Congratulations, Dr. Martin Luther King Jr. Elementary School!

What a phenomenal first day of school! Your warm welcome to students from Broward Estates set the tone for an inspiring year ahead. We celebrate the District's commitment to creating a nurturing, inclusive, and empowering learning environment where every child feels seen, valued, and ready to succeed.

We are especially excited about the launch of your new AI Literacy Program, a visionary step in preparing our students to thrive in the future. By equipping young minds with the tools to navigate and shape emerging technologies, you are not only honoring Dr. King's legacy of education and empowerment but also leading the way in innovative learning.

Here's to a school year filled with curiosity, growth, and boundless possibilities!

A handwritten signature in black ink that reads "Senator Rosalind Osgood".
