe.hhs.gov/poverty-guidelines> (last visited Jan. 31, 2020).

¹³ Section 409.979(1), F.S.

based on personal property, such as a home or vehicle, and on financial assets, such as bank accounts, stocks and bonds, and life insurance policies.¹⁴ Life insurance policies with a cash value greater than \$1,500 may not be retained by individuals seeking Medicaid eligibility. Generally, assets above certain cash thresholds must be divested at least 60 months prior to a period of Medicaid eligibility.¹⁵

When determining the need for nursing facility care, the Department of Elder Affairs (DOEA) considers the nature of the services prescribed, the level of nursing or other health care personnel necessary to provide such services, and the availability of and access to community or alternative resources.¹⁶ Imminent risk of nursing home placement can be evidenced by the need for medical observation throughout a 24-hour period and the need for care performed on a daily basis by, or under the direct supervision of, a registered nurse or other health care professional. An individual at risk of nursing home care requires services that are sufficiently medically complex to require supervision, assessment, planning, or intervention by a registered nurse because of a mental or physical incapacitation.¹⁷

LTC Program Enrollment

The DOEA administers programs and services for elders through 11 Area Agencies on Aging (AAAs), which also operate Aging and Disability Resource Centers (ADRCs). The ADRCs provide information and referral services to individuals seeking long-term care services and also screen individuals for eligibility for long-term care services.

The LTC Program enrollment process is administered by the DOEA, the Department of Children and Families (DCF), and the AHCA. An individual in need of services or seeking services must contact the appropriate ADRC to request a screening. The screening is intended to provide the ADRC with information describing the individual's level of frailty. During the screening, the ADRC gathers basic information about the individual, including general health information and any assistance the individual needs with activities of daily living. Based on the screening, the individual receives a priority score, which indicates the level of need for services and reflects the level of the individual's frailty. Using the priority score, the individual is then placed on the waitlist. An individual seeking LTC services may request a rescreening any time his or her circumstances change. In addition, ADRC staff are required to rescreen waitlisted individuals on an annual basis.¹⁸

The prioritization of the waitlist is not described in statute but rather in administrative rule promulgated by the AHCA.¹⁹ The rule sets five frailty-based levels based on the priority score calculation by the DOEA. The levels rank the individual's level of need in ascending order,

¹⁴ U.S. Department of Health and Human Services, *Financial Requirements – Assets* (last modified October 10, 2017), available at <https://longtermcare.acl.gov/medicare-medicaid-more/medicaid/medicaid-eligibility/financial-requirements-assets.html> (last visited Jan. 31, 2020).

¹⁵ 42 U.S.C. §1396p. See also Agency for Health Care Administration, *Medicaid State Plan Attachments – Eligibility Conditions and Requirements*, available at https://ahca.myflorida.com/medicaid/stateplan_attach.shtml (last visited Jan. 31, 2020).

¹⁶ Section 409.985(3), F.S.

¹⁷ Section 409.985(3), F.S.

¹⁸ Section 409.979(3), F.S.

¹⁹ Rule 59G-4.193, F.A.C.

meaning that an individual with a priority score of “1” has very low needs and an individual with a priority score of “5” has very high needs.

When funding becomes available, the frailest individuals are taken off the waitlist first, based upon priority score. The individual must then go through a comprehensive face-to-face assessment conducted by the local CARES staff.²⁰ After CARES confirms the medical eligibility of the individual, the DCF determines the financial eligibility of the individual. If the individual is approved for both medical and financial eligibility, the AHCA must notify him or her and provide information on selecting a long-term care managed care plan.

Because the waitlist is prioritized, it is highly unlikely that individuals with low priority scores will actually receive services. It is the DOEA’s current practice to add any individual who completes the initial needs screening to the wait list, even if he or she has very limited need for services and is unlikely to qualify for services in the near future. This approach may be confusing to individuals with low priority scores, giving the impression that services will become available at some point in time. In practice, only individuals with high priority scores will receive services. Current law stipulates an individual may request a rescreening if his or her circumstances change, which allows individuals with low priority scores the ability to move up the waitlist if need can be demonstrated.

Community Care for the Elderly

The Community Care for the Elderly (CCE) program provides community-based services in a continuum of care to help elders with functional impairments to live in the least restrictive and most cost-effective environment suitable to their needs.²¹

The CCE program provides a wide range of services to clients, depending on their needs. These services include, but are not limited to, adult day care, chore assistance, counseling, home-delivered meals, home nursing, legal assistance, material aid, medical therapeutic services, personal care, respite, transportation, and other community-based services.²²

The DOEA administers the program through contracts with AAAs, which subcontract with CCE Lead Agencies. Service delivery is provided by 52 Lead Agencies around the state. The CCE program is not a component of Medicaid but rather is funded by a combination of state general

²⁰ Florida Department of Elder Affairs, *Comprehensive Assessment and Review for Long-Term Care Services (CARES)*, available at <http://elderaffairs.state.fl.us/does/cares.php> (last visited Jan. 24, 2020). Comprehensive Assessment and Review for Long-Term Care Services (CARES) is Florida’s federally mandated pre-admission screening program for nursing home applicants. A registered nurse or assessor performs client assessments. A physician or registered nurse reviews each application to determine the level of care that is most appropriate for the applicant. The assessment identifies long-term care needs, and establishes the appropriate level of care (medical eligibility for nursing facility care), and recommends the least restrictive, most appropriate placement. Federal law also mandates that the CARES Program perform an assessment or review of each individual who requests Medicaid reimbursement for nursing facility placement, or who seeks to receive home and community-based services through Medicaid waivers.

²¹ Section 430.202, F.S.

²² Department of Elderly Affairs, *2019 Summary of Programs and Services – Section C: State General Revenue Programs* (January 2019), available at <http://elderaffairs.state.fl.us/does/sops.php> (last visited Jan. 31, 2020).

revenue and client contributions. Clients are assessed a co-payment based on a sliding scale developed by the DOEA.²³

To be eligible for the CCE program, an individual must be age 60 or older and functionally impaired,²⁴ as determined by an initial comprehensive assessment and annual reassessments. Primary consideration for services is given to elders referred to the DCF's Adult Protective Services (APS) and determined by APS to be victims of abuse, neglect, or exploitation and in need of immediate services to prevent further harm.²⁵ Individuals not referred by APS may still receive services, but according to a prioritization which is based upon the potential recipient's frailty level and likelihood of institutional placement. The DOEA is also required to consider an applicant's income when prioritizing services. Those less able to pay for services must receive higher priority than those with a greater ability to pay for services.²⁶

III. Effect of Proposed Changes:

Section 1 amends s. 409.979, F.S., to specify that Medicaid Long-Term Care Managed Care eligibility screenings, both annual and upon notification of a significant change in an individual's circumstances, are required for individuals with a high priority score and are not required, but are authorized, for individuals with a low priority score. After completing a screening or rescreening, the DOEA is required to place all individuals with a high priority score on the waitlist. The DOEA must maintain contact information for individuals with low priority scores and ADRC personnel must inform individuals with a low priority score of community resources available to assist them and inform them that they may contact the ADRC for a new assessment at any time if they experience a change in circumstances.

Section 2 amends s. 430.205, F.S., to allow a CCE service provider to dispute a referral from protective investigations of an elderly adult determined to be in need of services or to be the victims of abuse by requesting that the adult protective services program negotiate the referral placement of, and services provided to, the adult. If an agreement cannot be reached with the APS program, the program's recommendation prevails.

Section 3 establishes an effective date of July 1, 2020.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

²³ *Id.*

²⁴ Section 430.203(7), F.S.

²⁵ Section 430.205(5)(a), F.S.

²⁶ Section 430.205(5)(b), F.S.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

CS/SB 1544 requires updates to the database, application, and supporting reports to accommodate the designations of high priority score and low priority score. The DOEA can absorb these updates within existing resources.²⁷

VI. Technical Deficiencies:

None.

VII. Related Issues:

Section 2 of the bill republishes current statutory language requiring vulnerable elderly persons to begin to receive services from the CCE services provider within 72 hours of being referred to the provider by protective investigations. The bill's new language added in that section allows the service provider to dispute such referral; however, it is unclear whether the bill would require this dispute to be resolved within the 72-hour time frame established in current law. The bill may need to be clarified on this point.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 409.979 and 430.205.

²⁷ *Supra* note 1.

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Health Policy on February 4, 2020:

The CS eliminates provisions of the underlying bill related to exempting the value of life insurance policies from an applicant's assets when applying for Medicaid. The bill also revises language related to placement of individuals on the LTC waitlist to make technical changes.

- B. **Amendments:**

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill's introducer or the Florida Senate.

1 A bill to be entitled
 2 An act relating to long-term care; amending s.
 3 409.979, F.S.; requiring aging resource center
 4 personnel to annually rescreen certain individuals
 5 with high priority scores for purposes of the
 6 statewide wait list for enrollment for home and
 7 community-based services; authorizing such personnel
 8 to administer rescreening for certain individuals with
 9 low priority scores; requiring the Department of
 10 Elderly Affairs to maintain contact information for
 11 individuals with low priority scores for rescreening
 12 purposes; requiring aging resource center personnel to
 13 inform such individuals of community resources;
 14 amending s. 430.205, F.S.; authorizing community-care-
 15 for-the-elderly services providers to dispute certain
 16 referrals; providing that a referral decision by adult
 17 protective service prevails; providing an effective
 18 date.

19
 20 Be It Enacted by the Legislature of the State of Florida:

21
 22 Section 1. Paragraphs (a) and (b) of subsection (3) of
 23 section 409.979, Florida Statutes, are amended to read:

24 409.979 Eligibility.—

25 (3) WAIT LIST, RELEASE, AND OFFER PROCESS.—The Department
 26 of Elderly Affairs shall maintain a statewide wait list for
 27 enrollment for home and community-based services through the
 28 long-term care managed care program.

29 (a) The Department of Elderly Affairs shall prioritize

Page 1 of 4

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-03089-20

20201544c1

30 individuals for potential enrollment for home and community-
 31 based services through the long-term care managed care program
 32 using a frailty-based screening tool that results in a priority
 33 score. The priority score is used to set an order for releasing
 34 individuals from the wait list for potential enrollment in the
 35 long-term care managed care program. If capacity is limited for
 36 individuals with identical priority scores, the individual with
 37 the oldest date of placement on the wait list shall receive
 38 priority for release.

39 1. Pursuant to s. 430.2053, aging resource center personnel
 40 certified by the Department of Elderly Affairs shall perform the
 41 screening for each individual requesting enrollment for home and
 42 community-based services through the long-term care managed care
 43 program. The Department of Elderly Affairs shall request that
 44 the individual or the individual's authorized representative
 45 provide alternate contact names and contact information.

46 2. The individual requesting the long-term care services,
 47 or the individual's authorized representative, must participate
 48 in an initial screening or rescreening for placement on the wait
 49 list. The screening or rescreening must be completed in its
 50 entirety before placement on the wait list.

51 3. Pursuant to s. 430.2053, aging resource center personnel
 52 shall administer rescreening annually or upon notification of a
 53 significant change in an individual's circumstances for an
 54 individual with a high priority score. Aging resource center
 55 personnel may administer rescreening annually or upon
 56 notification of a significant change in an individual's
 57 circumstances for an individual with a low priority score.

58 4. The Department of Elderly Affairs shall adopt by rule a

Page 2 of 4

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-03089-20

20201544c1

59 screening tool that generates the priority score, and shall make
60 publicly available on its website the specific methodology used
61 to calculate an individual's priority score.

62 (b) Upon completion of the screening or rescreening
63 process, the Department of Elderly Affairs shall notify the
64 individual or the individual's authorized representative that
65 the individual has been placed on the wait list, unless the
66 individual has a low priority score. The Department of Elderly
67 Affairs must maintain contact information for each individual
68 with a low priority score for purposes of any future
69 rescreening. Aging resource center personnel shall inform
70 individuals with low priority scores of community resources
71 available to assist them and inform them that they may contact
72 the aging resource center for a new assessment at any time if
73 they experience a change in circumstances.

74 Section 2. Paragraph (a) of subsection (5) of section
75 430.205, Florida Statutes, is amended to read:

76 430.205 Community care service system.—

77 (5) Any person who has been classified as a functionally
78 impaired elderly person is eligible to receive community-care-
79 for-the-elderly core services.

80 (a) Those elderly persons who are determined by protective
81 investigations to be vulnerable adults in need of services,
82 pursuant to s. 415.104(3)(b), or to be victims of abuse,
83 neglect, or exploitation who are in need of immediate services
84 to prevent further harm and are referred by the adult protective
85 services program, shall be given primary consideration for
86 receiving community-care-for-the-elderly services. As used in
87 this paragraph, "primary consideration" means that an assessment

Page 3 of 4

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-03089-20

20201544c1

88 and services must commence within 72 hours after referral to the
89 department or as established in accordance with department
90 contracts by local protocols developed between department
91 service providers and the adult protective services program.
92 Regardless, a community-care-for-the-elderly services provider
93 may dispute a referral under this paragraph by requesting that
94 adult protective services negotiate the referral placement of,
95 and the services to be provided to, a vulnerable adult or victim
96 of abuse, neglect, or exploitation. If an agreement cannot be
97 reached with adult protective services for modification of the
98 referral decision, the determination by adult protective
99 services shall prevail.

100 Section 3. This act shall take effect July 1, 2020.

While it is a Senate tradition to encourage public testimony, time may not permit all persons wishing to speak to be heard at this meeting. Those who do speak may be asked to limit their remarks so that as many persons as possible can be heard.

This form is part of the public record for this meeting.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: SB 1570

INTRODUCER: Senator Perry

SUBJECT: Division of Library and Information Services

DATE: March 2, 2020

REVISED: _____

| | ANALYST | STAFF DIRECTOR | REFERENCE | ACTION |
|----|---------------|-----------------|------------|-----------------------------|
| 1. | <u>Ponder</u> | <u>McVaney</u> | <u>GO</u> | Favorable |
| 2. | <u>Wells</u> | <u>Hrdlicka</u> | <u>ATD</u> | Recommend: Favorable |
| 3. | <u>Wells</u> | <u>Kynoch</u> | <u>AP</u> | Pre-meeting |

I. Summary:

SB 1570 consolidates and clarifies the responsibilities and duties of the Division of Library and Information Services (division) within the Department of State, in part to better reflect current practices.

The bill requires the certification of funds provided to libraries to be given to the Chief Financial Officer *annually* – as opposed to by December 1 of each year, as provided under current law. The bill repeals responsibilities and duties that the division does not currently undertake, including efforts to preserve, collect, process, transcribe, index, and research the oral history of Florida government and the preservation of duplicate records. The bill also repeals s. 257.34, F.S., relating to the creation, duties and responsibilities of the Florida International Archive and Repository. The division has adequate authority pursuant to section 257.35, Florida Statutes, relating to the Florida State Archives, to continue to perform this function.

The bill specifies that the division is responsible for setting standards and guidelines for the retention, storage, security, and disposal of records and clarifies the division’s specific responsibilities when records are stored by other agencies in a record center it operates. The bill also specifies the role and responsibility of an agency’s records management liaison officer.

Related to library cooperative grants, the bill removes the cap of \$400,000 on an annual grant from the state available to the administrative unit of a library cooperative for the purpose of sharing library resources. With the removal of the statutory cap of \$400,000, the bill will have an indeterminate impact for multitype library cooperatives who seek funds under the library cooperative grant program.

The bill will take effect on July 1, 2020.

II. Present Situation:

The Division of Library and Information Services – Allocation of State Funds

State funds allocated to libraries must be expended only for library purposes in the manner prescribed by the division. Such funds may not be expended for the purchase or construction of a library building or library quarters except such funds specifically appropriated for construction purposes.¹

The division must establish operating standards under which libraries and library cooperatives will be eligible to receive state funds² The division is required to certify to the Chief Financial Officer the amount of funds paid to each county, municipality, special district, or special tax district on or before December 1 of each year.³

The Florida International Archive and Repository and the Florida State Archives

Section 257.34, F.S., establishes the Florida International Archive and Repository within the division for the preservation of public records,⁴ including manuscripts, international judgements involving disputes between domestic and foreign business, and all other public matters that the Department of State or the Florida Council of International Relations deems relevant to international issues. The division is charged with:

- Organizing and administering the Florida International Archive and Repository;
- Preserving and administering records that are transferred to its custody;⁵
- Permitting records to be inspected and copied at reasonable times and under the supervision of the division;⁶
- Assisting the records and information management program in the determination of retention values for records;
- Cooperating with and assisting state institutions, departments, agencies, counties, municipalities, and individuals engaged in internationally related activities;
- Providing a public research room where, under rules established by the division, the materials in the international archive and repository may be studied;
- Conducting, promoting, and encouraging research in international trade, government, and culture and maintaining a program of information, assistance, coordination, and guidance for public officials, educational institutions, libraries, the scholarly community, and the general public engaged in such research;
- Cooperating with and assisting agencies, libraries, institutions, and individuals in projects concerned with internationally related issues;
- Preserving original materials relating to internationally related issues; and

¹ Section 257.24, F.S.

² Sections 257.15 and 257.41(2), F.S. Section 257.41(2), F.S., further providing that the division must issue a certificate to each library cooperative that meets the standards and rules established.

³ Section 257.22, F.S.

⁴ Public records as defined in s. 119.011, F.S.

⁵ This includes accepting, arranging, and preserving the records according to approved archival and repository practices.

⁶ All public records transferred to the custody of the division are subject to the provisions of s. 119.07(1), F.S.

- Assisting and cooperating with the records and information management program in the training and information program described in s. 257.36(1)(g), F.S.⁷

Section 257.35, F.S., creates the Florida State Archives within the division for the preservation of public records,⁸ manuscripts, and other archival material that have been determined by the division to have sufficient historical or other value to warrant continued preservation and have been accepted by the division for deposit in its custody. The division performs similar duties for the Florida State Archives as it does for the Florida International Archive, including:

- Organizing and administering the Florida State Archives;
- Preserving and administering such records transferred to its custody;⁹
- Permitting records to be inspected and copied at reasonable times and under the supervision of the division;
- Assisting the records and information management program in the determination of retention values for records;
- Cooperating with and assisting state institutions, departments, agencies, counties, municipalities, and individuals engaged in activities in the field of state archives, manuscripts, and history;
- Accepting from any person any paper, book, record, or similar material which in the judgment of the division warrants preservation in the state archives;
- Providing a public research room where, under rules established by the division, the materials in the state archives may be studied;
- Conducting, promoting, and encouraging research in Florida history, government, and culture and maintaining a program of information, assistance, coordination, and guidance for public officials, educational institutions, libraries, the scholarly community, and the general public engaged in such research;
- Cooperating with and assisting agencies, libraries, institutions, and individuals in projects designed to preserve original source materials relating to Florida history, government, and culture;
- Preparing and publishing handbooks, guides, indexes, and other literature directed toward encouraging the preservation and use of the state's documentary resources;
- Encouraging and initiating efforts to preserve, collect, process, transcribe, index, and research the oral history of Florida government; and
- Assisting and cooperating with the records and information management program in the training and information program described in s. 257.36(1)(g), F.S.¹⁰

Records and Information Management

Section 257.36(1), F.S., creates a records management program within the division. The program's purpose is directed to the application of efficient and economical management methods relating to the creation, utilization, maintenance, retention, preservation, and disposal of records.¹¹ The division must establish and operate a records center or centers primarily for the

⁷ Section 257.34(1), F.S.

⁸ Public records as defined in s. 119.011, F.S.

⁹ This includes accepting, arranging, and preserving the records according to approved archival practices.

¹⁰ Section 257.35(1), F.S.

¹¹ Section 257.36(1)(a), F.S.

storage, processing, servicing, and security of public records that must be retained for varying periods of time but that are not required to be retained in an agency's office equipment or space.¹²

The division must create retention schedules which govern when public records may be destroyed or otherwise disposed of.¹³

Section 257.36(1)(g), F.S., requires the division to institute and maintain a training program in (i) all phases of records and information management to bring approved practices to the attention of all agencies and (ii) the requirements relating to access to public records under ch. 119, F.S.

Each agency¹⁴ has the duty to cooperate with the division in complying with the provisions of ch. 257, F.S., and must designate a records management liaison officer. Further, each agency must establish and maintain an active and continuing program for the economical and efficient management of records.¹⁵

Library Cooperatives and Library Cooperative Grants

The Legislature intended that library cooperative programs be established to augment the local library resources with regional and statewide services.¹⁶ A multitype library cooperative (MLC) is a not-for-profit corporation, qualified or registered pursuant to ch. 617, F.S., and in good standing, consisting of two or more libraries under separate governance and of more than one type, including any combination of academic, school, special, state institution, and public libraries as required by s. 257.41(1), F.S.¹⁷

The administrative unit of a library cooperative is eligible to receive an annual grant (library cooperative grant) from the state of not more than \$400,000 for the purpose of sharing library resources. Grant funds may not be used to supplant local funds or other funds. Additionally, a library cooperative must provide from local sources matching cash funds equal to 10 percent of the grant award.¹⁸ Florida's priority for use of the library cooperative grants and matching funds is for the purpose of sharing library resources between members of the Florida Library Information Network.¹⁹ Library cooperative grants and local matching funds must be expended on resource sharing activities and related training, provided services to all Florida Information Network member libraries.

¹² Section 257.36(b), F.S.

¹³ Section 257.36(6), F.S.

¹⁴ Section 257.36(5), F.S., defines "agency", for purposes of this section, to mean any state, county, district, or municipal officer, department, division, bureau, board, commission, or other separate unit of government created or established by law.

¹⁵ See s. 257.36(5), F.S.

¹⁶ Section 257.40, F.S.

¹⁷ Department of State, *Library Cooperative Grant Guidelines*, 2020-2021, at p. 5, <https://dos.myflorida.com/media/702617/cooperativegrantguidelines2020-2021.pdf> (last visited February 5, 2020).

¹⁸ Section 257.42, F.S.

¹⁹ See *supra* note 18 at p. 1.

Florida's five MLCs and their service areas for purpose of the Library Cooperative Grant Program are as follows:

- NEFLIN - Northeast Florida Library Information Network service area includes: Alachua, Baker, Bradford, Brevard, Clay, Columbia, Dixie, Duval, Flagler, Gilchrist, Hamilton, Lafayette, Levy, Madison, Marion, Nassau, Putnam, Seminole, St. Johns, Sumter, Suwannee, Taylor, Union, and Volusia counties.
- PLAN - Panhandle Library Access Network service area includes: Bay, Calhoun, Escambia, Franklin, Gadsden, Gulf, Holmes, Jackson, Jefferson, Leon, Liberty, Okaloosa, Santa Rosa, Wakulla, Walton, and Washington counties.
- SEFLIN - Southeast Florida Library Information Network service area includes: Broward, Martin, Miami-Dade, and Palm Beach counties.
- SWFLN - Southwest Florida Library Network service area includes: Charlotte, Collier, Hendry, Lee, and Monroe counties.
- TBLC - Tampa Bay Library Consortium service area includes: Citrus, DeSoto, Glades, Hardee, Hernando, Highlands, Hillsborough, Indian River, Lake, Manatee, Okeechobee, Orange, Osceola, Pasco, Pinellas, Polk, Sarasota, and St. Lucie counties.²⁰

III. Effect of Proposed Changes:

Section 1 amends s. 257.22, F.S., to provide that the certification of funds by the division to the Chief Financial Officer be made *annually* – as opposed to by December 1 of each year.²¹ The Department of State indicates the division currently must provide two certifications to the Chief Financial Officer. The first is submitted by the statutory deadline of December 1 and contains estimated grant amounts. The second certification is submitted later and reflects the actual final grant amounts. Thus, the bill will allow the division to make one certification of funds.

Section 2 repeals s. 257.34, F.S., relating to the creation, duties, and responsibilities of the Florida International Archive and Repository. The division has adequate authority pursuant to s. 257.35, F.S., relating to the Florida State Archives, to continue to perform this function.

Section 3 amends s. 257.35, F.S., relating to the Florida State Archives, to eliminate the requirement that the division encourage and initiate efforts to preserve, collect, process, transcribe, index, and research the oral history of Florida government. According to the Department of State, these activities have not been undertaken by the department in the past.²²

Section 4 amends s. 257.36, F.S., relating to the records and information management program. The bill specifies that the requirement related to analyzing, developing, establishing, and coordinating standard, procedures, and techniques of record-making and recordkeeping, includes, but is not limited to, standards and guidelines for retention, storage, security, and disposal of records.

²⁰ *Id.* at p. 2.

²¹ See Department of State, *Senate Bill 1570 Agency Legislative Analysis* (January 22, 2020) (on file with the Senate Committee on Governmental Oversight and Accountability).

²² *Id.*

This section requires an agency's records management liaison officer to serve as the primary point of contact between the agency and the division for records management purposes and to conduct any records management functions assigned by the agency.

This section also clarifies, in certain instances, the division's specific responsibilities when records are stored by other agencies in a storage center operated by the division. This section repeals provisions related to preservation duplicates; the division will no longer be responsible for making and storing preservation duplicates of records. The Department of State indicates that the preservation of duplicates is no longer a function of the division.²³

Finally, this section amends provisions related to the destruction of records. Under current law, the division must notify, by certified mail, the agency that transferred the record to the division when the record is eligible for destruction. The agency has 90 days to respond to request continued retention of the record or authorize its destruction or disposal. Nonresponse passes the title of the record to the division. The bill repeals the requirement that the notice be sent by certified mail and the time period by which the agency must respond.

Section 5 amends s. 257.42, F.S., to remove the cap of \$400,000 on an annual library cooperative grant. Thus, the Legislature will have more discretion in making appropriations for library cooperative grants.

Section 6 amends s. 120.54, F.S., to correct a cross-reference.

Section 7 provides that the bill takes effect on July 1, 2020.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

The mandate restrictions do not apply because the bill does not require counties and municipalities to spend funds, reduce counties' or municipalities' ability to raise revenue, or reduce the percentage of state tax shared with counties and municipalities.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

²³ *Id.* See also s. 92.29, F.S., which provides that photographic reproductions or reproductions through electronic recordkeeping systems made by an agency in the regular course of business shall be admitted and received as evidence similar to the original record.

E. Other Constitutional Issues:

None identified.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

The library cooperative grant program receives an annual recurring appropriation from the General Revenue Fund of \$2 million. The bill does not alter existing, recurring appropriations for library cooperative grants. However, the bill changes how those appropriations may be used. A library cooperative may receive a grant in excess of \$400,000 annually if the bill is enacted.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 257.22, 257.35, 257.36, 257.42, and 120.54.

This bill repeals section 257.34 of the Florida Statutes.

IX. Additional Information:

A. Committee Substitute – Statement of Changes:

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

None.

B. Amendments:

None.

House

The Committee on Appropriations (Perry) recommended the following:

Senate Amendment (with title amendment)

Delete everything after the enacting clause
and insert:

Section 1. Section 257.22, Florida Statutes, is amended to
read:

257.22 Division of Library and Information Services;
allocation of funds.—Any moneys that may be appropriated for use
by a county, a municipality, a special district, or a special
tax district for the maintenance of a library or library service

463870

11 shall be administered and allocated by the division ~~of Library~~
12 ~~and Information Services~~ in the manner prescribed by law. ~~On or~~
13 ~~before December 1 of each year,~~ The division shall annually
14 certify to the Chief Financial Officer the amount to be paid to
15 each county, municipality, special district, or special tax
16 district.

17 Section 2. Section 257.34, Florida Statutes, is repealed.

18 Section 3. Paragraphs (h) and (i) of subsection (1) of
19 section 257.35, Florida Statutes, are amended to read:

20 257.35 Florida State Archives.—

21 (1) There is created within the Division of Library and
22 Information Services of the Department of State the Florida
23 State Archives for the preservation of those public records, as
24 defined in s. 119.011(12), manuscripts, and other archival
25 material that have been determined by the division to have
26 sufficient historical or other value to warrant their continued
27 preservation and have been accepted by the division for deposit
28 in its custody. It is the duty and responsibility of the
29 division to:

30 (h) ~~Encourage and initiate efforts to preserve, collect,~~
31 ~~process, transcribe, index, and research the oral history of~~
32 ~~Florida government.~~

33 ~~(i)~~ Assist and cooperate with the records and information
34 management program in the training and information program
35 described in s. 257.36(1)(d) ~~s. 257.36(1)(g)~~.

36 Section 4. Section 257.36, Florida Statutes, is amended to
37 read:

38 257.36 Records and information management.—

39 (1) There is created within the Division of Library and

463870

40 Information Services of the Department of State a records and
41 information management program. It is the duty and
42 responsibility of the division to:

43 (a) Establish and administer a records management program
44 directed to the application of efficient and economical
45 management methods relating to the creation, utilization,
46 maintenance, retention, preservation, and disposal of records.

47 (b) Analyze, develop, establish, and coordinate standards,
48 procedures, and techniques of recordmaking and recordkeeping,
49 including, but not limited to, standards and guidelines for
50 retention, storage, security, and disposal of records.

51 (c) Establish and operate a records center or centers
52 primarily for the storage, processing, servicing, and security
53 of public records that must be retained for varying periods of
54 time but need not be retained in an agency's office equipment or
55 space. To this end, the records center shall:

56 ~~(c) Analyze, develop, establish, and coordinate standards,~~
57 ~~procedures, and techniques of recordmaking and recordkeeping.~~

58 1. ~~(d)~~ Ensure the maintenance and security of stored records
59 ~~which are deemed appropriate for preservation.~~

60 2. ~~(e)~~ Establish safeguards against unauthorized or unlawful
61 removal or loss of stored records.

62 3. ~~(f)~~ Initiate appropriate action to recover stored records
63 removed unlawfully or without authorization.

64 (d) ~~(g)~~ Institute and maintain a training and information
65 program in:

66 1. All phases of records and information management to
67 bring approved and current practices, methods, procedures, and
68 devices for the efficient and economical management of records

463870

69 to the attention of all agencies.

70 2. The requirements relating to access to public records
71 under chapter 119.

72 (e) ~~(h)~~ Make continuous surveys of recordkeeping operations.

73 (f) ~~(i)~~ Recommend improvements in current records management
74 practices, including the use of space, equipment, supplies, and
75 personnel in creating, maintaining, and servicing records.

76 (g) ~~(j)~~ Establish and maintain a program in cooperation with
77 each agency for the selection and preservation of records
78 considered essential to the operation of government and to the
79 protection of the rights and privileges of citizens.

80 ~~(k) Make, or have made, preservation duplicates, or~~
81 ~~designate existing copies as preservation duplicates, to be~~
82 ~~preserved in the place and manner of safekeeping as prescribed~~
83 ~~by the division.~~

84 (2) (a) All records transferred to the division for storage
85 may be held ~~by it~~ in its a records center or centers, to be
86 designated by the division ~~it~~, for such time as in its judgment
87 retention therein is deemed necessary. At such time as it is
88 established by the division, such records as are determined by
89 it as having historical or other value warranting continued
90 preservation shall be transferred to the Florida State Archives.

91 (b) Title to any record stored ~~detained~~ in any records
92 center operated by the division remains ~~shall remain~~ in the
93 agency transferring such record to the division. When the
94 Legislature transfers any duty or responsibility of an agency to
95 another agency, the receiving agency shall be the custodian of
96 public records with regard to the public records associated with
97 that transferred duty or responsibility, and shall be

463870

98 responsible for the records storage service charges of the
99 division. If an agency is dissolved and the legislation
100 dissolving that agency does not assign an existing agency as the
101 custodian of public records for the dissolved agency's records,
102 then the Cabinet is the custodian of public records for the
103 dissolved agency, unless the Cabinet otherwise designates a
104 custodian. The Cabinet or the agency designated by the Cabinet
105 shall be responsible for the records storage service charges of
106 the division.

107 (c) When a record held in a records center is eligible for
108 destruction, the division shall notify, in writing, ~~by certified~~
109 ~~mail,~~ the agency that ~~which~~ transferred the record. The agency
110 shall ~~have 90 days from receipt of that notice to respond by~~
111 either requesting continued retention of the record or
112 authorizing destruction or disposal of the record. ~~If the agency~~
113 ~~does not respond within that time, title to the record shall~~
114 ~~pass to the division.~~

115 (3) The division may charge fees for supplies and services,
116 including, but not limited to, shipping containers, pickup,
117 delivery, reference, and storage. Fees shall be based upon the
118 actual cost of the supplies and services and shall be deposited
119 in the Records Management Trust Fund.

120 (4) (a) ~~Any preservation duplicate of any record made~~
121 ~~pursuant to this chapter shall have the same force and effect~~
122 ~~for all purposes as the original record. A transcript,~~
123 ~~exemplification, or certified copy of such preservation~~
124 ~~duplicate shall be deemed, for all purposes, to be a transcript,~~
125 ~~exemplification, or certified copy of the original record.~~

126 ~~(5)~~ For the purposes of this section, the term "agency"

463870

127 means ~~shall mean~~ any state, county, district, or municipal
128 officer, department, division, bureau, board, commission, or
129 other separate unit of government created or established by law.

130 (b) It is the duty of each agency to:

131 1. ~~(a)~~ Cooperate with the division in complying with ~~the~~
132 ~~provisions of this chapter.~~

133 2. ~~and~~ Designate a records management liaison officer to
134 serve as the primary point of contact between the agency and the
135 division for records management purposes and to conduct any
136 records management functions assigned by the agency.

137 3. ~~(b)~~ Establish and maintain an active and continuing
138 program for the economical and efficient management of records.

139 (5) ~~(6)~~ A public record may be destroyed or otherwise
140 disposed of only in accordance with retention schedules
141 established by the division. The division shall adopt reasonable
142 rules not inconsistent with this chapter which shall be binding
143 on all agencies relating to the destruction and disposition of
144 records. Such rules must ~~shall~~ provide, but are not ~~be~~ limited
145 to:

146 (a) Procedures for complying and submitting to the division
147 records-retention schedules.

148 (b) Procedures for the physical destruction or other
149 disposal of records.

150 (c) Standards for the reproduction of records for security
151 or with a view to the disposal of the original record.

152 Section 5. Section 257.42, Florida Statutes, is amended to
153 read:

154 257.42 Library cooperative grants.—The administrative unit
155 of a library cooperative is eligible to receive an annual grant

463870

156 from the state ~~of not more than \$400,000~~ for the purpose of
157 sharing library resources based upon an annual plan of service
158 and expenditure and an annually updated 5-year, long-range plan
159 of cooperative library resource sharing. Those plans, which must
160 include a component describing how the cooperative will share
161 technology and the use of technology, must be submitted to the
162 division ~~of Library and Information Services of the Department~~
163 ~~of State~~ for evaluation and possible recommendation for funding
164 in the division's legislative budget request. Grant funds may
165 not be used to supplant local funds or other funds. A library
166 cooperative must provide from local sources matching cash funds
167 equal to 10 percent of the grant award.

168 Section 6. Subsection (8) of section 120.54, Florida
169 Statutes, is amended to read:

170 120.54 Rulemaking.—

171 (8) RULEMAKING RECORD.—In all rulemaking proceedings the
172 agency shall compile a rulemaking record. The record shall
173 include, if applicable, copies of:

174 (a) All notices given for the proposed rule.

175 (b) Any statement of estimated regulatory costs for the
176 rule.

177 (c) A written summary of hearings on the proposed rule.

178 (d) The written comments and responses to written comments
179 as required by this section and s. 120.541.

180 (e) All notices and findings made under subsection (4).

181 (f) All materials filed by the agency with the committee
182 under subsection (3).

183 (g) All materials filed with the Department of State under
184 subsection (3).

463870

185 (h) All written inquiries from standing committees of the
186 Legislature concerning the rule.

187
188 Each state agency shall retain the record of rulemaking as long
189 as the rule is in effect. When a rule is no longer in effect,
190 the record may be destroyed pursuant to the records-retention
191 schedule developed under s. 257.36(5) ~~s. 257.36(6)~~.

192 Section 7. Subsection (1) of section 20.201, Florida
193 Statutes, is amended to read:

194 20.201 Department of Law Enforcement.—

195 (1) There is created a Department of Law Enforcement. The
196 head of the department is the Governor and Cabinet. The
197 executive director of the department shall be appointed by the
198 Governor subject to the majority vote of the Governor and
199 Cabinet consisting of at least 3 affirmative votes, with the
200 Governor and the Attorney General on the prevailing side. The
201 appointment is also ~~with the approval of three members of the~~
202 ~~Cabinet and~~ subject to confirmation by the Senate. The executive
203 director shall serve at the pleasure of the Governor and
204 Cabinet. The executive director may establish a command,
205 operational, and administrative services structure to assist,
206 manage, and support the department in operating programs and
207 delivering services.

208 Section 8. Subsection (1) of section 20.37, Florida
209 Statutes, is amended to read:

210 20.37 Department of Veterans' Affairs.—There is created a
211 Department of Veterans' Affairs.

212 (1) The head of the department is the Governor and Cabinet.
213 The executive director of the department shall be appointed by

463870

214 the Governor subject to the majority vote of the Governor and
215 Cabinet consisting of at least 3 affirmative votes, with the
216 Governor on the prevailing side. The appointment is also with
217 ~~the approval of three members of the Cabinet and~~ subject to
218 confirmation by the Senate. The executive director shall serve
219 at the pleasure of the Governor and Cabinet.

220 Section 9. This act shall take effect July 1, 2020.

221
222 ===== T I T L E A M E N D M E N T =====

223 And the title is amended as follows:

224 Delete everything before the enacting clause
225 and insert:

226 A bill to be entitled

227 An act relating to governmental organization; amending
228 s. 257.22, F.S.; removing the date by which the
229 division must submit an annual report regarding the
230 allocation of library funding to the Chief Financial
231 Officer; repealing s. 257.34, F.S., relating to the
232 Florida International Archive and Repository; amending
233 s. 257.35, F.S.; revising the duties and
234 responsibilities of the division in the administration
235 of the Florida State Archives; conforming a cross-
236 reference to changes made by the act; amending s.
237 257.36, F.S.; revising the duties and responsibilities
238 of the division in the administration of the records
239 and information management program; clarifying
240 provisions governing the storage of records
241 transferred to the division for storage; removing the
242 requirement that the division notify an agency by

463870

243 certified mail of a record's eligibility for
244 destruction; deleting a provision that provides for
245 title of a record to pass to the division under
246 specified circumstances; deleting a provision
247 specifying the effect of a preservation duplicate of a
248 record; specifying the role and duties of records
249 management liaison officers; amending s. 257.42, F.S.;
250 removing a limitation on the annual grant amount that
251 the administrative unit of a library cooperative may
252 receive from the state for purposes of sharing library
253 resources; amending s. 120.54, F.S.; conforming a
254 cross-reference to changes made by the act; amending
255 ss. 20.201 and 20.37, F.S.; modifying the manner of
256 appointment for the executive directors of the
257 Department of Law Enforcement and the Department of
258 Veterans' Affairs, respectively; providing an
259 effective date.

30 an effective date.
 31
 32 Be It Enacted by the Legislature of the State of Florida:
 33
 34 Section 1. Section 257.22, Florida Statutes, is amended to
 35 read:
 36 257.22 Division of Library and Information Services;
 37 allocation of funds.—Any moneys that may be appropriated for use
 38 by a county, a municipality, a special district, or a special
 39 tax district for the maintenance of a library or library service
 40 shall be administered and allocated by the division ~~of Library~~
 41 ~~and Information Services~~ in the manner prescribed by law. ~~On or~~
 42 ~~before December 1 of each year,~~ The division shall annually
 43 certify to the Chief Financial Officer the amount to be paid to
 44 each county, municipality, special district, or special tax
 45 district.
 46 Section 2. Section 257.34, Florida Statutes, is repealed.
 47 Section 3. Paragraphs (h) and (i) of subsection (1) of
 48 section 257.35, Florida Statutes, are amended to read:
 49 257.35 Florida State Archives.—
 50 (1) There is created within the Division of Library and
 51 Information Services of the Department of State the Florida
 52 State Archives for the preservation of those public records, as
 53 defined in s. 119.011(12), manuscripts, and other archival
 54 material that have been determined by the division to have
 55 sufficient historical or other value to warrant their continued
 56 preservation and have been accepted by the division for deposit
 57 in its custody. It is the duty and responsibility of the
 58 division to:

Page 2 of 8

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

8-01372A-20

20201570__

59 (h) ~~Encourage and initiate efforts to preserve, collect,~~
 60 ~~process, transcribe, index, and research the oral history of~~
 61 ~~Florida government.~~

62 ~~(i)~~ Assist and cooperate with the records and information
 63 management program in the training and information program
 64 described in s. 257.36(1)(d) ~~s. 257.36(1)(g)~~.

65 Section 4. Section 257.36, Florida Statutes, is amended to
 66 read:

67 257.36 Records and information management.—

68 (1) There is created within the Division of Library and
 69 Information Services of the Department of State a records and
 70 information management program. It is the duty and
 71 responsibility of the division to:

72 (a) Establish and administer a records management program
 73 directed to the application of efficient and economical
 74 management methods relating to the creation, utilization,
 75 maintenance, retention, preservation, and disposal of records.

76 (b) Analyze, develop, establish, and coordinate standards,
 77 procedures, and techniques of recordmaking and recordkeeping,
 78 including, but not limited to, standards and guidelines for
 79 retention, storage, security, and disposal of records.

80 (c) Establish and operate a records center or centers
 81 primarily for the storage, processing, servicing, and security
 82 of public records that must be retained for varying periods of
 83 time but need not be retained in an agency's office equipment or
 84 space. To this end, the records center shall:

85 ~~(c)~~ ~~Analyze, develop, establish, and coordinate standards,~~
 86 ~~procedures, and techniques of recordmaking and recordkeeping.~~

87 1. (d) Ensure the maintenance and security of stored records

8-01372A-20

20201570__

88 ~~which are deemed appropriate for preservation.~~

89 2. (e) Establish safeguards against unauthorized or unlawful
 90 removal or loss of stored records.

91 3. (f) Initiate appropriate action to recover stored records
 92 removed unlawfully or without authorization.

93 (d) (g) Institute and maintain a training and information
 94 program in:

95 1. All phases of records and information management to
 96 bring approved and current practices, methods, procedures, and
 97 devices for the efficient and economical management of records
 98 to the attention of all agencies.

99 2. The requirements relating to access to public records
 100 under chapter 119.

101 (e) (h) Make continuous surveys of recordkeeping operations.

102 (f) (i) Recommend improvements in current records management
 103 practices, including the use of space, equipment, supplies, and
 104 personnel in creating, maintaining, and servicing records.

105 (g) (j) Establish and maintain a program in cooperation with
 106 each agency for the selection and preservation of records
 107 considered essential to the operation of government and to the
 108 protection of the rights and privileges of citizens.

109 ~~(k)~~ ~~Make, or have made, preservation duplicates, or~~
 110 ~~designate existing copies as preservation duplicates, to be~~
 111 ~~preserved in the place and manner of safekeeping as prescribed~~
 112 ~~by the division.~~

113 (2) (a) All records transferred to the division for storage
 114 may be held ~~by it~~ in its a records center or centers, to be
 115 designated by the division ~~it~~, for such time as in its judgment
 116 retention therein is deemed necessary. At such time as it is

8-01372A-20

20201570__

117 established by the division, such records as are determined by
 118 it as having historical or other value warranting continued
 119 preservation shall be transferred to the Florida State Archives.

120 (b) Title to any record ~~stored~~ detained in any records
 121 center ~~operated by the division remains~~ shall remain in the
 122 agency transferring such record to the division. When the
 123 Legislature transfers any duty or responsibility of an agency to
 124 another agency, the receiving agency shall be the custodian of
 125 public records with regard to the public records associated with
 126 that transferred duty or responsibility, and shall be
 127 responsible for the records storage service charges of the
 128 division. If an agency is dissolved and the legislation
 129 dissolving that agency does not assign an existing agency as the
 130 custodian of public records for the dissolved agency's records,
 131 then the Cabinet is the custodian of public records for the
 132 dissolved agency, unless the Cabinet otherwise designates a
 133 custodian. The Cabinet or the agency designated by the Cabinet
 134 shall be responsible for the records storage service charges of
 135 the division.

136 (c) When a record held in a records center is eligible for
 137 destruction, the division shall notify, in writing, ~~by certified~~
 138 ~~mail~~, the agency that ~~which~~ transferred the record. The agency
 139 shall ~~have 90 days from receipt of that notice to respond by~~
 140 either requesting continued retention of the record or
 141 authorizing destruction or disposal of the record. ~~If the agency~~
 142 ~~does not respond within that time, title to the record shall~~
 143 ~~pass to the division.~~

144 (3) The division may charge fees for supplies and services,
 145 including, but not limited to, shipping containers, pickup,

8-01372A-20

20201570__

146 delivery, reference, and storage. Fees shall be based upon the
 147 actual cost of the supplies and services and shall be deposited
 148 in the Records Management Trust Fund.

149 (4) ~~(a) Any preservation duplicate of any record made~~
 150 ~~pursuant to this chapter shall have the same force and effect~~
 151 ~~for all purposes as the original record. A transcript,~~
 152 ~~exemplification, or certified copy of such preservation~~
 153 ~~duplicate shall be deemed, for all purposes, to be a transcript,~~
 154 ~~exemplification, or certified copy of the original record.~~

155 ~~(5)~~ For the purposes of this section, the term "agency"
 156 means ~~shall mean~~ any state, county, district, or municipal
 157 officer, department, division, bureau, board, commission, or
 158 other separate unit of government created or established by law.

159 (b) It is the duty of each agency to:

160 1. ~~(a)~~ Cooperate with the division in complying with ~~the~~
 161 ~~provisions of this chapter.~~

162 2. and Designate a records management liaison officer to
 163 serve as the primary point of contact between the agency and the
 164 division for records management purposes and to conduct any
 165 records management functions assigned by the agency.

166 3. ~~(b)~~ Establish and maintain an active and continuing
 167 program for the economical and efficient management of records.

168 (5) ~~(6)~~ A public record may be destroyed or otherwise
 169 disposed of only in accordance with retention schedules
 170 established by the division. The division shall adopt reasonable
 171 rules not inconsistent with this chapter which shall be binding
 172 on all agencies relating to the destruction and disposition of
 173 records. Such rules must ~~shall~~ provide, but are not ~~be~~ limited
 174 to:

8-01372A-20 20201570__

175 (a) Procedures for complying and submitting to the division
176 records-retention schedules.

177 (b) Procedures for the physical destruction or other
178 disposal of records.

179 (c) Standards for the reproduction of records for security
180 or with a view to the disposal of the original record.

181 Section 5. Section 257.42, Florida Statutes, is amended to
182 read:

183 257.42 Library cooperative grants.—The administrative unit
184 of a library cooperative is eligible to receive an annual grant
185 from the state ~~of not more than \$400,000~~ for the purpose of
186 sharing library resources based upon an annual plan of service
187 and expenditure and an annually updated 5-year, long-range plan
188 of cooperative library resource sharing. Those plans, which must
189 include a component describing how the cooperative will share
190 technology and the use of technology, must be submitted to the
191 division ~~of Library and Information Services of the Department~~
192 ~~of State~~ for evaluation and possible recommendation for funding
193 in the division's legislative budget request. Grant funds may
194 not be used to supplant local funds or other funds. A library
195 cooperative must provide from local sources matching cash funds
196 equal to 10 percent of the grant award.

197 Section 6. Subsection (8) of section 120.54, Florida
198 Statutes, is amended to read:

199 120.54 Rulemaking.—

200 (8) RULEMAKING RECORD.—In all rulemaking proceedings the
201 agency shall compile a rulemaking record. The record shall
202 include, if applicable, copies of:

203 (a) All notices given for the proposed rule.

Page 7 of 8

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

8-01372A-20 20201570__

204 (b) Any statement of estimated regulatory costs for the
205 rule.

206 (c) A written summary of hearings on the proposed rule.

207 (d) The written comments and responses to written comments
208 as required by this section and s. 120.541.

209 (e) All notices and findings made under subsection (4).

210 (f) All materials filed by the agency with the committee
211 under subsection (3).

212 (g) All materials filed with the Department of State under
213 subsection (3).

214 (h) All written inquiries from standing committees of the
215 Legislature concerning the rule.

216

217 Each state agency shall retain the record of rulemaking as long
218 as the rule is in effect. When a rule is no longer in effect,
219 the record may be destroyed pursuant to the records-retention
220 schedule developed under s. 257.36(5) ~~s. 257.36(6)~~.

221 Section 7. This act shall take effect July 1, 2020.

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 1606 makes the following changes regarding insurance:

- Requires that an electronic signature used to satisfy the signature requirement for a salvage certificate of title must be executed using a system providing a Level 2 authentication level;
- Requires insurers to file with the Department of Financial Services (DFS or department) the name and email address of the person who will receive civil remedy notices;
- Amends the civil remedy notices' statute of limitations when an appraisal is invoked from 60 days after it is invoked instead of 65 days after mailing of notice;
- Prohibits the DFS and the Office of Insurance Regulation (OIR) from disseminating aggregated information if it contains trade secret information that can be individually extrapolated;
- Extends the closure of the OIR's review period for property and casualty rate and form filings to the close of the following business day if the deadline falls on a weekend or holiday;
- Clarifies that the condominium unit owner's property loss assessment coverage in effect one day before the date of an occurrence that resulted in a loss is the applicable coverage for the loss;
- Allows insurers to cancel auto policies for non-payment after 30 days, instead of the current 60 days;
- Allows for an electronic method of workers compensation payments to be used; and

- Expands the Florida Insurance Code to include a new chapter of statutes to regulate the transaction of travel insurance based on the National Association of Insurance Commissioners (NAIC) Model Act.

The OIR has indicated the bill has no impact to state revenues or expenditures.¹ However, the DFS and the OIR may have indeterminate costs associated with implementing the newly created ch. 647, F.S., entitled “Travel Insurance.” The DFS has not submitted an analysis of the bill.

The bill takes effect July 1, 2020.

II. Present Situation:

Electronic Signature Requirement for a Motor Vehicle Salvage Certificate of Title and Certificate of Destruction

The owner of a motor vehicle or mobile home that is considered to be salvage² is required to forward the title of the motor vehicle or mobile home to the Department of Highway Safety and Motor Vehicles (DHSMV) for processing within 72 hours after the motor vehicle or mobile home becomes salvage.³ However, an insurance company that pays money as compensation for the total loss of a motor vehicle or mobile home must obtain the certificate of title for the motor vehicle or mobile home; make the required notification to the National Motor Vehicle Title Information System;⁴ and within 72 hours after receiving certificate of title, forward such title to the DHSMV for processing. The certificate of title may be forwarded to the DHSMV via electronic means, the United States Postal Service, or other commercial delivery service (e.g., FedEx or UPS). The owner or insurance company may not dispose of a vehicle or mobile home that is a total loss before it obtains from the DHSMV a salvage certificate of title⁵ or certificate of destruction⁶.

¹ Telephone conversation with Grant Phillips, Office of Legislative Affairs, Office of Insurance Regulation (Feb. 28, 2020).

² Section 319.30(1)(t), F.S., defines “salvage” as a motor vehicle or mobile home that is a total loss. Under section 319.30(3)(a), F.S., a motor vehicle or mobile home is a “total loss” when:

- An insurance company pays the vehicle owner to replace the wrecked or damaged vehicle with one of like kind and quality or when an insurance company pays the owner upon the theft of the motor vehicle or mobile home; or
- An uninsured motor vehicle or mobile home is wrecked or damaged and the cost, at the time of loss, of repairing or rebuilding the vehicle is 80 percent or more of the cost to the owner of replacing the wrecked or damaged motor vehicle or mobile home with one of like kind and quality.

³ Section 319.30(3)(b), F.S.

⁴ The National Motor Vehicle Title Information System (NMVTIS) is an electronic system that provides consumers with valuable information about a vehicle's condition and history. NMVTIS allows consumers to find information on a vehicle's title, most recent odometer reading, brand history, and, in some cases, historical theft data.

https://www.vehiclehistory.gov/nmvtis_consumers.html (Last visited Dec. 18, 2019).

⁵ Section 319.001(1), F.S., defines “certificate of title” as the record that is evidence of ownership of a vehicle, whether a paper certificate authorized by the DHSMV or a certificate consisting of information that is stored in an electronic form in the DHSMV's database.

⁶ Section 319.30, F.S., defines “certificate of destruction” as a certificate issued pursuant to s. 713.78(11) or s. 713.785(7)(a), F.S. Under s. 713.78(11), F.S., the application for certificate of destruction must include proof of reporting to the NMVTIS and an affidavit from the applicant that all requirements have been met and, in the event the vehicle is not registered in any state, a statement from a law enforcement officer verifying the vehicle is not stolen is required.

To facilitate the issuance of salvage certificates of title and certificates of destruction when the insurer has been unable to obtain the title from the insured so that it may be surrendered to the DHSMV, effective July 1, 2020, the insurer may receive a salvage certificate of title or certificate of destruction from the DHSMV 30 days after paying the claim, if:

- There is no electronic lien on the motor vehicle or mobile home; and
- The insurer has:
 - Obtained a release of all liens;
 - Provided proof of payment of the total loss claim; and
 - Provided an affidavit⁷ on letterhead signed by the insurance company or its authorized agent stating the attempts⁸ that have been made to obtain the title from the owner or lienholder and further stating that all attempts are to no avail.⁹

The “Electronic Signature Act of 1996”¹⁰ provides that unless otherwise provided by law, an electronic signature¹¹ may be used to sign a writing and has the same force and effect as a written signature.

In 2019, the Legislature passed HB 301, related to insurance.¹² Among other things, the bill addressed the use of electronic signatures for automotive title transactions. It authorized an electronic signature consistent with ch. 668, F.S., relating to electronic commerce, to be used to satisfy any signature requirement related to the issuance of a salvage certificate of title or certificate of destruction when this new process becomes effective. However, it required an electronic signature on an odometer disclosure to meet specific security requirements.¹³

For an odometer disclosure related to a certificate of destruction, the electronic signature must meet or exceed Level 2 requirements for Identity Assurance Level, Authenticator Assurance Level, and Federation Assurance Level, as described in the National Institute of Standards and Technology Special Publication 800-63-3, as of December 1, 2017.¹⁴ For a salvage certificate of title, the electronic signature must meet or exceed Level 3 requirements of this standard. While there are several differences between Level 2 and Level 3 requirements that affect the relative security of the electronic signature, one difference limits the use of electronic signatures when executing electronic signatures for odometer disclosures related to salvage certificates of title.

⁷ The affidavit must include a request that the salvage certificate of title or certificate of destruction be issued in the insurance company’s name due to payment of a total loss claim to the owner or lienholder. Section 319.30(3)(b)1.c., F.S.

⁸ The attempts to contact the owner may be by written request delivered in person or by first-class mail with a certificate of mailing to the owner’s or lienholder’s last known address. Section 319.30(3)(b)1.c., F.S. If the owner or lienholder is notified of the request for title in person, the insurance company must provide an affidavit attesting to the in-person request for a certificate of title. Section 319.30(3)(b)1.c.2., F.S.

⁹ The request to the owner or lienholder for the certificate of title must include a complete description of the motor vehicle or mobile home and the statement that a total loss claim has been paid on the motor vehicle or mobile home. Section 319.30(3)(b)1.c.3., F.S.

¹⁰ Ch. 668, part I, F.S.

¹¹ Section 668.003(4), F.S., defines “electronic signature” as any letters, characters, or symbols, manifested by electronic or similar means, executed or adopted by a party with an intent to authenticate a writing. A writing is electronically signed if an electronic signature is logically associated with such writing.

¹² Ch. 2019-108, Laws of Fla.

¹³ Section 319.30(3)(d), F.S.

¹⁴ U.S. Department of Commerce, National Institute of Standards and Technology, Computer Security Resource Center, *NIST Special Publication 800-63-3, Digital Identity Guidelines*, June 2017 (includes updated through December 1, 2017), <https://nvlpubs.nist.gov/nistpubs/SpecialPublications/NIST.SP.800-63-3.pdf> (last visited February 27, 2020).

Level 3 requires in-person identity proofing, while Level 2 allows remote or in-person identity proofing.

The security levels were chosen based on ongoing federal rule development that governs odometer disclosures. The draft federal regulations included the use of Level 2 requirements in certain instances and Level 3 requirements in others.¹⁵ HB 301 mirrored this structure; however, the final federal regulation was published with an unexpected change after the passage of HB 301 and only Level 2 requirements were implemented. So, the Level 3 requirement of s. 319.30(3)(d), F.S., applicable to odometer disclosures for obtaining salvage certificates of title, exceed the federal standard.¹⁶

Workers Compensation Insurance Reporting Requirements

When a compensable work-related injury occurs, the employer and their insurance carrier may be liable for payment of lost wages to the injured worker. Payment for lost wages is interchangeably referred to as indemnity benefits or compensation. Currently, indemnity benefits, including penalties associated with incorrect or untimely payment of indemnity, may be paid to the injured worker by check or, upon authorization of the injured worker, deposited into a financial institution or to a prepaid card.^{17,18} Carriers are required to keep records of all payments made,¹⁹ and the Department of Financial Services (DFS) audits employers and carriers for appropriate payment of indemnity benefits.²⁰

Civil Remedy Notices

Pre-Suit Notice and Tolling of the Statute of Limitation Following Issuance of Pre-Suit Notice

In 1982 the Legislature enacted s. 624.155, F.S., which provides that any person may bring a claim for "bad faith" against an insurer for "not attempting in good faith to settle claims when, under all the circumstances, it could and should have done so had it acted fairly and honestly

¹⁵ Level 2, for each level, for a certificate of destruction; Level 3, for each level, for a salvage certificate of title. Section 319.30(3)(d), F.S.

¹⁶ 84 Fed. Reg. 52664, at 52665 (Oct. 2, 2019).

¹⁷ Section 440.12(1)(a), F.S. For the purposes of workers' compensation indemnity payments, "financial institution" means a state or federal savings or thrift association, bank, savings bank, trust company, international bank agency, international banking corporation, international branch, international representative office, international administrative office, international trust entity, international trust company representative office, qualified limited service affiliate, credit union, or an agreement corporation operating pursuant to s. 25 of the Federal Reserve Act, 12 U.S.C. ss. 601 et seq. or Edge Act corporation organized pursuant to s. 25(a) of the Federal Reserve Act, 12 U.S.C. ss. 611 et seq.

¹⁸ Pursuant to s. 440.12(1)(b), F.S., a carrier may use a prepaid card to deliver the payment of compensation to an employee if the employee is: 1. provided with at least one means of accessing his or her entire compensation payment once per week without incurring fees; 2. provided with the ability to make point-of-sale purchases without incurring fees from the financial institution issuing the prepaid card; and 3. provided with the terms and conditions of the prepaid card program, including a description of any fees that may be assessed. The obligation to pay indemnity benefits is satisfied when it is directly deposited compensation onto the prepaid card; further, it is considered paid on the date the funds become available for withdrawal by the injured worker. Section 440.20(1)(a), F.S.

¹⁹ Florida Department of Financial Services, Division of Workers' Compensation, *Workers' Compensation System Guide*, <https://www.myfloridacfo.com/Division/WC/pdf/WC-System-Guide.pdf> (last visited February 27, 2020).

²⁰ Florida Department of Financial Services, Division of Workers' Compensation, Bureau of Monitoring and Audit, <https://www.myfloridacfo.com/division/wc/bma.htm> (last visited February 27, 2020).

toward its insured with due regard for her or his interests,"²¹ the same as the common law standard.²² In order to bring a bad faith claim under the statute, a plaintiff must first give the insurer and the DFS 60 days' written notice of the alleged violation.²³ The 60-day period begins on the date the notice is filed. While the notice is required to be provided to both the DFS and the insurer,²⁴ the statute is silent on what constitutes filing and whether the filing date is the date the notice is received by the DFS or the date it was received by the insurer.²⁵

The notice must include:

- The statutory provision which the insurer allegedly violated;
- The facts and circumstances giving rise to the violation;
- The name of any individual involved in the violation;
- Reference to specific policy language that is relevant to the violation, unless the person bringing the civil action is a third party claimant; and
- A statement that the notice is given to perfect the right to pursue a civil remedy.²⁶

The statute of limitation for filing a lawsuit under s. 624.155, F.S., is tolled for 65 days following the issuance of the notice described above. This extends the claimant's right to sue the insurer until after the conclusion of the 60-day period following the notice within which the insurer may respond to the notice by addressing the alleged violation.

In 2019, the Legislature revised s. 624.155, F.S., to prohibit the issuance of the notice when the insurer invokes the appraisal process.²⁷ However, the appraisal process, which can be invoked for the first time following receipt of the pre-suit notice,²⁸ is unlikely to be completed within the 60-day cure period or the 65-day tolling of the applicable statute of limitations. If the appraisal process extends beyond the date the statute of limitation expires following the current tolling period, then the right to sue the insurer in civil court is lost.

²¹ Section 624.155(1)(b), F.S.

²² Fla. Standard Jury Instr. 404.4 (Civil).

²³ Section 624.155(3)(a), F.S.

²⁴ Filing of the notice with the correct insurer has been held to be a condition precedent to maintaining a bad faith suit against the insurer. *Lopez v. GEICO Casualty Co.*, 968 F.Supp. 2d 1202, at 1209 (S.D. Fla. 2013). In *Lopez*, the plaintiff filed the notice with Government Employees Insurance Company, a similarly named sister company instead of the actual insurer, GEICO Casualty Company. Because the statute of limitation had run out following the flawed delivery of the notice, the *Lopez* case was dismissed with prejudice.

²⁵ Filing of the notice with DFS has been held to establish the date that starts the 60-day cure period. *Harper v. GEICO Gen. Ins. Co.*, 272 So. 3d 448 (Fla. 2nd DCA 2019). In *Harper*, the plaintiff filed the notice with DFS electronically on Dec. 19, 2013, and mailed the notice to GEICO with it being received by GEICO on Dec. 26, 2013. When GEICO later paid the claim on Feb. 21, 2014, the payment was 65 days from the date DFS received the notice, but 57 days from the date GEICO received the notice. The trial court held that GEICO paid the claim within the 60-day cure period. On appeal, the Second DCA held that the 60-day cure period ran from the date DFS received the notice. The result allowed the plaintiff to pursue a bad faith claim against GEICO for untimely payment of the claim.

²⁶ Section 624.155(3)(b), F.S.

²⁷ See *supra* note 12.

²⁸ Invoking the appraisal process along with timely payment, if required, can be used by the insurer to cure its claims handling violations and prevent a bad faith claim. See *Effect of the Bill*, p. 13.

Property Appraisal Process

Insurance companies often include an appraisal clause in property insurance policies.²⁹ The appraisal clause provides a procedure to resolve disputes between the policyholder and the insurer concerning the value of a covered loss. The appraisal clause is used only to determine disputed values. An appraisal cannot be used to determine what is covered under an insurance policy. Coverage issues are litigated and determined by the courts.

The appraisal process *generally* works as follows:

- The insurance company and the policyholder each appoint an independent, disinterested appraiser;
- Each appraiser evaluates the loss independently;
- The appraisers negotiate and attempt to reach an agreed amount of the damages;
- If the appraisers agree as to the amount of the claim, the insurer pays the claim;
- If the appraisers cannot agree on the amount, they together choose a mutually acceptable umpire;
- Once the umpire has been chosen, the appraisers each present their loss assessment to the umpire;
- The umpire will subsequently provide a written decision to both appraisers. A decision agreed to by any two of the three will set the amount of the loss; and
- The insurance company or the policyholder may challenge the umpire's impartiality and disqualify a proposed umpire based on criteria set forth in statute.³⁰

Trade Secret Information

Public Records

Article I, s. 24(a) of the Florida Constitution sets forth the state's public policy regarding access to government records. This section guarantees every person a right to inspect or copy any public record of the legislative, executive, and judicial branches of government. The Legislature, however, may provide by general law for the exemption of records from the requirements of Article I, s. 24(a) of the Florida Constitution.³¹ The general law must state with specificity the public necessity justifying the exemption³² and must be no more broad than necessary to accomplish its purpose.³³

Public policy regarding access to government records is addressed further in s. 119.07(1)(a), F.S., which guarantees every person a right to inspect and copy any state, county, or municipal record. Furthermore, the Open Government Sunset Review Act³⁴ (Act) provides that a public record exemption may be created or maintained only if it serves an identifiable public purpose. In the same manner as the Florida Constitution requires a statement of public

²⁹ *Citizens Property Insurance Corporation v. Mango Hill Condominium Association 12 Inc.*, 54 So. 3d 578 (Fla. 3d DCA 2011) and *Intracoastal Ventures Corp. v. Safeco Ins. Co. of America*, 540 So. 2d 162 (Fla. 3d DCA 1989), contain examples of appraisal clauses.

³⁰ See s. 627.70151, F.S.

³¹ FLA. CONST. art. I, s. 24(c).

³² This portion of a public record exemption is commonly referred to as a "public necessity statement."

³³ FLA. CONST. art. I, s. 24(c).

³⁴ Section 119.15, F.S.

necessity and limits the breadth of a public records exemption, an exemption under the Act may be no more broad than necessary to meet one of the following purposes:³⁵

- Allow the state or its political subdivisions to effectively and efficiently administer a governmental program, which administration would be significantly impaired without the exemption;
- Protect sensitive personal information that, if released, would be defamatory or would jeopardize an individual's safety; however, only the identity of an individual may be exempted under this provision; or
- Protect trade or business secrets.

The Act also requires the automatic repeal of a public record exemption on October 2nd of the fifth year after its creation or substantial amendment, unless the Legislature reenacts the exemption.³⁶ Specified questions must be considered by the Legislature during the review process.³⁷

Trade Secrets

Florida law contains a variety of provisions that make trade secret information exempt or confidential and exempt³⁸ from public record requirements. Some exemptions only protect trade secrets, while others protect “proprietary business information” and define that term to specifically include trade secrets. Generally, trade secret³⁹ information received by the Office of Insurance Regulation (OIR) or the DFS is not protected as confidential and exempt public record information,⁴⁰ but the insurer is given the opportunity to receive notice of a public records request and a period of time to respond so that the insurer can move to protect the trade secret through an action in circuit court, if they so desire.⁴¹ When an insurer submits trade secret information under the Florida Insurance Code⁴² or the OIR rules, the insurer may file a Notice of

³⁵ Section 119.15(6)(b), F.S.

³⁶ Section 119.15(3), F.S.

³⁷ Section 119.15(6)(a), F.S., requires the Legislature to consider the following questions as part of the review process: 1) What specific records or meetings are affected by the exemption? 2) What specific parties does the exemption affect? 3) What is the public purpose of the exemption? 4) Can the information contained in the records or meetings be readily obtained by alternative means? If so, how? 5) Is the record or meeting protected by another exemption? 6) Are there multiple exemptions for the same type of record or meeting that it would be appropriate to merge?

³⁸ There is a difference between records the Legislature designates as exempt from public record requirements and those the Legislature deems confidential and exempt. A record classified as exempt from public disclosure may be disclosed under certain circumstances. See *WFTV, Inc. v. The School Board of Seminole*, 874 So.2d 48, 53 (Fla. 5th DCA 2004), review denied 892 So.2d 1015 (Fla. 2004); *City of Riviera Beach v. Barfield*, 642 So.2d 1135 (Fla. 4th DCA 1994); *Williams v. City of Minneola*, 575 So.2d 687 (Fla. 5th DCA 1991). If the Legislature designates a record as confidential and exempt from public disclosure, such record may not be released by the custodian of public records to anyone other than the persons or entities specifically designated in statute. See Attorney General Opinion 85-62 (August 1, 1985).

³⁹ Under section 626.002(4), F.S., “trade secret” means information, including a formula, pattern, compilation, program, device, method, technique, or process that:

- (a) Derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; and
- (b) Is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

⁴⁰ Trade secret information contained in an insurance administrator's records that is obtained by the OIR is confidential and exempt. Section 626.884(2), F.S.,

⁴¹ Section 624.4213(2), F.S.

⁴² The Florida Insurance Code is chapters 624-632, 634, 635, 636, 641, 642, 648, and 651, F.S. Section 624.01, F.S.

Trade Secret and mark and segregate the trade secret information provided to the OIR.⁴³ This protection relates to public records requests from the public that would result in the publication of materials covered under a Notice of Trade Secret. It does not expressly extend to publication of aggregate information such as the OIR's Annual Report or other OIR or DFS publications or reports that are not done in response to a public records request.

Extension of Deadlines in Insurance Rate and Form Filing

Florida law provides certain requirements regarding the OIR's review and approval of property and casualty insurance rate and form filings, including timeframes within which the OIR must review these filings.⁴⁴ However, the law is silent on the applicable deadline should the closure of the review period fall on a weekend or a holiday.

Residential Condominium Loss Assessments

Loss assessment coverage is insurance coverage for condominium unit owners that provides protection for situations where the owner of a condominium unit, as the owner of shared property, is held financially responsible for:

- Deductibles owed when a claim is made under a condominium association's property insurance policy;
- Damage that occurs to the condominium building or the common areas of a condominium property; or
- Injuries that occur in the common areas of a condominium property.⁴⁵

Florida law requires that property insurance policies held by condominium unit owners include a minimum property loss assessment coverage of \$2,000 for all assessments made as a result of the same direct loss to the condominium property.⁴⁶ The law further establishes that the maximum amount of any unit owner's coverage that can be assessed for any loss is an amount equal to the unit owner's loss assessment coverage limit in effect one day before the date of an occurrence, but it does not specify exactly what occurrence is referenced.⁴⁷

⁴³ Section 624.4213(1), F.S.

⁴⁴ Section 627.062, F.S. (which controls rating requirements for property and casualty insurance in general), s. 627.0651, F.S. (which controls rating requirements for motor vehicle insurance), and s. 627.410 (which controls form filings in general). While the statutes differentiate between issuance of a notice of intent to approve or disapprove a property and casualty rate filing, other than a motor vehicle rate filing, and simply approving or disapproving a motor vehicle rate filing following review, the practical effect of the review process is the same.

⁴⁵ The Balance, *Loss Assessment Explained for Condo Insurance*, <https://www.thebalance.com/loss-assessment-explained-for-condo-insurance-4060435> (last visited February 28, 2020).

⁴⁶ Section 627.714(1), F.S.

⁴⁷ Section 627.714(2), F.S.

Prepayment of Premium on Initial Policy Purchase and Cancellation of Motor Vehicle Insurance Policies

Florida law requires that a policy⁴⁸ of private passenger motor vehicle insurance or a binder⁴⁹ for such a policy may be initially issued only if, before the effective date of such binder or policy, the insurer or agent has collected from the insured an amount equal to one month's premium.⁵⁰ An insurer, agent, or premium finance company may not, directly or indirectly, take any action resulting in the insured having paid from the insured's own funds an amount less than the required one month premium. This applies without regard to whether the premium is financed by a premium finance company or is paid pursuant to a periodic payment plan of an insurer or an insurance agent. The statute also provides various circumstances where this would not apply, including: policy renewal, coverage to active duty or former military personnel, and payments by automatic payroll deduction or electronic funds transfer. The insurer may not cancel the policy during the first 60 days, unless the reason for the cancellation is the issuance of a check for the premium that is dishonored for any reason or any other type of premium payment that was subsequently determined to be rejected or invalid.⁵¹

Prior to July 2019, insurers were required to collect two months of premium prior to issuing a private passenger motor vehicle policy. This was reduced to one month's premium by CS/CS/CS HB 301 (2019).⁵² However, the cancellation limitation was not reduced at the same time. Now an insurer is only required to collect one month's premium, but cannot cancel the policy for 60 days.

Travel Insurance

The Florida Insurance Code⁵³ generally regulates travel insurance. The OIR currently reviews policies relating to travel insurance, pursuant to s. 626.321(1)(c), F.S. The DFS is responsible for licensing of individuals and entities that sell travel insurance.⁵⁴

Travel Insurance Rates and Forms

Policies and certificates of travel insurance may provide coverage for risks incidental to travel, planned travel, or accommodations while traveling, including, but not limited to: accidental death and dismemberment of a traveler; trip or event cancellation, interruption, or delay; loss of or damage to personal effects or travel documents; damages to travel accommodations; baggage delay; emergency medical travel or evacuation of a traveler; or medical, surgical, and hospital expenses related to an illness or emergency of a traveler. Such policy or certificate may be issued

⁴⁸ Section 627.7295(1)(a), F.S., defines "policy" as a motor vehicle insurance policy that provides personal injury protection coverage, property damage liability coverage, or both.

⁴⁹ Section 627.7295(1)(b), F.S., defines "binder" as a binder that provides motor vehicle personal injury protection and property damage liability coverage.

⁵⁰ Section 627.7295(7), F.S.

⁵¹ Section 627.7295(4), F.S.

⁵² Chapter 2019-108, s. 16, L.O.F.

⁵³ The Florida Insurance Code in chapters 624-632, 634, 635, 636, 641, 642, 648, and 651, F.S. Section 624.01, F.S.

⁵⁴ Section 626.321, F.S. A travel insurance license is a limited license.

for longer terms, but each policy or certificate must be limited to coverage for travel or use of accommodations of no longer than 90 days.⁵⁵

A group policy for travel insurance is exempt from filing rates and forms.⁵⁶ Currently, a travel insurance policy that is sold directly from an insurance company to a consumer is required to make annual rate filings.⁵⁷ Regardless of whether a travel insurance rate is required to be filed, it may not be excessive, inadequate, or unfairly discriminatory.⁵⁸

Travel Insurance Agent Licensing

A travel insurance agent or agency license may be issued only to:⁵⁹

- A full-time salaried employee of a common carrier or a full-time salaried employee or owner of a transportation ticket agency and may authorize the sale of such ticket policies only in connection with the sale of transportation tickets or to the full-time salaried employee of such an agent. No such policy shall be for a duration of more than 48 hours or for the duration of a specified one way trip or round trip.
- An entity or individual that is:
 - The developer of a timeshare plan that is the subject of an approved public offering statement under ch. 721, F.S.;
 - An exchange company operating an exchange program approved under ch. 721, F.S.;
 - A managing entity operating a timeshare plan approved under ch. 721, F.S.;
 - A seller of travel as defined in ch. 559, F.S.; or
 - A subsidiary or affiliate of any of the entities described above.
- The full-time salaried employee of a licensed general lines agent or to a business entity that offers motor vehicles for rent or lease if insurance sales activities authorized by the license are in connection with and incidental to the rental or lease of a motor vehicle.
 - A license issued to a business entity that offers motor vehicles for rent or lease encompasses each office, branch office, employee, and authorized representative located at a designated branch, or place of business making use of the entity's business name in order to offer, solicit, and sell insurance pursuant to this paragraph.
 - The application for licensure must list the name, address, and phone number for each office, branch office, or place of business that is to be covered by the license. The licensee shall notify the department of the name, address, and phone number of any new location that is to be covered by the license before the new office, branch office, or place of business engages in the sale of insurance pursuant to this paragraph. The licensee must notify the department within 30 days after closing or terminating an office, branch office,

⁵⁵ Section 626.321(1)(c), F.S. A policy or certificate providing coverage for air ambulatory services only may exceed the 90 day limit on travel/accommodation (due to illness or injury, and unforeseeable length of time may pass before return home by air ambulance).

⁵⁶ Travel insurance is not subject to rate requirements listed in s. 627.062(2)(a), F.S., or s. 627.062(2)(f), F.S., as long as it is "issued as a master group policy with a situs in another state where each certificate holder pays less than \$30 in premiums for each covered trip and where the insurer has written less than \$1 million in annual written premiums in the travel insurance product in this state during the most recent calendar year." Section 627.062(3)(d)1.n., F.S.

⁵⁷ Each rating organization filing rates for, and each insurer writing, any line of property or casualty insurance is required to complete annual filings. Section 627.0645(1)(c), F.S.

⁵⁸ Section 627.062(1), F.S.

⁵⁹ Section 626.321(1)(c), F.S.

- or place of business. Upon receipt of the notice, the department shall delete the office, branch office, or place of business from the license.
- A licensed and appointed entity is directly responsible and accountable for all acts of the licensee's employees.

The travel insurance agency license is only issued to the business entity. Each of its branches must be appointed by the insurers the agency and branch represents and the appointments must be filed with the DFS. Appointments are subject to an original appointment filing fee and a renewal fee every 24 months.⁶⁰

Travel Insurance Model Act

In 2016, the National Conference of Insurance Legislators (NCOIL)⁶¹ began considering the adoption of a Travel Insurance Model Act. The final version of this Travel Insurance Model Act was approved on July 15, 2017.⁶² The National Association of Insurance Commissioners (NAIC)⁶³ used the NCOIL model act as a template to create a model of their own.⁶⁴ At least 42 states have implemented portions of the NAIC Model Act.⁶⁵

Unfair Insurance Trade Practices Act

The Unfair Insurance Trade Practices Act,⁶⁶ among other things, defines unfair methods of competition and unfair or deceptive acts in the business of insurance.⁶⁷ It provides an extensive list of prohibited methods and acts. Among these are prohibitions on misrepresenting the benefits, advantages, conditions, or terms of any insurance policy,⁶⁸ and certain inducements to the purchase of insurance, including the promise of “free” insurance.⁶⁹ The law also describes prohibited discrimination. There are also many exceptions to the prohibitions defined by law.

Among the exceptions is authorization for insurers and their agents to offer and make gifts of charitable contributions, merchandise, goods, wares, store gift cards, gift certificates, event tickets, anti-fraud or loss mitigation services, and other items up to \$100 per calendar year to an

⁶⁰ Section 624.501(9), F.S. *See also* s. 626.381, F.S.

⁶¹ National Conference of Insurance Legislators (NCOIL) was founded in 1969 and is a legislative organization comprised principally of legislators serving on state insurance and financial institutions committees around the United States. The NCOIL writes Model laws in insurance, works to both preserve the state jurisdiction over insurance as established by the McCarran-Ferguson Act and to serve as an educational forum for public policy makers and interested parties. ⁶⁶ Chapter 626, F.S., pt. IX.

⁶⁷ Section 626.9541, F.S.

⁶⁸ Section 626.9541(1)(a), F.S.

⁶⁹ Section 626.9541(1)(n), F.S.

insured, prospective insured, or any person for the purpose of advertising.⁷⁰ There are several similar limitations on advertising gifts under the Florida Insurance Code related to the advertising practices of title insurance agents, agencies and insurers, public adjusters, group and individual health benefit plans, and motor vehicle service agreement companies.⁷¹

III. Effect of Proposed Changes:

Electronic Signature Requirement for a Motor Vehicle Salvage Certificate of Title

Section 1 amends s. 319.30, F.S., to allow electronic signatures on odometer disclosures related to salvage certificates of title to use Level 2 security requirements, consistent with the applicable federal standard. This applies the same security requirements to electronic signatures on odometer disclosures for both certificates of destruction and salvage certificates of title and allows certificate applicants to electronically sign odometer disclosures remotely in both instances, rather than remotely when applying for a certificate of destruction but in-person only for salvage certificates of title.

Workers Compensation Insurance Reporting Requirements (Sections 2 and 3)

Sections 2 and 3 amends ss. 440.12 and 440.20, F.S., to allow employers and their carriers, upon authorization of the injured worker, to pay indemnity benefits, including associated monetary penalties, by sending money electronically to the injured worker via their account with a money transmitter. Indemnity and penalties paid via money transmitter accounts is considered paid on the date the funds become available to the injured worker for withdrawal.

Civil Remedy Notices (Sections 4 and 7)

Sections 4 and 7 amends ss. 624.155 and 624.422, F.S., to require the notice to the authorized insurer must be provided by the DFS to the e-mail address designated by the insurer.

The bill adds an additional tolling period to s. 624.155, F.S. It tolls the statute of limitation for 60 days following the date appraisal is invoked in a residential property insurance claim. In combination, it also changes the current 65-day tolling period resulting from the filing of the notice, to a 60-day period after the insurer receives notice from the DFS. The statute of limitation could be tolled for up to 120 days to allow the insurer the 60-day cure period and also allow the parties to pursue the appraisal process prior to expiration of the statute of limitation.

⁷⁰ Rule 69B-186.010, F.A.C., Unlawful Inducements Related to Title Insurance Transactions, governs inducements related to title insurance, but exempts gifts within the value limitation of s. 626.9541(1)(m), F.S. However, federal law prohibits any fee, kickback or thing of value given for referral of real estate settlement services on mortgage loans related to federal programs. 12 U.S.C. s. 2607 (2017).

⁷¹ Public adjusters, their apprentices, and anyone acting on behalf of the public adjuster are prohibited from giving gifts of merchandise valued in excess of \$25 as an inducement to contract. Section 626.854(9), F.S. A group or individual health benefit plan may provide merchandise without limitation in value as part of an advertisement for voluntary wellness or health improvement programs. Section 626.9541(4)(a), F.S. Motor vehicle service agreement companies are prohibited from giving gifts of merchandise in excess of \$25 to agreement holders, prospective agreement holders, or others for the purpose of advertising. Section 634.282(17), F.S.

Additionally, the bill clarifies that the 60-day cure period runs from the date the insurer receives the notice, rather than following “filing,” which is not defined.

Trade Secret Information (Sections 5 and 6)

Sections 5 and 6 amends ss. 624.307 and 624.315, F.S., to limit the release of aggregate information by the OIR and the DFS if protected trade secret information can be extrapolated from the aggregate information that the OIR or the DFS would otherwise release. This could occur where aggregate information is reported on a line of insurance in which a small number of companies participate such that one or more of the participating companies could back-out their own data from the reported aggregate information and discern the trade secret information of their competitor. The bill does not create a new public records exception, rather, it limits what the OIR and the DFS may do with public record information that is protected as a trade secret, but is not confidential and exempt public record information.

Extension of Deadlines in Insurance Rate and Form Filing (Sections 9 through 11)

Sections 9 through 11 amend ss. 627.062, 627.0651 and 627.410, F.S., to establish that if the last day of the timeframe for the OIR to review and approve or disapprove a rate filing for property, casualty, or surety insurance, including motor vehicle insurance, or to review an insurer’s form filing, falls on a weekend or holiday recognized by Florida governmental agencies or branches, then the period shall be extended until the conclusion of the next business day.

Residential Condominium Loss Assessments (Section 12)

Section 12 amends s. 627.714, F.S., to provide that the amount of loss assessment coverage that can be assessed against a unit owner is based upon the coverage limit for loss assessment that was in effect in the unit owner’s policy one day before the date of an occurrence that resulted in a loss for which the unit owner is being assessed. Further, the bill establishes that the coverage in place at that time applies regardless of the date on which the condominium association assesses the unit owner.

Prepayment of Premium on Initial Policy Purchase and Cancellation of Motor Vehicle Insurance Policies (Section 13)

Section 13 amends s. 627.7295, F.S., to reduce the limitation on insurer cancellation from 60 days to 30 days to make the bill consistent with the 2019 law change⁷² that reduced the required collection of initial premium from two month’s premium to one month’s premium.

Travel Insurance (Section 8 and Sections 14 through 22)

Section 8 amends s. 626.321, F.S., to revise current travel insurance agent and agency licensing requirements.

⁷² See *supra* note 12.

Any person licensed in a major line of authority as an insurance producer, including a property and casualty insurance producer who is not appointed by an insurer, may transact travel insurance. A licensed “producer” is a licensed insurance agent.

The bill requires the DFS to issue a travel insurance limited license to each limited lines travel insurance producer (travel insurance producer) that properly files an application with the DFS. The limited license authorizes the travel insurance producer to sell, solicit, or negotiate travel insurance through a licensed insurer. A travel insurance producer is defined in **Section 16** of the bill as:

- A licensed administrator or third-party administrator;
- A licensed insurance producer, including a limited lines producer; or
- A travel administrator.

The section also creates a registration requirement for travel retailers, which are business entities that make, arrange, or offer planned travel. Under the bill, a travel retailer may also offer and disseminate travel insurance to its customers on behalf of and under the license of a travel insurance producer. To do so, the travel retailer must be registered and appointed under a licensed limited lines travel insurance producer to transact travel insurance and must meet the following requirements:

- The travel insurance producer or travel retailer provides to purchasers of travel insurance:
 - The material terms of the insurance coverage or a description thereof;
 - A description of the process for filing a claim;
 - A description of the review or cancellation process for the travel insurance policy; and
 - The identity and contact information of the insurer and the limited lines travel insurance producer.
- The travel insurance producer is required to:
 - Establish and maintain a register on the DFS’s website of each travel retailer offering travel insurance on its behalf;
 - Maintain and update the register, which must include the travel retailer’s federal tax identification number and the name, address, and contact information of the travel retailer and an officer or person who directs or controls the travel retailer’s operations;
 - Submit the register to the DFS upon reasonable request.
 - Certify that the travel retailer register complies with 18 U.S.C. s. 1033
- The travel insurance producer must designate one employee, who is a licensed insurance producer, responsible for compliance issues applicable to the licensee and the registered travel retailers appointed under the licensee.
- The travel insurance producer has paid all applicable licensing fees.
- Each employee and each authorized representative of the travel insurance producer must receive instruction or training. Such training or instruction is subject to review and approval by the DFS and must include, at a minimum, adequate instruction on the types of insurance offered, ethical sales practices, and required disclosures to prospective purchasers.

Under this section, the term “offer and disseminate” means to provide general information, including a description of the coverage price, as well as processing the application and collecting premiums.

Travel retailers offering or disseminating travel insurance are required to make available to prospective purchasers written materials approved by the travel insurer. Minimally, the material must:

- Provide the contact information of the travel insurance producer;
- Explain that the purchase of travel insurance is not necessary in order to purchase other products from the travel retailer; and
- Explain a travel retailer is authorized to provide only general information about insurance offered by the travel retailer, including a description of the coverage and price, but is not qualified or authorized to answer technical questions about the terms and conditions of the policy offered or to evaluate the adequacy of the customer's existing insurance coverage.

Travel retailer employees or authorized representatives who are not licensed as an insurance producer may not evaluate or interpret the terms of the travel insurance contract, evaluate or provide advice concerning the prospective purchaser's existing insurance coverage, or hold himself or herself out as an insurance expert. Properly registered travel retailers and their employees may receive compensation from the travel insurance producer.

The travel insurance producer is responsible for the acts of the travel retailer and must use reasonable means to ensure compliance by the travel retailer with this section.

Section 14 directs the Division of Law Revision to create ch. 647, F.S., encompassing ss. 647.01-647.08, F.S., to be entitled "Travel Insurance."⁷³

Section 15 creates s. 647.01, F.S., to provide a purpose statement that promotes the public welfare by creating a comprehensive legal framework within which travel insurance may be sold in Florida. It defines the scope of the chapter as applicable to:

- Travel insurance that covers any resident of this state and that is sold, solicited, negotiated, or offered in this state; and
- Policies and certificates that are delivered or issued for delivery in Florida.

The bill does not apply to cancellation fee waivers or travel assistance services, except as expressly provided.

It specifies that all other applicable provisions of the insurance laws of this state continue to apply to travel insurance, except that the specific provisions of this chapter shall supersede any general provisions of law that would otherwise be applicable to travel insurance.

Section 16 creates s. 647.02, F.S., and defines the following terms used in the chapter:

- "Aggregator site" – a website that provides access to information regarding insurance products from more than one insurer, including product and insurer information, for use in comparison shopping.
- "Blanket travel insurance" – a policy of travel insurance issued to an eligible group providing coverage to all members of the eligible group without a separate charge to individual members of the eligible group.

⁷³ Chapter 647, F.S., incorporates the substance of the NAIC's Travel Insurance Model Act (#635) into the Florida Insurance Code.

- “Cancellation fee waiver” – a contractual agreement between a supplier of travel services and its customer to waive some or all of the nonrefundable cancellation fee provisions of the supplier’s underlying travel contract with or without regard to the reason for the cancellation or form of reimbursement. A cancellation fee waiver is not insurance.
- “Department” – the Department of Financial Services.
- “Eligible group” – for the purposes of travel insurance, means two or more persons who are engaged in a common enterprise or who have an economic, educational, or social affinity or relationship. The bill provides numerous examples of the types of groups included.
- “Fulfillment materials” – documentation sent to the purchaser of a travel protection plan confirming the purchase and providing the travel protection plan’s coverage and assistance details.
- “Group travel insurance” – travel insurance issued to an eligible group.
- “Limited lines travel insurance producer” means:
 - A licensed or third-party administrator;
 - A licensed insurance producer, including a limited lines producer; or
 - A travel administrator.
- “Travel administrator” – a person who directly or indirectly underwrites policies for; collects charges, collateral, or premiums from; or adjusts or settles claims made by residents of this state in connection with travel insurance, except that a person is not considered a travel administrator if the person is:
 - A person working for a travel administrator, to the extent that the person’s activities are subject to the supervision and control of the travel administrator;
 - An insurance producer selling insurance or engaged in administrative and claims-related activities within the scope of the producer’s license;
 - A travel retailer, as defined s. 626.321(1)(c)2., F.S., offering and disseminating travel insurance and registered under the license of a limited lines travel insurance producer in accordance with s. 626.321(1)(c), F.S.;
 - A person adjusting or settling claims in the normal course of the person’s practice or employment as an attorney at law, without collecting charges or premiums in connection with insurance coverage; or
 - A business entity that is affiliated with a licensed insurer while acting as a travel administrator for the direct and assumed insurance business of the affiliated insurer.
- “Travel assistance services” – noninsurance services for which the consumer is not indemnified based on a fortuitous event, and the provision of which does not result in the transfer or shifting of risk which would constitute the business of insurance. The term includes, but is not limited to, security advisories, destination information, vaccination and immunization services, travel reservation services, lost luggage assistance, concierge service and many other services. Travel assistance services are not insurance and are not related to insurance.
- “Travel insurance” – insurance coverage for personal risks incidental to planned travel, including:
 - Interruption or cancellation of trip or event;
 - Loss of baggage or personal effects;
 - Damages to accommodations or rental vehicles;
 - Sickness, accident, disability, or death occurring during travel;
 - Emergency evacuation;

- Repatriation of remains; or
- Any other contractual obligations to indemnify or pay a specified amount to the traveler upon determinable contingencies related to travel as determined by the OIR.

The term does not include major medical plans that provide comprehensive medical protection for travelers with trips lasting longer than six months, including major medical plans for those working or residing overseas as expatriates, or any other product that requires a specific insurance producer license.

- “Travel protection plan” – a plan that provides one or more of the following: travel insurance, travel assistance services, and cancellation fee waivers.

Section 17 creates s. 647.03, F.S., to require that the travel insurer must pay a premium tax, as required under s. 624.509, F.S., on travel insurance premiums paid by the primary policyholder, certificateholder, or blanket travel insurance policyholder under certain conditions, which include state of residence or principal place of business.⁷⁴ The travel insurer is required to document the state of residence or principal place of business for the policyholder or certificateholder, or an affiliate or subsidiary, thereof. The premium paid does not include amounts received for travel assistance services or cancellation waivers.

The bill provides that the premium tax is subject to any apportionment rules that apply to an insurer across multiple taxing jurisdictions or that authorize an insurer to allocate premium on an apportioned basis in a reasonable and equitable manner in those jurisdictions.

The bill defines “primary certificateholder” as an individual who purchases travel insurance under a group policy and “primary policyholder” as an individual who purchases individual travel insurance.

Section 18 creates s. 647.04, F.S., to allow the sale of travel protection plans for one price provided the plan provides to the consumer, at or before the time of purchase:

- Disclosure that the plan includes travel insurance, travel assistance services, and cancellation fee waivers, as applicable and provides information and an opportunity for the consumer to obtain additional information regarding the features and pricing of each.
- Fulfillment materials describing and delineating each of its features and pricing of each constituent feature, all disclosure required by ch. 647, F.S., and the contact information for the persons providing travel assistance services and cancellation fee waivers.

Section 19 creates s. 647.05, F.S., to require that travel insurance documents provided to a consumer before purchase must be consistent with the travel insurance policy. Information on any preexisting condition exclusion must be provided before purchase.

Fulfillment materials, and mandatory disclosures under s. 626.321(1)(c)3.a., F.S., must be sent to the purchaser of a travel protection plan after purchase, confirming the purchase and outlining the details of the plan. Fulfillment materials must include whether the travel insurance is primary or secondary to other applicable coverage and whether the policy has preexisting condition exclusions.

⁷⁴ This does not appear to be a new tax. Travel insurance is already subject to premium tax under the Florida Insurance Code. This provision appears to be included to clarify the applicability of premium tax requirements to the newly created ch. 647, F.S.

A policyholder or certificate holder can cancel a policy or certificate for a full refund up to 15 days after date of delivery, if delivered by postal mail, or ten days after date of delivery, if delivered by means other than postal mail. Under this section, “delivery” means handing fulfillment materials to the policyholder or certificateholder or sending fulfillment materials by postal or electronic means to the policyholder or certificateholder.

A person offering, soliciting, or negotiating travel insurance or protection plans may not do so using an opt-out option that requires a consumer to take an affirmative action when purchasing a trip.

Any person offering travel insurance is subject to the Unfair Insurance Trade Practices Act (UITPA),⁷⁵ unless otherwise specified. If a conflict arises between UITPA and this chapter, the provisions of this chapter will control. If a destination jurisdiction requires travel insurance coverage, it is not an unfair trade practice to require the consumer to purchase the required coverage through the travel retailer or the limited lines insurance producer supplying the trip or package, or to require that the consumer obtain and provide proof of coverage from another source, provided it meets the jurisdiction’s requirements and is purchased prior to departure. It is not an unfair trade practice to market travel insurance directly to a consumer online, as long as the web page provides an accurate summary or short description of the coverage and the consumer has access to the full policy provisions through electronic means. Conversely, a person commits an unfair trade practice under UITPA if he or she offers or sells a policy that could never result in payment of any claims or markets blanket travel insurance coverage as free.

Section 20 creates s. 647.06, F.S., to allow a person to act or represent himself or herself as a travel administrator if he or she is a licensed and appointed property and casualty insurance producer in Florida, is appointed as a managing agent in Florida, or holds a valid third party administrator license. A travel administrator and its employees are exempt from the licensing requirements listed in ch. 626, part VI, F.S. An insurer has the responsibility of ensuring a travel administrator acts in accordance with this chapter and maintains books and records, which must be available to DFS upon request.

Section 21 creates s. 647.07, F.S., to classify travel insurance under the inland marine line of insurance for purposes of rates and forms. Coverage for sickness, accident, disability, death or incidental limited property and casualty benefits, such as baggage or trip cancellation, during travel may be classified and filed under the accident and health or the inland marine line of insurance. Travel insurance may be in the form of an individual, group, or blanket policy. Sections of policies or endorsements for inland marine insurance consisting of travel assistance services or cancellation fee waivers are not subject to s. 627.410, F.S.

Travel insurance programs may be developed and provided based on travel protection plans designed for individual or identified marketing or distribution channels.

Section 22 creates s. 647.08, F.S., which requires the DFS to adopt rules to administer ch. 647, F.S.

⁷⁵ Chapter 626, Part IX, F.S.

Effective Date

Section 23 provides except as otherwise expressly provided in the bill and except for Section 23, which shall take effect upon this act becoming a law, the bill has an effective date of July 1, 2020.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

The bill does not appear to impose or raise a state tax or fee in violation of Art. VII, s. 19 of the Florida Constitution. Travel insurance is currently subject to premium tax under the Florida Insurance Code.

E. Other Constitutional Issues:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

The OIR has indicated the bill has no impact to state revenues or expenditures.⁷⁶ However, the DFS and the OIR may have indeterminate costs associated with implementing the newly created ch. 647, F.S., entitled "Travel Insurance." The DFS has not submitted an analysis of the bill.

⁷⁶ Telephone conversation with Grant Phillips, Office of Legislative Affairs, Office of Insurance Regulation (Feb. 28, 2020).

VI. Technical Deficiencies:

Lines 862 and 865 create two new violations of the Unfair Insurance Trade Practices Act in relation to travel insurance. It may avoid confusion if these provisions were amended into the Act at ch. 626, part IX, F.S., rather than stating them in a separate chapter of statute.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 319.30, 440.12, 440.20, 624.155, 624.307, 324.315, 624.422, 626.321, 627.062, 627.0651, 627.410, 627.714, and 627.7295.

This bill creates the following sections of the Florida Statutes: 647.01, 647.02, 647.03, 647.04, 647.05, 647.06, 647.07, and 647.08.

IX. Additional Information:**A. Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)**CS/CS by Infrastructure and Security on February 17, 2020:**

The committee substitute:

- Deletes the provisions of the bill that required the DHSMV to create an online verification system for motor vehicle insurance, and created a task force to assist, review, and report on the implementation of the system;
- Requires that an electronic signature used to satisfy the signature requirement for a salvage certificate of title must be executed using a system providing a Level 2 authentication level;
- Requires insurers to file with the DFS the name and email address of the person who will receive civil remedy notices;
- Amends the civil remedy notices statute of limitations when an appraisal is invoked from 60 days after it is invoked instead of 65 days after mailing of notice;
- Prohibits OIR from disseminating aggregated information if it contains trade secret information that can be individually extrapolated;
- Provides that when the OIR period for reviewing specified rates and forms end on a weekend or holiday, the period is extended until the conclusion of the next business day;
- Clarifies that the maximum amount that a condominium unit owner's assessment insurance coverage may be assessed is the loss assessment coverage limit in effect 1 day before the date of the occurrence that gave rise to the loss;
- Allows insurers to cancel auto policies for non-payment after 30 days, instead of the current 60 days;
- Allows for an electronic method of workers compensation payments to be used; and

- Establishes the National Association of Insurance Commissioners (NAIC) Model Act for travel insurance.

CS by Banking and Insurance on February 4, 2020:

The committee substitute:

- Retains the bill's provisions requiring the DHSMV to create a motor vehicle insurance online verification system, and requiring the creation of a task force to assist, review, and report on the implementation of the system.
- Amends s. 316.646, F.S., to require law enforcement officers, during a traffic stop or crash investigation, to access the motor vehicle insurance online verification system 18 months after its implementation.
- Authorizes the DHSMV to enter into use agreements with any public or private entity accessing the system to verify insurance coverage.
- Increases the period of time the insurers must maintain policyholder records in order to confirm coverage after the date of any verification request and response, from six months to three years.
- Increases the number of voting Motor Vehicle Insurance Online Verification Task Force members from nine to ten; adds one voting member who must be a member of local law enforcement, appointed by the executive director of the DHSMV.
- Eliminates the bill's provision requiring the Motor Vehicle Insurance Online Verification Task Force to issue a report to the DHSMV, President of the Senate, and Speaker of the House of Representatives no later than six months after the conclusion of the pilot program, evaluating the system's effectiveness in identifying uninsured motorists and making recommendations for system enhancements.
- Predicates the effectiveness of the bill on a specific appropriation.
- Deletes all other sections of the bill.

B. Amendments:

None.

By the Committees on Infrastructure and Security; and Banking
and Insurance; and Senator Perry

596-03771-20

20201606c2

1 A bill to be entitled
2 An act relating to insurance administration; amending
3 s. 319.30, F.S.; revising a certain electronic
4 signature requirement for a motor vehicle salvage
5 certificate of title; amending ss. 440.12 and 440.20,
6 F.S.; authorizing the payment of certain workers'
7 compensation benefits to be transmitted to the
8 employee's account with a licensed money transmitter;
9 amending s. 624.155, F.S.; revising requirements and
10 procedures for the civil remedy notice provided to
11 insurers and the Department of Financial Services;
12 revising the timeframe for an insurer to pay damages
13 or for certain circumstances to be corrected; revising
14 circumstances that toll the applicable statute of
15 limitations and the period the statute of limitations
16 is tolled; amending ss. 624.307 and 624.315, F.S.;
17 providing that certain aggregate information
18 containing trade secret information may be publicly
19 disclosed by the department or the Office of Insurance
20 Regulation, except under certain circumstances;
21 amending s. 624.422, F.S., requiring insurers to file
22 with the department certain contact information for
23 service of process; amending s. 626.321, F.S.;
24 providing that certain travel insurance licenses are
25 subject to review by the department rather than by the
26 office; revising persons who may be licensed to
27 transact in travel insurance; specifying licensure and
28 registration requirements for certain persons;
29 defining the term "travel retailer"; specifying

30 requirements for, restrictions on, and authorized acts
31 by travel retailers and limited lines travel insurance
32 producers; defining the term "offer and disseminate";
33 authorizing certain persons to sell, solicit, and
34 negotiate travel insurance; amending ss. 627.062,
35 627.0651, and 627.410, F.S.; specifying that certain
36 periods ending on a weekend or on certain holidays are
37 extended until the conclusion of the next business
38 day; amending s. 627.714, F.S.; revising criteria for
39 assessing a residential condominium unit owner's loss
40 assessment coverage; amending s. 627.7295, F.S.;
41 decreasing the timeframe during which an insurer may
42 not cancel a new policy or binder of motor vehicle
43 insurance for nonpayment of premium, except under
44 certain circumstances; creating ch. 647, F.S.,
45 entitled "Travel Insurance"; creating s. 647.01, F.S.;
46 providing legislative purpose; providing
47 applicability; creating s. 647.02, F.S.; defining
48 terms; creating s. 647.03, F.S.; defining the terms
49 "primary certificateholder" and "primary
50 policyholder"; requiring travel insurers to pay the
51 insurance premium tax on specified travel insurance
52 premiums; providing construction; specifying
53 requirements for travel insurers; creating s. 647.04,
54 F.S.; providing that a travel protection plan may be
55 offered for one price if it meets specified
56 requirements; creating s. 647.05, F.S.; specifying
57 sales practice requirements, prohibited sales
58 practices, and authorized sales practices relating to

Page 2 of 32

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

596-03771-20

20201606c2

59 travel insurance; specifying a policyholder's or
 60 certificateholder's right to cancel a travel
 61 protection plan for a full refund; defining the term
 62 "delivery"; specifying unfair insurance trade
 63 practices; providing construction; creating s. 647.06,
 64 F.S.; specifying qualifications for travel
 65 administrators; providing an exemption from certain
 66 licensure; providing that insurers are responsible for
 67 ensuring certain acts by travel administrators;
 68 creating s. 647.07, F.S.; specifying the
 69 classification for travel insurance for rate filing
 70 purposes; specifying authorized forms of travel
 71 insurance; providing applicability of certain
 72 provisions of the Rating Law; authorizing the
 73 development and provision of travel insurance programs
 74 on certain bases; creating s. 647.08, F.S.; requiring
 75 the department to adopt rules; providing effective
 76 dates.

78 Be It Enacted by the Legislature of the State of Florida:

79
 80 Section 1. Effective upon this act becoming a law,
 81 paragraph (d) of subsection (3) of section 319.30, Florida
 82 Statutes, is amended to read:

83 319.30 Definitions; dismantling, destruction, change of
 84 identity of motor vehicle or mobile home; salvage.—

85 (3)

86 (d) An electronic signature that is consistent with chapter
 87 668 satisfies any signature required under this subsection,

Page 3 of 32

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

596-03771-20

20201606c2

88 except that an electronic signature on an odometer disclosure
 89 submitted through an insurance company must be executed using an
 90 electronic signature, as defined in s. 668.003(4), which that
 91 uses a system providing an Identity Assurance Level,
 92 Authenticator Assurance Level, and Federation Assurance Level,
 93 as described in the National Institute of Standards and
 94 Technology Special Publication 800-63-3, as of December 1, 2017,
 95 which that are equivalent to or greater than+

96 ~~1. Level 2, for each level, for a certificate of~~
 97 ~~destruction or-~~

98 ~~2. Level 3, for each level, for a salvage certificate of~~
 99 ~~title.~~

100 Section 2. Paragraph (a) of subsection (1) of section
 101 440.12, Florida Statutes, is amended to read:

102 440.12 Time for commencement and limits on weekly rate of
 103 compensation.—

104 (1) Compensation is not allowed for the first 7 days of the
 105 disability, except for benefits provided under s. 440.13.
 106 However, if the injury results in more than 21 days of
 107 disability, compensation is allowed from the commencement of the
 108 disability.

109 (a) All weekly compensation payments, except for the first
 110 payment, must be paid by check or, if authorized by the
 111 employee, paid on a prepaid card pursuant to paragraph (b), ~~or~~
 112 deposited directly into the employee's account at a financial
 113 institution as defined in s. 655.005, or transmitted to the
 114 employee's account with a money transmitter licensed under part
 115 II of chapter 560.

116 Section 3. Paragraph (a) of subsection (1) and paragraph

Page 4 of 32

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

596-03771-20

20201606c2

117 (a) of subsection (6) of section 440.20, Florida Statutes, are
118 amended to read:

119 440.20 Time for payment of compensation and medical bills;
120 penalties for late payment.—

121 (1) (a) Unless the carrier denies compensability or
122 entitlement to benefits, the carrier shall pay compensation
123 directly to the employee as required by ss. 440.14, 440.15, and
124 440.16, in accordance with those sections. Upon receipt of the
125 employee's authorization as provided for in s. 440.12(1) (a), the
126 carrier's obligation to pay compensation directly to the
127 employee is satisfied when the carrier directly deposits, by
128 electronic transfer or other means, compensation into the
129 employee's account at a financial institution as defined in s.
130 655.005 or onto a prepaid card in accordance with s. 440.12(1)
131 or transmits the employee's compensation to the employee's
132 account with a money transmitter licensed under part II of
133 chapter 560. Compensation by direct deposit, ~~or~~ through the use
134 of a prepaid card, or through transmission is considered paid on
135 the date the funds become available for withdrawal by the
136 employee.

137 (6) (a) If any installment of compensation for death or
138 dependency benefits, or compensation for disability benefits
139 payable without an award is not paid within 7 days after it
140 becomes due, as provided in subsection (2), subsection (3), or
141 subsection (4), there shall be added to such unpaid installment
142 a penalty of an amount equal to 20 percent of the unpaid
143 installment, which shall be paid at the same time as, but in
144 addition to, such installment of compensation. This penalty
145 shall not apply for late payments resulting from conditions over

Page 5 of 32

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

596-03771-20

20201606c2

146 which the employer or carrier had no control. When any
147 installment of compensation payable without an award has not
148 been paid within 7 days after it became due and the claimant
149 concludes the prosecution of the claim before a judge of
150 compensation claims without having specifically claimed
151 additional compensation in the nature of a penalty under this
152 section, the claimant will be deemed to have acknowledged that,
153 owing to conditions over which the employer or carrier had no
154 control, such installment could not be paid within the period
155 prescribed for payment and to have waived the right to claim
156 such penalty. However, during the course of a hearing, the judge
157 of compensation claims shall on her or his own motion raise the
158 question of whether such penalty should be awarded or excused.
159 The department may assess without a hearing the penalty against
160 either the employer or the carrier, depending upon who was at
161 fault in causing the delay. The insurance policy cannot provide
162 that this sum will be paid by the carrier if the department or
163 the judge of compensation claims determines that the penalty
164 should be paid by the employer rather than the carrier. Any
165 additional installment of compensation paid by the carrier
166 pursuant to this section shall be paid directly to the employee
167 by check or, if authorized by the employee, by direct deposit
168 into the employee's account at a financial institution or by
169 transmission to the employee's account with a money transmitter
170 licensed under part II of chapter 560.

171 Section 4. Subsection (3) of section 624.155, Florida
172 Statutes, is amended to read:

173 624.155 Civil remedy.—

174 (3) (a) As a condition precedent to bringing an action under

Page 6 of 32

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

596-03771-20

20201606c2

175 this section, the department and the authorized insurer must
 176 have been given 60 days' written notice of the violation. Notice
 177 to the authorized insurer must be provided by the department to
 178 the e-mail address designated by the insurer under s. 624.422.

179 (b) The notice shall be on a form provided by the
 180 department and shall state with specificity the following
 181 information, and such other information as the department may
 182 require:

183 1. The statutory provision, including the specific language
 184 of the statute, which the authorized insurer allegedly violated.

185 2. The facts and circumstances giving rise to the
 186 violation.

187 3. The name of any individual involved in the violation.

188 4. Reference to specific policy language that is relevant
 189 to the violation, if any. If the person bringing the civil
 190 action is a third party claimant, she or he shall not be
 191 required to reference the specific policy language if the
 192 authorized insurer has not provided a copy of the policy to the
 193 third party claimant pursuant to written request.

194 5. A statement that the notice is given in order to perfect
 195 the right to pursue the civil remedy authorized by this section.

196 (c) No action shall lie if, within 60 days after the
 197 insurer receives filing notice from the department in accordance
 198 with this subsection, the damages are paid or the circumstances
 199 giving rise to the violation are corrected.

200 (d) The authorized insurer that is the recipient of a
 201 notice filed pursuant to this section shall report to the
 202 department on the disposition of the alleged violation.

203 (e) The applicable statute of limitations for an action

596-03771-20

20201606c2

204 under this section shall be tolled for a period of:

205 1. Sixty ~~65~~ days after the insurer receives from the
 206 department ~~by the mailing of~~ the notice required by this
 207 subsection.

208 2. Sixty days after the date appraisal is invoked pursuant
 209 to paragraph (f) ~~or the mailing of a subsequent notice required~~
 210 by this subsection.

211 (f) A notice required under this subsection may not be
 212 filed within 60 days after appraisal is invoked by any party in
 213 a residential property insurance claim.

214 Section 5. Subsection (4) of section 624.307, Florida
 215 Statutes, is amended to read:

216 624.307 General powers; duties.—

217 (4) The department and office may each collect, propose,
 218 publish, and disseminate information relating to the subject
 219 matter of any duties imposed upon it by law. Aggregate
 220 information may include information asserted as trade secret
 221 information unless the trade secret information can be
 222 individually extrapolated, in which case the trade secret
 223 information remains protected as provided under s. 624.4213.

224 Section 6. Subsection (4) is added to section 624.315,
 225 Florida Statutes, to read:

226 624.315 Department; annual report.—

227 (4) When aggregate information includes information
 228 asserted as trade secret information, the office may include the
 229 trade secret information in the report required under subsection
 230 (1) or may make the trade secret information available under
 231 subsection (2) unless the trade secret information can be
 232 individually extrapolated, in which case the trade secret

596-03771-20

20201606c2

233 information remains protected as provided under s. 624.4213.

234 Section 7. Subsection (2) of section 624.422, Florida
235 Statutes, is amended to read:

236 624.422 Service of process; appointment of Chief Financial
237 Officer as process agent.—

238 (2) Prior to its authorization to transact insurance in
239 this state, each insurer shall file with the department
240 designation of the name and address of the person to whom
241 process against it served upon the Chief Financial Officer is to
242 be forwarded. Each insurer shall also file with the department
243 designation of the name and e-mail address of the person to whom
244 the department shall forward civil remedy notices filed under
245 624.155. The insurer may change a the designation at any time by
246 a new filing.

247 Section 8. Paragraph (c) of subsection (1) of section
248 626.321, Florida Statutes, is amended to read:

249 626.321 Limited licenses and registration.—

250 (1) The department shall issue to a qualified applicant a
251 license as agent authorized to transact a limited class of
252 business in any of the following categories of limited lines
253 insurance:

254 (c) Travel insurance.—License covering only policies and
255 certificates of travel insurance which are subject to review by
256 the office. Policies and certificates of travel insurance may
257 provide coverage for travel insurance, as defined in s. 647.02
258 risks incidental to travel, planned travel, or accommodations
259 while traveling, including, but not limited to, accidental death
260 and dismemberment of a traveler; trip or event cancellation,
261 interruption, or delay; loss of or damage to personal effects or

596-03771-20

20201606c2

262 ~~travel documents; damages to travel accommodations; baggage~~
263 ~~delay; emergency medical travel or evacuation of a traveler; or~~
264 ~~medical, surgical, and hospital expenses related to an illness~~
265 ~~or emergency of a traveler. Such policy or certificate may be~~
266 ~~issued for terms longer than 90 days, but, other than a policy~~
267 ~~or certificate providing coverage for air ambulatory services~~
268 ~~only, each policy or certificate must be limited to coverage for~~
269 ~~travel or use of accommodations of no longer than 90 days. The~~
270 license may be issued only to an individual or business entity
271 that has filed with the department an application for a license
272 in a form and manner prescribed by the department.

273 1. A limited lines travel insurance producer, as defined in
274 s. 647.02, shall be licensed to sell, solicit, or negotiate
275 travel insurance through a licensed insurer.

276 2. A person may not act as a limited lines travel insurance
277 producer or travel retailer unless properly licensed or
278 registered, respectively. As used in this paragraph, the term
279 "travel retailer" means a business entity that:

280 a. Makes, arranges, or offers planned travel.

281 b. May, under subparagraph 3., offer and disseminate travel
282 insurance as a service to its customers on behalf of and under
283 the direction of a limited lines travel insurance producer.

284 3. A travel retailer may offer and disseminate travel
285 insurance under a limited lines travel insurance producer
286 business entity license only if all of the following
287 requirements are met:

288 a. The limited lines travel insurance producer or travel
289 retailer provides to purchasers of travel insurance:

290 (I) A description of the material terms or the actual

596-03771-20

20201606c2

291 material terms of the insurance coverage.
 292 (II) A description of the process for filing a claim.
 293 (III) A description of the review or cancellation process
 294 for the travel insurance policy.
 295 (IV) The identity and contact information of the insurer
 296 and limited lines travel insurance producer.
 297 b. At the time of licensure, the limited lines travel
 298 insurance producer establishes and maintains a register on the
 299 department's website and appoints each travel retailer that
 300 offers travel insurance on behalf of the limited lines travel
 301 insurance producer. The limited lines travel insurance producer
 302 must maintain and update the register, which must include the
 303 travel retailer's federal tax identification number and the
 304 name, address, and contact information of the travel retailer
 305 and an officer or person who directs or controls the travel
 306 retailer's operations. The limited lines travel insurance
 307 producer shall submit the register to the department upon
 308 reasonable request. The limited lines travel insurance producer
 309 shall also certify that the travel retailer register complies
 310 with 18 U.S.C. s. 1033. The grounds for the suspension and
 311 revocation and the penalties applicable to resident insurance
 312 producers under this section apply to the limited lines travel
 313 insurance producers and travel retailers.
 314 c. The limited lines travel insurance producer has
 315 designated one of its employees as the designated responsible
 316 producer. The designated responsible producer, who must be a
 317 licensed insurance producer, is responsible for compliance with
 318 the travel insurance laws and regulations applicable to the
 319 limited lines travel insurance producer and its registrants. The

Page 11 of 32

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

596-03771-20

20201606c2

320 designated responsible producer and the president, secretary,
 321 treasurer, and any other officer or person who directs or
 322 controls the limited lines travel insurance producer's insurance
 323 operations must comply with the fingerprinting requirements
 324 applicable to insurance producers in the resident state of the
 325 limited lines travel insurance producer.
 326 d. The limited lines travel insurance producer has paid all
 327 applicable licensing and appointment fees, as set forth in
 328 applicable general law.
 329 e. The limited lines travel insurance producer requires
 330 each employee and each authorized representative of the travel
 331 retailer whose duties include offering and disseminating travel
 332 insurance to receive a program of instruction or training, which
 333 is subject, at the discretion of the department, to review and
 334 approval. The training material must, at a minimum, contain
 335 adequate instructions on the types of insurance offered, ethical
 336 sales practices, and required disclosures to prospective
 337 purchasers.
 338
 339 As used in this paragraph, the term "offer and disseminate"
 340 means to provide general information, including a description of
 341 the coverage and price, as well as processing the application
 342 and collecting premiums.
 343 4. A travel retailer offering or disseminating travel
 344 insurance shall make available to prospective purchasers
 345 brochures or other written materials that have been approved by
 346 the travel insurer. Such materials must include information
 347 that, at a minimum:
 348 a. Provides the identity and contact information of the

Page 12 of 32

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

596-03771-20

20201606c2

349 insurer and the limited lines travel insurance producer.
 350 b. Explains that the purchase of travel insurance is not
 351 required in order to purchase any other product or service from
 352 the travel retailer.
 353 c. Explains that a travel retailer is authorized to provide
 354 only general information about the insurance offered by the
 355 travel retailer, including a description of the coverage and
 356 price, but is not qualified or authorized to answer technical
 357 questions about the terms and conditions of the insurance
 358 offered by the travel retailer or to evaluate the adequacy of
 359 the customer's existing insurance coverage.
 360 5. A travel retailer employee or authorized representative
 361 who is not licensed as an insurance producer may not:
 362 a. Evaluate or interpret the technical terms, benefits, and
 363 conditions of the offered travel insurance coverage;
 364 b. Evaluate or provide advice concerning a prospective
 365 purchaser's existing insurance coverage; or
 366 c. Hold himself or herself or the travel retailer out as a
 367 licensed insurer, licensed producer, or insurance expert.
 368
 369 Notwithstanding any other law, a travel retailer whose
 370 insurance-related activities, and those of its employees and
 371 authorized representatives, are limited to offering and
 372 disseminating travel insurance on behalf of and under the
 373 direction of a limited lines travel insurance producer meeting
 374 the conditions in this section may receive related compensation
 375 upon registration by the limited lines travel insurance producer
 376 as described in paragraph (2) (b).
 377 6. As the insurer's designee, the limited lines travel

Page 13 of 32

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

596-03771-20

20201606c2

378 insurance producer is responsible for the acts of the travel
 379 retailer and shall use reasonable means to ensure compliance by
 380 the travel retailer with this section.
 381 7. Any person licensed as a general or personal lines agent
 382 may sell, solicit, and negotiate travel insurance.†
 383 1. To a full-time salaried employee of a common carrier or
 384 a full-time salaried employee or owner of a transportation
 385 ticket agency and may authorize the sale of such ticket policies
 386 only in connection with the sale of transportation tickets, or
 387 to the full-time salaried employee of such an agent. Such policy
 388 may not be for more than 48 hours or more than the duration of a
 389 specified one way trip or round trip.
 390 2. To an entity or individual that is:
 391 a. The developer of a timeshare plan that is the subject of
 392 an approved public offering statement under chapter 721;
 393 b. An exchange company operating an exchange program
 394 approved under chapter 721;
 395 c. A managing entity operating a timeshare plan approved
 396 under chapter 721;
 397 d. A seller of travel as defined in chapter 559; or
 398 e. A subsidiary or affiliate of any of the entities
 399 described in sub-subparagraphs a.-d.
 400 3. To a full-time salaried employee of a licensed general
 401 lines agent or a business entity that offers travel planning
 402 services if insurance sales activities authorized by the license
 403 are in connection with, and incidental to, travel.
 404 a. A license issued to a business entity that offers travel
 405 planning services must encompass each office, branch office, or
 406 place of business making use of the entity's business name in

Page 14 of 32

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

596-03771-20

20201606c2

407 ~~order to offer, solicit, and sell insurance pursuant to this~~
 408 ~~paragraph.~~

409 ~~b. The application for licensure must list the name,~~
 410 ~~address, and phone number for each office, branch office, or~~
 411 ~~place of business that is to be covered by the license. The~~
 412 ~~licensee shall notify the department of the name, address, and~~
 413 ~~phone number of any new location that is to be covered by the~~
 414 ~~license before the new office, branch office, or place of~~
 415 ~~business engages in the sale of insurance pursuant to this~~
 416 ~~paragraph. The licensee shall notify the department within 30~~
 417 ~~days after the closing or terminating of an office, branch~~
 418 ~~office, or place of business. Upon receipt of the notice, the~~
 419 ~~department shall delete the office, branch office, or place of~~
 420 ~~business from the license.~~

421 ~~e. A licensed and appointed entity is directly responsible~~
 422 ~~and accountable for all acts of the licensee's employees and~~
 423 ~~parties with whom the licensee has entered into a contractual~~
 424 ~~agreement to offer travel insurance.~~

425 ~~A licensee shall require each individual who offers policies or~~
 426 ~~certificates under subparagraph 2. or subparagraph 3. to receive~~
 427 ~~initial training from a general lines agent or an insurer~~
 428 ~~authorized under chapter 624 to transact insurance within this~~
 429 ~~state. For an entity applying for a license as a travel~~
 430 ~~insurance agent, the fingerprinting requirement of this section~~
 431 ~~applies only to the president, secretary, and treasurer and to~~
 432 ~~any other officer or person who directs or controls the travel~~
 433 ~~insurance operations of the entity.~~

434 ~~Section 9. Paragraph (a) of subsection (2) of section~~
 435

Page 15 of 32

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

596-03771-20

20201606c2

436 627.062, Florida Statutes, is amended to read:

437 627.062 Rate standards.—

438 (2) As to all such classes of insurance:

439 (a) Insurers or rating organizations shall establish and
 440 use rates, rating schedules, or rating manuals that allow the
 441 insurer a reasonable rate of return on the classes of insurance
 442 written in this state. A copy of rates, rating schedules, rating
 443 manuals, premium credits or discount schedules, and surcharge
 444 schedules, and changes thereto, must be filed with the office
 445 under one of the following procedures:

446 1. If the filing is made at least 90 days before the
 447 proposed effective date and is not implemented during the
 448 office's review of the filing and any proceeding and judicial
 449 review, such filing is considered a "file and use" filing. In
 450 such case, the office shall finalize its review by issuance of a
 451 notice of intent to approve or a notice of intent to disapprove
 452 within 90 days after receipt of the filing. If the 90-day period
 453 ends on a weekend or a holiday under s. 110.117(1)(a)-(i), it
 454 must be extended until the conclusion of the next business day.

455 The notice of intent to approve and the notice of intent to
 456 disapprove constitute agency action for purposes of the
 457 Administrative Procedure Act. Requests for supporting
 458 information, requests for mathematical or mechanical
 459 corrections, or notification to the insurer by the office of its
 460 preliminary findings does not toll the 90-day period during any
 461 such proceedings and subsequent judicial review. The rate shall
 462 be deemed approved if the office does not issue a notice of
 463 intent to approve or a notice of intent to disapprove within 90
 464 days after receipt of the filing.

Page 16 of 32

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

596-03771-20

20201606c2

465 2. If the filing is not made in accordance with
 466 subparagraph 1., such filing must be made as soon as
 467 practicable, but within 30 days after the effective date, and is
 468 considered a "use and file" filing. An insurer making a "use and
 469 file" filing is potentially subject to an order by the office to
 470 return to policyholders those portions of rates found to be
 471 excessive, as provided in paragraph (h).

472 3. For all property insurance filings made or submitted
 473 after January 25, 2007, but before May 1, 2012, an insurer
 474 seeking a rate that is greater than the rate most recently
 475 approved by the office shall make a "file and use" filing. For
 476 purposes of this subparagraph, motor vehicle collision and
 477 comprehensive coverages are not considered property coverages.

478
 479 The provisions of this subsection do not apply to workers'
 480 compensation, employer's liability insurance, and motor vehicle
 481 insurance.

482 Section 10. Paragraph (a) of subsection (1) of section
 483 627.0651, Florida Statutes, is amended to read:

484 627.0651 Making and use of rates for motor vehicle
 485 insurance.-

486 (1) Insurers shall establish and use rates, rating
 487 schedules, or rating manuals to allow the insurer a reasonable
 488 rate of return on motor vehicle insurance written in this state.
 489 A copy of rates, rating schedules, and rating manuals, and
 490 changes therein, shall be filed with the office under one of the
 491 following procedures:

492 (a) If the filing is made at least 60 days before the
 493 proposed effective date and the filing is not implemented during

596-03771-20

20201606c2

494 the office's review of the filing and any proceeding and
 495 judicial review, such filing shall be considered a "file and
 496 use" filing. In such case, the office shall initiate proceedings
 497 to disapprove the rate and so notify the insurer or shall
 498 finalize its review within 60 days after receipt of the filing.
 499 If the 60-day period ends on a weekend or a holiday under s.
 500 110.117(1)(a)-(i), it must be extended until the conclusion of
 501 the next business day. Notification to the insurer by the office
 502 of its preliminary findings shall toll the 60-day period during
 503 any such proceedings and subsequent judicial review. The rate
 504 shall be deemed approved if the office does not issue notice to
 505 the insurer of its preliminary findings within 60 days after the
 506 filing.

507 Section 11. Subsection (2) of section 627.410, Florida
 508 Statutes, is amended to read:

509 627.410 Filing, approval of forms.-

510 (2) Every such filing must be made at least 30 days in
 511 advance of any such use or delivery. At the expiration of the 30
 512 days, the form filed will be deemed approved unless prior
 513 thereto it has been affirmatively approved or disapproved by
 514 order of the office. The approval of such form by the office
 515 constitutes a waiver of any unexpired portion of such waiting
 516 period. The office may extend the period within which it may
 517 affirmatively approve or disapprove such form by up to 15 days
 518 by giving notice of such extension before expiration of the
 519 initial 30-day period. If the initial 30-day period or the 15-
 520 day extension period ends on a weekend or a holiday under s.
 521 110.117(1)(a)-(i), the review period must be extended until the
 522 conclusion of the next business day. At the expiration of such

596-03771-20 20201606c2

523 extended period, and in the absence of prior affirmative
524 approval or disapproval, such form shall be deemed approved.

525 Section 12. Subsection (2) of section 627.714, Florida
526 Statutes, is amended to read:

527 627.714 Residential condominium unit owner coverage; loss
528 assessment coverage required.—

529 (2) The maximum amount of any unit owner's loss assessment
530 coverage that can be assessed for any loss shall be an amount
531 equal to that unit owner's loss assessment coverage limit in
532 effect 1 day before the date of the occurrence that gave rise to
533 the loss. Such coverage is applicable to any loss assessment
534 regardless of the date of the assessment by the association. Any
535 changes to the limits of a unit owner's coverage for loss
536 assessments made on or after the day before the date of the
537 occurrence are not applicable to such loss.

538 Section 13. Subsection (4) of section 627.7295, Florida
539 Statutes, is amended to read:

540 627.7295 Motor vehicle insurance contracts.—

541 (4) The insurer may cancel the policy in accordance with
542 this code except that, notwithstanding s. 627.728, an insurer
543 may not cancel a new policy or binder during the first 30 ~~60~~
544 days immediately following the effective date of the policy or
545 binder for nonpayment of premium unless the reason for the
546 cancellation is the issuance of a check for the premium that is
547 dishonored for any reason or any other type of premium payment
548 that was subsequently determined to be rejected or invalid.

549 Section 14. The Division of Law Revision is directed to
550 create chapter 647, Florida Statutes, consisting of ss. 647.01-
551 647.08, Florida Statutes, to be entitled "Travel Insurance."

596-03771-20 20201606c2

552 Section 15. Section 647.01, Florida Statutes, is created to
553 read:

554 647.01 Purpose and scope.—

555 (1) The purpose of this chapter is to promote the public
556 welfare by creating a comprehensive legal framework within which
557 travel insurance may be sold in this state.

558 (2) This chapter applies to:

559 (a) Travel insurance that covers any resident of this state
560 and that is sold, solicited, negotiated, or offered in this
561 state.

562 (b) Policies and certificates that are delivered or issued
563 for delivery in this state.

564
565 This chapter does not apply to cancellation fee waivers or
566 travel assistance services, except as expressly provided in this
567 chapter.

568 (3) All other applicable provisions of the insurance laws
569 of this state continue to apply to travel insurance, except that
570 the specific provisions of this chapter shall supersede any
571 general provisions of law that would otherwise be applicable to
572 travel insurance.

573 Section 16. Section 647.02, Florida Statutes, is created to
574 read:

575 647.02 Definitions.—As used in this chapter, the term:

576 (1) "Aggregator site" means a website that provides access
577 to information regarding insurance products from more than one
578 insurer, including product and insurer information, for use in
579 comparison shopping.

580 (2) "Blanket travel insurance" means a policy of travel

596-03771-20

20201606c2

581 insurance issued to an eligible group providing coverage to all
 582 members of the eligible group without a separate charge to
 583 individual members of the eligible group.

584 (3) "Cancellation fee waiver" means a contractual agreement
 585 between a supplier of travel services and its customer to waive
 586 some or all of the nonrefundable cancellation fee provisions of
 587 the supplier's underlying travel contract with or without regard
 588 to the reason for the cancellation or form of reimbursement. A
 589 cancellation fee waiver is not insurance.

590 (4) "Department" means the Department of Financial
 591 Services.

592 (5) "Eligible group," solely for the purposes of travel
 593 insurance, means two or more persons who are engaged in a common
 594 enterprise or who have an economic, educational, or social
 595 affinity or relationship, including, but not limited to, any of
 596 the following:

597 (a) An entity engaged in the business of providing travel
 598 or travel services, including, but not limited to:

599 1. A tour operator, lodging provider, vacation property
 600 owner, hotel, resort, travel club, travel agency, property
 601 manager, and cultural exchange program.

602 2. An operator, owner, or lessor of a means of
 603 transportation of passengers, including, but not limited to, a
 604 common carrier, airline, cruise line, railroad, steamship
 605 company, and public bus carrier.

606
 607 With regard to any particular travel or type of travel or
 608 travelers, all members or customers of the group must have a
 609 common exposure to risk attendant to such travel.

596-03771-20

20201606c2

610 (b) A university, college, school, or other institution of
 611 learning, covering students, teachers, employees, or volunteers.

612 (c) An employer covering any group of employees,
 613 volunteers, contractors, board of directors, dependents, or
 614 guests.

615 (d) A sports team or camp, or a sponsor thereof, covering
 616 participants, members, campers, employees, officials,
 617 supervisors, or volunteers.

618 (e) A religious, charitable, recreational, educational, or
 619 civic organization, or a branch thereof, covering any group of
 620 members, participants, or volunteers.

621 (f) A financial institution or financial institution
 622 vendor, or a parent holding company, trustee, or agent of or
 623 designated by one or more financial institutions or financial
 624 institution vendors, including account holders, credit card
 625 holders, debtors, guarantors, or purchasers.

626 (g) An incorporated or unincorporated association,
 627 including a labor union, having a common interest and
 628 constitution and bylaws, which is organized and maintained in
 629 good faith for purposes other than obtaining insurance coverage
 630 for its members or participants.

631 (h) A trust or the trustees of a fund that covers its
 632 members, employees, or customers and is established, created, or
 633 maintained for the benefit of its members, employees, or
 634 customers, subject to:

635 1. The department's authorizing the use of a trust.

636 2. The premium tax provisions in s. 647.03 applicable to
 637 incorporated or unincorporated associations that have a common
 638 interest and constitution and bylaws and that are organized and

596-03771-20

20201606c2

639 maintained in good faith for purposes other than obtaining
 640 insurance coverage for their members, employees, or customers.
 641 (i) An entertainment production company covering any group
 642 of participants, volunteers, audience members, contestants, or
 643 workers.
 644 (j) A volunteer fire department, ambulance, rescue, police,
 645 court, first-aid, civil defense, or other such volunteer group.
 646 (k) A preschool, daycare institution for children or
 647 adults, or senior citizen club.
 648 (l) An automobile or truck rental or leasing company
 649 covering a group of individuals who may become renters, lessees,
 650 or passengers as defined by their travel status on the rented or
 651 leased vehicles. The common carrier, the operator, owner, or
 652 lessor of a means of transportation, or the motor vehicle or
 653 truck rental or leasing company is the policyholder under a
 654 policy to which this section applies.
 655 (m) Any other group for which the department has made the
 656 following determinations:
 657 1. The group members are engaged in a common enterprise or
 658 have an economic, educational, or social affinity or
 659 relationship.
 660 2. Issuance of the travel insurance policy is not contrary
 661 to the public interest.
 662 (6) "Fulfillment materials" means documentation sent to the
 663 purchaser of a travel protection plan confirming the purchase
 664 and providing the travel protection plan's coverage and
 665 assistance details.
 666 (7) "Group travel insurance" means travel insurance issued
 667 to an eligible group.

596-03771-20

20201606c2

668 (8) "Limited lines travel insurance producer" means:
 669 (a) A licensed or third-party administrator;
 670 (b) A licensed insurance producer, including a limited
 671 lines producer; or
 672 (c) A travel administrator.
 673 (9) "Travel administrator" means a person who directly or
 674 indirectly underwrites policies for; collects charges,
 675 collateral, or premiums from; or adjusts or settles claims made
 676 by residents of this state in connection with travel insurance,
 677 except that a person is not considered a travel administrator if
 678 the person is:
 679 (a) A person working for a travel administrator, to the
 680 extent that the person's activities are subject to the
 681 supervision and control of the travel administrator;
 682 (b) An insurance producer selling insurance or engaged in
 683 administrative and claims-related activities within the scope of
 684 the producer's license;
 685 (c) A travel retailer, as defined s. 626.321(1)(c)2.,
 686 offering and disseminating travel insurance and registered under
 687 the license of a limited lines travel insurance producer in
 688 accordance with s. 626.321(1)(c);
 689 (d) A person adjusting or settling claims in the normal
 690 course of the person's practice or employment as an attorney at
 691 law, without collecting charges or premiums in connection with
 692 insurance coverage; or
 693 (e) A business entity that is affiliated with a licensed
 694 insurer while acting as a travel administrator for the direct
 695 and assumed insurance business of the affiliated insurer.
 696 (10) "Travel assistance services" means noninsurance

596-03771-20 20201606c2

697 services for which the consumer is not indemnified based on a
 698 fortuitous event, and the provision of which does not result in
 699 the transfer or shifting of risk which would constitute the
 700 business of insurance. The term includes, but is not limited to,
 701 security advisories, destination information, vaccination and
 702 immunization information services, travel reservation services,
 703 entertainment, activity and event planning, translation
 704 assistance, emergency messaging, international legal and medical
 705 referrals, medical case monitoring, coordination of
 706 transportation arrangements, emergency cash transfer assistance,
 707 medical prescription replacement assistance, passport and travel
 708 document replacement assistance, lost luggage assistance,
 709 concierge services, and any other service that is furnished in
 710 connection with planned travel. Travel assistance services are
 711 not insurance and are not related to insurance.

712 (11) "Travel insurance" means insurance coverage for
 713 personal risks incidental to planned travel, including:
 714 (a) Interruption or cancellation of trip or event;
 715 (b) Loss of baggage or personal effects;
 716 (c) Damages to accommodations or rental vehicles;
 717 (d) Sickness, accident, disability, or death occurring
 718 during travel;
 719 (e) Emergency evacuation;
 720 (f) Repatriation of remains; or
 721 (g) Any other contractual obligations to indemnify or pay a
 722 specified amount to the traveler upon determinable contingencies
 723 related to travel, as determined by the office.

724
 725 The term does not include major medical plans that provide

596-03771-20 20201606c2

726 comprehensive medical protection for travelers with trips
 727 lasting longer than 6 months, including major medical plans for
 728 those working or residing overseas as expatriates, or any other
 729 product that requires a specific insurance producer license.

730 (12) "Travel protection plan" means a plan that provides
 731 one or more of the following: travel insurance, travel
 732 assistance services, and cancellation fee waivers.

733 Section 17. Section 647.03, Florida Statutes, is created to
 734 read:

735 647.03 Premium tax.—

736 (1) As used in this section, the term:

737 (a) "Primary certificateholder" means an individual who
 738 purchases travel insurance under a group policy.

739 (b) "Primary policyholder" means an individual who
 740 purchases individual travel insurance.

741 (2) A travel insurer shall pay the premium tax, as required
 742 under s. 624.509, on travel insurance premiums paid by any of
 743 the following:

744 (a) A primary policyholder who is a resident of this state.

745 (b) A primary certificateholder who is a resident of this
 746 state.

747 (c) A blanket travel insurance policyholder:

748 1. Who is a resident in this state;

749 2. Who has his or her principal place of business in this
 750 state; or

751 3. Whose affiliate or subsidiary who has purchased blanket
 752 travel insurance for eligible blanket group members has his or
 753 her principal place of business in this state.

754

596-03771-20

20201606c2

755 The premium tax under this subsection is subject to any
 756 apportionment rules that apply to an insurer across multiple
 757 taxing jurisdictions or that authorize an insurer to allocate
 758 premium on an apportioned basis in a reasonable and equitable
 759 manner in those jurisdictions.

760 (3) A travel insurer shall:

761 (a) Document the state of residence or principal place of
 762 business of the policyholder or certificateholder, or an
 763 affiliate or subsidiary thereof, as required under subsection
 764 (2).

765 (b) Report as premium only the amount allocable to travel
 766 insurance and not any amounts received for travel assistance
 767 services or cancellation fee waivers.

768 Section 18. Section 647.04, Florida Statutes, is created to
 769 read:

770 647.04 Travel protection plans.—A travel protection plan
 771 may be offered for one price for the combined features that the
 772 travel protection plan offers in this state if the travel
 773 protection plan meets all of the following requirements:

774 (1) The travel protection plan clearly discloses to the
 775 consumer, at or before the time of purchase, that it includes
 776 travel insurance, travel assistance services, and cancellation
 777 fee waivers, as applicable, and provides information and an
 778 opportunity, at or before the time of purchase, for the consumer
 779 to obtain additional information regarding the features and
 780 pricing of each.

781 (2) The fulfillment materials:

782 (a) Describe and delineate the travel insurance, travel
 783 assistance services, and cancellation fee waivers in the travel

596-03771-20

20201606c2

784 protection plan.

785 (b) Include the travel insurance disclosures required in
 786 this chapter, the contact information for persons providing
 787 travel assistance services, and cancellation fee waivers, as
 788 applicable.

789 Section 19. Section 647.05, Florida Statutes, is created to
 790 read:

791 647.05 Sales practices.—

792 (1) (a) All documents provided to a consumer before the
 793 purchase of travel insurance, including, but not limited to,
 794 sales materials, advertising materials, and marketing materials,
 795 must be consistent with the travel insurance policy, including,
 796 but not limited to, forms, endorsements, policies, rate filings,
 797 and certificates of insurance.

798 (b) For travel insurance policies or certificates that
 799 contain preexisting condition exclusions, information and an
 800 opportunity to learn more about the preexisting condition
 801 exclusions must be provided any time before the purchase.
 802 Information on the exclusions and the opportunity to learn more
 803 about these exclusions must be included in the coverage's
 804 fulfillment materials.

805 (c) The fulfillment materials and the information described
 806 in s. 626.321(1)(c)3.a. must be provided to a policyholder or
 807 certificateholder as soon as practicable after the purchase of a
 808 travel protection plan. Unless the insured has started a covered
 809 trip or filed a claim under the travel insurance coverage, the
 810 policyholder or certificateholder may cancel a policy or
 811 certificate for a full refund of the travel protection plan
 812 price from the date of purchase of a travel protection plan

596-03771-20

20201606c2

813 until at least:814 1. Fifteen days after the date of delivery of the travel
815 protection plan's fulfillment materials by postal mail; or816 2. Ten days after the date of delivery of the travel
817 protection plan's fulfillment materials by means other than
818 postal mail.819
820 For the purposes of this paragraph, the term "delivery" means
821 handing fulfillment materials to the policyholder or
822 certificateholder or sending fulfillment materials by postal
823 mail or electronic means to the policyholder or
824 certificateholder.825 (d) An insurer shall disclose in the policy documentation
826 and fulfillment materials whether the travel insurance is
827 primary or secondary to other applicable coverage.828 (e) If travel insurance is marketed directly to a consumer
829 through an insurer's website or by others through an aggregator
830 site, it is not an unfair trade practice or other violation of
831 law if the following requirements are met:832 1. The web page provides an accurate summary or short
833 description of the coverage.834 2. The consumer has access to the full provisions of the
835 policy through electronic means.836 (2) A person offering, soliciting, or negotiating travel
837 insurance or travel protection plans on an individual or group
838 basis may not do so by using a negative or opt-out option that
839 would require a consumer to take an affirmative action to
840 deselect coverage, such as unchecking a box on an electronic
841 form, when the consumer purchases a trip.

596-03771-20

20201606c2

842 (3) If a consumer's destination jurisdiction requires
843 insurance coverage, it is not an unfair trade practice to
844 require that the consumer choose between the following options
845 as a condition of purchasing a trip or travel package:846 (a) Purchasing the coverage required by the destination
847 jurisdiction through the travel retailer, as defined s.
848 626.321(1)(c)2., or limited lines travel insurance producer
849 supplying the trip or travel package; or850 (b) Agreeing to obtain and provide proof of coverage that
851 meets the destination jurisdiction's requirements before
852 departure.853 (4) (a) A person offering travel insurance to residents of
854 this state is subject to part IX of chapter 626, the Unfair
855 Insurance Trade Practices Act, except as otherwise provided in
856 this chapter. If a conflict arises between this chapter and the
857 Unfair Insurance Trade Practices Act regarding the sale and
858 marketing of travel insurance and travel protection plans, the
859 provisions of this chapter shall control.860 (b) A person commits an unfair insurance trade practice
861 under the Unfair Insurance Trade Practices Act if the person:862 1. Offers or sells a travel insurance policy that could
863 never result in payment of any claims for any insured under the
864 policy; or865 2. Markets blanket travel insurance coverage as free.866 Section 20. Section 647.06, Florida Statutes, is created to
867 read:868 647.06 Travel administrators.—869 (1) Notwithstanding any other provision of the Florida
870 Insurance Code, a person may not act or represent himself or

596-03771-20

20201606c2

871 herself as a travel administrator in this state unless the
 872 person:
 873 (a) Is a licensed and appointed property and casualty
 874 insurance producer in this state for activities authorized under
 875 that producer license;
 876 (b) Is a licensed insurance agency, appointed as a managing
 877 general agent in this state; or
 878 (c) Holds a valid third-party administrator license in this
 879 state.
 880 (2) A travel administrator and its employees are exempt
 881 from the licensing requirements of part VI of chapter 626 for
 882 the travel insurance it administers.
 883 (3) An insurer is responsible for ensuring that a travel
 884 administrator administering travel insurance underwritten by the
 885 insurer:
 886 (a) Acts in accordance with this chapter.
 887 (b) Maintains all books and records that are relevant to
 888 the insurer and makes these books and records available to the
 889 department upon request.
 890 Section 21. Section 647.07, Florida Statutes, is created to
 891 read:
 892 647.07 Travel insurance policy.-
 893 (1) Notwithstanding any other provision of the Florida
 894 Insurance Code, travel insurance shall be classified and filed
 895 for purposes of rates and forms under the inland marine line of
 896 insurance; however, travel insurance that provides coverage for
 897 sickness, accident, disability, or death occurring during
 898 travel, either exclusively or in conjunction with related
 899 coverages of emergency evacuation or repatriation of remains, or

Page 31 of 32

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

596-03771-20

20201606c2

900 incidental limited property and casualty benefits, such as
 901 baggage or trip cancellation, may be classified and filed for
 902 purposes of rates and forms under either the accident and health
 903 line of insurance or the inland marine line of insurance.
 904 (2) Travel insurance may be in the form of an individual,
 905 group, or blanket policy. Group or blanket policies are
 906 classified as commercial inland marine insurance under s.
 907 627.021(2)(d). Travel insurance policies not issued to a
 908 commercial entity and primarily used for personal, family, or
 909 household purposes are considered personal inland marine
 910 insurance and shall not be subject to s. 627.062. Sections of
 911 policies or endorsements for travel insurance which are
 912 considered personal inland marine insurance consisting of travel
 913 assistance services or cancellation fee waivers are not subject
 914 to s. 627.410.
 915 (3) Travel insurance programs may be developed and provided
 916 based on travel protection plans designed for individual or
 917 identified marketing or distribution channels.
 918 Section 22. Section 647.08, Florida Statutes, is created to
 919 read:
 920 647.08 Rulemaking authority.-The department shall adopt
 921 rules to administer this chapter.
 922 Section 23. Except as otherwise expressly provided in this
 923 act and except for this section, which shall take effect upon
 924 this act becoming a law, this act shall take effect July 1,
 925 2020.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: CS/CS/SB 1624

INTRODUCER: Appropriations Committee; Children, Families, and Elder Affairs Committee; and Senator Perry

SUBJECT: Economic Self-sufficiency

DATE: March 4, 2020

REVISED: _____

| | ANALYST | STAFF DIRECTOR | REFERENCE | ACTION |

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 1624 requires the Auditor General to review certain state economic assistance, health care, and housing programs at least once every three years. The bill requires the Auditor General to submit a report to the Governor and Legislature within 30 days of completing each review.

The bill is expected to have a minimal impact on expenditures by the Auditor General.

The bill takes effect July 1, 2020.

II. Present Situation:

Florida Auditor General

Article III, s. 2 of the State Constitution provides for the Legislature to appoint an auditor who shall audit the public records and perform related duties as prescribed by law or concurrent resolution. Section 11.42, F.S., designates the constitutional auditor as the Auditor General, and ss. 11.42 through 11.47, F.S., set forth the Auditor General's authority and duties. Independently, and in accordance with applicable professional standards, the Auditor General:

- Conducts financial audits of the accounts and records of state government, state universities, state colleges, and school districts.

- Conducts operational and performance audits of public programs, activities, and functions and information technology systems.
- Adopts rules, in consultation with the Florida Board of Accountancy, for audits performed by independent certified public accountants of local governmental entities, charter schools and technical career centers, school districts, and certain nonprofit and for-profit organizations.
- Conducts reviews of audit reports of local governmental entities, charter schools and technical career centers, school districts, and certain nonprofit and for profit organizations.
- Conducts examinations of school districts' and other entities' records to evaluate compliance with state requirements governing the Florida Education Finance Program student enrollment and student transportation funding allocations.
- Conducts quality assessment reviews of the internal audits performed by state agency offices of inspectors general.

Pursuant to the Federal Single Audit Act, the Office of Management and Budget requires an audit of major state-administered federal awards programs, as described in Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.¹ Accordingly, the Auditor General performs an annual financial and federal awards audit of the State of Florida, which encompasses all state agencies, universities, and colleges, most recently in Report No. 2019-186. With the exception of the Section 8 program, this audit includes the state-administered federal programs listed in the bill. The Section 8 program is administered by local housing authorities rather than the state. As a result, each of the listed programs except Section 8 is audited by the Auditor General at least once every 3 years.²

III. Effect of Proposed Changes:

Section 1 amends 11.45, F.S., to require the Auditor General to conduct, at least every three years, performance audits of each of the following economic assistance and health care programs:

- The Supplemental Nutrition Assistance Program (SNAP) that helps low-income individuals and families buy healthy food.
- The Temporary Cash Assistance Program that provides cash assistance to families with children under the age of 18 that meet the technical, income, and asset requirements.
- The Medicaid Program that provides medical coverage to low-income individuals and families.
- The School Readiness Program that provides subsidies for child care services and early childhood education for children of low-income families, children in protective services who are at risk of abuse, neglect, or abandonment, and children with disabilities.
- The U.S. Department of Housing and Urban Development Section 8 Housing Program that provides housing assistance to low income individuals and families. The U.S. Department of Housing and Urban Development Section 8 Housing Program is operated by the federal

¹ Letter from the Auditor General, dated Jan. 21, 2020. On file with the Senate Committee on Children, Families and Elder Affairs

² *Id.*

government through local organizations in Florida. It is unclear if the Florida Auditor General would have the authority to conduct such reviews or audits.

The bill requires the Auditor General to review eligibility criteria, review how the programs document eligibility, how frequently the programs determine eligibility, how clear the programs communicate requirements to the program beneficiaries, review ways to improve efficiency and effectiveness through data sharing, and the number of families receiving assistance from more than one of the programs.

The bill directs the Auditor General to determine the number of families receiving assistance from these programs that also receive Earned Income Tax credits. It is unclear whether the Internal Revenue Service (IRS) would be able to provide information on Floridians who receive the Earned Income Tax credit. Taxpayers have the right to confidentiality regarding federal income tax information. A taxpayer can expect that any information he or she provides to the IRS will not be disclosed to outside parties, unless authorized by the taxpayer or by law.³ The right to confidentiality requires:

- In general, the IRS may not disclose a taxpayer's tax information to third parties, unless the taxpayer gives the agency permission.
- In general, the IRS cannot contact third parties, such as a taxpayer's employer, neighbor, or bank, to get information about a taxpayer unless it provides the taxpayer with reasonable notice before making the contact.
- When dealing with a federally authorized tax practitioner, a taxpayer can expect the same confidentiality protection that he or she would have with an attorney.

The bill requires the Auditor General to report the results of such audits to the Governor and Legislature within 30 days after the completion of each audit, but no later than December 31, 2020, and every three years thereafter.

Section 2 provides that the bill takes effect July 1, 2020.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

Not applicable. The bill does not require counties or municipalities to take action requiring the expenditure of funds, reduce the authority that counties or municipalities have to raise revenue in the aggregate, nor reduce the percentage of state tax shared with counties or municipalities.

B. Public Records/Open Meetings Issues:

None.

³ U.S. Internal Revenue Service website. See <https://www.irs.gov/newsroom/the-right-to-confidentiality-taxpayer-bill-of-rights-8> (last visited Jan. 30, 2020).

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None identified.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

The proposed changes require the Auditor General to conduct a performance audit every three years on each of various state-administered federal public assistance programs. However, the bill is expected to have a minimal impact on the operations of the Auditor General because many of the issues raised in the bill have been or are currently subject to audit.⁴

VI. Technical Deficiencies:

The U.S. Department of Housing and Urban Development Section 8 Housing Program is operated by the federal government. It is unclear if the Florida Auditor General has the authority to conduct reviews or audits of the program.

The Auditor General is not able to access information on Floridians who receive the Earned Income Tax credit in order to determine if such individuals also participate in the economic assistance and health care programs. Tax information is confidential under federal law and may only be released by the IRS under certain circumstances.

VII. Related Issues:

None.

⁴ Letter from the Auditor General, dated Jan. 21, 2020. On file with the Senate Committee on Children, Families and Elder Affairs

VIII. Statutes Affected:

This bill substantially amends section 11.45 of the Florida Statutes.

IX. Additional Information:

- A. **Committee Substitute – Statement of Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS/CS by Appropriations on March 3, 2020:

The committee substitute removes from the bill amendments to s. 1002.87, F.S., that would have provided a priority for participation in the school readiness program to parents who have an Intensive Service Account or an Individual Training Account. Such accounts are used by the state’s workforce program, CareerSource Florida, Inc., to assist persons with job referral and placement.

CS by Children, Families, and Elder Affairs on February 4, 2020:

The CS removes from the bill amendments to s. 1002.81, F.S., that would have removed the definitions of “earned income” and “unearned income” from the statutes governing the School Readiness Program.

- B. **Amendments:**

None.

1 A bill to be entitled
2 An act relating to economic self-sufficiency; amending
3 s. 11.45, F.S.; requiring the Auditor General to
4 perform audits of specified programs at specified
5 intervals; requiring the audits to review specified
6 elements of such programs; requiring the Auditor
7 General to make a specified determination, if
8 possible; providing reporting requirements for the
9 results of such audits; amending s. 1002.87, F.S.;
10 revising the criteria for a child to be given priority
11 for participation in the school readiness program;
12 providing an effective date.
13
14 Be It Enacted by the Legislature of the State of Florida:
15
16 Section 1. Paragraph (m) is added to subsection (2) of
17 section 11.45, Florida Statutes, to read:
18 11.45 Definitions; duties; authorities; reports; rules.-
19 (2) DUTIES.-The Auditor General shall:
20 (m) At least every 3 years, conduct performance audits of
21 the Supplemental Nutrition Assistance Program established under
22 7 U.S.C. ss. 2011 et seq., the Temporary Cash Assistance Program
23 provided under s. 414.095, the Medicaid program designated in s.
24 409.963, the School Readiness Program set forth in part VI of
25 chapter 1002, and the Housing Choice Voucher Program established
26 under 42 U.S.C. s. 1437. Such audits shall include a review of
27 eligibility criteria; the manner by which each program
28 establishes and documents eligibility and disbursement policies;
29 the frequency of eligibility determinations; the clarity of both

BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: CS/SB 1662

INTRODUCER: Community Affairs Committee and Senators Albritton and Broxson

SUBJECT: Property Tax Exemption for Disabled Veterans

DATE: March 2, 2020

REVISED: _____

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/SB 1662 allows a totally and permanently disabled veteran, or his or her surviving spouse, who acquires legal or beneficial title to property between January 1 and November 1, to receive a prorated refund of the ad valorem taxes paid for the newly acquired property as of the date of the property transfer. To receive the refund, the veteran or surviving spouse must have received the homestead exemption for totally and permanently disabled veterans authorized in section 196.081, Florida Statutes, on another homestead property in that tax year.

Although current law provides a full property tax exemption for homestead property owned by veterans who sustained a total and permanent service-connected disability, tax-exempt veterans may incur some tax liabilities when selling their prior homestead property and purchasing a new homestead property. The bill would allow a veteran or surviving spouse to obtain a refund of a portion of the taxes paid.

The Revenue Estimating Conference has determined that the bill will reduce local property taxes by \$2.9 million in Fiscal Year 2020-2021, increasing to \$3.9 million by Fiscal Year 2024-2025.

The bill takes effect July 1, 2020.

II. Present Situation:

General Overview of Property Taxation

The ad valorem tax or “property tax” is an annual tax levied by counties, municipalities, school districts, and some special districts. The tax is based on the taxable value of a property as of January 1 of each year.¹ The property appraiser annually determines the “just value”² of property within the taxing authority and then applies relevant exclusions, assessment limitations, and exemptions to determine the property’s “taxable value.”³ Tax bills are mailed in November of each year based on the previous January 1 valuation and payment is due before April 1.⁴

The Florida Constitution prohibits the state from levying ad valorem taxes⁵ and limits the Legislature’s authority to provide for property valuations at less than just value unless expressly authorized by the Constitution.⁶

Homestead Exemptions

Every person having legal or equitable title to real estate and who maintains a permanent residence on the real estate is eligible for a \$25,000 tax exemption applicable to all ad valorem tax levies, including levies by school districts.⁷ An additional \$25,000 exemption applies to homestead property value between \$50,000 and \$75,000.⁸ This exemption does not apply to ad valorem taxes levied by school districts.⁹

Annual Application

Each person or organization meeting the criteria for an ad valorem tax exemption may claim the exemption if the claimant held legal title to the real or personal property subject to the exemption on January 1.¹⁰ The application for exemption must be filed with the property appraiser on or before March 1, and failure to make an application constitutes a waiver of the exemption for that year.¹¹ The application must list and describe the property for which the exemption is being claimed and certify the ownership and use of the property. The claimant must reapply for the exemption on an annual basis unless the property appraiser (subject to approval by a vote of the

¹ Both real property and tangible personal property are subject to tax. Section 192.001(12), F.S., defines “real property” as land, buildings, fixtures, and all other improvements to land. Section 192.001(11)(d), F.S., defines “tangible personal property” as all goods, chattels, and other articles of value capable of manual possession and whose chief value is intrinsic to the article itself.

² Property must be valued at “just value” for purposes of property taxation, unless the Florida Constitution provides otherwise. FLA. CONST. Art VII, s. 4. Just value has been interpreted by the courts to mean the fair market value that a willing buyer would pay a willing seller for the property in an arm’s-length transaction. *See Walter v. Shuler*, 176 So. 2d 81 (Fla. 1965).

³ *See* ss. 192.001(2) and (16), F.S.

⁴ Section 197.333, F.S.

⁵ FLA. CONST. art. VII, s. 1(a).

⁶ *See* FLA. CONST. art. VII, s. 4.

⁷ FLA. CONST. art VII, s. 6(a).

⁸ *Id.*

⁹ *Id.*

¹⁰ Section 196.011(1)(a), F.S.

¹¹ Section 196.011(1)(b), F.S.

governing body of the county) has waived the annual application requirement for a property after an initial application is made and the exemption granted.¹²

Veterans with Total and Permanent Service-Connected Disability

The homestead property of a veteran who was honorably discharged with a service-connected total and permanent disability is exempt from taxation.¹³ To qualify for this exemption, the veteran must be a permanent resident of the state on January 1 of the tax year for which exemption is being claimed or must have been a permanent resident of this state on January 1. If the veteran predeceases their spouse, the spouse may continue to receive the exemption as long as the property remains the homestead property of the spouse, and the spouse is unmarried.¹⁴

The just value and the use of the property on January 1 are used by the property appraiser for purposes of the tax bill issued the following November.¹⁵ Thus, when property is sold mid-year, the new owner's November tax bill is determined by the just value and the prior owner's use of the property on the prior January 1. This treatment also applies when a disabled veteran that receives the full homestead exemption provided in s. 196.081, F.S., purchases a new homestead; the tax bill received in November will not reflect the disabled veteran exemption because the veteran did not use the new property as a homestead on January 1 of that year – he or she purchased the property after that date.

III. Effect of Proposed Changes:

The bill amends ss. 196.011 and 196.081, F.S., to allow a totally and permanently disabled veteran, or his or her surviving spouse, to receive a prorated refund for homestead property taxes paid on the newly acquired property, if legal or beneficial title to the property is acquired between January 1 and November 1. To qualify for the refund, the veteran or the surviving spouse must have received the homestead exemption for totally and permanently disabled veterans authorized in s. 196.081, F.S., on another property in that tax year.

Upon finding an applicant is entitled to the homestead exemption, a property appraiser must immediately make entries on the tax rolls of the county to allow the prorated refund of taxes for the previous tax year.

Veterans and spouses who qualify for the refund will receive the reimbursement in the tax year following the acquisition of a new property.

The bill takes effect on July 1, 2020.

¹² Section 196.011(5) and (9)(a), F.S.

¹³ Section 196.081(1), F.S.

¹⁴ Section 196.081(3), F.S.

¹⁵ See ss. 193.155, 193.1554, 193.1554, and 196.011(1)(a), F.S.

IV. Constitutional Issues:**A. Municipality/County Mandates Restrictions:**

Article VII, s. 18(b) of the Florida Constitution provides that except upon the approval of each house of the Legislature by a two-thirds vote of the membership, the Legislature may not enact, amend, or repeal any general law if the anticipated effect of doing so would be to reduce the authority that municipalities or counties have to raise revenue in the aggregate, as such authority existed on February 1, 1989. However, the mandate requirement does not apply to laws having an insignificant impact,¹⁶ which for the Fiscal Year 2019-2020 is forecast at approximately \$2.2 million.^{17, 18}

The mandate provision may apply because the bill requires counties to issue a prorated refund of ad valorem tax to qualified disabled veterans under certain circumstances. If the bill does qualify as a mandate, the final passage must be approved by two-thirds of the membership of each house of the Legislature.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None identified.

¹⁶ An insignificant fiscal impact is the amount not greater than the average statewide population for the applicable fiscal year times \$0.10. See Florida Senate Committee on Community Affairs, *Interim Report 2012-115: Insignificant Impact*, (Sept. 2011), available at <http://www.flsenate.gov/PublishedContent/Session/2012/InterimReports/2012-115ca.pdf> (last visited Feb. 14, 2020).

¹⁷ FLA. CONST. art. VII, s. 18(d).

¹⁸ Based on the Florida Demographic Estimating Conference's July 8, 2019, population forecast for 2020 of 21,555,986. The conference packet is available at <http://edr.state.fl.us/Content/conferences/population/ConferenceResults.pdf> (last visited Feb. 14, 2020).

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

The Revenue Estimating Conference has determined the bill will reduce local government ad valorem receipts by \$2.9 million in the Fiscal Year 2020-2021, increasing to \$3.9 million by Fiscal Year 2024-2025.¹⁹

B. Private Sector Impact:

The bill may generate tax savings for qualified disabled veterans by providing these veterans ad valorem tax refunds when moving between homestead properties.

C. Government Sector Impact:

None.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 196.011 and 196.081.

IX. Additional Information:**A. Committee Substitute – Statement of Changes:**

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Community Affairs February 10, 2020:

The committee substitute alters the mechanics of the homestead exemption “transfer” concept in the bill to allow a qualified veteran, or a surviving spouse, to receive a prorated refund for homestead taxes paid on newly acquired property.

B. Amendments:

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill’s introducer or the Florida Senate.

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

PCS/CS/SB 1676 expands the scope of practice and defines relevant terms for registered nurses (RNs), certified nursing assistants (CNAs), and home health aides (HHAs). The bill:

- Authorizes nursing home facilities to use paid feeding assistants if the assistant has completed a 12 hour program developed by the Agency for Health Care Administration (AHCA). The bill clarifies that paid feeding assistants do not count toward minimum staffing standards.
- Authorizes an RN to delegate any task, including the administration of medications, except controlled substances, to a CNA or HHA for a patient of a home health agency, if the RN determines that the CNA or the HHA is competent to perform the task, the task is delegable under federal law, and certain other requirements are met.
- Requires the AHCA, in consultation with the Board of Nursing, to establish standards and procedures by rule that a CNA and HHA must follow when administering medication to a patient of a home health agency.
- Establishes disciplinary actions for RNs that knowingly delegate responsibilities to a person that is not qualified by training, experience, certification, or licensure to perform them.

- Requires a Direct Care Workforce Survey (survey), created by the AHCA, to be completed and submitted at license renewal (every two years) for over 6,000 providers¹, including: nursing homes, assisted living facilities, home health agencies, and homemaker and companion services providers.
- Requires the ACHA to analyze the results of the survey and publish the information monthly on its website.
- Creates the Excellence in Home Health Program (program) within the AHCA for the purpose of awarding designations to home health agencies and nurse registries that meet specified criteria. The AHCA is required to adopt rules establishing criteria for the program and annually evaluate home health agencies or nurse registries that apply for program designation.
- Establishes a physician student loan repayment program within the Department of Health (DOH).
- Establishes the Patient Access to Primary Care Pilot Program within the DOH to provide primary health care services in “primary care health professional shortage areas” by allowing Advanced Practice Registered Nurses (APRN) who meet certain criteria to engage in the autonomous practice of advanced or specialized nursing without the supervision of a physician.

The bill appropriates three full-time equivalent (FTE) positions with an associated salary rate of 125,887, three other personal services (OPS) positions, and \$400,764 in recurring funds and \$408,731 in nonrecurring funds from the Health Care Trust Fund, in Fiscal Year 2020-2021 to the AHCA to manage stakeholder input and develop rules related to expansion of HHA and CNA duties, and create and implement the survey and program.

The bill’s requirements to establish a physician student loan repayment program and the Patient Access to Primary Care Pilot Program has a significant negative fiscal impact on the Department of Health. See Section V.

The bill takes effect upon becoming a law, except as otherwise expressly provided in the bill.

II. Present Situation:

The Agency for Health Care Administration

The Agency for Health Care Administration (AHCA) is created in s. 20.42, F.S. The AHCA is the chief health policy and planning entity for the state and its Division of Health Quality Assurance (HQA) is responsible for, among other things, health facility licensure, inspection, and regulatory enforcement. The HQA is funded with more than \$49 million in state and federal funds. It licenses or certifies and regulates 40 different types of health care providers, including hospitals, nursing homes, assisted living facilities (ALFs), and home health agencies. In total, the AHCA licenses, certifies, regulates, or provides exemptions for more than 48,000 providers.²

¹ Agency for Health Care Administration, *CS/SB 1676 Bill Analysis* (Feb. 14, 2020) (on file with the Senate Appropriations Subcommittee on Health and Human Services).

² Agency for Health Care Administration, *Division of Health Quality Assurance* <http://ahca.myflorida.com/MCHQ/index.shtml> (last visited Jan. 26, 2020).

Florida Nursing Homes

Nursing homes provide 24-hour-per-day nursing care, case management, health monitoring, personal care, nutritional meals and special diets, physical, occupational, and speech therapy, social activities, and respite care for those who are ill or physically infirm.³ Nursing care is provided by licensed practical nurses (LPNs) and registered nurses (RNs). Personal care is provided by certified nursing assistants (CNAs) and can include help with bathing, dressing, eating, walking, and physical transfer (like moving from a bed to a chair).⁴

A nursing home may also provide services like dietary consultation, laboratory, X-ray, pharmacy services, laundry, and pet therapy visits. Some facilities may provide special services like dialysis, tracheotomy, or ventilator care as well as Alzheimer's or hospice care.

Pursuant to s. 400.141, F.S., every nursing home in Florida must comply with all administrative and care standards set out in the AHCA rules and must:

- Be under the administrative direction and charge of a licensed administrator.⁵
- Appoint a physician medical director.⁶
- Have available the regular, consultative, and emergency services of one or more physicians.
- Provide residents with the use of a community pharmacy of their choice.
- Provide access for residents to dental and other health-related services, recreational services, rehabilitative services, and social work services.
- Be permitted and encouraged by the AHCA to provide other needed services, including, but not limited to, respite, therapeutic spa, and adult day services to nonresidents of the facility.
- Maintain the facility premises and equipment and conduct its operations in a safe and sanitary manner.
- Provide a wholesome and nourishing diet, if the licensee furnishes food services, sufficient to meet generally accepted standards of proper nutrition for its residents and provide such therapeutic diets as may be prescribed by physicians if the nursing home furnishes food services.
- Keep records of:
 - Resident admissions and discharges;
 - Medical and general health status, including:
 - Medical records;
 - Personal and social history;
 - Identity and address of next of kin or other persons who may have responsibility for the affairs of the resident;
 - Individual resident care plans, including, but not limited to:
 - Prescribed services;
 - Service frequency and duration; and
 - Service goals.

⁵ 59A-4.103(4)(b), F.A.C.

⁶ 59A-4.1075, F.A.C.

- Keep fiscal records of its operations and conditions.
- Furnish copies of personnel records for employees affiliated with such facility, to any other facility licensed by this state requesting this information.
- Publicly display a poster provided by the AHCA containing information for the:
 - State's abuse hotline;
 - State Long-Term Care Ombudsman;
 - AHCA consumer hotline;
 - Advocacy Center for Persons with Disabilities;
 - Florida Statewide Advocacy Council; and
 - Medicaid Fraud Control Unit.
- Comply with state minimum-staffing requirements, as set by AHCA rule, including the number and qualifications of all personnel having responsibility for resident care, such as:
 - Management;
 - Medical;
 - Nursing;
 - Other professional personnel;
 - Nursing assistants;
 - Orderlies; and
 - Other support personnel.
- Ensure that any program for dining and use of a hospitality attendant is developed and implemented under the supervision of the facility director of nursing.
- Maintain general and professional liability insurance coverage or proof of financial responsibility as required by statute.
- Require all CNAs to chart in a resident's medical records, by the end of his or her shift, all services provided, including:
 - Assistance with activities of daily living,
 - Eating,
 - Drinking, and
 - All offers to a resident for nutrition and hydration for those residents whose plan of care or assessment indicates a risk for malnutrition or dehydration.
- Provide to all consenting residents immunizations against influenza before November 30 each year.
- Assess each resident within five business days after admission for eligibility for pneumococcal vaccination or revaccination.
- Annually encourage all employees to receive immunizations against influenza viruses.⁷

Nursing Home Staffing Standards

Section 400.23(3), F.S., requires the AHCA to adopt rules providing minimum staffing requirements for nursing home facilities. The requirements must include:

- A minimum weekly average of 3.6 hours of direct care per resident per day provided by a combination of CNAs and licensed nursing staff. A week is defined as Sunday through Saturday.

⁷ Section 400.141, F.S.

- A minimum of 2.5 hours of direct care per resident per day provided by CNAs. A facility may not staff at a ratio of less than one CNA per 20 residents.
- A minimum of 1.0 hour of direct care per resident per day provided by licensed nursing staff. A facility may not staff at a ratio of less than one licensed nurse per 40 residents.
- Nursing assistants employed under s. 400.211(2), F.S., may be included in computing the staffing ratio for CNAs if their job responsibilities include only nursing-assistant-related duties.
- Each nursing home facility must document compliance with staffing standards and post daily the names of staff on duty for the benefit of facility residents and the public.
- Licensed nurses may be used to meet staffing requirements for CNAs if the licensed nurses are performing the duties of a CNA and the facility otherwise meets minimum staffing requirements for licensed nurses.
- Non-nursing staff providing eating assistance to residents do not count toward compliance with minimum staffing standards.

Section 400.23(3), F.S., also provides that LPNs who are providing nursing services in nursing home facilities may supervise the activities of other LPNs, CNAs, and other unlicensed personnel providing services in such facilities in accordance with rules adopted by the Board of Nursing (BON).

Nurse Practice Act

Florida's Nurse Practice Act is found in Part I of ch. 464, F.S. The purpose of the Nurse Practice Act is to ensure that every nurse practicing in this state meets minimum requirements for safe practice. It is the legislative intent that nurses who fall below minimum competency or who otherwise present a danger to the public are prohibited from practicing in this state.⁸

Registered Nurses

A registered nurse is any person licensed in this state or holding an active multistate license under the Nurse Practice Act to practice professional nursing. The practice of professional nursing means performing acts requiring substantial specialized knowledge, judgment, and nursing skill based on applied principles of psychological, biological, physical, and social sciences and includes, but is not limited to:

- The observation, assessment, nursing diagnosis, planning, intervention, and evaluation of care; health teaching and counseling of the ill, injured, or infirm; and the promotion of wellness, maintenance of health, and prevention of illness of others.
- The administration of medications and treatments as prescribed or authorized by a duly licensed practitioner authorized by the laws of this state to prescribe such medications and treatments.
- The supervision and teaching of other personnel in the theory and performance of any of the acts described in this subsection.

⁸ Section 464.002, F.S.

A professional nurse is responsible and accountable for making decisions that are based upon the individual's educational preparation and experience in nursing.⁹

Licensed Practical Nurses

A licensed practical nurse is any person licensed in this state or holding an active multistate license under the Nurse Practice Act to practice practical nursing.¹⁰ The practice of practical nursing means performing selected acts, including the administration of treatments and medications, in the care of the ill, injured, or infirm; the promotion of wellness, maintenance of health, and prevention of illness of others under the direction of an RN, a licensed physician, a licensed osteopathic physician, a licensed podiatric physician, or a licensed dentist; and the teaching of general principles of health and wellness to the public and to students other than nursing students. A practical nurse is responsible and accountable for making decisions based on the individual's educational preparation and experience in nursing.¹¹

Certified Nursing Assistants

Florida's statutory governance for CNAs is found in part II of ch. 464, F.S. Section 464.201(5), F.S., defines the practice of a CNA as providing care and assisting persons with tasks relating to the activities of daily living. Activities of daily living include tasks associated with: personal care, maintaining mobility, nutrition and hydration, toileting and elimination, assistive devices, safety and cleanliness, data gathering, reporting abnormal signs and symptoms, postmortem care, patient socialization and reality orientation, end-of-life care, cardiopulmonary resuscitation and emergency care, patients' rights, documentation of nursing-assistant services, and other tasks that a CNA may perform after training.¹²

Direct Care Staff

Federal law defines "direct care staff" as those individuals who, through interpersonal contact with nursing home residents or resident care management, provide care and services to allow residents to attain or maintain the highest practicable physical, mental, and psychosocial well-being. Direct care staff does not include individuals whose primary duty is maintaining the physical environment of the long-term care facility (for example, housekeeping).¹³

Direct care staff are the primary providers of paid, hands-on care for more than 13 million elderly and disabled Americans. They assist individuals with a broad range of support, including preparing meals, helping with medications, bathing, dressing, getting about (mobility), and getting to planned activities on a daily basis.¹⁴

¹⁴ Understanding Direct Care Workers: a Snapshot of Two of America's Most Important Jobs, *Certified Nursing Assistants and Home Health Aides*, Khatutsky, et al., (March 2011), available at <https://aspe.hhs.gov/basic-report/understanding-direct-care-workers-snapshot-two-americas-most-important-jobs-certified-nursing-assistants-and-home-health-aides#intro> (last visited on Jan. 27, 2020).

Direct care staff fall into three main categories tracked by the U.S. Bureau of Labor Statistics: Nursing Assistants (usually known as CNAs), home health aides (HHAs), and Personal Care Aides:

- CNAs generally work in nursing homes, although some work in ALFs, other community-based settings, or hospitals. They assist residents with activities of daily living (ADLs) such as eating, dressing, bathing, and toileting. They also perform clinical tasks such as range-of-motion exercises and blood pressure readings.
- HHAs provide essentially the same care and services as nursing assistants, but they assist people in their homes or in community settings under the supervision of a nurse or therapist. They may also perform light housekeeping tasks such as preparing food or changing linens.
- Personal Care Aides work in either private or group homes. They have many titles, including personal care attendant, home care worker, homemaker, and direct support professional. (The latter work with people with intellectual and developmental disabilities). In addition to providing assistance with ADLs, these aides often help with housekeeping chores, meal preparation, and medication management. They also help individuals go to work and remain engaged in their communities. A growing number of these workers are employed and supervised directly by consumers.¹⁵

The federal government requires training only for nursing assistants and HHAs who work in Medicare-certified and Medicaid-certified nursing homes and home health agencies. Such training includes training on residents' rights; abuse, neglect, and exploitation; quality assurance; infection control; and compliance and ethics, and specifies that direct care staff must be trained in effective communications.¹⁶

The Gold Seal Program

The Gold Seal Program (program) is a legislatively created award and recognition program, developed and implemented by the Governor's Panel on Excellence in Long-Term Care (Panel) for nursing facilities that demonstrate excellence in long-term care over a sustained period.¹⁷ Facilities must meet the Panel's criteria for measuring quality of care and the following additional criteria to receive a program designation:

- No class I or class II deficiencies within the 30 months preceding application for the program.
- Evidence of financial soundness and stability according to standards adopted by the AHCA in rule.

¹⁵ See *Who are Direct Care Workers?*, available at <https://phinational.org/wp-content/uploads/legacy/clearinghouse/NCDCW%20Fact%20Sheet-1.pdf> (last visited Jan. 27, 2020)

¹⁶ 42 CFR s. 483.95

¹⁷ Section 400.235, F.S. The panel is composed of three persons appointed by the Governor, to include a consumer advocate for senior citizens and two persons with expertise in the fields of quality management, service delivery excellence, or public sector accountability; three persons appointed by the Secretary of the Department of Elder Affairs, to include an active member of a nursing facility family and resident care council and a member of the University Consortium on Aging; a representative of the State Long-Term Care Ombudsman Program; one person appointed by the Florida Life Care Residents Association; one person appointed by the State Surgeon General; two persons appointed by the Secretary of Health Care Administration; one person appointed by the Florida Association of Homes for the Aging; and one person appointed by the Florida Health Care Association. Vacancies on the panel shall be filled in the same manner as the original appointments.

- Participate in a consumer satisfaction process and demonstrate the facility's efforts to act on the information gathered.
- Evidence of the involvement of families and members of the community in the facility on a regular basis.
- Have a stable workforce as evidenced by a relatively low turnover rate among CNAs and RNs within the 30 months preceding application for the program.
- Evidence that any complaints submitted to the State Long-Term Care Ombudsman Program within the 30 months preceding application for the program did not result in a licensure citation.
- Provide targeted in-service training to meet training needs identified by internal or external quality assurance efforts.

Home Health Agencies and Home Health Aides

Home health agencies deliver health and medical services and medical supplies through visits to private homes, ALFs, and adult family care homes. Some of the services include nursing care, physical therapy, occupational therapy, respiratory therapy, speech therapy, HHA services, and nutritional guidance. Medical supplies are restricted to drugs and biologicals prescribed by a physician. Along with services in the home, a home health agency can also provide staffing services in nursing homes and hospitals. Home health agencies differ in the quality of care and services they provide to patients. Home health agencies are required to be licensed and inspected by the state of Florida.¹⁸

The Home Health Consumer Assessment of Healthcare Providers & Systems (HHCAHPS) star ratings provide a snapshot of the four measures of patient experience of care. In addition, the HHCAHPS summary star rating combines all four HHCAHPS star ratings into a single, comprehensive metric. If a home health agency does not have an HHCAHPS summary star rating, it means that the home health agency did not have enough surveys completed to have star ratings calculated in a meaningful way. In addition to the patient survey results, the HHCAHPS star ratings summarize patient experience, which is one aspect of home health agency quality.¹⁹

Section 400.462(15), F.S., defines a "home health aide" as a person who is trained or qualified, as provided by the AHCA rule, to:

- Provide hands-on personal care;
- Perform simple procedures as an extension of therapy or nursing services;
- Assist in ambulation or exercises; or
- Assist in administering medications for which the person has received training established by the AHCA.

Assistance with Administering Medications

Rule 59A-18.0081, F.A.C., provides that a CNA or HHA referred by a nurse registry may assist with self-administration of medication if they have received a minimum of two hours of training covering the following content:

- State law and rule requirements with respect to the assistance with self-administration of medications in the home;
- Procedures for assisting the resident with self-administration of medication;
- Common types of medication;
- Recognition of side effects and adverse reactions; and
- Procedures to follow when patients appear to be experiencing side effects and adverse reactions.

The training must include verification that, for prescription medications, each CNA and HHA can read the prescription label and any instructions for the prescription. The rule provides that individuals who cannot read are not allowed to assist with prescription medications.

Healthcare Professional Shortage

The U.S. has a current health care provider shortage. As of December 31, 2019, the U.S. Department of Health and Human Services has designated 7,655 Primary Medical Health Professional Shortage Areas (HPSAs) (requiring 14,392 additional primary care physicians to eliminate the shortage), 6,820 Dental HPSAs (requiring 10,258 additional dentists to eliminate the shortage), and 6,117 Mental Health HPSAs (requiring 6,335 additional psychiatrists to eliminate the shortage).²⁰

In Florida, there are 754 HPSAs just for primary care, dental care, and mental health. It would take 1,636 primary care, 1,270 dental care, and 407 mental health practitioners to eliminate these shortage areas.²¹

Florida Advanced Practice Registered Nurses

In Florida, an advanced practice registered nurse (APRN)²² can be licensed as one of the following:²³

- Certified nurse practitioner (CNP);
- Certified nurse midwife (CNM);
- Clinical nurse specialist (CNS); or
- Certified registered nurse anesthetist (CRNA).

²⁰ U.S. Department of Health and Human Services, Health Resources and Services Administration, *Designated Health Professional Shortage Area Statistics, Fourth Quarter of Fiscal Year 2019 Designated HPSA Quarterly Summary*, (Sept. 30, 2019), available at <https://data.hrsa.gov/topics/health-workforce/shortage-areas> (last visited Feb. 18, 2020). Click on “Designated HPSA Quarterly Summary” to access the report.

²² Section 464.003(3), F.S.

²³ Section 464.012(4), F.S.

APRNs are regulated under part I of ch. 464, F.S., the Nurse Practice Act. The Board of Nursing (Board) provides, by rule, the eligibility criteria for applicants to be licensed as APRNs and the applicable regulatory standards for APRN nursing practices.²⁴ Additionally, the Board is responsible for administratively disciplining an APRN who commits prohibited acts.²⁵

In Florida “advanced or specialized nursing practice” includes, in addition to practices of professional nursing that registered nurses are authorized to perform, advanced-level nursing acts approved by the Board as appropriate for APRNs to perform by virtue of their post-basic specialized education, training, and experience.²⁶ Advanced or specialized nursing acts may only be performed if authorized under a supervising physician’s protocol.²⁷ In addition to advanced or specialized nursing practices, APRNs are authorized to practice certain medical acts, as opposed to nursing acts, as authorized within the framework of an established supervisory physician’s protocol.²⁸

To be eligible to be licensed as an APRN, an applicant must be licensed as a registered nurse, have a master’s degree in a nursing clinical specialty area with preparation in specialized practitioner skills, and submit proof that the applicant holds a current national advanced practice certification from a board-approved nursing specialty board.²⁹ A nursing specialty board must:³⁰

- Attest to the competency of nurses in a clinical specialty area;
- Require a written examination prior to certification;
- Require nurses to complete a formal program prior to eligibility for examination;
- Maintain program accreditation or review mechanism that adheres to criteria which are substantially equivalent to requirements in Florida; and
- Identify standards or scope of practice statements appropriate for each nursing specialty.

Pursuant to s. 456.048, F.S., all APRNs must carry malpractice insurance or demonstrate proof of financial responsibility. Any applicant for licensure must submit proof of coverage or financial responsibility within sixty days of licensure and prior to each biennial licensure renewal.³¹ The APRN must have professional liability coverage of at least \$100,000 per claim with a minimum annual aggregate of at least \$300,000 or an unexpired irrevocable letter of credit in the amount of at least \$100,000 per claim with a minimum aggregate availability of at least \$300,000 and which is payable to the APRN as beneficiary.³²

²⁴ See s. 464.004, F.S., and Rule 64B9-3, F.A.C.

²⁵ See ss. 464.018 and 456.072, F.S.

²⁹ Section 464.012(1), F.S., and Rule 64B9-4.002, F.A.C.

³⁰ Rule 64B9-4.002(3), F.A.C.

³¹ Rule 64B9-4.002, F.A.C. The DOH Form DH-MQA 1186, 01/09, “Financial Responsibility,” is incorporated into the rule by reference. Certain licensees, such as those who practice exclusively for federal or state governments, only practice in conjunction with a teaching position, or can demonstrate no malpractice exposure in this state are exempt from the financial responsibility requirements.

³² *Id.*

APRN Autonomy in Florida

Florida is a supervisory state. APRNs may perform only those nursing and medical practices delineated in a written physician protocol.³³ A physician providing primary health care services may supervise APRNs in up to four medical offices, in addition to the physician's primary practice location.

APRN Scope of Practice in Florida

Within the framework of the written protocol with a supervising physician, an APRN may:³⁴

- Prescribe, dispense, administer, or order any drug;
- Initiate appropriate therapies for certain conditions;
- Perform additional functions as may be determined by Board rule;
- Order diagnostic tests and physical and occupational therapy; and
- Perform certain acts within his or her specialty.

Currently, APRNs in Florida are not authorized to sign certain documents such as a certificate to initiate the involuntary examination of a person under the Baker Act, the release of persons in receiving facilities under the Baker Act, or death certificates.³⁵

III. Effect of Proposed Changes:

Sections 1 and 2 amend ss. 400.141 and 400.23, F.S., to provide that a licensed nursing home facility may use paid feeding assistants as defined in 42 C.F.R. s. 488.301, in accordance with 42 C.F.R. s. 483.60, if the paid feeding assistant has successfully completed a feeding assistant training program developed by the AHCA. The feeding assistant training program must consist of a minimum of 12 hours of education and training and must include all of the topics and lessons specified in the program curriculum. The program curriculum must include training in all of the following content areas:

- Feeding techniques.
- Assistance with feeding and hydration.
- Communication and interpersonal skills.
- Appropriate responses to resident behavior.
- Safety and emergency procedures, including the first aid procedure used to treat upper airway obstructions.
- Infection control.
- Residents' rights.
- Recognizing changes in residents that are inconsistent with their normal behavior, and the importance of reporting those changes to the supervisory nurse.

The AHCA is authorized to adopt rules to implement these provisions.

Section 3 amends s. 400.461, F.S., to make conforming changes.

³³ Section 464.012(3), F.S.

³⁴ Section 464.012(3)-(4), F.S.

³⁵ See ss. 382.008, and 394.463, F.S.

Sections 4 through 9 of the bill amend or create statutes within part III of ch. 400, F.S., relating to home health agencies.

Section 4 amends s. 400.462, F.S., to redefine “home health aide” to provide that, in addition to the definition’s other provisions, a home health aide (HHA) may include a person who performs tasks delegated to him or her pursuant to ch. 464, F.S.

Section 5 amends s. 400.464, F.S., to provide that if a home health agency authorizes an RN to delegate tasks, including medication administration, to a CNA pursuant to ch. 464, F.S., or to a HHA pursuant to s. 400.490, F.S., the home health agency must ensure that such delegation meets the requirements of chs. 400 and 464, F.S., and applicable rules adopted under those chapters.

Section 6 amends s. 400.488, F.S., relating to provisions under which an unlicensed person may assist a patient with the self-administration of medication under certain circumstances, to provide that such medications include intermittent positive pressure breathing treatments and nebulizer treatments. The bill also provides that assistance with self-administered medication includes:

- In the presence of the patient, confirming that the medication is intended for that patient and orally advising the patient of the medication’s name and purpose.
- When applying topical medications, the provision of routine preventative skin care and basic wound care.
- For intermittent positive pressure breathing treatments or for nebulizer treatments, assisting with setting up and cleaning the device in the presence of the patient, confirming that the medication is intended for that patient, orally advising the patient of the medication name and purpose, opening the container, removing the prescribed amount for a single treatment dose from a properly labeled container, and assisting the patient with placing the dose into the medicine receptacle or mouthpiece.

Section 7 creates s. 400.489, F.S., to provide that a HHA may administer oral, transdermal, ophthalmic, otic, rectal, inhaled, enteral, or topical prescription medications if the HHA:

- Has been delegated such task by an RN licensed under ch. 464, F.S.
- Has satisfactorily completed an initial six-hour training course approved by the AHCA.
- Has been found competent to administer medication to a patient in a safe and sanitary manner.

To remain qualified to administer medications as provided above, the bill requires a HHA to annually and satisfactorily complete a two-hour inservice training course in medication administration and medication error prevention approved by the AHCA. This inservice training course must be in addition to the annual inservice training hours required by the AHCA rules under current law.

The bill requires the AHCA, in consultation with the Board of Nursing (BON), to establish by rule standards and procedures that a HHA must follow when administering medication to a patient.

The training, determination of competency, and initial and annual validations required under this new section of statute must be conducted by an RN or a physician licensed under chs. 458 or 459, F.S.

Section 8 creates s. 400.490, F.S., to authorize a CNA or HHA to perform any task delegated by an RN as authorized in this part and in ch. 464, F.S., including, but not limited to, medication authorization.

Section 9 creates s. 400.52, F.S., to establish the Excellence in Home Health Program (program) for the purpose of awarding designations to home health agencies or nurse registries that meet specified criteria.

The AHCA is directed to adopt rules establishing criteria for the program, which must include, at a minimum, meeting standards relating to:

- Patient satisfaction.
- Patients requiring emergency care for wound infections.
- Patients admitted or readmitted to an acute care hospital.
- Patient improvement in the activities of daily living.
- Employee satisfaction.
- Quality of employee training.
- Employee retention rates.

The AHCA is directed to annually evaluate home health agencies and nurse registries seeking program designation. To receive program designation, a home health agency or nurse registry must:

- Apply on a form and in the manner designated by the AHCA rule;
- Be actively licensed and have been operating for at least 24 months before applying for program designation; and
- Have not had any licensure denials, revocations, or Class I, Class II, or uncorrected Class III deficiencies within the 24 months before the application for program designation.

A designation awarded under the program is not transferrable to another licensee, unless the existing home health agency or nurse registry is being relicensed in the name of an entity related to the current license-holder by common control or ownership, and there will be no change in the management, operation, or programs of the home health agency or nurse registry as a result of the relicensure.

Program designation expires on the same date as the home health agency's or nurse registry's license. A home health agency or nurse registry must reapply and be approved for program designation to continue using the designation in advertising and marketing. A home health agency or nurse registry may not use program designation in any advertising or marketing if the home health agency or nurse registry:

- Has not been awarded the designation;
- Fails to renew the designation upon expiration of the awarded designation;
- Has undergone a change in ownership that does not qualify for a transfer of the designation as described above; or

- Has been notified that it no longer meets the criteria for the award upon reapplication after expiration of the awarded designation.

The bill clarifies that an application for an award designation is not an application for licensure and that an award designation or denial by the AHCA does not constitute final agency action subject to ch. 120, F.S.

Section 10 creates s. 408.822, F.S., to establish a Direct Care Workforce Survey (survey). The bill defines the term “direct care worker” for purposes of the survey to mean a:

- CNA;
- HHA;
- Personal care assistant;
- Companion services or homemaker services provider;
- Paid feeding assistant trained under s. 400.141(1)(v), F.S.; or
- Provider of personal care as defined in s. 400.462(24), F.S., to individuals who are elderly, developmentally disabled, or chronically ill.

Under the bill, beginning January 1, 2021, nursing home facilities, assisted living facilities, home health agencies, companion services providers, and homemaker services providers applying for licensure renewal (every two years), must furnish the following information to the AHCA before the license will be renewed:

- The number of registered nurses and the number of direct care workers by category employed.
- The turnover and vacancy rates of registered nurses and direct care workers and contributing factors to these rates.
- The average employee wage for registered nurses and each category of direct care worker.
- The employment benefits provided for registered nurses and direct care workers and the average cost of such benefits to the employer and the employee.
- The type and availability of training for registered nurses and direct care workers.

An administrator or designee must attest that the information provided in the survey is true and accurate to the best of his or her knowledge. In addition, the AHCA is required to analyze the results of the surveys, and publish the results on its website, as well as update the information monthly.

Sections 11 and 12 of the bill amend or create statutes within part I of ch. 464, F.S., relating to the Nurse Practice Act.

Section 11 creates s. 464.0156, F.S., to authorize RNs to delegate a task to a CNA or a HHA if the registered nurse determines that the CNA or HHA is competent to perform the task, the task is delegable under federal law, and the task meets all of the following criteria:

- Is within the nurse’s scope of practice.
- Frequently recurs in the routine care of a patient or group of patients.
- Is performed according to an established sequence of steps.
- Involves little or no modification from one patient to another.
- May be performed with a predictable outcome.

- Does not inherently involve ongoing assessment, interpretation, or clinical judgment.
- Does not endanger a patient's life or well-being.

If a CNA or HHA satisfies the qualifications and training requirements of the bill's newly created ss. 464.2035 or 400.489, F.S., an RN may also delegate to a CNA or HHA the administration of prescription medications to a patient of a home health agency, except controlled substances,³⁶ by the following routes: oral, transdermal,³⁷ ophthalmic, otic, rectal, inhaled, enteral,³⁸ or topical.

The BON, in consultation with the AHCA, is required to adopt rules to implement this section of the bill.

Section 12 amends s. 464.018, F.S., to add an additional ground for nursing disciplinary action when a nurse knowingly delegates responsibilities to a person that is not qualified by training, experience, certification, or licensure to perform them.

Section 13 creates s. 464.2035, F.S., to provide that a CNA may administer oral, transdermal, ophthalmic, otic, rectal, inhaled, enteral, or topical prescription medication to a patient of a home health agency if the CNA has:

- Been delegated such task by an RN;
- Satisfactorily completed an initial six-hour training course approved by the BON; and
- Been found competent to administer medication to such a patient in a safe and sanitary manner.

The training, determination of competency, and initial and annual validations must be conducted by a licensed RN or a physician licensed under chapter 458 or 459, F.S.

To remain qualified to administer medications as provided above, a CNA must annually and satisfactorily complete two hours of inservice training in medication administration and medication error prevention approved by the BON, in consultation with the AHCA. The inservice training required under the bill is in addition to other annual inservice training hours required under current law.

The bill requires the BON, in consultation with the AHCA, to establish by rule standards and procedures that a CNA must follow when administering medication to a patient of a home health agency.

Section 14 creates s. 381.40185, F.S., to require the Department of Health (DOH) to establish a physician student loan repayment program for physicians licensed under ch. 458 and 459. The physician must provide primary care services in a public health program, an independent

³⁶ Controlled substance listed in Schedule II, Schedule III, or Schedule IV of s. 893.03 or 21 U.S.C. s. 812.

³⁷ See The Farlex Medical Dictionary, Transdermal, available at <https://medical-dictionary.thefreedictionary.com/Transdermal> (last visited Jan. 27, 2020). Transdermal means entering through the dermis, or skin, as in administration of a drug applied to the skin in ointment or patch form.

³⁸ See The Farlex Medical Dictionary, Enteral, available at <https://medical-dictionary.thefreedictionary.com/enteral> (last visited Jan. 27, 2020). Enteral means within, or by way of, the intestine or gastrointestinal tract, especially as distinguished from parenteral.

practice, or a group practice that serves low-income or Medicaid recipients and be located in a primary care health professional shortage area or medically underserved area. Implementation of the loan program is subject to legislative appropriation.

Section 15 amends the Nurse Practice Act to define an “advanced practice registered nurse - independent practitioner” or “APRN-IP” as an advanced practice registered nurse who is registered under s. 464.0123 to provide primary health care services without a protocol agreement or supervision in primary care health professional shortage areas.

The bill defines a “primary care health professional shortage area” as a geographic area, an area having a special population, or a facility with a score of at least 18, as designated and calculated by the Federal Health resources and Services Administration, and which is located in a rural area, as defined by the Federal Office of Rural Health Policy (see section 16).

Section 16 creates s. 464.0123, F.S., to establish the Patient Access to Primary Care Pilot Program (Pilot Program) within the Department of Health (DOH). The Pilot Program will provide primary health care services in “primary care health professional shortage areas” by allowing Advanced Practice Registered Nurses (APRN) who meet certain criteria to engage in the autonomous practice of advanced or specialized nursing without the supervision of a physician.

The bill creates a nine member Council on Advanced Practice Registered Nurse Independent Practice within the DOH and requires the council to make recommendations on the registration of APRN-IPs and develop proposed rules to regulate the practice of APRN-IPs. All recommendations made by the council must be made by a majority of the members present.

Primary Care Certification Examination

The bill requires the DOH to approve at least one third party credentialing entity to develop and administer a primary care certification examination for APRN-IPs.

Registration

The bill requires that APRNs who practice without the supervision of a physician to register with the DOH as an APRN-IP and provide the following:

- Proof of experience as an APRN under the direct or indirect supervision of a physician for at least 10,000 hours within the last 6 years;
- Certifications and designations recognized and approved by the Board of Nursing, Board of Medicine, Board of Osteopathic Medicine, or the DOH;
- APRN education, work, and license history;
- Address in which the application will conduct practice;
- Criminal and regulatory disciplinary history; and
- Proof of professional liability insurance;

An APRN-IP must be renew their registration every 2 years and provide proof of 40 hours of continuing medical education hours.

Scope of Practice

The Board of Medicine and the Board of Osteopathic Medicine must adopt by rule the scope of practice for an APRN-IP. An APRN-IP cannot practice in a hospital licensed under ch. 395, F.S., or a facility licensed under ch. 400, F.S., except under an established written protocol with a supervising physician.

The bill requires APRN-IPs to report all adverse incidents to the DOH. The Board of Medicine or the Board of Nursing is authorized to take disciplinary action under certain circumstances.

The Pilot Program is repealed, unless saved from repeal by the Legislature, on July 1, 2031.

Section 17 amends s. 464.015, F.S., to limit who can use the title “Advanced Practice Registered Nurse Practitioner – Independent Practitioner” and the abbreviation “APRN-IP.”

Section 18 amends s. 464.018, F.S., to authorize the Board of Nursing to take administrative action against an APRN-IP for the following:

- Paying or receiving any commission, bonus, kickback, rebate, or engaging in a slit-fee arrangement with a health care practitioner, organization, agency, or person for patient referrals;
- Exercising influence over a patient for the purpose of engaging in sexual activity;
- Making deceptive, untrue, or fraudulent representation related to advanced or specialized nursing practice;
- Soliciting patients, personally or through an agent, using fraud, intimidation, undue influence, or overreaching or vexatious conduct;
- Failing to keep legible medical records;
- Performing professional services that have not been authorized by the patient or his or her representative, except as provided by the Medical Consent Law and the Good Samaritan Act;
- Performing any procedure or prescribing any medicinal drug that would constitute experimentation on a human subject, without full, informed, and written consent of the patient;
- Delegating professional responsibilities to an unqualified or unlicensed person;
- Conspiring with another person to commit an act or committing an act that would tend to coerce, intimidate, or preclude another APRN from advertising his or her services;
- Advertising or holding oneself out as having a certification in a specialty that the APRN has not received;
- Failing to inform patients about patient rights and how to file a patient complaint; and
- Providing deceptive or fraudulent expert witness testimony related to advanced or specialized nursing practice.

Section 19 amends s. 381.026, F.S., to expand the definition of a “health care provider” to include an APRN-IP.

Section 20 amends s. 382.008, F.S., to allow an APRN-IPs to certify the cause of death and to file death certificates in the absence of a funeral director.

Section 21 makes conforming changes.

Section 22 amends s. 394.463 F.S., the Baker Act, to allow an APRN-IP to initiate an involuntary examination under certain circumstances.

Section 23 amends s. 397.501, F.S., the Marchman Act, to conform to the provisions of the bill.

Section 24 amends s. 456.053, F.S., to expand the definition of a “health care provider” and “sole provider” to include an APRN-IP.

Section 25 amends s. 626.9707, F.S., to conform to the provisions of the bill.

Section 26, 27, and 31 creates ss. 627.64025, 627.6621, and 641.31075 F.S., to prohibit certain health insurers and health maintenance organizations from requiring an insured to receive services from an APRN-IP or an advanced practice registered nurse rather than a primary care physician.

Section 28 amends 627.6699, F.S. to prohibit certain health insurers from requiring an insured to receive services from an APRN-IP or an advanced practice registered nurse rather than a primary care physician.

Section 29 amends s. 627.736, F.S., to conform to the provisions of the bill.

Section 30 amends s. 633.412, F.S., to allow APRN-IPs to conduct certain medical evaluations for firefighters applying for certification as a firefighter.

Section 32 amends s. 641.495, F.S., to allow HMOs to provide certain services through an APRN-IP.

Section 33 amends s. 744.3675, F.S., to allow an APRN-IP to examine and report on a ward’s condition current level of capacity.

Section 34 amends s. 766.118, F.S., to expand the definition of “practitioner” to include an APRN-IP. This section limits noneconomic damages³⁹ for medical negligence of practitioners, including APRN-IPs, under certain circumstances.

Section 35 amends s. 768.135, F.S., to provide immunity from civil liability for APRN-IPs acting in good faith when performing certain medical evaluations.

Section 36 amends s. 960.28, F.S., to conform to the provisions of the bill.

Section 37 requires the Office of Program Policy Analysis and Government Accountability to submit a report to the Governor, the President of the Senate and the Speaker of the House of

³⁹ Section 766.202(8), F.S., defines “noneconomic damages” as nonfinancial losses that would not have occurred but for the injury giving rise to the cause of action, including pain and suffering, inconvenience, physical impairment, mental anguish, disfigurement, loss of capacity for enjoyment of life, and other nonfinancial losses to the extent the claimant is entitled to recover such damages under general law, including the Wrongful Death Act.

Representatives by September 1, 2030. The report must include the impact of and recommendations regarding the continuance of the Pilot Program.

Section 38 provides that the Patient Access to Primary Care Pilot Program is repealed on July 1, 2031, unless reviewed and saved from repeal through reenactment by the Legislature. If the Legislature does not reenact the Pilot Program the text of the statutes that are amended in sections 15 and 17 through 36 of this bill will revert back to that in existence on the date this act became law (except that any other amendments to such text enacted other than by this bill must be preserved).

Section 39 appropriates three full-time equivalent (FTE) positions with an associated salary rate of 125,887, three other personal services (OPS) positions, and \$400,764 in recurring funds and \$408,731 in nonrecurring funds from the Health Care Trust Fund, in Fiscal Year 2020-2021 to the AHCA to manage stakeholder input and develop rules related to expansion of HHA and CNA duties, and create and implement the survey and program.

Section 40 provides that except as otherwise expressly provided in this act, the act shall take effect upon becoming a law.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

Home health agencies and nursing facilities may incur costs associated with the requirement to provide medication administration training to CNAs and HHAs. In addition, beginning in 2021, they may experience a workload increase associated with the bill's requirements related to survey reporting.

An APRN who applies for licensure as an APRN-IP to practice without the supervision of a physician will be able to provide primary care services in primary care health professional shortage areas. APRNs who have paid physicians for supervision will see cost savings if they register to practice autonomously.

C. Government Sector Impact:

The AHCA estimates the need for five additional full-time equivalent (FTE) positions, three other personal services (OPS) positions, and funding to manage stakeholder input and develop rules related to expansion of HHA and CNA duties, and create and implement the survey and program.⁴⁰ The bill appropriates three FTE positions with an associated salary rate of 125,887, three OPS positions, and \$400,764 in recurring funds and \$408,731 in nonrecurring funds from the Health Care Trust Fund, in Fiscal Year 2020-2021 to the AHCA to manage stakeholder input and develop rules related to expansion of HHA and CNA duties, and create and implement the survey and program.

CS/SB 1676 has a significant negative fiscal impact on the state expenditures. The bill will require the DOH to update information technology systems related to electronic death registrations to accept APRN-IPs as health care providers, and licensing of APRN-IPs. The DOH has estimated that the regulation of APRN-IPs will require an additional four FTE positions at a total cost of \$226,291 (\$202,019 recurring; \$24,272 non-recurring) in the first year.⁴¹

The bill's requirement that the DOH establish a Physician Student Loan Repayment Program has a significant negative fiscal impact on state expenditures. The DOH estimates the additional need of two FTE to administer the loan program at a total cost of \$143,173 (\$131,037 recurring; \$12,136 non-recurring) in the first year.⁴² However, implementation of the loan program is subject to legislative appropriation.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

⁴² *Id.*

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 381.026, 382.008, 382.011, 394.463, 397.501, 400.141, 400.23, 400.461, 400.462, 400.464, 400.488, 456.053, 464.003, 464.015, 464.018, 626.9707, 627.6699, 627.736, 633.412, 641.495, 744.3675, 766.118, 768.135, and 960.28

This bill creates the following sections of the Florida Statutes: 381.40185, 400.489, 400.490, 400.52, 408.822, 464.0123, 464.0156, 464.2035, 627.64025, 627.6621, and 641.31075.

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

Recommended CS/CS by Appropriations Subcommittee on Health and Human Services on February 18, 2020:

The committee substitute:

- Makes conforming and technical changes.
- Authorizes nurse registries to be eligible to receive award designations under the Excellence in Home Health Program (program).
- Clarifies that an application for an award designation is not an application for licensure and that an award designation or denial by the AHCA does not constitute final agency action subject to ch. 120, F.S.
- Removes nurse registries from the requirements of the Direct Care Workforce Survey.
- Clarifies that an RN's delegation of prescription medications to a CNA or HHA is specific to patients of a home health agency.
- Authorizes positions and an appropriation to the AHCA.
- Establishes a physician student loan repayment program within the Department of Health (DOH).
- Establishes the Patient Access to Primary Care Pilot Program within the DOH to provide primary health care services in "primary care health professional shortage areas" by allowing Advanced Practice Registered Nurses (APRN) who meet certain criteria to engage in the autonomous practice of advanced or specialized nursing without the supervision of a physician.
- Appropriates three FTE positions with an associated salary rate of 125,887, three OPS positions, and \$400,764 in recurring funds and \$408,731 in nonrecurring funds from the Health Care Trust Fund, in Fiscal Year 2020-2021 to the AHCA to manage stakeholder input and develop rules related to expansion of HHA and CNA duties, and create and implement the survey and program.
- Amends the effective date to provide that except as otherwise expressly provided in the bill, the bill takes effect upon becoming a law.

CS by Health Policy on February 4, 2020:

The CS:

- Removes from the underlying bill a provision for non-nursing staff providing eating assistance to residents of a nursing home to count toward the nursing home's compliance with minimum staffing standards;
- Authorizes nursing home facilities to use paid feeding assistants as defined under federal law if the assistant has completed a 12-hour program developed by the AHCA;
- Removes from the underlying bill the specific authorization within nursing home statutes for a CNA to perform any task delegated to him or her by an RN, including, medication administration, in a nursing home setting;
- Removes from the underlying bill provisions to establish a Home Care Services Registry; and
- Removes from the underlying bill the specific authorization within CNA statutes for a CNA to administer medications to nursing home residents if delegated such a task by an RN.

B. Amendments:

None.

LEGISLATIVE ACTION

| Senate | . | House |
|------------|---|-------|
| Comm: RCS | . | |
| 03/04/2020 | . | |
| | . | |
| | . | |
| | . | |

The Committee on Appropriations (Bradley) recommended the following:

Senate Amendment (with title amendment)

Delete lines 627 - 1791

and insert:

Section 15. Effective July 1, 2020, present subsections (4) through (21) of section 464.003, Florida Statutes, are redesignated as subsections (5) through (22), respectively, and a new subsection (4) is added to that section, to read:

464.003 Definitions.—As used in this part, the term:

(4) "Advanced practice registered nurse - independent

679738

11 practitioner” or “APRN-IP” means an advanced practice registered
12 nurse who is registered under s. 464.0123 to provide primary
13 health care services without a protocol agreement or
14 supervision.

15 Section 16. Effective July 1, 2020, section 464.0123,
16 Florida Statutes, is created to read:

17 464.0123 Patient Access to Primary Care Program.—

18 (1) PROGRAM PURPOSE.—The Patient Access to Primary Care
19 Program is created for the purpose of providing primary health
20 care services in primary care health professional shortage
21 areas. The department shall implement this program.

22 (2) DEFINITIONS.—As used in this section, the term:

23 (a) “Council” means the Council on Advanced Practice
24 Registered Nurse Independent Practice established in subsection
25 (3).

26 (b) “Physician” means a person licensed under chapter 458
27 to practice medicine or a person licensed under chapter 459 to
28 practice osteopathic medicine.

29 (c) “Primary care health professional shortage area” means
30 a geographic area, an area having a special population, or a
31 facility with a score of at least 18, as designated and
32 calculated by the Federal Health Resources and Services
33 Administration or a rural area as defined by the Federal Office
34 of Rural Health Policy.

35 (3) COUNCIL ON ADVANCED PRACTICE REGISTERED NURSE
36 INDEPENDENT PRACTICE.—

37 (a) The Council on Advanced Practice Registered Nurse
38 Independent Practice is created within the department.

39 (b) The council shall consist of the following nine

679738

40 members:

41 1. Two members appointed by the chair of the Board of
42 Medicine who are physicians and members of the Board of
43 Medicine.

44 2. Two members appointed by the chair of the Board of
45 Osteopathic Medicine who are physicians and members of the Board
46 of Osteopathic Medicine.

47 3. Four members appointed by the chair of the Board of
48 Nursing who are advanced practice registered nurses and who have
49 each completed at least 10,000 hours of supervised practice over
50 a period of at least 5 years under a protocol with a supervising
51 physician.

52 4. The State Surgeon General or his or her designee.

53 (c) The Board of Medicine members, the Board of Osteopathic
54 Medicine members, and the Board of Nursing appointee members
55 shall be appointed for terms of 4 years. The initial
56 appointments shall be staggered so that one member from the
57 Board of Medicine, one member from the Board of Osteopathic
58 Medicine, and one appointee member from the Board of Nursing
59 shall each be appointed for a term of 4 years; one member from
60 the Board of Medicine and one appointee member from the Board of
61 Nursing shall each be appointed for a term of 3 years; and one
62 member from the Board of Osteopathic Medicine and two appointee
63 members from the Board of Nursing shall each be appointed for a
64 term of 2 years. Initial physician members appointed to the
65 council must be physicians who have practiced with advanced
66 practice registered nurses under a protocol in their practice.

67 (d) Council members may not serve more than two consecutive
68 terms. The council shall annually elect a chair from among its

679738

69 members.

70 (e) All recommendations made by the council must be made by
71 a majority of members present.

72 (f) The council shall:

73 1. Review applications for and recommend to the department
74 the registration of APRN-IPs.

75 2. Develop proposed rules regulating the practice of APRN-
76 IPs. The council shall also develop proposed rules to ensure
77 that the continuity of practice of APRN-IPs is maintained in
78 primary care health professional shortage areas. The language of
79 proposed rules developed by the council must be submitted to the
80 department. Based on the council's proposed rules, the
81 department shall adopt rules regulating the practice of APRN-
82 IPs.

83 3. Make recommendations to the department regarding all
84 matters relating to APRN-IPs.

85 4. Address concerns and problems of APRN-IPs in order to
86 improve safety in the clinical practices of APRN-IPs.

87 (g) When the council finds that an applicant for licensure
88 has failed to meet, to the council's satisfaction, each of the
89 requirements for registration set forth in this section, the
90 council may enter an order to:

91 1. Refuse to register the applicant;

92 2. Approve the applicant for registration with restrictions
93 on the scope of practice or registration; or

94 3. Approve the applicant for limited registration with
95 conditions. Such conditions may include placement of the
96 registrant on probation for a period of time and subject to such
97 conditions as the council may specify, including, but not

679738

98 limited to, requiring the registrant to undergo treatment, to
99 attend continuing education courses, to work under the direct
100 supervision of a physician licensed in this state, or to take
101 corrective action, as determined by the council.

102 (4) REGISTRATION.—To be registered as an APRN-IP, an
103 advanced practice registered nurse must apply to the department
104 on forms developed by the department. The council shall review
105 the application and recommend to the department the registration
106 of the advanced practice registered nurse with the Board of
107 Medicine as an APRN-IP if the applicant submits proof that he or
108 she holds an unrestricted license issued under s. 464.012 and
109 provides all of the following information:

110 (a) The name of each location at which the applicant has
111 practiced as an advanced practice registered nurse pursuant to
112 an established written protocol under the direct or indirect
113 supervision of a physician for 2,000 hours within the last 4
114 years and the names and addresses of all supervising physicians
115 during that period.

116 (b) Any certification or designation that the applicant has
117 received from a specialty or certification board which is
118 recognized or approved by the Board of Nursing, the Board of
119 Medicine, the Board of Osteopathic Medicine, or the department.

120 (c) The calendar years in which the applicant:

121 1. Received his or her initial advanced practice registered
122 nurse certification, licensure, or registration;

123 2. Began practicing in any jurisdiction; and

124 3. Received initial advanced practice registered nurse
125 licensure in this state.

126 (d) The address at which the applicant will primarily

679738

127 conduct his or her practice, if known.

128 (e) The name of each school or training program that the
129 applicant has attended, with the months and years of attendance
130 and the month and year of graduation, and a description of all
131 graduate professional education completed by the applicant,
132 excluding any coursework taken to satisfy continuing education
133 requirements.

134 (f) Any appointment to the faculty of a school related to
135 the profession which the applicant currently holds or has held
136 within the past 10 years and an indication as to whether the
137 applicant has been responsible for graduate education within the
138 past 10 years.

139 (g) A description of any criminal offense of which the
140 applicant has been found guilty, regardless of whether
141 adjudication of guilt was withheld, or to which the applicant
142 has pled guilty or nolo contendere. A criminal offense committed
143 in another jurisdiction which would have been a felony or
144 misdemeanor if committed in this state must be reported. If the
145 applicant indicates to the department that a criminal offense is
146 under appeal and submits a copy of the notice for appeal of that
147 criminal offense, the department must state that the criminal
148 offense is under appeal if the criminal offense is reported in
149 the applicant's profile. If the applicant indicates to the
150 department that a criminal offense is under appeal, the
151 applicant must, within 15 days after the disposition of the
152 appeal, submit to the department a copy of the final written
153 order of disposition.

154 (h) A description of any disciplinary action as specified
155 in s. 456.077, s. 458.320, or s. 464.018 or any similar

679738

156 disciplinary action in any other jurisdiction of the United
157 States by a licensing or regulatory body; by a specialty board
158 that is recognized by the Board of Nursing, the Board of
159 Medicine, the Board of Osteopathic Medicine, or the department;
160 or by a licensed hospital, health maintenance organization,
161 prepaid health clinic, ambulatory surgical center, or nursing
162 home. Disciplinary action includes resignation from or
163 nonrenewal of staff membership or the restriction of privileges
164 at a licensed hospital, health maintenance organization, prepaid
165 health clinic, ambulatory surgical center, or nursing home taken
166 in lieu of or in settlement of a pending disciplinary case
167 related to competence or character. If the applicant indicates
168 to the department that a disciplinary action is under appeal and
169 submits a copy of the document initiating an appeal of the
170 disciplinary action, the department must state that the
171 disciplinary action is under appeal if the disciplinary action
172 is reported in the applicant's profile. If the applicant
173 indicates to the department that a disciplinary action is under
174 appeal, the applicant must, within 15 days after the disposition
175 of the appeal, submit to the department a copy of the final
176 written order of disposition.

177 (i)1. Proof that he or she has obtained or will be
178 obtaining and will maintain professional liability insurance
179 coverage in an amount not less than \$100,000 per claim, with a
180 minimum annual aggregate of not less than \$300,000, from an
181 authorized insurer as defined in s. 624.09, from one of the
182 following:

183 a. An eligible surplus lines insurer as defined in s.
184 626.914(2);

679738

185 b. A risk retention group as defined in s. 627.942, from
186 the Joint Underwriting Association established under s.
187 627.351(4); or

188 c. A plan of self-insurance as provided in s. 627.357; or
189 2. Proof that he or she has obtained and will be

190 maintaining an unexpired, irrevocable letter of credit,
191 established pursuant to chapter 675, in an amount of not less
192 than \$100,000 per claim, with a minimum aggregate availability
193 of credit of not less than \$300,000. The letter of credit must
194 be payable to the APRN-IP as beneficiary upon presentment of a
195 final judgment indicating liability and awarding damages to be
196 paid by the APRN-IP or upon presentment of a settlement
197 agreement signed by all parties to such agreement when such
198 final judgment or settlement is a result of a claim arising out
199 of the rendering of, or the failure to render, medical or
200 nursing care and services while practicing as an APRN-IP.

201 (j) Documentation of completion within the last 5 years of
202 three graduate-level semester hours, or the equivalent, in
203 differential diagnosis and three graduate-level semester hours,
204 or the equivalent, in pharmacology, and any additional
205 coursework as recommended by the council. Such hours may not be
206 continuing education courses.

207 (k) Any additional information that the council may require
208 from the applicant, as determined by the council.

209 (5) REGISTRATION RENEWAL.—An APRN-IP may seek renewal of
210 his or her registration biennially by applying to the department
211 on forms developed by the department.

212 (a) An APRN-IP seeking registration renewal must provide
213 documentation proving his or her completion of a minimum of 40

679738

214 continuing medical education hours. The required continuing
215 medical education hours must include 3 hours on the safe and
216 effective prescribing of controlled substances; 2 hours on human
217 trafficking; 2 hours on the prevention of medical errors; 2
218 hours on domestic violence; and 2 hours on suicide prevention,
219 which must address suicide risk assessment, treatment, and
220 management, if such topics are not required for licensure under
221 this part.

222 (b) The continuing medical education hours required under
223 paragraph (a):

224 1. Must be obtained in courses approved by the Board of
225 Medicine or the Board of Osteopathic Medicine and offered by a
226 statewide professional association of physicians or osteopathic
227 physicians in this state which is accredited to provide
228 educational activities designated for the American Medical
229 Association Physician's Recognition Award Category 1 credit or
230 the American Osteopathic Category 1-A continuing medical
231 education credit.

232 2. May be counted toward the required continuing education
233 hours, including required subject area hours, for an APRN-IP's
234 renewal of his or her APRN or RN license, as provided under
235 board rule.

236 (6) PRACTITIONER PROFILE.—Upon issuing a registration or a
237 renewal of registration, the department shall update the
238 practitioner's profile, as described in s. 456.041, to reflect
239 that the advanced practice registered nurse is registered as an
240 APRN-IP.

241 (7) APRN-IP SCOPE OF PRACTICE.—An APRN-IP may provide
242 primary health care services without a protocol agreement or

679738

243 supervision only in primary care health professional shortage
244 areas during the first 3 years of his or her independent
245 practice without such agreement or supervision. After 3 years of
246 such independent practice in a primary care health professional
247 shortage area, an APRN-IP may practice independently for the
248 provision of primary health care services in any area of the
249 state. For the purposes of this subsection, "3 years of such
250 independent practice" means an APRN-IP has established an
251 independent practice in a primary care health professional
252 shortage area under this section which serves as his or her
253 primary professional practice and has actively provided primary
254 health care services to patients under that practice for 3 full
255 years.

256 (a) An APRN-IP may not practice in a hospital licensed
257 under chapter 395 or in a facility licensed under chapter 400,
258 except under an established written protocol with a supervising
259 physician which is maintained at the hospital or facility.

260 (b) The department shall adopt by rule the scope of
261 practice for an APRN-IP. Such rules must address, but are not
262 limited to, all of the following topics:

263 1. The scope of the medical care, treatment, and services
264 an APRN-IP may provide to patients.

265 2. Medical care, treatment, and services that are outside
266 the scope of the practice of an APRN-IP.

267 3. Patient populations to which an APRN-IP may provide
268 primary care, treatment, and services.

269 4. Patient populations to which an APRN-IP may not provide
270 primary care, treatment, or services.

271 5. Patient populations that the APRN-IP must refer to a

679738

272 physician.

273 6. Guidelines for prescribing controlled substances for the
274 treatment of chronic nonmalignant pain and acute pain, including
275 evaluation of the patient, creation and maintenance of a
276 treatment plan, obtaining informed consent and agreement for
277 treatment, periodic review of the treatment plan, consultation,
278 medical record review, and compliance with controlled substance
279 laws and regulations.

280 7. Information regarding the credentials of the APRN-IP
281 which must be disclosed to patients in a written informed
282 consent to care and treatment, including, but not limited to,
283 notification to the patient that the APRN-IP is not a physician
284 and may not be referred to as a "doctor" or a "physician" in a
285 medical setting.

286 8. Requirements relating to the APRN-IP practice's
287 recordkeeping, record retention, and availability of records for
288 inspection by the department.

289 9. Advertising restrictions and disclosure requirements for
290 APRN-IPs, including that the APRN-IP may not be referred to as a
291 "doctor" or a "physician" in a medical setting.

292 (8) REPORTS OF ADVERSE INCIDENTS BY APRN-IPs.—

293 (a) Any APRN-IP practicing in this state must notify the
294 department if he or she was involved in an adverse incident.

295 (b) The required notification to the department must be
296 submitted in writing by certified mail and postmarked within 15
297 days after the occurrence of the adverse incident.

298 (c) For purposes of notifying the department under this
299 section, the term "adverse incident" means an event over which
300 the APRN-IP could exercise control and which is associated in

679738

301 whole or in part with a medical intervention, rather than the
302 condition for which such intervention occurred, and which
303 results in any of the following patient injuries:

304 1. The death of a patient.

305 2. An injury to the patient that is likely to be permanent.

306 3. Any condition that required the transfer of a patient
307 from the APRN-IP's practice location to a hospital licensed
308 under chapter 395.

309 (d) The department shall review each incident and determine
310 whether it potentially involved conduct by the APRN-IP which is
311 grounds for disciplinary action, in which case s. 456.073
312 applies. Disciplinary action, if any, shall be taken by the
313 Board of Medicine or the Board of Nursing, depending on the
314 conduct involved, as determined by the department.

315 (e) The department shall adopt rules to implement this
316 subsection.

317 (9) INACTIVE AND DELINQUENT STATUS.—An APRN-IP registration
318 that is in an inactive or delinquent status may be reactivated
319 only as provided in s. 456.036.

320 (10) CONSTRUCTION.—This section may not be construed to
321 prevent third-party payors from reimbursing an APRN-IP for
322 covered services rendered by the registered APRN-IP.

323 (11) RULEMAKING.—The department shall adopt rules to
324 implement this section.

325 Section 17. Effective July 1, 2020, present subsections (9)
326 and (10) of section 464.015, Florida Statutes, are redesignated
327 as subsections (10) and (11), respectively, a new subsection (9)
328 is added to that section, present subsections (9) of that
329 section is amended, and present subsection (10) of that section

679738

330 is republished, to read:

331 464.015 Titles and abbreviations; restrictions; penalty.—

332 (9) Only persons who hold valid registrations to practice
333 as APRN-IPs in this state may use the title "Advanced Practice
334 Registered Nurse - Independent Practitioner" and the
335 abbreviation "A.P.R.N.-I.P." A health care practitioner or
336 personnel within a health care facility may not refer to an
337 APRN-IP as a "doctor" or a "physician" in a medical setting.

338 (10)~~(9)~~ A person may not practice or advertise as, or
339 assume the title of, registered nurse, licensed practical nurse,
340 clinical nurse specialist, certified registered nurse
341 anesthetist, certified nurse midwife, certified nurse
342 practitioner, ~~or~~ advanced practice registered nurse, or advanced
343 practice registered nurse - independent practitioner; use the
344 abbreviation "R.N.," "L.P.N.," "C.N.S.," "C.R.N.A.," "C.N.M.,"
345 "C.N.P.," ~~or~~ "A.P.R.N.," or "A.P.R.N.-I.P."; or take any other
346 action that would lead the public to believe that person was
347 authorized by law to practice as such or is performing nursing
348 services pursuant to the exception set forth in s. 464.022(8)
349 unless that person is licensed, certified, or authorized
350 pursuant to s. 464.0095 to practice as such.

351 (11)~~(10)~~ A violation of this section is a misdemeanor of
352 the first degree, punishable as provided in s. 775.082 or s.
353 775.083.

354 Section 18. Effective July 1, 2020, paragraph (s) is added
355 to subsection (1) of section 464.018, Florida Statutes, as
356 amended by section 12 of this act, to read:

357 464.018 Disciplinary actions.—

358 (1) The following acts constitute grounds for denial of a

679738

359 license or disciplinary action, as specified in ss. 456.072(2)
360 and 464.0095:

361 (s) For an APRN-IP registered under s. 464.0123, in
362 addition to the grounds for discipline set forth in paragraph
363 (p) and in s. 456.072(1), any of the following are grounds for
364 discipline:

365 1. Paying or receiving any commission, bonus, kickback, or
366 rebate from, or engaging in any split-fee arrangement in any
367 form whatsoever with, a health care practitioner, an
368 organization, an agency, or a person, either directly or
369 implicitly, for referring patients to providers of health care
370 goods or services, including, but not limited to, hospitals,
371 nursing homes, clinical laboratories, ambulatory surgical
372 centers, or pharmacies. This subparagraph may not be construed
373 to prevent an APRN-IP from receiving a fee for professional
374 consultation services.

375 2. Exercising influence within a patient's relationship
376 with an APRN-IP for purposes of engaging a patient in sexual
377 activity. A patient shall be presumed to be incapable of giving
378 free, full, and informed consent to sexual activity with his or
379 her APRN-IP.

380 3. Making deceptive, untrue, or fraudulent representations,
381 or employing a trick or scheme, in or related to advanced
382 practice registered nurse independent practice.

383 4. Soliciting patients, either personally or through an
384 agent, by the use of fraud, intimidation, undue influence, or a
385 form of overreaching or vexatious conduct. As used in this
386 subparagraph, the term "soliciting" means directly or implicitly
387 requesting an immediate oral response from the recipient.

679738

388 5. Failing to keep legible medical records, as defined by
389 rules of the Board of Medicine and the Board of Osteopathic
390 Medicine, that identify the APRN-IP, by name and professional
391 title, who is responsible for rendering, ordering, supervising,
392 or billing for the patient's medically necessary care,
393 treatment, services, diagnostic tests, or treatment procedures;
394 and the medical justification for the patient's course of care
395 and treatment, including, but not limited to, patient histories,
396 examination results, and test results; drugs prescribed,
397 dispensed, or administered; and reports of consultations or
398 referrals.

399 6. Exercising influence on a patient to exploit the patient
400 for the financial gain of the APRN-IP or a third party,
401 including, but not limited to, the promoting or selling of
402 services, goods, appliances, or drugs.

403 7. Performing professional services that have not been duly
404 authorized by the patient or his or her legal representative,
405 except as provided in s. 766.103 or s. 768.13.

406 8. Performing any procedure or prescribing any medication
407 or therapy that would constitute experimentation on a human
408 subject.

409 9. Delegating professional responsibilities to a person
410 when the APRN-IP knows, or has reason to believe, that such
411 person is not qualified by education, training, experience, or
412 licensure to perform such responsibilities.

413 10. Committing, or conspiring with another to commit, an
414 act that would coerce, intimidate, or preclude another APRN-IP
415 from lawfully advertising his or her services.

416 11. Advertising or holding himself or herself out as having

679738

417 a certification in a specialty which he or she has not received.

418 12. Failing to comply with the requirements of ss. 381.026
419 and 381.0261 related to providing patients with information
420 about their rights and how to file a complaint.

421 13. Providing deceptive or fraudulent expert witness
422 testimony related to advanced practice registered nurse
423 independent practice.

424 Section 19. Effective July 1, 2020, paragraph (c) of
425 subsection (2) of section 381.026, Florida Statutes, is amended
426 to read:

427 381.026 Florida Patient's Bill of Rights and
428 Responsibilities.-

429 (2) DEFINITIONS.-As used in this section and s. 381.0261,
430 the term:

431 (c) "Health care provider" means a physician licensed under
432 chapter 458, an osteopathic physician licensed under chapter
433 459, ~~or~~ a podiatric physician licensed under chapter 461, or an
434 APRN-IP registered under s. 464.0123.

435 Section 20. Effective July 1, 2020, paragraph (a) of
436 subsection (2) and subsections (3), (4), and (5) of section
437 382.008, Florida Statutes, are amended to read:

438 382.008 Death, fetal death, and nonviable birth
439 registration.-

440 (2) (a) The funeral director who first assumes custody of a
441 dead body or fetus shall file the certificate of death or fetal
442 death. In the absence of the funeral director, the physician,
443 APRN-IP registered under s. 464.0123, or other person in
444 attendance at or after the death or the district medical
445 examiner of the county in which the death occurred or the body

679738

446 was found shall file the certificate of death or fetal death.
447 The person who files the certificate shall obtain personal data
448 from a legally authorized person as described in s. 497.005 or
449 the best qualified person or source available. The medical
450 certification of cause of death shall be furnished to the
451 funeral director, either in person or via certified mail or
452 electronic transfer, by the physician, APRN-IP registered under
453 s. 464.0123, or medical examiner responsible for furnishing such
454 information. For fetal deaths, the physician, APRN-IP registered
455 under s. 464.0123, midwife, or hospital administrator shall
456 provide any medical or health information to the funeral
457 director within 72 hours after expulsion or extraction.

458 (3) Within 72 hours after receipt of a death or fetal death
459 certificate from the funeral director, the medical certification
460 of cause of death shall be completed and made available to the
461 funeral director by the decedent's primary or attending
462 practitioner ~~physician~~ or, if s. 382.011 applies, the district
463 medical examiner of the county in which the death occurred or
464 the body was found. The primary or attending practitioner
465 ~~physician~~ or the medical examiner shall certify over his or her
466 signature the cause of death to the best of his or her knowledge
467 and belief. As used in this section, the term "primary or
468 attending practitioner ~~physician~~" means a physician or an APRN-
469 IP registered under s. 464.0123 who treated the decedent through
470 examination, medical advice, or medication during the 12 months
471 preceding the date of death.

472 (a) The department may grant the funeral director an
473 extension of time upon a good and sufficient showing of any of
474 the following conditions:

679738

475 1. An autopsy is pending.
476 2. Toxicology, laboratory, or other diagnostic reports have
477 not been completed.
478 3. The identity of the decedent is unknown and further
479 investigation or identification is required.
480 (b) If the decedent's primary or attending practitioner
481 ~~physician~~ or the district medical examiner of the county in
482 which the death occurred or the body was found indicates that he
483 or she will sign and complete the medical certification of cause
484 of death but will not be available until after the 5-day
485 registration deadline, the local registrar may grant an
486 extension of 5 days. If a further extension is required, the
487 funeral director must provide written justification to the
488 registrar.
489 (4) If the department or local registrar grants an
490 extension of time to provide the medical certification of cause
491 of death, the funeral director shall file a temporary
492 certificate of death or fetal death which shall contain all
493 available information, including the fact that the cause of
494 death is pending. The decedent's primary or attending
495 practitioner ~~physician~~ or the district medical examiner of the
496 county in which the death occurred or the body was found shall
497 provide an estimated date for completion of the permanent
498 certificate.
499 (5) A permanent certificate of death or fetal death,
500 containing the cause of death and any other information that was
501 previously unavailable, shall be registered as a replacement for
502 the temporary certificate. The permanent certificate may also
503 include corrected information if the items being corrected are

679738

504 noted on the back of the certificate and dated and signed by the
505 funeral director, physician, APRN-IP registered under s.
506 464.0123, or district medical examiner of the county in which
507 the death occurred or the body was found, as appropriate.

508 Section 21. Effective July 1, 2020, subsection (1) of
509 section 382.011, Florida Statutes, is amended to read:

510 382.011 Medical examiner determination of cause of death.—

511 (1) In the case of any death or fetal death due to causes
512 or conditions listed in s. 406.11, any death that occurred more
513 than 12 months after the decedent was last treated by a primary
514 or attending physician or an APRN-IP registered under s.
515 464.0123 ~~as defined in s. 382.008(3)~~, or any death for which
516 there is reason to believe that the death may have been due to
517 an unlawful act or neglect, the funeral director or other person
518 to whose attention the death may come shall refer the case to
519 the district medical examiner of the county in which the death
520 occurred or the body was found for investigation and
521 determination of the cause of death.

522 Section 22. Effective July 1, 2020, paragraphs (a) and (f)
523 of subsection (2) of section 394.463, Florida Statutes, are
524 amended to read:

525 394.463 Involuntary examination.—

526 (2) INVOLUNTARY EXAMINATION.—

527 (a) An involuntary examination may be initiated by any one
528 of the following means:

529 1. A circuit or county court may enter an ex parte order
530 stating that a person appears to meet the criteria for
531 involuntary examination and specifying the findings on which
532 that conclusion is based. The ex parte order for involuntary

679738

533 examination must be based on written or oral sworn testimony
534 that includes specific facts that support the findings. If other
535 less restrictive means are not available, such as voluntary
536 appearance for outpatient evaluation, a law enforcement officer,
537 or other designated agent of the court, shall take the person
538 into custody and deliver him or her to an appropriate, or the
539 nearest, facility within the designated receiving system
540 pursuant to s. 394.462 for involuntary examination. The order of
541 the court shall be made a part of the patient's clinical record.
542 A fee may not be charged for the filing of an order under this
543 subsection. A facility accepting the patient based on this order
544 must send a copy of the order to the department within 5 working
545 days. The order may be submitted electronically through existing
546 data systems, if available. The order shall be valid only until
547 the person is delivered to the facility or for the period
548 specified in the order itself, whichever comes first. If a ~~no~~
549 time limit is not specified in the order, the order is ~~shall be~~
550 valid for 7 days after the date that the order was signed.

551 2. A law enforcement officer shall take a person who
552 appears to meet the criteria for involuntary examination into
553 custody and deliver the person or have him or her delivered to
554 an appropriate, or the nearest, facility within the designated
555 receiving system pursuant to s. 394.462 for examination. The
556 officer shall execute a written report detailing the
557 circumstances under which the person was taken into custody,
558 which must be made a part of the patient's clinical record. Any
559 facility accepting the patient based on this report must send a
560 copy of the report to the department within 5 working days.

561 3. A physician, a clinical psychologist, a psychiatric

679738

562 nurse, an APRN-IP registered under s. 464.0123, a mental health
563 counselor, a marriage and family therapist, or a clinical social
564 worker may execute a certificate stating that he or she has
565 examined a person within the preceding 48 hours and finds that
566 the person appears to meet the criteria for involuntary
567 examination and stating the observations upon which that
568 conclusion is based. If other less restrictive means, such as
569 voluntary appearance for outpatient evaluation, are not
570 available, a law enforcement officer shall take into custody the
571 person named in the certificate and deliver him or her to the
572 appropriate, or nearest, facility within the designated
573 receiving system pursuant to s. 394.462 for involuntary
574 examination. The law enforcement officer shall execute a written
575 report detailing the circumstances under which the person was
576 taken into custody. The report and certificate shall be made a
577 part of the patient's clinical record. Any facility accepting
578 the patient based on this certificate must send a copy of the
579 certificate to the department within 5 working days. The
580 document may be submitted electronically through existing data
581 systems, if applicable.

582
583 When sending the order, report, or certificate to the
584 department, a facility shall, at a minimum, provide information
585 about which action was taken regarding the patient under
586 paragraph (g), which information shall also be made a part of
587 the patient's clinical record.

588 (f) A patient shall be examined by a physician, an APRN-IP
589 registered under s. 464.0123, or a clinical psychologist, or by
590 a psychiatric nurse performing within the framework of an

679738

591 established protocol with a psychiatrist, at a facility without
592 unnecessary delay to determine if the criteria for involuntary
593 services are met. Emergency treatment may be provided upon the
594 order of a physician if the physician determines that such
595 treatment is necessary for the safety of the patient or others.
596 The patient may not be released by the receiving facility or its
597 contractor without the documented approval of a psychiatrist or
598 a clinical psychologist or, if the receiving facility is owned
599 or operated by a hospital or health system, the release may also
600 be approved by a psychiatric nurse performing within the
601 framework of an established protocol with a psychiatrist, or an
602 attending emergency department physician with experience in the
603 diagnosis and treatment of mental illness after completion of an
604 involuntary examination pursuant to this subsection. A
605 psychiatric nurse may not approve the release of a patient if
606 the involuntary examination was initiated by a psychiatrist
607 unless the release is approved by the initiating psychiatrist.

608 Section 23. Effective July 1, 2020, paragraph (a) of
609 subsection (2) of section 397.501, Florida Statutes, is amended
610 to read:

611 397.501 Rights of individuals.—Individuals receiving
612 substance abuse services from any service provider are
613 guaranteed protection of the rights specified in this section,
614 unless otherwise expressly provided, and service providers must
615 ensure the protection of such rights.

616 (2) RIGHT TO NONDISCRIMINATORY SERVICES.—

617 (a) Service providers may not deny an individual access to
618 substance abuse services solely on the basis of race, gender,
619 ethnicity, age, sexual preference, human immunodeficiency virus

679738

620 status, prior service departures against medical advice,
621 disability, or number of relapse episodes. Service providers may
622 not deny an individual who takes medication prescribed by a
623 physician or an APRN-IP registered under s. 464.0123 access to
624 substance abuse services solely on that basis. Service providers
625 who receive state funds to provide substance abuse services may
626 not, if space and sufficient state resources are available, deny
627 access to services based solely on inability to pay.

628 Section 24. Effective July 1, 2020, paragraphs (i), (o),
629 and (r) of subsection (3) and paragraph (g) of subsection (5) of
630 section 456.053, Florida Statutes, are amended to read:

631 456.053 Financial arrangements between referring health
632 care providers and providers of health care services.—

633 (3) DEFINITIONS.—For the purpose of this section, the word,
634 phrase, or term:

635 (i) "Health care provider" means a ~~any~~ physician licensed
636 under chapter 458, chapter 459, chapter 460, or chapter 461; an
637 APRN-IP registered under s. 464.0123; ~~r~~ or any health care
638 provider licensed under chapter 463 or chapter 466.

639 (o) 1. "Referral" means any referral of a patient by a
640 health care provider for health care services, including,
641 without limitation:

642 a.1. ~~The forwarding of a patient by a health care provider~~
643 ~~to another health care provider or to an entity which provides~~
644 ~~or supplies designated health services or any other health care~~
645 ~~item or service; or~~

646 b.2. ~~The request or establishment of a plan of care by a~~
647 ~~health care provider, which includes the provision of designated~~
648 ~~health services or other health care item or service.~~

679738

649 ~~2.3.~~ The following orders, recommendations, or plans of
650 care do not ~~shall not~~ constitute a referral by a health care
651 provider:

652 a. By a radiologist for diagnostic-imaging services.

653 b. By a physician specializing in the provision of
654 radiation therapy services for such services.

655 c. By a medical oncologist for drugs and solutions to be
656 prepared and administered intravenously to such oncologist's
657 patient, as well as for the supplies and equipment used in
658 connection therewith to treat such patient for cancer and the
659 complications thereof.

660 d. By a cardiologist for cardiac catheterization services.

661 e. By a pathologist for diagnostic clinical laboratory
662 tests and pathological examination services, if furnished by or
663 under the supervision of such pathologist pursuant to a
664 consultation requested by another physician.

665 f. By a health care provider who is the sole provider or
666 member of a group practice for designated health services or
667 other health care items or services that are prescribed or
668 provided solely for such referring health care provider's or
669 group practice's own patients, and that are provided or
670 performed by or under the direct supervision of such referring
671 health care provider or group practice; provided, however, ~~that~~
672 ~~effective July 1, 1999,~~ a health care provider ~~physician~~
673 ~~licensed pursuant to chapter 458, chapter 459, chapter 460, or~~
674 ~~chapter 461~~ may refer a patient to a sole provider or group
675 practice for diagnostic imaging services, excluding radiation
676 therapy services, for which the sole provider or group practice
677 billed both the technical and the professional fee for or on

679738

678 behalf of the patient, if the referring health care provider
679 does not have an ~~physician has no~~ investment interest in the
680 practice. The diagnostic imaging service referred to a group
681 practice or sole provider must be a diagnostic imaging service
682 normally provided within the scope of practice to the patients
683 of the group practice or sole provider. The group practice or
684 sole provider may accept no more than 15 percent of their
685 patients receiving diagnostic imaging services from outside
686 referrals, excluding radiation therapy services.

687 g. By a health care provider for services provided by an
688 ambulatory surgical center licensed under chapter 395.

689 h. By a urologist for lithotripsy services.

690 i. By a dentist for dental services performed by an
691 employee of or health care provider who is an independent
692 contractor with the dentist or group practice of which the
693 dentist is a member.

694 j. By a physician for infusion therapy services to a
695 patient of that physician or a member of that physician's group
696 practice.

697 k. By a nephrologist for renal dialysis services and
698 supplies, except laboratory services.

699 l. By a health care provider whose principal professional
700 practice consists of treating patients in their private
701 residences for services to be rendered in such private
702 residences, except for services rendered by a home health agency
703 licensed under chapter 400. For purposes of this sub-
704 subparagraph, the term "private residences" includes patients'
705 private homes, independent living centers, and assisted living
706 facilities, but does not include skilled nursing facilities.

679738

707 m. By a health care provider for sleep-related testing.

708 (r) "Sole provider" means one health care provider licensed
709 under chapter 458, chapter 459, chapter 460, or chapter 461, or
710 registered under s. 464.0123, who maintains a separate medical
711 office and a medical practice separate from any other health
712 care provider and who bills for his or her services separately
713 from the services provided by any other health care provider. A
714 sole provider may not ~~shall not~~ share overhead expenses or
715 professional income with any other person or group practice.

716 (5) PROHIBITED REFERRALS AND CLAIMS FOR PAYMENT.—Except as
717 provided in this section:

718 (g) A violation of this section by a health care provider
719 shall constitute grounds for disciplinary action to be taken by
720 the applicable board pursuant to s. 458.331(2), s. 459.015(2),
721 s. 460.413(2), s. 461.013(2), s. 463.016(2), s. 464.018, or s.
722 466.028(2). Any hospital licensed under chapter 395 found in
723 violation of this section shall be subject to s. 395.0185(2).

724 Section 25. Effective July 1, 2020, subsection (1) of
725 section 626.9707, Florida Statutes, is amended to read:

726 626.9707 Disability insurance; discrimination on basis of
727 sickle-cell trait prohibited.—

728 (1) An ~~No~~ insurer authorized to transact insurance in this
729 state may not ~~shall~~ refuse to issue and deliver in this state
730 any policy of disability insurance, whether such policy is
731 defined as individual, group, blanket, franchise, industrial, or
732 otherwise, which is currently being issued for delivery in this
733 state and which affords benefits and coverage for any medical
734 treatment or service authorized and permitted to be furnished by
735 a hospital, a clinic, a health clinic, a neighborhood health

679738

736 clinic, a health maintenance organization, a physician, a
737 physician's assistant, an advanced practice registered nurse, an
738 APRN-IP registered under s. 464.0123 practitioner, or a medical
739 service facility or personnel solely because the person to be
740 insured has the sickle-cell trait.

741 Section 26. Effective July 1, 2020, section 627.64025,
742 Florida Statutes, is created to read:

743 627.64025 APRN-IP services.—A health insurance policy that
744 provides major medical coverage and that is delivered, issued,
745 or renewed in this state on or after January 1, 2021, may not
746 require an insured to receive services from an APRN-IP
747 registered under s. 464.0123 in place of a primary care
748 physician; incentivize the insured to do so through cost sharing
749 as defined in s. 627.42391 which is lower for services provided
750 by an APRN-IP than for the same services provided by a primary
751 care physician; or incentivize the insured do so through a
752 program authorized pursuant to s. 627.6387.

753 Section 27. Effective July 1, 2020, section 627.6621,
754 Florida Statutes, is created to read:

755 627.6621 APRN-IP services.—A group, blanket, or franchise
756 health insurance policy that is delivered, issued, or renewed in
757 this state on or after January 1, 2021, may not require an
758 insured to receive services from an APRN-IP registered under s.
759 464.0123 in place of a primary care physician; incentivize the
760 insured to do so through cost sharing as defined in s. 627.42391
761 which is lower for services provided by an APRN-IP than for the
762 same services provided by a primary care physician; or
763 incentivize the insured do so through a program authorized
764 pursuant to s. 627.6387.

679738

765 Section 28. Effective July 1, 2020, paragraph (g) is added
766 to subsection (5) of section 627.6699, Florida Statutes, to
767 read:

768 627.6699 Employee Health Care Access Act.—

769 (5) AVAILABILITY OF COVERAGE.—

770 (g) A health benefit plan covering small employers which is
771 delivered, issued, or renewed in this state on or after January
772 1, 2021, may not require an insured to receive services from an
773 APRN-IP registered under s. 464.0123 in place of a primary care
774 physician; incentivize the insured to do so through cost sharing
775 as defined in s. 627.42391 which is lower for services provided
776 by an APRN-IP than for the same services provided by a primary
777 care physician; or incentivize the insured do so through a
778 program authorized pursuant to s. 627.6387.

779 Section 29. Effective July 1, 2020, paragraph (a) of
780 subsection (1) of section 627.736, Florida Statutes, is amended
781 to read:

782 627.736 Required personal injury protection benefits;
783 exclusions; priority; claims.—

784 (1) REQUIRED BENEFITS.—An insurance policy complying with
785 the security requirements of s. 627.733 must provide personal
786 injury protection to the named insured, relatives residing in
787 the same household, persons operating the insured motor vehicle,
788 passengers in the motor vehicle, and other persons struck by the
789 motor vehicle and suffering bodily injury while not an occupant
790 of a self-propelled vehicle, subject to subsection (2) and
791 paragraph (4) (e), to a limit of \$10,000 in medical and
792 disability benefits and \$5,000 in death benefits resulting from
793 bodily injury, sickness, disease, or death arising out of the

679738

794 ownership, maintenance, or use of a motor vehicle as follows:

795 (a) *Medical benefits.*—Eighty percent of all reasonable
796 expenses for medically necessary medical, surgical, X-ray,
797 dental, and rehabilitative services, including prosthetic
798 devices and medically necessary ambulance, hospital, and nursing
799 services if the individual receives initial services and care
800 pursuant to subparagraph 1. within 14 days after the motor
801 vehicle accident. The medical benefits provide reimbursement
802 only for:

803 1. Initial services and care that are lawfully provided,
804 supervised, ordered, or prescribed by a physician licensed under
805 chapter 458 or chapter 459, a dentist licensed under chapter
806 466, ~~or~~ a chiropractic physician licensed under chapter 460, or
807 an APRN-IP registered under s. 464.0123 or that are provided in
808 a hospital or in a facility that owns, or is wholly owned by, a
809 hospital. Initial services and care may also be provided by a
810 person or entity licensed under part III of chapter 401 which
811 provides emergency transportation and treatment.

812 2. Upon referral by a provider described in subparagraph
813 1., followup services and care consistent with the underlying
814 medical diagnosis rendered pursuant to subparagraph 1. which may
815 be provided, supervised, ordered, or prescribed only by a
816 physician licensed under chapter 458 or chapter 459, a
817 chiropractic physician licensed under chapter 460, a dentist
818 licensed under chapter 466, or an APRN-IP registered under s.
819 464.0123 or, to the extent permitted by applicable law and under
820 the supervision of such physician, osteopathic physician,
821 chiropractic physician, or dentist, by a physician assistant
822 licensed under chapter 458 or chapter 459 or an advanced

679738

823 practice registered nurse licensed under chapter 464. Followup
824 services and care may also be provided by the following persons
825 or entities:

826 a. A hospital or ambulatory surgical center licensed under
827 chapter 395.

828 b. An entity wholly owned by one or more physicians
829 licensed under chapter 458 or chapter 459, chiropractic
830 physicians licensed under chapter 460, APRN-IPs registered under
831 s. 464.0123, or dentists licensed under chapter 466 or by such
832 practitioners and the spouse, parent, child, or sibling of such
833 practitioners.

834 c. An entity that owns or is wholly owned, directly or
835 indirectly, by a hospital or hospitals.

836 d. A physical therapist licensed under chapter 486, based
837 upon a referral by a provider described in this subparagraph.

838 e. A health care clinic licensed under part X of chapter
839 400 which is accredited by an accrediting organization whose
840 standards incorporate comparable regulations required by this
841 state, or

842 (I) Has a medical director licensed under chapter 458,
843 chapter 459, or chapter 460;

844 (II) Has been continuously licensed for more than 3 years
845 or is a publicly traded corporation that issues securities
846 traded on an exchange registered with the United States
847 Securities and Exchange Commission as a national securities
848 exchange; and

849 (III) Provides at least four of the following medical
850 specialties:

851 (A) General medicine.

679738

852 (B) Radiography.
853 (C) Orthopedic medicine.
854 (D) Physical medicine.
855 (E) Physical therapy.
856 (F) Physical rehabilitation.
857 (G) Prescribing or dispensing outpatient prescription
858 medication.
859 (H) Laboratory services.

860 3. Reimbursement for services and care provided in
861 subparagraph 1. or subparagraph 2. up to \$10,000 if a physician
862 licensed under chapter 458 or chapter 459, a dentist licensed
863 under chapter 466, a physician assistant licensed under chapter
864 458 or chapter 459, ~~or~~ an advanced practice registered nurse
865 licensed under chapter 464, or an APRN-IP registered under s.
866 464.0123 has determined that the injured person had an emergency
867 medical condition.

868 4. Reimbursement for services and care provided in
869 subparagraph 1. or subparagraph 2. is limited to \$2,500 if a
870 provider listed in subparagraph 1. or subparagraph 2. determines
871 that the injured person did not have an emergency medical
872 condition.

873 5. Medical benefits do not include massage as defined in s.
874 480.033 or acupuncture as defined in s. 457.102, regardless of
875 the person, entity, or licensee providing massage or
876 acupuncture, and a licensed massage therapist or licensed
877 acupuncturist may not be reimbursed for medical benefits under
878 this section.

879 6. The Financial Services Commission shall adopt by rule
880 the form that must be used by an insurer and a health care

679738

881 provider specified in sub-subparagraph 2.b., sub-subparagraph
882 2.c., or sub-subparagraph 2.e. to document that the health care
883 provider meets the criteria of this paragraph. Such rule must
884 include a requirement for a sworn statement or affidavit.

885

886 Only insurers writing motor vehicle liability insurance in this
887 state may provide the required benefits of this section, and
888 such insurer may not require the purchase of any other motor
889 vehicle coverage other than the purchase of property damage
890 liability coverage as required by s. 627.7275 as a condition for
891 providing such benefits. Insurers may not require that property
892 damage liability insurance in an amount greater than \$10,000 be
893 purchased in conjunction with personal injury protection. Such
894 insurers shall make benefits and required property damage
895 liability insurance coverage available through normal marketing
896 channels. An insurer writing motor vehicle liability insurance
897 in this state who fails to comply with such availability
898 requirement as a general business practice violates part IX of
899 chapter 626, and such violation constitutes an unfair method of
900 competition or an unfair or deceptive act or practice involving
901 the business of insurance. An insurer committing such violation
902 is subject to the penalties provided under that part, as well as
903 those provided elsewhere in the insurance code.

904 Section 30. Effective July 1, 2020, subsection (5) of
905 section 633.412, Florida Statutes, is amended to read:

906 633.412 Firefighters; qualifications for certification.—A
907 person applying for certification as a firefighter must:

908 (5) Be in good physical condition as determined by a
909 medical examination given by a physician, surgeon, or physician

679738

910 assistant licensed under ~~to practice in the state pursuant to~~
911 chapter 458; an osteopathic physician, a surgeon, or a physician
912 assistant licensed under ~~to practice in the state pursuant to~~
913 chapter 459; ~~or~~ an advanced practice registered nurse licensed
914 under ~~to practice in the state pursuant to~~ chapter 464; or an
915 APRN-IP registered under s. 464.0123. Such examination may
916 include, but need not be limited to, the National Fire
917 Protection Association Standard 1582. A medical examination
918 evidencing good physical condition shall be submitted to the
919 division, on a form as provided by rule, before an individual is
920 eligible for admission into a course under s. 633.408.

921 Section 31. Effective July 1, 2020, section 641.31075,
922 Florida Statutes, is created to read:

923 641.31075 APRN-IP services.-A health maintenance contract
924 that is delivered, issued, or renewed in this state on or after
925 January 1, 2021, may not require a subscriber to receive
926 services from an APRN-IP registered under s. 464.0123 in place
927 of a primary care physician; incentivize the subscriber to do so
928 through cost sharing as defined in s. 641.313 which is lower for
929 services provided by an APRN-IP than for the same services
930 provided by a primary care physician; or incentivize the
931 subscriber do so through a program authorized pursuant to s.
932 641.31076.

933 Section 32. Effective July 1, 2020, subsection (8) of
934 section 641.495, Florida Statutes, is amended to read:

935 641.495 Requirements for issuance and maintenance of
936 certificate.-

937 (8) Each organization's contracts, certificates, and
938 subscriber handbooks shall contain a provision, if applicable,

679738

939 disclosing that, for certain types of described medical
940 procedures, services may be provided by physician assistants,
941 advanced practice registered nurses, APRN-IPs registered under
942 s. 464.0123 ~~nurse practitioners~~, or other individuals who are
943 not licensed physicians.

944 Section 33. Effective July 1, 2020, paragraph (b) of
945 subsection (1) of section 744.3675, Florida Statutes, is amended
946 to read:

947 744.3675 Annual guardianship plan.—Each guardian of the
948 person must file with the court an annual guardianship plan
949 which updates information about the condition of the ward. The
950 annual plan must specify the current needs of the ward and how
951 those needs are proposed to be met in the coming year.

952 (1) Each plan for an adult ward must, if applicable,
953 include:

954 (b) Information concerning the medical and mental health
955 conditions and treatment and rehabilitation needs of the ward,
956 including:

957 1. A resume of any professional medical treatment given to
958 the ward during the preceding year.

959 2. The report of a physician or an APRN-IP registered under
960 s. 464.0123 who examined the ward no more than 90 days before
961 the beginning of the applicable reporting period. The report
962 must contain an evaluation of the ward's condition and a
963 statement of the current level of capacity of the ward.

964 3. The plan for providing medical, mental health, and
965 rehabilitative services in the coming year.

966 Section 34. Effective July 1, 2020, paragraph (c) of
967 subsection (1) of section 766.118, Florida Statutes, is amended

679738

968 to read:

969 766.118 Determination of noneconomic damages.—

970 (1) DEFINITIONS.—As used in this section, the term:

971 (c) "Practitioner" means any person licensed or registered
972 under chapter 458, chapter 459, chapter 460, chapter 461,
973 chapter 462, chapter 463, chapter 466, chapter 467, chapter 486,
974 ~~or~~ s. 464.012, or s. 464.0123. "Practitioner" also means any
975 association, corporation, firm, partnership, or other business
976 entity under which such practitioner practices or any employee
977 of such practitioner or entity acting in the scope of his or her
978 employment. For the purpose of determining the limitations on
979 noneconomic damages set forth in this section, the term
980 "practitioner" includes any person or entity for whom a
981 practitioner is vicariously liable and any person or entity
982 whose liability is based solely on such person or entity being
983 vicariously liable for the actions of a practitioner.

984 Section 35. Effective July 1, 2020, subsection (3) of
985 section 768.135, Florida Statutes, is amended to read:

986 768.135 Volunteer team physicians; immunity.—

987 (3) A practitioner licensed or registered under chapter
988 458, chapter 459, chapter 460, ~~or~~ s. 464.012, or s. 464.0123 who
989 gratuitously and in good faith conducts an evaluation pursuant
990 to s. 1006.20(2)(c) is not liable for any civil damages arising
991 from that evaluation unless the evaluation was conducted in a
992 wrongful manner.

993 Section 36. Effective July 1, 2020, subsection (2) of
994 section 960.28, Florida Statutes, is amended to read:

995 960.28 Payment for victims' initial forensic physical
996 examinations.—

679738

997 (2) The Crime Victims' Services Office of the department
998 shall pay for medical expenses connected with an initial
999 forensic physical examination of a victim of sexual battery as
1000 defined in chapter 794 or a lewd or lascivious offense as
1001 defined in chapter 800. Such payment shall be made regardless of
1002 whether the victim is covered by health or disability insurance
1003 and whether the victim participates in the criminal justice
1004 system or cooperates with law enforcement. The payment shall be
1005 made only out of moneys allocated to the Crime Victims' Services
1006 Office for the purposes of this section, and the payment may not
1007 exceed \$1,000 with respect to any violation. The department
1008 shall develop and maintain separate protocols for the initial
1009 forensic physical examination of adults and children. Payment
1010 under this section is limited to medical expenses connected with
1011 the initial forensic physical examination, and payment may be
1012 made to a medical provider using an examiner qualified under
1013 part I of chapter 464, excluding s. 464.003(15) ~~s. 464.003(14)~~;
1014 chapter 458; or chapter 459. Payment made to the medical
1015 provider by the department shall be considered by the provider
1016 as payment in full for the initial forensic physical examination
1017 associated with the collection of evidence. The victim may not
1018 be required to pay, directly or indirectly, the cost of an
1019 initial forensic physical examination performed in accordance
1020 with this section.

1021 Section 37. For the 2020-2021 fiscal year, the sums of
1022 \$202,019 in recurring funds and \$24,272 in nonrecurring funds
1023 are appropriated from the Medical Quality Assurance Trust Fund
1024 to the Department of Health, and four full-time equivalent
1025 positions with associated salary rate of 121,246 are authorized,

679738

1026 for the purpose of implementing section 464.0123, Florida
1027 Statutes, as created by this act.

1028

1030 And the title is amended as follows:

1031 Delete lines 112 - 223

1032 and insert:

1033 Patient Access to Primary Care Program for a specified
1034 purpose; requiring the department to implement the
1035 program; defining terms; creating the Council on
1036 Advanced Practice Registered Nurse Independent
1037 Practice within the department; providing council
1038 membership requirements, terms, and duties; requiring
1039 the council to develop certain proposed rules;
1040 providing for the adoption of the proposed rules;
1041 authorizing the council to enter an order to refuse to
1042 register an applicant or to approve an applicant for
1043 restricted registration or conditional registration
1044 under certain circumstances; providing registration
1045 and registration renewal requirements; requiring the
1046 department to update the practitioner's profile to
1047 reflect specified information; providing limitations
1048 on the scope of practice of an APRN-IP; requiring the
1049 department to adopt specified rules related to the
1050 scope of practice for APRN-IPs; requiring APRN-IPs to
1051 report adverse incidents to the department within a
1052 specified timeframe; defining the term "adverse
1053 incident"; requiring the department to review adverse
1054 incidents and make specified determinations; providing

679738

1055 for disciplinary action; requiring the department to
1056 adopt certain rules; providing for the reactivation of
1057 registration; providing construction; requiring the
1058 department to adopt rules; amending s. 464.015, F.S.;
1059 prohibiting unregistered persons from using the title
1060 or abbreviation of APRN-IP; amending s. 464.018, F.S.;
1061 providing additional grounds for denial of a license
1062 or disciplinary action for APRN-IPs; amending s.
1063 381.026, F.S.; revising the definition of the term
1064 "health care provider"; amending s. 382.008, F.S.;
1065 authorizing an APRN-IP to file a certificate of death
1066 or fetal death under certain circumstances; requiring
1067 an APRN-IP to provide certain information to a funeral
1068 director within a specified timeframe; defining the
1069 term "primary or attending practitioner"; conforming
1070 provisions to changes made by the act; amending s.
1071 382.011, F.S.; conforming a provision to changes made
1072 by the act; amending s. 394.463, F.S.; authorizing
1073 APRN-IPs to examine patients and initiate involuntary
1074 examinations for mental illness under certain
1075 circumstances; amending s. 397.501, F.S.; prohibiting
1076 service providers from denying an individual certain
1077 services under certain circumstances; amending s.
1078 456.053, F.S.; revising definitions; providing
1079 disciplinary action; conforming provisions to changes
1080 made by the act; amending s. 626.9707, F.S.;
1081 prohibiting an insurer from refusing to issue and
1082 deliver certain disability insurance policies that
1083 cover any medical treatment or service furnished by an

679738

1084 advanced practice registered nurse or an APRN-IP;
1085 creating ss. 627.64025 and 627.6621, F.S.; prohibiting
1086 certain health insurance policies and certain group,
1087 blanket, or franchise health insurance policies,
1088 respectively, from requiring or incentivizing an
1089 insured to receive services from an APRN-IP in place
1090 of a primary care physician; amending s. 627.6699,
1091 F.S.; prohibiting certain health benefit plans from
1092 requiring or incentivizing an insured to receive
1093 services from an APRN-IP in place of a primary care
1094 physician; amending s. 627.736, F.S.; requiring
1095 personal injury protection insurance policies to cover
1096 a certain percentage of medical services and care
1097 provided by an APRN-IP; providing for specified
1098 reimbursement of APRN-IPs; amending s. 633.412, F.S.;
1099 authorizing an APRN-IP to medically examine an
1100 applicant for firefighter certification; creating s.
1101 641.31075, F.S.; prohibiting certain health
1102 maintenance contracts from requiring or incentivizing
1103 a subscriber to receive services from an APRN-IP in
1104 place of a primary care physician; amending s.
1105 641.495, F.S.; requiring certain health maintenance
1106 organization documents to disclose specified
1107 information; amending s. 744.3675, F.S.; authorizing
1108 an APRN-IP to provide the medical report of a ward in
1109 an annual guardianship plan; amending s. 766.118,
1110 F.S.; revising the definition of the term
1111 "practitioner"; amending s. 768.135, F.S.; providing
1112 immunity from liability for an APRN-IP who provides

679738

1113 volunteer services under certain circumstances;
1114 amending s. 960.28, F.S.; conforming a cross-
1115 reference; providing appropriations; providing
1116 effective dates.

576-03918A-20

Proposed Committee Substitute by the Committee on Appropriations
(Appropriations Subcommittee on Health and Human Services)

A bill to be entitled

An act relating to direct care workers; amending s. 400.141, F.S.; authorizing a nursing home facility to use paid feeding assistants in accordance with specified federal law under certain circumstances; providing training program requirements; authorizing the Agency for Health Care Administration to adopt rules; amending s. 400.23, F.S.; prohibiting paid feeding assistants from counting toward compliance with minimum staffing standards; amending s. 400.461, F.S.; revising a short title; amending s. 400.462, F.S.; revising the definition of the term "home health aide"; amending s. 400.464, F.S.; requiring a licensed home health agency that authorizes a registered nurse to delegate tasks to a certified nursing assistant or a home health aide to ensure that certain requirements are met; amending s. 400.488, F.S.; authorizing an unlicensed person to assist with self-administration of certain treatments; revising the requirements for such assistance; creating s. 400.489, F.S.; authorizing a home health aide to administer certain prescription medications under certain conditions; requiring the home health aide to meet certain training and competency requirements; requiring the training, determination of competency, and annual validation of home health aides to be conducted by a registered nurse or a physician; requiring a home

281464

576-03918A-20

health aide to complete annual inservice training in medication administration and medication error prevention, in addition to existing annual inservice training requirements; requiring the Agency for Health Care Administration, in consultation with the Board of Nursing, to establish by rule standards and procedures for medication administration by home health aides; providing requirements for such rules; creating s. 400.490, F.S.; authorizing a certified nursing assistant or home health aide to perform certain tasks delegated by a registered nurse; creating s. 400.52, F.S.; creating the Excellence in Home Health Program within the agency for a specified purpose; requiring the agency to adopt rules establishing program criteria; providing requirements for such criteria requiring the agency to annually evaluate certain home health agencies and nurse registries; providing program designation eligibility requirements; providing that a program designation is not transferable, with an exception; providing for the expiration of awarded designations; requiring home health agencies and nurse registries to biennially renew the awarded program designation; authorizing a program designation award recipient to use the designation in advertising and marketing; specifying circumstances under which a home health agency or nurse registry may not use a program designation in advertising or marketing; providing that an application submitted under the program is not an

281464

576-03918A-20

57 application for licensure; providing that certain
58 actions by the agency are not subject to certain
59 provisions; creating s. 408.822, F.S.; defining the
60 term "direct care worker"; requiring certain licensees
61 to provide specified information about their employees
62 in a survey beginning on a specified date; requiring
63 that the survey be completed on a form adopted by the
64 agency by rule and include a specified attestation;
65 requiring a licensee to submit such survey as a
66 contingency of license renewal; requiring the agency
67 to continually analyze the results of such surveys and
68 publish the results on the agency's website; requiring
69 the agency to update such information monthly;
70 creating s. 464.0156, F.S.; authorizing a registered
71 nurse to delegate certain tasks to a certified nursing
72 assistant or a home health aide under certain
73 conditions; providing criteria that a registered nurse
74 must consider in determining if a task may be
75 delegated to a certified nursing assistant or a home
76 health aide; authorizing a registered nurse to
77 delegate prescription medication administration to a
78 certified nursing assistant or a home health aide,
79 subject to certain requirements; providing an
80 exception for certain controlled substances; requiring
81 the Board of Nursing, in consultation with the agency,
82 to adopt rules; amending s. 464.018, F.S.; providing
83 disciplinary action; creating s. 464.2035, F.S.;
84 authorizing certified nursing assistants to administer
85 certain prescription medications under certain

281464

576-03918A-20

86 conditions; requiring the certified nursing assistants
87 to meet certain training and competency requirements;
88 requiring the training, determination of competency,
89 and annual validation of certified nursing assistants
90 to be conducted by a registered nurse or a physician;
91 requiring a certified nursing assistant to complete
92 annual inservice training in medication administration
93 and medication error prevention in addition to
94 existing annual inservice training requirements;
95 requiring the board, in consultation with the agency,
96 to adopt by rule standards and procedures for
97 medication administration by certified nursing
98 assistants; creating s. 381.40185, F.S.; establishing
99 the Physician Student Loan Repayment Program for a
100 specified purpose; defining terms; requiring the
101 Department of Health to establish the program;
102 providing program eligibility requirements; providing
103 for the award of funds from the program to repay the
104 student loans of certain physicians; specifying
105 circumstances under which a physician is no longer
106 eligible to receive funds from the program; requiring
107 the department to adopt rules; making implementation
108 of the program subject to a legislative appropriation;
109 amending s. 464.003, F.S.; defining the term "advanced
110 practice registered nurse - independent practitioner"
111 (APRN-IP); creating s. 464.0123, F.S.; creating the
112 Patient Access to Primary Care Pilot Program for a
113 specified purpose; requiring the department to
114 implement the program; defining terms; creating the

281464

576-03918A-20

115 Council on Advanced Practice Registered Nurse
116 Independent Practice within the department; providing
117 council membership requirements, terms, and duties;
118 requiring the council to develop certain proposed
119 rules; providing for the adoption of the proposed
120 rules; authorizing the council to enter an order to
121 refuse to register an applicant or to approve an
122 applicant for restricted registration or conditional
123 registration under certain circumstances; requiring
124 the department, in conjunction with one or more third-
125 party credentialing entities, to develop a primary
126 care certification examination for advanced practice
127 registered nurses seeking registration as APRN-IPs;
128 defining the term "third-party credentialing entity";
129 requiring the department to approve one or more third-
130 party credentialing entities to develop and administer
131 the examination; requiring the department to act on
132 requests for approvals from third-party credentialing
133 entities within a specified timeframe; specifying
134 requirements for approved third-party credentialing
135 entities; requiring the Board of Medicine and the
136 Board of Osteopathic Medicine to approve certain core
137 competencies and related preservice curricula for a
138 specified purpose; authorizing the department to
139 contract for the delivery of specified education or
140 training under certain circumstances; authorizing the
141 department to adopt rules; providing registration and
142 registration renewal requirements; requiring the
143 department to update the practitioner's profile to

281464

576-03918A-20

144 reflect specified information; providing limitations
145 on the scope of practice of an APRN-IP; requiring the
146 council to recommend rules regarding the scope of
147 practice for an APRN-IP; providing for the adoption of
148 and requirements for such rules; requiring APRN-IPs to
149 report adverse incidents to the department within a
150 specified timeframe; defining the term "adverse
151 incident"; requiring the department to review adverse
152 incidents and make specified determinations; providing
153 for disciplinary action; requiring the Board of
154 Medicine to adopt certain rules; providing for the
155 reactivation of registration; providing construction;
156 requiring the department to adopt rules by a specified
157 date; providing for future repeal; amending s.
158 464.015, F.S.; prohibiting unregistered persons from
159 using the title or abbreviation of APRN-IP; amending
160 s. 464.018, F.S.; providing additional grounds for
161 denial of a license or disciplinary action for APRN-
162 IPs; amending s. 381.026, F.S.; revising the
163 definition of the term "health care provider";
164 amending s. 382.008, F.S.; authorizing an APRN-IP to
165 file a certificate of death or fetal death under
166 certain circumstances; requiring an APRN-IP to provide
167 certain information to a funeral director within a
168 specified timeframe; defining the term "primary or
169 attending practitioner"; conforming provisions to
170 changes made by the act; amending s. 382.011, F.S.;
171 conforming a provision to changes made by the act;
172 amending s. 394.463, F.S.; authorizing APRN-IPs to

281464

576-03918A-20

173 examine patients and initiate involuntary examinations
174 for mental illness under certain circumstances;
175 amending s. 397.501, F.S.; prohibiting service
176 providers from denying an individual certain services
177 under certain circumstances; amending s. 456.053,
178 F.S.; revising definitions; providing disciplinary
179 action; conforming provisions to changes made by the
180 act; amending s. 626.9707, F.S.; prohibiting an
181 insurer from refusing to issue and deliver certain
182 disability insurance policies that cover any medical
183 treatment or service furnished by an advanced practice
184 registered nurse or an APRN-IP; creating ss. 627.64025
185 and 627.6621, F.S.; prohibiting certain health
186 insurance policies and certain group, blanket, or
187 franchise health insurance policies, respectively,
188 from requiring an insured to receive services from an
189 APRN-IP or a certain advanced practice registered
190 nurse in place of a primary care physician; amending
191 s. 627.6699, F.S.; prohibiting certain health benefit
192 plans from requiring an insured to receive services
193 from an APRN-IP or a certain advanced practice
194 registered nurse in place of a primary care physician;
195 amending s. 627.736, F.S.; requiring personal injury
196 protection insurance policies to cover a certain
197 percentage of medical services and care provided by an
198 APRN-IP; providing for specified reimbursement of
199 APRN-IPs; amending s. 633.412, F.S.; authorizing an
200 APRN-IP to medically examine an applicant for
201 firefighter certification; creating s. 641.31075,-

281464

576-03918A-20

202 F.S.; prohibiting certain health maintenance contracts
203 from requiring a subscriber to receive services from
204 an APRN-IP or a certain advanced practice registered
205 nurse in place of a primary care physician; amending
206 s. 641.495, F.S.; requiring certain health maintenance
207 organization documents to disclose specified
208 information; amending s. 744.3675, F.S.; authorizing
209 an APRN-IP to provide the medical report of a ward in
210 an annual guardianship plan; amending s. 766.118,
211 F.S.; revising the definition of the term
212 "practitioner"; amending s. 768.135, F.S.; providing
213 immunity from liability for an APRN-IP who provides
214 volunteer services under certain circumstances;
215 amending s. 960.28, F.S.; conforming a cross-
216 reference; requiring the Office of Program Policy
217 Analysis and Government Accountability to submit a
218 report to the Governor and the Legislature by a
219 specified date; providing requirements for the report;
220 providing for the reversion of specified statutory
221 sections under certain circumstances; providing an
222 appropriation; providing effective dates, including
223 contingent effective dates.

225 Be It Enacted by the Legislature of the State of Florida:

226
227 Section 1. Paragraph (v) is added to subsection (1) of
228 section 400.141, Florida Statutes, to read:
229 400.141 Administration and management of nursing home
230 facilities.-

576-03918A-20

231 (1) Every licensed facility shall comply with all
232 applicable standards and rules of the agency and shall:
233 (v) Be allowed to use paid feeding assistants as defined in
234 42 C.F.R. s. 488.301, and in accordance with 42 C.F.R. s.
235 483.60, if the paid feeding assistant has successfully completed
236 a feeding assistant training program developed by the agency.
237 1. The feeding assistant training program must consist of a
238 minimum of 12 hours of education and training and must include
239 all of the topics and lessons specified in the program
240 curriculum.
241 2. The program curriculum must include, but need not be
242 limited to, training in all of the following content areas:
243 a. Feeding techniques.
244 b. Assistance with feeding and hydration.
245 c. Communication and interpersonal skills.
246 d. Appropriate responses to resident behavior.
247 e. Safety and emergency procedures, including the first aid
248 procedure used to treat upper airway obstructions.
249 f. Infection control.
250 g. Residents' rights.
251 h. Recognizing changes in residents which are inconsistent
252 with their normal behavior and the importance of reporting those
253 changes to the supervisory nurse.
254
255 The agency may adopt rules to implement this paragraph.
256 Section 2. Paragraph (b) of subsection (3) of section
257 400.23, Florida Statutes, is amended to read:
258 400.23 Rules; evaluation and deficiencies; licensure
259 status.—

576-03918A-20

260 (3)
261 (b) Paid feeding assistants and nonnursing staff providing
262 eating assistance to residents shall not count toward compliance
263 with minimum staffing standards.
264 Section 3. Subsection (1) of section 400.461, Florida
265 Statutes, is amended to read:
266 400.461 Short title; purpose.—
267 (1) This part, consisting of ss. 400.461-400.52 ~~ss.~~
268 ~~400.461-400.518~~, may be cited as the "Home Health Services Act."
269 Section 4. Subsection (15) of section 400.462, Florida
270 Statutes, is amended to read:
271 400.462 Definitions.—As used in this part, the term:
272 (15) "Home health aide" means a person who is trained or
273 qualified, as provided by rule, and who provides hands-on
274 personal care, performs simple procedures as an extension of
275 therapy or nursing services, assists in ambulation or exercises,
276 ~~or~~ assists in administering medications as permitted in rule and
277 for which the person has received training established by the
278 agency under this part, or performs tasks delegated to him or
279 her under chapter 464 s. 400.497(1).
280 Section 5. Present subsections (5) and (6) of section
281 400.464, Florida Statutes, are redesignated as subsections (6)
282 and (7), respectively, a new subsection (5) is added to that
283 section, and present subsection (6) of that section is amended,
284 to read:
285 400.464 Home health agencies to be licensed; expiration of
286 license; exemptions; unlawful acts; penalties.—
287 (5) If a licensed home health agency authorizes a
288 registered nurse to delegate tasks, including medication

576-03918A-20

289 administration, to a certified nursing assistant pursuant to
290 chapter 464 or to a home health aide pursuant to s. 400.490, the
291 licensed home health agency must ensure that such delegation
292 meets the requirements of this chapter and chapter 464 and the
293 rules adopted thereunder.

294 ~~(7)(6)~~ Any person, entity, or organization providing home
295 health services which is exempt from licensure under subsection
296 (6) subsection (5) may voluntarily apply for a certificate of
297 exemption from licensure under its exempt status with the agency
298 on a form that specifies its name or names and addresses, a
299 statement of the reasons why it is exempt from licensure as a
300 home health agency, and other information deemed necessary by
301 the agency. A certificate of exemption is valid for a period of
302 not more than 2 years and is not transferable. The agency may
303 charge an applicant \$100 for a certificate of exemption or
304 charge the actual cost of processing the certificate.

305 Section 6. Subsections (2) and (3) of section 400.488,
306 Florida Statutes, are amended to read:

307 400.488 Assistance with self-administration of medication.—

308 (2) Patients who are capable of self-administering their
309 own medications without assistance shall be encouraged and
310 allowed to do so. However, an unlicensed person may, consistent
311 with a dispensed prescription's label or the package directions
312 of an over-the-counter medication, assist a patient whose
313 condition is medically stable with the self-administration of
314 routine, regularly scheduled medications that are intended to be
315 self-administered. Assistance with self-medication by an
316 unlicensed person may occur only upon a documented request by,
317 and the written informed consent of, a patient or the patient's

576-03918A-20

318 surrogate, guardian, or attorney in fact. For purposes of this
319 section, self-administered medications include both legend and
320 over-the-counter oral dosage forms, topical dosage forms, and
321 topical ophthalmic, otic, and nasal dosage forms, including
322 solutions, suspensions, sprays, ~~and~~ inhalers, intermittent
323 positive pressure breathing treatments, and nebulizer
324 treatments.

325 (3) Assistance with self-administration of medication
326 includes:

327 (a) Taking the medication, in its previously dispensed,
328 properly labeled container, from where it is stored and bringing
329 it to the patient.

330 (b) In the presence of the patient, confirming that the
331 medication is intended for that patient, orally advising the
332 patient of the medication name and purpose ~~reading the label,~~
333 opening the container, removing a prescribed amount of
334 medication from the container, and closing the container.

335 (c) Placing an oral dosage in the patient's hand or placing
336 the dosage in another container and helping the patient by
337 lifting the container to his or her mouth.

338 (d) Applying topical medications, including providing
339 routine preventive skin care and basic wound care.

340 (e) Returning the medication container to proper storage.

341 (f) For intermittent positive pressure breathing treatments
342 or for nebulizer treatments, assisting with setting up and
343 cleaning the device in the presence of the patient, confirming
344 that the medication is intended for that patient, orally
345 advising the patient of the medication name and purpose, opening
346 the container, removing the prescribed amount for a single

281464

576-03918A-20

347 treatment dose from a properly labeled container, and assisting
348 the patient with placing the dose into the medicine receptacle
349 or mouthpiece.

350 (g)(f) Keeping a record of when a patient receives
351 assistance with self-administration under this section.

352 Section 7. Section 400.489, Florida Statutes, is created to
353 read:

354 400.489 Administration of medication by a home health aide;
355 staff training requirements.-

356 (1) A home health aide may administer oral, transdermal,
357 ophthalmic, otic, rectal, inhaled, enteral, or topical
358 prescription medications if the home health aide has been
359 delegated such task by a registered nurse licensed under chapter
360 464; has satisfactorily completed an initial 6-hour training
361 course approved by the agency; and has been found competent to
362 administer medication to a patient in a safe and sanitary
363 manner. The training, determination of competency, and initial
364 and annual validations required in this section shall be
365 conducted by a registered nurse licensed under chapter 464 or a
366 physician licensed under chapter 458 or chapter 459.

367 (2) A home health aide must annually and satisfactorily
368 complete a 2-hour inservice training course approved by the
369 agency in medication administration and medication error
370 prevention. The inservice training course shall be in addition
371 to the annual inservice training hours required by agency rules.

372 (3) The agency, in consultation with the Board of Nursing,
373 shall establish by rule standards and procedures that a home
374 health aide must follow when administering medication to a
375 patient. Such rules must, at a minimum, address qualification

281464

576-03918A-20

376 requirements for trainers, requirements for labeling medication,
377 documentation and recordkeeping, the storage and disposal of
378 medication, instructions concerning the safe administration of
379 medication, informed-consent requirements and records, and the
380 training curriculum and validation procedures.

381 Section 8. Section 400.490, Florida Statutes, is created to
382 read:

383 400.490 Nurse-delegated tasks.-A certified nursing
384 assistant or home health aide may perform any task delegated by
385 a registered nurse as authorized in this part and in chapter
386 464, including, but not limited to, medication administration.

387 Section 9. Section 400.52, Florida Statutes, is created to
388 read:

389 400.52 Excellence in Home Health Program.-

390 (1) There is created within the agency the Excellence in
391 Home Health Program for the purpose of awarding program
392 designations to home health agencies or nurse registries that
393 meet the criteria specified in this section.

394 (2) (a) The agency shall adopt rules establishing criteria
395 for the program which must include, at a minimum, meeting
396 standards relating to:

- 397 1. Patient satisfaction.
- 398 2. Patients requiring emergency care for wound infections.
- 399 3. Patients admitted or readmitted to an acute care
400 hospital.
- 401 4. Patient improvement in the activities of daily living.
- 402 5. Employee satisfaction.
- 403 6. Quality of employee training.
- 404 7. Employee retention rates.

281464

576-03918A-20

405 (b) The agency shall annually evaluate home health agencies
406 and nurse registries seeking the program designation which apply
407 on a form and in the manner designated by rule.

408 (3) To receive a program designation, the home health
409 agency or nurse registry must:

410 (a) Be actively licensed and have been operating for at
411 least 24 months before applying for the program designation. A
412 designation awarded under the program is not transferable to
413 another licensee, unless the existing home health agency or
414 nurse registry is being relicensed in the name of an entity
415 related to the current licenseholder by common control or
416 ownership and there will be no change in the management,
417 operation, or programs of the home health agency or nurse
418 registry as a result of the relicensure.

419 (b) Have not had any licensure denials, revocations, or
420 class I, class II, or uncorrected class III deficiencies within
421 the 24 months before the application for the program
422 designation.

423 (4) The program designation expires on the same date as the
424 home health agency's or nurse registry's license. A home health
425 agency or nurse registry must reapply and be approved biennially
426 for the program designation to continue using the program
427 designation in the manner authorized under subsection (5).

428 (5) A home health agency or nurse registry that is awarded
429 a designation under the program may use the designation in
430 advertising and marketing, unless the home health agency or
431 nurse registry:

432 (a) Has not been awarded the designation;

433 (b) Fails to renew the designation upon expiration of the

281464

576-03918A-20

434 awarded designation;

435 (c) Has undergone a change in ownership that does not
436 qualify for an exception under paragraph (3) (a); or

437 (d) Has been notified that it no longer meets the criteria
438 for the award upon reapplication after expiration of the awarded
439 designation.

440 (6) An application for an award designation under the
441 program is not an application for licensure. A designation award
442 or denial by the agency under this section does not constitute
443 final agency action subject to chapter 120.

444 Section 10. Section 408.822, Florida Statutes, is created
445 to read:

446 408.822 Direct care workforce survey.—

447 (1) For purposes of this section, the term "direct care
448 worker" means a certified nursing assistant, a home health aide,
449 a personal care assistant, a companion services or homemaker
450 services provider, a paid feeding assistant trained under s.
451 400.141(1)(v), or another individual who provides personal care
452 as defined in s. 400.462 to individuals who are elderly,
453 developmentally disabled, or chronically ill.

454 (2) Beginning January 1, 2021, each licensee that applies
455 for licensure renewal as a nursing home facility licensed under
456 part II of chapter 400, an assisted living facility licensed
457 under part I of chapter 429, or a home health agency or
458 companion services or homemaker services provider licensed under
459 part III of chapter 400 shall furnish all of the following
460 information to the agency in a survey on the direct care
461 workforce:

462 (a) The number of registered nurses and the number of

576-03918A-20

463 direct care workers by category employed by the licensee.
464 (b) The turnover and vacancy rates of registered nurses and
465 direct care workers and the contributing factors to these rates.
466 (c) The average employee wage for registered nurses and
467 each category of direct care worker.
468 (d) Employment benefits for registered nurses and direct
469 care workers and the average cost of such benefits to the
470 employer and the employee.
471 (e) Type and availability of training for registered nurses
472 and direct care workers.
473 (3) An administrator or designee shall include the
474 information required in subsection (2) on a survey form
475 developed by the agency by rule which must contain an
476 attestation that the information provided is true and accurate
477 to the best of his or her knowledge.
478 (4) The licensee must submit the completed survey before
479 the agency issues the license renewal.
480 (5) The agency shall continually analyze the results of the
481 surveys and publish the results on its website. The agency shall
482 update the information published on its website monthly.
483 Section 11. Section 464.0156, Florida Statutes, is created
484 to read:
485 464.0156 Delegation of duties.—
486 (1) A registered nurse may delegate a task to a certified
487 nursing assistant certified under part II of this chapter or a
488 home health aide as defined in s. 400.462 if the registered
489 nurse determines that the certified nursing assistant or the
490 home health aide is competent to perform the task, the task is
491 delegable under federal law, and the task meets all of the

576-03918A-20

492 following criteria:
493 (a) Is within the nurse's scope of practice.
494 (b) Frequently recurs in the routine care of a patient or
495 group of patients.
496 (c) Is performed according to an established sequence of
497 steps.
498 (d) Involves little or no modification from one patient to
499 another.
500 (e) May be performed with a predictable outcome.
501 (f) Does not inherently involve ongoing assessment,
502 interpretation, or clinical judgment.
503 (g) Does not endanger a patient's life or well-being.
504 (2) A registered nurse may delegate to a certified nursing
505 assistant or a home health aide the administration of oral,
506 transdermal, ophthalmic, otic, rectal, inhaled, enteral, or
507 topical prescription medications to a patient of a home health
508 agency, if the certified nursing assistant or home health aide
509 meets the requirements of s. 464.2035 or s. 400.489,
510 respectively. A registered nurse may not delegate the
511 administration of any controlled substance listed in Schedule
512 II, Schedule III, or Schedule IV of s. 893.03 or 21 U.S.C. s.
513 812.
514 (3) The board, in consultation with the Agency for Health
515 Care Administration, shall adopt rules to implement this
516 section.
517 Section 12. Paragraph (r) is added to subsection (1) of
518 section 464.018, Florida Statutes, to read:
519 464.018 Disciplinary actions.—
520 (1) The following acts constitute grounds for denial of a

281464

576-03918A-20

521 license or disciplinary action, as specified in ss. 456.072(2)
522 and 464.0095:

523 (r) Delegating professional responsibilities to a person
524 when the nurse delegating such responsibilities knows or has
525 reason to know that such person is not qualified by training,
526 experience, certification, or licensure to perform them.

527 Section 13. Section 464.2035, Florida Statutes, is created
528 to read:

529 464.2035 Administration of medication.—

530 (1) A certified nursing assistant may administer oral,
531 transdermal, ophthalmic, otic, rectal, inhaled, enteral, or
532 topical prescription medication to a patient of a home health
533 agency if the certified nursing assistant has been delegated
534 such task by a registered nurse licensed under part I of this
535 chapter, has satisfactorily completed an initial 6-hour training
536 course approved by the board, and has been found competent to
537 administer medication to a patient in a safe and sanitary
538 manner. The training, determination of competency, and initial
539 and annual validation required under this section must be
540 conducted by a registered nurse licensed under this chapter or a
541 physician licensed under chapter 458 or chapter 459.

542 (2) A certified nursing assistant shall annually and
543 satisfactorily complete 2 hours of inservice training in
544 medication administration and medication error prevention
545 approved by the board, in consultation with the Agency for
546 Health Care Administration. The inservice training is in
547 addition to the other annual inservice training hours required
548 under this part.

549 (3) The board, in consultation with the Agency for Health

281464

576-03918A-20

550 Care Administration, shall establish by rule standards and
551 procedures that a certified nursing assistant must follow when
552 administering medication to a patient of a home health agency.
553 Such rules must, at a minimum, address qualification
554 requirements for trainers, requirements for labeling medication,
555 documentation and recordkeeping, the storage and disposal of
556 medication, instructions concerning the safe administration of
557 medication, informed-consent requirements and records, and the
558 training curriculum and validation procedures.

559 Section 14. Effective July 1, 2020, section 381.40185,
560 Florida Statutes, is created to read:

561 381.40185 Physician Student Loan Repayment Program.—The
562 Physician Student Loan Repayment Program is established to
563 promote access to primary care by supporting qualified
564 physicians who treat medically underserved populations in
565 primary care health professional shortage areas or medically
566 underserved areas.

567 (1) As used in this section, the term:

568 (a) "Department" means the Department of Health.

569 (b) "Loan program" means the Physician Student Loan
570 Repayment Program.

571 (c) "Medically underserved area" means a geographic area
572 designated as such by the Health Resources and Services
573 Administration of the United States Department of Health and
574 Human Services.

575 (d) "Primary care health professional shortage area" means
576 a geographic area, an area having a special population, or a
577 facility that is designated by the Health Resources and Services
578 Administration of the United States Department of Health and

576-03918A-20

579 Human Services as a health professional shortage area as defined
580 by federal regulation and that has a shortage of primary care
581 professionals who serve Medicaid recipients and other low-income
582 patients.

583 (e) "Public health program" means a county health
584 department, the Children's Medical Services program, a federally
585 funded community health center, a federally funded migrant
586 health center, or any other publicly funded or nonprofit health
587 care program designated by the department.

588 (2) The department shall establish a physician student loan
589 repayment program to benefit physicians licensed under chapter
590 458 or chapter 459 who demonstrate, as required by department
591 rule, active employment providing primary care services in a
592 public health program, an independent practice, or a group
593 practice that serves Medicaid recipients and other low-income
594 patients and that is located in a primary care health
595 professional shortage area or in a medically underserved area.

596 (3) The department shall award funds from the loan program
597 to repay the student loans of a physician who meets the
598 requirements of subsection (2).

599 (a) An award may not exceed \$50,000 per year per eligible
600 physician.

601 (b) Only loans to pay the costs of tuition, books, medical
602 equipment and supplies, uniforms, and living expenses may be
603 covered.

604 (c) All repayments are contingent upon continued proof of
605 eligibility and must be made directly to the holder of the loan.
606 The state bears no responsibility for the collection of any
607 interest charges or other remaining balances.

576-03918A-20

608 (d) A physician may receive funds under the loan program
609 for at least 1 year, up to a maximum of 5 years.

610 (e) The department may only grant up to 10 new awards per
611 fiscal year and shall limit the total number of physicians
612 participating in the loan program to not more than 50 per fiscal
613 year.

614 (4) A physician is no longer eligible to receive funds
615 under the loan program if the physician:

616 (a) Is no longer employed as required under subsection (2);

617 (b) Ceases to participate in the Florida Medicaid program;

618 or

619 (c) Has disciplinary action taken against his or her
620 license by the Board of Medicine for a violation of s. 458.331
621 or by the Board of Osteopathic Medicine for a violation of s.
622 459.015.

623 (5) The department shall adopt rules to implement the loan
624 program.

625 (6) Implementation of the loan program is subject to
626 legislative appropriation.

627 Section 15. Effective July 1, 2020, contingent upon SB __
628 or similar legislation taking effect on that same date after
629 being adopted in the same legislative session or an extension
630 thereof and becoming a law, present subsections (4) through (21)
631 of section 464.003, Florida Statutes, are redesignated as
632 subsections (5) through (22), respectively, and a new subsection
633 (4) is added to that section, to read:

634 464.003 Definitions.—As used in this part, the term:

635 (4) "Advanced practice registered nurse - independent
636 practitioner" or "APRN-IP" means an advanced practice registered

576-03918A-20

637 nurse who is registered under s. 464.0123 to provide primary
638 health care services without a protocol agreement or supervision
639 in primary care health professional shortage areas.

640 Section 16. Effective July 1, 2020, contingent upon SB __
641 or similar legislation taking effect on that same date after
642 being adopted in the same legislative session or an extension
643 thereof and becoming a law, section 464.0123, Florida Statutes,
644 is created to read:

645 464.0123 Patient Access to Primary Care Pilot Program.—

646 (1) PILOT PROGRAM.—The Patient Access to Primary Care Pilot
647 Program is created for the purpose of providing primary health
648 care services in primary care health professional shortage
649 areas. The department shall implement this program.

650 (2) DEFINITIONS.—As used in this section, the term:

651 (a) “Council” means the Council on Advanced Practice
652 Registered Nurse Independent Practice established in subsection
653 (3).

654 (b) “Physician” means a person licensed under chapter 458
655 to practice medicine or a person licensed under chapter 459 to
656 practice osteopathic medicine.

657 (c) “Primary care health professional shortage area” means
658 a geographic area, an area having a special population, or a
659 facility with a score of at least 18, as designated and
660 calculated by the Federal Health Resources and Services
661 Administration, and which is located in a rural area, as defined
662 by the Federal Office of Rural Health Policy.

663 (3) COUNCIL ON ADVANCED PRACTICE REGISTERED NURSE
664 INDEPENDENT PRACTICE.—

665 (a) The Council on Advanced Practice Registered Nurse

576-03918A-20

666 Independent Practice is created within the department.

667 (b) The council shall consist of nine members appointed as
668 follows by the rules of each applicable board:

669 1. The chair of the Board of Medicine shall appoint three
670 members who are physicians and members of the Board of Medicine.

671 2. The chair of the Board of Osteopathic Medicine shall
672 appoint three members who are physicians and members of the
673 Board of Osteopathic Medicine.

674 3. The chair of the Board of Nursing shall appoint three
675 advance practice registered nurses who have each completed at
676 least 10,000 hours of supervised practice over a period of at
677 least 5 years under a protocol with a supervising physician.

678 (c) The Board of Medicine members, the Board of Osteopathic
679 Medicine members, and the Board of Nursing appointee members
680 shall be appointed for terms of 4 years. The initial
681 appointments shall be staggered so that one member from the
682 Board of Medicine, one member from the Board of Osteopathic
683 Medicine, and one appointee member from the Board of Nursing
684 shall each be appointed for a term of 4 years; one member from
685 the Board of Medicine, one member from the Board of Osteopathic
686 Medicine, and one appointee member from the Board of Nursing
687 shall each be appointed for a term of 3 years; and one member
688 from the Board of Medicine, one member from the Board of
689 Osteopathic Medicine, and one appointee member from the Board of
690 Nursing shall each be appointed for a term of 2 years. Initial
691 physician members appointed to the council must be physicians
692 who have practiced with advanced practice registered nurses
693 under a protocol in their practice.

694 (d) Council members may not serve more than two consecutive

576-03918A-20

695 terms. The council shall annually elect a chair from among its
696 members.

697 (e) All recommendations made by the council must be made by
698 a majority of members present.

699 (f) The council shall:

700 1. Review applications for and recommend to the department
701 the registration of APRN-IPs.

702 2. Develop proposed rules regulating the practice of APRN-
703 IPs. The council shall also develop rules to ensure that the
704 continuity of practice of APRN-IPs is maintained in primary care
705 health professional shortage areas. The language of all proposed
706 rules submitted by the council must be approved by the boards
707 pursuant to each respective board's guidelines and standards
708 regarding the adoption of proposed rules. If either board
709 rejects the council's proposed rule, that board must specify its
710 objection to the council with particularity and include
711 recommendations for the modification of the proposed rule. The
712 Board of Medicine and the Board of Osteopathic Medicine shall
713 each adopt a proposed rule developed by the council at each
714 board's regularly scheduled meeting immediately following the
715 council's submission of the proposed rule. A proposed rule
716 submitted by the council may not be adopted by the boards unless
717 both boards have accepted and approved the identical language
718 contained in the proposed rule.

719 3. Make recommendations to the Board of Medicine regarding
720 all matters relating to APRN-IPs.

721 4. Address concerns and problems of APRN-IPs in order to
722 improve safety in the clinical practices of APRN-IPs.

723 (g) When the council finds that an applicant for licensure

576-03918A-20

724 has failed to meet, to the council's satisfaction, each of the
725 requirements for registration set forth in this section, the
726 council may enter an order to:

727 1. Refuse to register the applicant;

728 2. Approve the applicant for registration with restrictions
729 on the scope of practice or registration; or

730 3. Approve the applicant for limited registration with
731 conditions. Such conditions may include placement of the
732 registrant on probation for a period of time and subject to such
733 conditions as the council may specify, including, but not
734 limited to, requiring the registrant to undergo treatment, to
735 attend continuing education courses, to work under the direct
736 supervision of a physician licensed in this state, or to take
737 corrective action, as determined by the council.

738 (4) PRIMARY CARE CERTIFICATION EXAMINATION.-

739 (a) The department, in conjunction with one or more third-
740 party credentialing entities, shall develop a primary care
741 certification examination for advanced practice registered
742 nurses seeking registration with the Board of Medicine as APRN-
743 IPs. For purposes of this subsection, "third-party credentialing
744 entity" means a department-approved independent organization
745 that has met nationally recognized standards for developing and
746 administering professional certification examinations and
747 psychometric services.

748 (b) The department shall approve at least one third-party
749 credentialing entity for the purpose of developing and
750 administering a primary care competency-based certification
751 examination. A third-party credentialing entity shall request
752 approval in writing from the department on forms developed by

576-03918A-20

753 the department. Within 90 days after the deadline that is
754 established for receiving documentation from third-party
755 credentialing entities seeking approval, the department must
756 approve a third-party credentialing entity that demonstrates, to
757 the department's satisfaction, that it is capable of complying
758 with the requirements of this subsection. An approved third-
759 party credentialing entity must:

760 1. Maintain an advisory committee of at least six members,
761 including three representatives from the Board of Medicine and
762 three representatives from the Board of Osteopathic Medicine,
763 who shall each be appointed by the respective board chairs. The
764 third-party credentialing entity may appoint additional members
765 to the advisory committee with approval of the department.

766 2. Use the core competencies approved by the Board of
767 Medicine and the Board of Osteopathic Medicine to establish
768 certification standards, testing instruments, and
769 recertification standards according to national psychometric
770 standards.

771 3. Establish a process to administer the certification
772 application, testing, award, and maintenance processes according
773 to national psychometric standards.

774 4. Demonstrate the ability to administer biennial
775 continuing education and certification renewal requirements for
776 APRN-IPs.

777 5. Demonstrate the ability to administer an education
778 provider program to approve qualified training entities and to
779 provide precertification training to advanced practice
780 registered nurses and continuing education opportunities to
781 APRN-IPs.

576-03918A-20

782 (c) The Board of Medicine and the Board of Osteopathic
783 Medicine shall approve the core competencies and related
784 preservice curricula that ensure that each advanced practice
785 registered nurse registered as an APRN-IP who will be providing
786 primary medical care, treatment, and services to persons in
787 primary care health professional shortage areas has obtained the
788 knowledge, skills, and abilities to competently carry out
789 primary medical care, treatment, and services. The department
790 may contract for the delivery of preservice education or
791 training or any additional education or training for APRN-IPs to
792 provide primary medical care, treatment, and services to persons
793 in primary care health professional shortage areas if the
794 curriculum satisfies the boards' approved core competencies.

795 (d) The department may adopt rules necessary to implement
796 this subsection.

797 (5) REGISTRATION.—To be registered as an APRN-IP, an
798 advanced practice registered nurse must apply to the department
799 on forms developed by the department. The council shall review
800 the application and recommend to the department the registration
801 of the advanced practice registered nurse with the Board of
802 Medicine as an APRN-IP if the applicant submits proof that he or
803 she holds an unrestricted license issued under s. 464.012 and
804 provides all of the following information:

805 (a) Documentation of a passing score on the primary care
806 certification examination described in subsection (4).

807 (b) The name of each location at which the applicant has
808 practiced as an advanced practice registered nurse pursuant to
809 an established written protocol under the direct or indirect
810 supervision of a physician for 10,000 hours within the last 6

281464

576-03918A-20

811 years and the names and addresses of all supervising physicians
812 during that period.

813 (c) Any certification or designation that the applicant has
814 received from a specialty or certification board which is
815 recognized or approved by the Board of Nursing, the Board of
816 Medicine, the Board of Osteopathic Medicine, or the department.

817 (d) The calendar years in which the applicant:

818 1. Received his or her initial advanced practice registered
819 nurse certification, licensure, or registration;

820 2. Began practicing in any jurisdiction; and

821 3. Received initial advanced practice registered nurse
822 licensure in this state.

823 (e) The address at which the applicant will primarily
824 conduct his or her practice, if known.

825 (f) The name of each school or training program that the
826 applicant has attended, with the months and years of attendance
827 and the month and year of graduation, and a description of all
828 graduate professional education completed by the applicant,
829 excluding any coursework taken to satisfy continuing education
830 requirements.

831 (g) Any appointment to the faculty of a school related to
832 the profession which the applicant currently holds or has held
833 within the past 10 years and an indication as to whether the
834 applicant has been responsible for graduate education within the
835 past 10 years.

836 (h) A description of any criminal offense of which the
837 applicant has been found guilty, regardless of whether
838 adjudication of guilt was withheld, or to which the applicant
839 has pled guilty or nolo contendere. A criminal offense committed

281464

576-03918A-20

840 in another jurisdiction which would have been a felony or
841 misdemeanor if committed in this state must be reported. If the
842 applicant indicates to the department that a criminal offense is
843 under appeal and submits a copy of the notice for appeal of that
844 criminal offense, the department must state that the criminal
845 offense is under appeal if the criminal offense is reported in
846 the applicant's profile. If the applicant indicates to the
847 department that a criminal offense is under appeal, the
848 applicant must, within 15 days after the disposition of the
849 appeal, submit to the department a copy of the final written
850 order of disposition.

851 (i) A description of any disciplinary action as specified
852 in s. 456.077, s. 458.320, or s. 464.018 or any similar
853 disciplinary action in any other jurisdiction of the United
854 States by a licensing or regulatory body; by a specialty board
855 that is recognized by the Board of Nursing, the Board of
856 Medicine, the Board of Osteopathic Medicine, or the department;
857 or by a licensed hospital, health maintenance organization,
858 prepaid health clinic, ambulatory surgical center, or nursing
859 home. Disciplinary action includes resignation from or
860 nonrenewal of staff membership or the restriction of privileges
861 at a licensed hospital, health maintenance organization, prepaid
862 health clinic, ambulatory surgical center, or nursing home taken
863 in lieu of or in settlement of a pending disciplinary case
864 related to competence or character. If the applicant indicates
865 to the department that a disciplinary action is under appeal and
866 submits a copy of the document initiating an appeal of the
867 disciplinary action, the department must state that the
868 disciplinary action is under appeal if the disciplinary action

576-03918A-20

869 is reported in the applicant's profile. If the applicant
870 indicates to the department that a disciplinary action is under
871 appeal, the applicant must, within 15 days after the disposition
872 of the appeal, submit to the department a copy of the final
873 written order of disposition.

874 (j)1. Proof that he or she has obtained or will be
875 obtaining and will maintain professional liability insurance
876 coverage in an amount not less than \$100,000 per claim, with a
877 minimum annual aggregate of not less than \$300,000, from an
878 authorized insurer as defined in s. 624.09, from one of the
879 following:

880 a. An eligible surplus lines insurer as defined in s.
881 626.914(2);

882 b. A risk retention group as defined in s. 627.942, from
883 the Joint Underwriting Association established under s.
884 627.351(4); or

885 c. A plan of self-insurance as provided in s. 627.357; or

886 2. Proof that he or she has obtained and will be
887 maintaining an unexpired, irrevocable letter of credit,
888 established pursuant to chapter 675, in an amount of not less
889 than \$100,000 per claim, with a minimum aggregate availability
890 of credit of not less than \$300,000. The letter of credit must
891 be payable to the APRN-IP as beneficiary upon presentment of a
892 final judgment indicating liability and awarding damages to be
893 paid by the APRN-IP or upon presentment of a settlement
894 agreement signed by all parties to such agreement when such
895 final judgment or settlement is a result of a claim arising out
896 of the rendering of, or the failure to render, medical or
897 nursing care and services while practicing as an APRN-IP.

576-03918A-20

898 (k) Documentation of completion within the last 5 years of
899 three graduate-level semester hours, or the equivalent, in
900 differential diagnosis and three graduate-level semester hours,
901 or the equivalent, in pharmacology, and any additional
902 coursework as recommended by the council. Such hours may not be
903 continuing education courses.

904 (l) Any additional information that the council may require
905 from the applicant, as determined by the council.

906 (6) REGISTRATION RENEWAL.—An APRN-IP registration shall be
907 renewed biennially by applying to the department on forms
908 developed by the department. An APRN-IP seeking registration
909 renewal must provide documentation proving his or her completion
910 of a minimum of 40 continuing medical education hours. The
911 required continuing medical education hours must include 3 hours
912 on the safe and effective prescribing of controlled substances;
913 2 hours on human trafficking; 2 hours on the prevention of
914 medical errors; 2 hours on domestic violence; and 2 hours on
915 suicide prevention, which must address suicide risk assessment,
916 treatment, and management, if such topics are not required for
917 licensure under this part. Such continuing medical education
918 hours must be obtained in courses approved by the Board of
919 Medicine or the Board of Osteopathic Medicine and offered by a
920 statewide professional association of physicians or osteopathic
921 physicians in this state which is accredited to provide
922 educational activities designated for the American Medical
923 Association Physician's Recognition Award Category 1 Credit or
924 the American Osteopathic Category 1-A continuing medical
925 education credit as part of biennial license renewal.

926 (7) PRACTITIONER PROFILE.—Upon issuing a registration or a

281464

576-03918A-20

927 renewal of registration, the department shall update the
928 practitioner's profile, as described in s. 456.041, to reflect
929 that the advanced practice registered nurse is registered as an
930 APRN-IP.

931 (8) APRN-IP SCOPE OF PRACTICE.—An APRN-IP may provide
932 primary health care services without a protocol agreement or
933 supervision only in primary care health professional shortage
934 areas.

935 (a) An APRN-IP may not practice in a hospital licensed
936 under chapter 395 or in a facility licensed under chapter 400,
937 except under an established written protocol with a supervising
938 physician which is maintained at the hospital or facility.

939 (b) The council shall make recommendations to the Board of
940 Medicine and the Board of Osteopathic Medicine for rules to
941 establish the scope of practice for an APRN-IP. The first rule
942 recommendations of the council must be submitted to the Board of
943 Medicine and the Board of Osteopathic Medicine by December 1,
944 2020.

945 (c) The Board of Medicine and the Board of Osteopathic
946 Medicine shall adopt by rule the scope of practice for an APRN-
947 IP. Such rules must address, but are not limited to, all of the
948 following topics:

949 1. The scope of the medical care, treatment, and services
950 an APRN-IP may provide to patients.

951 2. Medical care, treatment, and services that are outside
952 the scope of the practice of an APRN-IP.

953 3. Patient populations to which an APRN-IP may provide
954 primary care, treatment, and services.

955 4. Patient populations to which an APRN-IP may not provide

281464

576-03918A-20

956 primary care, treatment, or services.

957 5. Patient populations that the APRN-IP must refer to a
958 physician.

959 6. Guidelines for prescribing controlled substances for the
960 treatment of chronic nonmalignant pain and acute pain, including
961 evaluation of the patient, creation and maintenance of a
962 treatment plan, obtaining informed consent and agreement for
963 treatment, periodic review of the treatment plan, consultation,
964 medical record review, and compliance with controlled substance
965 laws and regulations.

966 7. Referral relationships and protocols for the care and
967 treatment of patients during nonbusiness hours with another
968 APRN-IP or a physician who practices within 50 miles of the
969 APRN-IP's primary practice location.

970 8. Referral relationships and protocols with physician
971 specialists to provide care, treatment, and services to patients
972 with medical needs that are outside of the scope of practice for
973 the APRN-IP.

974 9. Referral relationships and protocols for the transfer
975 and admission of a patient to a hospital licensed under chapter
976 395 or a nursing home facility licensed under part II of chapter
977 400.

978 10. Information regarding the credentials of the APRN-IP
979 which must be disclosed to patients in a written informed
980 consent to care and treatment, including, but not limited to,
981 notification to the patient that the APRN-IP is not a physician
982 and may not be referred to as a "doctor" or a "physician" in a
983 medical setting.

984 11. Requirements relating to the APRN-IP practice's

576-03918A-20

985 recordkeeping, record retention, and availability of records for
986 inspection by the department.

987 12. Advertising restrictions and disclosure requirements
988 for APRN-IPs, including that the APRN-IP may not be referred to
989 as a "doctor" or a "physician" in a medical setting.

990 (9) REPORTS OF ADVERSE INCIDENTS BY APRN-IPs.-

991 (a) Any APRN-IP practicing in this state must notify the
992 department if he or she was involved in an adverse incident.

993 (b) The required notification to the department must be
994 submitted in writing by certified mail and postmarked within 15
995 days after the occurrence of the adverse incident.

996 (c) For purposes of notifying the department under this
997 section, the term "adverse incident" means an event over which
998 the APRN-IP could exercise control and which is associated in
999 whole or in part with a medical intervention, rather than the
1000 condition for which such intervention occurred, and which
1001 results in any of the following patient injuries:

1002 1. The death of a patient.

1003 2. Brain or spinal damage to a patient.

1004 3. The performance of medical care, treatment, or services
1005 on the wrong patient.

1006 4. The performance of contraindicated medical care,
1007 treatment, or services on a patient.

1008 5. Any condition that required the transfer of a patient
1009 from the APRN-IP's practice location to a hospital licensed
1010 under chapter 395.

1011 (d) The department shall review each incident and determine
1012 whether it potentially involved conduct by the APRN-IP which is
1013 grounds for disciplinary action, in which case s. 456.073

576-03918A-20

1014 applies. Disciplinary action, if any, shall be taken by the
1015 Board of Medicine or the Board of Nursing, depending on the
1016 conduct involved, as determined by the department.

1017 (e) The Board of Medicine shall adopt rules to implement
1018 this subsection.

1019 (10) INACTIVE AND DELINQUENT STATUS.-An APRN-IP
1020 registration that is in an inactive or delinquent status may be
1021 reactivated only as provided in s. 456.036.

1022 (11) CONSTRUCTION.-This section may not be construed to
1023 prevent third-party payors from reimbursing an APRN-IP for
1024 covered services rendered by the registered APRN-IP.

1025 (12) RULEMAKING.-By July 1, 2021, the department shall
1026 adopt rules to implement this section.

1027 (13) FUTURE REPEAL.-This section is repealed on July 1,
1028 2031, unless reviewed and saved from repeal through reenactment
1029 by the Legislature.

1030 Section 17. Effective July 1, 2020, contingent upon SB __
1031 or similar legislation taking effect on that same date after
1032 being adopted in the same legislative session or an extension
1033 thereof and becoming a law, present subsections (9) and (10) of
1034 section 464.015, Florida Statutes, are redesignated as
1035 subsections (10) and (11), respectively, a new subsection (9) is
1036 added to that section, and present subsection (9) of that
1037 section is amended, to read:

1038 464.015 Titles and abbreviations; restrictions; penalty.-

1039 (9) Only persons who hold valid registrations to practice
1040 as APRN-IPs in this state may use the title "Advanced Practice
1041 Registered Nurse - Independent Practitioner" and the
1042 abbreviation "A.P.R.N.-I.P." A health care practitioner or

576-03918A-20

1043 personnel within a health care facility may not refer to an
1044 APRN-IP as a "doctor" or a "physician" in a medical setting.

1045 (10)(9) A person may not practice or advertise as, or
1046 assume the title of, registered nurse, licensed practical nurse,
1047 clinical nurse specialist, certified registered nurse
1048 anesthetist, certified nurse midwife, certified nurse
1049 practitioner, ~~or~~ advanced practice registered nurse, or advanced
1050 practice registered nurse - independent practitioner; use the
1051 abbreviation "R.N.," "L.P.N.," "C.N.S.," "C.R.N.A.," "C.N.M.,"
1052 "C.N.P.," ~~or~~ "A.P.R.N.," or "A.P.R.N.-I.P."; or take any other
1053 action that would lead the public to believe that person was
1054 authorized by law to practice as such or is performing nursing
1055 services pursuant to the exception set forth in s. 464.022(8)
1056 unless that person is licensed, certified, or authorized
1057 pursuant to s. 464.0095 to practice as such.

1058 (11)(10) A violation of this section is a misdemeanor of
1059 the first degree, punishable as provided in s. 775.082 or s.
1060 775.083.

1061 Section 18. Effective July 1, 2020, contingent upon SB __
1062 or similar legislation taking effect on that same date after
1063 being adopted in the same legislative session or an extension
1064 thereof and becoming a law, paragraph (r) is added to subsection
1065 (1) of section 464.018, Florida Statutes, to read:

1066 464.018 Disciplinary actions.—

1067 (1) The following acts constitute grounds for denial of a
1068 license or disciplinary action, as specified in ss. 456.072(2)
1069 and 464.0095:

1070 (r) For an APRN-IP registered under s. 464.0123, in
1071 addition to the grounds for discipline set forth in paragraph

576-03918A-20

1072 (p) and in s. 456.072(1), any of the following are grounds for
1073 discipline:

1074 1. Paying or receiving any commission, bonus, kickback, or
1075 rebate from, or engaging in any split-fee arrangement in any
1076 form whatsoever with, a health care practitioner, an
1077 organization, an agency, or a person, either directly or
1078 implicitly, for referring patients to providers of health care
1079 goods or services, including, but not limited to, hospitals,
1080 nursing homes, clinical laboratories, ambulatory surgical
1081 centers, or pharmacies. This subparagraph may not be construed
1082 to prevent an APRN-IP from receiving a fee for professional
1083 consultation services.

1084 2. Exercising influence within a patient's relationship
1085 with an APRN-IP for purposes of engaging a patient in sexual
1086 activity. A patient shall be presumed to be incapable of giving
1087 free, full, and informed consent to sexual activity with his or
1088 her APRN-IP.

1089 3. Making deceptive, untrue, or fraudulent representations,
1090 or employing a trick or scheme, in or related to advanced
1091 practice registered nurse independent practice.

1092 4. Soliciting patients, either personally or through an
1093 agent, by the use of fraud, intimidation, undue influence, or a
1094 form of overreaching or vexatious conduct. As used in this
1095 subparagraph, the term "soliciting" means directly or implicitly
1096 requesting an immediate oral response from the recipient.

1097 5. Failing to keep legible medical records, as defined by
1098 rules of the Board of Medicine and the Board of Osteopathic
1099 Medicine, that identify the APRN-IP, by name and professional
1100 title, who is responsible for rendering, ordering, supervising,

576-03918A-20

1101 or billing for the patient's medically necessary care,
1102 treatment, services, diagnostic tests, or treatment procedures;
1103 and the medical justification for the patient's course of care
1104 and treatment, including, but not limited to, patient histories,
1105 examination results, and test results; drugs prescribed,
1106 dispensed, or administered; and reports of consultations or
1107 referrals.

1108 6. Exercising influence on a patient to exploit the patient
1109 for the financial gain of the APRN-IP or a third party,
1110 including, but not limited to, the promoting or selling of
1111 services, goods, appliances, or drugs.

1112 7. Performing professional services that have not been duly
1113 authorized by the patient or his or her legal representative,
1114 except as provided in s. 766.103 or s. 768.13.

1115 8. Performing any procedure or prescribing any medication
1116 or therapy that would constitute experimentation on a human
1117 subject.

1118 9. Delegating professional responsibilities to a person
1119 when the APRN-IP knows, or has reason to believe, that such
1120 person is not qualified by education, training, experience, or
1121 licensure to perform such responsibilities.

1122 10. Committing, or conspiring with another to commit, an
1123 act that would coerce, intimidate, or preclude another APRN-IP
1124 from lawfully advertising his or her services.

1125 11. Advertising or holding himself or herself out as having
1126 a certification in a specialty which he or she has not received.

1127 12. Failing to comply with the requirements of ss. 381.026
1128 and 381.0261 related to providing patients with information
1129 about their rights and how to file a complaint.

576-03918A-20

1130 13. Providing deceptive or fraudulent expert witness
1131 testimony related to advanced practice registered nurse
1132 independent practice.

1133 Section 19. Effective July 1, 2020, contingent upon SB __
1134 or similar legislation taking effect on that same date after
1135 being adopted in the same legislative session or an extension
1136 thereof and becoming a law, paragraph (c) of subsection (2) of
1137 section 381.026, Florida Statutes, is amended to read:

1138 381.026 Florida Patient's Bill of Rights and
1139 Responsibilities.—

1140 (2) DEFINITIONS.—As used in this section and s. 381.0261,
1141 the term:

1142 (c) "Health care provider" means a physician licensed under
1143 chapter 458, an osteopathic physician licensed under chapter
1144 459, ~~or~~ a podiatric physician licensed under chapter 461, or an
1145 APRN-IP registered under s. 464.0123.

1146 Section 20. Effective July 1, 2020, contingent upon SB __
1147 or similar legislation taking effect on that same date after
1148 being adopted in the same legislative session or an extension
1149 thereof and becoming a law, paragraph (a) of subsection (2) and
1150 subsections (3), (4), and (5) of section 382.008, Florida
1151 Statutes, are amended to read:

1152 382.008 Death, fetal death, and nonviable birth
1153 registration.—

1154 (2) (a) The funeral director who first assumes custody of a
1155 dead body or fetus shall file the certificate of death or fetal
1156 death. In the absence of the funeral director, the physician,
1157 APRN-IP registered under s. 464.0123, or other person in
1158 attendance at or after the death or the district medical

281464

576-03918A-20

1159 examiner of the county in which the death occurred or the body
1160 was found shall file the certificate of death or fetal death.
1161 The person who files the certificate shall obtain personal data
1162 from a legally authorized person as described in s. 497.005 or
1163 the best qualified person or source available. The medical
1164 certification of cause of death shall be furnished to the
1165 funeral director, either in person or via certified mail or
1166 electronic transfer, by the physician, APRN-IP registered under
1167 s. 464.0123, or medical examiner responsible for furnishing such
1168 information. For fetal deaths, the physician, APRN-IP registered
1169 under s. 464.0123, midwife, or hospital administrator shall
1170 provide any medical or health information to the funeral
1171 director within 72 hours after expulsion or extraction.

1172 (3) Within 72 hours after receipt of a death or fetal death
1173 certificate from the funeral director, the medical certification
1174 of cause of death shall be completed and made available to the
1175 funeral director by the decedent's primary or attending
1176 practitioner ~~physician~~ or, if s. 382.011 applies, the district
1177 medical examiner of the county in which the death occurred or
1178 the body was found. The primary or attending practitioner
1179 ~~physician~~ or the medical examiner shall certify over his or her
1180 signature the cause of death to the best of his or her knowledge
1181 and belief. As used in this section, the term "primary or
1182 attending practitioner ~~physician~~" means a physician or an APRN-
1183 IP registered under s. 464.0123 who treated the decedent through
1184 examination, medical advice, or medication during the 12 months
1185 preceding the date of death.

1186 (a) The department may grant the funeral director an
1187 extension of time upon a good and sufficient showing of any of

281464

576-03918A-20

1188 the following conditions:

1189 1. An autopsy is pending.

1190 2. Toxicology, laboratory, or other diagnostic reports have
1191 not been completed.

1192 3. The identity of the decedent is unknown and further
1193 investigation or identification is required.

1194 (b) If the decedent's primary or attending practitioner
1195 ~~physician~~ or the district medical examiner of the county in
1196 which the death occurred or the body was found indicates that he
1197 or she will sign and complete the medical certification of cause
1198 of death but will not be available until after the 5-day
1199 registration deadline, the local registrar may grant an
1200 extension of 5 days. If a further extension is required, the
1201 funeral director must provide written justification to the
1202 registrar.

1203 (4) If the department or local registrar grants an
1204 extension of time to provide the medical certification of cause
1205 of death, the funeral director shall file a temporary
1206 certificate of death or fetal death which shall contain all
1207 available information, including the fact that the cause of
1208 death is pending. The decedent's primary or attending
1209 practitioner ~~physician~~ or the district medical examiner of the
1210 county in which the death occurred or the body was found shall
1211 provide an estimated date for completion of the permanent
1212 certificate.

1213 (5) A permanent certificate of death or fetal death,
1214 containing the cause of death and any other information that was
1215 previously unavailable, shall be registered as a replacement for
1216 the temporary certificate. The permanent certificate may also

281464

576-03918A-20

1217 include corrected information if the items being corrected are
1218 noted on the back of the certificate and dated and signed by the
1219 funeral director, physician, APRN-IP registered under s.
1220 464.0123, or district medical examiner of the county in which
1221 the death occurred or the body was found, as appropriate.

1222 Section 21. Effective July 1, 2020, contingent upon SB __
1223 or similar legislation taking effect on that same date after
1224 being adopted in the same legislative session or an extension
1225 thereof and becoming a law, subsection (1) of section 382.011,
1226 Florida Statutes, is amended to read:

1227 382.011 Medical examiner determination of cause of death.-

1228 (1) In the case of any death or fetal death due to causes
1229 or conditions listed in s. 406.11, any death that occurred more
1230 than 12 months after the decedent was last treated by a primary
1231 or attending physician or an APRN-IP registered under s.
1232 464.0123 ~~as defined in s. 382.008(3)~~, or any death for which
1233 there is reason to believe that the death may have been due to
1234 an unlawful act or neglect, the funeral director or other person
1235 to whose attention the death may come shall refer the case to
1236 the district medical examiner of the county in which the death
1237 occurred or the body was found for investigation and
1238 determination of the cause of death.

1239 Section 22. Effective July 1, 2020, contingent upon SB __
1240 or similar legislation taking effect on that same date after
1241 being adopted in the same legislative session or an extension
1242 thereof and becoming a law, paragraphs (a) and (f) of subsection
1243 (2) of section 394.463, Florida Statutes, are amended to read:

1244 394.463 Involuntary examination.-

1245 (2) INVOLUNTARY EXAMINATION.-

281464

576-03918A-20

1246 (a) An involuntary examination may be initiated by any one
1247 of the following means:

1248 1. A circuit or county court may enter an ex parte order
1249 stating that a person appears to meet the criteria for
1250 involuntary examination and specifying the findings on which
1251 that conclusion is based. The ex parte order for involuntary
1252 examination must be based on written or oral sworn testimony
1253 that includes specific facts that support the findings. If other
1254 less restrictive means are not available, such as voluntary
1255 appearance for outpatient evaluation, a law enforcement officer,
1256 or other designated agent of the court, shall take the person
1257 into custody and deliver him or her to an appropriate, or the
1258 nearest, facility within the designated receiving system
1259 pursuant to s. 394.462 for involuntary examination. The order of
1260 the court shall be made a part of the patient's clinical record.
1261 A fee may not be charged for the filing of an order under this
1262 subsection. A facility accepting the patient based on this order
1263 must send a copy of the order to the department within 5 working
1264 days. The order may be submitted electronically through existing
1265 data systems, if available. The order shall be valid only until
1266 the person is delivered to the facility or for the period
1267 specified in the order itself, whichever comes first. If ~~a~~ ~~no~~
1268 time limit is not specified in the order, the order ~~is shall be~~
1269 valid for 7 days after the date that the order was signed.

1270 2. A law enforcement officer shall take a person who
1271 appears to meet the criteria for involuntary examination into
1272 custody and deliver the person or have him or her delivered to
1273 an appropriate, or the nearest, facility within the designated
1274 receiving system pursuant to s. 394.462 for examination. The

281464

576-03918A-20

1275 officer shall execute a written report detailing the
1276 circumstances under which the person was taken into custody,
1277 which must be made a part of the patient's clinical record. Any
1278 facility accepting the patient based on this report must send a
1279 copy of the report to the department within 5 working days.
1280 3. A physician, a clinical psychologist, a psychiatric
1281 nurse, an APRN-IP registered under s. 464.0123, a mental health
1282 counselor, a marriage and family therapist, or a clinical social
1283 worker may execute a certificate stating that he or she has
1284 examined a person within the preceding 48 hours and finds that
1285 the person appears to meet the criteria for involuntary
1286 examination and stating the observations upon which that
1287 conclusion is based. If other less restrictive means, such as
1288 voluntary appearance for outpatient evaluation, are not
1289 available, a law enforcement officer shall take into custody the
1290 person named in the certificate and deliver him or her to the
1291 appropriate, or nearest, facility within the designated
1292 receiving system pursuant to s. 394.462 for involuntary
1293 examination. The law enforcement officer shall execute a written
1294 report detailing the circumstances under which the person was
1295 taken into custody. The report and certificate shall be made a
1296 part of the patient's clinical record. Any facility accepting
1297 the patient based on this certificate must send a copy of the
1298 certificate to the department within 5 working days. The
1299 document may be submitted electronically through existing data
1300 systems, if applicable.
1301
1302 When sending the order, report, or certificate to the
1303 department, a facility shall, at a minimum, provide information

281464

576-03918A-20

1304 about which action was taken regarding the patient under
1305 paragraph (g), which information shall also be made a part of
1306 the patient's clinical record.
1307 (f) A patient shall be examined by a physician, an APRN-IP
1308 registered under s. 464.0123, or a clinical psychologist, or by
1309 a psychiatric nurse performing within the framework of an
1310 established protocol with a psychiatrist, at a facility without
1311 unnecessary delay to determine if the criteria for involuntary
1312 services are met. Emergency treatment may be provided upon the
1313 order of a physician if the physician determines that such
1314 treatment is necessary for the safety of the patient or others.
1315 The patient may not be released by the receiving facility or its
1316 contractor without the documented approval of a psychiatrist or
1317 a clinical psychologist or, if the receiving facility is owned
1318 or operated by a hospital or health system, the release may also
1319 be approved by a psychiatric nurse performing within the
1320 framework of an established protocol with a psychiatrist, or an
1321 attending emergency department physician with experience in the
1322 diagnosis and treatment of mental illness after completion of an
1323 involuntary examination pursuant to this subsection. A
1324 psychiatric nurse may not approve the release of a patient if
1325 the involuntary examination was initiated by a psychiatrist
1326 unless the release is approved by the initiating psychiatrist.
1327 Section 23. Effective July 1, 2020, contingent upon SB __
1328 or similar legislation taking effect on that same date after
1329 being adopted in the same legislative session or an extension
1330 thereof and becoming a law, paragraph (a) of subsection (2) of
1331 section 397.501, Florida Statutes, is amended to read:
1332 397.501 Rights of individuals.—Individuals receiving

281464

576-03918A-20

1333 substance abuse services from any service provider are
1334 guaranteed protection of the rights specified in this section,
1335 unless otherwise expressly provided, and service providers must
1336 ensure the protection of such rights.

1337 (2) RIGHT TO NONDISCRIMINATORY SERVICES.—

1338 (a) Service providers may not deny an individual access to
1339 substance abuse services solely on the basis of race, gender,
1340 ethnicity, age, sexual preference, human immunodeficiency virus
1341 status, prior service departures against medical advice,
1342 disability, or number of relapse episodes. Service providers may
1343 not deny an individual who takes medication prescribed by a
1344 physician or an APRN-IP registered under s. 464.0123 access to
1345 substance abuse services solely on that basis. Service providers
1346 who receive state funds to provide substance abuse services may
1347 not, if space and sufficient state resources are available, deny
1348 access to services based solely on inability to pay.

1349 Section 24. Effective July 1, 2020, contingent upon SB __
1350 or similar legislation taking effect on that same date after
1351 being adopted in the same legislative session or an extension
1352 thereof and becoming a law, paragraphs (i), (o), and (r) of
1353 subsection (3) and paragraph (g) of subsection (5) of section
1354 456.053, Florida Statutes, are amended to read:

1355 456.053 Financial arrangements between referring health
1356 care providers and providers of health care services.—

1357 (3) DEFINITIONS.—For the purpose of this section, the word,
1358 phrase, or term:

1359 (i) "Health care provider" means a ~~any~~ physician licensed
1360 under chapter 458, chapter 459, chapter 460, or chapter 461; an
1361 APRN-IP registered under s. 464.0123; ~~r~~ or any health care

281464

576-03918A-20

1362 provider licensed under chapter 463 or chapter 466.

1363 (o) 1. "Referral" means any referral of a patient by a
1364 health care provider for health care services, including,
1365 without limitation:

1366 a.1. The forwarding of a patient by a health care provider
1367 to another health care provider or to an entity which provides
1368 or supplies designated health services or any other health care
1369 item or service; or

1370 b.2. The request or establishment of a plan of care by a
1371 health care provider, which includes the provision of designated
1372 health services or other health care item or service.

1373 2.3. The following orders, recommendations, or plans of
1374 care do not ~~shall not~~ constitute a referral by a health care
1375 provider:

1376 a. By a radiologist for diagnostic-imaging services.

1377 b. By a physician specializing in the provision of
1378 radiation therapy services for such services.

1379 c. By a medical oncologist for drugs and solutions to be
1380 prepared and administered intravenously to such oncologist's
1381 patient, as well as for the supplies and equipment used in
1382 connection therewith to treat such patient for cancer and the
1383 complications thereof.

1384 d. By a cardiologist for cardiac catheterization services.

1385 e. By a pathologist for diagnostic clinical laboratory
1386 tests and pathological examination services, if furnished by or
1387 under the supervision of such pathologist pursuant to a
1388 consultation requested by another physician.

1389 f. By a health care provider who is the sole provider or
1390 member of a group practice for designated health services or

281464

576-03918A-20

1391 other health care items or services that are prescribed or
1392 provided solely for such referring health care provider's or
1393 group practice's own patients, and that are provided or
1394 performed by or under the direct supervision of such referring
1395 health care provider or group practice; provided, however, ~~that~~
1396 ~~effective July 1, 1999, a health care provider physician~~
1397 ~~licensed pursuant to chapter 458, chapter 459, chapter 460, or~~
1398 ~~chapter 461~~ may refer a patient to a sole provider or group
1399 practice for diagnostic imaging services, excluding radiation
1400 therapy services, for which the sole provider or group practice
1401 billed both the technical and the professional fee for or on
1402 behalf of the patient, if the referring health care provider
1403 does not have an physician has no investment interest in the
1404 practice. The diagnostic imaging service referred to a group
1405 practice or sole provider must be a diagnostic imaging service
1406 normally provided within the scope of practice to the patients
1407 of the group practice or sole provider. The group practice or
1408 sole provider may accept no more than 15 percent of their
1409 patients receiving diagnostic imaging services from outside
1410 referrals, excluding radiation therapy services.

1411 g. By a health care provider for services provided by an
1412 ambulatory surgical center licensed under chapter 395.

1413 h. By a urologist for lithotripsy services.

1414 i. By a dentist for dental services performed by an
1415 employee of or health care provider who is an independent
1416 contractor with the dentist or group practice of which the
1417 dentist is a member.

1418 j. By a physician for infusion therapy services to a
1419 patient of that physician or a member of that physician's group

281464

576-03918A-20

1420 practice.

1421 k. By a nephrologist for renal dialysis services and
1422 supplies, except laboratory services.

1423 l. By a health care provider whose principal professional
1424 practice consists of treating patients in their private
1425 residences for services to be rendered in such private
1426 residences, except for services rendered by a home health agency
1427 licensed under chapter 400. For purposes of this sub-
1428 subparagraph, the term "private residences" includes patients'
1429 private homes, independent living centers, and assisted living
1430 facilities, but does not include skilled nursing facilities.

1431 m. By a health care provider for sleep-related testing.

1432 (r) "Sole provider" means one health care provider licensed
1433 under chapter 458, chapter 459, chapter 460, or chapter 461, or
1434 registered under s. 464.0123, who maintains a separate medical
1435 office and a medical practice separate from any other health
1436 care provider and who bills for his or her services separately
1437 from the services provided by any other health care provider. A
1438 sole provider may not shall not share overhead expenses or
1439 professional income with any other person or group practice.

1440 (5) PROHIBITED REFERRALS AND CLAIMS FOR PAYMENT.—Except as
1441 provided in this section:

1442 (g) A violation of this section by a health care provider
1443 shall constitute grounds for disciplinary action to be taken by
1444 the applicable board pursuant to s. 458.331(2), s. 459.015(2),
1445 s. 460.413(2), s. 461.013(2), s. 463.016(2), s. 464.018, or s.
1446 466.028(2). Any hospital licensed under chapter 395 found in
1447 violation of this section shall be subject to s. 395.0185(2).

1448 Section 25. Effective July 1, 2020, contingent upon SB __

281464

576-03918A-20

1449 or similar legislation taking effect on that same date after
1450 being adopted in the same legislative session or an extension
1451 thereof and becoming a law, subsection (1) of section 626.9707,
1452 Florida Statutes, is amended to read:

1453 626.9707 Disability insurance; discrimination on basis of
1454 sickle-cell trait prohibited.-

1455 (1) ~~An~~ ~~no~~ insurer authorized to transact insurance in this
1456 state ~~may not shall~~ refuse to issue and deliver in this state
1457 any policy of disability insurance, whether such policy is
1458 defined as individual, group, blanket, franchise, industrial, or
1459 otherwise, which is currently being issued for delivery in this
1460 state and which affords benefits and coverage for any medical
1461 treatment or service authorized and permitted to be furnished by
1462 a hospital, a clinic, a health clinic, a neighborhood health
1463 clinic, a health maintenance organization, a physician, a
1464 physician's assistant, an advanced practice registered nurse, an
1465 APRN-IP registered under s. 464.0123 practitioner, or a medical
1466 service facility or personnel solely because the person to be
1467 insured has the sickle-cell trait.

1468 Section 26. Effective July 1, 2020, contingent upon SB __
1469 or similar legislation taking effect on that same date after
1470 being adopted in the same legislative session or an extension
1471 thereof and becoming a law, section 627.64025, Florida Statutes,
1472 is created to read:

1473 627.64025 APRN-IP services.-A health insurance policy that
1474 provides major medical coverage and that is delivered, issued,
1475 or renewed in this state on or after January 1, 2021, may not
1476 require an insured to receive services from an APRN-IP
1477 registered under s. 464.0123 or an advanced practice registered

281464

576-03918A-20

1478 nurse under the supervision of a physician in place of a primary
1479 care physician.

1480 Section 27. Effective July 1, 2020, contingent upon SB __
1481 or similar legislation taking effect on that same date after
1482 being adopted in the same legislative session or an extension
1483 thereof and becoming a law, section 627.6621, Florida Statutes,
1484 is created to read:

1485 627.6621 APRN-IP services.-A group, blanket, or franchise
1486 health insurance policy that is delivered, issued, or renewed in
1487 this state on or after January 1, 2021, may not require an
1488 insured to receive services from an APRN-IP registered under s.
1489 464.0123 or an advanced practice registered nurse under the
1490 supervision of a physician in place of a primary care physician.

1491 Section 28. Effective July 1, 2020, contingent upon SB __
1492 or similar legislation taking effect on that same date after
1493 being adopted in the same legislative session or an extension
1494 thereof and becoming a law, paragraph (g) is added to subsection
1495 (5) of section 627.6699, Florida Statutes, to read:

1496 627.6699 Employee Health Care Access Act.-

1497 (5) AVAILABILITY OF COVERAGE.-

1498 (g) A health benefit plan covering small employers which is
1499 delivered, issued, or renewed in this state on or after January
1500 1, 2021, may not require an insured to receive services from an
1501 APRN-IP registered under s. 464.0123 or an advanced practice
1502 registered nurse under the supervision of a physician in place
1503 of a primary care physician.

1504 Section 29. Effective July 1, 2020, contingent upon SB __
1505 or similar legislation taking effect on that same date after
1506 being adopted in the same legislative session or an extension

576-03918A-20

1507 thereof and becoming a law, paragraph (a) of subsection (1) of
1508 section 627.736, Florida Statutes, is amended to read:

1509 627.736 Required personal injury protection benefits;
1510 exclusions; priority; claims.—

1511 (1) REQUIRED BENEFITS.—An insurance policy complying with
1512 the security requirements of s. 627.733 must provide personal
1513 injury protection to the named insured, relatives residing in
1514 the same household, persons operating the insured motor vehicle,
1515 passengers in the motor vehicle, and other persons struck by the
1516 motor vehicle and suffering bodily injury while not an occupant
1517 of a self-propelled vehicle, subject to subsection (2) and
1518 paragraph (4) (e), to a limit of \$10,000 in medical and
1519 disability benefits and \$5,000 in death benefits resulting from
1520 bodily injury, sickness, disease, or death arising out of the
1521 ownership, maintenance, or use of a motor vehicle as follows:

1522 (a) *Medical benefits.*—Eighty percent of all reasonable
1523 expenses for medically necessary medical, surgical, X-ray,
1524 dental, and rehabilitative services, including prosthetic
1525 devices and medically necessary ambulance, hospital, and nursing
1526 services if the individual receives initial services and care
1527 pursuant to subparagraph 1. within 14 days after the motor
1528 vehicle accident. The medical benefits provide reimbursement
1529 only for:

1530 1. Initial services and care that are lawfully provided,
1531 supervised, ordered, or prescribed by a physician licensed under
1532 chapter 458 or chapter 459, a dentist licensed under chapter
1533 466, ~~or~~ a chiropractic physician licensed under chapter 460, or
1534 an APRN-IP registered under s. 464.0123 or that are provided in
1535 a hospital or in a facility that owns, or is wholly owned by, a

576-03918A-20

1536 hospital. Initial services and care may also be provided by a
1537 person or entity licensed under part III of chapter 401 which
1538 provides emergency transportation and treatment.

1539 2. Upon referral by a provider described in subparagraph
1540 1., followup services and care consistent with the underlying
1541 medical diagnosis rendered pursuant to subparagraph 1. which may
1542 be provided, supervised, ordered, or prescribed only by a
1543 physician licensed under chapter 458 or chapter 459, a
1544 chiropractic physician licensed under chapter 460, a dentist
1545 licensed under chapter 466, or an APRN-IP registered under s.
1546 464.0123 or, to the extent permitted by applicable law and under
1547 the supervision of such physician, osteopathic physician,
1548 chiropractic physician, or dentist, by a physician assistant
1549 licensed under chapter 458 or chapter 459 or an advanced
1550 practice registered nurse licensed under chapter 464. Followup
1551 services and care may also be provided by the following persons
1552 or entities:

1553 a. A hospital or ambulatory surgical center licensed under
1554 chapter 395.

1555 b. An entity wholly owned by one or more physicians
1556 licensed under chapter 458 or chapter 459, chiropractic
1557 physicians licensed under chapter 460, APRN-IPs registered under
1558 s. 464.0123, or dentists licensed under chapter 466 or by such
1559 practitioners and the spouse, parent, child, or sibling of such
1560 practitioners.

1561 c. An entity that owns or is wholly owned, directly or
1562 indirectly, by a hospital or hospitals.

1563 d. A physical therapist licensed under chapter 486, based
1564 upon a referral by a provider described in this subparagraph.

281464

576-03918A-20

1565 e. A health care clinic licensed under part X of chapter
1566 400 which is accredited by an accrediting organization whose
1567 standards incorporate comparable regulations required by this
1568 state, or
1569 (I) Has a medical director licensed under chapter 458,
1570 chapter 459, or chapter 460;
1571 (II) Has been continuously licensed for more than 3 years
1572 or is a publicly traded corporation that issues securities
1573 traded on an exchange registered with the United States
1574 Securities and Exchange Commission as a national securities
1575 exchange; and
1576 (III) Provides at least four of the following medical
1577 specialties:
1578 (A) General medicine.
1579 (B) Radiography.
1580 (C) Orthopedic medicine.
1581 (D) Physical medicine.
1582 (E) Physical therapy.
1583 (F) Physical rehabilitation.
1584 (G) Prescribing or dispensing outpatient prescription
1585 medication.
1586 (H) Laboratory services.
1587 3. Reimbursement for services and care provided in
1588 subparagraph 1. or subparagraph 2. up to \$10,000 if a physician
1589 licensed under chapter 458 or chapter 459, a dentist licensed
1590 under chapter 466, a physician assistant licensed under chapter
1591 458 or chapter 459, ~~or~~ an advanced practice registered nurse
1592 licensed under chapter 464, or an APRN-IP registered under s.
1593 464.0123 has determined that the injured person had an emergency

281464

576-03918A-20

1594 medical condition.
1595 4. Reimbursement for services and care provided in
1596 subparagraph 1. or subparagraph 2. is limited to \$2,500 if a
1597 provider listed in subparagraph 1. or subparagraph 2. determines
1598 that the injured person did not have an emergency medical
1599 condition.
1600 5. Medical benefits do not include massage as defined in s.
1601 480.033 or acupuncture as defined in s. 457.102, regardless of
1602 the person, entity, or licensee providing massage or
1603 acupuncture, and a licensed massage therapist or licensed
1604 acupuncturist may not be reimbursed for medical benefits under
1605 this section.
1606 6. The Financial Services Commission shall adopt by rule
1607 the form that must be used by an insurer and a health care
1608 provider specified in sub-subparagraph 2.b., sub-subparagraph
1609 2.c., or sub-subparagraph 2.e. to document that the health care
1610 provider meets the criteria of this paragraph. Such rule must
1611 include a requirement for a sworn statement or affidavit.
1612
1613 Only insurers writing motor vehicle liability insurance in this
1614 state may provide the required benefits of this section, and
1615 such insurer may not require the purchase of any other motor
1616 vehicle coverage other than the purchase of property damage
1617 liability coverage as required by s. 627.7275 as a condition for
1618 providing such benefits. Insurers may not require that property
1619 damage liability insurance in an amount greater than \$10,000 be
1620 purchased in conjunction with personal injury protection. Such
1621 insurers shall make benefits and required property damage
1622 liability insurance coverage available through normal marketing

281464

576-03918A-20

1623 channels. An insurer writing motor vehicle liability insurance
1624 in this state who fails to comply with such availability
1625 requirement as a general business practice violates part IX of
1626 chapter 626, and such violation constitutes an unfair method of
1627 competition or an unfair or deceptive act or practice involving
1628 the business of insurance. An insurer committing such violation
1629 is subject to the penalties provided under that part, as well as
1630 those provided elsewhere in the insurance code.

1631 Section 30. Effective July 1, 2020, contingent upon SB __
1632 or similar legislation taking effect on that same date after
1633 being adopted in the same legislative session or an extension
1634 thereof and becoming a law, subsection (5) of section 633.412,
1635 Florida Statutes, is amended to read:

1636 633.412 Firefighters; qualifications for certification.—A
1637 person applying for certification as a firefighter must:

1638 (5) Be in good physical condition as determined by a
1639 medical examination given by a physician, surgeon, or physician
1640 assistant licensed under to practice in the state pursuant to
1641 chapter 458; an osteopathic physician, a surgeon, or a physician
1642 assistant licensed under to practice in the state pursuant to
1643 chapter 459; or an advanced practice registered nurse licensed
1644 under to practice in the state pursuant to chapter 464; or an
1645 APRN-IP registered under s. 464.0123. Such examination may
1646 include, but need not be limited to, the National Fire
1647 Protection Association Standard 1582. A medical examination
1648 evidencing good physical condition shall be submitted to the
1649 division, on a form as provided by rule, before an individual is
1650 eligible for admission into a course under s. 633.408.

1651 Section 31. Effective July 1, 2020, contingent upon SB __

281464

576-03918A-20

1652 or similar legislation taking effect on that same date after
1653 being adopted in the same legislative session or an extension
1654 thereof and becoming a law, section 641.31075, Florida Statutes,
1655 is created to read:

1656 641.31075 APRN-IP services.—A health maintenance contract
1657 that is delivered, issued, or renewed in this state on or after
1658 January 1, 2021, may not require a subscriber to receive
1659 services from an APRN-IP registered under s. 464.0123 in place
1660 of a primary care physician or an advanced practice registered
1661 nurse under the supervision of a physician.

1662 Section 32. Effective July 1, 2020, contingent upon SB __
1663 or similar legislation taking effect on that same date after
1664 being adopted in the same legislative session or an extension
1665 thereof and becoming a law, subsection (8) of section 641.495,
1666 Florida Statutes, is amended to read:

1667 641.495 Requirements for issuance and maintenance of
1668 certificate.—

1669 (8) Each organization's contracts, certificates, and
1670 subscriber handbooks shall contain a provision, if applicable,
1671 disclosing that, for certain types of described medical
1672 procedures, services may be provided by physician assistants,
1673 advanced practice registered nurses, APRN-IPs registered under
1674 s. 464.0123 nurse practitioners, or other individuals who are
1675 not licensed physicians.

1676 Section 33. Effective July 1, 2020, contingent upon SB __
1677 or similar legislation taking effect on that same date after
1678 being adopted in the same legislative session or an extension
1679 thereof and becoming a law, paragraph (b) of subsection (1) of
1680 section 744.3675, Florida Statutes, is amended to read:

576-03918A-20

1681 744.3675 Annual guardianship plan.—Each guardian of the
1682 person must file with the court an annual guardianship plan
1683 which updates information about the condition of the ward. The
1684 annual plan must specify the current needs of the ward and how
1685 those needs are proposed to be met in the coming year.

1686 (1) Each plan for an adult ward must, if applicable,
1687 include:

1688 (b) Information concerning the medical and mental health
1689 conditions and treatment and rehabilitation needs of the ward,
1690 including:

1691 1. A resume of any professional medical treatment given to
1692 the ward during the preceding year.

1693 2. The report of a physician or an APRN-IP registered under
1694 s. 464.0123 who examined the ward no more than 90 days before
1695 the beginning of the applicable reporting period. The report
1696 must contain an evaluation of the ward's condition and a
1697 statement of the current level of capacity of the ward.

1698 3. The plan for providing medical, mental health, and
1699 rehabilitative services in the coming year.

1700 Section 34. Effective July 1, 2020, contingent upon SB __
1701 or similar legislation taking effect on that same date after
1702 being adopted in the same legislative session or an extension
1703 thereof and becoming a law, paragraph (c) of subsection (1) of
1704 section 766.118, Florida Statutes, is amended to read:

1705 766.118 Determination of noneconomic damages.—

1706 (1) DEFINITIONS.—As used in this section, the term:

1707 (c) "Practitioner" means any person licensed or registered
1708 under chapter 458, chapter 459, chapter 460, chapter 461,
1709 chapter 462, chapter 463, chapter 466, chapter 467, chapter 486,

576-03918A-20

1710 ~~or~~ s. 464.012, or s. 464.0123. "Practitioner" also means any
1711 association, corporation, firm, partnership, or other business
1712 entity under which such practitioner practices or any employee
1713 of such practitioner or entity acting in the scope of his or her
1714 employment. For the purpose of determining the limitations on
1715 noneconomic damages set forth in this section, the term
1716 "practitioner" includes any person or entity for whom a
1717 practitioner is vicariously liable and any person or entity
1718 whose liability is based solely on such person or entity being
1719 vicariously liable for the actions of a practitioner.

1720 Section 35. Effective July 1, 2020, contingent upon SB __
1721 or similar legislation taking effect on that same date after
1722 being adopted in the same legislative session or an extension
1723 thereof and becoming a law, subsection (3) of section 768.135,
1724 Florida Statutes, is amended to read:

1725 768.135 Volunteer team physicians; immunity.—

1726 (3) A practitioner licensed or registered under chapter
1727 458, chapter 459, chapter 460, ~~or~~ s. 464.012, or s. 464.0123 who
1728 gratuitously and in good faith conducts an evaluation pursuant
1729 to s. 1006.20(2)(c) is not liable for any civil damages arising
1730 from that evaluation unless the evaluation was conducted in a
1731 wrongful manner.

1732 Section 36. Effective July 1, 2020, contingent upon SB __
1733 or similar legislation taking effect on that same date after
1734 being adopted in the same legislative session or an extension
1735 thereof and becoming a law, subsection (2) of section 960.28,
1736 Florida Statutes, is amended to read:

1737 960.28 Payment for victims' initial forensic physical
1738 examinations.—

576-03918A-20

1739 (2) The Crime Victims' Services Office of the department
1740 shall pay for medical expenses connected with an initial
1741 forensic physical examination of a victim of sexual battery as
1742 defined in chapter 794 or a lewd or lascivious offense as
1743 defined in chapter 800. Such payment shall be made regardless of
1744 whether the victim is covered by health or disability insurance
1745 and whether the victim participates in the criminal justice
1746 system or cooperates with law enforcement. The payment shall be
1747 made only out of moneys allocated to the Crime Victims' Services
1748 Office for the purposes of this section, and the payment may not
1749 exceed \$1,000 with respect to any violation. The department
1750 shall develop and maintain separate protocols for the initial
1751 forensic physical examination of adults and children. Payment
1752 under this section is limited to medical expenses connected with
1753 the initial forensic physical examination, and payment may be
1754 made to a medical provider using an examiner qualified under
1755 part I of chapter 464, excluding s. 464.003(15) ~~s. 464.003(14)~~;
1756 chapter 458; or chapter 459. Payment made to the medical
1757 provider by the department shall be considered by the provider
1758 as payment in full for the initial forensic physical examination
1759 associated with the collection of evidence. The victim may not
1760 be required to pay, directly or indirectly, the cost of an
1761 initial forensic physical examination performed in accordance
1762 with this section.

1763 Section 37. Effective July 1, 2020, contingent upon SB
1764 or similar legislation taking effect on that same date after
1765 being adopted in the same legislative session or an extension
1766 thereof and becoming a law, the Office of Program Policy
1767 Analysis and Government Accountability shall develop a report on

576-03918A-20

1768 the impact of and recommendations regarding the continuance of
1769 the Patient Access to Primary Care Pilot Program established in
1770 this act. The report shall include, but need not be limited to,
1771 improvements in access to primary care, the number of advanced
1772 practice registered nurse - independent practitioners
1773 participating in the program, cost savings or increases in
1774 services provided, the number of referrals to physicians by
1775 advanced practice registered nurse - independent practitioners
1776 participating in the program, any increase or decrease in the
1777 number of prescriptions written, and any increase or decrease in
1778 the cost of medications. In conducting such research and
1779 analysis, the office may consult with the Council on Advanced
1780 Practice Registered Nurse Independent Practice. The office shall
1781 submit the report and recommendations to the Governor, the
1782 President of the Senate, and the Speaker of the House of
1783 Representatives by September 1, 2030.

1784 Section 38. If s. 464.0123, Florida Statutes, is not saved
1785 from repeal through reenactment by the Legislature, the text of
1786 the statutes amended in sections 15 and 17 through 36 of this
1787 bill shall revert to that in existence on the date this act
1788 became a law, except that any amendments to such text enacted
1789 other than by this act shall be preserved and continue to
1790 operate to the extent that such amendments are not dependent
1791 upon the portions of text which expire pursuant to this section.

1792 Section 39. For the 2020-2021 fiscal year, three full-time
1793 equivalent positions with associated salary rate of 125,887 and
1794 three other personal services positions are authorized, and the
1795 sums of \$400,764 in recurring funds and \$408,731 in nonrecurring
1796 funds from the Health Care Trust Fund are appropriated to the

281464

576-03918A-20

1797 Agency for Health Care Administration for the purpose of
1798 implementing sections 400.52 and 408.822, Florida Statutes, as
1799 created by this act.

1800 Section 40. Except as otherwise expressly provided in this
1801 act, this act shall take effect upon becoming a law.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: CS/CS/SB 1676

INTRODUCER: Appropriations Committee (Recommended by Appropriations Subcommittee on Health and Human Services); Health Policy Committee; and Senator Albritton

SUBJECT: Direct Care Workers

DATE: March 5, 2020

REVISED: _____

| | ANALYST | STAFF DIRECTOR | REFERENCE | ACTION |

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 1676 expands the scope of practice and defines relevant terms for registered nurses (RNs), certified nursing assistants (CNAs), home health aides (HHAs), and advanced practice registered nurses (APRNs). The bill:

- Authorizes nursing home facilities to use paid feeding assistants if the assistant has completed a 12 hour program developed by the Agency for Health Care Administration (AHCA). The bill clarifies that paid feeding assistants do not count toward minimum staffing standards.
- Authorizes an RN to delegate any task, including the administration of medications, except controlled substances, to a CNA or HHA for a patient of a home health agency, if the RN determines that the CNA or the HHA is competent to perform the task, the task is delegable under federal law, and certain other requirements are met.
- Requires the AHCA, in consultation with the Board of Nursing, to establish standards and procedures by rule that a CNA and HHA must follow when administering medication to a patient of a home health agency.
- Establishes disciplinary actions for RNs that knowingly delegate responsibilities to a person that is not qualified by training, experience, certification, or licensure to perform them.

- Requires a Direct Care Workforce Survey (survey), created by the AHCA, to be completed and submitted at license renewal (every two years) for over 6,000 providers¹, including: nursing homes, assisted living facilities, home health agencies, and homemaker and companion services providers.
- Requires the ACHA to analyze the results of the survey and publish the information monthly on its website.
- Creates the Excellence in Home Health Program (program) within the AHCA for the purpose of awarding designations to home health agencies and nurse registries that meet specified criteria. The AHCA is required to adopt rules establishing criteria for the program and annually evaluate home health agencies or nurse registries that apply for program designation.
- Establishes a physician student loan repayment program within the Department of Health (DOH).
- Establishes the Patient Access to Primary Care t Program within the DOH to provide primary health care services by allowing Advanced Practice Registered Nurses (APRN) who meet certain criteria to engage in the autonomous practice of advanced or specialized nursing without the supervision of a physician.

The bill appropriates three full-time equivalent (FTE) positions with an associated salary rate of 125,887, three other personal services (OPS) positions, and \$400,764 in recurring funds and \$408,731 in nonrecurring funds from the Health Care Trust Fund, in Fiscal Year 2020-2021 to the AHCA to manage stakeholder input and develop rules related to expansion of HHA and CNA duties, and create and implement the survey and program.

The bill appropriates four FTE positions with associated salary rate of 121,246, and \$202,019 of recurring funds and \$24,272 of non-recurring funds from the Medical Quality Trust Fund for Fiscal Year 2020-2021 to the DOH to implement the Patient Access to Primary Care Program.

The bill's requirements to establish a physician student loan repayment program and the Patient Access to Primary Care Pilot Program has a significant negative fiscal impact on the Department of Health. See Section V.

The bill takes effect upon becoming a law, except as otherwise expressly provided in the bill.

II. Present Situation:

The Agency for Health Care Administration

The Agency for Health Care Administration (AHCA) is created in s. 20.42, F.S. The AHCA is the chief health policy and planning entity for the state and its Division of Health Quality Assurance (HQA) is responsible for, among other things, health facility licensure, inspection, and regulatory enforcement. The HQA is funded with more than \$49 million in state and federal funds. It licenses or certifies and regulates 40 different types of health care providers, including

¹ Agency for Health Care Administration, *CS/SB 1676 Bill Analysis* (Feb. 14, 2020) (on file with the Senate Appropriations Subcommittee on Health and Human Services).

hospitals, nursing homes, assisted living facilities (ALFs), and home health agencies. In total, the AHCA licenses, certifies, regulates, or provides exemptions for more than 48,000 providers.²

Florida Nursing Homes

Nursing homes provide 24-hour-per-day nursing care, case management, health monitoring, personal care, nutritional meals and special diets, physical, occupational, and speech therapy, social activities, and respite care for those who are ill or physically infirm.³ Nursing care is provided by licensed practical nurses (LPNs) and registered nurses (RNs). Personal care is provided by certified nursing assistants (CNAs) and can include help with bathing, dressing, eating, walking, and physical transfer (like moving from a bed to a chair).⁴

A nursing home may also provide services like dietary consultation, laboratory, X-ray, pharmacy services, laundry, and pet therapy visits. Some facilities may provide special services like dialysis, tracheotomy, or ventilator care as well as Alzheimer's or hospice care.

Pursuant to s. 400.141, F.S., every nursing home in Florida must comply with all administrative and care standards set out in the AHCA rules and must:

- Be under the administrative direction and charge of a licensed administrator.⁵
- Appoint a physician medical director.⁶
- Have available the regular, consultative, and emergency services of one or more physicians.
- Provide residents with the use of a community pharmacy of their choice.
- Provide access for residents to dental and other health-related services, recreational services, rehabilitative services, and social work services.
- Be permitted and encouraged by the AHCA to provide other needed services, including, but not limited to, respite, therapeutic spa, and adult day services to nonresidents of the facility.
- Maintain the facility premises and equipment and conduct its operations in a safe and sanitary manner.
- Provide a wholesome and nourishing diet, if the licensee furnishes food services, sufficient to meet generally accepted standards of proper nutrition for its residents and provide such therapeutic diets as may be prescribed by physicians if the nursing home furnishes food services.
- Keep records of:
 - Resident admissions and discharges;
 - Medical and general health status, including:
 - Medical records;
 - Personal and social history;

⁵ 59A-4.103(4)(b), F.A.C.

⁶ 59A-4.1075, F.A.C.

- Identity and address of next of kin or other persons who may have responsibility for the affairs of the resident;
- Individual resident care plans, including, but not limited to:
 - Prescribed services;
 - Service frequency and duration; and
 - Service goals.
- Keep fiscal records of its operations and conditions.
- Furnish copies of personnel records for employees affiliated with such facility, to any other facility licensed by this state requesting this information.
- Publicly display a poster provided by the AHCA containing information for the:
 - State’s abuse hotline;
 - State Long-Term Care Ombudsman;
 - AHCA consumer hotline;
 - Advocacy Center for Persons with Disabilities;
 - Florida Statewide Advocacy Council; and
 - Medicaid Fraud Control Unit.
- Comply with state minimum-staffing requirements, as set by AHCA rule, including the number and qualifications of all personnel having responsibility for resident care, such as:
 - Management;
 - Medical;
 - Nursing;
 - Other professional personnel;
 - Nursing assistants;
 - Orderlies; and
 - Other support personnel.
- Ensure that any program for dining and use of a hospitality attendant is developed and implemented under the supervision of the facility director of nursing.
- Maintain general and professional liability insurance coverage or proof of financial responsibility as required by statute.
- Require all CNAs to chart in a resident’s medical records, by the end of his or her shift, all services provided, including:
 - Assistance with activities of daily living,
 - Eating,
 - Drinking, and
 - All offers to a resident for nutrition and hydration for those residents whose plan of care or assessment indicates a risk for malnutrition or dehydration.
- Provide to all consenting residents immunizations against influenza before November 30 each year.
- Assess each resident within five business days after admission for eligibility for pneumococcal vaccination or revaccination.
- Annually encourage all employees to receive immunizations against influenza viruses.⁷

⁷ Section 400.141, F.S.

Nursing Home Staffing Standards

Section 400.23(3), F.S., requires the AHCA to adopt rules providing minimum staffing requirements for nursing home facilities. The requirements must include:

- A minimum weekly average of 3.6 hours of direct care per resident per day provided by a combination of CNAs and licensed nursing staff. A week is defined as Sunday through Saturday.
- A minimum of 2.5 hours of direct care per resident per day provided by CNAs. A facility may not staff at a ratio of less than one CNA per 20 residents.
- A minimum of 1.0 hour of direct care per resident per day provided by licensed nursing staff. A facility may not staff at a ratio of less than one licensed nurse per 40 residents.
- Nursing assistants employed under s. 400.211(2), F.S., may be included in computing the staffing ratio for CNAs if their job responsibilities include only nursing-assistant-related duties.
- Each nursing home facility must document compliance with staffing standards and post daily the names of staff on duty for the benefit of facility residents and the public.
- Licensed nurses may be used to meet staffing requirements for CNAs if the licensed nurses are performing the duties of a CNA and the facility otherwise meets minimum staffing requirements for licensed nurses.
- Non-nursing staff providing eating assistance to residents do not count toward compliance with minimum staffing standards.

Section 400.23(3), F.S., also provides that LPNs who are providing nursing services in nursing home facilities may supervise the activities of other LPNs, CNAs, and other unlicensed personnel providing services in such facilities in accordance with rules adopted by the Board of Nursing (BON).

Nurse Practice Act

Florida's Nurse Practice Act is found in Part I of ch. 464, F.S. The purpose of the Nurse Practice Act is to ensure that every nurse practicing in this state meets minimum requirements for safe practice. It is the legislative intent that nurses who fall below minimum competency or who otherwise present a danger to the public are prohibited from practicing in this state.⁸

Registered Nurses

A registered nurse is any person licensed in this state or holding an active multistate license under the Nurse Practice Act to practice professional nursing. The practice of professional nursing means performing acts requiring substantial specialized knowledge, judgment, and nursing skill based on applied principles of psychological, biological, physical, and social sciences and includes, but is not limited to:

- The observation, assessment, nursing diagnosis, planning, intervention, and evaluation of care; health teaching and counseling of the ill, injured, or infirm; and the promotion of wellness, maintenance of health, and prevention of illness of others.

⁸ Section 464.002, F.S.

- The administration of medications and treatments as prescribed or authorized by a duly licensed practitioner authorized by the laws of this state to prescribe such medications and treatments.
- The supervision and teaching of other personnel in the theory and performance of any of the acts described in this subsection.

A professional nurse is responsible and accountable for making decisions that are based upon the individual's educational preparation and experience in nursing.⁹

Licensed Practical Nurses

A licensed practical nurse is any person licensed in this state or holding an active multistate license under the Nurse Practice Act to practice practical nursing.¹⁰ The practice of practical nursing means performing selected acts, including the administration of treatments and medications, in the care of the ill, injured, or infirm; the promotion of wellness, maintenance of health, and prevention of illness of others under the direction of an RN, a licensed physician, a licensed osteopathic physician, a licensed podiatric physician, or a licensed dentist; and the teaching of general principles of health and wellness to the public and to students other than nursing students. A practical nurse is responsible and accountable for making decisions based on the individual's educational preparation and experience in nursing.¹¹

Certified Nursing Assistants

Florida's statutory governance for CNAs is found in part II of ch. 464, F.S. Section 464.201(5), F.S., defines the practice of a CNA as providing care and assisting persons with tasks relating to the activities of daily living. Activities of daily living include tasks associated with: personal care, maintaining mobility, nutrition and hydration, toileting and elimination, assistive devices, safety and cleanliness, data gathering, reporting abnormal signs and symptoms, postmortem care, patient socialization and reality orientation, end-of-life care, cardiopulmonary resuscitation and emergency care, patients' rights, documentation of nursing-assistant services, and other tasks that a CNA may perform after training.¹²

Direct Care Staff

Federal law defines "direct care staff" as those individuals who, through interpersonal contact with nursing home residents or resident care management, provide care and services to allow residents to attain or maintain the highest practicable physical, mental, and psychosocial well-being. Direct care staff does not include individuals whose primary duty is maintaining the physical environment of the long-term care facility (for example, housekeeping).¹³

Direct care staff are the primary providers of paid, hands-on care for more than 13 million elderly and disabled Americans. They assist individuals with a broad range of support, including

⁹ Section 464.003, F.S.

¹⁰ Section 464.003(14), F.S.

¹¹ Section 464.003(17), F.S.

¹² Section 464.201, F.S.

¹³ 42 CFR s. 483.70(q)(1)

preparing meals, helping with medications, bathing, dressing, getting about (mobility), and getting to planned activities on a daily basis.¹⁴

Direct care staff fall into three main categories tracked by the U.S. Bureau of Labor Statistics: Nursing Assistants (usually known as CNAs), home health aides (HHAs), and Personal Care Aides:

- CNAs generally work in nursing homes, although some work in ALFs, other community-based settings, or hospitals. They assist residents with activities of daily living (ADLs) such as eating, dressing, bathing, and toileting. They also perform clinical tasks such as range-of-motion exercises and blood pressure readings.
- HHAs provide essentially the same care and services as nursing assistants, but they assist people in their homes or in community settings under the supervision of a nurse or therapist. They may also perform light housekeeping tasks such as preparing food or changing linens.
- Personal Care Aides work in either private or group homes. They have many titles, including personal care attendant, home care worker, homemaker, and direct support professional. (The latter work with people with intellectual and developmental disabilities). In addition to providing assistance with ADLs, these aides often help with housekeeping chores, meal preparation, and medication management. They also help individuals go to work and remain engaged in their communities. A growing number of these workers are employed and supervised directly by consumers.¹⁵

The federal government requires training only for nursing assistants and HHAs who work in Medicare-certified and Medicaid-certified nursing homes and home health agencies. Such training includes training on residents' rights; abuse, neglect, and exploitation; quality assurance; infection control; and compliance and ethics, and specifies that direct care staff must be trained in effective communications.¹⁶

The Gold Seal Program

The Gold Seal Program (program) is a legislatively created award and recognition program, developed and implemented by the Governor's Panel on Excellence in Long-Term Care (Panel) for nursing facilities that demonstrate excellence in long-term care over a sustained period.¹⁷

¹⁴ Understanding Direct Care Workers: a Snapshot of Two of America's Most Important Jobs, *Certified Nursing Assistants and Home Health Aides*, Khatutsky, et al., (March 2011), available at <https://aspe.hhs.gov/basic-report/understanding-direct-care-workers-snapshot-two-americas-most-important-jobs-certified-nursing-assistants-and-home-health-aides#intro> (last visited on Jan. 27, 2020).

¹⁵ See *Who are Direct Care Workers?*, available at <https://phinational.org/wp-content/uploads/legacy/clearinghouse/NCDCW%20Fact%20Sheet-1.pdf> (last visited Jan. 27, 2020)

¹⁶ 42 CFR s. 483.95

¹⁷ Section 400.235, F.S. The panel is composed of three persons appointed by the Governor, to include a consumer advocate for senior citizens and two persons with expertise in the fields of quality management, service delivery excellence, or public sector accountability; three persons appointed by the Secretary of the Department of Elder Affairs, to include an active member of a nursing facility family and resident care council and a member of the University Consortium on Aging; a representative of the State Long-Term Care Ombudsman Program; one person appointed by the Florida Life Care Residents Association; one person appointed by the State Surgeon General; two persons appointed by the Secretary of Health Care Administration; one person appointed by the Florida Association of Homes for the Aging; and one person appointed by the Florida Health Care Association. Vacancies on the panel shall be filled in the same manner as the original appointments.

Facilities must meet the Panel's criteria for measuring quality of care and the following additional criteria to receive a program designation:

- No class I or class II deficiencies within the 30 months preceding application for the program.
- Evidence of financial soundness and stability according to standards adopted by the AHCA in rule.
- Participate in a consumer satisfaction process and demonstrate the facility's efforts to act on the information gathered.
- Evidence of the involvement of families and members of the community in the facility on a regular basis.
- Have a stable workforce as evidenced by a relatively low turnover rate among CNAs and RNs within the 30 months preceding application for the program.
- Evidence that any complaints submitted to the State Long-Term Care Ombudsman Program within the 30 months preceding application for the program did not result in a licensure citation.
- Provide targeted in-service training to meet training needs identified by internal or external quality assurance efforts.

Home Health Agencies and Home Health Aides

Home health agencies deliver health and medical services and medical supplies through visits to private homes, ALFs, and adult family care homes. Some of the services include nursing care, physical therapy, occupational therapy, respiratory therapy, speech therapy, HHA services, and nutritional guidance. Medical supplies are restricted to drugs and biologicals prescribed by a physician. Along with services in the home, a home health agency can also provide staffing services in nursing homes and hospitals. Home health agencies differ in the quality of care and services they provide to patients. Home health agencies are required to be licensed and inspected by the state of Florida.¹⁸

The Home Health Consumer Assessment of Healthcare Providers & Systems (HHCAHPS) star ratings provide a snapshot of the four measures of patient experience of care. In addition, the HHCAHPS summary star rating combines all four HHCAHPS star ratings into a single, comprehensive metric. If a home health agency does not have an HHCAHPS summary star rating, it means that the home health agency did not have enough surveys completed to have star ratings calculated in a meaningful way. In addition to the patient survey results, the HHCAHPS star ratings summarize patient experience, which is one aspect of home health agency quality.¹⁹

Section 400.462(15), F.S., defines a "home health aide" as a person who is trained or qualified, as provided by the AHCA rule, to:

- Provide hands-on personal care;
- Perform simple procedures as an extension of therapy or nursing services;

¹⁸ Agency for Health Care Administration, FloridaHealthFinder.gov, Alternative to Nursing Homes, *Home Health Agencies*, available at <https://www.floridahealthfinder.gov/reports-guides/NursingHomesFL.aspx#NHStay> (last visited Jan. 26, 2020).

- Assist in ambulation or exercises; or
- Assist in administering medications for which the person has received training established by the AHCA.

Assistance with Administering Medications

Rule 59A-18.0081, F.A.C., provides that a CNA or HHA referred by a nurse registry may assist with self-administration of medication if they have received a minimum of two hours of training covering the following content:

- State law and rule requirements with respect to the assistance with self-administration of medications in the home;
- Procedures for assisting the resident with self-administration of medication;
- Common types of medication;
- Recognition of side effects and adverse reactions; and
- Procedures to follow when patients appear to be experiencing side effects and adverse reactions.

The training must include verification that, for prescription medications, each CNA and HHA can read the prescription label and any instructions for the prescription. The rule provides that individuals who cannot read are not allowed to assist with prescription medications.

Healthcare Professional Shortage

The U.S. has a current health care provider shortage. As of December 31, 2019, the U.S. Department of Health and Human Services has designated 7,655 Primary Medical Health Professional Shortage Areas (HPSAs) (requiring 14,392 additional primary care physicians to eliminate the shortage), 6,820 Dental HPSAs (requiring 10,258 additional dentists to eliminate the shortage), and 6,117 Mental Health HPSAs (requiring 6,335 additional psychiatrists to eliminate the shortage).²⁰ A health care professional shortage area is a federal designation that indicates a health care provider shortage in primary care, dental health, or mental health.²¹

In Florida, there are 754 HPSAs just for primary care, dental care, and mental health. It would take 1,636 primary care, 1,270 dental care, and 407 mental health practitioners to eliminate these shortage areas.²²

Florida Advanced Practice Registered Nurses

In Florida, an advanced practice registered nurse (APRN)²³ can be licensed as one of the following:²⁴

- Certified nurse practitioner (CNP);
- Certified nurse midwife (CNM);
- Clinical nurse specialist (CNS); or
- Certified registered nurse anesthetist (CRNA).

APRNs are regulated under part I of ch. 464, F.S., the Nurse Practice Act. The Board of Nursing (Board) provides, by rule, the eligibility criteria for applicants to be licensed as APRNs and the applicable regulatory standards for APRN nursing practices.²⁵ Additionally, the Board is responsible for administratively disciplining an APRN who commits prohibited acts.²⁶

In Florida “advanced or specialized nursing practice” includes, in addition to practices of professional nursing that registered nurses are authorized to perform, advanced-level nursing acts approved by the Board as appropriate for APRNs to perform by virtue of their post-basic specialized education, training, and experience.²⁷ Advanced or specialized nursing acts may only be performed if authorized under a supervising physician’s protocol.²⁸ In addition to advanced or specialized nursing practices, APRNs are authorized to practice certain medical acts, as opposed to nursing acts, as authorized within the framework of an established supervisory physician’s protocol.²⁹

To be eligible to be licensed as an APRN, an applicant must be licensed as a registered nurse, have a master’s degree in a nursing clinical specialty area with preparation in specialized practitioner skills, and submit proof that the applicant holds a current national advanced practice certification from a board-approved nursing specialty board.³⁰ A nursing specialty board must:³¹

- Attest to the competency of nurses in a clinical specialty area;
- Require a written examination prior to certification;
- Require nurses to complete a formal program prior to eligibility for examination;
- Maintain program accreditation or review mechanism that adheres to criteria which are substantially equivalent to requirements in Florida; and
- Identify standards or scope of practice statements appropriate for each nursing specialty.

Pursuant to s. 456.048, F.S., all APRNs must carry malpractice insurance or demonstrate proof of financial responsibility. Any applicant for licensure must submit proof of coverage or financial responsibility within sixty days of licensure and prior to each biennial licensure

²³ Section 464.003(3), F.S.

²⁴ Section 464.012(4), F.S.

²⁵ See s. 464.004, F.S., and Rule 64B9-3, F.A.C.

²⁶ See ss. 464.018 and 456.072, F.S.

²⁷ Section 464.003(2), F.S.

²⁸ Section 464.012(3)-(4), F.S.

²⁹ *Id.*

³⁰ Section 464.012(1), F.S., and Rule 64B9-4.002, F.A.C.

³¹ Rule 64B9-4.002(3), F.A.C.

renewal.³² The APRN must have professional liability coverage of at least \$100,000 per claim with a minimum annual aggregate of at least \$300,000 or an unexpired irrevocable letter of credit in the amount of at least \$100,000 per claim with a minimum aggregate availability of at least \$300,000 and which is payable to the APRN as beneficiary.³³

APRN Autonomy in Florida

Florida is a supervisory state. APRNs may perform only those nursing and medical practices delineated in a written physician protocol.³⁴ A physician providing primary health care services may supervise APRNs in up to four medical offices, in addition to the physician's primary practice location.

APRN Scope of Practice in Florida

Within the framework of the written protocol with a supervising physician, an APRN may:³⁵

- Prescribe, dispense, administer, or order any drug;
- Initiate appropriate therapies for certain conditions;
- Perform additional functions as may be determined by Board rule;
- Order diagnostic tests and physical and occupational therapy; and
- Perform certain acts within his or her specialty.

Currently, APRNs in Florida are not authorized to sign certain documents such as a certificate to initiate the involuntary examination of a person under the Baker Act, the release of persons in receiving facilities under the Baker Act, or death certificates.³⁶

III. Effect of Proposed Changes:

Sections 1 and 2 amend ss. 400.141 and 400.23, F.S., to provide that a licensed nursing home facility may use paid feeding assistants as defined in 42 C.F.R. s. 488.301, in accordance with 42 C.F.R. s. 483.60, if the paid feeding assistant has successfully completed a feeding assistant training program developed by the AHCA. The feeding assistant training program must consist of a minimum of 12 hours of education and training and must include all of the topics and lessons specified in the program curriculum. The program curriculum must include training in all of the following content areas:

- Feeding techniques.
- Assistance with feeding and hydration.
- Communication and interpersonal skills.
- Appropriate responses to resident behavior.
- Safety and emergency procedures, including the first aid procedure used to treat upper airway obstructions.

³² Rule 64B9-4.002, F.A.C. The DOH Form DH-MQA 1186, 01/09, "Financial Responsibility," is incorporated into the rule by reference. Certain licensees, such as those who practice exclusively for federal or state governments, only practice in conjunction with a teaching position, or can demonstrate no malpractice exposure in this state are exempt from the financial responsibility requirements.

³³ *Id.*

³⁴ Section 464.012(3), F.S.

³⁵ Section 464.012(3)-(4), F.S.

³⁶ *See* ss. 382.008, and 394.463, F.S.

- Infection control.
- Residents' rights.
- Recognizing changes in residents that are inconsistent with their normal behavior, and the importance of reporting those changes to the supervisory nurse.

The AHCA is authorized to adopt rules to implement these provisions.

Section 3 amends s. 400.461, F.S., to make conforming changes.

Sections 4 through 9 of the bill amend or create statutes within part III of ch. 400, F.S., relating to home health agencies.

Section 4 amends s. 400.462, F.S., to redefine "home health aide" to provide that, in addition to the definition's other provisions, a home health aide (HHA) may include a person who performs tasks delegated to him or her pursuant to ch. 464, F.S.

Section 5 amends s. 400.464, F.S., to provide that if a home health agency authorizes an RN to delegate tasks, including medication administration, to a CNA pursuant to ch. 464, F.S., or to a HHA pursuant to s. 400.490, F.S., the home health agency must ensure that such delegation meets the requirements of chs. 400 and 464, F.S., and applicable rules adopted under those chapters.

Section 6 amends s. 400.488, F.S., relating to provisions under which an unlicensed person may assist a patient with the self-administration of medication under certain circumstances, to provide that such medications include intermittent positive pressure breathing treatments and nebulizer treatments. The bill also provides that assistance with self-administered medication includes:

- In the presence of the patient, confirming that the medication is intended for that patient and orally advising the patient of the medication's name and purpose.
- When applying topical medications, the provision of routine preventative skin care and basic wound care.
- For intermittent positive pressure breathing treatments or for nebulizer treatments, assisting with setting up and cleaning the device in the presence of the patient, confirming that the medication is intended for that patient, orally advising the patient of the medication name and purpose, opening the container, removing the prescribed amount for a single treatment dose from a properly labeled container, and assisting the patient with placing the dose into the medicine receptacle or mouthpiece.

Section 7 creates s. 400.489, F.S., to provide that a HHA may administer oral, transdermal, ophthalmic, otic, rectal, inhaled, enteral, or topical prescription medications if the HHA:

- Has been delegated such task by an RN licensed under ch. 464, F.S.
- Has satisfactorily completed an initial six-hour training course approved by the AHCA.
- Has been found competent to administer medication to a patient in a safe and sanitary manner.

To remain qualified to administer medications as provided above, the bill requires a HHA to annually and satisfactorily complete a two-hour inservice training course in medication

administration and medication error prevention approved by the AHCA. This inservice training course must be in addition to the annual inservice training hours required by the AHCA rules under current law.

The bill requires the AHCA, in consultation with the Board of Nursing (BON), to establish by rule standards and procedures that a HHA must follow when administering medication to a patient.

The training, determination of competency, and initial and annual validations required under this new section of statute must be conducted by an RN or a physician licensed under chs. 458 or 459, F.S.

Section 8 creates s. 400.490, F.S., to authorize a CNA or HHA to perform any task delegated by an RN as authorized in this part and in ch. 464, F.S., including, but not limited to, medication authorization.

Section 9 creates s. 400.52, F.S., to establish the Excellence in Home Health Program (program) for the purpose of awarding designations to home health agencies or nurse registries that meet specified criteria.

The AHCA is directed to adopt rules establishing criteria for the program, which must include, at a minimum, meeting standards relating to:

- Patient satisfaction.
- Patients requiring emergency care for wound infections.
- Patients admitted or readmitted to an acute care hospital.
- Patient improvement in the activities of daily living.
- Employee satisfaction.
- Quality of employee training.
- Employee retention rates.

The AHCA is directed to annually evaluate home health agencies and nurse registries seeking program designation. To receive program designation, a home health agency or nurse registry must:

- Apply on a form and in the manner designated by the AHCA rule;
- Be actively licensed and have been operating for at least 24 months before applying for program designation; and
- Have not had any licensure denials, revocations, or Class I, Class II, or uncorrected Class III deficiencies within the 24 months before the application for program designation.

A designation awarded under the program is not transferrable to another licensee, unless the existing home health agency or nurse registry is being relicensed in the name of an entity related to the current license-holder by common control or ownership, and there will be no change in the management, operation, or programs of the home health agency or nurse registry as a result of the relicensure.

Program designation expires on the same date as the home health agency's or nurse registry's license. A home health agency or nurse registry must reapply and be approved for program designation to continue using the designation in advertising and marketing. A home health agency or nurse registry may not use program designation in any advertising or marketing if the home health agency or nurse registry:

- Has not been awarded the designation;
- Fails to renew the designation upon expiration of the awarded designation;
- Has undergone a change in ownership that does not qualify for a transfer of the designation as described above; or
- Has been notified that it no longer meets the criteria for the award upon reapplication after expiration of the awarded designation.

The bill clarifies that an application for an award designation is not an application for licensure and that an award designation or denial by the AHCA does not constitute final agency action subject to ch. 120, F.S.

Section 10 creates s. 408.822, F.S., to establish a Direct Care Workforce Survey (survey). The bill defines the term "direct care worker" for purposes of the survey to mean a:

- CNA;
- HHA;
- Personal care assistant;
- Companion services or homemaker services provider;
- Paid feeding assistant trained under s. 400.141(1)(v), F.S.; or
- Provider of personal care as defined in s. 400.462(24), F.S., to individuals who are elderly, developmentally disabled, or chronically ill.

Under the bill, beginning January 1, 2021, nursing home facilities, assisted living facilities, home health agencies, companion services providers, and homemaker services providers applying for licensure renewal (every two years), must furnish the following information to the AHCA before the license will be renewed:

- The number of registered nurses and the number of direct care workers by category employed.
- The turnover and vacancy rates of registered nurses and direct care workers and contributing factors to these rates.
- The average employee wage for registered nurses and each category of direct care worker.
- The employment benefits provided for registered nurses and direct care workers and the average cost of such benefits to the employer and the employee.
- The type and availability of training for registered nurses and direct care workers.

An administrator or designee must attest that the information provided in the survey is true and accurate to the best of his or her knowledge. In addition, the AHCA is required to analyze the results of the surveys, and publish the results on its website, as well as update the information monthly.

Sections 11 and 12 of the bill amend or create statutes within part I of ch. 464, F.S., relating to the Nurse Practice Act.

Section 11 creates s. 464.0156, F.S., to authorize RNs to delegate a task to a CNA or a HHA if the registered nurse determines that the CNA or HHA is competent to perform the task, the task is delegable under federal law, and the task meets all of the following criteria:

- Is within the nurse's scope of practice.
- Frequently recurs in the routine care of a patient or group of patients.
- Is performed according to an established sequence of steps.
- Involves little or no modification from one patient to another.
- May be performed with a predictable outcome.
- Does not inherently involve ongoing assessment, interpretation, or clinical judgment.
- Does not endanger a patient's life or well-being.

If a CNA or HHA satisfies the qualifications and training requirements of the bill's newly created ss. 464.2035 or 400.489, F.S., an RN may also delegate to a CNA or HHA the administration of prescription medications to a patient of a home health agency, except controlled substances,³⁷ by the following routes: oral, transdermal,³⁸ ophthalmic, otic, rectal, inhaled, enteral,³⁹ or topical.

The BON, in consultation with the AHCA, is required to adopt rules to implement this section of the bill.

Section 12 amends s. 464.018, F.S., to add an additional ground for nursing disciplinary action when a nurse knowingly delegates responsibilities to a person that is not qualified by training, experience, certification, or licensure to perform them.

Section 13 creates s. 464.2035, F.S., to provide that a CNA may administer oral, transdermal, ophthalmic, otic, rectal, inhaled, enteral, or topical prescription medication to a patient of a home health agency if the CNA has:

- Been delegated such task by an RN;
- Satisfactorily completed an initial six-hour training course approved by the BON; and
- Been found competent to administer medication to such a patient in a safe and sanitary manner.

The training, determination of competency, and initial and annual validations must be conducted by a licensed RN or a physician licensed under chapter 458 or 459, F.S.

To remain qualified to administer medications as provided above, a CNA must annually and satisfactorily complete two hours of inservice training in medication administration and medication error prevention approved by the BON, in consultation with the AHCA. The

³⁷ Controlled substance listed in Schedule II, Schedule III, or Schedule IV of s. 893.03 or 21 U.S.C. s. 812.

³⁸ See The Farlex Medical Dictionary, Transdermal, available at <https://medical-dictionary.thefreedictionary.com/Transdermal> (last visited Jan. 27, 2020). Transdermal means entering through the dermis, or skin, as in administration of a drug applied to the skin in ointment or patch form.

³⁹ See The Farlex Medical Dictionary, Enteral, available at <https://medical-dictionary.thefreedictionary.com/enteral> (last visited Jan. 27, 2020). Enteral means within, or by way of, the intestine or gastrointestinal tract, especially as distinguished from parenteral.

inservice training required under the bill is in addition to other annual inservice training hours required under current law.

The bill requires the BON, in consultation with the AHCA, to establish by rule standards and procedures that a CNA must follow when administering medication to a patient of a home health agency.

Section 14 creates s. 381.40185, F.S., to require the Department of Health (DOH) to establish a physician student loan repayment program for physicians licensed under ch. 458 and 459. The physician must provide primary care services in a public health program, an independent practice, or a group practice that serves low-income or Medicaid recipients and be located in a primary care health professional shortage area or medically underserved area. Implementation of the loan program is subject to legislative appropriation.

Section 15 amends the Nurse Practice Act to define an “advanced practice registered nurse - independent practitioner” or “APRN-IP” as an advanced practice registered nurse who is registered under s. 464.0123 to provide primary health care services without a protocol agreement or supervision.

The bill defines a “primary care health professional shortage area” as a geographic area, an area having a special population, or a facility with a score of at least 18, as designated and calculated by the Federal Health Resources and Services Administration or a rural area, as defined by the Federal Office of Rural Health Policy (see section 16).

Section 16 creates s. 464.0123, F.S., to establish the Patient Access to Primary Care Program (Program) within the Department of Health (DOH). The Program will provide primary health care services in by allowing Advanced Practice Registered Nurses (APRN) who meet certain criteria to engage in the autonomous practice of advanced or specialized nursing without the supervision of a physician.

The bill creates a nine member Council on Advanced Practice Registered Nurse Independent Practice within the DOH and requires the council to make recommendations on the registration of APRN-IPs and develop proposed rules to regulate the practice of APRN-IPs. All recommendations made by the council must be made by a majority of the members present.

Registration

The bill requires that APRNs who practice without the supervision of a physician to register with the DOH as an APRN-IP and provide the following:

- Proof of experience as an APRN under the direct or indirect supervision of a physician for at least 2,000 hours within the last four years;
- Certifications and designations recognized and approved by the Board of Nursing, Board of Medicine, Board of Osteopathic Medicine, or the DOH;
- APRN education, work, and license history;
- Address in which the application will conduct practice;
- Criminal and regulatory disciplinary history; and
- Proof of professional liability insurance;

An APRN-IP must be renew their registration every 2 years and provide proof of 40 hours of continuing medical education hours. The continuing education hours may be counted toward the continuing education hours required for the renewal of an APRN or RN license.

The bill requires APRN-IPs to practice primary care in “primary care health professional shortage areas” for the first three years of independent practice, and thereafter, authorizes an APRN-IP to practice primary care statewide.

Scope of Practice

The DOH must adopt by rule the scope of practice for an APRN-IP. An APRN-IP cannot practice in a hospital licensed under ch. 395, F.S., or a facility licensed under ch. 400, F.S., except under an established written protocol with a supervising physician.

The bill requires APRN-IPs to report all adverse incidents to the DOH. An adverse incident is defined as an event over which the APRN-IP exercises control and is associated with a medical intervention, rather than the condition for which such intervention occurred, and which results in any of the following patient injuries:

- Death;
- Permanent injury; or
- Any condition the requires the transfer of a patient from the APRN-IP’s practice to a hospital.

The Board of Medicine or the Board of Nursing is authorized to take disciplinary action under certain circumstances.

Section 17 amends s. 464.015, F.S., to limit who can use the title “Advanced Practice Registered Nurse Practitioner – Independent Practitioner” and the abbreviation “APRN-IP.”

Section 18 amends s. 464.018, F.S., to authorize the Board of Nursing to take administrative action against an APRN-IP for the following:

- Paying or receiving any commission, bonus, kickback, rebate, or engaging in a slit-fee arrangement with a health care practitioner, organization, agency, or person for patient referrals;
- Exercising influence over a patient for the purpose of engaging in sexual activity;
- Making deceptive, untrue, or fraudulent representation related to advanced or specialized nursing practice;
- Soliciting patients, personally or through an agent, using fraud, intimidation, undue influence, or overreaching or vexatious conduct;
- Failing to keep legible medical records;
- Performing professional services that have not been authorized by the patient or his or her representative, except as provided by the Medical Consent Law and the Good Samaritan Act;
- Performing any procedure or prescribing any medicinal drug that would constitute experimentation on a human subject, without full, informed, and written consent of the patient;

- Delegating professional responsibilities to an unqualified or unlicensed person;
- Conspiring with another person to commit an act or committing an act that would tend to coerce, intimidate, or preclude another APRN from advertising his or her services;
- Advertising or holding oneself out as having a certification in a specialty that the APRN has not received;
- Failing to inform patients about patient rights and how to file a patient complaint; and
- Providing deceptive or fraudulent expert witness testimony related to advanced or specialized nursing practice.

Section 19 amends s. 381.026, F.S., to expand the definition of a “health care provider” to include an APRN-IP.

Section 20 amends s. 382.008, F.S., to allow an APRN-IPs to certify the cause of death and to file death certificates in the absence of a funeral director.

Section 21 makes conforming changes.

Section 22 amends s. 394.463 F.S., the Baker Act, to allow an APRN-IP to initiate an involuntary examination under certain circumstances.

Section 23 amends s. 397.501, F.S., the Marchman Act, to conform to the provisions of the bill.

Section 24 amends s. 456.053, F.S., to expand the definition of a “health care provider” and “sole provider” to include an APRN-IP.

Section 25 amends s. 626.9707, F.S., to conform to the provisions of the bill.

Section 26, 27, and 31 creates ss. 627.64025, 627.6621, and 641.31075 F.S., to prohibit certain health insurers and health maintenance organizations from requiring or offering financial incentives to an insured to receive services from an APRN-IP or an advanced practice registered nurse rather than a primary care physician.

Section 28 amends 627.6699, F.S. to prohibit certain health insurers from requiring or offering financial incentives to an insured to receive services from an APRN-IP or an advanced practice registered nurse rather than a primary care physician.

Section 29 amends s. 627.736, F.S., to conform to the provisions of the bill.

Section 30 amends s. 633.412, F.S., to allow APRN-IPs to conduct certain medical evaluations for firefighters applying for certification as a firefighter.

Section 32 amends s. 641.495, F.S., to allow HMOs to provide certain services though an APRN-IP.

Section 33 amends s. 744.3675, F.S., to allow an APRN-IP to examine and report on a ward’s condition current level of capacity.

Section 34 amends s. 766.118, F.S., to expand the definition of “practitioner” to include an APRN-IP. This section limits noneconomic damages⁴⁰ for medical negligence of practitioners, including APRN-IPs, under certain circumstances.

Section 35 amends s. 768.135, F.S., to provide immunity from civil liability for APRN-IPs acting in good faith when performing certain medical evaluations.

Section 36 amends s. 960.28, F.S., to conform to the provisions of the bill.

Section 37 appropriates three full-time equivalent (FTE) positions with an associated salary rate of 125,887, three other personal services (OPS) positions, and \$400,764 in recurring funds and \$408,731 in nonrecurring funds from the Health Care Trust Fund, in Fiscal Year 2020-2021 to the AHCA to manage stakeholder input and develop rules related to expansion of HHA and CNA duties, and create and implement the survey and program.

Section 38 appropriates \$202,019 in recurring funds and \$24,272 in nonrecurring funds from the Medical Quality Trust Fund, and four full-time equivalent positions with associated salary rate of 121,246, to the DOH to implement the Patient Access to Primary Care Program.

Section 39 provides that except as otherwise expressly provided in this act, the act shall take effect upon becoming a law.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None.

⁴⁰ Section 766.202(8), F.S., defines “noneconomic damages” as nonfinancial losses that would not have occurred but for the injury giving rise to the cause of action, including pain and suffering, inconvenience, physical impairment, mental anguish, disfigurement, loss of capacity for enjoyment of life, and other nonfinancial losses to the extent the claimant is entitled to recover such damages under general law, including the Wrongful Death Act.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

None.

B. Private Sector Impact:

Home health agencies and nursing facilities may incur costs associated with the requirement to provide medication administration training to CNAs and HHAs. In addition, beginning in 2021, they may experience a workload increase associated with the bill's requirements related to survey reporting.

An APRN who applies for licensure as an APRN-IP to practice without the supervision of a physician will be able to provide primary care services in primary care health professional shortage areas. APRNs who have paid physicians for supervision will see cost savings if they register to practice autonomously.

C. Government Sector Impact:

The AHCA estimates the need for five additional full-time equivalent (FTE) positions, three other personal services (OPS) positions, and funding to manage stakeholder input and develop rules related to expansion of HHA and CNA duties, and create and implement the survey and program.⁴¹ The bill appropriates three FTE positions with an associated salary rate of 125,887, three OPS positions, and \$400,764 in recurring funds and \$408,731 in nonrecurring funds from the Health Care Trust Fund, in Fiscal Year 2020-2021 to the AHCA to manage stakeholder input and develop rules related to expansion of HHA and CNA duties, and create and implement the survey and program.

The bill has a significant negative fiscal impact on state expenditures. The bill will require the DOH to update information technology systems related to electronic death registrations to accept APRN-IPs as health care providers, and licensing of APRN-IPs. The bill appropriates \$202,019 in recurring funds and \$24,272 in nonrecurring funds from the Medical Quality Trust Fund, and four full-time equivalent positions with associated salary rate of 121,246, to the DOH to implement the Patient Access to Primary Care Program.⁴²

The bill's requirement that the DOH establish a Physician Student Loan Repayment Program has a significant negative fiscal impact on state expenditures. The DOH estimates the additional need of two FTE to administer the loan program at a total cost of \$143,173 (\$131,037 recurring; \$12,136 non-recurring) in the first year.⁴³ However, implementation of the loan program is subject to legislative appropriation.

⁴³ *Id.*

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 381.026, 382.008, 382.011, 394.463, 397.501, 400.141, 400.23, 400.461, 400.462, 400.464, 400.488, 456.053, 464.003, 464.015, 464.018, 626.9707, 627.6699, 627.736, 633.412, 641.495, 744.3675, 766.118, 768.135, and 960.28

This bill creates the following sections of the Florida Statutes: 381.40185, 400.489, 400.490, 400.52, 408.822, 464.0123, 464.0156, 464.2035, 627.64025, 627.6621, and 641.31075.

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS/CS by Appropriations on March 3, 2020:

The committee substitute:

- Makes conforming and technical changes.
- Authorizes nurse registries to be eligible to receive award designations under the Excellence in Home Health Program (program).
- Clarifies that an application for an award designation is not an application for licensure and that an award designation or denial by the AHCA does not constitute final agency action subject to ch. 120, F.S.
- Removes nurse registries from the requirements of the Direct Care Workforce Survey.
- Clarifies that an RN's delegation of prescription medications to a CNA or HHA is specific to patients of a home health agency.
- Authorizes positions and an appropriation to the AHCA.
- Establishes a physician student loan repayment program within the Department of Health (DOH).
- Establishes the Patient Access to Primary Care Program (Program) within the DOH to provide primary health care services in by allowing Advanced Practice Registered Nurses (APRN) who meet certain criteria to engage in the autonomous practice of advanced or specialized nursing without the supervision of a physician.
 - Removes the sunset date of July 1, 2031 and the requirement that the Program is a pilot program.
 - Requires APRN-IPs to practice primary care in primary care shortage areas for the first three years of independent practice, and thereafter, the amendment authorizes an APRN-IP to practice primary care statewide.

- Expands the definition of primary care shortage area to a geographic area, an area having a special population, or a facility with a score of at least 18, as designated and calculated by the Federal Health Resources and Services Administration or (instead of located in) a rural area as defined by the Federal Office of Rural Health Policy.
- Revises the composition of the Council on APRN-IP and adds more APRNs to the Council. Under the amendment, the Council will be composed of four physicians, four APRNs, and the Surgeon General or his or her designee.
- Authorizes the DOH, rather than the Board of Medicine (BOM) and Board of Osteopathic (BOOM) Medicine to adopt rules proposed by the Council regulating the practice of APRN-IPs.
- Authorizes the DOH, rather than the BOM or the BOOM, to adopt by rule APRN-IP scope of practice.
- Removes the requirement for third party credentialing and primary care certification examination of APRN-IPs.
- Requires 2,000 hours of clinical practice, instead of 10,000, within the last four years, instead of the last six years, in order to qualify as an APRN-IP.
- Removes the requirement for APRN-IPs to establish referral relationships and protocols for the transfer of patients to a hospital or nursing home, as well as the requirement to establish referral relationships and protocols with other physicians and specialists.
- Clarifies that the continuing education hours (40 hours) for an APRN-IP are inclusive of hours required for APRN and RN licenses (typically 30 hours).
- Modifies provisions for adverse incidents to include an injury that is likely to be permanent.
- Prohibits a health insurer from offering financial incentives to an insured for seeing an APRN-IP rather than a primary care physician.
- Requires DOH to adopt rules to implement the Program.
- Removes the OPPAGA study.
- Appropriates three FTE positions with an associated salary rate of 125,887, three OPS positions, and \$400,764 in recurring funds and \$408,731 in nonrecurring funds from the Health Care Trust Fund, in Fiscal Year 2020-2021 to the AHCA to manage stakeholder input and develop rules related to expansion of HHA and CNA duties, and create and implement the survey and program.
- Appropriates \$226,291 from the Medical Quality Trust Fund and four full-time equivalent positions to the DOH to implement the Patient Access to Primary Care Program.
- Amends the effective date to provide that except as otherwise expressly provided in the bill, the bill takes effect upon becoming a law.

CS by Health Policy on February 4, 2020:

The CS:

- Removes from the underlying bill a provision for non-nursing staff providing eating assistance to residents of a nursing home to count toward the nursing home's compliance with minimum staffing standards;

- Authorizes nursing home facilities to use paid feeding assistants as defined under federal law if the assistant has completed a 12-hour program developed by the AHCA;
- Removes from the underlying bill the specific authorization within nursing home statutes for a CNA to perform any task delegated to him or her by an RN, including, medication administration, in a nursing home setting;
- Removes from the underlying bill provisions to establish a Home Care Services Registry; and
- Removes from the underlying bill the specific authorization within CNA statutes for a CNA to administer medications to nursing home residents if delegated such a task by an RN.

B. Amendments:

None.

By the Committee on Health Policy; and Senator Albritton

588-03099-20

20201676c1

1 A bill to be entitled
 2 An act relating to direct care workers; amending s.
 3 400.141, F.S.; authorizing a nursing home facility to
 4 use paid feeding assistants in accordance with
 5 specified federal law under certain circumstances;
 6 providing training program requirements; authorizing
 7 the Agency for Health Care Administration to adopt
 8 rules; amending s. 400.23, F.S.; prohibiting paid
 9 feeding assistants from counting toward compliance
 10 with minimum staffing standards; amending s. 400.462,
 11 F.S.; revising the definition of the term "home health
 12 aide"; amending s. 400.464, F.S.; requiring a licensed
 13 home health agency that authorizes a registered nurse
 14 to delegate tasks to a certified nursing assistant to
 15 ensure that certain requirements are met; amending s.
 16 400.488, F.S.; authorizing an unlicensed person to
 17 assist with self-administration of certain treatments;
 18 revising the requirements for such assistance;
 19 creating s. 400.489, F.S.; authorizing a home health
 20 aide to administer certain prescription medications
 21 under certain conditions; requiring the home health
 22 aide to meet certain training and competency
 23 requirements; requiring the training, determination of
 24 competency, and annual validations of home health
 25 aides to be conducted by a registered nurse or a
 26 physician; requiring a home health aide to complete
 27 annual inservice training in medication administration
 28 and medication error prevention, in addition to
 29 existing annual inservice training requirements;

 39 establishing program criteria; requiring the agency to
 40 annually evaluate certain home health agencies that
 41 apply for a program designation; providing program
 42 designation eligibility requirements; providing that a
 43 program designation is not transferrable, with an
 44 exception; providing for the expiration of awarded
 45 designations; requiring home health agencies to
 46 reapply biennially to renew the awarded program
 47 designation; authorizing a program designation award
 48 recipient to use the designation in advertising and
 49 marketing; prohibiting a home health agency from using
 50 a program designation in advertising or marketing
 51 under certain circumstances; creating s. 408.822,
 52 F.S.; defining the term "direct care worker";
 53 requiring certain licensees to provide specified
 54 information about their employees in a survey
 55 beginning on a specified date; requiring that the
 56 survey be completed on a form adopted by the agency by
 57 rule and include a specified attestation; requiring
 58 licensees to submit such survey before the agency

Page 2 of 15

588-03099-20

20201676c1

59 renews their licenses; requiring the agency to
 60 continually analyze the results of such surveys and
 61 publish the results on the agency's website; requiring
 62 the agency to update such information monthly;
 63 creating s. 464.0156, F.S.; authorizing a registered
 64 nurse to delegate certain tasks to a certified nursing
 65 assistant or home health aide under certain
 66 conditions; providing the criteria that a registered
 67 nurse must consider in determining if a task may be
 68 delegated to a certified nursing assistant or a home
 69 health aide; authorizing a registered nurse to
 70 delegate prescription medication administration to a
 71 certified nursing assistant or home health aide,
 72 subject to certain requirements; providing an
 73 exception for certain controlled substances; requiring
 74 the Board of Nursing, in consultation with the agency,
 75 to adopt rules; amending s. 464.018, F.S.; subjecting
 76 a registered nurse to disciplinary action for
 77 delegating certain tasks to a person the registered
 78 nurse knows or has reason to know is unqualified to
 79 perform such tasks; creating s. 464.2035, F.S.;
 80 authorizing certified nursing assistants to administer
 81 certain prescription medications under certain
 82 conditions; requiring the certified nursing assistants
 83 to meet certain training and competency requirements;
 84 requiring the training, determination of competency,
 85 and annual validations of certified nursing assistants
 86 to be conducted by a registered nurse or a physician;
 87 requiring a certified nursing assistant to complete

Page 3 of 15

588-03099-20

20201676c1

88 annual inservice training in medication administration
 89 and medication error prevention in addition to
 90 existing annual inservice training requirements;
 91 requiring the board, in consultation with the agency,
 92 to adopt rules for medication administration by
 93 certified nursing assistants; providing an effective
 94 date.
 95

96 Be It Enacted by the Legislature of the State of Florida:
 97

98 Section 1. Paragraph (v) is added to subsection (1) of
 99 section 400.141, Florida Statutes, to read:

100 400.141 Administration and management of nursing home
 101 facilities.—

102 (1) Every licensed facility shall comply with all
 103 applicable standards and rules of the agency and shall:

104 (v) Be allowed to use paid feeding assistants as defined in
 105 42 C.F.R. s. 488.301, and in accordance with 42 C.F.R. s.
 106 483.60, if the paid feeding assistant has successfully completed
 107 a feeding assistant training program developed by the agency.

108 1. The feeding assistant training program must consist of a
 109 minimum of 12 hours of education and training and must include
 110 all of the topics and lessons specified in the program
 111 curriculum.

112 2. The program curriculum must include, but need not be
 113 limited to, training in all of the following content areas:

114 a. Feeding techniques.

115 b. Assistance with feeding and hydration.

116 c. Communication and interpersonal skills.

Page 4 of 15

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-03099-20

20201676c1

- 117 d. Appropriate responses to resident behavior.
 118 e. Safety and emergency procedures, including the first aid
 119 procedure used to treat upper airway obstructions.
 120 f. Infection control.
 121 g. Residents' rights.
 122 h. Recognizing changes in residents which are inconsistent
 123 with their normal behavior, and the importance of reporting
 124 those changes to the supervisory nurse.

125
 126 The agency may adopt rules to implement this paragraph.

127 Section 2. Paragraph (b) of subsection (3) of section
 128 400.23, Florida Statutes, is amended to read:

129 400.23 Rules; evaluation and deficiencies; licensure
 130 status.—

131 (3)

132 (b) Paid feeding assistants and nonnursing staff providing
 133 eating assistance to residents shall not count toward compliance
 134 with minimum staffing standards.

135 Section 3. Subsection (15) of section 400.462, Florida
 136 Statutes, is amended to read:

137 400.462 Definitions.—As used in this part, the term:

138 (15) "Home health aide" means a person who is trained or
 139 qualified, as provided by rule, and who provides hands-on
 140 personal care, performs simple procedures as an extension of
 141 therapy or nursing services, assists in ambulation or exercises,
 142 ~~or~~ assists in administering medications as permitted in rule and
 143 for which the person has received training established by the
 144 agency under this part, or performs tasks delegated to him or
 145 her under chapter 464 s. 400.497(1).

588-03099-20

20201676c1

146 Section 4. Present subsections (5) and (6) of section
 147 400.464, Florida Statutes, are redesignated as subsections (6)
 148 and (7), respectively, a new subsection (5) is added to that
 149 section, and present subsection (6) of that section is amended,
 150 to read:

151 400.464 Home health agencies to be licensed; expiration of
 152 license; exemptions; unlawful acts; penalties.—

153 (5) If a licensed home health agency authorizes a
 154 registered nurse to delegate tasks, including medication
 155 administration, to a certified nursing assistant pursuant to
 156 chapter 464 or to a home health aide pursuant to s. 400.490, the
 157 licensed home health agency must ensure that such delegation
 158 meets the requirements of this chapter and chapter 464 and the
 159 rules adopted thereunder.

160 (7)(6) Any person, entity, or organization providing home
 161 health services which is exempt from licensure under subsection
 162 (6) subsection (5) may voluntarily apply for a certificate of
 163 exemption from licensure under its exempt status with the agency
 164 on a form that specifies its name or names and addresses, a
 165 statement of the reasons why it is exempt from licensure as a
 166 home health agency, and other information deemed necessary by
 167 the agency. A certificate of exemption is valid for a period of
 168 not more than 2 years and is not transferable. The agency may
 169 charge an applicant \$100 for a certificate of exemption or
 170 charge the actual cost of processing the certificate.

171 Section 5. Subsections (2) and (3) of section 400.488,
 172 Florida Statutes, are amended to read:

173 400.488 Assistance with self-administration of medication.—

174 (2) Patients who are capable of self-administering their

588-03099-20

20201676c1

175 own medications without assistance shall be encouraged and
 176 allowed to do so. However, an unlicensed person may, consistent
 177 with a dispensed prescription's label or the package directions
 178 of an over-the-counter medication, assist a patient whose
 179 condition is medically stable with the self-administration of
 180 routine, regularly scheduled medications that are intended to be
 181 self-administered. Assistance with self-medication by an
 182 unlicensed person may occur only upon a documented request by,
 183 and the written informed consent of, a patient or the patient's
 184 surrogate, guardian, or attorney in fact. For purposes of this
 185 section, self-administered medications include both legend and
 186 over-the-counter oral dosage forms, topical dosage forms, and
 187 topical ophthalmic, otic, and nasal dosage forms, including
 188 solutions, suspensions, sprays, ~~and~~ inhalers, intermittent
 189 positive pressure breathing treatments, and nebulizer
 190 treatments.

191 (3) Assistance with self-administration of medication
 192 includes:

193 (a) Taking the medication, in its previously dispensed,
 194 properly labeled container, from where it is stored and bringing
 195 it to the patient.

196 (b) In the presence of the patient, confirming that the
 197 medication is intended for that patient, orally advising the
 198 patient of the medication name and purpose ~~reading the label,~~
 199 opening the container, removing a prescribed amount of
 200 medication from the container, and closing the container.

201 (c) Placing an oral dosage in the patient's hand or placing
 202 the dosage in another container and helping the patient by
 203 lifting the container to his or her mouth.

Page 7 of 15

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-03099-20

20201676c1

204 (d) Applying topical medications, including providing
 205 routine preventative skin care and basic wound care.

206 (e) Returning the medication container to proper storage.

207 (f) For intermittent positive pressure breathing treatments
 208 or for nebulizer treatments, assisting with setting up and
 209 cleaning the device in the presence of the patient, confirming
 210 that the medication is intended for that patient, orally
 211 advising the patient of the medication name and purpose, opening
 212 the container, removing the prescribed amount for a single
 213 treatment dose from a properly labeled container, and assisting
 214 the patient with placing the dose into the medicine receptacle
 215 or mouthpiece.

216 (g) ~~(f)~~ Keeping a record of when a patient receives
 217 assistance with self-administration under this section.

218 Section 6. Section 400.489, Florida Statutes, is created to
 219 read:

220 400.489 Administration of medication by a home health aide;
 221 staff training requirements.-

222 (1) A home health aide may administer oral, transdermal,
 223 ophthalmic, otic, rectal, inhaled, enteral, or topical
 224 prescription medications if the home health aide has been
 225 delegated such task by a registered nurse licensed under chapter
 226 464; has satisfactorily completed an initial 6-hour training
 227 course approved by the agency; and has been found competent to
 228 administer medication to a patient in a safe and sanitary
 229 manner. The training, determination of competency, and initial
 230 and annual validations required in this section shall be
 231 conducted by a registered nurse licensed under chapter 464 or a
 232 physician licensed under chapter 458 or chapter 459.

Page 8 of 15

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-03099-20

20201676c1

233 (2) A home health aide must annually and satisfactorily
 234 complete a 2-hour inservice training course approved by the
 235 agency in medication administration and medication error
 236 prevention. The inservice training course shall be in addition
 237 to the annual inservice training hours required by agency rules.

238 (3) The agency, in consultation with the Board of Nursing,
 239 shall establish by rule standards and procedures that a home
 240 health aide must follow when administering medication to a
 241 patient. Such rules must, at a minimum, address qualification
 242 requirements for trainers, requirements for labeling medication,
 243 documentation and recordkeeping, the storage and disposal of
 244 medication, instructions concerning the safe administration of
 245 medication, informed-consent requirements and records, and the
 246 training curriculum and validation procedures.

247 Section 7. Section 400.490, Florida Statutes, is created to
 248 read:

249 400.490 Nurse-delegated tasks.—A certified nursing
 250 assistant or home health aide may perform any task delegated by
 251 a registered nurse as authorized in chapter 464, including, but
 252 not limited to, medication administration.

253 Section 8. Section 400.52, Florida Statutes, is created to
 254 read:

255 400.52 Excellence in Home Health Program.—

256 (1) There is created within the agency the Excellence in
 257 Home Health Program for the purpose of awarding program
 258 designations to home health agencies that meet the criteria
 259 specified in this section.

260 (2) (a) The agency shall adopt rules establishing criteria
 261 for the program which must include, at a minimum, meeting

588-03099-20

20201676c1

262 standards relating to:

263 1. Patient satisfaction.

264 2. Patients requiring emergency care for wound infections.

265 3. Patients admitted or readmitted to an acute care
 266 hospital.

267 4. Patient improvement in the activities of daily living.

268 5. Employee satisfaction.

269 6. Quality of employee training.

270 7. Employee retention rates.

271 (b) The agency shall annually evaluate home health agencies
 272 seeking the program designation which apply on a form and in the
 273 manner designated by rule.

274 (3) To receive a program designation, the home health
 275 agency must:

276 (a) Be actively licensed and have been operating for at
 277 least 24 months before applying for the program designation. A
 278 designation awarded under the program is not transferrable to
 279 another licensee, unless the existing home health agency is
 280 being relicensed in the name of an entity related to the current
 281 licenseholder by common control or ownership and there will be
 282 no change in the management, operation, or programs of the home
 283 health agency as a result of the relicensure.

284 (b) Have not had any licensure denials, revocations, or
 285 Class I, Class II, or uncorrected Class III deficiencies within
 286 the 24 months before the application for the program
 287 designation.

288 (4) The program designation expires on the same date as the
 289 home health agency's license. A home health agency must reapply
 290 and be approved biennially for the program designation to

588-03099-20

20201676c1

291 continue using the program designation in the manner authorized
 292 under subsection (5).

293 (5) A home health agency that is awarded a designation
 294 under the program may use the designation in advertising and
 295 marketing. A home health agency may not use the program
 296 designation in any advertising or marketing if the home health
 297 agency:

298 (a) Has not been awarded the designation;

299 (b) Fails to renew the designation upon expiration of the
 300 awarded designation;

301 (c) Has undergone a change in ownership that does not
 302 qualify for an exception under paragraph (3)(a); or

303 (d) Has been notified that it no longer meets the criteria
 304 for the award upon reapplication after expiration of the awarded
 305 designation.

306 Section 9. Section 408.822, Florida Statutes, is created to
 307 read:

308 408.822 Direct care workforce survey.—

309 (1) For purposes of this section, the term "direct care
 310 worker" means a certified nursing assistant, a home health aide,
 311 a personal care assistant, a companion services or homemaker
 312 services provider, a paid feeding assistant trained under s.
 313 400.141(1)(v), or another individual who provides personal care
 314 as defined in s. 400.462 to individuals who are elderly,
 315 developmentally disabled, or chronically ill.

316 (2) Beginning January 1, 2021, each licensee that applies
 317 for licensure renewal as a nursing home facility licensed under
 318 part II of chapter 400; an assisted living facility licensed
 319 under part I of chapter 429; or a home health agency, nurse

588-03099-20

20201676c1

320 registry, or companion services or homemaker services provider
 321 licensed under part III of chapter 400 shall furnish the
 322 following information to the agency in a survey on the direct
 323 care workforce:

324 (a) The number of registered nurses and the number of
 325 direct care workers by category employed by the licensee.

326 (b) The turnover and vacancy rates of registered nurses and
 327 direct care workers and the contributing factors to these rates.

328 (c) The average employee wage for registered nurses and
 329 each category of direct care worker.

330 (d) Employment benefits for registered nurses and direct
 331 care workers and the average cost of such benefits to the
 332 employer and the employee.

333 (e) Type and availability of training for registered nurses
 334 and direct care workers.

335 (3) An administrator or designee shall include the
 336 information required in subsection (2) on a survey form
 337 developed by the agency by rule which must contain an
 338 attestation that the information provided is true and accurate
 339 to the best of his or her knowledge.

340 (4) The licensee must submit the completed survey prior to
 341 the agency issuing the license renewal.

342 (5) The agency shall continually analyze the results of the
 343 surveys and publish the results on its website. The agency shall
 344 update the information published on its website monthly.

345 Section 10. Section 464.0156, Florida Statutes, is created
 346 to read:

347 464.0156 Delegation of duties.—

348 (1) A registered nurse may delegate a task to a certified

588-03099-20

20201676c1

349 nursing assistant certified under part II of this chapter or a
 350 home health aide as defined in s. 400.462, if the registered
 351 nurse determines that the certified nursing assistant or the
 352 home health aide is competent to perform the task, the task is
 353 delegable under federal law, and the task:

354 (a) Is within the nurse's scope of practice.

355 (b) Frequently recurs in the routine care of a patient or
 356 group of patients.

357 (c) Is performed according to an established sequence of
 358 steps.

359 (d) Involves little or no modification from one patient to
 360 another.

361 (e) May be performed with a predictable outcome.

362 (f) Does not inherently involve ongoing assessment,
 363 interpretation, or clinical judgment.

364 (g) Does not endanger a patient's life or well-being.

365 (2) A registered nurse may delegate to a certified nursing
 366 assistant or a home health aide the administration of oral,
 367 transdermal, ophthalmic, otic, rectal, inhaled, enteral, or
 368 topical prescription medications, if the certified nursing
 369 assistant or home health aide meets the requirements of s.
 370 464.2035 or s. 400.489, respectively. A registered nurse may not
 371 delegate the administration of any controlled substance listed
 372 in Schedule II, Schedule III, or Schedule IV of s. 893.03 or 21
 373 U.S.C. s. 812.

374 (3) The board, in consultation with the Agency for Health
 375 Care Administration, shall adopt rules to implement this
 376 section.

377 Section 11. Paragraph (r) is added to subsection (1) of

588-03099-20

20201676c1

378 section 464.018, Florida Statutes, to read:

379 464.018 Disciplinary actions.—

380 (1) The following acts constitute grounds for denial of a
 381 license or disciplinary action, as specified in ss. 456.072(2)
 382 and 464.0095:

383 (r) Delegating professional responsibilities to a person
 384 when the nurse delegating such responsibilities knows or has
 385 reason to know that such person is not qualified by training,
 386 experience, certification, or licensure to perform them.

387 Section 12. Section 464.2035, Florida Statutes, is created
 388 to read:

389 464.2035 Administration of medication.—

390 (1) A certified nursing assistant may administer oral,
 391 transdermal, ophthalmic, otic, rectal, inhaled, enteral, or
 392 topical prescription medication to a patient of a home health
 393 agency if the certified nursing assistant has been delegated
 394 such task by a registered nurse licensed under part I of this
 395 chapter, has satisfactorily completed an initial 6-hour training
 396 course approved by the board, and has been found competent to
 397 administer medication to a patient in a safe and sanitary
 398 manner. The training, determination of competency, and initial
 399 and annual validations required under this section must be
 400 conducted by a registered nurse licensed under this chapter or a
 401 physician licensed under chapter 458 or chapter 459.

402 (2) A certified nursing assistant shall annually and
 403 satisfactorily complete 2 hours of inservice training in
 404 medication administration and medication error prevention
 405 approved by the board, in consultation with the Agency for
 406 Health Care Administration. The inservice training is in

588-03099-20

20201676c1

407 addition to the other annual inservice training hours required
408 under this part.

409 (3) The board, in consultation with the Agency for Health
410 Care Administration, shall establish by rule standards and
411 procedures that a certified nursing assistant must follow when
412 administering medication to a patient. Such rules must, at a
413 minimum, address qualification requirements for trainers,
414 requirements for labeling medication, documentation and
415 recordkeeping, the storage and disposal of medication,
416 instructions concerning the safe administration of medication,
417 informed-consent requirements and records, and the training
418 curriculum and validation procedures.

419 Section 13. This act shall take effect upon becoming a law.

The Florida Senate

Committee Agenda Request

To: Senator Rob Bradley, Chair
Committee on Appropriations

Subject: Committee Agenda Request

Date: February 21, 2020

I respectfully request that **Senate Bill #1676**, relating to Direct Care Workers, be placed on the:

- committee agenda at your earliest possible convenience.
- next committee agenda.

A handwritten signature in blue ink, appearing to read "Ben Albritton".

BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: PCS/CS/SB 1692 (532034)

INTRODUCER: Appropriations Committee (Recommended by Appropriations Subcommittee on Transportation, Tourism, and Economic Development); Infrastructure and Security Committee; and Senator Flores

SUBJECT: Driver Licenses

DATE: March 2, 2020

REVISED: _____

| | ANALYST | STAFF DIRECTOR | REFERENCE | ACTION |
|----|----------------|-----------------|------------|--------------------------|
| 1. | <u>Proctor</u> | <u>Miller</u> | <u>IS</u> | <u>Fav/CS</u> |
| 2. | <u>Wells</u> | <u>Hrdlicka</u> | <u>ATD</u> | <u>Recommend: Fav/CS</u> |
| 3. | <u>Wells</u> | <u>Kynoch</u> | <u>AP</u> | <u>Pre-meeting</u> |

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

PCS/CS/SB 1692 creates a capital letter “D” designation for a person who has a developmental disability to be placed on his or her driver license. Upon request the capital letter “D” will be exhibited on the driver license of a person who has a developmental disability if the person, or his or her parent or legal guardian, presents sufficient proof that the person has been diagnosed with a developmental disability by a licensed physician.

Until a person’s driver license is next renewed, the person, or their parent or legal guardian, may have the capital letter “D” added to their license upon the surrender of their current license and presentation of sufficient proof that the person has been diagnosed with a developmental disability by a licensed physician. If the applicant is not conducting any other transaction affecting the driver license, a replacement license may be issued with the capital letter “D” without payment of a fee.

The bill requires the Department of Highway Safety and Motor Vehicles to include an option on the driver license or identification card application form to make a voluntary contribution of \$1 or more to Childhood Cancer Care to be distributed to the Live Like Bella Childhood Cancer Foundation.

The bill may have an indeterminate negative fiscal impact. SB 1694 is linked to this bill and creates a fee to place the designation on a new, renewal, or replacement driver license.

The bill is effective October 1, 2020.

II. Present Situation:

Developmental Disability

“Developmental disability’ is a broad term that refers to a variety of conditions that interfere with a person’s ability to function in everyday activities.”¹ Under Florida law, a “developmental disability” is defined as disorder or syndrome that is attributable to intellectual disability, cerebral palsy, autism, spina bifida, Down syndrome, Phelan-McDermid syndrome, or Prader-Willi syndrome; that manifests before the age of 18; and that constitutes a substantial handicap that can reasonably be expected to continue indefinitely.² In 2016, the Florida Developmental Disabilities Council estimated that there were approximately 100,000 individuals living in Florida who met the developmental disability criteria.³

“Autism” is defined as a pervasive, neurologically based developmental disability of extended duration that causes severe learning, communication, and behavior disorders with age of onset during infancy or childhood. Individuals with autism exhibit impairment in reciprocal social interaction, impairment in verbal and nonverbal communication and imaginative ability, and a markedly restricted repertoire of activities and interests.⁴

The Center for Disease Control (CDC) estimates that one in 59 children have been identified with autism spectrum disorder (ASD).⁵ The CDC defines “autism spectrum disorder” as a developmental disability that can cause significant social, communication, and behavioral challenges. “There is often nothing about how people with ASD look that sets them apart from other people, but people with ASD may communicate, interact, behave, and learn in ways that are different from most other people. The learning, thinking, and problem-solving abilities of people with ASD can range from gifted to severely challenged. Some people with ASD need a lot of help in their daily lives; others need less.”⁶

A diagnosis of ASD includes several conditions that used to be diagnosed separately: autistic disorder, Asperger’s syndrome, and pervasive developmental disorder not otherwise specified.⁷

Live Like Bella Childhood Cancer Foundation

The Live Like Bella Childhood Cancer Foundation was founded in 2013 “to promote and increase community awareness of childhood cancers and diseases and the need for research and development of medical treatments for children through the dissemination of information to the general public; to use funds to support such activities; and to make grants, loans, or other distributions...”⁸ The Live Like Bella Childhood Cancer Foundation is named after Bella Rodriguez-Torres, who passed away at the age of 10 from pediatric cancer. The foundation’s mission is to help children with cancer maintain a love for life. As of September 2017, the Live Like Bella Childhood Cancer Foundation had served families in 44 states and 11 countries, having surpassed \$4 million in donations. To date, donations have been used for on-going research, memorial support, compassionate use, and in-treatment support.⁹

Designations on Driver Licenses and Identification Cards

Currently, the designations an individual may have voluntarily placed on his or her driver license or identification card are:¹⁰

- Lifetime sportsman license;
- Lifetime boater;
- Lifetime freshwater fishing license;
- Lifetime saltwater fishing license;
- Lifetime hunting license;
- Veteran;
- Insulin dependent;
- Organ donor; and
- Deaf/hard of hearing.

Additionally, an individual may have voluntarily placed on his or her identification card a designation that the person has a developmental disability.¹¹ Upon request of a person who has a developmental disability or a parent or guardian of a child or ward who has a developmental disability, the Department of Highway Safety and Motor Vehicles will issue an identification card that exhibits a capital “D.” The request must be accompanied by payment of an additional \$1 fee and sufficient proof that the person has been diagnosed with a developmental disability by a licensed physician.¹² A replacement license may be issued with the capital “D” without payment of the fee required in s. 322.21(1)(f), F.S.

⁹ Live Like Bella Childhood Cancer Foundation, *About Us*, available at <http://livelikebella.org/aboutus.html> (last visited February 18, 2020).

¹⁰ Sections 322.051(8), 322.14, 322.141(2), and 765.521, F.S. See Department of Highway Safety and Motor Vehicles, *General Information – License Classes, Endorsements & Designations*, available at <https://www.flhsmv.gov/driver-licenses-id-cards/general-information/license-classes-endorsements-designations/> (last visited February 12, 2020).

¹¹ Section 322.051(8)(e), F.S.

¹² The \$1 fee is deposited into the Agency for Persons with Disabilities Operations and Maintenance Trust Fund.

Replacement Driver Licenses

A replacement Class E driver license is \$25. If the replacement license is issued by the tax collector, \$7 is retained by the tax collector; otherwise the \$7 is deposited into the Highway Safety Operating Trust Fund. The remaining \$18 is deposited into the General Revenue Fund.¹³

Voluntary Contributions

The application form for an original, renewal, or replacement driver's license or identification card provides a voluntary contributions section that allows applicants to make a donation by checking a box on the form.¹⁴

The Florida Statutes specifically authorize which organizations can receive a voluntary contribution. Section 322.081, F.S., establishes the requirements for organizations seeking to establish a voluntary contribution on the application. Requirements include: a request for the particular voluntary contribution being sought, describing the proposed voluntary contribution in general terms; an application fee,¹⁵ not to exceed \$10,000, to defray the Department of Highway Safety and Motor Vehicles' cost for reviewing the application and developing the voluntary contribution checkoff, if authorized;¹⁶ a marketing strategy outlining short-term and long-term marketing plans for the requested voluntary contribution; and a financial analysis outlining the anticipated revenues and the planned expenditures of the revenues to be derived from the voluntary contribution.

This information must be submitted to the department at least 90 days before the next regular session of the Legislature convenes.

Section 322.081, F.S., also establishes a threshold for discontinuation of the voluntary contribution and oversight for organizations approved for a voluntary contribution on the application. The statute requires the Department of Highway Safety and Motor Vehicles to include any voluntary contributions approved by the Legislature on the application. The department must discontinue the voluntary contribution if less than \$25,000 has been contributed by the end of the 5th year or less than \$25,000 is contributed during any subsequent five-year period. Any voluntary contribution, or any interest earned from those contributions, is not to be used for commercial or for-profit activities or for general or administrative expenses; an organization to submit its audit to the department for review to determine if any voluntary contribution, or any interest earned from those contributions, was used for commercial or for-profit activities or for general or administrative expenses. All organizations required to operate under the Solicitation of Contributions Act, as provided in ch. 496, F.S., are to meet the requirements of that act before funds may be distributed.

The DHSMV is authorized to examine all records pertaining to the use of funds from the voluntary contributions by the organizations.

¹³ Section 322.21(1)(e), F.S.

¹⁴ Section 322.08(8), F.S., provides applicants with 19 options for voluntary contributions.

¹⁵ State funds may not be used to pay the application fee. See s. 322.081(1)(b), F.S.

¹⁶ If the voluntary contribution is not approved by the Legislature, the application fee must be refunded to the requesting organization. Section 322.081(2), F.S.

III. Effect of Proposed Changes:

Section 1 amends s. 320.08, F.S., to require the Department of Highway Safety and Motor Vehicles to include an option on the driver license or identification card application form to make a voluntary contribution of \$1 or more to Childhood Cancer Care. Any contributions will be distributed to the Live Like Bella Childhood Cancer Foundation.

Section 2 amends s. 322.14, F.S., to create a capital letter “D” designation for a person who has a developmental disability to be placed on his or her driver license. Upon request by a person who has a developmental disability¹⁷ or by a parent or guardian of a child or ward who has a developmental disability, the Department of Highway Safety and Motor Vehicles will issue a driver license that exhibits a capital letter “D” will be exhibited on the driver license. The request must be accompanied by sufficient proof that the person has been diagnosed with a developmental disability by a licensed physician.

Until a person’s driver license is next renewed, the person, or his or her parent or legal guardian, may have the capital letter “D” added to the license upon the surrender of the person’s current license and presentation of sufficient proof that the person has been diagnosed with a developmental disability by a licensed physician. If the applicant is not conducting any other transaction affecting the driver license, a replacement license may be issued with the capital letter “D” without payment of the fee required in s. 322.21(1)(e), F.S.

The bill has an effective date of October 1, 2020.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None.

¹⁷ As defined in s. 393.063, F.S.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

SB 1694, which is linked to this bill, establishes a \$1 fee that will be charged for the addition of the capital letter “D” to be exhibited on a new or renewed driver license, or a fee of \$2 to have the designation added to a replacement driver license, of a person who has a developmental disability, as defined in s. 393.063, F.S.

Section 322.21(1)(e), F.S., requires payment of a \$25 fee when an individual is getting a replacement driver license. The bill waives this fee when the applicant is getting a replacement driver license solely to get the new designation added to the card. This waiver should not affect revenues because the individual would not otherwise be obtaining a replacement license and the \$2 fee created in SB 1694 will offset the cost to print a new driver license.

B. Private Sector Impact:

Individuals may choose to make a voluntary contribution to the Live Like Bella Childhood Cancer Foundation, which will benefit from such contributions.

C. Government Sector Impact:

The bill may have an indeterminate negative fiscal impact, due to the cost to the tax collectors and the Department of Highway Safety and Motor Vehicles for replacing a driver license for those choosing to add the capital letter “D” designation prior to the renewal of their driver license, if SB 1694 or similar legislation establishing a fee is not adopted in the same legislative session or an extension thereof and becomes law.

There could be an indeterminate negative fiscal impact to the Department of Highway Safety and Motor Vehicles for programming to implement the “D” designation.

The Department of Highway Safety and Motor Vehicles also stated that it would train members of the Florida Highway Patrol and other law enforcement entities on the new designation and its meaning. However, the costs of such training would be absorbed within current resources.¹⁸

In 2019, for a similar provision to create a voluntary contribution to the application for motor vehicle registrations, the Department of Highway Safety and Motor Vehicles estimated a minimal fiscal impact for programming costs, which would be absorbed within existing resources.¹⁹

¹⁸ Department of Highway Safety and Motor Vehicles, *2020 Agency Legislative Bill Analysis HB 787 & HB 789*, January 23, 2020 (on file with the Senate Transportation, Tourism, and Economic Development Appropriations Subcommittee).

¹⁹ The Florida Senate, *Bill Analysis and Fiscal Impact Statement CS/CS/SB 252*, March 29, 2019.

VI. Technical Deficiencies:

None.

VII. Related Issues:

The Department of Highway Safety and Motor Vehicles stated “[t]he bill will likely benefit law enforcement by providing notification to officers of whether a person has a developmental disability. This knowledge could be vital in the de-escalation of scenarios during law enforcement encounters.”²⁰

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 322.08 and 322.14.

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

Recommend CS/CS by Appropriations Subcommittee on Transportation, Tourism, and Economic Development on February 18, 2020:

The committee substitute creates a voluntary contribution to the Live Like Bella Childhood Cancer Foundation on the application for a driver license or identification card. The committee substitute changes the effective date from July 1, 2020 to October 1, 2020.

CS by Infrastructure and Security on February 10, 2020:

The committee substitute adds a requirement that a person, or the person’s parent or guardian, must first request the “D” designation before it is added to a driver license.

- B. **Amendments:**

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill’s introducer or the Florida Senate.

Proposed Committee Substitute by the Committee on Appropriations
(Appropriations Subcommittee on Transportation, Tourism, and
Economic Development)

A bill to be entitled

An act relating to driver licenses; amending s.

322.08, F.S.; requiring application forms for
original, renewal, and replacement driver licenses and
identification cards to include language allowing a
voluntary contribution to the Live Like Bella
Childhood Cancer Foundation; amending s. 322.14, F.S.;
authorizing a person with specified disabilities to
have the capital letter "D" exhibited on his or her
driver license under certain circumstances; providing
requirements for the placement of such letter on a
person's driver license; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (8) of section 322.08, Florida
Statutes, is amended to read:

322.08 Application for license; requirements for license
and identification card forms.—

(8) The application form for an original, renewal, or
replacement driver license or identification card must include
language permitting the following:

(a) A voluntary contribution of \$1 per applicant, which
contribution shall be deposited into the Health Care Trust Fund
for organ and tissue donor education and for maintaining the
organ and tissue donor registry.

532034

576-03901-20

(b) A voluntary contribution of \$1 per applicant, which
shall be distributed to the Florida Council of the Blind.

(c) A voluntary contribution of \$2 per applicant, which
shall be distributed to the Hearing Research Institute,
Incorporated.

(d) A voluntary contribution of \$1 per applicant, which
shall be distributed to the Juvenile Diabetes Foundation
International.

(e) A voluntary contribution of \$1 per applicant, which
shall be distributed to the Children's Hearing Help Fund.

(f) A voluntary contribution of \$1 per applicant, which
shall be distributed to Family First, a nonprofit organization.

(g) A voluntary contribution of \$1 per applicant to Stop
Heart Disease, which shall be distributed to the Florida Heart
Research Institute, a nonprofit organization.

(h) A voluntary contribution of \$1 per applicant to Senior
Vision Services, which shall be distributed to the Florida
Association of Agencies Serving the Blind, Inc., a not-for-
profit organization.

(i) A voluntary contribution of \$1 per applicant for
services for persons with developmental disabilities, which
shall be distributed to The Arc of Florida.

(j) A voluntary contribution of \$1 to the Ronald McDonald
House, which shall be distributed each month to Ronald McDonald
House Charities of Tampa Bay, Inc.

(k) Notwithstanding s. 322.081, a voluntary contribution of
\$1 per applicant, which shall be distributed to the League
Against Cancer/La Liga Contra el Cancer, a not-for-profit
organization.

532034

576-03901-20

56 (l) A voluntary contribution of \$1 per applicant to Prevent
57 Child Sexual Abuse, which shall be distributed to Lauren's Kids,
58 Inc., a nonprofit organization.

59 (m) A voluntary contribution of \$1 per applicant, which
60 shall be distributed to Prevent Blindness Florida, a not-for-
61 profit organization, to prevent blindness and preserve the sight
62 of the residents of this state.

63 (n) Notwithstanding s. 322.081, a voluntary contribution of
64 \$1 per applicant to the state homes for veterans, to be
65 distributed on a quarterly basis by the department to the
66 Operations and Maintenance Trust Fund within the Department of
67 Veterans' Affairs.

68 (o) A voluntary contribution of \$1 per applicant to the
69 Disabled American Veterans, Department of Florida, which shall
70 be distributed quarterly to Disabled American Veterans,
71 Department of Florida, a nonprofit organization.

72 (p) A voluntary contribution of \$1 per applicant for Autism
73 Services and Supports, which shall be distributed to Achievement
74 and Rehabilitation Centers, Inc., Autism Services Fund.

75 (q) A voluntary contribution of \$1 per applicant to Support
76 Our Troops, which shall be distributed to Support Our Troops,
77 Inc., a Florida not-for-profit organization.

78 (r) Notwithstanding s. 322.081, a voluntary contribution of
79 \$1 per applicant to aid the homeless. Contributions made
80 pursuant to this paragraph shall be deposited into the Grants
81 and Donations Trust Fund of the Department of Children and
82 Families and used by the State Office on Homelessness to
83 supplement grants made under s. 420.622(4) and (5), provide
84 information to the public about homelessness in the state, and

532034

576-03901-20

85 provide literature for homeless persons seeking assistance.

86 (s) A voluntary contribution of \$1 or more per applicant to
87 End Breast Cancer, which shall be distributed to the Florida
88 Breast Cancer Foundation.

89 (t) A voluntary contribution of \$1 or more per applicant to
90 Childhood Cancer Care, which shall be distributed to the Live
91 Like Bella Childhood Cancer Foundation.

92
93 A statement providing an explanation of the purpose of the trust
94 funds shall also be included. For the purpose of applying the
95 service charge provided under s. 215.20, contributions received
96 under paragraphs (b)-(t) ~~(b)-(s)~~ are not income of a revenue
97 nature.

98 Section 2. Paragraph (f) is added to subsection (1) of
99 section 322.14, Florida Statutes, to read:

100 322.14 Licenses issued to drivers.-

101 (1)

102 (f)1. Upon request by a person who has a developmental
103 disability, or by a parent or guardian of a child or ward who
104 has a developmental disability, the capital letter "D" shall be
105 exhibited on the driver license of a person who has a
106 developmental disability, as defined in s. 393.063, if the
107 person, or his or her parent or legal guardian, presents
108 sufficient proof that the person has been diagnosed with a
109 developmental disability by a physician licensed under chapter
110 458 as determined by the department.

111 2. Until a person's driver license is next renewed, the
112 person, or his or her parent or legal guardian, may have the
113 capital letter "D" added to his or her license upon the

532034

576-03901-20

114 surrender of his or her current license and presentation of
115 sufficient proof that the person has been diagnosed with a
116 developmental disability by a physician licensed under chapter
117 458 as determined by the department. If the applicant is not
118 conducting any other transaction affecting the driver license, a
119 replacement license may be issued with the capital letter "D"
120 without payment of the fee required in s. 322.21(1)(e).

121 Section 3. This act shall take effect October 1, 2020.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: CS/CS/SB 1692

INTRODUCER: Appropriations Committee (Recommended by Appropriations Subcommittee on Transportation, Tourism, and Economic Development); Infrastructure and Security Committee; and Senator Flores

SUBJECT: Driver Licenses

DATE: March 4, 2020

REVISED: _____

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 1692 creates a capital letter “D” designation for a person who has a developmental disability to be placed on his or her driver license. Upon request the capital letter “D” will be exhibited on the driver license of a person who has a developmental disability if the person, or his or her parent or legal guardian, presents sufficient proof that the person has been diagnosed with a developmental disability by a licensed physician.

Until a person’s driver license is next renewed, the person, or their parent or legal guardian, may have the capital letter “D” added to their license upon the surrender of their current license and presentation of sufficient proof that the person has been diagnosed with a developmental disability by a licensed physician. If the applicant is not conducting any other transaction affecting the driver license, a replacement license may be issued with the capital letter “D” without payment of a fee.

The bill requires the Department of Highway Safety and Motor Vehicles to include an option on the driver license or identification card application form to make a voluntary contribution of \$1 or more to Childhood Cancer Care to be distributed to the Live Like Bella Childhood Cancer Foundation.

The bill may have an indeterminate negative fiscal impact. SB 1694 is linked to this bill and creates a fee to place the designation on a new, renewal, or replacement driver license.

The bill is effective October 1, 2020.

II. Present Situation:

Developmental Disability

“Developmental disability’ is a broad term that refers to a variety of conditions that interfere with a person’s ability to function in everyday activities.”¹ Under Florida law, a “developmental disability” is defined as disorder or syndrome that is attributable to intellectual disability, cerebral palsy, autism, spina bifida, Down syndrome, Phelan-McDermid syndrome, or Prader-Willi syndrome; that manifests before the age of 18; and that constitutes a substantial handicap that can reasonably be expected to continue indefinitely.² In 2016, the Florida Developmental Disabilities Council estimated that there were approximately 100,000 individuals living in Florida who met the developmental disability criteria.³

“Autism” is defined as a pervasive, neurologically based developmental disability of extended duration that causes severe learning, communication, and behavior disorders with age of onset during infancy or childhood. Individuals with autism exhibit impairment in reciprocal social interaction, impairment in verbal and nonverbal communication and imaginative ability, and a markedly restricted repertoire of activities and interests.⁴

The Center for Disease Control (CDC) estimates that one in 59 children have been identified with autism spectrum disorder (ASD).⁵ The CDC defines “autism spectrum disorder” as a developmental disability that can cause significant social, communication, and behavioral challenges. “There is often nothing about how people with ASD look that sets them apart from other people, but people with ASD may communicate, interact, behave, and learn in ways that are different from most other people. The learning, thinking, and problem-solving abilities of people with ASD can range from gifted to severely challenged. Some people with ASD need a lot of help in their daily lives; others need less.”⁶

A diagnosis of ASD includes several conditions that used to be diagnosed separately: autistic disorder, Asperger’s syndrome, and pervasive developmental disorder not otherwise specified.⁷

Live Like Bella Childhood Cancer Foundation

The Live Like Bella Childhood Cancer Foundation was founded in 2013 “to promote and increase community awareness of childhood cancers and diseases and the need for research and development of medical treatments for children through the dissemination of information to the general public; to use funds to support such activities; and to make grants, loans, or other distributions...”⁸ The Live Like Bella Childhood Cancer Foundation is named after Bella Rodriguez-Torres, who passed away at the age of 10 from pediatric cancer. The foundation’s mission is to help children with cancer maintain a love for life. As of September 2017, the Live Like Bella Childhood Cancer Foundation had served families in 44 states and 11 countries, having surpassed \$4 million in donations. To date, donations have been used for on-going research, memorial support, compassionate use, and in-treatment support.⁹

Designations on Driver Licenses and Identification Cards

Currently, the designations an individual may have voluntarily placed on his or her driver license or identification card are:¹⁰

- Lifetime sportsman license;
- Lifetime boater;
- Lifetime freshwater fishing license;
- Lifetime saltwater fishing license;
- Lifetime hunting license;
- Veteran;
- Insulin dependent;
- Organ donor; and
- Deaf/hard of hearing.

Additionally, an individual may have voluntarily placed on his or her identification card a designation that the person has a developmental disability.¹¹ Upon request of a person who has a developmental disability or a parent or guardian of a child or ward who has a developmental disability, the Department of Highway Safety and Motor Vehicles will issue an identification card that exhibits a capital “D.” The request must be accompanied by payment of an additional \$1 fee and sufficient proof that the person has been diagnosed with a developmental disability by a licensed physician.¹² A replacement license may be issued with the capital “D” without payment of the fee required in s. 322.21(1)(f), F.S.

See Department of Highway Safety and Motor Vehicles, *General Information – License Classes, Endorsements & Designations*, available at <https://www.flhsmv.gov/driver-licenses-id-cards/general-information/license-classes-endorsements-designations/> (last visited February 12, 2020).

¹¹ Section 322.051(8)(e), F.S.

¹² The \$1 fee is deposited into the Agency for Persons with Disabilities Operations and Maintenance Trust Fund.

Replacement Driver Licenses

A replacement Class E driver license is \$25. If the replacement license is issued by the tax collector, \$7 is retained by the tax collector; otherwise the \$7 is deposited into the Highway Safety Operating Trust Fund. The remaining \$18 is deposited into the General Revenue Fund.¹³

Voluntary Contributions

The application form for an original, renewal, or replacement driver's license or identification card provides a voluntary contributions section that allows applicants to make a donation by checking a box on the form.¹⁴

The Florida Statutes specifically authorize which organizations can receive a voluntary contribution. Section 322.081, F.S., establishes the requirements for organizations seeking to establish a voluntary contribution on the application. Requirements include: a request for the particular voluntary contribution being sought, describing the proposed voluntary contribution in general terms; an application fee,¹⁵ not to exceed \$10,000, to defray the Department of Highway Safety and Motor Vehicles' cost for reviewing the application and developing the voluntary contribution checkoff, if authorized;¹⁶ a marketing strategy outlining short-term and long-term marketing plans for the requested voluntary contribution; and a financial analysis outlining the anticipated revenues and the planned expenditures of the revenues to be derived from the voluntary contribution.

This information must be submitted to the department at least 90 days before the next regular session of the Legislature convenes.

Section 322.081, F.S., also establishes a threshold for discontinuation of the voluntary contribution and oversight for organizations approved for a voluntary contribution on the application. The statute requires the Department of Highway Safety and Motor Vehicles to include any voluntary contributions approved by the Legislature on the application. The department must discontinue the voluntary contribution if less than \$25,000 has been contributed by the end of the 5th year or less than \$25,000 is contributed during any subsequent five-year period. Any voluntary contribution, or any interest earned from those contributions, is not to be used for commercial or for-profit activities or for general or administrative expenses; an organization to submit its audit to the department for review to determine if any voluntary contribution, or any interest earned from those contributions, was used for commercial or for-profit activities or for general or administrative expenses. All organizations required to operate under the Solicitation of Contributions Act, as provided in ch. 496, F.S., are to meet the requirements of that act before funds may be distributed.

The DHSMV is authorized to examine all records pertaining to the use of funds from the voluntary contributions by the organizations.

¹³ Section 322.21(1)(e), F.S.

¹⁴ Section 322.08(8), F.S., provides applicants with 19 options for voluntary contributions.

¹⁵ State funds may not be used to pay the application fee. See s. 322.081(1)(b), F.S.

¹⁶ If the voluntary contribution is not approved by the Legislature, the application fee must be refunded to the requesting organization. Section 322.081(2), F.S.

III. Effect of Proposed Changes:

Section 1 amends s. 320.08, F.S., to require the Department of Highway Safety and Motor Vehicles to include an option on the driver license or identification card application form to make a voluntary contribution of \$1 or more to Childhood Cancer Care. Any contributions will be distributed to the Live Like Bella Childhood Cancer Foundation.

Section 2 amends s. 322.14, F.S., to create a capital letter “D” designation for a person who has a developmental disability to be placed on his or her driver license. Upon request by a person who has a developmental disability¹⁷ or by a parent or guardian of a child or ward who has a developmental disability, the Department of Highway Safety and Motor Vehicles will issue a driver license that exhibits a capital letter “D” will be exhibited on the driver license. The request must be accompanied by sufficient proof that the person has been diagnosed with a developmental disability by a physician licensed under either ch. 458, F.S., or ch. 459, F.S.

Until a person’s driver license is next renewed, the person, or his or her parent or legal guardian, may have the capital letter “D” added to the license upon the surrender of the person’s current license and presentation of sufficient proof that the person has been diagnosed with a developmental disability by a licensed physician. If the applicant is not conducting any other transaction affecting the driver license, a replacement license may be issued with the capital letter “D” without payment of the fee required in s. 322.21(1)(e), F.S.

The bill has an effective date of October 1, 2020.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None.

¹⁷ As defined in s. 393.063, F.S.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

SB 1694, which is linked to this bill, establishes a \$1 fee that will be charged for the addition of the capital letter “D” to be exhibited on a new or renewed driver license, or a fee of \$2 to have the designation added to a replacement driver license, of a person who has a developmental disability, as defined in s. 393.063, F.S.

Section 322.21(1)(e), F.S., requires payment of a \$25 fee when an individual is getting a replacement driver license. The bill waives this fee when the applicant is getting a replacement driver license solely to get the new designation added to the card. This waiver should not affect revenues because the individual would not otherwise be obtaining a replacement license and the \$2 fee created in SB 1694 will offset the cost to print a new driver license.

B. Private Sector Impact:

Individuals may choose to make a voluntary contribution to the Live Like Bella Childhood Cancer Foundation, which will benefit from such contributions.

C. Government Sector Impact:

The bill may have an indeterminate negative fiscal impact, due to the cost to the tax collectors and the Department of Highway Safety and Motor Vehicles for replacing a driver license for those choosing to add the capital letter “D” designation prior to the renewal of their driver license, if SB 1694 or similar legislation establishing a fee is not adopted in the same legislative session or an extension thereof and becomes law.

There could be an indeterminate negative fiscal impact to the Department of Highway Safety and Motor Vehicles for programming to implement the “D” designation.

The Department of Highway Safety and Motor Vehicles also stated that it would train members of the Florida Highway Patrol and other law enforcement entities on the new designation and its meaning. However, the costs of such training would be absorbed within current resources.¹⁸

In 2019, for a similar provision to create a voluntary contribution to the application for motor vehicle registrations, the Department of Highway Safety and Motor Vehicles estimated a minimal fiscal impact for programming costs, which would be absorbed within existing resources.¹⁹

¹⁸ Department of Highway Safety and Motor Vehicles, *2020 Agency Legislative Bill Analysis HB 787 & HB 789*, January 23, 2020 (on file with the Senate Transportation, Tourism, and Economic Development Appropriations Subcommittee).

¹⁹ The Florida Senate, *Bill Analysis and Fiscal Impact Statement CS/CS/SB 252*, March 29, 2019.

VI. Technical Deficiencies:

None.

VII. Related Issues:

The Department of Highway Safety and Motor Vehicles stated “[t]he bill will likely benefit law enforcement by providing notification to officers of whether a person has a developmental disability. This knowledge could be vital in the de-escalation of scenarios during law enforcement encounters.”²⁰

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 322.08 and 322.14.

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS/CS by Appropriations on March 3, 2020:

The committee substitute creates a voluntary contribution to the Live Like Bella Childhood Cancer Foundation on the application for a driver license or identification card. The committee substitute clarifies that a diagnosis of a developmental disability by a physician licensed under ch. 458, F.S., *or* ch. 459, F.S., is sufficient proof. The committee substitute changes the effective date from July 1, 2020 to October 1, 2020.

CS by Infrastructure and Security on February 10, 2020:

The committee substitute adds a requirement that a person, or the person’s parent or guardian, must first request the “D” designation before it is added to a driver license.

- B. **Amendments:**

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill’s introducer or the Florida Senate.

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

PCS/CS/SB 1694 establishes a \$1 fee that will be charged for the addition of the capital letter “D” to be exhibited on a new or renewed driver license, or a fee of \$2 to have the designation added to a replacement driver license, of a person who has a developmental disability, as defined in section 393.063, Florida Statutes.

SB 1692 is a linked bill that creates a capital letter “D” designation for a person who has a developmental disability to be placed on his or her driver license, upon request for a new, renewal, or replacement driver license.

The bill may have an insignificant, positive fiscal impact. The Revenue Estimating Conference has not yet met to estimate the impact of the bill.

The bill will take effect on the same date that SB 1692 or similar legislation takes effect, if such legislation is adopted in the same legislative session or an extension thereof and becomes a law.

II. Present Situation:

Developmental Disability

“Developmental disability’ is a broad term that refers to a variety of conditions that interfere with a person’s ability to function in everyday activities.”¹ Under Florida law, a “developmental disability” is defined as disorder or syndrome that is attributable to intellectual disability, cerebral palsy, autism, spina bifida, Down syndrome, Phelan-McDermid syndrome, or Prader-Willi syndrome; that manifests before the age of 18; and that constitutes a substantial handicap that can reasonably be expected to continue indefinitely.² In 2016, the Florida Developmental Disabilities Council estimated that there were approximately 100,000 individuals living in Florida who met the developmental disability criteria.³

“Autism” is defined as a pervasive, neurologically based developmental disability of extended duration which causes severe learning, communication, and behavior disorders with age of onset during infancy or childhood. Individuals with autism exhibit impairment in reciprocal social interaction, impairment in verbal and nonverbal communication and imaginative ability, and a markedly restricted repertoire of activities and interests.⁴

The Center for Disease Control (CDC) estimates that one in 59 children have been identified with autism spectrum disorder (ASD).⁵ The CDC defines “autism spectrum disorder” as a developmental disability that can cause significant social, communication, and behavioral challenges. “There is often nothing about how people with ASD look that sets them apart from other people, but people with ASD may communicate, interact, behave, and learn in ways that are different from most other people. The learning, thinking, and problem-solving abilities of people with ASD can range from gifted to severely challenged. Some people with ASD need a lot of help in their daily lives; others need less.”⁶

A diagnosis of ASD includes several conditions that used to be diagnosed separately: autistic disorder, Asperger’s syndrome, and pervasive developmental disorder not otherwise specified.⁷

Designations on Driver Licenses and Identification Cards

Currently, the designations an individual may have voluntarily placed on his or her driver license or identification card are:⁸

¹ Florida Developmental Disabilities Council, *Developmental Disability Services in Florida*, available at <https://www.fddc.org/places-to-find-help> (last visited February 12, 2020).

² Section 393.063(12), F.S.

³ Senate Bill Analysis and Fiscal Impact Statement, *CS/CS/SB 718*, February 29, 2016.

⁴ Section 393.063(5), F.S.

⁵ Center for Disease Control and Prevention, Autism and Developmental Disabilities Monitoring (ADDM) Network, available at <https://www.cdc.gov/ncbddd/autism/addm.html> (last visited February 12, 2020).

⁶ Center for Disease Control and Prevention, What is Autism Spectrum Disorder?, <https://www.cdc.gov/ncbddd/autism/facts.html> available at (last visited February 12, 2020).

⁷ *Id.* See also ss. 627.6686(2)(b) and 641.31098(2), F.S.

⁸ Sections 322.051(8), 322.14, 322.141(2), and 765.521, F.S. See Department of Highway Safety and Motor Vehicles, *General Information – License Classes, Endorsements & Designations*, available at <https://www.flhsmv.gov/driver-licenses-id-cards/general-information/license-classes-endorsements-designations/> (last visited February 12, 2020.).

- Lifetime sportsman license;
- Lifetime boater;
- Lifetime freshwater fishing license;
- Lifetime saltwater fishing license;
- Lifetime hunting license;
- Veteran;
- Insulin dependent;
- Organ donor; and
- Deaf/hard of hearing.

Additionally, an individual may have voluntarily placed on his or her identification card a designation that the person has a developmental disability.⁹ Upon request of a person who has a developmental disability or a parent or guardian of a child or ward who has a developmental disability, the Department of Highway Safety and Motor Vehicles will issue an identification card that exhibits a capital “D.” The request must be accompanied by payment of an additional \$1 fee and sufficient proof that the person has been diagnosed with a developmental disability by a licensed physician.¹⁰ A replacement license may be issued with the capital “D” without payment of the fee required in s. 322.21(1)(f), F.S.

Replacement Driver Licenses

A replacement Class E driver license is \$25. If the replacement license is issued by the tax collector, \$7 is retained by the tax collector, otherwise the \$7 is deposited into the Highway Safety Operating Trust Fund. The remaining \$18 is deposited into the General Revenue Fund.¹¹

III. Effect of Proposed Changes:

The bill establishes a \$1 fee that will be charged for the addition of the capital letter “D” to be exhibited on a new or renewed driver license, or a fee of \$2 to have the designation added to a replacement driver license, of a person who has a developmental disability, as defined in s. 393.063, F.S.

The bill directs the \$2 fee to be deposited in the Highway Safety Operating Trust Fund.

The bill will take effect on the same date that SB 1692 or similar legislation takes effect, if such legislation is adopted in the same legislative session or an extension thereof and becomes a law.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

⁹ Section 322.051(8)(e), F.S.

¹⁰ The \$1 fee is deposited into the Agency for Persons with Disabilities Operations and Maintenance Trust Fund.

¹¹ Section 322.21(1)(e), F.S.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

Article VII, s.19 of the Florida Constitution requires “a supermajority vote” of two-thirds of the membership of each house to pass legislation which will impose or authorize a new state tax or fee.¹² A “fee” is defined as “any charge or payment required by law, including any fee for service, fee or cost for licenses, and charge for service.”¹³ A state tax or fee imposed or authorized must be contained in a separate bill that contains no other subject.¹⁴

The \$1 fee that will be charged for the addition of the capital letter “D” to be exhibited on a new or renewed driver license and the fee of \$2 to have the designation added to a replacement driver license of a person who has a developmental disability may be new state fees subject to the constitutional requirements.

E. Other Constitutional Issues:

None.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

The bill establishes a \$1 fee that will be charged for the addition of the capital letter “D” to be exhibited on a new or renewed driver license, or a fee of \$2 to have the designation added to a replacement driver license, of a person who has a developmental disability, as defined in s. 393.063, F.S.

B. Private Sector Impact:

Individuals who choose the addition of the capital letter “D” to be exhibited on their driver license will pay an additional fee of \$1 for a new or renewed driver license and \$2 for a replacement driver license in addition to existing fees.

¹² FLA. CONST. art. VII, s. 19(a).

¹³ FLA. CONST. art. VII, s. 19(d)(1).

¹⁴ FLA. CONST. art. VII, s. 19(e).

C. Government Sector Impact:

The bill may have an insignificant, positive fiscal impact to the Highway Safety Operating Trust Fund. The Revenue Estimating Conference has not yet met to estimate the impact of the bill.

For a new or renewed driver license the \$1 additional fee would be deposited in the Highway Safety Operating Trust Fund. For a replacement driver license the \$2 additional fee would be deposited in the Highway Safety Operating Trust Fund.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends section 322.14 of the Florida Statutes.

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

Recommend CS/CS by Appropriations Subcommittee on Transportation, Tourism, and Economic Development on February 18, 2020:

The committee substitute adds language to the bill to correspond to the amendment in SB 1692 to s. 322.14, F.S., which provides that the designation will be added upon the request of the person who has a developmental disability or such a person's parent or guardian.

CS by Infrastructure and Security on February 10, 2020:

The committee substitute links the bill to SB 1692 to provide the fee component for the addition of the "D" designation on a driver license, as well as for linking the effective date to the same date provided in SB 1692 or similar legislation that takes effect, if adopted in the same legislative session or an extension thereof and becomes a law.

- B. **Amendments:**

None.

Proposed Committee Substitute by the Committee on Appropriations
(Appropriations Subcommittee on Transportation, Tourism, and
Economic Development)

A bill to be entitled

An act relating to driver license fees; amending s.
322.14, F.S.; providing fees for the placement of a
specified letter on the driver license of a person who
has a developmental disability; providing a contingent
effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Paragraph (f) of subsection (1) of section
322.14, Florida Statutes, as created by SB 1692, is amended to
read:

322.14 Licenses issued to drivers.—

(1)

(f)1. Upon request by a person who has a developmental
disability, or by a parent or guardian of a child or ward who
has a developmental disability, the capital letter "D" shall be
exhibited on the driver license of a person who has a
developmental disability, as defined in s. 393.063, upon the
payment of an additional \$1 fee for the license and if the
person, or his or her parent or legal guardian, presents
sufficient proof that the person has been diagnosed with a
developmental disability by a physician licensed under chapter
458 as determined by the department.

2. Until a person's driver license is next renewed, the
person, or his or her parent or legal guardian, may have the

909602

576-03902-20

capital letter "D" added to his or her license upon the
surrender of his or her current license, payment of a \$2 fee to
be deposited into the Highway Safety Operating Trust Fund, and
presentation of sufficient proof that the person has been
diagnosed with a developmental disability by a physician
licensed under chapter 458 as determined by the department. If
the applicant is not conducting any other transaction affecting
the driver license, a replacement license may be issued with the
capital letter "D" without payment of the fee required in s.
322.21(1)(e).

Section 2. This act shall take effect on the same date that
SB 1692 or similar legislation takes effect, if such legislation
is adopted in the same legislative session or an extension
thereof and becomes a law.

COMMITTEE SUBSTITUTE - Technical Changes

I. Summary:

CS/CS/SB 1694 establishes a \$1 fee that will be charged for the addition of the capital letter “D” to be exhibited on a new or renewed driver license, or a fee of \$2 to have the designation added to a replacement driver license, of a person who has a developmental disability, as defined in section 393.063, Florida Statutes.

SB 1692 is a linked bill that creates a capital letter “D” designation for a person who has a developmental disability to be placed on his or her driver license, upon request for a new, renewal, or replacement driver license.

The bill may have an insignificant, positive fiscal impact. The Revenue Estimating Conference has not yet met to estimate the impact of the bill.

The bill will take effect on the same date that SB 1692 or similar legislation takes effect, if such legislation is adopted in the same legislative session or an extension thereof and becomes a law.

II. Present Situation:

Developmental Disability

“Developmental disability’ is a broad term that refers to a variety of conditions that interfere with a person’s ability to function in everyday activities.”¹ Under Florida law, a “developmental disability” is defined as disorder or syndrome that is attributable to intellectual disability, cerebral palsy, autism, spina bifida, Down syndrome, Phelan-McDermid syndrome, or Prader-Willi syndrome; that manifests before the age of 18; and that constitutes a substantial handicap that can reasonably be expected to continue indefinitely.² In 2016, the Florida Developmental Disabilities Council estimated that there were approximately 100,000 individuals living in Florida who met the developmental disability criteria.³

“Autism” is defined as a pervasive, neurologically based developmental disability of extended duration which causes severe learning, communication, and behavior disorders with age of onset during infancy or childhood. Individuals with autism exhibit impairment in reciprocal social interaction, impairment in verbal and nonverbal communication and imaginative ability, and a markedly restricted repertoire of activities and interests.⁴

The Center for Disease Control (CDC) estimates that one in 59 children have been identified with autism spectrum disorder (ASD).⁵ The CDC defines “autism spectrum disorder” as a developmental disability that can cause significant social, communication, and behavioral challenges. “There is often nothing about how people with ASD look that sets them apart from other people, but people with ASD may communicate, interact, behave, and learn in ways that are different from most other people. The learning, thinking, and problem-solving abilities of people with ASD can range from gifted to severely challenged. Some people with ASD need a lot of help in their daily lives; others need less.”⁶

A diagnosis of ASD includes several conditions that used to be diagnosed separately: autistic disorder, Asperger’s syndrome, and pervasive developmental disorder not otherwise specified.⁷

Designations on Driver Licenses and Identification Cards

Currently, the designations an individual may have voluntarily placed on his or her driver license or identification card are:⁸

- Lifetime sportsman license;
- Lifetime boater;
- Lifetime freshwater fishing license;
- Lifetime saltwater fishing license;
- Lifetime hunting license;
- Veteran;
- Insulin dependent;
- Organ donor; and
- Deaf/hard of hearing.

Additionally, an individual may have voluntarily placed on his or her identification card a designation that the person has a developmental disability.⁹ Upon request of a person who has a developmental disability or a parent or guardian of a child or ward who has a developmental disability, the Department of Highway Safety and Motor Vehicles will issue an identification card that exhibits a capital “D.” The request must be accompanied by payment of an additional \$1 fee and sufficient proof that the person has been diagnosed with a developmental disability by a licensed physician.¹⁰ A replacement license may be issued with the capital “D” without payment of the fee required in s. 322.21(1)(f), F.S.

Replacement Driver Licenses

A replacement Class E driver license is \$25. If the replacement license is issued by the tax collector, \$7 is retained by the tax collector, otherwise the \$7 is deposited into the Highway Safety Operating Trust Fund. The remaining \$18 is deposited into the General Revenue Fund.¹¹

III. Effect of Proposed Changes:

The bill establishes a \$1 fee that will be charged for the addition of the capital letter “D” to be exhibited on a new or renewed driver license, or a fee of \$2 to have the designation added to a replacement driver license, of a person who has a developmental disability, as defined in s. 393.063, F.S.

The bill directs the \$2 fee to be deposited in the Highway Safety Operating Trust Fund.

The bill will take effect on the same date that SB 1692 or similar legislation takes effect, if such legislation is adopted in the same legislative session or an extension thereof and becomes a law.

⁸ Sections 322.051(8), 322.14, 322.141(2), and 765.521, F.S. See Department of Highway Safety and Motor Vehicles, *General Information – License Classes, Endorsements & Designations*, available at <https://www.flhsmv.gov/driver-licenses-id-cards/general-information/license-classes-endorsements-designations/> (last visited February 12, 2020).

⁹ Section 322.051(8)(e), F.S.

¹⁰ The \$1 fee is deposited into the Agency for Persons with Disabilities Operations and Maintenance Trust Fund.

¹¹ Section 322.21(1)(e), F.S.

IV. Constitutional Issues:**A. Municipality/County Mandates Restrictions:**

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

Article VII, s.19 of the Florida Constitution requires “a supermajority vote” of two-thirds of the membership of each house to pass legislation which will impose or authorize a new state tax or fee.¹² A “fee” is defined as “any charge or payment required by law, including any fee for service, fee or cost for licenses, and charge for service.”¹³ A state tax or fee imposed or authorized must be contained in a separate bill that contains no other subject.¹⁴

The \$1 fee that will be charged for the addition of the capital letter “D” to be exhibited on a new or renewed driver license and the fee of \$2 to have the designation added to a replacement driver license of a person who has a developmental disability may be new state fees subject to the constitutional requirements.

E. Other Constitutional Issues:

None.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

The bill establishes a \$1 fee that will be charged for the addition of the capital letter “D” to be exhibited on a new or renewed driver license, or a fee of \$2 to have the designation added to a replacement driver license, of a person who has a developmental disability, as defined in s. 393.063, F.S.

¹² FLA. CONST. art. VII, s. 19(a).

¹³ FLA. CONST. art. VII, s. 19(d)(1).

¹⁴ FLA. CONST. art. VII, s. 19(e).

B. Private Sector Impact:

Individuals who choose the addition of the capital letter “D” to be exhibited on their driver license will pay an additional fee of \$1 for a new or renewed driver license and \$2 for a replacement driver license in addition to existing fees.

C. Government Sector Impact:

The bill may have an insignificant, positive fiscal impact to the Highway Safety Operating Trust Fund. The Revenue Estimating Conference has not yet met to estimate the impact of the bill.

For a new or renewed driver license the \$1 additional fee would be deposited in the Highway Safety Operating Trust Fund. For a replacement driver license the \$2 additional fee would be deposited in the Highway Safety Operating Trust Fund.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends section 322.14 of the Florida Statutes.

IX. Additional Information:**A. Committee Substitute – Statement of Changes:**

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS/CS by Appropriations on March 3, 2020:

The committee substitute adds language to the bill to correspond to the amendments made to SB 1692. The additional language provides that the designation will be added upon the request of the person who has a developmental disability or such a person’s parent or guardian and that the a diagnosis of a developmental disability by a physician licensed under ch. 458, F.S., *or* ch. 459, F.S., is sufficient proof.

CS by Infrastructure and Security on February 10, 2020:

The committee substitute links the bill to SB 1692 to provide the fee component for the addition of the “D” designation on a driver license, as well as for linking the effective date to the same date provided in SB 1692 or similar legislation that takes effect, if adopted in the same legislative session or an extension thereof and becomes a law.

B. Amendments:

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill's introducer or the Florida Senate.

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

PCS/CS/SB 1726 addresses statutory duties and responsibilities of the Agency for Health Care Administration (AHCA) relating to the regulation of health care facilities and providers. The bill:

- Modifies annual birth center reporting to the AHCA.
- Removes outdated language relating to certificate of need, to allow hospital licenses to correctly reflect the actual bed categories provided by a licensee.
- Reinstates the AHCA's authority to require hospital adult cardiac programs to participate in national reporting and quality registries.
- Extends the current rural hospital designation to 2025 (set to expire June 30, 2021).
- Repeals an unenforceable annual assessment ruled unconstitutional.
- Removes provisions requiring fixed inspection time frames for nursing home facilities, hospices, assisted living facilities, and adult family care homes.
- Revises definitions and licensure requirements related to home health agencies.
- Creates an exemption to health care clinic licensure for federally certified providers.
- Removes the ability of a health care clinic to submit a surety bond instead of submitting certain documents as proof of financial ability to operate to satisfy initial licensure requirements.
- Creates risked-based licensure inspections for nurse registries, home medical equipment providers, and health care clinics to provide the AHCA the flexibility to inspect high-performing providers less frequently than poor performers.

- Authorizes the AHCA to adopt rules to waive a routine inspection, to waive an inspection for relicensure, or to allow an extended period between inspections for any provider type based upon specified factors.
- Authorizes the AHCA to issue a provisional license to all provider types.
- Revises requirements for the approval of comprehensive emergency management plans for newly-licensed facilities.
- Authorizes the AHCA to collect all legal fees incurred while defending a Medicaid case if the AHCA prevails.
- Clarifies the AHCA's authority to conduct retrospective reviews of Medicaid hospital inpatient claims and recover overpayments.
- Revises background screening regulations for health care provider staff.
- Removes class III psychiatric facilities from the diagnosis-related group (DRG) payment methodology.
- Removes the nursing home unit cost rate freeze.
- Aligns the state Medicaid anti-kickback law with the federal anti-kickback law.
- Requires the AHCA to extend the term of contracts awarded to Statewide Medicaid Managed Care plans (the Managed Medical Assistance Program, Long-term Care Program, and Dental Program) from five- to six-years, effectively extending current contracts through December 31, 2024.
- Requires the Florida Center for Health Information and Transparency to publish an annual report identifying health care services with the most significant price variation at statewide and regional levels.
- Expands the list of shoppable health care services that qualify for a shared savings incentive for patients to include services with the most significant price variation. Allows cash and cash equivalent incentives in shared savings incentives.
- Repeals multiphasic health testing center licensure.
- Replaces several legislatively mandated reports with online publications and repeals obsolete reports.

The bill has an indeterminate yet likely insignificant fiscal impact to the AHCA. See Section V.

The bill takes effect on July 1, 2020, except as otherwise expressly provided in the bill and except for the effective date section, which takes effect upon this bill becoming a law.

II. Present Situation:

The Agency for Health Care Administration (AHCA) is created in s. 20.42, F.S. It is the chief health policy and planning entity for the state and is responsible for, among other things, health facility licensure, inspection, and regulatory enforcement. It licenses or certifies and regulates 40 different types of health care providers, including hospitals, nursing homes, assisted living facilities, and home health agencies. In total, the AHCA licenses, certifies, regulates or provides exemptions for more than 48,000 providers.¹

¹ See the Agency for Health Care Administration, Division of Health Quality Assurance <http://ahca.myflorida.com/MCHQ/index.shtml> (last visited Jan. 23, 2020).

Generally applicable provisions of health care provider licensure are addressed in the Health Care Licensing Procedures Act in part II of ch. 408, F.S. Additional chapters or sections in the Florida Statutes provide specific licensure or regulatory requirements pertaining to health care providers in this state.²

Due to the many diverse issues within the bill, pertinent background information is provided within the effect of proposed changes for the reader's convenience.

III. Effect of Proposed Changes:

Birth Center Reporting

Section 1 amends s. 383.327, F.S. Birth centers are required under current law to immediately report each maternal death, newborn death, and stillbirth to the medical examiner. Changes to subsection (2) of this section require birth centers to immediately report this information to the AHCA as well. Changes to subsection (4) of this section remove the requirement that birth centers submit a report to the AHCA annually and instead require reports to be submitted at a frequency adopted by the AHCA in rule. These changes could enable the AHCA to have the most current information to review during the inspection of a birth center.

Hospital Licensure and Registries

Chapter No. 2019-136, L.O.F. (enacted by the Legislature in 2019 as CS/HB 21) removes certificate of need (CON) review requirements for hospitals over time, with the final change occurring on July 1, 2021. The Legislature also repealed s. 408.0361(5)(b), F.S., that required hospitals with adult cardiovascular programs to participate in clinical outcome reporting systems.^{3,4}

Section 2 amends s. 395.003(4), F.S., to remove the requirement that all beds not covered by any specialty-bed-need methodology be specified as general beds on the face of the hospital's license. If this subsection is not updated to reflect recent changes to CON requirements, specialty hospital beds such as neonatal intensive care beds will incorrectly be reported as general acute care beds on the face of the hospital's license.

Section 3 amends s. 395.1055, F.S., to reinstate the AHCA's authority to require hospital adult cardiac programs to participate in national reporting and quality registries. Adult diagnostic cardiac catheterization programs and Level I or Level II cardiovascular programs must participate in either the American college of Cardiology or American Heart Association registry to document quality improvement plans. Hospitals licensed for Level II adult cardiovascular services must participate in the Society for Thoracic Surgeons clinical outcome reporting systems.⁵

² See s. 408.802, F.S., for the health care provider types and applicable licensure statutes.

⁵ Agency for Health Care Administration, *Analysis for Amendments to SB 1726* (February 25, 2020) (on file with the Senate Appropriations Subcommittee on Health and Human Services).

Rural Hospitals

There are currently 28 hospitals in Florida that are recognized as meeting the definition of “rural hospital” as defined in 395.602(2)(b), F.S.⁶ The hospital must have 100 or fewer beds and an emergency room and meet one of the six additional criteria in order to be considered a rural hospital. Several of the criteria are based on the population density of up to 100 persons per square mile as well as distance from another acute care hospital. Hospitals licensed as a rural hospital during the 2010-2011 or 2011-2012 fiscal year are designated as a rural hospital through June 30, 2021.⁷

Section 4 amends s.395.602, F.S., to extend the current rural hospital designation through June 30, 2025.

Repeal of an Unenforceable Assessment

Section 5 repeals s. 395.7015, F.S., which imposes an annual assessment on ambulatory surgical centers and certain diagnostic-imaging centers that are freestanding outpatient facilities. These assessments were ruled to be unconstitutional in 2002, and are no longer collected.⁸

Section 6 amends s. 395.7016, F.S., to conform a cross-reference to this section.

Licensure Inspections for Nursing Home Facilities, Hospices, Assisted Living Facilities, and Adult Day Care Centers

Uniform licensing requirements in s. 408.811, F.S., require the biennial inspection of health care facilities unless otherwise specified in statute or in rule. Sections of the bill listed below remove the frequency required in statute for nursing home facilities, hospices, assisted living facilities, and adult day care centers.

Federal law currently requires the AHCA to inspect a nursing home facility, at a minimum, every 15 months.⁹ Section 400.19, F.S., also requires the AHCA to inspect a nursing home facility every 15 months. The AHCA is required to inspect a nursing home facility every six months for two years if the facility has been cited for a class I deficiency, has been cited for two or more

⁶ Section 395.602(2)(b), F.S., defines “rural hospital” as an acute care hospital licensed under ch. 395, F.S., having 100 or fewer licensed beds and an emergency room, which is: the sole provider within a county with a population density of up to 100 persons per square mile; an acute care hospital, in a county with a population density of up to 100 persons per square mile, which is at least 30 minutes of travel time, on normally traveled roads under normal traffic conditions, from any other acute care hospital within the same county; a hospital supported by a tax district or subdistrict whose boundaries encompass a population of up to 100 persons per square mile; a hospital classified as a sole community hospital under 42 C.F.R. s. 412.92, regardless of the number of licensed beds; a hospital with a service area that has a population of up to 100 persons per square mile. As used in this subparagraph, the term “service area” means the fewest number of zip codes that account for 75 percent of the hospital’s discharges for the most recent 5-year period, based on information available from the hospital inpatient discharge database in the Florida Center for Health Information and Transparency at the agency; or a hospital designated as a critical access hospital, as defined in s. 408.07, F.S.

⁷ *Supra* note 5.

⁸ *Agency for Health Care Admin. v. Hameroff*, 816 So. 2d 1145, 1149-1150 (Fla. 1st DCA 2002).

⁹ 42 C.F.R. s. 488.308(a).

class II deficiencies arising from separate surveys or investigations within a 60-day period, or has had three or more substantiated complaints within a six-month period, each resulting in at least one class I or class II deficiency. Those nursing home facilities are required to pay a \$6,000 fine for the two additional inspections.

Section 7 amends s. 400.19, F.S., to remove the 15-month inspection requirement from state law and instead requires the AHCA to conduct periodic unannounced licensure inspections. This provision would require the AHCA to conduct licensure surveys every six months for a facility that has been cited for a class I or two or more class II deficiencies within a 60-day period until the facility has two consecutive licensure surveys without a class I or class II deficiency citation. The AHCA maintains current statutory authority to assess a fine of \$6,000 for the additional six month licensure survey.

Section 14 amends s. 400.605(3), F.S., to remove the requirement that the AHCA must inspect hospices annually or biennially for hospices having a three-year record of substantial compliance and instead requires the AHCA to conduct inspections and investigations of hospices as necessary to determine compliance.

Sections 48 and 49 amend ss. 429.35(2) and 429.905(2), F.S., to remove the requirement (and related provisions) that the AHCA inspect assisted living facilities biennially.

Section 50 amends s. 429.929, F.S., to remove a provision authorizing the AHCA to conduct an abbreviated biennial inspection of an adult day care center that has a record of good performance. It also removes a provision requiring the AHCA to conduct a full inspection of an adult day care center that has had one or more confirmed complaints.

Home Health Agencies

Section 400.462(12), F.S., defines the term “home health agency” as an organization that provides home health services and staffing services. An organization that provides only home health services does not meet the definition of a home health agency.

Subsection (30) of that section defines the term “staffing services” as services provided to a health care facility, school, or other business entity on a temporary or school-year basis pursuant to a written contract by licensed health care personnel and by certified nursing assistants and home health aides who are employed by, or work under the auspices of, a licensed home health agency or who are registered with a licensed nurse registry.

Subsection (14) of that section defines “home health services” as the following services that are provided by an organization:

- Nursing care.
- Physical, occupational, respiratory, or speech therapy.
- Home health aide services.
- Dietetics and nutrition practice and nutrition counseling.
- Medical supplies, restricted to drugs and biologicals prescribed by a physician.

Subsection (22) of that section defines the term “organization” as a corporation, government or governmental subdivision or agency, partnership or association, or any other legal or commercial entity, any of which involve more than one health care professional discipline; a health care professional and a home health aide or certified nursing assistant; more than one home health aide; more than one certified nursing assistant; or a home health aide and a certified nursing assistant. The term does not include an entity that provides services using only volunteers or only individuals related by blood or marriage to the patient or client.

Section 8 amends s. 400.462, F.S., to revise the definitions of the terms “home health agency,” “home health services,” “home infusion therapy provider,” and “nurse registry” and delete the definition of the term “organization.”

- “Home health agency” is redefined to mean a person that provides one or more home health services, as opposed to an organization that provides home health services (plural) and staffing services as under current law. As a result, the word “person” (as defined in s.1.01(3), F.S.) includes individuals, children, firms, associations, joint adventures, partnerships, estates, trusts, business trusts, syndicates, fiduciaries, corporations, and all other groups or combinations..
- “Home infusion therapy provider” is redefined to pertain to “a person,” as opposed to “an organization” that meets the definition’s criteria.
- “Home health services” is redefined to conform to elimination of the term “organization” in other definitions, and the definition of “organization” itself is eliminated since that term becomes obsolete under the bill for this section of statute.

The current definition of organization only refers to entities and does not include individual persons, which creates a potential loophole for an individual person to employ health care personnel for the provision of home health services without having to obtain a license.¹⁰ Under the bill, such an individual must obtain a license if they are not currently exempt from licensure as a home health agency pursuant to s. 400.464(5), F.S.

The AHCA has interpreted the provision of home health services to be an activity that requires licensure as a home health agency and does not believe changes to this section will impact services that require licensure.¹¹ However, it is unclear if there are unlicensed individuals that employ or may seek to employ health care personnel for the provision of home health services that would be required to obtain a license under the bill and not qualify for licensure exemption. Under the bill, such an individual would be subject to the provisions of s. 400.471(5), F.S., which requires an applicant or licensee for home health agency licensure to pay a fee for each submitted application. The fee must be established by the AHCA in rule at an amount sufficient to cover the AHCA’s costs in carrying out its responsibilities, not to exceed \$2,000 per biennium. Under this statutory authority in current law, the AHCA is imposing a \$1,705 fee for initial licensure, change of ownership, or licensure renewal.¹² See Sections IV.D. and VI.

¹⁰ Agency for Health Care Administration, *Senate Bill 1726 Agency Analysis* (on file with the Senate Committee on Health Policy).

¹¹ Email from the Agency for Health Care Administration (February 5, 2020) (on file with the Senate Appropriations Subcommittee on Health and Human Services).

¹² 59A-8.003, F.A.C.

Section 9 amends s. 400.464, F.S., to make conforming changes and to make exemptions from licensure as a home health agency for a person that provides skilled care by health care professionals licensed solely under part I of ch. 464, F.S., (nursing); part I, part III, or part V of ch. 468, F.S., (speech therapy, occupational therapy, or respiratory therapy); or ch. 486, F.S., (physical therapy). Skilled care services are currently defined in s. 400.462(29), F.S. This exemption currently indirectly exists within the definition of “organization” that is being stricken in Section 8 of the bill. The section also clarifies that the exemption does not authorize an individual to perform home health services without the required professional license.

Section 10 amends s. 400.471(2)(g), F.S., to require applicants for change of ownership or license renewal to provide proof of accreditation and a survey demonstrating compliance with the applicable licensure requirements prior to licensure for the addition of skilled services.

Sections 11-13 amend ss. 400.492, 400.506, and 400.509, F.S., to conform provisions to changes made to the definitions section for part III of ch. 400, F.S., in Section 8 of the bill.

AHCA Reporting Requirements

Section 15 amends s. 400.60501, F.S., to delete a requirement that the AHCA develop an annual report that analyzes and evaluates the information collected under the Health Care Clinic Act. It also removes an obsolete date. Hospice outcome and quality information is currently published on FloridaHealthFinder.gov.

Section 22 amends s. 408.0611, F.S., to require the AHCA to report on its website information on the implementation of electronic prescribing rather than issuing an annual report to the Governor and the Legislature. The AHCA already updates this information quarterly on the ePrescribing dashboard of its website.¹³

Section 23 amends s. 408.062, F.S., to require the AHCA to report on its website information relating to the use of hospital emergency department services by patient acuity level and on health care quality measures rather than issuing an annual status report to the Governor and the Legislature. Most information that is required to be in the report is available on FloridaHealthFinder.gov.

Section 24 amends s. 408.063, F.S., to remove the requirement that the AHCA publish an annual comprehensive report of state health expenditures. This report currently identifies the contribution of health care dollars made by all payors and the dollars expended by the type of health care service. The AHCA indicates that this report has little value because of a three-year delay in reporting information.¹⁴

Section 35 amends s. 408.909, F.S., to delete a provision requiring the AHCA to evaluate and provide an annual assessment to the Governor and the Legislature relating to the Health Flex Plan. The Health Flex Plan program was a pilot program established to benefit low-income families who were not eligible for public assistance programs and not covered by private

¹³ Agency for Health Care Administration, *ePrescribing Clearinghouse*.

¹⁴ *Supra* note 10.

insurance.¹⁵ There were initially only three plans in limited service areas available for consumers. There is currently only one remaining Health Flex Plan with fewer than 300 members.¹⁶

Section 36 amends s. 408.9091, F.S., to remove the requirement that the AHCA and the Office of Insurance Regulation of the Financial Services Commission jointly submit an annual report to the Governor and the Legislature relating to the implementation of the Cover Florida Health Care Access Program. There are currently no plans participating in the Cover Florida Health Care Access Program.¹⁷ The last participating health plan terminated its Cover Florida policies in January of 2015.¹⁸

Section 42 amends s. 409.913, F.S., to move the Medicaid Program Integrity Annual Report due date from January 1, which is a national holiday, to January 15. Other changes made to this section of statute are discussed below.

Section 47 amends s. 429.19(9), F.S., to remove the requirement that the AHCA develop and disseminate a list of all assisted living facilities sanctioned or fined for violations of state standards, the number and class of violations involved, the penalties imposed, and the current status of cases. The AHCA is required by s. 429.55(2), F.S., to create an accessible website containing this information and has done so with FloridaHealthFinder.gov.¹⁹

Health Care Clinics

Section 16 amends s. 400.9905, F.S., to provide exemptions from health care clinic licensure for Medicaid providers, for certain federally certified providers, for entities under common ownership by a mutual insurance holding company, and for certain entities that are owned by an entity that is a behavioral health service provider.

There are currently over 14 exemptions listed in the health care clinic licensure laws.²⁰ Most of these exemptions are for health care providers that are already licensed and regulated by the AHCA, an establishment or profession regulated by the Department of Health (DOH), a provider that is federally certified, a non-profit entity, or an entity with substantial financial commitment.

Comprehensive outpatient rehabilitation facilities (42 C.F.R. part 485, subpart B), outpatient physical therapy and speech-language pathology providers (42 C.F.R. part 485, subpart H), end stage renal diseases (42 C.F.R. part 494), and clinical laboratories are all federally certified providers that are regulated by the AHCA. These providers qualify for an exemption from health care clinic licensure.

Changes made in this section of the bill provide exemptions for other federally certified providers that are regulated by the AHCA, including community mental health center-partial

¹⁵ *Id.*

¹⁶ *Id.*

¹⁷ *Id.*

¹⁸ *Id.*

¹⁹ *Id.*

²⁰ *Id.*

hospitalization programs (42 C.F.R. part 485, subpart J), portable X-ray providers (42 C.F.R. part 486, subpart C) and rural health care clinics (42 C.F.R. part 491, subpart A).

The Fiscal Year 2019-2020 Implementing Bill created two additional exemptions from clinic licensure for entities owned by an insurance holding company with over \$1 billion in annual sales and entities owned by a behavioral health provider in at least five states with \$90 million in annual revenues from behavioral health.²¹ These exemptions are in effect until June 30, 2020.²² Language in this section of CS/SB 1726 provides that those two exemptions will be permanent.

Providers that meet the definition of health care clinic who do not qualify for an exemption must obtain a license, and providers that participate in Medicaid must meet all requirements in applicable state laws. Medicaid recently initiated rule-making to add licensure as a health care clinic when required by law to be a pre-requisite to enrollment as a Medicaid provider. Over 20,000 providers have been identified as possibly requiring a health care clinic license to remain in Medicaid, though some will likely qualify for an exemption.²³ An estimated 13,000 may require licensure to meet Medicaid requirements by December 2020.²⁴ The AHCA asked for 13 positions to support this workload through a legislative budget request.²⁵

Section 17 amends s. 400.991(3)(c), F.S., to remove the option for a health care clinic to file a surety bond of at least \$500,000 as an alternative to submitting proof of financial ability to operate with its application for initial licensure or a change in ownership. No health care clinics have submitted the surety bond in lieu of proof of financial ability to operate.²⁶

Section 18 amends s. 400.9935(1)(i), F.S., to authorize a health care clinic's schedule of charges to group services by price level. This section of the bill revises the requirement that the schedule must be posted in the reception area of the urgent care center of a clinic to only require posting in the reception area of a clinic that meets the definition of an "urgent care center" as defined in s. 395.002(29)(b), F.S.

Deleting a Reference to a Specific Data Collection Rule

Section 21 amends s. 408.061, F.S., to remove a reference to a repealed Rule 59E-7.012, F.A.C. Rules 59E-7.011-7.020, F.A.C., were repealed and replaced with Rules 59E-7.021-7.030, F.A.C.

Low-Risk Providers and Licensure Inspections

Section 26 amends s. 408.803, F.S., to define the term "low-risk provider" as nurse registries, home medical equipment providers, and health care clinics. The AHCA has determined these specific provider types to be low-risk with infrequently cited deficiencies.²⁷ This section of the bill also conforms a provision to changes made in Section 49 of the bill.

²¹ Chapter No. 2019-116, s. 38, Laws of Fla.

²² *Id.*

²³ *Supra* note 10.

²⁴ *Id.*

²⁵ *Id.*

²⁶ *Id.*

²⁷ *Id.*

Section 27 amends s. 408.806, F.S., to exempt low-risk providers from an initial licensure inspection as required under s. 408.811, F.S.

Section 30 amends s. 408.811, F.S., to authorize the AHCA to exempt a low-risk provider from licensure inspections if the provider or controlling interest has an excellent regulatory history with regard to deficiencies, sanctions, complaints, and other regulatory actions, as defined by the AHCA in rule. Under the bill, the AHCA is required to conduct unannounced licensure inspections for at least 10 percent of exempt low-risk providers.

The bill also authorizes the AHCA to adopt rules to waive routine inspections and inspections for relicensure or to allow for an extended period between relicensure inspections for specific providers based upon:

- A favorable regulatory history with regard to deficiencies, sanctions, complaints, and other regulatory measures.
- Outcome measures that demonstrate quality performance.
- Successful participation in a recognized quality assurance program.
- Accreditation status.
- Other measures reflective of quality and safety.
- The length of time between inspections.

With these changes, a provider will not necessarily have to meet any specific statutory requirement for the AHCA to waive the routine inspection. The AHCA's rules must base the decision to grant a waiver upon one or all of the factors listed above.

As it does with low-risk providers, the bill also requires the AHCA to conduct unannounced licensure inspections for at least 10 percent of providers that qualify for a waiver or extended period between licensure inspections.

Provisional Licenses for Health Care Facilities

Section 408.808(2), F.S., currently authorizes the AHCA to issue a provisional license for health care providers regulated under ch. 408, F.S., to a provider applying for a change of ownership or to a provider that is in litigation with the AHCA regarding the denial or revocation of its license.

Section 429.11(6), F.S., currently authorizes the AHCA to issue a provisional license for an assisted living facility when the provider is making an initial application for licensure.

Section 28 amends s. 408.808(2), F.S., to authorize the AHCA to issue a provisional license to an applicant for initial licensure as a health care provider under ch. 408, F.S., in addition to applicants for a change of ownership.

Section 46 amends s. 429.11(6), F.S., to remove provisions authorizing the AHCA to issue a provisional license to an assisted living facility because the AHCA would be authorized to issue a provisional licensed to an assisted living facility through the bill's changes to s. 408.808, F.S.

Background Screening Requirements for Health Care Providers and Employees

Seven state agencies participate in the Care Providers Background Screening Clearinghouse authorized in ch. 435, F.S. **Section 29** amends s. 408.809(2), F.S., to remove an obsolete provision relating to agencies that were once in the process of joining the Clearinghouse. All seven agencies are now fully implemented in the Clearinghouse.

Section 29 also amends s. 408.809(5), F.S., to remove an expired provision that allowed for an employee who becomes disqualified from employment because of legislation that created a new disqualifying offense, to continue to work pending the employee's request for an exemption from disqualification. That authority expired in 2014.

Federal regulations require state Medicaid programs to conduct criminal background checks including fingerprinting when required to do so under state law or by the level of screening based on risk of fraud, waste or abuse as determined for that category of providers.²⁸ State Medicaid programs are also required to conduct a criminal background check and require the submission of a set of fingerprints in accordance with 42 C.F.R. s. 455.434 for providers designated as a high categorical risk.²⁹ The AHCA designates high categorical risk providers in the Florida Medicaid Provider Enrollment Policy handbook incorporated in Rule 59G-1.060, F.A.C.³⁰

Section 39 amends s. 409.907, F.S., to revise background screening requirements for Medicaid providers and codify federal requirements. This section of the bill requires a level 2 background screening to be conducted through the AHCA for certain persons who render services to Medicaid recipients, who have direct access to Medicaid recipients, recipient living areas, or the financial, medical or service records of a Medicaid recipient, or who supervises the delivery of goods or services to a Medicaid recipient. This change does not impose additional screening requirements on any providers licensed under part II of ch. 408, F.S. See Sections IV.D. and VI. Drivers providing transportation to Medicaid recipients through a transportation broker or a transportation network company are required to undergo a level 1 background screening through the Florida Department of Law Enforcement or, for Transportation Network Companies, an AHCA-approved equivalent background screening. The AHCA does not require level 2 screening for transportation drivers.³¹ **Section 39** clarifies that these drivers are required to undergo only the level 1 background (or equivalent) screening, not the required level 2 background screening.

Comprehensive Emergency Management Plans

Different provider types are subject to different comprehensive emergency management plan requirements in their authorizing statutes. Assisted living facilities are required to get plan

²⁸ 42 CFR s. 455.434

²⁹ 42 CFR s. 455.450

³⁰ Providers and suppliers designated as "high" categorical risk include: behavior analysis practitioners, mental health targeted case management providers, physical therapists, physician groups owned by non-physicians, prospective (newly enrolling) home health agencies and other home health service providers, prospective (newly enrolling) durable medical equipment, and prosthetics, orthotics, and supplies suppliers. Agency for Health Care Administration, *Florida Medicaid Provider Enrollment Policy* (December 2019), available at <https://ahca.myflorida.com/medicaid/review/General/59G-1.060.pdf> (last visited Feb. 25, 2020).

³¹ *Supra* note 5.

approval by local emergency management officials before they may be licensed. The AHCA indicates that some local jurisdictions refuse to review a plan until the provider is licensed.³² This makes it impossible for providers within those jurisdictions to become lawfully licensed.

Section 32 amends s. 408.821, F.S., to require providers that are required by authorizing statutes and the AHCA rule to have a comprehensive emergency management plan to:

- Submit the plan to the local emergency management agency, county health department, or the DOH within 30 days after initial licensure and change of ownership, and notify the AHCA within 30 days after submission of the plan.
- Submit the plan to the local emergency management agency, county health department, or the DOH annually and within 30 days after any significant modification, as defined by the AHCA rule, to a previously approved plan.
- Respond to the local emergency management agency, county health department, or the DOH with necessary plan revisions within 30 days after notification that plan revisions are required.
- Notify the AHCA within 30 days after approval of its plan by the local emergency management agency, county health department, or the DOH.

These changes establish consistent timeframes for the submission and review of comprehensive emergency management plans among provider types. This change allows for the licensure of a facility before its comprehensive emergency management plan is approved.

The Medicaid Program's Retrospective Review of Hospital Inpatient Admissions

The AHCA performs routine pre- and post-payment claim reviews to determine the appropriateness of Medicaid provider reimbursement.³³

Section 37 amends s. 409.905(5), F.S., to clarify that a specific provision in paragraph (a) of that subsection may not be construed to prevent the AHCA from conducting retrospective reviews in its efforts to combat Medicaid fraud and abuse and to recoup overpayments in the Medicaid Program.

The provision of current law that the bill seeks to clarify was enacted under ch. 2001-104, L.O.F. Before the enactment of that law, the AHCA had statutory authority to prior authorize inpatient hospital admissions for Medicaid patients with psychiatric and substance abuse diagnoses. However, there was no specific authority for the AHCA to prior authorize inpatient hospital admissions for any other diagnoses.³⁴

In lieu of prior authorization of inpatient hospital admissions for general acute care Medicaid services, the Medicaid Program was under contract in 2001 with a peer review organization for retrospective review of such admissions. If those retrospective reviews encountered inpatient admissions that should have been denied or inpatient services that were provided outside of

³² *Id.*

³³ *Id.*

³⁴ See Chapter 2001-104, L.O.F., available at http://laws.flrules.org/files/Ch_2001-104.pdf (last visited Jan. 30, 2020).

medical necessity, the AHCA would require the hospital to repay the Medicaid program for the associated costs.³⁵

Under ch. 2001-104, L.O.F., the Legislature amended s. 409.905(5)(a), F.S., to give the Medicaid Program authority to prior authorize nonemergency hospital inpatient admissions for individuals 21 years of age or older. The statute was also amended to allow Medicaid to require authorization of emergency and urgent-care admissions within 24 hours after Medicaid patients were admitted under such conditions.

Along with this new authority, the statute was further amended in 2001, in the same paragraph, to require the AHCA, upon implementing the prior authorization program for hospital inpatient services, to discontinue the Medicaid Program's hospital retrospective review efforts. CS/SB 1726 specifically addresses this latter provision of the 2001 law to clarify that the required discontinuation of the Medicaid Program's preexisting retrospective review program, which was being conducted in 2001 in lieu of prior authorization, may not be construed to prevent the AHCA's Office of Medicaid Program Integrity (MPI)³⁶ from conducting retrospective reviews under s. 409.913, F.S.

The Office of Medicaid Program Integrity

Section 409.913, F.S., is entitled, "Oversight of the integrity of the Medicaid program." This section of statute requires the AHCA to:

- Operate a program to oversee the activities of Florida Medicaid recipients, and providers and their representatives, to ensure that fraudulent and abusive behavior and neglect of recipients occur to the minimum extent possible, and to recover overpayments and impose sanctions as appropriate;
- Conduct, or cause to be conducted by contract or otherwise, reviews, investigations, analyses, audits, or any combination thereof, to determine possible fraud, abuse, overpayment, or recipient neglect in the Medicaid program and shall report the findings of any overpayments in audit reports as appropriate; and
- Conduct reviews of provider exceptions to peer group norms and, using statistical methodologies, provider profiling, and analysis of billing patterns, detect and investigate abnormal or unusual increases in billing or payment of claims for Medicaid services and medically unnecessary provision of services.

Section 409.913, F.S., further provides that a Medicaid provider is subject to having goods and services that are paid for by the Medicaid program reviewed by an appropriate peer-review organization designated by the AHCA. The written findings of the applicable peer-review organization are admissible in any court or administrative proceeding as evidence of medical necessity or the lack of medical necessity.

³⁵ Senate Committee on Health Care, *Senate Staff Analysis and Economic Impact Statement for CS/SB 792* (April 5, 2001), available at http://www.flsenate.gov/Session/Bill/2001/792/Analyses/20010792SHC_2001s0792.hc.pdf (last visited Jan. 30, 2020).

³⁶ See the Office of Medicaid Program Integrity's web page at <https://ahca.myflorida.com/MCHQ/MPI/> (last visited Jan. 30, 2020).

MPI and the Medicaid Fraud Control Unit of the Department of Legal Affairs must submit a joint report to the Legislature each January, documenting the results of their work to control Medicaid fraud and abuse and to recover Medicaid overpayments during the previous fiscal year. The report for State Fiscal Year 2018-2019 indicates that overpayments of approximately \$32.7 million were identified in that fiscal year, with approximately \$13.4 million in accounts-receivable collections and reversals. MPI also prevented approximately \$385.2 million in overpayments from occurring during the fiscal year, according to the 2018-2019 report.³⁷

The bill clarifies that the Legislature's direction to the AHCA in 2001 to discontinue the Medicaid Program's hospital retrospective review efforts, upon implementing its newly-granted authority to prior authorize Medicaid hospital inpatient admissions, may not be construed to prevent MPI from conducting retrospective reviews under s. 409.913, F.S. This provision of the bill takes effect upon becoming law.³⁸

Section 38 provides that it is the intent of the Legislature that the amendment to s. 409.905(5)(a), F.S., in Section 37 of the bill, is intended to confirm and clarify existing law. This section takes effect upon becoming a law.

Reimbursement of Medicaid Providers

Class III psychiatric facilities are excluded in statute from the diagnosis related group (DRG) payment methodology. Federal law prohibits state Medicaid programs from receiving federal matching funds for services provided by facilities described in 42 CFR 435.1010 as an institution for mental diseases³⁹ (IMDs) under the fee-for-service program and therefore, the AHCA has not established the alternative methodology currently allowed under s. 409.908, F.S. However, in Medicaid managed care programs, states have slightly more flexibility; health plans may pay for services in an IMD in lieu of more costly services. For example, Florida Medicaid cannot pay for services in a crisis stabilization unit under the fee-for-service program. However, Medicaid managed care contracts allow health plans to pay for services in a crisis stabilization unit for a plan enrollee, as crisis stabilization units provide a less costly service equivalent to inpatient psychiatric hospitalization.⁴⁰

³⁷ The Agency for Health Care Administration and the Department of Legal Affairs, *Florida's Efforts to Control Medicaid Fraud & Abuse: Fiscal Year 2018-2019* (December 30, 2019) available at <https://ahca.myflorida.com/MCHQ/MPI/docs/FraudReports/FraudReport2018-19.pdf> (last visited Jan. 30, 2020).

³⁸ In February 2019, Florida's First District Court of Appeal construed the discontinuation provision in s. 409.905(5)(a), F.S., to mean that the AHCA is "barred from conducting a retrospective review of prior authorization claims" under s. 409.913, F.S., or any other existing statutory authority. See *Lee Memorial Health System Gulf Coast Medical Center v. State of Florida, Agency for Health Care Administration*, 272 So.3d 431 (Fla. 1st DCA 2019). The AHCA reports that, under this ruling: (1) The AHCA is at risk of being required to repay overpayments that have already been recouped by MPI from hospitals, and (2) MPI is prohibited from conducting any hospital retrospective audits, except those relating to suspected fraud or abuse. Email from the Agency for Health Care Administration to the Senate Committee on Healthy Policy (January 30, 2020) (on file with the Senate Appropriations Subcommittee on Health and Human Services). See Section V.C.

³⁹ 42 CFR 435.1010 defines an "institution for mental diseases" as a hospital, nursing facility, or other institution of more than 16 beds that is primarily engaged in providing diagnosis, treatment or care of persons with mental diseases, including medical attention, nursing care and related services. Whether an institution is an institution for mental diseases is determined by its overall character as that of a facility established and maintained primarily for the care and treatment of individuals with mental diseases, whether or not it is licensed as such. An institution for Individuals with Intellectual Disabilities is not an institution for mental diseases.

⁴⁰ *Supra* note 5.

During the 2008 Session, the Legislature amended s. 409.908, F.S., to implement a two-year unit cost rate freeze, effective July 1, 2009, for nursing facilities, hospitals, county health departments, intermediate care facilities for the developmentally disabled, and prepaid health plans.⁴¹ The unit cost rate freeze was set to expire July 1, 2011. However, during the 2011 Session, the Legislature repealed the sunset date, capped unit costs at July 1, 2011 rates, and established reimbursement rates would be as provided in the General Appropriations Act. In effect, automatic annual Medicaid increase payments to nursing homes were capped at 2011 levels.⁴² In Fiscal Years 2018-2019 and 2019-2020, the Implementing Bill^{43,44} removed the unit cost rate freeze for one year.

Section 40 and 41 amend s. 409.908, F.S., to remove the nursing home unit cost rate freeze and remove class III psychiatric facilities from the DRG payment methodology, thereby eliminating the AHCA's authority to establish an alternative methodology to the DRG-based prospective payment system to set reimbursement rates for class III psychiatric hospitals.

Legal Fees in Medicaid Program Integrity Cases

Section 42 amends s. 409.913, F.S., to authorize the AHCA to recover legal fees in Medicaid Program Integrity and licensure cases. The AHCA has indicated that it spends significant funds defending Medicaid overpayment cases. The Division of Administrative Hearings (DOAH) ruled that s. 409.913(23)(a), F.S., does not authorize the AHCA to recover full legal fees on Medicaid Program Integrity legal cases.⁴⁵ The specific ruling came in the DOAH case number 18-5986F involving Covenant Hospice.⁴⁶ The case had an overpayment of \$637,973.10 and sanction of \$127,594.62. As of February 7, 2019, the AHCA was seeking to recover fees in the amount of \$330,186.14 and costs in the amount of \$14,466.52 as of February 7, 2019.⁴⁷ Currently, the AHCA only has the ability to collect the "costs" of \$14,466.52.⁴⁸

Multiphasic Health Testing Centers

Multiphasic health testing centers, regulated under part I of ch. 483, F.S., are facilities where, in addition to taking specimens from the human body for delivery to registered clinical laboratories for analysis, certain measurements such as height and weight determinations, blood pressure determinations, limited audio and visual tests, and electrocardiograms are also made. These additional services are not required to be provided by licensed personnel but can be provided by a medical assistant that is certified or registered through a national organization. These clinics would also fall under the definition of a health care clinic in part X of ch. 400, F.S., but are exempt since they are already regulated by the AHCA.

⁴¹ Chapter 2008-143, s. 5, Laws of Fla.

⁴² Chapter 2011-61, s. 4, Laws of Fla.

⁴³ Chapter 2018-10, s. 18-19

⁴⁴ Chapter 2019-116, s. 18-19

⁴⁵ *Agency for Health Care Administration v. Covenant Hospice, Inc.*, Case No.18-5986F (Fla. DOAH 2018).

⁴⁶ *Id.*

⁴⁷ *Id.*

⁴⁸ *Id.*

Section 54 repeals part I of ch. 483, F.S., relating to multiphasic health testing centers, which thereby repeals the requirements for and the licensing of multiphasic health testing centers as a provider type. Current multiphasic health testing centers would need to become licensed as health care clinics, in accordance with part X of ch. 400, F.S., unless they otherwise qualify for an exemption from health care clinic licensure.

As of January 21, 2020, there were 187 multiphasic health testing centers licensed in Florida. Of these, 69 were owned and operated by Laboratory Corporation of America and 111 were owned and operated by Quest Diagnostics, including one out-of-state center.⁴⁹ Both Laboratory Corporation of America and Quest Diagnostics also own and operate several clinical laboratories throughout the state that are regulated under the federal Clinical Laboratory Improvement Amendments (CLIA).⁵⁰ The remaining seven multiphasic health testing centers are owned by Professional Health Examiners, Inc.⁵¹ Services are provided by licensed personnel under the direction of a medical director, and the company does not bill insurance and thus would also be exempt from health care clinic licensure as would those centers owned and operated by clinical laboratories regulated under the federal CLIA.⁵²

Under current law, the AHCA assesses multiphasic health testing centers with a biennial licensure fee of \$652.64 and a biennial health care assessment fee of \$300 on multiphasic health testing centers. The AHCA collects an estimated \$89,071.84 annually (\$178,143.68 biennially) from 187 multiphasic health testing centers, roughly half of which renew each year.⁵³

Since 2011, the AHCA has imposed only six fines against multiphasic health testing centers.⁵⁴ In this timeframe, only 10 complaints were received with none substantiated while 195 deficiencies have been cited since 2011.⁵⁵

Sections 19, 25, 31, 33, and 34 amend ss. 408.033, 408.802, s. 408.820, 408.831, and 408.832, F.S., to delete references to multiphasic health testing centers or chapter 483, to conform to changes made by Section 54 of the bill, which repeals part I of ch. 483, F.S., relating to multiphasic health testing centers.

Medicaid Provider Fraud

New technology and innovative online platforms allow Medicaid patients to access doctor appointment schedules through a web portal hosted by an online service. Health care professionals may contract with such services for a fee. There is concern that this relationship may conflict with anti-kickback provisions in the Florida Medicaid law. These fee-based scheduling services can operate within other health insurance programs such as Medicare, Tricare, and commercial programs. The federal Anti-Kickback Statute⁵⁶ prohibits the knowing

⁴⁹ *Supra* note 10.

⁵⁰ *Id.*

⁵¹ *Id.*

⁵² *Id.*

⁵³ *Id.*

⁵⁴ *Id.*

⁵⁵ *Id.*

⁵⁶ 42 U.S.C. s. 1320a-7b(b).

and willful payment of "remuneration" to induce or reward patient referrals or the generation of business involving any item or service payable by the Federal health care programs. The bill seeks to ensure Florida law mirrors federal law and does not apply a stricter standard than the federal Anti-Kickback Statute.⁵⁷

Section 43 amends s. 409.920(2)(a), F.S., to align the state Medicaid anti-kickback law with the federal anti-kickback law so that Medicaid recipients can utilize innovations and technological advances to access medical appointments and care, similar to services that are currently used by Medicare, TriCare, and commercial patients.

Managed Care Plan Contracts

The AHCA is currently authorized to contract with plans for Statewide Medicaid Managed Care to provide managed medical assistance (MMA), long-term care (LTC) and dental services for a period of 5-years and to extend those contracts to cover any delays during the transition to a new plan following a re-procurement.

The AHCA re-procured these contracts during 2017 and awarded contracts in spring of 2018. Pursuant to statute, those contracts are effective from December of 2018 through December of 2023. While each procurement has presented the AHCA with the opportunity to negotiate significant program gains, included additional benefits for enrollees, enhanced processes to reduce administrative burdens for providers participating in the program, as well as significantly increased quality and performance benchmarks and savings that can be redirected to reward high performing providers, a longer contract period would provide the AHCA with more time to assess program performance as negotiated during the 2017 procurement and allow the collection of additional complete data years that could be considered when the contract is next procured. In addition, a longer contract period would provide the AHCA with additional opportunities to work with stakeholders and the Legislature on substantive program design.

Sections 44 and 45 amend ss. 409.967 and s. 409.973, F.S., to require the AHCA to establish a 6-year, rather than a 5-year, contract with each Medicaid managed care plan selected through the procurement process. It also requires the AHCA to extend the term of contracts awarded to managed care plans pursuant to the invitation to negotiate published in July 2017, through December 31, 2024, effectively extending the duration of those contracts by one year.

Health Insurance Benefits

The Florida Center for Health Information and Transparency (Florida Center), housed within the AHCA, provides a comprehensive health information system (information system) that includes the collection, compilation, coordination, analysis, indexing, dissemination, and utilization of health-related data.⁵⁸ The Florida Center identifies existing health-related data and collects data for use in the information system, including information on health care costs and financing, trends in health care prices and costs, the sources of payment for health care services, and federal, state, and local expenditures for health care.⁵⁹

⁵⁷ *Supra* note 5.

⁵⁸ Section 408.05(1), F.S.

⁵⁹ Section 408.05(2), F.S.

The Florida Center maintains www.FloridaHealthFinder.gov, which was established by law in 2016⁶⁰, to assist consumers in making informed health care decisions and lead to improvements in quality of care in Florida.

In 2019, the Legislature enacted the Patient Savings Act⁶¹ (Act), which allows (but does not mandate) health insurers and health maintenance organizations (HMOs) to create a shared savings incentive program (Shared Savings Program) to encourage insured individuals to shop for high quality, lower cost health care services and share any savings realized as a result of the insured's choice. The Act authorizes implementation of these incentive programs for plan years beginning January 1, 2020.

The Act defines a "shared savings incentive" as an optional financial incentive that may be paid to an insured for choosing certain shoppable health care services under a Shared Savings Program. When a patient obtains a shoppable health care service for less than the average price for the service, the bill requires the savings to be shared by the health insurer and the patient. A patient is entitled to a financial incentive that is no less than 25 percent of the savings that accrue to the insurer as a result of the patient's participation.

The law provides a range of methods by which a Shared Savings Program may financially reward patients who save money by shopping for health care services. Patients may receive financial incentives in the form of premium reductions, or deposits into a flexible spending account, health savings account, or health reimbursement account.⁶²

Sections 20 and 51-53 amend ss. 408.05, 627.6387, 627.6648, and 641.31076, F.S., to increase the range of services defined as "shoppable" for purposes of earning shared savings incentives under a Shared Savings Program. In addition to the specific services outlined in the Patient Savings Act, the bill extends the "shoppable" service designation to those services identified by the Florida Center as having the most significant price variation at statewide and regional levels. The bill also allows a Shared Savings Program to provide cash or a cash-equivalent reward to a program participant who earns a shared savings incentive.

Cross-references

Sections 55-60 amend ss. 20.43, 381.0034, 456.001, 456.057, 456.076, and 456.47, F.S., to conform cross-references to changes made by the bill.

Effective Date

Section 61 provides that except as otherwise expressly provided in the bill and except for this section, which will take effect upon the bill becoming a law, the bill will take effect July 1, 2020.

⁶⁰ Chapter 2016-234, Laws of Fla.; *see also* s. 408.05(3), F.S.

⁶¹ Sections 627.6387, 627.6648, and 641.31076, F.S.

⁶² Section 627.6387, F.S.

IV. Constitutional Issues:**A. Municipality/County Mandates Restrictions:**

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

Article VII, s. 19 of the State Constitution requires that a new state tax or fee, as well as an increased state tax or fee, be approved by two-thirds of the membership of each house of the Legislature and be contained in a separate bill that contains no other subject. Article VII, s. 19(d)(1) of the State Constitution defines “fee” to mean “any charge or payment required by law, including any fee for service, fee or cost for licenses, and charge for service.”

Currently, an individual could employ health care personnel for the provision of home health services without having to obtain a license. Section 6 of the bill amends s. 400.462, F.S., to require such an individual to obtain a home health agency license by paying the licensure fee required in s. 400.471(5), F.S., unless exempt from licensure pursuant to s. 400.464(5), F.S. This fee is an existing statutory fee that is not being increased. However, the bill expands the scope of licensure for home health agencies, which expands the application of the licensure fee (i.e., thereby requiring persons not subject to the fee to pay the fee).

Section 36 of the bill amends s. 409.907(8), F.S, to require a level 2 background screening to be conducted through the AHCA for certain persons who render services to Medicaid recipients, who have direct access to Medicaid recipients, recipient living areas, or the financial, medical or service records of a Medicaid recipient, or who supervises the delivery of goods or services to a Medicaid recipient. Accordingly, additional persons will be required to pay the fees for a level 2 background screening, who currently are not subject to that screening.

It is unclear if Article VII, s. 19 of the State Constitution applies to these provisions of the bill. As such, the State Constitution may require that the fees be passed in a separate bill by a two-thirds vote of the membership of each house of the Legislature.

E. Other Constitutional Issues:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

Currently, an individual could employ health care personnel for the provision of home health services without having to obtain a license. Section 8 of the bill amends s. 400.462, F.S., to require such an individual to obtain a home health agency license if they are not currently exempt from licensure as a home health agency pursuant to s. 400.464(5), F.S., and pay the licensure fee required in s. 400.471(5), F.S. The AHCA has interpreted the provision of home health services to be an activity that requires licensure as a home health agency and does not believe changes to this section will impact services that require licensure. However, it is unclear if there are unlicensed individuals that employ or may seek to employ health care personnel for the provision of home health services that would be required to obtain a license under the bill and not qualify for licensure exemption. The fee is established by the AHCA in rule at an amount sufficient to cover the AHCA's costs in carrying out its responsibilities, not to exceed \$2,000 per biennium. Under the statutory authority in current law, the AHCA is imposing a \$1,705 fee for initial licensure, change of ownership, or licensure renewal.⁶³ The number of individuals impacted by this requirement is indeterminate.

Section 39 of the bill amends s. 409.907(8), F.S. to require level 2 background screenings, in accordance with ch. 435, F.S., for individuals who have direct access to Medicaid recipients, recipient living areas, or the financial, medical or service records of a Medicaid recipient, or who supervises the delivery of goods or services to a Medicaid recipient. This does not impose additional screening requirements on any providers licensed under part II of ch. 408. According to the Florida Department of Law Enforcement (FDLE), the cost for a level 2 background screening with five years of Clearinghouse retention is \$61.25 (\$13.25 for the national criminal record check; \$24 for the state criminal record check; and \$24 paid up front for five years of state fingerprint Clearinghouse retention).⁶⁴ The number of individuals impacted by this requirement is indeterminate.⁶⁵

B. Private Sector Impact:

Under CS/SB 1726:

- The bill exempts community mental health partial-hospitalization programs, portable x-ray providers, and rural health care clinics from health care clinic licensure. Those providers will no longer be required to pay the \$2,000 biennial license renewal fee. The AHCA estimates that approximately 200 providers would qualify for the exemption.
- Low-risk Medicaid providers are exempt from health care clinic licensure. These providers are not currently required to be licensed, but licensure will be required

⁶³ *Supra* note 10.⁶⁴ Email from the Department of Law Enforcement (February 5, 2020) (on file with the Senate Appropriations Subcommittee on Health and Human Services).

⁶⁴ Email from the Department of Law Enforcement (February 5, 2020) (on file with the Senate Appropriations Subcommittee on Health and Human Services).

⁶⁵ *Supra* note 10.

effective July 1, 2020. The AHCA expects 28,291 providers to qualify for the exemption. Providers who qualify for the exemption would not have to pay the \$2,000 initial licensure fee.

- The bill repeals licensure for multiphasic health testing centers. As a result, multiphasic health testing centers will no longer be required to pay the biennial license renewal fee of \$952.64, although some of these centers will need to pay licensure fees to become licensed as a health care clinic. There are currently 187 multiphasic health testing centers licensed in Florida.
- See Section V.A. for additional fees that may impact individuals not currently required to pay licensure fees now required in s. 400.471.(5), F.S., as amended, and fees associated with a level 2 background screening required in s. 409.907(8), F.S., as amended. The number of individuals impacted by the new requirements is indeterminate.

C. Government Sector Impact:

Under CS/SB 1726:

- Exempting Medicaid providers from health care clinic licensure will result in a cost avoidance. The exemptions created in the bill eliminate the need for the 13 full-time equivalent employees requested in the AHCA's Fiscal Year 2020-2021 legislative budget request to process health care clinic licensure applications.⁶⁶
- The AHCA will be able to conduct retrospective reviews of hospital inpatient claims and recover all overpayments in the Medicaid program. The AHCA lost \$13,449,595.12 related to 42 cases that have been or will be closed at zero overpayment due to the court ruling on retrospective hospital audits. The AHCA would likely experience a significant positive fiscal impact from clarification, although the amount recovered from future retrospective reviews is indeterminate.
- The AHCA will be able to recover all legal fees in Medicaid Program Integrity legal cases in which the AHCA prevails. Although the AHCA's tracking system for Medicaid recovery amounts does not distinguish legal fees, the AHCA has incurred over \$300,000 in legal fees for a single case.⁶⁷ The AHCA would likely experience a significant positive fiscal impact from this, although the amount of legal costs arising from future litigation is indeterminate.
- The bill exempts certain providers from health care clinic licensure and repeals licensure for multiphasic health testing centers. As a result, a loss in annual revenue of \$489,071.84 and a commensurate workload reduction will occur from the repeal of multiphasic health testing center licensure (\$89,071.84), and the new exemptions from health care clinic licensure for community mental health partial-hospitalization program, portable x-ray providers, and rural health care clinics (\$400,000).⁶⁸

The AHCA will also experience a reduction in workload from removing requirements that the AHCA submit various reports to the Governor and the Legislature.

⁶⁶ *Id.*

⁶⁷ *Id.*

⁶⁸ *Id.*

VI. Technical Deficiencies:

The provisions of section 8 and 39 of the bill, amending s. 400.462 and 409.907, F.S., could result in the application of new fees or assessments.

- Section 8 amends s. 400.462, F.S., to require certain individuals to obtain a home health agency license by paying the licensure fee required in s. 400.471(5), F.S.
- Section 39 amends s. 409.907, F.S., to require level 2 background screenings, in accordance with ch. 435, F.S., for individuals who have direct access to Medicaid recipients, recipient living areas, or the financial, medical or service records of a Medicaid recipient, or who supervises the delivery of goods or services to a Medicaid recipient.

See Section IV.D. and Section V.A. A separate fee bill should be considered to address the applicable fees and assessments.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 20.43, 381.0034, 383.327, 395.003, 395.1055, 395.602, 395.7015, 395.7016, 400.19, 400.462, 400.464, 400.471, 400.492, 400.506, 400.509, 400.605, 400.60501, 400.9905, 400.991, 400.9935, 408.033, 408.05, 408.061, 408.0611, 408.062, 408.063, 408.802, 408.803, 408.806, 408.808, 408.809, 408.811, 408.820, 408.821, 408.831, 408.832, 408.909, 408.9091, 409.905, 409.907, 409.908, 409.913, 409.920, 409.967, 409.973, 429.11, 429.19, 429.35, 429.905, 429.929, 456.001, 456.057, 456.076, 456.47, 627.6387, 627.6648, and 641.31076.

This bill repeals the following sections of the Florida Statutes: 395.7015 and part I of chapter 483 and 19 of chapter 2019-116, Laws of Florida, relating to the abrogation of the scheduled expiration of an amendment to 408.908.

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

Recommended CS/CS by Appropriations Subcommittee on Health and Human Services on February 25, 2020:

The committee substitute:

- Reinstates the AHCA's authority to require hospital adult cardiac programs to participate in national reporting and quality registries.
- Extends the current rural hospital designation to 2025 (set to expire June 30, 2021).
- Modifies surveys for nursing home with a Class I or two Class II deficiencies in 60 days, to clarify that the AHCA will continue to conduct licensure surveys every six months until a facility has two consecutive licensure surveys without a citation for a

Class I or Class II deficiency. Reinstates current law and maintains the \$6,000 fine for the additional surveys.

- Replaces the term “organization” for home health agencies to align with the AHCA uniform licensing requirements.
- Clarifies the current level 1 background screening requirements for non-emergency transportation providers and brokers remain in place.
- Amends directory language to provide the statutory clarification of retrospective hospital reviews is effective upon becoming a law.
- Removes class III psychiatric facilities from (DRG) payment methodology.
- Removes the nursing home unit cost rate freeze.
- Aligns the state Medicaid anti-kickback law with the federal anti-kickback law.
- Extends the Medicaid statewide dental contracts from five years to six years.
- Requires the Florida Center to publish an annual report identifying health care services with the most significant price variation at statewide and regional levels.
- Expands the list of shoppable health care services that qualify for a shared savings incentive for patients to include services with the most significant price variation. Allows cash and cash equivalent incentives in shared savings incentives.

CS by Health Policy on January 28, 2020:

The CS:

- Changes a reference from chapter 624 to chapter 627 to revise and make permanent an exemption from health care clinic licensure for entities owned by an insurance holding company with over \$1 billion in annual sales.
- Clarifies that the Legislature’s 2001 direction to the AHCA under s. 409.905(5)(a), F.S., to discontinue the Medicaid Program’s hospital retrospective review program upon implementing its new authority (also granted in 2001) to prior authorize Medicaid hospital inpatient admissions, may not be construed to prevent MPI from conducting retrospective reviews under s. 409.913, F.S. This provision of the bill takes effect upon becoming law.
- Provides that it is the intent of the Legislature that the bill’s amendment to s. 409.905(5)(a), F.S., is intended to confirm and clarify existing law
- Requires the AHCA to establish a six-year, rather than a five-year, contract with each managed care plan selected through the procurement process. Requires the AHCA to extend the term of contracts awarded to managed care plans pursuant to the invitation to negotiate published in July 2017, through December 31, 2024.
- Changes the effective date of the bill to allow for certain sections to take effect upon becoming a law as expressly provided. Unless expressly provided, the bill takes effect on July 1, 2020.

B. Amendments:

None.

576-04183-20

Proposed Committee Substitute by the Committee on Appropriations
(Appropriations Subcommittee on Health and Human Services)

A bill to be entitled

An act relating to the Agency for Health Care Administration; amending s. 383.327, F.S.; requiring birth centers to report certain deaths and stillbirths to the agency; revising the frequency with which a certain report must be submitted to the agency; authorizing the agency to prescribe by rule the frequency with which such report is submitted; amending s. 395.003, F.S.; removing a requirement that specified information be listed on licenses for certain facilities; amending s. 395.1055, F.S.; requiring the agency to adopt specified rules related to ongoing quality improvement programs for certain cardiac programs; amending s. 395.602, F.S.; revising the definition of the term "rural hospital"; repealing s. 395.7015, F.S., relating to an annual assessment on health care entities; amending s. 395.7016, F.S.; conforming a provision to changes made by the act; amending s. 400.19, F.S.; revising provisions requiring the agency to conduct licensure inspections of nursing homes; requiring the agency to conduct additional licensure surveys under certain circumstances; requiring the agency to assess a specified fine for such surveys; amending s. 400.462, F.S.; revising definitions; amending s. 400.464, F.S.; revising exemptions from licensure requirements for home health agencies; amending s. 400.471, F.S.;

576-04183-20

revising provisions related to certain application requirements for home health agencies; amending s. 400.492, F.S.; revising provisions related to services provided by home health agencies during an emergency; amending s. 400.506, F.S.; revising provisions related to licensure requirements for nurse registries; amending s. 400.509, F.S.; revising provisions related to the registration of certain service providers; amending s. 400.605, F.S.; removing a requirement that the agency conduct specified inspections of certain licensees; amending s. 400.60501, F.S.; deleting an obsolete date; removing a requirement that the agency develop a specified annual report; amending s. 400.9905, F.S.; revising the definition of the term "clinic"; amending s. 400.991, F.S.; removing the option for health care clinics to file a surety bond under certain circumstances; amending s. 400.9935, F.S.; revising provisions related to the schedule of charges published and posted by certain clinics; specifying that urgent care centers are subject to such requirements; amending s. 408.033, F.S.; conforming a provision to changes made by the act; amending s. 408.05, F.S.; requiring the agency to publish by a specified date an annual report identifying certain health care services; amending s. 408.061, F.S.; revising provisions requiring health care facilities to submit specified data to the agency; amending s. 408.0611, F.S.; removing a requirement that the agency annually report to the

576-04183-20

57 Governor and the Legislature by a specified date on
58 the progress of implementation of electronic
59 prescribing and, instead, requiring the agency to
60 annually publish such information on its website;
61 amending s. 408.062, F.S.; removing requirements that
62 the agency annually report specified information to
63 the Governor and Legislature by a specified date and,
64 instead, requiring the agency to annually publish such
65 information on its website; amending s. 408.063, F.S.;
66 removing a requirement that the agency publish certain
67 annual reports; amending s. 408.802, F.S.; conforming
68 provisions to changes made by the act; amending s.
69 408.803, F.S.; conforming a definition to changes made
70 by the act; defining the term "low-risk provider";
71 amending s. 408.806, F.S.; exempting certain providers
72 from a specified inspection; amending s. 408.808,
73 F.S.; authorizing the issuance of a provisional
74 license to certain applicants; amending s. 408.809,
75 F.S.; revising background screening requirements for
76 certain licensees and providers; amending s. 408.811,
77 F.S.; authorizing the agency to grant certain
78 providers an exemption from a specified inspection
79 under certain circumstances; authorizing the agency to
80 adopt rules to grant waivers of certain inspections
81 and allow for extended inspection periods under
82 certain circumstances; requiring the agency to conduct
83 unannounced licensure inspections of certain providers
84 during a specified time period; providing that the
85 agency may conduct regulatory compliance inspections

576-04183-20

86 of providers at any time; amending s. 408.820, F.S.;
87 conforming a provision to changes made by the act;
88 amending s. 408.821, F.S.; revising provisions
89 requiring licensees to have a specified plan;
90 providing requirements for the submission of such
91 plan; amending ss. 408.831 and 408.832, F.S.;
92 conforming provisions to changes made by the act;
93 amending s. 408.909, F.S.; removing a requirement that
94 the agency and the Office of Insurance Regulation
95 evaluate a specified program; amending s. 408.9091,
96 F.S.; deleting a requirement that the agency and
97 office submit a specified joint annual report to the
98 Governor and the Legislature; amending s. 409.905,
99 F.S.; providing construction for a provision that
100 requires the agency to discontinue its hospital
101 retrospective review program under certain
102 circumstances; providing legislative intent; amending
103 s. 409.907, F.S.; requiring that a specified
104 background screening be conducted through the agency
105 on certain persons and entities; repealing s. 19 of
106 chapter 2019-116, Laws of Florida, relating to the
107 abrogation of the scheduled expiration of an amendment
108 to s. 409.908(23), F.S., and the scheduled reversion
109 of the text of that subsection; amending 409.908,
110 F.S.; revising provisions related to the prospective
111 payment methodology for certain Medicaid provider
112 reimbursements; reenacting s. 409.908(23), relating to
113 reimbursement of Medicaid providers for certain
114 services; amending s. 409.913, F.S.; revising the due

576-04183-20

115 date for a certain annual report; deleting the
116 requirement that certain agencies submit their annual
117 reports jointly; providing that the agency or its
118 contractor is entitled to recover certain costs and
119 attorney fees related to audits, investigations, or
120 enforcement actions conducted by the agency or its
121 contractor; amending s. 409.920, F.S.; revising
122 provisions related to prohibited referral practices in
123 the Medicaid program; amending ss. 409.967 and
124 409.973, F.S.; revising the length of managed care
125 plan contracts procured by the agency beginning during
126 a specified timeframe; requiring the agency to extend
127 the term of certain existing managed care plan
128 contracts until a specified date; amending s. 429.11,
129 F.S.; removing an authorization for the issuance of a
130 provisional license to certain facilities; amending s.
131 429.19, F.S.; removing requirements that the agency
132 develop and disseminate a specified list and the
133 Department of Children and Families disseminate such
134 list to certain providers; amending ss. 429.35 and
135 429.905, F.S.; revising provisions requiring a
136 biennial inspection cycle for specified facilities;
137 amending s. 429.929, F.S.; revising provisions
138 requiring a biennial inspection cycle for adult day
139 care centers; amending ss. 627.6387, 627.6648, and
140 641.31076, F.S.; revising the definition of the term
141 "shoppable health care service"; revising the duties
142 of certain health insurers and health maintenance
143 organizations; repealing part I of ch. 483, F.S.,

576-04183-20

144 relating to the Florida Multiphasic Health Testing
145 Center Law; redesignating parts II and III of ch. 483,
146 F.S., as parts I and II, respectively; amending ss.
147 20.43, 381.0034, 456.001, 456.057, 456.076, and
148 456.47, F.S.; conforming cross-references; providing
149 effective dates.

150
151 Be It Enacted by the Legislature of the State of Florida:

152
153 Section 1. Subsections (2) and (4) of section 383.327,
154 Florida Statutes, are amended to read:

155 383.327 Birth and death records; reports.—

156 (2) Each maternal death, newborn death, and stillbirth
157 shall be reported immediately to the medical examiner and the
158 agency.

159 (4) A report shall be submitted ~~annually~~ to the agency. The
160 contents of the report and the frequency with which it is
161 submitted shall be prescribed by rule of the agency.

162 Section 2. Subsection (4) of section 395.003, Florida
163 Statutes, is amended to read:

164 395.003 Licensure; denial, suspension, and revocation.—

165 (4) The agency shall issue a license ~~that which~~ specifies
166 the service categories and the number of hospital beds in each
167 bed category for which a license is received. Such information
168 shall be listed on the face of the license. ~~All beds which are~~
169 ~~not covered by any specialty-bed-need methodology shall be~~
170 ~~specified as general beds.~~ A licensed facility shall not operate
171 a number of hospital beds greater than the number indicated by
172 the agency on the face of the license without approval from the

576-04183-20

173 agency under conditions established by rule.

174 Section 3. Paragraph (g) is added to subsection (18) of
175 section 395.1055, Florida Statutes, to read:

176 395.1055 Rules and enforcement.—

177 (18) In establishing rules for adult cardiovascular
178 services, the agency shall include provisions that allow for:

179 (g) The requirement that hospitals licensed for adult
180 diagnostic cardiac catheterization, Level I or Level II adult
181 cardiovascular services participate in the American College of
182 Cardiology - National Cardiovascular Data Registry or the
183 American Heart Association's Get with the Guidelines - Coronary
184 Artery Disease program registry and document an ongoing quality
185 improvement plan to ensure these licensed programs meet or
186 exceed national quality and outcome benchmarks reported by the
187 registry in which they participate. Hospitals licensed for Level
188 II adult cardiovascular services must also participate in the
189 clinical outcome reporting systems operated by the Society for
190 Thoracic Surgeons.

191 Section 4. Paragraph (b) of subsection (2) of section
192 395.602, Florida Statutes, is amended to read:

193 395.602 Rural hospitals.—

194 (2) DEFINITIONS.—As used in this part, the term:

195 (b) "Rural hospital" means an acute care hospital licensed
196 under this chapter, having 100 or fewer licensed beds and an
197 emergency room, which is:

198 1. The sole provider within a county with a population
199 density of up to 100 persons per square mile;

200 2. An acute care hospital, in a county with a population
201 density of up to 100 persons per square mile, which is at least

576-04183-20

202 30 minutes of travel time, on normally traveled roads under
203 normal traffic conditions, from any other acute care hospital
204 within the same county;

205 3. A hospital supported by a tax district or subdistrict
206 whose boundaries encompass a population of up to 100 persons per
207 square mile;

208 4. A hospital classified as a sole community hospital under
209 42 C.F.R. s. 412.92, regardless of the number of licensed beds;

210 5. A hospital with a service area that has a population of
211 up to 100 persons per square mile. As used in this subparagraph,
212 the term "service area" means the fewest number of zip codes
213 that account for 75 percent of the hospital's discharges for the
214 most recent 5-year period, based on information available from
215 the hospital inpatient discharge database in the Florida Center
216 for Health Information and Transparency at the agency; or

217 6. A hospital designated as a critical access hospital, as
218 defined in s. 408.07.

219
220 Population densities used in this paragraph must be based upon
221 the most recently completed United States census. A hospital
222 that received funds under s. 409.9116 for a quarter beginning no
223 later than July 1, 2002, is deemed to have been and shall
224 continue to be a rural hospital from that date through June 30,
225 2021, if the hospital continues to have up to 100 licensed beds
226 and an emergency room. An acute care hospital that has not
227 previously been designated as a rural hospital and that meets
228 the criteria of this paragraph shall be granted such designation
229 upon application, including supporting documentation, to the
230 agency. A hospital that was licensed as a rural hospital during

576-04183-20

231 the 2010-2011 or 2011-2012 fiscal year shall continue to be a
232 rural hospital from the date of designation through June 30,
233 ~~2025-2024~~, if the hospital continues to have up to 100 licensed
234 beds and an emergency room.

235 Section 5. Section 395.7015, Florida Statutes, is repealed.

236 Section 6. Section 395.7016, Florida Statutes, is amended
237 to read:

238 395.7016 Annual appropriation.—The Legislature shall
239 appropriate each fiscal year from either the General Revenue
240 Fund or the Agency for Health Care Administration Tobacco
241 Settlement Trust Fund an amount sufficient to replace the funds
242 lost due to ~~reduction by chapter 2000-256, Laws of Florida, of~~
243 ~~the assessment on other health care entities under s. 395.7015,~~
244 ~~and~~ the reduction by chapter 2000-256, Laws of Florida, in the
245 assessment on hospitals under s. 395.701~~7~~, and to maintain
246 federal approval of the reduced amount of funds deposited into
247 the Public Medical Assistance Trust Fund under s. 395.701~~7~~, as
248 state match for the state's Medicaid program.

249 Section 7. Subsection (3) of section 400.19, Florida
250 Statutes, is amended to read:

251 400.19 Right of entry and inspection.—

252 (3) The agency shall conduct periodic, every 15 months
253 ~~conduct at least one~~ unannounced licensure inspections
254 ~~inspection~~ to determine compliance by the licensee with
255 statutes, and with rules adopted promulgated under ~~the~~
256 ~~provisions of~~ those statutes, governing minimum standards of
257 construction, quality and adequacy of care, and rights of
258 residents. ~~The survey shall be conducted every 6 months for the~~
259 ~~next 2 year period~~ If the facility has been cited for a class I

576-04183-20

260 deficiency ~~or~~ has been cited for two or more class II
261 deficiencies arising from separate surveys or investigations
262 within a 60-day period, the agency shall conduct licensure
263 surveys every 6 months until the facility has two consecutive
264 licensure surveys without a citation for a class I or a class II
265 deficiency or has had three or more substantiated complaints
266 ~~within a 6-month period, each resulting in at least one class I~~
267 ~~or class II deficiency.~~ In addition to any other fees or fines
268 in this part, the agency shall assess a fine of for each
269 ~~facility that is subject to the 6-month survey cycle. The fine~~
270 ~~for the 2 year period shall be \$6,000 for the additional 6-month~~
271 ~~licensure surveys, one-half to be paid at the completion of each~~
272 ~~survey.~~ The agency may adjust such this fine by the change in
273 the Consumer Price Index, based on the 12 months immediately
274 preceding the increase, to cover the cost of the additional
275 surveys. The agency shall verify through subsequent inspection
276 that any deficiency identified during inspection is corrected.
277 However, the agency may verify the correction of a class III or
278 class IV deficiency unrelated to resident rights or resident
279 care without reinspecting the facility if adequate written
280 documentation has been received from the facility, which
281 provides assurance that the deficiency has been corrected. The
282 giving or causing to be given of advance notice of such
283 unannounced inspections by an employee of the agency to any
284 unauthorized person shall constitute cause for suspension of not
285 fewer than 5 working days according to ~~the provisions of~~ chapter
286 110.

287 Section 8. Subsections (12), (14), (17), (21), and (22) of
288 section 400.462, Florida Statutes, are amended to read:

233364

576-04183-20

289 400.462 Definitions.—As used in this part, the term:

290 (12) “Home health agency” means a person who ~~an~~
291 ~~organization that provides one or more home health services and~~
292 ~~staffing services.~~

293 (14) “Home health services” means health and medical
294 services and medical supplies furnished ~~by an organization~~ to an
295 individual in the individual’s home or place of residence. The
296 term includes ~~organizations that provide one or more of the~~
297 following:

298 (a) Nursing care.

299 (b) Physical, occupational, respiratory, or speech therapy.

300 (c) Home health aide services.

301 (d) Dietetics and nutrition practice and nutrition
302 counseling.

303 (e) Medical supplies, restricted to drugs and biologicals
304 prescribed by a physician.

305 (17) “Home infusion therapy provider” means a person who ~~an~~
306 ~~organization that~~ employs, contracts with, or refers a licensed
307 professional who has received advanced training and experience
308 in intravenous infusion therapy and who administers infusion
309 therapy to a patient in the patient’s home or place of
310 residence.

311 (21) “Nurse registry” means any person ~~who that~~ procures,
312 offers, promises, or attempts to secure health-care-related
313 contracts for registered nurses, licensed practical nurses,
314 certified nursing assistants, home health aides, companions, or
315 homemakers, who are compensated by fees as independent
316 contractors, including, but not limited to, contracts for the
317 provision of services to patients and contracts to provide

233364

576-04183-20

318 private duty or staffing services to health care facilities
319 licensed under chapter 395, this chapter, or chapter 429 or
320 other business entities.

321 ~~(22) “Organization” means a corporation, government or~~
322 ~~governmental subdivision or agency, partnership or association,~~
323 ~~or any other legal or commercial entity, any of which involve~~
324 ~~more than one health care professional discipline; a health care~~
325 ~~professional and a home health aide or certified nursing~~
326 ~~assistant; more than one home health aide; more than one~~
327 ~~certified nursing assistant; or a home health aide and a~~
328 ~~certified nursing assistant. The term does not include an entity~~
329 ~~that provides services using only volunteers or only individuals~~
330 ~~related by blood or marriage to the patient or client.~~

331 Section 9. Subsection (1), paragraph (a) of subsection (4),
332 and subsection (5) of section 400.464, Florida Statutes, are
333 amended to read:

334 400.464 Home health agencies to be licensed; expiration of
335 license; exemptions; unlawful acts; penalties.—

336 (1) The requirements of part II of chapter 408 apply to the
337 provision of services that require licensure pursuant to this
338 part and part II of chapter 408 and entities licensed or
339 registered by or applying for such licensure or registration
340 from the Agency for Health Care Administration pursuant to this
341 part. A license issued by the agency is required in order to
342 operate a home health agency in this state. A license issued on
343 or after July 1, 2018, must specify the home health services the
344 licensee ~~organization~~ is authorized to perform and indicate
345 whether such specified services are considered skilled care. The
346 provision or advertising of services that require licensure

233364

576-04183-20

347 pursuant to this part without such services being specified on
348 the face of the license issued on or after July 1, 2018,
349 constitutes unlicensed activity as prohibited under s. 408.812.

350 (4) (a) ~~A licensee An organization~~ that offers or advertises
351 to the public any service for which licensure or registration is
352 required under this part must include in the advertisement the
353 license number or registration number issued to the licensee
354 ~~organization~~ by the agency. The agency shall assess a fine of
355 not less than \$100 to any licensee or registrant who fails to
356 include the license or registration number when submitting the
357 advertisement for publication, broadcast, or printing. The fine
358 for a second or subsequent offense is \$500. The holder of a
359 license issued under this part may not advertise or indicate to
360 the public that it holds a home health agency or nurse registry
361 license other than the one it has been issued.

362 (5) The following are exempt from ~~the~~ licensure as a home
363 health agency under requirements of this part:

364 (a) A home health agency operated by the Federal
365 Government.

366 (b) Home health services provided by a state agency, either
367 directly or through a contractor with:

368 1. The Department of Elderly Affairs.
369 2. The Department of Health, a community health center, or
370 a rural health network that furnishes home visits for the
371 purpose of providing environmental assessments, case management,
372 health education, personal care services, family planning, or
373 followup treatment, or for the purpose of monitoring and
374 tracking disease.

375 3. Services provided to persons with developmental

233364

576-04183-20

376 disabilities, as defined in s. 393.063.

377 4. Companion and sitter organizations that were registered
378 under s. 400.509(1) on January 1, 1999, and were authorized to
379 provide personal services under a developmental services
380 provider certificate on January 1, 1999, may continue to provide
381 such services to past, present, and future clients of the
382 organization who need such services, notwithstanding the
383 provisions of this act.

384 5. The Department of Children and Families.

385 (c) A health care professional, whether or not
386 incorporated, who is licensed under chapter 457; chapter 458;
387 chapter 459; part I of chapter 464; chapter 467; part I, part
388 III, part V, or part X of chapter 468; chapter 480; chapter 486;
389 chapter 490; or chapter 491; and who is acting alone within the
390 scope of his or her professional license to provide care to
391 patients in their homes.

392 (d) A home health aide or certified nursing assistant who
393 is acting in his or her individual capacity, within the
394 definitions and standards of his or her occupation, and who
395 provides hands-on care to patients in their homes.

396 (e) An individual who acts alone, in his or her individual
397 capacity, and who is not employed by or affiliated with a
398 licensed home health agency or registered with a licensed nurse
399 registry. This exemption does not entitle an individual to
400 perform home health services without the required professional
401 license.

402 (f) The delivery of instructional services in home dialysis
403 and home dialysis supplies and equipment.

404 (g) The delivery of nursing home services for which the

576-04183-20

405 nursing home is licensed under part II of this chapter, to serve
406 its residents in its facility.

407 (h) The delivery of assisted living facility services for
408 which the assisted living facility is licensed under part I of
409 chapter 429, to serve its residents in its facility.

410 (i) The delivery of hospice services for which the hospice
411 is licensed under part IV of this chapter, to serve hospice
412 patients admitted to its service.

413 (j) A hospital that provides services for which it is
414 licensed under chapter 395.

415 (k) The delivery of community residential services for
416 which the community residential home is licensed under chapter
417 419, to serve the residents in its facility.

418 (l) A not-for-profit, community-based agency that provides
419 early intervention services to infants and toddlers.

420 (m) Certified rehabilitation agencies and comprehensive
421 outpatient rehabilitation facilities that are certified under
422 Title 18 of the Social Security Act.

423 (n) The delivery of adult family-care home services for
424 which the adult family-care home is licensed under part II of
425 chapter 429, to serve the residents in its facility.

426 (o) A person who provides skilled care by health care
427 professionals licensed solely under part I of chapter 464; part
428 I, part III, or part V of chapter 468; or chapter 486. This
429 exemption does not authorize an individual to perform home
430 health services without the required professional license.

431 (p) A person or entity that provides services using only
432 volunteers or only individuals related by blood or marriage to
433 the patient or client.

576-04183-20

434 Section 10. Paragraph (g) of subsection (2) of section
435 400.471, Florida Statutes, is amended to read:

436 400.471 Application for license; fee.—

437 (2) In addition to the requirements of part II of chapter
438 408, the initial applicant, the applicant for a change of
439 ownership, and the applicant for the addition of skilled care
440 services must file with the application satisfactory proof that
441 the home health agency is in compliance with this part and
442 applicable rules, including:

443 (g) In the case of an application for initial licensure, an
444 application for a change of ownership, or an application for the
445 addition of skilled care services, documentation of
446 accreditation, or an application for accreditation, from an
447 accrediting organization that is recognized by the agency as
448 having standards comparable to those required by this part and
449 part II of chapter 408. A home health agency that does not
450 provide skilled care is exempt from this paragraph.
451 Notwithstanding s. 408.806, ~~the an initial~~ applicant must
452 provide proof of accreditation that is not conditional or
453 provisional and a survey demonstrating compliance with the
454 requirements of this part, part II of chapter 408, and
455 applicable rules from an accrediting organization that is
456 recognized by the agency as having standards comparable to those
457 required by this part and part II of chapter 408 within 120 days
458 after the date of the agency's receipt of the application for
459 licensure. Such accreditation must be continuously maintained by
460 the home health agency to maintain licensure. The agency shall
461 accept, in lieu of its own periodic licensure survey, the
462 submission of the survey of an accrediting organization that is

576-04183-20

463 recognized by the agency if the accreditation of the licensed
464 home health agency is not provisional and if the licensed home
465 health agency authorizes release of, and the agency receives the
466 report of, the accrediting organization.

467 Section 11. Section 400.492, Florida Statutes, is amended
468 to read:

469 400.492 Provision of services during an emergency.—Each
470 home health agency shall prepare and maintain a comprehensive
471 emergency management plan that is consistent with the standards
472 adopted by national or state accreditation organizations and
473 consistent with the local special needs plan. The plan shall be
474 updated annually and shall provide for continuing home health
475 services during an emergency that interrupts patient care or
476 services in the patient's home. The plan shall include the means
477 by which the home health agency will continue to provide staff
478 to perform the same type and quantity of services to their
479 patients who evacuate to special needs shelters that were being
480 provided to those patients prior to evacuation. The plan shall
481 describe how the home health agency establishes and maintains an
482 effective response to emergencies and disasters, including:
483 notifying staff when emergency response measures are initiated;
484 providing for communication between staff members, county health
485 departments, and local emergency management agencies, including
486 a backup system; identifying resources necessary to continue
487 essential care or services or referrals to other health care
488 providers ~~organizations~~ subject to written agreement; and
489 prioritizing and contacting patients who need continued care or
490 services.

491 (1) Each patient record for patients who are listed in the

576-04183-20

492 registry established pursuant to s. 252.355 shall include a
493 description of how care or services will be continued in the
494 event of an emergency or disaster. The home health agency shall
495 discuss the emergency provisions with the patient and the
496 patient's caregivers, including where and how the patient is to
497 evacuate, procedures for notifying the home health agency in the
498 event that the patient evacuates to a location other than the
499 shelter identified in the patient record, and a list of
500 medications and equipment which must either accompany the
501 patient or will be needed by the patient in the event of an
502 evacuation.

503 (2) Each home health agency shall maintain a current
504 prioritized list of patients who need continued services during
505 an emergency. The list shall indicate how services shall be
506 continued in the event of an emergency or disaster for each
507 patient and if the patient is to be transported to a special
508 needs shelter, and shall indicate if the patient is receiving
509 skilled nursing services and the patient's medication and
510 equipment needs. The list shall be furnished to county health
511 departments and to local emergency management agencies, upon
512 request.

513 (3) Home health agencies shall not be required to continue
514 to provide care to patients in emergency situations that are
515 beyond their control and that make it impossible to provide
516 services, such as when roads are impassable or when patients do
517 not go to the location specified in their patient records. Home
518 health agencies may establish links to local emergency
519 operations centers to determine a mechanism by which to approach
520 specific areas within a disaster area in order for the agency to

576-04183-20

521 reach its clients. Home health agencies shall demonstrate a good
522 faith effort to comply with the requirements of this subsection
523 by documenting attempts of staff to follow procedures outlined
524 in the home health agency's comprehensive emergency management
525 plan, and by the patient's record, which support a finding that
526 the provision of continuing care has been attempted for those
527 patients who have been identified as needing care by the home
528 health agency and registered under s. 252.355, in the event of
529 an emergency or disaster under subsection (1).

530 (4) Notwithstanding the provisions of s. 400.464(2) or any
531 other provision of law to the contrary, a home health agency may
532 provide services in a special needs shelter located in any
533 county.

534 Section 12. Subsection (4) and paragraph (a) of subsection
535 (5) of section 400.506, Florida Statutes, are amended to read:

536 400.506 Licensure of nurse registries; requirements;
537 penalties.-

538 (4) A licensee who ~~person that~~ provides, offers, or
539 advertises to the public any service for which licensure is
540 required under this section must include in such advertisement
541 the license number issued to the licensee ~~it~~ by the Agency for
542 Health Care Administration. The agency shall assess a fine of
543 not less than \$100 against any licensee who fails to include the
544 license number when submitting the advertisement for
545 publication, broadcast, or printing. The fine for a second or
546 subsequent offense is \$500.

547 (5)(a) In addition to the requirements of s. 408.812, any
548 person or entity that ~~who~~ owns, operates, or maintains an
549 unlicensed nurse registry and who, after receiving notification

576-04183-20

550 from the agency, fails to cease operation and apply for a
551 license under this part commits a misdemeanor of the second
552 degree, punishable as provided in s. 775.082 or s. 775.083. Each
553 day of continued operation is a separate offense.

554 Section 13. Subsections (1), (2), (4), and (5) of section
555 400.509, Florida Statutes, are amended to read:

556 400.509 Registration of particular service providers exempt
557 from licensure; certificate of registration; regulation of
558 registrants.-

559 (1) Any person who ~~organization that~~ provides companion
560 services or homemaker services and does not provide a home
561 health service to a person is exempt from licensure under this
562 part. However, any person who ~~organization that~~ provides
563 companion services or homemaker services must register with the
564 agency. A person ~~An organization~~ under contract with the Agency
565 for Persons with Disabilities who ~~which~~ provides companion
566 services only for persons with a developmental disability, as
567 defined in s. 393.063, is exempt from registration.

568 (2) The requirements of part II of chapter 408 apply to the
569 provision of services that require registration or licensure
570 pursuant to this section and part II of chapter 408 and entities
571 registered by or applying for such registration from the Agency
572 for Health Care Administration pursuant to this section. Each
573 applicant for registration and each registrant must comply with
574 all provisions of part II of chapter 408. Registration or a
575 license issued by the agency is required for a person to provide
576 ~~the operation of an organization that provides~~ companion
577 services or homemaker services.

578 (4) Each registrant must obtain the employment or contract

576-04183-20

579 history of persons who are employed by or under contract with
580 the ~~person organization~~ and who will have contact at any time
581 with patients or clients in their homes by:

582 (a) Requiring such persons to submit an employment or
583 contractual history to the registrant; and

584 (b) Verifying the employment or contractual history, unless
585 through diligent efforts such verification is not possible. The
586 agency shall prescribe by rule the minimum requirements for
587 establishing that diligent efforts have been made.

588

589 There is no monetary liability on the part of, and no cause of
590 action for damages arises against, a former employer of a
591 prospective employee of or prospective independent contractor
592 with a registrant who reasonably and in good faith communicates
593 his or her honest opinions about the former employee's or
594 contractor's job performance. This subsection does not affect
595 the official immunity of an officer or employee of a public
596 corporation.

597 (5) A person ~~who that~~ offers or advertises to the public a
598 service for which registration is required must include in its
599 advertisement the registration number issued by the Agency for
600 Health Care Administration.

601 Section 14. Subsection (3) of section 400.605, Florida
602 Statutes, is amended to read:

603 400.605 Administration; forms; fees; rules; inspections;
604 fines.-

605 (3) In accordance with s. 408.811, the agency shall conduct
606 ~~annual inspections of all licensees, except that licensure~~
607 ~~inspections may be conducted biennially for hospices having a 3-~~

576-04183-20

608 ~~year record of substantial compliance. The agency shall conduct~~
609 such inspections and investigations as are necessary in order to
610 determine the state of compliance with ~~the provisions of this~~
611 part, part II of chapter 408, and applicable rules.

612 Section 15. Section 400.60501, Florida Statutes, is amended
613 to read:

614 400.60501 Outcome measures; adoption of federal quality
615 measures; public reporting; ~~annual report.-~~

616 (1) ~~No later than December 31, 2019,~~ The agency shall adopt
617 the national hospice outcome measures and survey data in 42
618 C.F.R. part 418 to determine the quality and effectiveness of
619 hospice care for hospices licensed in the state.

620 (2) The agency shall~~+~~

621 ~~(a)~~ make available to the public the national hospice
622 outcome measures and survey data in a format that is
623 comprehensible by a layperson and that allows a consumer to
624 compare such measures of one or more hospices.

625 ~~(b) Develop an annual report that analyzes and evaluates~~
626 ~~the information collected under this act and any other data~~
627 ~~collection or reporting provisions of law.~~

628 Section 16. Subsection (4) of section 400.9905, Florida
629 Statutes, is amended to read:

630 400.9905 Definitions.-

631 (4) "Clinic" means an entity where health care services are
632 provided to individuals and which tenders charges for
633 reimbursement for such services, including a mobile clinic and a
634 portable equipment provider. As used in this part, the term does
635 not include and the licensure requirements of this part do not
636 apply to:

576-04183-20

637 (a) Entities licensed or registered by the state under
638 chapter 395; entities licensed or registered by the state and
639 providing only health care services within the scope of services
640 authorized under their respective licenses under ss. 383.30-
641 383.332, chapter 390, chapter 394, chapter 397, this chapter
642 except part X, chapter 429, chapter 463, chapter 465, chapter
643 466, chapter 478, chapter 484, or chapter 651; end-stage renal
644 disease providers authorized under 42 C.F.R. part 405, subpart
645 U; providers certified and providing only health care services
646 within the scope of services authorized under their respective
647 certifications under 42 C.F.R. part 485, subpart B, ~~or~~ subpart
648 H, or subpart J; providers certified and providing only health
649 care services within the scope of services authorized under
650 their respective certifications under 42 C.F.R. part 486,
651 subpart C; providers certified and providing only health care
652 services within the scope of services authorized under their
653 respective certifications under 42 C.F.R. part 491, subpart A;
654 providers certified by the Centers for Medicare and Medicaid
655 services under the federal Clinical Laboratory Improvement
656 Amendments and the federal rules adopted thereunder; or any
657 entity that provides neonatal or pediatric hospital-based health
658 care services or other health care services by licensed
659 practitioners solely within a hospital licensed under chapter
660 395.

661 (b) Entities that own, directly or indirectly, entities
662 licensed or registered by the state pursuant to chapter 395;
663 entities that own, directly or indirectly, entities licensed or
664 registered by the state and providing only health care services
665 within the scope of services authorized pursuant to their

576-04183-20

666 respective licenses under ss. 383.30-383.332, chapter 390,
667 chapter 394, chapter 397, this chapter except part X, chapter
668 429, chapter 463, chapter 465, chapter 466, chapter 478, chapter
669 484, or chapter 651; end-stage renal disease providers
670 authorized under 42 C.F.R. part 405, subpart U; providers
671 certified and providing only health care services within the
672 scope of services authorized under their respective
673 certifications under 42 C.F.R. part 485, subpart B, ~~or~~ subpart
674 H, or subpart J; providers certified and providing only health
675 care services within the scope of services authorized under
676 their respective certifications under 42 C.F.R. part 486,
677 subpart C; providers certified and providing only health care
678 services within the scope of services authorized under their
679 respective certifications under 42 C.F.R. part 491, subpart A;
680 providers certified by the Centers for Medicare and Medicaid
681 services under the federal Clinical Laboratory Improvement
682 Amendments and the federal rules adopted thereunder; or any
683 entity that provides neonatal or pediatric hospital-based health
684 care services by licensed practitioners solely within a hospital
685 licensed under chapter 395.

686 (c) Entities that are owned, directly or indirectly, by an
687 entity licensed or registered by the state pursuant to chapter
688 395; entities that are owned, directly or indirectly, by an
689 entity licensed or registered by the state and providing only
690 health care services within the scope of services authorized
691 pursuant to their respective licenses under ss. 383.30-383.332,
692 chapter 390, chapter 394, chapter 397, this chapter except part
693 X, chapter 429, chapter 463, chapter 465, chapter 466, chapter
694 478, chapter 484, or chapter 651; end-stage renal disease

576-04183-20

695 providers authorized under 42 C.F.R. part 405, subpart U;
696 providers certified and providing only health care services
697 within the scope of services authorized under their respective
698 certifications under 42 C.F.R. part 485, subpart B, ~~or~~ subpart
699 H, or subpart J; providers certified and providing only health
700 care services within the scope of services authorized under
701 their respective certifications under 42 C.F.R. part 486,
702 subpart C; providers certified and providing only health care
703 services within the scope of services authorized under their
704 respective certifications under 42 C.F.R. part 491, subpart A;
705 providers certified by the Centers for Medicare and Medicaid
706 services under the federal Clinical Laboratory Improvement
707 Amendments and the federal rules adopted thereunder; or any
708 entity that provides neonatal or pediatric hospital-based health
709 care services by licensed practitioners solely within a hospital
710 under chapter 395.

711 (d) Entities that are under common ownership, directly or
712 indirectly, with an entity licensed or registered by the state
713 pursuant to chapter 395; entities that are under common
714 ownership, directly or indirectly, with an entity licensed or
715 registered by the state and providing only health care services
716 within the scope of services authorized pursuant to their
717 respective licenses under ss. 383.30-383.332, chapter 390,
718 chapter 394, chapter 397, this chapter except part X, chapter
719 429, chapter 463, chapter 465, chapter 466, chapter 478, chapter
720 484, or chapter 651; end-stage renal disease providers
721 authorized under 42 C.F.R. part 405, subpart U; providers
722 certified and providing only health care services within the
723 scope of services authorized under their respective

576-04183-20

724 certifications under 42 C.F.R. part 485, subpart B, ~~or~~ subpart
725 H, or subpart J; providers certified and providing only health
726 care services within the scope of services authorized under
727 their respective certifications under 42 C.F.R. part 486,
728 subpart C; providers certified and providing only health care
729 services within the scope of services authorized under their
730 respective certifications under 42 C.F.R. part 491, subpart A;
731 providers certified by the Centers for Medicare and Medicaid
732 services under the federal Clinical Laboratory Improvement
733 Amendments and the federal rules adopted thereunder; or any
734 entity that provides neonatal or pediatric hospital-based health
735 care services by licensed practitioners solely within a hospital
736 licensed under chapter 395.

737 (e) An entity that is exempt from federal taxation under 26
738 U.S.C. s. 501(c)(3) or (4), an employee stock ownership plan
739 under 26 U.S.C. s. 409 that has a board of trustees at least
740 two-thirds of which are Florida-licensed health care
741 practitioners and provides only physical therapy services under
742 physician orders, any community college or university clinic,
743 and any entity owned or operated by the federal or state
744 government, including agencies, subdivisions, or municipalities
745 thereof.

746 (f) A sole proprietorship, group practice, partnership, or
747 corporation that provides health care services by physicians
748 covered by s. 627.419, that is directly supervised by one or
749 more of such physicians, and that is wholly owned by one or more
750 of those physicians or by a physician and the spouse, parent,
751 child, or sibling of that physician.

752 (g) A sole proprietorship, group practice, partnership, or

576-04183-20

753 corporation that provides health care services by licensed
754 health care practitioners under chapter 457, chapter 458,
755 chapter 459, chapter 460, chapter 461, chapter 462, chapter 463,
756 chapter 466, chapter 467, chapter 480, chapter 484, chapter 486,
757 chapter 490, chapter 491, or part I, part III, part X, part
758 XIII, or part XIV of chapter 468, or s. 464.012, and that is
759 wholly owned by one or more licensed health care practitioners,
760 or the licensed health care practitioners set forth in this
761 paragraph and the spouse, parent, child, or sibling of a
762 licensed health care practitioner if one of the owners who is a
763 licensed health care practitioner is supervising the business
764 activities and is legally responsible for the entity's
765 compliance with all federal and state laws. However, a health
766 care practitioner may not supervise services beyond the scope of
767 the practitioner's license, except that, for the purposes of
768 this part, a clinic owned by a licensee in s. 456.053(3)(b)
769 which provides only services authorized pursuant to s.
770 456.053(3)(b) may be supervised by a licensee specified in s.
771 456.053(3)(b).

772 (h) Clinical facilities affiliated with an accredited
773 medical school at which training is provided for medical
774 students, residents, or fellows.

775 (i) Entities that provide only oncology or radiation
776 therapy services by physicians licensed under chapter 458 or
777 chapter 459 or entities that provide oncology or radiation
778 therapy services by physicians licensed under chapter 458 or
779 chapter 459 which are owned by a corporation whose shares are
780 publicly traded on a recognized stock exchange.

781 (j) Clinical facilities affiliated with a college of

576-04183-20

782 chiropractic accredited by the Council on Chiropractic Education
783 at which training is provided for chiropractic students.

784 (k) Entities that provide licensed practitioners to staff
785 emergency departments or to deliver anesthesia services in
786 facilities licensed under chapter 395 and that derive at least
787 90 percent of their gross annual revenues from the provision of
788 such services. Entities claiming an exemption from licensure
789 under this paragraph must provide documentation demonstrating
790 compliance.

791 (l) Orthotic, prosthetic, pediatric cardiology, or
792 perinatology clinical facilities or anesthesia clinical
793 facilities that are not otherwise exempt under paragraph (a) or
794 paragraph (k) and that are a publicly traded corporation or are
795 wholly owned, directly or indirectly, by a publicly traded
796 corporation. As used in this paragraph, a publicly traded
797 corporation is a corporation that issues securities traded on an
798 exchange registered with the United States Securities and
799 Exchange Commission as a national securities exchange.

800 (m) Entities that are owned by a corporation that has \$250
801 million or more in total annual sales of health care services
802 provided by licensed health care practitioners where one or more
803 of the persons responsible for the operations of the entity is a
804 health care practitioner who is licensed in this state and who
805 is responsible for supervising the business activities of the
806 entity and is responsible for the entity's compliance with state
807 law for purposes of this part.

808 (n) Entities that employ 50 or more licensed health care
809 practitioners licensed under chapter 458 or chapter 459 where
810 the billing for medical services is under a single tax

576-04183-20

811 identification number. The application for exemption under this
812 subsection shall contain information that includes: the name,
813 residence, and business address and phone number of the entity
814 that owns the practice; a complete list of the names and contact
815 information of all the officers and directors of the
816 corporation; the name, residence address, business address, and
817 medical license number of each licensed Florida health care
818 practitioner employed by the entity; the corporate tax
819 identification number of the entity seeking an exemption; a
820 listing of health care services to be provided by the entity at
821 the health care clinics owned or operated by the entity and a
822 certified statement prepared by an independent certified public
823 accountant which states that the entity and the health care
824 clinics owned or operated by the entity have not received
825 payment for health care services under personal injury
826 protection insurance coverage for the preceding year. If the
827 agency determines that an entity which is exempt under this
828 subsection has received payments for medical services under
829 personal injury protection insurance coverage, the agency may
830 deny or revoke the exemption from licensure under this
831 subsection.

832 (o) Entities that are, directly or indirectly, under the
833 common ownership of or that are subject to common control by a
834 mutual insurance holding company, as defined in s. 628.703, with
835 an entity licensed or certified under chapter 627 or chapter 641
836 which has \$1 billion or more in total annual sales in this
837 state.

838 (p) Entities that are owned by an entity that is a
839 behavioral health service provider in at least 5 states other

576-04183-20

840 than Florida and that, together with its affiliates, has \$90
841 million or more in total annual revenues associated with the
842 provision of behavioral health services and where one or more of
843 the persons responsible for the operations of the entity is a
844 health care practitioner who is licensed in this state and who
845 is responsible for supervising the business activities of the
846 entity and for the entity's compliance with state law for
847 purposes of this part.

848 (q) Medicaid providers.

849
850 Notwithstanding this subsection, an entity shall be deemed a
851 clinic and must be licensed under this part in order to receive
852 reimbursement under the Florida Motor Vehicle No-Fault Law, ss.
853 627.730-627.7405, unless exempted under s. 627.736(5)(h).

854 Section 17. Paragraph (c) of subsection (3) of section
855 400.991, Florida Statutes, is amended to read:

856 400.991 License requirements; background screenings;
857 prohibitions.-

858 (3) In addition to the requirements of part II of chapter
859 408, the applicant must file with the application satisfactory
860 proof that the clinic is in compliance with this part and
861 applicable rules, including:

862 (c) Proof of financial ability to operate as required under
863 ~~ss. 408.8065(1) and 408.810(8) s. 408.810(8). As an alternative~~
864 ~~to submitting proof of financial ability to operate as required~~
865 ~~under s. 408.810(8), the applicant may file a surety bond of at~~
866 ~~least \$500,000 which guarantees that the clinic will act in full~~
867 ~~conformity with all legal requirements for operating a clinic,~~
868 ~~payable to the agency. The agency may adopt rules to specify~~

576-04183-20

869 ~~related requirements for such surety bond.~~

870 Section 18. Paragraph (i) of subsection (1) of section
871 400.9935, Florida Statutes, is amended to read:

872 400.9935 Clinic responsibilities.—

873 (1) Each clinic shall appoint a medical director or clinic
874 director who shall agree in writing to accept legal
875 responsibility for the following activities on behalf of the
876 clinic. The medical director or the clinic director shall:

877 (i) Ensure that the clinic publishes a schedule of charges
878 for the medical services offered to patients. The schedule must
879 include the prices charged to an uninsured person paying for
880 such services by cash, check, credit card, or debit card. The
881 schedule may group services by price levels, listing services in
882 each price level. The schedule must be posted in a conspicuous
883 place in the reception area of any clinic that is an ~~the~~ urgent
884 care center as defined in s. 395.002(29)(b) and must include,
885 but is not limited to, the 50 services most frequently provided
886 by the clinic. ~~The schedule may group services by three price~~
887 ~~levels, listing services in each price level.~~ The posting may be
888 a sign that must be at least 15 square feet in size or through
889 an electronic messaging board that is at least 3 square feet in
890 size. The failure of a clinic, including a clinic that is an
891 urgent care center, to publish and post a schedule of charges as
892 required by this section shall result in a fine of not more than
893 \$1,000, per day, until the schedule is published and posted.

894 Section 19. Paragraph (a) of subsection (2) of section
895 408.033, Florida Statutes, is amended to read:

896 408.033 Local and state health planning.—

897 (2) FUNDING.—

576-04183-20

898 (a) The Legislature intends that the cost of local health
899 councils be borne by assessments on selected health care
900 facilities subject to facility licensure by the Agency for
901 Health Care Administration, including abortion clinics, assisted
902 living facilities, ambulatory surgical centers, birth centers,
903 home health agencies, hospices, hospitals, intermediate care
904 facilities for the developmentally disabled, nursing homes, and
905 health care clinics, and multiphasic testing centers and by
906 assessments on organizations subject to certification by the
907 agency pursuant to chapter 641, part III, including health
908 maintenance organizations and prepaid health clinics. Fees
909 assessed may be collected prospectively at the time of licensure
910 renewal and prorated for the licensure period.

911 Section 20. Effective January 1, 2021, paragraph (1) is
912 added to subsection (3) of section 408.05, Florida Statutes, to
913 read:

914 408.05 Florida Center for Health Information and
915 Transparency.—

916 (3) HEALTH INFORMATION TRANSPARENCY.—In order to
917 disseminate and facilitate the availability of comparable and
918 uniform health information, the agency shall perform the
919 following functions:

920 (1) By July 1 of each year, publish a report identifying
921 the health care services with the most significant price
922 variation both statewide and regionally.

923 Section 21. Paragraph (a) of subsection (1) of section
924 408.061, Florida Statutes, is amended to read:

925 408.061 Data collection; uniform systems of financial
926 reporting; information relating to physician charges;

233364

576-04183-20

927 confidential information; immunity.-

928 (1) The agency shall require the submission by health care
929 facilities, health care providers, and health insurers of data
930 necessary to carry out the agency's duties and to facilitate
931 transparency in health care pricing data and quality measures.
932 Specifications for data to be collected under this section shall
933 be developed by the agency and applicable contract vendors, with
934 the assistance of technical advisory panels including
935 representatives of affected entities, consumers, purchasers, and
936 such other interested parties as may be determined by the
937 agency.

938 (a) Data submitted by health care facilities, including the
939 facilities as defined in chapter 395, shall include, but are not
940 limited to, ~~+~~ case-mix data, patient admission and discharge
941 data, hospital emergency department data which shall include the
942 number of patients treated in the emergency department of a
943 licensed hospital reported by patient acuity level, data on
944 hospital-acquired infections as specified by rule, data on
945 complications as specified by rule, data on readmissions as
946 specified by rule, including patient- ~~with patient~~ and provider-
947 specific identifiers ~~included~~, actual charge data by diagnostic
948 groups or other bundled groupings as specified by rule,
949 financial data, accounting data, operating expenses, expenses
950 incurred for rendering services to patients who cannot or do not
951 pay, interest charges, depreciation expenses based on the
952 expected useful life of the property and equipment involved, and
953 demographic data. The agency shall adopt nationally recognized
954 risk adjustment methodologies or software consistent with the
955 standards of the Agency for Healthcare Research and Quality and

233364

576-04183-20

956 as selected by the agency for all data submitted as required by
957 this section. Data may be obtained from documents including such
958 ~~as~~, but not limited to, ~~+~~ leases, contracts, debt instruments,
959 itemized patient statements or bills, medical record abstracts,
960 and related diagnostic information. ~~Reported~~ Data elements shall
961 be reported electronically in accordance with the inpatient data
962 reporting instructions as prescribed by agency rule 59E-7.012,
963 ~~Florida Administrative Code~~. Data submitted shall be certified
964 by the chief executive officer or an appropriate and duly
965 authorized representative or employee of the licensed facility
966 that the information submitted is true and accurate.

967 Section 22. Subsection (4) of section 408.0611, Florida
968 Statutes, is amended to read:

969 408.0611 Electronic prescribing clearinghouse.-

970 (4) Pursuant to s. 408.061, the agency shall monitor the
971 implementation of electronic prescribing by health care
972 practitioners, health care facilities, and pharmacies. ~~By~~
973 ~~January 31 of each year,~~ The agency shall report annually on its
974 website on the progress of implementation of electronic
975 prescribing ~~to the Governor and the Legislature~~. Information
976 reported pursuant to this subsection ~~must shall~~ include federal
977 and private sector electronic prescribing initiatives and, to
978 the extent that data is readily available from organizations
979 that operate electronic prescribing networks, the number of
980 health care practitioners using electronic prescribing and the
981 number of prescriptions electronically transmitted.

982 Section 23. Paragraphs (i) and (j) of subsection (1) of
983 section 408.062, Florida Statutes, are amended to read:

984 408.062 Research, analyses, studies, and reports.-

576-04183-20

985 (1) The agency shall conduct research, analyses, and
986 studies relating to health care costs and access to and quality
987 of health care services as access and quality are affected by
988 changes in health care costs. Such research, analyses, and
989 studies shall include, but not be limited to:
990 (i) The use of emergency department services by patient
991 acuity level ~~and the implication of increasing hospital cost by~~
992 ~~providing nonurgent care in emergency departments.~~ The agency
993 shall annually publish on its website information ~~submit an~~
994 ~~annual report~~ based on this monitoring and assessment ~~to the~~
995 ~~Governor, the Speaker of the House of Representatives, the~~
996 ~~President of the Senate, and the substantive legislative~~
997 ~~committees, due January 1.~~
998 (j) The making available on its Internet website, and in a
999 hard-copy format upon request, of patient charge, volumes,
1000 length of stay, and performance indicators collected from health
1001 care facilities pursuant to s. 408.061(1)(a) for specific
1002 medical conditions, surgeries, and procedures provided in
1003 inpatient and outpatient facilities as determined by the agency.
1004 In making the determination of specific medical conditions,
1005 surgeries, and procedures to include, the agency shall consider
1006 such factors as volume, severity of the illness, urgency of
1007 admission, individual and societal costs, and whether the
1008 condition is acute or chronic. Performance outcome indicators
1009 shall be risk adjusted or severity adjusted, as applicable,
1010 using nationally recognized risk adjustment methodologies or
1011 software consistent with the standards of the Agency for
1012 Healthcare Research and Quality and as selected by the agency.
1013 The website shall also provide an interactive search that allows

576-04183-20

1014 consumers to view and compare the information for specific
1015 facilities, a map that allows consumers to select a county or
1016 region, definitions of all of the data, descriptions of each
1017 procedure, and an explanation about why the data may differ from
1018 facility to facility. Such public data shall be updated
1019 quarterly. The agency shall annually publish on its website
1020 information ~~submit an annual status report~~ on the collection of
1021 data and publication of health care quality measures ~~to the~~
1022 ~~Governor, the Speaker of the House of Representatives, the~~
1023 ~~President of the Senate, and the substantive legislative~~
1024 ~~committees, due January 1.~~
1025 Section 24. Subsection (5) of section 408.063, Florida
1026 Statutes, is amended to read:
1027 408.063 Dissemination of health care information.—
1028 ~~(5) The agency shall publish annually a comprehensive~~
1029 ~~report of state health expenditures. The report shall identify:~~
1030 ~~(a) The contribution of health care dollars made by all~~
1031 ~~payors.~~
1032 ~~(b) The dollars expended by type of health care service in~~
1033 ~~Florida.~~
1034 Section 25. Section 408.802, Florida Statutes, is amended
1035 to read:
1036 408.802 Applicability.—~~The provisions of~~ This part applies
1037 ~~apply~~ to the provision of services that require licensure as
1038 defined in this part and to the following entities licensed,
1039 registered, or certified by the agency, as described in chapters
1040 112, 383, 390, 394, 395, 400, 429, 440, ~~483,~~ and 765:
1041 (1) Laboratories authorized to perform testing under the
1042 Drug-Free Workplace Act, as provided under ss. 112.0455 and

233364

576-04183-20

1043 440.102.
1044 (2) Birth centers, as provided under chapter 383.
1045 (3) Abortion clinics, as provided under chapter 390.
1046 (4) Crisis stabilization units, as provided under parts I
1047 and IV of chapter 394.
1048 (5) Short-term residential treatment facilities, as
1049 provided under parts I and IV of chapter 394.
1050 (6) Residential treatment facilities, as provided under
1051 part IV of chapter 394.
1052 (7) Residential treatment centers for children and
1053 adolescents, as provided under part IV of chapter 394.
1054 (8) Hospitals, as provided under part I of chapter 395.
1055 (9) Ambulatory surgical centers, as provided under part I
1056 of chapter 395.
1057 (10) Nursing homes, as provided under part II of chapter
1058 400.
1059 (11) Assisted living facilities, as provided under part I
1060 of chapter 429.
1061 (12) Home health agencies, as provided under part III of
1062 chapter 400.
1063 (13) Nurse registries, as provided under part III of
1064 chapter 400.
1065 (14) Companion services or homemaker services providers, as
1066 provided under part III of chapter 400.
1067 (15) Adult day care centers, as provided under part III of
1068 chapter 429.
1069 (16) Hospices, as provided under part IV of chapter 400.
1070 (17) Adult family-care homes, as provided under part II of
1071 chapter 429.

233364

576-04183-20

1072 (18) Homes for special services, as provided under part V
1073 of chapter 400.
1074 (19) Transitional living facilities, as provided under part
1075 XI of chapter 400.
1076 (20) Prescribed pediatric extended care centers, as
1077 provided under part VI of chapter 400.
1078 (21) Home medical equipment providers, as provided under
1079 part VII of chapter 400.
1080 (22) Intermediate care facilities for persons with
1081 developmental disabilities, as provided under part VIII of
1082 chapter 400.
1083 (23) Health care services pools, as provided under part IX
1084 of chapter 400.
1085 (24) Health care clinics, as provided under part X of
1086 chapter 400.
1087 ~~(25) Multiphasic health testing centers, as provided under~~
1088 ~~part I of chapter 483.~~
1089 (25) ~~(26)~~ Organ, tissue, and eye procurement organizations,
1090 as provided under part V of chapter 765.
1091 Section 26. Present subsections (10) through (14) of
1092 section 408.803, Florida Statutes, are redesignated as
1093 subsections (11) through (15), respectively, a new subsection
1094 (10) is added to that section, and subsection (3) of that
1095 section is amended, to read:
1096 408.803 Definitions.—As used in this part, the term:
1097 (3) "Authorizing statute" means the statute authorizing the
1098 licensed operation of a provider listed in s. 408.802 and
1099 includes chapters 112, 383, 390, 394, 395, 400, 429, 440, ~~483~~,
1100 and 765.

576-04183-20

1101 (10) "Low-risk provider" means nurse registries, home
1102 medical equipment providers, and health care clinics.

1103 Section 27. Paragraph (b) of subsection (7) of section
1104 408.806, Florida Statutes, is amended to read:
1105 408.806 License application process.—

1106 (7)
1107 (b) An initial inspection is not required for companion
1108 services or homemaker services providers, as provided under part
1109 III of chapter 400, ~~or~~ for health care services pools, as
1110 provided under part IX of chapter 400, or for low-risk providers
1111 as provided under s. 408.811.

1112 Section 28. Subsection (2) of section 408.808, Florida
1113 Statutes, is amended to read:

1114 408.808 License categories.—

1115 (2) PROVISIONAL LICENSE.—An applicant against whom a
1116 proceeding denying or revoking a license is pending at the time
1117 of license renewal may be issued a provisional license effective
1118 until final action not subject to further appeal. A provisional
1119 license may also be issued to an applicant for initial licensure
1120 or an applicant applying for a change of ownership. A
1121 provisional license must be limited in duration to a specific
1122 period of time, up to 12 months, as determined by the agency.

1123 Section 29. Subsections (2) and (5) of section 408.809,
1124 Florida Statutes, are amended to read:

1125 408.809 Background screening; prohibited offenses.—

1126 (2) Every 5 years following his or her licensure,
1127 employment, or entry into a contract in a capacity that under
1128 subsection (1) would require level 2 background screening under
1129 chapter 435, each such person must submit to level 2 background

576-04183-20

1130 rescreening as a condition of retaining such license or
1131 continuing in such employment or contractual status. For any
1132 such rescreening, the agency shall request the Department of Law
1133 Enforcement to forward the person's fingerprints to the Federal
1134 Bureau of Investigation for a national criminal history record
1135 check unless the person's fingerprints are enrolled in the
1136 Federal Bureau of Investigation's national retained print arrest
1137 notification program. If the fingerprints of such a person are
1138 not retained by the Department of Law Enforcement under s.
1139 943.05(2)(g) and (h), the person must submit fingerprints
1140 electronically to the Department of Law Enforcement for state
1141 processing, and the Department of Law Enforcement shall forward
1142 the fingerprints to the Federal Bureau of Investigation for a
1143 national criminal history record check. The fingerprints shall
1144 be retained by the Department of Law Enforcement under s.
1145 943.05(2)(g) and (h) and enrolled in the national retained print
1146 arrest notification program when the Department of Law
1147 Enforcement begins participation in the program. The cost of the
1148 state and national criminal history records checks required by
1149 level 2 screening may be borne by the licensee or the person
1150 fingerprinted. ~~Until a specified agency is fully implemented in~~
1151 ~~the clearinghouse created under s. 435.12,~~ The agency may accept
1152 as satisfying the requirements of this section proof of
1153 compliance with level 2 screening standards submitted within the
1154 previous 5 years to meet any provider or professional licensure
1155 requirements of ~~the agency, the Department of Health, the~~
1156 ~~Department of Elderly Affairs, the Agency for Persons with~~
1157 ~~Disabilities, the Department of Children and Families, or the~~
1158 Department of Financial Services for an applicant for a

576-04183-20

1159 certificate of authority or provisional certificate of authority
1160 to operate a continuing care retirement community under chapter
1161 651, provided that:

1162 (a) The screening standards and disqualifying offenses for
1163 the prior screening are equivalent to those specified in s.
1164 435.04 and this section;

1165 (b) The person subject to screening has not had a break in
1166 service from a position that requires level 2 screening for more
1167 than 90 days; and

1168 (c) Such proof is accompanied, under penalty of perjury, by
1169 an attestation of compliance with chapter 435 and this section
1170 using forms provided by the agency.

1171 ~~(5) A person who serves as a controlling interest of, is~~
1172 ~~employed by, or contracts with a licensee on July 31, 2010, who~~
1173 ~~has been screened and qualified according to standards specified~~
1174 ~~in s. 435.03 or s. 435.04 must be rescreened by July 31, 2015,~~
1175 ~~in compliance with the following schedule. If, upon rescreening,~~
1176 ~~such person has a disqualifying offense that was not a~~
1177 ~~disqualifying offense at the time of the last screening, but is~~
1178 ~~a current disqualifying offense and was committed before the~~
1179 ~~last screening, he or she may apply for an exemption from the~~
1180 ~~appropriate licensing agency and, if agreed to by the employer,~~
1181 ~~may continue to perform his or her duties until the licensing~~
1182 ~~agency renders a decision on the application for exemption if~~
1183 ~~the person is eligible to apply for an exemption and the~~
1184 ~~exemption request is received by the agency within 30 days after~~
1185 ~~receipt of the rescreening results by the person. The~~
1186 ~~rescreening schedule shall be:~~

1187 ~~(a) Individuals for whom the last screening was conducted~~

576-04183-20

1188 ~~on or before December 31, 2004, must be rescreened by July 31,~~
1189 ~~2013.~~

1190 ~~(b) Individuals for whom the last screening conducted was~~
1191 ~~between January 1, 2005, and December 31, 2008, must be~~
1192 ~~rescreened by July 31, 2014.~~

1193 ~~(c) Individuals for whom the last screening conducted was~~
1194 ~~between January 1, 2009, through July 31, 2011, must be~~
1195 ~~rescreened by July 31, 2015.~~

1196 Section 30. Subsection (1) of section 408.811, Florida
1197 Statutes, is amended to read:

1198 408.811 Right of inspection; copies; inspection reports;
1199 plan for correction of deficiencies.—

1200 (1) An authorized officer or employee of the agency may
1201 make or cause to be made any inspection or investigation deemed
1202 necessary by the agency to determine the state of compliance
1203 with this part, authorizing statutes, and applicable rules. The
1204 right of inspection extends to any business that the agency has
1205 reason to believe is being operated as a provider without a
1206 license, but inspection of any business suspected of being
1207 operated without the appropriate license may not be made without
1208 the permission of the owner or person in charge unless a warrant
1209 is first obtained from a circuit court. Any application for a
1210 license issued under this part, authorizing statutes, or
1211 applicable rules constitutes permission for an appropriate
1212 inspection to verify the information submitted on or in
1213 connection with the application.

1214 (a) All inspections shall be unannounced, except as
1215 specified in s. 408.806.

1216 (b) Inspections for relicensure shall be conducted

233364

576-04183-20

1217 biennially unless otherwise specified by this section,
1218 authorizing statutes, or applicable rules.

1219 (c) The agency may exempt a low-risk provider from
1220 licensure inspection if the provider or controlling interest has
1221 an excellent regulatory history with regard to deficiencies,
1222 sanctions, complaints, and other regulatory actions, as defined
1223 by rule. The agency shall continue to conduct unannounced
1224 licensure inspections for at least 10 percent of exempt low-risk
1225 providers to verify compliance.

1226 (d) The agency may adopt rules to waive a routine
1227 inspection, including inspection for relicensure, or allow for
1228 an extended period between relicensure inspections for specific
1229 providers based upon all of the following:

1230 1. A favorable regulatory history with regard to
1231 deficiencies, sanctions, complaints, and other regulatory
1232 measures.

1233 2. Outcome measures that demonstrate quality performance.

1234 3. Successful participation in a recognized quality
1235 assurance program.

1236 4. Accreditation status.

1237 5. Other measures reflective of quality and safety.

1238 6. The length of time between inspections.

1239
1240 The agency shall continue to conduct unannounced licensure
1241 inspections for at least 10 percent of providers that qualify
1242 for a waiver or extended period between relicensure inspections.

1243 (e) The agency maintains the authority to conduct an
1244 inspection of any provider at any time to determine regulatory
1245 compliance.

233364

576-04183-20

1246 Section 31. Subsection (24) of section 408.820, Florida
1247 Statutes, is amended to read:

1248 408.820 Exemptions.—Except as prescribed in authorizing
1249 statutes, the following exemptions shall apply to specified
1250 requirements of this part:

1251 ~~(24) Multiphasic health testing centers, as provided under~~
1252 ~~part I of chapter 483, are exempt from s. 408.810(5)–(10).~~

1253 Section 32. Subsections (1) and (2) of section 408.821,
1254 Florida Statutes, are amended to read:

1255 408.821 Emergency management planning; emergency
1256 operations; inactive license.—

1257 (1) A licensee required by authorizing statutes and agency
1258 rule to have a comprehensive an emergency management operations
1259 plan must designate a safety liaison to serve as the primary
1260 contact for emergency operations. Such licensee shall submit its
1261 comprehensive emergency management plan to the local emergency
1262 management agency, the county health department, or the
1263 Department of Health as follows:

1264 (a) Submit the plan within 30 days after initial licensure
1265 and change of ownership, and notify the agency within 30 days
1266 after submission of the plan.

1267 (b) Submit the plan annually and within 30 days after any
1268 significant modification, as defined by agency rule, to a
1269 previously approved plan.

1270 (c) Respond with necessary plan revisions within 30 days
1271 after notification that plan revisions are required.

1272 (d) Notify the agency within 30 days after approval of its
1273 plan by the local emergency management agency, county health
1274 department, or Department of Health.

576-04183-20

1275 (2) An entity subject to this part may temporarily exceed
1276 its licensed capacity to act as a receiving provider in
1277 accordance with an approved comprehensive emergency management
1278 ~~operations~~ plan for up to 15 days. While in an overcapacity
1279 status, each provider must furnish or arrange for appropriate
1280 care and services to all clients. In addition, the agency may
1281 approve requests for overcapacity in excess of 15 days, which
1282 approvals may be based upon satisfactory justification and need
1283 as provided by the receiving and sending providers.

1284 Section 33. Subsection (3) of section 408.831, Florida
1285 Statutes, is amended to read:

1286 408.831 Denial, suspension, or revocation of a license,
1287 registration, certificate, or application.—

1288 (3) This section provides standards of enforcement
1289 applicable to all entities licensed or regulated by the Agency
1290 for Health Care Administration. This section controls over any
1291 conflicting provisions of chapters 39, 383, 390, 391, 394, 395,
1292 400, 408, 429, 468, ~~483~~, and 765 or rules adopted pursuant to
1293 those chapters.

1294 Section 34. Section 408.832, Florida Statutes, is amended
1295 to read:

1296 408.832 Conflicts.—In case of conflict between the
1297 provisions of this part and the authorizing statutes governing
1298 the licensure of health care providers by the Agency for Health
1299 Care Administration found in s. 112.0455 and chapters 383, 390,
1300 394, 395, 400, 429, 440, ~~483~~, and 765, the provisions of this
1301 part shall prevail.

1302 Section 35. Subsection (9) of section 408.909, Florida
1303 Statutes, is amended to read:

576-04183-20

1304 408.909 Health flex plans.—

1305 ~~(9) PROGRAM EVALUATION. The agency and the office shall~~
1306 ~~evaluate the pilot program and its effect on the entities that~~
1307 ~~seek approval as health flex plans, on the number of enrollees,~~
1308 ~~and on the scope of the health care coverage offered under a~~
1309 ~~health flex plan; shall provide an assessment of the health flex~~
1310 ~~plans and their potential applicability in other settings; shall~~
1311 ~~use health flex plans to gather more information to evaluate~~
1312 ~~low income consumer driven benefit packages; and shall, by~~
1313 ~~January 15, 2016, and annually thereafter, jointly submit a~~
1314 ~~report to the Governor, the President of the Senate, and the~~
1315 ~~Speaker of the House of Representatives.~~

1316 Section 36. Paragraph (d) of subsection (10) of section
1317 408.9091, Florida Statutes, is amended to read:

1318 408.9091 Cover Florida Health Care Access Program.—

1319 (10) PROGRAM EVALUATION.—The agency and the office shall:

1320 ~~(d) Jointly submit by March 1, annually, a report to the~~
1321 ~~Governor, the President of the Senate, and the Speaker of the~~
1322 ~~House of Representatives which provides the information~~
1323 ~~specified in paragraphs (a)–(c) and recommendations relating to~~
1324 ~~the successful implementation and administration of the program.~~

1325 Section 37. Effective upon becoming a law, paragraph (a) of
1326 subsection (5) of section 409.905, Florida Statutes, is amended
1327 to read:

1328 409.905 Mandatory Medicaid services.—The agency may make
1329 payments for the following services, which are required of the
1330 state by Title XIX of the Social Security Act, furnished by
1331 Medicaid providers to recipients who are determined to be
1332 eligible on the dates on which the services were provided. Any

233364

576-04183-20

1333 service under this section shall be provided only when medically
1334 necessary and in accordance with state and federal law.
1335 Mandatory services rendered by providers in mobile units to
1336 Medicaid recipients may be restricted by the agency. Nothing in
1337 this section shall be construed to prevent or limit the agency
1338 from adjusting fees, reimbursement rates, lengths of stay,
1339 number of visits, number of services, or any other adjustments
1340 necessary to comply with the availability of moneys and any
1341 limitations or directions provided for in the General
1342 Appropriations Act or chapter 216.

1343 (5) HOSPITAL INPATIENT SERVICES.—The agency shall pay for
1344 all covered services provided for the medical care and treatment
1345 of a recipient who is admitted as an inpatient by a licensed
1346 physician or dentist to a hospital licensed under part I of
1347 chapter 395. However, the agency shall limit the payment for
1348 inpatient hospital services for a Medicaid recipient 21 years of
1349 age or older to 45 days or the number of days necessary to
1350 comply with the General Appropriations Act.

1351 (a) 1. The agency may implement reimbursement and
1352 utilization management reforms in order to comply with any
1353 limitations or directions in the General Appropriations Act,
1354 which may include, but are not limited to: prior authorization
1355 for inpatient psychiatric days; prior authorization for
1356 nonemergency hospital inpatient admissions for individuals 21
1357 years of age and older; authorization of emergency and urgent-
1358 care admissions within 24 hours after admission; enhanced
1359 utilization and concurrent review programs for highly utilized
1360 services; reduction or elimination of covered days of service;
1361 adjusting reimbursement ceilings for variable costs; adjusting

233364

576-04183-20

1362 reimbursement ceilings for fixed and property costs; and
1363 implementing target rates of increase.

1364 2. The agency may limit prior authorization for hospital
1365 inpatient services to selected diagnosis-related groups, based
1366 on an analysis of the cost and potential for unnecessary
1367 hospitalizations represented by certain diagnoses. Admissions
1368 for normal delivery and newborns are exempt from requirements
1369 for prior authorization.

1370 3. In implementing the provisions of this section related
1371 to prior authorization, the agency shall ensure that the process
1372 for authorization is accessible 24 hours per day, 7 days per
1373 week and authorization is automatically granted when not denied
1374 within 4 hours after the request. Authorization procedures must
1375 include steps for review of denials.

1376 4. Upon implementing the prior authorization program for
1377 hospital inpatient services, the agency shall discontinue its
1378 hospital retrospective review program. However, this
1379 subparagraph may not be construed to prevent the agency from
1380 conducting retrospective reviews under s. 409.913, including,
1381 but not limited to, reviews in which an overpayment is suspected
1382 due to a mistake or submission of an improper claim or for other
1383 reasons that do not rise to the level of fraud or abuse.

1384 Section 38. It is the intent of the Legislature that
1385 section 409.905(5) (a), Florida Statutes, as amended by this act,
1386 confirms and clarifies existing law. This section shall take
1387 effect upon becoming a law.

1388 Section 39. Subsection (8) of section 409.907, Florida
1389 Statutes, is amended to read:

1390 409.907 Medicaid provider agreements.—The agency may make

233364

576-04183-20

1391 payments for medical assistance and related services rendered to
1392 Medicaid recipients only to an individual or entity who has a
1393 provider agreement in effect with the agency, who is performing
1394 services or supplying goods in accordance with federal, state,
1395 and local law, and who agrees that no person shall, on the
1396 grounds of handicap, race, color, or national origin, or for any
1397 other reason, be subjected to discrimination under any program
1398 or activity for which the provider receives payment from the
1399 agency.

1400 (8) (a) A level 2 background screening pursuant to chapter
1401 435 must be conducted through the agency on each of the
1402 following:

1403 1. The ~~Each~~ provider, or each principal of the provider if
1404 the provider is a corporation, partnership, association, or
1405 other entity, seeking to participate in the Medicaid program
1406 must submit a complete set of his or her fingerprints to the
1407 agency for the purpose of conducting a criminal history record
1408 check.

1409 2. Principals of the provider, who include any officer,
1410 director, billing agent, managing employee, or affiliated
1411 person, or any partner or shareholder who has an ownership
1412 interest equal to 5 percent or more in the provider. However,
1413 for a hospital licensed under chapter 395 or a nursing home
1414 licensed under chapter 400, principals of the provider are those
1415 who meet the definition of a controlling interest under s.
1416 408.803. A director of a not-for-profit corporation or
1417 organization is not a principal for purposes of a background
1418 investigation required by this section if the director: serves
1419 solely in a voluntary capacity for the corporation or

233364

576-04183-20

1420 organization, does not regularly take part in the day-to-day
1421 operational decisions of the corporation or organization,
1422 receives no remuneration from the not-for-profit corporation or
1423 organization for his or her service on the board of directors,
1424 has no financial interest in the not-for-profit corporation or
1425 organization, and has no family members with a financial
1426 interest in the not-for-profit corporation or organization; and
1427 if the director submits an affidavit, under penalty of perjury,
1428 to this effect to the agency and the not-for-profit corporation
1429 or organization submits an affidavit, under penalty of perjury,
1430 to this effect to the agency as part of the corporation's or
1431 organization's Medicaid provider agreement application.

1432 3. Any person who participates or seeks to participate in
1433 the Florida Medicaid program by way of rendering services to
1434 Medicaid recipients or having direct access to Medicaid
1435 recipients, recipient living areas, or the financial, medical,
1436 or service records of a Medicaid recipient or who supervises the
1437 delivery of goods or services to a Medicaid recipient. This
1438 subparagraph does not impose additional screening requirements
1439 on any providers licensed under part II of chapter 408 or
1440 transportation service providers contracted with a
1441 transportation broker subject to this paragraph while
1442 administering the Medicaid transportation benefit.

1443 (b) Notwithstanding paragraph (a) ~~the above~~, the agency may
1444 require a background check for any person reasonably suspected
1445 by the agency to have been convicted of a crime.

1446 (c) ~~(a)~~ Paragraph (a) This subsection does not apply to:

1447 1. A unit of local government, except that requirements of
1448 this subsection apply to nongovernmental providers and entities

233364

576-04183-20

1449 contracting with the local government to provide Medicaid
1450 services. The actual cost of the state and national criminal
1451 history record checks must be borne by the nongovernmental
1452 provider or entity; or

1453 2. Any business that derives more than 50 percent of its
1454 revenue from the sale of goods to the final consumer, and the
1455 business or its controlling parent is required to file a form
1456 10-K or other similar statement with the Securities and Exchange
1457 Commission or has a net worth of \$50 million or more.

1458 (d) ~~(b)~~ Background screening shall be conducted in
1459 accordance with chapter 435 and s. 408.809. The cost of the
1460 state and national criminal record check shall be borne by the
1461 provider.

1462 Section 40. Effective June 30, 2020, section 19 of chapter
1463 2019-116, Laws of Florida, is repealed.

1464 Section 41. Paragraph (a) of subsection (1) of section
1465 409.908, Florida Statutes, is amended, and subsection (23) of
1466 that section is reenacted, to read:

1467 409.908 Reimbursement of Medicaid providers.—Subject to
1468 specific appropriations, the agency shall reimburse Medicaid
1469 providers, in accordance with state and federal law, according
1470 to methodologies set forth in the rules of the agency and in
1471 policy manuals and handbooks incorporated by reference therein.
1472 These methodologies may include fee schedules, reimbursement
1473 methods based on cost reporting, negotiated fees, competitive
1474 bidding pursuant to s. 287.057, and other mechanisms the agency
1475 considers efficient and effective for purchasing services or
1476 goods on behalf of recipients. If a provider is reimbursed based
1477 on cost reporting and submits a cost report late and that cost

233364

576-04183-20

1478 report would have been used to set a lower reimbursement rate
1479 for a rate semester, then the provider's rate for that semester
1480 shall be retroactively calculated using the new cost report, and
1481 full payment at the recalculated rate shall be effected
1482 retroactively. Medicare-granted extensions for filing cost
1483 reports, if applicable, shall also apply to Medicaid cost
1484 reports. Payment for Medicaid compensable services made on
1485 behalf of Medicaid eligible persons is subject to the
1486 availability of moneys and any limitations or directions
1487 provided for in the General Appropriations Act or chapter 216.
1488 Further, nothing in this section shall be construed to prevent
1489 or limit the agency from adjusting fees, reimbursement rates,
1490 lengths of stay, number of visits, or number of services, or
1491 making any other adjustments necessary to comply with the
1492 availability of moneys and any limitations or directions
1493 provided for in the General Appropriations Act, provided the
1494 adjustment is consistent with legislative intent.

1495 (1) Reimbursement to hospitals licensed under part I of
1496 chapter 395 must be made prospectively or on the basis of
1497 negotiation.

1498 (a) Reimbursement for inpatient care is limited as provided
1499 in s. 409.905(5), except as otherwise provided in this
1500 subsection.

1501 1. If authorized by the General Appropriations Act, the
1502 agency may modify reimbursement for specific types of services
1503 or diagnoses, recipient ages, and hospital provider types.

1504 2. The agency may establish an alternative methodology to
1505 the DRG-based prospective payment system to set reimbursement
1506 rates for:

576-04183-20

1507 a. State-owned psychiatric hospitals.
1508 b. Newborn hearing screening services.
1509 c. Transplant services for which the agency has established
1510 a global fee.
1511 d. Recipients who have tuberculosis that is resistant to
1512 therapy who are in need of long-term, hospital-based treatment
1513 pursuant to s. 392.62.
1514 ~~e. Class III psychiatric hospitals.~~
1515 3. The agency shall modify reimbursement according to other
1516 methodologies recognized in the General Appropriations Act.
1517
1518 The agency may receive funds from state entities, including, but
1519 not limited to, the Department of Health, local governments, and
1520 other local political subdivisions, for the purpose of making
1521 special exception payments, including federal matching funds,
1522 through the Medicaid inpatient reimbursement methodologies.
1523 Funds received for this purpose shall be separately accounted
1524 for and may not be commingled with other state or local funds in
1525 any manner. The agency may certify all local governmental funds
1526 used as state match under Title XIX of the Social Security Act,
1527 to the extent and in the manner authorized under the General
1528 Appropriations Act and pursuant to an agreement between the
1529 agency and the local governmental entity. In order for the
1530 agency to certify such local governmental funds, a local
1531 governmental entity must submit a final, executed letter of
1532 agreement to the agency, which must be received by October 1 of
1533 each fiscal year and provide the total amount of local
1534 governmental funds authorized by the entity for that fiscal year
1535 under this paragraph, paragraph (b), or the General

576-04183-20

1536 Appropriations Act. The local governmental entity shall use a
1537 certification form prescribed by the agency. At a minimum, the
1538 certification form must identify the amount being certified and
1539 describe the relationship between the certifying local
1540 governmental entity and the local health care provider. The
1541 agency shall prepare an annual statement of impact which
1542 documents the specific activities undertaken during the previous
1543 fiscal year pursuant to this paragraph, to be submitted to the
1544 Legislature annually by January 1.
1545 (23) (a) The agency shall establish rates at a level that
1546 ensures no increase in statewide expenditures resulting from a
1547 change in unit costs for county health departments effective
1548 July 1, 2011. Reimbursement rates shall be as provided in the
1549 General Appropriations Act.
1550 (b)1. Base rate reimbursement for inpatient services under
1551 a diagnosis-related group payment methodology shall be provided
1552 in the General Appropriations Act.
1553 2. Base rate reimbursement for outpatient services under an
1554 enhanced ambulatory payment group methodology shall be provided
1555 in the General Appropriations Act.
1556 3. Prospective payment system reimbursement for nursing
1557 home services shall be as provided in subsection (2) and in the
1558 General Appropriations Act.
1559 Section 42. Section 409.913, Florida Statutes, is amended
1560 to read:
1561 409.913 Oversight of the integrity of the Medicaid
1562 program.—The agency shall operate a program to oversee the
1563 activities of Florida Medicaid recipients, and providers and
1564 their representatives, to ensure that fraudulent and abusive

233364

576-04183-20

1565 behavior and neglect of recipients occur to the minimum extent
1566 possible, and to recover overpayments and impose sanctions as
1567 appropriate. Each ~~January 15~~ ~~January 1~~, the agency and the
1568 Medicaid Fraud Control Unit of the Department of Legal Affairs
1569 shall submit ~~reports~~ ~~a joint report~~ to the Legislature
1570 documenting the effectiveness of the state's efforts to control
1571 Medicaid fraud and abuse and to recover Medicaid overpayments
1572 during the previous fiscal year. The report must describe the
1573 number of cases opened and investigated each year; the sources
1574 of the cases opened; the disposition of the cases closed each
1575 year; the amount of overpayments alleged in preliminary and
1576 final audit letters; the number and amount of fines or penalties
1577 imposed; any reductions in overpayment amounts negotiated in
1578 settlement agreements or by other means; the amount of final
1579 agency determinations of overpayments; the amount deducted from
1580 federal claiming as a result of overpayments; the amount of
1581 overpayments recovered each year; the amount of cost of
1582 investigation recovered each year; the average length of time to
1583 collect from the time the case was opened until the overpayment
1584 is paid in full; the amount determined as uncollectible and the
1585 portion of the uncollectible amount subsequently reclaimed from
1586 the Federal Government; the number of providers, by type, that
1587 are terminated from participation in the Medicaid program as a
1588 result of fraud and abuse; and all costs associated with
1589 discovering and prosecuting cases of Medicaid overpayments and
1590 making recoveries in such cases. The report must also document
1591 actions taken to prevent overpayments and the number of
1592 providers prevented from enrolling in or reenrolling in the
1593 Medicaid program as a result of documented Medicaid fraud and

233364

576-04183-20

1594 abuse and must include policy recommendations necessary to
1595 prevent or recover overpayments and changes necessary to prevent
1596 and detect Medicaid fraud. All policy recommendations in the
1597 report must include a detailed fiscal analysis, including, but
1598 not limited to, implementation costs, estimated savings to the
1599 Medicaid program, and the return on investment. The agency must
1600 submit the policy recommendations and fiscal analyses in the
1601 report to the appropriate estimating conference, pursuant to s.
1602 216.137, by February 15 of each year. The agency and the
1603 Medicaid Fraud Control Unit of the Department of Legal Affairs
1604 each must include detailed unit-specific performance standards,
1605 benchmarks, and metrics in the report, including projected cost
1606 savings to the state Medicaid program during the following
1607 fiscal year.

1608 (1) For the purposes of this section, the term:

1609 (a) "Abuse" means:

1610 1. Provider practices that are inconsistent with generally
1611 accepted business or medical practices and that result in an
1612 unnecessary cost to the Medicaid program or in reimbursement for
1613 goods or services that are not medically necessary or that fail
1614 to meet professionally recognized standards for health care.

1615 2. Recipient practices that result in unnecessary cost to
1616 the Medicaid program.

1617 (b) "Complaint" means an allegation that fraud, abuse, or
1618 an overpayment has occurred.

1619 (c) "Fraud" means an intentional deception or
1620 misrepresentation made by a person with the knowledge that the
1621 deception results in unauthorized benefit to herself or himself
1622 or another person. The term includes any act that constitutes

233364

576-04183-20

1623 fraud under applicable federal or state law.

1624 (d) "Medical necessity" or "medically necessary" means any
1625 goods or services necessary to palliate the effects of a
1626 terminal condition, or to prevent, diagnose, correct, cure,
1627 alleviate, or preclude deterioration of a condition that
1628 threatens life, causes pain or suffering, or results in illness
1629 or infirmity, which goods or services are provided in accordance
1630 with generally accepted standards of medical practice. For
1631 purposes of determining Medicaid reimbursement, the agency is
1632 the final arbiter of medical necessity. Determinations of
1633 medical necessity must be made by a licensed physician employed
1634 by or under contract with the agency and must be based upon
1635 information available at the time the goods or services are
1636 provided.

1637 (e) "Overpayment" includes any amount that is not
1638 authorized to be paid by the Medicaid program whether paid as a
1639 result of inaccurate or improper cost reporting, improper
1640 claiming, unacceptable practices, fraud, abuse, or mistake.

1641 (f) "Person" means any natural person, corporation,
1642 partnership, association, clinic, group, or other entity,
1643 whether or not such person is enrolled in the Medicaid program
1644 or is a provider of health care.

1645 (2) The agency shall conduct, or cause to be conducted by
1646 contract or otherwise, reviews, investigations, analyses,
1647 audits, or any combination thereof, to determine possible fraud,
1648 abuse, overpayment, or recipient neglect in the Medicaid program
1649 and shall report the findings of any overpayments in audit
1650 reports as appropriate. At least 5 percent of all audits shall
1651 be conducted on a random basis. As part of its ongoing fraud

233364

576-04183-20

1652 detection activities, the agency shall identify and monitor, by
1653 contract or otherwise, patterns of overutilization of Medicaid
1654 services based on state averages. The agency shall track
1655 Medicaid provider prescription and billing patterns and evaluate
1656 them against Medicaid medical necessity criteria and coverage
1657 and limitation guidelines adopted by rule. Medical necessity
1658 determination requires that service be consistent with symptoms
1659 or confirmed diagnosis of illness or injury under treatment and
1660 not in excess of the patient's needs. The agency shall conduct
1661 reviews of provider exceptions to peer group norms and shall,
1662 using statistical methodologies, provider profiling, and
1663 analysis of billing patterns, detect and investigate abnormal or
1664 unusual increases in billing or payment of claims for Medicaid
1665 services and medically unnecessary provision of services.

1666 (3) The agency may conduct, or may contract for, prepayment
1667 review of provider claims to ensure cost-effective purchasing;
1668 to ensure that billing by a provider to the agency is in
1669 accordance with applicable provisions of all Medicaid rules,
1670 regulations, handbooks, and policies and in accordance with
1671 federal, state, and local law; and to ensure that appropriate
1672 care is rendered to Medicaid recipients. Such prepayment reviews
1673 may be conducted as determined appropriate by the agency,
1674 without any suspicion or allegation of fraud, abuse, or neglect,
1675 and may last for up to 1 year. Unless the agency has reliable
1676 evidence of fraud, misrepresentation, abuse, or neglect, claims
1677 shall be adjudicated for denial or payment within 90 days after
1678 receipt of complete documentation by the agency for review. If
1679 there is reliable evidence of fraud, misrepresentation, abuse,
1680 or neglect, claims shall be adjudicated for denial of payment

233364

576-04183-20

1681 within 180 days after receipt of complete documentation by the
1682 agency for review.

1683 (4) Any suspected criminal violation identified by the
1684 agency must be referred to the Medicaid Fraud Control Unit of
1685 the Office of the Attorney General for investigation. The agency
1686 and the Attorney General shall enter into a memorandum of
1687 understanding, which must include, but need not be limited to, a
1688 protocol for regularly sharing information and coordinating
1689 casework. The protocol must establish a procedure for the
1690 referral by the agency of cases involving suspected Medicaid
1691 fraud to the Medicaid Fraud Control Unit for investigation, and
1692 the return to the agency of those cases where investigation
1693 determines that administrative action by the agency is
1694 appropriate. Offices of the Medicaid program integrity program
1695 and the Medicaid Fraud Control Unit of the Department of Legal
1696 Affairs, shall, to the extent possible, be collocated. The
1697 agency and the Department of Legal Affairs shall periodically
1698 conduct joint training and other joint activities designed to
1699 increase communication and coordination in recovering
1700 overpayments.

1701 (5) A Medicaid provider is subject to having goods and
1702 services that are paid for by the Medicaid program reviewed by
1703 an appropriate peer-review organization designated by the
1704 agency. The written findings of the applicable peer-review
1705 organization are admissible in any court or administrative
1706 proceeding as evidence of medical necessity or the lack thereof.

1707 (6) Any notice required to be given to a provider under
1708 this section is presumed to be sufficient notice if sent to the
1709 address last shown on the provider enrollment file. It is the

233364

576-04183-20

1710 responsibility of the provider to furnish and keep the agency
1711 informed of the provider's current address. United States Postal
1712 Service proof of mailing or certified or registered mailing of
1713 such notice to the provider at the address shown on the provider
1714 enrollment file constitutes sufficient proof of notice. Any
1715 notice required to be given to the agency by this section must
1716 be sent to the agency at an address designated by rule.

1717 (7) When presenting a claim for payment under the Medicaid
1718 program, a provider has an affirmative duty to supervise the
1719 provision of, and be responsible for, goods and services claimed
1720 to have been provided, to supervise and be responsible for
1721 preparation and submission of the claim, and to present a claim
1722 that is true and accurate and that is for goods and services
1723 that:

1724 (a) Have actually been furnished to the recipient by the
1725 provider prior to submitting the claim.

1726 (b) Are Medicaid-covered goods or services that are
1727 medically necessary.

1728 (c) Are of a quality comparable to those furnished to the
1729 general public by the provider's peers.

1730 (d) Have not been billed in whole or in part to a recipient
1731 or a recipient's responsible party, except for such copayments,
1732 coinsurance, or deductibles as are authorized by the agency.

1733 (e) Are provided in accord with applicable provisions of
1734 all Medicaid rules, regulations, handbooks, and policies and in
1735 accordance with federal, state, and local law.

1736 (f) Are documented by records made at the time the goods or
1737 services were provided, demonstrating the medical necessity for
1738 the goods or services rendered. Medicaid goods or services are

233364

576-04183-20

1739 excessive or not medically necessary unless both the medical
1740 basis and the specific need for them are fully and properly
1741 documented in the recipient's medical record.

1742
1743 The agency shall deny payment or require repayment for goods or
1744 services that are not presented as required in this subsection.

1745 (8) The agency shall not reimburse any person or entity for
1746 any prescription for medications, medical supplies, or medical
1747 services if the prescription was written by a physician or other
1748 prescribing practitioner who is not enrolled in the Medicaid
1749 program. This section does not apply:

1750 (a) In instances involving bona fide emergency medical
1751 conditions as determined by the agency;

1752 (b) To a provider of medical services to a patient in a
1753 hospital emergency department, hospital inpatient or outpatient
1754 setting, or nursing home;

1755 (c) To bona fide pro bono services by preapproved non-
1756 Medicaid providers as determined by the agency;

1757 (d) To prescribing physicians who are board-certified
1758 specialists treating Medicaid recipients referred for treatment
1759 by a treating physician who is enrolled in the Medicaid program;

1760 (e) To prescriptions written for dually eligible Medicare
1761 beneficiaries by an authorized Medicare provider who is not
1762 enrolled in the Medicaid program;

1763 (f) To other physicians who are not enrolled in the
1764 Medicaid program but who provide a medically necessary service
1765 or prescription not otherwise reasonably available from a
1766 Medicaid-enrolled physician; or

1767 (9) A Medicaid provider shall retain medical, professional,

233364

576-04183-20

1768 financial, and business records pertaining to services and goods
1769 furnished to a Medicaid recipient and billed to Medicaid for a
1770 period of 5 years after the date of furnishing such services or
1771 goods. The agency may investigate, review, or analyze such
1772 records, which must be made available during normal business
1773 hours. However, 24-hour notice must be provided if patient
1774 treatment would be disrupted. The provider must keep the agency
1775 informed of the location of the provider's Medicaid-related
1776 records. The authority of the agency to obtain Medicaid-related
1777 records from a provider is neither curtailed nor limited during
1778 a period of litigation between the agency and the provider.

1779 (10) Payments for the services of billing agents or persons
1780 participating in the preparation of a Medicaid claim shall not
1781 be based on amounts for which they bill nor based on the amount
1782 a provider receives from the Medicaid program.

1783 (11) The agency shall deny payment or require repayment for
1784 inappropriate, medically unnecessary, or excessive goods or
1785 services from the person furnishing them, the person under whose
1786 supervision they were furnished, or the person causing them to
1787 be furnished.

1788 (12) The complaint and all information obtained pursuant to
1789 an investigation of a Medicaid provider, or the authorized
1790 representative or agent of a provider, relating to an allegation
1791 of fraud, abuse, or neglect are confidential and exempt from the
1792 provisions of s. 119.07(1):

1793 (a) Until the agency takes final agency action with respect
1794 to the provider and requires repayment of any overpayment, or
1795 imposes an administrative sanction;

1796 (b) Until the Attorney General refers the case for criminal

233364

576-04183-20

1797 prosecution;

1798 (c) Until 10 days after the complaint is determined without
1799 merit; or

1800 (d) At all times if the complaint or information is
1801 otherwise protected by law.

1802 (13) The agency shall terminate participation of a Medicaid
1803 provider in the Medicaid program and may seek civil remedies or
1804 impose other administrative sanctions against a Medicaid
1805 provider, if the provider or any principal, officer, director,
1806 agent, managing employee, or affiliated person of the provider,
1807 or any partner or shareholder having an ownership interest in
1808 the provider equal to 5 percent or greater, has been convicted
1809 of a criminal offense under federal law or the law of any state
1810 relating to the practice of the provider's profession, or a
1811 criminal offense listed under s. 408.809(4), s. 409.907(10), or
1812 s. 435.04(2). If the agency determines that the provider did not
1813 participate or acquiesce in the offense, termination will not be
1814 imposed. If the agency effects a termination under this
1815 subsection, the agency shall take final agency action.

1816 (14) If the provider has been suspended or terminated from
1817 participation in the Medicaid program or the Medicare program by
1818 the Federal Government or any state, the agency must immediately
1819 suspend or terminate, as appropriate, the provider's
1820 participation in this state's Medicaid program for a period no
1821 less than that imposed by the Federal Government or any other
1822 state, and may not enroll such provider in this state's Medicaid
1823 program while such foreign suspension or termination remains in
1824 effect. The agency shall also immediately suspend or terminate,
1825 as appropriate, a provider's participation in this state's

233364

576-04183-20

1826 Medicaid program if the provider participated or acquiesced in
1827 any action for which any principal, officer, director, agent,
1828 managing employee, or affiliated person of the provider, or any
1829 partner or shareholder having an ownership interest in the
1830 provider equal to 5 percent or greater, was suspended or
1831 terminated from participating in the Medicaid program or the
1832 Medicare program by the Federal Government or any state. This
1833 sanction is in addition to all other remedies provided by law.

1834 (15) The agency shall seek a remedy provided by law,
1835 including, but not limited to, any remedy provided in
1836 subsections (13) and (16) and s. 812.035, if:

1837 (a) The provider's license has not been renewed, or has
1838 been revoked, suspended, or terminated, for cause, by the
1839 licensing agency of any state;

1840 (b) The provider has failed to make available or has
1841 refused access to Medicaid-related records to an auditor,
1842 investigator, or other authorized employee or agent of the
1843 agency, the Attorney General, a state attorney, or the Federal
1844 Government;

1845 (c) The provider has not furnished or has failed to make
1846 available such Medicaid-related records as the agency has found
1847 necessary to determine whether Medicaid payments are or were due
1848 and the amounts thereof;

1849 (d) The provider has failed to maintain medical records
1850 made at the time of service, or prior to service if prior
1851 authorization is required, demonstrating the necessity and
1852 appropriateness of the goods or services rendered;

1853 (e) The provider is not in compliance with provisions of
1854 Medicaid provider publications that have been adopted by

233364

576-04183-20

1855 reference as rules in the Florida Administrative Code; with
1856 provisions of state or federal laws, rules, or regulations; with
1857 provisions of the provider agreement between the agency and the
1858 provider; or with certifications found on claim forms or on
1859 transmittal forms for electronically submitted claims that are
1860 submitted by the provider or authorized representative, as such
1861 provisions apply to the Medicaid program;

1862 (f) The provider or person who ordered, authorized, or
1863 prescribed the care, services, or supplies has furnished, or
1864 ordered or authorized the furnishing of, goods or services to a
1865 recipient which are inappropriate, unnecessary, excessive, or
1866 harmful to the recipient or are of inferior quality;

1867 (g) The provider has demonstrated a pattern of failure to
1868 provide goods or services that are medically necessary;

1869 (h) The provider or an authorized representative of the
1870 provider, or a person who ordered, authorized, or prescribed the
1871 goods or services, has submitted or caused to be submitted false
1872 or a pattern of erroneous Medicaid claims;

1873 (i) The provider or an authorized representative of the
1874 provider, or a person who has ordered, authorized, or prescribed
1875 the goods or services, has submitted or caused to be submitted a
1876 Medicaid provider enrollment application, a request for prior
1877 authorization for Medicaid services, a drug exception request,
1878 or a Medicaid cost report that contains materially false or
1879 incorrect information;

1880 (j) The provider or an authorized representative of the
1881 provider has collected from or billed a recipient or a
1882 recipient's responsible party improperly for amounts that should
1883 not have been so collected or billed by reason of the provider's

233364

576-04183-20

1884 billing the Medicaid program for the same service;

1885 (k) The provider or an authorized representative of the
1886 provider has included in a cost report costs that are not
1887 allowable under a Florida Title XIX reimbursement plan after the
1888 provider or authorized representative had been advised in an
1889 audit exit conference or audit report that the costs were not
1890 allowable;

1891 (l) The provider is charged by information or indictment
1892 with fraudulent billing practices or an offense referenced in
1893 subsection (13). The sanction applied for this reason is limited
1894 to suspension of the provider's participation in the Medicaid
1895 program for the duration of the indictment unless the provider
1896 is found guilty pursuant to the information or indictment;

1897 (m) The provider or a person who ordered, authorized, or
1898 prescribed the goods or services is found liable for negligent
1899 practice resulting in death or injury to the provider's patient;

1900 (n) The provider fails to demonstrate that it had available
1901 during a specific audit or review period sufficient quantities
1902 of goods, or sufficient time in the case of services, to support
1903 the provider's billings to the Medicaid program;

1904 (o) The provider has failed to comply with the notice and
1905 reporting requirements of s. 409.907;

1906 (p) The agency has received reliable information of patient
1907 abuse or neglect or of any act prohibited by s. 409.920; or

1908 (q) The provider has failed to comply with an agreed-upon
1909 repayment schedule.

1910
1911 A provider is subject to sanctions for violations of this
1912 subsection as the result of actions or inactions of the

233364

576-04183-20

1913 provider, or actions or inactions of any principal, officer,
1914 director, agent, managing employee, or affiliated person of the
1915 provider, or any partner or shareholder having an ownership
1916 interest in the provider equal to 5 percent or greater, in which
1917 the provider participated or acquiesced.

1918 (16) The agency shall impose any of the following sanctions
1919 or disincentives on a provider or a person for any of the acts
1920 described in subsection (15):

1921 (a) Suspension for a specific period of time of not more
1922 than 1 year. Suspension precludes participation in the Medicaid
1923 program, which includes any action that results in a claim for
1924 payment to the Medicaid program for furnishing, supervising a
1925 person who is furnishing, or causing a person to furnish goods
1926 or services.

1927 (b) Termination for a specific period of time ranging from
1928 more than 1 year to 20 years. Termination precludes
1929 participation in the Medicaid program, which includes any action
1930 that results in a claim for payment to the Medicaid program for
1931 furnishing, supervising a person who is furnishing, or causing a
1932 person to furnish goods or services.

1933 (c) Imposition of a fine of up to \$5,000 for each
1934 violation. Each day that an ongoing violation continues, such as
1935 refusing to furnish Medicaid-related records or refusing access
1936 to records, is considered a separate violation. Each instance of
1937 improper billing of a Medicaid recipient; each instance of
1938 including an unallowable cost on a hospital or nursing home
1939 Medicaid cost report after the provider or authorized
1940 representative has been advised in an audit exit conference or
1941 previous audit report of the cost unallowability; each instance

233364

576-04183-20

1942 of furnishing a Medicaid recipient goods or professional
1943 services that are inappropriate or of inferior quality as
1944 determined by competent peer judgment; each instance of
1945 knowingly submitting a materially false or erroneous Medicaid
1946 provider enrollment application, request for prior authorization
1947 for Medicaid services, drug exception request, or cost report;
1948 each instance of inappropriate prescribing of drugs for a
1949 Medicaid recipient as determined by competent peer judgment; and
1950 each false or erroneous Medicaid claim leading to an overpayment
1951 to a provider is considered a separate violation.

1952 (d) Immediate suspension, if the agency has received
1953 information of patient abuse or neglect or of any act prohibited
1954 by s. 409.920. Upon suspension, the agency must issue an
1955 immediate final order under s. 120.569(2)(n).

1956 (e) A fine, not to exceed \$10,000, for a violation of
1957 paragraph (15)(i).

1958 (f) Imposition of liens against provider assets, including,
1959 but not limited to, financial assets and real property, not to
1960 exceed the amount of fines or recoveries sought, upon entry of
1961 an order determining that such moneys are due or recoverable.

1962 (g) Prepayment reviews of claims for a specified period of
1963 time.

1964 (h) Comprehensive followup reviews of providers every 6
1965 months to ensure that they are billing Medicaid correctly.

1966 (i) Corrective-action plans that remain in effect for up to
1967 3 years and that are monitored by the agency every 6 months
1968 while in effect.

1969 (j) Other remedies as permitted by law to effect the
1970 recovery of a fine or overpayment.

576-04183-20

1971
1972 If a provider voluntarily relinquishes its Medicaid provider
1973 number or an associated license, or allows the associated
1974 licensure to expire after receiving written notice that the
1975 agency is conducting, or has conducted, an audit, survey,
1976 inspection, or investigation and that a sanction of suspension
1977 or termination will or would be imposed for noncompliance
1978 discovered as a result of the audit, survey, inspection, or
1979 investigation, the agency shall impose the sanction of
1980 termination for cause against the provider. The agency's
1981 termination with cause is subject to hearing rights as may be
1982 provided under chapter 120. The Secretary of Health Care
1983 Administration may make a determination that imposition of a
1984 sanction or disincentive is not in the best interest of the
1985 Medicaid program, in which case a sanction or disincentive may
1986 not be imposed.

1987 (17) In determining the appropriate administrative sanction
1988 to be applied, or the duration of any suspension or termination,
1989 the agency shall consider:

1990 (a) The seriousness and extent of the violation or
1991 violations.

1992 (b) Any prior history of violations by the provider
1993 relating to the delivery of health care programs which resulted
1994 in either a criminal conviction or in administrative sanction or
1995 penalty.

1996 (c) Evidence of continued violation within the provider's
1997 management control of Medicaid statutes, rules, regulations, or
1998 policies after written notification to the provider of improper
1999 practice or instance of violation.

576-04183-20

2000 (d) The effect, if any, on the quality of medical care
2001 provided to Medicaid recipients as a result of the acts of the
2002 provider.

2003 (e) Any action by a licensing agency respecting the
2004 provider in any state in which the provider operates or has
2005 operated.

2006 (f) The apparent impact on access by recipients to Medicaid
2007 services if the provider is suspended or terminated, in the best
2008 judgment of the agency.

2009
2010 The agency shall document the basis for all sanctioning actions
2011 and recommendations.

2012 (18) The agency may take action to sanction, suspend, or
2013 terminate a particular provider working for a group provider,
2014 and may suspend or terminate Medicaid participation at a
2015 specific location, rather than or in addition to taking action
2016 against an entire group.

2017 (19) The agency shall establish a process for conducting
2018 followup reviews of a sampling of providers who have a history
2019 of overpayment under the Medicaid program. This process must
2020 consider the magnitude of previous fraud or abuse and the
2021 potential effect of continued fraud or abuse on Medicaid costs.

2022 (20) In making a determination of overpayment to a
2023 provider, the agency must use accepted and valid auditing,
2024 accounting, analytical, statistical, or peer-review methods, or
2025 combinations thereof. Appropriate statistical methods may
2026 include, but are not limited to, sampling and extension to the
2027 population, parametric and nonparametric statistics, tests of
2028 hypotheses, and other generally accepted statistical methods.

233364

576-04183-20

2029 Appropriate analytical methods may include, but are not limited
2030 to, reviews to determine variances between the quantities of
2031 products that a provider had on hand and available to be
2032 purveyed to Medicaid recipients during the review period and the
2033 quantities of the same products paid for by the Medicaid program
2034 for the same period, taking into appropriate consideration sales
2035 of the same products to non-Medicaid customers during the same
2036 period. In meeting its burden of proof in any administrative or
2037 court proceeding, the agency may introduce the results of such
2038 statistical methods as evidence of overpayment.

2039 (21) When making a determination that an overpayment has
2040 occurred, the agency shall prepare and issue an audit report to
2041 the provider showing the calculation of overpayments. The
2042 agency's determination must be based solely upon information
2043 available to it before issuance of the audit report and, in the
2044 case of documentation obtained to substantiate claims for
2045 Medicaid reimbursement, based solely upon contemporaneous
2046 records. The agency may consider addenda or modifications to a
2047 note that was made contemporaneously with the patient care
2048 episode if the addenda or modifications are germane to the note.

2049 (22) The audit report, supported by agency work papers,
2050 showing an overpayment to a provider constitutes evidence of the
2051 overpayment. A provider may not present or elicit testimony on
2052 direct examination or cross-examination in any court or
2053 administrative proceeding, regarding the purchase or acquisition
2054 by any means of drugs, goods, or supplies; sales or divestment
2055 by any means of drugs, goods, or supplies; or inventory of
2056 drugs, goods, or supplies, unless such acquisition, sales,
2057 divestment, or inventory is documented by written invoices,

233364

576-04183-20

2058 written inventory records, or other competent written
2059 documentary evidence maintained in the normal course of the
2060 provider's business. A provider may not present records to
2061 contest an overpayment or sanction unless such records are
2062 contemporaneous and, if requested during the audit process, were
2063 furnished to the agency or its agent upon request. This
2064 limitation does not apply to Medicaid cost report audits. This
2065 limitation does not preclude consideration by the agency of
2066 addenda or modifications to a note if the addenda or
2067 modifications are made before notification of the audit, the
2068 addenda or modifications are germane to the note, and the note
2069 was made contemporaneously with a patient care episode.
2070 Notwithstanding the applicable rules of discovery, all
2071 documentation to be offered as evidence at an administrative
2072 hearing on a Medicaid overpayment or an administrative sanction
2073 must be exchanged by all parties at least 14 days before the
2074 administrative hearing or be excluded from consideration.

2075 (23) (a) In an audit, ~~an~~ investigation, or enforcement
2076 action taken for ~~of~~ a violation committed by a provider which is
2077 conducted pursuant to this section, the agency is entitled to
2078 recover all investigative ~~and~~ legal costs incurred as a result
2079 of such audit, investigation, or enforcement action. The costs
2080 associated with an investigation, audit, or enforcement action
2081 may include, but are not limited to, salaries and benefits of
2082 personnel, costs related to the time spent by an attorney and
2083 other personnel working on the case, and any other expenses
2084 incurred by the agency or contractor which are associated with
2085 the case, including any, ~~and~~ expert witness costs and attorney
2086 fees incurred on behalf of the agency or contractor if the

576-04183-20

2087 agency's findings were not contested by the provider or, if
2088 contested, the agency ultimately prevailed.

2089 (b) The agency has the burden of documenting the costs,
2090 which include salaries and employee benefits and out-of-pocket
2091 expenses. The amount of costs that may be recovered must be
2092 reasonable in relation to the seriousness of the violation and
2093 must be set taking into consideration the financial resources,
2094 earning ability, and needs of the provider, who has the burden
2095 of demonstrating such factors.

2096 (c) The provider may pay the costs over a period to be
2097 determined by the agency if the agency determines that an
2098 extreme hardship would result to the provider from immediate
2099 full payment. Any default in payment of costs may be collected
2100 by any means authorized by law.

2101 (24) If the agency imposes an administrative sanction
2102 pursuant to subsection (13), subsection (14), or subsection
2103 (15), except paragraphs (15) (e) and (o), upon any provider or
2104 any principal, officer, director, agent, managing employee, or
2105 affiliated person of the provider who is regulated by another
2106 state entity, the agency shall notify that other entity of the
2107 imposition of the sanction within 5 business days. Such
2108 notification must include the provider's or person's name and
2109 license number and the specific reasons for sanction.

2110 (25) (a) The agency shall withhold Medicaid payments, in
2111 whole or in part, to a provider upon receipt of reliable
2112 evidence that the circumstances giving rise to the need for a
2113 withholding of payments involve fraud, willful
2114 misrepresentation, or abuse under the Medicaid program, or a
2115 crime committed while rendering goods or services to Medicaid

576-04183-20

2116 recipients. If it is determined that fraud, willful
2117 misrepresentation, abuse, or a crime did not occur, the payments
2118 withheld must be paid to the provider within 14 days after such
2119 determination. Amounts not paid within 14 days accrue interest
2120 at the rate of 10 percent per year, beginning after the 14th
2121 day.

2122 (b) The agency shall deny payment, or require repayment, if
2123 the goods or services were furnished, supervised, or caused to
2124 be furnished by a person who has been suspended or terminated
2125 from the Medicaid program or Medicare program by the Federal
2126 Government or any state.

2127 (c) Overpayments owed to the agency bear interest at the
2128 rate of 10 percent per year from the date of final determination
2129 of the overpayment by the agency, and payment arrangements must
2130 be made within 30 days after the date of the final order, which
2131 is not subject to further appeal.

2132 (d) The agency, upon entry of a final agency order, a
2133 judgment or order of a court of competent jurisdiction, or a
2134 stipulation or settlement, may collect the moneys owed by all
2135 means allowable by law, including, but not limited to, notifying
2136 any fiscal intermediary of Medicare benefits that the state has
2137 a superior right of payment. Upon receipt of such written
2138 notification, the Medicare fiscal intermediary shall remit to
2139 the state the sum claimed.

2140 (e) The agency may institute amnesty programs to allow
2141 Medicaid providers the opportunity to voluntarily repay
2142 overpayments. The agency may adopt rules to administer such
2143 programs.

2144 (26) The agency may impose administrative sanctions against

233364

576-04183-20

2145 a Medicaid recipient, or the agency may seek any other remedy
2146 provided by law, including, but not limited to, the remedies
2147 provided in s. 812.035, if the agency finds that a recipient has
2148 engaged in solicitation in violation of s. 409.920 or that the
2149 recipient has otherwise abused the Medicaid program.

2150 (27) When the Agency for Health Care Administration has
2151 made a probable cause determination and alleged that an
2152 overpayment to a Medicaid provider has occurred, the agency,
2153 after notice to the provider, shall:

2154 (a) Withhold, and continue to withhold during the pendency
2155 of an administrative hearing pursuant to chapter 120, any
2156 medical assistance reimbursement payments until such time as the
2157 overpayment is recovered, unless within 30 days after receiving
2158 notice thereof the provider:

- 2159 1. Makes repayment in full; or
- 2160 2. Establishes a repayment plan that is satisfactory to the
2161 Agency for Health Care Administration.

2162 (b) Withhold, and continue to withhold during the pendency
2163 of an administrative hearing pursuant to chapter 120, medical
2164 assistance reimbursement payments if the terms of a repayment
2165 plan are not adhered to by the provider.

2166 (28) Venue for all Medicaid program integrity cases lies in
2167 Leon County, at the discretion of the agency.

2168 (29) Notwithstanding other provisions of law, the agency
2169 and the Medicaid Fraud Control Unit of the Department of Legal
2170 Affairs may review a provider's Medicaid-related and non-
2171 Medicaid-related records in order to determine the total output
2172 of a provider's practice to reconcile quantities of goods or
2173 services billed to Medicaid with quantities of goods or services

233364

576-04183-20

2174 used in the provider's total practice.

2175 (30) The agency shall terminate a provider's participation
2176 in the Medicaid program if the provider fails to reimburse an
2177 overpayment or pay an agency-imposed fine that has been
2178 determined by final order, not subject to further appeal, within
2179 30 days after the date of the final order, unless the provider
2180 and the agency have entered into a repayment agreement.

2181 (31) If a provider requests an administrative hearing
2182 pursuant to chapter 120, such hearing must be conducted within
2183 90 days following assignment of an administrative law judge,
2184 absent exceptionally good cause shown as determined by the
2185 administrative law judge or hearing officer. Upon issuance of a
2186 final order, the outstanding balance of the amount determined to
2187 constitute the overpayment and fines is due. If a provider fails
2188 to make payments in full, fails to enter into a satisfactory
2189 repayment plan, or fails to comply with the terms of a repayment
2190 plan or settlement agreement, the agency shall withhold
2191 reimbursement payments for Medicaid services until the amount
2192 due is paid in full.

2193 (32) Duly authorized agents and employees of the agency
2194 shall have the power to inspect, during normal business hours,
2195 the records of any pharmacy, wholesale establishment, or
2196 manufacturer, or any other place in which drugs and medical
2197 supplies are manufactured, packed, packaged, made, stored, sold,
2198 or kept for sale, for the purpose of verifying the amount of
2199 drugs and medical supplies ordered, delivered, or purchased by a
2200 provider. The agency shall provide at least 2 business days'
2201 prior notice of any such inspection. The notice must identify
2202 the provider whose records will be inspected, and the inspection

233364

576-04183-20

2203 shall include only records specifically related to that
2204 provider.

2205 (33) In accordance with federal law, Medicaid recipients
2206 convicted of a crime pursuant to 42 U.S.C. s. 1320a-7b may be
2207 limited, restricted, or suspended from Medicaid eligibility for
2208 a period not to exceed 1 year, as determined by the agency head
2209 or designee.

2210 (34) To deter fraud and abuse in the Medicaid program, the
2211 agency may limit the number of Schedule II and Schedule III
2212 refill prescription claims submitted from a pharmacy provider.
2213 The agency shall limit the allowable amount of reimbursement of
2214 prescription refill claims for Schedule II and Schedule III
2215 pharmaceuticals if the agency or the Medicaid Fraud Control Unit
2216 determines that the specific prescription refill was not
2217 requested by the Medicaid recipient or authorized representative
2218 for whom the refill claim is submitted or was not prescribed by
2219 the recipient's medical provider or physician. Any such refill
2220 request must be consistent with the original prescription.

2221 (35) The Office of Program Policy Analysis and Government
2222 Accountability shall provide a report to the President of the
2223 Senate and the Speaker of the House of Representatives on a
2224 biennial basis, beginning January 31, 2006, on the agency's
2225 efforts to prevent, detect, and deter, as well as recover funds
2226 lost to, fraud and abuse in the Medicaid program.

2227 (36) The agency may provide to a sample of Medicaid
2228 recipients or their representatives through the distribution of
2229 explanations of benefits information about services reimbursed
2230 by the Medicaid program for goods and services to such
2231 recipients, including information on how to report inappropriate

233364

576-04183-20

2232 or incorrect billing to the agency or other law enforcement
2233 entities for review or investigation, information on how to
2234 report criminal Medicaid fraud to the Medicaid Fraud Control
2235 Unit's toll-free hotline number, and information about the
2236 rewards available under s. 409.9203. The explanation of benefits
2237 may not be mailed for Medicaid independent laboratory services
2238 as described in s. 409.905(7) or for Medicaid certified match
2239 services as described in ss. 409.9071 and 1011.70.

2240 (37) The agency shall post on its website a current list of
2241 each Medicaid provider, including any principal, officer,
2242 director, agent, managing employee, or affiliated person of the
2243 provider, or any partner or shareholder having an ownership
2244 interest in the provider equal to 5 percent or greater, who has
2245 been terminated for cause from the Medicaid program or
2246 sanctioned under this section. The list must be searchable by a
2247 variety of search parameters and provide for the creation of
2248 formatted lists that may be printed or imported into other
2249 applications, including spreadsheets. The agency shall update
2250 the list at least monthly.

2251 (38) In order to improve the detection of health care
2252 fraud, use technology to prevent and detect fraud, and maximize
2253 the electronic exchange of health care fraud information, the
2254 agency shall:

2255 (a) Compile, maintain, and publish on its website a
2256 detailed list of all state and federal databases that contain
2257 health care fraud information and update the list at least
2258 biannually;

2259 (b) Develop a strategic plan to connect all databases that
2260 contain health care fraud information to facilitate the

233364

576-04183-20

2261 | electronic exchange of health information between the agency,
2262 | the Department of Health, the Department of Law Enforcement, and
2263 | the Attorney General's Office. The plan must include recommended
2264 | standard data formats, fraud identification strategies, and
2265 | specifications for the technical interface between state and
2266 | federal health care fraud databases;

2267 | (c) Monitor innovations in health information technology,
2268 | specifically as it pertains to Medicaid fraud prevention and
2269 | detection; and

2270 | (d) Periodically publish policy briefs that highlight
2271 | available new technology to prevent or detect health care fraud
2272 | and projects implemented by other states, the private sector, or
2273 | the Federal Government which use technology to prevent or detect
2274 | health care fraud.

2275 | Section 43. Paragraph (a) of subsection (2) of section
2276 | 409.920, Florida Statutes, is amended to read:

2277 | 409.920 Medicaid provider fraud.—

2278 | (2) (a) A person may not:

2279 | 1. Knowingly make, cause to be made, or aid and abet in the
2280 | making of any false statement or false representation of a
2281 | material fact, by commission or omission, in any claim submitted
2282 | to the agency or its fiscal agent or a managed care plan for
2283 | payment.

2284 | 2. Knowingly make, cause to be made, or aid and abet in the
2285 | making of a claim for items or services that are not authorized
2286 | to be reimbursed by the Medicaid program.

2287 | 3. Knowingly charge, solicit, accept, or receive anything
2288 | of value, other than an authorized copayment from a Medicaid
2289 | recipient, from any source in addition to the amount legally

233364

576-04183-20

2290 | payable for an item or service provided to a Medicaid recipient
2291 | under the Medicaid program or knowingly fail to credit the
2292 | agency or its fiscal agent for any payment received from a
2293 | third-party source.

2294 | 4. Knowingly make or in any way cause to be made any false
2295 | statement or false representation of a material fact, by
2296 | commission or omission, in any document containing items of
2297 | income and expense that is or may be used by the agency to
2298 | determine a general or specific rate of payment for an item or
2299 | service provided by a provider.

2300 | 5. Knowingly solicit, offer, pay, or receive any
2301 | remuneration, including any kickback, bribe, or rebate, directly
2302 | or indirectly, overtly or covertly, in cash or in kind, in
2303 | return for referring an individual to a person for the
2304 | furnishing or arranging for the furnishing of any item or
2305 | service for which payment may be made, in whole or in part,
2306 | under the Medicaid program, or in return for obtaining,
2307 | purchasing, leasing, ordering, or arranging for or recommending,
2308 | obtaining, purchasing, leasing, or ordering any goods, facility,
2309 | item, or service, for which payment may be made, in whole or in
2310 | part, under the Medicaid program. This subparagraph does not
2311 | apply to any discount, payment, waiver of payment, or payment
2312 | practice not prohibited by 42 U.S.C. s. 1320a-7b(b) or
2313 | regulations adopted thereunder.

2314 | 6. Knowingly submit false or misleading information or
2315 | statements to the Medicaid program for the purpose of being
2316 | accepted as a Medicaid provider.

2317 | 7. Knowingly use or endeavor to use a Medicaid provider's
2318 | identification number or a Medicaid recipient's identification

233364

576-04183-20

2319 number to make, cause to be made, or aid and abet in the making
2320 of a claim for items or services that are not authorized to be
2321 reimbursed by the Medicaid program.

2322 Section 44. Subsection (1) of section 409.967, Florida
2323 Statutes, is amended to read:

2324 409.967 Managed care plan accountability.—

2325 (1) Beginning with the contract procurement process
2326 initiated during the 2023 calendar year, the agency shall
2327 establish a 6-year ~~5-year~~ contract with each managed care plan
2328 selected through the procurement process described in s.
2329 409.966. A plan contract may not be renewed; however, the agency
2330 may extend the term of a plan contract to cover any delays
2331 during the transition to a new plan. The agency shall extend
2332 until December 31, 2024, the term of existing plan contracts
2333 awarded pursuant to the invitation to negotiate published in
2334 July 2017.

2335 Section 45. Paragraph (b) of subsection (5) of section
2336 409.973, Florida Statutes, is amended to read:

2337 409.973 Benefits.—

2338 (5) PROVISION OF DENTAL SERVICES.—

2339 (b) In the event the Legislature takes no action before
2340 July 1, 2017, with respect to the report findings required under
2341 subparagraph (a)2., the agency shall implement a statewide
2342 Medicaid prepaid dental health program for children and adults
2343 with a choice of at least two licensed dental managed care
2344 providers who must have substantial experience in providing
2345 dental care to Medicaid enrollees and children eligible for
2346 medical assistance under Title XXI of the Social Security Act
2347 and who meet all agency standards and requirements. To qualify

233364

576-04183-20

2348 as a provider under the prepaid dental health program, the
2349 entity must be licensed as a prepaid limited health service
2350 organization under part I of chapter 636 or as a health
2351 maintenance organization under part I of chapter 641. The
2352 contracts for program providers shall be awarded through a
2353 competitive procurement process. Beginning with the contract
2354 procurement process initiated during the 2023 calendar year, the
2355 contracts must be for 6 ~~5~~ years and may not be renewed; however,
2356 the agency may extend the term of a plan contract to cover
2357 delays during a transition to a new plan provider. The agency
2358 shall include in the contracts a medical loss ratio provision
2359 consistent with s. 409.967(4). The agency is authorized to seek
2360 any necessary state plan amendment or federal waiver to commence
2361 enrollment in the Medicaid prepaid dental health program no
2362 later than March 1, 2019. The agency shall extend until December
2363 31, 2024, the term of existing plan contracts awarded pursuant
2364 to the invitation to negotiate published in October 2017.

2365 Section 46. Subsection (6) of section 429.11, Florida
2366 Statutes, is amended to read:

2367 429.11 Initial application for license; provisional
2368 license.—

2369 ~~(6) In addition to the license categories available in s.~~
2370 ~~409.808, a provisional license may be issued to an applicant~~
2371 ~~making initial application for licensure or making application~~
2372 ~~for a change of ownership. A provisional license shall be~~
2373 ~~limited in duration to a specific period of time not to exceed 6~~
2374 ~~months, as determined by the agency.~~

2375 Section 47. Subsection (9) of section 429.19, Florida
2376 Statutes, is amended to read:

576-04183-20

2377 429.19 Violations; imposition of administrative fines;
2378 grounds.-
2379 ~~(9) The agency shall develop and disseminate an annual list~~
2380 ~~of all facilities sanctioned or fined for violations of state~~
2381 ~~standards, the number and class of violations involved, the~~
2382 ~~penalties imposed, and the current status of cases. The list~~
2383 ~~shall be disseminated, at no charge, to the Department of~~
2384 ~~Elderly Affairs, the Department of Health, the Department of~~
2385 ~~Children and Families, the Agency for Persons with Disabilities,~~
2386 ~~the area agencies on aging, the Florida Statewide Advocacy~~
2387 ~~Council, the State Long Term Care Ombudsman Program, and state~~
2388 ~~and local ombudsman councils. The Department of Children and~~
2389 ~~Families shall disseminate the list to service providers under~~
2390 ~~contract to the department who are responsible for referring~~
2391 ~~persons to a facility for residency. The agency may charge a fee~~
2392 ~~commensurate with the cost of printing and postage to other~~
2393 ~~interested parties requesting a copy of this list. This~~
2394 ~~information may be provided electronically or through the~~
2395 ~~agency's Internet site.~~
2396 Section 48. Subsection (2) of section 429.35, Florida
2397 Statutes, is amended to read:
2398 429.35 Maintenance of records; reports.-
2399 (2) Within 60 days after the date of ~~an the biennial~~
2400 ~~inspection conducted visit required~~ under s. 408.811 or within
2401 30 days after the date of ~~an any~~ interim visit, the agency shall
2402 forward the results of the inspection to the local ombudsman
2403 council in the district where the facility is located; to at
2404 least one public library or, in the absence of a public library,
2405 the county seat in the county in which the inspected assisted

576-04183-20

2406 living facility is located; and, when appropriate, to the
2407 district Adult Services and Mental Health Program Offices.
2408 Section 49. Subsection (2) of section 429.905, Florida
2409 Statutes, is amended to read:
2410 429.905 Exemptions; monitoring of adult day care center
2411 programs colocated with assisted living facilities or licensed
2412 nursing home facilities.-
2413 (2) A licensed assisted living facility, a licensed
2414 hospital, or a licensed nursing home facility may provide
2415 services during the day which include, but are not limited to,
2416 social, health, therapeutic, recreational, nutritional, and
2417 respite services, to adults who are not residents. Such a
2418 facility need not be licensed as an adult day care center;
2419 however, the agency must monitor the facility during the regular
2420 inspection ~~and at least biennially~~ to ensure adequate space and
2421 sufficient staff. If an assisted living facility, a hospital, or
2422 a nursing home holds itself out to the public as an adult day
2423 care center, it must be licensed as such and meet all standards
2424 prescribed by statute and rule. For the purpose of this
2425 subsection, the term "day" means any portion of a 24-hour day.
2426 Section 50. Section 429.929, Florida Statutes, is amended
2427 to read:
2428 429.929 Rules establishing standards.-
2429 ~~(1)~~ The agency shall adopt rules to implement this part.
2430 The rules must include reasonable and fair standards. Any
2431 conflict between these standards and those that may be set forth
2432 in local, county, or municipal ordinances shall be resolved in
2433 favor of those having statewide effect. Such standards must
2434 relate to:

576-04183-20

2435 ~~(1)(a)~~ The maintenance of adult day care centers with
2436 respect to plumbing, heating, lighting, ventilation, and other
2437 building conditions, including adequate meeting space, to ensure
2438 the health, safety, and comfort of participants and protection
2439 from fire hazard. Such standards may not conflict with chapter
2440 553 and must be based upon the size of the structure and the
2441 number of participants.

2442 ~~(2)(b)~~ The number and qualifications of all personnel
2443 employed by adult day care centers who have responsibilities for
2444 the care of participants.

2445 ~~(3)(c)~~ All sanitary conditions within adult day care
2446 centers and their surroundings, including water supply, sewage
2447 disposal, food handling, and general hygiene, and maintenance of
2448 sanitary conditions, to ensure the health and comfort of
2449 participants.

2450 ~~(4)(d)~~ Basic services provided by adult day care centers.

2451 ~~(5)(e)~~ Supportive and optional services provided by adult
2452 day care centers.

2453 ~~(6)(f)~~ Data and information relative to participants and
2454 programs of adult day care centers, including, but not limited
2455 to, the physical and mental capabilities and needs of the
2456 participants, the availability, frequency, and intensity of
2457 basic services and of supportive and optional services provided,
2458 the frequency of participation, the distances traveled by
2459 participants, the hours of operation, the number of referrals to
2460 other centers or elsewhere, and the incidence of illness.

2461 ~~(7)(g)~~ Components of a comprehensive emergency management
2462 plan, developed in consultation with the Department of Health
2463 and the Division of Emergency Management.

576-04183-20

2464 ~~(2) Pursuant to this part, s. 408.811, and applicable~~
2465 ~~rules, the agency may conduct an abbreviated biennial inspection~~
2466 ~~of key quality of care standards, in lieu of a full inspection,~~
2467 ~~of a center that has a record of good performance. However, the~~
2468 ~~agency must conduct a full inspection of a center that has had~~
2469 ~~one or more confirmed complaints within the licensure period~~
2470 ~~immediately preceding the inspection or which has a serious~~
2471 ~~problem identified during the abbreviated inspection. The agency~~
2472 ~~shall develop the key quality of care standards, taking into~~
2473 ~~consideration the comments and recommendations of provider~~
2474 ~~groups. These standards shall be included in rules adopted by~~
2475 ~~the agency.~~

2476 Section 51. Effective January 1, 2021, paragraph (e) of
2477 subsection (2) and paragraph (e) of subsection (3) of section
2478 627.6387, Florida Statutes, are amended to read:

2479 627.6387 Shared savings incentive program.—

2480 (2) As used in this section, the term:

2481 (e) "Shoppable health care service" means a lower-cost,
2482 high-quality nonemergency health care service for which a shared
2483 savings incentive is available for insureds under a health
2484 insurer's shared savings incentive program. Shoppable health
2485 care services may be provided within or outside this state and
2486 include, but are not limited to:

- 2487 1. Clinical laboratory services.
- 2488 2. Infusion therapy.
- 2489 3. Inpatient and outpatient surgical procedures.
- 2490 4. Obstetrical and gynecological services.
- 2491 5. Inpatient and outpatient nonsurgical diagnostic tests
2492 and procedures.

233364

576-04183-20

- 2493 6. Physical and occupational therapy services.
2494 7. Radiology and imaging services.
2495 8. Prescription drugs.
2496 9. Services provided through telehealth.
2497 10. Any additional services published by the Agency for
2498 Health Care Administration which have the most significant price
2499 variation pursuant to s. 408.05(3)(1).

2500 (3) A health insurer may offer a shared savings incentive
2501 program to provide incentives to an insured when the insured
2502 obtains a shoppable health care service from the health
2503 insurer's shared savings list. An insured may not be required to
2504 participate in a shared savings incentive program. A health
2505 insurer that offers a shared savings incentive program must:

2506 (e) At least quarterly, credit or deposit the shared
2507 savings incentive amount to the insured's account as a return or
2508 reduction in premium, ~~or~~ credit the shared savings incentive
2509 amount to the insured's flexible spending account, health
2510 savings account, or health reimbursement account, or reward the
2511 insured directly with cash or a cash equivalent such that the
2512 ~~amount does not constitute income to the insured.~~

2513 Section 52. Effective January 1, 2021, paragraph (e) of
2514 subsection (2) and paragraph (e) of subsection (3) of section
2515 627.6648, Florida Statutes, are amended to read:

2516 627.6648 Shared savings incentive program.—

2517 (2) As used in this section, the term:

2518 (e) "Shoppable health care service" means a lower-cost,
2519 high-quality nonemergency health care service for which a shared
2520 savings incentive is available for insureds under a health
2521 insurer's shared savings incentive program. Shoppable health

233364

576-04183-20

- 2522 care services may be provided within or outside this state and
2523 include, but are not limited to:
2524 1. Clinical laboratory services.
2525 2. Infusion therapy.
2526 3. Inpatient and outpatient surgical procedures.
2527 4. Obstetrical and gynecological services.
2528 5. Inpatient and outpatient nonsurgical diagnostic tests
2529 and procedures.
2530 6. Physical and occupational therapy services.
2531 7. Radiology and imaging services.
2532 8. Prescription drugs.
2533 9. Services provided through telehealth.
2534 10. Any additional services published by the Agency for
2535 Health Care Administration which have the most significant price
2536 variation pursuant to s. 408.05(3)(1).

2537 (3) A health insurer may offer a shared savings incentive
2538 program to provide incentives to an insured when the insured
2539 obtains a shoppable health care service from the health
2540 insurer's shared savings list. An insured may not be required to
2541 participate in a shared savings incentive program. A health
2542 insurer that offers a shared savings incentive program must:

2543 (e) At least quarterly, credit or deposit the shared
2544 savings incentive amount to the insured's account as a return or
2545 reduction in premium, ~~or~~ credit the shared savings incentive
2546 amount to the insured's flexible spending account, health
2547 savings account, or health reimbursement account, or reward the
2548 insured directly with cash or a cash equivalent such that the
2549 ~~amount does not constitute income to the insured.~~

2550 Section 53. Effective January 1, 2021, paragraph (e) of

233364

576-04183-20

2551 subsection (2) and paragraph (e) of subsection (3) of section
2552 641.31076, Florida Statutes, are amended to read:
2553 641.31076 Shared savings incentive program.—
2554 (2) As used in this section, the term:
2555 (e) "Shoppable health care service" means a lower-cost,
2556 high-quality nonemergency health care service for which a shared
2557 savings incentive is available for subscribers under a health
2558 maintenance organization's shared savings incentive program.
2559 Shoppable health care services may be provided within or outside
2560 this state and include, but are not limited to:
2561 1. Clinical laboratory services.
2562 2. Infusion therapy.
2563 3. Inpatient and outpatient surgical procedures.
2564 4. Obstetrical and gynecological services.
2565 5. Inpatient and outpatient nonsurgical diagnostic tests
2566 and procedures.
2567 6. Physical and occupational therapy services.
2568 7. Radiology and imaging services.
2569 8. Prescription drugs.
2570 9. Services provided through telehealth.
2571 10. Any additional services published by the Agency for
2572 Health Care Administration which have the most significant price
2573 variation pursuant to s. 408.05(3)(1).
2574 (3) A health maintenance organization may offer a shared
2575 savings incentive program to provide incentives to a subscriber
2576 when the subscriber obtains a shoppable health care service from
2577 the health maintenance organization's shared savings list. A
2578 subscriber may not be required to participate in a shared
2579 savings incentive program. A health maintenance organization

233364

576-04183-20

2580 that offers a shared savings incentive program must:
2581 (e) At least quarterly, credit or deposit the shared
2582 savings incentive amount to the subscriber's account as a return
2583 or reduction in premium, ~~or~~ credit the shared savings incentive
2584 amount to the subscriber's flexible spending account, health
2585 savings account, or health reimbursement account, or reward the
2586 subscriber directly with cash or a cash equivalent such that the
2587 amount does not constitute income to the subscriber.
2588 Section 54. Part I of chapter 483, Florida Statutes, is
2589 repealed, and part II and part III of that chapter are
2590 redesignated as part I and part II, respectively.
2591 Section 55. Paragraph (g) of subsection (3) of section
2592 20.43, Florida Statutes, is amended to read:
2593 20.43 Department of Health.—There is created a Department
2594 of Health.
2595 (3) The following divisions of the Department of Health are
2596 established:
2597 (g) Division of Medical Quality Assurance, which is
2598 responsible for the following boards and professions established
2599 within the division:
2600 1. The Board of Acupuncture, created under chapter 457.
2601 2. The Board of Medicine, created under chapter 458.
2602 3. The Board of Osteopathic Medicine, created under chapter
2603 459.
2604 4. The Board of Chiropractic Medicine, created under
2605 chapter 460.
2606 5. The Board of Podiatric Medicine, created under chapter
2607 461.
2608 6. Naturopathy, as provided under chapter 462.

576-04183-20

- 2609 7. The Board of Optometry, created under chapter 463.
2610 8. The Board of Nursing, created under part I of chapter
2611 464.
2612 9. Nursing assistants, as provided under part II of chapter
2613 464.
2614 10. The Board of Pharmacy, created under chapter 465.
2615 11. The Board of Dentistry, created under chapter 466.
2616 12. Midwifery, as provided under chapter 467.
2617 13. The Board of Speech-Language Pathology and Audiology,
2618 created under part I of chapter 468.
2619 14. The Board of Nursing Home Administrators, created under
2620 part II of chapter 468.
2621 15. The Board of Occupational Therapy, created under part
2622 III of chapter 468.
2623 16. Respiratory therapy, as provided under part V of
2624 chapter 468.
2625 17. Dietetics and nutrition practice, as provided under
2626 part X of chapter 468.
2627 18. The Board of Athletic Training, created under part XIII
2628 of chapter 468.
2629 19. The Board of Orthotists and Prosthetists, created under
2630 part XIV of chapter 468.
2631 20. Electrolysis, as provided under chapter 478.
2632 21. The Board of Massage Therapy, created under chapter
2633 480.
2634 22. The Board of Clinical Laboratory Personnel, created
2635 under part I ~~part II~~ of chapter 483.
2636 23. Medical physicists, as provided under part II ~~part III~~
2637 of chapter 483.

576-04183-20

- 2638 24. The Board of Opticianry, created under part I of
2639 chapter 484.
2640 25. The Board of Hearing Aid Specialists, created under
2641 part II of chapter 484.
2642 26. The Board of Physical Therapy Practice, created under
2643 chapter 486.
2644 27. The Board of Psychology, created under chapter 490.
2645 28. School psychologists, as provided under chapter 490.
2646 29. The Board of Clinical Social Work, Marriage and Family
2647 Therapy, and Mental Health Counseling, created under chapter
2648 491.
2649 30. Emergency medical technicians and paramedics, as
2650 provided under part III of chapter 401.
2651 Section 56. Subsection (3) of section 381.0034, Florida
2652 Statutes, is amended to read:
2653 381.0034 Requirement for instruction on HIV and AIDS.—
2654 (3) The department shall require, as a condition of
2655 granting a license under chapter 467 or part I ~~part II~~ of
2656 chapter 483, that an applicant making initial application for
2657 licensure complete an educational course acceptable to the
2658 department on human immunodeficiency virus and acquired immune
2659 deficiency syndrome. Upon submission of an affidavit showing
2660 good cause, an applicant who has not taken a course at the time
2661 of licensure shall be allowed 6 months to complete this
2662 requirement.
2663 Section 57. Subsection (4) of section 456.001, Florida
2664 Statutes, is amended to read:
2665 456.001 Definitions.—As used in this chapter, the term:
2666 (4) "Health care practitioner" means any person licensed

233364

576-04183-20

2667 under chapter 457; chapter 458; chapter 459; chapter 460;
2668 chapter 461; chapter 462; chapter 463; chapter 464; chapter 465;
2669 chapter 466; chapter 467; part I, part II, part III, part V,
2670 part X, part XIII, or part XIV of chapter 468; chapter 478;
2671 chapter 480; part I or part II ~~part II or part III~~ of chapter
2672 483; chapter 484; chapter 486; chapter 490; or chapter 491.

2673 Section 58. Paragraphs (h) and (i) of subsection (2) of
2674 section 456.057, Florida Statutes, are amended to read:

2675 456.057 Ownership and control of patient records; report or
2676 copies of records to be furnished; disclosure of information.-

2677 (2) As used in this section, the terms "records owner,"
2678 "health care practitioner," and "health care practitioner's
2679 employer" do not include any of the following persons or
2680 entities; furthermore, the following persons or entities are not
2681 authorized to acquire or own medical records, but are authorized
2682 under the confidentiality and disclosure requirements of this
2683 section to maintain those documents required by the part or
2684 chapter under which they are licensed or regulated:

2685 (h) Clinical laboratory personnel licensed under part I
2686 ~~part II~~ of chapter 483.

2687 (i) Medical physicists licensed under part II ~~part III~~ of
2688 chapter 483.

2689 Section 59. Paragraph (j) of subsection (1) of section
2690 456.076, Florida Statutes, is amended to read:

2691 456.076 Impaired practitioner programs.-

2692 (1) As used in this section, the term:

2693 (j) "Practitioner" means a person licensed, registered,
2694 certified, or regulated by the department under part III of
2695 chapter 401; chapter 457; chapter 458; chapter 459; chapter 460;

233364

576-04183-20

2696 chapter 461; chapter 462; chapter 463; chapter 464; chapter 465;
2697 chapter 466; chapter 467; part I, part II, part III, part V,
2698 part X, part XIII, or part XIV of chapter 468; chapter 478;
2699 chapter 480; part I or part II ~~part II or part III~~ of chapter
2700 483; chapter 484; chapter 486; chapter 490; or chapter 491; or
2701 an applicant for a license, registration, or certification under
2702 the same laws.

2703 Section 60. Paragraph (b) of subsection (1) of section
2704 456.47, Florida Statutes, is amended to read:

2705 456.47 Use of telehealth to provide services.-

2706 (1) DEFINITIONS.-As used in this section, the term:

2707 (b) "Telehealth provider" means any individual who provides
2708 health care and related services using telehealth and who is
2709 licensed or certified under s. 393.17; part III of chapter 401;
2710 chapter 457; chapter 458; chapter 459; chapter 460; chapter 461;
2711 chapter 463; chapter 464; chapter 465; chapter 466; chapter 467;
2712 part I, part III, part IV, part V, part X, part XIII, or part
2713 XIV of chapter 468; chapter 478; chapter 480; part I or part II
2714 ~~part II or part III~~ of chapter 483; chapter 484; chapter 486;
2715 chapter 490; or chapter 491; who is licensed under a multistate
2716 health care licensure compact of which Florida is a member
2717 state; or who is registered under and complies with subsection
2718 (4).

2719 Section 61. Except as otherwise expressly provided in this
2720 act and except for this section, which shall become effective
2721 upon this act becoming a law, this act shall take effect July 1,
2722 2020.

The Florida Senate
BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: CS/CS/SB 1726

INTRODUCER: Appropriations Committee (Recommended by Appropriations Subcommittee on Health and Human Services); Health Policy Committee; and Senator Bean

SUBJECT: Agency for Health Care Administration

DATE: March 4, 2020

REVISED: _____

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 1726 addresses statutory duties and responsibilities of the Agency for Health Care Administration (AHCA) relating to the regulation of health care facilities and providers. The bill:

- Modifies annual birth center reporting to the AHCA.
- Removes outdated language relating to certificate of need, to allow hospital licenses to correctly reflect the actual bed categories provided by a licensee.
- Reinstates the AHCA's authority to require hospital adult cardiac programs to participate in national reporting and quality registries.
- Extends the current rural hospital designation to 2025 (set to expire June 30, 2021).
- Repeals an unenforceable annual assessment ruled unconstitutional.
- Removes provisions requiring fixed inspection time frames for nursing home facilities, hospices, assisted living facilities, and adult family care homes.
- Revises definitions and licensure requirements related to home health agencies.
- Creates an exemption to health care clinic licensure for federally certified providers.
- Removes the ability of a health care clinic to submit a surety bond instead of submitting certain documents as proof of financial ability to operate to satisfy initial licensure requirements.
- Creates risked-based licensure inspections for nurse registries, home medical equipment providers, and health care clinics to provide the AHCA the flexibility to inspect high-performing providers less frequently than poor performers.

- Authorizes the AHCA to adopt rules to waive a routine inspection, to waive an inspection for relicensure, or to allow an extended period between inspections for any provider type based upon specified factors.
- Authorizes the AHCA to issue a provisional license to all provider types.
- Revises requirements for the approval of comprehensive emergency management plans for newly-licensed facilities.
- Authorizes the AHCA to collect all legal fees incurred while defending a Medicaid case if the AHCA prevails.
- Clarifies the AHCA's authority to conduct retrospective reviews of Medicaid hospital inpatient claims and recover overpayments.
- Revises background screening regulations for health care provider staff.
- Removes class III psychiatric facilities from the diagnosis-related group (DRG) payment methodology.
- Removes the nursing home unit cost rate freeze.
- Aligns the state Medicaid anti-kickback law with the federal anti-kickback law.
- Requires the AHCA to extend the term of contracts awarded to Statewide Medicaid Managed Care plans (the Managed Medical Assistance Program, Long-term Care Program, and Dental Program) from five- to six-years, effectively extending current contracts through December 31, 2024.
- Requires the Florida Center for Health Information and Transparency to publish an annual report identifying health care services with the most significant price variation at statewide and regional levels.
- Expands the list of shoppable health care services that qualify for a shared savings incentive for patients to include services with the most significant price variation. Allows cash and cash equivalent incentives in shared savings incentives.
- Repeals multiphasic health testing center licensure.
- Replaces several legislatively mandated reports with online publications and repeals obsolete reports.

The bill has an indeterminate yet likely insignificant fiscal impact to the AHCA. See Section V.

The bill takes effect on July 1, 2020, except as otherwise expressly provided in the bill and except for the effective date section, which takes effect upon this bill becoming a law.

II. Present Situation:

The Agency for Health Care Administration (AHCA) is created in s. 20.42, F.S. It is the chief health policy and planning entity for the state and is responsible for, among other things, health facility licensure, inspection, and regulatory enforcement. It licenses or certifies and regulates 40 different types of health care providers, including hospitals, nursing homes, assisted living facilities, and home health agencies. In total, the AHCA licenses, certifies, regulates or provides exemptions for more than 48,000 providers.¹

¹ See the Agency for Health Care Administration, Division of Health Quality Assurance <http://ahca.myflorida.com/MCHQ/index.shtml> (last visited Jan. 23, 2020).

Generally applicable provisions of health care provider licensure are addressed in the Health Care Licensing Procedures Act in part II of ch. 408, F.S. Additional chapters or sections in the Florida Statutes provide specific licensure or regulatory requirements pertaining to health care providers in this state.²

Due to the many diverse issues within the bill, pertinent background information is provided within the effect of proposed changes for the reader's convenience.

III. Effect of Proposed Changes:

Birth Center Reporting

Section 1 amends s. 383.327, F.S. Birth centers are required under current law to immediately report each maternal death, newborn death, and stillbirth to the medical examiner. Changes to subsection (2) of this section require birth centers to immediately report this information to the AHCA as well. Changes to subsection (4) of this section remove the requirement that birth centers submit a report to the AHCA annually and instead require reports to be submitted at a frequency adopted by the AHCA in rule. These changes could enable the AHCA to have the most current information to review during the inspection of a birth center.

Hospital Licensure and Registries

Chapter No. 2019-136, L.O.F. (enacted by the Legislature in 2019 as CS/HB 21) removes certificate of need (CON) review requirements for hospitals over time, with the final change occurring on July 1, 2021. The Legislature also repealed s. 408.0361(5)(b), F.S., that required hospitals with adult cardiovascular programs to participate in clinical outcome reporting systems.^{3,4}

Section 2 amends s. 395.003(4), F.S., to remove the requirement that all beds not covered by any specialty-bed-need methodology be specified as general beds on the face of the hospital's license. If this subsection is not updated to reflect recent changes to CON requirements, specialty hospital beds such as neonatal intensive care beds will incorrectly be reported as general acute care beds on the face of the hospital's license.

Section 3 amends s. 395.1055, F.S., to reinstate the AHCA's authority to require hospital adult cardiac programs to participate in national reporting and quality registries. Adult diagnostic cardiac catheterization programs and Level I or Level II cardiovascular programs must participate in either the American college of Cardiology or American Heart Association registry to document quality improvement plans. Hospitals licensed for Level II adult cardiovascular services must participate in the Society for Thoracic Surgeons clinical outcome reporting systems.⁵

² See s. 408.802, F.S., for the health care provider types and applicable licensure statutes.

⁵ Agency for Health Care Administration, *Analysis for Amendments to SB 1726* (February 25, 2020) (on file with the Senate Appropriations Subcommittee on Health and Human Services).

Rural Hospitals

There are currently 28 hospitals in Florida that are recognized as meeting the definition of “rural hospital” as defined in 395.602(2)(b), F.S.⁶ The hospital must have 100 or fewer beds and an emergency room and meet one of the six additional criteria in order to be considered a rural hospital. Several of the criteria are based on the population density of up to 100 persons per square mile as well as distance from another acute care hospital. Hospitals licensed as a rural hospital during the 2010-2011 or 2011-2012 fiscal year are designated as a rural hospital through June 30, 2021.⁷

Section 4 amends s.395.602, F.S., to extend the current rural hospital designation through June 30, 2025.

Repeal of an Unenforceable Assessment

Section 5 repeals s. 395.7015, F.S., which imposes an annual assessment on ambulatory surgical centers and certain diagnostic-imaging centers that are freestanding outpatient facilities. These assessments were ruled to be unconstitutional in 2002, and are no longer collected.⁸

Section 6 amends s. 395.7016, F.S., to conform a cross-reference to this section.

Licensure Inspections for Nursing Home Facilities, Hospices, Assisted Living Facilities, and Adult Day Care Centers

Uniform licensing requirements in s. 408.811, F.S., require the biennial inspection of health care facilities unless otherwise specified in statute or in rule. Sections of the bill listed below remove the frequency required in statute for nursing home facilities, hospices, assisted living facilities, and adult day care centers.

Federal law currently requires the AHCA to inspect a nursing home facility, at a minimum, every 15 months.⁹ Section 400.19, F.S., also requires the AHCA to inspect a nursing home facility every 15 months. The AHCA is required to inspect a nursing home facility every six months for two years if the facility has been cited for a class I deficiency, has been cited for two or more

⁶ Section 395.602(2)(b), F.S., defines “rural hospital” as an acute care hospital licensed under ch. 395, F.S., having 100 or fewer licensed beds and an emergency room, which is: the sole provider within a county with a population density of up to 100 persons per square mile; an acute care hospital, in a county with a population density of up to 100 persons per square mile, which is at least 30 minutes of travel time, on normally traveled roads under normal traffic conditions, from any other acute care hospital within the same county; a hospital supported by a tax district or subdistrict whose boundaries encompass a population of up to 100 persons per square mile; a hospital classified as a sole community hospital under 42 C.F.R. s. 412.92, regardless of the number of licensed beds; a hospital with a service area that has a population of up to 100 persons per square mile. As used in this subparagraph, the term “service area” means the fewest number of zip codes that account for 75 percent of the hospital’s discharges for the most recent 5-year period, based on information available from the hospital inpatient discharge database in the Florida Center for Health Information and Transparency at the agency; or a hospital designated as a critical access hospital, as defined in s. 408.07, F.S.

⁷ *Supra* note 5.

⁸ *Agency for Health Care Admin. v. Hameroff*, 816 So. 2d 1145, 1149-1150 (Fla. 1st DCA 2002).

⁹ 42 C.F.R. s. 488.308(a).

class II deficiencies arising from separate surveys or investigations within a 60-day period, or has had three or more substantiated complaints within a six-month period, each resulting in at least one class I or class II deficiency. Those nursing home facilities are required to pay a \$6,000 fine for the two additional inspections.

Section 7 amends s. 400.19, F.S., to remove the 15-month inspection requirement from state law and instead requires the AHCA to conduct periodic unannounced licensure inspections. This provision would require the AHCA to conduct licensure surveys every six months for a facility that has been cited for a class I or two or more class II deficiencies within a 60-day period until the facility has two consecutive licensure surveys without a class I or class II deficiency citation. The AHCA maintains current statutory authority to assess a fine of \$6,000 for the additional six month licensure survey.

Section 14 amends s. 400.605(3), F.S., to remove the requirement that the AHCA must inspect hospices annually or biennially for hospices having a three-year record of substantial compliance and instead requires the AHCA to conduct inspections and investigations of hospices as necessary to determine compliance.

Sections 48 and 49 amend ss. 429.35(2) and 429.905(2), F.S., to remove the requirement (and related provisions) that the AHCA inspect assisted living facilities biennially.

Section 50 amends s. 429.929, F.S., to remove a provision authorizing the AHCA to conduct an abbreviated biennial inspection of an adult day care center that has a record of good performance. It also removes a provision requiring the AHCA to conduct a full inspection of an adult day care center that has had one or more confirmed complaints.

Home Health Agencies

Section 400.462(12), F.S., defines the term “home health agency” as an organization that provides home health services and staffing services. An organization that provides only home health services does not meet the definition of a home health agency.

Subsection (30) of that section defines the term “staffing services” as services provided to a health care facility, school, or other business entity on a temporary or school-year basis pursuant to a written contract by licensed health care personnel and by certified nursing assistants and home health aides who are employed by, or work under the auspices of, a licensed home health agency or who are registered with a licensed nurse registry.

Subsection (14) of that section defines “home health services” as the following services that are provided by an organization:

- Nursing care.
- Physical, occupational, respiratory, or speech therapy.
- Home health aide services.
- Dietetics and nutrition practice and nutrition counseling.
- Medical supplies, restricted to drugs and biologicals prescribed by a physician.

Subsection (22) of that section defines the term “organization” as a corporation, government or governmental subdivision or agency, partnership or association, or any other legal or commercial entity, any of which involve more than one health care professional discipline; a health care professional and a home health aide or certified nursing assistant; more than one home health aide; more than one certified nursing assistant; or a home health aide and a certified nursing assistant. The term does not include an entity that provides services using only volunteers or only individuals related by blood or marriage to the patient or client.

Section 8 amends s. 400.462, F.S., to revise the definitions of the terms “home health agency,” “home health services,” “home infusion therapy provider,” and “nurse registry” and delete the definition of the term “organization.”

- “Home health agency” is redefined to mean a person that provides one or more home health services, as opposed to an organization that provides home health services (plural) and staffing services as under current law. As a result, the word “person” (as defined in s.1.01(3), F.S.) includes individuals, children, firms, associations, joint adventures, partnerships, estates, trusts, business trusts, syndicates, fiduciaries, corporations, and all other groups or combinations..
- “Home infusion therapy provider” is redefined to pertain to “a person,” as opposed to “an organization” that meets the definition’s criteria.
- “Home health services” is redefined to conform to elimination of the term “organization” in other definitions, and the definition of “organization” itself is eliminated since that term becomes obsolete under the bill for this section of statute.

The current definition of organization only refers to entities and does not include individual persons, which creates a potential loophole for an individual person to employ health care personnel for the provision of home health services without having to obtain a license.¹⁰ Under the bill, such an individual must obtain a license if they are not currently exempt from licensure as a home health agency pursuant to s. 400.464(5), F.S.

The AHCA has interpreted the provision of home health services to be an activity that requires licensure as a home health agency and does not believe changes to this section will impact services that require licensure.¹¹ However, it is unclear if there are unlicensed individuals that employ or may seek to employ health care personnel for the provision of home health services that would be required to obtain a license under the bill and not qualify for licensure exemption. Under the bill, such an individual would be subject to the provisions of s. 400.471(5), F.S., which requires an applicant or licensee for home health agency licensure to pay a fee for each submitted application. The fee must be established by the AHCA in rule at an amount sufficient to cover the AHCA’s costs in carrying out its responsibilities, not to exceed \$2,000 per biennium. Under this statutory authority in current law, the AHCA is imposing a \$1,705 fee for initial licensure, change of ownership, or licensure renewal.¹² See Sections IV.D. and VI.

¹⁰ Agency for Health Care Administration, *Senate Bill 1726 Agency Analysis* (on file with the Senate Committee on Health Policy).

¹¹ Email from the Agency for Health Care Administration (February 5, 2020) (on file with the Senate Appropriations Subcommittee on Health and Human Services).

¹² 59A-8.003, F.A.C.

Section 9 amends s. 400.464, F.S., to make conforming changes and to make exemptions from licensure as a home health agency for a person that provides skilled care by health care professionals licensed solely under part I of ch. 464, F.S., (nursing); part I, part III, or part V of ch. 468, F.S., (speech therapy, occupational therapy, or respiratory therapy); or ch. 486, F.S., (physical therapy). Skilled care services are currently defined in s. 400.462(29), F.S. This exemption currently indirectly exists within the definition of “organization” that is being stricken in Section 8 of the bill. The section also clarifies that the exemption does not authorize an individual to perform home health services without the required professional license.

Section 10 amends s. 400.471(2)(g), F.S., to require applicants for change of ownership or license renewal to provide proof of accreditation and a survey demonstrating compliance with the applicable licensure requirements prior to licensure for the addition of skilled services.

Sections 11-13 amend ss. 400.492, 400.506, and 400.509, F.S., to conform provisions to changes made to the definitions section for part III of ch. 400, F.S., in Section 8 of the bill.

AHCA Reporting Requirements

Section 15 amends s. 400.60501, F.S., to delete a requirement that the AHCA develop an annual report that analyzes and evaluates the information collected under the Health Care Clinic Act. It also removes an obsolete date. Hospice outcome and quality information is currently published on FloridaHealthFinder.gov.

Section 22 amends s. 408.0611, F.S., to require the AHCA to report on its website information on the implementation of electronic prescribing rather than issuing an annual report to the Governor and the Legislature. The AHCA already updates this information quarterly on the ePrescribing dashboard of its website.¹³

Section 23 amends s. 408.062, F.S., to require the AHCA to report on its website information relating to the use of hospital emergency department services by patient acuity level and on health care quality measures rather than issuing an annual status report to the Governor and the Legislature. Most information that is required to be in the report is available on FloridaHealthFinder.gov.

Section 24 amends s. 408.063, F.S., to remove the requirement that the AHCA publish an annual comprehensive report of state health expenditures. This report currently identifies the contribution of health care dollars made by all payors and the dollars expended by the type of health care service. The AHCA indicates that this report has little value because of a three-year delay in reporting information.¹⁴

Section 35 amends s. 408.909, F.S., to delete a provision requiring the AHCA to evaluate and provide an annual assessment to the Governor and the Legislature relating to the Health Flex Plan. The Health Flex Plan program was a pilot program established to benefit low-income families who were not eligible for public assistance programs and not covered by private

¹⁴ *Supra* note 10.

insurance.¹⁵ There were initially only three plans in limited service areas available for consumers. There is currently only one remaining Health Flex Plan with fewer than 300 members.¹⁶

Section 36 amends s. 408.9091, F.S., to remove the requirement that the AHCA and the Office of Insurance Regulation of the Financial Services Commission jointly submit an annual report to the Governor and the Legislature relating to the implementation of the Cover Florida Health Care Access Program. There are currently no plans participating in the Cover Florida Health Care Access Program.¹⁷ The last participating health plan terminated its Cover Florida policies in January of 2015.¹⁸

Section 42 amends s. 409.913, F.S., to move the Medicaid Program Integrity Annual Report due date from January 1, which is a national holiday, to January 15. Other changes made to this section of statute are discussed below.

Section 47 amends s. 429.19(9), F.S., to remove the requirement that the AHCA develop and disseminate a list of all assisted living facilities sanctioned or fined for violations of state standards, the number and class of violations involved, the penalties imposed, and the current status of cases. The AHCA is required by s. 429.55(2), F.S., to create an accessible website containing this information and has done so with FloridaHealthFinder.gov.¹⁹

Health Care Clinics

Section 16 amends s. 400.9905, F.S., to provide exemptions from health care clinic licensure for Medicaid providers, for certain federally certified providers, for entities under common ownership by a mutual insurance holding company, and for certain entities that are owned by an entity that is a behavioral health service provider.

There are currently over 14 exemptions listed in the health care clinic licensure laws.²⁰ Most of these exemptions are for health care providers that are already licensed and regulated by the AHCA, an establishment or profession regulated by the Department of Health (DOH), a provider that is federally certified, a non-profit entity, or an entity with substantial financial commitment.

Comprehensive outpatient rehabilitation facilities (42 C.F.R. part 485, subpart B), outpatient physical therapy and speech-language pathology providers (42 C.F.R. part 485, subpart H), end stage renal diseases (42 C.F.R. part 494), and clinical laboratories are all federally certified providers that are regulated by the AHCA. These providers qualify for an exemption from health care clinic licensure.

Changes made in this section of the bill provide exemptions for other federally certified providers that are regulated by the AHCA, including community mental health center-partial

¹⁵ *Id.*

¹⁶ *Id.*

¹⁷ *Id.*

¹⁸ *Id.*

¹⁹ *Id.*

²⁰ *Id.*

hospitalization programs (42 C.F.R. part 485, subpart J), portable X-ray providers (42 C.F.R. part 486, subpart C) and rural health care clinics (42 C.F.R. part 491, subpart A).

The Fiscal Year 2019-2020 Implementing Bill created two additional exemptions from clinic licensure for entities owned by an insurance holding company with over \$1 billion in annual sales and entities owned by a behavioral health provider in at least five states with \$90 million in annual revenues from behavioral health.²¹ These exemptions are in effect until June 30, 2020.²² Language in this section of CS/SB 1726 provides that those two exemptions will be permanent.

Providers that meet the definition of health care clinic who do not qualify for an exemption must obtain a license, and providers that participate in Medicaid must meet all requirements in applicable state laws. Medicaid recently initiated rule-making to add licensure as a health care clinic when required by law to be a pre-requisite to enrollment as a Medicaid provider. Over 20,000 providers have been identified as possibly requiring a health care clinic license to remain in Medicaid, though some will likely qualify for an exemption.²³ An estimated 13,000 may require licensure to meet Medicaid requirements by December 2020.²⁴ The AHCA asked for 13 positions to support this workload through a legislative budget request.²⁵

Section 17 amends s. 400.991(3)(c), F.S., to remove the option for a health care clinic to file a surety bond of at least \$500,000 as an alternative to submitting proof of financial ability to operate with its application for initial licensure or a change in ownership. No health care clinics have submitted the surety bond in lieu of proof of financial ability to operate.²⁶

Section 18 amends s. 400.9935(1)(i), F.S., to authorize a health care clinic's schedule of charges to group services by price level. This section of the bill revises the requirement that the schedule must be posted in the reception area of the urgent care center of a clinic to only require posting in the reception area of a clinic that meets the definition of an "urgent care center" as defined in s. 395.002(29)(b), F.S.

Deleting a Reference to a Specific Data Collection Rule

Section 21 amends s. 408.061, F.S., to remove a reference to a repealed Rule 59E-7.012, F.A.C. Rules 59E-7.011-7.020, F.A.C., were repealed and replaced with Rules 59E-7.021-7.030, F.A.C.

Low-Risk Providers and Licensure Inspections

Section 26 amends s. 408.803, F.S., to define the term "low-risk provider" as nurse registries, home medical equipment providers, and health care clinics. The AHCA has determined these specific provider types to be low-risk with infrequently cited deficiencies.²⁷ This section of the bill also conforms a provision to changes made in Section 49 of the bill.

²¹ Chapter No. 2019-116, s. 38, Laws of Fla.

²² *Id.*

²³ *Supra* note 10.

²⁴ *Id.*

²⁵ *Id.*

²⁶ *Id.*

²⁷ *Id.*

Section 27 amends s. 408.806, F.S., to exempt low-risk providers from an initial licensure inspection as required under s. 408.811, F.S.

Section 30 amends s. 408.811, F.S., to authorize the AHCA to exempt a low-risk provider from licensure inspections if the provider or controlling interest has an excellent regulatory history with regard to deficiencies, sanctions, complaints, and other regulatory actions, as defined by the AHCA in rule. Under the bill, the AHCA is required to conduct unannounced licensure inspections for at least 10 percent of exempt low-risk providers.

The bill also authorizes the AHCA to adopt rules to waive routine inspections and inspections for relicensure or to allow for an extended period between relicensure inspections for specific providers based upon:

- A favorable regulatory history with regard to deficiencies, sanctions, complaints, and other regulatory measures.
- Outcome measures that demonstrate quality performance.
- Successful participation in a recognized quality assurance program.
- Accreditation status.
- Other measures reflective of quality and safety.
- The length of time between inspections.

With these changes, a provider will not necessarily have to meet any specific statutory requirement for the AHCA to waive the routine inspection. The AHCA's rules must base the decision to grant a waiver upon one or all of the factors listed above.

As it does with low-risk providers, the bill also requires the AHCA to conduct unannounced licensure inspections for at least 10 percent of providers that qualify for a waiver or extended period between licensure inspections.

Provisional Licenses for Health Care Facilities

Section 408.808(2), F.S., currently authorizes the AHCA to issue a provisional license for health care providers regulated under ch. 408, F.S., to a provider applying for a change of ownership or to a provider that is in litigation with the AHCA regarding the denial or revocation of its license.

Section 429.11(6), F.S., currently authorizes the AHCA to issue a provisional license for an assisted living facility when the provider is making an initial application for licensure.

Section 28 amends s. 408.808(2), F.S., to authorize the AHCA to issue a provisional license to an applicant for initial licensure as a health care provider under ch. 408, F.S., in addition to applicants for a change of ownership.

Section 46 amends s. 429.11(6), F.S., to remove provisions authorizing the AHCA to issue a provisional license to an assisted living facility because the AHCA would be authorized to issue a provisional licensed to an assisted living facility through the bill's changes to s. 408.808, F.S.

Background Screening Requirements for Health Care Providers and Employees

Seven state agencies participate in the Care Providers Background Screening Clearinghouse authorized in ch. 435, F.S. **Section 29** amends s. 408.809(2), F.S., to remove an obsolete provision relating to agencies that were once in the process of joining the Clearinghouse. All seven agencies are now fully implemented in the Clearinghouse.

Section 29 also amends s. 408.809(5), F.S., to remove an expired provision that allowed for an employee who becomes disqualified from employment because of legislation that created a new disqualifying offense, to continue to work pending the employee's request for an exemption from disqualification. That authority expired in 2014.

Federal regulations require state Medicaid programs to conduct criminal background checks including fingerprinting when required to do so under state law or by the level of screening based on risk of fraud, waste or abuse as determined for that category of providers.²⁸ State Medicaid programs are also required to conduct a criminal background check and require the submission of a set of fingerprints in accordance with 42 C.F.R. s. 455.434 for providers designated as a high categorical risk.²⁹ The AHCA designates high categorical risk providers in the Florida Medicaid Provider Enrollment Policy handbook incorporated in Rule 59G-1.060, F.A.C.³⁰

Section 39 amends s. 409.907, F.S., to revise background screening requirements for Medicaid providers and codify federal requirements. This section of the bill requires a level 2 background screening to be conducted through the AHCA for certain persons who render services to Medicaid recipients, who have direct access to Medicaid recipients, recipient living areas, or the financial, medical or service records of a Medicaid recipient, or who supervises the delivery of goods or services to a Medicaid recipient. This change does not impose additional screening requirements on any providers licensed under part II of ch. 408, F.S. See Sections IV.D. and VI. Drivers providing transportation to Medicaid recipients through a transportation broker or a transportation network company are required to undergo a level 1 background screening through the Florida Department of Law Enforcement or, for Transportation Network Companies, an AHCA-approved equivalent background screening. The AHCA does not require level 2 screening for transportation drivers.³¹ **Section 39** clarifies that these drivers are required to undergo only the level 1 background (or equivalent) screening, not the required level 2 background screening.

Comprehensive Emergency Management Plans

Different provider types are subject to different comprehensive emergency management plan requirements in their authorizing statutes. Assisted living facilities are required to get plan

²⁸ 42 CFR s. 455.434

²⁹ 42 CFR s. 455.450

³⁰ Providers and suppliers designated as "high" categorical risk include: behavior analysis practitioners, mental health targeted case management providers, physical therapists, physician groups owned by non-physicians, prospective (newly enrolling) home health agencies and other home health service providers, prospective (newly enrolling) durable medical equipment, and prosthetics, orthotics, and supplies suppliers. Agency for Health Care Administration, *Florida Medicaid Provider Enrollment Policy* (December 2019), available at <https://ahca.myflorida.com/medicaid/review/General/59G-1.060.pdf> (last visited Feb. 25, 2020).

³¹ *Supra* note 5.

approval by local emergency management officials before they may be licensed. The AHCA indicates that some local jurisdictions refuse to review a plan until the provider is licensed.³² This makes it impossible for providers within those jurisdictions to become lawfully licensed.

Section 32 amends s. 408.821, F.S., to require providers that are required by authorizing statutes and the AHCA rule to have a comprehensive emergency management plan to:

- Submit the plan to the local emergency management agency, county health department, or the DOH within 30 days after initial licensure and change of ownership, and notify the AHCA within 30 days after submission of the plan.
- Submit the plan to the local emergency management agency, county health department, or the DOH annually and within 30 days after any significant modification, as defined by the AHCA rule, to a previously approved plan.
- Respond to the local emergency management agency, county health department, or the DOH with necessary plan revisions within 30 days after notification that plan revisions are required.
- Notify the AHCA within 30 days after approval of its plan by the local emergency management agency, county health department, or the DOH.

These changes establish consistent timeframes for the submission and review of comprehensive emergency management plans among provider types. This change allows for the licensure of a facility before its comprehensive emergency management plan is approved.

The Medicaid Program's Retrospective Review of Hospital Inpatient Admissions

The AHCA performs routine pre- and post-payment claim reviews to determine the appropriateness of Medicaid provider reimbursement.³³

Section 37 amends s. 409.905(5), F.S., to clarify that a specific provision in paragraph (a) of that subsection may not be construed to prevent the AHCA from conducting retrospective reviews in its efforts to combat Medicaid fraud and abuse and to recoup overpayments in the Medicaid Program.

The provision of current law that the bill seeks to clarify was enacted under ch. 2001-104, L.O.F. Before the enactment of that law, the AHCA had statutory authority to prior authorize inpatient hospital admissions for Medicaid patients with psychiatric and substance abuse diagnoses. However, there was no specific authority for the AHCA to prior authorize inpatient hospital admissions for any other diagnoses.³⁴

In lieu of prior authorization of inpatient hospital admissions for general acute care Medicaid services, the Medicaid Program was under contract in 2001 with a peer review organization for retrospective review of such admissions. If those retrospective reviews encountered inpatient admissions that should have been denied or inpatient services that were provided outside of

³² *Id.*

³³ *Id.*

³⁴ See Chapter 2001-104, L.O.F., available at http://laws.flrules.org/files/Ch_2001-104.pdf (last visited Jan. 30, 2020).

medical necessity, the AHCA would require the hospital to repay the Medicaid program for the associated costs.³⁵

Under ch. 2001-104, L.O.F., the Legislature amended s. 409.905(5)(a), F.S., to give the Medicaid Program authority to prior authorize nonemergency hospital inpatient admissions for individuals 21 years of age or older. The statute was also amended to allow Medicaid to require authorization of emergency and urgent-care admissions within 24 hours after Medicaid patients were admitted under such conditions.

Along with this new authority, the statute was further amended in 2001, in the same paragraph, to require the AHCA, upon implementing the prior authorization program for hospital inpatient services, to discontinue the Medicaid Program's hospital retrospective review efforts. CS/SB 1726 specifically addresses this latter provision of the 2001 law to clarify that the required discontinuation of the Medicaid Program's preexisting retrospective review program, which was being conducted in 2001 in lieu of prior authorization, may not be construed to prevent the AHCA's Office of Medicaid Program Integrity (MPI)³⁶ from conducting retrospective reviews under s. 409.913, F.S.

The Office of Medicaid Program Integrity

Section 409.913, F.S., is entitled, "Oversight of the integrity of the Medicaid program." This section of statute requires the AHCA to:

- Operate a program to oversee the activities of Florida Medicaid recipients, and providers and their representatives, to ensure that fraudulent and abusive behavior and neglect of recipients occur to the minimum extent possible, and to recover overpayments and impose sanctions as appropriate;
- Conduct, or cause to be conducted by contract or otherwise, reviews, investigations, analyses, audits, or any combination thereof, to determine possible fraud, abuse, overpayment, or recipient neglect in the Medicaid program and shall report the findings of any overpayments in audit reports as appropriate; and
- Conduct reviews of provider exceptions to peer group norms and, using statistical methodologies, provider profiling, and analysis of billing patterns, detect and investigate abnormal or unusual increases in billing or payment of claims for Medicaid services and medically unnecessary provision of services.

Section 409.913, F.S., further provides that a Medicaid provider is subject to having goods and services that are paid for by the Medicaid program reviewed by an appropriate peer-review organization designated by the AHCA. The written findings of the applicable peer-review organization are admissible in any court or administrative proceeding as evidence of medical necessity or the lack of medical necessity.

³⁵ Senate Committee on Health Care, *Senate Staff Analysis and Economic Impact Statement for CS/SB 792* (April 5, 2001), available at http://www.flsenate.gov/Session/Bill/2001/792/Analyses/20010792SHC_2001s0792.hc.pdf (last visited Jan. 30, 2020).

³⁶ See the Office of Medicaid Program Integrity's web page at <https://ahca.myflorida.com/MCHQ/MPI/> (last visited Jan. 30, 2020).

MPI and the Medicaid Fraud Control Unit of the Department of Legal Affairs must submit a joint report to the Legislature each January, documenting the results of their work to control Medicaid fraud and abuse and to recover Medicaid overpayments during the previous fiscal year. The report for State Fiscal Year 2018-2019 indicates that overpayments of approximately \$32.7 million were identified in that fiscal year, with approximately \$13.4 million in accounts-receivable collections and reversals. MPI also prevented approximately \$385.2 million in overpayments from occurring during the fiscal year, according to the 2018-2019 report.³⁷

The bill clarifies that the Legislature's direction to the AHCA in 2001 to discontinue the Medicaid Program's hospital retrospective review efforts, upon implementing its newly-granted authority to prior authorize Medicaid hospital inpatient admissions, may not be construed to prevent MPI from conducting retrospective reviews under s. 409.913, F.S. This provision of the bill takes effect upon becoming law.³⁸

Section 38 provides that it is the intent of the Legislature that the amendment to s. 409.905(5)(a), F.S., in Section 37 of the bill, is intended to confirm and clarify existing law. This section takes effect upon becoming a law.

Reimbursement of Medicaid Providers

Class III psychiatric facilities are excluded in statute from the diagnosis related group (DRG) payment methodology. Federal law prohibits state Medicaid programs from receiving federal matching funds for services provided by facilities described in 42 CFR 435.1010 as an institution for mental diseases³⁹ (IMDs) under the fee-for-service program and therefore, the AHCA has not established the alternative methodology currently allowed under s. 409.908, F.S. However, in Medicaid managed care programs, states have slightly more flexibility; health plans may pay for services in an IMD in lieu of more costly services. For example, Florida Medicaid cannot pay for services in a crisis stabilization unit under the fee-for-service program. However, Medicaid managed care contracts allow health plans to pay for services in a crisis stabilization unit for a plan enrollee, as crisis stabilization units provide a less costly service equivalent to inpatient psychiatric hospitalization.⁴⁰

³⁷ The Agency for Health Care Administration and the Department of Legal Affairs, *Florida's Efforts to Control Medicaid Fraud & Abuse: Fiscal Year 2018-2019* (December 30, 2019) available at <https://ahca.myflorida.com/MCHQ/MPI/docs/FraudReports/FraudReport2018-19.pdf> (last visited Jan. 30, 2020).

³⁸ In February 2019, Florida's First District Court of Appeal construed the discontinuation provision in s. 409.905(5)(a), F.S., to mean that the AHCA is "barred from conducting a retrospective review of prior authorization claims" under s. 409.913, F.S., or any other existing statutory authority. See *Lee Memorial Health System Gulf Coast Medical Center v. State of Florida, Agency for Health Care Administration*, 272 So.3d 431 (Fla. 1st DCA 2019). The AHCA reports that, under this ruling: (1) The AHCA is at risk of being required to repay overpayments that have already been recouped by MPI from hospitals, and (2) MPI is prohibited from conducting any hospital retrospective audits, except those relating to suspected fraud or abuse. Email from the Agency for Health Care Administration to the Senate Committee on Healthy Policy (January 30, 2020) (on file with the Senate Appropriations Subcommittee on Health and Human Services). See Section V.C.

³⁹ 42 CFR 435.1010 defines an "institution for mental diseases" as a hospital, nursing facility, or other institution of more than 16 beds that is primarily engaged in providing diagnosis, treatment or care of persons with mental diseases, including medical attention, nursing care and related services. Whether an institution is an institution for mental diseases is determined by its overall character as that of a facility established and maintained primarily for the care and treatment of individuals with mental diseases, whether or not it is licensed as such. An institution for Individuals with Intellectual Disabilities is not an institution for mental diseases.

⁴⁰ *Supra* note 5.

During the 2008 Session, the Legislature amended s. 409.908, F.S., to implement a two-year unit cost rate freeze, effective July 1, 2009, for nursing facilities, hospitals, county health departments, intermediate care facilities for the developmentally disabled, and prepaid health plans.⁴¹ The unit cost rate freeze was set to expire July 1, 2011. However, during the 2011 Session, the Legislature repealed the sunset date, capped unit costs at July 1, 2011 rates, and established reimbursement rates would be as provided in the General Appropriations Act. In effect, automatic annual Medicaid increase payments to nursing homes were capped at 2011 levels.⁴² In Fiscal Years 2018-2019 and 2019-2020, the Implementing Bill^{43,44} removed the unit cost rate freeze for one year.

Section 40 and 41 amend s. 409.908, F.S., to remove the nursing home unit cost rate freeze and remove class III psychiatric facilities from the DRG payment methodology, thereby eliminating the AHCA's authority to establish an alternative methodology to the DRG-based prospective payment system to set reimbursement rates for class III psychiatric hospitals.

Legal Fees in Medicaid Program Integrity Cases

Section 42 amends s. 409.913, F.S., to authorize the AHCA to recover legal fees in Medicaid Program Integrity and licensure cases. The AHCA has indicated that it spends significant funds defending Medicaid overpayment cases. The Division of Administrative Hearings (DOAH) ruled that s. 409.913(23)(a), F.S., does not authorize the AHCA to recover full legal fees on Medicaid Program Integrity legal cases.⁴⁵ The specific ruling came in the DOAH case number 18-5986F involving Covenant Hospice.⁴⁶ The case had an overpayment of \$637,973.10 and sanction of \$127,594.62. As of February 7, 2019, the AHCA was seeking to recover fees in the amount of \$330,186.14 and costs in the amount of \$14,466.52 as of February 7, 2019.⁴⁷ Currently, the AHCA only has the ability to collect the "costs" of \$14,466.52.⁴⁸

Multiphasic Health Testing Centers

Multiphasic health testing centers, regulated under part I of ch. 483, F.S., are facilities where, in addition to taking specimens from the human body for delivery to registered clinical laboratories for analysis, certain measurements such as height and weight determinations, blood pressure determinations, limited audio and visual tests, and electrocardiograms are also made. These additional services are not required to be provided by licensed personnel but can be provided by a medical assistant that is certified or registered through a national organization. These clinics would also fall under the definition of a health care clinic in part X of ch. 400, F.S., but are exempt since they are already regulated by the AHCA.

⁴¹ Chapter 2008-143, s. 5, Laws of Fla.

⁴² Chapter 2011-61, s. 4, Laws of Fla.

⁴³ Chapter 2018-10, s. 18-19

⁴⁴ Chapter 2019-116, s. 18-19

⁴⁵ *Agency for Health Care Administration v. Covenant Hospice, Inc.*, Case No.18-5986F (Fla. DOAH 2018).

⁴⁶ *Id.*

⁴⁷ *Id.*

⁴⁸ *Id.*

Section 54 repeals part I of ch. 483, F.S., relating to multiphasic health testing centers, which thereby repeals the requirements for and the licensing of multiphasic health testing centers as a provider type. Current multiphasic health testing centers would need to become licensed as health care clinics, in accordance with part X of ch. 400, F.S., unless they otherwise qualify for an exemption from health care clinic licensure.

As of January 21, 2020, there were 187 multiphasic health testing centers licensed in Florida. Of these, 69 were owned and operated by Laboratory Corporation of America and 111 were owned and operated by Quest Diagnostics, including one out-of-state center.⁴⁹ Both Laboratory Corporation of America and Quest Diagnostics also own and operate several clinical laboratories throughout the state that are regulated under the federal Clinical Laboratory Improvement Amendments (CLIA).⁵⁰ The remaining seven multiphasic health testing centers are owned by Professional Health Examiners, Inc.⁵¹ Services are provided by licensed personnel under the direction of a medical director, and the company does not bill insurance and thus would also be exempt from health care clinic licensure as would those centers owned and operated by clinical laboratories regulated under the federal CLIA.⁵²

Under current law, the AHCA assesses multiphasic health testing centers with a biennial licensure fee of \$652.64 and a biennial health care assessment fee of \$300 on multiphasic health testing centers. The AHCA collects an estimated \$89,071.84 annually (\$178,143.68 biennially) from 187 multiphasic health testing centers, roughly half of which renew each year.⁵³

Since 2011, the AHCA has imposed only six fines against multiphasic health testing centers.⁵⁴ In this timeframe, only 10 complaints were received with none substantiated while 195 deficiencies have been cited since 2011.⁵⁵

Sections 19, 25, 31, 33, and 34 amend ss. 408.033, 408.802, s. 408.820, 408.831, and 408.832, F.S., to delete references to multiphasic health testing centers or chapter 483, to conform to changes made by Section 54 of the bill, which repeals part I of ch. 483, F.S., relating to multiphasic health testing centers.

Medicaid Provider Fraud

New technology and innovative online platforms allow Medicaid patients to access doctor appointment schedules through a web portal hosted by an online service. Health care professionals may contract with such services for a fee. There is concern that this relationship may conflict with anti-kickback provisions in the Florida Medicaid law. These fee-based scheduling services can operate within other health insurance programs such as Medicare, Tricare, and commercial programs. The federal Anti-Kickback Statute⁵⁶ prohibits the knowing

⁴⁹ *Supra* note 10.

⁵⁰ *Id.*

⁵¹ *Id.*

⁵² *Id.*

⁵³ *Id.*

⁵⁴ *Id.*

⁵⁵ *Id.*

⁵⁶ 42 U.S.C. s. 1320a-7b(b).

and willful payment of "remuneration" to induce or reward patient referrals or the generation of business involving any item or service payable by the Federal health care programs. The bill seeks to ensure Florida law mirrors federal law and does not apply a stricter standard than the federal Anti-Kickback Statute.⁵⁷

Section 43 amends s. 409.920(2)(a), F.S., to align the state Medicaid anti-kickback law with the federal anti-kickback law so that Medicaid recipients can utilize innovations and technological advances to access medical appointments and care, similar to services that are currently used by Medicare, TriCare, and commercial patients.

Managed Care Plan Contracts

The AHCA is currently authorized to contract with plans for Statewide Medicaid Managed Care to provide managed medical assistance (MMA), long-term care (LTC) and dental services for a period of 5-years and to extend those contracts to cover any delays during the transition to a new plan following a re-procurement.

The AHCA re-procured these contracts during 2017 and awarded contracts in spring of 2018. Pursuant to statute, those contracts are effective from December of 2018 through December of 2023. While each procurement has presented the AHCA with the opportunity to negotiate significant program gains, included additional benefits for enrollees, enhanced processes to reduce administrative burdens for providers participating in the program, as well as significantly increased quality and performance benchmarks and savings that can be redirected to reward high performing providers, a longer contract period would provide the AHCA with more time to assess program performance as negotiated during the 2017 procurement and allow the collection of additional complete data years that could be considered when the contract is next procured. In addition, a longer contract period would provide the AHCA with additional opportunities to work with stakeholders and the Legislature on substantive program design.

Sections 44 and 45 amend ss. 409.967 and s. 409.973, F.S., to require the AHCA to establish a 6-year, rather than a 5-year, contract with each Medicaid managed care plan selected through the procurement process. It also requires the AHCA to extend the term of contracts awarded to managed care plans pursuant to the invitation to negotiate published in July 2017, through December 31, 2024, effectively extending the duration of those contracts by one year.

Health Insurance Benefits

The Florida Center for Health Information and Transparency (Florida Center), housed within the AHCA, provides a comprehensive health information system (information system) that includes the collection, compilation, coordination, analysis, indexing, dissemination, and utilization of health-related data.⁵⁸ The Florida Center identifies existing health-related data and collects data for use in the information system, including information on health care costs and financing, trends in health care prices and costs, the sources of payment for health care services, and federal, state, and local expenditures for health care.⁵⁹

⁵⁷ *Supra* note 5.

⁵⁸ Section 408.05(1), F.S.

⁵⁹ Section 408.05(2), F.S.

The Florida Center maintains www.FloridaHealthFinder.gov, which was established by law in 2016⁶⁰, to assist consumers in making informed health care decisions and lead to improvements in quality of care in Florida.

In 2019, the Legislature enacted the Patient Savings Act⁶¹ (Act), which allows (but does not mandate) health insurers and health maintenance organizations (HMOs) to create a shared savings incentive program (Shared Savings Program) to encourage insured individuals to shop for high quality, lower cost health care services and share any savings realized as a result of the insured's choice. The Act authorizes implementation of these incentive programs for plan years beginning January 1, 2020.

The Act defines a “shared savings incentive” as an optional financial incentive that may be paid to an insured for choosing certain shoppable health care services under a Shared Savings Program. When a patient obtains a shoppable health care service for less than the average price for the service, the bill requires the savings to be shared by the health insurer and the patient. A patient is entitled to a financial incentive that is no less than 25 percent of the savings that accrue to the insurer as a result of the patient's participation.

The law provides a range of methods by which a Shared Savings Program may financially reward patients who save money by shopping for health care services. Patients may receive financial incentives in the form of premium reductions, or deposits into a flexible spending account, health savings account, or health reimbursement account.⁶²

Sections 20 and 51-53 amend ss. 408.05, 627.6387, 627.6648, and 641.31076, F.S., to increase the range of services defined as “shoppable” for purposes of earning shared savings incentives under a Shared Savings Program. In addition to the specific services outlined in the Patient Savings Act, the bill extends the “shoppable” service designation to those services identified by the Florida Center as having the most significant price variation at statewide and regional levels. The bill also allows a Shared Savings Program to provide cash or a cash-equivalent reward to a program participant who earns a shared savings incentive.

Cross-references

Sections 55-60 amend ss. 20.43, 381.0034, 456.001, 456.057, 456.076, and 456.47, F.S., to conform cross-references to changes made by the bill.

Effective Date

Section 61 provides that except as otherwise expressly provided in the bill and except for this section, which will take effect upon the bill becoming a law, the bill will take effect July 1, 2020.

⁶⁰ Chapter 2016-234, Laws of Fla.; *see also* s. 408.05(3), F.S.

⁶¹ Sections 627.6387, 627.6648, and 641.31076, F.S.

⁶² Section 627.6387, F.S.

IV. Constitutional Issues:**A. Municipality/County Mandates Restrictions:**

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

Article VII, s. 19 of the State Constitution requires that a new state tax or fee, as well as an increased state tax or fee, be approved by two-thirds of the membership of each house of the Legislature and be contained in a separate bill that contains no other subject. Article VII, s. 19(d)(1) of the State Constitution defines “fee” to mean “any charge or payment required by law, including any fee for service, fee or cost for licenses, and charge for service.”

Currently, an individual could employ health care personnel for the provision of home health services without having to obtain a license. Section 6 of the bill amends s. 400.462, F.S., to require such an individual to obtain a home health agency license by paying the licensure fee required in s. 400.471(5), F.S., unless exempt from licensure pursuant to s. 400.464(5), F.S. This fee is an existing statutory fee that is not being increased. However, the bill expands the scope of licensure for home health agencies, which expands the application of the licensure fee (i.e., thereby requiring persons not subject to the fee to pay the fee).

Section 36 of the bill amends s. 409.907(8), F.S, to require a level 2 background screening to be conducted through the AHCA for certain persons who render services to Medicaid recipients, who have direct access to Medicaid recipients, recipient living areas, or the financial, medical or service records of a Medicaid recipient, or who supervises the delivery of goods or services to a Medicaid recipient. Accordingly, additional persons will be required to pay the fees for a level 2 background screening, who currently are not subject to that screening.

It is unclear if Article VII, s. 19 of the State Constitution applies to these provisions of the bill. As such, the State Constitution may require that the fees be passed in a separate bill by a two-thirds vote of the membership of each house of the Legislature.

E. Other Constitutional Issues:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

Currently, an individual could employ health care personnel for the provision of home health services without having to obtain a license. Section 8 of the bill amends s. 400.462, F.S., to require such an individual to obtain a home health agency license if they are not currently exempt from licensure as a home health agency pursuant to s. 400.464(5), F.S., and pay the licensure fee required in s. 400.471(5), F.S. The AHCA has interpreted the provision of home health services to be an activity that requires licensure as a home health agency and does not believe changes to this section will impact services that require licensure. However, it is unclear if there are unlicensed individuals that employ or may seek to employ health care personnel for the provision of home health services that would be required to obtain a license under the bill and not qualify for licensure exemption. The fee is established by the AHCA in rule at an amount sufficient to cover the AHCA's costs in carrying out its responsibilities, not to exceed \$2,000 per biennium. Under the statutory authority in current law, the AHCA is imposing a \$1,705 fee for initial licensure, change of ownership, or licensure renewal.⁶³ The number of individuals impacted by this requirement is indeterminate.

Section 39 of the bill amends s. 409.907(8), F.S. to require level 2 background screenings, in accordance with ch. 435, F.S., for individuals who have direct access to Medicaid recipients, recipient living areas, or the financial, medical or service records of a Medicaid recipient, or who supervises the delivery of goods or services to a Medicaid recipient. This does not impose additional screening requirements on any providers licensed under part II of ch. 408. According to the Florida Department of Law Enforcement (FDLE), the cost for a level 2 background screening with five years of Clearinghouse retention is \$61.25 (\$13.25 for the national criminal record check; \$24 for the state criminal record check; and \$24 paid up front for five years of state fingerprint Clearinghouse retention).⁶⁴ The number of individuals impacted by this requirement is indeterminate.⁶⁵

B. Private Sector Impact:

Under CS/SB 1726:

- The bill exempts community mental health partial-hospitalization programs, portable x-ray providers, and rural health care clinics from health care clinic licensure. Those providers will no longer be required to pay the \$2,000 biennial license renewal fee. The AHCA estimates that approximately 200 providers would qualify for the exemption.
- Low-risk Medicaid providers are exempt from health care clinic licensure. These providers are not currently required to be licensed, but licensure will be required

⁶³ *Supra* note 10.⁶⁴ Email from the Department of Law Enforcement (February 5, 2020) (on file with the Senate Appropriations Subcommittee on Health and Human Services).

⁶⁴ Email from the Department of Law Enforcement (February 5, 2020) (on file with the Senate Appropriations Subcommittee on Health and Human Services).

⁶⁵ *Supra* note 10.

effective July 1, 2020. The AHCA expects 28,291 providers to qualify for the exemption. Providers who qualify for the exemption would not have to pay the \$2,000 initial licensure fee.

- The bill repeals licensure for multiphasic health testing centers. As a result, multiphasic health testing centers will no longer be required to pay the biennial license renewal fee of \$952.64, although some of these centers will need to pay licensure fees to become licensed as a health care clinic. There are currently 187 multiphasic health testing centers licensed in Florida.
- See Section V.A. for additional fees that may impact individuals not currently required to pay licensure fees now required in s. 400.471.(5), F.S., as amended, and fees associated with a level 2 background screening required in s. 409.907(8), F.S., as amended. The number of individuals impacted by the new requirements is indeterminate.

C. Government Sector Impact:

Under CS/SB 1726:

- Exempting Medicaid providers from health care clinic licensure will result in a cost avoidance. The exemptions created in the bill eliminate the need for the 13 full-time equivalent employees requested in the AHCA's Fiscal Year 2020-2021 legislative budget request to process health care clinic licensure applications.⁶⁶
- The AHCA will be able to conduct retrospective reviews of hospital inpatient claims and recover all overpayments in the Medicaid program. The AHCA lost \$13,449,595.12 related to 42 cases that have been or will be closed at zero overpayment due to the court ruling on retrospective hospital audits. The AHCA would likely experience a significant positive fiscal impact from clarification, although the amount recovered from future retrospective reviews is indeterminate.
- The AHCA will be able to recover all legal fees in Medicaid Program Integrity legal cases in which the AHCA prevails. Although the AHCA's tracking system for Medicaid recovery amounts does not distinguish legal fees, the AHCA has incurred over \$300,000 in legal fees for a single case.⁶⁷ The AHCA would likely experience a significant positive fiscal impact from this, although the amount of legal costs arising from future litigation is indeterminate.
- The bill exempts certain providers from health care clinic licensure and repeals licensure for multiphasic health testing centers. As a result, a loss in annual revenue of \$489,071.84 and a commensurate workload reduction will occur from the repeal of multiphasic health testing center licensure (\$89,071.84), and the new exemptions from health care clinic licensure for community mental health partial-hospitalization program, portable x-ray providers, and rural health care clinics (\$400,000).⁶⁸

The AHCA will also experience a reduction in workload from removing requirements that the AHCA submit various reports to the Governor and the Legislature.

⁶⁶ *Id.*

⁶⁷ *Id.*

⁶⁸ *Id.*

VI. Technical Deficiencies:

The provisions of section 8 and 39 of the bill, amending s. 400.462 and 409.907, F.S., could result in the application of new fees or assessments.

- Section 8 amends s. 400.462, F.S., to require certain individuals to obtain a home health agency license by paying the licensure fee required in s. 400.471(5), F.S.
- Section 39 amends s. 409.907, F.S., to require level 2 background screenings, in accordance with ch. 435, F.S., for individuals who have direct access to Medicaid recipients, recipient living areas, or the financial, medical or service records of a Medicaid recipient, or who supervises the delivery of goods or services to a Medicaid recipient.

See Section IV.D. and Section V.A. A separate fee bill should be considered to address the applicable fees and assessments.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 20.43, 381.0034, 383.327, 395.003, 395.1055, 395.602, 395.7015, 395.7016, 400.19, 400.462, 400.464, 400.471, 400.492, 400.506, 400.509, 400.605, 400.60501, 400.9905, 400.991, 400.9935, 408.033, 408.05, 408.061, 408.0611, 408.062, 408.063, 408.802, 408.803, 408.806, 408.808, 408.809, 408.811, 408.820, 408.821, 408.831, 408.832, 408.909, 408.9091, 409.905, 409.907, 409.908, 409.913, 409.920, 409.967, 409.973, 429.11, 429.19, 429.35, 429.905, 429.929, 456.001, 456.057, 456.076, 456.47, 627.6387, 627.6648, and 641.31076.

This bill repeals the following sections of the Florida Statutes: 395.7015 and part I of chapter 483 and 19 of chapter 2019-116, Laws of Florida, relating to the abrogation of the scheduled expiration of an amendment to 408.908.

IX. Additional Information:

- A. **Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS/CS by Appropriations on March 3, 2020:

The committee substitute:

- Reinstates the AHCA's authority to require hospital adult cardiac programs to participate in national reporting and quality registries.
- Extends the current rural hospital designation to 2025 (set to expire June 30, 2021).
- Modifies surveys for nursing home with a Class I or two Class II deficiencies in 60 days, to clarify that the AHCA will continue to conduct licensure surveys every six months until a facility has two consecutive licensure surveys without a citation for a Class I or Class II deficiency. Reinstates current law and maintains the \$6,000 fine for the additional surveys.

- Replaces the term “organization” for home health agencies to align with the AHCA uniform licensing requirements.
- Clarifies the current level 1 background screening requirements for non-emergency transportation providers and brokers remain in place.
- Amends directory language to provide the statutory clarification of retrospective hospital reviews is effective upon becoming a law.
- Removes class III psychiatric facilities from (DRG) payment methodology.
- Removes the nursing home unit cost rate freeze.
- Aligns the state Medicaid anti-kickback law with the federal anti-kickback law.
- Extends the Medicaid statewide dental contracts from five years to six years.
- Requires the Florida Center to publish an annual report identifying health care services with the most significant price variation at statewide and regional levels.
- Expands the list of shoppable health care services that qualify for a shared savings incentive for patients to include services with the most significant price variation. Allows cash and cash equivalent incentives in shared savings incentives.

CS by Health Policy on January 28, 2020:

The CS:

- Changes a reference from chapter 624 to chapter 627 to revise and make permanent an exemption from health care clinic licensure for entities owned by an insurance holding company with over \$1 billion in annual sales.
- Clarifies that the Legislature’s 2001 direction to the AHCA under s. 409.905(5)(a), F.S., to discontinue the Medicaid Program’s hospital retrospective review program upon implementing its new authority (also granted in 2001) to prior authorize Medicaid hospital inpatient admissions, may not be construed to prevent MPI from conducting retrospective reviews under s. 409.913, F.S. This provision of the bill takes effect upon becoming law.
- Provides that it is the intent of the Legislature that the bill’s amendment to s. 409.905(5)(a), F.S., is intended to confirm and clarify existing law
- Requires the AHCA to establish a six-year, rather than a five-year, contract with each managed care plan selected through the procurement process. Requires the AHCA to extend the term of contracts awarded to managed care plans pursuant to the invitation to negotiate published in July 2017, through December 31, 2024.
- Changes the effective date of the bill to allow for certain sections to take effect upon becoming a law as expressly provided. Unless expressly provided, the bill takes effect on July 1, 2020.

B. Amendments:

None.

By the Committee on Health Policy; and Senator Bean

588-02756-20

20201726c1

1 A bill to be entitled
 2 An act relating to the Agency for Health Care
 3 Administration; amending s. 383.327, F.S.; requiring
 4 birth centers to report certain deaths and stillbirths
 5 to the agency; removing a requirement that a certain
 6 report be submitted annually to the agency;
 7 authorizing the agency to prescribe by rule the
 8 frequency at which such report is submitted; amending
 9 s. 395.003, F.S.; removing a requirement that
 10 specified information be listed on licenses for
 11 certain facilities; repealing s. 395.7015, F.S.,
 12 relating to an annual assessment on health care
 13 entities; amending s. 395.7016, F.S.; conforming a
 14 provision to changes made by the act; amending s.
 15 400.19, F.S.; revising provisions requiring the agency
 16 to conduct licensure inspections of nursing homes;
 17 requiring the agency to conduct additional licensure
 18 surveys under certain circumstances; requiring the
 19 agency to assess a specified fine for such surveys;
 20 amending s. 400.462, F.S.; revising definitions;
 21 amending s. 400.464, F.S.; revising licensure
 22 requirements for home health agencies; amending s.
 23 400.471, F.S.; revising provisions related to certain
 24 application requirements for home health agencies;
 25 amending s. 400.492, F.S.; revising provisions related
 26 to services provided by home health agencies during an
 27 emergency; amending s. 400.506, F.S.; revising
 28 provisions related to licensure requirements for nurse
 29 registries; amending s. 400.509, F.S.; revising

588-02756-20

20201726c1

59 by the act; defining the term "low-risk provider";
 60 amending ss. 408.802, 408.820, 408.831, and 408.832,
 61 F.S.; conforming provisions to changes made by the
 62 act; amending s. 408.806, F.S.; exempting certain
 63 providers from a specified inspection; amending s.
 64 408.808, F.S.; authorizing the issuance of a
 65 provisional license to certain applicants; amending
 66 ss. 408.809 and 409.907, F.S.; revising background
 67 screening requirements for certain licensees and
 68 providers; amending s. 408.811, F.S.; authorizing the
 69 agency to grant certain providers an exemption from a
 70 specified inspection under certain circumstances;
 71 authorizing the agency to adopt rules to grant waivers
 72 of certain inspections and extended inspection periods
 73 under certain circumstances; amending s. 408.821,
 74 F.S.; revising provisions requiring licensees to have
 75 a specified plan; providing requirements for the
 76 submission of such plan; amending s. 408.909, F.S.;
 77 removing a requirement that the agency and Office of
 78 Insurance Regulation evaluate a specified program;
 79 amending s. 408.9091, F.S.; requiring the agency and
 80 office to each, instead of jointly, submit a specified
 81 annual report to the Governor and Legislature;
 82 amending s. 409.905, F.S.; providing construction for
 83 a provision that requires the agency to discontinue
 84 its hospital retrospective review program under
 85 certain circumstances; providing legislative intent;
 86 amending s. 409.913, F.S.; revising the due date for a
 87 certain annual report; deleting the requirement that

Page 3 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

88 certain agencies submit their annual reports jointly;
 89 amending s. 409.967, F.S.; revising the length of
 90 managed care plan contracts procured by the agency
 91 beginning during a specified timeframe; requiring the
 92 agency to extend the term of certain existing managed
 93 care plan contracts until a specified date; amending
 94 s. 429.11, F.S.; removing an authorization for the
 95 issuance of a provisional license to certain
 96 facilities; amending s. 429.19, F.S.; removing
 97 requirements that the agency develop and disseminate a
 98 specified list and the Department of Children and
 99 Families disseminate such list to certain providers;
 100 amending ss. 429.35, 429.905, and 429.929, F.S.;
 101 revising provisions requiring a biennial inspection
 102 cycle for specified facilities and centers,
 103 respectively; repealing part I of ch. 483, F.S.,
 104 relating to the Florida Multiphasic Health Testing
 105 Center Law; redesignating parts II and III of ch. 483,
 106 F.S., as parts I and II, respectively; amending ss.
 107 20.43, 381.0034, 456.001, 456.057, 456.076, and
 108 456.47, F.S.; conforming cross-references; providing
 109 effective dates.

110
111 Be It Enacted by the Legislature of the State of Florida:

112
113 Section 1. Subsections (2) and (4) of section 383.327,
 114 Florida Statutes, are amended to read:
 115 383.327 Birth and death records; reports.—
 116 (2) Each maternal death, newborn death, and stillbirth

Page 4 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

117 shall be reported immediately to the medical examiner and the
118 agency.

119 (4) A report shall be submitted ~~annually~~ to the agency. The
120 contents of the report and the frequency with which it is
121 submitted shall be prescribed by rule of the agency.

122 Section 2. Subsection (4) of section 395.003, Florida
123 Statutes, is amended to read:

124 395.003 Licensure; denial, suspension, and revocation.—

125 (4) The agency shall issue a license that ~~which~~ specifies
126 the service categories and the number of hospital beds in each
127 bed category for which a license is received. Such information
128 shall be listed on the face of the license. ~~All beds which are~~
129 ~~not covered by any specialty bed need methodology shall be~~
130 ~~specified as general beds.~~ A licensed facility shall not operate
131 a number of hospital beds greater than the number indicated by
132 the agency on the face of the license without approval from the
133 agency under conditions established by rule.

134 Section 3. Section 395.7015, Florida Statutes, is repealed.

135 Section 4. Section 395.7016, Florida Statutes, is amended
136 to read:

137 395.7016 Annual appropriation.—The Legislature shall
138 appropriate each fiscal year from either the General Revenue
139 Fund or the Agency for Health Care Administration Tobacco
140 Settlement Trust Fund an amount sufficient to replace the funds
141 lost due to ~~reduction by chapter 2000-256, Laws of Florida, of~~
142 ~~the assessment on other health care entities under s. 395.7015,~~
143 ~~and~~ the reduction by chapter 2000-256, Laws of Florida, in the
144 assessment on hospitals under s. 395.7017 and to maintain
145 federal approval of the reduced amount of funds deposited into

588-02756-20

20201726c1

146 the Public Medical Assistance Trust Fund under s. 395.7017, as
147 state match for the state's Medicaid program.

148 Section 5. Subsection (3) of section 400.19, Florida
149 Statutes, is amended to read:

150 400.19 Right of entry and inspection.—

151 (3) The agency shall conduct periodic, every 15 months
152 ~~conduct at least one~~ unannounced licensure inspections
153 ~~inspection~~ to determine compliance by the licensee with
154 statutes, and with rules adopted promulgated under the
155 ~~provisions of~~ those statutes, governing minimum standards of
156 construction, quality and adequacy of care, and rights of
157 residents. ~~The survey shall be conducted every 6 months for the~~
158 ~~next 2 year period~~ If the facility has been cited for a class I
159 deficiency ~~or~~ has been cited for two or more class II
160 deficiencies ~~arising from separate surveys or investigations~~
161 within a 60-day period, the agency shall conduct an additional
162 licensure survey ~~or has had three or more substantiated~~
163 ~~complaints within a 6-month period, each resulting in at least~~
164 ~~one class I or class II deficiency.~~ In addition to any other
165 fees or fines in this part, the agency shall assess a fine for
166 each facility that is subject to the additional licensure survey
167 ~~6-month survey cycle.~~ The fine for the additional licensure
168 survey is \$3,000 ~~2-year period shall be \$6,000, one-half to be~~
169 ~~paid at the completion of each survey.~~ The agency may adjust
170 ~~such this~~ fine by the change in the Consumer Price Index, based
171 on the 12 months immediately preceding the increase, to cover
172 the cost of the additional surveys. The agency shall verify
173 through subsequent inspection that any deficiency identified
174 during inspection is corrected. However, the agency may verify

588-02756-20

20201726c1

175 the correction of a class III or class IV deficiency unrelated
 176 to resident rights or resident care without reinspecting the
 177 facility if adequate written documentation has been received
 178 from the facility, which provides assurance that the deficiency
 179 has been corrected. The giving or causing to be given of advance
 180 notice of such unannounced inspections by an employee of the
 181 agency to any unauthorized person shall constitute cause for
 182 suspension of not fewer than 5 working days according to ~~the~~
 183 ~~provisions of~~ chapter 110.

184 Section 6. Subsections (12), (14), (17), (21), and (22) of
 185 section 400.462, Florida Statutes, are amended to read:

186 400.462 Definitions.—As used in this part, the term:

187 (12) "Home health agency" means a person or an entity ~~an~~
 188 ~~organization~~ that provides one or more home health services and
 189 ~~staffing services~~.

190 (14) "Home health services" means health and medical
 191 services and medical supplies furnished ~~by an organization~~ to an
 192 individual in the individual's home or place of residence. The
 193 term includes ~~organizations that provide one or more of the~~
 194 following:

195 (a) Nursing care.

196 (b) Physical, occupational, respiratory, or speech therapy.

197 (c) Home health aide services.

198 (d) Dietetics and nutrition practice and nutrition
 199 counseling.

200 (e) Medical supplies, restricted to drugs and biologicals
 201 prescribed by a physician.

202 (17) "Home infusion therapy provider" means a person or an
 203 entity ~~an organization~~ that employs, contracts with, or refers a

588-02756-20

20201726c1

204 licensed professional who has received advanced training and
 205 experience in intravenous infusion therapy and who administers
 206 infusion therapy to a patient in the patient's home or place of
 207 residence.

208 (21) "Nurse registry" means any person or entity that
 209 procures, offers, promises, or attempts to secure health-care-
 210 related contracts for registered nurses, licensed practical
 211 nurses, certified nursing assistants, home health aides,
 212 companions, or homemakers, who are compensated by fees as
 213 independent contractors, including, but not limited to,
 214 contracts for the provision of services to patients and
 215 contracts to provide private duty or staffing services to health
 216 care facilities licensed under chapter 395, this chapter, or
 217 chapter 429 or other business entities.

218 ~~(22) "Organization" means a corporation, government or~~
 219 ~~governmental subdivision or agency, partnership or association,~~
 220 ~~or any other legal or commercial entity, any of which involve~~
 221 ~~more than one health care professional discipline; a health care~~
 222 ~~professional and a home health aide or certified nursing~~
 223 ~~assistant; more than one home health aide; more than one~~
 224 ~~certified nursing assistant; or a home health aide and a~~
 225 ~~certified nursing assistant. The term does not include an entity~~
 226 ~~that provides services using only volunteers or only individuals~~
 227 ~~related by blood or marriage to the patient or client.~~

228 Section 7. Subsections (1), (4), and (5) of section
 229 400.464, Florida Statutes, are amended to read:

230 400.464 Home health agencies to be licensed; expiration of
 231 license; exemptions; unlawful acts; penalties.—

232 (1) The requirements of part II of chapter 408 apply to the

588-02756-20 20201726c1

233 provision of services that require licensure pursuant to this
 234 part and part II of chapter 408 and entities licensed or
 235 registered by or applying for such licensure or registration
 236 from the Agency for Health Care Administration pursuant to this
 237 part. A license issued by the agency is required in order to
 238 operate a home health agency in this state. A license issued on
 239 or after July 1, 2018, must specify the home health services the
 240 ~~licensee organization~~ is authorized to perform and indicate
 241 whether such specified services are considered skilled care. The
 242 provision or advertising of services that require licensure
 243 pursuant to this part without such services being specified on
 244 the face of the license issued on or after July 1, 2018,
 245 constitutes unlicensed activity as prohibited under s. 408.812.

246 (4) (a) A licensee ~~An organization~~ that offers or advertises
 247 to the public any service for which licensure or registration is
 248 required under this part must include in the advertisement the
 249 license number or registration number issued to the licensee
 250 ~~organization~~ by the agency. The agency shall assess a fine of
 251 not less than \$100 to any licensee or registrant who fails to
 252 include the license or registration number when submitting the
 253 advertisement for publication, broadcast, or printing. The fine
 254 for a second or subsequent offense is \$500. The holder of a
 255 license issued under this part may not advertise or indicate to
 256 the public that it holds a home health agency or nurse registry
 257 license other than the one it has been issued.

258 (b) The operation or maintenance of an unlicensed home
 259 health agency or the performance of any home health services in
 260 violation of this part is declared a nuisance, inimical to the
 261 public health, welfare, and safety. The agency or any state

588-02756-20 20201726c1

262 attorney may, in addition to other remedies provided in this
 263 part, bring an action for an injunction to restrain such
 264 violation, or to enjoin the future operation or maintenance of
 265 the home health agency or the provision of home health services
 266 in violation of this part or part II of chapter 408, until
 267 compliance with this part or the rules adopted under this part
 268 has been demonstrated to the satisfaction of the agency.

269 (c) A person or entity that ~~who~~ violates paragraph (a) is
 270 subject to an injunctive proceeding under s. 408.816. A
 271 violation of paragraph (a) or s. 408.812 is a deceptive and
 272 unfair trade practice and constitutes a violation of the Florida
 273 Deceptive and Unfair Trade Practices Act under part II of
 274 chapter 501.

275 (d) A person or entity that ~~who~~ violates ~~the provisions of~~
 276 paragraph (a) commits a misdemeanor of the second degree,
 277 punishable as provided in s. 775.082 or s. 775.083. Any person
 278 or entity that ~~who~~ commits a second or subsequent violation
 279 commits a misdemeanor of the first degree, punishable as
 280 provided in s. 775.082 or s. 775.083. Each day of continuing
 281 violation constitutes a separate offense.

282 (e) Any person or entity that ~~who~~ owns, operates, or
 283 maintains an unlicensed home health agency and who, after
 284 receiving notification from the agency, fails to cease operation
 285 and apply for a license under this part commits a misdemeanor of
 286 the second degree, punishable as provided in s. 775.082 or s.
 287 775.083. Each day of continued operation is a separate offense.

288 (f) Any home health agency that fails to cease operation
 289 after agency notification may be fined in accordance with s.
 290 408.812.

588-02756-20

20201726c1

291 (5) The following are exempt from ~~the licensure~~ as a home
 292 health agency under requirements of this part:
 293 (a) A home health agency operated by the Federal
 294 Government.
 295 (b) Home health services provided by a state agency, either
 296 directly or through a contractor with:
 297 1. The Department of Elderly Affairs.
 298 2. The Department of Health, a community health center, or
 299 a rural health network that furnishes home visits for the
 300 purpose of providing environmental assessments, case management,
 301 health education, personal care services, family planning, or
 302 followup treatment, or for the purpose of monitoring and
 303 tracking disease.
 304 3. Services provided to persons with developmental
 305 disabilities, as defined in s. 393.063.
 306 4. Companion and sitter organizations that were registered
 307 under s. 400.509(1) on January 1, 1999, and were authorized to
 308 provide personal services under a developmental services
 309 provider certificate on January 1, 1999, may continue to provide
 310 such services to past, present, and future clients of the
 311 organization who need such services, notwithstanding the
 312 provisions of this act.
 313 5. The Department of Children and Families.
 314 (c) A health care professional, whether or not
 315 incorporated, who is licensed under chapter 457; chapter 458;
 316 chapter 459; part I of chapter 464; chapter 467; part I, part
 317 III, part V, or part X of chapter 468; chapter 480; chapter 486;
 318 chapter 490; or chapter 491; and who is acting alone within the
 319 scope of his or her professional license to provide care to

Page 11 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

320 patients in their homes.
 321 (d) A home health aide or certified nursing assistant who
 322 is acting in his or her individual capacity, within the
 323 definitions and standards of his or her occupation, and who
 324 provides hands-on care to patients in their homes.
 325 (e) An individual who acts alone, in his or her individual
 326 capacity, and who is not employed by or affiliated with a
 327 licensed home health agency or registered with a licensed nurse
 328 registry. This exemption does not entitle an individual to
 329 perform home health services without the required professional
 330 license.
 331 (f) The delivery of instructional services in home dialysis
 332 and home dialysis supplies and equipment.
 333 (g) The delivery of nursing home services for which the
 334 nursing home is licensed under part II of this chapter, to serve
 335 its residents in its facility.
 336 (h) The delivery of assisted living facility services for
 337 which the assisted living facility is licensed under part I of
 338 chapter 429, to serve its residents in its facility.
 339 (i) The delivery of hospice services for which the hospice
 340 is licensed under part IV of this chapter, to serve hospice
 341 patients admitted to its service.
 342 (j) A hospital that provides services for which it is
 343 licensed under chapter 395.
 344 (k) The delivery of community residential services for
 345 which the community residential home is licensed under chapter
 346 419, to serve the residents in its facility.
 347 (l) A not-for-profit, community-based agency that provides
 348 early intervention services to infants and toddlers.

Page 12 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

349 (m) Certified rehabilitation agencies and comprehensive
350 outpatient rehabilitation facilities that are certified under
351 Title 18 of the Social Security Act.

352 (n) The delivery of adult family-care home services for
353 which the adult family-care home is licensed under part II of
354 chapter 429, to serve the residents in its facility.

355 (o) A person or entity that provides skilled care by health
356 care professionals licensed solely under part I of chapter 464;
357 part I, part III, or part V of chapter 468; or chapter 486.

358 (p) A person or entity that provides services using only
359 volunteers or only individuals related by blood or marriage to
360 the patient or client.

361 Section 8. Paragraph (g) of subsection (2) of section
362 400.471, Florida Statutes, is amended to read:

363 400.471 Application for license; fee.—

364 (2) In addition to the requirements of part II of chapter
365 408, the initial applicant, the applicant for a change of
366 ownership, and the applicant for the addition of skilled care
367 services must file with the application satisfactory proof that
368 the home health agency is in compliance with this part and
369 applicable rules, including:

370 (g) In the case of an application for initial licensure, an
371 application for a change of ownership, or an application for the
372 addition of skilled care services, documentation of
373 accreditation, or an application for accreditation, from an
374 accrediting organization that is recognized by the agency as
375 having standards comparable to those required by this part and
376 part II of chapter 408. A home health agency that does not
377 provide skilled care is exempt from this paragraph.

Page 13 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

378 Notwithstanding s. 408.806, ~~the an initial~~ applicant must
379 provide proof of accreditation that is not conditional or
380 provisional and a survey demonstrating compliance with the
381 requirements of this part, part II of chapter 408, and
382 applicable rules from an accrediting organization that is
383 recognized by the agency as having standards comparable to those
384 required by this part and part II of chapter 408 within 120 days
385 after the date of the agency's receipt of the application for
386 licensure. Such accreditation must be continuously maintained by
387 the home health agency to maintain licensure. The agency shall
388 accept, in lieu of its own periodic licensure survey, the
389 submission of the survey of an accrediting organization that is
390 recognized by the agency if the accreditation of the licensed
391 home health agency is not provisional and if the licensed home
392 health agency authorizes release of, and the agency receives the
393 report of, the accrediting organization.

394 Section 9. Section 400.492, Florida Statutes, is amended to
395 read:

396 400.492 Provision of services during an emergency.—Each
397 home health agency shall prepare and maintain a comprehensive
398 emergency management plan that is consistent with the standards
399 adopted by national or state accreditation organizations and
400 consistent with the local special needs plan. The plan shall be
401 updated annually and shall provide for continuing home health
402 services during an emergency that interrupts patient care or
403 services in the patient's home. The plan shall include the means
404 by which the home health agency will continue to provide staff
405 to perform the same type and quantity of services to their
406 patients who evacuate to special needs shelters that were being

Page 14 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

407 provided to those patients prior to evacuation. The plan shall
 408 describe how the home health agency establishes and maintains an
 409 effective response to emergencies and disasters, including:
 410 notifying staff when emergency response measures are initiated;
 411 providing for communication between staff members, county health
 412 departments, and local emergency management agencies, including
 413 a backup system; identifying resources necessary to continue
 414 essential care or services or referrals to other health care
 415 providers ~~organizations~~ subject to written agreement; and
 416 prioritizing and contacting patients who need continued care or
 417 services.

418 (1) Each patient record for patients who are listed in the
 419 registry established pursuant to s. 252.355 shall include a
 420 description of how care or services will be continued in the
 421 event of an emergency or disaster. The home health agency shall
 422 discuss the emergency provisions with the patient and the
 423 patient's caregivers, including where and how the patient is to
 424 evacuate, procedures for notifying the home health agency in the
 425 event that the patient evacuates to a location other than the
 426 shelter identified in the patient record, and a list of
 427 medications and equipment which must either accompany the
 428 patient or will be needed by the patient in the event of an
 429 evacuation.

430 (2) Each home health agency shall maintain a current
 431 prioritized list of patients who need continued services during
 432 an emergency. The list shall indicate how services shall be
 433 continued in the event of an emergency or disaster for each
 434 patient and if the patient is to be transported to a special
 435 needs shelter, and shall indicate if the patient is receiving

Page 15 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

436 skilled nursing services and the patient's medication and
 437 equipment needs. The list shall be furnished to county health
 438 departments and to local emergency management agencies, upon
 439 request.

440 (3) Home health agencies shall not be required to continue
 441 to provide care to patients in emergency situations that are
 442 beyond their control and that make it impossible to provide
 443 services, such as when roads are impassable or when patients do
 444 not go to the location specified in their patient records. Home
 445 health agencies may establish links to local emergency
 446 operations centers to determine a mechanism by which to approach
 447 specific areas within a disaster area in order for the agency to
 448 reach its clients. Home health agencies shall demonstrate a good
 449 faith effort to comply with the requirements of this subsection
 450 by documenting attempts of staff to follow procedures outlined
 451 in the home health agency's comprehensive emergency management
 452 plan, and by the patient's record, which support a finding that
 453 the provision of continuing care has been attempted for those
 454 patients who have been identified as needing care by the home
 455 health agency and registered under s. 252.355, in the event of
 456 an emergency or disaster under subsection (1).

457 (4) Notwithstanding the provisions of s. 400.464(2) or any
 458 other provision of law to the contrary, a home health agency may
 459 provide services in a special needs shelter located in any
 460 county.

461 Section 10. Subsection (4) and paragraph (a) of subsection
 462 (5) of section 400.506, Florida Statutes, are amended to read:
 463 400.506 Licensure of nurse registries; requirements;
 464 penalties.-

Page 16 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

465 (4) A licensee who ~~person that~~ provides, offers, or
 466 advertises to the public any service for which licensure is
 467 required under this section must include in such advertisement
 468 the license number issued to the licensee ~~it~~ by the Agency for
 469 Health Care Administration. The agency shall assess a fine of
 470 not less than \$100 against any licensee who fails to include the
 471 license number when submitting the advertisement for
 472 publication, broadcast, or printing. The fine for a second or
 473 subsequent offense is \$500.

474 (5) (a) In addition to the requirements of s. 408.812, any
 475 person or entity that ~~who~~ owns, operates, or maintains an
 476 unlicensed nurse registry and who, after receiving notification
 477 from the agency, fails to cease operation and apply for a
 478 license under this part commits a misdemeanor of the second
 479 degree, punishable as provided in s. 775.082 or s. 775.083. Each
 480 day of continued operation is a separate offense.

481 Section 11. Subsections (1), (2), (4), and (5) of section
 482 400.509, Florida Statutes, are amended to read:

483 400.509 Registration of particular service providers exempt
 484 from licensure; certificate of registration; regulation of
 485 registrants.—

486 (1) Any person or entity ~~organization~~ that provides
 487 companion services or homemaker services and does not provide a
 488 home health service to a person is exempt from licensure under
 489 this part. However, any person or entity ~~organization~~ that
 490 provides companion services or homemaker services must register
 491 with the agency. A person or an entity ~~An organization~~ under
 492 contract with the Agency for Persons with Disabilities which
 493 provides companion services only for persons with a

588-02756-20

20201726c1

494 developmental disability, as defined in s. 393.063, is exempt
 495 from registration.

496 (2) The requirements of part II of chapter 408 apply to the
 497 provision of services that require registration or licensure
 498 pursuant to this section and part II of chapter 408 and entities
 499 registered by or applying for such registration from the Agency
 500 for Health Care Administration pursuant to this section. Each
 501 applicant for registration and each registrant must comply with
 502 all provisions of part II of chapter 408. Registration or a
 503 license issued by the agency is required for a person or an
 504 entity to provide ~~the operation of an organization that provides~~
 505 companion services or homemaker services.

506 (4) Each registrant must obtain the employment or contract
 507 history of persons who are employed by or under contract with
 508 the person or entity ~~organization~~ and who will have contact at
 509 any time with patients or clients in their homes by:

510 (a) Requiring such persons to submit an employment or
 511 contractual history to the registrant; and

512 (b) Verifying the employment or contractual history, unless
 513 through diligent efforts such verification is not possible. The
 514 agency shall prescribe by rule the minimum requirements for
 515 establishing that diligent efforts have been made.

516
 517 There is no monetary liability on the part of, and no cause of
 518 action for damages arises against, a former employer of a
 519 prospective employee of or prospective independent contractor
 520 with a registrant who reasonably and in good faith communicates
 521 his or her honest opinions about the former employee's or
 522 contractor's job performance. This subsection does not affect

588-02756-20 20201726c1

523 the official immunity of an officer or employee of a public
524 corporation.

525 (5) A person or an entity that offers or advertises to the
526 public a service for which registration is required must include
527 in its advertisement the registration number issued by the
528 Agency for Health Care Administration.

529 Section 12. Subsection (3) of section 400.605, Florida
530 Statutes, is amended to read:

531 400.605 Administration; forms; fees; rules; inspections;
532 fines.-

533 (3) In accordance with s. 408.811, the agency shall conduct
534 ~~annual inspections of all licensees, except that licensure~~
535 ~~inspections may be conducted biennially for hospices having a 3-~~
536 ~~year record of substantial compliance. The agency shall conduct~~
537 such inspections and investigations as are necessary in order to
538 determine the state of compliance with ~~the provisions of this~~
539 part, part II of chapter 408, and applicable rules.

540 Section 13. Section 400.60501, Florida Statutes, is amended
541 to read:

542 400.60501 Outcome measures; adoption of federal quality
543 measures; public reporting; ~~annual report.-~~

544 (1) ~~No later than December 31, 2019,~~ The agency shall adopt
545 the national hospice outcome measures and survey data in 42
546 C.F.R. part 418 to determine the quality and effectiveness of
547 hospice care for hospices licensed in the state.

548 (2) The agency shall+

549 ~~(a)~~ make available to the public the national hospice
550 outcome measures and survey data in a format that is
551 comprehensible by a layperson and that allows a consumer to

588-02756-20 20201726c1

552 compare such measures of one or more hospices.

553 ~~(b) Develop an annual report that analyzes and evaluates~~
554 ~~the information collected under this act and any other data~~
555 ~~collection or reporting provisions of law.~~

556 Section 14. Subsection (4) of section 400.9905, Florida
557 Statutes, is amended to read:

558 400.9905 Definitions.-

559 (4) "Clinic" means an entity where health care services are
560 provided to individuals and which tenders charges for
561 reimbursement for such services, including a mobile clinic and a
562 portable equipment provider. As used in this part, the term does
563 not include and the licensure requirements of this part do not
564 apply to:

565 (a) Entities licensed or registered by the state under
566 chapter 395; entities licensed or registered by the state and
567 providing only health care services within the scope of services
568 authorized under their respective licenses under ss. 383.30-
569 383.332, chapter 390, chapter 394, chapter 397, this chapter
570 except part X, chapter 429, chapter 463, chapter 465, chapter
571 466, chapter 478, chapter 484, or chapter 651; end-stage renal
572 disease providers authorized under 42 C.F.R. part 405, subpart
573 U; providers certified and providing only health care services
574 within the scope of services authorized under their respective
575 certifications under 42 C.F.R. part 485, subpart B, ~~or~~ subpart
576 H, or subpart J; providers certified and providing only health
577 care services within the scope of services authorized under
578 their respective certifications under 42 C.F.R. part 486,
579 subpart C; providers certified and providing only health care
580 services within the scope of services authorized under their

588-02756-20

20201726c1

581 respective certifications under 42 C.F.R. part 491, subpart A;
 582 providers certified by the Centers for Medicare and Medicaid
 583 services under the federal Clinical Laboratory Improvement
 584 Amendments and the federal rules adopted thereunder; or any
 585 entity that provides neonatal or pediatric hospital-based health
 586 care services or other health care services by licensed
 587 practitioners solely within a hospital licensed under chapter
 588 395.

589 (b) Entities that own, directly or indirectly, entities
 590 licensed or registered by the state pursuant to chapter 395;
 591 entities that own, directly or indirectly, entities licensed or
 592 registered by the state and providing only health care services
 593 within the scope of services authorized pursuant to their
 594 respective licenses under ss. 383.30-383.332, chapter 390,
 595 chapter 394, chapter 397, this chapter except part X, chapter
 596 429, chapter 463, chapter 465, chapter 466, chapter 478, chapter
 597 484, or chapter 651; end-stage renal disease providers
 598 authorized under 42 C.F.R. part 405, subpart U; providers
 599 certified and providing only health care services within the
 600 scope of services authorized under their respective
 601 certifications under 42 C.F.R. part 485, subpart B, ~~or~~ subpart
 602 H, or subpart J; providers certified and providing only health
 603 care services within the scope of services authorized under
 604 their respective certifications under 42 C.F.R. part 486,
 605 subpart C; providers certified and providing only health care
 606 services within the scope of services authorized under their
 607 respective certifications under 42 C.F.R. part 491, subpart A;
 608 providers certified by the Centers for Medicare and Medicaid
 609 services under the federal Clinical Laboratory Improvement

Page 21 of 81

588-02756-20

20201726c1

610 Amendments and the federal rules adopted thereunder; or any
 611 entity that provides neonatal or pediatric hospital-based health
 612 care services by licensed practitioners solely within a hospital
 613 licensed under chapter 395.

614 (c) Entities that are owned, directly or indirectly, by an
 615 entity licensed or registered by the state pursuant to chapter
 616 395; entities that are owned, directly or indirectly, by an
 617 entity licensed or registered by the state and providing only
 618 health care services within the scope of services authorized
 619 pursuant to their respective licenses under ss. 383.30-383.332,
 620 chapter 390, chapter 394, chapter 397, this chapter except part
 621 X, chapter 429, chapter 463, chapter 465, chapter 466, chapter
 622 478, chapter 484, or chapter 651; end-stage renal disease
 623 providers authorized under 42 C.F.R. part 405, subpart U;
 624 providers certified and providing only health care services
 625 within the scope of services authorized under their respective
 626 certifications under 42 C.F.R. part 485, subpart B, ~~or~~ subpart
 627 H, or subpart J; providers certified and providing only health
 628 care services within the scope of services authorized under
 629 their respective certifications under 42 C.F.R. part 486,
 630 subpart C; providers certified and providing only health care
 631 services within the scope of services authorized under their
 632 respective certifications under 42 C.F.R. part 491, subpart A;
 633 providers certified by the Centers for Medicare and Medicaid
 634 services under the federal Clinical Laboratory Improvement
 635 Amendments and the federal rules adopted thereunder; or any
 636 entity that provides neonatal or pediatric hospital-based health
 637 care services by licensed practitioners solely within a hospital
 638 under chapter 395.

20201726c1

639 (d) Entities that are under common ownership, directly or
 640 indirectly, with an entity licensed or registered by the state
 641 pursuant to chapter 395; entities that are under common
 642 ownership, directly or indirectly, with an entity licensed or
 643 registered by the state and providing only health care services
 644 within the scope of services authorized pursuant to their
 645 respective licenses under ss. 383.30-383.332, chapter 390,
 646 chapter 394, chapter 397, this chapter except part X, chapter
 647 429, chapter 463, chapter 465, chapter 466, chapter 478, chapter
 648 484, or chapter 651; end-stage renal disease providers
 649 authorized under 42 C.F.R. part 405, subpart U; providers
 650 certified and providing only health care services within the
 651 scope of services authorized under their respective
 652 certifications under 42 C.F.R. part 485, subpart B, ~~or~~ subpart
 653 H, or subpart J; providers certified and providing only health
 654 care services within the scope of services authorized under
 655 their respective certifications under 42 C.F.R. part 486,
 656 subpart C; providers certified and providing only health care
 657 services within the scope of services authorized under their
 658 respective certifications under 42 C.F.R. part 491, subpart A;
 659 providers certified by the Centers for Medicare and Medicaid
 660 services under the federal Clinical Laboratory Improvement
 661 Amendments and the federal rules adopted thereunder; or any
 662 entity that provides neonatal or pediatric hospital-based health
 663 care services by licensed practitioners solely within a hospital
 664 licensed under chapter 395.

665 (e) An entity that is exempt from federal taxation under 26
 666 U.S.C. s. 501(c) (3) or (4), an employee stock ownership plan
 667 under 26 U.S.C. s. 409 that has a board of trustees at least

Page 23 of 81

588-02756-20

20201726c1

668 two-thirds of which are Florida-licensed health care
 669 practitioners and provides only physical therapy services under
 670 physician orders, any community college or university clinic,
 671 and any entity owned or operated by the federal or state
 672 government, including agencies, subdivisions, or municipalities
 673 thereof.

674 (f) A sole proprietorship, group practice, partnership, or
 675 corporation that provides health care services by physicians
 676 covered by s. 627.419, that is directly supervised by one or
 677 more of such physicians, and that is wholly owned by one or more
 678 of those physicians or by a physician and the spouse, parent,
 679 child, or sibling of that physician.

680 (g) A sole proprietorship, group practice, partnership, or
 681 corporation that provides health care services by licensed
 682 health care practitioners under chapter 457, chapter 458,
 683 chapter 459, chapter 460, chapter 461, chapter 462, chapter 463,
 684 chapter 466, chapter 467, chapter 480, chapter 484, chapter 486,
 685 chapter 490, chapter 491, or part I, part III, part X, part
 686 XIII, or part XIV of chapter 468, or s. 464.012, and that is
 687 wholly owned by one or more licensed health care practitioners,
 688 or the licensed health care practitioners set forth in this
 689 paragraph and the spouse, parent, child, or sibling of a
 690 licensed health care practitioner if one of the owners who is a
 691 licensed health care practitioner is supervising the business
 692 activities and is legally responsible for the entity's
 693 compliance with all federal and state laws. However, a health
 694 care practitioner may not supervise services beyond the scope of
 695 the practitioner's license, except that, for the purposes of
 696 this part, a clinic owned by a licensee in s. 456.053(3) (b)

Page 24 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20 20201726c1

697 which provides only services authorized pursuant to s.
698 456.053(3)(b) may be supervised by a licensee specified in s.
699 456.053(3)(b).

700 (h) Clinical facilities affiliated with an accredited
701 medical school at which training is provided for medical
702 students, residents, or fellows.

703 (i) Entities that provide only oncology or radiation
704 therapy services by physicians licensed under chapter 458 or
705 chapter 459 or entities that provide oncology or radiation
706 therapy services by physicians licensed under chapter 458 or
707 chapter 459 which are owned by a corporation whose shares are
708 publicly traded on a recognized stock exchange.

709 (j) Clinical facilities affiliated with a college of
710 chiropractic accredited by the Council on Chiropractic Education
711 at which training is provided for chiropractic students.

712 (k) Entities that provide licensed practitioners to staff
713 emergency departments or to deliver anesthesia services in
714 facilities licensed under chapter 395 and that derive at least
715 90 percent of their gross annual revenues from the provision of
716 such services. Entities claiming an exemption from licensure
717 under this paragraph must provide documentation demonstrating
718 compliance.

719 (l) Orthotic, prosthetic, pediatric cardiology, or
720 perinatology clinical facilities or anesthesia clinical
721 facilities that are not otherwise exempt under paragraph (a) or
722 paragraph (k) and that are a publicly traded corporation or are
723 wholly owned, directly or indirectly, by a publicly traded
724 corporation. As used in this paragraph, a publicly traded
725 corporation is a corporation that issues securities traded on an

588-02756-20 20201726c1

726 exchange registered with the United States Securities and
727 Exchange Commission as a national securities exchange.

728 (m) Entities that are owned by a corporation that has \$250
729 million or more in total annual sales of health care services
730 provided by licensed health care practitioners where one or more
731 of the persons responsible for the operations of the entity is a
732 health care practitioner who is licensed in this state and who
733 is responsible for supervising the business activities of the
734 entity and is responsible for the entity's compliance with state
735 law for purposes of this part.

736 (n) Entities that employ 50 or more licensed health care
737 practitioners licensed under chapter 458 or chapter 459 where
738 the billing for medical services is under a single tax
739 identification number. The application for exemption under this
740 subsection shall contain information that includes: the name,
741 residence, and business address and phone number of the entity
742 that owns the practice; a complete list of the names and contact
743 information of all the officers and directors of the
744 corporation; the name, residence address, business address, and
745 medical license number of each licensed Florida health care
746 practitioner employed by the entity; the corporate tax
747 identification number of the entity seeking an exemption; a
748 listing of health care services to be provided by the entity at
749 the health care clinics owned or operated by the entity and a
750 certified statement prepared by an independent certified public
751 accountant which states that the entity and the health care
752 clinics owned or operated by the entity have not received
753 payment for health care services under personal injury
754 protection insurance coverage for the preceding year. If the

588-02756-20 20201726c1

755 agency determines that an entity which is exempt under this
756 subsection has received payments for medical services under
757 personal injury protection insurance coverage, the agency may
758 deny or revoke the exemption from licensure under this
759 subsection.

760 (o) Entities that are, directly or indirectly, under the
761 common ownership of or that are subject to common control by a
762 mutual insurance holding company, as defined in s. 628.703, with
763 an entity licensed or certified under chapter 627 or chapter 641
764 which has \$1 billion or more in total annual sales in this
765 state.

766 (p) Entities that are owned by an entity that is a
767 behavioral health service provider in at least 5 states other
768 than Florida and that, together with its affiliates, has \$90
769 million or more in total annual revenues associated with the
770 provision of behavioral health services and where one or more of
771 the persons responsible for the operations of the entity is a
772 health care practitioner who is licensed in this state and who
773 is responsible for supervising the business activities of the
774 entity and who is responsible for the entity's compliance with
775 state law for purposes of this part.

776 (q) Medicaid providers.

777

778 Notwithstanding this subsection, an entity shall be deemed a
779 clinic and must be licensed under this part in order to receive
780 reimbursement under the Florida Motor Vehicle No-Fault Law, ss.
781 627.730-627.7405, unless exempted under s. 627.736(5)(h).

782 Section 15. Paragraph (c) of subsection (3) of section
783 400.991, Florida Statutes, is amended to read:

Page 27 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20 20201726c1

784 400.991 License requirements; background screenings;
785 prohibitions.-

786 (3) In addition to the requirements of part II of chapter
787 408, the applicant must file with the application satisfactory
788 proof that the clinic is in compliance with this part and
789 applicable rules, including:

790 (c) Proof of financial ability to operate as required under
791 ss. 408.8065(1) and 408.810(8) s. 408.810(8). ~~As an alternative~~
792 ~~to submitting proof of financial ability to operate as required~~
793 ~~under s. 408.810(8), the applicant may file a surety bond of at~~
794 ~~least \$500,000 which guarantees that the clinic will act in full~~
795 ~~conformity with all legal requirements for operating a clinic,~~
796 ~~payable to the agency. The agency may adopt rules to specify~~
797 ~~related requirements for such surety bond.~~

798 Section 16. Paragraph (i) of subsection (1) of section
799 400.9935, Florida Statutes, is amended to read:

800 400.9935 Clinic responsibilities.-

801 (1) Each clinic shall appoint a medical director or clinic
802 director who shall agree in writing to accept legal
803 responsibility for the following activities on behalf of the
804 clinic. The medical director or the clinic director shall:

805 (i) Ensure that the clinic publishes a schedule of charges
806 for the medical services offered to patients. The schedule must
807 include the prices charged to an uninsured person paying for
808 such services by cash, check, credit card, or debit card. The
809 schedule may group services by price levels, listing services in
810 each price level. The schedule must be posted in a conspicuous
811 place in the reception area of any clinic that is an the urgent
812 care center as defined in s. 395.002(29)(b) and must include,

Page 28 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20 20201726c1

813 but is not limited to, the 50 services most frequently provided
 814 by the clinic. ~~The schedule may group services by three price~~
 815 ~~levels, listing services in each price level.~~ The posting may be
 816 a sign that must be at least 15 square feet in size or through
 817 an electronic messaging board that is at least 3 square feet in
 818 size. The failure of a clinic, including a clinic that is an
 819 urgent care center, to publish and post a schedule of charges as
 820 required by this section shall result in a fine of not more than
 821 \$1,000, per day, until the schedule is published and posted.

822 Section 17. Paragraph (a) of subsection (2) of section
 823 408.033, Florida Statutes, is amended to read:

824 408.033 Local and state health planning.—

825 (2) FUNDING.—

826 (a) The Legislature intends that the cost of local health
 827 councils be borne by assessments on selected health care
 828 facilities subject to facility licensure by the Agency for
 829 Health Care Administration, including abortion clinics, assisted
 830 living facilities, ambulatory surgical centers, birth centers,
 831 home health agencies, hospices, hospitals, intermediate care
 832 facilities for the developmentally disabled, nursing homes, and
 833 health care clinics, ~~and multiphasic testing centers~~ and by
 834 assessments on organizations subject to certification by the
 835 agency pursuant to chapter 641, part III, including health
 836 maintenance organizations and prepaid health clinics. Fees
 837 assessed may be collected prospectively at the time of licensure
 838 renewal and prorated for the licensure period.

839 Section 18. Paragraph (a) of subsection (1) of section
 840 408.061, Florida Statutes, is amended to read:

841 408.061 Data collection; uniform systems of financial

588-02756-20 20201726c1

842 reporting; information relating to physician charges;
 843 confidential information; immunity.—

844 (1) The agency shall require the submission by health care
 845 facilities, health care providers, and health insurers of data
 846 necessary to carry out the agency's duties and to facilitate
 847 transparency in health care pricing data and quality measures.
 848 Specifications for data to be collected under this section shall
 849 be developed by the agency and applicable contract vendors, with
 850 the assistance of technical advisory panels including
 851 representatives of affected entities, consumers, purchasers, and
 852 such other interested parties as may be determined by the
 853 agency.

854 (a) Data submitted by health care facilities, including the
 855 facilities as defined in chapter 395, shall include, but are not
 856 limited to, ~~+~~ case-mix data, patient admission and discharge
 857 data, hospital emergency department data which shall include the
 858 number of patients treated in the emergency department of a
 859 licensed hospital reported by patient acuity level, data on
 860 hospital-acquired infections as specified by rule, data on
 861 complications as specified by rule, data on readmissions as
 862 specified by rule, including patient- ~~with patient~~ and provider-
 863 specific identifiers ~~included~~, actual charge data by diagnostic
 864 groups or other bundled groupings as specified by rule,
 865 financial data, accounting data, operating expenses, expenses
 866 incurred for rendering services to patients who cannot or do not
 867 pay, interest charges, depreciation expenses based on the
 868 expected useful life of the property and equipment involved, and
 869 demographic data. The agency shall adopt nationally recognized
 870 risk adjustment methodologies or software consistent with the

588-02756-20

20201726c1

871 standards of the Agency for Healthcare Research and Quality and
 872 as selected by the agency for all data submitted as required by
 873 this section. Data may be obtained from documents including such
 874 ~~as~~, but not limited to, leases, contracts, debt instruments,
 875 itemized patient statements or bills, medical record abstracts,
 876 and related diagnostic information. ~~Reported~~ Data elements shall
 877 be reported electronically in accordance with the inpatient data
 878 reporting instructions as prescribed by agency rule 59E-7.012,
 879 ~~Florida Administrative Code~~. Data submitted shall be certified
 880 by the chief executive officer or an appropriate and duly
 881 authorized representative or employee of the licensed facility
 882 that the information submitted is true and accurate.

883 Section 19. Subsection (4) of section 408.0611, Florida
 884 Statutes, is amended to read:

885 408.0611 Electronic prescribing clearinghouse.—

886 (4) Pursuant to s. 408.061, the agency shall monitor the
 887 implementation of electronic prescribing by health care
 888 practitioners, health care facilities, and pharmacies. ~~By~~
 889 ~~January 31 of each year,~~ The agency shall report annually on its
 890 website on the progress of implementation of electronic
 891 prescribing ~~to the Governor and the Legislature~~. Information
 892 reported pursuant to this subsection must ~~shall~~ include federal
 893 and private sector electronic prescribing initiatives and, to
 894 the extent that data is readily available from organizations
 895 that operate electronic prescribing networks, the number of
 896 health care practitioners using electronic prescribing and the
 897 number of prescriptions electronically transmitted.

898 Section 20. Paragraphs (i) and (j) of subsection (1) of
 899 section 408.062, Florida Statutes, are amended to read:

Page 31 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

900 408.062 Research, analyses, studies, and reports.—

901 (1) The agency shall conduct research, analyses, and
 902 studies relating to health care costs and access to and quality
 903 of health care services as access and quality are affected by
 904 changes in health care costs. Such research, analyses, and
 905 studies shall include, but not be limited to:

906 (i) The use of emergency department services by patient
 907 acuity level ~~and the implication of increasing hospital cost by~~
 908 ~~providing nonurgent care in emergency departments~~. The agency
 909 shall publish annually on its website information ~~submit an~~
 910 ~~annual report~~ based on this monitoring and assessment ~~to the~~
 911 ~~Governor, the Speaker of the House of Representatives, the~~
 912 ~~President of the Senate, and the substantive legislative~~
 913 ~~committees, due January 1.~~

914 (j) The making available on its Internet website, and in a
 915 hard-copy format upon request, of patient charge, volumes,
 916 length of stay, and performance indicators collected from health
 917 care facilities pursuant to s. 408.061(1)(a) for specific
 918 medical conditions, surgeries, and procedures provided in
 919 inpatient and outpatient facilities as determined by the agency.
 920 In making the determination of specific medical conditions,
 921 surgeries, and procedures to include, the agency shall consider
 922 such factors as volume, severity of the illness, urgency of
 923 admission, individual and societal costs, and whether the
 924 condition is acute or chronic. Performance outcome indicators
 925 shall be risk adjusted or severity adjusted, as applicable,
 926 using nationally recognized risk adjustment methodologies or
 927 software consistent with the standards of the Agency for
 928 Healthcare Research and Quality and as selected by the agency.

Page 32 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

929 The website shall also provide an interactive search that allows
 930 consumers to view and compare the information for specific
 931 facilities, a map that allows consumers to select a county or
 932 region, definitions of all of the data, descriptions of each
 933 procedure, and an explanation about why the data may differ from
 934 facility to facility. Such public data shall be updated
 935 quarterly. The agency shall publish annually on its website
 936 information ~~submit an annual status report~~ on the collection of
 937 data and publication of health care quality measures ~~to the~~
 938 ~~Governor, the Speaker of the House of Representatives, the~~
 939 ~~President of the Senate, and the substantive legislative~~
 940 ~~committees, due January 1.~~

941 Section 21. Subsection (5) of section 408.063, Florida
 942 Statutes, is amended to read:

943 408.063 Dissemination of health care information.—

944 ~~(5) The agency shall publish annually a comprehensive~~
 945 ~~report of state health expenditures. The report shall identify:~~

946 ~~(a) The contribution of health care dollars made by all~~
 947 ~~payors.~~

948 ~~(b) The dollars expended by type of health care service in~~
 949 ~~Florida.~~

950 Section 22. Section 408.802, Florida Statutes, is amended
 951 to read:

952 408.802 Applicability.—~~The provisions of~~ This part applies
 953 apply to the provision of services that require licensure as
 954 defined in this part and to the following entities licensed,
 955 registered, or certified by the agency, as described in chapters
 956 112, 383, 390, 394, 395, 400, 429, 440, ~~483~~, and 765:

957 (1) Laboratories authorized to perform testing under the

588-02756-20

20201726c1

958 Drug-Free Workplace Act, as provided under ss. 112.0455 and
 959 440.102.

960 (2) Birth centers, as provided under chapter 383.

961 (3) Abortion clinics, as provided under chapter 390.

962 (4) Crisis stabilization units, as provided under parts I
 963 and IV of chapter 394.

964 (5) Short-term residential treatment facilities, as
 965 provided under parts I and IV of chapter 394.

966 (6) Residential treatment facilities, as provided under
 967 part IV of chapter 394.

968 (7) Residential treatment centers for children and
 969 adolescents, as provided under part IV of chapter 394.

970 (8) Hospitals, as provided under part I of chapter 395.

971 (9) Ambulatory surgical centers, as provided under part I
 972 of chapter 395.

973 (10) Nursing homes, as provided under part II of chapter
 974 400.

975 (11) Assisted living facilities, as provided under part I
 976 of chapter 429.

977 (12) Home health agencies, as provided under part III of
 978 chapter 400.

979 (13) Nurse registries, as provided under part III of
 980 chapter 400.

981 (14) Companion services or homemaker services providers, as
 982 provided under part III of chapter 400.

983 (15) Adult day care centers, as provided under part III of
 984 chapter 429.

985 (16) Hospices, as provided under part IV of chapter 400.

986 (17) Adult family-care homes, as provided under part II of

588-02756-20 20201726c1

987 chapter 429.

988 (18) Homes for special services, as provided under part V

989 of chapter 400.

990 (19) Transitional living facilities, as provided under part

991 XI of chapter 400.

992 (20) Prescribed pediatric extended care centers, as

993 provided under part VI of chapter 400.

994 (21) Home medical equipment providers, as provided under

995 part VII of chapter 400.

996 (22) Intermediate care facilities for persons with

997 developmental disabilities, as provided under part VIII of

998 chapter 400.

999 (23) Health care services pools, as provided under part IX

1000 of chapter 400.

1001 (24) Health care clinics, as provided under part X of

1002 chapter 400.

1003 ~~(25) Multiphasic health testing centers, as provided under~~

1004 ~~part I of chapter 483.~~

1005 (25)(26) Organ, tissue, and eye procurement organizations,

1006 as provided under part V of chapter 765.

1007 Section 23. Present subsections (10) through (14) of

1008 section 408.803, Florida Statutes, are redesignated as

1009 subsections (11) through (15), respectively, a new subsection

1010 (10) is added to that section, and subsection (3) of that

1011 section is amended, to read:

1012 408.803 Definitions.—As used in this part, the term:

1013 (3) "Authorizing statute" means the statute authorizing the

1014 licensed operation of a provider listed in s. 408.802 and

1015 includes chapters 112, 383, 390, 394, 395, 400, 429, 440, ~~483~~,

588-02756-20 20201726c1

1016 and 765.

1017 (10) "Low-risk provider" means nurse registries, home

1018 medical equipment providers, and health care clinics.

1019 Section 24. Paragraph (b) of subsection (7) of section

1020 408.806, Florida Statutes, is amended to read:

1021 408.806 License application process.—

1022 (7)

1023 (b) An initial inspection is not required for companion

1024 services or homemaker services providers, as provided under part

1025 III of chapter 400, ~~or~~ for health care services pools, as

1026 provided under part IX of chapter 400, or for low-risk providers

1027 as provided under s. 408.811.

1028 Section 25. Subsection (2) of section 408.808, Florida

1029 Statutes, is amended to read:

1030 408.808 License categories.—

1031 (2) PROVISIONAL LICENSE.—An applicant against whom a

1032 proceeding denying or revoking a license is pending at the time

1033 of license renewal may be issued a provisional license effective

1034 until final action not subject to further appeal. A provisional

1035 license may also be issued to an applicant for initial licensure

1036 or applying for a change of ownership. A provisional license

1037 must be limited in duration to a specific period of time, up to

1038 12 months, as determined by the agency.

1039 Section 26. Subsections (2) and (5) of section 408.809,

1040 Florida Statutes, are amended to read:

1041 408.809 Background screening; prohibited offenses.—

1042 (2) Every 5 years following his or her licensure,

1043 employment, or entry into a contract in a capacity that under

1044 subsection (1) would require level 2 background screening under

588-02756-20 20201726c1

1045 chapter 435, each such person must submit to level 2 background
 1046 rescreening as a condition of retaining such license or
 1047 continuing in such employment or contractual status. For any
 1048 such rescreening, the agency shall request the Department of Law
 1049 Enforcement to forward the person's fingerprints to the Federal
 1050 Bureau of Investigation for a national criminal history record
 1051 check unless the person's fingerprints are enrolled in the
 1052 Federal Bureau of Investigation's national retained print arrest
 1053 notification program. If the fingerprints of such a person are
 1054 not retained by the Department of Law Enforcement under s.
 1055 943.05(2)(g) and (h), the person must submit fingerprints
 1056 electronically to the Department of Law Enforcement for state
 1057 processing, and the Department of Law Enforcement shall forward
 1058 the fingerprints to the Federal Bureau of Investigation for a
 1059 national criminal history record check. The fingerprints shall
 1060 be retained by the Department of Law Enforcement under s.
 1061 943.05(2)(g) and (h) and enrolled in the national retained print
 1062 arrest notification program when the Department of Law
 1063 Enforcement begins participation in the program. The cost of the
 1064 state and national criminal history records checks required by
 1065 level 2 screening may be borne by the licensee or the person
 1066 fingerprinted. ~~Until a specified agency is fully implemented in~~
 1067 ~~the clearinghouse created under s. 435.12,~~ The agency may accept
 1068 as satisfying the requirements of this section proof of
 1069 compliance with level 2 screening standards submitted within the
 1070 previous 5 years to meet any provider or professional licensure
 1071 requirements of the agency, ~~the Department of Health, the~~
 1072 ~~Department of Elderly Affairs, the Agency for Persons with~~
 1073 ~~Disabilities, the Department of Children and Families, or the~~

588-02756-20 20201726c1

1074 Department of Financial Services for an applicant for a
 1075 certificate of authority or provisional certificate of authority
 1076 to operate a continuing care retirement community under chapter
 1077 651, provided that:

1078 (a) The screening standards and disqualifying offenses for
 1079 the prior screening are equivalent to those specified in s.
 1080 435.04 and this section;

1081 (b) The person subject to screening has not had a break in
 1082 service from a position that requires level 2 screening for more
 1083 than 90 days; and

1084 (c) Such proof is accompanied, under penalty of perjury, by
 1085 an attestation of compliance with chapter 435 and this section
 1086 using forms provided by the agency.

1087 ~~(5) A person who serves as a controlling interest of, is~~
 1088 ~~employed by, or contracts with a licensee on July 31, 2010, who~~
 1089 ~~has been screened and qualified according to standards specified~~
 1090 ~~in s. 435.03 or s. 435.04 must be rescreened by July 31, 2015,~~
 1091 ~~in compliance with the following schedule. If, upon rescreening,~~
 1092 ~~such person has a disqualifying offense that was not a~~
 1093 ~~disqualifying offense at the time of the last screening, but is~~
 1094 ~~a current disqualifying offense and was committed before the~~
 1095 ~~last screening, he or she may apply for an exemption from the~~
 1096 ~~appropriate licensing agency and, if agreed to by the employer,~~
 1097 ~~may continue to perform his or her duties until the licensing~~
 1098 ~~agency renders a decision on the application for exemption if~~
 1099 ~~the person is eligible to apply for an exemption and the~~
 1100 ~~exemption request is received by the agency within 30 days after~~
 1101 ~~receipt of the rescreening results by the person. The~~
 1102 ~~rescreening schedule shall be:~~

588-02756-20

20201726c1

1103 ~~(a) Individuals for whom the last screening was conducted~~
 1104 ~~on or before December 31, 2004, must be rescreened by July 31,~~
 1105 ~~2013.~~

1106 ~~(b) Individuals for whom the last screening conducted was~~
 1107 ~~between January 1, 2005, and December 31, 2008, must be~~
 1108 ~~rescreened by July 31, 2014.~~

1109 ~~(c) Individuals for whom the last screening conducted was~~
 1110 ~~between January 1, 2009, through July 31, 2011, must be~~
 1111 ~~rescreened by July 31, 2015.~~

1112 Section 27. Subsection (1) of section 408.811, Florida
 1113 Statutes, is amended to read:

1114 408.811 Right of inspection; copies; inspection reports;
 1115 plan for correction of deficiencies.-

1116 (1) An authorized officer or employee of the agency may
 1117 make or cause to be made any inspection or investigation deemed
 1118 necessary by the agency to determine the state of compliance
 1119 with this part, authorizing statutes, and applicable rules. The
 1120 right of inspection extends to any business that the agency has
 1121 reason to believe is being operated as a provider without a
 1122 license, but inspection of any business suspected of being
 1123 operated without the appropriate license may not be made without
 1124 the permission of the owner or person in charge unless a warrant
 1125 is first obtained from a circuit court. Any application for a
 1126 license issued under this part, authorizing statutes, or
 1127 applicable rules constitutes permission for an appropriate
 1128 inspection to verify the information submitted on or in
 1129 connection with the application.

1130 (a) All inspections shall be unannounced, except as
 1131 specified in s. 408.806.

588-02756-20

20201726c1

1132 (b) Inspections for relicensure shall be conducted
 1133 biennially unless otherwise specified by this section,
 1134 authorizing statutes, or applicable rules.

1135 (c) The agency may exempt a low-risk provider from
 1136 licensure inspection if the provider or controlling interest has
 1137 an excellent regulatory history with regard to deficiencies,
 1138 sanctions, complaints, and other regulatory actions, as defined
 1139 by rule. The agency shall continue to conduct unannounced
 1140 licensure inspections for at least 10 percent of exempt low-risk
 1141 providers to verify compliance.

1142 (d) The agency may adopt rules to waive a routine
 1143 inspection, including inspection for relicensure, or allow for
 1144 an extended period between relicensure inspections for specific
 1145 providers based upon:

1146 1. A favorable regulatory history with regard to
 1147 deficiencies, sanctions, complaints, and other regulatory
 1148 measures.

1149 2. Outcome measures that demonstrate quality performance.

1150 3. Successful participation in a recognized quality
 1151 assurance program.

1152 4. Accreditation status.

1153 5. Other measures reflective of quality and safety.

1154 6. The length of time between inspections.

1155
 1156 The agency shall continue to conduct unannounced licensure
 1157 inspections for at least 10 percent of providers that qualify
 1158 for a waiver or extended period between relicensure inspections.

1159 (e) The agency maintains the authority to conduct an
 1160 inspection of any provider at any time to determine regulatory

588-02756-20

20201726c1

1161 compliance.

1162 Section 28. Subsection (24) of section 408.820, Florida
1163 Statutes, is amended to read:

1164 408.820 Exemptions.—Except as prescribed in authorizing
1165 statutes, the following exemptions shall apply to specified
1166 requirements of this part:

1167 ~~(24) Multiphasic health testing centers, as provided under~~
1168 ~~part I of chapter 483, are exempt from s. 408.810(5)–(10).~~

1169 Section 29. Subsections (1) and (2) of section 408.821,
1170 Florida Statutes, are amended to read:

1171 408.821 Emergency management planning; emergency
1172 operations; inactive license.—

1173 (1) A licensee required by authorizing statutes and agency
1174 rule to have a comprehensive an emergency management operations
1175 plan must designate a safety liaison to serve as the primary
1176 contact for emergency operations. Such licensee shall submit its
1177 comprehensive emergency management plan to the local emergency
1178 management agency, county health department, or Department of
1179 Health as follows:

1180 (a) Submit the plan within 30 days after initial licensure
1181 and change of ownership, and notify the agency within 30 days
1182 after submission of the plan.

1183 (b) Submit the plan annually and within 30 days after any
1184 significant modification, as defined by agency rule, to a
1185 previously approved plan.

1186 (c) Respond with necessary plan revisions within 30 days
1187 after notification that plan revisions are required.

1188 (d) Notify the agency within 30 days after approval of its
1189 plan by the local emergency management agency, county health

Page 41 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

1190 department, or Department of Health.

1191 (2) An entity subject to this part may temporarily exceed
1192 its licensed capacity to act as a receiving provider in
1193 accordance with an approved comprehensive emergency management
1194 ~~operations~~ plan for up to 15 days. While in an overcapacity
1195 status, each provider must furnish or arrange for appropriate
1196 care and services to all clients. In addition, the agency may
1197 approve requests for overcapacity in excess of 15 days, which
1198 approvals may be based upon satisfactory justification and need
1199 as provided by the receiving and sending providers.

1200 Section 30. Subsection (3) of section 408.831, Florida
1201 Statutes, is amended to read:

1202 408.831 Denial, suspension, or revocation of a license,
1203 registration, certificate, or application.—

1204 (3) This section provides standards of enforcement
1205 applicable to all entities licensed or regulated by the Agency
1206 for Health Care Administration. This section controls over any
1207 conflicting provisions of chapters 39, 383, 390, 391, 394, 395,
1208 400, 408, 429, 468, ~~483~~, and 765 or rules adopted pursuant to
1209 those chapters.

1210 Section 31. Section 408.832, Florida Statutes, is amended
1211 to read:

1212 408.832 Conflicts.—In case of conflict between the
1213 provisions of this part and the authorizing statutes governing
1214 the licensure of health care providers by the Agency for Health
1215 Care Administration found in s. 112.0455 and chapters 383, 390,
1216 394, 395, 400, 429, 440, ~~483~~, and 765, the provisions of this
1217 part shall prevail.

1218 Section 32. Subsection (9) of section 408.909, Florida

Page 42 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

1219 Statutes, is amended to read:

1220 408.909 Health flex plans.—

1221 ~~(9) PROGRAM EVALUATION.—The agency and the office shall~~
 1222 ~~evaluate the pilot program and its effect on the entities that~~
 1223 ~~seek approval as health flex plans, on the number of enrollees,~~
 1224 ~~and on the scope of the health care coverage offered under a~~
 1225 ~~health flex plan; shall provide an assessment of the health flex~~
 1226 ~~plans and their potential applicability in other settings; shall~~
 1227 ~~use health flex plans to gather more information to evaluate~~
 1228 ~~low-income consumer driven benefit packages; and shall, by~~
 1229 ~~January 15, 2016, and annually thereafter, jointly submit a~~
 1230 ~~report to the Governor, the President of the Senate, and the~~
 1231 ~~Speaker of the House of Representatives.~~

1232 Section 33. Paragraph (d) of subsection (10) of section
 1233 408.9091, Florida Statutes, is amended to read:

1234 408.9091 Cover Florida Health Care Access Program.—

1235 (10) PROGRAM EVALUATION.—The agency and the office shall:

1236 ~~(d) Jointly submit by March 1, annually, a report to the~~
 1237 ~~Governor, the President of the Senate, and the Speaker of the~~
 1238 ~~House of Representatives which provides the information~~
 1239 ~~specified in paragraphs (a)–(c) and recommendations relating to~~
 1240 ~~the successful implementation and administration of the program.~~

1241 Section 34. Effective upon becoming a law, paragraph (a) of
 1242 subsection (5) of section 409.905, Florida Statutes, is amended
 1243 to read:

1244 409.905 Mandatory Medicaid services.—The agency may make
 1245 payments for the following services, which are required of the
 1246 state by Title XIX of the Social Security Act, furnished by
 1247 Medicaid providers to recipients who are determined to be

588-02756-20

20201726c1

1248 eligible on the dates on which the services were provided. Any
 1249 service under this section shall be provided only when medically
 1250 necessary and in accordance with state and federal law.
 1251 Mandatory services rendered by providers in mobile units to
 1252 Medicaid recipients may be restricted by the agency. Nothing in
 1253 this section shall be construed to prevent or limit the agency
 1254 from adjusting fees, reimbursement rates, lengths of stay,
 1255 number of visits, number of services, or any other adjustments
 1256 necessary to comply with the availability of moneys and any
 1257 limitations or directions provided for in the General
 1258 Appropriations Act or chapter 216.

1259 (5) HOSPITAL INPATIENT SERVICES.—The agency shall pay for
 1260 all covered services provided for the medical care and treatment
 1261 of a recipient who is admitted as an inpatient by a licensed
 1262 physician or dentist to a hospital licensed under part I of
 1263 chapter 395. However, the agency shall limit the payment for
 1264 inpatient hospital services for a Medicaid recipient 21 years of
 1265 age or older to 45 days or the number of days necessary to
 1266 comply with the General Appropriations Act.

1267 (a)1. The agency may implement reimbursement and
 1268 utilization management reforms in order to comply with any
 1269 limitations or directions in the General Appropriations Act,
 1270 which may include, but are not limited to: prior authorization
 1271 for inpatient psychiatric days; prior authorization for
 1272 nonemergency hospital inpatient admissions for individuals 21
 1273 years of age and older; authorization of emergency and urgent-
 1274 care admissions within 24 hours after admission; enhanced
 1275 utilization and concurrent review programs for highly utilized
 1276 services; reduction or elimination of covered days of service;

588-02756-20

20201726c1

1277 adjusting reimbursement ceilings for variable costs; adjusting
1278 reimbursement ceilings for fixed and property costs; and
1279 implementing target rates of increase.

1280 2. The agency may limit prior authorization for hospital
1281 inpatient services to selected diagnosis-related groups, based
1282 on an analysis of the cost and potential for unnecessary
1283 hospitalizations represented by certain diagnoses. Admissions
1284 for normal delivery and newborns are exempt from requirements
1285 for prior authorization.

1286 3. In implementing the provisions of this section related
1287 to prior authorization, the agency shall ensure that the process
1288 for authorization is accessible 24 hours per day, 7 days per
1289 week and authorization is automatically granted when not denied
1290 within 4 hours after the request. Authorization procedures must
1291 include steps for review of denials.

1292 4. Upon implementing the prior authorization program for
1293 hospital inpatient services, the agency shall discontinue its
1294 hospital retrospective review program. However, this
1295 subparagraph may not be construed to prevent the agency from
1296 conducting retrospective reviews under s. 409.913.

1297 Section 35. It is the intent of the Legislature that
1298 section 409.905(5)(a), Florida Statutes, as amended by this act,
1299 confirms and clarifies existing law.

1300 Section 36. Subsection (8) of section 409.907, Florida
1301 Statutes, is amended to read:

1302 409.907 Medicaid provider agreements.—The agency may make
1303 payments for medical assistance and related services rendered to
1304 Medicaid recipients only to an individual or entity who has a
1305 provider agreement in effect with the agency, who is performing

Page 45 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

1306 services or supplying goods in accordance with federal, state,
1307 and local law, and who agrees that no person shall, on the
1308 grounds of handicap, race, color, or national origin, or for any
1309 other reason, be subjected to discrimination under any program
1310 or activity for which the provider receives payment from the
1311 agency.

1312 (8)(a) A level 2 background screening pursuant to chapter
1313 435 must be conducted through the agency on each of the
1314 following:

1315 1. The ~~Each~~ provider, or each principal of the provider if
1316 the provider is a corporation, partnership, association, or
1317 other entity, ~~seeking to participate in the Medicaid program~~
1318 ~~must submit a complete set of his or her fingerprints to the~~
1319 ~~agency for the purpose of conducting a criminal history record~~
1320 ~~check.~~

1321 2. Principals of the provider, who include any officer,
1322 director, billing agent, managing employee, or affiliated
1323 person, or any partner or shareholder who has an ownership
1324 interest equal to 5 percent or more in the provider. However,
1325 for a hospital licensed under chapter 395 or a nursing home
1326 licensed under chapter 400, principals of the provider are those
1327 who meet the definition of a controlling interest under s.
1328 408.803. A director of a not-for-profit corporation or
1329 organization is not a principal for purposes of a background
1330 investigation required by this section if the director: serves
1331 solely in a voluntary capacity for the corporation or
1332 organization, does not regularly take part in the day-to-day
1333 operational decisions of the corporation or organization,
1334 receives no remuneration from the not-for-profit corporation or

Page 46 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

1335 organization for his or her service on the board of directors,
 1336 has no financial interest in the not-for-profit corporation or
 1337 organization, and has no family members with a financial
 1338 interest in the not-for-profit corporation or organization; and
 1339 if the director submits an affidavit, under penalty of perjury,
 1340 to this effect to the agency and the not-for-profit corporation
 1341 or organization submits an affidavit, under penalty of perjury,
 1342 to this effect to the agency as part of the corporation's or
 1343 organization's Medicaid provider agreement application.

1344 3. Any person who participates or seeks to participate in
 1345 the Florida Medicaid program by way of rendering services to
 1346 Medicaid recipients or having direct access to Medicaid
 1347 recipients, recipient living areas, or the financial, medical,
 1348 or service records of a Medicaid recipient or who supervises the
 1349 delivery of goods or services to a Medicaid recipient. This
 1350 subparagraph does not impose additional screening requirements
 1351 on any providers licensed under part II of chapter 408.

1352 (b) Notwithstanding paragraph (a) the above, the agency may
 1353 require a background check for any person reasonably suspected
 1354 by the agency to have been convicted of a crime.

1355 (c)(a) Paragraph (a) This subsection does not apply to:

1356 1. A unit of local government, except that requirements of
 1357 this subsection apply to nongovernmental providers and entities
 1358 contracting with the local government to provide Medicaid
 1359 services. The actual cost of the state and national criminal
 1360 history record checks must be borne by the nongovernmental
 1361 provider or entity; or

1362 2. Any business that derives more than 50 percent of its
 1363 revenue from the sale of goods to the final consumer, and the

588-02756-20

20201726c1

1364 business or its controlling parent is required to file a form
 1365 10-K or other similar statement with the Securities and Exchange
 1366 Commission or has a net worth of \$50 million or more.

1367 (d)(b) Background screening shall be conducted in
 1368 accordance with chapter 435 and s. 408.809. The cost of the
 1369 state and national criminal record check shall be borne by the
 1370 provider.

1371 Section 37. Section 409.913, Florida Statutes, is amended
 1372 to read:

1373 409.913 Oversight of the integrity of the Medicaid
 1374 program.—The agency shall operate a program to oversee the
 1375 activities of Florida Medicaid recipients, and providers and
 1376 their representatives, to ensure that fraudulent and abusive
 1377 behavior and neglect of recipients occur to the minimum extent
 1378 possible, and to recover overpayments and impose sanctions as
 1379 appropriate. Each January 15 ~~January 1~~, the agency and the
 1380 Medicaid Fraud Control Unit of the Department of Legal Affairs
 1381 shall submit reports ~~a joint report~~ to the Legislature
 1382 documenting the effectiveness of the state's efforts to control
 1383 Medicaid fraud and abuse and to recover Medicaid overpayments
 1384 during the previous fiscal year. The report must describe the
 1385 number of cases opened and investigated each year; the sources
 1386 of the cases opened; the disposition of the cases closed each
 1387 year; the amount of overpayments alleged in preliminary and
 1388 final audit letters; the number and amount of fines or penalties
 1389 imposed; any reductions in overpayment amounts negotiated in
 1390 settlement agreements or by other means; the amount of final
 1391 agency determinations of overpayments; the amount deducted from
 1392 federal claiming as a result of overpayments; the amount of

588-02756-20

20201726c1

1393 overpayments recovered each year; the amount of cost of
 1394 investigation recovered each year; the average length of time to
 1395 collect from the time the case was opened until the overpayment
 1396 is paid in full; the amount determined as uncollectible and the
 1397 portion of the uncollectible amount subsequently reclaimed from
 1398 the Federal Government; the number of providers, by type, that
 1399 are terminated from participation in the Medicaid program as a
 1400 result of fraud and abuse; and all costs associated with
 1401 discovering and prosecuting cases of Medicaid overpayments and
 1402 making recoveries in such cases. The report must also document
 1403 actions taken to prevent overpayments and the number of
 1404 providers prevented from enrolling in or reenrolling in the
 1405 Medicaid program as a result of documented Medicaid fraud and
 1406 abuse and must include policy recommendations necessary to
 1407 prevent or recover overpayments and changes necessary to prevent
 1408 and detect Medicaid fraud. All policy recommendations in the
 1409 report must include a detailed fiscal analysis, including, but
 1410 not limited to, implementation costs, estimated savings to the
 1411 Medicaid program, and the return on investment. The agency must
 1412 submit the policy recommendations and fiscal analyses in the
 1413 report to the appropriate estimating conference, pursuant to s.
 1414 216.137, by February 15 of each year. The agency and the
 1415 Medicaid Fraud Control Unit of the Department of Legal Affairs
 1416 each must include detailed unit-specific performance standards,
 1417 benchmarks, and metrics in the report, including projected cost
 1418 savings to the state Medicaid program during the following
 1419 fiscal year.

1420 (1) For the purposes of this section, the term:

1421 (a) "Abuse" means:

Page 49 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

1422 1. Provider practices that are inconsistent with generally
 1423 accepted business or medical practices and that result in an
 1424 unnecessary cost to the Medicaid program or in reimbursement for
 1425 goods or services that are not medically necessary or that fail
 1426 to meet professionally recognized standards for health care.

1427 2. Recipient practices that result in unnecessary cost to
 1428 the Medicaid program.

1429 (b) "Complaint" means an allegation that fraud, abuse, or
 1430 an overpayment has occurred.

1431 (c) "Fraud" means an intentional deception or
 1432 misrepresentation made by a person with the knowledge that the
 1433 deception results in unauthorized benefit to herself or himself
 1434 or another person. The term includes any act that constitutes
 1435 fraud under applicable federal or state law.

1436 (d) "Medical necessity" or "medically necessary" means any
 1437 goods or services necessary to palliate the effects of a
 1438 terminal condition, or to prevent, diagnose, correct, cure,
 1439 alleviate, or preclude deterioration of a condition that
 1440 threatens life, causes pain or suffering, or results in illness
 1441 or infirmity, which goods or services are provided in accordance
 1442 with generally accepted standards of medical practice. For
 1443 purposes of determining Medicaid reimbursement, the agency is
 1444 the final arbiter of medical necessity. Determinations of
 1445 medical necessity must be made by a licensed physician employed
 1446 by or under contract with the agency and must be based upon
 1447 information available at the time the goods or services are
 1448 provided.

1449 (e) "Overpayment" includes any amount that is not
 1450 authorized to be paid by the Medicaid program whether paid as a

Page 50 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

1451 result of inaccurate or improper cost reporting, improper
1452 claiming, unacceptable practices, fraud, abuse, or mistake.

1453 (f) "Person" means any natural person, corporation,
1454 partnership, association, clinic, group, or other entity,
1455 whether or not such person is enrolled in the Medicaid program
1456 or is a provider of health care.

1457 (2) The agency shall conduct, or cause to be conducted by
1458 contract or otherwise, reviews, investigations, analyses,
1459 audits, or any combination thereof, to determine possible fraud,
1460 abuse, overpayment, or recipient neglect in the Medicaid program
1461 and shall report the findings of any overpayments in audit
1462 reports as appropriate. At least 5 percent of all audits shall
1463 be conducted on a random basis. As part of its ongoing fraud
1464 detection activities, the agency shall identify and monitor, by
1465 contract or otherwise, patterns of overutilization of Medicaid
1466 services based on state averages. The agency shall track
1467 Medicaid provider prescription and billing patterns and evaluate
1468 them against Medicaid medical necessity criteria and coverage
1469 and limitation guidelines adopted by rule. Medical necessity
1470 determination requires that service be consistent with symptoms
1471 or confirmed diagnosis of illness or injury under treatment and
1472 not in excess of the patient's needs. The agency shall conduct
1473 reviews of provider exceptions to peer group norms and shall,
1474 using statistical methodologies, provider profiling, and
1475 analysis of billing patterns, detect and investigate abnormal or
1476 unusual increases in billing or payment of claims for Medicaid
1477 services and medically unnecessary provision of services.

1478 (3) The agency may conduct, or may contract for, prepayment
1479 review of provider claims to ensure cost-effective purchasing;

Page 51 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

1480 to ensure that billing by a provider to the agency is in
1481 accordance with applicable provisions of all Medicaid rules,
1482 regulations, handbooks, and policies and in accordance with
1483 federal, state, and local law; and to ensure that appropriate
1484 care is rendered to Medicaid recipients. Such prepayment reviews
1485 may be conducted as determined appropriate by the agency,
1486 without any suspicion or allegation of fraud, abuse, or neglect,
1487 and may last for up to 1 year. Unless the agency has reliable
1488 evidence of fraud, misrepresentation, abuse, or neglect, claims
1489 shall be adjudicated for denial or payment within 90 days after
1490 receipt of complete documentation by the agency for review. If
1491 there is reliable evidence of fraud, misrepresentation, abuse,
1492 or neglect, claims shall be adjudicated for denial of payment
1493 within 180 days after receipt of complete documentation by the
1494 agency for review.

1495 (4) Any suspected criminal violation identified by the
1496 agency must be referred to the Medicaid Fraud Control Unit of
1497 the Office of the Attorney General for investigation. The agency
1498 and the Attorney General shall enter into a memorandum of
1499 understanding, which must include, but need not be limited to, a
1500 protocol for regularly sharing information and coordinating
1501 casework. The protocol must establish a procedure for the
1502 referral by the agency of cases involving suspected Medicaid
1503 fraud to the Medicaid Fraud Control Unit for investigation, and
1504 the return to the agency of those cases where investigation
1505 determines that administrative action by the agency is
1506 appropriate. Offices of the Medicaid program integrity program
1507 and the Medicaid Fraud Control Unit of the Department of Legal
1508 Affairs, shall, to the extent possible, be collocated. The

Page 52 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

1509 agency and the Department of Legal Affairs shall periodically
 1510 conduct joint training and other joint activities designed to
 1511 increase communication and coordination in recovering
 1512 overpayments.

1513 (5) A Medicaid provider is subject to having goods and
 1514 services that are paid for by the Medicaid program reviewed by
 1515 an appropriate peer-review organization designated by the
 1516 agency. The written findings of the applicable peer-review
 1517 organization are admissible in any court or administrative
 1518 proceeding as evidence of medical necessity or the lack thereof.

1519 (6) Any notice required to be given to a provider under
 1520 this section is presumed to be sufficient notice if sent to the
 1521 address last shown on the provider enrollment file. It is the
 1522 responsibility of the provider to furnish and keep the agency
 1523 informed of the provider's current address. United States Postal
 1524 Service proof of mailing or certified or registered mailing of
 1525 such notice to the provider at the address shown on the provider
 1526 enrollment file constitutes sufficient proof of notice. Any
 1527 notice required to be given to the agency by this section must
 1528 be sent to the agency at an address designated by rule.

1529 (7) When presenting a claim for payment under the Medicaid
 1530 program, a provider has an affirmative duty to supervise the
 1531 provision of, and be responsible for, goods and services claimed
 1532 to have been provided, to supervise and be responsible for
 1533 preparation and submission of the claim, and to present a claim
 1534 that is true and accurate and that is for goods and services
 1535 that:

1536 (a) Have actually been furnished to the recipient by the
 1537 provider prior to submitting the claim.

Page 53 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

1538 (b) Are Medicaid-covered goods or services that are
 1539 medically necessary.

1540 (c) Are of a quality comparable to those furnished to the
 1541 general public by the provider's peers.

1542 (d) Have not been billed in whole or in part to a recipient
 1543 or a recipient's responsible party, except for such copayments,
 1544 coinsurance, or deductibles as are authorized by the agency.

1545 (e) Are provided in accord with applicable provisions of
 1546 all Medicaid rules, regulations, handbooks, and policies and in
 1547 accordance with federal, state, and local law.

1548 (f) Are documented by records made at the time the goods or
 1549 services were provided, demonstrating the medical necessity for
 1550 the goods or services rendered. Medicaid goods or services are
 1551 excessive or not medically necessary unless both the medical
 1552 basis and the specific need for them are fully and properly
 1553 documented in the recipient's medical record.

1554 The agency shall deny payment or require repayment for goods or
 1555 services that are not presented as required in this subsection.

1556 (8) The agency shall not reimburse any person or entity for
 1557 any prescription for medications, medical supplies, or medical
 1558 services if the prescription was written by a physician or other
 1559 prescribing practitioner who is not enrolled in the Medicaid
 1560 program. This section does not apply:

1561 (a) In instances involving bona fide emergency medical
 1562 conditions as determined by the agency;

1563 (b) To a provider of medical services to a patient in a
 1564 hospital emergency department, hospital inpatient or outpatient
 1565 setting, or nursing home;

Page 54 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

1567 (c) To bona fide pro bono services by preapproved non-
 1568 Medicaid providers as determined by the agency;
 1569 (d) To prescribing physicians who are board-certified
 1570 specialists treating Medicaid recipients referred for treatment
 1571 by a treating physician who is enrolled in the Medicaid program;
 1572 (e) To prescriptions written for dually eligible Medicare
 1573 beneficiaries by an authorized Medicare provider who is not
 1574 enrolled in the Medicaid program;
 1575 (f) To other physicians who are not enrolled in the
 1576 Medicaid program but who provide a medically necessary service
 1577 or prescription not otherwise reasonably available from a
 1578 Medicaid-enrolled physician; or
 1579 (9) A Medicaid provider shall retain medical, professional,
 1580 financial, and business records pertaining to services and goods
 1581 furnished to a Medicaid recipient and billed to Medicaid for a
 1582 period of 5 years after the date of furnishing such services or
 1583 goods. The agency may investigate, review, or analyze such
 1584 records, which must be made available during normal business
 1585 hours. However, 24-hour notice must be provided if patient
 1586 treatment would be disrupted. The provider must keep the agency
 1587 informed of the location of the provider's Medicaid-related
 1588 records. The authority of the agency to obtain Medicaid-related
 1589 records from a provider is neither curtailed nor limited during
 1590 a period of litigation between the agency and the provider.
 1591 (10) Payments for the services of billing agents or persons
 1592 participating in the preparation of a Medicaid claim shall not
 1593 be based on amounts for which they bill nor based on the amount
 1594 a provider receives from the Medicaid program.
 1595 (11) The agency shall deny payment or require repayment for

588-02756-20

20201726c1

1596 inappropriate, medically unnecessary, or excessive goods or
 1597 services from the person furnishing them, the person under whose
 1598 supervision they were furnished, or the person causing them to
 1599 be furnished.
 1600 (12) The complaint and all information obtained pursuant to
 1601 an investigation of a Medicaid provider, or the authorized
 1602 representative or agent of a provider, relating to an allegation
 1603 of fraud, abuse, or neglect are confidential and exempt from the
 1604 provisions of s. 119.07(1):
 1605 (a) Until the agency takes final agency action with respect
 1606 to the provider and requires repayment of any overpayment, or
 1607 imposes an administrative sanction;
 1608 (b) Until the Attorney General refers the case for criminal
 1609 prosecution;
 1610 (c) Until 10 days after the complaint is determined without
 1611 merit; or
 1612 (d) At all times if the complaint or information is
 1613 otherwise protected by law.
 1614 (13) The agency shall terminate participation of a Medicaid
 1615 provider in the Medicaid program and may seek civil remedies or
 1616 impose other administrative sanctions against a Medicaid
 1617 provider, if the provider or any principal, officer, director,
 1618 agent, managing employee, or affiliated person of the provider,
 1619 or any partner or shareholder having an ownership interest in
 1620 the provider equal to 5 percent or greater, has been convicted
 1621 of a criminal offense under federal law or the law of any state
 1622 relating to the practice of the provider's profession, or a
 1623 criminal offense listed under s. 408.809(4), s. 409.907(10), or
 1624 s. 435.04(2). If the agency determines that the provider did not

588-02756-20 20201726c1

1625 participate or acquiesce in the offense, termination will not be
 1626 imposed. If the agency effects a termination under this
 1627 subsection, the agency shall take final agency action.

1628 (14) If the provider has been suspended or terminated from
 1629 participation in the Medicaid program or the Medicare program by
 1630 the Federal Government or any state, the agency must immediately
 1631 suspend or terminate, as appropriate, the provider's
 1632 participation in this state's Medicaid program for a period no
 1633 less than that imposed by the Federal Government or any other
 1634 state, and may not enroll such provider in this state's Medicaid
 1635 program while such foreign suspension or termination remains in
 1636 effect. The agency shall also immediately suspend or terminate,
 1637 as appropriate, a provider's participation in this state's
 1638 Medicaid program if the provider participated or acquiesced in
 1639 any action for which any principal, officer, director, agent,
 1640 managing employee, or affiliated person of the provider, or any
 1641 partner or shareholder having an ownership interest in the
 1642 provider equal to 5 percent or greater, was suspended or
 1643 terminated from participating in the Medicaid program or the
 1644 Medicare program by the Federal Government or any state. This
 1645 sanction is in addition to all other remedies provided by law.

1646 (15) The agency shall seek a remedy provided by law,
 1647 including, but not limited to, any remedy provided in
 1648 subsections (13) and (16) and s. 812.035, if:

1649 (a) The provider's license has not been renewed, or has
 1650 been revoked, suspended, or terminated, for cause, by the
 1651 licensing agency of any state;

1652 (b) The provider has failed to make available or has
 1653 refused access to Medicaid-related records to an auditor,

588-02756-20 20201726c1

1654 investigator, or other authorized employee or agent of the
 1655 agency, the Attorney General, a state attorney, or the Federal
 1656 Government;

1657 (c) The provider has not furnished or has failed to make
 1658 available such Medicaid-related records as the agency has found
 1659 necessary to determine whether Medicaid payments are or were due
 1660 and the amounts thereof;

1661 (d) The provider has failed to maintain medical records
 1662 made at the time of service, or prior to service if prior
 1663 authorization is required, demonstrating the necessity and
 1664 appropriateness of the goods or services rendered;

1665 (e) The provider is not in compliance with provisions of
 1666 Medicaid provider publications that have been adopted by
 1667 reference as rules in the Florida Administrative Code; with
 1668 provisions of state or federal laws, rules, or regulations; with
 1669 provisions of the provider agreement between the agency and the
 1670 provider; or with certifications found on claim forms or on
 1671 transmittal forms for electronically submitted claims that are
 1672 submitted by the provider or authorized representative, as such
 1673 provisions apply to the Medicaid program;

1674 (f) The provider or person who ordered, authorized, or
 1675 prescribed the care, services, or supplies has furnished, or
 1676 ordered or authorized the furnishing of, goods or services to a
 1677 recipient which are inappropriate, unnecessary, excessive, or
 1678 harmful to the recipient or are of inferior quality;

1679 (g) The provider has demonstrated a pattern of failure to
 1680 provide goods or services that are medically necessary;

1681 (h) The provider or an authorized representative of the
 1682 provider, or a person who ordered, authorized, or prescribed the

588-02756-20 20201726c1

1683 goods or services, has submitted or caused to be submitted false
 1684 or a pattern of erroneous Medicaid claims;

1685 (i) The provider or an authorized representative of the
 1686 provider, or a person who has ordered, authorized, or prescribed
 1687 the goods or services, has submitted or caused to be submitted a
 1688 Medicaid provider enrollment application, a request for prior
 1689 authorization for Medicaid services, a drug exception request,
 1690 or a Medicaid cost report that contains materially false or
 1691 incorrect information;

1692 (j) The provider or an authorized representative of the
 1693 provider has collected from or billed a recipient or a
 1694 recipient's responsible party improperly for amounts that should
 1695 not have been so collected or billed by reason of the provider's
 1696 billing the Medicaid program for the same service;

1697 (k) The provider or an authorized representative of the
 1698 provider has included in a cost report costs that are not
 1699 allowable under a Florida Title XIX reimbursement plan after the
 1700 provider or authorized representative had been advised in an
 1701 audit exit conference or audit report that the costs were not
 1702 allowable;

1703 (l) The provider is charged by information or indictment
 1704 with fraudulent billing practices or an offense referenced in
 1705 subsection (13). The sanction applied for this reason is limited
 1706 to suspension of the provider's participation in the Medicaid
 1707 program for the duration of the indictment unless the provider
 1708 is found guilty pursuant to the information or indictment;

1709 (m) The provider or a person who ordered, authorized, or
 1710 prescribed the goods or services is found liable for negligent
 1711 practice resulting in death or injury to the provider's patient;

588-02756-20 20201726c1

1712 (n) The provider fails to demonstrate that it had available
 1713 during a specific audit or review period sufficient quantities
 1714 of goods, or sufficient time in the case of services, to support
 1715 the provider's billings to the Medicaid program;

1716 (o) The provider has failed to comply with the notice and
 1717 reporting requirements of s. 409.907;

1718 (p) The agency has received reliable information of patient
 1719 abuse or neglect or of any act prohibited by s. 409.920; or

1720 (q) The provider has failed to comply with an agreed-upon
 1721 repayment schedule.

1722

1723 A provider is subject to sanctions for violations of this
 1724 subsection as the result of actions or inactions of the
 1725 provider, or actions or inactions of any principal, officer,
 1726 director, agent, managing employee, or affiliated person of the
 1727 provider, or any partner or shareholder having an ownership
 1728 interest in the provider equal to 5 percent or greater, in which
 1729 the provider participated or acquiesced.

1730 (16) The agency shall impose any of the following sanctions
 1731 or disincentives on a provider or a person for any of the acts
 1732 described in subsection (15):

1733 (a) Suspension for a specific period of time of not more
 1734 than 1 year. Suspension precludes participation in the Medicaid
 1735 program, which includes any action that results in a claim for
 1736 payment to the Medicaid program for furnishing, supervising a
 1737 person who is furnishing, or causing a person to furnish goods
 1738 or services.

1739 (b) Termination for a specific period of time ranging from
 1740 more than 1 year to 20 years. Termination precludes

588-02756-20

20201726c1

1741 participation in the Medicaid program, which includes any action
 1742 that results in a claim for payment to the Medicaid program for
 1743 furnishing, supervising a person who is furnishing, or causing a
 1744 person to furnish goods or services.

1745 (c) Imposition of a fine of up to \$5,000 for each
 1746 violation. Each day that an ongoing violation continues, such as
 1747 refusing to furnish Medicaid-related records or refusing access
 1748 to records, is considered a separate violation. Each instance of
 1749 improper billing of a Medicaid recipient; each instance of
 1750 including an unallowable cost on a hospital or nursing home
 1751 Medicaid cost report after the provider or authorized
 1752 representative has been advised in an audit exit conference or
 1753 previous audit report of the cost unallowability; each instance
 1754 of furnishing a Medicaid recipient goods or professional
 1755 services that are inappropriate or of inferior quality as
 1756 determined by competent peer judgment; each instance of
 1757 knowingly submitting a materially false or erroneous Medicaid
 1758 provider enrollment application, request for prior authorization
 1759 for Medicaid services, drug exception request, or cost report;
 1760 each instance of inappropriate prescribing of drugs for a
 1761 Medicaid recipient as determined by competent peer judgment; and
 1762 each false or erroneous Medicaid claim leading to an overpayment
 1763 to a provider is considered a separate violation.

1764 (d) Immediate suspension, if the agency has received
 1765 information of patient abuse or neglect or of any act prohibited
 1766 by s. 409.920. Upon suspension, the agency must issue an
 1767 immediate final order under s. 120.569(2)(n).

1768 (e) A fine, not to exceed \$10,000, for a violation of
 1769 paragraph (15)(i).

Page 61 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

1770 (f) Imposition of liens against provider assets, including,
 1771 but not limited to, financial assets and real property, not to
 1772 exceed the amount of fines or recoveries sought, upon entry of
 1773 an order determining that such moneys are due or recoverable.

1774 (g) Prepayment reviews of claims for a specified period of
 1775 time.

1776 (h) Comprehensive followup reviews of providers every 6
 1777 months to ensure that they are billing Medicaid correctly.

1778 (i) Corrective-action plans that remain in effect for up to
 1779 3 years and that are monitored by the agency every 6 months
 1780 while in effect.

1781 (j) Other remedies as permitted by law to effect the
 1782 recovery of a fine or overpayment.

1783
 1784 If a provider voluntarily relinquishes its Medicaid provider
 1785 number or an associated license, or allows the associated
 1786 licensure to expire after receiving written notice that the
 1787 agency is conducting, or has conducted, an audit, survey,
 1788 inspection, or investigation and that a sanction of suspension
 1789 or termination will or would be imposed for noncompliance
 1790 discovered as a result of the audit, survey, inspection, or
 1791 investigation, the agency shall impose the sanction of
 1792 termination for cause against the provider. The agency's
 1793 termination with cause is subject to hearing rights as may be
 1794 provided under chapter 120. The Secretary of Health Care
 1795 Administration may make a determination that imposition of a
 1796 sanction or disincentive is not in the best interest of the
 1797 Medicaid program, in which case a sanction or disincentive may
 1798 not be imposed.

Page 62 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

1799 (17) In determining the appropriate administrative sanction
1800 to be applied, or the duration of any suspension or termination,
1801 the agency shall consider:

1802 (a) The seriousness and extent of the violation or
1803 violations.

1804 (b) Any prior history of violations by the provider
1805 relating to the delivery of health care programs which resulted
1806 in either a criminal conviction or in administrative sanction or
1807 penalty.

1808 (c) Evidence of continued violation within the provider's
1809 management control of Medicaid statutes, rules, regulations, or
1810 policies after written notification to the provider of improper
1811 practice or instance of violation.

1812 (d) The effect, if any, on the quality of medical care
1813 provided to Medicaid recipients as a result of the acts of the
1814 provider.

1815 (e) Any action by a licensing agency respecting the
1816 provider in any state in which the provider operates or has
1817 operated.

1818 (f) The apparent impact on access by recipients to Medicaid
1819 services if the provider is suspended or terminated, in the best
1820 judgment of the agency.

1821
1822 The agency shall document the basis for all sanctioning actions
1823 and recommendations.

1824 (18) The agency may take action to sanction, suspend, or
1825 terminate a particular provider working for a group provider,
1826 and may suspend or terminate Medicaid participation at a
1827 specific location, rather than or in addition to taking action

Page 63 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

1828 against an entire group.

1829 (19) The agency shall establish a process for conducting
1830 followup reviews of a sampling of providers who have a history
1831 of overpayment under the Medicaid program. This process must
1832 consider the magnitude of previous fraud or abuse and the
1833 potential effect of continued fraud or abuse on Medicaid costs.

1834 (20) In making a determination of overpayment to a
1835 provider, the agency must use accepted and valid auditing,
1836 accounting, analytical, statistical, or peer-review methods, or
1837 combinations thereof. Appropriate statistical methods may
1838 include, but are not limited to, sampling and extension to the
1839 population, parametric and nonparametric statistics, tests of
1840 hypotheses, and other generally accepted statistical methods.
1841 Appropriate analytical methods may include, but are not limited
1842 to, reviews to determine variances between the quantities of
1843 products that a provider had on hand and available to be
1844 purveyed to Medicaid recipients during the review period and the
1845 quantities of the same products paid for by the Medicaid program
1846 for the same period, taking into appropriate consideration sales
1847 of the same products to non-Medicaid customers during the same
1848 period. In meeting its burden of proof in any administrative or
1849 court proceeding, the agency may introduce the results of such
1850 statistical methods as evidence of overpayment.

1851 (21) When making a determination that an overpayment has
1852 occurred, the agency shall prepare and issue an audit report to
1853 the provider showing the calculation of overpayments. The
1854 agency's determination must be based solely upon information
1855 available to it before issuance of the audit report and, in the
1856 case of documentation obtained to substantiate claims for

Page 64 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

1857 Medicaid reimbursement, based solely upon contemporaneous
1858 records. The agency may consider addenda or modifications to a
1859 note that was made contemporaneously with the patient care
1860 episode if the addenda or modifications are germane to the note.

1861 (22) The audit report, supported by agency work papers,
1862 showing an overpayment to a provider constitutes evidence of the
1863 overpayment. A provider may not present or elicit testimony on
1864 direct examination or cross-examination in any court or
1865 administrative proceeding, regarding the purchase or acquisition
1866 by any means of drugs, goods, or supplies; sales or divestment
1867 by any means of drugs, goods, or supplies; or inventory of
1868 drugs, goods, or supplies, unless such acquisition, sales,
1869 divestment, or inventory is documented by written invoices,
1870 written inventory records, or other competent written
1871 documentary evidence maintained in the normal course of the
1872 provider's business. A provider may not present records to
1873 contest an overpayment or sanction unless such records are
1874 contemporaneous and, if requested during the audit process, were
1875 furnished to the agency or its agent upon request. This
1876 limitation does not apply to Medicaid cost report audits. This
1877 limitation does not preclude consideration by the agency of
1878 addenda or modifications to a note if the addenda or
1879 modifications are made before notification of the audit, the
1880 addenda or modifications are germane to the note, and the note
1881 was made contemporaneously with a patient care episode.
1882 Notwithstanding the applicable rules of discovery, all
1883 documentation to be offered as evidence at an administrative
1884 hearing on a Medicaid overpayment or an administrative sanction
1885 must be exchanged by all parties at least 14 days before the

Page 65 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

20201726c1

1886 administrative hearing or be excluded from consideration.

1887 (23) (a) In an audit, ~~or~~ investigation, or enforcement
1888 action taken for ~~or~~ a violation committed by a provider which is
1889 conducted pursuant to this section, the agency is entitled to
1890 recover all investigative and legal costs incurred as a result
1891 of such audit, investigation, or enforcement action. The costs
1892 associated with an investigation, audit, or enforcement action
1893 may include, but are not limited to, salaries and benefits of
1894 personnel, costs related to the time spent by an attorney and
1895 other personnel working on the case, and any other expenses
1896 incurred by the agency or contractor which are associated with
1897 the case, including any, and expert witness costs and attorney
1898 fees incurred on behalf of the agency or contractor if the
1899 agency's findings were not contested by the provider or, if
1900 contested, the agency ultimately prevailed.

1901 (b) The agency has the burden of documenting the costs,
1902 which include salaries and employee benefits and out-of-pocket
1903 expenses. The amount of costs that may be recovered must be
1904 reasonable in relation to the seriousness of the violation and
1905 must be set taking into consideration the financial resources,
1906 earning ability, and needs of the provider, who has the burden
1907 of demonstrating such factors.

1908 (c) The provider may pay the costs over a period to be
1909 determined by the agency if the agency determines that an
1910 extreme hardship would result to the provider from immediate
1911 full payment. Any default in payment of costs may be collected
1912 by any means authorized by law.

1913 (24) If the agency imposes an administrative sanction
1914 pursuant to subsection (13), subsection (14), or subsection

Page 66 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

1915 (15), except paragraphs (15) (e) and (o), upon any provider or
 1916 any principal, officer, director, agent, managing employee, or
 1917 affiliated person of the provider who is regulated by another
 1918 state entity, the agency shall notify that other entity of the
 1919 imposition of the sanction within 5 business days. Such
 1920 notification must include the provider's or person's name and
 1921 license number and the specific reasons for sanction.

1922 (25) (a) The agency shall withhold Medicaid payments, in
 1923 whole or in part, to a provider upon receipt of reliable
 1924 evidence that the circumstances giving rise to the need for a
 1925 withholding of payments involve fraud, willful
 1926 misrepresentation, or abuse under the Medicaid program, or a
 1927 crime committed while rendering goods or services to Medicaid
 1928 recipients. If it is determined that fraud, willful
 1929 misrepresentation, abuse, or a crime did not occur, the payments
 1930 withheld must be paid to the provider within 14 days after such
 1931 determination. Amounts not paid within 14 days accrue interest
 1932 at the rate of 10 percent per year, beginning after the 14th
 1933 day.

1934 (b) The agency shall deny payment, or require repayment, if
 1935 the goods or services were furnished, supervised, or caused to
 1936 be furnished by a person who has been suspended or terminated
 1937 from the Medicaid program or Medicare program by the Federal
 1938 Government or any state.

1939 (c) Overpayments owed to the agency bear interest at the
 1940 rate of 10 percent per year from the date of final determination
 1941 of the overpayment by the agency, and payment arrangements must
 1942 be made within 30 days after the date of the final order, which
 1943 is not subject to further appeal.

Page 67 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

1944 (d) The agency, upon entry of a final agency order, a
 1945 judgment or order of a court of competent jurisdiction, or a
 1946 stipulation or settlement, may collect the moneys owed by all
 1947 means allowable by law, including, but not limited to, notifying
 1948 any fiscal intermediary of Medicare benefits that the state has
 1949 a superior right of payment. Upon receipt of such written
 1950 notification, the Medicare fiscal intermediary shall remit to
 1951 the state the sum claimed.

1952 (e) The agency may institute amnesty programs to allow
 1953 Medicaid providers the opportunity to voluntarily repay
 1954 overpayments. The agency may adopt rules to administer such
 1955 programs.

1956 (26) The agency may impose administrative sanctions against
 1957 a Medicaid recipient, or the agency may seek any other remedy
 1958 provided by law, including, but not limited to, the remedies
 1959 provided in s. 812.035, if the agency finds that a recipient has
 1960 engaged in solicitation in violation of s. 409.920 or that the
 1961 recipient has otherwise abused the Medicaid program.

1962 (27) When the Agency for Health Care Administration has
 1963 made a probable cause determination and alleged that an
 1964 overpayment to a Medicaid provider has occurred, the agency,
 1965 after notice to the provider, shall:

1966 (a) Withhold, and continue to withhold during the pendency
 1967 of an administrative hearing pursuant to chapter 120, any
 1968 medical assistance reimbursement payments until such time as the
 1969 overpayment is recovered, unless within 30 days after receiving
 1970 notice thereof the provider:

- 1971 1. Makes repayment in full; or
- 1972 2. Establishes a repayment plan that is satisfactory to the

Page 68 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20 20201726c1

1973 Agency for Health Care Administration.

1974 (b) Withhold, and continue to withhold during the pendency
1975 of an administrative hearing pursuant to chapter 120, medical
1976 assistance reimbursement payments if the terms of a repayment
1977 plan are not adhered to by the provider.

1978 (28) Venue for all Medicaid program integrity cases lies in
1979 Leon County, at the discretion of the agency.

1980 (29) Notwithstanding other provisions of law, the agency
1981 and the Medicaid Fraud Control Unit of the Department of Legal
1982 Affairs may review a provider's Medicaid-related and non-
1983 Medicaid-related records in order to determine the total output
1984 of a provider's practice to reconcile quantities of goods or
1985 services billed to Medicaid with quantities of goods or services
1986 used in the provider's total practice.

1987 (30) The agency shall terminate a provider's participation
1988 in the Medicaid program if the provider fails to reimburse an
1989 overpayment or pay an agency-imposed fine that has been
1990 determined by final order, not subject to further appeal, within
1991 30 days after the date of the final order, unless the provider
1992 and the agency have entered into a repayment agreement.

1993 (31) If a provider requests an administrative hearing
1994 pursuant to chapter 120, such hearing must be conducted within
1995 90 days following assignment of an administrative law judge,
1996 absent exceptionally good cause shown as determined by the
1997 administrative law judge or hearing officer. Upon issuance of a
1998 final order, the outstanding balance of the amount determined to
1999 constitute the overpayment and fines is due. If a provider fails
2000 to make payments in full, fails to enter into a satisfactory
2001 repayment plan, or fails to comply with the terms of a repayment

Page 69 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20 20201726c1

2002 plan or settlement agreement, the agency shall withhold
2003 reimbursement payments for Medicaid services until the amount
2004 due is paid in full.

2005 (32) Duly authorized agents and employees of the agency
2006 shall have the power to inspect, during normal business hours,
2007 the records of any pharmacy, wholesale establishment, or
2008 manufacturer, or any other place in which drugs and medical
2009 supplies are manufactured, packed, packaged, made, stored, sold,
2010 or kept for sale, for the purpose of verifying the amount of
2011 drugs and medical supplies ordered, delivered, or purchased by a
2012 provider. The agency shall provide at least 2 business days'
2013 prior notice of any such inspection. The notice must identify
2014 the provider whose records will be inspected, and the inspection
2015 shall include only records specifically related to that
2016 provider.

2017 (33) In accordance with federal law, Medicaid recipients
2018 convicted of a crime pursuant to 42 U.S.C. s. 1320a-7b may be
2019 limited, restricted, or suspended from Medicaid eligibility for
2020 a period not to exceed 1 year, as determined by the agency head
2021 or designee.

2022 (34) To deter fraud and abuse in the Medicaid program, the
2023 agency may limit the number of Schedule II and Schedule III
2024 refill prescription claims submitted from a pharmacy provider.
2025 The agency shall limit the allowable amount of reimbursement of
2026 prescription refill claims for Schedule II and Schedule III
2027 pharmaceuticals if the agency or the Medicaid Fraud Control Unit
2028 determines that the specific prescription refill was not
2029 requested by the Medicaid recipient or authorized representative
2030 for whom the refill claim is submitted or was not prescribed by

Page 70 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20 20201726c1

2031 the recipient's medical provider or physician. Any such refill
2032 request must be consistent with the original prescription.

2033 (35) The Office of Program Policy Analysis and Government
2034 Accountability shall provide a report to the President of the
2035 Senate and the Speaker of the House of Representatives on a
2036 biennial basis, beginning January 31, 2006, on the agency's
2037 efforts to prevent, detect, and deter, as well as recover funds
2038 lost to, fraud and abuse in the Medicaid program.

2039 (36) The agency may provide to a sample of Medicaid
2040 recipients or their representatives through the distribution of
2041 explanations of benefits information about services reimbursed
2042 by the Medicaid program for goods and services to such
2043 recipients, including information on how to report inappropriate
2044 or incorrect billing to the agency or other law enforcement
2045 entities for review or investigation, information on how to
2046 report criminal Medicaid fraud to the Medicaid Fraud Control
2047 Unit's toll-free hotline number, and information about the
2048 rewards available under s. 409.9203. The explanation of benefits
2049 may not be mailed for Medicaid independent laboratory services
2050 as described in s. 409.905(7) or for Medicaid certified match
2051 services as described in ss. 409.9071 and 1011.70.

2052 (37) The agency shall post on its website a current list of
2053 each Medicaid provider, including any principal, officer,
2054 director, agent, managing employee, or affiliated person of the
2055 provider, or any partner or shareholder having an ownership
2056 interest in the provider equal to 5 percent or greater, who has
2057 been terminated for cause from the Medicaid program or
2058 sanctioned under this section. The list must be searchable by a
2059 variety of search parameters and provide for the creation of

588-02756-20 20201726c1

2060 formatted lists that may be printed or imported into other
2061 applications, including spreadsheets. The agency shall update
2062 the list at least monthly.

2063 (38) In order to improve the detection of health care
2064 fraud, use technology to prevent and detect fraud, and maximize
2065 the electronic exchange of health care fraud information, the
2066 agency shall:

2067 (a) Compile, maintain, and publish on its website a
2068 detailed list of all state and federal databases that contain
2069 health care fraud information and update the list at least
2070 biannually;

2071 (b) Develop a strategic plan to connect all databases that
2072 contain health care fraud information to facilitate the
2073 electronic exchange of health information between the agency,
2074 the Department of Health, the Department of Law Enforcement, and
2075 the Attorney General's Office. The plan must include recommended
2076 standard data formats, fraud identification strategies, and
2077 specifications for the technical interface between state and
2078 federal health care fraud databases;

2079 (c) Monitor innovations in health information technology,
2080 specifically as it pertains to Medicaid fraud prevention and
2081 detection; and

2082 (d) Periodically publish policy briefs that highlight
2083 available new technology to prevent or detect health care fraud
2084 and projects implemented by other states, the private sector, or
2085 the Federal Government which use technology to prevent or detect
2086 health care fraud.

2087 Section 38. Subsection (1) of section 409.967, Florida
2088 Statutes, is amended to read:

588-02756-20

20201726c1

2089 409.967 Managed care plan accountability.-
 2090 (1) Beginning with the contract procurement process
 2091 initiated during the 2023 calendar year, the agency shall
 2092 establish a 6-year ~~5-year~~ contract with each managed care plan
 2093 selected through the procurement process described in s.
 2094 409.966. A plan contract may not be renewed; however, the agency
 2095 may extend the term of a plan contract to cover any delays
 2096 during the transition to a new plan. The agency shall extend
 2097 until December 31, 2024, the term of existing plan contracts
 2098 awarded pursuant to the invitation to negotiate published in
 2099 July 2017.

2100 Section 39. Subsection (6) of section 429.11, Florida
 2101 Statutes, is amended to read:
 2102 429.11 Initial application for license; provisional
 2103 license.-
 2104 ~~(6) In addition to the license categories available in s.~~
 2105 ~~408.808, a provisional license may be issued to an applicant~~
 2106 ~~making initial application for licensure or making application~~
 2107 ~~for a change of ownership. A provisional license shall be~~
 2108 ~~limited in duration to a specific period of time not to exceed 6~~
 2109 ~~months, as determined by the agency.~~

2110 Section 40. Subsection (9) of section 429.19, Florida
 2111 Statutes, is amended to read:
 2112 429.19 Violations; imposition of administrative fines;
 2113 grounds.-
 2114 ~~(9) The agency shall develop and disseminate an annual list~~
 2115 ~~of all facilities sanctioned or fined for violations of state~~
 2116 ~~standards, the number and class of violations involved, the~~
 2117 ~~penalties imposed, and the current status of cases. The list~~

Page 73 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

2118 ~~shall be disseminated, at no charge, to the Department of~~
 2119 ~~Elderly Affairs, the Department of Health, the Department of~~
 2120 ~~Children and Families, the Agency for Persons with Disabilities,~~
 2121 ~~the area agencies on aging, the Florida Statewide Advocacy~~
 2122 ~~Council, the State Long Term Care Ombudsman Program, and state~~
 2123 ~~and local ombudsman councils. The Department of Children and~~
 2124 ~~Families shall disseminate the list to service providers under~~
 2125 ~~contract to the department who are responsible for referring~~
 2126 ~~persons to a facility for residency. The agency may charge a fee~~
 2127 ~~commensurate with the cost of printing and postage to other~~
 2128 ~~interested parties requesting a copy of this list. This~~
 2129 ~~information may be provided electronically or through the~~
 2130 ~~agency's Internet site.~~

2131 Section 41. Subsection (2) of section 429.35, Florida
 2132 Statutes, is amended to read:
 2133 429.35 Maintenance of records; reports.-
 2134 (2) Within 60 days after the date of an ~~the~~ biennial
 2135 inspection conducted ~~visit required~~ under s. 408.811 or within
 2136 30 days after the date of an ~~any~~ interim visit, the agency shall
 2137 forward the results of the inspection to the local ombudsman
 2138 council in the district where the facility is located; to at
 2139 least one public library or, in the absence of a public library,
 2140 the county seat in the county in which the inspected assisted
 2141 living facility is located; and, when appropriate, to the
 2142 district Adult Services and Mental Health Program Offices.

2143 Section 42. Subsection (2) of section 429.905, Florida
 2144 Statutes, is amended to read:
 2145 429.905 Exemptions; monitoring of adult day care center
 2146 programs colocated with assisted living facilities or licensed

Page 74 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

2147 nursing home facilities.-

2148 (2) A licensed assisted living facility, a licensed
2149 hospital, or a licensed nursing home facility may provide
2150 services during the day which include, but are not limited to,
2151 social, health, therapeutic, recreational, nutritional, and
2152 respite services, to adults who are not residents. Such a
2153 facility need not be licensed as an adult day care center;
2154 however, the agency must monitor the facility during the regular
2155 inspection ~~and at least biennially~~ to ensure adequate space and
2156 sufficient staff. If an assisted living facility, a hospital, or
2157 a nursing home holds itself out to the public as an adult day
2158 care center, it must be licensed as such and meet all standards
2159 prescribed by statute and rule. For the purpose of this
2160 subsection, the term "day" means any portion of a 24-hour day.

2161 Section 43. Section 429.929, Florida Statutes, is amended
2162 to read:

2163 429.929 Rules establishing standards.-

2164 ~~(1)~~ The agency shall adopt rules to implement this part.
2165 The rules must include reasonable and fair standards. Any
2166 conflict between these standards and those that may be set forth
2167 in local, county, or municipal ordinances shall be resolved in
2168 favor of those having statewide effect. Such standards must
2169 relate to:

2170 (1)(a) The maintenance of adult day care centers with
2171 respect to plumbing, heating, lighting, ventilation, and other
2172 building conditions, including adequate meeting space, to ensure
2173 the health, safety, and comfort of participants and protection
2174 from fire hazard. Such standards may not conflict with chapter
2175 553 and must be based upon the size of the structure and the

Page 75 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20

20201726c1

2176 number of participants.

2177 ~~(2)(b)~~ The number and qualifications of all personnel
2178 employed by adult day care centers who have responsibilities for
2179 the care of participants.

2180 ~~(3)(c)~~ All sanitary conditions within adult day care
2181 centers and their surroundings, including water supply, sewage
2182 disposal, food handling, and general hygiene, and maintenance of
2183 sanitary conditions, to ensure the health and comfort of
2184 participants.

2185 (4)(d) Basic services provided by adult day care centers.

2186 ~~(5)(e)~~ Supportive and optional services provided by adult
2187 day care centers.

2188 (6)(f) Data and information relative to participants and
2189 programs of adult day care centers, including, but not limited
2190 to, the physical and mental capabilities and needs of the
2191 participants, the availability, frequency, and intensity of
2192 basic services and of supportive and optional services provided,
2193 the frequency of participation, the distances traveled by
2194 participants, the hours of operation, the number of referrals to
2195 other centers or elsewhere, and the incidence of illness.

2196 ~~(7)(g)~~ Components of a comprehensive emergency management
2197 plan, developed in consultation with the Department of Health
2198 and the Division of Emergency Management.

2199 ~~(2) Pursuant to this part, s. 408.811, and applicable~~
2200 ~~rules, the agency may conduct an abbreviated biennial inspection~~
2201 ~~of key quality-of-care standards, in lieu of a full inspection,~~
2202 ~~of a center that has a record of good performance. However, the~~
2203 ~~agency must conduct a full inspection of a center that has had~~
2204 ~~one or more confirmed complaints within the licensure period~~

Page 76 of 81

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

588-02756-20 20201726c1

2205 ~~immediately preceding the inspection or which has a serious~~
 2206 ~~problem identified during the abbreviated inspection. The agency~~
 2207 ~~shall develop the key quality-of-care standards, taking into~~
 2208 ~~consideration the comments and recommendations of provider~~
 2209 ~~groups. These standards shall be included in rules adopted by~~
 2210 ~~the agency.~~

2211 Section 44. Part I of chapter 483, Florida Statutes, is
 2212 repealed, and part II and part III of that chapter are
 2213 redesignated as part I and part II, respectively.

2214 Section 45. Paragraph (g) of subsection (3) of section
 2215 20.43, Florida Statutes, is amended to read:

2216 20.43 Department of Health.—There is created a Department
 2217 of Health.

2218 (3) The following divisions of the Department of Health are
 2219 established:

2220 (g) Division of Medical Quality Assurance, which is
 2221 responsible for the following boards and professions established
 2222 within the division:

- 2223 1. The Board of Acupuncture, created under chapter 457.
- 2224 2. The Board of Medicine, created under chapter 458.
- 2225 3. The Board of Osteopathic Medicine, created under chapter
2226 459.
- 2227 4. The Board of Chiropractic Medicine, created under
2228 chapter 460.
- 2229 5. The Board of Podiatric Medicine, created under chapter
2230 461.
- 2231 6. Naturopathy, as provided under chapter 462.
- 2232 7. The Board of Optometry, created under chapter 463.
- 2233 8. The Board of Nursing, created under part I of chapter

588-02756-20 20201726c1

- 2234 464.
- 2235 9. Nursing assistants, as provided under part II of chapter
2236 464.
- 2237 10. The Board of Pharmacy, created under chapter 465.
- 2238 11. The Board of Dentistry, created under chapter 466.
- 2239 12. Midwifery, as provided under chapter 467.
- 2240 13. The Board of Speech-Language Pathology and Audiology,
2241 created under part I of chapter 468.
- 2242 14. The Board of Nursing Home Administrators, created under
2243 part II of chapter 468.
- 2244 15. The Board of Occupational Therapy, created under part
2245 III of chapter 468.
- 2246 16. Respiratory therapy, as provided under part V of
2247 chapter 468.
- 2248 17. Dietetics and nutrition practice, as provided under
2249 part X of chapter 468.
- 2250 18. The Board of Athletic Training, created under part XIII
2251 of chapter 468.
- 2252 19. The Board of Orthotists and Prosthetists, created under
2253 part XIV of chapter 468.
- 2254 20. Electrolysis, as provided under chapter 478.
- 2255 21. The Board of Massage Therapy, created under chapter
2256 480.
- 2257 22. The Board of Clinical Laboratory Personnel, created
2258 under part I ~~part II~~ of chapter 483.
- 2259 23. Medical physicists, as provided under part II ~~part III~~
2260 of chapter 483.
- 2261 24. The Board of Opticianry, created under part I of
2262 chapter 484.

588-02756-20 20201726c1

2263 25. The Board of Hearing Aid Specialists, created under
 2264 part II of chapter 484.

2265 26. The Board of Physical Therapy Practice, created under
 2266 chapter 486.

2267 27. The Board of Psychology, created under chapter 490.

2268 28. School psychologists, as provided under chapter 490.

2269 29. The Board of Clinical Social Work, Marriage and Family
 2270 Therapy, and Mental Health Counseling, created under chapter
 2271 491.

2272 30. Emergency medical technicians and paramedics, as
 2273 provided under part III of chapter 401.

2274 Section 46. Subsection (3) of section 381.0034, Florida
 2275 Statutes, is amended to read:

2276 381.0034 Requirement for instruction on HIV and AIDS.-
 2277 (3) The department shall require, as a condition of
 2278 granting a license under chapter 467 or part I ~~part II~~ of
 2279 chapter 483, that an applicant making initial application for
 2280 licensure complete an educational course acceptable to the
 2281 department on human immunodeficiency virus and acquired immune
 2282 deficiency syndrome. Upon submission of an affidavit showing
 2283 good cause, an applicant who has not taken a course at the time
 2284 of licensure shall be allowed 6 months to complete this
 2285 requirement.

2286 Section 47. Subsection (4) of section 456.001, Florida
 2287 Statutes, is amended to read:

2288 456.001 Definitions.-As used in this chapter, the term:

2289 (4) "Health care practitioner" means any person licensed
 2290 under chapter 457; chapter 458; chapter 459; chapter 460;
 2291 chapter 461; chapter 462; chapter 463; chapter 464; chapter 465;

588-02756-20 20201726c1

2292 chapter 466; chapter 467; part I, part II, part III, part V,
 2293 part X, part XIII, or part XIV of chapter 468; chapter 478;
 2294 chapter 480; part I or part II ~~part II or part III~~ of chapter
 2295 483; chapter 484; chapter 486; chapter 490; or chapter 491.

2296 Section 48. Paragraphs (h) and (i) of subsection (2) of
 2297 section 456.057, Florida Statutes, are amended to read:

2298 456.057 Ownership and control of patient records; report or
 2299 copies of records to be furnished; disclosure of information.-
 2300 (2) As used in this section, the terms "records owner,"
 2301 "health care practitioner," and "health care practitioner's
 2302 employer" do not include any of the following persons or
 2303 entities; furthermore, the following persons or entities are not
 2304 authorized to acquire or own medical records, but are authorized
 2305 under the confidentiality and disclosure requirements of this
 2306 section to maintain those documents required by the part or
 2307 chapter under which they are licensed or regulated:

2308 (h) Clinical laboratory personnel licensed under part I
 2309 ~~part II~~ of chapter 483.

2310 (i) Medical physicists licensed under part II ~~part III~~ of
 2311 chapter 483.

2312 Section 49. Paragraph (j) of subsection (1) of section
 2313 456.076, Florida Statutes, is amended to read:

2314 456.076 Impaired practitioner programs.-
 2315 (1) As used in this section, the term:

2316 (j) "Practitioner" means a person licensed, registered,
 2317 certified, or regulated by the department under part III of
 2318 chapter 401; chapter 457; chapter 458; chapter 459; chapter 460;
 2319 chapter 461; chapter 462; chapter 463; chapter 464; chapter 465;
 2320 chapter 466; chapter 467; part I, part II, part III, part V,

588-02756-20

20201726c1

2321 part X, part XIII, or part XIV of chapter 468; chapter 478;
2322 chapter 480; ~~part I or part II~~ ~~part II or part III~~ of chapter
2323 483; chapter 484; chapter 486; chapter 490; or chapter 491; or
2324 an applicant for a license, registration, or certification under
2325 the same laws.

2326 Section 50. Paragraph (b) of subsection (1) of section
2327 456.47, Florida Statutes, is amended to read:

2328 456.47 Use of telehealth to provide services.—

2329 (1) DEFINITIONS.—As used in this section, the term:

2330 (b) "Telehealth provider" means any individual who provides
2331 health care and related services using telehealth and who is
2332 licensed or certified under s. 393.17; part III of chapter 401;
2333 chapter 457; chapter 458; chapter 459; chapter 460; chapter 461;
2334 chapter 463; chapter 464; chapter 465; chapter 466; chapter 467;
2335 part I, part III, part IV, part V, part X, part XIII, or part
2336 XIV of chapter 468; chapter 478; chapter 480; part I or part II
2337 ~~part II or part III~~ of chapter 483; chapter 484; chapter 486;
2338 chapter 490; or chapter 491; who is licensed under a multistate
2339 health care licensure compact of which Florida is a member
2340 state; or who is registered under and complies with subsection
2341 (4).

2342 Section 51. Except as otherwise expressly provided in this
2343 act and except for this section, which shall become effective
2344 upon this act becoming a law, this act shall take effect July 1,
2345 2020.

The Florida Senate

Committee Agenda Request

To: Senator Rob Bradley, Chair
Committee on Appropriations

Subject: Committee Agenda Request

Date: February 24, 2020

I respectfully request that **Senate Bill # 1726**, relating to Agency for Health Care Administration, be placed on the:

- committee agenda at your earliest possible convenience.
- next committee agenda.

A handwritten signature in blue ink that reads "Aaron Bean".

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/CS/SB 1870 abolishes the Division of State Technology within the Department of Management Services (DMS), reestablishes the Division of Telecommunications, and replaces the State Data Center with the Florida Digital Service, which is charged with proposing innovative solutions that securely modernizes state government, achieving value through digital transformation and interoperability, and supporting the cloud-first policy. The bill requires the Florida Digital Service (FDS) to develop a comprehensive enterprise architecture that addresses how information technology infrastructure may be modernized to achieve cloud-first objectives and to develop a data dictionary and data catalog for the enterprise. “Enterprise” means state agencies, including the Department of Legal Affairs, the Department of Agriculture and Consumer Services, and the Department of Financial Services.

The bill provides the following provisions for the Cabinet agencies:

- May adopt alternative standards in lieu of the enterprise architecture standards. If the Cabinet agency adopts an alternative standard, the agency must provide a written notification including an explanation of how they will support open data interoperability to the Governor, the President of the Senate, and the Speaker of the House of Representative.
- Clarifies that nothing within this section of law requires the Cabinet agency to integrate with information technology outside of its own department or with the FDS.
- The FDS may not retrieve or disclose any data without a shared-data agreement in place between the department and Cabinet agency.

The bill directs the FDS to document and submit use cases in collaboration with agencies and, contingent on an appropriation, assist with the deployment of new interoperability applications or solutions, including but not limited to:

- The Department of Health, Agency for Health Care Administration, the Agency for Persons with Disabilities, the Department of Education, the Department of Elderly Affairs, and the Department of Children and Families; or
- Support military members, veterans, and their families.

Furthermore, the bill creates the Financial Technology Sandbox, within the Office of Financial Regulation (OFR), to license financial technology innovators to test new products and services within the areas of a regulatory sandbox using exceptions of specified general law and waivers of the corresponding rule requirements under defined conditions in the consumer finance, payment instruments sellers, and money transmitter programs.

The bill appropriates \$50,000 in nonrecurring funds for Fiscal Year 2020-2021 from the Administrative Trust Fund to the OFR to implement the provisions of section 559.592, Florida Statutes, relating to the Financial Technology Sandbox.

SB 2500, the Fiscal Year 2020-2021 General Appropriations Act, provides \$850,000 to the Department of Management Services for software to support the data catalog.

Except as otherwise provided (the sandbox provisions), the bill takes effect July 1, 2020.

II. Present Situation:

Department of Management Services (DMS)

Information Technology (IT) Management

The DMS¹ oversees IT² governance and security for the executive branch of state government. The Division of State Technology (DST), within the DMS, implements duties and policies of the DMS in this area.³ The head of DST is appointed by the Secretary of Management Services⁴ and serves as the state chief information officer (CIO).⁵ The CIO must have at least 10 years of executive level experience in the public or private sector.⁶ Since the creation of the Division of State Technology on July 1, 2019, a state CIO has not been appointed. The DST “provides the State with guidance and strategic direction on a variety of transformational technologies, such as

¹ Section 20.22, F.S.

² The term “information technology” means equipment, hardware, software, firmware, programs, systems, networks, infrastructure, media, and related material used to automatically, electronically, and wirelessly collect, receive, access, transmit, display, store, record, retrieve, analyze, evaluate, process, classify, manipulate, manage, assimilate, control, communicate, exchange, convert, converge, interface, switch, or disseminate information of any kind or form. s. 282.0041(14), F.S.

³ Section 20.22(2)(a), F.S.

⁴ The Secretary of Management Services serves as the head of DMS. The Secretary is appointed by the Governor, subject to confirmation by the Senate. s. 20.22(1), F.S.

⁵ Section 20.22(2)(b), F.S.

⁶ *Id.*

cybersecurity and data analytics, while also providing the following critical services: voice, data, software, and much more.”⁷ The duties of DMS and DST include:

- Developing IT policy for the management of the state’s IT resources including state’s data center and telecommunications network;
- Establishing IT architecture standards and assisting state agencies⁸ in complying with those standards;
- Establishing project management and oversight standards with which state agencies must comply when implementing IT projects;
- Performing project oversight of all state agency IT projects that have a total cost of \$10 million or more, as well as cabinet agency IT projects that have a total cost of \$25 million or more, and are funded in the General Appropriations Act or any other law;
- Recommending potential methods for standardizing data across state agencies;
- Recommending open data⁹ technical standards and terminologies for use by state agencies;
- Establishing best practices for the procurement of IT products and cloud-computing services in order to reduce costs, increase the quality of data center services and telecommunication services, or improve government services; and
- Establishing a policy for all IT-related state contracts, including state term contracts for IT commodities, consultant services, and staff augmentation services.¹⁰

State Data Center and the Cloud-First Policy

In 2008, the Legislature created the State Data Center (SDC) system, established two primary data centers,¹¹ and required consolidation of agency data centers into the primary data centers by 2019,¹² which was completed in FY 2013-14. In 2014, the two primary data centers were merged to create the SDC within the then-existing Agency for State Technology.¹³ In 2019, the Legislature abolished the Agency for State Technology and moved the SDC to the Division of State Technology within DMS. DST is required to provide operational management and oversight of the SDC.¹⁴

The SDC relies heavily on the use of state-owned equipment installed at the SDC facility located at the Capital Circle Office Center in Tallahassee for the provision of data center services. The SDC is required to do the following:

- Offer, develop, and support the services and applications defined in service-level agreements executed with its customer entities;¹⁵

⁷ *State Technology*, FLORIDA DEPARTMENT OF MANAGEMENT SERVICES, https://www.dms.myflorida.com/business_operations/state_technology (last visited Jan. 27, 2020).

⁸ See s. 282.0041(27), F.S.

⁹ The term “open data” means data collected or created by a state agency and structured in a way that enables the data to be fully discoverable and usable by the public. The term does not include data that are restricted from public distribution based on federal or state privacy, confidentiality, and security laws and regulations or data for which a state agency is statutorily authorized to assess a fee for its distribution. Section 282.0041(18), F.S.

¹⁰ Section 282.0051, F.S.

¹² Ch. 2008-116, L.O.F.

¹³ Ch. 2014-221, L.O.F.

¹⁴ Section 282.201, F.S.

¹⁵ A “customer entity” means an entity that obtains services from DMS. s. 282.0041(7), F.S.

- Maintain performance of the state data center by ensuring proper data backup, data backup recovery, disaster recovery, and appropriate security, power, cooling, fire suppression, and capacity;
- Develop and implement business continuity and disaster recovery plans, and annually conduct a live exercise of each plan;
- Enter into a service-level agreement with each customer entity to provide the required type and level of service or services;
- Assume administrative access rights to resources and equipment, including servers, network components, and other devices, consolidated into the SDC;
- Show preference, in its procurement process, for cloud-computing solutions that minimize or do not require the purchasing, financing, or leasing of SDC infrastructure, and that meet the needs of customer agencies, reduce costs, and that meet or exceed the applicable state and federal laws, regulations, and standards for IT security; and
- Assist customer entities in transitioning from state data center services to third-party cloud-computing services procured by a customer entity.

A state agency is prohibited, unless exempted¹⁶ elsewhere in law, from:

- Creating a new agency computing facility or data center;
- Expanding the capability to support additional computer equipment in an existing agency computing facility or data center; or
- Terminating services with the SDC without giving written notice of intent to terminate 180 days before termination.¹⁷

Cloud computing is “a model for enabling ubiquitous, convenient, on-demand network access to a shared pool of configurable computing resources (e.g. networks, servers, storage, applications, and services) that can be rapidly provisioned and released with minimal management effort or service provider interaction.”¹⁸ In 2019, the Legislature mandated that each agency adopt a cloud-first policy that first considers cloud computing solutions in its technology sourcing strategy for technology initiatives or upgrades whenever possible or feasible.¹⁹ Each agency must, just like the SDC, show a preference for cloud-computing solutions in its procurement process and adopt formal procedures for the evaluation of cloud-computing options for existing applications, technology initiatives, or upgrades.²⁰

¹⁶ The following entities are exempt from the use of the SDC: the Department of Law Enforcement, the Department of the Lottery’s Gaming System, Systems Design and Development in the Office of Policy and Budget, regional traffic management centers, the Office of Toll Operations of the Department of Transportation, the State Board of Administration, state attorneys, public defenders, criminal conflict and civil regional counsel, capital collateral regional counsel, and the Florida Housing Finance Corporation. S. 282.201(2), F.S.

The term “cloud computing” has the same meaning as provided in Special Publication 800-145 issued by the National Institute of Standards and Technology (NIST). s. 282.0041(5), F.S.

¹⁹ Section 282.206(1), F.S.

²⁰ Section 282.206(2) and (3), F.S.

IT Security

The IT Security Act²¹ establishes requirements for the security of state data and IT resources. The DMS must designate a state chief information security officer (CISO) to oversee state IT security.²² The CISO must have expertise in security and risk management for communications and IT resources.²³ The DST is charged with the following duties regarding IT security:

- Establishing standards and processes consistent with generally accepted best practices for IT security, including cybersecurity;
- Adopting rules that safeguard an agency's data, information, and IT resources to ensure availability, confidentiality, and integrity and to mitigate risks;
- Developing, and annually updating, a statewide IT security strategic plan that includes security goals and objectives for the strategic issues of IT security policy, risk management, training, incident management, and disaster recovery planning.²⁴

The IT Security Act requires the heads of state agencies to designate an information security manager to administer the IT security program of the state agency.²⁵ In part, the heads of state agencies are also required to annually submit to DMS the state agency's strategic and operational IT security plans; conduct, and update every three years, a comprehensive risk assessment; and ensure that periodic internal audits and evaluations of the agency's IT security program for the data, information, and IT resources of the state agency are conducted.²⁶

Telecommunication Services

The DST is also responsible for providing the state enterprise telecommunications system known as the SUNCOM Network. SUNCOM includes voice, data, radio, wiring and cabling, and conferencing service to state agencies, local governments, educational institutions, libraries, and non-profit organizations.²⁷ The DST also leads Emergency Support Functions (ESF 2)²⁸ and E-rate²⁹ and houses the Bureau of Public Safety, which provides Enhanced 911³⁰ and radio communications services to the state's public safety entities.³¹

Financial Technology

Financial technology, often referred to as "FinTech," encompasses a wide array of innovation in the financial services industry. FinTech is technology-enabled innovation in financial services that could result in new business models, applications, processes or products with an associated

²⁶ Section 282.318(4), F.S.

²⁷ Section 282.702, F.S.

²⁸ The DMS, as lead agency for ESF 2 under the direction of the Division of emergency Management, is the first point of contact for telecommunications service providers for equipment and services coordination to provide communications support statewide before, during, and after emergencies.

²⁹ E-Rate is a federal program created to ensure that schools and libraries have affordable access to advance telecommunications services.

³⁰ Section 365.171, F.S.

³¹ Sections 282.709 and 282.7101, F.S.

material effect on the provision of financial services.³² Technological innovation holds great promise for the provision of financial services, with the potential to increase market access, the range of product offerings, and convenience while also lowering costs to clients.³³ Greater competition and diversity in lending, payments, insurance, trading, and other areas of financial services can create a more efficient and resilient financial system.³⁴ Catalysts of FinTech innovations include technology, regulation, and evolving consumer preferences, including customization.³⁵

FinTech innovation is often thought to be synonymous with disruption of the traditional financial services market structure and its providers, such as financial institutions. However, to date, the relationship between incumbent financial institutions and FinTech firms appears to be largely complementary and cooperative in nature.³⁶ FinTech firms have generally not had sufficient access to the low-cost funding or the customer base necessary to pose a serious competitive threat to established financial institutions in mature financial market segments.³⁷ Partnering allows FinTech firms to operate while still being relatively small and, depending on the jurisdiction and the business model, unburdened by some financial regulation while still benefitting from access to incumbents' client base.³⁸ At the same time, incumbents benefit from access to innovative technologies that provide a competitive edge.³⁹ Yet there are exceptions to this trend, as some FinTech firms have established inroads in credit provision and payments.⁴⁰

Regulatory Sandboxes

Rapid Fintech development has brought with it regulatory uncertainty. Some suggest that regulatory relief and testing can be important when it comes to bringing innovative products to market.⁴¹ A well-designed and executed sandbox can facilitate innovation, protect consumers, and safeguard the financial systems.⁴² When approving pilots or issuing regulatory relief, some have suggested agencies adopt a data-driven approach, which incorporates information sharing and the ability to monitor experiments, to ensure the regulators can draw lessons from the sandbox.⁴³ Further, regulatory sandboxes can provide a Fintech business with valuable market insights while maintaining compliance, as well as greater knowledge of the laws surrounding its product or service, and the opportunity to begin building a relationship with a regulator.⁴⁴

Arizona Regulatory Sandbox

Arizona was the first state to enact⁴⁵ and launch a regulatory sandbox (sandbox) program.⁴⁶ The program is established under the Attorney General's Office to foster innovation by enabling a business to obtain limited access to the Arizona market to test innovative financial products or services.⁴⁷ Some of the products or services approved for Arizona's sandbox include:

- A financial services "club" using money transmission services in connection with the sale of digital assets aimed at providing a cash management solution for licensed medical marijuana providers.
- A business model for income-sharing agreements that provide qualified consumers with a fixed amount of money in exchange for a percentage of the consumer's future income over a scheduled period of time, subject to contingencies involving periods of unemployment or lowered income.
- A consumer-lending platform that enables small business partners to provide lending options at the point of sale for consumers seeking to finance household related projects.⁴⁸

Office of Financial Regulation

The Office of Financial Regulation (OFR) regulates financial institutions, finance companies, money services businesses, and the securities industry.⁴⁹ The Financial Services Commission (commission), composed of the Governor, Chief Financial Officer, Attorney General, and the Commissioner of Agriculture and Consumer Services, serves as the agency head of the OFR for purposes of rulemaking under ss. 120.536 through 120.565, F.S.⁵⁰

Money Services Businesses

Money services businesses include payment instrument sellers, money transmitters, check cashers, foreign currency exchangers, and deferred presentment providers, pursuant to ch. 560, F.S., the Money Services Business Act. Money services businesses (MSBs) are regulated under two license categories.⁵¹ Money transmitters and payment instrument issuers⁵² are regulated under part II of ch. 560, F.S., while check cashers⁵³ and foreign currency

⁴⁹ Section 20.121(3)(a)2., F.S.

⁵⁰ *Id.*

⁵¹ Section 560.104, F.S., provides that banks, credit unions, trust companies, offices of an international banking corporation, or other financial depository institutions organized under the laws of any state of the United States are exempt from the provisions of ch. 560, F.S.

⁵² A person licensed as a money transmitter or payment instrument seller may also engage in the activities authorized for check cashers and foreign currency exchangers without paying additional licensing fees. See s. 560.204(2), F.S.

⁵³ "Check casher" means a person who sells currency in exchange for payment instruments received, except for travelers checks. Section 560.103(6), F.S.

exchangers⁵⁴ are regulated under part III. An applicant for licensure as a money services business must:

- Demonstrate the character and general fitness to command the confidence of the public and warrant the belief that the money services business shall operate lawfully and fairly;
- Be legally authorized to do business in this state;
- Be registered as a money services business with the federal Financial Crimes Enforcement Network;⁵⁵ and
- Have an anti-money laundering program, which meets the requirements of 31 C.F.R. 1022.210.⁵⁶

Pursuant to the Florida Control of Money Laundering in Money Services Business Act, a MSB must maintain certain records of each transaction involving currency or payment instruments in order to deter the use of a money services business to conceal proceeds from criminal activity and to ensure the availability of such records for criminal, tax, or regulatory investigations or proceedings.⁵⁷ A MSB must keep records of each transaction occurring in this state which it knows to involve currency or other payment instruments having a value greater than \$10,000; to involve the proceeds of specified unlawful activity; or to be designed to evade the reporting requirements of ch. 896, F.S., or the Florida Control of Money Laundering in Money Services Business Act.⁵⁸ The OFR may take administrative action against a MSB for failure to maintain or produce documents required by ch. 560, F.S., or federal anti-money laundering laws.⁵⁹ The OFR may also take administrative action against an MSB for other violations of federal anti-money laundering laws such as failure to file suspicious activity reports.⁶⁰

A money transmitter “receives currency,⁶¹ monetary value,⁶² or payment instruments⁶³ for the purpose of transmitting the same by any means, including transmission by wire, facsimile, electronic transfer, courier, the internet, or through bill payment services or other businesses that facilitate such transfer within this country, or to or from this country.”⁶⁴ A payment instrument seller sells, issues, provides, or delivers a payment instrument.⁶⁵ A money transmitter or payment instrument seller must:

⁵⁴ “Foreign currency exchanger” means a person who exchanges, for compensation, currency of the United States or a foreign government to currency of another government. s. 560.103(17), F.S.

⁵⁵ See 31 C.F.R. 1010.100 and 31 C.F.R. 1022.380. These provisions define money service businesses subject to registration with the Financial Crimes Enforcement Network (FinCEN).

⁵⁶ Section 560.1401, F.S.

⁵⁷ Section 560.123, F.S.

⁵⁸ *Id.*

⁵⁹ Section 560.114, F.S.

⁶⁰ *Id.*

⁶¹ “Currency” means the coin and paper money of the United States or of any other country which is designated as legal tender and which circulates and is customarily used and accepted as a medium of exchange in the country of issuance. Currency includes United States silver certificates, United States notes, and Federal Reserve notes. Currency also includes official foreign bank notes. Section 560.103(11), F.S.

⁶² “Monetary value” means a medium of exchange, whether or not redeemable in currency. s. 560.103(21), F.S.

⁶³ “Payment instrument” means a check, draft, warrant, money order, travelers check, electronic instrument, or other instrument, payment of money, or monetary value whether or not negotiable. The term does not include an instrument that is redeemable by the issuer in merchandise or service, a credit card voucher, or a letter of credit. s. 560.103(29), F.S.

⁶⁴ Section 560.103(23), F.S.

⁶⁵ Section 560.103(30) and (34).

- Have a net worth of at least \$100,000 and an additional net worth of \$10,000 per location in this state, up to a maximum of \$2 million.⁶⁶
- Have a corporate surety bond in an amount between \$50,000 and \$2 million depending on the financial condition, number of locations, and anticipated volume of the licensee.⁶⁷ In lieu of a corporate surety bond, the licensee may deposit collateral such as cash or interest-bearing stocks and bonds with a federally insured financial institution.⁶⁸
- Possess permissible investments, such as cash and certificates of deposit, with an aggregate market value of at least the aggregate face amount of all outstanding money transmissions and payment instruments issued or sold by the licensee or an authorized vendor in the United States with exceptions.⁶⁹
- Maintain specified records for at least five years.⁷⁰

An applicant for licensure under part II, of ch. 560, F.S., must submit a nonrefundable fee of \$375 with the application form.⁷¹ Applicants are subject to a background check and other specified requirements.⁷²

Federal Regulation

The Financial Crimes Enforcement Network of the U.S. Department of Treasury (FinCEN) is charged with safeguarding the U.S. financial system from the abuses of money laundering, terrorist financing, and other financial crimes.⁷³ To that end, the FinCEN administers the Bank Secrecy Act (BSA).⁷⁴ The BSA regulations requires financial institutions, which includes money services businesses, to establish an anti-money laundering program, verify customer identity, maintain certain records, and file suspicious activity reports and currency transaction reports that have been determined to have a high degree of usefulness in criminal, tax, and regulatory investigations, as well as in certain intelligence and counter-terrorism matters.⁷⁵ Generally, an MSB is required to register with FinCEN, regardless of whether the MSB is licensed with the state, if it conducts more than \$1,000 in business with one person in one or more transactions on the same day, in one or more of the following services: money orders, traveler's checks, check cashing, currency dealing or exchange.⁷⁶ However, if a business provides money transfer services in any amount, the business is required to be registered.⁷⁷

Consumer Finance Loans

The Florida Consumer Finance Act (act)⁷⁸ authorizes licensed lenders to make secured or unsecured consumer loans of money, credit, goods, or choses in action⁷⁹ in an amount or to a value of \$25,000 with a tiered interest rate structure such that the maximum annual interest rate allowed on each tier decreases as principle amounts increase:

- 30 percent on the first \$3,000,
- 24 percent on principal above \$3,000 and up to \$4,000, and
- 18 percent on principal above \$4,000 and up to \$25,000.⁸⁰

An applicant for licensure must pay a nonrefundable biennial license fee of \$625, meet liquid asset standards, and other eligibility requirements.⁸¹ Licenses granted under the act are for a single place of business and must be renewed every two years. The act provides grounds for disciplinary action by the OFR against an applicant or a licensee.⁸²

III. Effect of Proposed Changes:

Florida Digital Service

Section 1 amends s. 20.22, F.S., to abolish the Division of State Technology, reestablishes the Division of Telecommunications and creates the Florida Digital Service “FDS”.

Section 2 amends s.110.205, F.S., to add the state chief data officer and the state chief information security officer as positions exempt from career service and allows the Department of Management Services (DMS) to set the salary and benefits in accordance with the rules of the Senior Management Services.

Section 3 amends s. 282.0041, F.S., to create or revise the following definitions:

- “Data governance” means the practice of organizing, classifying, securing, and implementing policies, procedures, and standards for the effective use of an organization’s data;
- “Electronic” means technology having electrical, digital, magnetic, wireless, optical, electromagnetic, or similar capabilities;
- “Electronic credential” means an electronic representation of the identity of a person, organization, application, or device;
- “Enterprise” means the collection of state agencies. The term includes the Department of Legal Affairs, the Department of Agriculture and Consumer Services, and the Department of Financial Services;
- “Enterprise architecture” means a comprehensive operational framework that contemplates the needs and assets of the enterprise to support interoperability across state government;

⁷⁸ Ch. 516, F.S.

⁷⁹ Chose in action” is defined as “1. A property right in personam, such as a debt owed by another person . . . 2. The right to bring an action to recover a debt, money, or thing. 3. Personal property that one person owns but another person possesses, the owner being able to regain possession through a lawsuit.” Black’s Law Dictionary 101 (3d ed. 1996).

⁸⁰ Section 516.031 (1), F.S. In addition, consumer finance lenders are permitted to charge other fees, as provided in s. 516.031(3), F.S.

⁸¹ Section 516.03(1), F.S.

⁸² Section 516.07, F.S.

- “Interoperability” means the technical ability to share and use data across and throughout the enterprise; and
- “Open data” amends the definition to include data collected by the Department of Legal Affairs, the Department of Agriculture and Consumer Services, and the Department of Financial Services and adds reference to specific exemptions for privacy, confidentiality, security, personal health, business or trade secret information

Section 4 amends s. 282.0051, F.S., to provide the powers and duties of the FDS. The FDS is created within the DMS to propose solutions that securely modernize state government, achieve value through digital transformation and interoperability, and fully support the cloud-first policy as specified in s. 282.206, F.S.

The bill specifies the following duties and responsibilities to the FDS:

- To develop an enterprise architecture that acknowledges the unique need of each entity within the enterprise, facilitates digital interoperability, and supports cloud-first policy⁸³, and addresses how information technology (IT) infrastructure may be modernized to achieve cloud-first objectives.
- To recommend other payment mechanisms to the Executive Office of the Governor, the President of the Senate, and the Speaker of the House of Representatives.
- To conduct, every three years starting in 2021, a market analysis to determine whether the IT resources within the enterprise are utilized in the most cost-effective and cost-efficient manner and incorporate the results into a strategic plan for continued and future information technology and information services including approaches to implement new services or technologies. The analysis and report must be submitted to the Executive Office of the Governor, the President of the Senate, and the Speaker of the House of Representatives not later than December 31 of each year that a market analysis is conducted.
- To ensure the enterprise IT solutions are capable of utilizing an electronic credential and comply with the enterprise architecture standards.

The bill amends the date to January 1 of each even-numbered year for the DMS to provide recommendations for standardization and consolidation of IT services that support interoperability and the cloud-first policy to the Executive Office of the Governor, the President of the Senate, and the Speaker of the House of Representatives.

The bill also adds a requirement for the state chief information officer to have, prior to appointment, at least five years of experience in the development of information system strategic planning and development or information technology policy, and preferably, have leadership-level experience in the design, development, and deployment of interoperable software and data solutions.

The bill adds a chief data officer with significant and substantive experience in data management, data governance, interoperability, and security.

The FDS shall do the following within funds appropriated to the FDS:

⁸³ Section 282.206, F.S.

- Create, not later than October 1, 2021, and maintain a comprehensive indexed data catalog that lists what data elements are housed within the enterprise and in which legacy system or application these data elements are located and what data is restricted from public disclosure;
- Develop and publish, not later than October 1, 2021, in collaboration with the enterprise, a data dictionary for each agency that reflects the nomenclature in the comprehensive indexed data catalog;
- Adopt, by rule, standards that support the creation and deployment of application programming interfaces to facilitate integration throughout the enterprise;
- Adopt, by rule, standards necessary to facilitate a secure ecosystem of data interoperability that is compliant with the enterprise architecture;;
- Adopt, by rule, standards that facilitate the deployment of applications or solutions to existing enterprise obligations in a controlled and phased approach; and
- After submission of documented use cases developed in conjunction with the affected agencies, assist the affected agencies with the deployment, contingent upon a specific appropriation , of new interoperable applications and solutions for:
 - The Department of Health, the Agency for Healthcare Administration, the Agency for Persons with Disabilities, the Department of Education, the Department of Elderly Affairs, and the Department of Children and Families; and
 - Support of military members, veterans, and their families.

Upon adoption of the enterprise architecture, the FDS may develop a process to:

- Receive written notice from the enterprise of procurement of an information technology project that is subject to governance by the enterprise architecture; and
- Participate in the development of specifications and recommend modifications of any procurement by state agencies that the procurement complies with the enterprise architecture.

The bill adds a requirement that the FDS may not retrieve or disclose any data without a shared data agreement in place between the department and the enterprise entity that has primary custodial responsibility of, or data-sharing responsibility for, that data.

Section 5 amends s. 282.00515, F.S., to revise the current process which requires the Cabinet agencies to either adopt the IT architecture standards established in s. 282.0051, F.S., or adopt alternative standards based on best practices and industry standards. The bill provides that, if a Cabinet agency adopts alternative standards in lieu of the enterprise architecture standards, such agency must provide a written justification, including an explanation on how the agency will achieve open data interoperability, to; the Governor, the President of the Senate, and the Speaker of the House of Representatives.t

The bill clarifies that nothing in this section of law requires the Department of Legal Affairs, the Department of Financial Services, or the Department of Agriculture and Consumer Services to integrate with information technology outside its own department or with the FDS and the FDS may not retrieve or disclose any data without a data sharing agreement in place.

Sections 6, 7, 8, 9, 10, and 11 amend ss. 282.318, 287.0591, 365.171, 365.172, 365.173, and 943.0415, F.S., respectively, to make technical, conforming changes.

Financial Technology Sandbox

Section 12 creates s. 559.952, F.S., the “Financial Technology Sandbox” (“sandbox”) effective January 1, 2021, within the Office of Financial Regulation (OFR). Subsection (2) provides that the intent of the sandbox is to allow financial technology innovators to test new products and services in a supervised, flexible regulatory sandbox, using exceptions from specified general law and waivers of the corresponding rule requirements under defined conditions. Subsection (3) creates definitions of terms, including the following:

- “Business entity” means a domestic corporation or other organized domestic entity with a physical presence, other than that of a registered office or agent or virtual mailbox, in this state.
- “Commission” means the Financial Services Commission.
- “Consumer” means a person in this state, whether a natural person or a business entity, who purchases, uses, receives, or enters into an agreement to purchase, use, or receive an innovative financial product or service made available through the Financial Technology Sandbox.
- “Control person,” is defined to have the same meaning as provided in s. 516.01, F.S.
- “Corresponding rule requirements” means the commission rules, or portions thereof, which implement the general laws enumerated in the bill.
- “Financial product or service” means a product or service related to a consumer finance loan, as defined in s. 516.01, F.S., or as a money transmitter or payment instrument seller, as defined in s. 560.103, F.S., including mediums of exchange that are in electronic or digital form, which is subject to general law or corresponding rule requirements in the sections enumerated in paragraph (4)(a) and to general law or corresponding rule requirements in the sections enumerated in paragraph (4)(a) and which is under the jurisdiction of the office.
- “Financial Technology Sandbox” means the program which allows a licensee to make an innovative financial product or service available to consumers as a person who makes and collects consumer finance loans, as defined in s. 516.01, F.S., or as a money transmitter or payment instrument seller, as defined in s. 560.103, F.S., during a sandbox period through an exception to general laws or a waiver of rule requirements, or portions thereof.
- “Innovative” means new or emerging technology, or new uses of existing technology, which provides a product, service, business model, or delivery mechanism to the public and which is not known to have a comparable offering in this state outside of the Financial Technology Sandbox.
- “Licensee” means a business entity that has been approved by the office to participate in the Financial Technology Sandbox.
- “Office” means, unless the context clearly indicates otherwise, the Office of Financial Regulation.
- “Sandbox period” means the initial 24 month period, in which the office has authorized a licensee to make an innovative financial product or service available to consumers, and any extension granted pursuant to law.

Sandbox Application; Standards for Approval (Subsection 5)

Before filing an application to enter the sandbox, a substantially affected person may seek a declaratory statement regarding the applicability of a statute, rule, or agency order to the

petitioner's particular set of circumstances.

The Commission shall, by rule, prescribe the form and manner of the application and how the office will evaluate each application.

Before making an innovative financial product or service available to consumers in the sandbox, a business entity must file an application for licensure with the OFR. In the application, the business entity must specify the general law or rule requirements for which an exception or waiver is sought and the reasons why these requirements prevent the innovative financial product or service from being made available to consumers. The application must also contain:

- The nature of the innovative financial product or service proposed to be made available to consumers in the sandbox;
- The maximum number of consumers to whom the applicant proposes to provide the innovative financial product or service;
- The potential risk to consumers, and the methods that will be used to protect consumers and resolve complaints during the sandbox period;
- The business plan proposed by the applicant;
- Whether the applicant has the necessary personnel, adequate financial and technical expertise, and a sufficient plan to test, monitor, and assess the innovative financial product or service;
- If any control person involved in the development, operation, or management of the applicant's innovative financial product or service has pled no contest to, has been convicted or found guilty of, or is currently under investigation for, fraud, a state or federal securities violation, any property-based offense, or any crime involving moral turpitude or dishonest dealing, the application to the sandbox will be denied. A plea of no contest, a conviction, or a finding of guilt must be reported regardless of adjudication;
- A copy of the disclosures that will be provided to consumers;
- The financial responsibility of any control person; and
- Any other factor that the office determines to be relevant.

The OFR may not approve an application if the applicant had a prior sandbox application that was approved and that related to a substantially similar financial product or service, or if any control person substantially involved in the development, operation, or management of the applicant's innovative financial product or service was substantially involved with another sandbox applicant whose application was approved and whose application related to a substantially similar financial product or service, or if the applicant or any control person has failed to affirmatively demonstrate financial responsibility.

The OFR must approve or deny in writing a sandbox application within 60 days after receipt of the completed application. The OFR and the applicant may jointly agree to extend the time beyond 60 days. Consistent with this section, the OFR may impose conditions on any approval.

Upon approval of an application, the OFR must notify the licensee of their exemption from general law enumerated in the bill and corresponding rule during the sandbox period and the length of the initial sandbox period, not to exceed 24 months. The OFR must post on its website notice of the approval of the application, a summary of the innovative financial product or

service, and the contact information of the licensee making the financial product or service available.

Exceptions of General Law and Waivers of Rules (Subsection 4)

Notwithstanding any other law, the following provisions of general law and corresponding rule requirements are not applicable to the licensee during the sandbox period:

- Section 516.03(1), F.S., relating to the application of a license, to waive the authority of the OFR to request information about the applicant or control person regarding their qualifications, educational and business history, and disciplinary and criminal history. Subsection (5) of section 12 of the bill requires an applicant to provide information concerning their financial and technical expertise, as well as information, including financial responsibility, concerning any control persons. Further the bill and section 516.07, F.S., provide grounds for the denial of a licensee. Section 516.05(1) and (2), F.S., relating to the licensure requirements, to allow for waivers of the 2-year license period and provisions relating to inactive licenses. However, the requirement for the OFR to conduct a background check, required in subsection (1) is not waived.
- Section 560.109, F.S., relating to the examinations and investigations is waived only to the extent that the section requires the OFR to examine a licensee at least once every five years beyond the authorized sandbox period.
- Section 560.118(1), F.S., relating to reports, to waive the quarterly reporting requirement. The bill requires sandbox licensees to submit reports twice a year.
- Section 560.125, F.S., relating to unlicensed activities and penalties, waives subsection (1), only to the extent that subsection would prohibit a licensee from engaging in the business of a money services business during the sandbox period; and subsection (2) is waived only to the extent that subsection would prohibit a licensee from appointing an authorized vendor during the sandbox period
- Section 560.128, F.S., relating to customer contact information and license, to waive the requirements that a licensee provide contact information for the licensee and the OFR and display a license at each location.
- Section 560.141, F.S., relating to the application for a license as a money services business, waives the submission of the following information:
 - Date and state of the applicant's formation.
 - A description of the applicant's business structure.
 - If the applicant or parent is a publicly traded company, copies of all filings made with the U.S. Securities and Exchange Commission or with a similar regulator in another country within the preceding year.
 - The name of the registered agent in this state.
 - Information concerning the company organization, financial viability, and financial responsibility are required as part of the sandbox application process.
- Section 560.142, F.S., relating to the issuance of a license renewal except that the OFR may prorate, but not entirely waive, the license renewal period. The initial sandbox license period is 24 months and the OFR may grant an extension for an additional 12 months, if certain conditions are met.
- Section 560.143(2), F.S., relating to license renewal fees, only to the extent necessary for proration of the renewal fee.

- Section 560.204(1), F.S., relating to unlicensed activity, only to the extent that subsection would prohibit an applicant from engaging in, or advertising it engages in, the selling or issuing of payment instruments or in the activity of a money transmitter during the sandbox period.
- Section 560.205(2), F.S., relating to additional license application requirements, the submission of a sample form of payment instrument is waived. Section 560.208(2), F.S., relating to conduct of businesses, to waive the authority of a licensee to charge a different price for a money transmitter service based on the mode of transmission if certain conditions are met. or
- Section 560.209, F.S., relating to net worth, corporate surety bonds, and collateral deposit in lieu of bond, only to the extent that the OFR may modify, but not entirely waive, the net worth, corporate surety bond, and collateral deposit amounts required under this section. The modified amounts must be in such lower amounts that the OFR determines to be commensurate with the considerations under paragraph (5)(c) and the maximum number of consumers authorized to receive the financial product or service under this section.

Sandbox Operation (Subsection 6)

A licensee may make an innovative financial product or service available to consumers during the initial sandbox period of 24 months. The OFR may, on a case-by-case basis and after consultation with the licensee, specify the maximum number of consumers authorized to receive an innovative financial product or service. The OFR may not authorize more than 15,000 consumers to receive the financial product or service until the licensee has filed the first required biannual report. After the filing of the first report, if the licensee demonstrates adequate financial capitalization, risk management process, and management oversight, the OFR may authorize up to 25,000 consumers to receive the financial product or service.

Before a consumer purchases, uses, receives, or enters into an agreement to purchase, use, or receive an innovative financial product or service through the sandbox, the licensee must provide a written statement to the consumer that includes the following disclosures:

- The name and contact information of the person making the financial product or service available to consumers;
- That the financial product or service has been authorized to be made available to consumers for a temporary period by the office, under the laws of this state;
- That this state does not endorse the financial product or service;
- That the financial product or service is undergoing testing, may not function as intended, and may entail financial risk;
- That the person making the financial product or service available to consumers is not immune from civil liability for any losses or damages caused by the financial product or service;
- The expected end date of the sandbox period;
- The contact information for the office, and notification that suspected legal violations, complaints, or other comments related to the financial product or service may be submitted to the office; and
- Any other statements or disclosures required by rule of the commission.

The written statement must contain an acknowledgment from the consumer, which must be retained for the duration of the sandbox period by the licensee making the financial product or service available.

The OFR may enter into an agreement with a state, federal, or foreign regulatory agency to allow persons who make an innovative financial product or service available in this state through the sandbox to make their products or services available in other jurisdictions. The commission must adopt rules to implement this provision.

The OFR may examine the records of a sandbox licensee at any time, with or without notice.

Sandbox Period Extension and Conclusion (Subsection 7)

A licensee may apply for an extension of the initial sandbox period for 12 additional months. A complete application for an extension must be filed with the OFR at least 90 days before the conclusion of the initial sandbox period. The OFR must approve or deny the application for extension in writing at least 35 days before the conclusion of the initial sandbox period. In deciding to approve or deny an application for extension of the sandbox period, the office must at least consider the status of the factors previously considered in deciding to approve or deny an application to enter the sandbox. An application for an extension must cite one of the following reasons as the basis for the application and must provide all relevant supporting information that:

- Amendments to general law or rules are necessary to offer the innovative financial product or service in this state permanently; or
- An application for a license that is required in order to offer the innovative financial product or service in this state permanently has been filed with the OFR, and approval is pending.

At least 30 days before the conclusion of the initial sandbox period or the extension, whichever is later, a licensee must provide written notification to consumers regarding the conclusion of the initial sandbox period or the extension, and may not make the financial product or service available to any new consumers after the conclusion of the initial sandbox period or the extension, whichever is later, until legal authority outside of the sandbox exists to make the financial product or service available to consumers. After the conclusion of the sandbox period or the extension, whichever is later, the person who makes the innovative financial product or service available may:

- Collect and receive money owed to the person or pay money owed by the person, based on agreements with consumers made before the conclusion of the sandbox period or the extension;
- Take necessary legal action; and
- Take other actions authorized by commission rule, which are not inconsistent with this subsection.

Reporting (Subsection 8)

A person authorized to make an innovative financial product or service available to consumers must submit a report to the office twice a year, as prescribed by commission rule. The report must include financial reports and the number of consumers who have received the financial product or service.

Construction (Subsection 9)

A business entity whose sandbox application is approved under this section is deemed licensed under chapter 516, chapter 560, or both chapter 516 and 560, F.S., as applicable to the business entity's activities. The business entity is subject to any provision of chapter 516 or chapter 560, F.S., not specifically excepted under paragraph (4)(a), as the applicable to the business entity's activities, and must comply with such provisions. Notwithstanding s. 560.204(2), F.S., the business entity may not engage in part III of chapter 560, F.S.

Violations and Penalties (Subsection 10)

A licensee who makes an innovative financial product or service available to consumers in the sandbox is not immune from civil damages for acts and omissions relating to this section and is subject to all criminal statutes and any other statute not specifically excepted. The OFR may, by order, revoke or suspend authorization granted to a person to make an innovative financial product or service available to consumers if:

- The licensee has violated or refused to comply with this section, a rule of the commission, an order of the OFR, or a condition placed by the office on the approval of the person's sandbox application;
- A fact or condition exists that, if it had existed or become known at the time that the sandbox application was pending, would have warranted denial of the application or the imposition of material conditions;
- A material error, false statement, misrepresentation, or material omission was made in the sandbox application; or
- After consultation with the licensee, continued testing of the innovative financial product or service would:
 - Be likely to harm consumers; or
 - No longer serve the purposes of this section because of the financial or operational failure of the financial product or service.

Written notice of a revocation or suspension order must be served using any means authorized by law. If the notice relates to a suspension, the notice must include any condition or remedial action that the person must complete before the office lifts the suspension. The office may refer any suspected violation of law to an appropriate state or federal agency for investigation, prosecution, civil penalties, and other appropriate enforcement actions. If service of process on a person making an innovative financial product or service available to consumers in the sandbox is not feasible, service on the OFR is deemed service on such person.

Rules and Orders (Subsection 11)

The commission must adopt rules to administer this section prior to approving any sandbox application. The OFR may issue all necessary orders to enforce this section and may enforce the orders in accordance with ch. 120, F.S., or in any court of competent jurisdiction. These orders include, but are not limited to, orders for payment of restitution for harm suffered by consumers because of an innovative financial product or service.

Appropriation for the Sandbox

Section 13 provides an appropriation of \$50,000 in nonrecurring funds from the Administrative Trust Fund to the Office of Financial Regulation to implement s. 559.952, F.S., as created by this act.

Effective Date

Section 14. The creation of s. 559.952, F.S., and the appropriation to implement s. 559.952, F.S., by this act shall take effect only if SB 1872 or similar legislation takes effect and if such legislation is adopted in the same legislative session or an extension thereof and becomes a law. SB 1872 creates public record exemptions for certain records containing proprietary business information related to the Financial Technology Sandbox.

Section 15 provides that, except as otherwise expressly provided, the bill takes effect July 1, 2020.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

Entering into Reciprocal Agreements with Other States, Federal Agencies, or Foreign Regulatory Agencies

Statutory authorization to enter reciprocal agreements with other states may potentially implicate the “nondelegation doctrine.” Article III, Section 1 of the Florida Constitution states that “[t]he legislative power of the state shall be vested in a legislature of the State of Florida.” The Florida Supreme Court has held that this constitutional provision requires that “primary policy decisions shall be made by members of the legislature who

are elected to perform those tasks, and administration of legislative programs must be pursuant to some minimal standards and guidelines....”⁸⁴

The Legislature may constitutionally transfer subordinate functions to "permit administration of legislative policy by an agency with the expertise and flexibility to deal with complex and fluid conditions."⁸⁵ However, the Legislature "may not delegate the power to enact a law or the right to exercise unrestricted discretion in applying the law."⁸⁶ Further, the nondelegation doctrine precludes the Legislature from delegating its powers “absent ascertainable minimal standards and guidelines.”⁸⁷ When the Legislature delegates power to another body, it “must clearly announce adequate standards to guide in the execution of the powers delegated.”⁸⁸

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

There could be a fiscal impact on businesses that have a reduced regulatory structure by inclusion into the Financial Technologies Sandbox. This could allow these businesses to be more successful or could result in the failure of the business.

C. Government Sector Impact:

Sections 1 through 11 of the Bill:

The bill will have a significant negative fiscal impact on state government expenditures. It is unclear how the Florida Digital Service (FDS), within the DMS, will be funded. The current structure of the Division of State Technology allows the Office of the State Chief Information Officer (OCIO) to be included within the state data center’s cost recovery model. The bill provides for much different duties and structure which is unlikely to be allowable under Florida’s Statewide Cost Allocation Plan. The actual structure of the FDS is not clear, but the current budget of the OCIO in SB 2500, the Senate’s General Appropriations Bill, funded through the cost recovery model is \$6,090,379. Also, the current duties of the OCIO have significantly expanded and the OCIO may not have the staffing levels to support this expanded workload. Of the \$6,090,379 provided in SB 2500, \$850,000 from the Working Capital Trust Fund is specifically appropriated for software to support the data catalog specified in this bill.

⁸⁴ *Askew v. Cross Key Waterways*, 372 So.2d 913, 925 (Fla. 1978).

⁸⁵ *Microtel v. Fla. Pub. Serv. Comm'n*, 464 So.2d 1189, 1191 (Fla.1985) (citing *State, Dep't of Citrus v. Griffin*, 239 So.2d 577 (Fla.1970)).

⁸⁶ *Sims v. State*, 754 So.2d 657, 668 (Fla. 2000).

⁸⁷ *Dep't of Bus. Reg., Div. of Alcoholic Beverages and Tobacco v. Jones*, 474 So.2d 359, 361 (Fla. 1st DCA 1985).

⁸⁸ *Martin*, 916 So.2d at 770.

Sections 12 through 14 of the Bill:***Office of Financial Regulation (OFR)***

The OFR estimates that they will need \$50,000 in nonrecurring funds to make changes to their information technology infrastructure in order to administer the Financial Technology Sandbox program.⁸⁹

VI. Technical Deficiencies:**VII. Related Issues:****VIII. Statutes Affected:**

This bill substantially amends the following sections of the Florida Statutes: 20.22, 110.205, 282.0041, 282.0051, 282.00515, 282.318, 287.0591, 365.171, 365.172, 365.173, and 943.0415.

This bill creates section 559.952 of the Florida Statutes.

IX. Additional Information:**A. Committee Substitute – Statement of Substantial Changes:**
(Summarizing differences between the Committee Substitute and the prior version of the bill.)**CS/CS/CS by Appropriations on March 3, 2020:**

The committee substitute:

- Adds a definition for data governance, removes definitions for credential service provider, data-call, and qualified entity, and modifies definition for open data to include references to disclosure exemptions for privacy, confidentiality, security, personal health, business or trade secret information and state public records laws.
- Removes the authority for the Florida Digital Service (FDS) to procure a credential service provider.
- Removes the authority for the FDS to enter into agreements with qualified entities to access state data for a fee, and for the revenue from the fees to be deposited into the Department of Management Services (DMS) operating trust fund.
- Amends the date for the FDS to provide recommendations for standardization or consolidation of information technology (IT) services to January 1 of each even-numbered year.
- Allows the FDS to submit recommendations for other payment mechanism to the Governor, President, and Speaker and such mechanisms can only be implemented if specifically authorized by the Legislature.

⁸⁹ Email from Office of Financial Regulation, CS/SB 1870 Fiscal Impact (Feb. 14, 2020). On file with the Banking and Insurance Committee.

- Requires the FDS to conduct a market analysis every three years and incorporate the results into a strategic plan. The analysis and plan must be submitted to the Governor, President, and Speaker by December 31 of the year the analysis was conducted.
- Add requirement that enterprise IT solutions must be capable of utilizing an electronic credential and comply with the enterprise architecture standards.
- Adds experience requirements for the Chief Information Officer (CIO) and Chief Data Officer (CDO).
- Allows the DMS to set the salary and benefits for the CIO, CDO, and Chief Information Security Officer as Senior Management Service.
- Provide deadlines for the development of a statewide data dictionary and data catalog.
- Requires the DMS to use the rulemaking process for developing and publishing statewide IT standards as it relates to architecture, data interoperability, interfaces, and the deployment of new applications and solutions to existing systems.
- Removes authority to set standards over existing solutions for digital proof of driver's licenses, authentication of voter eligibility, and integration for motor vehicle insurance cancellation.
- Amends the notification requirements for the Cabinet agencies when adopting alternative IT standards.
- Clarifies that there is no requirements in s. 282.0051, F.S., for Cabinet agencies to integrate with systems outside of their department and that the FDS may not retrieve or disclose any data without a data sharing agreement in place.
- Makes technical clarifying changes for specific exemptions in general law for the financial technology sandbox
- Adds requirement for applicants to specify the number of consumers they propose to offer their product or service to and include a draft of the proposed consumer disclosures as part of the initial application
- Requires the Office of Financial Regulation (OFR) to consider the financial responsibility of an applicant and requires the OFR to deny a license if an applicant does not comply with these requirements.
- Revises license periods to provide that the initial sandbox license is for a period of 24 months, instead of up to 24 months, and the extension licensee is for a period of 12 months, instead of up to 12 months.
- Provides that a business entity whose sandbox application is approved by the OFR is licensed under chapter 516, chapter 560, or both chapters 516 and 560, as applicable to the activities of the business entity; and is subject to any provision of chapter 516 or chapter 560 not specifically excepted, as applicable to the activities of the business entity, and must comply with such provisions.

CS/CS by Banking and Insurance on February 19, 2020:

The CS:

- Eliminates the Enterprise Architecture Advisory Council.
- Revises powers and duties of the Florida Digital Services.
- Revises the definition of the term, "enterprise," to exclude the judicial branch.

- Provides that a credential service provider and qualifying entity revenues may not be derived from any other transactions that generate revenue for the enterprise outside of the per-data-call or subscription charges.
- Provides technical, conforming changes.
- Revises the Financial Regulatory Sandbox program to limit the scope to products or services relating to a consumer finance loan or a money transmitter and payment instrument seller.
- Creates additional definitions relating to the Financial Regulatory Sandbox program.
- Eliminates the authority of the Office of Financial Regulation to enter into reciprocity agreements with other states, federal agencies, or foreign regulatory agencies to allow persons operating in sandboxes in other jurisdictions to operate in this state.
- Revises requirements for the application for licensure under the Financial Regulatory Sandbox program.
- Removes additional recordkeeping requirements for sandbox licensees.
- Appropriates \$50,000 in nonrecurring funds from the Administrative Trust Fund to the Office of Financial Regulation to implement the provisions of s. 559.952, F.S.

CS by Innovation, Industry, and Technology on February 10, 2020:

The committee substitute:

- Creates the definitions relating to the Florida Digital Service in s. 282.0041, F.S., instead of s. 282.0051, F.S.;
- Provides new definitions for “credential service provider,” “data call,” “electronic,” “electronic credential,” and “electronic credential provider”;
- Changes the definition of “enterprise” for purposes of the provisions on the Florida Digital Service’s enterprise architecture to include all entities within the executive branch of state government, plus the Justice Administrative Commission and the Public Service Commission, and Department of Legal Affairs, the Department of Agriculture and Consumer Services, the Department of Financial Services, and the judicial branch;
- Expands the Florida Digital Service’s oversight of and involvement in projects that have an information technology component and provides for exceptions;
- Deletes all qualifications for the state chief information officer, the state chief data officer, and the state chief information security officer;
- Deletes the provisions on the Florida Digital Service enforcing the enterprise architecture by intervening in any procurement of information technology and delaying the procurement until it complies with the enterprise architecture;
- Deletes the requirement that the enterprise architecture’s comprehensive account for all of the needs and responsibilities of a department;
- Requires the terms of the contract with a credential service provider pay for that service on a per-data call or subscription basis, with the revenues from these charges deposited into DMS’s operating trust fund for distribution, with DMS to recover all costs for implementing and administering the electronic credential solution;
- Authorizes the Florida Digital Service to “report to the legislative branch on any project within the judicial branch which does not comply with the enterprise architecture, while understanding the separation of powers”;

- Creates the Enterprise Architecture Advisory Council to meet semiannually to discuss implementation, management, and coordination of the enterprise architecture; identify potential issues and threats with specific use cases; and develop proactive solutions;
- Creates the Financial Technology Sandbox Act effective January 1, 2021;
- Provides authority for exceptions rather than waivers of certain statutory requirements;
- Deletes banking products and services from the definition of financial product or service and deletes references to blockchain technology;
- Deletes from the definition of “innovative” the requirement that the technology “has no substantially comparable, widely available analog in this state”;
- Authorizes the Office of Financial Regulation, not the Commissioner of the Office of Financial Regulation to waive a requirement or a portion thereof which is imposed by a general law or rule, and lists individual statutes which may be waived instead of entire chapters;
- Provides for declaratory statement on applicability of statutes, rules, or orders;
- Provides that the Financial Services Commission is to prescribe by rule the form and manner of the application to enter the Financial Technology Sandbox, not the Commissioner of the Office of Financial Regulation;
- Deletes a requirement that the applicant submit fingerprints for each individual filing an application and each individual who is substantially involved in the development, operation, or management of the innovative financial product or service, together with all the provisions relating to this requirement;
- Deletes a requirement that a person whose Financial Technology Sandbox application is approved post a consumer protection bond with the commissioner as security for potential losses suffered by consumers;
- Adds a limitation of 15,000 consumers to receive the financial product or service prior to filing the first activity report, with the limit increased after such filing to 25,000; and
- Adds a requirement that these reports, at a minimum, include financial reports and the number of consumers who have received the financial product or service.

B. Amendments:

None.

The Committee on Appropriations (Hutson) recommended the following:

Senate Amendment (with title amendment)

Delete everything after the enacting clause
and insert:

Section 1. Subsection (2) of section 20.22, Florida
Statutes, is amended to read:

20.22 Department of Management Services.—There is created a
Department of Management Services.

(2) The following divisions, and programs, and services
within the Department of Management Services are established:

- 11 (a) Facilities Program.
- 12 (b) The Florida Digital Service Division of State
13 ~~Technology, the director of which is appointed by the secretary~~
14 ~~of the department and shall serve as the state chief information~~
15 ~~officer. The state chief information officer must be a proven,~~
16 ~~effective administrator who must have at least 10 years of~~
17 ~~executive level experience in the public or private sector,~~
18 ~~preferably with experience in the development of information~~
19 ~~technology strategic planning and the development and~~
20 ~~implementation of fiscal and substantive information technology~~
21 ~~policy and standards.~~
- 22 (c) Workforce Program.
- 23 (d) 1. Support Program.
- 24 2. Federal Property Assistance Program.
- 25 (e) Administration Program.
- 26 (f) Division of Administrative Hearings.
- 27 (g) Division of Retirement.
- 28 (h) Division of State Group Insurance.
- 29 (i) Division of Telecommunications.
- 30 Section 2. Paragraph (e) of subsection (2) of section
31 110.205, Florida Statutes, is amended to read:
32 110.205 Career service; exemptions.—
33 (2) EXEMPT POSITIONS.—The exempt positions that are not
34 covered by this part include the following:
35 (e) The state chief information officer, the state chief
36 data officer, and the state chief information security officer.
37 ~~Unless otherwise fixed by law, The Department of Management~~
38 ~~Services shall set the salary and benefits of these positions~~
39 ~~this position~~ in accordance with the rules of the Senior

228190

40 Management Service.

41 Section 3. Section 282.0041, Florida Statutes, is amended
42 to read:

43 282.0041 Definitions.—As used in this chapter, the term:

44 (1) "Agency assessment" means the amount each customer
45 entity must pay annually for services from the Department of
46 Management Services and includes administrative and data center
47 services costs.

48 (2) "Agency data center" means agency space containing 10
49 or more physical or logical servers.

50 (3) "Breach" has the same meaning as provided in s.
51 501.171.

52 (4) "Business continuity plan" means a collection of
53 procedures and information designed to keep an agency's critical
54 operations running during a period of displacement or
55 interruption of normal operations.

56 (5) "Cloud computing" has the same meaning as provided in
57 Special Publication 800-145 issued by the National Institute of
58 Standards and Technology.

59 (6) "Computing facility" or "agency computing facility"
60 means agency space containing fewer than a total of 10 physical
61 or logical servers, but excluding single, logical-server
62 installations that exclusively perform a utility function such
63 as file and print servers.

64 (7) "Customer entity" means an entity that obtains services
65 from the Department of Management Services.

66 (8) "Data" means a subset of structured information in a
67 format that allows such information to be electronically
68 retrieved and transmitted.

69 (9) "Data governance" means the practice of organizing,
70 classifying, securing, and implementing policies, procedures,
71 and standards for the effective use of an organization's data.

72 (10) "Department" means the Department of Management
73 Services.

74 (11)~~(10)~~ "Disaster recovery" means the process, policies,
75 procedures, and infrastructure related to preparing for and
76 implementing recovery or continuation of an agency's vital
77 technology infrastructure after a natural or human-induced
78 disaster.

79 (12) "Electronic" means technology having electrical,
80 digital, magnetic, wireless, optical, electromagnetic, or
81 similar capabilities.

82 (13) "Electronic credential" means an electronic
83 representation of the identity of a person, an organization, an
84 application, or a device.

85 (14) "Enterprise" means state agencies and the Department
86 of Legal Affairs, the Department of Financial Services, and the
87 Department of Agriculture and Consumer Services.

88 (15) "Enterprise architecture" means a comprehensive
89 operational framework that contemplates the needs and assets of
90 the enterprise to support interoperability.

91 (16)~~(11)~~ "Enterprise information technology service" means
92 an information technology service that is used in all agencies
93 or a subset of agencies and is established in law to be
94 designed, delivered, and managed at the enterprise level.

95 (17)~~(12)~~ "Event" means an observable occurrence in a system
96 or network.

97 (18)~~(13)~~ "Incident" means a violation or imminent threat of

98 violation, whether such violation is accidental or deliberate,
99 of information technology resources, security, policies, or
100 practices. An imminent threat of violation refers to a situation
101 in which the state agency has a factual basis for believing that
102 a specific incident is about to occur.

103 (19)~~(14)~~ "Information technology" means equipment,
104 hardware, software, firmware, programs, systems, networks,
105 infrastructure, media, and related material used to
106 automatically, electronically, and wirelessly collect, receive,
107 access, transmit, display, store, record, retrieve, analyze,
108 evaluate, process, classify, manipulate, manage, assimilate,
109 control, communicate, exchange, convert, converge, interface,
110 switch, or disseminate information of any kind or form.

111 (20)~~(15)~~ "Information technology policy" means a definite
112 course or method of action selected from among one or more
113 alternatives that guide and determine present and future
114 decisions.

115 (21)~~(16)~~ "Information technology resources" has the same
116 meaning as provided in s. 119.011.

117 (22)~~(17)~~ "Information technology security" means the
118 protection afforded to an automated information system in order
119 to attain the applicable objectives of preserving the integrity,
120 availability, and confidentiality of data, information, and
121 information technology resources.

122 (23) "Interoperability" means the technical ability to
123 share and use data across and throughout the enterprise.

124 (24)~~(18)~~ "Open data" means data collected or created by a
125 state agency, the Department of Legal Affairs, the Department of
126 Financial Services, and the Department of Agriculture and

127 Consumer Services, and structured in a way that enables the data
128 to be fully discoverable and usable by the public. The term does
129 not include data that are restricted from public disclosure
130 ~~distribution~~ based on federal or state ~~privacy, confidentiality,~~
131 ~~and security~~ laws and regulations, including, but not limited
132 to, those related to privacy, confidentiality, security,
133 personal health, business or trade secret information, and
134 exemptions from state public records laws; or data for which a
135 state agency, the Department of Legal Affairs, the Department of
136 Financial Services, or the Department of Agriculture and
137 Consumer Services is statutorily authorized to assess a fee for
138 its distribution.

139 ~~(25)-(19)~~ "Performance metrics" means the measures of an
140 organization's activities and performance.

141 ~~(26)-(20)~~ "Project" means an endeavor that has a defined
142 start and end point; is undertaken to create or modify a unique
143 product, service, or result; and has specific objectives that,
144 when attained, signify completion.

145 ~~(27)-(21)~~ "Project oversight" means an independent review
146 and analysis of an information technology project that provides
147 information on the project's scope, completion timeframes, and
148 budget and that identifies and quantifies issues or risks
149 affecting the successful and timely completion of the project.

150 ~~(28)-(22)~~ "Risk assessment" means the process of identifying
151 security risks, determining their magnitude, and identifying
152 areas needing safeguards.

153 ~~(29)-(23)~~ "Service level" means the key performance
154 indicators (KPI) of an organization or service which must be
155 regularly performed, monitored, and achieved.

156 ~~(30)-(24)~~ "Service-level agreement" means a written contract
157 between the Department of Management Services and a customer
158 entity which specifies the scope of services provided, service
159 level, the duration of the agreement, the responsible parties,
160 and service costs. A service-level agreement is not a rule
161 pursuant to chapter 120.

162 ~~(31)-(25)~~ "Stakeholder" means a person, group, organization,
163 or state agency involved in or affected by a course of action.

164 ~~(32)-(26)~~ "Standards" means required practices, controls,
165 components, or configurations established by an authority.

166 ~~(33)-(27)~~ "State agency" means any official, officer,
167 commission, board, authority, council, committee, or department
168 of the executive branch of state government; the Justice
169 Administrative Commission; and the Public Service Commission.
170 The term does not include university boards of trustees or state
171 universities. As used in part I of this chapter, except as
172 otherwise specifically provided, the term does not include the
173 Department of Legal Affairs, the Department of Agriculture and
174 Consumer Services, or the Department of Financial Services.

175 ~~(34)-(28)~~ "SUNCOM Network" means the state enterprise
176 telecommunications system that provides all methods of
177 electronic or optical telecommunications beyond a single
178 building or contiguous building complex and used by entities
179 authorized as network users under this part.

180 ~~(35)-(29)~~ "Telecommunications" means the science and
181 technology of communication at a distance, including electronic
182 systems used in the transmission or reception of information.

183 ~~(36)-(30)~~ "Threat" means any circumstance or event that has
184 the potential to adversely impact a state agency's operations or

228190

185 assets through an information system via unauthorized access,
186 destruction, disclosure, or modification of information or
187 denial of service.

188 (37)~~(31)~~ "Variance" means a calculated value that
189 illustrates how far positive or negative a projection has
190 deviated when measured against documented estimates within a
191 project plan.

192 Section 4. Section 282.0051, Florida Statutes, is amended
193 to read:

194 282.0051 Department of Management Services; Florida Digital
195 Service; powers, duties, and functions.—

196 (1) The Florida Digital Service has been created within the
197 department to propose innovative solutions that securely
198 modernize state government, including technology and information
199 services, to achieve value through digital transformation and
200 interoperability, and to fully support the cloud-first policy as
201 specified in s. 282.206. The department, through the Florida
202 Digital Service, shall have the following powers, duties, and
203 functions:

204 (a)~~(1)~~ Develop and publish information technology policy
205 for the management of the state's information technology
206 resources.

207 (b)~~(2)~~ Develop an enterprise architecture that:

208 1. Acknowledges the unique needs of the entities within the
209 enterprise in the development and publication of standards and
210 terminologies to facilitate digital interoperability;

211 2. Supports the cloud-first policy as specified in s.
212 282.206; and

213 3. Addresses how information technology infrastructure may

228190

214 be modernized to achieve cloud-first objectives ~~Establish and~~
215 ~~publish information technology architecture standards to provide~~
216 ~~for the most efficient use of the state's information technology~~
217 ~~resources and to ensure compatibility and alignment with the~~
218 ~~needs of state agencies. The department shall assist state~~
219 ~~agencies in complying with the standards.~~

220 (c) ~~(3)~~ Establish project management and oversight standards
221 with which state agencies must comply when implementing
222 information technology projects. The department, acting through
223 the Florida Digital Service, shall provide training
224 opportunities to state agencies to assist in the adoption of the
225 project management and oversight standards. To support data-
226 driven decisionmaking, the standards must include, but are not
227 limited to:

228 1. ~~(a)~~ Performance measurements and metrics that objectively
229 reflect the status of an information technology project based on
230 a defined and documented project scope, cost, and schedule.

231 2. ~~(b)~~ Methodologies for calculating acceptable variances in
232 the projected versus actual scope, schedule, or cost of an
233 information technology project.

234 3. ~~(c)~~ Reporting requirements, including requirements
235 designed to alert all defined stakeholders that an information
236 technology project has exceeded acceptable variances defined and
237 documented in a project plan.

238 4. ~~(d)~~ Content, format, and frequency of project updates.

239 (d) ~~(4)~~ Perform project oversight on all state agency
240 information technology projects that have total project costs of
241 \$10 million or more and that are funded in the General
242 Appropriations Act or any other law. The department, acting

243 through the Florida Digital Service, shall report at least
244 quarterly to the Executive Office of the Governor, the President
245 of the Senate, and the Speaker of the House of Representatives
246 on any information technology project that the department
247 identifies as high-risk due to the project exceeding acceptable
248 variance ranges defined and documented in a project plan. The
249 report must include a risk assessment, including fiscal risks,
250 associated with proceeding to the next stage of the project, and
251 a recommendation for corrective actions required, including
252 suspension or termination of the project.

253 (e)~~(5)~~ Identify opportunities for standardization and
254 consolidation of information technology services that support
255 interoperability and the cloud-first policy, as specified in s.
256 282.206, and business functions and operations, including
257 administrative functions such as purchasing, accounting and
258 reporting, cash management, and personnel, and that are common
259 across state agencies. The department, acting through the
260 Florida Digital Service, shall biennially on January 1 of each
261 even-numbered year ~~April 1~~ provide recommendations for
262 standardization and consolidation to the Executive Office of the
263 Governor, the President of the Senate, and the Speaker of the
264 House of Representatives.

265 (f)~~(6)~~ Establish best practices for the procurement of
266 information technology products and cloud-computing services in
267 order to reduce costs, increase the quality of data center
268 services, or improve government services.

269 (g)~~(7)~~ Develop standards for information technology reports
270 and updates, including, but not limited to, operational work
271 plans, project spend plans, and project status reports, for use

228190

272 by state agencies.

273 (h)~~(8)~~ Upon request, assist state agencies in the
274 development of information technology-related legislative budget
275 requests.

276 (i)~~(9)~~ Conduct annual assessments of state agencies to
277 determine compliance with all information technology standards
278 and guidelines developed and published by the department and
279 provide results of the assessments to the Executive Office of
280 the Governor, the President of the Senate, and the Speaker of
281 the House of Representatives.

282 (j)~~(10)~~ Provide operational management and oversight of the
283 state data center established pursuant to s. 282.201, which
284 includes:

285 1.~~(a)~~ Implementing industry standards and best practices
286 for the state data center's facilities, operations, maintenance,
287 planning, and management processes.

288 2.~~(b)~~ Developing and implementing cost-recovery mechanisms
289 that recover the full direct and indirect cost of services
290 through charges to applicable customer entities. Such cost-
291 recovery mechanisms must comply with applicable state and
292 federal regulations concerning distribution and use of funds and
293 must ensure that, for any fiscal year, no service or customer
294 entity subsidizes another service or customer entity. The
295 Florida Digital Service may recommend other payment mechanisms
296 to the Executive Office of the Governor, the President of the
297 Senate, and the Speaker of the House of Representatives. Such
298 mechanism may be implemented only if specifically authorized by
299 the Legislature.

300 3.~~(c)~~ Developing and implementing appropriate operating

301 guidelines and procedures necessary for the state data center to
302 perform its duties pursuant to s. 282.201. The guidelines and
303 procedures must comply with applicable state and federal laws,
304 regulations, and policies and conform to generally accepted
305 governmental accounting and auditing standards. The guidelines
306 and procedures must include, but need not be limited to:

307 ~~a.1.~~ Implementing a consolidated administrative support
308 structure responsible for providing financial management,
309 procurement, transactions involving real or personal property,
310 human resources, and operational support.

311 ~~b.2.~~ Implementing an annual reconciliation process to
312 ensure that each customer entity is paying for the full direct
313 and indirect cost of each service as determined by the customer
314 entity's use of each service.

315 ~~c.3.~~ Providing rebates that may be credited against future
316 billings to customer entities when revenues exceed costs.

317 ~~d.4.~~ Requiring customer entities to validate that
318 sufficient funds exist in the appropriate data processing
319 appropriation category or will be transferred into the
320 appropriate data processing appropriation category before
321 implementation of a customer entity's request for a change in
322 the type or level of service provided, if such change results in
323 a net increase to the customer entity's cost for that fiscal
324 year.

325 ~~e.5.~~ By November 15 of each year, providing to the Office
326 of Policy and Budget in the Executive Office of the Governor and
327 to the chairs of the legislative appropriations committees the
328 projected costs of providing data center services for the
329 following fiscal year.

228190

330 f.6. Providing a plan for consideration by the Legislative
331 Budget Commission if the cost of a service is increased for a
332 reason other than a customer entity's request made pursuant to
333 sub-subparagraph d. subparagraph 4. Such a plan is required only
334 if the service cost increase results in a net increase to a
335 customer entity for that fiscal year.

336 g.7. Standardizing and consolidating procurement and
337 contracting practices.

338 4.(d) In collaboration with the Department of Law
339 Enforcement, developing and implementing a process for
340 detecting, reporting, and responding to information technology
341 security incidents, breaches, and threats.

342 5.(e) Adopting rules relating to the operation of the state
343 data center, including, but not limited to, budgeting and
344 accounting procedures, cost-recovery methodologies, and
345 operating procedures.

346 (k) Conduct a market analysis not less frequently than
347 every 3 years beginning in 2021 to determine whether the
348 information technology resources within the enterprise are
349 utilized in the most cost-effective and cost-efficient manner,
350 while recognizing that the replacement of certain legacy
351 information technology systems within the enterprise may be cost
352 prohibitive or cost inefficient due to the remaining useful life
353 of those resources; whether the enterprise is complying with the
354 cloud-first policy specified in s. 282.206; and whether the
355 enterprise is utilizing best practices with respect to
356 information technology, information services, and the
357 acquisition of emerging technologies and information services.
358 Each market analysis shall be used to prepare a strategic plan

228190

359 for continued and future information technology and information
360 services for the enterprise, including, but not limited to,
361 proposed acquisition of new services or technologies and
362 approaches to the implementation of any new services or
363 technologies. Copies of each market analysis and accompanying
364 strategic plan must be submitted to the Executive Office of the
365 Governor, the President of the Senate, and the Speaker of the
366 House of Representatives not later than December 31 of each year
367 that a market analysis is conducted.

368 ~~(f) Conducting an annual market analysis to determine~~
369 ~~whether the state's approach to the provision of data center~~
370 ~~services is the most effective and cost-efficient manner by~~
371 ~~which its customer entities can acquire such services, based on~~
372 ~~federal, state, and local government trends; best practices in~~
373 ~~service provision; and the acquisition of new and emerging~~
374 ~~technologies. The results of the market analysis shall assist~~
375 ~~the state data center in making adjustments to its data center~~
376 ~~service offerings.~~

377 (1) ~~(11)~~ Recommend other information technology services
378 that should be designed, delivered, and managed as enterprise
379 information technology services. Recommendations must include
380 the identification of existing information technology resources
381 associated with the services, if existing services must be
382 transferred as a result of being delivered and managed as
383 enterprise information technology services.

384 (m) ~~(12)~~ In consultation with state agencies, propose a
385 methodology and approach for identifying and collecting both
386 current and planned information technology expenditure data at
387 the state agency level.

388 (n) 1. ~~(13) (a)~~ Notwithstanding any other law, provide project
389 oversight on any information technology project of the
390 Department of Financial Services, the Department of Legal
391 Affairs, and the Department of Agriculture and Consumer Services
392 which has a total project cost of \$25 million or more and which
393 impacts one or more other agencies. Such information technology
394 projects must also comply with the applicable information
395 technology architecture, project management and oversight, and
396 reporting standards established by the department, acting
397 through the Florida Digital Service.

398 2. ~~(b)~~ When performing the project oversight function
399 specified in subparagraph 1. ~~paragraph (a)~~, report at least
400 quarterly to the Executive Office of the Governor, the President
401 of the Senate, and the Speaker of the House of Representatives
402 on any information technology project that the department,
403 acting through the Florida Digital Service, identifies as high-
404 risk due to the project exceeding acceptable variance ranges
405 defined and documented in the project plan. The report shall
406 include a risk assessment, including fiscal risks, associated
407 with proceeding to the next stage of the project and a
408 recommendation for corrective actions required, including
409 suspension or termination of the project.

410 (o) ~~(14)~~ If an information technology project implemented by
411 a state agency must be connected to or otherwise accommodated by
412 an information technology system administered by the Department
413 of Financial Services, the Department of Legal Affairs, or the
414 Department of Agriculture and Consumer Services, consult with
415 these departments regarding the risks and other effects of such
416 projects on their information technology systems and work

228190

417 cooperatively with these departments regarding the connections,
418 interfaces, timing, or accommodations required to implement such
419 projects.

420 ~~(p)~~ ~~(15)~~ If adherence to standards or policies adopted by or
421 established pursuant to this section causes conflict with
422 federal regulations or requirements imposed on an entity within
423 the enterprise ~~a state agency~~ and results in adverse action
424 against an entity ~~the state agency~~ or federal funding, work with
425 the entity ~~state agency~~ to provide alternative standards,
426 policies, or requirements that do not conflict with the federal
427 regulation or requirement. The department, acting through the
428 Florida Digital Service, shall annually report such alternative
429 standards to the Executive Office of the Governor, the President
430 of the Senate, and the Speaker of the House of Representatives.

431 ~~(q)~~ ~~1.~~ ~~(16)~~ ~~(a)~~ Establish an information technology policy for
432 all information technology-related state contracts, including
433 state term contracts for information technology commodities,
434 consultant services, and staff augmentation services. The
435 information technology policy must include:

436 ~~a.1.~~ Identification of the information technology product
437 and service categories to be included in state term contracts.

438 ~~b.2.~~ Requirements to be included in solicitations for state
439 term contracts.

440 ~~c.3.~~ Evaluation criteria for the award of information
441 technology-related state term contracts.

442 ~~d.4.~~ The term of each information technology-related state
443 term contract.

444 ~~e.5.~~ The maximum number of vendors authorized on each state
445 term contract.

228190

446 ~~2.(b)~~ Evaluate vendor responses for information technology-
447 related state term contract solicitations and invitations to
448 negotiate.

449 ~~3.(e)~~ Answer vendor questions on information technology-
450 related state term contract solicitations.

451 ~~4.(d)~~ Ensure that the information technology policy
452 established pursuant to subparagraph 1. paragraph (a) is
453 included in all solicitations and contracts that are
454 administratively executed by the department.

455 ~~(r) (17)~~ Recommend potential methods for standardizing data
456 across state agencies which will promote interoperability and
457 reduce the collection of duplicative data.

458 ~~(s) (18)~~ Recommend open data technical standards and
459 terminologies for use by the enterprise state agencies.

460 (t) Ensure that enterprise information technology solutions
461 are capable of utilizing an electronic credential and comply
462 with the enterprise architecture standards.

463 (2) (a) The Secretary of Management Services shall designate
464 a state chief information officer, who shall administer the
465 Florida Digital Service. The state chief information officer,
466 prior to appointment, must have at least 5 years of experience
467 in the development of information system strategic planning and
468 development or information technology policy, and, preferably,
469 have leadership-level experience in the design, development, and
470 deployment of interoperable software and data solutions.

471 (b) The state chief information officer, in consultation
472 with the Secretary of Management Services, shall designate a
473 state chief data officer. The chief data officer must be a
474 proven and effective administrator who must have significant and

475 substantive experience in data management, data governance,
476 interoperability, and security.

477 (3) The department, acting through the Florida Digital
478 Service and from funds appropriated to the Florida Digital
479 Service, shall:

480 (a) Create, not later than October 1, 2021, and maintain a
481 comprehensive indexed data catalog in collaboration with the
482 enterprise that lists the data elements housed within the
483 enterprise and the legacy system or application in which these
484 data elements are located. The data catalog must, at a minimum,
485 specifically identify all data that is restricted from public
486 disclosure based on federal or state laws and regulations and
487 require that all such information be protected in accordance
488 with s. 282.318.

489 (b) Develop and publish, not later than October 1, 2021, in
490 collaboration with the enterprise, a data dictionary for each
491 agency that reflects the nomenclature in the comprehensive
492 indexed data catalog.

493 (c) Adopt, by rule, standards that support the creation and
494 deployment of an application programming interface to facilitate
495 integration throughout the enterprise.

496 (d) Adopt, by rule, standards necessary to facilitate a
497 secure ecosystem of data interoperability that is compliant with
498 the enterprise architecture.

499 (e) Adopt, by rule, standards that facilitate the
500 deployment of applications or solutions to the existing
501 enterprise system in a controlled and phased approach.

502 (f) After submission of documented use cases developed in
503 conjunction with the affected agencies, assist the affected

228190

504 agencies with the deployment, contingent upon a specific
505 appropriation therefor, of new interoperable applications and
506 solutions:

507 1. For the Department of Health, the Agency for Health Care
508 Administration, the Agency for Persons with Disabilities, the
509 Department of Education, the Department of Elderly Affairs, and
510 the Department of Children and Families.

511 2. To support military members, veterans, and their
512 families.

513 (4) Upon the adoption of the enterprise architecture
514 standards in rule, the department, acting through the Florida
515 Digital Service, may develop a process to:

516 (a) Receive written notice from the entities within the
517 enterprise of any planned procurement of an information
518 technology project that is subject to enterprise architecture
519 standards.

520 (b) Participate in the development of specifications and
521 recommend modifications to any planned procurement by state
522 agencies so that the procurement complies with the enterprise
523 architecture.

524 (5) The department, acting through the Florida Digital
525 Service, may not retrieve or disclose any data without a shared-
526 data agreement in place between the department and the
527 enterprise entity that has primary custodial responsibility of,
528 or data-sharing responsibility for, that data.

529 (6) The department, acting through the Florida Digital
530 Service, shall adopt rules to administer this section.

531 ~~(19) Adopt rules to administer this section.~~

532 Section 5. Section 282.00515, Florida Statutes, is amended

533 to read:

534 282.00515 Duties of Cabinet agencies.—

535 (1) The Department of Legal Affairs, the Department of
536 Financial Services, and the Department of Agriculture and
537 Consumer Services shall adopt the standards established in s.
538 282.0051(1)(b), (c), and (s) and (3)(e) s. 282.0051(2), (3), and
539 (7) or adopt alternative standards based on best practices and
540 industry standards that allow for open data interoperability.

541 (2) If the Department of Legal Affairs, the Department of
542 Financial Services, or the Department of Agriculture and
543 Consumer Services adopts alternative standards in lieu of the
544 enterprise architecture standards adopted pursuant to s.
545 282.0051, such department must notify the Governor, the
546 President of the Senate, and the Speaker of the House of
547 Representatives in writing of the adoption of the alternative
548 standards and provide a justification for adoption of the
549 alternative standards and explain how the agency will achieve
550 open data interoperability.

551 (3) The Department of Legal Affairs, the Department of
552 Financial Services, and the Department of Agriculture and
553 Consumer Services, and may contract with the department to
554 provide or perform any of the services and functions described
555 in s. 282.0051 for the Department of Legal Affairs, the
556 Department of Financial Services, or the Department of
557 Agriculture and Consumer Services.

558 (4) (a) Nothing in this section or in s. 282.0051 requires
559 the Department of Legal Affairs, the Department of Financial
560 Services, or the Department of Agriculture and Consumer Services
561 to integrate with information technology outside its own

562 department or with the Florida Digital Service.

563 (b) The department, acting through the Florida Digital
564 Service, may not retrieve or disclose any data without a shared-
565 data agreement in place between the department and the
566 Department of Legal Affairs, the Department of Financial
567 Services, or the Department of Agriculture and Consumer
568 Services.

569 Section 6. Paragraph (a) of subsection (3), paragraphs (d),
570 (e), (g), and (j) of subsection (4), and subsection (5) of
571 section 282.318, Florida Statutes, are amended to read:

572 282.318 Security of data and information technology.-

573 (3) The department is responsible for establishing
574 standards and processes consistent with generally accepted best
575 practices for information technology security, to include
576 cybersecurity, and adopting rules that safeguard an agency's
577 data, information, and information technology resources to
578 ensure availability, confidentiality, and integrity and to
579 mitigate risks. The department shall also:

580 (a) Designate an employee of the Florida Digital Service as
581 the a state chief information security officer. The state chief
582 information security officer ~~who~~ must have experience and
583 expertise in security and risk management for communications and
584 information technology resources.

585 (4) Each state agency head shall, at a minimum:

586 (d) Conduct, and update every 3 years, a comprehensive risk
587 assessment, which may be completed by a private sector vendor,
588 to determine the security threats to the data, information, and
589 information technology resources, including mobile devices and
590 print environments, of the agency. The risk assessment must

228190

591 comply with the risk assessment methodology developed by the
592 department and is confidential and exempt from s. 119.07(1),
593 except that such information shall be available to the Auditor
594 General, the Florida Digital Service ~~Division of State~~
595 ~~Technology~~ within the department, the Cybercrime Office of the
596 Department of Law Enforcement, and, for state agencies under the
597 jurisdiction of the Governor, the Chief Inspector General.

598 (e) Develop, and periodically update, written internal
599 policies and procedures, which include procedures for reporting
600 information technology security incidents and breaches to the
601 Cybercrime Office of the Department of Law Enforcement and the
602 Florida Digital Service ~~Division of State Technology~~ within the
603 department. Such policies and procedures must be consistent with
604 the rules, guidelines, and processes established by the
605 department to ensure the security of the data, information, and
606 information technology resources of the agency. The internal
607 policies and procedures that, if disclosed, could facilitate the
608 unauthorized modification, disclosure, or destruction of data or
609 information technology resources are confidential information
610 and exempt from s. 119.07(1), except that such information shall
611 be available to the Auditor General, the Cybercrime Office of
612 the Department of Law Enforcement, the Florida Digital Service
613 ~~Division of State Technology~~ within the department, and, for
614 state agencies under the jurisdiction of the Governor, the Chief
615 Inspector General.

616 (g) Ensure that periodic internal audits and evaluations of
617 the agency's information technology security program for the
618 data, information, and information technology resources of the
619 agency are conducted. The results of such audits and evaluations

620 are confidential information and exempt from s. 119.07(1),
621 except that such information shall be available to the Auditor
622 General, the Cybercrime Office of the Department of Law
623 Enforcement, the Florida Digital Service ~~Division of State~~
624 ~~Technology~~ within the department, and, for agencies under the
625 jurisdiction of the Governor, the Chief Inspector General.

626 (j) Develop a process for detecting, reporting, and
627 responding to threats, breaches, or information technology
628 security incidents which is consistent with the security rules,
629 guidelines, and processes established by the department ~~Agency~~
630 ~~for State Technology~~.

631 1. All information technology security incidents and
632 breaches must be reported to the Florida Digital Service
633 ~~Division of State Technology~~ within the department and the
634 Cybercrime Office of the Department of Law Enforcement and must
635 comply with the notification procedures and reporting timeframes
636 established pursuant to paragraph (3)(c).

637 2. For information technology security breaches, state
638 agencies shall provide notice in accordance with s. 501.171.

639 3. Records held by a state agency which identify detection,
640 investigation, or response practices for suspected or confirmed
641 information technology security incidents, including suspected
642 or confirmed breaches, are confidential and exempt from s.
643 119.07(1) and s. 24(a), Art. I of the State Constitution, if the
644 disclosure of such records would facilitate unauthorized access
645 to or the unauthorized modification, disclosure, or destruction
646 of:

- 647 a. Data or information, whether physical or virtual; or
- 648 b. Information technology resources, which includes:

649 (I) Information relating to the security of the agency's
650 technologies, processes, and practices designed to protect
651 networks, computers, data processing software, and data from
652 attack, damage, or unauthorized access; or

653 (II) Security information, whether physical or virtual,
654 which relates to the agency's existing or proposed information
655 technology systems.

656

657 Such records shall be available to the Auditor General, the
658 Florida Digital Service ~~Division of State Technology~~ within the
659 department, the Cybercrime Office of the Department of Law
660 Enforcement, and, for state agencies under the jurisdiction of
661 the Governor, the Chief Inspector General. Such records may be
662 made available to a local government, another state agency, or a
663 federal agency for information technology security purposes or
664 in furtherance of the state agency's official duties. This
665 exemption applies to such records held by a state agency before,
666 on, or after the effective date of this exemption. This
667 subparagraph is subject to the Open Government Sunset Review Act
668 in accordance with s. 119.15 and shall stand repealed on October
669 2, 2021, unless reviewed and saved from repeal through
670 reenactment by the Legislature.

671 (5) The portions of risk assessments, evaluations, external
672 audits, and other reports of a state agency's information
673 technology security program for the data, information, and
674 information technology resources of the state agency which are
675 held by a state agency are confidential and exempt from s.
676 119.07(1) and s. 24(a), Art. I of the State Constitution if the
677 disclosure of such portions of records would facilitate

678 unauthorized access to or the unauthorized modification,
679 disclosure, or destruction of:

680 (a) Data or information, whether physical or virtual; or
681 (b) Information technology resources, which include:

682 1. Information relating to the security of the agency's
683 technologies, processes, and practices designed to protect
684 networks, computers, data processing software, and data from
685 attack, damage, or unauthorized access; or

686 2. Security information, whether physical or virtual, which
687 relates to the agency's existing or proposed information
688 technology systems.

689

690 Such portions of records shall be available to the Auditor
691 General, the Cybercrime Office of the Department of Law
692 Enforcement, the Florida Digital Service ~~Division of State~~
693 ~~Technology~~ within the department, and, for agencies under the
694 jurisdiction of the Governor, the Chief Inspector General. Such
695 portions of records may be made available to a local government,
696 another state agency, or a federal agency for information
697 technology security purposes or in furtherance of the state
698 agency's official duties. For purposes of this subsection,
699 "external audit" means an audit that is conducted by an entity
700 other than the state agency that is the subject of the audit.
701 This exemption applies to such records held by a state agency
702 before, on, or after the effective date of this exemption. This
703 subsection is subject to the Open Government Sunset Review Act
704 in accordance with s. 119.15 and shall stand repealed on October
705 2, 2021, unless reviewed and saved from repeal through
706 reenactment by the Legislature.

707 Section 7. Subsection (4) of section 287.0591, Florida
708 Statutes, is amended to read:

709 287.0591 Information technology.—

710 (4) If the department issues a competitive solicitation for
711 information technology commodities, consultant services, or
712 staff augmentation contractual services, the Florida Digital
713 Service Division of State Technology within the department shall
714 participate in such solicitations.

715 Section 8. Paragraph (a) of subsection (3) of section
716 365.171, Florida Statutes, is amended to read:

717 365.171 Emergency communications number E911 state plan.—

718 (3) DEFINITIONS.—As used in this section, the term:

719 (a) "Office" means the Division of Telecommunications State
720 Technology within the Department of Management Services, as
721 designated by the secretary of the department.

722 Section 9. Paragraph (s) of subsection (3) of section
723 365.172, Florida Statutes, is amended to read:

724 365.172 Emergency communications number "E911."—

725 (3) DEFINITIONS.—Only as used in this section and ss.

726 365.171, 365.173, 365.174, and 365.177, the term:

727 (s) "Office" means the Division of Telecommunications State
728 Technology within the Department of Management Services, as
729 designated by the secretary of the department.

730 Section 10. Paragraph (a) of subsection (1) of section
731 365.173, Florida Statutes, is amended to read:

732 365.173 Communications Number E911 System Fund.—

733 (1) REVENUES.—

734 (a) Revenues derived from the fee levied on subscribers
735 under s. 365.172(8) must be paid by the board into the State

228190

736 Treasury on or before the 15th day of each month. Such moneys
737 must be accounted for in a special fund to be designated as the
738 Emergency Communications Number E911 System Fund, a fund created
739 in the Division of Telecommunications ~~State Technology~~, or other
740 office as designated by the Secretary of Management Services.

741 Section 11. Subsection (5) of section 943.0415, Florida
742 Statutes, is amended to read:

743 943.0415 Cybercrime Office.—There is created within the
744 Department of Law Enforcement the Cybercrime Office. The office
745 may:

746 (5) Consult with the Florida Digital Service ~~Division of~~
747 ~~State Technology~~ within the Department of Management Services in
748 the adoption of rules relating to the information technology
749 security provisions in s. 282.318.

750 Section 12. Effective January 1, 2021, section 559.952,
751 Florida Statutes, is created to read:

752 559.952 Financial Technology Sandbox.—

753 (1) SHORT TITLE.—This section may be cited as the
754 “Financial Technology Sandbox.”

755 (2) CREATION OF THE FINANCIAL TECHNOLOGY SANDBOX.—There is
756 created the Financial Technology Sandbox within the Office of
757 Financial Regulation to allow financial technology innovators to
758 test new products and services in a supervised, flexible
759 regulatory sandbox using exceptions to specified general law and
760 waivers of the corresponding rule requirements under defined
761 conditions. The creation of a supervised, flexible regulatory
762 sandbox provides a welcoming business environment for technology
763 innovators and may lead to significant business growth.

764 (3) DEFINITIONS.—As used in this section, the term:

228190

765 (a) "Business entity" means a domestic corporation or other
766 organized domestic entity with a physical presence, other than
767 that of a registered office or agent or virtual mailbox, in this
768 state.

769 (b) "Commission" means the Financial Services Commission.

770 (c) "Consumer" means a person in this state, whether a
771 natural person or a business organization, who purchases, uses,
772 receives, or enters into an agreement to purchase, use, or
773 receive an innovative financial product or service made
774 available through the Financial Technology Sandbox.

775 (d) "Control person" means an individual, a partnership, a
776 corporation, a trust, or other organization that possesses the
777 power, directly or indirectly, to direct the management or
778 policies of a company, whether through ownership of securities,
779 by contract, or through other means. A person is presumed to
780 control a company if, with respect to a particular company, that
781 person:

782 1. Is a director, a general partner, or an officer
783 exercising executive responsibility or having similar status or
784 functions;

785 2. Directly or indirectly may vote 10 percent or more of a
786 class of a voting security or sell or direct the sale of 10
787 percent or more of a class of voting securities; or

788 3. In the case of a partnership, may receive upon
789 dissolution or has contributed 10 percent or more of the
790 capital.

791 (e) "Corresponding rule requirements" means the commission
792 rules, or portions thereof, which implement the general laws
793 enumerated in paragraph (4) (a).

794 (f) "Financial product or service" means a product or
795 service related to a consumer finance loan, as defined in s.
796 516.01, or a money transmitter or payment instrument seller, as
797 those terms are defined in s. 560.103, including mediums of
798 exchange that are in electronic or digital form, which is
799 subject to the general laws enumerated in paragraph (4) (a) and
800 corresponding rule requirements and which is under the
801 jurisdiction of the office.

802 (g) "Financial Technology Sandbox" means the program
803 created by this section which allows a licensee to make an
804 innovative financial product or service available to consumers
805 during a sandbox period through exceptions to general laws and
806 waivers of corresponding rule requirements.

807 (h) "Innovative" means new or emerging technology, or new
808 uses of existing technology, which provide a product, service,
809 business model, or delivery mechanism to the public and which
810 are not known to have a comparable offering in this state
811 outside the Financial Technology Sandbox.

812 (i) "Licensee" means a business entity that has been
813 approved by the office to participate in the Financial
814 Technology Sandbox.

815 (j) "Office" means, unless the context clearly indicates
816 otherwise, the Office of Financial Regulation.

817 (k) "Sandbox period" means the initial 24-month period in
818 which the office has authorized a licensee to make an innovative
819 financial product or service available to consumers, and any
820 extension granted pursuant to subsection (7).

821 (4) EXCEPTIONS TO GENERAL LAW AND WAIVERS OF RULE
822 REQUIREMENTS.—

228190

823 (a) Notwithstanding any other law, upon approval of a
824 Financial Technology Sandbox application, the following
825 provisions and corresponding rule requirements are not
826 applicable to the licensee during the sandbox period:

827 1. Section 516.03(1), except for the application fee, the
828 investigation fee, the requirement to provide the social
829 security numbers of control persons, evidence of liquid assets
830 of at least \$25,000, and the office's authority to investigate
831 the applicant's background. The office may prorate the license
832 renewal fee for an extension granted under subsection (7).

833 2. Section 516.05(1) and (2), except that the office shall
834 investigate the applicant's background.

835 3. Section 560.109, only to the extent that the section
836 requires the office to examine a licensee at least once every 5
837 years.

838 4. Section 560.118(2).

839 5. Section 560.125(1), only to the extent that subsection
840 would prohibit a licensee from engaging in the business of a
841 money transmitter or payment instrument seller during the
842 sandbox period.

843 6. Section 560.125(2), only to the extent that subsection
844 would prohibit a licensee from appointing an authorized vendor
845 during the sandbox period. Any authorized vendor of such a
846 licensee during the sandbox period remains liable to the holder
847 or remitter.

848 7. Section 560.128.

849 8. Section 560.141, except for s. 560.141(1)(a)1., 3., 7.-
850 10. and (b), (c), and (d).

851 9. Section 560.142(1) and (2), except that the office may

852 prorate, but may not entirely eliminate, the license renewal
853 fees in s. 560.143 for an extension granted under subsection
854 (7).

855 10. Section 560.143(2), only to the extent necessary for
856 proration of the renewal fee under subparagraph 9.

857 11. Section 560.204(1), only to the extent that subsection
858 would prohibit a licensee from engaging in, or advertising that
859 it engages in, the selling or issuing of payment instruments or
860 in the activity of a money transmitter during the sandbox
861 period.

862 12. Section 560.205(2).

863 13. Section 560.208(2).

864 14. Section 560.209, only to the extent that the office may
865 modify, but may not entirely eliminate, the net worth, corporate
866 surety bond, and collateral deposit amounts required under that
867 section. The modified amounts must be in such lower amounts that
868 the office determines to be commensurate with the factors under
869 paragraph (5)(c) and the maximum number of consumers authorized
870 to receive the financial product or service under this section.

871 (b) The office may approve a Financial Technology Sandbox
872 application if one or more of the general laws enumerated in
873 paragraph (a) currently prevent the innovative financial product
874 or service from being made available to consumers and if all
875 other requirements of this section are met.

876 (c) A licensee may conduct business through electronic
877 means, including through the Internet or a software application.

878 (5) FINANCIAL TECHNOLOGY SANDBOX APPLICATION; STANDARDS FOR
879 APPROVAL.—

880 (a) Before filing an application for licensure under this

881 section, a substantially affected person may seek a declaratory
882 statement pursuant to s. 120.565 regarding the applicability of
883 a statute, a rule, or an agency order to the petitioner's
884 particular set of circumstances or a variance or waiver of a
885 rule pursuant to s. 120.542.

886 (b) Before making an innovative financial product or
887 service available to consumers in the Financial Technology
888 Sandbox, a business entity must file with the office an
889 application for licensure under the Financial Technology
890 Sandbox. The commission shall, by rule, prescribe the form and
891 manner of the application and how the office will evaluate and
892 apply each of the factors specified in paragraph (c).

893 1. The application must specify each general law enumerated
894 in paragraph (4) (a) which currently prevents the innovative
895 financial product or service from being made available to
896 consumers and the reasons why those provisions of general law
897 prevent the innovative financial product or service from being
898 made available to consumers.

899 2. The application must contain sufficient information for
900 the office to evaluate the factors specified in paragraph (c).

901 3. An application submitted on behalf of a business entity
902 must include evidence that the business entity has authorized
903 the person to submit the application on behalf of the business
904 entity intending to make an innovative financial product or
905 service available to consumers.

906 4. The application must specify the maximum number of
907 consumers, which may not exceed the number of consumers
908 specified in paragraph (f), to whom the applicant proposes to
909 provide the innovative financial product or service.

228190

910 5. The application must include a proposed draft of the
911 statement or statements meeting the requirements of paragraph
912 (6) (b) which the applicant proposes to provide to consumers.
913 (c) The office shall approve or deny in writing a Financial
914 Technology Sandbox application within 60 days after receiving
915 the completed application. The office and the applicant may
916 jointly agree to extend the time beyond 60 days. Consistent with
917 this section, the office may impose conditions on any approval.
918 In deciding whether to approve or deny an application for
919 licensure, the office must consider each of the following:
920 1. The nature of the innovative financial product or
921 service proposed to be made available to consumers in the
922 Financial Technology Sandbox, including all relevant technical
923 details.
924 2. The potential risk to consumers and the methods that
925 will be used to protect consumers and resolve complaints during
926 the sandbox period.
927 3. The business plan proposed by the applicant, including
928 company information, market analysis, and financial projections
929 or pro forma financial statements, and evidence of the financial
930 viability of the applicant.
931 4. Whether the applicant has the necessary personnel,
932 adequate financial and technical expertise, and a sufficient
933 plan to test, monitor, and assess the innovative financial
934 product or service.
935 5. Whether any control person of the applicant, regardless
936 of adjudication, has pled no contest to, has been convicted or
937 found guilty of, or is currently under investigation for fraud,
938 a state or federal securities violation, a property-based

228190

939 offense, or a crime involving moral turpitude or dishonest
940 dealing, in which case the application to the Financial
941 Technology Sandbox must be denied.

942 6. A copy of the disclosures that will be provided to
943 consumers under paragraph (6) (b).

944 7. The financial responsibility of the applicant and any
945 control person, including whether the applicant or any control
946 person has a history of unpaid liens, unpaid judgments, or other
947 general history of nonpayment of legal debts, including, but not
948 limited to, having been the subject of a petition for bankruptcy
949 under the United States Bankruptcy Code within the past 7
950 calendar years.

951 8. Any other factor that the office determines to be
952 relevant.

953 (d) The office may not approve an application if:

954 1. The applicant had a prior Financial Technology Sandbox
955 application that was approved and that related to a
956 substantially similar financial product or service;

957 2. Any control person of the applicant was substantially
958 involved in the development, operation, or management with
959 another Financial Technology Sandbox applicant whose application
960 was approved and whose application related to a substantially
961 similar financial product or service; or

962 3. The applicant or any control person has failed to
963 affirmatively demonstrate financial responsibility.

964 (e) Upon approval of an application, the office shall
965 notify the licensee that the licensee is exempt from the
966 provisions of general law enumerated in paragraph (4) (a) and the
967 corresponding rule requirements during the sandbox period. The

968 office shall post on its website notice of the approval of the
969 application, a summary of the innovative financial product or
970 service, and the contact information of the licensee.

971 (f) The office, on a case-by-case basis, shall specify the
972 maximum number of consumers authorized to receive an innovative
973 financial product or service, after consultation with the
974 Financial Technology Sandbox applicant. The office may not
975 authorize more than 15,000 consumers to receive the financial
976 product or service until the licensee has filed the first report
977 required under subsection (8). After the filing of that report,
978 if the licensee demonstrates adequate financial capitalization,
979 risk management processes, and management oversight, the office
980 may authorize up to 25,000 consumers to receive the financial
981 product or service.

982 (g) A licensee has a continuing obligation to promptly
983 inform the office of any material change to the information
984 provided under paragraph (b).

985 (6) OPERATION OF THE FINANCIAL TECHNOLOGY SANDBOX.—

986 (a) A licensee may make an innovative financial product or
987 service available to consumers during the sandbox period.

988 (b)1. Before a consumer purchases, uses, receives, or
989 enters into an agreement to purchase, use, or receive an
990 innovative financial product or service through the Financial
991 Technology Sandbox, the licensee must provide a written
992 statement of all of the following to the consumer:

993 a. The name and contact information of the licensee.

994 b. That the financial product or service has been
995 authorized to be made available to consumers for a temporary
996 period by the office, under the laws of this state.

228190

997 c. That the state does not endorse the financial product or
998 service.

999 d. That the financial product or service is undergoing
1000 testing, may not function as intended, and may entail financial
1001 risk.

1002 e. That the licensee is not immune from civil liability for
1003 any losses or damages caused by the financial product or
1004 service.

1005 f. The expected end date of the sandbox period.

1006 g. The contact information for the office and notification
1007 that suspected legal violations, complaints, or other comments
1008 related to the financial product or service may be submitted to
1009 the office.

1010 h. Any other statements or disclosures required by rule of
1011 the commission which are necessary to further the purposes of
1012 this section.

1013 2. The written statement under subparagraph 1. must contain
1014 an acknowledgment from the consumer, which must be retained for
1015 the duration of the sandbox period by the licensee.

1016 (c) The office may enter into an agreement with a state,
1017 federal, or foreign regulatory agency to allow licensees under
1018 the Financial Technology Sandbox to make their products or
1019 services available in other jurisdictions. The commission shall
1020 adopt rules to implement this paragraph.

1021 (d) The office may examine the records of a licensee at any
1022 time, with or without prior notice.

1023 (7) EXTENSIONS AND CONCLUSION OF SANDBOX PERIOD.—

1024 (a) A licensee may apply for one extension of the initial
1025 24-month sandbox period for 12 additional months for a purpose

228190

1026 specified in subparagraph (b)1. or subparagraph (b)2. A complete
1027 application for an extension must be filed with the office at
1028 least 90 days before the conclusion of the initial sandbox
1029 period. The office shall approve or deny the application for
1030 extension in writing at least 35 days before the conclusion of
1031 the initial sandbox period. In determining whether to approve or
1032 deny an application for extension of the sandbox period, the
1033 office must, at a minimum, consider the current status of the
1034 factors previously considered under paragraph (5) (c).

1035 (b) An application for an extension under paragraph (a)
1036 must cite one of the following reasons as the basis for the
1037 application and must provide all relevant supporting
1038 information:

1039 1. Amendments to general law or rules are necessary to
1040 offer the innovative financial product or service in this state
1041 permanently.

1042 2. An application for a license that is required in order
1043 to offer the innovative financial product or service in this
1044 state permanently has been filed with the office and approval is
1045 pending.

1046 (c) At least 30 days before the conclusion of the initial
1047 24-month sandbox period or the extension, whichever is later, a
1048 licensee shall provide written notification to consumers
1049 regarding the conclusion of the initial sandbox period or the
1050 extension and may not make the financial product or service
1051 available to any new consumers after the conclusion of the
1052 initial sandbox period or the extension, whichever is later,
1053 until legal authority outside of the Financial Technology
1054 Sandbox exists for the licensee to make the financial product or

228190

1055 service available to consumers. After the conclusion of the
1056 sandbox period or the extension, whichever is later, the
1057 business entity formerly licensed under the Financial Technology
1058 Sandbox may:

1059 1. Collect and receive money owed to the business entity or
1060 pay money owed by the business entity, based on agreements with
1061 consumers made before the conclusion of the sandbox period or
1062 the extension.

1063 2. Take necessary legal action.

1064 3. Take other actions authorized by commission rule which
1065 are not inconsistent with this section.

1066 (8) REPORT.—A licensee shall submit a report to the office
1067 twice a year as prescribed by commission rule. The report must,
1068 at a minimum, include financial reports and the number of
1069 consumers who have received the financial product or service.

1070 (9) CONSTRUCTION.—A business entity whose Financial
1071 Technology Sandbox application is approved under this section:

1072 (a) Is licensed under chapter 516, chapter 560, or both
1073 chapters 516 and 560, as applicable to the business entity's
1074 activities.

1075 (b) Is subject to any provision of chapter 516 or chapter
1076 560 not specifically excepted under paragraph (4) (a), as
1077 applicable to the business entity's activities, and must comply
1078 with such provisions.

1079 (c) May not engage in activities authorized under part III
1080 of chapter 560, notwithstanding s. 560.204(2).

1081 (10) VIOLATIONS AND PENALTIES.—

1082 (a) A licensee who makes an innovative financial product or
1083 service available to consumers in the Financial Technology

228190

1084 Sandbox remains subject to:
1085 1. Civil damages for acts and omissions arising from or
1086 related to any innovative financial product or services provided
1087 or made available by the licensee or relating to this section.
1088 2. All criminal and consumer protection laws and any other
1089 statute not specifically excepted under paragraph (4) (a).
1090 (b)1. The office may, by order, revoke or suspend a
1091 licensee's approval to participate in the Financial Technology
1092 Sandbox if:
1093 a. The licensee has violated or refused to comply with this
1094 section, any statute not specifically excepted under paragraph
1095 (4) (a), a rule of the commission that has not been waived, an
1096 order of the office, or a condition placed by the office on the
1097 approval of the licensee's Financial Technology Sandbox
1098 application;
1099 b. A fact or condition exists that, if it had existed or
1100 become known at the time that the Financial Technology Sandbox
1101 application was pending, would have warranted denial of the
1102 application or the imposition of material conditions;
1103 c. A material error, false statement, misrepresentation, or
1104 material omission was made in the Financial Technology Sandbox
1105 application; or
1106 d. After consultation with the licensee, the office
1107 determines that continued testing of the innovative financial
1108 product or service would:
1109 (I) Be likely to harm consumers; or
1110 (II) No longer serve the purposes of this section because
1111 of the financial or operational failure of the financial product
1112 or service.

228190

1113 2. Written notice of a revocation or suspension order made
1114 under subparagraph 1. must be served using any means authorized
1115 by law. If the notice relates to a suspension, the notice must
1116 include any condition or remedial action that the licensee must
1117 complete before the office lifts the suspension.

1118 (c) The office may refer any suspected violation of law to
1119 an appropriate state or federal agency for investigation,
1120 prosecution, civil penalties, and other appropriate enforcement
1121 action.

1122 (d) If service of process on a licensee is not feasible,
1123 service on the office is deemed service on the licensee.

1124 (11) RULES AND ORDERS.-

1125 (a) The commission shall adopt rules to administer this
1126 section before approving any application under this section.

1127 (b) The office may issue all necessary orders to enforce
1128 this section and may enforce these orders in accordance with
1129 chapter 120 or in any court of competent jurisdiction. These
1130 orders include, but are not limited to, orders for payment of
1131 restitution for harm suffered by consumers as a result of an
1132 innovative financial product or service.

1133 Section 13. For the 2020-2021 fiscal year, the sum of
1134 \$50,000 in nonrecurring funds is appropriated from the
1135 Administrative Trust Fund to the Office of Financial Regulation
1136 to implement s. 559.952, Florida Statutes, as created by this
1137 act.

1138 Section 14. The creation of s. 559.952, Florida Statutes,
1139 and the appropriation to implement s. 559.952, Florida Statutes,
1140 by this act shall take effect only if SB 1872 or similar
1141 legislation takes effect and if such legislation is adopted in

1142 the same legislative session or an extension thereof and becomes
1143 a law.

1144 Section 15. Except as otherwise expressly provided in this
1145 act, this act shall take effect July 1, 2020.

1146

1147 ===== T I T L E A M E N D M E N T =====

1148 And the title is amended as follows:

1149 Delete everything before the enacting clause
1150 and insert:

1151 A bill to be entitled
1152 An act relating to technology innovation; amending s.
1153 20.22, F.S.; establishing the Florida Digital Service
1154 and the Division of Telecommunications within the
1155 Department of Management Services; abolishing the
1156 Division of State Technology within the department;
1157 amending s. 110.205, F.S.; exempting the state chief
1158 data officer and the state chief information security
1159 officer within the Florida Digital Service from the
1160 Career Service System; providing for the salary and
1161 benefits of such positions to be set by the
1162 department; amending s. 282.0041, F.S.; defining
1163 terms; revising the definition of the term "open
1164 data"; amending s. 282.0051, F.S.; revising
1165 information technology-related powers, duties, and
1166 functions of the department acting through the Florida
1167 Digital Service; specifying the designation of the
1168 state chief information officer and the state chief
1169 data officer; specifying qualifications for such
1170 positions; specifying requirements, contingent upon

1171 legislative appropriation, for the department;
1172 authorizing the department to develop a certain
1173 process; prohibiting the department from retrieving or
1174 disclosing any data without a certain shared-data
1175 agreement in place; specifying rulemaking authority
1176 for the department; amending s. 282.00515, F.S.;
1177 requiring the Department of Legal Affairs, the
1178 Department of Financial Services, or the Department of
1179 Agriculture and Consumer Services to notify the
1180 Governor and the Legislature and provide a certain
1181 justification and explanation if such agency adopts
1182 alternative standards to certain enterprise
1183 architecture standards; providing construction;
1184 prohibiting the department from retrieving or
1185 disclosing any data without a certain shared-data
1186 agreement in place; conforming a cross-reference;
1187 amending ss. 282.318, 287.0591, 365.171, 365.172,
1188 365.173, and 943.0415, F.S.; conforming provisions to
1189 changes made by the act; creating s. 559.952, F.S.;
1190 providing a short title; creating the Financial
1191 Technology Sandbox within the Office of Financial
1192 Regulation; defining terms; requiring the office, if
1193 certain conditions are met, to grant a license to a
1194 Financial Technology Sandbox applicant, grant
1195 exceptions to specified provisions of general law
1196 relating to consumer finance loans and money services
1197 businesses, and grant waivers of certain rules;
1198 authorizing a substantially affected person to seek a
1199 declaratory statement before applying to the Financial

1200 Technology Sandbox; specifying application
1201 requirements and procedures; specifying requirements
1202 and procedures for the office in reviewing and
1203 approving or denying applications; providing
1204 requirements for the office in specifying the number
1205 of the consumers authorized to receive an innovative
1206 financial product or service; specifying authorized
1207 actions of, limitations on, and requirements for
1208 licensees operating in the Financial Technology
1209 Sandbox; requiring licensees to make a specified
1210 disclosure to consumers; authorizing the office to
1211 enter into certain agreements with other regulatory
1212 agencies; authorizing the office to examine licensee
1213 records; authorizing a licensee to apply for one
1214 extension of an initial sandbox period for a certain
1215 timeframe; specifying requirements and procedures for
1216 applying for an extension; specifying requirements and
1217 procedures for, and authorized actions of, licensees
1218 when concluding a sandbox period or extension;
1219 requiring licensees to submit certain reports to the
1220 office at specified intervals; providing construction;
1221 specifying the liability of a licensee; authorizing
1222 the office to take certain disciplinary actions
1223 against a licensee under certain circumstances;
1224 providing construction relating to service of process;
1225 specifying the rulemaking authority of the Financial
1226 Services Commission; providing the office authority to
1227 issue orders and enforce the orders; providing an
1228 appropriation; providing that specified provisions of

228190

1229
1230
1231

the act are contingent upon passage of other
provisions addressing public records; providing
effective dates.

By the Committees on Banking and Insurance; and Innovation,
Industry, and Technology; and Senator Hutson

597-03961-20

20201870c2

1 A bill to be entitled
2 An act relating to technology innovation; amending s.
3 20.22, F.S.; renaming the Division of State Technology
4 within the Department of Management Services as the
5 Division of Telecommunications; deleting provisions
6 relating to the appointment of the Division of State
7 Technology's director and qualifications for the state
8 chief information officer; adding the Florida Digital
9 Service to the department; amending s. 282.0041, F.S.;
10 defining terms; revising the definition of the term
11 "open data"; amending s. 282.0051, F.S.; establishing
12 the Florida Digital Service within the department;

74
75 Be It Enacted by the Legislature of the State of Florida:

76
77 Section 1. Subsection (2) of section 20.22, Florida
78 Statutes, is amended to read:

79 20.22 Department of Management Services.—There is created a
80 Department of Management Services.

81 (2) ~~The following divisions and programs within the~~
82 Department of Management Services shall consist of the following
83 ~~are established:~~

84 (a) The Facilities Program.

85 (b) The Division of Telecommunications State Technology,
86 ~~the director of which is appointed by the secretary of the~~
87 ~~department and shall serve as the state chief information~~

597-03961-20

20201870c2

88 ~~officer. The state chief information officer must be a proven,~~
89 ~~effective administrator who must have at least 10 years of~~
90 ~~executive level experience in the public or private sector,~~
91 ~~preferably with experience in the development of information~~
92 ~~technology strategic planning and the development and~~
93 ~~implementation of fiscal and substantive information technology~~
94 ~~policy and standards.~~

95 (c) The Workforce Program.

96 (d)1. The Support Program.

97 2. The Federal Property Assistance Program.

98 (e) The Administration Program.

99 (f) The Division of Administrative Hearings.

100 (g) The Division of Retirement.

101 (h) The Division of State Group Insurance.

102 (i) The Florida Digital Service.

103 Section 2. Section 282.0041, Florida Statutes, is amended
104 to read:

105 282.0041 Definitions.—As used in this chapter, the term:

106 (1) "Agency assessment" means the amount each customer
107 entity must pay annually for services from the Department of
108 Management Services and includes administrative and data center
109 services costs.

110 (2) "Agency data center" means agency space containing 10
111 or more physical or logical servers.

112 (3) "Breach" has the same meaning as provided in s.
113 501.171.

114 (4) "Business continuity plan" means a collection of
115 procedures and information designed to keep an agency's critical
116 operations running during a period of displacement or

597-03961-20

20201870c2

117 interruption of normal operations.

118 (5) "Cloud computing" has the same meaning as provided in
119 Special Publication 800-145 issued by the National Institute of
120 Standards and Technology.

121 (6) "Computing facility" or "agency computing facility"
122 means agency space containing fewer than a total of 10 physical
123 or logical servers, but excluding single, logical-server
124 installations that exclusively perform a utility function such
125 as file and print servers.

126 (7) "Credential service provider" means a provider
127 competitively procured by the department to supply secure
128 identity management and verification services based on open
129 standards to qualified entities.

130 (8) "Customer entity" means an entity that obtains services
131 from the Department of Management Services.

132 ~~(9)~~ "Data" means a subset of structured information in a
133 format that allows such information to be electronically
134 retrieved and transmitted.

135 (10) "Data-call" means an electronic transaction with the
136 credential service provider that verifies the authenticity of a
137 digital identity by querying enterprise data.

138 ~~(11)~~ "Department" means the Department of Management
139 Services.

140 ~~(12)~~ "Disaster recovery" means the process, policies,
141 procedures, and infrastructure related to preparing for and
142 implementing recovery or continuation of an agency's vital
143 technology infrastructure after a natural or human-induced
144 disaster.

145 (13) "Electronic" means technology having electrical,

597-03961-20

20201870c2

146 digital, magnetic, wireless, optical, electromagnetic, or
147 similar capabilities.

148 (14) "Electronic credential" means an electronic
149 representation of the identity of a person, an organization, an
150 application, or a device.

151 (15) "Enterprise" means the collection of state agencies as
152 defined in subsection (35). The term includes the Department of
153 Legal Affairs, the Department of Agriculture and Consumer
154 Services, and the Department of Financial Services.

155 (16) "Enterprise architecture" means a comprehensive
156 operational framework that contemplates the needs and assets of
157 the enterprise to support interoperability across state
158 government.

159 ~~(17)~~ "Enterprise information technology service" means
160 an information technology service that is used in all agencies
161 or a subset of agencies and is established in law to be
162 designed, delivered, and managed at the enterprise level.

163 ~~(18)~~ "Event" means an observable occurrence in a system
164 or network.

165 ~~(19)~~ "Incident" means a violation or imminent threat of
166 violation, whether such violation is accidental or deliberate,
167 of information technology resources, security, policies, or
168 practices. An imminent threat of violation refers to a situation
169 in which the state agency has a factual basis for believing that
170 a specific incident is about to occur.

171 ~~(20)~~ "Information technology" means equipment,
172 hardware, software, firmware, programs, systems, networks,
173 infrastructure, media, and related material used to
174 automatically, electronically, and wirelessly collect, receive,

597-03961-20

20201870c2

175 access, transmit, display, store, record, retrieve, analyze,
 176 evaluate, process, classify, manipulate, manage, assimilate,
 177 control, communicate, exchange, convert, converge, interface,
 178 switch, or disseminate information of any kind or form.

179 ~~(21)-(15)~~ "Information technology policy" means a definite
 180 course or method of action selected from among one or more
 181 alternatives that guide and determine present and future
 182 decisions.

183 ~~(22)-(16)~~ "Information technology resources" has the same
 184 meaning as provided in s. 119.011.

185 ~~(23)-(17)~~ "Information technology security" means the
 186 protection afforded to an automated information system in order
 187 to attain the applicable objectives of preserving the integrity,
 188 availability, and confidentiality of data, information, and
 189 information technology resources.

190 ~~(24)~~ "Interoperability" means the technical ability to
 191 share and use data across and throughout the enterprise.

192 ~~(25)-(18)~~ "Open data" means data collected or created by a
 193 state agency, including the Department of Legal Affairs, the
 194 Department of Agriculture and Consumer Services, and the
 195 Department of Financial Services, and structured in a way that
 196 enables the data to be fully discoverable and usable by the
 197 public. The term does not include data that are restricted from
 198 public ~~disclosure distribution~~ based on federal or state
 199 privacy, confidentiality, and security laws and regulations or
 200 data for which a state agency is statutorily authorized to
 201 assess a fee for its distribution.

202 ~~(26)-(19)~~ "Performance metrics" means the measures of an
 203 organization's activities and performance.

597-03961-20

20201870c2

204 ~~(27)-(20)~~ "Project" means an endeavor that has a defined
 205 start and end point; is undertaken to create or modify a unique
 206 product, service, or result; and has specific objectives that,
 207 when attained, signify completion.

208 ~~(28)-(21)~~ "Project oversight" means an independent review
 209 and analysis of an information technology project that provides
 210 information on the project's scope, completion timeframes, and
 211 budget and that identifies and quantifies issues or risks
 212 affecting the successful and timely completion of the project.

213 ~~(29)~~ "Qualified entity" means a public or private entity or
 214 individual that enters into a binding agreement with the
 215 department, meets usage criteria, agrees to terms and
 216 conditions, and is subsequently and prescriptively authorized by
 217 the department to access data under the terms of that agreement
 218 as specified in s. 282.0051.

219 ~~(30)-(22)~~ "Risk assessment" means the process of identifying
 220 security risks, determining their magnitude, and identifying
 221 areas needing safeguards.

222 ~~(31)-(23)~~ "Service level" means the key performance
 223 indicators (KPI) of an organization or service which must be
 224 regularly performed, monitored, and achieved.

225 ~~(32)-(24)~~ "Service-level agreement" means a written contract
 226 between the Department of Management Services and a customer
 227 entity which specifies the scope of services provided, service
 228 level, the duration of the agreement, the responsible parties,
 229 and service costs. A service-level agreement is not a rule
 230 pursuant to chapter 120.

231 ~~(33)-(25)~~ "Stakeholder" means a person, group, organization,
 232 or state agency involved in or affected by a course of action.

597-03961-20

20201870c2

233 ~~(34)(26)~~ "Standards" means required practices, controls,
 234 components, or configurations established by an authority.
 235 ~~(35)(27)~~ "State agency" means any official, officer,
 236 commission, board, authority, council, committee, or department
 237 of the executive branch of state government; the Justice
 238 Administrative Commission; and the Public Service Commission.
 239 The term does not include university boards of trustees or state
 240 universities. As used in part I of this chapter, except as
 241 otherwise specifically provided, the term does not include the
 242 Department of Legal Affairs, the Department of Agriculture and
 243 Consumer Services, or the Department of Financial Services.
 244 ~~(36)(28)~~ "SUNCOM Network" means the state enterprise
 245 telecommunications system that provides all methods of
 246 electronic or optical telecommunications beyond a single
 247 building or contiguous building complex and used by entities
 248 authorized as network users under this part.
 249 ~~(37)(29)~~ "Telecommunications" means the science and
 250 technology of communication at a distance, including electronic
 251 systems used in the transmission or reception of information.
 252 ~~(38)(30)~~ "Threat" means any circumstance or event that has
 253 the potential to adversely impact a state agency's operations or
 254 assets through an information system via unauthorized access,
 255 destruction, disclosure, or modification of information or
 256 denial of service.
 257 ~~(39)(31)~~ "Variance" means a calculated value that
 258 illustrates how far positive or negative a projection has
 259 deviated when measured against documented estimates within a
 260 project plan.
 261 Section 3. Section 282.0051, Florida Statutes, is amended

Page 9 of 39

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-03961-20

20201870c2

262 to read:
 263 282.0051 Florida Digital Service Department of Management
 264 Services; powers, duties, and functions.—There is established
 265 the Florida Digital Service within the department to create
 266 innovative solutions that securely modernize state government,
 267 achieve value through digital transformation and
 268 interoperability, and fully support the cloud-first policy as
 269 specified in s. 282.206.
 270 (1) The Florida Digital Service department shall have the
 271 following powers, duties, and functions:
 272 (a)(1) Develop and publish information technology policy
 273 for the management of the state's information technology
 274 resources.
 275 (b)(2) Develop an enterprise architecture that:
 276 1. Acknowledges the unique needs of those included within
 277 the enterprise, resulting in the publication of standards,
 278 terminologies, and procurement guidelines to facilitate digital
 279 interoperability;
 280 2. Supports the cloud-first policy as specified in s.
 281 282.206; and
 282 3. Addresses how information technology infrastructure may
 283 be modernized to achieve cloud-first objectives ~~Establish and~~
 284 ~~publish information technology architecture standards to provide~~
 285 ~~for the most efficient use of the state's information technology~~
 286 ~~resources and to ensure compatibility and alignment with the~~
 287 ~~needs of state agencies. The department shall assist state~~
 288 ~~agencies in complying with the standards.~~
 289 (c)(3) Establish project management and oversight standards
 290 with which state agencies must comply when implementing projects

Page 10 of 39

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-03961-20

20201870c2

291 ~~that have an~~ information technology component projects. The
 292 Florida Digital Service department shall provide training
 293 opportunities to state agencies to assist in the adoption of the
 294 project management and oversight standards. To support data-
 295 driven decisionmaking, the standards must include, but are not
 296 limited to:

297 ~~1.(a)~~ Performance measurements and metrics that objectively
 298 reflect the status of a project with an information technology
 299 component project based on a defined and documented project
 300 scope, cost, and schedule.

301 ~~2.(b)~~ Methodologies for calculating acceptable variances in
 302 the projected versus actual scope, schedule, or cost of a
 303 project with an information technology component project.

304 ~~3.(c)~~ Reporting requirements, including requirements
 305 designed to alert all defined stakeholders that a project with
 306 an information technology component project has exceeded
 307 acceptable variances defined and documented in a project plan.

308 ~~4.(d)~~ Content, format, and frequency of project updates.

309 ~~(d)(4)~~ Perform project oversight on all state agency
 310 ~~information technology~~ projects that have an information
 311 technology component with a total project cost ~~costs~~ of \$10
 312 million or more and that are funded in the General
 313 Appropriations Act or any other law. The Florida Digital Service
 314 ~~department~~ shall report at least quarterly to the Executive
 315 Office of the Governor, the President of the Senate, and the
 316 Speaker of the House of Representatives on any project with an
 317 information technology component project that the Florida
 318 Digital Service department identifies as high-risk due to the
 319 project exceeding acceptable variance ranges defined and

597-03961-20

20201870c2

320 documented in a project plan. The report must include a risk
 321 assessment, including fiscal risks, associated with proceeding
 322 to the next stage of the project, and a recommendation for
 323 corrective actions required, including suspension or termination
 324 of the project. The Florida Digital Service shall establish a
 325 process for state agencies to apply for an exception to the
 326 requirements of this paragraph for a specific project with an
 327 information technology component.

328 ~~(e)(5)~~ Identify opportunities for standardization and
 329 consolidation of information technology services that support
 330 interoperability and the cloud-first policy as specified in s.
 331 282.206, business functions and operations, including
 332 administrative functions such as purchasing, accounting and
 333 reporting, cash management, and personnel, and that are common
 334 across state agencies. The Florida Digital Service department
 335 shall biennially on April 1 provide recommendations for
 336 standardization and consolidation to the Executive Office of the
 337 Governor, the President of the Senate, and the Speaker of the
 338 House of Representatives.

339 ~~(f)(6)~~ Establish best practices for the procurement of
 340 information technology products and cloud-computing services in
 341 order to reduce costs, increase the quality of data center
 342 services, or improve government services.

343 ~~(g)(7)~~ Develop standards for information technology reports
 344 and updates, including, but not limited to, operational work
 345 plans, project spend plans, and project status reports, for use
 346 by state agencies.

347 ~~(h)(8)~~ Upon request, assist state agencies in the
 348 development of information technology-related legislative budget

597-03961-20

20201870c2

349 requests.

350 ~~(i)(9)~~ Conduct annual assessments of state agencies to
 351 determine compliance with all information technology standards
 352 and guidelines developed and published by the Florida Digital
 353 Service department and provide results of the assessments to the
 354 Executive Office of the Governor, the President of the Senate,
 355 and the Speaker of the House of Representatives.

356 ~~(j)(10)~~ Provide operational management and oversight of the
 357 state data center established pursuant to s. 282.201, which
 358 includes:

359 ~~1.(a)~~ Implementing industry standards and best practices
 360 for the state data center's facilities, operations, maintenance,
 361 planning, and management processes.

362 ~~2.(b)~~ Developing and implementing cost-recovery or other
 363 payment mechanisms that recover the full direct and indirect
 364 cost of services through charges to applicable customer
 365 entities. Such cost-recovery or other payment mechanisms must
 366 comply with applicable state and federal regulations concerning
 367 distribution and use of funds and must ensure that, for any
 368 fiscal year, no service or customer entity subsidizes another
 369 service or customer entity.

370 ~~3.(c)~~ Developing and implementing appropriate operating
 371 guidelines and procedures necessary for the state data center to
 372 perform its duties pursuant to s. 282.201. The guidelines and
 373 procedures must comply with applicable state and federal laws,
 374 regulations, and policies and conform to generally accepted
 375 governmental accounting and auditing standards. The guidelines
 376 and procedures must include, but need not be limited to:

377 ~~a.1-~~ Implementing a consolidated administrative support

Page 13 of 39

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-03961-20

20201870c2

378 structure responsible for providing financial management,
 379 procurement, transactions involving real or personal property,
 380 human resources, and operational support.

381 ~~b.2-~~ Implementing an annual reconciliation process to
 382 ensure that each customer entity is paying for the full direct
 383 and indirect cost of each service as determined by the customer
 384 entity's use of each service.

385 ~~c.3-~~ Providing rebates that may be credited against future
 386 billings to customer entities when revenues exceed costs.

387 ~~d.4-~~ Requiring customer entities to validate that
 388 sufficient funds exist in the appropriate data processing
 389 appropriation category or will be transferred into the
 390 appropriate data processing appropriation category before
 391 implementation of a customer entity's request for a change in
 392 the type or level of service provided, if such change results in
 393 a net increase to the customer entity's cost for that fiscal
 394 year.

395 ~~e.5-~~ By November 15 of each year, providing to the Office
 396 of Policy and Budget in the Executive Office of the Governor and
 397 to the chairs of the legislative appropriations committees the
 398 projected costs of providing data center services for the
 399 following fiscal year.

400 ~~f.6-~~ Providing a plan for consideration by the Legislative
 401 Budget Commission if the cost of a service is increased for a
 402 reason other than a customer entity's request made pursuant to
 403 sub-subparagraph d. subparagraph 4- Such a plan is required only
 404 if the service cost increase results in a net increase to a
 405 customer entity for that fiscal year.

406 ~~g.7-~~ Standardizing and consolidating procurement and

Page 14 of 39

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-03961-20

20201870c2

407 contracting practices.

408 ~~4.(d)~~ In collaboration with the Department of Law
409 Enforcement, developing and implementing a process for
410 detecting, reporting, and responding to information technology
411 security incidents, breaches, and threats.

412 ~~5.(e)~~ Adopting rules relating to the operation of the state
413 data center, including, but not limited to, budgeting and
414 accounting procedures, cost-recovery or other payment
415 methodologies, and operating procedures.

416 ~~(f) Conducting an annual market analysis to determine~~
417 ~~whether the state's approach to the provision of data center~~
418 ~~services is the most effective and cost efficient manner by~~
419 ~~which its customer entities can acquire such services, based on~~
420 ~~federal, state, and local government trends; best practices in~~
421 ~~service provision; and the acquisition of new and emerging~~
422 ~~technologies. The results of the market analysis shall assist~~
423 ~~the state data center in making adjustments to its data center~~
424 ~~service offerings.~~

425 ~~(k)(11)~~ Recommend other information technology services
426 that should be designed, delivered, and managed as enterprise
427 information technology services. Recommendations must include
428 the identification of existing information technology resources
429 associated with the services, if existing services must be
430 transferred as a result of being delivered and managed as
431 enterprise information technology services.

432 ~~(l)(12)~~ In consultation with state agencies, propose a
433 methodology and approach for identifying and collecting both
434 current and planned information technology expenditure data at
435 the state agency level.

Page 15 of 39

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-03961-20

20201870c2

436 ~~(m)1.(13)(a)~~ Notwithstanding any other law, provide project
437 oversight on any project with an information technology
438 ~~component project~~ of the Department of Financial Services, the
439 Department of Legal Affairs, and the Department of Agriculture
440 and Consumer Services which has a total project cost of \$25
441 million or more and which impacts one or more other agencies.
442 Such projects with an information technology ~~component projects~~
443 must also comply with the applicable information technology
444 architecture, project management and oversight, and reporting
445 standards established by the Florida Digital Service department.
446 The Florida Digital Service shall establish a process for the
447 Department of Financial Services, the Department of Legal
448 Affairs, and the Department of Agriculture and Consumer Services
449 to apply for an exception to the requirements of this paragraph
450 for a specific project with an information technology component.

451 ~~2.(b)~~ When performing the project oversight function
452 specified in subparagraph 1. paragraph (a), report at least
453 quarterly to the Executive Office of the Governor, the President
454 of the Senate, and the Speaker of the House of Representatives
455 on any project with an information technology ~~component project~~
456 that the Florida Digital Service department identifies as high-
457 risk due to the project exceeding acceptable variance ranges
458 defined and documented in the project plan. The report shall
459 include a risk assessment, including fiscal risks, associated
460 with proceeding to the next stage of the project and a
461 recommendation for corrective actions required, including
462 suspension or termination of the project.

463 ~~(n)(14)~~ If a project with an information technology
464 ~~component project~~ implemented by a state agency must be

Page 16 of 39

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-03961-20

20201870c2

465 connected to or otherwise accommodated by an information
 466 technology system administered by the Department of Financial
 467 Services, the Department of Legal Affairs, or the Department of
 468 Agriculture and Consumer Services, consult with these
 469 departments regarding the risks and other effects of such
 470 projects on their information technology systems and work
 471 cooperatively with these departments regarding the connections,
 472 interfaces, timing, or accommodations required to implement such
 473 projects.

474 ~~(o)(15)~~ If adherence to standards or policies adopted by or
 475 established pursuant to this section causes conflict with
 476 federal regulations or requirements imposed on a state agency
 477 and results in adverse action against the state agency or
 478 federal funding, work with the state agency to provide
 479 alternative standards, policies, or requirements that do not
 480 conflict with the federal regulation or requirement. The Florida
 481 Digital Service ~~department~~ shall annually report such
 482 alternative standards to the Governor, the President of the
 483 Senate, and the Speaker of the House of Representatives.

484 ~~(p)1.(16)(a)~~ Establish an information technology policy for
 485 all information technology-related state contracts, including
 486 state term contracts for information technology commodities,
 487 consultant services, and staff augmentation services. The
 488 information technology policy must include:

489 a.1- Identification of the information technology product
 490 and service categories to be included in state term contracts.

491 b.2- Requirements to be included in solicitations for state
 492 term contracts.

493 c.3- Evaluation criteria for the award of information

597-03961-20

20201870c2

494 technology-related state term contracts.

495 d.4- The term of each information technology-related state
 496 term contract.

497 ~~e.5-~~ The maximum number of vendors authorized on each state
 498 term contract.

499 2.(b) Evaluate vendor responses for information technology-
 500 related state term contract solicitations and invitations to
 501 negotiate.

502 3.(e) Answer vendor questions on information technology-
 503 related state term contract solicitations.

504 4.(d) Ensure that the information technology policy
 505 established pursuant to subparagraph 1. paragraph (a) is
 506 included in all solicitations and contracts that are
 507 administratively executed by the department.

508 (g)(17) Recommend potential methods for standardizing data
 509 across state agencies which will promote interoperability and
 510 reduce the collection of duplicative data.

511 (r)(18) Recommend open data technical standards and
 512 terminologies for use by the enterprise state agencies.

513 (2) (a) The Secretary of Management Services shall designate
 514 a state chief information officer, who shall administer the
 515 Florida Digital Service and is included in the Senior Management
 516 Service.

517 (b) The state chief information officer shall designate a
 518 chief data officer, who shall report to the state chief
 519 information officer and is included in the Senior Management
 520 Service.

521 (3) The Florida Digital Service shall, pursuant to
 522 legislative appropriation:

597-03961-20

20201870c2

- 523 (a) Create and maintain a comprehensive indexed data
 524 catalog that lists what data elements are housed within the
 525 enterprise and in which legacy system or application these data
 526 elements are located.
- 527 (b) Develop and publish, in collaboration with the
 528 enterprise, a data dictionary for each agency which reflects the
 529 nomenclature in the comprehensive indexed data catalog.
- 530 (c) Review and document use cases across the enterprise
 531 architecture.
- 532 (d) Develop and publish standards that support the creation
 533 and deployment of application programming interfaces to
 534 facilitate integration throughout the enterprise.
- 535 (e) Publish standards necessary to facilitate a secure
 536 ecosystem of data interoperability which is compliant with the
 537 enterprise architecture and allows for a qualified entity to
 538 access the enterprise's data under the terms of the agreements
 539 with the department. However, enterprise data do not include
 540 data that are restricted from public distribution based on
 541 federal or state privacy, confidentiality, or security laws and
 542 regulations.
- 543 (f) Publish standards that facilitate the deployment of
 544 applications or solutions to existing enterprise obligations in
 545 a controlled and phased approach, including, but not limited to:
- 546 1. Electronic credentials, including digital proofs of a
 547 driver license as specified in s. 322.032.
 - 548 2. Interoperability that enables supervisors of elections
 549 to authenticate voter eligibility in real time at the point of
 550 service.
 - 551 3. The criminal justice database.

Page 19 of 39

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-03961-20

20201870c2

- 552 4. Motor vehicle insurance cancellation integration between
 553 insurers and the Department of Highway Safety and Motor
 554 Vehicles.
- 555 5. Interoperability solutions between agencies, including,
 556 but not limited to, the Department of Health, the Agency for
 557 Health Care Administration, the Agency for Persons with
 558 Disabilities, the Department of Education, the Department of
 559 Elderly Affairs, and the Department of Children and Families.
- 560 6. Interoperability solutions to support military members,
 561 veterans, and their families.
- 562 (4) Pursuant to legislative authorization and subject to
 563 appropriation:
- 564 (a) The department may procure a credential service
 565 provider through a competitive process pursuant to s. 287.057.
 566 The terms of the contract developed from such procurement must
 567 pay for the value on a per-data-call or subscription basis, and
 568 there shall be no cost to the enterprise or law enforcement for
 569 using the services provided by the credential service provider.
- 570 (b) The department may enter into agreements with qualified
 571 entities that have the technological capabilities necessary to
 572 integrate with the credential service provider; ensure secure
 573 validation and authentication of data; meet usage criteria; and
 574 agree to terms and conditions, privacy policies, and uniform
 575 remittance terms relating to the consumption of enterprise data.
 576 Enterprise data do not include data that are restricted from
 577 public disclosure based on federal or state privacy,
 578 confidentiality, or security laws and regulations. These
 579 agreements must include clear, enforceable, and significant
 580 penalties for violations of the agreements.

Page 20 of 39

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-03961-20

20201870c2

581 (c) The terms of the agreements between the department and
 582 the credential service provider and between the department and
 583 the qualified entities must be based on the per-data-call or
 584 subscription charges to validate and authenticate an electronic
 585 credential and allow the department to recover any state costs
 586 for implementing and administering an electronic credential
 587 solution. Credential service provider and qualifying entity
 588 revenues may not be derived from any other transactions that
 589 generate revenue for the enterprise outside of the per-data-call
 590 or subscription charges.

591 (d) All revenues generated from the agreements with the
 592 credential service provider and qualified entities shall be
 593 remitted to the department, and the department shall deposit
 594 these revenues into the Department of Management Services
 595 Operating Trust Fund for distribution pursuant to a legislative
 596 appropriation and department agreements with the credential
 597 service provider and qualified entities.

598 (e) Upon the signing of the agreement and the enterprise
 599 architecture terms of service and privacy policies with a
 600 qualified entity, the department shall facilitate authorized
 601 integrations between the qualified entity and the credential
 602 service provider.

603 (5) Upon the adoption of the enterprise architecture, the
 604 Florida Digital Service may develop a process to:

605 (a) Receive written notice from the enterprise of any
 606 procurement of an information technology project that is subject
 607 to enterprise architecture standards.

608 (b) Participate in the development of specifications and
 609 recommend modifications of any procurement by state agencies so

597-03961-20

20201870c2

610 that the procurement complies with the enterprise architecture.

611 ~~(6)(19)~~ The Florida Digital Service may adopt rules to
 612 administer this section.

613 Section 4. Section 282.00515, Florida Statutes, is amended
 614 to read:

615 282.00515 Duties of Cabinet agencies.—

616 (1) The Department of Legal Affairs, the Department of
 617 Financial Services, and the Department of Agriculture and
 618 Consumer Services shall adopt the standards established in s.
 619 282.0051(1)(b), (c), (g), (r), and (3)(e) ~~s. 282.0051(2), (3),~~
 620 ~~and (7)~~ or adopt alternative standards based on best practices
 621 and industry standards that allow for the interoperability of
 622 open data within the enterprise.

623 (2) If the Department of Legal Affairs, the Department of
 624 Financial Services, or the Department of Agriculture and
 625 Consumer Services adopts alternative standards in lieu of the
 626 enterprise architecture standards in s. 282.0051, such agency
 627 shall notify the Governor, the President of the Senate, and
 628 Speaker of the House of Representatives in writing before the
 629 adoption of the alternative standards and annually thereafter,
 630 until such agency adopts the enterprise architecture standards
 631 in s. 282.0051. The notification must include the following:

632 (a) A detailed plan of how such agency will comply with the
 633 interoperability requirements referenced in this chapter.

634 (b) An estimated cost and time difference between adhering
 635 to the enterprise architecture or choosing alternative
 636 standards.

637 (c) A detailed security risk assessment of adopting
 638 alternative standards versus adopting the enterprise

597-03961-20

20201870c2

639 architecture.

640 (d) Certification by the agency head or the agency head's
 641 designated representative that the agency's strategic and
 642 operational information technology security plans as required by
 643 s. 282.318(4) include provisions related to interoperability.

644 (3) The Department of Legal Affairs, the Department of
 645 Financial Services, or the Department of Agriculture and
 646 Consumer Services may contract with the department to provide or
 647 perform any of the services and functions described in s.
 648 282.0051.

649 (4) (a) This section or s. 282.0051 does not require the
 650 Department of Legal Affairs, the Department of Financial
 651 Services, or the Department of Agriculture and Consumer Services
 652 to integrate with any information technology outside its own
 653 department or contract with a credential service provider.

654 (b) The Florida Digital Service may not retrieve or publish
 655 data without a data sharing agreement in place between the
 656 Florida Digital Service and the Department of Legal Affairs, the
 657 Department of Financial Services, or the Department of
 658 Agriculture and Consumer Services, and may contract with the
 659 department to provide or perform any of the services and
 660 functions described in s. 282.0051 for the Department of Legal
 661 Affairs, the Department of Financial Services, or the Department
 662 of Agriculture and Consumer Services.

663 Section 5. Paragraph (a) of subsection (3) of section
 664 282.318, Florida Statutes, is amended to read:

665 282.318 Security of data and information technology.—

666 (3) The department is responsible for establishing
 667 standards and processes consistent with generally accepted best

597-03961-20

20201870c2

668 practices for information technology security, to include
 669 cybersecurity, and adopting rules that safeguard an agency's
 670 data, information, and information technology resources to
 671 ensure availability, confidentiality, and integrity and to
 672 mitigate risks. The department shall also:

673 (a) Designate a state chief information security officer
 674 who shall report to the state chief information officer of the
 675 Florida Digital Service and is in the Senior Management Service.
 676 The state chief information security officer must have
 677 experience and expertise in security and risk management for
 678 communications and information technology resources.

679 Section 6. Subsection (4) of section 287.0591, Florida
 680 Statutes, is amended to read:

681 287.0591 Information technology.—

682 (4) If the department issues a competitive solicitation for
 683 information technology commodities, consultant services, or
 684 staff augmentation contractual services, the Florida Digital
 685 Service ~~Division of State Technology~~ within the department shall
 686 participate in such solicitations.

687 Section 7. Paragraph (a) of subsection (3) of section
 688 365.171, Florida Statutes, is amended to read:

689 365.171 Emergency communications number E911 state plan.—

690 (3) DEFINITIONS.—As used in this section, the term:

691 (a) "Office" means the Division of Telecommunications State
 692 Technology within the Department of Management Services, as
 693 designated by the secretary of the department.

694 Section 8. Paragraph (s) of subsection (3) of section
 695 365.172, Florida Statutes, is amended to read:

696 365.172 Emergency communications number "E911."—

597-03961-20 20201870c2

697 (3) DEFINITIONS.—Only as used in this section and ss.
 698 365.171, 365.173, 365.174, and 365.177, the term:
 699 (s) “Office” means the Division of ~~Telecommunications State~~
 700 ~~Technology~~ within the Department of Management Services, as
 701 designated by the secretary of the department.
 702 Section 9. Paragraph (a) of subsection (1) of section
 703 365.173, Florida Statutes, is amended to read:
 704 365.173 Communications Number E911 System Fund.—
 705 (1) REVENUES.—
 706 (a) Revenues derived from the fee levied on subscribers
 707 under s. 365.172(8) must be paid by the board into the State
 708 Treasury on or before the 15th day of each month. Such moneys
 709 must be accounted for in a special fund to be designated as the
 710 Emergency Communications Number E911 System Fund, a fund created
 711 in the Division of ~~Telecommunications State Technology~~, or other
 712 office as designated by the Secretary of Management Services.
 713 Section 10. Subsection (5) of section 943.0415, Florida
 714 Statutes, is amended to read:
 715 943.0415 Cybercrime Office.—There is created within the
 716 Department of Law Enforcement the Cybercrime Office. The office
 717 may:
 718 (5) Consult with the ~~Florida Digital Service Division of~~
 719 ~~State Technology~~ within the Department of Management Services in
 720 the adoption of rules relating to the information technology
 721 security provisions in s. 282.318.
 722 Section 11. Effective January 1, 2021, section 559.952,
 723 Florida Statutes, is created to read:
 724 559.952 Financial Technology Sandbox.—
 725 (1) SHORT TITLE.—This section may be cited as the

597-03961-20 20201870c2

726 “Financial Technology Sandbox.”
 727 (2) CREATION OF THE FINANCIAL TECHNOLOGY SANDBOX.—There is
 728 created the Financial Technology Sandbox within the Office of
 729 Financial Regulation to allow financial technology innovators to
 730 test new products and services in a supervised, flexible
 731 regulatory sandbox using exceptions to specified general law and
 732 waivers of the corresponding rule requirements under defined
 733 conditions. The creation of a supervised, flexible regulatory
 734 sandbox provides a welcoming business environment for technology
 735 innovators and may lead to significant business growth.
 736 (3) DEFINITIONS.—As used in this section, the term:
 737 (a) “Business entity” means a domestic corporation or other
 738 organized domestic entity with a physical presence, other than
 739 that of a registered office or agent or virtual mailbox, in this
 740 state.
 741 (b) “Commission” means the Financial Services Commission.
 742 (c) “Consumer” means a person in this state, whether a
 743 natural person or a business entity, who purchases, uses,
 744 receives, or enters into an agreement to purchase, use, or
 745 receive an innovative financial product or service made
 746 available through the Financial Technology Sandbox.
 747 (d) “Control person” means an individual, a partnership, a
 748 corporation, a trust, or other organization that possesses the
 749 power, directly or indirectly, to direct the management or
 750 policies of a company, whether through ownership of securities,
 751 by contract, or through other means. A person is presumed to
 752 control a company if, with respect to a particular company, that
 753 person:
 754 1. Is a director, a general partner, or an officer

597-03961-20 20201870c2

755 exercising executive responsibility or having similar status or
 756 functions;

757 2. Directly or indirectly may vote 10 percent or more of a
 758 class of a voting security or sell or direct the sale of 10
 759 percent or more of a class of voting securities; or

760 3. In the case of a partnership, may receive upon
 761 dissolution or has contributed 10 percent or more of the
 762 capital.

763 (e) "Financial product or service" means a product or
 764 service related to a consumer finance loan, as defined in s.
 765 516.01, or a money transmitter and payment instrument seller, as
 766 defined in s. 560.103, including mediums of exchange that are in
 767 electronic or digital form, which is subject to general law or
 768 corresponding rule requirements in the sections enumerated in
 769 paragraph (4) (a) and which is under the jurisdiction of the
 770 office.

771 (f) "Financial Technology Sandbox" means the program
 772 created in this section which allows a licensee to make an
 773 innovative financial product or service available to consumers
 774 as a person who makes and collects consumer finance loans, as
 775 defined in s. 516.01, or as a money transmitter or payment
 776 instrument seller, as defined in s. 560.103, during a sandbox
 777 period through an exception to general laws or a waiver of rule
 778 requirements, or portions thereof, as specified in this section.

779 (g) "Innovative" means new or emerging technology, or new
 780 uses of existing technology, which provides a product, service,
 781 business model, or delivery mechanism to the public and which is
 782 not known to have a comparable offering in this state outside
 783 the Financial Technology Sandbox.

597-03961-20 20201870c2

784 (h) "Licensee" means a person who has been approved by the
 785 office to participate in the Financial Technology Sandbox.

786 (i) "Office" means, unless the context clearly indicates
 787 otherwise, the Office of Financial Regulation.

788 (j) "Sandbox period" means the period, initially not longer
 789 than 24 months, in which the office has:

790 1. Authorized an innovative financial product or service to
 791 be made available to consumers.

792 2. Granted the licensee who makes the innovative financial
 793 product or service available an exception to general law or a
 794 waiver of the corresponding rule requirements, as determined by
 795 the office, so that the authorization under subparagraph 1. is
 796 possible.

797 (4) EXCEPTIONS TO GENERAL LAW AND WAIVERS OF RULE
 798 REQUIREMENTS.-

799 (a) Notwithstanding any other law, upon approval of a
 800 Financial Technology Sandbox application, the office shall grant
 801 an applicant a license and a waiver of a requirement, or a
 802 portion thereof, which is imposed by rule as authorized by any
 803 of the following provisions of general law, if all of the
 804 conditions in paragraph (b) are met. If the application is
 805 approved for a person who otherwise would be subject to chapter
 806 516 or chapter 560, the following provisions are not applicable
 807 to the licensee:

808 1. Section 516.03, except for the application fee for a
 809 license, the investigation fee, evidence of liquid assets of at
 810 least \$25,000, and the office's authority to make an
 811 investigation of the facts concerning the applicant's background
 812 as provided in s. 516.03(1). The office may prorate the license

597-03961-20 20201870c2

813 renewal fees for an extension granted under subsection (7).
 814 2. Section 516.05, except for s. 516.05(4), (5), and (7)-
 815 (9).
 816 3. Section 560.109, to the extent that it requires the
 817 office to examine a licensee at least once every 5 years.
 818 4. Section 560.118, except for s. 560.118(1).
 819 5. Section 560.125(1), to the extent that subsection would
 820 prohibit a licensee from engaging in the business of a money
 821 services business during the sandbox period; and s. 560.125(2),
 822 to the extent that subsection would prohibit a licensee from
 823 appointing an authorized vendor during the sandbox period.
 824 6. Section 560.128.
 825 7. Section 560.141, except for s. 560.141(1)(a)3., 8., 9.,
 826 and 10. and (1)(b), (c), and (d).
 827 8. Section 560.142, except that the office may prorate, but
 828 may not entirely waive, the license renewal fees provided in ss.
 829 560.142 and 560.143 for an extension granted under subsection
 830 (7).
 831 9. Section 560.143(2), to the extent necessary for
 832 proration of the renewal fee under subparagraph 8.
 833 10. Section 560.204(1), to the extent that subsection would
 834 prohibit a licensee from engaging in, or advertising it engages
 835 in, the selling or issuing of payment instruments or in the
 836 activity of a money transmitter during the sandbox period.
 837 11. Section 560.205, except for s. 560.205(1), (3), and
 838 (4).
 839 12. Section 560.208, except for s. 560.208(3)-(6).
 840 13. Section 560.209, except that the office may modify, but
 841 may not entirely waive, the net worth, corporate surety bond,

Page 29 of 39

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-03961-20 20201870c2

842 and collateral deposit amounts required under that section. The
 843 modified amounts must be in such lower amounts that the office
 844 determines to be commensurate with the considerations under
 845 paragraph (5)(d) and the maximum number of consumers authorized
 846 to receive the financial product or service under this section.
 847 (b) The office may grant, during a sandbox period, an
 848 exception of a requirement, or a portion thereof, imposed by a
 849 general law or waiver of a corresponding rule in any section
 850 enumerated in paragraph (a) to a licensee, if all of the
 851 following conditions are met:
 852 1. The general law or corresponding rule currently prevents
 853 the innovative financial product or service from being made
 854 available to consumers.
 855 2. The exceptions or rule waivers are not broader than
 856 necessary to accomplish the purposes and standards specified in
 857 this section, as determined by the office.
 858 3. No provision relating to the liability of an
 859 incorporator, a director, or an officer of the applicant is
 860 eligible for a waiver.
 861 4. The other requirements of this section are met.
 862 (5) FINANCIAL TECHNOLOGY SANDBOX APPLICATION; STANDARDS FOR
 863 APPROVAL.—
 864 (a) Before filing an application for licensure under this
 865 section, a substantially affected person may seek a declaratory
 866 statement pursuant to s. 120.565 regarding the applicability of
 867 a statute, a rule, or an agency order to the petitioner's
 868 particular set of circumstances.
 869 (b) Before making an innovative financial product or
 870 service available to consumers in the Financial Technology

Page 30 of 39

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-03961-20

20201870c2

871 Sandbox, a person must file an application for licensure with
 872 the office. The commission shall, by rule, prescribe the form
 873 and manner of the application.

874 1. In the application, the person must specify the general
 875 law or rule requirements for which an exception or waiver is
 876 sought and the reasons why these requirements prevent the
 877 innovative financial product or service from being made
 878 available to consumers.

879 2. The application also must contain the information
 880 specified in paragraph (d).

881 (c)1. A business entity may file an application for
 882 licensure.

883 2. Before a person applies on behalf of a business entity
 884 intending to make an innovative financial product or service
 885 available to consumers, the person must obtain the consent of
 886 the business entity.

887 (d) The office shall approve or deny in writing a Financial
 888 Technology Sandbox application within 60 days after receiving
 889 the completed application. The office and the applicant may
 890 jointly agree to extend the time beyond 60 days. Consistent with
 891 this section, the office may impose conditions on any approval.
 892 In deciding whether to approve or deny an application for
 893 licensure, the office must consider each of the following:

894 1. The nature of the innovative financial product or
 895 service proposed to be made available to consumers in the
 896 Financial Technology Sandbox, including all relevant technical
 897 details.

898 2. The potential risk to consumers and the methods that
 899 will be used to protect consumers and resolve complaints during

597-03961-20

20201870c2

900 the sandbox period.

901 3. The business plan proposed by the applicant, including
 902 company information, market analysis, and financial projections
 903 or pro forma financial statements.

904 4. Whether the applicant has the necessary personnel,
 905 adequate financial and technical expertise, and a sufficient
 906 plan to test, monitor, and assess the innovative financial
 907 product or service.

908 5. If any control person of the applicant's innovative
 909 financial product or service has pled no contest to, has been
 910 convicted or found guilty of, or is currently under
 911 investigation for, fraud, a state or federal securities
 912 violation, a property-based offense, or a crime involving moral
 913 turpitude or dishonest dealing, the application to the Financial
 914 Technology Sandbox must be denied. A plea of no contest, a
 915 conviction, or a finding of guilt must be reported under this
 916 subparagraph regardless of adjudication.

917 6. A copy of the disclosures that will be provided to
 918 consumers under paragraph (6) (c).

919 7. The financial responsibility of any control person.

920 8. Any other factor that the office determines to be
 921 relevant.

922 (e) The office may not approve an application if:

923 1. The applicant had a prior Financial Technology Sandbox
 924 application that was approved and that related to a
 925 substantially similar financial product or service; or

926 2. Any control person substantially involved in the
 927 development, operation, or management of the applicant's
 928 innovative financial product or service was substantially

597-03961-20 20201870c2

929 involved in such with another Financial Technology Sandbox
 930 applicant whose application was approved and whose application
 931 related to a substantially similar financial product or service.

932 (f) Upon approval of an application, the office shall
 933 specify the general law or rule requirements, or portions
 934 thereof, for which an exception or a waiver is granted during
 935 the sandbox period and the length of the initial sandbox period,
 936 not to exceed 24 months. The office shall post on its website
 937 notice of the approval of the application, a summary of the
 938 innovative financial product or service, and the contact
 939 information of the person making the financial product or
 940 service available.

941 (6) OPERATION OF THE FINANCIAL TECHNOLOGY SANDBOX.-

942 (a) A licensee under this section may make an innovative
 943 financial product or service available to consumers during the
 944 sandbox period.

945 (b) The office, on a case-by-case basis, may specify the
 946 maximum number of consumers authorized to receive an innovative
 947 financial product or service, after consultation with the person
 948 who makes the financial product or service available to
 949 consumers. The office may not authorize more than 15,000
 950 consumers to receive the financial product or service until the
 951 licensee who makes the financial product or service available to
 952 consumers has filed the first report required under subsection

953 (8). After the filing of that report, if the licensee
 954 demonstrates adequate financial capitalization, risk management
 955 processes, and management oversight, the office may authorize up
 956 to 25,000 consumers to receive the financial product or service.

957 (c)1. Before a consumer purchases, uses, receives, or

597-03961-20 20201870c2

958 enters into an agreement to purchase, use, or receive an
 959 innovative financial product or service through the Financial
 960 Technology Sandbox, the licensee making the financial product or
 961 service available must provide a written statement of all of the
 962 following to the consumer:

963 a. The name and contact information of the person making
 964 the financial product or service available to consumers.

965 b. That the financial product or service has been
 966 authorized to be made available to consumers for a temporary
 967 period by the office, under the laws of this state.

968 c. That the state does not endorse the financial product or
 969 service.

970 d. That the financial product or service is undergoing
 971 testing, may not function as intended, and may entail financial
 972 risk.

973 e. That the licensee making the financial product or
 974 service available to consumers is not immune from civil
 975 liability for any losses or damages caused by the financial
 976 product or service.

977 f. The expected end date of the sandbox period.

978 g. The contact information for the office and notification
 979 that suspected legal violations, complaints, or other comments
 980 related to the financial product or service may be submitted to
 981 the office.

982 h. Any other statements or disclosures required by rule of
 983 the commission which are necessary to further the purposes of
 984 this section.

985 2. The written statement must contain an acknowledgement
 986 from the consumer, which must be retained for the duration of

597-03961-20 20201870c2

987 the sandbox period by the licensee making the financial product
 988 or service available.
 989 (d) The office may enter into an agreement with a state,
 990 federal, or foreign regulatory agency to allow persons who make
 991 an innovative financial product or service available in this
 992 state through the Financial Technology Sandbox to make their
 993 products or services available in other jurisdictions. The
 994 commission shall adopt rules to implement this paragraph.
 995 (e) The office may examine the records of a licensee at any
 996 time, with or without prior notice.
 997 (7) EXTENSIONS AND CONCLUSION OF SANDBOX PERIOD.—
 998 (a) A licensee may apply for an extension of the initial
 999 sandbox period for up to 12 additional months for a purpose
 1000 specified in subparagraph (b)1. or subparagraph (b)2. A complete
 1001 application for an extension must be filed with the office at
 1002 least 90 days before the conclusion of the initial sandbox
 1003 period. The office shall approve or deny the application for
 1004 extension in writing at least 35 days before the conclusion of
 1005 the initial sandbox period. In deciding to approve or deny an
 1006 application for extension of the sandbox period, the office
 1007 must, at a minimum, consider the current status of the factors
 1008 previously considered under paragraph (5) (d).
 1009 (b) An application for an extension under paragraph (a)
 1010 must cite one of the following reasons as the basis for the
 1011 application and must provide all relevant supporting information
 1012 that:
 1013 1. Amendments to general law or rules are necessary to
 1014 offer the innovative financial product or service in this state
 1015 permanently.

Page 35 of 39

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-03961-20 20201870c2

1016 2. An application for a license that is required in order
 1017 to offer the innovative financial product or service in this
 1018 state permanently has been filed with the office, and approval
 1019 is pending.
 1020 (c) At least 30 days before the conclusion of the initial
 1021 sandbox period or the extension, whichever is later, a licensee
 1022 shall provide written notification to consumers regarding the
 1023 conclusion of the initial sandbox period or the extension and
 1024 may not make the financial product or service available to any
 1025 new consumers after the conclusion of the initial sandbox period
 1026 or the extension, whichever is later, until legal authority
 1027 outside of the Financial Technology Sandbox exists for the
 1028 licensee to make the financial product or service available to
 1029 consumers. After the conclusion of the sandbox period or the
 1030 extension, whichever is later, the licensee may:
 1031 1. Collect and receive money owed to the person or pay
 1032 money owed by the person, based on agreements with consumers
 1033 made before the conclusion of the sandbox period or the
 1034 extension.
 1035 2. Take necessary legal action.
 1036 3. Take other actions authorized by commission rule which
 1037 are not inconsistent with this subsection.
 1038 (8) REPORT.—A licensee shall submit a report to the office
 1039 twice a year as prescribed by commission rule. The report must,
 1040 at a minimum, include financial reports and the number of
 1041 consumers who have received the financial product or service.
 1042 (9) CONSTRUCTION.—A person whose Financial Technology
 1043 Sandbox application is approved is deemed licensed under this
 1044 section and is subject to chapter 516 or chapter 560 with the

Page 36 of 39

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

597-03961-20 20201870c2

1045 applicable exceptions to general law or waiver of the rule
 1046 requirements of chapter 516 or chapter 560 specified under
 1047 paragraph (4) (a), unless the person's license has been revoked
 1048 or suspended. Notwithstanding s. 560.204(2), a licensee may not
 1049 engage in activities authorized under part III of chapter 560.
 1050 (10) VIOLATIONS AND PENALTIES.—
 1051 (a) A licensee who makes an innovative financial product or
 1052 service available to consumers in the Financial Technology
 1053 Sandbox is:
 1054 1. Not immune from civil damages for acts and omissions
 1055 relating to this section.
 1056 2. Subject to all criminal and any other statute not
 1057 specifically excepted under paragraph (4) (a).
 1058 (b)1. The office may, by order, revoke or suspend a license
 1059 of a person to make an innovative financial product or service
 1060 available to consumers if:
 1061 a. The person has violated or refused to comply with this
 1062 section, a rule of the commission, an order of the office, or a
 1063 condition placed by the office on the approval of the person's
 1064 Financial Technology Sandbox application;
 1065 b. A fact or condition exists that, if it had existed or
 1066 become known at the time that the Financial Technology Sandbox
 1067 application was pending, would have warranted denial of the
 1068 application or the imposition of material conditions;
 1069 c. A material error, false statement, misrepresentation, or
 1070 material omission was made in the Financial Technology Sandbox
 1071 application; or
 1072 d. After consultation with the licensee, the office
 1073 determines that continued testing of the innovative financial

Page 37 of 39

597-03961-20 20201870c2

1074 product or service would:
 1075 (I) Be likely to harm consumers; or
 1076 (II) No longer serve the purposes of this section because
 1077 of the financial or operational failure of the financial product
 1078 or service.
 1079 2. Written notice of a revocation or suspension order made
 1080 under subparagraph 1. must be served using any means authorized
 1081 by law. If the notice relates to a suspension, the notice must
 1082 include any condition or remedial action that the person must
 1083 complete before the office lifts the suspension.
 1084 (c) The office may refer any suspected violation of law to
 1085 an appropriate state or federal agency for investigation,
 1086 prosecution, civil penalties, and other appropriate enforcement
 1087 action.
 1088 (d) If service of process on a person making an innovative
 1089 financial product or service available to consumers in the
 1090 Financial Technology Sandbox is not feasible, service on the
 1091 office is deemed service on such person.
 1092 (11) RULES AND ORDERS.—
 1093 (a) The commission shall adopt rules to administer this
 1094 section.
 1095 (b) The office may issue all necessary orders to enforce
 1096 this section and may enforce these orders in accordance with
 1097 chapter 120 or in any court of competent jurisdiction. These
 1098 orders include, but are not limited to, orders for payment of
 1099 restitution for harm suffered by consumers as a result of an
 1100 innovative financial product or service.
 1101 Section 12. For the 2020-2021 fiscal year, the sum of
 1102 \$50,000 in nonrecurring funds is appropriated from the

BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: CS/SB 1874

INTRODUCER: Governmental Oversight and Accountability Committee and Senator Hutson

SUBJECT: Fees/Office of Financial Regulation/Financial Technology Sandbox Applications

DATE: March 2, 2020 **REVISED:** _____

| | ANALYST | STAFF DIRECTOR | REFERENCE | ACTION |
|----|----------------|----------------|-----------|--------------------|
| 1. | <u>McVaney</u> | <u>McVaney</u> | <u>GO</u> | <u>Fav/CS</u> |
| 2. | <u>Arnold</u> | <u>Knudson</u> | <u>BI</u> | <u>Favorable</u> |
| 3. | <u>Smith</u> | <u>Kynoch</u> | <u>AP</u> | <u>Pre-meeting</u> |

Please see Section IX. for Additional Information:

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/SB 1874 prohibits the Office of Financial Regulation from waiving or modifying a fee provided in chapter 559, Florida Statutes, except as otherwise authorized for the Financial Technology Sandbox.

This bill is linked with CS/SB 1870. CS/SB 1870 creates the Financial Technology Sandbox within the Office of Financial Regulation. The Financial Technology Sandbox is intended to allow financial technology innovators to test innovative financial products or services in a supervised flexible regulatory sandbox using waivers of specified general law and corresponding rule requirements under defined conditions.

This bill has no fiscal impact on state government or local governments.

This bill takes effect on the same date that CS/SB 1870 or similar legislation takes effect, if such legislation is adopted in the same legislative session or an extension thereof and becomes a law.

At this point, CS/SB 1870 takes effect July 1, 2020.

II. Present Situation:

The Florida Constitution provides that no state tax or fee may be imposed, authorized, or raised by the Legislature except through legislation approved by two-thirds of the membership of each

house of the Legislature.¹ For purposes of this requirement, a “fee” is any charge or payment required by law. This includes any fee or charge for services and fees or costs for licenses. To “raise” a fee or tax means to:²

- Increase or authorize an increase in the rate of a state tax or fee imposed on a percentage or per mill basis;
- Increase or authorize an increase in the amount of a state tax or fee imposed on a flat or fixed amount basis; or
- Decrease or eliminate a state tax or fee exemption or credit.

A bill that imposes, authorizes, or raises any state fee or tax may only contain the fee or tax provision(s) and may not contain any other subject.³

The constitutional provision does not authorize any state tax or fee to be imposed if it is otherwise prohibited by the constitution and does not apply to any tax or fee authorized or imposed by a county, municipality, school board, or special district.⁴

CS/SB 1870, which is linked to this bill, creates the Financial Technology Sandbox within the Office of Financial Regulation. The Financial Technology Sandbox is intended to allow financial technology innovators to test innovative financial products or services in a supervised flexible regulatory sandbox using waivers of specified general law and corresponding rule requirements under defined conditions.

III. Effect of Proposed Changes:

The bill prohibits the Office of Financial Regulation from waiving or modifying a fee provided in ch. 559, F.S., except as otherwise authorized for the Financial Technology Sandbox.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

Not applicable. The bill does not require counties or municipalities to take an action requiring the expenditure of funds, reduce the authority that counties or municipalities have to raise revenue in the aggregate, nor reduce the percentage of state tax shared with counties or municipalities.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

¹ Fla. Const. art. VII, s. 19(a)-(b). The amendment appeared on the 2018 ballot as Amendment 5.

² Fla. Const. art. VII, s. 19(d).

³ Fla. Const. art. VII, s. 19(e).

⁴ Fla. Const. art. VII s. 19(c).

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

This bill is not expected to impact state revenues or expenditures.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends section 559.952 of the Florida Statutes, created in CS/SB 1870, 2020 Regular Session.

IX. Additional Information:

A. Committee Substitute – Statement of Substantial Changes:

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Governmental Oversight and Accountability on February 10, 2020:

The CS removes the application fee for the Financial Technology Sandbox and the fees associated with fingerprint processing and retention. While the companion bill, SB 1870, allows certain statutory fees to be waived, the CS prohibits the waiver or modification of any fees provided in ch. 559, F.S., except as otherwise provided in SB 1870.

B. Amendments:

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill's introducer or the Florida Senate.

By the Committee on Governmental Oversight and Accountability;
and Senator Hutson

585-03385-20

20201874c1

1 A bill to be entitled
2 An act relating to fees; amending s. 559.952, F.S.;
3 prohibiting the Office of Financial Regulation from
4 waiving or modifying fees for the Financial Technology
5 Sandbox except as specified; providing a contingent
6 effective date.

7
8 Be It Enacted by the Legislature of the State of Florida:

9
10 Section 1. Subsection (12) is added to section 559.952,
11 Florida Statutes, as created by SB 1870, 2020 Regular Session,
12 to read:

13 559.952 Financial Technology Sandbox.—

14 (12) FEES.—The office may not waive or modify any fee
15 provided under this chapter except as authorized under this
16 section.

17 Section 2. This act shall take effect on the same date that
18 SB 1870 or similar legislation takes effect, if such legislation
19 is adopted in the same legislative session or an extension
20 thereof and becomes a law.

BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Appropriations

BILL: SB 7060
 INTRODUCER: Finance and Tax Committee
 SUBJECT: Tax Administration
 DATE: March 2, 2020 REVISED: _____

| ANALYST | STAFF DIRECTOR | REFERENCE | ACTION |
|----------|----------------|-----------|---------------------------------------|
| Babin | Diez-Arguelles | | FT Submitted as Committee Bill |
| 1. Babin | Kynoch | AP | Favorable |

I. Summary:

SB 7060 makes changes to tax-related statutes, as recommended by the Department of Revenue. Specifically, the bill:

- Extends from 3 to 5 years the time for commencement of repairs to property damaged by Hurricane Michael without the property owner losing the prior assessment limitation.
- Updates real property classification language to classify apartments with more than nine units as commercial property.
- Updates the Department of Revenue’s tax roll review requirements to delete the requirement that the department do in-depth reviews of tangible personal property and to delete the requirement that the department calculate a confidence interval for an entire property roll.
- Tolls the statute of limitations for refund claims to allow taxpayers to apply for refunds during the audit process.
- Increases the timeframes during which non-residents and dealers must provide documentation demonstrating that boats and aircraft purchased in Florida were removed from the State.
- Changes the penalty for not properly labeling dyed diesel fuel from \$10 per gallon to \$2,500 for every month that dyed diesel fuel is improperly labeled.

The Revenue Estimating Conference estimates that the provisions of the bill that toll the statute of limitations for refunds will reduce General Revenue Fund receipts by an indeterminate amount beginning in Fiscal Year 2020-2021. The remaining provisions of the bill do not have a fiscal impact.

The bill takes effect July 1, 2020.

II. Present Situation:

The present situation for each issue is explained below in Section III, Effect of Proposed Changes.

III. Effect of Proposed Changes:

Section 1 –Repairs to Property Damaged by Hurricane Michael

Present Situation

Under current law, changes, additions, or improvements to property are assessed at fair market value on the January 1 after the changes, additions, or improvements are substantially completed; however, Florida allows an owner of property that was damaged or destroyed by misfortune or calamity to make changes, additions, or improvements that repair or replace portions of the property without increasing the assessed value of the property above the value of the property before it was damaged or destroyed.¹ In order to receive this lower assessed value, the square footage of the property, as changed or improved, may not exceed 110 percent of the square footage of the property before it was damaged or destroyed, or 1500 square feet. And, the qualifying changes, additions, or improvements must commence within three years after the January 1 following the damage or destruction of the property.

Proposed change

The bill creates s. 193.1557, F.S., to extend from three years to five years the timeframe for commencing qualifying changes, additions or improvements that replace all or a portion of property damaged or destroyed by Hurricane Michael. This extension of time applies for tax years 2019-2023 and is repealed on December 31, 2023.

Section 2 – Property Classification of Apartments with more than Nine Units

Present Situation

Under current law all items that are required by law to be on the assessment rolls must receive a classification based upon the use of the property.² Real property must be classified according to the assessment basis of the land.³

Apartment property is generally assessed in a manner similar to other commercial property but must be classified as multifamily, regardless of the number of units.

Proposed change

The bill amends s. 195.073, F.S., to specify that apartment property with more than nine units should be classified as commercial property.

Section 3 – In-Depth Study Requirements and Confidence Interval Calculations

Present Situation

The DOR must conduct an in-depth review of the real property and tangible personal property assessment rolls of each county at least once every two years and report the results of its review

¹ See ss. 193.155(4)(b), 193.1554(6)(b), and 193.1555(6)(b), F.S.

² Section 195.073, F.S.

³ *Id.*

to specified legislative committees and county officials.⁴ As part of the in-depth review, the DOR conducts assessment ratio studies, which assist in determining whether property is being assessed fairly and equitably.⁵ In conducting the assessment ratio studies, the DOR must adhere to the standards to which the property appraisers are required to adhere to and use all practicable steps to maximize the representativeness or statistical reliability of the samples of properties reviewed.

The DOR must complete the review of the county assessment roll and publish the findings within 120 days after receiving the roll or within 10 days after the approval of the roll, whichever is later.⁶ During the review process, the DOR must compute a confidence interval for the overall property tax roll and include in its findings a statement of the confidence interval for the median and any other measures that may be appropriate for each classification or subclassification studied. The results should also include all related statistical and analytical details and measures for the real property assessment roll as a whole and the personal property assessment roll as a whole.⁷

A recently completed Auditor General's report contained findings noting that the DOR has not conducted in-depth reviews of tangible personal property and that the DOR has not met the requirement to compute a confidence interval for the overall property tax roll.

The DOR has not conducted in-depth reviews of the tangible personal property rolls in over a decade because, during the recession, the Legislature cut the staff positions that conducted these studies.

The DOR has not computed a confidence interval for the property tax roll as a whole because there is not a generally accepted statistical procedure for the calculation.

Proposed change

The bill amends s. 195.096, F.S., to specify that in-depth reviews are only required for real property rolls and to remove the requirement that the DOR compute a confidence interval for the overall property tax roll.

Section 4 – Reduce Penalties for Diesel Fuel Noticing Violations

Present Situation

Florida law allows consumers to purchase dyed diesel fuel free from state and local taxes under the following circumstances:

- When used on a farm for farming purposes;
- When used exclusively by a local government;
- When used in a vehicle owned by an aircraft museum;
- When used exclusively by the American Red Cross;

⁴ Section 195.096(2), and (3)(c), F.S.

⁵ International Association of Assessing Officers, *Standard on Ratio Studies*, p. 8, available at https://www.iaao.org/media/standards/Standard_on_Ratio_Studies.pdf (last visited Feb. 12, 2020).

⁶ Section 195.096(2)(f), F.S.

⁷ Section 195.096(3)(a), F.S.

- When used in a vessel employed in the business of commercial transportation or in commercial fishing;
- When used in a bus engaged in the transportation of students and employees of schools;
- When used in a local bus service open to the public and travels regular routes;
- When used exclusively by a nonprofit educational facility;
- When used in a motor vehicle owned by the US Government which is used off-highway;
- When used in a vessel of war;
- When used for home heating;
- When used in certain self-propelled off-road or stationary equipment; and
- When used by a non-commercial vessel.⁸

Each local government or mass transit system provider that intends to purchase dyed diesel must register with the DOR before making exempt purchases.⁹

Tax free dyed diesel fuel is marked with a red dye¹⁰ and invoices, shipping papers, bills of lading, pumps, and other related items associated with the sale are required to be marked with the statement: “DYED DIESEL FUEL, NONTAXABLE USE ONLY, PENALTY FOR TAXABLE USE.”¹¹

Failure to include the required statement requires a mandatory penalty of \$10 for every gallon or \$1,000, whichever is greater.¹² The mandatory \$10 per gallon penalty requirement has resulted in very large penalty assessments, even when the dealer had paid all taxes due.

Proposed Change

The bill amends s. 206.8741, F.S., to revise the penalty to \$2,500 for each month that there is a failure to include the required notice.

Section 5 – Timeframe for Non-Residents to Remove Boats and Aircraft from the State

Present Situation

Non-residents¹³ who purchase a boat or aircraft in Florida for use outside Florida are not required to pay Florida sales tax on their purchase if the item is removed from the state within a statutory timeframe and documentation is provided to the DOR to show that the boat or aircraft was removed and titled or registered in another jurisdiction. Currently, the following time limits are in statute:

⁸ Section 206.874(3), F.S.

⁹ Section 206.874(4) and (5), F.S.

¹⁰ See Rule 12B-5.140(1), F.A.C., and 48.4082-1(b), Treasury Regulations (February 26, 2002), which specifies the dye “Solvent Red 164 (and no other dye) at a concentration spectrally equivalent to at least 3.9 pounds of the solid dye standard Solvent Red 26 per thousand barrels of diesel fuel.”

¹¹ Section 206.8741, F.S.

¹² Sections 206.8741(6) and 206.872(11), F.S.

¹³ Section 212.05(1)(a)2., F.S., provides that Florida sales tax does not apply to the purchase of a boat or aircraft if the purchaser is, at the time of delivery, (1) a non-resident of the state, (2) not engaged in carrying on a trade or business which would use the boat or aircraft in the state, and (3) not a corporation which has any Florida resident officers or directors.

- The purchaser has **10 days** from the date the boat or aircraft left Florida to provide the DOR with proof of the removal.
- The purchaser has **30 days** from the date of departure to provide the DOR with documentation that the boat or aircraft has been titled or registered in another jurisdiction. If proof of registration is not available within **30 days**, the purchaser must provide evidence that the registration was applied for in another jurisdiction within the timeframe and must send the registration to the DOR once it has been received.
- The selling dealer has **5 days** from the date of the sale to provide to the DOR a copy of the invoice (or other proof of sale) and a copy of the original affidavit from the purchaser attesting that he or she has read the statute on non-resident purchases.

Proposed Change

The bill amends s. 212.05, F.S., to extend each of the current statutory timeframes to allow additional time for the purchaser and dealer to provide information to the DOR, as follows:

- Proof of removal - **30 days**.
- Proof of titling or registration - **90 days**.
- Dealer provision of invoice - **30 days**.

Section 6 – Toll Statute of Limitations for Refund Claims during an audit

Present Situation

Under Florida law, taxpayers have the ability to file an application for a refund when they have paid tax in error, have made an overpayment of tax, or have paid tax when no tax was due.¹⁴ Generally, a taxpayer has three years from the time the tax was paid to apply for the refund.¹⁵

When a taxpayer has been audited and would like to dispute the outcome of the audit; or when the taxpayer has applied for a refund, been denied, and would like to dispute the refund denial; the taxpayer has the option to protest the case through the informal protest process.¹⁶ The informal protest process provides taxpayers a separate and independent forum to challenge audit assessments and refund denials.

The time for the DOR to make a tax assessment is tolled during an audit protest, thus protecting the state's interest;¹⁷ however, the time for a taxpayer to file a refund claim for overpayment of taxes is not tolled during these same protests.

Proposed Change

The bill amends s. 213.21, F.S., to toll the time for a taxpayer to file a refund claim during an audit protest.

¹⁴ Section 215.26(1), F.S.

¹⁵ Section 215.26(2), F.S.

¹⁶ Section 213.21(1)(a), F.S.

¹⁷ Section 213.21(1)(b), F.S.

IV. Constitutional Issues:**A. Municipality/County Mandates Restrictions:**

The bill does not require counties or municipalities to spend funds, limit their ability to raise revenue, or reduce the percentage of state tax shared with them. Therefore, the mandates provisions of Art. VII, s. 18 of the Florida Constitution do not apply.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None identified.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

The Revenue Estimating Conference estimates that the provisions of the bill that toll the time for a taxpayer to apply for refunds during an audit protest will reduce General Revenue Fund receipts by an indeterminate amount beginning in Fiscal Year 2020-2021. The remaining provisions of the bill do not have a fiscal impact.

B. Private Sector Impact:

Property owners affected by Hurricane Michael may have more time to commence repairs to their property without losing their assessment limitation.

Taxpayers with refund claims found during an informal protest may be able to receive refunds that are currently time barred.

Non-residents who purchase boats and aircraft for use in another state will have more time to provide required documentation.

Sellers of dyed diesel fuel may pay less penalties.

C. Government Sector Impact:

None.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

The bill substantially amends the following sections of the Florida Statutes: 195.073; 195.096; 206.8741; 212.05; and 213.21.

The bill creates section 193.1557 of the Florida Statutes.

IX. Additional Information:

A. Committee Substitute – Statement of Changes:

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

None.

B. Amendments:

None.

By the Committee on Finance and Tax

1 A bill to be entitled
 2 An act relating to tax administration; creating s.
 3 193.1557, F.S.; providing applicability of certain
 4 property assessment limitations to changes, additions,
 5 or improvements to property damaged or destroyed by
 6 Hurricane Michael which are commenced within a certain
 7 timeframe; specifying the applicable tax years;
 8 providing for future repeal; amending s. 195.073,
 9 F.S.; revising the classification of certain
 10 residential property for assessment purposes; amending
 11 s. 195.096, F.S.; revising requirements for the
 12 Department of Revenue's review and published findings
 13 of county assessment rolls; amending s. 206.8741,
 14 F.S.; revising a penalty for failure to provide or
 15 post a notice relating to dyed diesel fuel; amending
 16 s. 212.05, F.S.; revising timeframes for certain
 17 documentation to be provided to the department for the
 18 purposes of a sales tax exemption for the sale of
 19 certain boats and aircraft; amending s. 213.21, F.S.;
 20 providing that the period for filing a claim for
 21 certain refunds is tolled during a period in which a
 22 taxpayer is engaged in certain informal conference
 23 procedures; providing an effective date.

25 Be It Enacted by the Legislature of the State of Florida:

26
 27 Section 1. Section 193.1557, Florida Statutes, is created
 28 to read:
 29 193.1557 Assessment of certain property damaged by

Page 1 of 14

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

593-03922-20

20207060__

30 Hurricane Michael.--For property damaged or destroyed by
 31 Hurricane Michael in 2018, s. 193.155(4)(b), s. 193.1554(6)(b),
 32 or s. 193.1555(6) shall apply to changes, additions, or
 33 improvements commenced within 5 years after January 1 following
 34 the damage or destruction of the property. This section applies
 35 to tax years 2019-2023 and shall stand repealed December 31,
 36 2023.

37 Section 2. Paragraphs (a) and (b) of subsection (1) of
 38 section 195.073, Florida Statutes, are amended to read:

39 195.073 Classification of property.--All items required by
 40 law to be on the assessment rolls must receive a classification
 41 based upon the use of the property. The department shall
 42 promulgate uniform definitions for all classifications. The
 43 department may designate other subclassifications of property.
 44 No assessment roll may be approved by the department which does
 45 not show proper classifications.

46 (1) Real property must be classified according to the
 47 assessment basis of the land into the following classes:

48 (a) Residential, subclassified into categories, one
 49 category for homestead property and one for nonhomestead
 50 property:

- 51 1. Single family.
- 52 2. Mobile homes.
- 53 3. Multifamily, up to nine units.
- 54 4. Condominiums.
- 55 5. Cooperatives.
- 56 6. Retirement homes.

57 (b) Commercial and industrial, including apartments with
 58 more than nine units.

Page 2 of 14

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

593-03922-20

20207060

59 Section 3. Subsection (2) and paragraph (a) of subsection
60 (3) of section 195.096, Florida Statutes, are amended to read:
61 195.096 Review of assessment rolls.-

62 (2) The department shall conduct, no less frequently than
63 once every 2 years, an in-depth review of the real property
64 assessment ~~roll rolls~~ of each county. The department need not
65 individually study every use-class of property set forth in s.
66 195.073, but shall at a minimum study the level of assessment in
67 relation to just value of each classification specified in
68 subsection (3). Such in-depth review may include proceedings of
69 the value adjustment board and the audit or review of procedures
70 used by the counties to appraise property.

71 (a) The department shall, at least 30 days prior to the
72 beginning of an in-depth review in any county, notify the
73 property appraiser in the county of the pending review. At the
74 request of the property appraiser, the department shall consult
75 with the property appraiser regarding the classifications and
76 strata to be studied, in order that the review will be useful to
77 the property appraiser in evaluating his or her procedures.

78 (b) Every property appraiser whose upcoming roll is subject
79 to an in-depth review shall, if requested by the department on
80 or before January 1, deliver upon completion of the assessment
81 roll a list of the parcel numbers of all parcels that did not
82 appear on the assessment roll of the previous year, indicating
83 the parcel number of the parent parcel from which each new
84 parcel was created or "cut out."

85 (c) In conducting assessment ratio studies, the department
86 must use all practicable steps, including stratified statistical
87 and analytical reviews and sale-qualification studies, to

593-03922-20

20207060

88 maximize the representativeness or statistical reliability of
89 samples of properties in tests of each classification, stratum,
90 or roll made the subject of a ratio study published by it. The
91 department shall document and retain records of the measures of
92 representativeness of the properties studied in compliance with
93 this section. Such documentation must include a record of
94 findings used as the basis for the approval or disapproval of
95 the tax roll in each county pursuant to s. 193.1142. In
96 addition, to the greatest extent practicable, the department
97 shall study assessment roll strata by subclassifications such as
98 value groups and market areas for each classification or stratum
99 to be studied, to maximize the representativeness of ratio study
100 samples. For purposes of this section, the department shall rely
101 primarily on an assessment-to-sales-ratio study in conducting
102 assessment ratio studies in those classifications of property
103 specified in subsection (3) for which there are adequate market
104 sales. The department shall compute the median and the value-
105 weighted mean for each classification or subclassification
106 studied and for the roll as a whole.

107 (d) In the conduct of these reviews, the department shall
108 adhere to all standards to which the property appraisers are
109 required to adhere.

110 (e) The department and each property appraiser shall
111 cooperate in the conduct of these reviews, and each shall make
112 available to the other all matters and records bearing on the
113 preparation and computation of the reviews. The property
114 appraisers shall provide any and all data requested by the
115 department in the conduct of the studies, including electronic
116 data processing tapes. Any and all data and samples developed or

593-03922-20

20207060__

117 obtained by the department in the conduct of the studies shall
 118 be confidential and exempt from the provisions of s. 119.07(1)
 119 until a presentation of the findings of the study is made to the
 120 property appraiser. After the presentation of the findings, the
 121 department shall provide any and all data requested by a
 122 property appraiser developed or obtained in the conduct of the
 123 studies, including tapes. Direct reimbursable costs of providing
 124 the data shall be borne by the party who requested it. Copies of
 125 existing data or records, whether maintained or required
 126 pursuant to law or rule, or data or records otherwise
 127 maintained, shall be submitted within 30 days from the date
 128 requested, in the case of written or printed information, and
 129 within 14 days from the date requested, in the case of
 130 computerized information.

131 (f) Within 120 days after receipt of a county assessment
 132 roll by the executive director of the department pursuant to s.
 133 193.1142(1), or within 10 days after approval of the assessment
 134 roll, whichever is later, the department shall complete the
 135 review for that county and publish the department's findings.
 136 The findings must include ~~a statement of the confidence interval~~
 137 ~~for the median and such other~~ measures as may be appropriate for
 138 each classification or subclassification studied ~~and for the~~
 139 ~~roll as a whole~~, and related statistical and analytical details.
 140 The measures in the findings must be based on:

- 141 1. A 95-percent level of confidence; or
- 142 2. Ratio study standards that are generally accepted by
- 143 professional appraisal organizations in developing a
- 144 statistically valid sampling plan if a 95-percent level of
- 145 confidence is not attainable.

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

593-03922-20

20207060__

146 (g) Notwithstanding any other provision of this chapter, in
 147 one or more assessment years following a natural disaster in
 148 counties for which a state of emergency was declared by
 149 executive order or proclamation of the Governor pursuant to
 150 chapter 252, if the department determines that the natural
 151 disaster creates difficulties in its statistical and analytical
 152 reviews of the assessment rolls in affected counties, the
 153 department shall take all practicable steps to maximize the
 154 representativeness and reliability of its statistical and
 155 analytical reviews and may use the best information available to
 156 estimate the levels of assessment. This paragraph first applies
 157 to the 2019 assessment roll and operates retroactively to
 158 January 1, 2019.

159 (3) (a) Upon completion of review pursuant to paragraph
 160 (2) (f), the department shall publish the results of reviews
 161 conducted under this section. The results must include all
 162 statistical and analytical measures computed under this section
 163 for the real property assessment roll ~~as a whole, the personal~~
 164 ~~property assessment roll as a whole~~, and independently for the
 165 following real property classes if the classes constituted 5
 166 percent or more of the total assessed value of real property in
 167 a county on the previous tax roll:

- 168 1. Residential property that consists of one primary living
 169 unit, including, but not limited to, single-family residences,
 170 condominiums, cooperatives, and mobile homes.
- 171 2. Residential property that consists of two to nine ~~or~~
 172 ~~more~~ primary living units.
- 173 3. Agricultural, high-water recharge, historic property
 174 used for commercial or certain nonprofit purposes, and other

Page 6 of 14

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

593-03922-20

20207060__

175 use-valued property.

176 4. Vacant lots.

177 5. Nonagricultural acreage and other undeveloped parcels.

178 6. Improved commercial and industrial property, including
179 apartments with more than nine units.

180 7. Taxable institutional or governmental, utility, locally
181 assessed railroad, oil, gas and mineral land, subsurface rights,
182 and other real property.

183

184 If one of the above classes constituted less than 5 percent of
185 the total assessed value of all real property in a county on the
186 previous assessment roll, the department may combine it with one
187 or more other classes of real property for purposes of
188 assessment ratio studies or use the weighted average of the
189 other classes for purposes of calculating the level of
190 assessment for all real property in a county. The department
191 shall also publish such results for any subclassifications of
192 the classes or the assessment roll ~~rolls~~ it may have chosen to
193 study.

194 Section 4. Subsection (6) of section 206.8741, Florida
195 Statutes, is amended to read:

196 206.8741 Dyeing and marking; notice requirements.—

197 (6) Any person who fails to provide or post the required
198 notice with respect to any dyed diesel fuel is subject to a
199 penalty of \$2,500 for each month such failure occurs ~~the penalty~~
200 ~~imposed by s. 206.872(11).~~

201 Section 5. Paragraph (a) of subsection (1) of section
202 212.05, Florida Statutes, is amended to read:

203 212.05 Sales, storage, use tax.—It is hereby declared to be

593-03922-20

20207060__

204 the legislative intent that every person is exercising a taxable
205 privilege who engages in the business of selling tangible
206 personal property at retail in this state, including the
207 business of making mail order sales, or who rents or furnishes
208 any of the things or services taxable under this chapter, or who
209 stores for use or consumption in this state any item or article
210 of tangible personal property as defined herein and who leases
211 or rents such property within the state.

212 (1) For the exercise of such privilege, a tax is levied on
213 each taxable transaction or incident, which tax is due and
214 payable as follows:

215 (a)1.a. At the rate of 6 percent of the sales price of each
216 item or article of tangible personal property when sold at
217 retail in this state, computed on each taxable sale for the
218 purpose of remitting the amount of tax due the state, and
219 including each and every retail sale.

220 b. Each occasional or isolated sale of an aircraft, boat,
221 mobile home, or motor vehicle of a class or type which is
222 required to be registered, licensed, titled, or documented in
223 this state or by the United States Government shall be subject
224 to tax at the rate provided in this paragraph. The department
225 shall by rule adopt any nationally recognized publication for
226 valuation of used motor vehicles as the reference price list for
227 any used motor vehicle which is required to be licensed pursuant
228 to s. 320.08(1), (2), (3)(a), (b), (c), or (e), or (9). If any
229 party to an occasional or isolated sale of such a vehicle
230 reports to the tax collector a sales price which is less than 80
231 percent of the average loan price for the specified model and
232 year of such vehicle as listed in the most recent reference

593-03922-20

20207060__

233 price list, the tax levied under this paragraph shall be
 234 computed by the department on such average loan price unless the
 235 parties to the sale have provided to the tax collector an
 236 affidavit signed by each party, or other substantial proof,
 237 stating the actual sales price. Any party to such sale who
 238 reports a sales price less than the actual sales price is guilty
 239 of a misdemeanor of the first degree, punishable as provided in
 240 s. 775.082 or s. 775.083. The department shall collect or
 241 attempt to collect from such party any delinquent sales taxes.
 242 In addition, such party shall pay any tax due and any penalty
 243 and interest assessed plus a penalty equal to twice the amount
 244 of the additional tax owed. Notwithstanding any other provision
 245 of law, the Department of Revenue may waive or compromise any
 246 penalty imposed pursuant to this subparagraph.

247 2. This paragraph does not apply to the sale of a boat or
 248 aircraft by or through a registered dealer under this chapter to
 249 a purchaser who, at the time of taking delivery, is a
 250 nonresident of this state, does not make his or her permanent
 251 place of abode in this state, and is not engaged in carrying on
 252 in this state any employment, trade, business, or profession in
 253 which the boat or aircraft will be used in this state, or is a
 254 corporation none of the officers or directors of which is a
 255 resident of, or makes his or her permanent place of abode in,
 256 this state, or is a noncorporate entity that has no individual
 257 vested with authority to participate in the management,
 258 direction, or control of the entity's affairs who is a resident
 259 of, or makes his or her permanent abode in, this state. For
 260 purposes of this exemption, either a registered dealer acting on
 261 his or her own behalf as seller, a registered dealer acting as

593-03922-20

20207060__

262 broker on behalf of a seller, or a registered dealer acting as
 263 broker on behalf of the purchaser may be deemed to be the
 264 selling dealer. This exemption shall not be allowed unless:

265 a. The purchaser removes a qualifying boat, as described in
 266 sub-subparagraph f., from the state within 90 days after the
 267 date of purchase or extension, or the purchaser removes a
 268 nonqualifying boat or an aircraft from this state within 10 days
 269 after the date of purchase or, when the boat or aircraft is
 270 repaired or altered, within 20 days after completion of the
 271 repairs or alterations; or if the aircraft will be registered in
 272 a foreign jurisdiction and:

273 (I) Application for the aircraft's registration is properly
 274 filed with a civil airworthiness authority of a foreign
 275 jurisdiction within 10 days after the date of purchase;

276 (II) The purchaser removes the aircraft from the state to a
 277 foreign jurisdiction within 10 days after the date the aircraft
 278 is registered by the applicable foreign airworthiness authority;
 279 and

280 (III) The aircraft is operated in the state solely to
 281 remove it from the state to a foreign jurisdiction.

282
 283 For purposes of this sub-subparagraph, the term "foreign
 284 jurisdiction" means any jurisdiction outside of the United
 285 States or any of its territories;

286 b. The purchaser, within 90 ~~30~~ days from the date of
 287 departure, provides the department with written proof that the
 288 purchaser licensed, registered, titled, or documented the boat
 289 or aircraft outside the state. If such written proof is
 290 unavailable, within 90 ~~30~~ days the purchaser shall provide proof

593-03922-20 20207060__

291 that the purchaser applied for such license, title,
292 registration, or documentation. The purchaser shall forward to
293 the department proof of title, license, registration, or
294 documentation upon receipt;

295 c. The purchaser, within 30 ~~40~~ days of removing the boat or
296 aircraft from Florida, furnishes the department with proof of
297 removal in the form of receipts for fuel, dockage, slippage,
298 tie-down, or hangaring from outside of Florida. The information
299 so provided must clearly and specifically identify the boat or
300 aircraft;

301 d. The selling dealer, within 30 ~~5~~ days of the date of
302 sale, provides to the department a copy of the sales invoice,
303 closing statement, bills of sale, and the original affidavit
304 signed by the purchaser attesting that he or she has read the
305 provisions of this section;

306 e. The seller makes a copy of the affidavit a part of his
307 or her record for as long as required by s. 213.35; and

308 f. Unless the nonresident purchaser of a boat of 5 net tons
309 of admeasurement or larger intends to remove the boat from this
310 state within 10 days after the date of purchase or when the boat
311 is repaired or altered, within 20 days after completion of the
312 repairs or alterations, the nonresident purchaser applies to the
313 selling dealer for a decal which authorizes 90 days after the
314 date of purchase for removal of the boat. The nonresident
315 purchaser of a qualifying boat may apply to the selling dealer
316 within 60 days after the date of purchase for an extension decal
317 that authorizes the boat to remain in this state for an
318 additional 90 days, but not more than a total of 180 days,
319 before the nonresident purchaser is required to pay the tax

Page 11 of 14

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

593-03922-20 20207060__

320 imposed by this chapter. The department is authorized to issue
321 decals in advance to dealers. The number of decals issued in
322 advance to a dealer shall be consistent with the volume of the
323 dealer's past sales of boats which qualify under this sub-
324 subparagraph. The selling dealer or his or her agent shall mark
325 and affix the decals to qualifying boats in the manner
326 prescribed by the department, before delivery of the boat.

327 (I) The department is hereby authorized to charge dealers a
328 fee sufficient to recover the costs of decals issued, except the
329 extension decal shall cost \$425.

330 (II) The proceeds from the sale of decals will be deposited
331 into the administrative trust fund.

332 (III) Decals shall display information to identify the boat
333 as a qualifying boat under this sub-subparagraph, including, but
334 not limited to, the decal's date of expiration.

335 (IV) The department is authorized to require dealers who
336 purchase decals to file reports with the department and may
337 prescribe all necessary records by rule. All such records are
338 subject to inspection by the department.

339 (V) Any dealer or his or her agent who issues a decal
340 falsely, fails to affix a decal, mismarks the expiration date of
341 a decal, or fails to properly account for decals will be
342 considered prima facie to have committed a fraudulent act to
343 evade the tax and will be liable for payment of the tax plus a
344 mandatory penalty of 200 percent of the tax, and shall be liable
345 for fine and punishment as provided by law for a conviction of a
346 misdemeanor of the first degree, as provided in s. 775.082 or s.
347 775.083.

348 (VI) Any nonresident purchaser of a boat who removes a

Page 12 of 14

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

593-03922-20 20207060__
 349 decal before permanently removing the boat from the state, or
 350 defaces, changes, modifies, or alters a decal in a manner
 351 affecting its expiration date before its expiration, or who
 352 causes or allows the same to be done by another, will be
 353 considered prima facie to have committed a fraudulent act to
 354 evade the tax and will be liable for payment of the tax plus a
 355 mandatory penalty of 200 percent of the tax, and shall be liable
 356 for fine and punishment as provided by law for a conviction of a
 357 misdemeanor of the first degree, as provided in s. 775.082 or s.
 358 775.083.

359 (VII) The department is authorized to adopt rules necessary
 360 to administer and enforce this subparagraph and to publish the
 361 necessary forms and instructions.

362 (VIII) The department is hereby authorized to adopt
 363 emergency rules pursuant to s. 120.54(4) to administer and
 364 enforce the provisions of this subparagraph.

365
 366 If the purchaser fails to remove the qualifying boat from this
 367 state within the maximum 180 days after purchase or a
 368 nonqualifying boat or an aircraft from this state within 10 days
 369 after purchase or, when the boat or aircraft is repaired or
 370 altered, within 20 days after completion of such repairs or
 371 alterations, or permits the boat or aircraft to return to this
 372 state within 6 months from the date of departure, except as
 373 provided in s. 212.08(7)(fff), or if the purchaser fails to
 374 furnish the department with any of the documentation required by
 375 this subparagraph within the prescribed time period, the
 376 purchaser shall be liable for use tax on the cost price of the
 377 boat or aircraft and, in addition thereto, payment of a penalty

593-03922-20 20207060__
 378 to the Department of Revenue equal to the tax payable. This
 379 penalty shall be in lieu of the penalty imposed by s. 212.12(2).
 380 The maximum 180-day period following the sale of a qualifying
 381 boat tax-exempt to a nonresident may not be tolled for any
 382 reason.

383 Section 6. Paragraph (b) of subsection (1) of section
 384 213.21, Florida Statutes, is amended to read:

385 213.21 Informal conferences; compromises.—

386 (1)

387 (b) The statute of limitations upon the issuance of final
 388 assessments and the period for filing a claim for refund as
 389 required by s. 215.26(2) for any transactions occurring during
 390 the audit period shall be tolled during the period in which the
 391 taxpayer is engaged in a procedure under this section.

392 Section 7. This act shall take effect July 1, 2020.
