BILL: SB 266

INTRODUCER: Senator Burton

SUBJECT: Public Adjuster Contracts

DATE: January 14, 2026      REVISED: \_\_\_\_\_

ANALYST	STAFF DIRECTOR	REFERENCE	ACTION

## I. Summary:

SB 266 provides that an insured person that is a vulnerable adult or who lacks capacity to consent, as those terms are defined in s. 415.102, F.S., or the legal representative of such insured person, may rescind a contract for public adjuster services to adjust a claim at any time without penalty or further obligation. Any public adjuster or public adjuster apprentice found to violate this provision is subject to discipline by the Department of Financial Services.

The bill should have an insignificant impact, if any, on state or local government.

The bill takes effect on July 1, 2026.

## II. Present Situation:

### Insurance Adjusters

Part VI, ch. 626, F.S., regulates insurance adjusters, which includes public adjusters, independent adjusters, and company employee adjusters. A “public adjuster” is any person, other than a licensed attorney, who, for compensation, prepares, completes, or files an insurance claim for an insured or third-party claimant in negotiating or settling an insurance claim on behalf of an insured or third party.<sup>1</sup> An “independent adjuster” is any person licensed as an all-lines adjuster who is self-appointed or appointed and employed by an independent adjusting firm or other independent adjuster, and who undertakes on behalf of an insurer to ascertain and determine the amount of any claim, loss, or damage payable under an insurance contract or undertakes to effect settlement of such claim, loss, or damage.<sup>2</sup> A “company employee adjuster” is any person licensed as an all-lines adjuster who is appointed and employed on an insurer’s staff of adjusters or a wholly owned subsidiary of the insurer, and who undertakes on behalf of such insurer or

<sup>1</sup> Section 626.854(1), F.S.

<sup>2</sup> Section 626.855, F.S.

other insurers under common control or ownership to ascertain and determine the amount of any claim, loss, or damage payable under a contract of insurance, or undertakes to effect settlement of such claim, loss, or damage.<sup>3</sup>

## Public Adjusters

Public adjusters are licensed by the Department of Financial Services (DFS) and are required to meet pre-licensing requirements, which include submitting an application, paying required fees, complying with requirements as to knowledge, experience, or instruction, and submitting fingerprints. A policyholder who has sustained an insured loss may hire a public adjuster. The public adjuster will inspect the loss site, analyze the damages, assemble claim support data, review the insured's coverage, determine current replacement costs, and confer with the insurer's representatives to adjust the claim.<sup>4</sup> The definition of "public adjuster" excludes:

- A licensed health care provider or employee thereof who prepares or files a health insurance claim form on behalf of a patient.
- A licensed health insurance agent who assists an insured with coverage questions, medical procedure coding issues, balance billing issues, understanding the claims filing process, or filing a claim, as such assistance relates to coverage under a health insurance policy.
- A person who files a health claim on behalf of another and does so without compensation.<sup>5</sup>

## Contracts and Disclosures

Florida law prohibits a public adjuster from charging a fee unless a written contract is entered into prior to the payment of the claim.<sup>6</sup> All contracts for public adjuster services must be in writing in writing in at least 12-point type and be titled "Public Adjuster Contract." All such contracts and all proof of loss statements must prominently display the following statement in minimum 18-point bold type before the space reserved in the contract for the signature of the insured:

"Pursuant to s. 817.234, Florida Statutes, any person who, with the intent to injure, defraud, or deceive an insurer or insured, prepares, presents, or causes to be presented a proof of loss or estimate of cost or repair of damaged property in support of a claim under an insurance policy knowing that the proof of loss or estimate of claim or repairs contains false, incomplete, or misleading information concerning any fact or thing material to the claim commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084, Florida Statutes."<sup>7</sup>

A public adjuster may not receive compensation for services provided before the date the insured receives an unaltered copy of the executed contract or the date executed contract is submitted to the insurer.<sup>8</sup> A public adjuster contract for a property and casualty claim must include:

- The full name, permanent business address, phone number, e-mail address, and license number of the public adjuster;

<sup>8</sup> Section 626.8796(3), F.S.

- The full name and license number of the public adjusting firm;
- The insured's full name, street address, phone number, and e-mail address;
- A brief description of the loss;
- The percentage of compensation for the public adjuster's services in minimum 18-point bold type before the space reserved in the contract for the signature of the insured;
- The type of claim, including an emergency claim, nonemergency claim, or supplemental claim;
- The initials of the named insured on each page that does not contain the insured's signature;
- The signatures of the public adjuster and all named insureds; and
- the signature date.<sup>9</sup>

An unaltered copy of the executed contract must be provided to the insured at the time of execution and to the insurer, or the insurer's representative, within 7 days after execution.<sup>10</sup> A public adjusting firm that adjusts claims primarily for commercial entities with operations in more than one state and that does not directly or indirectly perform adjusting services for insurers or individual homeowners is deemed to comply with the contract requirements if, at the time a proof of loss is submitted, the public adjusting firm remits to the insurer an affidavit signed by the public adjuster or public adjuster apprentice that identifies:

- The full name, permanent business address, phone number, e-mail address, and license number of the public adjuster or public adjuster apprentice.
- The full name of the public adjusting firm.
- The insured's full name, street address, phone number, and e-mail address, together with a brief description of the loss.
- An attestation that the compensation for public adjusting services will not exceed the limitations provided by law.
- The type of claim, including an emergency claim, nonemergency claim, or supplemental claim.<sup>11</sup>

An insured or claimant may cancel a contract with a public adjuster without penalty within 10 days after the date on which the contract is executed.<sup>12</sup> A public adjuster's contract must contain the following statement in minimum 18-point bold type which states:

You, the insured, may cancel this contract for any reason without penalty or obligation to you within 10 days after the date of this contract. If this contract was entered into based on events that are the subject of a declaration of a state of emergency by the Governor, you may cancel this contract for any reason without penalty or obligation to you within 30 days after the date of loss or 10 days after the date on which the contract is executed, whichever is longer. You may also cancel the contract without penalty or obligation to you if I, as your public adjuster, fail to provide you and your insurer a copy of a written estimate within 60 days of the execution of the contract, unless the failure to provide the estimate within 60 days is caused by factors beyond my control, in accordance with s. 627.70131(5)(a)2.,

A public adjuster is required to provide to the insured or claimant a written estimate of the loss to assist in any claim for insurance proceeds within 60 days after the date of the contract.<sup>14</sup>

### ***Charges, Fees, and Gifts***

Florida law<sup>15</sup> limits the compensation a public adjuster may charge. These limits are:

- If a public adjuster enters into a contract with an insured or claimant to reopen a claim, or files a supplemental claim, that seeks additional payments for a claim that has been previously paid, the public adjuster may not charge based on a previous claim payment for the same cause of loss. The charge must be based only on the claim payments or settlements obtained through the public adjuster's work after entering into the contract. Compensation for the reopened or supplemental claim may not exceed 20 percent of the reopened or supplemental claim payment.<sup>16</sup>
- A public adjuster may not charge in excess of:
  - Ten percent of the amount of insurance claim payments or settlements, exclusive of attorney fees and costs, paid to the insured by the insurer for claims based on events that are the subject of a declaration of a state of emergency by the Governor. This provision applies to claims made during the year after the declaration of emergency. After that year, the limitations in the following bullet points apply.<sup>17</sup>
  - Twenty percent of the amount of insurance claim payments or settlements, exclusive of attorney fees and costs, paid to the insured by the insurer for claims that are not based on events that are the subject of a declaration of a state of emergency by the Governor.<sup>18</sup>
  - One percent of the amount of insurance claim payments or settlements, paid to the insured by the insurer for any coverage part of the policy where the claim payment or agreement to pay is equal to or greater than the policy limit for that part of the policy, if the payment or written commitment to pay is provided within 14 days after the date of loss or within 10 days after the date on which the contract is executed, whichever is later.<sup>19</sup>
  - Zero percent of the amount of insurance claim payments or settlements, paid to the insured by the insurer for any coverage part of the policy where the claim payment or agreement to pay occurs before the date on which the contract is executed.<sup>20</sup>
- For purposes of calculating permissible compensation, compensation may not be based on the deductible portion of a claim.<sup>21</sup>
- Compensation may not be based on amounts attributable to additional living expenses, unless such compensation is affirmatively agreed to in a separate agreement that includes a disclosure in substantially the following form: "I agree to retain and compensate the public

- The rate of compensation may not be increased based solely on the fact that the claim is litigated.<sup>23</sup>
- Any maneuver, shift, or device through which the limits on compensation set forth in the subsection are exceeded is a violation of the chapter<sup>24</sup> and is punishable as provided under state law.<sup>25</sup>

### ***Prohibited acts***

A public adjuster, a public adjuster apprentice, or any person or entity acting on behalf of a public adjuster or public adjuster apprentice may not give or offer to give:

- A monetary loan or advance to a client or prospective client.<sup>26</sup>
- Directly or indirectly, any article of merchandise having a value in excess of \$25 to any individual for the purpose of advertising or as an inducement to entering into a contract with a public adjuster.<sup>27</sup>

Section 626.854, F.S., prohibits public adjusters from engaging in certain conduct, including giving legal advice or acting on behalf of any person negotiating or settling certain claims.<sup>28</sup> An attorney who is licensed to practice law in Florida and in good standing with The Florida Bar is not required to hold a separate license under ch. 626, F.S., to adjust or participate in the adjustment of any claim, loss, or damage arising under policies or insurance contracts.<sup>29</sup>

Public adjusters are also prohibited from directly or indirectly soliciting an insured or claimant except on Monday through Saturday of each week and only between the hours of 8 a.m. and 8 p.m. on those days.<sup>30</sup> A public adjuster or any other person who circulates or disseminates any advertisement, announcement, or statement containing any assertion, representation, or statement about the business of insurance that is untrue, deceptive, or misleading commits an unfair and deceptive insurance trade practice, and Florida law sets out specific statements which are considered deceptive or misleading.<sup>31</sup>

### ***Disciplinary Guidelines***

Section 626.8698, F.S., provides that the DFS may deny, suspend, or revoke the license of a public adjuster or public adjuster apprentice, and administer a fine not to exceed \$5,000 per act, for any of the following:

- Violating any provision of ch. 626, F.S., or a rule or order of the DFS;

<sup>22</sup> Section 626.854(11)(d), F.S.

<sup>23</sup> Section 626.854(11)(e), F.S.

<sup>24</sup> Section 626.854(11)(f), F.S.

<sup>25</sup> See s. 626.8698, F.S. (providing disciplinary guidelines for public adjusters and public adjuster apprentices).

<sup>26</sup> Section 626.854(9), F.S.

<sup>27</sup> Section 626.854(10), F.S.

<sup>28</sup> Section 626.854(3), F.S.

<sup>29</sup> Section 626.860, F.S.

<sup>30</sup> Section 626.854(5), F.S.

<sup>31</sup> Section 626.854(8), F.S. Section 626.9541, F.S., provides for unfair methods of competition and unfair or deceptive acts or practices.

- Receiving payment or anything of value as a result of an unfair or deceptive practice;
- Receiving or accepting any fee, kickback, or other thing of value pursuant to any agreement or understanding, oral or otherwise; entering into a split-fee arrangement with another person who is not a public adjuster; or being otherwise paid or accepting payment for services that have not been performed;
- Violating ss. 316.066 (written reports of crashes) or 817.234 (false and fraudulent insurance claims), F.S.;
- Soliciting or otherwise taking advantage of a person who is vulnerable, emotional, or otherwise upset as the result of a trauma, accident, or other similar occurrence; or
- Violating any ethical rule of the DFS.

### **Vulnerable Adults**

Section 415.102(28), F.S., defines “vulnerable adult” to mean “a person 18 years of age or older whose ability to perform the normal activities of daily living or to provide for his or her own care or protection is impaired due to a mental, emotional, sensory, long-term physical, or developmental disability or dysfunction, or brain damage, or the infirmities of aging.”

Section 415.102(15), F.S., defines “lacks capacity to consent” to mean “a mental impairment that causes a vulnerable adult to lack sufficient understanding or capacity to make or communicate responsible decisions concerning person or property, including whether or not to accept protective services.”

Section 415.103, F.S., requires any person who knows, or has reasonable cause to suspect, that a vulnerable adult has been exploited to immediately report such knowledge or suspicion to the central abuse hotline operated by the Department of Children and Family Services.<sup>32</sup> For purposes of both ch. 415, F.S., and ch. 825, F.S., a “vulnerable adult” is a person 18 years of age or older whose ability to perform the normal activities of daily living or to provide for his or her own care or protection is impaired due to a mental, emotional, sensory, long-term physical, or developmental disability or dysfunction, or brain damage, or the infirmities of aging.<sup>33</sup>

It is a second-degree misdemeanor<sup>34</sup> for a person to knowingly and willfully fail to report a case of known or suspected exploitation of a vulnerable adult or prevent another person from doing so.<sup>35</sup>

### **III. Effect of Proposed Changes:**

**Section 1** amends s. 626.854, F.S., to provide that an insured person that is a vulnerable adult or who lacks capacity to consent, as those terms are defined in s. 415.102, F.S., or the legal representative of such insured person, may rescind a contract for public adjuster services to adjust a claim at any time without penalty or further obligation.

**Section 2** amends s. 626.8698, F.S., to provide that soliciting or taking advantage of a person who is a vulnerable adult, as defined in s. 415.102, is a ground for discipline by the DFS against the license of a public adjuster or public adjuster apprentice.

**Section 3** amends s. 626.8796, F.S., to provide that an insured person that is a vulnerable adult or who lacks capacity to consent, as those terms are defined in s. 415.102, F.S., or the legal representative of such insured person, may rescind a contract for public adjuster services to adjust a claim at any time without penalty or further obligation.

**Section 4** provides that the bill is effective on July 1, 2026.

**IV. Constitutional Issues:**

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None.

**V. Fiscal Impact Statement:**

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

The bill may lead to certain public adjuster services contracts being rescinded before completion of the contract which could be to the benefit of an insured that is either a vulnerable adult or someone who lacks the capacity to consent to such contract.

**C. Government Sector Impact:**

The new provisions in the bill have the potential to lead to discipline by the DFS on the license of a public adjuster or public adjuster apprentice. It is not anticipated to have a significant impact, if any, on state or local government.

**VI. Technical Deficiencies:**

The bill uses the definition of “lacks capacity to consent” found in s. 415.102. F.S. That definition is “a mental impairment that causes a vulnerable adult to lack sufficient understanding or capacity to make or communicate responsible decisions concerning person or property, including whether or not to accept protective services.” Because the definition of “lacks capacity to consent” in s. 415.102, F.S., is limited to vulnerable adults, it is unnecessary in the bill because it does not capture any persons not captured by the definition of vulnerable adult in s. 415.102, F.S.

**VII. Related Issues:**

The bill amends s. 626.854, F.S., to allow vulnerable adults, adults who lack capacity to consent, and their legal representatives, to rescind a contract for public adjuster services at any time. The language here states that this rescission power is “notwithstanding any other provision of this chapter”. The bill also 626.8796, F.S., regarding public adjuster contracts, to the same effect. Given that both sections are in ch. 626, F.S., only one of the sections needs to be amended given that the right of rescission created by the bill applies regardless of any contrary provision in ch. 626, F.S.

**VIII. Statutes Affected:**

This bill substantially amends the following sections of the Florida Statutes: 626.854, 626.8698, and 626.8796.

**IX. Additional Information:****A. Committee Substitute – Statement of Changes:**

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

BILL: SB 394

INTRODUCER: Senator Leek

SUBJECT: Reinsurance Intermediary Managers

DATE: January 14, 2026 REVISED: \_\_\_\_\_

ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1. Thomas	Knudson	BI	<b>Favorable</b>
2.		AEG	
3.		RC	

## **I. Summary:**

The bill exempts from reinsurance intermediary manager licensing requirements an underwriting manager who manages assumed facultative risks for a reinsurer, if the facultative reinsurance business managed by the underwriting manager is less than 10 percent of the assumed annual gross written premium of the reinsurer.

The bill is not anticipated to have a fiscal impact on state or local government.

The bill is effective July 1, 2026.

## **II. Present Situation:**

### **Reinsurance**

Reinsurance is basically insurance for insurers. Insurers rely on reinsurance to finance the payment of losses and make them better able to withstand major catastrophes, like hurricanes.<sup>1</sup> Reinsurance is a major driver in the cost of insurance. As much as 40% of the premium a consumer pays goes to purchase reinsurance.<sup>2</sup> The Office of Insurance Regulation (OIR) directly regulates authorized reinsurers domiciled and licensed in Florida as well as reinsurers licensed in Florida but domiciled in a foreign state.<sup>3</sup>

The main types of reinsurance are treaty and facultative, which are further categorized into proportional and non-proportional. Treaty reinsurance is a standing agreement covering a group of policies without evaluating each risk separately, offering efficiency and stability for insurers managing large volumes of similar policies. Facultative reinsurance is a one-time deal for

<sup>2</sup> *Id.*

<sup>3</sup> Section 624.610, F.S.

individual, specific risks, allowing the reinsurer to assess and accept or reject each policy, making it ideal for large or unusual exposures requiring tailored coverage.<sup>4</sup> Within these, proportional reinsurance shares both premiums and claims in a set ratio, and non-proportional reinsurance covers losses exceeding a specific, predetermined amount.<sup>5</sup>

When an insurer cedes business to an accredited reinsurer, the insurer may under statutory accounting rules recognize a reduction in its liabilities for the amount of ceded liabilities, without a regulatory requirement for the reinsurer to post collateral to secure the reinsurer's ultimate payment of the reinsured liabilities.<sup>6</sup> An accredited reinsurer is one that:

- Files with the OIR evidence of its submission to the jurisdiction of Florida;
- Submits to Florida's authority to examine its books and records;
- Is licensed or authorized to transact insurance or reinsurance in at least one state or, in the case of a United States branch of an alien assuming insurer, is entered through, licensed, or authorized to transact insurance or reinsurance in at least one state; and
- Files annually with the OIR a copy of its annual statement filed with the insurance department of its state of domicile and any quarterly statements if required by its state of domicile or such quarterly statements if requested by the OIR, and a copy of its most recent audited financial statement; and
  - Maintains a surplus as regards policyholders in an amount not less than \$20 million and whose accreditation has not been denied by the OIR within 90 days after its submission; or
  - Maintains a surplus as regards policyholders in an amount not less than \$20 million and whose accreditation has been approved by the OIR.<sup>7</sup>

A reinsurer must pay the actual costs and expenses incurred by the OIR to review a reinsurer's request for accreditation and subsequent reviews.<sup>8</sup> If the reinsurer fails to pay the actual costs and expenses promptly when due, the OIR may refuse to accredit the reinsurer or may revoke the reinsurer's accreditation.<sup>9</sup>

## Regulation of Reinsurance Intermediaries

Chapter 626, F.S., governs the regulation of insurance field representatives, navigators, insurance administrators, unauthorized insurers and surplus lines, viatical settlements, structured settlements, and operations. Part I of this chapter contains general provisions with respect to insurance agents, insurance agencies, managing general agents, insurance adjusters, reinsurance intermediaries, viatical settlement brokers, customer representatives, service representatives, and agencies. Section 626.7492, F.S., provides for the regulation of reinsurance intermediary brokers and reinsurance intermediary managers.

<sup>8</sup> Section 624.610(3)(b)4., F.S.

<sup>9</sup> *Id.*

A “reinsurance intermediary broker” is “any person, other than an officer or employee of the ceding insurer, who solicits, negotiates, or places reinsurance cessions or retrocessions on behalf of a ceding insurer without the authority or power to bind reinsurance on behalf of the ceding insurer.”<sup>10</sup>

A “reinsurance intermediary manager” is “any person who has authority to bind, or manages all or part of, the assumed reinsurance business of a reinsurer, including the management of a separate division, department, or underwriting office, and acts as a representative for the reinsurer whether known as a reinsurance intermediary manager, manager, or other similar term.”<sup>11</sup> However, the following persons are not considered a reinsurance intermediary manager for licensure purposes:

- An employee of the reinsurer;
- A manager of the United States branch of an alien reinsurer;
- An underwriting manager which, pursuant to contract, manages all the reinsurance operations of the reinsurer, is under common control with the reinsurer, subject to the holding company act, and whose compensation is not based on the volume of premiums written.
- The manager of a group, association, pool, or organization of insurers which engage in joint underwriting or joint reinsurance and who are subject to examination by the insurance regulatory authority of the state in which the manager’s principal business office is located.<sup>12</sup>

The Division of Insurance Agent and Agency Services within the Department of Financial Services (DFS) licenses and appoints individuals and entities authorized to transact insurance in Florida, including those for reinsurance intermediaries. The Division receives and reviews applications for insurance licenses and oversees the examination, licensing, and continuing education of licensees. The Division also conducts investigations of alleged violations of the Florida Insurance Code and refers suspected criminal violations of the Florida Insurance Code to the Division's Bureau of Insurance Fraud within the DFS or other law enforcement agencies as appropriate.<sup>13</sup> Prior to July 1, 2023, the DFS provided a separate license for reinsurance intermediary brokers and managers, but it was discontinued.<sup>14</sup> Firms wanting to act as a reinsurance intermediary now must hold an insurance agency license and either a reinsurance intermediary broker appointment or a reinsurance intermediary manager appointment.<sup>15</sup>

A reinsurance intermediary broker must be a licensed producer in Florida or in another state, is a licensed producer in Florida or in another state having a law substantially similar to this section, or the reinsurance intermediary broker is licensed in Florida as an insurance agency and appointed as a reinsurance intermediary.<sup>16</sup> A reinsurance intermediary manager must be a licensed producer in Florida or another state having a law substantially similar to Florida's law.<sup>17</sup>

The DFS may require a reinsurance intermediary manager to file a bond in an amount acceptable to the DFS for the protection of the reinsurer and to maintain an errors and omissions insurance policy in an amount acceptable to the DFS.<sup>18</sup> A reinsurance intermediary is subject to examination by the DFS and must allow the DFS access to all books, bank accounts, and records of the reinsurance intermediary.<sup>19</sup> A reinsurance intermediary manager may be examined as if it were the reinsurer.<sup>20</sup> An attorney licensed in Florida, when acting in a professional capacity, is exempt from the licensure requirements.<sup>21</sup>

A transaction between a reinsurance intermediary broker and the insurer it represents must be pursuant to a written authorization specifying the responsibilities of each party. The authorization must provide, at a minimum, that:

- The insurer may terminate the reinsurance intermediary broker's authority at any time.
- The reinsurance intermediary broker must render accounts to the insurer accurately detailing all material transactions, including information necessary to support all commissions, charges, and other fees received by, or owing to, the reinsurance intermediary broker and must remit all funds due to the insurer within 30 days after receipt.

Transactions between a reinsurance intermediary manager and the reinsurer it represents must be pursuant to a written contract specifying the responsibilities of each party, which must be approved by the reinsurer's board of directors. The contract must provide, at a minimum, that:

- All funds collected for the reinsurer's account must be held by the reinsurance intermediary manager in a fiduciary capacity in a bank which is a qualified United States financial institution. COMMITTEE SUBSTITUTE - Substantial Changes

### I. Summary:

CS/SB 540 modifies the provisions of laws governing financial services regulated by the Office of Financial Regulation (OFR).

#### Cybersecurity

##### *Mortgage brokers, mortgage lenders, and money services businesses*

The bill:

- Creates a regulatory framework patterned after the Federal Standards for Safeguarding Customer Information (“Safeguard Rules”) requiring mortgage brokers, mortgage lenders, and money services businesses licensees to create and maintain a written information security program that meets specified criteria and is designed for certain purposes.
- Requires licensees to:
  - Test, monitor, and adjust the program to meet specified requirements.
  - Establish a written incident response plan that consists of certain information.
  - Investigate any cybersecurity event which must determine specified information.
  - Maintain certain records for a specified time.
  - Notify the OFR of certain breaches of security.
  - Provide specified updates required by the OFR.
- Exempts certain licensees from the regulatory requirements established in the bill.

- Provides licensees are not exempt from complying with security requirements under consumer protection laws.
- Authorizes the commission to adopt rules to administer provisions in this section of the bill. The bill authorizes the OFR to impose disciplinary actions or penalties against the licensees for failing to comply with certain notice requirements.

### ***Financial institutions***

CS/SB 540 requires a financial institution to comply with security measures of personal information that are substantially similar to the security requirements under the consumer protection laws in ch. 501, F.S. A financial institution is required to comply with specified notice requirements to the Department of Legal Affairs (DLA), and certain individuals and consumer reporting agencies.

### **Securities Transactions**

The bill amends the definition of “investment adviser” and the definition of “family office” to exclude certain persons and exempt certain offers or sales of securities from regulation, and define the term “place of business.”

### **Surrendered or Repossessed Vehicles**

The bill provides that a parties’ rights and obligations with respect to a surrendered or repossessed motor vehicle are exclusively governed by the Uniform Commercial Code, Secured Transactions, part VI of ch. 679, F.S.

### **Money Services Businesses Disciplinary Actions**

The bill clarifies that an affiliated party of a money services business which is subject to disciplinary action and penalties must have been affiliated at the time the actionable grounds occurred and provides additional grounds for disciplinary action and penalties.

The bill requires, rather than authorizes, the OFR to issue an “emergency order” to suspend, instead of summarily suspending, the license of a money services business if the OFR makes certain findings. The bill clarifies that no further findings of immediate danger, necessity, or procedural fairness are required if certain facts exist.

### **Financial Institutions Director and Officer Qualifications**

The bill allows certain directors and officers to have certain minimum experience within 10 years, rather than within 5 years, of applying to form a banking corporation or trust company.

### **Credit Unions**

The bill requires the majority of individual applicants, rather than all individual applicants, that organize a credit union must be residents of the state. The bill allows credit union members to meet electronically and without an in-person quorum and allows virtual attendees to satisfy quorum requirements. The bill eliminates the limit on fixed asset investments.

## **Financial Institutions and Family Trust Companies Examination Costs**

The bill requires that certain financial institutions and family trust companies must pay examination costs within 45 days, instead of within 30 days.

The fiscal impact of the bill is indeterminate. See Section V Fiscal Impact.

The bill is effective July 1, 2026.

## **II. Present Situation:**

The Office of Financial Regulation (OFR) is responsible for regulating all activities of banks, credit unions, other financial institutions, finance companies, and the securities industry (together, the “financial services”).<sup>1</sup> The number of licensees or state-chartered institutions regulated by the OFR is summarized below:<sup>2</sup>

<b><u>Division</u></b>	<b><u>Number of Persons Regulated</u></b>
Division of Consumer Finance	122,530
Division of Financial Institutions	196
Division of Securities	<u>403,627</u>
Total Regulated Persons	<u>526,353</u>

## **Cybersecurity**

There are federal standards for protecting customer information and Florida consumer protection laws for data security; however, there are no cybersecurity regulations under the financial services provisions. The Department of Legal Affairs (DLA) is responsible for enforcing such a violation and may disclose information to OFR relating to a covered entity’s<sup>3</sup> violation of data security requirements of confidential personal information under consumer protection laws but the OFR has no regulatory authority to enforce any violation of the data security provisions in the consumer protection laws.<sup>4</sup>

### ***Federal Standards for Safeguarding Customer Information***

The SEC has broad regulatory authority over significant parts of the securities industry, including investment advisers.<sup>32</sup> Investment advisers are required to register with the SEC unless an exception to registration applies.<sup>33</sup> Federal law provides that a family office is not considered an investment adviser,<sup>34</sup> and defines “family office” as a company that:<sup>35</sup>

- Has no clients other than family clients,<sup>36</sup> with one exception;<sup>37</sup>
- Is wholly owned by family clients and is exclusively controlled (directly or indirectly) by one or more family members and/or family entities; and
- Does not hold itself out to the public as an investment adviser.

### Securities Act of 1933

Following the stock market crash of 1929, the Securities Act of 1933<sup>38</sup> (Act of 1933) was enacted to regulate the offers and sales of securities. The Act of 1933 requires every offer and sale of securities to be registered with the Securities and Exchange Commission (SEC), unless an exemption from registration is available. The Act of 1933 requires issuers to disclose financial and other significant information regarding securities offered for public sale and prohibits deceit, misrepresentations, and other kinds of fraud in the sale of securities. The Act of 1933 requires issuers to disclose information deemed relevant to investors as part of the mandatory SEC registration of the securities that those companies offer for sale to the public.<sup>39</sup>

Registered securities offerings, often called public offerings, are available to all types of investors and have more rigorous disclosure requirements. Initial public offerings (IPOs) provide an initial pathway for companies to raise unlimited capital from the general public through a

registered offering. After its IPO, the company will be a public company with ongoing public reporting requirements.<sup>40</sup>

By contrast, securities offerings that are exempt from SEC registration are referred to as private offerings and are mainly available to more sophisticated investors. The SEC exempts certain small offerings from registration requirements to foster capital formation by lowering the cost of offering securities to the public.<sup>41</sup>

### Florida Regulation of Securities

The federal securities acts expressly allow for concurrent state regulation under blue sky laws,<sup>42</sup> which are designed to protect investors against fraudulent sales practices and activities. Most state laws typically require companies making offerings of securities to register their offerings before they can be sold in a particular state, unless a specific state exemption is available. The laws also license brokerage firms, their brokers, and investment adviser representatives.<sup>43</sup>

The scope of the OFR's jurisdiction includes the regulation and registration of the offer and sale of securities in, to, or from Florida by firms, branch offices, and individuals associated with these firms in accordance with the ch. 517, F.S.<sup>44</sup> The Division of Securities (division) within the OFR is responsible for administering the Securities and Investor Protection Act (SaIP Act). The SaIP Act prohibits dealers, associated persons, and issuers from offering or selling securities in this state unless registered with the OFR or specifically exempted.<sup>45</sup> Additionally, all securities in Florida must be registered with the OFR unless they meet one of the exemptions in ss. 517.051 or 517.061, F.S., or are federally covered (i.e., under the exclusive jurisdiction of the SEC).

## Florida Motor Vehicle Sales Finance Laws

The Florida Motor Vehicle Retail Sales Finance Act<sup>46</sup> regulates sellers,<sup>47</sup> commonly referred to as auto dealers, who enter into retail installment contracts<sup>48</sup> with buyers<sup>49</sup> for the purchase or lease of a motor vehicle.<sup>50</sup> Except for certain businesses, such as banks or trust companies, sellers are required to obtain a license to operate in Florida.<sup>51</sup> A seller must submit an application, specified information, and a nonrefundable fee to the Office of Financial Regulation (OFR) to obtain the required license.<sup>52</sup>

Any person who willfully and intentionally violates any provision of s. 520.995, F.S., or engages in the business of a retail installment seller without a license is guilty of a misdemeanor of the first degree. Section 520.995, F.S., provides grounds for disciplinary action by the OFR when, for instance, there is failure to comply with any provision of ch. 520, F.S. Further, the OFR has authority to issue and serve upon any person a cease and desist order whenever such person is violating, has violated, or is about to violate any provision of ch. 520, F.S.,<sup>53</sup> or may impose an administrative fine not to exceed \$1,000 for each violation that has occurred.<sup>54</sup>

Retail installment contracts must comply with several requirements and prohibitions, including, but not limited to, that the agreement must:

- Be in writing;<sup>55</sup>
- Contain a “Notice to the Buyer” which includes specified information;<sup>56</sup> and
- Contain other specified information, including the amount financed, finance charges, total amount of payments, total sale price, and payment details.<sup>57</sup>

Sellers must provide buyers with a separate written itemization of the amount financed.<sup>58</sup> Florida law contains several other provisions to protect the buyer, such as regulation on insurance rates,

<sup>47</sup> Section 520.02(11), F.S., defines “motor vehicle retail installment seller” or “seller” as a person engaged in the business of selling motor vehicles to retail buyers in retail installment transactions.

<sup>48</sup> “Retail installment contract” or “contract” is defined as an agreement, entered into in this state, pursuant to which the title to, or a lien upon the motor vehicle, which is the subject matter of a retail installment transaction, is retained or taken by a seller from a retail buyer as security, in whole or in part, for the buyer’s obligation. The term includes a conditional sales contract and a contract for the bailment or leasing of a motor vehicle by which the bailee or lessee contracts to pay as compensation for its use a sum substantially equivalent to or in excess of its value and by which it is agreed that the bailee or lessee is bound to become, or for no further or a merely nominal consideration, has the option of becoming, the owner of the motor vehicle upon full compliance with the provisions of the contract. Section 520.02(17), F.S.

<sup>49</sup> “Retail buyer” or “buyer” is defined as a person who buys a motor vehicle from a seller not principally for the purpose of resale, and who executes a retail installment contract in connection therewith or a person who succeeds to the rights and obligations of such person.

A seller or any other authorized entity may not require the buyer to purchase a GAP product as a condition for making the loan. In order to offer a GAP product, a seller or any other authorized entity must comply with the following:<sup>65</sup>

- The cost of any GAP product must not exceed the amount of the loan indebtedness.
- Any contract or agreement pertaining to a GAP product must be governed by s. 520.07, F.S., relating to requirements and prohibitions as to retail installment contracts.

- If a contract for a GAP product is terminated, the entity must refund to the buyer all unearned portions of the purchase price of the contract unless the contract provides otherwise. The term includes an agent or affiliate who acts on behalf of the retail lessor and excludes any assignee of the lease agreement.

<sup>63</sup> Section 520.02(7), F.S., defines “guaranteed asset protection product” as a loan, lease, or retail installment contract term, or modification or addendum to a loan, lease, or retail installment contract, under which a creditor agrees, with or without a separate charge, to cancel or waive a customer’s liability for payment of some or all of the amount by which the debt exceeds the value of the collateral that has incurred total physical damage or is the subject of an unrecovered theft. A guaranteed asset protection product may also provide, with or without a separate charge, a benefit that waives a portion of, or provides a customer with a credit toward, the purchase of a replacement motor vehicle. Such a product is not insurance for purposes of the Florida Insurance Code. This subsection also applies to all guaranteed asset protection products issued before October 1, 2008.

### **Money Services Businesses**

The Office of Financial Regulation (OFR) regulates money services businesses (MSB) under ch. 560, F.S. A “money service business” is defined as any person located in or doing business in this state, from this state, or into this state from locations outside this state or country who acts as a payment instrument seller, foreign currency exchanger, check casher, or money transmitter.<sup>67</sup> The OFR is responsible for enforcing regulations and imposing disciplinary actions against MSBs.<sup>68</sup>

The OFR has authority to implement several disciplinary actions against a MSB for specified actions, such as failing to comply with the provisions of ch. 560, F.S., certain fraud or misrepresentation conduct, and refusing to allow the examination or inspection of books or files.<sup>69</sup> Section 560.114, F.S., provides for the following disciplinary actions:

- Issuing a cease and desist order;
- Issuing a removal order; or
- Denying, suspending, or revoking a license.<sup>70</sup>

### **Financial Institutions**

A financial institution must have a federal or state charter to accept deposits. Banks are chartered and regulated as national banks by the Office of the Comptroller of the Currency (OCC) within the U.S. Department of the Treasury or as state banks by a state regulator.<sup>71</sup> The Florida Financial Institutions Codes apply to all state-authorized or state-chartered financial banks, trust companies, and related entities.<sup>72</sup> Of the 196 financial entities regulated by the OFR, 57 of them

<sup>72</sup> Section 655.005(1)(k), F.S., states that the Financial Institutions Codes includes: Ch. 655, financial institutions generally; Ch. 657, credit unions; Ch. 658, banks and trust companies; Ch. 660, trust business; Ch. 662, family trust companies; Ch. 663, international banking; Ch. 665, relating to associations; and Ch. 667, savings banks.

are state-chartered banks.<sup>73</sup> There are also approximately 30 federally-chartered banks operating in Florida.<sup>74</sup>

### ***Laws Relating to Directors and Executive Officers***

Federally-chartered banks, publicly or privately held, must comply with rigorous regulatory requirements to become chartered.<sup>75</sup> No person is allowed to offer any national bank issued security unless certain registration requirements are filed with the OCC,<sup>76</sup> unless an exemption applies, such as nonpublic offerings.<sup>77</sup> State laws also specify requirements that a proposed new bank or trust company must comply with to be chartered, including minimum qualifications of directors and certain proposed executive officers.<sup>78</sup>

#### **Initial Application**

The OFR is required to make certain findings before approving an application to organize a bank or trust company.<sup>79</sup> One such finding is that the proposed directors and officers have sufficient financial institution experience, ability, standing, and reputation to indicate a reasonable promise of successful operation.<sup>80</sup> Specifically, the OFR must find that at least two of the proposed directors who are not also proposed officers, and the proposed president or proposed chief executive officer, have had at least one year of direct experience as an executive officer, regulator, or director of a financial institution within 5 years before the date of the application.<sup>81</sup> The OFR has authority to waive this experience requirement for the proposed president or chief executive officer after considering the following criteria:<sup>82</sup>

- The adequacy of the overall experience and expertise of the proposed president or chief executive officer;
- The likelihood of successful operation of the proposed state bank or trust company;
- The adequacy of the proposed capitalization;
- The proposed capital structure;
- The experience of the other proposed officers and directors; and
- Any other relevant data or information.

#### **Director Qualifications**

The board of directors of a bank or trust company must consist of at least five directors. Each director must be elected, except in cases when a director is appointed to fill a vacancy.<sup>83</sup> A majority of the directors must be United States citizens during their whole term of service, and

### Disapproval of Directors and Executive Officers

Although federal law does not require a minimum amount of experience for proposed directors or executive officers, the appropriate Federal banking agency must issue a notice of disapproval if the competence, experience, character, or integrity of an individual indicates that it would not be in the best interests of the depositors of the depository institution or the public to permit the individual to be a director or be employed as a senior executive officer of the institution.<sup>86</sup> If the appropriate Federal banking agency issues a notice of disapproval before the end of a specified notice period, the entity may not add the individual to the board of directors.<sup>87</sup>

Similar to Federal law, Florida law also authorizes the OFR to disapprove the proposed appointment of any individual to the board of directors or employment of an individual as an executive officer if certain criteria are met, including, but not limited to, when the institution is non-compliant with minimum capital requirements or is otherwise operating in an unsafe and unsound condition.<sup>88</sup>

## **Credit Unions**

A credit union must have a federal or state charter to operate in Florida. Credit unions are chartered and regulated as a national credit union by the National Credit Union Association (NCUA).<sup>89</sup> Such membership is limited to a group or groups with a common bond of occupation or association within a defined community. Deposits into a federal credit union allow members to become owners of the credit union, run to become a credit union official, and vote on certain matters.<sup>90</sup>

The Florida Financial Institutions Codes apply to all state-chartered credit unions.<sup>91</sup> There are approximately 138 credit unions in Florida<sup>92</sup> with 67 of them being state-chartered.<sup>93</sup> Florida law provides that any person may be admitted to a credit union upon payment of any required fee, payment of shares, and compliance with the credit union bylaws.<sup>94</sup> State-chartered credit unions operate as financial institutions except for exercising certain incidental powers authorized by law.<sup>95</sup>

### ***Member Qualifications***

An application must be filed with the OFR to organize a credit union.<sup>96</sup> Any five or more residents of Florida who represent a limited field of membership may apply for permission to organize a credit union.<sup>97</sup> The application must be submitted on a prescribed form with specified information and a nonrefundable filing fee.<sup>98</sup>

### ***Membership Meetings***

Members are required to notice and hold the annual meeting and any special meetings of the members at the time, place, and in the manner provided in the bylaws.<sup>99</sup> Each member has one vote.<sup>100</sup> The members must elect the board of directors and other committees prescribed in the bylaws and transact any other business that the bylaws allow.<sup>101</sup>

### ***Investments***

Florida law regulates how credit unions may invest funds. There are no limits with respect to investing in some assets, for instance United States Treasury bonds. Examples of other classes of assets that are subject to investment limits include up to:<sup>102</sup>

- Twenty-five percent of the credit union's capital in shares or deposit accounts in any one corporate credit union or other insured financial depository institution.
- One percent of the credit union's capital in corporate obligations of any one corporation which is an affiliate or subsidiary of the credit union in certain circumstances.
- Five percent of the credit union's capital in real estate and improvements, furniture, fixtures, and equipment utilized by the credit union for the transaction of business. Credit unions may receive prior written approval from the OFR to exceed the five percent limit if the following criteria is met:
  - The proposed investment is necessary.
  - The amount is commensurate with the size and needs of the credit union.
  - The investment will be beneficial to the members.

## Examination Costs

### Financial Institutions

The OFR is required to conduct examinations of each financial institution at least once every 18 months. The OFR has discretion on whether to conduct more frequent examinations based upon the financial institution's risk profile, prior examination results, or significant changes in the institution or its operations.<sup>104</sup> The OFR may rely upon an examination conducted by an appropriate federal regulatory agency or may conduct a joint examination with the federal agency.<sup>105</sup> The OFR may conduct an examination or investigation of an affiliate<sup>106</sup> if the OFR has reason to believe that the conduct or business operations of such affiliate may have a negative impact on the state financial institution.<sup>107</sup>

The OFR may recover costs<sup>108</sup> of examination and supervision of a state financial institution, subsidiary, or service corporation that is engaged in an unsafe or unsound practice. The OFR may also recover costs of an authorized examination or investigation of an affiliate. Any costs a financial institution pays by mail must be postmarked within 30 days after the date of receipt of the notice stating that such costs are due.<sup>109</sup>

### Family Trust Companies

The OFR may conduct an examination or investigation of a licensed family trust company to determine whether such company has violated or is about to violate any provision of ch. 662, F.S., any applicable provision of the Financial Institutions Code, or any rule adopted by the commission.<sup>110</sup> The OFR may also conduct an examination or investigation of a family trust company or foreign licensed family trust company to determine whether any applicable provisions of the Financial Institutions Code has been violated or whether such company has engaged in any of the following conduct:<sup>111</sup>

- Engaged in commercial banking;

- The licensee's information system; or
- The continuing functionality of any aspect of the licensee's operations.

The written incident response plan must address all of the following:

- Twenty employees or independent contractors on its workforce; or
- Five hundred customers during a calendar year,

are not subject to the information technology program and cybersecurity event investigation requirements created in the bill. A licensee that no longer qualifies for such an exemption has 180 calendar days to comply with the requirements after the date of the disqualification. Each licensee shall maintain a copy of the information security program for a minimum of 5 years and must make it available to the office upon request or as part of an examination.

### Cybersecurity Event Investigations

A licensee, or an outside vendor or third-party service provider that the licensee has designated to act on its behalf, must conduct a prompt investigation of the cybersecurity event if a cybersecurity event has or may have occurred. During the investigation, the licensee or outside vendor or third-party service provider must, to the extent possible comply with the following minimum requirements:

- Identify the date that the event first occurred.
- Assess the nature and scope of the cybersecurity event.

If a licensee learns that a cybersecurity event has occurred, or may have occurred, in an information system maintained by a third-party service provider of the licensee, the licensee must complete an investigation or confirm and document that the third-party service provider has completed an investigation that complies with the requirements provided in the bill and summarized above. A licensee must maintain all records and documentation related to the licensee's investigation of a cybersecurity event for a minimum of 5 years and must produce the records and documentation to the OFR upon request.

- “Department” means the Department of Legal Affairs.
- “Personal information” means:

---

<sup>118</sup> Section 501.171(3)(b), F.S. (requiring the following information to be provided in the written notice to the DLA: 1. A synopsis of the events surrounding the breach; 2. <sup>121</sup> See s. 501.171(4), F.S.

<sup>122</sup> 15 U.S.C. s. 1681a(p) defines “consumer reporting agency that complies and maintains files on consumers on a nationwide basis” as a consumer reporting agency that regularly engages in the practice of assembling or evaluating, and maintaining, for the purpose of furnishing consumer reports to third parties bearing on a consumer’s credit worthiness, credit standing, or credit capacity, each of the following regarding consumers residing nationwide: (1) public record information. (2) Credit account information from persons who furnish that information regularly and in the ordinary course of business.

  - Information that is encrypted, secured, or modified by any other method or technology that removes elements that personally identify an individual or that otherwise renders the information unusable.

### ***Disciplinary Actions and Penalties***

**Section 2** of the bill subjects mortgage brokers and mortgage lenders who are covered under the cybersecurity regulation to any administrative fines or penalties provided in s. 494.00255, F.S., for failure to comply with notification requirements to the DLA and individuals whose personal information was, or the covered entity reasonably believes to have been, accessed as a result of the breach.<sup>125</sup> **Section 6** of the bill subjects money services businesses who are covered under the cybersecurity regulation to any disciplinary actions or penalties provided in s. 560.114, F.S., for failing to make such notifications.

### **Securities Transactions**

**Section 3** of the bill amends the definition of "investment adviser" to exclude the following persons from regulation as investment advisers:

- During the preceding 12 months, a person that:
  - Without a place of business in the state, has had fewer than six clients who are residents of the state.
  - With a place of business in the state, has had fewer than six clients who are residents of the state and no clients who are not residents of the state.

Current law provides a person that, during the preceding 12 months, has fewer than six clients who are residents of Florida are not investment advisers without distinguishing whether the place of business is in the state. Therefore, the amendment in the bill narrows the exemption in current law to provide that a person who has a place of business in Florida is not an investment adviser only if such business has no clients who are residents out-of-state during the preceding 12 months.

### **Money Services Businesses Disciplinary Actions and Penalties**

#### *Grounds for Disciplinary Actions and Penalties*

**Section 6** of the bill clarifies that an affiliated of a money services business that is subject to disciplinary actions and penalties of ch. 560, F.S., must be affiliated at the time of commission of the actions. Grounds for disciplinary actions and penalties are expanded to include being convicted, or entering a plea to a crime, regardless of adjudication, to the following provisions:

- A violation of the 31 U.S.C., Bank Secrecy Act, relating to:

### ***Orders Suspending a License***

The bill requires, rather than authorizes, the OFR to issue an emergency order suspending, rather than summarily suspending, a money services business license when the OFR finds that a licensee poses an immediate, serious danger to the public health, safety, and welfare. A corresponding provision related to the OFR seeking a final order for the summary suspension is removed because the provision is no longer relevant.

No further findings of immediate danger, necessity, and procedural fairness are required before ordering the suspension in specified situations. One such situation applies when a MSB fails to maintain a federally insured depository account as required by s. 560.309, F.S., The bill amends this provision to include when a MSB fails to maintain a federally insured depository account as required by s. 560.208, F.S., in addition to s. 560.309, F.S., already referenced in current law.

### **Financial Institutions Director and Officer Qualifications**

**Sections 13 and 14** of the bill modifies when the OFR must approve an application for the creation of a banking or trust corporation to require at least two of the proposed directors who are not also proposed officers, and the proposed president or chief executive officer, to have at least one year of direct experience as an executive officer, regulator, or director within the last 10 years, rather than within the last 5 years. The bill requires, rather than authorizes, the OFR to waive this experience requirement for the proposed president or chief executive officer after considering the specified criteria in current law.<sup>136</sup>

Similarly, directors' minimum qualifications are amended to require (a) in the case of a bank or trust company with a total assets of less than \$150 million, at least one director, and (b) in the case of a bank or trust company with total assets of \$150 million or more, two of the directors, who are not also officers of the bank or trust company at least 1 year of direct experience as an executive officer, regulator, or director of a financial institution within the 10 years, rather than the last 5 years.

### **Credit Unions**

#### ***Member Qualifications and Meetings***

**Section 10** of the bill reduces the number of individuals who apply to organize a credit union that must reside in the state from all individuals to a majority of individuals. **Section 11** of the bill removes investment restrictions in real estate and equipment for the credit union. The section also allows credit union members to meet electronically for annual and special meetings and without an in-person quorum and provides virtual attendance may satisfy quorum requirements, subject to the credit union's bylaws.

#### ***Investments***

**Section 12** of the bill repeals a provision that provides a credit union may invest only up to five percent of the credit union's capital in real estate and improvements, furniture, fixtures, and

---

<sup>136</sup> *Supra* note 76.

equipment utilized by the credit union for the transaction of business. A related provision is also repealed allowing credit unions to exceed the five percent limit with prior written approval by the OFR if all the specified criteria are met. This amendment is intended to make state credit unions more competitive with federal credit unions that no longer must comply with similar requirements. Further, the OFR reports that the “NCUA’s examination and supervision program will address credit unions’ safe and sound management of fixed assets.”<sup>137</sup>

### **Examination costs**

**Sections 9 and 15** of the bill extend the time for a financial institution and family trust company to pay staff examination costs from 30 to 45 days.

**Section 16** of the bill amends s. 517.12(21), F.S., to update a cross-reference.

1277       Section 7. Section 655.0171, Florida Statutes, is created  
 1278       to read:

 1302        (III) A financial account number or credit or debit card  
 1303        number, in combination with any required security code, access

1306       (IV) The individual's biometric data as defined in s.  
 1307       501.702; or  
 1308       (V) Any information regarding the individual's geolocation;  
 1309       or  
 1310        b. A username or e-mail address, in combination with a  
 1311        password or security question and answer that would permit  
 1312        access to an online account.  
 1313        2. The term does not include information about an  
 1314        individual which has been made publicly available by a federal,  
 1315        state, or local governmental entity. The term also does not  
 1316        include information that is encrypted, secured, or modified by  
 1317        any other method or technology that removes elements that

 1319        information unusable.  
 1320        (2) REQUIREMENTS FOR DATA SECURITY.—Each financial  
 1321        institution shall take reasonable measures to protect and secure  
 1322        data that are in electronic form and that contain personal  
 1323        information.  
 1324        (3) NOTICE TO OFFICE AND DEPARTMENT OF SECURITY BREACH.—  
 1325        (a)1. Each financial institution shall provide notice to  
 1326        the office of any breach of security affecting 500 or more  
 1327        individuals in this state. Such notice must be provided to the  
 1328        office as expeditiously as practicable, but no later than 30  
 1329        days after the determination of the breach or the determination  
 1330        of a reason to believe that a breach has occurred.  
 1331        2. The written notice to the office must include the items  
 1332        required under s. 501.171(3)(b).

1338 4. A financial institution may provide the office with supplemental information regarding a breach at any time.

1339 (b) Each financial institution shall provide notice to the department of any breach of security affecting 500 or more individuals in this state. Such notice must be provided to the department in accordance with s. 501.171.

1340 (4) NOTICE TO INDIVIDUALS OF SECURITY BREACH.—Each financial institution shall give notice to each individual in this state whose personal information was, or the financial institution reasonably believes to have been, accessed as a result of the breach in accordance with s. 501.171(4). The notice must be provided no later than 30 days after the determination of the breach or the determination of a reason to believe that a breach has occurred. A financial institution may receive 15 additional days to provide notice to individuals of a security breach as required in this subsection if good cause for delay is provided in writing to the office within 30 days after determination of the breach or determination of the reason to believe that a breach has occurred.

1341 (5) NOTICE TO CREDIT REPORTING AGENCIES.—If a financial institution discovers circumstances requiring notice pursuant to this section of more than 1,000 individuals at a single time, the financial institution shall also notify, without unreasonable delay, all consumer reporting agencies that compile and maintain files on consumers on a nationwide basis, as

1364 defined in the Fair Credit Reporting Act, 15 U.S.C. s. 1681a(p), of the timing, distribution, and content of the notices.

1365 Section 8. Paragraph (d) of subsection (1) of section 655.045, Florida Statutes, is amended to read:

1366 655.045 Examinations, reports, and internal audits; penalty.—

1367 (1) The office shall conduct an examination of the condition of each state financial institution at least every 18 months. The office may conduct more frequent examinations based upon the risk profile of the financial institution, prior examination results, or significant changes in the institution or its operations. The office may use continuous, phase, or other flexible scheduling examination methods for very large or complex state financial institutions and financial institutions owned or controlled by a multi-financial institution holding company. The office shall consider examination guidelines from federal regulatory agencies in order to facilitate, coordinate, and standardize examination processes.

1368 (d) As used in this section, the term "costs" means the salary and travel expenses directly attributable to the field staff examining the state financial institution, subsidiary, or service corporation, and the travel expenses of any supervisory staff required as a result of examination findings. The mailing of any costs incurred under this subsection must be postmarked within 45 30 days after the date of receipt of a notice stating that such costs are due. ### **POLICY ANALYSIS**

#### **A. EXECUTIVE SUMMARY**

Entities regulated by the Office of Financial Regulation (OFR) possess large amounts of personally identifiable data. SB 540 bolsters the security of this data in 3 areas. It requires loan originators, mortgage brokers, and mortgage lenders; money service businesses; and financial institutions to develop, implement, and maintain comprehensive security programs for the protection of their information systems and the nonpublic personal information they hold. It requires reporting of breaches of the information to the OFR and provides for disciplinary action to be taken against licensees who violate the provisions. It additionally amends the requirements for OFR to issue an emergency suspension to money service businesses, the definition of investment advisors, amends provisions related to the Financial Services Sandbox to allow greater participation and makes changes to the requirements for the operation of credit unions.

## **SUBSTANTIVE BILL ANALYSIS**

### **PRESENT SITUATION:**

Section 501.171, F.S. provides regulations for the protection and breach of Floridian's personal information held by entities who acquire, maintain, store, or use it. It provides civil penalties for violations of the regulations. It does not apply to the personal information of residents of other states. It does not apply to financial institutions. Entities licensed by OFR are not required to notify OFR if there is a breach of personal information they hold. OFR lacks specific authority to discipline licensed entities for a security breach of this information.

### **EFFECT OF THE BILL:**

SB 540 creates new section 494.00123, F.S. which requires and governs information security programs for loan originators, mortgage brokers, and mortgage lenders. It requires licensees to have a security program to protect against threats to the security of personal information and unauthorized access to the information. It provides definitions for terms related to security programs. Licensees with fewer than 20 individuals in its workforce or less than five hundred customers during a calendar year are exempt from these provisions.

Section 494.00123, F.S. requires that licensees define and periodically reevaluate the retention schedule of non public personal information and destruction methods. Security systems must also be amended to conform with changing business practices and technology.

The bill requires licensees to have a written incident response plan to respond to security breaches. It requires that the specific security program requirements be commensurate with the size and complexity of the licensee, nature and scope of their activities including the use of third-party service providers, and the sensitivity of the information held. The plan must be designed to allow the business to promptly respond to and recover from an event. The plan must address goals, assignment of roles, communications, information sharing, post event response, and provision of notice. It requires licensees to perform a prompt investigation of a cybersecurity event. If an event occurs in a third-party service provider of the licensee, the licensee or third-party provider is required to complete an investigation. Records regarding the investigation must be retained for 5 years.

Section 494.00123(4)(a), F.S. requires a licensee to provide notice and updates to the Office of any breach of security affecting 500 or more individuals in this state at a particular time. "Breach of security" is not defined in this section nor in the new provisions of s. 560, F.S. Once in effect, current statutory provisions allow for disciplinary action related to the new requirements.

The bill allows the Financial Services Commission to adopt rules to administer this section, including allowing a licensee that is in full compliance with the Federal Trade Commission's Standards for Safeguarding Customer Information to be deemed in compliance with the information security program requirements in this new section.

Section 501.171, F.S. governing Securities Transactions is amended to include that the following are not investment advisors: a person without a place of business in Florida, if they have had fewer than six clients who are residents of this state and persons with a place of business in Florida if the person has had fewer than six clients who are residents of Florida and no clients who are not residents of Florida and a family office as defined in SEC rule. Place of business is defined.

The bill amends section 559.952 F.S. governing the Financial Technology Sandbox. The definition of business entity which may apply to utilize the sandbox provisions is amended to remove the requirement that the business be domestic. It removes the condition that the product be "innovative." It also expands the types of businesses that are

eligible to participate in the sandbox to add credit, banking, money transmission and security transactions. It enumerates the chapters that the OFR may grant waivers from, removing previously specified statutory provisions that could not be waived. It adds a provision that the liability of an incorporator, director, or officer of the applicant can't be waived.

SB 540 removes the requirement that OFR specifically consider risk to consumers and methods to protect them, market analysis and financial projections and evidence of the applicant's financial viability, personnel and technical expertise, and assessment of the product or service. It also removes the requirement that no more than 15,000 consumers may receive the product before a first report is filed, and 25,000 consumer limit after filing the report.

The bill adds that approval of a sandbox license deems the licensee to possess the appropriate license under any general law, does not confer a property right, and that the product is not endorsed by the state and provides that the state is not liable for losses or damages caused by the product or service. It adds that OFR may take disciplinary action for violations of 31 U.S.C. s. 5318 and 5322 and 31 C.F.R. chapter X, and the notification requirements in section 501.171(3) and (4).

The act requires OFR to issue an emergency order suspending the license of a money service business when OFR finds that a licensee poses an immediate, serious danger to the public health, safety, and welfare. It adds that no further findings of immediate danger, necessity, and procedural fairness are required before ordering the suspension in enumerated situations.

The bill amends Chapter 560 governing money service businesses by adding s. 560.1311, F.S. which governs information security programs and cybersecurity event investigations. This new section provides definitions and prescribes regulations for Information Security Programs, Cybersecurity Investigation, Notice to Office of Security Breach, and Construction that are identical to those provided for in section 494.00123 described above.

The bill amends Chapter 655 governing Financial Institutions by adding s. 655.0171, F.S. governing requirements for customer data security and for notices of security breaches. New section 655.0171, F.S. defines Personal Information as "An individual's first name, or first initial, and last name, in combination with any of the following data elements for that individual: a social security number, a driver license or identification card number, passport number, military identification number, or other similar number issued on a government document used to verify identity, and a financial account number or credit or debit card number, in combination with any required security code, access code, or password that is necessary to permit access to the individual's financial account, the individual's biometric data as defined in s. 501.702 or any information regarding the individual's geolocation or a username or e-mail address in combination with a password or security question and answer that would permit access to an online account." New s. 560.1311, F.S. does not define "personal information", but defines "nonpublic personal information" as "personally identifiable financial information;" and any list, description, or other grouping of customers which is derived using any personally identifiable financial information that is not publicly available, such as account numbers, including any list of individuals' names and street numbers addresses which is derived, in whole or in part, using personally identifiable financial information that is not publicly available."

The bill requires each financial institution to take reasonable measures to protect and secure data that are in electronic form and that contain personal information. A financial institution is required to provide notice to OFR of any breach of more than 500 individuals in this state. The notice must be provided expeditiously and no more than 30 days after determination of breach or reason to believe a breach has occurred. It appears that the language in lines 1325 and 1341 related to section. 655.0171 contain the same language. The bill also requires notice to individuals within 30 days of the breach or reason to believe a breach has occurred. A financial institution is also required to provide notice of the timing, distribution, and content to credit reporting agencies if notice is required to be sent to more than 1,000 persons at a single time.

Section 655.045, F.S. is amended to extend the time for payments for staff examination costs from 30 to 45 days.

Section 657.005, F.S. is amended to require that a majority of the five individuals who apply for authority to organize a credit union be a resident of this state rather than all of them. It also allows the annual meeting and any special meetings to be held virtually and without a quorum subject to the bylaws. The bill eliminates restrictions for the amount of capital the credit union may invest in real estate. The bill amends section 658.21, F.S. to require the experience of directors to have been within the last ten years instead of current five. It deletes the ability for one director to qualify instead of two if one has very substantial experience. It requires a proposed president or chief executive officer to have experience as an executive officer, director, or regulator of a financial institution within the last ten years while the current requirement is for the experience to within the last five years and can be waived.

BILL: SB 632

INTRODUCER: Senator DiCeglie

SUBJECT: Transportation Network Company, Driver, and Vehicle Owner Insurance

DATE: January 12, 2026      REVISED: \_\_\_\_\_

ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1. Knudson	Knudson	BI	Pre-meeting
2. _____	_____	TR	_____
3. _____	_____	RC	_____

---

## **I. Summary:**

SB 632 reduces transportation network company (TNC) and TNC driver insurance requirements during the period when a TNC driver has accepted a prearranged ride but a rider does not occupy the TNC vehicle. The insurance requirements are reduced from at least \$1 million in primary automobile liability coverage for death, bodily injury, and property damage to primary automobile liability coverage with limits of at least \$50,000 for death and bodily injury per person subject to a limit of at least \$100,000 per incident and limits of at least \$25,000 for property damage.

The bill also requires the transportation network company to meet the statutory TNC insurance requirement unless the driver maintains a policy that does not exclude coverage that would meet the statutory TNC insurance requirements. Many private passenger automobile insurance policies have a livery exclusion which excludes coverage when the covered automobile is used to transport people or property for a fee.

The bill's effective date is July 1, 2026.

## **II. Present Situation:**

### **Transportation Network Companies (TNCs)**

Transportation network companies (TNCs) are businesses that use a digital network to connect riders with drivers who provide prearranged rides.<sup>1</sup> Examples of TNCs include Uber and Lyft. Chapter 627.748, F.S., governs the operation of TNCs, including their insurance coverage requirements.

---

<sup>1</sup> Section 627.748(1)(e), F.S.

A “TNC vehicle” is defined as a vehicle that is used by a TNC driver to offer or provide a prearranged ride and is owned, leased, or otherwise authorized to be used by the TNC driver. A vehicle that is let or rented to another for consideration may be used as a TNC vehicle. A taxicab or jitney is not a TNC vehicle.<sup>2</sup>

Statute also defines the term “prearranged ride” as the provision of transportation by a TNC driver to a rider, beginning when a TNC driver accepts a ride requested by a rider through a digital network<sup>3</sup> controlled by a TNC, continuing while the TNC driver transports the requesting rider, and ending when the last requesting rider departs from the TNC vehicle. The term does not include a taxicab, for-hire vehicle, or street hail<sup>4</sup> service and does not include ridesharing,<sup>5</sup> carpool,<sup>6</sup> or any other type of service in which the driver receives a fee that does not exceed the driver's cost to provide the ride.<sup>7</sup>

### ***TNC Coverage Requirements***

Current law requires a TNC driver, or a TNC on behalf of the TNC driver, to maintain auto insurance that recognizes the TNC driver as a TNC driver or an individual who uses the vehicle to transport riders for compensation and covers the TNC driver while the TNC driver is logged on to the digital network or engaged in a prearranged ride.<sup>8</sup> Different insurance requirements apply for these two scenarios. The required coverage is significantly higher for TNC drivers engaged in a prearranged ride.

The following coverage requirements apply while a TNC driver is logged on to the digital network but not engaged in a prearranged ride:<sup>9</sup>

- Primary automobile liability coverage of at least \$50,000 for death and bodily injury per person, \$100,000 for death and bodily injury per incident, and \$25,000 for property damage.
- Personal injury protection benefits that meet the minimum coverage amounts required under sections 627.730-627.7405, F.S.<sup>10</sup>

---

<sup>2</sup> Section 627.748(1)(h), F.S.

<sup>3</sup> “Digital network” is defined as any online-enabled technology application service, website, or system offered or used by a TNC which enables the prearrangement of riders with TNC drivers. Section 627.748(1)(a), F.S.

<sup>4</sup> “Street hail” is defined as an immediate arrangement on a street with a driver by a person using any method other than a digital network to seek immediate transportation. Section 627.748(1)(d), F.S.

<sup>5</sup> Section 341.031(9)(a), F.S., defines “ridesharing” as an arrangement between persons with a common destination, or destinations, within the same proximity, to share the use of a motor vehicle on a recurring basis for round-trip transportation to and from their place of employment or other common destination. For purposes of ridesharing, employment shall be deemed to commence when an employee arrives at the employer's place of employment to report for work and shall be deemed to terminate when the employee leaves the employer's place of employment, excluding areas not under the control of the employer. However, an employee shall be deemed to be within the course of employment when the employee is engaged in the performance of duties assigned or directed by the employer, or acting in the furtherance of the business of the employer, irrespective of location.

<sup>6</sup> Section 450.28(3), F.S., defines “carpool” as an arrangement made by the workers using one worker's own vehicle for transportation to and from work and for which the driver or owner of the vehicle is not paid by any third person other than the members of the carpool.

<sup>7</sup> Section 627.748(1)(b), F.S.

<sup>8</sup> Section 627.748(7)(a), F.S.

<sup>9</sup> Section 627.748(7)(b), F.S.

<sup>10</sup> Sections 627.730-627.7405, F.S., are the “Florida Motor Vehicle No-Fault Law.” The law requires Florida motor vehicle owners to maintain Personal Injury Protection (PIP) insurance coverage.

- Uninsured and underinsured vehicle coverage as required by section 627.727, F.S.<sup>11</sup>

Current law applies the following coverage requirements while a TNC driver is engaged in a prearranged ride, both when connected to a rider but the rider is not yet in the vehicle and when the rider is in the vehicle:<sup>12</sup>

- A primary automobile liability coverage of at least \$1 million for death, bodily injury, and property damage.
- Personal injury protection meeting the minimum coverage amounts required for a limousine under 627.730-627.7405, F.S.
- Uninsured and underinsured vehicle coverage as required by section 627.727, F.S.

### **III. Effect of Proposed Changes:**

**Section 1** amends s. 627.748(7), F.S., to reduce transportation network company (TNC) and TNC driver insurance requirements during the period when a TNC driver has accepted a prearranged ride but a rider does not yet occupy the TNC vehicle. The insurance requirements are reduced from at least \$1 million in primary automobile liability coverage for death, bodily injury, and property damage to primary automobile liability coverage with limits of at least \$50,000 for death and bodily injury per person subject to a limit of at least \$100,000 per incident and limits of at least \$25,000 for property damage.

The reduction in the statutorily required minimum automobile liability insurance coverage limits imposed upon transportation network companies and TNC drivers will reduce the costs incurred by TNCs and TNC drivers to procure such insurance, increase the likelihood that a TNC driver or TNC will be liable for extracontractual damages if negligently responsible for damages related to an automobile accident that occurs when the TNC driver is on-route to pick up a rider for a prearranged ride, and reduce the insurance proceeds that may be recovered by parties in other vehicles injured due to the negligence of a TNC or TNC driver that occurs when the TNC driver is on-route to pick up a rider for a prearranged ride.

BILL: SB 642

INTRODUCER: Senator Burgess

SUBJECT: Foreign and Alien Bail Bond Insurers

ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1. Johnson	Knudson	BI	<b>Favorable</b>
2. _____	_____	CJ	_____
3. _____	_____	RC	_____

### **I. Summary:**

SB 642 requires foreign and alien bail bond insurers doing business in Florida authorized to transact surety business in Florida to report bail bond premiums and other related information to the Office of Insurance Regulation (OIR) in the same manner that is required currently of domestic bail bond insurers. SB 642 requires such foreign and alien bail bond insurers to:

- Report bail bond premiums to the OIR net of any amounts retained by licensed bail bond agents or appointed managing general agents.
- Establish direct written premiums for bail bonds which may not be less than 6.5 percent of the total consideration received by the agent for all bail bonds written by the agent.
- Apply the prescribed reporting requirements to bail bond premiums assumed by foreign, and alien insurers for purposes of filing financial statements with OIR.
- Maintain records of the total consideration paid by the foreign and alien insurers for bail bonds written by the insurer.
- Disclose the following information in the notes to the financial statements in the annual statements filed with OIR:
  - Gross premiums written in each state by the agents of the insurer;
  - Premium taxes incurred by the insurer in each state;
  - Total consideration withheld by agents and not reported as an expense by the insurer; and
  - The amount of bail bond premium included in the surety line of the insurer's annual statement as filed with the OIR.

## II. Present Situation:

### Regulation of Bail Bond Agents

Bail is a guarantee by a third party that a defendant in a criminal case will appear in court at all judicial proceedings.<sup>1</sup> Chapter 903, F.S., sets forth the requirements relating to bail and bail bonds. A bail bond agent posts a bond to secure the defendant's release<sup>2</sup> from custody; the defendant provides money or other collateral<sup>3</sup> to secure the bail bond; and forfeits the premium if the defendant fails to appear in court or comply with other conditions of the bond.<sup>4</sup> A bail bond is a type of surety bond.<sup>5</sup>

Chapter 648, F.S., governs the regulation of bail bond agents and the business of issuing bail bonds, with the chapter being enforced by the Department of Financial Services (DFS).<sup>6</sup>

Generally, bail bond agents are appointed by insurers to execute bail bonds.<sup>7</sup> Licensed bail bond agents are required to charge a premium in exchange for granting the surety bond.<sup>8</sup>

Bail bond rates are subject to the requirements of part I of ch. 627, F.S. A bail bond agent may not execute a bail bond without charging a premium, and the premium rate may not exceed or be less than the premium rate as filed and approved by OIR.<sup>9</sup> Generally, the premium paid or retained by the bail bond agent is split between the bail bond agent, the managing general agent, and the insurer. Bail bond agents retain a large portion of the premium because of the risk retained by the agent and because of the work performed in obtaining collateral and ensuring that the defendant appears in court.<sup>10</sup> If the defendant does not appear in court, the agent is responsible for paying the amount of the bond to the court.

### Regulation of Bail Bond Insurance

The Office of Insurance Regulation (OIR)<sup>11</sup> is responsible for the regulation of all activities of insurers and other risk-bearing entities, including licensure, rates,<sup>12</sup> policy forms, market conduct, claims, solvency, administrative supervision, as provided under the Florida Insurance Code (code).<sup>13</sup>

<sup>11</sup> The OIR is an office under the Financial Services Commission (commission), which is composed of the Governor, the Attorney General, the Chief Financial Officer, and the Commissioner of Agriculture. The commission is not subject to control, supervision, or direction by the Department of Financial Services in any manner, including purchasing, transactions involving real or personal property, personnel, or budgetary matters. Section 20.121(3), F.S.

<sup>12</sup> Pursuant to s. 627.062(1), F.S., rates may not be excessive, inadequate, or unfairly discriminatory.

<sup>13</sup> Section 20.121(3)(a)1., F.S.

For purposes of the code, a domestic insurer is an insurer formed under the laws of Florida.<sup>14</sup> A foreign insurer is one formed under the laws of any state, district, territory, or commonwealth of the United States other than Florida.<sup>15</sup> An alien insurer is an insurer other than a domestic or foreign insurer.<sup>16</sup>

An insurer must obtain a certificate of authority from the OIR to transact business in Florida.<sup>17</sup> As part of the licensure process, an insurer must meet minimum surplus and capital requirements<sup>18</sup> and other provisions of part III, ch. 624, F.S. Policy forms and rates are subject to approval by the OIR.<sup>19</sup>

### ***General Premium Writing Restrictions***

Section 624.4095, F.S., prohibits an insurer's ratio of actual or projected annual written premiums to current or projected surplus as to policyholders from exceeding 10 to 1 for gross written premiums or 4 to 1 for net written premiums. The term, "gross premiums written," means direct premiums written and reinsurance assumed.<sup>20</sup>

### ***Bail Bond Premiums***

Prior to 2000, Florida domestic bail bond insurers were required to report premiums on a gross basis, not net of premiums retained by an agent, while some foreign insurers, domiciled in certain states, were authorized by their state regulator to report premiums net of premiums retained by the bail bond agent, which resulted in a Florida domestic insurer reporting higher premiums than other insurers writing the same business, thereby limiting the premium writing capacity of a Florida domestic insurer and placing the domestic insurer at a competitive disadvantage with foreign insurers whose state of domicile allowed for a deduction for premiums.<sup>21</sup>

In 2000, legislation was enacted to address this concern.<sup>22</sup> Section. 624.4094, F.S., prescribes the method for calculating direct written premiums for domestic bail bond insurers for purposes of underwriting capacity and financial reporting as prescribed in s. 624.4095, F.S. "Direct written premium," must be reported net of any amounts retained by licensed bail bond agents, and the direct written premiums for domestic bail bond insurers may not be less than 6.5 percent of the total consideration received by the agent for all bail bonds written by the agent.<sup>23</sup>

<sup>22</sup> Ch. 2000-126, Laws of Fla.

<sup>23</sup> Section 624.4094(1), F.S.,

The OIR requires insurers to submit financial statements and audits to assist the OIR in monitoring the solvency of insurers. The way financial information is compiled and reported by an insurer is determined by the state in which the insurer is domiciled.<sup>24</sup> Therefore, foreign and alien insurers writing business in Florida compile financial reports in accordance with the law of their state or country of domicile.

An authorized insurer is required to file an annual statement with OIR on or before March 1 for the preceding calendar year.<sup>25</sup> The filing includes Florida specific information regarding direct premiums written by line of insurance written. Quarterly statements covering the periods ending March 31, June 30, and September 30 must be filed within 45 days after each date. In addition, each authorized insurer is required to submit an audit report on the financial statements on or before June 1 for the preceding year.<sup>26</sup>

The National Association of Insurance Commissioners' (NAIC) Statement of Statutory Accounting Principles (SSAP) No. 53 sets forth property and casualty insurers, including surety premium, reporting obligations. The current reporting requirements of section 624.4094, F.S., deviate from the accounting guidelines of SSAP No. 53. The guidelines provide that the definition of the term, "net written premiums" means the direct premiums, plus the reinsurance assumed premiums, less the reinsurance ceded premiums.<sup>27</sup> The term, "direct premiums, includes all premiums arising from policies issued by the insurer acting as the primary insurance carrier.<sup>28</sup> These premiums should be adjusted for any return or additional premiums arising from endorsements, cancellations, audits, and retrospective rating plans.<sup>29</sup> Unlike other types of insurers, domestic bail bond insurers file their required financial reports with the OIR, based on premiums collected net of any amounts retained by agents.<sup>30</sup>

## Premium Taxes and Related Taxes

Bail bond insurers are subject to insurance premium taxes and related excise taxes under ss. 624.509, 624.5091, and 624.5092, F.S.<sup>31</sup> Each insurer is required annually to pay the Department of Revenue a tax on insurance premiums in an amount equal to 1.75 percent of the direct written premiums for bail bonds, excluding any amounts retained by licensed bail bond agents, and received during the preceding calendar year, pursuant to s. 624.509(1)(c), F.S.

**III. Effect of Proposed Changes:**

**Section 1** amends s. 624.4094, F.S., to subject alien and foreign bail bond insurers doing business in Florida to the current reporting requirements applicable to domestic bail bond insurers. For purposes of financial reporting to the Office of Insurance Regulation (OIR), the bill requires alien and foreign bail bond insurers doing business in Florida to:

- Report direct written premiums for bail bonds net of any amounts retained by licensed bail bond agents or appointed managing general agents.
- Establish direct written premiums for bail bond insurance which may not be less than 6.5 percent of the total consideration received by the agent for all bail bonds written by the agent;
- Apply the same reporting requirements to premiums assumed by a foreign or alien insurer;
- Keep records of the total consideration paid for bail bonds written; and
- Disclose the following information in the notes to the financial statements in the insurer's annual statement filed with the OIR:
  - Gross bail bond premiums written in each state by the agents of the insurer;
  - Premium taxes incurred by the insurer in each state;
  - Total consideration withheld by agents and not reported as an expense by the insurer; and
  - The total amount of bail bond premium included in the surety line of the annual statement.

**V. Fiscal Impact Statement:****A. Tax/Fee Issues:**

**B. Private Sector Impact:**

Under current law, only domestic bail bond insurers transacting business in Florida are prohibited from having direct written premiums for bail bonds that are less than 6.5 percent of the total consideration received by the agent for all bail bond insurance written. The bill would apply this requirement and corresponding reporting requirements to foreign and alien bail bond insurers.

However, applying to foreign and alien bail bond insurers the domestic bail bond reporting requirements and the prohibition against having direct written premiums for bail bonds less than 6.5 percent of the total consideration retained by the agent may conflict with the statutory requirements applicable to foreign and alien insurers in their home states or states of domicile.<sup>32</sup>

**C. Government Sector Impact:**

None.

**VI. Technical Deficiencies:**

According to the Office of Insurance Regulation, implementation of this bill may encroach on the jurisdiction of other state regulators and may constitute regulatory overreach, as it mandates that both foreign and domestic insurers disclose information that their home states may not require.<sup>33</sup>

This bill substantially amends section 624.4094 of the Florida Statutes.

### **I. Summary:**

SB 832 provides that, beginning on October 1, 2026, every rate filing for residential property coverage from a property insurer must include a rate transparency report. The report must be included with any offer of coverage and upon policy renewal. The report must include, among other information, the percentage breakdown of each cost factor making up the rate.

The bill requires the Office of Insurance Regulation (OIR) to establish a comprehensive resource center on its website to aid consumers in their understanding of insurance. The resource center must include substantive information on the current and historical dynamics of the market, available data concerning the financial condition and market conduct of insurance companies, information on the claims process, information on consumer protection, information on disaster preparedness, and information on the insurance coverage choices available to consumers.

The bill provides that the statewide average requested rate change and final approved statewide average rate change in a filing, as well as the county rating examples submitted to the OIR through the rate collection system for the purpose of displaying rates on its website, are not a trade secret.

The bill provides that when establishing the coverage amount or adjusting a claim for a dwelling or other structure under a homeowner's insurance policy, an insurer may not include the value of the land on which such dwelling or structure is located.

The bill is not expected to have a significant impact on state or local government.

The bill takes effect on July 1, 2026.

## II. Present Situation:

### Office of Insurance Regulation

#### *CHOICES*

The Office of Insurance Regulation (OIR) has an existing rate comparison tool on its website entitled “CHOICES” that provides consumers with rate information for various types of insurance. CHOICES was originally created for homeowner’s insurance and modified to include auto insurance in 2013. The CHOICES homeowner’s rate comparison tool provides sample average rates for a variety of companies writing insurance in each county, in addition to rates for Citizens Property Insurance Corporation. Further enhancements to the system expanded CHOICES to include both Medicare Supplement and small group health insurance. The CHOICES tools for both Medicare Supplement and small group health insurance allow the user to select options and enter specific criteria for calculation of rates for any county located in Florida.<sup>1</sup>

The rates provided in the CHOICES system are for illustrative purposes only. The website encourages consumers to contact either an insurance agent or the insurance company for a premium quote based on individual circumstances. Rates for insurers that submitted data as trade secret are not included.<sup>2</sup>

#### *Transparency in Rate Regulation*

The OIR is required to provide the following information with respect to any residential property rate filing on a publicly accessible Internet website:

- The overall rate change requested by the insurer.
- The rate change approved by the OIR along with all of the actuary’s assumptions and recommendations forming the basis of the OIR’s decision.
- Certification by the OIR’s actuary that, based on the actuary’s knowledge, his or her recommendations are consistent with accepted actuarial principles.<sup>3</sup>

The OIR must provide on its website a means for any policyholder who may be affected by a proposed rate change to send an e-mail to the OIR regarding the proposed rate change.<sup>4</sup> Any such e-mail must be accessible to the actuary assigned to review the rate filing.<sup>5</sup>

#### *Insurer Reporting of Property Insurance Data and other Information to the OIR*

Every insurer and insurer group doing business in Florida must file monthly reports with the OIR.<sup>6</sup> These reports, also known as QUASR reports, must include the following information for each zip code in Florida:

- The total number of policies in force at the end of each month.
- The total number of policies canceled.

- The total number of policies nonrenewed.
- The number of policies canceled due to hurricane risk.
- The number of policies nonrenewed due to hurricane risk.
- The number of new policies written.
- The total dollar value of structure exposure under policies that include wind coverage.
- The number of policies that exclude wind coverage.
- The number of claims opened each month.
- The number of claims closed each month.
- The number of claims pending each month.
- The number of claims in which either the insurer or insured invoked any form of alternative dispute resolution, and specifying which form of alternative dispute resolution was used.<sup>7</sup>

The OIR must aggregate this data on a statewide basis and make it publicly available by publishing such on the OIR's website within one month after each quarterly and annual filing.<sup>8</sup> Such information, when aggregated on a statewide basis, is not a trade secret as defined in s. 688.002(4), F.S., or s. 812.081, F.S., and is not subject to the public records exemption for trade secrets provided in s. 119.0715, F.S.<sup>9</sup>

## **Department of Financial Services**

The Department of Financial Services offers a variety of information and resources on its website to educate consumers regarding insurance and financial topics. Information may be found on homeowner's insurance, automobile insurance, life insurance and annuities, health insurance, and long-term care insurance.<sup>10</sup> The resources include over 30 consumer guides on specific insurance topics.<sup>11</sup>

## **Homeowners' Policies; Offer of Replacement Cost Coverage**

There are two basic ways that property insurance losses can be adjusted: replacement cost value (RCV) or actual cash value (ACV). Actual cash value is the depreciated value of the property being replaced or repaired. An insurer issuing homeowners' insurance policies must offer policyholders each of the following:

- A policy or endorsement providing that any loss that is repaired or replaced will be adjusted on the basis of replacement costs to the dwelling not exceeding policy limits, rather than actual cash value, but not including costs necessary to meet applicable laws and ordinances regulating the construction, use, or repair of any property or requiring the tearing down of any property, including the costs of removing debris.
- A policy or endorsement providing that, subject to other policy provisions, any loss that is repaired or replaced at any location will be adjusted on the basis of replacement costs to the dwelling not exceeding policy limits, rather than actual cash value, and also including costs necessary to meet applicable laws and ordinances regulating the construction, use, or repair

of any property or requiring the tearing down of any property, including the costs of removing debris. However, additional costs necessary to meet applicable laws and ordinances may be limited to 25 percent or 50 percent of the dwelling limit, as selected by the policyholder, and such coverage applies only to repairs of the damaged portion of the structure unless the total damage to the structure exceeds 50 percent of the replacement cost of the structure.<sup>12</sup>

Unless the insurer obtains the policyholder's written refusal of the policies or endorsements specified above, any policy covering the dwelling is deemed to include the law and ordinance coverage limited to 25 percent of the dwelling limit.<sup>13</sup> In the event of a loss for which a dwelling or personal property is insured on the basis of replacement costs:

- For a dwelling, the insurer must initially pay at least the actual cash value of the insured loss, less any applicable deductible. The insurer must pay any remaining amounts necessary to perform such repairs as work is performed and expenses are incurred. However, if a roof deductible under s. 627.701(10), F.S., is applied to the insured loss, the insurer may limit the claim payment as to the roof to the actual cash value of the loss to the roof until the insurer receives reasonable proof of payment by the policyholder of the roof deductible. Reasonable proof of payment includes a canceled check, money order receipt, credit card statement, or copy of an executed installment plan contract or other financing arrangement that requires full payment of the deductible over time. If a total loss of a dwelling occurs, the insurer must pay the replacement cost coverage without reservation or holdback of any depreciation in value, pursuant to s. 627.702, F.S.<sup>14</sup>
- For personal property:
  - The insurer must offer coverage under which the insurer is obligated to pay the replacement cost without reservation or holdback for any depreciation in value, whether or not the insured replaces the property.
  - The insurer may also offer coverage under which the insurer may limit the initial payment to the actual cash value of the personal property to be replaced, require the insured to provide receipts for the purchase of the property financed by the initial payment, use such receipts to make the next payment requested by the insured for the replacement of insured property, and continue this process until the insured remits all receipts up to the policy limits for replacement costs. The insurer must provide clear notice of this process before the policy is bound. A policyholder must be provided an actuarially reasonable premium credit or discount for this coverage. The insurer may not require the policyholder to advance payment for the replaced property.<sup>15</sup>

### III. Effect of Proposed Changes:

**Section 1** amends s. 627.0621, F.S., to provide that, beginning on October 1, 2026, every rate filing requesting a rate change for residential property coverage from a property insurer must include a rate transparency report. The OIR may accept the rate transparency report or, if it finds that the report fails to provide the required information in concise and plain language that aids consumers in their understanding of insurance or finds the report to be misleading, the OIR must

<sup>12</sup> Section 627.7011(1), F.S.

<sup>13</sup> Section 627.7011(2), F.S.

<sup>14</sup> Section 627.7011(3)(a), F.S.

<sup>15</sup> Section 627.7011(3)(b), F.S.

return the report to the property insurer for modification. Acceptance of the report by the OIR for use or direction for modification may not be deemed an approval pursuant to s. 627.062, F.S. The report must be compiled in a uniform format prescribed by the Financial Services Commission (Commission) and must include a graphical representation identifying a percentage breakdown of rating factors anticipated by the company, book, or program affected by the filing.

The report must be included with any offer of coverage and upon policy renewal. If the report has not been accepted for use or modified in accordance with the OIR's direction, the report must indicate that it is preliminary and subject to modification by the insurer. The report must include all of the following categories, which must total 100 percent, at the cumulative level:

- The percentage of the total rate factor associated with the cost of reinsurance.
- The percentage of the total rate factor associated with the cost of claims.
- The percentage of the total rate factor associated with defense and containment costs.
- The percentage of the total rate factor associated with fees and commissions.
- The percentage of the total rate factor associated with profit and contingency of the insurer.
- Any other categories deemed necessary by the OIR or the Commission.

The rate transparency report must also include the following information:

- Any major adverse findings by the OIR for the previous three calendar years.
- Whether the insurer uses affiliated entities to perform functions of the insurer.
- Contact information, including a phone number, hours of service, and e-mail address, for the DFS's Division of Consumer Services.
- Contact information for the OIR.
- The address for the website for public access to rate filing and affiliate information specified in subsection (3).
- Any changes in the total insured value from the last policy period.

The OIR must define, in concise and plain language, any term used in the rate transparency report to aid consumers in their understanding of insurance.

The bill revises requirements for the OIR website for public access to rate filing information. The bill provides that the OIR must establish and maintain a comprehensive resource center on the website which uses concise and plain language to aid consumers in their understanding of insurance. The website must include substantive information on the current and historical dynamics of the market, data concerning the financial condition and market conduct of insurance companies, and the insurance options available to consumers. At a minimum, the website must contain the following:

- Reports, using graphical information whenever possible, outlining information about the state of the insurance market and adverse and positive trends affecting it.
- Tools that aid consumers in finding insurers including, but not limited to, a listing of all companies actively doing business in Florida which includes each company's address, website, and all phone numbers and e-mail addresses to be used by insureds and applicants for coverage.
- Tools that aid consumers in selecting the coverages beneficial to them, including, but not limited to:

- Educational materials that explain the types of coverage in residential property insurance policies;
- The difference between replacement cost reimbursement and actual cash value reimbursement;
- A glossary of common terms used in policies; and
- A comparison of the coverage, terms, conditions, and exclusions contained in different homeowners and dwelling fire forms.
- Answers to commonly asked questions about residential property insurance coverage.
- Information about mitigation credits and the My Safe Florida Home program, as well as other credits insurers may offer in addition to wind mitigation.
- Access to the rate transparency report, annual statements, market conduct information, and other information related to each insurer.
- Information on the Citizens Property Insurance Corporation takeout process, the clearinghouse, and general information as reported by the OIR.
- Information on the claims process, including, but not limited to:
  - Clear, step-by-step guidance on how to file a claim, what to expect during the claim process, and timelines for resolution of a claim.
  - The obligations of insurers and insureds related to claim reporting, claim handling, communications regarding claims, claim investigations, claim decisions, and claim payments.
  - For each insurer with active policies in this state, the means by which to report a claim, including any phone numbers, e-mail addresses, and website addresses used for claim reporting.
- Information on consumer protection, including, but not limited to:
  - The rights of insureds under Florida law related to coverage; coverage renewals, nonrenewals, and cancellations; and mandated offers of coverage.
  - Information on how to file consumer complaints within the DFS Division of Consumer Services.
- Information on news and updates relevant to consumers regarding Florida's residential property insurance market, including regulatory changes, information on insurers that enter or exit the market, and industry trends.
- Disaster preparedness information directly related to insurance, prepared by the OIR or by the Division of Emergency Management.
- With respect to any residential property rate filing:
  - The overall rate change requested by the insurer.

**I. Summary:**

CS/SB 834 authorizes a nonprofit religious organization, also known as a health care sharing ministry (HCSM), to market and sell their membership products through licensed insurance agents, which is currently prohibited under the Florida Insurance Code (code) for HCSMs as a condition of being exempt from the code.

An HCSM offers memberships to individuals who generally agree to live by a statement of religious or ethical beliefs and contribute monthly to pay for qualified medical costs of other members. The HCSM administers the voluntary sharing of qualified medical costs among the members. These products are exempt from regulation under the Florida Insurance Code if certain requirements are met, and are an alternative to health insurance, and are therefore not subject to state or federal laws that require comprehensive insurance coverage and consumer protections.

**II. Present Situation:**

**The Patient Protection and Affordable Care Act (PPACA)<sup>1</sup>**

On March 23, 2010, PPACA was signed into law. Among its sweeping changes to the U.S. health insurance system are requirements for health insurers to make coverage available to all

<sup>1</sup> P.L. 111-148, 124 Stat. 119-1945 (2010). PPACA was amended by P.L. 111-152, the Health Care and Education Reconciliation Act of 2010.

individuals and employers,<sup>2</sup> without exclusions, for preexisting medical conditions<sup>3</sup> and without basing premiums on any health-related factors. PPACA imposes many insurance requirements, such as coverage of essential health benefits, prohibition on lifetime dollar limits<sup>4</sup> on essential health benefits, rating and underwriting standards, reporting of medical loss ratios and payment of rebates,<sup>5</sup> and other requirements.<sup>6</sup>

Under PPACA, members of health care sharing ministries (HCSMs) are exempted from the federal individual mandate to maintain minimum health coverage, but the law does not mandate whether or how states may regulate them.<sup>7</sup> A HCSM is an organization:

- Described in section 501(c)(3) of the Internal Revenue Code and that is exempt from taxation under section 501(a) of the Internal Revenue Code;
- Comprised of members who share a common set of ethical or religious beliefs and share medical expenses among members in accordance with those beliefs and without regard to the state in which a member resides or is employed;
- Required to retain membership of members even after they develop a medical condition;
- That has been in existence at all times since December 31, 1999, and medical expenses of its members have been shared continuously and without interruption since at least December 31, 1999; and
- Subjected to an annual audit, which is performed by an independent certified public accounting firm in accordance with generally accepted accounting principles and that is made available to the public upon request.<sup>8</sup>

## **Health Care Sharing Ministries**

The HCSMs trace their origins to the Middle Ages when tradesmen's guilds banded together to provide economic assistance to members who were injured, fell ill, or who died leaving family members behind.<sup>9</sup> These guilds continued to exist in Europe until the 19th century, and the Industrial Revolution in Europe, when they were gradually replaced by trade unions and fraternal benefits associations. The modern HCSMs evolved in the late 1970s and 1980s as a byproduct of inflation, which resulted in rising costs in health care and health insurance.

PPACA requires health insurers to report to the HHS information concerning the percent of premium revenue spent on claims for clinical services and activities (medical loss ratio or MLR). Insurers must provide a rebate to consumers if the MLR is less than 85 percent in the large group market and 80 percent in the small group and individual markets.

An HCSM, an alternative to health insurance, offers memberships to individuals who generally agree to live by a statement of religious beliefs or ethics<sup>10</sup> and contribute monthly to the HCSM for the payment qualified medical costs of other members.<sup>11</sup> Members also submit their own eligible bills to be shared by other members<sup>12</sup>. The HCSM may match paying members who need the health care funds or pool all the monthly shares and administer payments for qualified medical expenses to members directly.<sup>13</sup>

In the United States, an estimated 1.5 million people participate in HCSMs.<sup>14</sup> Approximately 30 states, including Florida, have exempted health care sharing ministries (HCSM) explicitly from insurance regulation.<sup>15</sup>

Some people may enroll in HCSMs because of their typically lower upfront costs, compared to PPACA-compliant plans that must provide 10 essential benefits and meet other coverage and underwriting requirements. Further, HCSMs are not insurance and cannot guarantee payment of claims, i.e., while they may share funds with members who have health needs, they are not legally required to do so.<sup>16</sup>

## **Regulation of Insurance in Florida**

Florida's Office of Insurance Regulation (OIR)<sup>17</sup> is responsible for the regulation of all activities of insurers and other risk-bearing entities, including licensure, rates,<sup>18</sup> policy forms, market conduct, claims, solvency, administrative supervision, as provided under the Florida Insurance Code (code).<sup>19</sup> Insurance is classified into the following kinds of insurance: life, health, property, casualty, surety, marine, and title.<sup>20</sup> The code defines "insurance" as a contract whereby one undertakes to indemnify another or pay or allow a specified amount or a determinable benefit upon determinable contingencies.<sup>21</sup> Health insurance is insurance of human beings against bodily

<sup>17</sup> The OIR is an office under the Financial Services Commission (commission), which is composed of the Governor, the Attorney General, the Chief Financial Officer, and the Commissioner of Agriculture. The commission is not subject to control, supervision, or direction by the Department of Financial Services in any manner, including purchasing, transactions involving real or personal property, personnel, or budgetary matters. Section 20.121(3), F.S.

injury, disablement, or death by accident or accidental means, or the expense thereof, or against disablement or expense resulting from sickness, and every insurance pertaining to it.<sup>22</sup>

The OIR monitors the solvency of insurers, and takes administrative action, if necessary, against any authorized insurer if OIR determines that the continued operation of the insurer may be deemed hazardous to its policyholders or creditors, or to the general public.<sup>23</sup> If an insurer is found to be insolvent and is ordered to be liquidated by a court, a receiver takes over the insurer under court supervision and processes the assets and liabilities through liquidation.<sup>24</sup>

Generally, once an insurance company is liquidated, an insurance guaranty association becomes liable for the policy or contract obligations of the liquidated insurance company. Insurance guaranty associations are designed to protect policyholders of liquidated insurers from financial losses and delays in claim payments, up to limits provided by law.<sup>25</sup> An association services covered policies and contracts, collects premiums, and pays valid claims.<sup>26</sup> All insurers authorized to write life insurance policies, health insurance policies, supplemental contracts, and annuity contracts (with exceptions) in Florida are required, as a condition of doing business in this state, to be member insurers of the association.<sup>27</sup>

#### ***Alternative Medical Benefit Products Exempt from the Florida Insurance Code<sup>28</sup>***

The code exempts alternative plans, such as the nonprofit religious organizations or HCSMs and nonprofit agricultural organizations from the provisions of the code if certain conditions are met. Currently a HCSM<sup>29</sup> is exempt from the requirements of the code, including licensure, regulation, and consumer protections if the nonprofit religious organization meets all the following requirements:

- Qualifies under Title 26, s. 501 of the Internal Revenue Code of 1986, as amended.
- Limits its participants to those members who share a common set of ethical or religious beliefs.
- Acts as a facilitator among participants who have financial, physical, or medical needs to assist those with financial, physical, or medical needs in accordance with criteria established by the nonprofit religious organization.
- Provides for the financial or medical needs of a participant through contributions from other participants, or through payments directly from one participant to another participant.

<sup>28</sup> Chapters 624-632, 634, 635, 636, 641, 642, 648, and 651 constitute the "Florida Insurance Code." Section 624.01, F.S.

<sup>29</sup> Section 624.1265, F.S., refers to health care sharing ministries as "nonprofit religious organizations." A health care sharing ministry is generally an organization that facilitates the sharing of health care expenses among individuals with similar and sincerely held beliefs. The members generally pay monthly membership fees and submit claims when they incur medical bills.

- Provides amounts that participants may contribute, with no assumption of risk and no promise to pay among the participants or by the nonprofit religious organization to the participants.
- Provides a monthly accounting to the participants of the total dollar amount of qualified needs shared in the previous month in accordance with criteria established by the nonprofit religious organization.
- Conducts an annual financial audit that is performed by an independent certified public accountant and makes a copy of the audit report publicly available upon request or posts a copy of the audit report on the nonprofit religious organization's website.
- Does not market or sell health plans through insurance agents licensed by the DFS pursuant to ch. 626, F.S.

The nonprofit religious organization must provide a written disclaimer on or accompanying all applications and guideline materials distributed by or on behalf of the nonprofit religious organization. The disclaimer must read in substance:

*"Notice: The organization facilitating the sharing of medical expenses is not an insurance company, and neither its guidelines nor its plan of operation is an insurance policy. Membership is not offered through an insurance company, and the organization is not subject to the regulatory requirements or consumer protections of the Florida Insurance Code. Whether anyone chooses to assist you with your medical bills will be totally voluntary because no other participant is compelled by law to contribute toward your medical bills. As such, participation in the organization or a subscription to any of its documents should never be considered to be insurance. Regardless of whether you receive any payments for medical expenses or whether this organization continues to operate, you are always personally responsible for the payment of your own medical bills."*

However, the provisions of s. 624.1265, F.S. do not prevent:

- A participant from limiting the financial or medical needs that may be eligible for payment; or
- The nonprofit religious organization from canceling the membership of a participant when such participant indicates his or her unwillingness to participate by failing to meet the conditions of membership for a period greater than 60 days.

An HCSM is not exempt from the Florida Insurance Code if it markets or sells health plans through agents licensed by the DFS pursuant to ch. 626, F.S. This amendment was made in 2023 as part of the legislative package for the Department of Financial Services (DFS).<sup>30</sup> According to DFS, the purpose of this requirement was to reduce confusion by potential purchasers who

---

<sup>30</sup> Senate Bill 1158 (2023) sponsored by Senator DiCiglie (Ch. 2023-144, Laws of Fla.).

believe it to be insurance since it is being sold by licensed insurance agents.<sup>31</sup> Further, agents are typically paid higher commissions<sup>32</sup> to sell HCSM products than insurance plans.<sup>33</sup>

According to DFS,<sup>34</sup> since plans offered by the HCSMs are exempt from the code, there is no guaranty fund if a company ceases operation. There is little oversight of the organizations since no state or federal agency has regulatory authority unless the organization is determined to be operating illegally in a state.

In 2025, the Legislature enacted legislation, which authorizes nonprofit agricultural organizations to offer medical benefit plans, specifies that such plans are not insurance for purposes of the Florida Insurance Code (code), and exempts such plans from insurance regulations and consumer protections that apply to health insurers, health maintenance organizations, and their policies and contracts under the code if certain conditions are met.<sup>35</sup> Like the HCSMs, a nonprofit agricultural organization may not market or sell health benefit plans through agents licensed by DFS.

### **Marketing and Selling of HCSMs Memberships**

In Colorado, HCSMs are required to report specified data, including enrollment, financial data, and marketing materials, annually to the Division of Insurance, and the Commissioner of Insurance must issue an annual report summarizing the submitted information.<sup>36</sup> Examples of potentially confusing marketing language found in HCSM consumer-facing materials included, but not limited to:

- Use of insurance terms that mimic commercial health insurance, such as, “premium,” “deductible” and “catastrophic”;
- Use of metal tier plan names mimicking commercial health insurance; and
- Advertisements or social media posts implying guaranteed payment of health care bills when sharing or reimbursement by fellow members is voluntary and cannot be guaranteed.<sup>37</sup>

A 2023 U.S. General Accounting Office (GAO)<sup>38</sup> report noted that officials from one of the five HCSMs that provided information to the GAO stated that they used internal and external sales representatives to sell their memberships. The same report raised concerns about external sales representatives selling HCSM memberships alongside PPACA-compliant health insurance. Specifically, officials from two of five HCSMs told the GAO they were opposed to HCSMs using external sales representatives to sell HCSM memberships alongside health insurance because it made it difficult for consumers to understand that HCSM memberships are not insurance and are not an equivalent health coverage option.<sup>39</sup>

## Recent State and Federal Enforcement Actions Against HCSMs

In recent years, federal and state enforcement actions have taken actions against some HCSMs. These include the following:

- Sharity Ministries, formerly known as Trinity Healthshare, filed for Chapter 11 bankruptcy protection in 2021, and ceased operations after being ordered by several state insurance regulators to cease enrolling new members after it was accused of deceptively marketing its products as health insurance.<sup>40</sup> At that time, Sharity Ministries announced it would no longer facilitate any sharing requests as part of the bankruptcy, and it requested bankruptcy court approval to reimburse member contributions after the bankruptcy filing date. Sharity Ministries finished liquidation in December 2021, and had unpaid claims in the range of \$50-300 million. Members with unpaid bills were expected to receive only a fraction of the money owed.<sup>41</sup> Trinity Healthshare spent less than 20 percent of its revenue on patient care in some years.<sup>42</sup>
- In 2021, the U.S. Justice Department seized the assets of Medical Cost Sharing, Inc.<sup>43</sup> The HCSM was found to have spent only three percent of its \$8 million in revenue collected between 2015-2022, or about \$250,000, on covering medical expenses,<sup>44</sup> while the founder and a co-founder spent millions of the funds for personal gain. Subsequently, the founder

pledged guilty to one count of conspiracy to commit wire fraud and one count of making false statements on a tax return,<sup>45</sup> and admitted to defrauding members of over \$8 million.<sup>46</sup>

- In 2022, Liberty Healthshare signed a settlement agreement with Ohio state regulators that requires Liberty to pay thousands of dollars in fines and fees, removes Liberty's top leaders, and alters the operations of the HCSM. In addition, the owners of three for-profit companies that have been vendors of Liberty have signed their own settlement agreements that require them to pay a total of \$5.85 million, which would be deposited into a fund that the attorney general will use to redistribute the money to benefit current or former Liberty members.<sup>47</sup>

### **III. Effect of Proposed Changes:**

The bill would allow nonprofit religious organizations or HCSMs to market or sell plans through agents licensed by the Department of Financial Services and retain their exemption from the Florida Insurance Code. Currently, the Florida Insurance Code prohibits this practice as a condition of being exempt from the code.

The bill takes effect July 1, 2026.

COMMITTEE SUBSTITUTE - Substantial Changes

## **I. Summary:**

SB 1028 requires Citizens Property Insurance Corporation (Citizens) to establish a commercial lines clearinghouse to which every commercial residential and commercial nonresidential risk insured by Citizens or that has applied for Citizens coverage must be submitted so that approved surplus lines clearinghouse insurers may offer coverage to such risk. The commercial clearinghouse for surplus lines will be established by January 1, 2027.

Citizens must establish and maintain the operational systems and procedures necessary to implement the commercial lines clearinghouse. Citizens shall, in creating the commercial lines clearinghouse, establish criteria to determine that capabilities necessary for the commercial lines clearinghouse administrator. For facilitating offers of surplus lines coverage, such criteria must include confirmed expertise in the surplus lines market, at least 5 years of publicly available audited financial statements, the ability to facilitate all approved surplus lines clearinghouse insurers to participate in the commercial lines clearinghouse on terms established by the corporation, and other criteria that the corporation determines necessary. To establish the commercial clearinghouse by January 1, 2027, for offers of surplus lines insurance, Citizens may engage in single-source procurement without receiving competitive bids as allowed by s. 287.057(3)(c), F.S., for situations when commodities or services are available only from a single source. The result of the procurement will be to establish a commercial lines clearinghouse administrator to provide administrative or professional services to administer the commercial lines clearinghouse. Citizens must select a commercial lines clearinghouse administrator within 90 days of the effective date of this bill (upon becoming law).

Citizens may allow the commercial lines clearinghouse administrator to establish procedures and account clearance requirements the commercial lines clearinghouse administrator deems necessary to ensure an orderly process for offers of coverage to be provided by approved surplus lines clearinghouse insurer. The commercial lines clearinghouse administrator may charge approved surplus lines clearinghouse insurers and surplus lines agents participating in the program reasonable transaction, technology, administration, and other fees.

The bill allows “approved surplus lines clearinghouse insurers” to make offers of surplus lines coverage to current Citizens policyholders and applicants to Citizens for coverage of commercial residential and commercial nonresidential risks. An “approved surplus lines clearinghouse insurer” is defined as an eligible surplus lines insurer that has a financial strength rating of “A-“ or higher and a financial size category of at least “A-VII” from A.M. Best Company and that the commercial clearinghouse administrator recommends for participation in the commercial lines clearinghouse. Such recommendation is submitted to the Office of Insurance Regulation (OIR), which has 5 days to verify that the surplus lines insurer meets the standards for approval.

An offer of coverage by an approved surplus lines clearinghouse insurer has no effect on the eligibility of a commercial residential or commercial nonresidential risk for Citizens coverage.

If an offer of commercial residential or commercial nonresidential coverage from an approved surplus lines clearinghouse insurer is rejected in favor of accepting new or renewed Citizens coverage, Citizens must impose a premium equalization adjustment on such policy equal to the amount by which the total cost of insurance coverage offered by the approved surplus lines clearinghouse insurer exceeds the total cost of insurance coverage from Citizens if:

- The approved surplus lines clearinghouse insurer offers coverage that has material terms and conditions that are substantially equivalent to or better than coverage from Citizens as to all aspects of such coverage, as determined by Citizens; and
- The total cost for the coverage offered by the approved surplus lines clearinghouse insurer is not more than 20 percent greater than total cost of the Citizens premium (or the Citizens renewal premium if a Citizens policyholder receives the offer at renewal). Total cost includes, but is not limited to, premiums, fees, surcharges, and applicable taxes.

If a risk receives multiple clearinghouse offers from approved surplus lines clearinghouse insurers, the offer for the lowest total cost is applied for purposes of applying requirements related to a premium equalization surcharge.

Any premium equalization adjustment is only applied for one policy term.

The bill also requires Citizens to establish by January 1, 2028, a clearinghouse to facilitate offers of coverage on commercial lines residential and commercial lines nonresidential risks by authorized insurers.

Citizens may also establish a commercial lines clearinghouse to facilitate offers of coverage on commercial risks by authorized insurers.

The bill is effective upon becoming law.

## II. Present Situation:

### Regulation of Insurance in Florida

The Office of Insurance Regulation (OIR) regulates specified insurance products, insurers and other risk bearing entities in Florida.<sup>1</sup> As part of their regulatory oversight, the OIR may suspend or revoke an insurer's certificate of authority under certain conditions.<sup>2</sup> The OIR is responsible for examining the affairs, transactions, accounts, records, and assets of each insurer that holds a certificate of authority to transact insurance business in Florida.<sup>3</sup> As part of the examination process, all persons being examined must make available to the OIR the accounts, records, documents, files, information, assets, and matters in their possession or control that relate to the subject of the examination.<sup>4</sup> The OIR is also authorized to conduct market conduct examinations to determine compliance with applicable provisions of the Insurance Code.<sup>5</sup>

Insurance companies that transact insurance in Florida or that have offices located in the state are required to obtain a certificate of authority (COA) issued by the OIR pursuant to s. 624.401, F.S. These companies, referred to as authorized or admitted insurers,<sup>6</sup> are broadly regulated by the OIR under the Insurance Code as to reserves, surplus as to policyholders, solvency, rates and forms, market conduct, permissible investments, and affiliate relationships.<sup>7</sup> Authorized insurers are also required to participate in a variety of government mandated insurance programs and pay assessments levied by state guaranty funds in the event of insurer insolvencies.<sup>8</sup>

### Surplus Lines Insurance

Surplus lines insurance is the market of last resort for difficult to place commercial and personal lines risks in Florida.<sup>9</sup> Typically, surplus lines insurers write policies for unusual, high-risk situations that include hazardous materials transporters, commercial trucking enterprises, day care centers, older homes located in coastal areas, professional athletes, hospitals, expensive boats and cars, and medical malpractice. Surplus lines insurance is coverage provided by a company that is not licensed in Florida but is allowed to transact insurance in the state as an

<sup>8</sup> For example, Florida licensed direct writers of property and casualty insurance must be members of the Florida Insurance Guaranty Association, which handles the claims of insolvent insurers under part II of ch. 631, F.S., and insurers offering workers' compensation coverage in Florida must be members of the Florida Workers' Compensation Insurance Guaranty Association, which provides payment of covered claims for insurers that are declared insolvent under part V of ch. 631, F.S.

<sup>9</sup> Surplus lines insurance is insurance coverage provided by an insurer that is not licensed in Florida but is allowed to do business in the state because the particular coverage offered is not available from Florida-licensed or authorized carriers. Rates charged by a surplus lines carrier must not be lower than the rate applicable and in use by the majority of the authorized insurers writing similar coverages on similar risks in Florida.<sup>12</sup> Likewise, a surplus lines policy contract form must not be more favorable to the insured as to the coverage or rate offered by the majority of authorized carriers.<sup>13</sup> Except as specifically stated as applicable, surplus lines insurers are not subject to regulation under ch. 627, F.S., of the Florida Insurance Code, which includes, in part, provisions related to ratings standards and contracts.<sup>14</sup> In the event of a surplus lines insurer’s insolvency, surplus lines policies are not protected under the Florida Insurance Guaranty Act. Each insured obtaining a surplus lines policy must sign or acknowledge the following disclosure:

You are agreeing to place coverage in the surplus lines market. Coverage may be available in the admitted market. Persons insured by surplus lines carriers are not protected under the Florida Insurance Guarantee Act with respect to any right of recovery for the obligation of an insolvent unlicensed insurer. Additionally, surplus lines insurers’ policy rates and forms are not approved by any Florida regulatory agency.

### **Citizens Property Insurance Corporation—Overview**

Citizens Property Insurance Corporation (Citizens) is a state-created, not-for-profit, tax-exempt governmental entity whose public purpose is to provide property insurance coverage to those unable to find affordable coverage in the voluntary admitted market.<sup>15</sup> Citizens is not a private insurance company.<sup>16</sup> Citizens was statutorily created in 2002 when the Florida Legislature combined the state’s two insurers of last resort, the Florida Residential Property and Casualty Joint Underwriting Association (RPCJUA) and the Florida Windstorm Underwriting Association (FWUA).<sup>17</sup>

Citizens operates in accordance with the provisions in s. 627.351(6), F.S., and is governed by a nine-member Board of Governors (board) that administers its Plan of Operations. The Plan of Operations is reviewed and approved by the Financial Services Commission.<sup>18</sup> The Governor, President of the Senate, Speaker of the House of Representatives, and Chief Financial Officer each appoint two members to the board.<sup>19</sup> The Governor appoints an additional member who

### ***Types of Property Insurance Issued by Citizens***

Florida law requires Citizens to offer personal lines residential coverage, commercial lines residential coverage, and commercial lines nonresidential coverage on forms approved by the OIR.<sup>21</sup> Specifically, Citizens offers the following types of property insurance:

- Standard personal lines policy forms that are comprehensive multiperil policies providing full coverage of a residential property equivalent to the coverage provided in the private insurance market under an HO-3, HO-4, or HO-6 policy.
  - HO-3: Covers a home against all perils except those specifically excluded in the policy. Also covers personal property damaged by a covered peril. Covers the home replacement cost value and personal property at actual cash value. It is the most common type of homeowner's insurance policy.<sup>22</sup>
  - HO-4: Renter's insurance that covers the personal property of tenants damaged by a broad list perils specifically listed in the policy.<sup>23</sup>
  - HO-6: Insurance that covers the personal property of condominium unit owners or cooperative unit owners. It also covers certain building items in which the unit owner may have an insurable interest.<sup>24</sup>
- Basic personal lines policy forms that are policies similar to an HO-8 policy or a dwelling fire policy that provide coverage meeting the requirements of the secondary mortgage market, but which is more limited than the coverage under a standard policy.
  - HO-8: Covers a home and personal property but only if damage or loss is due to perils specifically listed in the policy. Covers the home and personal property for their actual cash value. Used for homes at least 40 years old, where the cost to rebuild is greater than the home's market value.<sup>25</sup>
  - Dwelling Fire: Covers dwellings, other detached structures, and contents for loss caused by perils specially named in the policy. Usually written when residential property does not qualify for homeowners insurance or when the home is not owner-occupied.<sup>26</sup>
- Personal lines coverage covering manufactured homes and mobile homes.<sup>27</sup>

- Mobile Homeowners MHO-3: Covers owner-occupied manufactured homes and mobile homes. Covers the dwelling, other structures on the property, and the owner's personal property.
- Mobile Home Dwelling Fire MDP-1: Covers manufactured homes and mobile homes that are tenant occupied or otherwise do not qualify for an MHO-3 policy. Covers the dwelling and the owner's personal property.
- Mobile Home Renter's: Covers the tenant's personal property; does not cover the structure.
- Commercial lines residential and nonresidential policy forms that are generally similar to the basic perils of full coverage obtainable for such structures in the admitted voluntary market.
  - Commercial Residential: Covers commercial properties used for residential purposes. Examples include apartment buildings, the parts of condominium that are the responsibility of a condominium association (generally, the building envelope and common areas), continuing care retirement community residential buildings, and homeowners association owned common property and residential buildings.<sup>28</sup>
  - Commercial Nonresidential: Covers commercial operated nonresidential property.

Citizens also offers wind-only coverage versions of their HO-3, HO-4, HO-6, and mobile homeowners coverages which are available only in certain coastal areas of the state.<sup>29</sup>

### ***Eligibility for Insurance in Citizens***

Citizens is required to provide a procedure for determining the eligibility of a potential risk for insurance in Citizens and provide specific eligibility requirements based on premium amounts, value of the property insured, and the location of the property.<sup>30</sup> Risks not meeting the statutory eligibility requirements cannot be insured by Citizens. Citizens has additional eligibility requirements set out in their underwriting rules. These rules are approved by the OIR and are set out in Citizens' underwriting manuals.<sup>31</sup>

### ***Residential Risks - Eligibility Based on Premium Amount***

An applicant for personal lines residential insurance or commercial lines residential insurance cannot buy insurance in Citizens if an authorized insurer in the private market offers the applicant insurance for a premium that does not exceed the Citizens premium by 20 percent or more.<sup>32</sup> The coverage offered by the private insurer must be comparable to Citizens coverage. Similarly, a personal lines residential or commercial lines residential policyholder may not renew insurance in Citizens if an authorized insurer offers to insure the property at a premium no more than 20 percent greater than the Citizens renewal premium.<sup>33</sup> The insurance coverage offered

from the private market insurer must be comparable to the insurance from Citizens in order for the eligibility requirement for renewal premium to apply.<sup>34</sup>

#### ***Residential Risks - Eligibility Based on Value of Property Insured***

In addition to the eligibility restrictions based on premium amount, current law provides eligibility restrictions for homes and condominium units based on the value of the property insured.<sup>35</sup> Structures with a dwelling replacement cost of \$700,000 or more, or a single condominium unit that has a combined dwelling and contents replacement cost of \$700,000 or more, are not eligible for coverage with Citizens.<sup>36</sup> However, Citizens is allowed to insure structures with a dwelling replacement cost, or a condominium unit with a dwelling and contents replacement cost, of one million dollars or less in Miami-Dade and Monroe counties, after the OIR determined these counties to be non-competitive.<sup>37</sup>

#### ***Nonresidential Risks – Eligibility Based on an Offer of Coverage***

Commercial nonresidential risks cannot buy or renew insurance in Citizens upon receiving any offer of coverage from an authorized insurer.

### **Citizens Rates**

Rates for coverage provided by Citizens must be actuarially sound pursuant to s. 627.062, F.S., and not competitive with approved rates charged in the admitted voluntary market.<sup>38</sup> Section 627.062, F.S., provides that rates may not be excessive, inadequate, or unfairly discriminatory. Citizens must file its rates with OIR at least annually. The OIR then must consider the recommended rate made by Citizens and issue a final order establishing Citizens rates. Citizens may not pursue an administrative challenge or judicial review of the OIR order.

#### ***Citizens “Glidepath” Rates***

From 2007 until 2010, Citizens rates were frozen by statute at the level that had been established in 2006.<sup>39</sup> In 2010, the Legislature established a “glidepath” to impose annual rate increases up to a level that is actuarially sound. Under the original established glidepath, Citizens had to implement an annual rate increase which, except for sinkhole coverage, does not exceed 10 percent above the previous year for any individual policyholder, adjusted for coverage changes and surcharges.<sup>40</sup> In 2021, the Legislature revised this glidepath to increase it one percent per year to up to 15 percent, as follows:<sup>41</sup>

- 11 percent for 2022.
- 12 percent for 2023.
- 13 percent for 2024.

- 14 percent for 2025.
- 15 percent for 2026 and all subsequent years.

The implementation of this increase ceases when Citizens has achieved actuarially sound rates.<sup>42</sup> In addition to the overall glidepath rate increase, Citizens can increase its rates to recover the additional reimbursement premium it incurs as a result of the annual cash build-up factor added to the price of the mandatory layer of the Florida Hurricane Catastrophe Fund coverage, pursuant to s. 215.555(5)(b), F.S.<sup>43</sup> New or renewal personal lines policies that do not cover a primary residence<sup>44</sup> are not subject to the rate glidepath, but the rates on such policies may not be charged more than 50 percent above, nor less than, the prior year's rate.<sup>45</sup>

## Citizens Depopulation

The number of policies written by Citizens has significantly decreased in the aftermath the legislature's statutory changes enacted during the December 2022 Special Session and the 2023 Regular Session.<sup>46</sup> Citizens had 1,407,805 policies in force as of September 20, 2023.<sup>47</sup> Citizens' policies in force dropped below 1 million (988,901) in November 2024<sup>48</sup>, and dropped below 500,000 in November 2025 to a policy count of 437,095.<sup>49</sup>

Citizens policies in force for commercial lines have also dropped significantly from 2023 to November 2025.

Date	Commercial Residential Policies	Total Insured Value	Commercial Non-Residential Policies	Total Insured Value
12/31/2023	7,654	\$102.653 Billion	5,878	\$6.125 Billion
12/31/2024	6,176	\$73.550 Billion	5,274	\$5.683 Billion

<sup>45</sup> Section 627.351(6)(n)8., F.S.

<sup>46</sup> The Citizens policy count fluctuated and overall slightly increased from January 2023 (1,167,579 policies in force) through September 2024 (1,263,055 policies in force). However, beginning October 2024, the Citizens policy count began decreasing significantly, dropping from 1,263,055 policies in force as of September 30, 2024, to 437,085 policies in force as of November 30, 2025.

The primary mechanism for the recent depopulation of Citizens personal lines risks is the Citizens take-out program. The take-out program allows authorized private market property insurers to select Citizens policies for the purpose of offering coverage. Generally, this entails offering coverage to thousands of Citizens personal lines policyholders. Section 627.351(6)(ii), F.S., sets forth the following requirements for the Citizens take-out program:

- Citizens must publish a period schedule of cycles during which an insurer may identify, and notify the corporation of, policies that the insurer is requesting to take out.
- An insurers request to take out a Citizens policy must include a description of the coverage offered and an estimated premium and must be submitted to Citizens in a form and manner prescribed by the corporation.
- Citizens must maintain and make available to the agent of record a consolidated list of all insurers requesting to take out a policy. The list must include a description of the coverage offered and the estimated premium for each take-out request.
- If a policyholder receives a take-out offer from an authorized insurer on a primary residence, the risk is ineligible for Citizens if comparable coverage is offered and the premium offered is not more than 20 percent greater than the Citizens renewal premium.
- Citizens must provide written notice to the policyholder and the agent of record regarding all insurers requesting to take out the policy. The notice must disclose the estimated premium for the offered coverage, describe the offered coverage, and compare the estimated premium and coverage offered by the private market insurer to the estimated premium and coverage provided by Citizens.

Any insurer seeking to participate in the Citizens take-out program must submit a depopulation plan and additional documentation to the OIR.<sup>50</sup> If the OIR finds that the insurer has the financial resources and business plan in place to properly pay claims, the OIR will issue a consent order indicating the number of policies the insurer may take from Citizens, the assumption date when the insurer will take over coverage, and any additional stipulations.<sup>51</sup> In 2025, the OIR approved 35 take-out programs.<sup>52</sup>

Effective July 1, 2024, surplus lines insurers meeting certain criteria and approved by the OIR may submit take-out offers on personal lines residential risks insured by Citizens, or for which Citizens has received an application for coverage, if such risks are not primary residences or do not have a valid homestead exemption under ch. 193, F.S.<sup>53</sup> A “primary residence” is defined as a dwelling that is the policyholder’s primary home or is a rental property that is the primary home of the tenant, and which the policyholder or tenant occupies for more than nine months of each year.<sup>54</sup> A take-out offer from an approved surplus lines insurer will only render a Citizens policyholder ineligible for Citizens if the premium offered does not exceed the Citizens premium

on comparable coverage by more than 20 percent; this is the standard that applies to take-out offers from authorized insurers. Only surplus lines insurers that are approved to participate by the OIR may participate in the take-out program. To obtain approval, the surplus lines insurer must apply to the OIR to participate in the take-out process, provide data to the OIR related to coverage and rates, and file rates for review with the OIR for the take-out offer. The surplus lines insurer must also meet certain criteria such as having an “A-” financial strength rating from A.M. Best and having a personal lines residential risk program that is managed by a Florida resident surplus lines broker.

### **Citizens Depopulation – Clearinghouse Program**

The Citizens policyholder eligibility clearinghouse program was established in s. 627.3518, F.S., by the Legislature in 2013.<sup>55</sup> The program is designed to ensure a risk is eligible for Citizens coverage before being insured or renewed with Citizens. Under the program, new and renewal personal lines residential policies for Citizens are placed into the clearinghouse where participating private insurers can review and decide to make offers of coverage before policies are placed or renewed with Citizens.<sup>56</sup> An applicant for new coverage, or an insured for renewed coverage, is not eligible for coverage from Citizens if the premium offered from an authorized insurer is at or below the eligibility threshold for new personal lines residential risks of more than 20 percent.<sup>57</sup>

Section 627.3518, F.S., directs Citizens to also develop appropriate procedures for facilitating the diversion of ineligible applicants and existing policyholders for commercial residential coverage in the private insurance market.<sup>58</sup> Accordingly, Citizens requires the insurance agent for the commercial residential risk to demonstrate the agent presented the risk to at least one authorized insurer which either declined the risk or made an offer of coverage that does not render the risk ineligible for Citizens.<sup>59</sup> The reasons a private market offer would not make a risk ineligible for Citizens coverage are that because the coverage offered by the private market insurer is not comparable to the Citizens coverage as to forms and coverages that are reasonably comparable or the premium on comparable coverage is more than 20% higher than the Citizens premium or renewal premium for the risk.<sup>60</sup>

### **III. Effect of Proposed Changes:**

#### **Establishment of Citizens Commercial Lines Clearinghouse**

The bill requires Citizens to establish a commercial lines clearinghouse to which every commercial residential and commercial nonresidential risk insured by Citizens or that has applied for Citizens coverage must be submitted so that approved surplus lines insurers may offer coverage for such risk. The commercial clearinghouse will be established by January 1,

2027, to facilitate offers from approved surplus lines insurers. The bill provides detailed requirements for the new commercial lines clearinghouse for surplus lines insurance offers. Citizens may also establish a commercial lines clearinghouse to facilitate offers of coverage on such risks by authorized insurers, but other than this authorization and language providing that current Citizens eligibility standards would apply to offers from authorized insurers, the bill generally does not address standards for establishing a commercial lines clearinghouse for authorized insurers.

*Citizens' Rights and Responsibilities in Establishing the Clearinghouse Program.*

The bill provides that in establishing a commercial lines clearinghouse, Citizens has all of the following rights and responsibilities:

Submission of Policies to the Clearinghouse - Must require to be submitted to the commercial clearinghouse all new applications for commercial residential and commercial nonresidential coverage and all such policies that are due for renewal.

Adoption of Systems and Procedures - Citizens must establish and maintain the operational systems and procedures necessary to implement the commercial lines clearinghouse. Citizens may allow the commercial lines clearinghouse administrator to establish procedures and account clearance requirements the commercial lines clearinghouse administrator deems necessary to ensure an orderly process for offers of coverage to be provided by approved surplus lines clearinghouse insurers participating in the commercial lines clearinghouse and to avoid multiple offers of coverage from the same insurer for the same risk.

Procure and Contract for Services - Citizens may employ or contract for appropriate administrative or professional services in accordance with purchasing requirements in s. 627.351, F.S.

Engage in Single-Source Procurement - To establish the commercial clearinghouse by January 1, 2027, for offers of surplus lines insurance, Citizens may engage in single-source procurement without receiving competitive bids as allowed by s. 287.057(3)(c), F.S., for situations when commodities or services are available only from a single source. The result of the procurement will be to establish a commercial lines clearinghouse administrator to provide administrative or professional services to administer the commercial lines clearinghouse. Citizens must select a commercial lines clearinghouse administrator within 90 days of the effective date of this bill (upon becoming law).

Contract with Insurers - Citizens may enter into contracts with approved surplus lines clearinghouse insurers.

Funding the Clearinghouse; Fees Charged by Commercial Lines Clearinghouse Administrator – Citizens may provide funds to operate the program. Current law prohibits requiring participating agents and insurers to pay fees to offset program costs, but the bill creates an exception stating that the commercial lines clearinghouse administrator may charge approved surplus lines clearinghouse insurers and surplus lines agents participating in the program reasonable transaction, technology, administration, and other fees.

Enhanced Citizens Application - Citizens may develop an enhanced application that includes information to assist private insurers in determining whether to offer coverage through the clearinghouse.

Waiting Period Allowing Insurers to Make Clearinghouse Offers - Citizens may require that all new applications for commercial lines coverage with Citizens be subject to a period of 5 business days when an insurer participating in the program may select the application for coverage.

Criteria for Commercial Lines Clearinghouse Administrator - Citizens shall, in creating the commercial lines clearinghouse, establish criteria to determine that capabilities necessary for the commercial lines clearinghouse administrator. For facilitating offers of surplus lines coverage, such criteria must include confirmed expertise in the surplus lines market, at least 5 years of publicly available audited financial statements, the ability to facilitate all approved surplus lines clearinghouse insurers to participate in the commercial lines clearinghouse on terms established by the corporation, and other criteria that the corporation determines necessary to effectively establish, administer, and manage offers of surplus lines coverage through the commercial lines clearinghouse.

Submission of Policy Information to the Commercial Lines Clearinghouse Administrator – Citizens must submit to the commercial lines clearinghouse administrator its coverage terms and conditions, deductible structures, and its unalterable indicated total cost of insurance coverage for the subject risk before any approved surplus lines clearinghouse insurer is provided a submission for coverage pursuant to the clearinghouse program by any applicant for new coverage from the corporation or any policyholder of Citizens.

- The commercial lines clearinghouse administrator shall provide the corporation's unalterable indicated coverage terms and conditions and deductible structures, but may not provide the indicated total cost of corporation insurance coverage, to the approved surplus lines clearinghouse insurers participating in the program.
- The commercial lines clearinghouse administrator shall then use the corporation's unalterable indication to determine whether any offers of coverage from approved surplus lines clearinghouse insurers satisfy specified statutory requirements.
- Citizens may not bind or otherwise communicate, indicate, or make an offer of coverage to an applicant or policyholder, or its agent, or otherwise accept coverage until 5 business days have elapsed from the date that it provided its unalterable indication to the commercial lines clearinghouse administrator unless the time limit is waived in writing. This validation period applies regardless of any proposed effective date, renewal date, or expiration date of the policy and may not be shortened or bypassed based on timing considerations relating to binding or renewal.

*Surplus Lines Insurers that May Make Coverage Offers Through the Citizens Commercial Lines Clearinghouse*

Approved Surplus Lines Clearinghouse Insurers

The bill allows “approved surplus lines clearinghouse insurers” to make offers of surplus lines coverage to current Citizens policyholders and applicants to Citizens for coverage of commercial residential and commercial nonresidential risks. An “approved surplus lines clearinghouse

insurer" is defined as an eligible surplus lines insurer that has a financial strength rating of "A-" or higher and a financial size category of at least "A-VII" from A.M. Best Company and that the commercial clearinghouse administrator recommends for participation in the commercial lines clearinghouse. Such recommendation is submitted to the OIR, which has 5 days to verify that the surplus lines insurer meets the standards for approval.

*Duties and Powers of Insurers Participating in the Citizens Commercial Lines Clearinghouse*

Approved surplus lines clearinghouse insurers have the following duties and powers regarding the Citizens commercial lines clearinghouse:

Participation Limited to the Commercial Clearinghouse - May participate in the commercial lines clearinghouse but may not participate in the personal lines clearinghouse.

Appointment of Agents –

- May appoint a surplus lines agent whose direct or indirect customer is initially underwritten and bound through the clearinghouse program.
- Must enter into a limited agency agreement with each surplus lines agent that is not appointed and whose customer is underwritten and bound through the clearinghouse program.
  - Such surplus lines agent must also enter into a limited agency or broker agreement with each producing agent whose customer is underwritten and bound through the program.
- Must enter into its standard agency agreement with each surplus lines agent whose customer is underwritten and bound through the clearinghouse program if such agent is appointed by the surplus lines insurer pursuant to s. 626.112, F.S.
  - Such surplus lines agent must also enter into a limited agency or broker agreement with each producing agent whose customer is underwritten and bound through the program.

Notice of Nonrenewal or Cancellation - Must comply with s. 626.9201, F.S., which provides requirements to surplus insurers to provide notice of nonrenewal or notice of cancellation. Generally, surplus lines insurers must provide 45 days' written notice of nonrenewal, 10 days' written notice of cancellation for nonpayment of premium, 20 days' written notice of cancellation during the first 90 days the insurance is in force if cancellation is not for nonpayment of premium.

- Section 626.9201, F.S., also prohibits surplus lines insurers from cancelling or nonrenewing a commercial residential policy damaged by a hurricane or wind loss until 90 days after repairs are complete if the hurricane or wind loss is the subject of a declaration of emergency under s. 252.56, F.S., and the subject of an OIR order. A shorter 45 day notice requirement applies if the insurer has paid policy limits, if the insured fails within 30 days to respond to the insurer's inquiry regarding repairs, or for a material misstatement or fraud related to the claim. A 10 day notice period applies for nonpayment of premium.

Participation - May participate through their single-designated managing general agent or broker or surplus lines agent.

Agent Commissions - Must pay a total commission or equivalent compensation on gross written premium, exclusive of fees, surcharges, and taxes, to the surplus lines agent, managing general agent, or managing general underwriter placing the risk. The surplus lines agent, managing general agent, or managing general underwriter must pay the producing agent a commission that results in an effective commission percentage at least equal to the commission percentage published by Citizens and in effect on January 1, 2026, calculated in the same manner and on the same basis used by Citizens, and shall retain the remainder of the total commission or equivalent compensation. An agent may voluntarily accept a lower commission at the agent's sole discretion. An "effective commission percentage" means the commission expressed as a percentage of premium, exclusive of all fees, assessments, surcharges, and taxes

*Effect of an Insurer's Offer of Coverage Through the Commercial Clearinghouse on Eligibility for and the Cost of Citizens Coverage*

Offers from Approved Surplus Lines Clearinghouse Insurers

An offer of coverage by an approved surplus lines clearinghouse insurer has no effect on the eligibility of a commercial residential or commercial nonresidential risk for Citizens coverage.

If an offer of commercial residential or commercial nonresidential coverage from an approved surplus lines clearinghouse insurer that is rejected in favor of accepting new or renewed Citizens coverage, Citizens must impose a premium equalization adjustment on such policy equal to the amount by which the total cost of insurance coverage offered by the approved surplus lines clearinghouse insurer exceeds the total cost of insurance coverage from Citizens if:

- The approved surplus lines clearinghouse insurer offers coverage that has material terms and conditions that are substantially equivalent to or better than coverage from Citizens as to all aspects of such coverage, as determined by Citizens; and
- The total cost for the coverage offered by the approved surplus lines clearinghouse insurer is not more than 20 percent greater than total cost of the Citizens premium (or the Citizens renewal premium if a Citizens policyholder receives the offer at renewal). Total cost includes, but is not limited to, premiums, fees, surcharges, and applicable taxes.

If a risk receives multiple clearinghouse offers from approved surplus lines clearinghouse insurers, the offer for the lowest total cost is applied for purposes of applying requirements related to a premium equalization surcharge.

Any premium equalization adjustment is only applied for one policy term.

The bill does not address or change current law under which any offer of coverage by an authorized insurer renders a commercial nonresidential risk ineligible for Citizens.

Offers from Authorized Insurers

An offer of coverage by an authorized insurer to provide commercial residential coverage renders the risk ineligible for Citizens if:

- The authorized insurer offers coverage that is comparable to coverage provided by Citizens; and

- The premium for the coverage offered by the authorized insurer is not more than 20 greater than the Citizens premium (or the Citizens renewal premium if a Citizens policyholder receives the offer at renewal).

Citizens premiums on a risk are not affected by clearinghouse offers from authorized insurers.

*Independent Agents*

The bill provides that contracts between an independent agent and Citizens, any insurer, or any surplus lines agent do not amend, modify, interfere with, or limit the independent agent's rights of ownership of specified records and information directly related to applications or renewals written through the program or an insurer participating in the program.

The bill specifies that an independent agent may enter into agreements with a surplus lines agent.

**V. Fiscal Impact Statement:**

A. Tax/Fee Issues:

**B. Private Sector Impact:**

The bill will facilitate the diversion of commercial residential and commercial nonresidential risks from Citizens and into the surplus lines insurance market. Those offers may result in lower premium offers or more expansive coverage from approved surplus lines clearinghouse insurers. The cost of such insurance from Citizens will increase if an offer of coverage results in the application or a premium equalization adjustment.

**C. Government Sector Impact:**

Citizens may incur costs related to implementing and maintaining the clearinghouse for commercial residential and commercial nonresidential risks. The cost to Citizens for the development and maintenance of a commercial lines clearinghouse for surplus lines will be reduced to the extent that Citizens is not required to expend funds to develop and maintain the technology platform for the commercial lines clearinghouse. However, the bill implies, but does not directly require, that the commercial lines clearinghouse for surplus lines will be funded through fees charged by the commercial lines clearinghouse administrator to surplus lines agents and surplus lines insurers.

To the extent that commercial lines policies are diverted from Citizens by the clearinghouse established by the bill, Citizens will insure less risk and correspondingly will also collect less premium.

- Provides that if a policyholder or applicant turns down an offer of coverage from the surplus lines insurer with material terms and conditions that are equivalent to or better than the Citizens policy for a rate that is not more than 20 percent more than the Citizens rate, the policyholder will have to pay a policy equalization surcharge on the Citizens policy.
- Provides that Citizens may, rather than must, establish a commercial lines clearinghouse for authorized insurers.

146 information to assist private insurers in determining whether to  
147 make an offer of coverage through the program.

148 (g) (f) For personal lines residential risks, may require  
149 that, before approving all new applications for coverage by the  
150 corporation, that every application be subject to a period of 2  
151 business days when any insurer participating in the program may  
152 select the application for coverage. For commercial lines  
153 residential and commercial lines nonresidential risks, the  
154 corporation may require, before approving all new applications  
155 for commercial lines coverage by the corporation, that every

624532

156 application be subject to a period of 5 business days when any  
157 insurer participating in the program may select the application  
158 for coverage. The insurer may issue a binder on any policy  
159 selected for coverage for a period of at least 30 days but not  
160 more than 60 days.

161 (h) Shall, in creating the commercial lines clearinghouse,  
162 establish criteria to determine the capabilities necessary for  
163 the commercial lines clearinghouse administrator. For  
164 facilitating offers of surplus lines coverage, such criteria  
165 must include confirmed expertise in the surplus lines market, at  
166 least 5 years of publicly available audited financial  
167 statements, the ability to facilitate all approved surplus lines  
168 clearinghouse insurers to participate in the commercial lines  
169 clearinghouse on terms established by the corporation, and other  
170 criteria that the corporation determines necessary to  
171 effectively establish, administer, and manage offers of surplus  
172 lines coverage through the commercial lines clearinghouse.

173 (i) Shall select a commercial lines clearinghouse  
174 administrator within 90 days after the effective date of this  
175 act.

176 (j) May allow the commercial lines clearinghouse  
177 administrator to establish procedures and account clearance  
178 requirements the commercial lines clearinghouse administrator  
179 deems necessary to ensure an orderly process for offers of  
180 coverage to be provided by approved surplus lines clearinghouse  
181 insurers participating in the commercial lines clearinghouse and  
182 to avoid multiple offers of coverage from the same insurer for  
183 the same risk.

184 (k) Must submit to the commercial lines clearinghouse

624532

185 administrator its coverage terms and conditions, deductible  
186 structures, and its unalterable indicated total cost of  
187 insurance coverage, which must include, but is not limited to,  
188 the premium, fees, surcharges, and applicable taxes for the  
189 subject risk before any approved surplus lines clearinghouse  
190 insurer is provided a submission for coverage pursuant to the  
191 program by any applicant for new coverage from the corporation  
192 or any policyholder of the corporation. The commercial lines  
193 clearinghouse administrator shall provide the corporation's  
194 unalterable indicated coverage terms and conditions and  
195 deductible structures, but may not provide the indicated total  
196 cost of corporation insurance coverage, to the approved surplus  
197 lines clearinghouse insurers participating in the program. The  
198 commercial lines clearinghouse administrator shall then use the  
199 corporation's unalterable indication to determine whether any  
200 offers of coverage from approved surplus lines clearinghouse  
201 insurers satisfy the requirements set forth in s. 627.351(6)(oo)  
202 and subparagraph (5)(c)2. The corporation may not bind or  
203 otherwise communicate, indicate, or make an offer of coverage to  
204 an applicant or policyholder, or its agent, or otherwise accept  
205 coverage until 5 business days have elapsed from the date that  
206 it provided its unalterable indication to the commercial lines  
207 clearinghouse administrator unless the time limit is waived in  
208 writing. Any change to the corporation's coverage terms and  
209 conditions, deductible structures, or indicated total cost of  
210 insurance coverage constitutes a new submission by the  
211 corporation under this paragraph. The validation period  
212 described in this paragraph applies regardless of any proposed  
213 effective date, renewal date, or expiration date of the policy

624532

214 and may not be shortened or bypassed based on timing  
215 considerations relating to binding or renewal.

216 (4) Any authorized insurer may participate in the program;  
217 however, participation is not mandatory for any insurer.

218 Approved surplus lines clearinghouse insurers may participate in  
219 the commercial lines clearinghouse but may not participate in  
220 the personal lines clearinghouse; however, participation in the  
221 program is not mandatory for any surplus lines insurer. Insurers  
222 making offers of coverage to new applicants or renewal  
223 policyholders through the program:

224 (a) May not be required to individually appoint any agent  
225 whose customer is underwritten and bound through the program.  
226 Notwithstanding s. 626.112, insurers are not required to appoint  
227 any agent on a policy underwritten through the program for as  
228 long as that policy remains with the insurer. Insurers may, at  
229 their election, appoint any agent or surplus lines agent whose  
230 direct or indirect customer is initially underwritten and bound  
231 through the program. In the event an insurer accepts a policy  
232 from an agent who is not appointed pursuant to this paragraph,  
233 and thereafter elects to accept a policy from such agent, the  
234 provisions of s. 626.112 requiring appointment apply to the  
235 agent.

236 (b) Must enter into a limited agency agreement with each  
237 agent or surplus lines agent that is not appointed in accordance  
238 with paragraph (a) and whose direct or indirect customer is  
239 underwritten and bound through the program. In addition, a  
240 surplus lines agent that enters into a limited agency or broker  
241 agreement with an approved surplus lines clearinghouse insurer  
242 making an offer of coverage through the program must also enter

624532

243 into a limited agency or broker agreement with each producing  
244 agent whose customer is underwritten and bound through the  
245 program.

246 (c) Must enter into its standard agency agreement with each  
247 agent or surplus lines agent whose direct or indirect customer  
248 is underwritten and bound through the program when that agent or  
249 surplus lines agent has been appointed by the insurer pursuant  
250 to s. 626.112. In addition, a surplus lines agent that enters  
251 into a limited agency or broker agreement with an approved  
252 surplus lines clearinghouse insurer making an offer of coverage  
253 through the program must also enter into a limited agency or  
254 broker agreement with each producing agent whose customer is  
255 underwritten and bound through the program.

256 (d) Must comply with s. 627.4133(2) or, if the insurer is  
257 an approved surplus lines clearinghouse insurer, s. 626.9201.

258 (e) May participate through their single-designated  
259 managing general agent or broker or surplus lines agent;  
260 however, the provisions of paragraph (6)(a) regarding ownership,  
261 control, and use of the expirations continue to apply.

262 (f) For authorized insurers, must pay to the producing  
263 agent a commission equal to that paid by the corporation or the  
264 usual and customary commission paid by the insurer for that line  
265 of business, whichever is greater.

266 (g) For approved surplus lines clearinghouse insurers, when  
267 coverage is placed through the clearinghouse with an approved  
268 surplus lines clearinghouse insurer, must pay a total commission  
269 or equivalent compensation on gross written premium, exclusive  
270 of fees, surcharges, and taxes, to the surplus lines agent,  
271 managing general agent, or managing general underwriter placing

624532

272 the risk. The surplus lines agent, managing general agent, or  
273 managing general underwriter must pay the producing agent a  
274 commission that results in an effective commission percentage at  
275 least equal to the commission percentage published by the  
276 corporation and in effect on January 1, 2026, calculated in the  
277 same manner and on the same basis used by the corporation, and  
278 shall retain the remainder of the total commission or equivalent  
279 compensation. This paragraph does not prohibit an agent from  
280 voluntarily accepting a lower commission at the agent's sole  
281 discretion. As used in this paragraph, the term "effective  
282 commission percentage" means the commission expressed as a  
283 percentage of premium, exclusive of all fees, assessments,  
284 surcharges, and taxes.

285 (5)(a) Notwithstanding s. 627.3517, any applicant for new  
286 personal lines coverage from the corporation is not eligible for  
287 coverage from the corporation if provided an offer of comparable  
288 coverage from an authorized insurer through the program at a  
289 premium that is at or below the eligibility threshold for  
290 applicants for new coverage of a primary residence established  
291 in s. 627.351(6)(c)5.a., or for applicants for new coverage of a  
292 risk that is not a primary residence established in s.  
293 627.351(6)(c)5.b. Whenever an offer of comparable coverage for a  
294 personal lines risk is received for a policyholder of the  
295 corporation at renewal from an authorized insurer through the  
296 program which is at or below the eligibility threshold for  
297 primary residences of policyholders of the corporation  
298 established in s. 627.351(6)(c)5.a., or the eligibility  
299 threshold for risks that are not primary residences of  
300 policyholders of the corporation established in s.

624532

301 627.351(6)(c)5.b., the risk is not eligible for coverage with  
302 the corporation. In the event an offer of coverage for a new  
303 applicant is received from an authorized insurer through the  
304 program, and the premium offered exceeds the eligibility  
305 threshold for applicants for new coverage of a primary residence  
306 established in s. 627.351(6)(c)5.a., or the eligibility  
307 threshold for applicants for new coverage on a risk that is not  
308 a primary residence established in s. 627.351(6)(c)5.b., the  
309 applicant or insured may elect to accept such coverage, or may  
310 elect to accept or continue coverage with the corporation. In  
311 the event an offer of coverage for a personal lines risk is  
312 received from an authorized insurer at renewal through the  
313 program, and the premium offered exceeds the eligibility  
314 threshold for primary residences of policyholders of the  
315 corporation established in s. 627.351(6)(c)5.a., or exceeds the  
316 eligibility threshold for risks that are not primary residences  
317 of policyholders of the corporation established in s.  
318 627.351(6)(c)5.b., the insured may elect to accept such  
319 coverage, or may elect to accept or continue coverage with the  
320 corporation. Section 627.351(6)(c)5.a.(I) and b.(I) does not  
321 apply to an offer of coverage from an authorized insurer  
322 obtained through the program. ~~As used in this subsection, the~~  
323 ~~term "primary residence" has the same meaning as in s.~~  
324 ~~627.351(6)(c)2.a.~~

325 (b) Any applicant for new commercial lines residential  
326 coverage from the corporation is not eligible for coverage from  
327 the corporation if provided an offer of comparable coverage from  
328 an authorized insurer through the program at a premium that is  
329 at or below the eligibility threshold for applicants for new

624532

330 coverage established in s. 627.351(6)(c)5.c. Whenever an offer  
331 of comparable coverage for a commercial lines residential risk  
332 is received for a policyholder of the corporation at renewal  
333 from an authorized insurer through the program which is at or  
334 below the eligibility threshold in s. 627.351(6)(c)5.c., the  
335 risk is not eligible for coverage from the corporation. In the  
336 event that an offer of coverage for a new applicant is received  
337 from an authorized insurer through the program, and the premium  
338 offered exceeds the eligibility threshold established in s.  
339 627.351(6)(c)5.c., the applicant or insured may elect to accept  
340 such coverage or may elect to accept or continue coverage with  
341 the corporation. In the event that an offer of coverage for a  
342 commercial lines residential risk is received from an authorized  
343 insurer at renewal through the program, and the premium offered  
344 exceeds the eligibility threshold for policyholders of the  
345 corporation established in s. 627.351(6)(c)5.c., the insured may  
346 elect to accept such coverage or may elect to accept or continue  
347 coverage with the corporation. Section 627.351(6)(c)5.c.(I) does  
348 not apply to an offer of coverage from an authorized insurer  
349 obtained through the program.

350 (c)1. Except as provided in subparagraph 2., any applicant  
351 for new commercial lines residential coverage or commercial  
352 lines nonresidential coverage from the corporation and any  
353 policyholder of the corporation, when such applicant or  
354 corporation policyholder is offered commercial lines residential  
355 or commercial lines nonresidential coverage pursuant to the  
356 program by an approved surplus lines clearinghouse insurer,  
357 remains eligible for coverage from the corporation. The  
358 applicant or policyholder receiving an offer from an approved

624532

359 surplus lines clearinghouse insurer may elect to accept such  
360 coverage or may elect to accept or continue coverage with the  
361 corporation.

362 2. Any applicant for new commercial lines residential  
363 coverage or commercial lines nonresidential coverage from the  
364 corporation and any policyholder of the corporation, when such  
365 applicant or corporation policyholder is offered commercial  
366 lines residential or commercial lines nonresidential coverage by  
367 an approved surplus lines insurer pursuant to the program and  
368 such offered coverage has material terms and conditions that are  
369 substantially equivalent to or better than coverage from the  
370 corporation as to all aspects of such coverage, as determined by  
371 the corporation through the clearinghouse process and applicable  
372 program standards, and the total cost of such insurance coverage  
373 is not more than 20 percent greater than the total cost of  
374 insurance coverage from the corporation, may elect to accept  
375 such coverage from the approved surplus lines clearinghouse  
376 insurer or may elect to accept or continue coverage with the  
377 corporation, but, if electing corporation coverage, such  
378 applicant or policyholder must pay a premium for corporation  
379 coverage that is subject to s. 627.351(6)(oo).

380 3. Section 627.351(6)(c.5.c.)(I) does not apply to an offer  
381 of coverage from an approved surplus lines clearinghouse insurer  
382 obtained through the program.

383 (6) Independent insurance agents submitting new  
384 applications for coverage or that are the agent of record on a  
385 renewal policy submitted to the program:

386 (a) Are granted and must maintain ownership and the  
387 exclusive use of expirations, records, or other written or

388 electronic information directly related to such applications or  
389 renewals written through the corporation or through an insurer  
390 participating in the program, notwithstanding s. 627.351(5)(a),  
391 s. 627.351(6)(c)5.a.(I)(B) and (II)(B), or s.  
392 627.351(6)(c)5.b.(I)(B) and (II)(B). Such ownership is granted  
393 for as long as the insured remains with the agency or until sold  
394 or surrendered in writing by the agent. Contracts with the  
395 corporation or required by the corporation or with any insurer  
396 or surplus lines agent ~~may~~ must not amend, modify, interfere  
397 with, or limit such rights of ownership. Such expirations,  
398 records, or other written or electronic information may be used  
399 to review an application, issue a policy, or for any other  
400 purpose necessary for placing such business through the program.

401 (b) May not be required to be appointed by any insurer  
402 participating in the program for policies written solely through  
403 the program, notwithstanding the provisions of s. 626.112.

404 (c) May accept an appointment from any insurer  
405 participating in the program.

406 (d) May enter into either a standard or limited agency  
407 agreement with the insurer, at the insurer's option, and may  
408 enter into agreements with a surplus lines agent.

409  
410 Applicants ineligible for coverage in accordance with subsection  
411 (5) remain ineligible if their independent agent is unwilling or  
412 unable to enter into a standard or limited agency agreement with  
413 an insurer participating in the program.

414 (7) Exclusive agents submitting new applications for  
415 coverage or that are the agent of record on a renewal policy  
416 submitted to the program:

624532

417       (a) Must maintain ownership and the exclusive use of  
418 expirations, records, or other written or electronic information  
419 directly related to such applications or renewals written  
420 through the corporation or through an insurer participating in  
421 the program, notwithstanding s. 627.351(6)(c)5.a.(I)(B) and  
422 (II)(B) or s. 627.351(6)(c)5.b.(I)(B) and (II)(B). Contracts  
423 with the corporation or required by the corporation must not  
424 amend, modify, interfere with, or limit such rights of  
425 ownership. Such expirations, records, or other written or  
426 electronic information may be used to review an application,  
427 issue a policy, or for any other purpose necessary for placing  
428 such business through the program.

429       (b) May not be required to be appointed by any insurer  
430 participating in the program for policies written solely through  
431 the program, notwithstanding the provisions of s. 626.112.

432       (c) Must only facilitate the placement of an offer of  
433 coverage from an insurer whose limited servicing agreement is  
434 approved by that exclusive agent's exclusive insurer.

435       (d) May enter into a limited servicing agreement with the  
436 insurer making an offer of coverage, and only after the  
437 exclusive agent's insurer has approved the limited servicing  
438 agreement terms. The exclusive agent's insurer must approve a  
439 limited service agreement for the program for any insurer for  
440 which it has approved a service agreement for other purposes.

441  
442       Applicants ineligible for coverage in accordance with subsection  
443 (5) remain ineligible if their exclusive agent is unwilling or  
444 unable to enter into a standard or limited agency agreement with  
445 an insurer making an offer of coverage to that applicant.

624532

446        (8) Submission of an application for coverage by the  
447 corporation to the program does not constitute the binding of  
448 coverage by the corporation, and failure of the program to  
449 obtain an offer of coverage by an insurer may not be considered  
450 acceptance of coverage of the risk by the corporation.

451        (9) The 45-day notice of nonrenewal requirement set forth  
452 in s. 627.4133(2) (b)5. applies when a policy is nonrenewed by  
453 the corporation because the risk has received an offer of  
454 coverage pursuant to this section which renders the risk  
455 ineligible for coverage by the corporation.

456        (10) ~~The program may not include commercial nonresidential  
457 policies.~~

458        (11) Proprietary business information provided to the  
459 corporation's clearinghouse by insurers with respect to  
460 identifying and selecting risks for an offer of coverage is  
461 confidential and exempt from s. 119.07(1) and s. 24(a), Art. I  
462 of the State Constitution.

463        (a) As used in this subsection, the term "proprietary  
464 business information" means information, regardless of form or  
465 characteristics, which is owned or controlled by an insurer and:

466            1. Is identified by the insurer as proprietary business  
467 information and is intended to be and is treated by the insurer  
468 as private in that the disclosure of the information would cause  
469 harm to the insurer, an individual, or the company's business  
470 operations and has not been disclosed unless disclosed pursuant  
471 to a statutory requirement, an order of a court or  
472 administrative body, or a private agreement that provides that  
473 the information will not be released to the public;

474            2. Is not otherwise readily ascertainable or publicly

624532

475 available by proper means by other persons from another source  
476 in the same configuration as provided to the clearinghouse; and  
477       3. Includes:  
478        a. Trade secrets, as defined in s. 688.002.  
479        b. Information relating to competitive interests, the  
480 disclosure of which would impair the competitive business of the  
481 provider of the information.

482

483 Proprietary business information may be found in underwriting  
484 criteria or instructions which are used to identify and select  
485 risks through the program for an offer of coverage and are  
486 shared with the clearinghouse to facilitate the shopping of  
487 risks with the insurer.

488       (b) The clearinghouse may disclose confidential and exempt  
489 proprietary business information:

490        1. If the insurer to which it pertains gives prior written  
491 consent;  
492        2. Pursuant to a court order; or  
493        3. To another state agency in this or another state or to a  
494 federal agency if the recipient agrees in writing to maintain  
495 the confidential and exempt status of the document, material, or  
496 other information and has verified in writing its legal  
497 authority to maintain such confidentiality.

498       Section 3. This act shall take effect upon becoming a law.

59        (oo) The corporation must charge a premium on a commercial

 63        clearinghouse insurer for such coverage or the premium for  
 64        coverage from the corporation calculated pursuant to paragraph  
 65        (n). The premium for subsequent renewals of a corporation policy  
 66        that is charged a premium equivalent to the premium offered by  
 67        an approved surplus lines insurer under s. 627.3518(5)(c)2. is  
 68        subject to the requirements of paragraph (n) as applied to the  
 69        premium that was applied pursuant to this paragraph, unless the  
 70        risk receives an offer at the subsequent renewal under s.  
 71        627.3518(5)(c)2., in which case the premium shall be the greater  
 72        of the premium offered at the subsequent renewal by the surplus  
 73        lines insurer or the corporation's premium on the risk.

74        Section 2. Section 627.3518, Florida Statutes, is amended

99        (f) ~~(d)~~ "Program" means the clearinghouse created under this  
 100        section, consisting of the personal lines clearinghouse and the

102        (g) "Surplus lines agent" means an insurance agent licensed  
 103        pursuant to s. 626.927 or s. 626.9272.

104        (2) (a) The corporation shall establish a personal lines

 127 ~~House of Representatives by January 1, 2014.~~

128 (3) The corporation board shall establish the clearinghouse  
 129 program as an organizational unit within the corporation. The  
 130 program shall have all the rights and responsibilities in  
 131 carrying out its duties as a licensed general lines agent and a

 133 a licensed general lines agent or a surplus lines agent, or to

 140 order to facilitate obtaining an offer of coverage from an  
 141 authorized insurer or, if the risk is a commercial risk,

 147 services to effectuate the plan within the corporation in  
 148 accordance with the applicable purchasing requirements under s.  
 149 627.351 and, for purposes of implementing the commercial lines  
 150 clearinghouse and providing offers of coverage from approved  
 151 surplus lines clearinghouse insurers on or before January 1,  
 152 2028, contract with such individuals or entities in accordance  
 153 with s. 287.057(3) (c).

154 (c) May enter into contracts with any authorized insurer  
 155 and any approved surplus lines clearinghouse insurer to  
 156 participate in the program and accept an appointment by such  
 157 insurer.

158 (d) May provide funds to operate the program. Insurers and  
 159 agents participating in the program are not required to pay a

 177 ~~coverage, such criteria must include confirmed expertise in the~~  
 178 ~~surplus lines market, at least 5 years of publicly available~~  
 179 ~~audited financial statements, the ability to facilitate all~~  
 180 ~~approved surplus lines clearinghouse insurers to participate in~~

 183 ~~necessary to effectively establish and manage offers of surplus~~  
 184 ~~lines coverage through the commercial lines clearinghouse.~~

185 (4) Any authorized insurer may participate in the program;  
 186 however, participation is not mandatory for any insurer.  
 187 Approved surplus lines clearinghouse insurers may participate in

 189 the personal lines clearinghouse; however, participation in the  
 190 program is not mandatory for any approved surplus lines insurer.  
 191 Insurers making offers of coverage to new applicants or renewal  
 192 policyholders through the program:

193 (a) May not be required to individually appoint any agent  
 194 whose customer is underwritten and bound through the program.  
 195 Notwithstanding s. 626.112, insurers are not required to appoint  
 196 any agent on a policy underwritten through the program for as  
 197 long as that policy remains with the insurer. Insurers may, at  
 198 their election, appoint any agent or surplus lines agent whose  
 199 direct or indirect customer is initially underwritten and bound  
 200 through the program. In the event an insurer accepts a policy  
 201 from an agent who is not appointed pursuant to this paragraph,  
 202 and thereafter elects to accept a policy from such agent, the  
 203 provisions of s. 626.112 requiring appointment apply to the

 205 (b) Must enter into a limited agency agreement with each  
 206 ~~agent or surplus lines agent~~ that is not appointed in accordance  
 207 with paragraph (a) and whose customer is underwritten and bound  
 208 through the program. In addition, a surplus lines agent that  
 209 enters into a limited agency or broker agreement with an  
 210 approved surplus lines clearinghouse insurer making an offer of  
 211 coverage through the program must also enter into a limited  
 212 agency or broker agreement with each producing agent whose

 214 (c) Must enter into its standard agency agreement with each  
 215 ~~agent or surplus lines agent~~ whose customer is underwritten and

 222 paragraph (6)(a) regarding ownership, control, and use of the  
 223 expirations continue to apply.  
 224 (f) For authorized insurers, must pay to the producing  
 225 agent a commission equal to that paid by the corporation or the  
 226 usual and customary commission paid by the insurer for that line  
 227 of business, whichever is greater.  
 228 (g) For approved surplus lines clearinghouse insurers, must  
 229 pay a commission on premiums, exclusive of fees, surcharges, and  
 230 taxes, to the surplus lines agent, managing general agent, or  
 231 managing general underwriter placing the risk. The surplus lines

 234 commission the corporation pays agents for coverage, calculated  
 235 in the same manner and on the same basis used by the  
 236 corporation, and shall retain the remainder of the total  
 237 commission or equivalent compensation. This paragraph does not  
 238 prohibit an agent from voluntarily accepting a lower commission  
 239 at the agent's sole discretion.

240 (5) (a) Notwithstanding s. 627.3517, any applicant for new  
 241 personal lines coverage from the corporation is not eligible for  
 242 coverage from the corporation if provided an offer of comparable  
 243 coverage from an authorized insurer through the program at a  
 244 premium that is at or below the eligibility threshold for  
 245 applicants for new coverage of a primary residence established  
 246 in s. 627.351(6)(c)5.a., or for applicants for new coverage of a  
 247 risk that is not a primary residence established in s.

 249 personal lines risk is received for a policyholder of the  
 250 corporation at renewal from an authorized insurer through the  
 251 program which is at or below the eligibility threshold for  
 252 primary residences of policyholders of the corporation  
 253 established in s. 627.351(6)(c)5.a., or the eligibility  
 254 threshold for risks that are not primary residences of  
 255 policyholders of the corporation established in s.  
 256 627.351(6)(c)5.b., the risk is not eligible for coverage with  
 257 the corporation. In the event an offer of coverage for a new  
 258 applicant is received from an authorized insurer through the

 264 applicant or insured may elect to accept such coverage, or may  
 265 elect to accept or continue coverage with the corporation. In  
 266 the event an offer of coverage for a personal lines risk is  
 267 received from an authorized insurer at renewal through the  
 268 program, and the premium offered exceeds the eligibility  
 269 threshold for primary residences of policyholders of the  
 270 corporation established in s. 627.351(6)(c)5.a., or exceeds the  
 271 eligibility threshold for risks that are not primary residences  
 272 of policyholders of the corporation established in s.  
 273 627.351(6)(c)5.b., the insured may elect to accept such  
 274 coverage, or may elect to accept or continue coverage with the  
 275 corporation. Section 627.351(6)(c)5.a.(I) and b.(I) does not  
 276 apply to an offer of coverage from an authorized insurer  
 277 obtained through the program. ~~As used in this subsection, the~~  
 278 ~~term "primary residence" has the same meaning as in s.~~  
 279 ~~627.351(6)(e)2.a.~~

280 (b) Notwithstanding s. 627.3517, an applicant for new  
 281 commercial lines residential coverage from the corporation is  
 282 not eligible for coverage from the corporation if the applicant  
 283 is provided an offer of comparable coverage from an authorized  
 284 insurer through the program at a premium that is at or below the  
 285 eligibility threshold for applicants for new coverage  
 286 established in s. 627.351(6)(c)5.c. Whenever an offer of  
 287 comparable coverage for a commercial lines residential risk is

 292 offer of coverage for a new applicant is received from an  
 293 authorized insurer through the program, and the premium offered  
 294 exceeds the eligibility threshold established in s.  
 295 627.351(6)(c)5.c., the applicant or insured may elect to accept  
 296 such coverage or to accept or continue coverage with the  
 297 corporation. In the event an offer of coverage for a commercial  
 298 lines residential risk is received from an authorized insurer at  
 299 renewal through the program, and the premium offered exceeds the  
 300 eligibility threshold for policyholders of the corporation  
 301 established in s. 627.351(6)(c)5.c., the insured may elect to  
 302 accept such coverage or to accept or continue coverage with the  
 303 corporation. Section 627.351(6)(c)5.c.(I) does not apply to an  
 304 offer of coverage from an authorized insurer obtained through  
 305 the program.

306 (c)1. Except as provided in subparagraph 2., any applicant  
 307 for new coverage from the corporation and any policyholder of  
 308 the corporation that is offered commercial lines residential or  
 309 commercial lines residential coverage pursuant to the program by  
 310 an approved surplus lines clearinghouse insurer remains eligible  
 311 for coverage from the corporation. The applicant or insured  
 312 receiving an offer from an approved surplus lines clearinghouse  
 313 insurer may elect to accept such coverage or may elect to accept  
 314 or continue coverage with the corporation.

315 2. Any applicant for new coverage from the corporation and  
 316 any policyholder of the corporation that is offered commercial  
 317 lines residential or commercial lines nonresidential coverage by  
 318 an approved surplus lines insurer pursuant to the program, if  
 319 such coverage is equivalent to or greater than coverage from the

 321 premium that is not more than 20 percent greater than the  
 322 premium for corporation coverage that will be paid by an  
 323 applicant for corporation coverage or will be paid at renewal by  
 324 a policyholder of the corporation, may elect to accept such  
 325 coverage from the approved surplus lines clearinghouse insurer  
 326 or may elect to accept or continue coverage with the  
 327 corporation, but, if electing corporation coverage, such  
 328 applicant or policyholder must pay a premium for corporation  
 329 coverage that is the greater of the premium for such coverage  
 330 from the corporation or from the approved surplus lines  
 331 clearinghouse insurer.

332 3. Section 627.351(6)(c)5.c.(I) does not apply to an offer  
 333 of coverage from an approved surplus lines clearinghouse insurer  
 334 obtained through the program.

335 (6) Independent insurance agents submitting new  
 336 applications for coverage or that are the agent of record on a  
 337 renewal policy submitted to the program:

 339 exclusive use of expirations, records, or other written or  
 340 electronic information directly related to such applications or  
 341 renewals written through the corporation or through an insurer  
 342 participating in the program, notwithstanding s. 627.351(5)(a),  
 343 s. 627.351(6)(c)5.a.(I)(B) and (II)(B), or s.  
 344 627.351(6)(c)5.b.(I)(B) and (II)(B). Such ownership is granted  
 345 for as long as the insured remains with the agency or until sold  
 346 or surrendered in writing by the agent. Contracts with the  
 347 corporation, or required by the corporation, or with any insurer  
 348 or surplus lines agent must not amend, modify, interfere with,

 350 other written or electronic information may be used to review an  
 351 application, issue a policy, or for any other purpose necessary  
 352 for placing such business through the program.

353 (b) May not be required to be appointed by any insurer  
 354 participating in the program for policies written solely through  
 355 the program, notwithstanding the provisions of s. 626.112.

356 (c) May accept an appointment from any insurer  
 357 participating in the program.

358 (d) May enter into either a standard or limited agency  
 359 agreement with the insurer, at the insurer's option, and may  
 360 enter into agreements with a surplus lines agent.

361 Applicants ineligible for coverage in accordance with subsection  
 362 (5) remain ineligible if their independent agent is unwilling or  
 363 unable to enter into a standard or limited agency agreement with  
 364 an insurer participating in the program.

365 (7) Exclusive agents submitting new applications for  
 366 coverage or that are the agent of record on a renewal policy  
 367 submitted to the program:

 373 (II)(B) or s. 627.351(6)(c)5.b.(I)(B) and (II)(B). Contracts  
 374 with the corporation or required by the corporation must not

 380 such business through the program.

381 (b) May not be required to be appointed by any insurer  
 382 participating in the program for policies written solely through  
 383 the program, notwithstanding the provisions of s. 626.112.

384 (c) Must only facilitate the placement of an offer of  
 385 coverage from an insurer whose limited servicing agreement is  
 386 approved by that exclusive agent's exclusive insurer.

387 (d) May enter into a limited servicing agreement with the  
 388 insurer making an offer of coverage, and only after the  
 389 exclusive agent's insurer has approved the limited servicing  
 390 agreement terms. The exclusive agent's insurer must approve a  
 391 limited service agreement for the program for any insurer for  
 392 which it has approved a service agreement for other purposes.

393 Applicants ineligible for coverage in accordance with subsection  
 394 (5) remain ineligible if their exclusive agent is unwilling or  
 395 unable to enter into a standard or limited agency agreement with  
 396 an insurer making an offer of coverage to that applicant.

397 (8) Submission of an application for coverage by the  
 398 corporation to the program does not constitute the binding of  
 399 coverage by the corporation, and failure of the program to  
 400 obtain an offer of coverage by an insurer may not be considered  
 401 acceptance of coverage of the risk by the corporation.

402 (9) The 45-day notice of nonrenewal requirement set forth  
 403 in s. 627.4133(2)(b)5. applies when a policy is nonrenewed by

### Notes:

- 1) Commercial policy forms include building coverage, other structure coverage, and business personal property. Commercial non-residential multiperil policies no longer include business income/extra expense beginning with June 2012 renewals and May 2012 new business.
- 2) Excludes takeout policies
- 3) Within the commercial data, commercial non-residential wind-only (CnW) counts are policy counts; building counts are unavailable. The product was phased out during 2009, with no policies remaining in force as of 12/31/09. The commercial non-residential multiperil program was introduced in November 2008.

## **Clearinghouse Program Summary:**

In order to facilitate the diversion of ineligible applicants and existing policyholders from Citizens into the voluntary insurance market, Citizens is required by statute to implement a Clearinghouse program for personal lines and procedures for commercial lines. The statute provides Citizens broad discretion in how it may implement such programs and procedures. The intention of the Clearinghouse program/procedure is to facilitate consistent enforcement of Citizens premium comparison eligibility rules and to allow carriers to present their offered premiums to agents.

**Personal Lines** – We have established an electronic program via a procurement with Applied systems and have implemented the solution for new and renewals in 2025.

**Commercial Lines** – We have established procedures that require the agent to demonstrate They Have presented the risk to at least one admitted market carrier and that carrier has declined the risk or their offered premium is higher than the eligibility threshold (120% of Citizens new/renewal premium).
