Celebrating 250

Dear District 14,

This July, we celebrated the 250th birthday of America's independence with a collage of American Flags from around the district. The best part about celebrating America, however, is the belief that those who truly love our Country fight to make it a better place each day. Here is what we've been fighting for to make that happen for you and your families.

SENATOR NATHAN ON PREEMPTION IN HILLSBOROUGH COUNTY

“What we are seeing now, is the consolidation of power in Tallahassee. Let’s take a look at Senate Bill 1492 from 2024 — it barred cities and counties from setting local minimum wage requirements as well as undermining their ability to pass local heat protection ordinances that would have shielded outside workers from heat related illnesses.

As your Senator, I support cities and counties’ right to respond to the needs of their constituents. Local elected officials are the ones who know their communities’ the best. “

- Senator Nathan.

EDUCATION

Good news! Hillsborough County has received its first “A” District Grade in over a decade. Not only did the district receive an A, it also had the highest graduation rate in Hillsborough County history!

HURRICANE PREPAREDNESS

The Office of Senator Brian Nathan is currently planning to distribute at home hurricane emergency kits. For more information on how to receive a ready made kit, email ficara.grace@flsenate.gov
