HB 4027 — Community-Based Development Organizations

by Rep. Rouson and others (SB 562 by Senator Lynn)

In 2000, the Legislature established the Community-Based Development Organization Assistance Act for the purpose of providing community-based development organizations with administrative and operating funds to retain project staff to plan, implement, and manage jobgenerating and community revitalization developments in distressed neighborhoods. The program has not been funded or implemented since it was created by the Legislature in 2000.

This bill eliminates the Community-Based Development Organization Assistance Act.

If approved by the Governor, these provisions take effect July 1, 2012.
