COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/SB 1078 provides that new soil and water conservation districts (SWCDs) must be subdivided into five numbered subdivisions that match, as practicable, the boundaries of either the five county commission districts or five school board districts within the county. If neither the county commission nor the school board is subdivided into five districts, the Department of Agriculture and Consumer Services shall subdivided the SWCD into five numbered subdivisions as nearly equal in area as practicable.

The bill allows one SWCD supervisor to be elected from each of the five numbered subdivisions, and provides for staggered terms for supervisors.

The bill requires SWCD supervisors to be eligible voters who reside within the numbered subdivision from which they are elected and be actively engaged or retired after fifteen years of being engaged in, agriculture as defined by s. 570.02, F.S., or be employed by an agricultural producer. Candidates will be required to file a statement affirming they meet the qualifications to serve as a supervisor. If a subdivision does not have a qualified candidate one week before the qualifying period, any eligible candidate within a district may seek to be elected in that subdivision.

The bill provides that each supervisor shall be elected at the 2022 general election. The bill provides that by January 1, 2023, an SWCD in existence on July 1, 2022, which was not initially subdivided, must be subdivided in the manner provided by the bill.

II. Present Situation:

Special Districts

A special district is a unit of local government created for a particular purpose, with jurisdiction to operate within a limited geographic boundary.¹ Special districts are created by general law, special act, local ordinance, or by rule of the governor and cabinet.² A special district has only those powers expressly provided by, or reasonably implied from, the authority provided in the district's charter.³ Special districts provide specific municipal services in addition to, or in place of, those provided by a municipality or county.⁴ Special districts are funded through the imposition of ad valorem taxes, fees, or charges on the users of those services as authorized by law.⁵

A dependent special district is a special district where:

- The membership of the governing body is identical to the governing body of a single county or municipality,
- All members of the governing body are appointed by the governing body of a single county or municipality,
- Members of the district's governing body are removable at will by the governing body of a single county or municipality, or
- The district's budget is subject to the approval of the governing body of a single county or municipality.⁶

An independent special district is any district that is not a dependent special district.⁷

According to the Department of Economic Opportunity's (DEO's) Special District Accountability Program Official List of Special Districts, as of January 18, 2022, the state had 1,835 special districts.⁸ There were 1,217 independent special districts and 618 dependent districts.⁹ Special districts are governed generally by the Uniform Special District Accountability

Soil and Water Conservation Districts

There are 56 active soil and water conservation districts (SWCDs).¹⁸ All SWCDs are created by the Department of Agriculture and Consumer Services (DACS) upon petition by landowners in the proposed district.¹⁹ DACS must provide for an annual audit of the accounts of receipts and disbursements for each district.²⁰

SWCDs' stated purpose is to provide assistance, guidance, and education to landowners, land occupiers, the agricultural industry, and the general public in implementing land and water resource protection practices.²¹ In order to do this, SWCDs partner with a variety of entities, including DACS and its Office of Agricultural Policy, the U.S. Department of Agriculture, the Natural Resources Conservation Service, the National Association of Conservation Districts, the Association of Florida Conservation Districts, the Florida Conservation District Employees Association, the University of Florida's Institute of Food and Agricultural Sciences, the Florida Department of Environmental Protection (DEP), the water management districts, Florida Farm Bureau, DEO, and counties.²²

The authority of SWCDs overlaps significantly with other land and water resource management agencies, such as DEP,²³ DEO,²⁴ and the water management districts.²⁵ Due to this jurisdictional overlap, SWCDs today primarily focus on working with private and public landowners to provide technical and financial assistance for conservation, execute lease agreements, and manage publicly owned land.²⁶ Some other activities of SWCDs include:

- Cooperative programs like best management practices projects and Farm Bill programs like the Environmental Quality Incentives Program, the Conservation Security Program, the

Soil and Water Conservation District Supervisors

Supervisors are members of the governing bodies of SWCDs.²⁸ An SWCD supervisor election is held every two years at the same time as the general election.²⁹ In the case of a newly created SWCD participating in a regular election for the first time, three groups of candidates are elected for terms of four years, and two groups are elected for initial terms of two years.³⁰

III. Effect of Proposed Changes:

Section 1 amends s. 582.15, F.S., to provide that new soil and water conservation districts (SWCDs) must be subdivided into five numbered subdivisions that match, as practicable, the boundaries of either the five county commission districts or five school board districts within the county. If neither the county commission nor the school board is subdivided into five districts, the Department of Agriculture and Consumer Services (DACS) shall subdivide the district into five numbered subdivisions as nearly equal in area as practicable to ensure geographical representation within the SWCD's governing body.

Section 2 amends s. 582.18, F.S., to allow one SWCD supervisor to be elected from each of the five numbered subdivisions created by DACS. The bill provides that, in the case of the first regular election for a new SWCD, candidates shall be elected from district subdivisions 1, 3, and 5 for terms of four years and candidates shall be elected from district subdivisions 2 and 4 for initial terms of 2 years.

Section 3 amends s. 582.19, F.S., to require SWCD supervisors to be eligible voters who reside within the numbered subdivision from which they are elected and be actively engaged or retired after fifteen years of being engaged in, agriculture as defined by s. 570.02, F.S., or be employed by an agricultural producer. Candidates will be required to file a statement affirming they meet the qualifications to serve as a supervisor. If a subdivision does not have a qualified candidate one week before the qualifying period, any eligible candidate within a district may seek to be elected in that subdivision.

²⁸ Section 582.01, F.S.

²⁹ Section 582.18, F.S.

³⁰ *Id.*

Section 4 provides that supervisors of SWCDs must seek to be elected in the 2022 general election. The bill provides that by January 1, 2023, a district in existence on July 1, 2022, which was not subdivided in its initial creation, must be subdivided into five numbered subdivisions that match, as practicable, the boundaries of either the five county commission districts or five school board districts in the county. If neither the county commission nor the school board is subdivided into five districts, DACS shall subdivide the district into five numbered subdivisions as nearly equal in area as practicable.

The bill adds that the following procedures apply to the election of supervisors of SWCDs subdivided by DACS pursuant to the above paragraph:

- SWCD governing body seats 1, 3, and 5, which have terms that initially expired in January 2025 or 2027, as applicable, shall represent district subdivisions 1, 3, and 5, respectively. Such seats shall be filled for a four-year term.
- SWCD governing body seats 2 and 4, which have terms that initially expired in January 2025 or 2027, as applicable, shall represent district subdivisions 2 and 4, respectively. Such seats shall be filled for a two-year term to achieve staggered terms; thereafter the seats shall be filled for four-year terms.

Section 5 provides that the bill takes effect upon becoming law.

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

SJR 1412 is a joint resolution proposing an amendment to Section 3 of Article XI of the State Constitution to limit revisions or amendments of the State Constitution by citizen initiative to matters relating to procedural subjects or to the structure of the government or of the State Constitution.

The SJR requires three-fifths vote of the membership of each house of the Legislature for passage.¹ Resolutions are not subject to the veto power of the Governor but are filed by the Legislature directly to the Secretary of State.

If approved by three-fifths of the membership of each house of the Legislature, the amendment will be placed on the 2022 general election ballot. If adopted by at least sixty percent of electors voting on the measure at the 2022 general election, the proposed amendment will take effect on January 10, 2023.²

¹ Fla. Const. art. XI, s. 1 (2021).

² Fla. Const. art. XI, s. 5(e) (2021).

II. Present Situation:

Amendments to the State Constitution can be proposed by five distinct methods: 1) joint legislative resolution 2) the Constitutional Revision Commission, 3) citizen's initiative,³ 4) a constitutional convention, or 5) the Taxation and Budget Reform Commission.⁴

The citizen's initiative provision is a self-executing constitutional amendment.⁵ However, the citizen's initiative has and can be refined by statute or administrative rule, provided it is necessary to ensure ballot integrity.⁶ The Division of Elections must pre-approve the petition format prior to a person's or group's circulation of the petition for signatures.⁷ The signatures are submitted to the respective county supervisor of elections, who verifies the validity and registered-electors status of each signatory.⁸ Each supervisor then certifies the number of valid signatures to the Secretary of State, no later than the February 1 of the year in which the general election is held.⁹

The Division of Elections then compiles and certifies the total number of verified signatures to determine whether the requisite number of signatures has been obtained.¹⁰ If the requisite number of signatures is obtained, the Secretary of State issues a certificate of the ballot position for the proposed amendment and assign, a designating number pursuant to s. 101.161, F.S.¹¹

When the initiative petition meets the criteria pursuant to s. 15.21, F.S., the Secretary of State shall immediately submit it to the Attorney General.¹² The Attorney General, within thirty days of receiving the initiative petition from the Secretary of State, shall petition the Supreme Court, requesting an advisory opinion regarding the compliance of the text in the petition with Section 3 of Article XI of the State Constitution, the petition's validity under the United States Constitution, and the compliance of the proposed ballot title with s. 101.161, F.S.¹³

There is no restriction on the content permitted in amendments or revisions proposed by initiative.

³ Fla. Const. art. XI, s. 3 (2021), provides for citizen initiative to propose amendment or revisions to the Constitution, specifically providing that "[A]ny such revision or amendment, except for those limiting the power of government to raise revenue, shall embrace but one subject and matter directly connected therewith."

⁴ Fla. Const. art. XI (2021).

⁶ See *State ex rel. Citizens Proposition for Tax Relief v. Firestone*, 386 So.2d 561 (Fla. 1980); *Smith v. Coalition to reduce Class Size*, 827 So.2d 959 (Fla. 2002).

⁷ Section 100.371, F.S. (2021).

⁸ *Id.*

⁹ Section 100.371(11), F.S. (2021).

¹⁰ Section 100.371 (12), F.S. (2021).

¹¹ *Id.*

¹² Section 15.21, F.S. (2021); The Secretary of State shall immediately submit an initiative petition to the Attorney General if the sponsor has: 1) Registered as political action committee pursuant to s. 106.03, F.S.; 2) Submitted ballot title, substance, and text of the proposed revision or amendment to the Secretary of State pursuant to ss. 100.371, 101.161, F.S.; and 3) Obtained a letter from the Division of Elections confirming that the sponsor has submitted to the appropriate supervisors for verification, and the supervisors have verified, forms signed and dated equal to 25 percent of the number of electors statewide required by s. 3, Art. XI of the State Constitution in one-half of the congressional districts of the state.

¹³ Section 16.061, F.S. (2021).

III. Effect of Proposed Changes:

The SJR proposes limiting the scope of citizen initiatives to include only those proposed amendments or revisions that relate to procedural subjects or to the structure of the government or the State Constitution.

The SJR also provides a ballot statement consisting of a 14-word title and a 36-word summary. The summary reflects the substance of the proposed amendment word for word.

If approved by at least three-fifths of each legislative chamber and by at least sixty percent of the electors voting on the question, the amendment will take effect on the first Tuesday after the first Monday in January following the general election.¹⁴
