

FLORIDA STATE SENATOR

ALEXIS CALATAYUD

DISTRICT 38

Community Connection

Honored to be your voice in Tallahassee!

As the 2026 legislative session continues, one thing remains constant: our work at the Capitol is strongest when it is shaped by the voices of the community.

For Senator Calatayud, connecting with neighbors, advocates, students, business owners, and families isn't just a part of the job- it's the foundation of public service.

This session, those connections have guided conversations, informed policy decisions, and strengthened our shared vision for the future.

Cafecito Time with the Senator

In true Miami fashion, we honored one of the most beloved pillars of our culture: the cafecito.

Sharing cafecitos isn't just about coffee, it is about creating space for dialogue. In Miami-Dade, some of the most meaningful conversations happen over a small cup of strong Cuban coffee. It's where ideas are exchanged, partnerships are built, and community bonds are strengthened.

Meet your Senator

Florida State Senator Alexis Calatayud is a champion for generational upward mobility and expanding educational/economic opportunities for Miami-Dade residents.

Calatayud has passed landmark legislation and funding to support the upward ascent of Floridians toward economic security and self-sufficiency. Her work for you revolves around lowering cost of living and increasing community affordability - from stabilizing and reducing property insurance rates, to expanding attainable housing options, to increasing access to affordable children's health insurance and investment in low-cost early childhood education. She serves as a member of Jackson Memorial System Public Health Trust.

Before her election to the Florida Senate in 2022, the Senator served for over a decade in multiple advocacy, policy, and campaign roles supporting Florida's education champions and advancing transformation education policies. Currently, Senator Calatayud acts as the Community Engagement & Public Policy Liaison for the Miami Dade & Monroe County Early Learning Coalition launching national learning exchanges and building special initiatives.

Previously, she served as Chief Lobbyist and Legislative Affairs Director at the Florida Department of Education during the COVID pandemic where she was responsible for advocating for the future of the education system to the Florida legislature. The Senator served as campaign manager for three Miami state representative races and worked as State Representative Vance Aloupis' Legislative Aide in the Florida House.

Calatayud also partnered with regional and national nonprofits to train over 500 university campus' student leaders on state and federal elected official engagement strategies on higher education affordability issues, later developing national programs in Washington D.C. and in Florida. She served two terms as a member of the Board of Trustees for Florida International University, where she received a degree in Political Science and International Relations.
