Post Session

Hello <<First Name>>,

Lawmakers have returned home from Tallahassee, but our work is not yet finished. We are currently awaiting a call from the Senate President and House Speaker to return to the Capitol and finalize the state budget.

In addition to finishing the budget, we will be returning April 20th at the Governor’s call for the redistricting special session. During this time, we may also be subject to an additional special session to address property taxes.

In the meantime, our office is hosting district events and community town halls to hear directly from you

and learn more about the issues that matter most to our community.

Tallahassee Update

On April 20, lawmakers will return to Tallahassee at the Governor's call for a special session on Congressional redistricting. At this time, there have been no formal updates on what the process or timeline will look like.

The Florida House has established a Select Committee on Congressional Redistricting, while the Florida Senate has not yet created a similar committee. Our office will continue to monitor developments and share updates as more information becomes available.

Four of our bills are currently sitting at the Governor's desk waiting to be signed into law.

- **CS/CS/SB 1180: Community Development Districts**
- **CS/HB 559: Animal Welfare**
- **CS/HB 91: Candidate Qualification**
- **CS/SB 110: Homestead Exemptions**
