Committee on Community Affairs

HB 7011 — OGSR/Public Transit Providers

by Government Operations Subcommittee and Rep. Fant (CS/SB 7000 by Governmental Oversight and Accountability Committee and Community Affairs Committee)

Current law provides a public records exemption for certain information held by a public transit provider. Specifically, personal identifying information held by a public transit provider for the purpose of facilitating the prepayment of transit fares or the acquisition of a prepaid transit fare card is exempt from public record requirements.

The bill reenacts the public record exemption and transfers the public record exemption to the Florida Public Transit Act.

If approved by the Governor, these provisions take effect 10/01/2015.
