892		<p>From the funds in Specific Appropriation 3141A, the Office of the State Courts Administrator shall develop or <u>competitively</u> procure an electronic criminal justice risk assessment solution. The solution shall be used to pilot one or more validated pretrial risk assessment instruments in two or more counties which will objectively analyze the risk that a criminal defendant will re-offend or fail to appear before trial and provide risk levels that will inform the court's decision as to whether the defendant should be detained pretrial or released with or without conditions. The pilot shall commence on or before November 1, 2018. Criminal justice agencies within the pilot counties shall participate. In determining the appropriate pretrial risk assessment instruments for the pilot, the office, in collaboration with the participating criminal justice agencies, shall review existing, validated pretrial risk assessment instruments. Additionally, the office shall review the use of validated risk assessment instruments to determine a criminal defendant's suitability for problem solving courts and consider whether such assessments should be included in the criminal justice risk assessment solution. As part of the reviews, the office shall consult with the Department of Juvenile Justice and the Department of Corrections regarding their experiences with developing and using risk assessment instruments. The office shall submit to the President of the Senate and the Speaker of the House of Representatives an interim report by February 1, 2019, which addresses the pilot's implementation status and whether risk assessment instruments used in problem solving courts should be included in the solution, and a final report by January 3, 2020, which addresses the success of the pilot and, if warranted by the pilot's findings, makes recommendations to the Legislature on how to implement pretrial risk assessment instruments statewide.</p>	<p>MODIFY SENATE LANGUAGE TO REQUIRE COMPETITIVE PROCUREMENT</p>	<p>HOUSE - NO LANGUAGE</p> <p>REMOVES THE \$1,000,000 IN NONRECURRING GENERAL REVENUE FUNDS FROM THIS ISSUE (LINE 310), MOVES \$250,000 OF THIS FUNDING TO DOC'S INFECTIOUS DISEASE DRUG TREATMENT (LINE 46), AND USES THE REMAINING \$750,000 TO BALANCE THE SPREADSHEET.</p>	892
