COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

PCS/SB 694 authorizes a court to impose a sentence for a drug trafficking offense less than the mandatory minimum term of imprisonment and mandatory fine applicable to that offense if the court finds, in relation to that offense, that the offender did not:
- Engage in a continuing criminal enterprise;
- Use or threaten violence or use a weapon during the commission of the crime; or
- Cause a death or serious bodily injury.

The bill is expected to reduce the need for prison beds by a significant amount. See Section V. Fiscal Impact Statement.

II. Present Situation:

Florida’s Controlled Substance Schedules

Section 893.03, F.S., classifies controlled substances into five categories, known as schedules. These schedules regulate the manufacture, distribution, preparation, and dispensing of the substances listed in the schedules. The most important factors in determining which schedule
may apply to a substance are the “potential for abuse”\textsuperscript{1} of the substance and whether there is a currently accepted medical use for the substance. The controlled substance schedules are as follows:

- **Schedule I substances** (s. 893.03(1), F.S.) have a high potential for abuse and no currently accepted medical use in treatment in the United States. Use of these substances under medical supervision does not meet accepted safety standards.

- **Schedule II substances** (s. 893.03(2), F.S.) have a high potential for abuse and a currently accepted but severely restricted medical use in treatment in the United States. Abuse of these substances may lead to severe psychological or physical dependence.

- **Schedule III substances** (s. 893.03(3), F.S.) have a potential for abuse less than the Schedule I and Schedule II substances and a currently accepted medical use in treatment in the United States. Abuse of these substances may lead to moderate or low physical dependence or high psychological dependence. Abuse of anabolic steroids may lead to physical damage.

- **Schedule IV substances** (s. 893.03(4), F.S.) have a low potential for abuse relative to Schedule III substances and a currently accepted medical use in treatment in the United States. Abuse of these substances may lead to limited physical or psychological dependence relative to Schedule III substances.

- **Schedule V substances** (s. 893.03(5), F.S.) have a low potential for abuse relative to the substances in Schedule IV and a currently accepted medical use in treatment in the United States. Abuse of these substances may lead to limited physical or psychological dependence relative to Schedule IV substances.

### Punishment of Prohibited Drug Acts

Section 893.13, F.S., in part, punishes unlawful possession, sale, purchase, manufacture, and delivery of a controlled substance. The penalty for violating s. 893.13, F.S., can depend on the act committed, the substance and quantity of the substance involved, and the location in which the violation occurred. For example, selling a controlled substance listed in s. 893.03(1)(c), F.S., which includes many synthetic controlled substances, is a third degree felony.\textsuperscript{2} However, if that substance is sold within 1,000 feet of a K-12 school or other designated facility or location, the violation is a second-degree felony.\textsuperscript{3} With three exceptions,\textsuperscript{4} s. 893.13, F.S., does not provide for mandatory minimum terms of imprisonment.

\textsuperscript{1} Pursuant to s. 893.035(3)(a), F.S., “potential for abuse” means a substance has properties as a central nervous system stimulant or depressant or a hallucinogen that create a substantial likelihood of the substance being: (1) used in amounts that create a hazard to the user’s health or the safety of the community; (2) diverted from legal channels and distributed through illegal channels; or (3) taken on the user’s own initiative rather than on the basis of professional medical advice.

\textsuperscript{2} Section 893.13(1)(a)2., F.S. A third-degree felony is punishable by up to 5 years in state prison, a fine of up to $5,000, or both. Sections 775.082(3)(e) and 775.083(1)(c), F.S.

\textsuperscript{3} Section 893.13(1)(c)2., F.S. A second-degree felony is punishable by up to 15 years in state prison, a fine of up to $10,000, or both. Sections 775.082(3)(d) and 775.083(1)(b), F.S.

\textsuperscript{4} Exceptions: s. 893.13(1)(c)1., F.S. (selling, etc., certain Schedule I and II controlled substances within 1,000 feet of a K-12 school, park, community center, or publicly owned recreational facility subject to 3-year mandatory minimum); s. 893.13(1)(g)1., F.S. (manufacturing methamphetamine or phencyclidine in a structure or conveyance where any child under 16 is present subject to 5-year mandatory minimum); and s. 893.13(1)(g)2., F.S. (manufacturing methamphetamine or phencyclidine causes a child under 16 to suffer great bodily harm subject to 10-year mandatory minimum).
Drug trafficking, which is punished in s. 893.135, F.S., consists of knowingly selling, purchasing, manufacturing, delivering, or bringing into this state (importation), or knowingly being in actual or constructive possession of, certain Schedule I or Schedule II controlled substances in a statutorily-specified quantity. The statute only applies to a limited number of such controlled substances. And the controlled substances involved in the trafficking statute must meet a specified weight or quantity threshold.

Most drug trafficking offenses are first degree felonies and are subject to a mandatory minimum term and a mandatory fine, which is determined by the weight or quantity of the substance. For example, trafficking in 28 grams or more, but less than 200 grams, of cocaine, a first degree felony, is punishable by a 3-year mandatory minimum term of imprisonment and a mandatory fine of $50,000. Trafficking in 200 grams or more, but less than 400 grams, of cocaine, a first degree felony, is punishable by a 7-year mandatory minimum term of imprisonment and a mandatory fine of $100,000.

Criminal Punishment Code

The Criminal Punishment Code (Code) is Florida’s “primary sentencing policy.” Noncapital felonies sentenced under the Code receive an offense severity level ranking (Levels 1-10). Points are assigned and accrue based upon the level ranking assigned to the primary offense, additional offenses, and prior offenses. Sentence points escalate as the level escalates. Points may also be added or multiplied for other factors such as victim injury or the commission of certain offenses like a Level 7 or 8 drug trafficking offense. The lowest permissible sentence is any nonstate prison sanction in which total sentence points equal or are less than 44 points, unless the court determines that a prison sentence is appropriate. If total sentence points exceed 44 points, the lowest permissible sentence in prison months is calculated by subtracting 28 points from the total sentence points and decreasing the remaining total by 25 percent.

---

5 A first degree felony is generally punishable by up to 30 years in state prison and a fine of up to $10,000. However, when specifically provided by statute, a first degree felony may be punished by imprisonment for a term of years not exceeding life imprisonment. Sections 775.082(3)(b) and 775.083(1)(b), F.S.
6 There are currently 56 mandatory minimum terms of imprisonment in s. 893.135, F.S., which range from three years to life imprisonment.
7 See s. 893.135, F.S.
8 Section 893.135(1)(b)1.a., F.S.
9 Section 893.135(1)(b)1.b., F.S.
12 Offenses are either ranked in the offense severity level ranking chart in s. 921.0022, F.S., or are ranked by default based on a ranking assigned to the felony degree of the offense as provided in s. 921.0023, F.S.
13 Section 921.0024, F.S. Unless otherwise noted, information on the Code is from this source.
mitigation, the permissible sentencing range under the Code is generally the lowest permissible sentence scored up to and including the maximum penalty provided under s. 775.082, F.S.15

**Mandatory Minimum Sentences and Departures**

Mandatory minimum terms of imprisonment limit judicial discretion in Code sentencing: “If the lowest permissible sentence is less than the mandatory minimum sentence, the mandatory minimum sentence takes precedence.”16 As previously noted, the sentencing range under the Code is generally the scored lowest permissible sentence up to and including the statutory maximum penalty. However, if there is a mandatory minimum sentence that is longer than the scored lowest permissible sentence, the sentencing range is narrowed to the mandatory minimum sentence up to and including the statutory maximum penalty.

Prosecutors have “complete discretion” in the charging decision.17 The exercise of this discretion may determine whether or not a defendant is subject to a mandatory minimum term or a reduced mandatory minimum term. A prosecutor could determine in a particular case that mandatory minimum sentencing is inappropriate or too severe and avoid or ameliorate such sentencing. For example, the prosecutor could offer a plea to a violation of s. 893.13, F.S., or attempted drug trafficking, neither of which carries a mandatory minimum term. A prosecutor could also offer a plea to a drug trafficking violation that carries a 3-year mandatory minimum term, even though the defendant could be prosecuted for a drug trafficking violation that carries a greater mandatory minimum term. Further, a prosecutor could move the court to reduce or suspend a sentence if the defendant renders substantial assistance.18

There are few circumstances in which a court is statutorily authorized to depart from a mandatory minimum term. A court may depart from a mandatory minimum term if the defendant is determined to be a youthful offender.19 In determining youthful offender status, the defendant must be given the opportunity to present facts to the court.20 A court may also depart from a mandatory minimum term for a violation of s. 316.027(2)(c), F.S. (driver involved in a fatal accident).21

---

14 The court may “mitigate” or “depart downward” from the scored lowest permissible sentence if the court finds a mitigating circumstance. Section 921.0026, F.S., provides a list of mitigating circumstances.
15 If the scored lowest permissible sentence exceeds the maximum penalty in s. 775.082, F.S., the sentence required by the Code must be imposed. If total sentence points are greater than or equal to 363 points, the court may sentence the offender to life imprisonment. Section 921.0024(2), F.S.
17 “Under Florida’s constitution, the decision to charge and prosecute is an executive responsibility, and the state attorney has complete discretion in deciding whether and how to prosecute.” *State v. Bloom*, 497 So. 2d 2, 3 (Fla. 1986) (citing FLA. CONST. art. II, s. 3) (other citations omitted).
18 Sections 790.163(2), 790.164(2), 893.135(4), and 921.0024(1)(b), F.S. However, lower-level dealers or peripheral actors may have little, if any, information beneficial to prosecutors. Inmate population data reported in a 2009 Senate interim report indicated that the average sentence of inmates with a lower-level trafficking offense was above the mandatory minimum term, while the average sentence of inmates with a higher-level trafficking offense was below the mandatory minimum term. *A Policy Analysis of Minimum Mandatory Sentencing for Drug Traffickers*, Interim Report 2010-109 (Oct. 2009), p. 7, Committee on Criminal Justice, The Florida Senate, [http://archive.fl senate.gov/data/Publications/2010/Senate/reports/interim_reports/pdf/2010-109cj.pdf](http://archive.fl senate.gov/data/Publications/2010/Senate/reports/interim_reports/pdf/2010-109cj.pdf) (last visited on Feb. 14, 2018).

crash fails to stop and remain at the scene of a crash), upon the defendant’s motion if the court “finds that a factor, consideration or circumstance clearly demonstrates that imposing a mandatory minimum term of imprisonment would constitute or result in an injustice.”

III. **Effect of Proposed Changes:**

The bill authorizes a court to impose a sentence for a drug trafficking offense less than the mandatory minimum term of imprisonment and mandatory fine applicable to that offense if the court finds, in relation to that offense, that the offender did not:

- Engage in a continuing criminal enterprise;
- Use or threaten violence or use a weapon during the commission of the crime; or
- Cause a death or serious bodily injury.

The bill applies to all drug trafficking acts (possession, sale, manufacture, delivery, and importation) and to most, if not all, drug trafficking mandatory minimum terms of imprisonment (ranging from 3 years to life).

The drug-trafficking statute prohibits a person from knowingly selling, delivering, importing, manufacturing, or possessing specified large quantities of the following controlled substances:

- Cannabis or cannabis plants;
- Cocaine;
- Various opiates or opioids, such as opium, morphine, heroin, hydromorphone, codeine, hydrocodone, oxycodone, fentanyl, and carfentanil and other fentanyl derivatives;
- Phencyclidine;
- Methaqualone;
- Amphetamine or methamphetamine;

---

21 Section 316.027(2)(g), F.S.
22 Section 893.20(1), F.S., provides that any person who commits three or more felonies under ch. 893, F.S., in concert with five or more other persons with respect to whom such person occupies a position of organizer, a supervisory position, or any other position of management and who obtains substantial assets or resources from these acts is guilty of engaging in a continuing criminal enterprise.
23 The drug-trafficking statute imposes a mandatory life sentence for trafficking in especially large amounts of certain substances. However, these mandatory life sentence are never described as a “mandatory minimum” sentences like the rest of the mandatory minimum sentences imposed by the statute. Nonetheless, the mandatory life sentence that is required for certain offenses seems to be a mandatory minimum sentence, and thus a sentence to which the bill would apply.

A court that is authorized to deviate below the mandatory minimum sentences set forth in the drug-trafficking statute is nonetheless generally constrained by the minimum sentence produced by this state’s minimum sentence calculation statutes.\textsuperscript{39} And the minimum sentence produced by this calculation may be lower or higher than the mandatory minimum set forth in the drug-trafficking statute.

The felony sentencing statute takes into account a host of factors to determine the minimum sentence that a court may impose on a felon. These factors include crimes for which the felon is being sentenced, prior offenses, and any injury suffered by the felon’s victim. Each of these items are assigned number values that increase as their severity increases—the more severe the offense and the more severe the injury to a victim, the more points are assessed. \textsuperscript{39} See ss. 921.0022-921.0024, F.S. However, there are a number of circumstances in which a court may sentence a felon to a lesser sentence than is produced by the sentence calculation statutes. See ss. 921.0024-921.0027, F.S.
are then factored into a multi-step formula. The number produced by this formula determines the minimum sentence that the court may impose on the felon before it.

A court that is authorized to deviate below the mandatory minimum sentences set forth in the drug-trafficking statute is nonetheless generally constrained by the minimum sentence produced by this state’s minimum felony sentence calculation statutes. And the minimum sentence produced by these calculations may be lower or higher than the applicable mandatory minimum set forth in the drug-trafficking statute.

The effective date of the bill is July 1, 2018.

**IV. Constitutional Issues:**

A. Municipality/County Mandates Restrictions:

This bill does not require counties or municipalities to spend funds or limit their authority to raise revenue or receive state-shared revenues as specified in Article VII, s. 18 of the Florida Constitution.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

**V. Fiscal Impact Statement:**

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

The Criminal Justice Impact Conference estimates that the bill will have a “negative significant” prison bed impact (a decrease of more than 25 prison beds).\(^4\)

**VI. Technical Deficiencies:**

None.

---

VII. **Related Issues:**

The bill does not explicitly state whether it applies to mandatory sentences of life imprisonment set forth in the drug-trafficking statute. The bill specifically refers to “mandatory minimum” sentences imposed under the drug-trafficking statute. The statute never uses the words “mandatory minimum” sentence to refer to sentences or life imprisonment. The Legislature may wish to amend the bill to clarify its intent.

VIII. **Statutes Affected:**

This bill substantially amends section 893.135 of the Florida Statutes.

IX. **Additional Information:**

A. **Committee Substitute – Statement of Changes:**
   (Summarizing differences between the Committee Substitute and the prior version of the bill.)

   **Recommend CS by Appropriations Subcommittee on Criminal and Civil Justice on February 14, 2018:**
   The committee substitute authorizes a court to impose a sentence for a drug trafficking offense other than the mandatory minimum term of imprisonment and mandatory fine applicable to that offense if the court finds, in relation to that offense, that the offender did not commit specified acts. The original bill did not authorize a departure from a drug trafficking mandatory fine.

B. **Amendments:**

   None.

I. Summary:

PCS/SB 1270 makes numerous changes to law relating to driver license (DL) suspensions and revocations, and the penalties and fees associated with them. Specifically, the bill:

- Removes suspension and revocation penalties for a number of specified non-driving-related offenses;
- Reduces the length of mandatory DL suspensions for drug convictions from a one year period to six months;
- Allows individuals whose licenses are suspended for failure to comply with a court order or failure to pay court financial obligations, under ss. 318.15 or 322.245, F.S., to apply for a hardship license issued by the Department of Highway Safety and Motor Vehicles;
- Requires the court to inquire about a person’s financial ability to pay a fine at the time a civil penalty is ordered in court;
- Prohibits court-approved payment plans from exceeding two percent of an applicant’s income, or $25 per month, whichever is greater;
- Requires clerks of the circuit court (clerks) to competitively bid for collection agents or private attorneys taking over unpaid accounts, and:
  - Prohibits the clerk from adding collection fees to the unpaid accounts for transferring the account to an agent or attorney; and
  - Prohibits the collections agent or attorney to add additional fees to the account other than the contractually agreed upon surcharge;
- Requires uniform traffic citations include information regarding the option of a payment plan and community service;
- Requires, in criminal cases, that the public defender application forms (for determination of indigent status) include the option to fulfill any court-ordered financial obligation by enrolling in a payment plan or completing community service if ordered by the court;
• Provides that the clerk may use any readily ascertainable or publicly available information to determine whether an applicant is indigent, and may refer any application believed to be fraudulent to the court for review; and
• Allows the court to use the information provided on the application to determine the person’s inability to pay court financial obligations for the purpose of converting financial obligations into court-ordered community service.
• Establishes a Clerks of Court Community Service Pilot Project in Pinellas and Clay counties to allow persons with court-ordered financial obligations to fulfill those obligations through community service.

The bill has an indeterminate negative fiscal impact on state and local government revenues and expenditures. See Section V. Fiscal Impact Statement for details.

The bill has an effective date of October 1, 2018.

II. Present Situation:

Driver license (DL) revocations and suspensions, respectively, terminate or temporarily withdraw one’s driving privilege. Although initially used to address poor driving behavior, DL sanctions are now commonly used to punish individuals engaged in behavior unrelated to the operation of a motor vehicle. Consequently, a substantial amount of time and resources are expended by state and local entities to deal with and process non-driving-related DL suspensions and revocations.

According to the American Association of Motor Vehicle Administrators (AAMVA), “[s]ome studies have shown that suspending driving privileges for non-highway safety-related reasons is not effective.” Enforcing non-driving-related suspensions is costly and detracts from highway safety priorities. Licenses being suspended for non-driving-related reasons have caused the seriousness of DL suspensions to become lessened in the minds of law enforcement, the courts, and the public, even though data shows drivers with DL suspensions for traffic-safety-related reasons are three times more likely to be involved in a crash than drivers suspended for other reasons.

It is estimated that as many as three-fourths of drivers with suspended or revoked licenses continue to drive, indicating DL suspensions may not effectively force compliance. According to the Transportation Research Board of the National Academies, one out of five traffic fatalities nationally involves a driver who is operating a vehicle without a valid license.

DL suspension and revocation penalties are used to punish individuals who do not pay certain financial penalties and obligations, sometimes whether or not the individual can afford to do so. Furthermore, penalties for driving with a DL that is suspended or revoked increase per offense,

causing individuals suffering from financial hardship to become stuck in a self-perpetuating cycle. Drivers who were unable to pay their original fine or court fees may lose their ability to travel legally to and from work. If they are caught driving while the DL is suspended or revoked, they will incur additional court costs and penalties. Additionally, these drivers are not allowed to obtain a hardship license, restricted to business or employment purposes only, even though this option is available for numerous driving-related suspensions, including DUIs. A driver whose DL is suspended for inability to pay penalties or court financial obligations needs to pay reinstatement fees in addition to outstanding obligations to legally drive.

Clerks of the Court (clerks) use DL sanctions as a means to improve collections of fines and fees and have indicated that DL sanctions are their most effective tool to increase collections. However, a 2007 report by the Office of Program Policy Analysis and Government Accountability (OPPAGA) indicated, of the 67 clerks they surveyed, there was no meaningful difference between the average revenue collected overall and clerks’ use of any particular collection method. According to a 2004 OPPAGA Information Brief, some clerks and judges both indicated that imposing sanctions against a DL for non-traffic-related offenses would not be appropriate since the punishment did not fit the crime; licenses were already overburdened with penalties; and sanctions would result in more unlicensed drivers on Florida’s roadways as well as potentially more court cases.

**Non-Driving-Related DL Suspensions and Revocations**

Generally, the threat of losing one’s driving privilege has been used to combat truancy, theft, vandalism, illegal possession of drugs, alcohol, tobacco, and firearms, and a number of other non-driving-related offenses. Relevant non-driving offenses are detailed below.

**School Attendance Requirements**

A minor is not eligible for driving privileges unless that minor:

- Is enrolled in a public school, nonpublic school, home education program, or other educational activities and satisfies relevant attendance requirements;
- Has received a high school diploma, a high school equivalency diploma, a special diploma, or a certificate of high school completion;
- Is enrolled in a study course in preparation for the high school equivalency examination and satisfies relevant attendance requirements;

---

6 Section 322.271(1)(c), F.S., defines a “business purposes only” restricted driving privilege as limited to driving necessary to maintain livelihood, including driving to and from work, necessary on-the-job driving, driving for educational purposes, and driving for church and medical purposes. An “employment purposes only” restricted driving privilege is limited to driving to and from work and necessary on-the-job driving.

7 DHSMV, *Hardship Reinstatement Eligibility Requirements*, (Revised May 12, 2014) (on file with the Senate Committee on Transportation).

11 Section 322.091(1), F.S.
• Has been issued a certificate of exemption\(^{12}\) from the district school superintendent; or
• Has been issued a hardship waiver under s. 322.091, F.S.

In Fiscal Year 2016-2017, the Department of Highway Safety and Motor Vehicles (DHSMV) issued approximately 4,786 DL suspension sanctions for non-compliance with school attendance requirements.\(^{13}\) Approximately 60 percent of DL suspensions for non-compliance with school attendance requirements are reinstated in less than one year; however, the majority of the reinstatements are for individuals who reached their eighteenth birthday and were thus no longer subject to the requirements.\(^{14}\) According to the National Conference of State Legislatures, 29 states link minors’ driving privileges to school enrollment, attendance, academic performance, or behavior.\(^{15}\)

**Worthless Check - Failure to Appear**

The court may order the suspension or revocation of a DL if the licensee is being prosecuted for giving worthless checks, drafts, or debit card orders under s. 832.05, F.S., and fails to appear before the court after having been previously adjudicated guilty under the same section.\(^{16}\) The DHSMV issued 32 DL sanctions in Fiscal Year 2016-2017 for failing to appear on a worthless check charge.\(^{17}\) The driving privilege is suspended until full payment of any court financial obligations incurred as a result of the warrant or capias issued is received, the cancellation of the warrant or capias from the Department of Law Enforcement is recorded, and a payment of a $10 fee in addition to the suspension or revocation fee is paid to the DHSMV.\(^{18}\)

**Misdemeanor Theft**

The court has the option to suspend the DL of a person adjudicated guilty of any misdemeanor violation of theft regardless of the value of the property stolen.\(^{19}\) The first suspension following an adjudication of guilt for theft is for a period of six months, and a second or subsequent suspension is for a period of one year.\(^{20}\) In Fiscal Year 2016-2017, the DHSMV issued 185 DL sanctions for theft pursuant to s. 812.0155, F.S.\(^{21}\)

The court may also suspend, revoke, or withhold issuance of a DL of a minor found guilty of a violation of theft\(^{22}\) as an alternative to sentencing the minor to probation, commitment to the Department of Juvenile Justice, community control, or incarceration if the minor has never previously been convicted of or adjudicated delinquent for any criminal offense.\(^{23}\)

**Providing Alcohol to Persons Under 21**

The court has discretion to order the DHSMV to withhold the issuance of, or suspend or revoke the DL of a person found guilty of violating s. 562.11(1), F.S., which prohibits a person from selling, giving, serving, or permitting service of alcoholic beverages to a person under the age of 21 or permitting a person under the age of 21 to consume an alcoholic beverage on a licensed premise.\(^\text{24}\) Additionally, a person found guilty of violating this prohibition commits a second-degree misdemeanor, and a person who violates this prohibition a second or subsequent time within one year after a prior conviction commits a first-degree misdemeanor.

**Minor Guilty of Certain Alcohol, Drug, or Tobacco Offenses**

Section 322.056, F.S., requires a mandatory suspension, revocation, or withholding of a DL for persons under age 18 found guilty of certain alcohol, drug, or tobacco offenses. This penalty is in addition to any other penalty imposed by law.

**Alcohol and Drug Offenses**

The court must direct the DHSMV to revoke or withhold the issuance of driving privileges if a minor, who is eligible by reason of age for driving privileges, is guilty of:

- A violation of s. 562.11(2), F.S., misrepresenting his or her age or the age of another for the purpose of obtaining alcoholic beverages;
- A violation of s. 562.111, F.S., underage possession of alcoholic beverages; or
- A violation of the Florida Comprehensive Drug Abuse Prevention and Control Act.\(^\text{25}\)

The DL or driving privilege is revoked or withheld for six months to one year for a first violation, and two years for a second or subsequent violation. However, the court may direct the DHSMV to issue a hardship license if the person is otherwise qualified for such a license.\(^\text{26}\)

**Tobacco and Nicotine Offenses**

Section 569.11, F.S., prohibits a minor from knowingly possessing any tobacco product or misrepresenting his or her age to obtain a tobacco product. Additionally, a minor is prohibited from possessing nicotine products, possessing nicotine-dispensing devices, or misrepresenting age to obtain these products or devices.\(^\text{27}\) A violation is a noncriminal violation punishable by:

- *For a first violation or subsequent violation not within 12 weeks of the first:* 16 hours of community service or a $25 fine, and the minor must attend a school-approved anti-tobacco and nicotine program, if locally available;
- *For a second violation within 12 weeks of the first:* A $25 fine, and
- *For a third or subsequent violation within 12 weeks of the first violation:* Suspension or withholding issuance of a DL or driving privilege for 60 consecutive days.

\(^\text{26}\) Section 322.056(1), F.S.

\(^\text{27}\) Sections 877.112(6) and (7), F.S.
If a minor, eligible by reason of age for driving privileges, fails to comply with the penalty, the court must revoke or withhold issuance of the driving privilege of the minor for a period of: 

- 30 days for the first violation or a subsequent violation not within 12 weeks of the first;  
- 45 days for a second violation within 12 weeks of the first; or  
- 60 consecutive days for a third violation within 12 weeks of the first.

**A Minor Guilty of Unlawful Possession of Firearms**

Section 790.22, F.S., prohibits a minor from possessing certain weapons and firearms. A person under the age of 18 may not possess a loaded firearm, unless the minor is at least 16 years of age or being supervised by an adult, and engaged in lawful hunting, marksmanship competitions or practice, or other lawful recreational shooting activities. A minor who violates this prohibition commits a first degree misdemeanor for the first offense and may serve a detention period of up to three days, shall be required to perform community service, and have his or her DL or privilege to drive revoked or withheld for up to one year. A second or subsequent offense is a third degree felony, a detention period of up to 15 days, community service, and DL or privilege to drive is revoked or withheld for up to two years.

A minor who commits any other offense involving the use or possession of a firearm, in addition to the penalties provided by that offense and the penalties in s. 790.22(9), F.S., will also have his or her DL or privilege to drive revoked or withheld for up to one year for a first offense and up to two years for a second or subsequent offense.

**Graffiti**

A minor found to have illegally placed graffiti on any public or private property, in addition to any other penalty provided by law, will have his or her DL or privilege to drive revoked or withheld for a period of not more than one year.

**Sexting**

A minor who is issued a citation for committing a first violation of sexting, and who fails to comply with the citation, may have his or her DL or driving privilege withheld or suspended for 30 consecutive days by order of the court.

**Drug Convictions**

Federal law requires the state to enact and enforce “[A] law that requires in all circumstances, or requires in the absence of compelling circumstances warranting an exception....” the driver license of any individual convicted of any drug offense be suspended for at least six months.

A minor also commits the offense of sexting if he or she possesses a photograph or video transmitted or distributed by another minor which depicts nudity and is harmful to minors, unless the minor did not solicit the photograph or media, took reasonable steps to report the photograph or video, and did not transmit or distribute it to a third party.

percentage of federal highway funding given to the state is contingent upon this law. A state may opt-out of the law if the governor submits both written certification stating he is opposed to the enforcement of this law and certification from the legislature that it has adopted a resolution expressing opposition to the law. As of December 2016, 38 states either have eliminated automatic driver license suspensions for drug convictions or have passed a resolution to opt-out of this law.\textsuperscript{34}

Under Florida law, the court is required to direct the DHSMV to suspend, revoke, or withhold the issuance of the DL of a person 18 years or older who is convicted of a possession or sale or, trafficking in, or conspiracy to possess, sell, or traffic in a controlled substance.\textsuperscript{35} The privilege to drive is unavailable for one year or until the person is evaluated for and, if deemed necessary, completes a drug treatment and rehabilitation program approved or regulated by the Department of Children and Families. The court has the discretion to direct the DHSMV to issue a hardship license, which is available after six months of suspension of the driving privilege, or a driver may petition the DHSMV for restoration of restricted or unrestricted driving privileges after six months. In 2014, the Legislature passed a bill, which was signed into law, reducing the length of suspension of a DL from two years to one year for individuals convicted of drug offenses.\textsuperscript{36}

The DHSMV issued approximately 17,558 DL sanctions for violations concerning a controlled substance in Fiscal Year 2016-2017.\textsuperscript{37}

**Suspensions Initiated by the Clerk of Court**

The majority, over 1.3 million in Fiscal Year 2016-2017, of notices of suspension issued by the DHSMV are a result of requests initiated by a clerk of the court.\textsuperscript{38} Most originate from “failure to pay” offenses, actions that are not necessarily indicative of the violator’s ability to operate a motor vehicle safely.

**Suspension for Failure to Comply with Civil Penalties or to Appear**

An individual who is issued a noncriminal traffic citation, who is not required to appear before the court, has 30 days to comply with the penalty (i.e., pay the fine), enter into a penalty payment plan with the clerk of court, or request a hearing before the court.\textsuperscript{39}

If an individual does not comply with the civil penalty, enter into a payment plan, attend driver improvement school (if ordered), or appear at a scheduled hearing, the clerk of court must issue notice of failure to the DHSMV within 10 days.\textsuperscript{40} Upon receiving the notice of failure, the DHSMV immediately issues an order suspending the driving privilege of the individual effective

Section 322.245, F.S., provides that the clerk of court shall mail a notice of failure, within five days after the failure, to a person charged with a violation of any criminal offense enumerated in s. 318.17, F.S., or a misdemeanor offense under chs. 320 or 322, F.S., who fails to comply with all directives of the court within the time allotted. The notice indicates the individual has 30 days from the date of the notice to comply with the court directives and pay a delinquency fee up to $25, or his or her DL will be suspended. Upon failure to comply with the court directives within the 30-day period, the clerk of court must notify the DHSMV of such failure within 10 days. Upon receiving the notice of failure, the DHSMV immediately issues an order suspending the driving privilege of the individual effective 20 days after the order of suspension is mailed to the individual.

Suspension for Failure to Pay Court Financial Obligations

When a clerk of court provides notification to the DHSMV that a person has failed to pay financial obligations for any criminal offense, in full or in part under a payment plan with the clerk of court, the DHSMV will suspend the DL of the person until:

- The person has satisfied the financial obligation in full or made all payments currently due under a payment plan;
- The person has entered into a written agreement for payment of the financial obligation if not presently enrolled in a payment plan; or
- A court has entered an order granting relief to the person ordering reinstatement of the DL.

OPPAGA reported that a large percentage of licenses suspended for failure to pay court obligations are not reinstated for at least two years, and some are not reinstated in over five years.

Payment Plans

The clerk of court is required to accept partial payment of court-related fees, service charges, costs, or fines in accordance with the terms of an established payment plan. The court may review the reasonableness of the payment plan. A monthly payment amount is “presumed to correspond to the person’s ability to pay if the amount does not exceed two percent of the person’s annual net income,” divided by 12. The Brennan Center for Justice has indicated this

presumption is often ignored and payment levels are set at fixed amounts.\textsuperscript{47} Payment plan fees are $5 per transaction or a $25 one-time set-up fee.\textsuperscript{48}

**Collection of Fees, Service Charges, Fines, Courts Costs, and Liens**

Section 28.246(6), F.S., provides a clerk of court must pursue the collection of any unpaid financial obligations to the court that remain unpaid after 90 days by referring the account to a private attorney or collection agent.\textsuperscript{49} The clerk of court must have attempted to collect the unpaid obligation through a collection court, collections docket, or any other collections process established by the court prior to referring the account to a private attorney or collections agent, find the referral to be cost-effective, and follow any applicable procurement processes. A collection fee may be added to the balance owed of up to 40 percent of the amount owed at the time the account is referred to the attorney or agent for collection.

**Penalties and Fees**

*Driving While License is Suspended or Revoked (DWLSR) Penalties*

Section 322.34, F.S., provides penalties for individuals driving while their DL is suspended, revoked, canceled, or disqualified. A person, excluding a habitual traffic offender\textsuperscript{50}, whose DL has been canceled, suspended, or revoked is guilty of a moving violation if driving a motor vehicle while *unaware* of the DL sanction. A person, excluding a “habitual traffic offender,” who *knowingly* drives a motor vehicle while his or her DL is invalid is guilty of:

- A second degree misdemeanor for the first conviction;
- A first degree misdemeanor for a second conviction; and
- A third degree felony for a third or subsequent conviction.

However, if a person does not have a prior forcible felony\textsuperscript{51} conviction, and knowingly drives with a DL that is canceled, suspended, or revoked for failing to:

- Pay child support or certain financial obligations;
- Comply with a civil penalty required in s. 318.15, F.S.;
- Maintain adequate automobile insurance as required in ch. 324, F.S.; or
- Comply with attendance requirements;

\textsuperscript{48} Section 28.24(26), F.S.

\textsuperscript{49} A private attorney must be a member in good standing with The Florida Bar, and the collection agent must be registered and in good standing pursuant to ch. 559, F.S.

\textsuperscript{50} Section 322.264, F.S., defines a “habitual traffic offender” as having at least three convictions arising out of separate acts of: manslaughter resulting from the operation of a motor vehicle; driving under the influence; any felony offense using a motor vehicle; driving while license is suspended or revoked; failing to stop and render aid as required; or driving a commercial motor vehicle while privilege is disqualified; or has accumulated 15 convictions of moving traffic offenses for which points may be assessed within a five-year period.

\textsuperscript{51} Section 776.08, F.S., defines “forcible felony” as “treason; murder; manslaughter; sexual battery; carjacking; home invasion robbery; robbery; burglary; arson; kidnapping; aggravated assault; aggravated battery; aggravated stalking; aircraft piracy; unlawful throwing, placing, or discharging of a destructive device or bomb; and any other felony which involves the use or threat of physical force or violence against any individual.”
then the person may be penalized with a second-degree misdemeanor, which is increased to a first-degree misdemeanor for a second or subsequent conviction.

**Driver License Reinstatement Fees**

Section 322.21(8), F.S., requires a person who applies for reinstatement following a DL suspension or revocation to pay a service fee of $45 following a suspension and $75 following a revocation, in addition to the $25 fee to replace their license, if necessary. “Failure to comply” suspensions require a $60 reinstatement fee. Additionally, the county tax collectors are required to charge a service fee of $6.25, when providing services in ch. 322, F.S., including DL reinstatements.

**Community Service Option in Lieu of Payment**

A person ordered to pay a civil penalty for a noncriminal traffic infraction who is unable to comply with the court’s order due to demonstrable financial hardship must be allowed, by the court, to satisfy the civil penalty by participating in community service. The penalty is reduced based on the hourly rate of community service performed. The specified hourly credit rate is the federal minimum wage, currently $7.25, or the average prevailing wage rate for a trade or profession that the community service agency needs.

Similarly, the court may require a person liable for payment of a financial obligation in a criminal case to appear before the court to be examined under oath concerning the person’s ability to pay the obligation. The court may convert statutory financial obligations into community service after determining the person’s inability to pay.

The Florida Court Clerks and Comptrollers reported in Fiscal Year 2016-2017 that $4,205,169 of the $1,060,302,959 court-related fines, fees, penalties, charges, or costs assessed by the courts statewide had been converted to community service.

**III. Effect of Proposed Changes:**

The bill makes changes to the Florida Statutes in order to reduce the number of driver license (DL) suspensions and revocations for non-driving-related offenses, reduce the financial burden of DL suspensions, and reduce the severity of suspension-related penalties.

53 Section 322.135(1)(c), F.S.  
54 Section 318.18(8)(b), F.S.  
56 Section 318.18(8)(b)2., F.S.  
57 Section 938.30(2), F.S.  
Non-Driving-Related DL Suspensions and Revocations

The bill removes suspension or revocation of a DL from the potential penalties that may be applied for the following offenses:

- A minor who does not meet school attendance requirements;
- A person who fails to appear in a worthless check case;
- A person found guilty of misdemeanor theft;
- A person who provides alcohol to anyone under 21 years of age;
- A minor possessing alcohol, tobacco, tobacco products, or nicotine products, or misrepresenting age to obtain them;
- A minor illegally possessing a firearm;
- A minor found guilty of graffiti; and
- A minor who does not comply with a citation for the offense of sexting.

The bill retains the 30-day and 45-day DL suspension for minors who do not comply with the penalties for tobacco and nicotine offenses, however, this penalty is at the court’s discretion rather than mandatory.

Drug Convictions

The bill reduces the length of the suspension period for a drug conviction from one year to six months for persons over the age of 18, and reduces the suspension period to six months for minors convicted of drug offenses.

The bill deletes provisions allowing individuals to petition the DHSMV for a hardship license after six months of their suspension because the bill reduces the suspension period to six months.

Payment Plans with the Clerk of the Circuit Court (Clerk of Court)

Section 28.246(4), F.S., is amended to provide that a monthly payment plan with the clerk of court may not exceed two percent of the person’s annual net income, divided by 12, or $25 per month, whichever is greater.

In addition, the bill requires that uniform traffic citation forms must include language indicating that a person may enter into a payment plan with the clerk of court to pay the penalty.

Collection of Fees, Service Charges, Fines, Courts Costs, and Liens by Clerk of Court

The bill amends s. 28.246(6), F.S., regarding referring accounts to private attorneys or collection agents. The clerk of court must competitively bid a contract to procure a collection agent or private attorney by considering all pertinent criteria, including, but not limited to, performance quality and customer service. The contract with a collection agent or private attorney may be in effect for no longer than three years with the opportunity to make a maximum of two 1-year extensions. The clerk of court is prohibited from assessing any collection surcharges to the account, and the collection agent or private attorney may not impose any additional fees or surcharges other than the contractually agreed upon surcharge.
Community Service Option in Lieu of Payment

The bill adds that the uniform traffic citation form must include language indicating that a person ordered to pay a noncriminal traffic infraction penalty who is unable to comply due to demonstrable hardship will be allowed by the court to satisfy payment by participating in community service. Additionally, if a person is ordered to pay a civil penalty for a noncriminal infraction in court, the court shall inquire regarding the person’s ability to pay at the time the civil penalty is ordered.

Clerk of Court Community Service Pilot Program

The bill establishes a Clerk of Court Community Service Pilot Program in Pinellas and Clay counties that allows persons owing court-ordered financial obligations or payments unrelated to child support obligations to fulfill those obligations by completing community service. The pilot prevents DL suspensions solely for failure to pay fees, service charges, fines or penalties if the person complies with the program. The participant reduces his or her financial obligation by earning hourly credit based on the adjusted state minimum wage, as provided in s. 448.110, F.S. The participant must perform at least 4 hours of community service per week and the timeframe for completion may not exceed 180 days. The bill stipulates supervisory and reporting requirements for the program.

Subject to appropriations, the clerks of court for the two pilot sites may apply, on a quarterly basis, for reimbursement for the total amount of financial obligations that have been converted to community service hours for the previous quarter. If approved by the Florida Clerk of Court Operations Corporation, the funds must be distributed by the clerk in accordance with laws that would otherwise have provided for distribution of payments for the original penalty, fee, or obligation imposed on the person performing the community service.

The bill also requires the Florida Clerk of Court Operations Corporation to provide a report on the implementation of the pilot program the chairs of the legislative appropriations committees by October 1, 2019.

Public Defender Application – Determination of Indigent Status

The bill amends s. 27.52, F.S., concerning the application a person claiming indigent status makes to the clerk of court in order to receive a public defender. The bill provides that the application must provide the applicant the option to fulfill court-ordered financial obligations by enrolling in a payment plan or completing community service if ordered by the court. For financial obligations in criminal cases, the judge may rely on this information as a factor in determining the person’s inability to pay court financial obligations when converting statutory financial obligations into court-ordered community service.

Additionally, the bill provides that the clerk may use any readily ascertainable or publicly available information to determine whether an applicant is indigent, and may refer any application believed to be fraudulent to the court for review.
Effective Date

Information regarding payment plans and community service options to be added to the uniform traffic citation form will be added upon the adoption by rule of new forms, which allows the DHSMV to deplete the current stock. DHSMV is required to notify the Division of Law Revision and Information upon the adoption of new uniform citation forms.

The bill takes effect October 1, 2018.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

Article VII, s. 18, Florida Constitution, provides that a mandate may exist if a law reduces the authority that counties or municipalities have to raise revenues in the aggregate. Local government tax collectors and clerks retain a portion of driver license (DL) reinstatement fees for DL suspensions and revocations possibly eliminated or reduced by this bill. However, the bill does not appear to require counties or municipalities to spend funds or take an action requiring the expenditure of funds; reduce the authority that counties or municipalities have to raise revenues in the aggregate; or reduce the percentage of a state tax shared with counties or municipalities.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

The bill will have a positive impact on individuals who may have otherwise had their driver license (DL) suspended or revoked, or who will be eligible to receive a hardship license if their DL is suspended.

C. Government Sector Impact:

The bill will reduce state and local government revenues by indeterminate amounts annually.
The Revenue Estimating Conference (REC) reviewed a similar bill (HB 1095) on January 12, 2018. The REC estimates the removal of suspension penalties for non-driving-related offenses will reduce state and local government revenues by $1.5 million annually beginning in Fiscal Year 2018-2019 which will affect the General Revenue Fund, Highway Safety Operating Trust Fund, and local funds. The clerks expect that these provisions will reduce their revenues by an insignificant amount annually.

The REC concluded that the bill’s sections related to community service, payment plans, and collection agents will have an indeterminate impact on clerk revenues. If more individuals opt to participate in community service rather than pay penalties, the bill will reduce revenues to the clerks who retain a portion of DL reinstatement fees, in addition to other fees associated with DL suspensions and revocations. The REC was unable to quantify the potential reduction in clerk revenues due to the community service provisions. Additionally, the clerks will likely incur costs related to the monitoring and management of the payment plans and documentation requirements of the bill.

VI. Technical Deficiencies:

None.

VII. Related Issues:

None.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 27.52, 28.246, 57.082, 316.650, 318.18, 322.055, 322.056, 322.057, 322.09, 322.091, 322.251, 322.271, 322.34, 562.11, 562.111, 569.11, 790.22, 806.13, 812.0155, 832.09, 847.0141, 877.112, 938.30, 1003.27, 318.14, 322.05, 322.27, and 1003.01.

Senate Amendment (with title amendment)

Delete lines 353 - 684
and insert:

Section 5. Paragraph (b) of subsection (8) of section 318.18, Florida Statutes, is amended to read:
318.18 Amount of penalties.—The penalties required for a noncriminal disposition pursuant to s. 318.14 or a criminal offense listed in s. 318.17 are as follows:
(8)
(b)1.a. If a person has been ordered to pay a civil penalty for a noncriminal traffic infraction and the person is unable to comply with the court’s order due to demonstrable financial hardship, the court shall allow the person to satisfy the civil penalty by participating in community service until the civil penalty is paid.

b. The court shall inquire at the time the civil penalty is ordered whether the person is able to pay it.

c. If a court orders a person to perform community service, the person shall receive credit for the civil penalty at the specified hourly credit rate per hour of community service performed, and each hour of community service performed shall reduce the civil penalty by that amount.

2.a. As used in this paragraph, the term “specified hourly credit rate” means the wage rate that is specified in 29 U.S.C. s. 206(a)(1) under the federal Fair Labor Standards Act of 1938, that is then in effect, and that an employer subject to such provision must pay per hour to each employee subject to such provision.

b. However, if a person ordered to perform community service has a trade or profession for which there is a community service need, the specified hourly credit rate for each hour of community service performed by that person shall be the average prevailing wage rate for the trade or profession that the community service agency needs.

3.a. The community service agency supervising the person shall record the number of hours of community service completed and the date the community service hours were completed. The community service agency shall submit the data to the clerk of
court on the letterhead of the community service agency, which must also bear the notarized signature of the person designated to represent the community service agency.

b. When the number of community service hours completed by the person equals the amount of the civil penalty, the clerk of court shall certify this fact to the court. Thereafter, the clerk of court shall record in the case file that the civil penalty has been paid in full.

4. As used in this paragraph, the term:
   a. “Community service” means uncompensated labor for a community service agency.
   b. “Community service agency” means a not-for-profit corporation, community organization, charitable organization, public officer, the state or any political subdivision of the state, or any other body the purpose of which is to improve the quality of life or social welfare of the community and which agrees to accept community service from persons unable to pay civil penalties for noncriminal traffic infractions.

Section 6. Subsections (1) through (4) of section 322.055, Florida Statutes, are amended to read:

322.055 Revocation or suspension of, or delay of eligibility for, driver license for persons 18 years of age or older convicted of certain drug offenses.—

(1) Notwithstanding s. 322.28, upon the conviction of a person 18 years of age or older for possession or sale of, trafficking in, or conspiracy to possess, sell, or traffic in a controlled substance, the court shall direct the department to revoke the driver license or driving privilege of the person. A driver whose license or driving privilege has been suspended or revoked under this section or s. 322.056 may, upon the expiration of 6 months, petition the department for restoration of the driving privilege on a restricted or unrestricted basis depending on length of suspension or revocation. In no case shall A restricted license may not be available until 6 months of the suspension or revocation period has been completed expired.

In no case shall A restricted license may not be available until 6 months of the withholding suspension or revocation period has been completed expired.

(3) If a person 18 years of age or older is convicted for the possession or sale of, trafficking in, or conspiracy to possess, sell, or traffic in a controlled substance and such person’s driver license or driving privilege is already under suspension or revocation for any reason, the court shall direct the department to extend the period of such suspension or revocation by an additional period of 6 months 1 year or until the person is evaluated for and, if deemed necessary by the evaluating agency, completes a drug treatment and rehabilitation program approved or regulated by the Department of Children and Families. has been completed expired.

(4) If a person 18 years of age or older is convicted for the possession or sale of, trafficking in, or conspiracy to possess, sell, or traffic in a controlled substance and such person is ineligible by reason of age for a driver license or driving privilege, the court shall direct the department to withhold issuance of such person’s driver license or driving privilege for a period of 6 months 1 year after the date that he or she would otherwise have become eligible or until he or she becomes eligible by reason of age for a driver license and is evaluated for and, if deemed necessary by the evaluating agency, completes a drug treatment and rehabilitation program approved or regulated by the Department of Children and Families. However, the court may, in its sound discretion, direct the department to issue a license for driving privilege restricted to business or employment purposes only, as defined by s. 322.271, if the person is otherwise qualified for such a license. A driver whose license or driving privilege has been suspended or revoked under this section or s. 322.056 may, upon the expiration of 6 months, petition the department for restoration of the driving privilege on a restricted or unrestricted basis depending on the length of suspension or revocation. In no case shall a restricted license may not be available until 6 months of the withholding suspension or revocation period has been completed expired.

Section 7. Section 322.056, Florida Statutes, is amended to read:

322.056 Mandatory revocation or suspension of, or delay of eligibility for, driver license for persons under age 18 found

2. Two years after the date on which he or she would otherwise have become eligible, for a subsequent violation.
However, the court may, in its sound discretion, direct the department to issue a license for driving privileges restricted to business or employment purposes only, as defined in s. 322.271, if the person is otherwise qualified for such a license.

(2) If a person under 18 years of age is found by the court to have committed a noncriminal violation under s. 569.11 or s. 877.112(6) or (7) and that person has failed to comply with the procedures established in that section by failing to fulfill community service requirements, failing to pay the applicable fine, or failing to attend a locally available school-approved anti-tobacco program, and:

(a) The person is eligible by reason of age for a driver license or driving privilege, the court shall direct the department to revoke or to withhold issuance of his or her driver license or driving privilege as follows:

1. For the first violation, for 30 days.
2. For the second violation within 12 weeks of the first violation, for 45 days.

(b) The person’s driver license or driving privilege is under suspension or revocation for any reason, the court shall direct the department to extend the period of suspension or revocation by an additional period as follows:

1. For the first violation, for 30 days.
2. For the second violation within 12 weeks of the first violation, for 45 days.

(c) The person is ineligible by reason of age for a driver license or driving privilege, the court shall direct the

treated as a first violation and in the same manner as provided
in this subsection.
(3) If a person under 18 years of age is found by the court
to have committed a third violation of s. 569.11 or s.
877.112(6) or (7) within 12 weeks of the first violation, the
court must direct the Department of Highway Safety and Motor
Vehicles to suspend or withhold issuance of his or her driver
license or driving privilege for 60 consecutive days. Any third
violation of s. 569.11 or s. 877.112(6) or (7) not within the
12-week period after the first violation will be treated as a
first violation and in the same manner as provided in subsection
(2).
(4) A penalty imposed under this section shall be in
addition to any other penalty imposed by law.
(5) The suspension or revocation of a person’s driver
license imposed pursuant to subsection (2) or subsection (3),

Section 8. Section 322.057, Florida Statutes, is repealed.
Section 9. Present subsections (4) and (5) of section 322.09, Florida Statutes, are redesignated as subsections (3) and (4), respectively, and present subsection (3) of that section is amended, to read:

322.09 Application of minors; responsibility for negligence or misconduct of minor.—

(3) The department may not issue a driver license or learner's driver license to any applicant under the age of 18 years who is not in compliance with the requirements of s. 322.091.

Section 10. Section 322.091, Florida Statutes, is repealed.

Section 11. Clerks of Court Community Service Pilot Program.—

(1) The Clerks of Court Community Service Pilot Program is established in Pinellas and Clay Counties to be administered by the clerks of court for the counties and by the Florida Clerks of Court Operations Corporation.

(2) Notwithstanding any other law, the clerks of court in the pilot program counties shall implement programs that allow any person owing any court-ordered financial obligation or payment that is unrelated to child support obligations under chapter 61, Florida Statutes, to fulfill the obligation by completing community service as provided in this section.

(a) A person’s driver license may not be suspended solely for a failure to pay fees, service charges, fines, or penalties in a pilot program county if the person complies with the requirements of the pilot program.

(b) A person in a pilot program county who fails to pay a court-ordered financial obligation or payment unrelated to child
support obligations under chapter 61, Florida Statutes, must be notified by the clerk of court by mail immediately after such failure that the person has 10 days to comply or elect to participate in the community service pilot program with the clerk of court to satisfy the obligation. Failure to comply or make an election with the clerk of court within the required timeframe shall result in suspension of the person’s driver license as otherwise provided in chapter 318 and chapter 322, Florida Statutes.

(3) The clerks of court shall allow a person to satisfy the financial obligation by participating in community service in lieu of or in addition to making payments toward such obligation. If a person performs community service, he or she must receive credit for the obligation at the hourly credit rate per hour of community service performed as specified in this subsection, and each hour of community service performed must reduce the obligation by that amount. As used in this subsection, the term “hourly credit rate” means the adjusted state minimum wage rate that is calculated as provided in s. 448.110, Florida Statutes, that is then in effect.

(4) The workweek schedule and timeframe permitted for completing the community service must be commensurate with the amount of the obligation, the employment obligations of the person, and the community service needs of the local area, but must equal at least 4 hours of community service per week and may not exceed 180 days. Failure to complete the community service requirements or pay the remaining obligation within the authorized timeframe shall result in suspension of the person’s driver license as otherwise provided in chapters 318 and 322,
Florida Statutes.

(5)(a) The community service agency supervising the person shall record the number of hours of community service completed and the date the community service hours were completed. The person may be heard regarding the information learned by the court. If the court, based on the information, determines that the person is not indigent or indigent for costs, the court shall order the public defender, office of criminal conflict and civil regional counsel, or private attorney to discontinue representation and revoke the provision of any other authorized due process services.

BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Appropriations Subcommittee on Criminal and Civil Justice

BILL: PCS/SB 1318 (578002)

INTRODUCER: Appropriations Subcommittee on Criminal and Civil Justice and Senator Rouson

SUBJECT: Licensing and Training

DATE: February 16, 2018

ANALYST: Cox
STAFF DIRECTOR: Jones
REFERENCE: CJ
ACTION: Favorable

REVISED: __________ __________ __________ __________

Please see Section IX. for Additional Information:
COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

PCS/SB 1318 authorizes a county or municipal detention facility or the Department of Corrections (DOC) to contract with a district school board, the Florida Virtual School, a Florida College System institution, a virtual education provider approved by the State Board of Education, or a charter school (school provider) to provide educational services to its inmates. The educational services may include any educational, career, or vocational training.

The bill allows state funding for postsecondary education to be used for an inmate with less than 60 months of time remaining on his or her sentence.

The bill also makes various changes to procedures related to business licensing for persons who have previously been convicted of a criminal offense, including:
- Permits a person to submit a petition for declaratory statement to any Florida agency to determine the effect of a criminal background on his or her eligibility for occupational or professional licensure;
- Requires the agency to indicate specified information in its declaratory statement conclusion;
- Requires the agency’s conclusion in the declaratory statement is binding on the agency as to the petitioner;
- Requires specified submissions to be included with the petition for declaratory statement, including a fee of not more than $100;
- Prohibits an agency from denying an application for licensure for certain professions if a specific duration has passed since the applicant’s conviction;
• Authorizes a person to apply for licensing from Department of Business and Professional Regulation (DBPR) prior to being released from incarceration and provides a process for the staying of the issuance of the license until the person’s release from custody;
• Specifies accommodations that an agency must make for applicants who are under confinement or supervision at the time of their application; and
• Requires pertinent boards under the DBPR and Department of Health to adopt rules that specify crimes that constitute grounds for licensure denial.

The bill will likely have no fiscal impact on the school districts. If the DOC or county or municipal detention facilities elect to contract with a school provider to provide services under such contract, the services will need to be funded out of an appropriation specific for this purpose. The bill may result in an increased workload and revenues to agencies that must process the petitions for declaratory statements from a licensing agency. See Section V. Fiscal Impact Statement.

The bill is effective July 1, 2018.

II. Present Situation:

Sentencing of Inmates – Overview

A defendant that is convicted of a crime in the state of Florida may be incarcerated in either county jail or state prison based upon the degree of the offense. A number of factors are taken into consideration when determining whether a defendant will be committed to the custody of the jail or the DOC. A defendant convicted of a misdemeanor offense can be committed to the custody of the county’s chief correctional officer for no more than one year for a first degree misdemeanor or 60 days for a second degree misdemeanor.\(^1\)

For a defendant convicted of a felony offense, the Criminal Punishment Code\(^2\) (Code) applies to sentencing for felony offenses committed on or after October 1, 1998.\(^3\) The permissible sentence (absent a downward departure) for an offense ranges from the calculated lowest permissible sentence as determined by the Code to the statutory maximum for the primary offense. The statutory maximum sentence for a first-degree felony is 30 years, for a second-degree felony is 15 years, and for a third degree felony is 5 years.\(^4\)

Education for County Inmates

Section 951.176, F.S., requires county and municipal detention facilities\(^5\) to provide educational services to minors detained in such facilities if the minor has not graduated from high school or

1 Section 775.082(4), F.S.
3 Section 921.0022, F.S.
4 See s. 775.082, F.S.
5 Section 951.23(1)(a) and (d), F.S., define county detention facility to mean a county jail, a county stockade, a county work camp, a county residential probation center, and any other place except a municipal detention facility used by a county or county officer for the detention of persons charged with or convicted of either a felony or misdemeanor; and a municipal detention facility of a county or municipality.
is an eligible student with disabilities under the age of 22 who has not graduated with a standard diploma or its equivalent. The educational services must be offered by the local school district in which the facility is located. These educational services are based on the estimated length of time the youth will be in the facility and the youth’s current level of functioning. School district superintendents or their designees must be notified by the county’s chief correctional officer if a youth under the age of 21 is accepted into the facility.

Florida law is silent as to whether a county or municipal detention facility is required to provide educational services to its adult inmates. However, The County Corrections Equality Act requires that females have access to educational, vocational training, rehabilitation and substance abuse treatment that are equivalent to that provided to male inmates.

**Education for State Prisoners**

Florida law establishes (under the DOC) a Correctional Education Program (CEP), which must be composed of the educational facilities and services of all institutions, and facilities housing inmates operated by the DOC. The duties of the CEP include, but are not limited to:

- Developing guidelines for collecting education-related information during the inmate reception process and for disseminating such information to the classification staff of the DOC.
- Approving educational programs of the appropriate levels and types in the correctional institutions and developing procedures for the admission of inmate students into such programs.
- Entering into agreements with public or private school districts, entities, community colleges, junior colleges, colleges, or universities as may be deemed appropriate for the purpose of carrying out the CEP duties.
- Ensuring that such local agreements require minimum performance standards and standards for measurable objectives, in accordance with established Department of Education standards.
- Developing and maintaining complete and reliable statistics on the number of high school equivalency diplomas and vocational certificates issued by each institution in each skill area, the change in inmate literacy levels, and the number of inmate admissions to and withdrawals from education courses.

---

6 Section 951.176, F.S.
7 Section 951.176, F.S., also requires the development of a cooperative agreement with the local school district and applicable law enforcement units to address the notification requirement and the provision of educational services to these youth.
8 Section 951.175, F.S.
9 Section 944.801(1), F.S.
10 Section 944.801(3)(a), F.S., also provides that the information collected must include the inmate’s areas of educational or vocational interest, vocational skills, and level of education.

• Ensure that all education staff are certified in accordance with the Department of Education standards.

Providers of K-20 Education in Florida

School Districts

A district school system includes all public schools, classes, and courses of instruction and all services and activities directly related to education in that district which are under the direction of the district school officials. Any district school board, after first obtaining the approval of the Department of Education, may, as a part of the district school system, organize, establish, and operate a career center, or acquire and operate a career center previously established.

Charter Schools

Charter schools are nonsectarian, public schools that operate under a performance contract with a sponsor. This performance contract is known as a “charter.” The charter exempts the school from many regulations applicable to traditional public schools to encourage the use of innovative learning methods. One of the guiding principles of charter schools is to meet high standards of student achievement while providing parents flexibility to choose among diverse educational opportunities within the state’s public school system. The school must be operated by a Florida College System institution, municipality, or nonprofit organization. While a charter school must be a public or nonprofit entity, it may be managed by a for-profit education management organization. A district school board may sponsor a charter school in the county over which the district school board has jurisdiction.

15 Section 1004.02(4), F.S., defines basic literacy to mean the demonstration of academic competence from 2.0 through 5.9 educational grade levels as measured by means approved for this purpose by the State Board of Education. Section 1004.02(15), F.S., defines functional literacy to mean the demonstration of academic competence from 6.0 through 8.9 educational grade levels as measured by means approved for this purpose by the State Board of Education.

16 Section 944.801(3)(i), F.S., further provides that highest priority of inmate participation must be focused on youthful offenders and those inmates nearing release from the correctional system and that an inmate is not allowed to participate in the adult basic education program if he or she is serving a life sentence or is under sentence of death, specifically exempted for security or health reasons, housed at a community correctional center, road prison, work camp, or vocational center, attains a functional literacy level after attendance in fewer than 150 hours of adult basic education instruction, or is unable to enter such instruction because of insufficient facilities, staff, or classroom capacity.

17 Section 944.801(3)(k), F.S. See ss. 1002.33(12)(f), 1012.54, 1012.55, and 1012.56, F.S.

Virtual Instruction

The Florida Virtual School (FVS) is established for the development and delivery of online and distance learning education and its mission is to provide students with technology-based educational opportunities to gain the knowledge and skills necessary to succeed. The school must serve any student in the state and must give priority to:

- Students who need expanded access to courses in order to meet their educational goals, such as home education students and students in inner-city and rural high schools who do not have access to higher-level courses; and
- Students seeking accelerated access in order to obtain a high school diploma at least one semester early.

There is no specific prohibition against district, charter, or virtual schools providing classes to local or state inmates or in defining “student” to exclude inmates from such instruction.

Workforce Education Through K-20 School Providers

Florida school districts are encouraged to develop educational opportunities for adults who have earned a diploma or high school equivalency diploma, but who lack the basic skills necessary to function effectively in everyday situations, to enter the job market, or to enter career certificate instruction. Each district school board or Florida College System institution board of trustees must negotiate with the local workforce development board for basic and functional literacy skills assessments for participants in the welfare transition employment and training programs. Such assessments are conducted at a site mutually acceptable to the district school board or Florida College System institution board of trustees and the local workforce development board.

Any workforce education program may be conducted by a Florida College System institution and school district unless restricted by statute. Additionally, s. 1004.98, F.S., establishes the workforce literacy program within the Florida College System institutions and school districts. Workforce literacy programs are designed:

- To ensure that a sufficient numbers of employees who possess the skills necessary to perform in entry-level occupations exist;
- To adapt to technological advances in the workplace; and
- With the intention of supporting economic development in Florida by increasing adult literacy and producing an educated workforce.

28 Section 1004.93(3)(a), F.S.
29 Section 1011.80(2), F.S. Section 1011.80(1), F.S., defines the terms workforce education and workforce education program to include: a) adult general education programs designed to improve the employability skills of the state’s workforce as defined in s. 1004.02(3), F.S; b) career certificate programs, as defined in s. 1004.02(20), F.S.; c) applied technology diploma programs; d) continuing workforce education courses; e) degree career education programs; f) apprenticeship and preapprenticeship programs as defined in s. 446.021, F.S.
30 Section 1004.98, F.S.
Florida College System institutions and school districts may also offer courses that assist adults with gaining the communication and computation skills necessary to complete a career program, to gain or maintain entry-level employment, or to upgrade employment.\textsuperscript{31}

\textit{Funding for Workforce Education Programs}

Expenditures for the continuing workforce education programs provided by the Florida College System institutions or school districts must be fully supported by fees. For all other workforce education programs, state funding must equal 75 percent of the average cost of instruction with the remaining 25 percent made up from student fees, which are based on a uniform fee calculated and set at the state level, as adopted by the State Board of Education, unless otherwise specified in the General Appropriations Act. For fee-exempt students pursuant to s. 1009.25, F.S., unless otherwise provided for in law, state funding must equal 100 percent of the average cost of instruction.\textsuperscript{32}

Since 2011, state funds allocated for postsecondary workforce programs are explicitly prohibited from being used to educate state or federal inmates.\textsuperscript{33}

\textit{Agency Declaratory Statements}

The Administrative Procedure Act provides uniform procedures for agencies to exercise their authority, and is applicable to every Florida administrative agency.\textsuperscript{34}

A declaratory statement is meant to “enable members of the public to definitively resolve ambiguities of law arising in the conduct of their daily affairs or in the planning of their future affairs’ and ‘to enable the public to secure definitive binding advice as to the applicability of agency-enforced law to a particular set of facts.’”\textsuperscript{35} A petition for declaratory statement must include a petitioner’s specific set of circumstances and the applicable law, rule, or order he or she wishes to have interpreted in light of those circumstances.\textsuperscript{36}

When a petitioner files a petition for a declaratory statement with an agency, the agency must file a notice of the petition in the next available issue of the Florida Administrative Register and transmit copies of the petition to the Joint Administrative Procedures Committee.\textsuperscript{37} Within 90 days from the petition’s filing, the agency must either issue a declaratory statement or deny the

\textsuperscript{37} Section 120.565(3), F.S. The Joint Administrative Procedures Committee (JAPC) is a joint standing committee of the Legislature created by Rule 4.1 of the Joint Rules of the Florida Legislature. It is composed of five Senators appointed by the President of the Senate and six Representatives appointed by the Speaker of the House of Representatives. The primary function of JAPC is to generally review agency action pursuant to the operation of the Administrative Procedure Act in ch. 120, F.S., related to the rulemaking process, to ensure that rules adopted by the executive branch agencies do not create new law and stay within the authority specifically delegated to them by the Legislature.
petition. The agency must give notice of its action in the next available issue of the Florida Administrative Register.\(^{38}\)

Generally, an agency will only issue a declaratory statement on actions that will take place in the future.\(^{39}\) However, the fact pattern must not be hypothetical so as to amount to a request for an advisory opinion regarding facts that are only ‘contingent, uncertain, [and] rest in the future.’\(^{40}\)

Current law does not require a fee for filing a petition for declaratory statement with an agency.

**Department of Business and Professional Regulation**

Section 20.165, F.S., establishes the organizational structure of the Department of Business and Professional Regulation (DBPR), which has 12 divisions tasked with the regulation of several professions and businesses.\(^{41}\)

Chapter 455, F.S., provides the general powers of the DBPR and sets forth the procedural and administrative framework for all of the professional boards housed under the DBPR as well as the Divisions of Certified Public Accounting, Professions, Real Estate, and Regulation.\(^{42}\)

The DBPR may engage in the regulation of professions “only for the preservation of the health, safety, and welfare of the public under the police powers of the state.”\(^{43}\) Regulation is required when:

- The potential for harming or endangering public health, safety, and welfare is recognizable and outweighs any anticompetitive impact that may result;
- The public is not effectively protected by other state statutes, local ordinances, federal legislation, or other means; and
- Less restrictive means of regulation are not available.\(^{44}\)

However, “neither the department nor any board may create a regulation that has an unreasonable effect on job creation or job retention,” or a regulation that unreasonably restricts the ability of those who desire to engage in a profession or occupation to find employment.\(^{45}\)

When a person is authorized to engage in a profession or occupation in Florida, the DBPR issues a “permit, registration, certificate, or license” to the licensee.\(^{46}\)

In Fiscal Year 2016-2017, there were 412,872 active licensees in the Division of Professions, including:

- Architects and interior designers;
- Asbestos consultants and contractors;
- Athlete agents;
- Auctioneers;
- Barbers (19,098 active and 199 inactive);
- Building code administrators and inspectors;
- Community association managers;
- Construction industry contractors (71,818 active and 15,004 inactive);
- Cosmetologists (237,090 active and 1,600 inactive);
- Electrical contractors (11,960 active and 1,285 inactive);
- Employee leasing companies;
- Geologists;
- Home inspectors;
- Harbor pilots;
- Landscape architects;
- Mold-related services;
- Talent agencies; and
- Veterinarians.  

Sections 455.203 and 455.213, F.S., establish general licensing authority for the DBPR, including the authority to charge license fees and license renewal fees. Each board within the DBPR must determine by rule the amount of license fees for each profession, based on estimates of the required revenue to implement the regulatory laws affecting the profession.  

**Barbering**

The term “barbering” in ss. 476.014 through 476.254, F.S., (the Barbers’ Act) includes any of the following practices when done for payment: shaving, cutting, trimming, coloring, shampooing, arranging, dressing, curling, or waving the hair or beard or applying oils, creams, lotions, or other preparations to the face, scalp, or neck, either by hand or by mechanical appliances.  

An applicant for licensure as a barber must pass an examination. To be eligible to take the examination, the applicant must:

- Be at least 16 years of age;
- Pay the application fee; and

49 Section 455.219(1), F.S.

50 See s. 476.034(2), F.S. The term does not include those services when done for the treatment of disease or physical or mental ailments.
• Have held an active valid license in another state for at least one year, or have a minimum of 1,200 hours of specified training.

Alternatively, a person may apply for and receive a “restricted license” to practice barbering, which authorizes the licensee to practice only in areas in which he or she has demonstrated competency pursuant to rules of the Barbers’ Board.

**Nail and Facial Specialists, Hair Braiders, Hair Wrappers, and Body Wrappers**

Chapter 477, F.S., governs the licensing and regulation of cosmetologists, hair braiders, hair wrappers, nail specialists, facial specialists, full specialists, body wrappers, and related salons in the state. The Board of Cosmetology, within the DBPR’s Division of Professions, processes license applications, reviews disciplinary cases, and conducts informal administrative hearings relating to licensure and discipline.

Individuals are prohibited from providing manicures, pedicures, or facials without first becoming licensed as a cosmetologist or registered as a nail specialist, facial specialist, or full specialist.

A “specialist” is “any person holding a specialty registration in one or more of the specialties registered under [ch. 477, F.S.].” The term “specialty” is defined as “the practice of one or more of the following:

- Manicuring, or the cutting, polishing, tinting, coloring, cleansing, adding, or extending of the nails, and massaging of the hands. This term includes any procedure or process for the affixing of artificial nails, except those nails which may be applied solely by use of a simple adhesive.
- Pedicuring, or the shaping, polishing, tinting, or cleansing of the nails of the feet, and massaging or beautifying of the feet.
- Facials, or the massaging or treating of the face or scalp with oils, creams, lotions, or other preparations, and skin care services.

An applicant for a specialist license must:

- Be at least 16 years of age;
- Obtain a certificate of completion from an approved specialty education program; and
-

51 Licensure by endorsement may also allow a practitioner holding an active license in another state or country to qualify for licensure in Florida. See s. 476.144(5), F.S.
52 See s. 476.114(2), F.S.; the training must include, but is not limited to the completion of services directly related to the practice of barbering at a licensed school of barbering, a public school barbering program, or a government-operated barbering program in Florida.

A “cosmetologist” is a person who is licensed to engage in the practice of cosmetology.59 “Cosmetology” is “the mechanical or chemical treatment of the head, face, and scalp for aesthetic rather than for medical purposes, including, but not limited to, hair shampooing, hair cutting, hair arranging, hair coloring, permanent waving, and hair relaxing for compensation. This term also includes performing hair removal, including wax treatments, manicures, pedicures, and skin care services.”60

Certain persons who apply cosmetic products (makeup) are exempt from ch. 477, F.S., under limited conditions, including application of such products in photography studio salons, in connection with certain retail sales, or during the production of qualified films.61 In addition, persons who provide makeup in a theme park or entertainment complex to actors and others or the general public are exempt from licensing requirements.62

An applicant for a cosmetologist license must pass a licensure examination and:

• Be at least 16 years of age;
• Have a high school diploma;
• Submit an application with the applicable fee and examination fee; and
• Be licensed in another state or country for at least one year, or received 1,200 hours training, including completion of an education at an approved cosmetology school or program.

Licensing and Criminal Background

Section 112.011, F.S., outlines general guidelines for considering criminal convictions during licensure determinations. Generally, a person may be denied a professional license based on his or her prior conviction of a crime if the crime was a felony or first-degree misdemeanor that is directly related to the standards determined by the regulatory authority to be necessary and reasonably related to the protection of the public health, safety, and welfare for the specific profession for which the license is sought.63 Notwithstanding any law to the contrary, a state agency may not deny an application for a license based solely on the applicant’s lack of civil rights.64

DBPR

The regulatory boards of the DBPR, or the department if there is no board, may deny a license application for any person who it finds guilty of any of the grounds for discipline set forth in s. 455.227(1), F.S., or set forth in the profession’s practice act.65 Specifically, the regulatory

board, or the department if there is no board, may deny a license application for any person having been:

- convicted or found guilty of, or entering a plea of guilty or nolo contendere to, regardless of adjudication, a crime in any jurisdiction which relates to the practice of, or the ability to practice, a licensee’s profession.\(^{66}\)

Section 455.227, F.S., does not specifically require the DBPR or the applicable regulatory board to consider the passage of time since the disqualifying criminal offense before denying or granting a license.

**Department of Health**

The Department of Health (DOH) or an applicable board may deny the licensure of any applicant who has been “convicted of or pled guilty or nolo contendere to, regardless of adjudication, any felony or misdemeanor related to the practice of a health care profession regulated by this state”\(^ {67}\) or related to certain types of fraud,\(^ {68}\) or for other reasons in the applicable practice act.

There are no statutory provisions or rules that prohibit individuals from applying for licensure while they are still incarcerated or under some form of supervised release.\(^ {69}\)

**Certified Nursing Assistants**

The Board of Nursing within the DOH is responsible for licensing and regulating the certified nursing assistants (CNA) under part II of ch. 464, F.S.\(^ {70}\) In Fiscal Year 2015-2016, there were 146,495 active certified nursing assistants.\(^ {71}\)

The “practice of a certified nursing assistant” means:

- providing care and assisting persons with tasks relating to the activities of daily living. Such tasks are those associated with personal care, maintaining mobility, nutrition and hydration, toileting and elimination, assistive devices, safety and cleanliness, data gathering, reporting abnormal signs and symptoms, postmortem care, patient socialization and reality orientation, end-of-life care, cardiopulmonary resuscitation and emergency care, residents’ or patients’ rights, documentation of nursing-assistant services, and other tasks that a certified nurse assistant may

perform after training beyond that required for initial certification and upon validation of competence in that skill by a registered nurse.\textsuperscript{72}

The definition of “practice of a certified nursing assistant” does not restrict a person who is otherwise trained and educated from performing the tasks specified in the definition.\textsuperscript{73}

To be certified in Florida, a person must have a high school diploma, or its equivalent; or be at least 18 years of age, and pass a nursing assistant competency examination. Alternatively, a person may be certified in Florida if he or she is certified by another state and has not been found to have committed abuse, neglect, or exploitation in that state.\textsuperscript{74}

The qualifications for certification as a CNA do not specifically refer to a person’s criminal background, but an applicant must pass a background screening pursuant to s. 400.215, F.S., which requires the personnel of nursing homes and related healthcare facilities to pass a level two background screening, or s. 408.809, F.S.\textsuperscript{75} The background screening must be completed every five years following licensure, employment, or entering into contract in a capacity that requires background screening.\textsuperscript{76}

Level two background screening ensures that a subject of the screening has not been arrested for, is not awaiting final disposition of, has not been found guilty of, regardless of adjudication, or not entered a plea of nolo contendere or guilty to, or has been adjudicated delinquent and the record has not been sealed or expunged for, any of the 52 prohibited offenses.\textsuperscript{77} The prohibited offenses include violent crimes, property crimes, and sexual offenses.\textsuperscript{78}

In addition to the crimes specified under s. 435.04, F.S., a CNA may not have a felony record for certain specified felony financial crimes, including Medicaid fraud and forgery.\textsuperscript{79}

A level two background screening includes fingerprinting for statewide criminal history records checks through the Florida Department of Law Enforcement (FDLE) and national criminal history checks through the Federal Bureau of Investigation (FBI), and may include local criminal records checks through local law enforcement agencies. Once the background screening is complete, and the FDLE receives the information from the FBI, the criminal history information is transmitted to the DOH. The DOH determines if the screening contains any disqualifying information for employment.

If a person is disqualified from employment due to failing the required background screening, the DOH may grant an exemption from disqualification for:

• Felonies for which at least three years have elapsed since the applicant for the exemption has completed or been lawfully released from confinement, supervision, or nonmonetary condition imposed by the court for the disqualifying felony;

• Misdemeanors prohibited under any of the statutes cited in this chapter or under similar statutes of other jurisdictions for which the applicant for the exemption has completed or been lawfully released from confinement, supervision, or nonmonetary condition imposed by the court;

• Offenses that were felonies when committed but that are now misdemeanors and for which the applicant for the exemption has completed or been lawfully released from confinement, supervision, or nonmonetary condition imposed by the court; or

• Findings of delinquency.\(^{80}\)

However, DOH may not grant an exemption until at least three years have elapsed since the applicant’s completion or lawful release from confinement, supervision, or nonmonetary condition imposed by the court for the offense if the:

• Applicant was a juvenile at the time of the commission of the offense;

• Offense committed is a disqualifying crime that would be considered a felony if committed by an adult; and

• Record has not been sealed or expunged.\(^{81}\)

An applicant who seeks an exemption must first pay any court-ordered amount for any fee, fine, fund, lien, civil judgment, application, costs of prosecution, trust, or restitution as part of the judgment and sentence for the disqualifying crime.\(^{82}\)

However, the DOH may not grant an exemption to an individual who is found guilty of, regardless of adjudication, or who has entered a plea of nolo contendere or guilty to, any felony covered by s. 435.03, F.S., or s. 435.04, F.S., solely by reason of any pardon, executive clemency, or restoration of civil rights.\(^{83}\)

An exemption may also not be granted to anyone who is a sexual predator, career offender, or sexual offender (unless not required to register).\(^{84}\) The agency may not grant an exemption from disqualification to persons with a criminal history that includes other violent felonies, crimes against children, and sex-related crimes, such as felony domestic violence, luring or enticing a child, sexual battery, child pornography, and child abuse.\(^{85}\)

III. Effect of Proposed Changes:

Education of State and County Inmates (Sections 5 through 7)

The bill amends ss. 951.176 and 944.801, F.S., respectively, to authorize a county or municipal detention facility or the DOC to contract with a district school board, the Florida Virtual School,
a Florida College System institution, a virtual education provider approved by the State Board of Education, or a charter school to provide educational services. The educational services may include any educational, career, or vocational training that is authorized by a county or municipal detention facility or the DOC.

The bill amends s. 1011.80, F.S., to allow state funding for postsecondary education to be used on inmates with less than 60 months of time remaining on his or her sentence.

Declaratory Statements (Section 1)

The bill creates a new declaratory statement process that permits a person who desires to become licensed in a state-regulated profession or occupation to obtain a binding determination of whether his or her criminal conviction or sanction will prevent such licensure, registration, or certification in the profession or occupation.

A person may seek the agency’s opinion prior to the person possessing the training or education required for the license, registration, or certificate in the profession or occupation. Additionally, he or she may request the agency’s determination while still under criminal confinement or supervision.

The petition may include mitigating factors or other information the petitioner believes relevant to establish the petitioner’s eligibility, including, but not limited to:

- The time elapsed since completion of or lawful release from confinement, supervision, or nonmonetary condition imposed by the court for a disqualifying offense; and
- The petitioner’s standing in his or her community.

The agency’s declaratory statement must further indicate whether:

- The petitioner is disqualified from obtaining the license, registration, or certification due to the petitioner’s criminal background, regardless of the petitioner’s education, training, experience, or other prerequisites required for the license, registration, or certification.
- The petitioner is not eligible for a specified occupational or professional license, registration, or certification because of his or her criminal background.
- The agency’s determination of disqualification as a result of criminal background may be reversed based on evidence of rehabilitation or mitigation.
- Any federal laws or regulations or any conditions imposed by the court on the petitioner may impede his or her licensure, registration, or certification in the profession or occupation.
- Conditions or restrictions imposed by the court on the petitioner for a disqualifying offense may impede the petitioner’s licensure, registration, or certification in the profession or occupation.

The agency’s conclusion is binding on the agency as to the petitioner, but any subsequent criminal history may form an independent basis for denial of licensure, registration, or certification.

An agency may require a petitioner to submit the following with his or her petition for declaratory statement:

- A fee of not more than $100;
• A certified copy of each criminal judgment rendered against the petitioner;
• A complete set of fingerprints; and
• A fingerprint processing fee.

The agency must submit the fingerprints to the FDLE for a state criminal history record check and the FDLE must forward the fingerprints to the FBI for a national criminal history record check.

Licensing and Criminal Background (Sections 2 through 4)

The bill creates a process for reviewing the criminal history of applicants for specified professions or occupations regulated by the DBPR and the DOH.

The bill amends s. 455.213, F.S., dealing with the general licensing provisions of the DBPR, and s. 464.203, F.S., dealing with the certification requirements for certified nursing assistants under the DOH.

The license application review process in the bill applies to the following professions and occupations:
• Barbers.
• Cosmetologists and cosmetology specialists (i.e., hair braiders, hair wrappers, and body wrappers).
• Construction Professionals, including:
  o Air-conditioning contractor;
  o Electrical contractor;
  o Mechanical contractor;
  o Plumbing contractor;
  o Pollutant storage systems contractor;
  o Roofing contractor;
  o Septic tank contractor;
  o Sheet metal contractor;
  o Solar contractor;
  o Swimming pool and spa contractor;
  o Underground utility and excavation contractor; and
  o Other specialty contractors whose scope of work and responsibility is limited to a particular phase of construction, e.g. drywall, glazing, swimming pool excavation, etc.
• Certified Nursing Assistants.

The process created in the bill:
• Permits a person to apply for a license while under criminal confinement (incarceration) or supervision.
• Limits the period during which the agency may consider criminal history as an impairment to licensure to seven years from the date of the criminal conviction for CNAs and five years from the date of criminal conviction for all other professions covered by the bill.
• Requires each agency to identify by rule the crimes that do not impair a person’s qualifications for licensure.
• Requires each agency to identify by rule the crimes that do impair a person’s qualifications for licensure.
• Prohibits the board from denying an application for a license solely on the basis of the applicant’s current confinement or supervision.
• Authorizes board to stay the issuance of a license until the applicant is lawfully released from confinement or supervision, the applicant notifies the board of such release, and the board has verified the release with the DOC.
• Requires an agency to permit applicants who are incarcerated or under supervision to appear by teleconference or video conference at a meeting of a board or the agency for a hearing concerning the person’s license application.
• Requires the DOC to cooperate and coordinate with the board or department, as applicable, to facilitate the appearance of the applicant at the hearing in person, by teleconference, or by video conference, as appropriate.

The bill amends s. 400.211, F.S., incorporating changes made by the act.

The bill takes effect July 1, 2018.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

The bill authorizes a charter school or virtual instruction provider, which can be managed by a for-profit entity, to contract with the DOC or a county or municipal entity to provide educational services to inmates. To the extent that this bill increases the pool of students that a private company can serve, it may result in a positive fiscal impact to the private company.

Additionally, persons who submit a petition for a declaratory statement from an agency to determine whether the petitioner’s criminal history affects the person’s eligibility for a
license, registration, or certificate, must pay a filing fee not to exceed $100 for the petition and the actual cost of state and federal processing related to the criminal background check. However, such individuals may also forego certain unnecessary schooling, training, or application costs, depending on the agency’s determination.

C. Government Sector Impact:

The bill authorizes the state or a local entity to contract with district, charter, or virtual school entities (school providers) to offer educational services to its inmates. Such services will be provided by the school providers through the workforce education models that currently exist. The DOC or a county and municipal detention facility may use funds appropriated for the education of inmates to contract with the school providers to offer such educational services.

The bill authorizes persons to submit a petition for a declaratory statement from an agency to determine whether the petitioner’s criminal history affects the person’s eligibility for a license, etc. To the extent that the bill results in an increase in submissions of petitions for declaratory statements, this may result in an increased workload to government agencies that provide occupational or professional licenses. Additionally, the agencies will likely have increased revenues associated with the declaratory statement petition fee of not more than $100.

VI. Technical Deficiencies:

None.

VII. Related Issues:

SB 2500 appropriates $2,000,000 from the General Revenue Fund for postsecondary education of state inmates.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 120.565, 400.211, 455.213, 464.203, 944.801, 951.176, and 1011.80.

IX. Additional Information:

A. Committee Substitute – Statement of Changes:

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

Recommended CS by Appropriations Subcommittee on Criminal and Civil Justice on February 14, 2018:

The committee substitute:

- Permits a person to submit a petition for declaratory statement to any Florida agency to determine the effect of a criminal background on his or her eligibility for occupational or professional licensure;
• Requires the agency to indicate specified information in its declaratory statement conclusion;
• Requires the agency’s conclusion in the declaratory statement is binding on the agency as to the petitioner;
• Requires specified submissions to be included with the petition for declaratory statement, including a fee of not more than $100;
• Prohibits an agency from denying an application for licensure for certain professions if a specific duration has passed since the applicant’s conviction;
• Authorizes a person to apply for licensing from the DBPR prior to being released from incarceration and provides a process for the staying of the issuance of the license until the person’s release from custody;
• Specifies accommodations that an agency must make for applicants who are under confinement or supervision at the time of their application;
• Requires pertinent boards under the DBPR and the DOH to adopt rules that specify crimes that constitute grounds for licensure denial;
• Expands the entities that the DOC or a county may contract with to provide educational services for inmates to include a Florida College System institution or a virtual education provider approved by the State Board of Education; and
• Allows state funds to be expended for inmates that have 60 months left on the term of incarceration.

Section 4. Subsection (4) is added to section 120.565, Florida Statutes, to read:

(4)(a) Any person may seek a declaratory statement regarding an agency’s opinion as to the effect of the petitioner’s criminal background on his or her eligibility for a
specific occupational or professional license, registration, or certificate issued by the agency based on the applicable statutes and rules for the occupation or profession. The petition may include mitigating factors or other information the petitioner believes is relevant to establish the petitioner’s eligibility, including, but not limited to, the time elapsed since completion of or lawful release from confinement, supervision, or nonmonetary condition imposed by the court for a disqualifying offense, and the petitioner’s standing in his or her community. A person may seek a declaratory statement under this subsection before attaining any education, training, experience, or other prerequisites for the license, registration, or certification.

(b) The agency’s conclusion in the declaratory statement must indicate whether:

1. The petitioner is disqualified from obtaining the license, registration, or certification due to the petitioner’s criminal background, regardless of the petitioner’s education, training, experience, or other prerequisites required for the license, registration, or certification.

2. The petitioner is not eligible for a specified occupational or professional license, registration, or certification because of his or her criminal background, but that the conclusion may be reversed upon the petitioner’s presentation of evidence of rehabilitation or mitigation identified by the agency in the declaratory statement at any time subsequent to the issuance of the declaratory statement.

3. Federal laws or regulations may impede the petitioner’s licensure, registration, or certification in the profession or
occupation.

4. Conditions or restrictions imposed by the court on the petitioner for a disqualifying offense may impede the petitioner’s licensure, registration, or certification in the profession or occupation.

(c) The agency’s conclusion in the declaratory statement shall be binding on the agency as to the petitioner, unless the petitioner’s subsequent criminal history constitutes an independent basis for denial of the petitioner’s application for a license, registration, or certification in the profession or occupation. The agency’s conclusion is subject to judicial review pursuant to s. 120.68.

(d) A person seeking a declaratory statement under this subsection must submit to the agency, in addition to the petition for a declaratory statement:

1. A fee set by the agency not to exceed $100;

2. A certified copy of each criminal judgment rendered against the petitioner; and

3. A complete set of electronic fingerprints.

(e) The agency shall submit the fingerprints to the Department of Law Enforcement for a state criminal history record check and the Department of Law Enforcement shall forward them to the Federal Bureau of Investigation for a national criminal history record check. The agency shall review the criminal history record results to determine if the petitioner meets licensure, registration, or certification requirements. The petitioner shall pay the actual cost of state and federal processing in addition to the fee in subparagraph (d)1.

Section 5. Subsection (13) of section 326.004, Florida
326.004 Licensing.—

Section 15. Present subsections (3) through (12) of section 455.213, Florida Statutes, are redesignated as subsections (4) through (13), respectively, subsection (2) of that section is amended, and a new subsection (3) is added to that section, to read:

455.213 General licensing provisions.—

(2) Before the issuance of any license, the department may charge an initial license fee as determined by rule of the applicable board or, if no such board exists, by rule of the department. Upon receipt of the appropriate license fee, except as provided in subsection (4) (3), the department shall issue a license to any person certified by the appropriate board, or its designee, or the department when there is no board, as having met the applicable requirements imposed by law or rule. However, an applicant who is not otherwise qualified for licensure is not entitled to licensure solely based on a passing score on a required examination. Upon a determination by the department that it erroneously issued a license, or upon the revocation of a license by the applicable board, or by the department when there is no board, the licensee must surrender his or her license to the department.

(3)(a) Notwithstanding any other provision of law, the board shall use the process in this subsection for review of an

1. Barber under chapter 476;

2. Cosmetologist or cosmetology specialist under chapter 477; or

3. Any of the following construction professions under chapter 489:

   a. Air-conditioning contractor;
   b. Electrical contractor;
   c. Mechanical contractor;
   d. Plumbing contractor;
   e. Pollutant storage systems contractor;
   f. Roofing contractor;
   g. Septic tank contractor;
   h. Sheet metal contractor;
   i. Solar contractor;
   j. Swimming pool and spa contractor;
   k. Underground utility and excavation contractor; and
   l. Other specialty contractors.

(b) A conviction for a crime more than 5 years before the date of the application may not be grounds for denial of a license specified in paragraph (a). For purposes of this paragraph, the term “conviction” means a determination of guilt that is the result of a plea or trial, regardless of whether adjudication is withheld.

(c)1. A person may apply for a license before his or her lawful release from confinement or supervision. The department may not charge an applicant an additional fee for being confined or under supervision. The board may not deny an application for
a license solely on the basis of the applicant’s current confinement or supervision.

2. After a license application is approved, the board may stay the issuance of a license until the applicant is lawfully released from confinement or supervision and the applicant notifies the board of such release. The board must verify the applicant’s release with the Department of Corrections before it issues a license.

3. If an applicant is unable to appear in person due to his or her confinement or supervision, the board must permit the applicant to appear by teleconference or video conference, as appropriate, at any meeting of the board or other hearing by the agency concerning his or her application.

4. If an applicant is confined or under supervision, the Department of Corrections and the board shall cooperate and coordinate to facilitate the appearance of the applicant at a board meeting or agency hearing in person, by teleconference, or by video conference, as appropriate.

Section 1. Subsection (4) is added to section 120.565, Florida Statutes, to read:

120.565 Declaratory statement by agencies.—

(4)(a) Any person may seek a declaratory statement regarding an agency’s opinion as to the effect of the
petitioner’s criminal background on his or her eligibility for a specific occupational or professional license, registration, or certificate issued by the agency based on the applicable statutes and rules for the occupation or profession. The petition may include mitigating factors or other information the petitioner believes relevant to establish the petitioner’s eligibility, including, but not limited to, the time elapsed since completion of or lawful release from confinement, supervision, or nonmonetary condition imposed by the court for a disqualifying offense, and the petitioner’s standing in his or her community. A person may seek a declaratory statement under this subsection before attaining any education, training, experience, or other prerequisites for the license, registration, or certification.

(b) The agency’s conclusion in the declaratory statement must indicate whether:

1. The petitioner is disqualified from obtaining the license, registration, or certification due to the petitioner’s criminal background, regardless of the petitioner’s education, training, experience, or other prerequisites required for the license, registration, or certification.

2. The petitioner is not eligible for a specified occupational or professional license, registration, or certification because of his or her criminal background, but that the conclusion may be reversed upon the petitioner’s presentation of evidence of rehabilitation or mitigation identified by the agency in the declaratory statement at any time subsequent to the issuance of the declaratory statement.

3. Federal laws or regulations may impede the petitioner’s
licensure, registration, or certification in the profession or occupation.

4. Conditions or restrictions imposed by the court on the petitioner for a disqualifying offense may impede the petitioner’s licensure, registration, or certification in the profession or occupation.

(c) The agency’s conclusion in the declaratory statement shall be binding on the agency as to the petitioner, unless the petitioner’s subsequent criminal history constitutes an independent basis for denial of the petitioner’s application for a license, registration, or certification in the profession or occupation. The agency’s conclusion is subject to judicial review pursuant to s. 120.68.

(d) A person seeking a declaratory statement under this subsection must submit to the agency, in addition to the petition for a declaratory statement:

1. A fee set by the agency not to exceed $100;
2. A certified copy of each criminal judgment rendered against the petitioner; and
3. A complete set of electronic fingerprints.

(e) The agency shall submit the fingerprints to the Department of Law Enforcement for a state criminal history record check and the Department of Law Enforcement shall forward them to the Federal Bureau of Investigation for a national criminal history record check. The agency shall review the criminal history record results to determine if the petitioner meets licensure, registration, or certification requirements. However, an applicant who is not otherwise qualified for licensure is not entitled to licensure solely based on a passing score on a required examination. Upon a determination by the department that it erroneously issued a license, or upon the revocation of a license by the applicable board, or by the department when there is no board, the licensee must surrender his or her license to the department.

(3)(a) Notwithstanding any other provision of law, the board shall use the process in this subsection for review of an applicant’s criminal record to determine his or her eligibility for licensure as a:

The board may not deny an application for a license solely on the basis of the applicant’s current confinement or supervision.

2. After a license application is approved, the board may stay the issuance of a license until the applicant is lawfully released from confinement or supervision and the applicant notifies the board of such release. The board must verify the
applicant’s release with the Department of Corrections before it
issues a license.

3. If an applicant is unable to appear in person due to his
or her confinement or supervision, the board must permit the
applicant to appear by teleconference or video conference, as
appropriate, at any meeting of the board or other hearing by the
agency concerning his or her application.

4. If an applicant is confined or under supervision, the
Department of Corrections and the board shall cooperate and
coordinate to facilitate the appearance of the applicant at a
board meeting or agency hearing in person, by teleconference, or

The department may not charge an applicant an additional fee for being confined or under supervision. The board may not deny an application for a certificate solely on the basis of the person’s current confinement or supervision.

I. Summary:

CS/SB 1332 requires priority processing of applications for the restoration of civil rights cases by applicants that have never been convicted of specified offenses. The bill defines a “priority application” as an application for the restoration of civil rights submitted by an applicant who has never been convicted of a violent offense. A violent offense is defined as the commission of, an attempt to commit, or a conspiracy to commit any of the offenses enumerated in the bill.

The bill requires the Florida Commission on Offender Review (FCOR) to complete investigations for priority applications submitted prior to July 1, 2018, before a priority application submitted after such date, or any nonpriority application. The FCOR must complete an investigation by:

- July 1, 2022, for a priority application that is submitted before July 1, 2018;
- July 1, 2023, for a priority application submitted on or after July 1, 2018, but before July 1, 2021;
- July 1, 2024, for a priority application submitted on or after July 1, 2021, but before July 1, 2023.

Beginning July 1, 2023, the bill requires the FCOR to complete the investigation for a priority application within one year after its submission. The bill does not impose deadlines on the completion of an investigation for an application that is not designated as a priority application.
The bill also provides various provisions to any application for the restoration of civil rights, regardless of whether such application is designated a priority application or not, which are designed to enhance communication between an applicant and the FCOR.

To complete the priority applications within time limits mandated by the bill, the FCOR is likely to incur additional costs. The magnitude of these costs is indeterminate. See Section V. Fiscal Impact Statement.

The bill is effective July 1, 2018.

II. Present Situation:

Restoration of Civil Rights

A person convicted of a felony forfeits specified rights as a result of the conviction. The Florida Constitution requires the loss of the right to vote and the right to hold public office as consequences of a felony conviction. Additional civil rights are lost in accordance with statute, including the right to serve on a jury and possess a firearm. The civil rights of a convicted felon are suspended until restored by a pardon or restoration of civil rights. The restoration of civil rights restores to an applicant all of the rights of citizenship in the State of Florida enjoyed before the felony conviction, except the specific authority to own, possess, or use firearms.

The Florida Constitution, in part, grants the power of restoring civil rights to the Governor with the consent of at least two Cabinet members. The Governor and Cabinet sit as the Executive Board of Clemency (Clemency Board). The rules of Executive Clemency (rules) which outline the eligibility criteria for the process of restoration of civil rights, are adopted by the Governor with the approval of two members of the Clemency Board. The Rules provide, in part, that the unfettered discretion to:

- Deny the restoration of civil rights at any time, for any reason, rests with the Governor; and
- Grant the restoration of civil rights at any time, for any reason, rests with the Governor, provided at least two members of the Clemency Board also approve.

1 FLA. CONST. Article VI, s. 4. The Florida Constitution defines the term “felony” to mean any criminal offense that is punishable under the laws of this state, or that would be punishable if committed in this state, by death or by imprisonment in the state penitentiary. FLA. CONST. Article X, s. 10.
2 Section 40.013, F.S.
3 Section 790.23, F.S. See also s. 790.06(2)(d) and (k), F.S.
4 Florida provides for several types of pardons applicable to felony convictions. A full pardon unconditionally releases a person from punishment and forgives guilt for any Florida convictions. It restores to an applicant all of the rights of citizenship possessed by the person before his or her conviction, including the right to own, possess, or use firearms. A pardon without firearm authority releases a person from punishment and forgives guilt. It entitles an applicant to all of the rights of citizenship enjoyed by the person before his or her conviction, except the specific authority to own, possess, or use firearms. 6 FLA. CONST. Article IV, s. 8(a). This authority is also codified in s. 940.01, F.S.
8 Section 940.03, F.S. See also Rule 2.A.
9 Rule 4.
Section 940.05, F.S., provides that any person convicted of a felony may be entitled to the restoration of all the rights of citizenship enjoyed by him or her before conviction if the person has:
- Received a full pardon from the Clemency Board;
- Served the maximum term of the sentence imposed upon him or her; or
- Been granted his or her final release by the FCOR.\(^\text{10}\)

The current rules define the restoration of civil rights as a process that restores all of the applicant’s rights of citizenship enjoyed before the felony conviction, except the specific authority to own, possess, or use firearms.\(^\text{11}\) The rules further provide the specific authority to own, possess, or use a firearm must be restored through the separate process for such rights.\(^\text{12}\)

**Role of Specified Entities in the Restoration of Civil Rights Process**

The FCOR’s Office of Executive Clemency, in part, assists in the acceptance, review, and recommendation of applications for restoration of civil rights, as well as the agenda for Clemency Board meetings.\(^\text{13}\) A coordinator must be appointed by the Clemency Board and serves as the official custodian of the records.\(^\text{14}\) The FCOR’s Office of Clemency Investigations, in part, conducts comprehensive, confidential investigations of persons that have applied for restoration of civil rights.\(^\text{15}\) An individual seeking restoration of civil rights submits an application to the Office of Executive Clemency and the application is forwarded to the FCOR for investigation, report, and recommendation.\(^\text{16}\)

The Department of Corrections (DOC) is required to inform inmates and offenders on community supervision about the restoration of civil rights. Additionally, DOC is required to electronically send to the FCOR a list of the names of inmates who have been released from incarceration and offenders who have been terminated from supervision that may be eligible for restoration of civil rights.\(^\text{17}\)

\(^{10}\) Article IV, s. 8, of the Florida Constitution, authorizes the creation of a parole and probation commission with power to supervise persons on probation and to grant paroles or conditional releases to persons under sentences for crime. The qualifications, method of selection and terms, not to exceed six years, of members of the commission shall be proscribed by law. The FCOR, previously known as the Parole Commission, was created in 1941 and renamed in 2014, to perform these functions. See s. 1, ch. 20519, 1941, L.O.F., and ch. 2014-191, L.O.F.

\(^{17}\) Section 940.061, F.S.
Restoration of Civil Rights Under Governor Scott’s Administration

The current rules became effective March 9, 2011, after being amended and adopted by the Clemency Board subsequent to Governor Scott taking office. Eligibility for restoration of civil rights is separated out between applications that require a hearing in front of the Clemency Board for approval and those that do not. The investigations for the applications requiring a hearing are more intensive than applications that do not require a hearing.

Any applicant, regardless of whether he or she requires a hearing with the Clemency Board, which is submitting an application for the restoration of his or her civil rights to be considered must:
- Have had five years pass since the date of completion of all sentences and conditions of supervision imposed without any new criminal charges;
- Not have any outstanding detainers or pending criminal charges;
- Have paid all restitution in full; and
- Be a citizen of the United States, and, if convicted in a court other than a Florida court, be a legal resident of Florida.

However, to be eligible for a restoration of civil rights to be granted without a hearing before the Clemency Board, the applicant must also:
- Have never been convicted of an enumerated offense, and
- Have never been declared to be a specified designation.

A person that intends to apply for the restoration of his or her civil rights must either request an application form from the FCOR or download it from the FCOR’s website. The current rules require the application to include a certified copy of the applicant’s indictment or information, the judgment adjudicating the applicant to be guilty, and the sentence.

Upon receipt of a person’s application for the restoration of civil rights, the FCOR date stamps the application and this date controls the placement of the application in the backlog of pending applications. Staff then performs a cursory review of the application to ensure that all required court documents must be furnished by the clerk of court to the applicant free of charge and without delay.

---

18 Clemency Timeline, p. 5.
21 Rule 9.A.4., provides an extensive list of offenses that include, but are not limited to, DUI manslaughter, any violation of ch. 800, F.S., aggravated child abuse, robbery, carjacking, home invasion robbery, and exploitation of the elderly.
22 Rule 9.A.5., prohibits an applicant who has ever been designated as a habitual violent felony offender, three-time violent felony offender, violent career criminal, prison release reoffender, or sexual predator from being eligible for restoration of civil rights without a hearing.
23 Rule 6.A. Section 940.03, F.S., also provides that an application for executive clemency for a person who is sentenced to death must be filed within one year after the date the Supreme Court issues a mandate on a direct appeal or the United States Supreme Court denies a petition for certiorari, whichever is later.
24 An applicant seeking the restoration of civil rights is currently required to include with the application a list of all convictions and provide court documents. See Application for Clemency, available at https://www.fcor.state.fl.us/docs/clemency/ClemencyApplication.pdf (last visited January 19, 2018). Section 940.04, F.S., provides that such required court documents must be furnished by the clerk of court to the applicant free of charge and without delay.
documents have been submitted and filled out completely. The FCOR reports that an applicant is notified by letter regarding whether the application submission was complete and if not, the applicant is provided an opportunity to make the application whole. Staff then conducts an initial prescreening of the applicant to ensure he or she meets the eligibility criteria proscribed in the rules. If the applicant is determined to be eligible under the rules, his or her application is forwarded for the full investigation to be conducted. The FCOR reports that a quick eligibility review is periodically conducted on the applicant during the waiting period to ensure that he or she remains eligible under the Rules.25

**Investigative Duties of the Florida Commission on Offender Review**

As mentioned above, the investigations for applications requiring a hearing are more intensive than applications not requiring a hearing. For the investigation of a case that requires a hearing, the FCOR must provide a broad picture of the applicant’s history and activities. The FCOR conducts an interview of the applicant and investigates factors including, but not limited to:

- Information related to the felony conviction that led to the revocation of civil rights, including the offense, any co-defendants associated with the case, applicant’s acceptance of a plea (if applicable), sentence imposed, and status on the payment of fines, court costs, fees, and victim restitution;
- An applicant-reported narrative of the offense that led to the revocation of civil rights;
- The applicant’s entire criminal history record;
- History of:
  - Adjustment to incarceration or supervision;
  - Domestic violence, if applicable;
  - Alcohol and substance abuse, if applicable;
  - Employment; and
  - Military service;
- Traffic record, if applicable;
- Voter registration information;
- Citizenship verification; and
- Input from the court, state attorney, and victim.26

An investigation for an application that does not require a hearing reviews more limited factors, similar to such information that is obtained through a criminal or employment background search performed by the FDLE, such as:

- Felony convictions;
- Circumstances of the offense;
- Criminal record;
- Domestic violence information; and
- Confidential victim memorandum, if deemed necessary by the investigator.27

26 Id. and Annual Report, p. 15.
27 Electronic mail from Alec Yarger, Director of Legislative Affairs, FCOR, (January 18, 2018) (on file with the Senate Criminal Justice Committee).
The FCOR reports that it cannot accurately estimate how long it takes to complete an investigation for either type of restoration of civil rights case because it does not capture this data.28

When an investigation is complete, an additional quality assurance review is conducted to ensure the investigation is accurate and the FCOR’s advisory recommendation is obtained for submission to the Clemency Board.29 A confidential case analysis, which summarizes the findings of the investigation and the advisory recommendation, is prepared for any investigation conducted on a case that requires a hearing. Clemency applicants are mailed a copy of their investigative reports prior to each scheduled Clemency Board meeting.30 The FCOR states that it sends the case analysis to both the Clemency Board and the applicant at the same time.31 It does not appear that there is an opportunity for the applicant to dispute any information included in the report.

The FCOR reports it has a total of 53 investigators on its staff including:
- 32 investigators that conduct investigations for each of the various types of cases that fall under the purview of the FCOR, including investigations required for conditional medical release, parole, pardons, commutations, and clemency cases; and
- 21 investigators that solely perform clemency investigations, which includes restoration of civil rights.32

Further, the FCOR reports that investigators who handle all the various types of cases must give priority to cases that have statutorily mandated time frames, such as parole or conditional medical release, and therefore an investigation for a restoration of civil rights case may get delayed if a time sensitive case is assigned to the investigator.33 Currently, there are no statutorily imposed time frames imposed on any portion of the restoration of civil rights investigation process.

Resolution of an Application that Does Not Require a Hearing

The FCOR must review the application of an individual who has applied for restoration of civil rights. For a restoration of civil rights application that does not require a hearing, the FCOR Office of Executive Clemency coordinator must issue a preliminary review list of all individuals who meet the eligibility requirements and submit it to the Clemency Board.34 If the Governor, plus two members, approve an individual’s restoration of civil rights without a hearing within 60 days of issuance of the preliminary review list, the FCOR coordinator must issue a certificate that grants the individual restoration of civil rights upon signature of the Governor and two

**Resolution of an Application that Requires a Hearing**

Once the investigation, report, and recommendation has been complete, the FCOR Office of Executive Clemency coordinator may place an application on the agenda for the next scheduled meeting of the Clemency Board.\textsuperscript{37} The Clemency Board met four times in 2017, and heard approximately 85-95 hearings each agenda, with approximately 56 percent of the hearings being for restoration of civil rights cases.\textsuperscript{38}

**Current Backlog for Restoration of Civil Rights Investigations**

As of January 1, 2018, the FCOR reports that there are 10,264 restoration of civil rights cases awaiting an investigation and hearing, of which 391 are applications that do not require a hearing with the Clemency Board and 9,873 applications that do require a hearing. This number does not include cases that are specific to the restoration of the specific authority to own, possess, or use firearms.\textsuperscript{39}

On November 1, 2017, the Ethics and Elections Committee of the Constitutional Revision Commission heard presentations on the process and existing backlog for restoration of civil rights applications in Florida. Julia McCall, Coordinator of the Office of Executive Clemency, stated at the meeting that about 300 cases are scheduled for a hearing with the Clemency Board each year from the 6,000 applications received annually and the average wait for a hearing is 9.2 years.\textsuperscript{40}

**III. Effect of Proposed Changes:**

The bill creates s. 947.131, F.S., to require priority processing of applications for the restoration of civil rights cases by applicants that have never been convicted of a “violent felony.” The bill also specifies deadlines for processing the backlog of cases designated under the bill as “priority applications.”

A “priority application” means an application for the restoration of civil rights submitted by an applicant who has never been convicted of a violent offense.

Priority applications submitted prior to July 1, 2018, must be processed and investigated completely before a priority application submitted after such date, or a nonpriority application, regardless of the submission date. Deadlines for processing and completing the investigation of a priority application specified, including by:

- July 1, 2022, for a priority application that is submitted before July 1, 2018;
- July 1, 2023, for a priority application submitted on or after July 1, 2018, but before July 1, 2021;
- July 1, 2024, for a priority application submitted on or after July 1, 2021, but before July 1, 2023.

Beginning July 1, 2023, the bill requires the FCOR to complete the investigation for a priority application within one year after the submission of the application. The bill does not impose deadlines on the completion of investigations for applications that are not designated priority applications.

Various guidelines for the processing of any application for the restoration of civil rights are established, regardless of whether such application is designated a priority application or not. The bill requires:

- An applicant to keep the FCOR updated with correct contact information, including mailing address and email address throughout the clemency process.
- The FCOR to provide written notification to the applicant annually regarding the status of the pending application, which must include the number of applications pending in front of the applicant’s application.  
- The FCOR to notify an applicant within 30 days of completing the prescreening review of any incomplete portions of the application or any facts that are determined in the prescreening review to deem the applicant ineligible for restoration of civil rights. The applicant is provided 45 days to remedy any incomplete portions or discrepancies.
- The FCOR to provide a copy of the confidential case analysis prepared for any restoration of civil rights case to the applicant immediately upon completion, which must be no less than 45 days prior to the FCOR submitting the analysis to the Clemency Board. An applicant is given 45 days to dispute and remedy any discrepancies in the confidential case analysis report before the FCOR submits the report to the Clemency Board.

The bill requires the FCOR to provide specified information on the status of the application if a member of the Senate or House of Representatives submits a written request on behalf of his or her constituent. The information that must be submitted by the FCOR includes, but is not limited to:

- Whether the submission of the application at issue is deemed complete or incomplete;
- How many applications are pending before the application at issue;
- Whether the submission of the application at issue is deemed complete or incomplete;
- How many applications are pending before the application at issue;

---

44 The bill authorizes the annual status notification to be sent via email.
45 The bill defines the term “prescreening review” to mean the initial review to determine eligibility which is conducted by the FCOR upon receipt of an application for restoration of civil rights.
46 The bill defines “confidential case analysis report” to mean the final report prepared by the commission which details the findings of the restoration of civil rights investigation and the FCOR’s recommendation.
47 Section 14.28, F.S., provides that all records developed or received by any state entity pursuant to a Clemency Board investigation are confidential and exempt from the provisions of s. 119.07(1) and s. 24(a), Art. I of the State Constitution. However, such records may be released upon the approval of the Governor.
• Whether the application at issue has been assigned to an investigator; and
• Whether the investigative process has been initiated.

The bill provides the FCOR rulemaking authority to implement the provisions of the act.

The bill is effective July 1, 2018.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

C. Government Sector Impact:

The FCOR cannot provide data on how many of the approximately 10,000 backlog cases will qualify as priority applications. Although the workload of the FCOR does not increase, the rate at which the FCOR must complete its work must increase. To meet the time requirements mandated by the bill, the FCOR is likely to incur additional costs. The magnitude of these costs is indeterminate.

According to FDLE, the bill will likely have no fiscal impact on the department.

S-001 (10/14/14)
I. Summary:

CS/SB 1392 requires the state attorney, the public defender, the clerk of the circuit court, and law enforcement agencies to establish a prearrest diversion program for adults and a civil citation or similar diversion program for juveniles in each judicial circuit.

Each judicial circuit’s prearrest and civil citation or similar diversion program must specify:

- The misdemeanor offenses that qualify an offender for participation in the program;
- The eligibility criteria for the program;
- The program’s implementation and operation;
- The program’s requirements, including, but not limited to:
  - The completion of community service hours;
  - Payment of restitution, if applicable; and
  - Intervention services indicated by a needs assessment of the offender; and
- A program fee, if any, to be paid by a participant of the program.

The bill requires the Florida Department of Law Enforcement (FDLE) to adopt rules to provide for the expunction of a nonjudicial record of the arrest of a juvenile who has successfully completed a diversion program for a misdemeanor offense.

The bill requires the civil citation or similar diversion programs to submit certain information to the FDLE and the Department of Juvenile Justice (DJJ) regarding a juvenile’s participation in the program. The bill also requires each law enforcement agency to submit to the DJJ certain
information relating to each juvenile who is eligible for the diversion program but is instead referred to the DJJ, provided a notice to appear, or is arrested.

The bill requires the DJJ to compile such data relating to juvenile civil citation or similar diversion programs and publish it on the DJJ’s website.

The bill’s expunction and data collection provisions may have an impact on state expenditures. The creation of a prearrest diversion program could result in cost savings for local governments. See Section V. Fiscal Impact Statement.

The bill is effective October 1, 2018.

II. Present Situation:

The civil citation process is designed to provide an alternative to formal judicial handling for first time misdemeanant offenses. The term “diversion” has been used broadly through the years to refer to programs that permit an individual to avoid incarceration, but still result in a criminal conviction. In recent years, the term diversion has also begun to refer to programs that address an individual’s behavior but do not result in a conviction. An example of diversion is prearrest diversion. One form of prearrest diversion is a civil citation program where a law enforcement officer has discretion to issue a civil citation to an individual who commits an eligible misdemeanor offense, meets other eligibility requirements, and agrees to participate in a diversion program. If the individual successfully completes the program, he or she does not have an arrest record.

Adult prearrest diversion programs and juvenile civil citation programs are handled differently in Florida. Juvenile civil citation programs are encouraged by Florida law and are in operation throughout the state. Florida law does not specifically address adult civil citation programs or other prearrest diversion programs for adults. However, sheriffs and counties across the state have implemented their own prearrest diversion programs for adults.

Adult Prearrest Diversion Programs

Leon County has established an adult civil citation program for first-time misdemeanants. Citations are issued by law enforcement based on the officer’s discretion, the qualifying offense, and the individual’s eligibility. The chief judge, state attorney, and public defender for the

Second Judicial Circuit cooperate in the program, along with the Leon County Commission and Sheriff’s Office, and the City of Tallahassee Commission and Police Department.\(^5\)

Pinellas County Sheriff’s Office has also established a prearrest diversion program for adults. The Adult Pre-Arrest Diversion Program (APAD) is designed to help adults who commit low-level crimes avoid a criminal record. Rather than going to jail, the adults are required to complete community service, along with counseling or drug treatment.\(^6\) The program was created as a way to prevent adults from getting a criminal record, while simultaneously lessening the burden on the Pinellas County court system. Since the APAD’s launch in October 2016, there have been 1,851 adults who have participated in the program, resulting in the completion of nearly 25,000 community service hours and more than $17,000 paid in restitution.\(^7\)

### Juvenile Civil Citation

Section 985.12, F.S., encourages local entities to establish juvenile civil citation programs that provide law enforcement an alternative to arresting juveniles for nonserious delinquent acts. The DJJ is required to assist in the implementation of civil citation or other similar diversion programs. The DJJ must also develop guidelines for these programs that include intervention services based upon proven civil citation or similar diversion programs within the state.\(^8\)

The civil citation process is designed to divert juveniles prior to arrest and prevent the juvenile’s further involvement in the juvenile justice system.\(^9\) A civil citation or similar diversion program has been implemented in 61 counties in Florida, with Taylor County in the process of implementation.\(^10\) The following counties have not established a civil citation program: Bradford, Calhoun, Gulf, Hardee, and Washington.\(^11\)

If established at the local level, the program must be created with the concurrence of the chief judge of the circuit, state attorney, public defender, and the head of each local law enforcement agency. The program may be operated by a law enforcement agency, the DJJ, a juvenile assessment center, the county or municipality, or another entity selected by the county or municipality.\(^12\)

11 *Id.*

12 Section 985.12(1), F.S.
Currently, a law enforcement officer who makes contact with a juvenile who admits to having committed a misdemeanor has the discretion to:

- Issue a warning or inform the juvenile’s parent or guardian of the child’s infraction;
- Issue a civil citation or require participation in a similar diversion program; or
- Arrest the juvenile.

A copy of each civil citation issued is provided to the DJJ, the county sheriff, state attorney, the appropriate intake office of the DJJ, or the community service performance monitor designated by the DJJ, the parent or guardian of the child, and the victim.

From December 2016 to November 2017, there were 18,101 juveniles eligible to receive a civil citation. Of those eligible, 10,335 juveniles were issued a civil citation and the remaining 7,766 were arrested.

A law enforcement officer can issue a civil citation to any juvenile who admits to committing a first-time, second-time, or third-time misdemeanor. The officer must advise the juvenile of the option to refuse the civil citation and instead be referred to the DJJ. The juvenile may exercise that option at any time prior to completion of the program. An officer who issues a civil citation or requires participation in a similar diversion program may also assess up to 50 hours of community service and require participation in intervention services.

The juvenile must report to the community service performance monitor within seven business days after being issued the civil citation and complete at least five hours of work per week. The monitor must inform the DJJ intake office when the juvenile has reported to them and the expected date that the work assignment will be completed.

The issuance of a civil citation is not considered a referral to the DJJ. However, the law enforcement officer must issue a report alleging the juvenile has committed a delinquent act, resulting in the juvenile probation officer processing the act as a referral to the DJJ, if:

- The child fails to report on time for a work assignment or fails to complete a work assignment;
- The child fails to comply with assigned intervention services within the prescribed time; or
- The child commits a subsequent misdemeanor.

Expunction of Juvenile Criminal History Record

Expunction is the physical destruction or obliteration of a record or portion of a record by any criminal justice agency having custody thereof, or as prescribed by the court issuing the order.\(^\text{22}\) Section 943.0582(1), F.S., authorizes the FDLE to adopt rules to provide for the expunction of a nonjudicial arrest record of a juvenile who has successfully completed a prearrest or postarrest diversion program.\(^\text{23}\)

The FDLE must expunge the nonjudicial arrest record of a juvenile who has successfully completed a prearrest or postarrest diversion program if that juvenile:

- Submits an application for prearrest or postarrest diversion expunction, on a form prescribed by the FDLE, signed by the juvenile’s parent or legal guardian, or by the juvenile if he or she has reached the age of majority at the time of applying;
- Submits to the FDLE, with the application, an official written statement from the state attorney for the county in which the arrest occurred certifying that:
  - He or she has successfully completed that county’s prearrest or postarrest diversion program;
  - His or her participation in the program was based on an arrest for a nonviolent misdemeanor; and
  - He or she has not otherwise been charged by the state attorney with, or found to have committed, any criminal offense or comparable ordinance violation.
- Participated in a prearrest or postarrest diversion program that expressly authorizes or permits such expunction;
- Participated in a prearrest or postarrest diversion program based on an arrest for a nonviolent misdemeanor that would not qualify as an act of domestic violence;\(^\text{24}\) and
- Has never been, before filing the application for expunction, charged by the state attorney with, or found to have committed, any criminal offense or comparable ordinance violation.\(^\text{25}\)

The FDLE is authorized to charge a $75 processing fee for each request received for prearrest or postarrest diversion program expunction. The fee may be waived by the executive director.\(^\text{26}\)

Generally, a person who has his or her nonjudicial arrest record expunged by the FDLE may lawfully deny or fail to acknowledge the arrest and the charge covered by the expunged record.\(^\text{27}\) However, the expunged nonjudicial arrest record will be made available to criminal justice agencies for the following purposes:

- Determining eligibility for prearrest, postarrest, or teen court diversion programs;
- When the record is sought as part of a criminal investigation; or

III. Effect of Proposed Changes:

Prearrest Diversion Programs (Adults and Juveniles)

The Legislature finds that the creation and implementation of a prearrest diversion program for adults and a civil citation or similar diversion program for juveniles (collectively referred to as prearrest diversion programs) at the judicial circuit level promotes public safety, aids interagency cooperation, and provides the greatest chance of success for prearrest diversion programs. Further, the Legislature finds that the widespread use of prearrest diversion programs has a positive effect on the criminal justice system and contributes to an overall reduction in the crime rate and recidivism in the state. The Legislature encourages counties, municipalities, and public or private educational institutions to participate in the prearrest diversion programs created by their judicial circuits.

The bill requires the establishment of two prearrest diversion programs in each judicial circuit in the state, one for adults and one for juveniles. The bill requires the programs to be created with the collaboration of the public defender, the state attorney, the clerk of the court for each county in the circuit, and representatives of participating law enforcement agencies in the circuit. The bill requires the DJJ to develop and provide guidelines for best practice models for civil citation or similar diversion programs to the judicial circuits to use as a resource in developing and refining the circuit-wide programs.

The bill provides that each judicial circuit’s prearrest diversion program must specify:

• The misdemeanor offenses that qualify an adult or juvenile for participation in the program;
• The eligibility criteria for the program;
• The program’s implementation and operation;
• The program’s requirements, including, but not limited to:
  o The completion of community service hours;
  o Payment of restitution, if applicable; and
  o Intervention services indicated by a needs assessment of the adult or juvenile; and

³⁰ Sealing of a record means the preservation of a record under such circumstances that it is secure and inaccessible to any person not having a legal right of access to the record of the information contained and preserved therein. See s. 943.054(19), F.S.

A program fee, if any, to be paid by an adult or juvenile participating in the program.\footnote{If the program imposes a fee, the clerk of the court of the applicable county must receive a reasonable portion of the fee.}

The bill requires the state attorney of each circuit to operate both prearrest diversion programs. A sheriff, police department, county, municipality, or public or private educational institution may continue to operate an independent prearrest diversion program if it is in operation as of October 1, 2018, and is determined by the state attorney of that circuit to be substantially similar to the prearrest diversion program developed by the circuit. If the independent program is not substantially similar to the program developed by the circuit, the operator of the independent program may revise the program and the state attorney may conduct an additional review of the independent program.

The bill provides that a judicial circuit may look to model the circuit’s programs after an existing sheriff, police department, county, municipality or public or private educational institution’s prearrest diversion program.

The bill provides that if an adult or juvenile does not successfully complete the prearrest diversion program, the arresting law enforcement officer must determine if there is good cause to arrest the adult or juvenile for the original misdemeanor offense and refer the case to the state attorney to determine if prosecution is appropriate or rather, allow the adult or juvenile to continue in the prearrest diversion program.

The bill handles an adult participant’s personal identifying information differently than that of a juvenile participant. Upon intake of an adult participating in the program, the state attorney or the person operating the independent program must electronically provide the adult’s personal identifying information to the clerk of the court for the county in which the adult is participating in the program. This personal identifying information is not considered a court record and the confidentiality of the information must be maintained. The bill requires the clerk of the court to maintain this information in the Comprehensive Case Information System, which provides a single point of access for all such statewide information.

Whereas, when a juvenile participates in a prearrest diversion program, the DJJ receives a copy of the civil citation or similar diversion program notice and enters the appropriate information into the juvenile offender information system. The notice of a juvenile’s civil citation or similar diversion program is also sent to the juvenile’s parent or guardian and the victim. At the conclusion of a juvenile’s participation in a civil citation or similar diversion program, the state attorney operating the program must report the outcome to the DJJ.

Expunction of Juvenile Criminal History Record

The bill amends s. 943.0582, F.S., to require the FDLE to adopt rules to provide for the expunction of a nonjudicial record of the arrest of a juvenile who has successfully completed a diversion program for a misdemeanor offense. The bill specifies that an expunction under this section is limited to misdemeanor offenses.
The bill defines “diversion program” as a program under s. 985.12, F.S. (civil citation), s. 985.125, F.S. (prearrest or postarrest diversion programs), s. 985.155, F.S. (neighborhood restorative justice), or s. 985.16, F.S. (community arbitration), or a program to which a referral is made by a state attorney under s. 985.15(1)(g), F.S.

The bill requires the FDLE to expunge the nonjudicial arrest record of a juvenile if the juvenile has never previously received an expunction under s. 943.0582, F.S. The bill also requires the diversion program to submit a certification for expunction to the FDLE as a prerequisite to expunging the juvenile’s nonjudicial arrest record under this section.

The bill removes the requirements for the juvenile to submit an application and official written statement from the state attorney to the FDLE prior to obtaining an expunction of his or her nonjudicial arrest record. The bill also removes the authority granted to the FDLE to charge a $75 processing fee for seeking an expunction under this section.

The bill maintains that “expunction” has the same meaning and effect as in s. 943.0585, F.S., providing that a person who has his or her nonjudicial arrest record expunged may lawfully deny or fail to acknowledge the arrest and the charge covered by the expunged record. However, the bill limits the purposes in which an expunged nonjudicial arrest record will be made available to criminal justice agencies to the following:

- Determining eligibility for diversion programs;
- A criminal investigation; or
- Making a prosecutorial decision under s. 985.15, F.S.

Thus, the bill provides that the nonjudicial arrest record of a person whose record is expunged under this section will no longer be made available when the subject of the record is a candidate for employment with a criminal justice agency.

**Diversion Program Data Collection**

The bill provides that the term “diversion program” has the same meaning as provided in s. 943.0582, F.S.33

The bill requires each diversion program to submit the following:

- A certification for expunction to the FDLE of the juvenile’s nonjudicial arrest record under s. 943.0582, F.S., if the juvenile:
  - Successfully completes the diversion program for a first-time misdemeanor offense; and
  - Has not otherwise been charged by the state attorney with, or been found to have committed, a criminal offense or comparable ordinance violation.
- Data to the DJJ in a form prescribed by the DJJ which identifies the following for each juvenile who participates in the diversion program:
  - The race, ethnicity, gender, and age of the juvenile;
  - The offense committed, with citation to the specific law establishing the offense; and

---

33 The bill defines “diversion program” as a program under s. 985.12, F.S. (civil citation), s. 985.125, F.S. (prearrest or postarrest diversion programs), s. 985.155, F.S. (neighborhood restorative justice), or s. 985.16, F.S. (community arbitration), or a program to which a referral is made by a state attorney under s. 985.15(1)(g), F.S.
Additionally, each law enforcement agency must submit the following data to the DJJ for each juvenile who is eligible for the diversion program, but who is instead referred to the DJJ, provided a notice to appear, or arrested:
- Whether the juvenile was offered the opportunity to participate in the diversion program. If the juvenile was:
  - Not offered such opportunity, the reason such offer was not made.
  - Offered such opportunity, whether juvenile or his or her parent or legal guardian declined to participate in the diversion program.

The DJJ must compile the data listed above and publish it on the DJJ’s website in a format that is, at a minimum, sortable by:
- Judicial circuit;
- County;
- Law enforcement agency;
- Race or ethnicity;
- Gender;
- Age; and
- Offense committed.

The bill takes effect October 1, 2018.

34 Each law enforcement agency is also required to collect and submit this data to the DJJ for each juvenile who was eligible for a diversion program, but was instead referred to the DJJ, provided a notice to appear, or arrested.
B. Private Sector Impact:

Adults and juveniles who wish to participate in a prearrest diversion program may have to pay a fee, depending on the guidelines established by each individual judicial circuit. The participant may also have to pay restitution as part of the prearrest diversion program, depending on what is indicated by the assessment of the adult or juvenile.

C. Government Sector Impact:

The bill provides that if there is a fee imposed, a reasonable portion of the fee must be given to the clerk of the court of the applicable county. The amount of fee revenue the clerks will collect from this provision is indeterminate.

The Florida Department of Law Enforcement will experience an increase in workload related to the implementation of the expunction processing. The magnitude of the costs associated with this additional workload, along with costs for computer programming, are indeterminate. The department will also experience a reduction in revenue associated with the removal of its authority to charge a $75 processing fee for those seeking a prearrest or postarrest diversion program expunction. The magnitude of the revenue loss is indeterminate.

In addition, the Department of Juvenile Justice will experience an increase in workload relating to data collection and website publishing requirements. The costs associated with this workload is indeterminate.

Creation of a prearrest diversion program for adults may result in cost savings for local government (reduced booking/arrest-processing costs), depending on the number of eligible offenses, other eligibility criteria chosen, the pool of eligible adults, the number of participating law enforcement agencies, the use of the prearrest diversion program, and any impact the program may have in reducing arrests.

A. Committee Substitute – Statement of Substantial Changes:
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Criminal Justice on January 22, 2018:
The Committee Substitute:

- Requires the DJJ to develop and provide guidelines for best practice models for civil citation or similar diversion programs to the judicial circuits as a resource;
- Clarifies that the state attorney will be required to operate the prearrest diversion programs for the circuit;
- Clarifies that an independent prearrest diversion program may continue to operate in addition to the circuit-wide program;
- Specifies that the clerk of the court will store an adult’s personal identifying information in the Comprehensive Case Information System; and
- Requires each law enforcement agency to submit certain information to the DJJ relating to a juvenile who is eligible to participate in a civil citation or similar diversion program, but was instead referred to the DJJ, provided a notice to appear, or arrested.

Section 2. Section 943.0582, Florida Statutes, is amended
to read:

943.0582 Prearrest, postarrest, or teen court diversion
program expunction.—
(1) Notwithstanding any law dealing generally with the preservation and destruction of public records, the department shall adopt rules to provide, by rule adopted pursuant to chapter 120, for the expunction of any nonjudicial record of the arrest of a minor who has successfully completed a prearrest or postarrest diversion program for a misdemeanor offense as authorized by s. 985.125.

(2)(a) As used in this section, the term:

(a) “Diversion program” means a program under s. 985.12, s. 985.125, s. 985.155, or s. 985.16 or a program to which a referral is made by a state attorney under s. 985.15(1)(g).

(b) “Expunction” has the same meaning ascribed in and has the same effect as in s. 943.0585, except that:

1. Section The provisions of s. 943.0585(4)(a) does not apply, except that the criminal history record of a person whose record is expunged pursuant to this section shall be made available only to criminal justice agencies for the purpose of:

   a. Determining eligibility for prearrest, postarrest, or teen court diversion programs;

   b. when the record is sought as part of a criminal investigation; or

   c. Making a prosecutorial decision under s. 985.15; or when the subject of the record is a candidate for employment with a criminal justice agency. For all other purposes, a person whose record is expunged under this section may lawfully deny or fail to acknowledge the arrest and the charge covered by the expunged record.

2. Records maintained by local criminal justice agencies in the county in which the arrest occurred that are eligible for
expunction pursuant to this section shall be sealed as the term
is used in s. 943.059.

(b) As used in this section, the term “nonviolent
misdemeanor” includes simple assault or battery when prearrest
or postarrest diversion expunction is approved in writing by the
state attorney for the county in which the arrest occurred.

(3) The department shall expunge the nonjudicial arrest
record of a minor who has successfully completed a prearrest or
postarrest diversion program if the minor has never previously
received an expunction under this section and the diversion
program submits a certification for expunction that minor:

(a) Submits an application for prearrest or postarrest
diversion expunction, on a form prescribed by the department,
signed by the minor’s parent or legal guardian, or by the minor
if he or she has reached the age of majority at the time of
applying.

(b) Submits to the department, with the application, an
official written statement from the state attorney for the
county in which the arrest occurred certifying that he or she
has successfully completed that county’s prearrest or postarrest
diversion program, that his or her participation in the program
was based on an arrest for a nonviolent misdemeanor, and
that he or she has not otherwise been charged by the state
attorney with, or found to have committed, any criminal offense
or comparable ordinance violation.

(c) Participated in a prearrest or postarrest diversion
program that expressly authorizes or permits such expunction.

(d) Participated in a prearrest or postarrest diversion
program based on an arrest for a nonviolent misdemeanor that

would not qualify as an act of domestic violence as that term is defined in s. 741.28.

(c) Has never been, before filing the application for expunction, charged by the state attorney with, or found to have committed, any criminal offense or comparable ordinance violation.

(4) The department is authorized to charge a $75 processing fee for each request received for prearrest or postarrest diversion program expunction, for placement in the Department of Law Enforcement Operating Trust Fund, unless such fee is waived by the executive director.

(5) Expunction or sealing granted under this section does not prevent the minor who receives such relief from petitioning for the expunction or sealing of a later criminal history record as provided for in ss. 943.0583, 943.0585, and 943.059, if the minor is otherwise eligible under those sections.

Section 3. Section 985.12, Florida Statutes, is amended to read:

985.12 Civil citation or similar diversion programs.—

(1) **LEGISLATIVE FINDINGS AND INTENT.**—The Legislature finds that the creation and implementation of civil citation or similar diversion programs at the judicial circuit level promotes public safety, aids interagency cooperation, and provides the greatest chance of success for civil citation and similar diversion programs. The Legislature further finds that the widespread use of civil citation and similar diversion programs has a positive effect on the criminal justice system and contributes to an overall reduction in the crime rate and recidivism in the state. The Legislature encourages but does not
mandate that counties, municipalities, and public or private educational institutions participate in a civil citation or similar diversion program created by their judicial circuit under this section. There is established a juvenile civil citation process for the purpose of providing an efficient and innovative alternative to custody by the Department of Juvenile Justice for children who commit nonserious delinquent acts and to ensure swift and appropriate consequences. The department shall encourage and assist in the implementation and improvement of civil citation programs or other similar diversion programs around the state.

(2) JUDICIAL CIRCUIT CIVIL CITATION OR SIMILAR DIVERSION PROGRAM DEVELOPMENT, IMPLEMENTATION AND OPERATION.—

(a) The civil citation or similar diversion program shall be established in each judicial circuit in the state. The at the local level with the concurrence of the chief judge of the circuit, state attorney and public defender of each circuit, the clerk of the court for each county in the circuit, and representatives of participating law enforcement agencies in the circuit shall create a civil citation or similar diversion program and develop its policies and procedures. In developing the program’s policies and procedures, input from other interested stakeholders may be solicited. The department shall annually develop and provide guidelines on best practice models for civil citation or similar diversion programs to the judicial circuits as a resource.

(b) Each judicial circuit’s civil citation or similar diversion program must specify:

1. The misdemeanor offenses that qualify a juvenile for
participation in the program;
  2. The eligibility criteria for the program;
  3. The program’s implementation and operation;
  4. The program’s requirements, including, but not limited
to, the completion of community service hours, payment of
restitution, if applicable, and intervention services indicated
by a needs assessment of the juvenile, approved by the
department, such as family counseling, urinalysis monitoring,
and substance abuse and mental health treatment services; and
  5. A program fee, if any, to be paid by a juvenile
participating in the program. If the program imposes a fee, the
clerk of the court of the applicable county must receive a
reasonable portion of the fee.

(c) The state attorney of each circuit shall operate a
civil citation or similar diversion program in each circuit. A
sheriff, police department, county, municipality, or public or
private educational institution may continue to operate an
independent civil citation or similar diversion program that is
in operation as of October 1, 2018, if the independent program
is reviewed by the state attorney of the applicable circuit and
he or she determines that the independent program is
substantially similar to the civil citation or similar diversion
program developed by the circuit. If the state attorney
determines that the independent program is not substantially
similar to the civil citation or similar diversion program
developed by the circuit, the operator of the independent
diversion program may revise the program and the state attorney
may conduct an additional review of the independent program.

(d) A judicial circuit may model an existing sheriff,
police department, county, municipality, or public or private educational institution’s independent civil citation or similar diversion program in developing the civil citation or similar diversion program for the circuit.

(e) If a juvenile does not successfully complete the civil citation or similar diversion program, the arresting law enforcement officer shall determine if there is good cause to arrest the juvenile for the original misdemeanor offense and refer the case to the state attorney to determine if prosecution is appropriate or allow the juvenile to continue in the program and the head of each local law enforcement agency involved. The program may be operated by an entity such as a law enforcement agency, the department, a juvenile assessment center, the county or municipality, or another entity selected by the county or municipality. An entity operating the civil citation or similar diversion program must do so in consultation and agreement with the state attorney and local law enforcement agencies. Under such a juvenile civil citation or similar diversion program, a law enforcement officer, upon making contact with a juvenile who admits having committed a misdemeanor, may choose to issue a simple warning or inform the child’s guardian or parent of the child’s infraction, or may issue a civil citation or require participation in a similar diversion program, and assess up to 50 community service hours, and require participation in intervention services as indicated by an assessment of the needs of the juvenile, including family counseling, urinalysis monitoring, and substance abuse and mental health treatment services.

(f) A copy of each civil citation or similar diversion
program notice issued under this section shall be provided to
the department, and the department shall enter appropriate
information into the juvenile offender information system. Use
of the civil citation or similar diversion program is not
limited to first-time misdemeanors and may be used in up to two
subsequent misdemeanors. If an arrest is made, a law enforcement
officer must provide written documentation as to why an arrest
was warranted.

(g) At the conclusion of a juvenile’s civil citation
program or similar diversion program, the state attorney or
operator of the independent program agency operating the program
shall report the outcome to the department. The issuance of a
civil citation or similar diversion program notice is not
considered a referral to the department.

(2) The department shall develop guidelines for the civil
citation program which include intervention services that are
based upon proven civil citation or similar diversion programs
within the state.

(h) Upon issuing such a civil citation or similar
diversion program notice, the law enforcement officer shall send
a copy of the civil citation or similar diversion program
notice to county sheriff, state attorney, the appropriate intake
office of the department, or the community service performance
monitor designated by the department, the parent or guardian of
the child, and to the victim.

(4) The child shall report to the community service
performance monitor within 7 working days after the date of
issuance of the citation. The work assignment shall be
accomplished at a rate of not less than 5 hours per week. The
monitor shall advise the intake office immediately upon reporting by the child to the monitor, that the child has in fact reported and the expected date upon which completion of the work assignment will be accomplished.

(5) If the child fails to report timely for a work assignment, complete a work assignment, or comply with assigned intervention services within the prescribed time, or if the juvenile commits a subsequent misdemeanor, the law enforcement officer shall issue a report alleging the child has committed a delinquent act, at which point a juvenile probation officer shall process the original delinquent act as a referral to the department and refer the report to the state attorney for review.

(6) At the time of issuance of the citation by the law enforcement officer, such officer shall advise the child that the child has the option to refuse the citation and to be referred to the intake office of the department. That option may be exercised at any time before completion of the work assignment.

Section 4. Subsection (3) of section 985.125, Florida Statutes, is amended to read:

985.125 Prearrest or postarrest diversion programs.—
(3) The prearrest or postarrest diversion program may, upon agreement of the agencies that establish the program, provide for the expunction of the nonjudicial arrest record of a minor who successfully completes such a program pursuant to s. 943.0582.

Section 5. Section 985.126, Florida Statutes, is created to read:
985.126 Diversion programs; data collection; denial of participation or expunged record.—
(1) As used in this section, the term “diversion program” has the same meaning as in s. 943.0582.
(2) Each diversion program shall submit:
   (a) A certification for expunction to the Department of Law Enforcement of the juvenile’s nonjudicial arrest record under s. 943.0582 if the juvenile:
   1. Successfully completes the diversion program for a first-time misdemeanor offense; and
   2. Has not otherwise been charged by the state attorney with, or been found to have committed, a criminal offense or comparable ordinance violation.
   (b) Data to the department in a form prescribed by the department which identifies for each juvenile who participates in the diversion program:
   1. The race, ethnicity, gender, and age of the juvenile;
   2. The offense committed, with citation to the specific law establishing the offense; and
   3. The judicial circuit and county in which the offense was committed and the law enforcement agency that had contact with the juvenile for the offense.
(3) Each law enforcement agency shall submit to the department data that identifies for each juvenile who was eligible for a diversion program, but was instead referred to the department, provided a notice to appear, or arrested:
   (a) The data required under paragraph (2)(b).
   (b) Whether the juvenile was offered the opportunity to participate in the diversion program. If the juvenile was:
1. Not offered such opportunity, the reason such offer was not made.

2. Offered such opportunity, whether the juvenile or his or her parent or legal guardian declined to participate in the diversion program.

(4) The department shall compile the data required under subsections (2) and (3) and publish it on the department’s website in a format that is, at a minimum, sortable by judicial circuit, county, law enforcement agency, race or ethnicity, gender, age, and offense committed.

(5) A juvenile who successfully completes a diversion program for a first-time misdemeanor offense may lawfully deny or fail to acknowledge his or her participation in the program and an expunction of a nonjudicial arrest record under s. 943.0582, unless the inquiry is made by a criminal justice agency, as defined in s. 943.045, for a purpose described in s. 943.0582(2)(a)1.

Section 6. This act shall take effect October 1, 2018.

I. Summary:

PCS/CS/SB 1396 increases the number of trial court judgeships authorized by statute by two circuit court judgeships and five county court judgeships. The bill also permits Supreme Court justices permanently residing outside of Leon County to be paid subsistence and travel expenses when conducting business at the headquarters of the Supreme Court in Tallahassee. In addition, the bill increases the jurisdiction of county court to include actions at law with an amount in which the matter in controversy does not exceed $50,000, rather than the current limit of $15,000.

The bill’s provisions increasing trial court judgeships and reimbursing justices’ subsistence and travel expenses will increase state expenditures by $2.5 million in Fiscal Year 2018-2019. See Section V. Fiscal Impact Statement.

The bill is effective July 1, 2018.

II. Present Situation:

Headquarters of the Supreme Court

Article II, section 2 of the Florida Constitution designates Tallahassee as the seat of state government “where the offices of the governor, lieutenant governor, cabinet members and the
Supreme Court shall be maintained and the sessions of the legislature shall be held.1 Article V, section 3 of the Florida Constitution provides that the Supreme Court will consist of seven justices, and that each of the five appellate districts “shall have at least one justice elected or appointed from the district at the time of the original appointment or election.” The chambers of all seven justices are on the fourth floor of the Florida Supreme Court building,2 and all official Supreme Court business is conducted in Tallahassee.3 The justices are not required to move from their residences in the appellate districts to Tallahassee.

Headquarters for Purposes of Travel Reimbursement

Section 112.061, F.S., concerns the reimbursement of travel expenses to public employees and officers. To that end, s. 112.061(4), F.S., provides that while “[t]he official headquarters of an officer or employee assigned to an office shall be the city or town in which the office is located,” there are some exceptions:

(a) The official headquarters of a person located in the field shall be the city or town nearest to the area where the majority of the person’s work is performed, or such other city, town, or area as may be designated by the agency head provided that in all cases such designation must be in the best interests of the agency and not for the convenience of the person.

(b) When any state employee is stationed in any city or town for a period of over 30 continuous workdays, such city or town shall be deemed to be the employee’s official headquarters, and he or she shall not be allowed per diem or subsistence, as provided in this section, after the said period of 30 continuous workdays has elapsed, unless this period of time is extended by the express approval of the agency head or his or her designee.

(c) A traveler may leave his or her assigned post to return home overnight, over a weekend, or during a holiday, but any time lost from regular duties shall be taken as annual leave and authorized in the usual manner. The traveler shall not be reimbursed for travel expenses in excess of the established rate for per diem allowable had he or she remained at his or her assigned post. However, when a traveler has been temporarily assigned away from his or her official headquarters for an approved period extending beyond 30 days,

But those significant facts, which Castro relies on when citing other cases, are absent here.” Id. Oct. 11, 2016) (transferring another disgruntled bar candidate’s case to the Northern District based a motion to dismiss filed by Justice Labarga noting that official acts by the Florida Supreme Court concerning the candidate’s admission to the bar are done in Tallahassee; citing FLA. CONST. art. II, s. 2, noting that Tallahassee “is where the offices of the Florida Supreme Court shall be maintained.”).
he or she shall be entitled to reimbursement for travel expenses at the established rate of one round trip for each 30-day period actually taken to his or her home in addition to pay and allowances otherwise provided.⁴

Additionally, s. 112.061(1)(b)1., F.S., provides that

To preserve the standardization established by this law . . . [t]he provisions of this section shall prevail over any conflicting provisions in a general law, present or future, to the extent of the conflict; but if any such general law contains a specific exemption from this section, including a specific reference to this section, such general law shall prevail, but only to the extent of the exemption.

Section 112.061, F.S. applies to the court system. In particular, a district court of appeal—the headquarters of which is defined by the Legislature, not the Constitution⁵—is authorized by the current version of s. 35.05(2), F.S. to “designate other locations within its district as branch headquarters for the conduct of the business of the court and as the official headquarters of its officers or employees pursuant to s. 112.061.”⁶ However, a prior version of s. 35.05, F.S. contained no such authorization and designated one city as the headquarters for each district court of appeal.⁷

On the other hand, prior versions of s. 112.061(4), in particular the 1973 version, is substantially similar if not identical to the current version of the statute.⁸ The reason this matters is that the 1973 version of s. 112.061(4) was interpreted by the Attorney General’s office to mean that a district court of appeal judge could not designate the city of his or her residence as his or her official headquarters for purposes of travel expenses.⁹ As explained by the AG opinion:

Section 112.061, F.S., has been uniformly interpreted by this office as authorizing reimbursement for travel expense only from the official headquarters of the public officer or employee; and, as defined in subsection 112.061(4), the official headquarters “of an officer or employee assigned to an office shall be the city or town in which the office is located . . . .” (The provisions of paragraphs (4)(a), (b), and (c), relating to public officers or employees “located in the field” or “stationed” in another city or town, are not applicable here for obvious reasons.) The official headquarters of each district court of appeal is designated by statute, s. 35.05, F.S., and that is where the majority of the work of the court is performed.¹⁰

Notably, the AG Opinion relied on the fact that s. 35.05, F.S., designated the official headquarters of each district court of appeal in specific cities. However, as already noted, s. 35.05, F.S., has since been amended and now permits a district court of appeal to “designate

other locations within its district as branch headquarters for the conduct of the business of the court and as the official headquarters of its officers or employees pursuant to s. 112.061.”

Currently, it appears that only the Second District Court of Appeal has designated a second branch office, in Tampa on the Stetson University campus. However, the Second District’s clerk’s office is at the official headquarters in Lakeland.

Neither justices of the Supreme Court nor judges for the district courts of appeal residing outside the city where their respective courts are headquartered receive travel and subsistence reimbursement.

**Certification of Need for Additional Judges**

Article V, section 9 of the Florida Constitution requires the Florida Supreme Court to submit recommendations to the Legislature when there is a need to increase or decrease the number of judges. The constitutional provision further directs the Court to base its recommendations on uniform criteria adopted by court rule.

The Court’s rule setting forth criteria for assessing judicial need at the trial court level is based primarily upon the application of case weights to circuit and county court caseload statistics. These weights are a quantified measure of judicial time spent on case-related activity. The judicial workload is then based on judicial caseloads adjusted in the relative complexity of various case types.

In addition to the statistical information, the Court, in weighing the need for trial court judges, will also consider the factors below which primarily relate to the resources available to a judicial circuit:

(i) The availability and use of county court judges in circuit court.

---

11 Section 35.05(2), F.S.
13 Id.
14 FLA. CONST. art. V, s. 9. states:

**Determination of number of judges.**—The supreme court shall establish by rule uniform criteria for the determination of the need for additional judges except supreme court justices, the necessity for decreasing the number of judges and for increasing, decreasing or redefining appellate districts and judicial circuits. If the supreme court finds that a need exists for increasing or decreasing the number of judges or increasing, decreasing or redefining appellate districts and judicial circuits, it shall, prior to the next regular session of the legislature, certify to the legislature its findings and recommendations concerning such need. Upon receipt of such certificate, the legislature, at the next regular session, shall consider the findings and recommendations and may reject the recommendations or by law implement the recommendations in whole or in part; provided the legislature may create more judicial offices than are recommended by the supreme court or may decrease the number of judicial offices by a greater number than recommended by the court only upon a finding of two-thirds of the membership of both houses of the legislature, that such a need exists. A decrease in the number of judges shall be effective only after the expiration of a term. If the supreme court fails to make findings as provided above when need exists, the legislature may by concurrent resolution request the court to certify its findings and recommendations and upon the failure of the court to certify its findings for nine consecutive months, the legislature may, upon a finding of two-thirds of the membership of both houses of the legislature that a need exists, increase or decrease the number of judges or increase, decrease or redefine appellate districts and judicial circuits.

(ii) The availability and use of senior judges to serve on a particular court.
(iii) The availability and use of magistrates and hearing officers.
(iv) The extent of use of alternative dispute resolution.
(v) The number of jury trials.
(vi) Foreign language interpretations.
(vii) The geographic size of a circuit, including travel times between courthouses in a particular jurisdiction.
(viii) Law enforcement activities in the court’s jurisdiction, including any substantial commitment of additional resources for state attorneys, public defenders, and local law enforcement.
(ix) The availability and use of case-related support staff and case management policies and practices.
(x) Caseload trends.16

In addition to the weighted caseload statistics, the Court will also consider the time to perform other judicial activities, such as reviewing appellate decisions, reviewing petitions and motions for post-conviction relief, hearing and disposing motions, and participating in meetings with those involved in the justice system.17 Finally, the Court will consider any request for an increase or decrease in the number of judges that the chief judge of the circuit “feels are required.”18

Certification of Need for Additional Judges for FY 2018-2019

Following its criteria for determining the need for judges, the Florida Supreme Court recently issued an order certifying the need for additional judges for the 2018-2019 fiscal year.19 In the order, the Court requested two additional judgeships for the Ninth Judicial Circuit, which encompasses Orange and Osceola Counties, and two additional county court judgeships in Hillsborough County.20 The Court also decertified the need for 13 county court judgeships as follows: one from Escambia County, two from Pasco County, one from Putnam County, one from Alachua County, one from Polk County, one from Monroe County, three from Brevard County, one from Charlotte County, and one from Collier County.21

Judicial Nominating Commissions

Unless otherwise provided by law, the Governor fills a newly created judgeship by appointing a judge from among three to six persons nominated by a judicial nominating commission.22 Once a vacancy occurs, a judicial nominating commission must submit its nominations to the Governor within 30 days, but the Governor may grant an extension to the commission of up to 30 days.23

23 Fla. Const. art. V, s. 11(c). The judicial vacancies created by the bill do not occur until its effective date of July 1, 2018. However, “nothing in the Florida Constitution prevents the relevant judicial nominating commission (“JNC”) from beginning
Within 60 days after receiving the nominations, the Governor must make an appointment to fill the vacancy.\textsuperscript{24}

The appointee’s term will end “on the first Tuesday after the first Monday in January of the year following the next primary and general election occurring at least one year after the date of appointment.” Thus, the initial term of a judgeship created during the 2018 Session will end on January 12, 2021. At the end of the appointed term, the judicial offices will be filled by election.\textsuperscript{25}

**Legislative Powers Concerning Court Jurisdiction**

The Constitution confers some authority over the jurisdiction of the courts to the Legislature. Although the territorial and subject matter jurisdiction of the Florida Supreme Court is primarily defined by the Constitution, the Legislature has constitutional authority to provide for the territorial jurisdiction and the subject matter jurisdiction of the courts.\textsuperscript{26} For example, the Legislature is granted broad authority to define the jurisdiction\textsuperscript{27} of the county courts: “The county courts shall exercise the jurisdiction prescribed by general law. Such jurisdiction shall be uniform throughout the state.”\textsuperscript{28}

Because the jurisdiction of the circuit court is limited by the jurisdiction of the county courts under the Constitution, the Legislature’s authority to define the jurisdiction of the circuit courts is also fairly broad:

The circuit courts shall have original jurisdiction not vested in the county courts, and jurisdiction of appeals when provided by general law. They shall have the power to issue writs of mandamus, quo warranto, certiorari, prohibition and habeas corpus, and all writs necessary or proper to the complete exercise of their jurisdiction. Jurisdiction of the circuit court shall be uniform throughout the state. They shall have the power of direct review of administrative action prescribed by general law.\textsuperscript{29}

**County Court Jurisdiction**

As provided by the Legislature in s. 34.01, F.S., the county court is a trial court that has jurisdiction over the following subject matters within its jurisdictional (monetary) amount of $15,000:

- All criminal misdemeanor cases not cognizable by the circuit courts;
- All violations of municipal and county ordinances;
- All actions at law involving damages up to $15,000, not including interest, costs, and attorney’s fees, unless the cause of action is within the exclusive jurisdiction of the circuit courts;
- Concurrent jurisdiction with the circuit courts over disputes between homeowners’ associations and parcel owners;
- Concurrent jurisdiction with circuit courts to hear uncontested dissolution of marriage petitions under the simplified dissolution procedures;
- Any subject matter jurisdiction previously exercised by the county courts prior to the adoption of the 1968 Constitution, including that of the small claims courts; and
- Any matter in equity (such as an eviction)\(^{30}\) that is within the jurisdictional amount of the county court, $15,000.

The Legislature has increased the jurisdictional amount of county court three times since 1980. Before July 1, 1980, the amount was $2,500; on July 1, 1980, it changed to $5,000; on July 1, 1990, to $10,000; and on July 1, 1992, to $15,000. According to the Consumer Price Index, $15,000 in July 1992 had the same buying power as $26,319 in December 2017.

The National Center for State Courts reports that jurisdictional amounts for courts comparable to Florida’s county courts range from $5,000 to $200,000.\(^{31}\) Florida is one of four states with a limit of $15,000. Four states have a jurisdictional limit of $25,000; 22 states use $30,000 or less; one uses $40,000; and five use more than $40,000, with four of those greater than $50,000.\(^{32}\)

**Circuit Court Jurisdiction**

Because the circuit courts have exclusive jurisdiction over “all actions at law not cognizable by the county courts,” the circuit court’s current jurisdictional amount is $15,000 or above for cases demanding money judgments.\(^{33}\)

Additionally, with two exceptions, the circuit court has appellate jurisdiction over county court cases. Under the two exceptions, the district court of appeal has appellate jurisdiction over a county court case when a county court either declares a statute or constitutional provision invalid.

\(^{30}\)Section 34.011, F.S. (providing that county and circuit courts generally have concurrent jurisdiction over landlord tenant cases, although county court will have exclusive jurisdiction over proceedings relating to the right of possession so long as matter is under $15,000.).

or certifies a question of great public importance. Additionally, if the law applied by the circuit court sitting in its appellate capacity is in question, a party may seek review by the appropriate district court of appeal by filing a petition of writ of certiorari.

Notably, foreclosure cases, which are cases in equity, are not one of the subject areas statutorily defined as being within the exclusive jurisdiction of the circuit court. Rather, the Florida Supreme Court in *Alexdex Corp. v. Nachon Enterprises, Inc.*, concluded in resolving a conflict between the statutes setting forth the county court’s and the circuit court’s equity jurisdiction in foreclosure cases, “the legislature intended to provide concurrent equity jurisdiction in circuit and county courts, except that equity cases filed in county courts must fall within the county court’s monetary jurisdiction, as set by statute.”

**III. Effect of Proposed Changes:**

**Section 1** creates s. 25.025, F.S., to permit a Supreme Court justice permanently residing outside of Leon County to be paid subsistence and travel expenses, at a rate established by the Chief Justice, when conducting business at the headquarters of the Supreme Court in Tallahassee. A justice who resides outside of Leon County is authorized to designate an official headquarters in the District Court of Appeal district in which he or she resides, located in a district court of appeal courthouse, county courthouse or other appropriate facility. A justice will be paid travel expenses when travelling between his or her official headquarters and Tallahassee on official business and reimbursed subsistence for each day or partial day he or she is in Tallahassee. The Supreme Court may not use state funds to lease space in a facility to establish an official headquarters for a justice.

**Section 2** amends s. 26.031, Florida Statutes, to add two circuit court judgeships to the Ninth Judicial Circuit Court, which includes Orange and Osceola Counties. The newly created judgeships will be filled by the Governor from among nominees by the Ninth Circuit Judicial Nominating Commission.

**Section 3** amends s. 34.01, Florida Statutes, to expand the jurisdiction of county court to include actions at law with an amount in which the matter in controversy does not exceed $50,000, rather than the current limit of $15,000. The new limit applies to actions filed on or after January 1, 2020. The bill requires that the Legislature adjust the limit every 5 years to reflect the rate of inflation or deflation as indicated in the Consumer Price Index.

The bill also provides that parties shall pay the filing fees in the same amounts and in the same manner as current law. In other words, if the amount in controversy exceeds $15,000 but is less than the new limit of $50,000, the party would pay the filing fees associated with circuit court

even though the case would now reside in county court. This provision ensures that there will be no change to state revenues resulting from the bill.

Section 4 amends s. 34.002, Florida Statutes, to add five new county judgeships – two in Hillsborough County, and one each in Citrus, Columbia and Flagler counties. The newly created judgeships will be filled by the Governor from among nominees by the appropriate judicial nominating commissions.

The bill takes effect July 1, 2018.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. Other Constitutional Issues:

Addition of Judges Not Certified by the Florida Supreme Court- In order to create the three additional county court judgeships in Citrus, Columbia, and Flagler Counties, article V, section 9 of the Florida Constitution requires that these additions be approved by a two-thirds vote of each house.

Headquarters of the Florida Supreme Court Justices- It is unclear whether the Legislature has the authority to authorize the Chief Justice of the Florida Supreme Court to establish “headquarters” under s. 112.061, F.S., for any justice outside of Tallahassee, even if it is within the justice’s district.

Article II, section 2 of the Florida Constitution designates Tallahassee as the seat of state government “where the offices of the governor, lieutenant governor, cabinet members and the supreme court shall be maintained and the sessions of the legislature shall be held[.]”\(^{38}\) Under the rule of construction, “expressio unius est exclusio alterius” (the expression of one thing is the exclusion of the other), it appears by excluding the word “offices” for the legislature and only requiring that session be held in Tallahassee, the drafters of article II, section 2 understood that legislators must have offices within their districts around the state. However, the word “offices” is specifically used in reference to the governor, lieutenant governor, cabinet members, and the Florida Supreme Court in

\(^{38}\) FLA. CONST. art. II, s. 2 (emphasis added).
article II, section 2, and specifically requires that those offices be located at the seat of
government in Tallahassee.

While permitting a justice to work remotely or establish a private chamber in another
courthouse in the state does not appear to be problematic, it appears that another
“headquarters” outside of Tallahassee may not be constitutionally permissible.

V. Fiscal Impact Statement:
A. Tax/Fee Issues:
None.

B. Private Sector Impact:
In the jurisdictions where the bill creates new judgeships, litigants may have their cases
resolved more quickly.

C. Government Sector Impact:

State Government

Supreme Court Travel Expenses (Section 1)
According to the Office of the State Court Administrator, the travel and subsistence
provisions have an annual fiscal impact of $209,930 in recurring general revenue funds.
Supreme Court travel costs are based on official state mileage, assuming 40 round trips
yearly per justice between Tallahassee and the DCA headquarters in the justice’s home
appellate district. Subsistence costs assume 77 meeting days at $131 per day and 80
travel days at $98.25 per day, or $17,947 per justice.\(^{39}\)

New Circuit Court Judgeships (Section 2)
When circuit court judgeships are created, other costs must be incurred in addition to the
salary and benefits for each new judge. The largest of these costs are for the salary and
benefits of a judicial assistant and a law clerk for each judge. According to the Office of
the State Courts Administrator, the total costs to fund the addition of the two circuit court
judgeships created by the bill are $815,862 from the General Revenue Fund, of which
$14,394 are non-recurring costs.\(^{40}\)

New County Court Judgeships (Section 4)
When county court judgeships are created, the state must incur other costs in addition to
the salary and benefits of each new judge. The largest of these costs are for the salary and
benefits for a judicial assistant for each judge. Based on figures from the Office of the
State Courts Administrator, the total costs to fund the addition of the five county court

judgeships created by the bill are $1,556,890 from the General Revenue Fund, of which $23,990 are non-recurring costs.

Local Government
Under article V section 14(c) of the Florida Constitution and s. 29.008, F.S., counties are required to provide the court system, including the state attorney and the public defender, with facilities, security, and communication services, including information technology. Under the bill, the counties will incur an indeterminate amount of costs associated with providing those services to the new judges and judicial staff. The clerks of the court will also be required to provide additional services to the new judges.

VI. Technical Deficiencies:
None.

VII. Related Issues:
None.

VIII. Statutes Affected:
This bill creates section 25.025, Florida Statutes, and substantially amends the following sections of the Florida Statutes: 26.031, 34.01, and 34.022.

IX. Additional Information:
A. Committee Substitute – Statement of Changes:
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

Recommended CS by Appropriations Subcommittee on Criminal and Civil Justice on February 14, 2018:
The committee substitute:
- Permits Supreme Court justices permanently residing outside of Leon County to be paid subsistence and travel expenses;
- Increases the jurisdiction of county court to include actions at law with an amount in which the matter in controversy does not exceed $50,000, rather than the current limit of $15,000; and,
- Increases the number of county judgeships in the bill from two judgeships to five judgeships.

CS by Judiciary on January 25, 2018:
The committee substitute no longer includes a provision that would have reduced the number of county court judges in Monroe County.

B. Amendments:
None.
This Senate Bill Analysis does not reflect the intent or official position of the bill’s introducer or the Florida Senate.
Appropriations Subcommittee on Criminal and Civil Justice (Steube) recommended the following:

Senate Amendment (with title amendment)

Delete everything after the enacting clause and insert:

Section 1. Section 25.025, Florida Statutes, is created to read:

25.025 Headquarters.—

(1)(a) A Supreme Court justice who permanently resides outside Leon County shall, if he or she so requests, have a district court of appeal courthouse, a county courthouse, or

designated as his or her official headquarters pursuant to s. 112.061. This official headquarters may serve only as the
justice’s private chambers.

(b) A justice for whom an official headquarters is
designated in his or her district of residence under this
subsection is eligible for subsistence at a rate to be
established by the Chief Justice for each day or partial day
that the justice is at the headquarters of the Supreme Court for
the conduct of the business of the court. In addition to the
subsistence allowance, a justice is eligible for reimbursement
for transportation expenses as provided in s. 112.061(7) for
travel between the justice’s official headquarters and the
headquarters of the Supreme Court for the conduct of the
business of the court.

(c) Payment of subsistence and reimbursement for

The Honorable Jeff Brandes
Florida Senate
416 Senate Office Building
404 South Monroe Street
Tallahassee, FL 32399-1100

Dear Senator Brandes,

I am writing this letter because my bill, SB 1396 - Judgeships, has been referred to the Senate Appropriations Subcommittee on Criminal and Civil Justice. I am respectfully requesting that you place the bill on your committee’s calendar for the next committee week.

Thank you for your consideration. Please contact me if you have any questions.

Very respectfully yours,

W. Gregory Steube, District 23
I. Summary:

PCS/SB 1552 makes numerous changes relating to juvenile justice.

The bill makes the following changes, effective July 1, 2018:

- Removes the requirement that the proceeds from the “Invest in Children” license plate must be allocated based on each county’s proportionate share of the license plate annual use fee;
- Requires a prolific juvenile offender (PJO) who violates conditions of his or her nonsecure detention to be held in secure detention until a detention hearing is held; and
- Changes the minimum age in which a juvenile qualifies for transfer to adult court by discretionary direct file to 15 or 16 years of age (currently 14 or 15) if he or she is charged with an enumerated felony.

The bill also reenacts statutory authority (s. 985.672, F.S.) for the Department of Juvenile Justice (DJJ) to establish a direct-support organization (DSO) to provide assistance, funding, and support to assist the DJJ in furthering its goals. The bill removes a provision that repeals s. 985.672, F.S., on October 1, 2018, unless the repeal date is removed and the statute is reenacted. The bill requires the secretary of DJJ to appoint members to the DSO’s board of directors according to the DSO’s bylaws.

The bill also makes the following changes, effective July 1, 2019:

- Revises the Detention Risk Assessment Instrument (DRAI) used to determine placement of a juvenile in detention care; and
• Replaces the term “nonsecure” with “supervised release” and makes conforming changes throughout ch. 985, F.S., to be consistent with terminology and operation of the revised DRAI.

The Criminal Justice Impact Conference has not reviewed this bill but its provisions related to juveniles transferred to the adult system will likely increase DJJ’s expenditures and reduce the Department of Corrections’ expenditures. See Section V. Fiscal Impact Statement.

II. Present Situation:

“Invest in Children” License Plates

Section 320.08058(11)(a), F.S., establishes that the Department of Highway Safety and Motor Vehicles (DHSMV) must develop an “Invest in Children” license plate that is approved by the DHSMV. In 2017, there were 10,260 “Invest in Children” license plates sold.¹

The proceeds of the license plate annual use fee² must be deposited into the Juvenile Crime Prevention and Early Intervention Trust Fund within the DJJ. Based on recommendations of the juvenile justice councils, the DHSMV must use the proceeds of the fee to fund programs and services that are designed to prevent juvenile delinquency. The DHSMV must allocate money within each county based on each county’s proportionate share of the annual use fee collected by the county.³

Proceeds from the annual use fee for the “Invest in Children” license plate assist in funding:
• After-school activities;
• Mentoring;
• Tutoring;
• Job internships;
• Youth summits;
• Learning to live violence-free;
• Parent-child relationship building;
• Summer camp scholarships;
• Recreational programs for girls and boys; and
• Substance abuse prevention.⁴

Juvenile Intake and Detention

When a juvenile is taken into custody by law enforcement or the court, the intake process begins, with the purpose of assessing the juvenile’s needs and risks to determine the most appropriate

³ Section 320.08058(11)(b), F.S.
treatment plan and setting for the juvenile. Each juvenile undergoes an individualized assessment that begins with the standardized DRAI.

The DRAI must indicate whether detention care is warranted. Detention care is the temporary care of a child in secure or nonsecure detention, pending a court adjudication or disposition or execution of a court order.

The DRAI must take into consideration, but need not be limited to:
- Prior history of failure to appear;
- Prior offenses;
- Offenses committed pending adjudication;
- Any unlawful possession of a firearm;
- Theft of a motor vehicle or possession of a stolen motor vehicle;
- Probation status at the time the child is taken into custody;
- Aggravating and mitigating circumstances;
- Targeting a narrower population of juveniles than s. 985.255, F.S.; and
- The juvenile’s history of abuse and neglect.

The DRAI must indicate whether the juvenile should be placed into secure or nonsecure detention care. Secure detention is the temporary custody of the juvenile while the juvenile is under the physical restriction of a secure detention center or facility pending adjudication, disposition, or placement.

Nonsecure detention is the temporary, nonsecure custody of the juvenile while the juvenile is released to the custody of the parent, guardian, or custodian in a physically nonrestrictive environment while under the supervision of the DJJ staff pending adjudication, disposition, or placement. Forms of nonsecure detention include, but are not limited to:
- Home detention;
- Electronic monitoring;
- Day reporting centers;
- Evening reporting centers; and
- Nonsecure shelters.

7 Section 985.245(2)(b), F.S.
8 Section 985.03(18), F.S.

13 Section 985.03(18)(b), F.S.

The DJJ must ensure that a DRAI establishing the juvenile’s eligibility for detention has been accurately completed and that the appropriate recommendation was made to the court.\textsuperscript{15}

A juvenile taken into custody and placed into detention care must be given a hearing within 24 hours after being taken into custody.\textsuperscript{16} The court may order continued detention status at the hearing if:

- The juvenile is alleged to be an escapee from a residential commitment program; or an absconder from a nonresidential commitment program, a probation program, or conditional release supervision; or is alleged to have escaped while being lawfully transported to or from a residential commitment program;
- The juvenile is wanted in another jurisdiction for an offense which, if committed by an adult, would be a felony;
- The juvenile is charged with a delinquent act or violation of law and requests in writing through legal counsel to be detained for protection from an imminent physical threat to his or her personal safety;
- The juvenile is charged with committing an offense of domestic violence;
- The juvenile is charged with possession of or discharging a firearm on school property or illegal possession of a firearm;
- The juvenile is charged with a capital felony, a life felony, a felony of the first degree, a felony of the second degree that does not involve a violation of ch. 893, F.S., or a felony of the third degree that is also a crime of violence;
- The juvenile is alleged to have violated the conditions of the child’s probation or conditional release supervision;
- The juvenile is detained on a judicial order for failure to appear and has previously willfully failed to appear, after proper notice:
  - For an adjudicatory hearing on the same case regardless of the results of the DRAI; or
  - At two or more court hearings of any nature on the same case regardless of the results of the DRAI; or
- The juvenile is charged with any second degree or third degree felony involving a violation of ch. 893, F.S., or any third degree felony that is not also a crime of violence, and the juvenile:
  - Has a record of failure to appear at court hearings after being properly notified in accordance with the Rules of Juvenile Procedure;
  - Has a record of law violations prior to court hearings;
  - Has already been detained or has been released and is awaiting final disposition of the case;

While the initial decision as to the juvenile’s placement into detention care is made by the DJJ and is based on the DRAI, a juvenile must be placed in secure detention until the detention hearing if the juvenile:
- Is classified as a PJO pursuant to s. 985.255(1)(j), F.S.;
- Is charged with possessing or discharging a firearm on school property in violation of s. 790.115, F.S.; or
- Has been taken into custody on three or more separate occasions within a 60-day period.\(^{18}\)

A juvenile may not be placed into or held in detention care for longer than 24 hours unless the court determines there is a need for continued detention and subsequently makes a special detention order.\(^{19}\)

A juvenile may not be held in detention care under a special detention order for more than 21 days unless:
- An adjudicatory hearing for the case has been commenced in good faith by the court;
- Good cause is shown that the nature of the charge requires additional time for the prosecution or defense of the case; or
- The juvenile is classified as a PJO.\(^{20}\)

**Prolific Juvenile Offender**

The PJO designation was established to apply to youth with excessively high recidivism.\(^{21}\) A juvenile is classified as a PJO if he or she:

  - An arrest event\(^{22}\) for which a disposition\(^{23}\) has not been entered;
  - An adjudication; or

Transferring of a Juvenile to Adult Court

There are three methods of transferring a juvenile to adult court for prosecution: judicial waiver, indictment by a grand jury, or direct filing an information.

\textbf{Judicial Waiver}

The judicial waiver process allows juvenile courts to waive jurisdiction to adult court on a case-by-case basis. To transfer a juvenile pursuant to judicial waiver, the state attorney must file a motion and the court must approve of the transfer.\textsuperscript{28} Section 985.556, F.S., provides three types of judicial waivers: voluntary waiver, involuntary discretionary waiver, and involuntary mandatory waiver.

\textbf{Indictment by a Grand Jury}

Section 985.56, F.S., specifies that a juvenile of any age who is charged with an offense punishable by death or life imprisonment is subject to the jurisdiction of the juvenile courts unless and until an indictment by a grand jury. If the grand jury returns an indictment on the charge, the juvenile’s case must be transferred to adult court.\textsuperscript{29}

\textbf{Direct File}

Direct file is when a state attorney files an information charging a juvenile in adult court. Direct file under s. 985.557, F.S., can be either discretionary or mandatory and is accomplished exclusively by the state attorney without requiring the court’s approval.\textsuperscript{30} Direct file is the predominant transfer method to adult court, accounting for 97.7 percent of the transfers in 2016-17.\textsuperscript{31}

Discretionary Direct File

\textsuperscript{25} Section 985.26(2)(c), F.S.
\textsuperscript{26} Upon good cause being shown that the nature of the charge requires additional time for the prosecution or defense of the case, the court may extend the length of detention for an additional nine days if the juvenile is charged with an offense that would be, if committed by an adult, a capital felony, a life felony, a felony of the first degree, or a felony of the second degree involving violence against any individual. \textsuperscript{27} Section 985.26(2)(c)1. and 2., F.S.
\textsuperscript{28} Section 985.556, F.S.

\textsuperscript{31} Department of Juvenile Justice, \textit{2018 Bill Analysis for CS/SB 1552}, (February 14, 2018) (on file with the Senate Criminal Justice Committee).
Section 985.557(1), F.S., provides the state attorney with discretion to file a case in adult court for certain cases when he or she believes the offense requires that adult sanctions be considered or imposed. Specifically, the state attorney may file an information (direct file a juvenile) in adult court when a juvenile is:

- 14 or 15 years of age and is charged with one of the following felony offenses:
  - Arson;
  - Sexual battery;
  - Robbery;
  - Kidnapping;
  - Aggravated juvenile abuse;
  - Aggravated assault;
  - Aggravated stalking;
  - Murder;
  - Manslaughter;
  - Unlawful throwing, placing, or discharging of a destructive device or bomb;
  - Armed burglary in violation of s. 810.02(2)(b), F.S.;
  - Burglary of a dwelling or structure in violation of s. 810.02(2)(c), F.S.;
  - Burglary with an assault or battery in violation of s. 810.02(2)(a), F.S.;
  - Aggravated battery;
  - Any lewd or lascivious offense committed upon or in the presence of a person less than 16;
  - Carrying, displaying, using, threatening, or attempting to use a weapon or firearm during the commission of a felony;
  - Grand theft in violation of s. 812.014(2)(a), F.S.;
  - Possessing or discharging any weapon or firearm on school property in violation of s. 790.115, F.S.;
  - Home invasion robbery;
  - Carjacking;
  - Grand theft of a motor vehicle in violation of s. 812.014(2)(c)6., F.S.; or
  - Grand theft of a motor vehicle valued at $20,000 or more in violation of s. 812.014(2)(b), F.S., if the juvenile has a previous adjudication for grand theft of a motor vehicle in violation of s. 812.014(2)(c)6. or (2)(b), F.S.\(^{32}\)

**Department of Juvenile Justice Direct-Support Organization**

Citizen support organizations (CSOs) and direct-support organizations (DSOs) are statutorily-created private entities that are generally required to be non-profit corporations and are authorized to carry out specific tasks in support of public entities or public causes. The purpose and functions of a CSO or DSO are prescribed by its enacting statute and, for most, by a written contract with the agency the CSO or DSO was created to support.

**Florida Juvenile Justice Foundation, Inc.**

From 1994-1999, the DJJ had an ongoing partnership with the Florida Business Partners for Prevention (FBPP). At the time, the DJJ lacked statutory authority to have a DSO. In 1999, the

\(^{32}\) Section 985.557(1)(a)1.-19., F.S.
Legislature created s. 985.672, F.S., authorizing the DJJ to establish a DSO to provide assistance, funding, and support for the DJJ in carrying out its mission. In 2000, the FBPP incorporated by the name of Florida Business Partners for Juvenile Justice, Inc., to provide such assistance, funding, and support to the DJJ. The name was changed to the Florida Juvenile Justice Foundation, Inc. (Foundation) in 2006.

**Repeal of s. 985.672, F.S., and DSO Compliance Review**

Section 20.058(5), F.S., provides that laws creating or authorizing a CSO or DSO repeal on October 1 of the fifth year after enactment, unless reviewed and saved from repeal by the Legislature. This subsection further provides that CSOs or DSOs in existence prior to July 1, 2014, must be reviewed by the Legislature by July 1, 2019. Section 985.672, F.S., provides that the section is repealed October 1, 2018, unless reviewed and saved from repeal by the Legislature.

Staff of the Senate Committee on Criminal Justice reviewed relevant materials to determine if the DJJ and the Foundation comply with the requirements of s. 985.672, F.S., and with other statutory requirements for DSOs: s. 20.058, F.S. (CSO/DSO Transparency and Reporting Requirements); s. 215.981, F.S. (CSO/DSO Audit Requirements); and s. 112.3251, F.S. (CSO/DSO Ethics Code Requirements). Staff finds that the DJJ and the Foundation are in compliance with most of the relevant DSO statutory requirements.

**Staff Review of Compliance with s. 985.672, F.S. (DSO to Florida Department of Juvenile Justice)**

**Establishment of DSO**

Section 985.672, F.S., authorizes the DJJ to establish a DSO whose sole purpose is to support the juvenile justice system. For purposes of s. 985.672, F.S., “direct-support organization” means an organization that is:

- A corporation not-for-profit incorporated under ch. 617, F.S., and approved by the Department of State;
- Organized and operated to conduct programs and activities; raise funds; request and receive grants, gifts, and bequests of moneys; acquire, receive, hold, invest, and administer, in its own name, securities, funds, objects of value, or other property, real or personal; and make expenditures to or for the direct or indirect benefit of the DJJ or the juvenile justice system operated by a county commission or a circuit board; and
- Determined by the DJJ to be consistent with the goals of the juvenile justice system, in the best interest of the state, and in accordance with the adopted goals and mission of the DJJ.

36 Section 985.672(1)(a)-(c), F.S.
**Staff Finding: Compliance.** The Foundation meets the definition of “direct-support organization.” In 2000, the Foundation was established. The Foundation is a Florida non-profit corporation under ch. 617, F.S., and is approved by the Department of State. The DJJ’s mission is, “to increase public safety by reducing juvenile delinquency through effective prevention, intervention and treatment services that strengthen families and turn around the lives of troubled youth.” The Foundation works toward advancing the DJJ’s mission by funding programs such as the Youth Investment Award program, which provides financial assistance designed to further the education and employability of juvenile justice-involved youth. Additionally, the Foundation funds back-to-school drives, Youth Success Week, the Human Trafficking Summit, in addition to running a national grant to support the Juvenile Detention Alternatives initiative.

**Expenditures of the Foundation**

Section 985.672(1), F.S., provides that expenditures of the DSO shall be used for the prevention and amelioration of juvenile delinquency and may not be used for the purpose of lobbying as defined in s. 11.045, F.S.

**Staff Finding: Compliance.** The Foundation’s IRS Form 990 for 2015-16 shows that the majority of expenditures were for conferences, conventions, meetings, and youth programs. Additionally, the form shows that there were no expenditures made for the purposes of lobbying.

**Contractual Agreement Between the DJJ and the Foundation**

Section 985.672(2), F.S., provides that the DSO must operate under a written contract with the DJJ and the contract must include certain provisions.

**Approval of the Articles of Incorporation and Bylaws**

The contract must provide for approval of the articles of incorporation and bylaws of the DSO by the DJJ.

**Staff Finding: Compliance.** The contract between the DJJ and the Foundation provides for the approval of the Foundation’s articles of incorporation and bylaws by the DJJ prior to adoption by the Foundation.

Submission of an Annual Budget

The contract must provide for the DSO to submit an annual budget for the approval of the DJJ.44

Staff findings: Compliance. The contract between the DJJ and the Foundation provides for the review and approval of the Foundation’s annual budget prior to adoption by the Foundation. 45

Certification by the DJJ that the DSO is in Compliance

The contract must provide for certification by the DJJ that the DSO is complying with the terms of the contract and in a manner consistent with the goals and purposes of the DJJ and in the best interest of the state. Such certification must be made annually and reported in the official minutes of a meeting of the DSO. 46

Staff findings: Not in compliance. The contract between the DJJ and the Foundation provides for such annual certification of the Foundation by the DJJ. However, the contract does not provide for the annual certification to be reported in the official minutes of a meeting of the Foundation and such certification has not been made in the minutes of a meeting as prescribed. 47

Staff recommendation: The contract between the DJJ and the Foundation should be amended to provide for such annual certification to be reported in the official minutes of a meeting of the Foundation. Subsequently, the board of directors must report such annual certification in the official minutes of a meeting of the Foundation.

Reversion of Moneys and Property

The contract must provide for the reversion of moneys and property held in trust by the DSO for the benefit of the juvenile justice system to the state if the DJJ ceases to exist or to the DJJ if the DSO is no longer approved to operate for the DJJ, a county commission, or a circuit board or if the DSO ceases to exist. 48

Staff findings: Compliance. The contract between the DJJ and the Foundation provides for such reversion of moneys and property. 49

Fiscal Year of the DSO

The contract must provide for the fiscal year of the DSO to begin July 1 of each year and end June 30 of the following year. 50

50 Section 985.672(2)(e), F.S.
Staff findings: Compliance. The contract between the DJJ and the Foundation provides for such information.51

Disclosure Made to Donors
The contract must provide for the disclosure of material provisions of the contract, and the distinction between the DJJ and the DSO, to donors of gifts, contributions, or bequests, including such disclosure on all promotional and fundraising publications.52

Staff findings: Compliance. The contract provides that the Foundation must distinguish itself as “the 501(c)(3) direct-support organization for the Florida Department of Juvenile Justice” to all donors of gifts, contributions, or bequests, including such disclosure on all promotional and fundraising publications. The contract further provides for the disclosure of material provisions of the contract to donors of gifts, contributions, or bequests.53

Board of Directors
Section 985.672(3), F.S., requires the Secretary of the DJJ to appoint a board of directors for the DSO. The board’s membership must consist of representatives from businesses, representatives from each of the juvenile justice service districts, and one representative appointed at large.54

Staff findings: Not in compliance. The board’s membership is not in compliance with the statute’s requirements because the juvenile justice system no longer utilizes service districts. Thus, the membership is not made up of representatives from each district.

Staff recommendation: Section 985.672(3), F.S., should be amended to reflect the current organization of the DJJ in order for the board membership to comply. Alternatively, the statute could be amended to provide the DJJ with broad discretion to appoint members to the board, without regard to specific representation as the statute currently prescribes.

Use of Property
Section 985.672(4), F.S., provides that the DJJ may permit, without charge, appropriate use by the DSO of fixed property, facilities, and personnel services of the juvenile justice system. The DJJ may prescribe any condition with which the DSO must comply in order to use such fixed property or facilities of the juvenile justice system. The DJJ may not permit the use of any fixed property or facilities of the juvenile justice system by the DSO if it does not provide equal membership and employment opportunities to all persons regardless of race, color, religion, sex, age, or national origin. The DJJ must adopt rules prescribing the procedures by which the DSO is governed and any conditions with which a DSO must comply to use property or facilities of the DJJ.55

53 Supra, n. 43.
54 Section 985.672(3), F.S.
55 Section 985.672(4)(a)-(c), F.S.
Staff findings: Compliance. The contract between the DJJ and the Foundation provides permission for the Foundation’s use of the DJJ’s property, facilities, and personnel services. However, the contract is silent on prohibiting the Foundation’s use of the DJJ’s property and facilities if the Foundation does not provide equal membership and employment opportunities to all persons regardless of race, color, religion, sex, age, or national origin. Further, the DJJ adopted rules prescribing the conditions in which the Foundation may use the DJJ’s property, facilities, and personnel services.

Staff recommendation: The contract between the DJJ and the Foundation should be amended to include language that prohibits the Foundation’s use of the DJJ’s fixed property or facilities if the Foundation does not provide equal membership and employment opportunities to all persons regardless of race, color, religion, sex, age, or national origin. This language is not required to be in the contract, but its inclusion would enable the DJJ and the Foundation to be in compliance with s. 985.672(4)(b), F.S., because it would apply broadly to the required practices of the Foundation.

Deposit of Funds

Section 985.672(5), F.S., provides that money may be held in a separate depository account in the name of the DSO and subject to the provisions of the contract with the DJJ.

Staff findings: Not in compliance. The Foundation has a separate depository account in their name. However, the contract between the DJJ and the Foundation does not include any provisions regarding the separate depository account.

Staff recommendation: The contract between the DJJ and the Foundation should be amended to include provisions addressing the separate depository account.

Annual Financial Audit

Section 985.672(6), F.S., requires the DSO to provide for an annual financial audit in accordance with s. 215.981, F.S.

Staff findings: Not currently applicable. Section 215.981, F.S., requires each CSO and DSO created or authorized pursuant to law with annual expenditures in excess of $100,000 to provide for an annual financial audit of its accounts and records. The audit must be conducted by an independent certified public accountant in accordance with rules adopted by the Auditor General and the state agency that created, approved, or administers the CSO or DSO. The audit report

61 The independent audit requirement does not apply to a CSO or DSO for a university, district board of trustees of a community college, or district school board. Section 215.981(1), F.S. Additionally, the Auditor General may, pursuant to his or her own authority, or at the direction of the Legislative Auditing Committee, conduct audits or other engagements of a CSO’s or DSO’s accounts and records.\textsuperscript{62}

The Foundation does not have annual expenditures in excess of $100,000.\textsuperscript{63} Therefore, the Foundation is not currently subject to the auditing requirements of s. 215.981, F.S.\textsuperscript{64}

\textbf{Staff Review of Compliance with s. 20.058, F.S. (CSO/DSO Transparency and Reporting Requirements)}

Section 20.058, F.S., establishes a comprehensive set of transparency and reporting requirements for CSOs and DSOs.

\textbf{Reporting Requirements}

Section 20.058(1), F.S., requires each CSO and DSO to annually submit, by August 1, the following information to the agency it supports:

- The CSO or DSO’s name, mailing address, telephone number, and website address;
- The statutory authority or executive order that created the CSO or DSO;
- A brief description of the mission and results obtained by the CSO or DSO;
- A brief description of the CSO or DSO’s plans for the next three fiscal years;
- A copy of the CSO or DSO’s code of ethics; and
- A copy of the CSO or DSO’s most recent Internal Revenue Service (IRS) Form 990.\textsuperscript{65}

\textbf{Staff findings: Compliance.} In 2017, the Foundation reported all of the information required by s. 20.058(1), F.S.\textsuperscript{66}

\textbf{Transparency of Reported CSO or DSO Information}

Section 20.058(2), F.S., provides that each agency receiving information from a CSO or DSO pursuant to s. 20.058(1), F.S., shall make such information available to the public through the agency’s website. If the organization maintains a website, the agency’s website must provide a link to the organization’s website.

\textsuperscript{62} Section 11.45(3)(d), F.S.
\textsuperscript{63} Total expenditures for 2015-16 were $97,254. IRS Form 990 for Florida Juvenile Justice Foundation, Inc. (on file with the Senate Criminal Justice Committee).
\textsuperscript{64} While the Foundation’s expenditures do not currently exceed $100,000 and thus, the Foundation is not currently subjected to an annual financial audit pursuant to s. 215.981, F.S., the contract between the DJJ and the Foundation provides that the Foundation must provide a copy of its annual financial audit to the DJJ. \textit{Supra}, n. 43.
\textsuperscript{65} The IRS Form 990 is the an annual information return required to be filed with the IRS by most organizations exempt from federal income tax under 26 U.S.C. s. 501. The most recent Form 990 provided by the Foundation is from 2015-16 because the deadline for the form is September, while the deadline for the submission of the required information is August.
Staff findings: Compliance. The information required in s. 20.058(1), F.S., is available to the public through the DJJ’s website. Additionally, the DJJ provides a link to the Foundation’s website.

Section 20.058(3), F.S., provides that, by August 15 of each year, each agency shall report to the Governor, the President of the Senate, the Speaker of the House of Representatives, and the Office of Program Policy Analysis and Government Accountability the information provided by each CSO and DSO. The report must also include a recommendation by the agency, with supporting rationale, to continue, terminate, or modify the agency’s association with each organization.

Staff findings: Compliance. The DJJ submitted its report by August 15, 2017, and the DJJ Secretary Daly expressed her strong recommendation for the continued collaboration and association between the DJJ and the Foundation. The letter explained that the DJJ and the Foundation share a long history of working together to improve the lives of at-risk juveniles and their families. The Foundation promotes delinquency prevention, intervention, and educational opportunities for youth, in addition to stewarding all funds raised to enhance the activities of the DJJ. “The Foundation is an integral part of the Department of Juvenile Justice and shares a long and collaborative relationship that is rare amongst direct-support organizations.”

Contract Requirements

Section 20.058(4), F.S., provides that any contract between an agency and a CSO or DSO must be contingent upon the CSO or DSO submitting and posting information pursuant to s. 20.058(1) and (2), F.S. The contract must also include a provision for the orderly cessation of operations and reversion to the state of state funds held in trust by the organization within 30 days after its authorizing statute is repealed, the contract is terminated, or the organization is dissolved. If an organization fails to submit the required information for two consecutive years, the agency head shall terminate any contract between the agency and the organization.

Staff findings: Not in compliance. The contract between the DJJ and the Foundation is not contingent upon the Foundation’s submission and posting of the information pursuant to s. 20.058(1) and (2), F.S. The contract also does not provide for the orderly cessation of operations and reversion to the state of state funds held in trust by the Foundation within 30 days after its authorizing statute is repealed, the contract is terminated, or the organization is dissolved. The contract also does not provide for the DJJ Secretary to terminate the contract between the DJJ and the Foundation in the event that the Foundation fails to submit the required information for two consecutive years.

69 Supra, n. 40.
70 Supra, n. 43.
Staff recommendation: The DJJ and the Foundation should execute a revised contract that includes the requirements prescribed by s. 20.058(4), F.S. The contract between the DJJ and the Foundation was executed in 2009, while s. 20.058, F.S., was enacted by the Legislature in 2014. Additionally, the contract provides that, “The parties agree to renegotiate this agreement and any affected agreements if revisions of any applicable laws or regulations make changes in this agreement necessary.”

Staff Review of Compliance with s. 215.981, F.S. (CSO/DSO Audit Requirements)

As previously noted, s. 215.981(1), F.S., requires each CSO and DSO created or authorized pursuant to law with annual expenditures in excess of $100,000 to provide for an annual financial audit of its accounts and records. (For a full description of the statute, see discussion, supra, of s. 985.672(6), F.S. (annual financial audit)).

Staff findings: Not currently applicable. As previously noted, the Foundation does not have annual expenditures in excess of $100,000. Therefore, the Foundation is not currently subject to the auditing requirements of s. 215.981, F.S.

Staff Review of Compliance with s. 112.3251, F.S. (CSO/DSO Ethics Code Requirement)

Section 112.3251, F.S., requires a CSO or DSO created or authorized pursuant to law to adopt its own ethics code. The ethics code must contain the specified standards of conduct and disclosures provided in ss. 112.313 and 112.3143(2), F.S. A CSO or DSO may adopt additional or more stringent standards of conduct and disclosure requirements and must conspicuously post its code of ethics on its website.

Staff findings: Not in compliance. The Foundation has a code of ethics which is conspicuously posted on its website. However, the Foundation’s code of ethics is not in compliance with s. 112.313(2), (4), (5), and (8), F.S.

Staff recommendation: The Foundation should adopt a revised code of ethics to include requirements prescribed by s. 112.3251, F.S.

III. Effect of Proposed Changes:

The following provisions in the bill go into effect July 1, 2018

“Invest in Children” License Plates (Section 1, amending s. 320.08058, F.S.)

Current law requires proceeds from the sale of the “Invest in Children” license plate to be allocated within each county based on that county’s proportionate share of the license plate fee collected by the county. The bill removes this requirement, and instead, permits the DHMSV to

have discretion in determining how the proceeds from the license plate sales will be allocated, without regard to contributions based on county.

**Prolific Juvenile Offender Violations of Nonsecure Detention (Section 10, amending s. 985.26, F.S.)**

Current law contemplates the general treatment of a PJO awaiting a disposition hearing. However, the law does not address the treatment of a PJO who violates the terms of nonsecure detention. The bill provides that a PJO who is taken into custody for a violation of the conditions of his or her nonsecure detention must be held in secure detention until a detention hearing is held.  

**Discretionary Direct File (Section 15, amending s. 985.557, F.S.)**

Current law provides a state attorney with discretion to direct file a juvenile who was 14 or 15 years of age at the time an enumerated offense was allegedly committed. The bill changes the age in which a juvenile can be transferred to adult court by discretionary direct file for committing an enumerated offense from 14 or 15 years of age to 15 or 16 years of age.

**Department of Juvenile Justice DSO (Section 17, amending s. 985.672, F.S.)**

The bill removes a provision that repeals s. 985.672, F.S., on October 1, 2018, unless the repeal date is removed and the statute is reenacted.

Current law requires the DSO’s board of directors to consist of representatives from businesses, each juvenile justice service district, and one representative appointed at large. The bill amends the requirements relating to the DSO’s board representation to require the DJJ to appoint members to the DSO’s board of directors pursuant to the DSO’s bylaws.

**All changes related to the revised DRAI go into effect July 1, 2019**

**Supervised Release (Section 2, amending s. 985.03, F.S.)**

The bill replaces the term “nonsecure” with “supervised release” and retains the definition of the term, defined as temporary, nonsecure custody of the child while the child is released to the custody of the parent, guardian, or custodian in a physically nonrestrictive environment under the

---

77 The PJO would be held in secure detention for up to 24 hours until his or her detention hearing when the judge would decide whether the PJO will be released back to nonsecure detention or rather placed in secure detention. Section 985.255, F.S. See also Department of Juvenile Justice, 2018 Bill Analysis for CS/SB 1552, (February 14, 2018) (on file with the Senate Criminal Justice Committee).

78 The enumerated felonies are arson; sexual battery; robbery; kidnapping; aggravated juvenile abuse; aggravated assault; aggravated stalking; murder; manslaughter; unlawful throwing, placing, or discharging of a destructive device or bomb; armed burglary in violation of s. 810.02(2)(b), F.S.; burglary of a dwelling or structure in violation of s. 810.02(2)(c), F.S.; burglary with an assault or battery in violation of s. 810.02(2)(a), F.S.; aggravated battery; any lewd or lascivious offense committed upon or in the presence of a person less than 16 years of age; carrying, displaying, using, threatening, or attempting to use a weapon or firearm during the commission of a felony; grand theft in violation of s. 812.014(2)(a), F.S.; possessing or discharging any weapon or firearm on school property in violation of s. 790.115, F.S.; home invasion robbery; carjacking; grand theft of a motor vehicle in violation of s. 812.014(2)(c)6., F.S.; or grand theft of a motor vehicle valued at $20,000 or more in violation of s. 812.014(2)(b), F.S., if the juvenile has a previous adjudication for grand theft of a motor vehicle in violation of ss. 812.014(2)(c)6., or 812.014(2)(b), F.S. See s. 985.557(1)(a)1.-19., F.S.
supervision of the DJJ staff pending adjudication or disposition, through programs that include, but are not limited to:

- Electronic monitoring;
- Day reporting centers; and
- Nonsecure shelters.

The bill removes home detention and evening reporting centers from this definition.

**Risk Assessment Instrument (Section 7, amending s. 985.245, F.S.)**

Current law requires the DRAI used by the DJJ in assessing whether a juvenile should be placed in detention care to take certain factors into consideration in making that determination. The bill requires the DRAI to take into consideration the following factors:

- Pending felony and misdemeanor offenses;
- Offenses committed pending adjudication;
- Prior offenses;
- Unlawful possession of a firearm;
- Violations of supervision;
- Supervision status at the time the child is taken into custody; and
- All statutory mandates for detention care.

The bill removes several requirements for the DRAI to take into consideration including theft of a motor vehicle and possession of a stolen motor vehicle.

For a juvenile who is under the supervision of the DJJ and is charged with committing a new offense, the bill removes consideration of the new offense from the scoring to be used in the DRAI.

**Detention Intake (Section 8, amending s. 985.25, F.S.)**

Current law provides that a juvenile who has been taken into custody on three or more separate occasions within a 60-day period must be placed in secure detention until the juvenile’s detention hearing. The bill removes this criteria from the statute.

**Detention Criteria (Section 9, amending s. 985.255, F.S.)**

Current law provides for certain circumstances in which a court may order a continued detention status for a juvenile at the initial detention hearing. The bill adds an additional circumstance, providing that continued detention may be ordered at the hearing if the result of the DRAI indicates secure or supervised release detention.

The bill removes the following circumstances in which a court was permitted to order a continued detention status for a juvenile at the detention hearing:

- If the juvenile is charged with committing an offense of domestic violence;
- If the juvenile is charged with possession of or discharging a firearm on school property;
- If the juvenile is charged with a capital felony, a life felony, a felony of the first degree, a felony of the second degree that does not involve a violation of ch. 893, F.S., or a felony of
the third degree that is also a crime of violence, including any such offense involving the use
or possession of a firearm;

- If the juvenile is alleged to have violated the conditions of the child’s probation or
  conditional release supervision;
- If the juvenile is detained on a judicial order for failure to appear and has previously willfully
  failed to appear, after proper notice:
  o For an adjudicatory hearing on the same case regardless of the results of the DRAI; or
  o At two or more court hearings of any nature on the same case regardless of the results of
    the DRAI; or
- If the juvenile is charged with any second degree or third degree felony involving a violation
  of ch. 893, F.S., or any third degree felony that is not also a crime of violence, and the
  juvenile:
  o Has a record of failure to appear at court hearings after being properly notified in
    accordance with the Rules of Juvenile Procedure;
  o Has a record of law violations prior to court hearings;
  o Has already been detained or has been released and is awaiting final disposition of the
    case;
  o Has a record of violent conduct resulting in physical injury to others; or
  o Is found to have been in possession of a firearm.

**Violation of Probation or Postcommitment Probation (Section 14, amending s. 985.439, F.S.)**

The bill provides that a juvenile taken into custody pursuant to s. 985.101, F.S., 79 for violating
conditions of probation must be screened and detained or released based on his or her DRAI
score. The bill eliminates the term “consequence unit” and references therein because
consequence units are no longer in operation.

**Revised Detention Risk Assessment Instrument (Sections 2-9, 11-14, 16)**

The bill makes several changes throughout ch. 985, F.S., including replacing the term
“nonsecure” with “supervised release,” to be consistent with modifications being implemented
with the DJJ’s forthcoming use of the revised DRAI.

---

79 Section 985.101, F.S., provides circumstances in which a juvenile may be taken into custody.
V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

The removal of the provision that repeals s. 985.672, F.S., enables the DJJ’s DSO to sustain a source of financial and other direct assistance for advancing the DJJ’s mission to increase public safety by reducing juvenile delinquency.

C. Government Sector Impact:

Prolific Juvenile Offender Costs for Violations Secure Detention

The Criminal Justice Impact Conference has not provided an estimate of the bill’s impact. The department estimates that, while the requirement for requiring PJOs who violate non-secure detention to be held in secure detention overnight could result in increased utilization of secure detention, this change is not expected to have a substantive fiscal impact.\(^{80}\) Of the 256 PJOs throughout the state, 86 are in nonsecure detention.\(^{81}\) In the event that every PJO in nonsecure detention violated his or her conditions of detention, the DJJ will be able to provide accommodations to such juveniles and absorb such costs with existing resources.\(^{82}\)

Reduction in Juveniles Transferred to Adult Court

Additionally, the bill is likely to reduce the number of juveniles transferred to the adult system, thus increasing the DJJ’s population and reducing the DOC’s prison population. The DJJ estimates that there will be an additional 19 juveniles in the care of the DJJ due to the juveniles no longer being eligible for transfer to adult court pursuant to the bill. The DJJ estimates that the detention and treatment cost for these additional juveniles would cost $1,355,086.\(^{83}\) Additional facility costs to care for these additional juveniles is indeterminate.\(^{84}\) The impact on the DOC’s prison population is indeterminate.

Funding and Support to the DJJ from the DSO

The removal of the provision that repeals s. 985.672, F.S., enables the DSO to continue to provide assistance, funding, and support for activities authorized by the DJJ.

Implementing the Revised DRAI

All costs associated with the implementation of the modified DRAI have been or will be absorbed by the DJJ and this bill will not result in a fiscal impact on the DJJ with regards to such operational changes.

VI. Technical Deficiencies:

None.

VII. Related Issues:

Section 320.08058(11), F.S., currently authorizes the DHSMV to allocate the proceeds from the “Invest in Children” license plate annual use fee, while the DJJ allocates the proceeds in practice. Replacing the word “department” in statute with “Department of Juvenile Justice” would rectify this discrepancy.

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 320.08058, 985.03, 985.037, 985.039, 985.101, 985.24, 985.245, 985.25, 985.255, 985.26, 985.265, 985.35, 985.439, 985.557, 985.601, and 985.672.

IX. Additional Information:

A. Committee Substitute – Statement of Changes:

(Summarizing differences between the Committee Substitute and the prior version of the bill.)

Recommended CS by Appropriations Subcommittee on Criminal and Civil Justice on February 14, 2018:

The committee substitute:

- Removes the requirement that the proceeds from the “Invest in Children” license plate must be allocated based on each county’s proportionate share of the license plate annual use fee;
- Revises the DRAI used to determine placement of a juvenile in detention care;
- Replaces the term “nonsecure” with “supervised release” and makes other conforming changes throughout ch. 985, F.S., to be consistent with terminology and operation of the revised DRAI;
- Changes the minimum age in which a juvenile qualifies for transfer to adult court by discretionary direct file to 15 or 16 years of age (currently 14 or 15) if he or she is charged with an enumerated felony;
- Removes provisions related to modifying the minimum age in which a juvenile can be transferred to adult court by judicial waiver, discretionary waiver for 16 and 17 year olds, and mandatory direct file; and
- Removes the repeal date for statutory authority (s. 985.672, F.S.) for the DJJ’s DSO.
B. Amendments:

None.

This Senate Bill Analysis does not reflect the intent or official position of the bill’s introducer or the Florida Senate.
Appropriations Subcommittee on Criminal and Civil Justice (Bracy) recommended the following:

**Senate Amendment (with title amendment)**

Delete everything after the enacting clause and insert:

320.08058 Specialty license plates.—

The department shall allocate moneys for programs and services within each county based on that county’s proportionate share of the license plate annual use fee collected by the county.

Section 2. Effective July 1, 2019, subsection (18) of section 985.03, Florida Statutes, is amended to read:

985.03 Definitions.—As used in this chapter, the term:

(18) “Detention care” means the temporary care of a child in secure or supervised release nonsecure detention, pending a court adjudication or disposition or execution of a court order. There are two types of detention care, as follows:

(a) “Secure detention” means temporary custody of the child while the child is under the physical restriction of a secure detention center or facility pending adjudication, disposition, or placement.

(b) “Supervised release Nonsecure detention” means temporary, nonsecure custody of the child while the child is released to the custody of the parent, guardian, or custodian in a physically nonrestrictive environment under the supervision of the department staff pending adjudication, or disposition, through programs that or placement. Forms of nonsecure detention include, but are not limited to, home detention, electronic monitoring, day reporting centers, evening reporting centers, and nonsecure shelters. Supervised release Nonsecure detention may include other requirements imposed by the court.
Section 3. Effective July 1, 2019, subsection (5) of section 985.037, Florida Statutes, is amended to read:

985.037 Punishment for contempt of court; alternative sanctions.—

(5) ALTERNATIVE SANCTIONS COORDINATOR.—There is created the position of alternative sanctions coordinator within each judicial circuit, pursuant to subsection (3). Each alternative sanctions coordinator shall serve under the direction of the chief administrative judge of the juvenile division as directed by the chief judge of the circuit. The alternative sanctions coordinator shall act as the liaison between the judiciary, local department officials, district school board employees, and local law enforcement agencies. The alternative sanctions coordinator shall coordinate within the circuit community-based alternative sanctions, including supervised release nonsecure detention programs, community service projects, and other juvenile sanctions, in conjunction with the circuit plan implemented in accordance with s. 790.22(4)(c).

Section 4. Effective July 1, 2019, paragraph (a) of subsection (1) of section 985.039, Florida Statutes, is amended to read:

985.039 Cost of supervision; cost of care.—

(1) Except as provided in subsection (3) or subsection (4):

(a) When any child is placed into supervised release nonsecure detention, probation, or other supervision status with the department, or is committed to the minimum-risk nonresidential restrictiveness level, the court shall order the parent of such child to pay to the department a fee for the cost of the supervision of such child in the amount of $1 per day for
each day that the child is in such status.

Section 5. Effective July 1, 2019, paragraph (d) of subsection (1) of section 985.101, Florida Statutes, is amended to read:

985.101 Taking a child into custody.—
(1) A child may be taken into custody under the following circumstances:
(d) By a law enforcement officer who has probable cause to believe that the child is in violation of the conditions of the child’s probation, supervised release, nonsecure detention, postcommitment probation, or conditional release supervision; has absconded from nonresidential commitment; or has escaped from residential commitment.

Nothing in this subsection shall be construed to allow the detention of a child who does not meet the detention criteria in part V.

Section 6. Effective July 1, 2019, subsections (2), (4), and (5) of section 985.24, Florida Statutes, are amended to read:

985.24 Use of detention; prohibitions.—
(2) A child alleged to have committed a delinquent act or violation of law may not be placed into secure or supervised release, nonsecure detention care for any of the following reasons:
(a) To allow a parent to avoid his or her legal responsibility.
(b) To permit more convenient administrative access to the child.
(c) To facilitate further interrogation or investigation.
(d) Due to a lack of more appropriate facilities.
(4) The department may, within its existing resources, develop nonsecure, nonresidential evening reporting centers as an alternative to placing a child in secure detention. Evening reporting centers may be collocated with a juvenile assessment center. If established, evening reporting centers shall serve children and families who are awaiting a child’s court hearing and, at a minimum, operate during the afternoon and evening hours to provide a highly structured program of supervision. Evening reporting centers may also provide academic tutoring, counseling, family engagement programs, and other activities.
(4)(5) The department shall continue to identify and develop supervised release detention options as alternatives to secure detention care and shall develop such alternatives and annually submit them to the Legislature for authorization and appropriation.

Section 7. Effective July 1, 2019, paragraph (b) of subsection (2) and subsection (4) of section 985.245, Florida Statutes, are amended to read:

985.245 Risk assessment instrument.—
(2) The risk assessment instrument shall take into consideration, but need not be limited to, pending felony and misdemeanor offenses, offenses committed pending adjudication, prior offenses, unlawful possession of a firearm, prior history of failure to appear, violations of supervision prior offenses, offenses committed pending adjudication, any unlawful possession of a firearm, theft of a motor vehicle or possession of a stolen
motor vehicle, and supervision probation status at the time the child is taken into custody. The risk assessment instrument shall also take into consideration all statutory mandates for detention care appropriate aggravating and mitigating circumstances, and shall be designed to target a narrower population of children than s. 985.255. The risk assessment instrument shall also include any information concerning the child’s history of abuse and neglect. The risk assessment shall indicate whether detention care is warranted, and, if detention care is warranted, whether the child should be placed into secure or supervised release nonsecure detention care.

(4) For a child who is under the supervision of the department through probation, supervised release nonsecure detention, conditional release, postcommitment probation, or commitment and who is charged with committing a new offense, the risk assessment instrument may be completed and scored based on the underlying charge for which the child was placed under the supervision of the department and the new offense.

Section 8. Effective July 1, 2019, paragraph (b) of subsection (1) of section 985.25, Florida Statutes, is amended to read:

985.25 Detention intake.—

(1) The department shall receive custody of a child who has been taken into custody from the law enforcement agency or court and shall review the facts in the law enforcement report or probable cause affidavit and make such further inquiry as may be necessary to determine whether detention care is appropriate.

(b) The department shall base the decision whether to place the child into detention care on an assessment of risk in
accordance with the risk assessment instrument and procedures
developed by the department under s. 985.245, except that a
child shall be placed in secure detention care until the child’s
detention hearing if the child meets the criteria specified in
s. 985.255(1)(f) or 985.255(1)(j), is charged with possessing or
discharging a firearm on school property in violation of s.
790.115, or has been taken into custody on three or more
separate occasions within a 60-day period.

Under no circumstances shall the department or the state
attorney or law enforcement officer authorize the detention of
any child in a jail or other facility intended or used for the
detention of adults, without an order of the court.

Section 9. Effective July 1, 2019, subsection (1) and
paragraph (a) of subsection (3) of section 985.255, Florida
Statutes, are amended to read:

985.255 Detention criteria; detention hearing.—
(1) Subject to s. 985.25(1), a child taken into custody and
placed into detention care shall be given a hearing within 24
hours after being taken into custody. At the hearing, the court
may order a continued detention status if:

(a) The result of the risk assessment instrument pursuant
to s. 985.245 indicates secure or supervised release detention.

(b) The child is alleged to be an escapee from a
residential commitment program; or an absconder from a
nonresidential commitment program, a probation program, or
conditional release supervision; or is alleged to have escaped
while being lawfully transported to or from a residential
commitment program.
(c)(b) The child is wanted in another jurisdiction for an offense which, if committed by an adult, would be a felony.

(d)(e) The child is charged with a delinquent act or violation of law and requests in writing through legal counsel to be detained for protection from an imminent physical threat to his or her personal safety.

(d) The child is charged with committing an offense of domestic violence as defined in s. 741.28 and is detained as provided in subsection (2).

(e) The child is charged with possession of or discharging a firearm on school property in violation of s. 790.115 or the illegal possession of a firearm.

(f) The child is charged with a capital felony, a life felony, a felony of the first degree, a felony of the second degree that does not involve a violation of chapter 893, or a felony of the third degree that is also a crime of violence, including any such offense involving the use or possession of a firearm.

(g) The child is charged with any second degree or third degree felony involving a violation of chapter 893 or any third degree felony that is not also a crime of violence, and the child:

1. Has a record of failure to appear at court hearings after being properly notified in accordance with the Rules of Juvenile Procedure;

2. Has a record of law violations prior to court hearings;

3. Has already been detained or has been released and is awaiting final disposition of the case;

4. Has a record of violent conduct resulting in physical
injury to others; or

5. Is found to have been in possession of a firearm.

(h) The child is alleged to have violated the conditions of
the child’s probation or conditional release supervision.
However, a child detained under this paragraph may be held only
in a consequence unit as provided in s. 985.439. If a
consequence unit is not available, the child shall be placed on
nonsecure detention with electronic monitoring.

(e)(i) The child is detained on a judicial order for
failure to appear and has previously willfully failed to appear, after proper notice:

1. For an adjudicatory hearing on the same case regardless
of the results of the risk assessment instrument; or

2. At two or more court hearings of any nature on the same
case regardless of the results of the risk assessment
instrument.

A child may be held in secure detention for up to 72 hours in
advance of the next scheduled court hearing pursuant to this
paragraph. The child’s failure to keep the clerk of court and
defense counsel informed of a current and valid mailing address
where the child will receive notice to appear at court
proceedings does not provide an adequate ground for excusal of
the child’s nonappearance at the hearings.

(f)(j) The child is a prolific juvenile offender. A child
is a prolific juvenile offender if the child:

1. Is charged with a delinquent act that would be a felony
if committed by an adult;

2. Has been adjudicated or had adjudication withheld for a
felony offense, or delinquent act that would be a felony if committed by an adult, before the charge under subparagraph 1.; and

3. In addition to meeting the requirements of subparagraphs 1. and 2., has five or more of any of the following, at least three of which must have been for felony offenses or delinquent acts that would have been felonies if committed by an adult:

   a. An arrest event for which a disposition, as defined in s. 985.26, has not been entered;
   b. An adjudication; or
   c. An adjudication withheld.

As used in this subparagraph, the term “arrest event” means an arrest or referral for one or more criminal offenses or delinquent acts arising out of the same episode, act, or transaction.

(3)(a) The purpose of the detention hearing required under subsection (1) is to determine the existence of probable cause that the child has committed the delinquent act or violation of law that he or she is charged with and the need for continued detention. Unless a child is detained under paragraph (1)(d) or paragraph (1)(e), the court shall use the results of the risk assessment performed by the department and, based on the criteria in subsection (1), shall determine the need for continued detention. If the child is a prolific juvenile offender who is detained under s. 985.26(2)(c), the court shall use the results of the risk assessment performed by the department and the criteria in subsection (1) or subsection (2) only to determine whether the prolific juvenile offender should
be held in secure detention.

Section 10. Paragraph (d) is added to subsection (2) of section 985.26, Florida Statutes, to read:

985.26 Length of detention.—

(2)

d) A prolific juvenile offender under s. 985.255(1)(j) who is taken into custody for a violation of the conditions of his or her nonsecure detention must be held in secure detention until a detention hearing is held.

Section 11. Effective July 1, 2019, paragraphs (c) and (d) of subsection (2) and paragraph (b) of subsection (4) of section 985.26, Florida Statutes, as amended by this act, are amended to read:

985.26 Length of detention.—

(2)

c) A prolific juvenile offender under s. 985.255(1)(f) shall be placed on supervised release nonsecure detention care with electronic monitoring or in secure detention care under a special detention order until disposition. If secure detention care is ordered by the court, it must be authorized under this part and may not exceed:

1. Twenty-one days unless an adjudicatory hearing for the case has been commenced in good faith by the court or the period is extended by the court pursuant to paragraph (b); or

2. Fifteen days after the entry of an order of adjudication.

As used in this paragraph, the term “disposition” means a declination to file under s. 985.15(1)(h), the entry of nolle
prosequi for the charges, the filing of an indictment under s. 985.56 or an information under s. 985.557, a dismissal of the case, or an order of final disposition by the court.

(d) A prolific juvenile offender under s. 985.255(1)(f) who is taken into custody for a violation of the conditions of his or her supervised release nonsecure detention must be held in secure detention until a detention hearing is held.

(4)

(b) The period for supervised release nonsecure detention care under this section is tolled on the date that the department or a law enforcement officer alleges that the child has violated a condition of the child’s supervised release nonsecure detention care until the court enters a ruling on the violation. Notwithstanding the tolling of supervised release nonsecure detention care, the court retains jurisdiction over the child for a violation of a condition of supervised release nonsecure detention care during the tolling period. If the court finds that a child has violated his or her supervised release nonsecure detention care, the number of days that the child served in any type of detention care before commission of the violation shall be excluded from the time limits under subsections (2) and (3).

Section 12. Effective July 1, 2019, subsection (1), paragraph (b) of subsection (3), and paragraph (a) of subsection (4) of section 985.265, Florida Statutes, are amended to read:

985.265 Detention transfer and release; education; adult jails.—

(1) If a child is detained under this part, the department
may transfer the child from supervised release nonsecure detention care to secure detention care only if significantly changed circumstances warrant such transfer.

(3)

(b) When a juvenile is released from secure detention or transferred to supervised release nonsecure detention, detention staff shall immediately notify the appropriate law enforcement agency, school personnel, and victim if the juvenile is charged with committing any of the following offenses or attempting to commit any of the following offenses:

1. Murder, under s. 782.04;

(1)

(b) If the child is a prolific juvenile offender under s. 985.255(1)(f) 985.255(1)(j), the adjudicatory hearing must be held within 45 days after the child is taken into custody unless a delay is requested by the child.

Section 14. Effective July 1, 2019, subsections (2) and (4) of section 985.439, Florida Statutes, are amended to read:

(2) A child taken into custody under s. 985.101 for violating the conditions of probation shall be screened and detained or released based on his or her risk assessment instrument score or postcommitment probation shall be held in a consequence unit if such a unit is available. The child shall be afforded a hearing within 24 hours after being taken into custody to determine the existence of probable cause that the child violated the conditions of probation or postcommitment probation. A consequence unit is a secure facility specifically designated by the department for children who are taken into custody under s. 985.101 for violating probation or postcommitment probation, or who have been found by the court to have violated the conditions of probation or postcommitment probation. If the violation involves a new charge of delinquency, the child may be detained under part V in a facility other than a consequence unit. If the child is not eligible for detention for the new charge of delinquency, the child may be held in the consequence unit pending a hearing and is subject to the time limitations specified in part V.

(4) Upon the child’s admission, or if the court finds after a hearing that the child has violated the conditions of probation or postcommitment probation, the court shall enter an order revoking, modifying, or continuing probation or postcommitment probation. In each such case, the court shall enter a new disposition order and, in addition to the sanctions set forth in this section, may impose any sanction the court could have imposed at the original disposition hearing. child is found to have violated the conditions of probation or postcommitment probation, the court may:

(a) Place the child in a consequence unit in that judicial circuit, if available, for up to 5 days for a first violation and up to 15 days for a second or subsequent violation.

(b) Place the child in supervised release nonsecure detention with electronic monitoring. However, this sanction may be used only if a residential consequence unit is not available.

(c) If the violation of probation is technical in nature and not a new violation of law, place the child in an alternative consequence program designed to provide swift and appropriate consequences to any further violations of probation.

1. Alternative consequence programs shall be established, within existing resources, at the local level in coordination with law enforcement agencies, the chief judge of the circuit, the state attorney, and the public defender.

2. Alternative consequence programs may be operated by an entity such as a law enforcement agency, the department, a juvenile assessment center, a county or municipality, or another entity selected by the department.

3. Upon placing a child in an alternative consequence program, the court must approve specific consequences for specific violations of the conditions of probation.

(c) Modify or continue the child’s probation program or postcommitment probation program.

(d) Revoke probation or postcommitment probation and commit the child to the department.

The plan must provide for the maintenance of adequate availability of detention services for all counties. The plan must cover all the department’s operating circuits, with each operating circuit having access to a secure facility and supervised release nonsecure detention programs, and the plan may be altered or modified by the Department of Juvenile Justice as necessary.

985.039 Cost of supervision; cost of care.—

(1) Except as provided in subsection (3) or subsection (4):

(a) When any child is placed into supervised release nonsecure detention, probation, or other supervision status with the department, or is committed to the minimum-risk nonresidential restrictiveness level, the court shall order the parent of such child to pay to the department a fee for the cost

985.24 Use of detention; prohibitions.—

(b) To permit more convenient administrative access to the
child.

(c) To facilitate further interrogation or investigation.

(d) Due to a lack of more appropriate facilities.

(4) The department may, within its existing resources, develop nonsecure, nonresidential evening reporting centers as an alternative to placing a child in secure detention. Evening reporting centers may be collocated with a juvenile assessment center. If established, evening reporting centers shall serve children and families who are awaiting a child’s court hearing and, at a minimum, operate during the afternoon and evening hours to provide a highly structured program of supervision. Evening reporting centers may also provide academic tutoring, counseling, family engagement programs, and other activities.

(4)(5) The department shall continue to identify and develop supervised release detention options alternatives to secure detention care and shall develop such alternatives and annually submit them to the Legislature for authorization and appropriation.

Section 7. Effective July 1, 2019, paragraph (b) of subsection (2) and subsection (4) of section 985.245, Florida Statutes, are amended to read:

(2) The risk assessment instrument shall take into consideration, but need not be limited to, pending felony and misdemeanor offenses, offenses committed pending adjudication, prior offenses, unlawful possession of a firearm, prior history of failure to appear, violations of supervision prior offenses, offenses committed pending adjudication, any unlawful possession

The risk assessment shall indicate whether detention care is warranted, and, if detention care is warranted, whether the child should be placed into secure or supervised release nonsecure detention care.

(4) For a child who is under the supervision of the department through probation, supervised release nonsecure detention, conditional release, postcommitment probation, or commitment and who is charged with committing a new offense, the risk assessment instrument may be completed and scored based on the underlying charge for which the child was placed under the supervision of the department and the new offense.

Section 8. Effective July 1, 2019, paragraph (b) of subsection (1) of section 985.25, Florida Statutes, is amended to read:

985.25 Detention intake.—

(1) The department shall receive custody of a child who has been taken into custody from the law enforcement agency or court and shall review the facts in the law enforcement report or probable cause affidavit and make such further inquiry as may be necessary to determine whether detention care is appropriate.

(b) The department shall base the decision whether to place
the child into detention care on an assessment of risk in accordance with the risk assessment instrument and procedures developed by the department under s. 985.245, except that a child shall be placed in secure detention care until the child’s detention hearing if the child meets the criteria specified in s. 985.255(1)(f) or 985.255(1)(j), is charged with possessing or discharging a firearm on school property in violation of s. 790.115, or has been taken into custody on three or more separate occasions within a 60-day period.

Under no circumstances shall the department or the state attorney or law enforcement officer authorize the detention of any child in a jail or other facility intended or used for the detention of adults, without an order of the court.

Section 9. Effective July 1, 2019, subsection (1) and paragraph (a) of subsection (3) of section 985.255, Florida Statutes, are amended to read:

985.255 Detention criteria; detention hearing.—
(1) Subject to s. 985.25(1), a child taken into custody and placed into detention care shall be given a hearing within 24 hours after being taken into custody. At the hearing, the court may order a continued detention status if:
   (a) The result of the risk assessment instrument pursuant to s. 985.245 indicates secure or supervised release detention.
   (b) The child is alleged to be an escapee from a residential commitment program; or an absconder from a nonresidential commitment program, a probation program, or conditional release supervision; or is alleged to have escaped while being lawfully transported to or from a residential
commitment program.

(c)(b) The child is wanted in another jurisdiction for an offense which, if committed by an adult, would be a felony.

(d)(e) The child is charged with a delinquent act or violation of law and requests in writing through legal counsel to be detained for protection from an imminent physical threat to his or her personal safety.

(d) The child is charged with committing an offense of domestic violence as defined in s. 741.28 and is detained as provided in subsection (2).

(e) The child is charged with possession of or discharging a firearm on school property in violation of s. 790.115 or the illegal possession of a firearm.

(f) The child is charged with a capital felony, a life felony, a felony of the first degree, a felony of the second degree that does not involve a violation of chapter 893, or a felony of the third degree that is also a crime of violence, including any such offense involving the use or possession of a firearm.

(g) The child is charged with any second degree or third degree felony involving a violation of chapter 893 or any third degree felony that is not also a crime of violence, and the child:

1. Has a record of failure to appear at court hearings after being properly notified in accordance with the Rules of Juvenile Procedure;

2. Has a record of law violations prior to court hearings;

3. Has already been detained or has been released and is awaiting final disposition of the case;
4. Has a record of violent conduct resulting in physical injury to others; or
   5. Is found to have been in possession of a firearm.

   (h) The child is alleged to have violated the conditions of the child’s probation or conditional release supervision.
   However, a child detained under this paragraph may be held only in a consequence unit as provided in s. 985.439. If a consequence unit is not available, the child shall be placed on nonsecure detention with electronic monitoring.

   (e)(i) The child is detained on a judicial order for failure to appear and has previously willfully failed to appear, after proper notice:
       1. For an adjudicatory hearing on the same case regardless of the results of the risk assessment instrument; or
       2. At two or more court hearings of any nature on the same case regardless of the results of the risk assessment instrument.

A child may be held in secure detention for up to 72 hours in advance of the next scheduled court hearing pursuant to this paragraph. The child’s failure to keep the clerk of court and defense counsel informed of a current and valid mailing address where the child will receive notice to appear at court proceedings does not provide an adequate ground for excusal of the child’s nonappearance at the hearings.

   (f)(jj) The child is a prolific juvenile offender. A child is a prolific juvenile offender if the child:
       1. Is charged with a delinquent act that would be a felony if committed by an adult;
2. Has been adjudicated or had adjudication withheld for a felony offense, or delinquent act that would be a felony if committed by an adult, before the charge under subparagraph 1.; and

3. In addition to meeting the requirements of subparagraphs 1. and 2., has five or more of any of the following, at least three of which must have been for felony offenses or delinquent acts that would have been felonies if committed by an adult:
   a. An arrest event for which a disposition, as defined in s. 985.26, has not been entered;
   b. An adjudication; or
   c. An adjudication withheld.

As used in this subparagraph, the term “arrest event” means an arrest or referral for one or more criminal offenses or delinquent acts arising out of the same episode, act, or transaction.

(3)(a) The purpose of the detention hearing required under subsection (1) is to determine the existence of probable cause that the child has committed the delinquent act or violation of law that he or she is charged with and the need for continued detention. Unless a child is detained under paragraph (1)(d) or paragraph (1)(e), the court shall use the results of the risk assessment performed by the department and, based on the criteria in subsection (1), shall determine the need for continued detention. If the child is a prolific juvenile offender who is detained under s. 985.26(2)(c), the court shall use the results of the risk assessment performed by the department and the criteria in subsection (1) or subsection (2)
only to determine whether the prolific juvenile offender should be held in secure detention.

   Section 10. Paragraph (d) is added to subsection (2) of section 985.26, Florida Statutes, to read:

   985.26 Length of detention.—
   (2)
   (d) A prolific juvenile offender under s. 985.255(1)(j) who is taken into custody for a violation of the conditions of his or her nonsecure detention must be held in secure detention until a detention hearing is held.

   Section 11. Effective July 1, 2019, paragraphs (c) and (d) of subsection (2) and paragraph (b) of subsection (4) of section 985.26, Florida Statutes, as amended by this act, are amended to read:

   985.26 Length of detention.—
   (2)
   (c) A prolific juvenile offender under s. 985.255(1)(f) shall be placed on supervised release nonsecure detention care with electronic monitoring or in secure detention care under a special detention order until disposition. If secure detention care is ordered by the court, it must be authorized under this part and may not exceed:

   1. Twenty-one days unless an adjudicatory hearing for the case has been commenced in good faith by the court or the period is extended by the court pursuant to paragraph (b); or
   2. Fifteen days after the entry of an order of adjudication.

   As used in this paragraph, the term “disposition” means a
declination to file under s. 985.15(1)(h), the entry of nolle
prosequi for the charges, the filing of an indictment under s.
985.56 or an information under s. 985.557, a dismissal of the
case, or an order of final disposition by the court.

(d) A prolific juvenile offender under s. 985.255(1)(f)
who is taken into custody for a violation of the
conditions of his or her supervised release nonsecure detention
must be held in secure detention until a detention hearing is
held.

(4)

(b) The period for supervised release nonsecure detention
care under this section is tolled on the date that the
department or a law enforcement officer alleges that the child
has violated a condition of the child’s supervised release
nonsecure detention care until the court enters a ruling on the
violation. Notwithstanding the tolling of supervised release
nonsecure detention care, the court retains jurisdiction over
the child for a violation of a condition of supervised release
nonsecure detention care during the tolling period. If the court
finds that a child has violated his or her supervised release
nonsecure detention care, the number of days that the child
served in any type of detention care before commission of the
violation shall be excluded from the time limits under
subsections (2) and (3).

Section 12. Effective July 1, 2019, subsection (1),
paragraph (b) of subsection (3), and paragraph (a) of subsection
(4) of section 985.265, Florida Statutes, are amended to read:

985.265 Detention transfer and release; education; adult
jails.—
If a child is detained under this part, the department may transfer the child from supervised release nonsecure detention care to secure detention care only if significantly changed circumstances warrant such transfer.

(b) When a juvenile is released from secure detention or transferred to supervised release nonsecure detention, detention staff shall immediately notify the appropriate law enforcement agency, school personnel, and victim if the juvenile is charged with committing any of the following offenses or attempting to commit any of the following offenses:

1. Murder, under s. 782.04;
2. Sexual battery, under chapter 794;
3. Stalking, under s. 784.048; or
4. Domestic violence, as defined in s. 741.28.

(a) While a child who is currently enrolled in school is in supervised release nonsecure detention care, the child shall continue to attend school unless otherwise ordered by the court.

Section 13. Effective July 1, 2019, paragraph (b) of subsection (1) of section 985.35, Florida Statutes, is amended to read:

985.35 Adjudicatory hearings; withheld adjudications; orders of adjudication.—

(1)

(b) If the child is a prolific juvenile offender under s. 985.255(1)(f), the adjudicatory hearing must be held within 45 days after the child is taken into custody unless a delay is requested by the child.
of section 985.439, Florida Statutes, are amended to read:

985.439 Violation of probation or postcommitment probation.—

(2) A child taken into custody under s. 985.101 for violating the conditions of probation shall be screened and detained or released based on his or her risk assessment instrument score or postcommitment probation shall be held in a consequence unit if such a unit is available. The child shall be afforded a hearing within 24 hours after being taken into custody to determine the existence of probable cause that the child violated the conditions of probation or postcommitment probation. A consequence unit is a secure facility specifically designated by the department for children who are taken into custody under s. 985.101 for violating probation or postcommitment probation, or who have been found by the court to have violated the conditions of probation or postcommitment probation. If the violation involves a new charge of delinquency, the child may be detained under part V in a facility other than a consequence unit. If the child is not eligible for detention for the new charge of delinquency, the child may be held in the consequence unit pending a hearing and is subject to the time limitations specified in part V.

(4) Upon the child’s admission, or if the court finds after a hearing that the child has violated the conditions of probation or postcommitment probation, the court shall enter an order revoking, modifying, or continuing probation or postcommitment probation. In each such case, the court shall enter a new disposition order and, in addition to the sanctions set forth in this section, may impose any sanction the court
could have imposed at the original disposition hearing. If the child is found to have violated the conditions of probation or postcommitment probation, the court may:

(a) Place the child in a consequence unit in that judicial circuit, if available, for up to 5 days for a first violation and up to 15 days for a second or subsequent violation.

(b) Place the child in supervised release nonsecure detention with electronic monitoring. However, this sanction may be used only if a residential consequence unit is not available.

(c) If the violation of probation is technical in nature and not a new violation of law, place the child in an alternative consequence program designed to provide swift and appropriate consequences to any further violations of probation.

1. Alternative consequence programs shall be established, within existing resources, at the local level in coordination with law enforcement agencies, the chief judge of the circuit, the state attorney, and the public defender.

2. Alternative consequence programs may be operated by an entity such as a law enforcement agency, the department, a juvenile assessment center, a county or municipality, or another entity selected by the department.

3. Upon placing a child in an alternative consequence program, the court must approve specific consequences for specific violations of the conditions of probation.

(c) Modify or continue the child’s probation program or postcommitment probation program.

(d) Revoke probation or postcommitment probation and commit the child to the department.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (2) of section 985.26, Florida Statutes, is amended, and subsections (3) and (4) of that section are republished, to read:

985.26 Length of detention.—

(2)(a) Except as provided in paragraph (b) or paragraph (c), a child may not be held in detention care under a special detention order for more than 21 days unless an adjudicatory hearing for the case has been commenced in good faith by the court.

(b) Upon good cause being shown that the nature of the charge requires additional time for the prosecution or defense of the case, the court may extend the length of detention for an additional 9 days if the child is charged with an offense that would be, if committed by an adult, a capital felony, a life felony, a felony of the first degree, or a felony of the second degree involving violence against any individual.

(c) A prolific juvenile offender under s. 985.255(1)(j) shall be placed on nonsecure detention care with electronic monitoring or in secure detention care under a special detention order until disposition. If secure detention care is ordered by the court, it must be authorized under this part and may not exceed:

a. Twenty-one days unless an adjudicatory hearing for the case has been commenced in good faith by the court or the period is extended by the court pursuant to paragraph (b); or
b. 2. Fifteen days after the entry of an order of adjudication.

2. A prolific juvenile offender who is taken into custody for a violation of the conditions of his or her nonsecure detention must be held in secure detention until a detention hearing is held.

As used in this paragraph, the term “disposition” means a declination to file under s. 985.15(1)(h), the entry of nolle prosequi for the charges, the filing of an indictment under s. 985.56 or an information under s. 985.557, a dismissal of the case, or an order of final disposition by the court.

(3) Except as provided in subsection (2), a child may not be held in detention care for more than 15 days following the entry of an order of adjudication.

(4)(a) The time limits in subsections (2) and (3) do not include periods of delay resulting from a continuance granted by the court for cause on motion of the child or his or her counsel or of the state. Upon the issuance of an order granting a continuance for cause on a motion by either the child, the child’s counsel, or the state, the court shall conduct a hearing at the end of each 72-hour period, excluding Saturdays, Sundays, and legal holidays, to determine the need for continued detention of the child and the need for further continuance of proceedings for the child or the state.

(b) The period for nonsecure detention care under this section is tolled on the date that the department or a law enforcement officer alleges that the child has violated a condition of the child’s nonsecure detention care until the
court enters a ruling on the violation. Notwithstanding the
tolling of nonsecure detention care, the court retains
jurisdiction over the child for a violation of a condition of
nonsecure detention care during the tolling period. If the court
finds that a child has violated his or her nonsecure detention
care, the number of days that the child served in any type of
detention care before commission of the violation shall be
excluded from the time limits under subsections (2) and (3).

Section 2. Present subsections (7) through (10) of section
985.433, Florida Statutes, are redesignated as subsections (8)
through (11), respectively, a new subsection (7) is added to
that section, and paragraph (c) of present subsection (7) is
amended, to read:

985.433 Disposition hearings in delinquency cases.—When a
child has been found to have committed a delinquent act, the
following procedures shall be applicable to the disposition of
the case:

(7) If the court determines that adjudication and
commitment to the department are suitable, the court must
receive and consider a predisposition report, including the
department’s recommendation, before committing the child. The
predisposition report is an indispensable prerequisite to
commitment which cannot be waived by any party or by agreement
of the parties.

(8) If the court determines that the child should be
adjudicated as having committed a delinquent act and should be
committed to the department, such determination shall be in
writing or on the record of the hearing. The determination shall
include a specific finding of the reasons for the decision to
adjudicate and to commit the child to the department, including any determination that the child was a member of a criminal gang.

(c) The court may also require that the child be placed in a probation program following the child’s discharge from commitment. Community-based sanctions under subsection (9) may be imposed by the court at the disposition hearing or at any time prior to the child’s release from commitment.

Section 3. Subsections (2) and (3) of section 985.556, Florida Statutes, are amended to read:

985.556 Waiver of juvenile court jurisdiction; hearing.—
(2) INVOLUNTARY DISCRETIONARY WAIVER.—Except as provided in subsection (3), the state attorney may file a motion requesting the court to transfer the child for criminal prosecution if the child was 15 years of age or older at the time the alleged delinquent act or violation of law was committed.

(3) INVOLUNTARY MANDATORY WAIVER.—
(a) If the child was 15 years of age or older, and if the child has been previously adjudicated delinquent for an act classified as a felony, which adjudication was for the commission of, attempt to commit, or conspiracy to commit murder, sexual battery, armed or strong-armed robbery, carjacking, home-invasion robbery, aggravated battery, aggravated assault, or burglary with an assault or battery, and the child is currently charged with a second or subsequent violent crime against a person; or

(b) If the child was 15 years of age or older at the time of commission of a fourth or subsequent alleged felony offense and the child was previously adjudicated delinquent or
had adjudication withheld for or was found to have committed, or to have attempted or conspired to commit, three offenses that are felony offenses if committed by an adult, and one or more of such felony offenses involved the use or possession of a firearm or violence against a person;

the state attorney shall request the court to transfer and certify the child for prosecution as an adult or shall provide written reasons to the court for not making such request, or proceed under s. 985.557(1). Upon the state attorney’s request, the court shall either enter an order transferring the case and certifying the case for trial as if the child were an adult or provide written reasons for not issuing such an order.

Section 4. Subsection (1) and paragraphs (a), (b), and (d) of subsection (2) of section 985.557, Florida Statutes, are amended, and subsection (5) is added to that section, to read:

985.557 Direct filing of an information; discretionary and mandatory criteria.—

(1) DISCRETIONARY DIRECT FILE.—

(a) With respect to any child who was 14 or 15 or 16 years of age at the time the alleged offense was committed, the state attorney may file an information when in the state attorney’s judgment and discretion the public interest requires that adult sanctions be considered or imposed and when the offense charged is for the commission of, attempt to commit, or conspiracy to commit:

1. Arson;
2. Sexual battery;
3. Robbery;
4. Kidnapping;
5. Aggravated child abuse;
6. Aggravated assault;
7. Aggravated stalking;
8. Murder;
9. Manslaughter;
10. Unlawful throwing, placing, or discharging of a destructive device or bomb;
11. Armed burglary in violation of s. 810.02(2)(b) or specified burglary of a dwelling or structure in violation of s. 810.02(2)(c), or burglary with an assault or battery in violation of s. 810.02(2)(a);
12. Aggravated battery;
13. Any lewd or lascivious offense committed upon or in the presence of a person less than 16 years of age;
14. Carrying, displaying, using, threatening, or attempting to use a weapon or firearm during the commission of a felony;
15. Grand theft in violation of s. 812.014(2)(a);
16. Possessing or discharging any weapon or firearm on school property in violation of s. 790.115;
17. Home invasion robbery;
18. Carjacking; or
19. Grand theft of a motor vehicle in violation of s. 812.014(2)(c)6. or grand theft of a motor vehicle valued at $20,000 or more in violation of s. 812.014(2)(b) if the child has a previous adjudication for grand theft of a motor vehicle in violation of s. 812.014(2)(c)6. or s. 812.014(2)(b).

(b) With respect to any child who was 16 or 17 years of age at the time the alleged offense was committed, the state
attorney may file an information when in the state attorney’s judgment and discretion the public interest requires that adult sanctions be considered or imposed. However, the state attorney may not file an information on a child charged with a misdemeanor, unless the child has had at least two previous adjudications or adjudications withheld for delinquent acts, one of which involved an offense classified as a felony under state law.

(2) MANDATORY DIRECT FILE.—
   (a) With respect to any child who was 16 or 17 years of age at the time the alleged offense was committed, the state attorney shall file an information if the child has been previously adjudicated delinquent for an act classified as a felony, which adjudication was for the commission of, attempt to commit, or conspiracy to commit murder, sexual battery, armed or strong-armed robbery, carjacking, home-invasion robbery, aggravated battery, or aggravated assault, and the child is currently charged with a second or subsequent violent crime against a person.

   (b) With respect to any child 16 or 17 years of age at the time an offense classified as a forcible felony, as defined in s. 776.08, was committed, the state attorney shall file an information if the child has previously been adjudicated delinquent or had adjudication withheld for three acts classified as felonies each of which occurred at least 45 days apart from each other. This paragraph does not apply when the state attorney has good cause to believe that exceptional circumstances exist which preclude the just prosecution of the juvenile in adult court.
(d)1. With respect to any child who was 16 or 17 years of age at the time the alleged offense was committed, the state attorney shall file an information if the child has been charged with committing or attempting to commit an offense listed in s. 775.087(2)(a)1.a.-p., and, during the commission of or attempt to commit the offense, the child:
   a. Actually possessed a firearm or destructive device, as those terms are defined in s. 790.001.
   b. Discharged a firearm or destructive device, as described in s. 775.087(2)(a)2.
   c. Discharged a firearm or destructive device, as described in s. 775.087(2)(a)3., and, as a result of the discharge, death or great bodily harm was inflicted upon any person.

2. Upon transfer, any child who is:
   a. Charged under sub-subparagraph 1.a. and who has been previously adjudicated or had adjudication withheld for a forcible felony offense or any offense involving a firearm, or who has been previously placed in a residential commitment program, shall be subject to sentencing under s. 775.087(2)(a), notwithstanding s. 985.565.
   b. Charged under sub-subparagraph 1.b. or sub-subparagraph 1.c., shall be subject to sentencing under s. 775.087(2)(a), notwithstanding s. 985.565.

3. Upon transfer, any child who is charged under this paragraph, but who does not meet the requirements specified in subparagraph 2., shall be sentenced under s. 985.565; however, if the court imposes a juvenile sanction, the court must commit the child to a high-risk or maximum-risk juvenile facility.

4. This paragraph shall not apply if the state attorney has
good cause to believe that exceptional circumstances exist that preclude the just prosecution of the child in adult court.

5. The Department of Corrections shall make every reasonable effort to ensure that any child 16 or 17 years of age who is convicted and sentenced under this paragraph be completely separated such that there is no physical contact with adult offenders in the facility, to the extent that it is consistent with chapter 958.

(5) DATA COLLECTION RELATING TO DIRECT FILE.—

(a) Beginning March 1, 2019, the department shall collect data relating to children who qualify to be prosecuted as adults under s. 985.556 and this section, regardless of the outcome of the case, including, but not limited to:

2. Whether the child was previously found incompetent to proceed in juvenile court.

(c) For every juvenile case transferred to adult court between July 1, 2017, and June 30, 2018, the department shall work with the Office of Program Policy Analysis and Government Accountability to generate a report analyzing the data in paragraphs (a) and (b). The department must provide this report to the Governor, the President of the Senate, and the Speaker of the House of Representatives by January 31, 2019.

(d) The department shall work with the Office of Program Policy Analysis and Government Accountability to generate a report analyzing the aggregated data collected under paragraphs (a) and (b) on an annual basis. The department must provide this report annually to the Governor, the President of the Senate, and the Speaker of the House of Representatives no later than January 31 of the following calendar year.

Section 5. Subsections (3) and (7) of section 985.672, Florida Statutes, are amended to read:

Members of the organization must include representatives from businesses, representatives from each of the juvenile justice service districts, and one representative appointed at large.

(7) REPEAL.—This section is repealed October 1, 2028, unless reviewed and saved from repeal by the Legislature.
Section 6. For the purpose of incorporating the amendment made by this act to section 985.26, Florida Statutes, in a reference thereto, subsection (8) of section 790.22, Florida Statutes, is reenacted to read:

At the hearing, the court may order that the minor continue to be held in secure detention in accordance with the applicable time periods specified in s. 985.26(1)-(5), if the court finds that the minor meets the criteria specified in s. 985.255, or if the court finds by clear and convincing evidence that the minor is a clear and present danger to himself or herself or the community. The Department of Juvenile Justice shall prepare a form for all minors charged under this subsection which states the period of detention and the relevant demographic information, including, but not limited to, the gender, age, and race of the minor; whether or not the minor was represented by private counsel or a public defender; the current offense; and the minor’s complete prior record, including any pending cases. The form shall be provided to the judge for determining whether the minor should be continued in
secure detention under this subsection. An order placing a minor in secure detention because the minor is a clear and present danger to himself or herself or the community must be in writing, must specify the need for detention and the benefits derived by the minor or the community by placing the minor in secure detention, and must include a copy of the form provided by the department.

Section 7. For the purpose of incorporating the amendment made by this act to section 985.26, Florida Statutes, in a reference thereto, subsection (2) of section 985.115, Florida Statutes, is reenacted to read:

985.115 Release or delivery from custody.—

(a) To the child’s parent, guardian, or legal custodian or, if the child’s parent, guardian, or legal custodian is unavailable, unwilling, or unable to provide supervision for the child, to any responsible adult. Prior to releasing the child to a responsible adult, other than the parent, guardian, or legal custodian, the person taking the child into custody may conduct a criminal history background check of the person to whom the child is to be released. If the person has a prior felony conviction, or a conviction for child abuse, drug trafficking, or prostitution, that person is not a responsible adult for the purposes of this section. The person to whom the child is released shall agree to inform the department or the person releasing the child of the child’s subsequent change of address.

in s. 394.463(1), to a law enforcement officer who shall take
the child to a designated public receiving facility as defined
in s. 394.455 for examination under s. 394.463.

(e) If the child appears to be intoxicated and has

herself or another, or is incapacitated by substance abuse, to a
law enforcement officer who shall deliver the child to a
hospital, addictions receiving facility, or treatment resource.

(f) If available, to a juvenile assessment center equipped
and staffed to assume custody of the child for the purpose of
assessing the needs of the child in custody. The center may then
release or deliver the child under this section with a copy of
the assessment.

Section 8. For the purpose of incorporating the amendment
made by this act to section 985.26, Florida Statutes, in a
reference thereto, subsection (2) of section 985.13, Florida
Statutes, is reenacted to read:

985.13 Probable cause affidavits.—
(2) A person taking a child into custody who determines,
under part V, that the child should be detained or released to a
shelter designated by the department, shall make a reasonable
effort to immediately notify the parent, guardian, or legal
custodian of the child and shall, without unreasonable delay,
deliver the child to the appropriate juvenile probation officer
or, if the court has so ordered under s. 985.255 or s. 985.26,
to a detention center or facility. Upon delivery of the child,
the person taking the child into custody shall make a written
report or probable cause affidavit to the appropriate juvenile
probation officer. Such written report or probable cause
affidavit must:

(a) Identify the child and, if known, the parents,
guardian, or legal custodian.

(b) Establish that the child was legally taken into
custody, with sufficient information to establish the
jurisdiction of the court and to make a prima facie showing that
the child has committed a violation of law.

Section 9. For the purpose of incorporating the amendment
made by this act to section 985.26, Florida Statutes, in a
reference thereto, subsection (2) and paragraphs (a) and (c) of
subsection (3) of section 985.255, Florida Statutes, are
reenacted to read:

985.255 Detention criteria; detention hearing.—

(2) A child who is charged with committing an offense that
is classified as an act of domestic violence as defined in s.
741.28 and whose risk assessment instrument indicates secure
detention is not appropriate may be held in secure detention if
the court makes specific written findings that:

(a) Respite care for the child is not available.

(b) It is necessary to place the child in secure detention
in order to protect the victim from injury.

The child may not be held in secure detention under this subsection for more than 48 hours unless ordered by the court. After 48 hours, the court shall hold a hearing if the state attorney or victim requests that secure detention be continued. The child may continue to be held in detention care if the court makes a specific, written finding that detention care is necessary to protect the victim from injury. However, the child may not be held in detention care beyond the time limits set forth in this section or s. 985.26.

(3)(a) The purpose of the detention hearing required under subsection (1) is to determine the existence of probable cause that the child has committed the delinquent act or violation of law that he or she is charged with and the need for continued detention. Unless a child is detained under paragraph (1)(d) or paragraph (1)(e), the court shall use the results of the risk assessment performed by the department and, based on the criteria in subsection (1), shall determine the need for continued detention. If the child is a prolific juvenile offender who is detained under s. 985.26(2)(c), the court shall use the results of the risk assessment performed by the department and the criteria in subsection (1) or subsection (2) only to determine whether the prolific juvenile offender should be held in secure detention.

(c) Except as provided in s. 790.22(8) or s. 985.27, when a child is placed into detention care, or into a respite home or other placement pursuant to a court order following a hearing, the court order must include specific instructions that direct
the release of the child from such placement no later than 5 p.m. on the last day of the detention period specified in s. 985.26 or s. 985.27, whichever is applicable, unless the requirements of such applicable provision have been met or an order of continuance has been granted under s. 985.26(4). If the court order does not include a release date, the release date shall be requested from the court on the same date that the child is placed in detention care. If a subsequent hearing is needed to provide additional information to the court for safety planning, the initial order placing the child in detention care shall reflect the next detention review hearing, which shall be held within 3 calendar days after the child’s initial detention placement.

Section 10. For the purpose of incorporating the amendment made by this act to section 985.26, Florida Statutes, in a reference thereto, paragraph (a) of subsection (1) of section 985.35, Florida Statutes, is reenacted to read:

985.35 Adjudicatory hearings; withheld adjudications; orders of adjudication.—

(1)(a) Except as provided in paragraph (b), the adjudicatory hearing must be held as soon as practicable after the petition alleging that a child has committed a delinquent act or violation of law is filed and in accordance with the Florida Rules of Juvenile Procedure; but reasonable delay for the purpose of investigation, discovery, or procuring counsel or witnesses shall be granted. If the child is being detained, the time limitations in s. 985.26(2) and (3) apply.

Section 11. For the purpose of incorporating the amendment made by this act to section 985.556, Florida Statutes, in a

CODING: Words stricken are deletions; words underlined are additions.
reference thereto, subsection (1) of section 985.15, Florida Statutes, is reenacted to read:

If the child meets the criteria requiring prosecution as an adult under s. 985.556, the state attorney shall request the court to transfer and certify the child for prosecution as an adult or shall provide written reasons to the court for not making such a request. In all other cases, the state attorney may:

(a) File a petition for dependency;
(b) File a petition under chapter 984;
(c) File a petition for delinquency;
(d) File a petition for delinquency with a motion to transfer and certify the child for prosecution as an adult;
(e) File an information under s. 985.557;

(h) Decline to file.

Section 12. For the purpose of incorporating the amendments made by this act to sections 985.556 and 985.557, Florida Statutes, in references thereto, subsection (5) of section 985.265, Florida Statutes, is reenacted to read:
985.265 Detention transfer and release; education; adult jails.—
(5) The court shall order the delivery of a child to a jail or other facility intended or used for the detention of adults:
   (a) When the child has been transferred or indicted for criminal prosecution as an adult under part X, except that the court may not order or allow a child alleged to have committed a misdemeanor who is being transferred for criminal prosecution pursuant to either s. 985.556 or s. 985.557 to be detained or held in a jail or other facility intended or used for the detention of adults; however, such child may be held temporarily in a detention facility; or
   (b) When a child taken into custody in this state is wanted by another jurisdiction for prosecution as an adult.

The child shall be housed separately from adult inmates to prohibit a child from having regular contact with incarcerated adults, including trusties. "Regular contact" means sight and sound contact. Separation of children from adults shall permit no more than haphazard or accidental contact. The receiving jail or other facility shall contain a separate section for children and shall have an adequate staff to supervise and monitor the child’s activities at all times. Supervision and monitoring of children includes physical observation and documented checks by jail or receiving facility supervisory personnel at intervals not to exceed 10 minutes. This subsection does not prohibit placing two or more children in the same cell. Under no circumstances shall a child be placed in the same cell with an adult.
Section 13. For the purpose of incorporating the amendments made by this act to sections 985.556 and 985.557, Florida Statutes, in references thereto, subsection (4) of section 985.565, Florida Statutes, is reenacted to read:

985.565 Sentencing powers; procedures; alternatives for juveniles prosecuted as adults.—

(4) SENTENCING ALTERNATIVES.—

(a) Adult sanctions.—

1. Cases prosecuted on indictment.—If the child is found to have committed the offense punishable by death or life imprisonment, the child shall be sentenced as an adult. If the juvenile is not found to have committed the indictable offense but is found to have committed a lesser included offense or any other offense for which he or she was indicted as a part of the criminal episode, the court may sentence as follows:

   a. As an adult;
   b. Under chapter 958; or
   c. As a juvenile under this section.

2. Other cases.—If a child who has been transferred for criminal prosecution pursuant to information or waiver of juvenile court jurisdiction is found to have committed a violation of state law or a lesser included offense for which he or she was charged as a part of the criminal episode, the court may sentence as follows:

   a. As an adult;
   b. Under chapter 958; or
   c. As a juvenile under this section.

3. Notwithstanding any other provision to the contrary, if the state attorney is required to file a motion to transfer and

CODING: Words stricken are deletions; words underlined are additions.
certify the juvenile for prosecution as an adult under s. 985.556(3) and that motion is granted, or if the state attorney is required to file an information under s. 985.557(2)(a) or (b), the court must impose adult sanctions.

4. Any sentence imposing adult sanctions is presumed appropriate, and the court is not required to set forth specific findings or enumerate the criteria in this subsection as any basis for its decision to impose adult sanctions.

5. When a child has been transferred for criminal prosecution as an adult and has been found to have committed a violation of state law, the disposition of the case may include the enforcement of any restitution ordered in any juvenile proceeding.

(b) Juvenile sanctions.—For juveniles transferred to adult court but who do not qualify for such transfer under s. 985.556(3) or s. 985.557(2)(a) or (b), the court may impose juvenile sanctions under this paragraph. If juvenile sentences are imposed, the court shall, under this paragraph, adjudge the child to have committed a delinquent act. Adjudication of delinquency shall not be deemed a conviction, nor shall it operate to impose any of the civil disabilities ordinarily resulting from a conviction. The court shall impose an adult sanction or a juvenile sanction and may not sentence the child to a combination of adult and juvenile punishments. An adult sanction or a juvenile sanction may include enforcement of an order of restitution or probation previously ordered in any juvenile proceeding. However, if the court imposes a juvenile sanction and the department determines that the sanction is unsuitable for the child, the department shall return custody of
the child to the sentencing court for further proceedings, including the imposition of adult sanctions. Upon adjudicating a child delinquent under subsection (1), the court may:

1. Place the child in a probation program under the supervision of the department for an indeterminate period of time until the child reaches the age of 19 years or sooner if discharged by order of the court.

2. Commit the child to the department for treatment in an appropriate program for children for an indeterminate period of time until the child is 21 or sooner if discharged by the department. The department shall notify the court of its intent to discharge no later than 14 days prior to discharge. Failure of the court to timely respond to the department’s notice shall be considered approval for discharge.

3. Order disposition under ss. 985.435, 985.437, 985.439, 985.441, 985.45, and 985.455 as an alternative to youthful offender or adult sentencing if the court determines not to impose youthful offender or adult sanctions.

(c) Adult sanctions upon failure of juvenile sanctions.—If a child proves not to be suitable to a commitment program, juvenile probation program, or treatment program under paragraph (b), the department shall provide the sentencing court with a written report outlining the basis for its objections to the juvenile sanction and shall simultaneously provide a copy of the report to the state attorney and the defense counsel. The department shall schedule a hearing within 30 days. Upon hearing, the court may revoke the previous adjudication, impose an adjudication of guilt, and impose any sentence which it may lawfully impose, giving credit for all time spent by the child
in the department. The court may also classify the child as a youthful offender under s. 958.04, if appropriate. For purposes of this paragraph, a child may be found not suitable to a commitment program, community control program, or treatment program under paragraph (b) if the child commits a new violation of law while under juvenile sanctions, if the child commits any other violation of the conditions of juvenile sanctions, or if the child’s actions are otherwise determined by the court to demonstrate a failure of juvenile sanctions.

(d) Further proceedings heard in adult court.—When a child is sentenced to juvenile sanctions, further proceedings involving those sanctions shall continue to be heard in the adult court.

(e) School attendance.—If the child is attending or is eligible to attend public school and the court finds that the victim or a sibling of the victim in the case is attending or may attend the same school as the child, the court placement order shall include a finding pursuant to the proceeding described in s. 985.455(2), regardless of whether adjudication is withheld.

It is the intent of the Legislature that the criteria and guidelines in this subsection are mandatory and that a determination of disposition under this subsection is subject to the right of the child to appellate review under s. 985.534.

Section 14. For the purpose of incorporating the amendment made by this act to section 985.557, Florida Statutes, in a reference thereto, paragraph (c) of subsection (2) of section 985.26, Florida Statutes, is reenacted to read:
985.26 Length of detention.—

(2)

(c) A prolific juvenile offender under s. 985.255(1)(j) shall be placed on nonsecure detention care with electronic monitoring or in secure detention care under a special detention order until disposition. If secure detention care is ordered by the court, it must be authorized under this part and may not exceed:

1. Twenty-one days unless an adjudicatory hearing for the case has been commenced in good faith by the court or the period is extended by the court pursuant to paragraph (b); or

2. Fifteen days after the entry of an order of adjudication.

As used in this paragraph, the term “disposition” means a declination to file under s. 985.15(1)(h), the entry of nolle prosequi for the charges, the filing of an indictment under s. 985.56 or an information under s. 985.557, a dismissal of the case, or an order of final disposition by the court.

Section 15. This act shall take effect July 1, 2018.

S-001 (10/14/14)
I. Summary:

CS/SB 1780 creates the “Arthur G. Dozier School and Okeechobee School Abuse Victim Certification Act.”

The bill defines the term “victim of Florida reform school abuse.” The bill requires a person seeking to be certified as a victim of Florida reform school abuse to submit an application to the Department of Juvenile Justice (DJJ) by October 1, 2018.

The bill requires the DJJ to notify the applicant of its determination within five business days after processing and reviewing the application. If the DJJ determines that an application meets the requirements of the act, the DJJ must certify the applicant as a victim of Florida reform school abuse.

The bill requires the DJJ to process and review all applications that were submitted by October 1, 2018, and submit a list of all certified victims to the President of the Senate and the Speaker of the House of Representatives by March 1, 2019.

The Department of Juvenile Justice will incur costs in implementing the bill. Such costs can be absorbed within its existing resources.

This act is effective upon becoming law.
II. Present Situation:

The Dozier School

From January 1, 1900, to June 30, 2011, the state operated the Florida State Reform School in Marianna.\(^1\) Over the years, the school has operated under several different names: Florida State Reform School, Florida Industrial School for Boys, Florida School for Boys, and Arthur G. Dozier School for Boys (hereinafter, Dozier School). The school originally housed children as young as five years old, who had committed minor criminal offenses, such as incorrigibility and truancy. Additionally, many children who were wards of the state and orphans were also committed to the school, despite not having been charged with a crime.\(^2\)

As early as 1901, reports surfaced of children being chained to walls in irons, brutal whippings, and peonage (involuntary servitude).\(^3\) In the first 13 years of operation, six state-led investigations took place. Those investigations found that children as young as five years old were being hired out for labor, unjustly beaten, and were without education or proper food and clothing.\(^4\)

In 1955, the state opened a new reform school in Okeechobee to address overcrowding at the Dozier School.\(^5\) Staff members of the Dozier School were transferred to the Florida School for Boys at Okeechobee (hereinafter, Okeechobee School), where they instituted the same degrading policies and abusive practices as those implemented at the Dozier School.\(^6\)

In 2005, former students of the Dozier School began to publish accounts of the abuse they experienced at the school.\(^7\) These stories prompted Governor Charlie Crist to direct the Florida Department of Law Enforcement to investigate the Dozier School and the deaths that were alleged and occurred at the school.\(^8\)

University of South Florida Forensic Investigation

From 2013-2016, the University of South Florida conducted a forensic investigation, funded by the Legislature, into the deaths and burials at the Dozier School.\(^9\) The purpose of the investigation was to determine the location of the missing children buried at the Dozier School.\(^10\)

The investigation found records of nearly 100 deaths from 1900-1973.\footnote{Id. at 14.} Of those 100 deaths recorded in documents maintained by the school, two deaths were staff members, and the remaining were boys ranging in age from 6 to 18 years old. The investigation noted that the historical records are incomplete and the causes and manners of death for the majority of cases are unknown. The investigation also found that there are at least 22 deaths in the records for which no burial location is documented.\footnote{Id.}

The investigation noted that while other state-run institutions kept detailed records of burials made on the property of the institution, the Dozier School did not keep any records showing the location of specific graves, nor did the school mark the graves.\footnote{Id. at 15.} The investigation implied that this lack of record keeping suggests an intent to cloud the true number of burials located at the school and potentially hinder later investigations into the true causes of individual’s deaths.\footnote{Id.}

Additionally, the investigation revealed that the Dozier School consistently underreported the number of deaths that occurred in their bi-annual reports to the state.\footnote{Id.}

**Legislative Resolutions Addressing Florida Reform School Abuse at the Dozier School and the Okeechobee School**

During the 2017 Legislative Session, the Legislature unanimously issued a formal apology to the victims of reform school abuse and their families with the passage of CS/HR 1335 and CS/SR 1440. In those resolutions, the Legislature acknowledged that the treatment of boys who were sent to the Dozier School and the Okeechobee School was cruel, unjust, and a violation of human decency. The resolutions expressed regret for the treatment of boys at the schools and apologized to the victims for the wrongs committed against them by state employees. The resolutions also expressed commitment to ensuring that children who have been placed in the state’s care will be protected from abuse and violations of fundamental human decency.\footnote{See CS/HR 1335 and CS/SR 1440 (2017).}

### III. Effect of Proposed Changes:

The bill creates the “Arthur G. Dozier School and Okeechobee School Abuse Victim Certification Act.”

The bill defines a “victim of Florida reform school abuse” as a living person who was confined at the Dozier School or the Okeechobee School at any time between 1940 and 1975 and who was subjected to physical or sexual abuse perpetrated by personnel of the school during the period of confinement.
The bill requires a person seeking to be certified as a victim of Florida reform school abuse to submit an application to the DJJ by October 1, 2018. The application must include:

- An affidavit stating:
  - That the applicant was confined at the Dozier School or the Okeechobee School;
  - The beginning and ending days of the confinement; and
  - That the applicant was subjected to physical or sexual abuse perpetrated by school personnel during the confinement.

- Documentation from the State Archives of Florida, the Dozier School, or the Okeechobee School, demonstrating that the applicant was confined at the school for any length of time between 1940 and 1975; and

- Proof of identification, including a current form of photo ID.

The bill requires the DJJ to examine an application within 30 days of receipt and notify the applicant of any errors or omissions or request any additional information relevant to the review of the application. Should the DJJ need additional information from the applicant to process the application, the applicant will have 15 days after receiving such notification from the DJJ to complete or modify the application.

The bill prohibits the DJJ from denying an application due to the applicant’s failure to correct an error or submit additional information requested by the DJJ if the DJJ failed to timely notify the applicant of the error.

The bill requires the DJJ to notify the applicant of its determination within five business days after processing and reviewing the application. If the DJJ determines that an application meets the requirements of the act, the DJJ must certify the applicant as a victim of Florida reform school abuse.

The bill requires the DJJ to process and review all applications that were submitted by October 1, 2018, and submit a list of all certified victims to the President of the Senate and the Speaker of the House of Representatives by March 1, 2019.

The act is effective upon becoming law.
